LETO (VOLUME) XXIV.

## PROGRAM XIX. KONVENCIJE K. S. K. J. NA EVELETH, MINN.

Nedelja, 14. avgusta

Ob 7. uri zjutraj prihod posebnega vlaka iz Chicaga. Na postaji sprejem glavnih uradnikov, delegatov (inj) in ostalih gostov.

Odhod s postaje v konvenčno dvorano (City Auditorium). Ob osmih registracija vseh udeležencev. Pri registraciji naj izvoli vsak glavni uradnik (ca) in vsak delegat (inja) plačati \$2.00 za banket in plesno zabavo.

Po registraciji skupen zajterk, potem pa razhod na določena stanovanja. Pri tem bo važno to, da naj vsak delegat (inja) pove samo svojo društveno številko, ker so v ta namen izdelane posebne kartice za vsakega posebej, pa bo šla stvar hitro izpod rok.

Po razhodu se udeleženci vrnejo v konvenčno dvorano in se pripravijo za odhod v slovensko cerkev k slovesni sv. maši, ki se prične ob 11. uri.

Po sv. maši bo zopet skupni sestanek v konvenčni dvorani, od tam pa sledi odhod na predkonvenčni piknik v Eveleth Lake park; v ta namen bodo pripravljene avto-busi.

Piknik se prične ob 12:30 popoldne, kjer bo servirana okusna minnesotska "buja." Ta jed bo dobra, ker so kuharice naročile baje več tisoč funtov mesa. Ves ostali program boste pa lahko na pikniku zasledovali in videli.

Poleg "buje" bodo servirane tudi razne druge dobrote za želedec in grlo.

Za zabavo bo tudi preskrbljeno. Vsak bo tudi lahko pokazal svojo spretnost v raznih tekmah, ki bodo na razpolago za stare in mlade; seveda, kdor bo prvi, bo dobil večjo nagrado.

To velja za vse udeležence piknika, razen vožnje iz Eveleth v Eveleth Lake park za naše domačine; vozni red za te bo pravočasno objavljen v lokalnih listih.

Sobota, 20. avgusta

Konvenčno zborovanje.

Ob 9. zvečer velika plesna zabava v Eveleth Recreational Bldg.

K temu naj objavimo še sledeče na prošnjo tozadavnega pripravljalnega odbora:

Kar se tiče stanovanja in hrane za delegacijo je vse v redu in sicer za one, ki so se dosedaj že priglasili. Je pa še nekaj takih, ki so bili že 3-krat objavljeni v seznamu v Glasilu, pa odboru za stanovanje niso še nič pisali. Ako tega ne storijo, ne bodo tako ugodno postreženi in bodo morali odgovornost sami sebi pripisati. Kdor torej še nima stanovanja, naj takoj piše na Mr. Anton Samson, 502 Adams Ave., Eveleth, Minn., delegatinje pa na: Miss Louise Intihar, 214 Monroe St. Eveleth, Minn.

Večina delegacije bo na hrani v pritličju konvenčne dvorane. Pripravo jedil imajo v oskrbi izbrane kuharice-mojstrice, cena bo pa tudi zmerna samo \$1.00 na dan za trikrat: zjutraj, opoldne in zvečer.

### CLEVELANDSKI DELEGACIJI

Naša clevelandska delegacija se odpelje od tukaj v soboto zjutraj, dne 13. avgusta ob 7:50 z N.Y.C. vlakom z Union Terminal postaje. Imeli bomo svoj lastni vagon. V Chicago dospemo ob 1:45 popoldne, torej pravočasno, da se odpravimo na posebni vlak Northwestern železnice, ki odpelje proti Minnesoti ob 4. popoldne. Delegatje iz Barbertona in Loraina naj se izvolijo pridružiti naši clevelandski skupini. Vožnja do Eveletha in nazaj stane \$29.71. To skupino bo do Chicaga vodil sobrat Leo Kushlan, pri katerem naj vsak vnaprej plača tiket v njegovem uradu v Slov. Nar. Domu na St. Clair Ave. in sicer najkasneje do 11. avgusta. V sredo in soboto popoldne je njegov urad zaprt.

## "LEONIDAS" PODZEMELJSKI RUDNIK NA EVELETHU, MINNESOTA

Slika nam predstavlja največji podzemeljski rudnik želez-  
nega okrožja nahajajoč se na Evelethu, Minn. Rudnik, ki je  
globok 648 čevljev, je last Oliver Iron Mining kompanije, od-  
nosno U. S. jeklarne korporacije. Cez 100 milijonov prvo-  
vrstne rude se je že spravilo iz tega rova na površje, kjer je  
tudi mnogo Slovencev zaposlenih. Na dveh krajih je mogoče  
gledati, kako se z ogromnimi parnimi in električnimi lopatami  
lahko koplje in naklada po 20 ton rude naenkrat.

## K 45-LETNICI DRUŠTVA VITEZI SV. FLORIJANA ŠT. 44

Kadar kako društvo ali u-  
stanova obhaja svoj pomemben  
jubilej, recimo 45 letnico, se  
vedno radi oziramo nazaj v  
preteklost s premišljevanjem  
kaj se je v teh dolgih letih pri-  
petilo.

Tako hoče tudi naše druš-  
tvo vsaj bolj na kratko povod-  
dom svoje 45 letnice obstanka  
narediti malo pregleda v to  
dobo.

Društvo je bilo ustanovlje-  
no dne 22. junija 1893 s 25  
člani. Sprva je poslovalo sa-  
mostojno, čez eno leto je pa  
pristopilo k Češki Katoliški  
Jednoti; k naši K. S. K. Jed-  
noti pa 22. avgusta 1897.

Da je to društvo pristopilo  
pod okrilje naše podporne ma-  
tere Jednote, gre v prvi vrsti  
priznanje ustanoviteljem; dva  
izmed teh sta še živa, namreč  
sobrat Carl Medosh in sobrat  
Joseph Mavretich; oba sta na  
tež sliki označena; ravno tako  
se moramo tudi spominjati že  
pokojnih ustanovnikov.

V začetku je bilo naše dru-  
štvo kakor menda tudi drugod

brez cerkve in brez slovenske-  
ga duhovnika. Da se ta mali  
čolnič ni potopil v tedanjem  
razburkanem valovju, gre za-  
hvala spretnemu vodstvu u-  
radnikov društva; tako je isto-  
časno dala tudi veliko življe-  
nja viteška uniforma, s kate-  
ro so Florijanovci naredili lep  
vtis na javnost in občinstvo,  
ko so nastopali pri raznih pri-  
likah.

Seveda, časi se spreminjajo.  
Zdaj ima svoje športne uni-  
forme samo naša mladina ali  
"boosterji", na katere smo tu-  
di zelo ponosni.

Kakor hitro se je pa usta-  
novilo tukajšnje slovensko fa-  
ro sv. Jurija, smo dobili z u-  
stanovnikom in prvim župni-  
cem iste, zdaj že pok. Rev. John  
Kranjecem, veliko zaslom-  
bo tudi za društvo; seveda, čla-  
ni našega društva so tudi k  
ustanovitvi fare največ pripo-  
mogli. Rev. Kranjec je zelo  
rad svojim faranom priporo-  
čal pristop v naše društvo. —  
Blag mu spomin!

Naše društvo šteje sedaj 264

članov in članic in 47 čl. mla-  
dinskega oddelka, torej sku-  
paj 311.

Od ustanovitve do danes je  
društvo izplačalo \$29,413.50  
bolniške podpore, za pogrebne  
stroške umrlih članov \$7,925,  
darovi za cerkev \$1,565.00, raz-  
ni drugi darovi na prošnje  
\$368.00; skupaj \$49,271.50.

Od ustanovitve do danes je  
umrlo že 91 članov in članic  
in trije iz mladinskega oddel-  
ka.

Društveno premoženje je  
znašalo letos 30. junija \$5,-  
194.38.

To je kratka zgodovina ome-  
njena društva.

Kakor je bilo že večkrat po-  
ročano v Glasilu, se vrši naša  
društvena proslava v nedeljo,  
dne 7. avgusta. Člani se kor-  
porativno udeležijo sv. maše  
ob osmih, ki bo darovana za  
vse pokojne in žive člane(ce).

Popoldne ob eni uri bodo za-  
rečeli voziti truki na naš piknik  
v Kowalski Grove, na 157. St.  
in Ave. "O" v Calumet City.  
Na ta piknik so prijazno vab-

KRATKA ZGODOVINA IN OPIS MESTA EVELETH, MINNESOTA

Mesto Eveleth v Minnesoti je bilo inkorporirano meseca julija leta 1893 za časa druge administracije predsednika Grover Clevelanda v tedanji obtežnani veliki depresiji.

Leta 1896 se je zgradilo leseno mestno hišo, ki je veljala \$656.00. Hiša je bila zaeno tudi postaja za požarno brambo, katero so tvorili prostovoljci.

Leta 1894 je bila otvorena Duluth Iron Range železniška proga, dolga 60 milj. Duluth Misabe železnica je pa začela obratovati eno leto kasneje.

Imena drugih rudnikov so: Spruce, Cloquet, Aad, Rutland, Fault, Jean in Virginia. Da so dospeli do rude v Spruce rovu, je bilo treba 20,000,000 kubičnih jardov zemlje odstraniti.

Prvo leto, 1894, je bila otvorena Duluth Iron Range železniška proga, dolga 60 milj. Duluth Misabe železnica je pa začela obratovati eno leto kasneje.

Kdor se bo peljal na konvencijo z avtom naj računa, da znaša razdalja iz Chicaga do Eveletha 625 milj; od Dulutha pa do Eveletha je pa daleč 60 milj..

Mesto Eveleth šteje dandanes okrog osem tisoč (8000) prebivalcev; lepo število istih tvorijo naši rojaki Slovenci.

Eveleth ima krasne in moderne mestne hiše in 7 šol, kamor zahaja nad 2000 študentov; število učiteljev na teh šolah znaša 132.

Kdor bi hotel igrati golf, se nahaja v bližini moderno in krasno mestno golf igrišče, na jezerih pa lahko lovi ribe, se vozi ali koplje. Park hotel ima 60 sob, cene so od \$1.00 naprej.

Mesto Eveleth se ponaša kot začetnik ali rojstni kraj "hockey" športne igre, ki je znana že tudi širom sveta.

V prihodnji izdaji bomo pa priobčili kratko zgodovino slovenske fare sv. Družine na Evelethu.

RAZMOTRIVANJE V PRILOG 19. KONVENCLJE
DRUŠTVO SV. JOŽEFA, ST. 53, WAUKEGAN, ILL.
Na rednih sejah našega društva dne 12. junija in 10. julija je naše članstvo razmotrivalo o raznih točkah za dobrobit naše Jednote in tudi kot odgovor na različna vprašanja od strani članov, kakor sledi:

5.—Društvo zahteva absolutno domačo svobodnost v zadevi plačevanja bolniških podpor. Naše društvo postuje v tem delu že 38 let in dobro napreduje ker ima domačo pošteno nadzorstvo svojega bolniškega sklada.

6.—Društvo priporoča, da se izvoli predsednika, ki bi bil za stalno nameščen v glavnem uradu in bi imel vse nadzorstvo glavnega urada v svojih rokah; konvenčna zbornica naj mu določi primerno plačo.

7.—Društvo priporoča, da bi se plačevalo po 3c za vsakega člana v mladinskem oddelku vsak mesec in sicer društvu. Društvo ima svoje uradne stroške s tem oddelkom in je upravičeno do tega denarja; tajniki pa imajo že itak svojo plačo, kakoršno jim društvo vsako leto določi.

8.—Društvo priporoča, da glavni odbor preskrbi načrt, po katerem se bo znalo, ako se vsak delegat(inja) udeleži vsake konvenčne seje. Delegat(inja), ki se ne opraviči za odsotnost dotične seje, naj ne bo upravičen do plače za tisti dan. Društvo priporoča "Roll call" vsak dan ob gotovem času.

9.—Društvo priporoča, da konvenčna zbornica v imenu celokupnega članstva naše organizacije pošlje pismo (resolucijo) v moralno podporo Katoliške delavske akcije (Catholic Labor Action), katere načelnik je kardinal Mundelein v Chicagu, Ill. Ker je večina našega članstva od strani delavcev, naj se podzame ta korak, da bodo znali naši verski voditelji, da stojimo z njimi in pri tej ideji, da se izboljša in pomaga delavcem v njih težnjah za boljše delavske razmere v Ameriki.

10.—Društvo priporoča, da glavni tajnik poroča ob času polletnega računa, koliko se plača na mesec vsakemu uslužbencu v glavnem uradu. To bo odgovarjalo vsem na vprašanje, če se delavcem v glavnem uradu plačuje preveč, ali pa premalo.

Matt Slana Jr., predsednik,
Joseph Zorc, tajnik,
Michael Opeka, blagajnik.

DRUŠTVO SV. JOŽEFA, ST. 57, BROOKLYN, N. Y.

Naše društvo je razmotrivalo na zadnji redni seji o sledečih točkah v prilog 19. konvencije:
1.—Društvenim tajnikom in tajnicam naj bi se plačevalo iz sklada mladinskega oddelka 3c mesečno za vsakega člana ali članico tega oddelka.

2.—Glede glavnega predsednika priporočamo, da je potreba, da se glavni predsednik nastane v glavnem uradu K. S. K. Jednote in se mu določi primerno mesečno plačo.

3.—Glede delavcev v glavnem uradu, da glavni tajnik sporoči vsake 3 mesece v Glasilu, koliko je plača delavcev v gl. uradu vsakemu posebej kakor tudi druge stroške gl. urada.

4.—Glede delegatov za konvencijo se naše društvo strinja, da se ne pošlje več kot 3 delegate od enega društva.

5.—Glede delegatov za konvencijo, da mora biti vsak delegat ameriški državljan.

6.—Naše društvo se strinja, da se plačuje društvenim tajnikom in tajnicam 5% mesečno od svote asesmenta, katerega se pošlje na Jednoto vsak mesec, ker tajnik ima največ dela s tem in nima nobene plače ako mu društvo ne določi kaj iz svoje društvene blagajne.

Jack Zagar, predsednik;
Joseph J. Klun, tajnik,
Joseph Zagar, blagajnik.

7.—Da Jednota pošlje društvom kuverte z znamkami za vsa uradna pisma.

DRUŠTVO MARIJE POMAGAJ, ST. 79, WAUKEGAN, ILL.

1.—Člen 12-a, stran 30: Operacije in vse, kar se tiče operacije naj ostane tako, kakor je bilo dozdaj.

2.—Člen 17, točka 4-5 naj se spoji v eno točko. Ako se član(ica) preseli za stalno v drugi kraj, mora vzeti prestopni list k najbližjemu društvu; prestopni list mu Jednota izda brezplačno.

3.—Sprejemanje novih članov(ic) naj ostane po starem in sicer od 16. leta do 55. leta in zavarovalnina naj ostane \$2000.

4.—Vsako društvo si naj priskrbi svoje tiskovine in plačilne knjižice.

5.—Glasilo se naj tiska tam, kjer je sedaj in to v Clevelandu, Ohio.

6.—Iz sklada izrednih podpor naj se plačuje društveni in Jednotin asesment nad 70 let starim članom(icam).

7.—Društvo priporoča da naj glavni predsedniški urad ostane po starem, kakor je bil dozdaj.

8.—Število delegacije naj ostane po starem od 75 do 100 članov en delegat, potem pa za vsakih 10 članov en delegat več.

9.—Naše društvo ne podpira priporočila, da bi imela Jednota po naselbinah kakega posebnega zastopnika.

10.—Naše društvo se strinja s priporočilom, da se naj iz mladinskega sklada Jednote plača 3c mesečno od vsakega člana v pokritje stroškov pri društvu.

11.—Naše društvo je prišlo do zaključka, da finančnega odbora ni potrebno in naj to delo prevzamejo predsednik, tajnik, blagajnik in nadzorniki.

12.—Društvo je prišlo do zaključka, da bi se dovolilo posameznim članom(icam) da lahko razmotrivajo v Glasilu.
13.—Glavni uradniki nimajo pravice spremeniti nobene točke pravil od konvencije do konvencije ali pa nalagati nobenega asesmenta brez splošnega glasovanja.
14.—Naše društvo priporoča, da bi se otrok ne sililo da prestopijo med aktivne člane prej ko so 18 let stari, ako ni to protipostavno.
15.—Naše društvo priporoča da naj ostane centralizacija prostovoljna.
16.—Člen 9, stran 22 naj se bere; Glavni zdravnik dobiva za pregled vsake listine (za sprejem, poškodnino, operacijo in drugo) samo 25c.

17.—Naše društvo priporoča, da bi se člen 21, točka 3, stran 65 strogo izpolnjevalo.
18.—Naše društvo priporoča, da člen 22, stran 65, in vse spadajoče točke k temu členu ostanejo kakor so sedaj v pravilih.
19.—Naše društvo je proti vsakemu zvišanju asesmenta.
20.—Naše društvo zahteva popolno prostost, da člani(ce) pristopijo h kateremu društvu sami želijo pristopiti.
21.—Naše društvo priporoča da glavni uradniki, kateri imajo mesečne plače, nimajo pravice do dnevnice.
22.—Društvo priporoča, da namestnik za izpraznjeno mesto kakega glavnega uradnika naj bi bil tisti, kateri ima na konvenciji drugi največ glasov za dotični urad.
23.—Naše društvo priporoča, da bi moral biti vsak izvoljeni delegat ameriški državljan.
24.—Naše društvo priporoča, da vsak član(ica), kateri umre pri Jednoti, naj bodo njegovi sorodniki upravičeni do brezplačnega oglasa do gotove mere.
John Cankar, predsednik,
John Hladnik, tajnik,
Anton Mozina, blagajnik.

DRUŠTVO SV. TRESH KRALJEV, ST. 98, ROCKDALE, ILL.

Naše društvo je na društveni seji dne 2. julija razmotrivalo in podpira par točk, ki so bile dosedaj že priobčene v koloni razmotrivanja in sicer:

1.—Za 70 let stare člane in članice naj se iz sklada izrednih podpor plačuje samo smrtninski asesment, če se hočemo izogniti izrednih doklad v bodoče.

2.—Glavni odbor naj iz stroškovnega sklada plača tajnikom in tajnicam za trud in delo 2c na mesec za vsakega člana (ico) mladinskega oddelka.

3.—Konvencija naj uvede svojo lastno tiskarno, ako je to izvedljivo.

4.—Glavnemu predsedniku naj se določi primerno mesečno plačo in naj se ga za stalno namesti v glavni urad, ker se lahko dokaže, da bo Jednoti v korist in napredek.

Frank Gutnik, predsednik;
Joseph Juhant, tajnik,
Frank Krzich, blagajnik.

DRUŠTVO SV. ANE, ST. 127, WAUKEGAN, ILL.

Naše društvo je razmotrivalo na seji dne 24. julija o sledečih točkah v prilog 19. konvencije.

1.—Ime Jednote naj ostane po starem.
2.—Centralizacija naj ostane po starem; katero društvo hoče, naj pristopi vanjo, če ne, pa tudi dobro.

3.—Sedanji posebni asesment 5c naj ostane tako, da bo redni asesment za poškodbo in operacije znašal 18c mesečno. Dalje smo proti vsem drugim zvišanjem asesmenta.

4.—Nad 70 let starim članom(icam) naj se plačuje samo Jednotin asesment iz sklada izrednih podpor, za bolniško podporo naj pa društvo samo skrbi tudi za take člane.

5.—Naše društvo je proti temu, da bi se dajalo kake nagrade gl. uradnikom.

6.—Od mladinskega oddelka naj bi Jednota plačala vsakemu društvu vsaj 2c na mesec od vsakega otroka.

7.—Glavni predsednik naj bo stalno nameščen v gl. uradu, in naj se enega drugega pomočnika ali delavca odstavi iz gl. urada, saj je zdaj že 12 pomočnikov v glavnem uradu poleg treh gl. odbornikov.

8.—Naše društvo tudi ni za to, da bi imela Jednota po naselbinah kakega posebnega zastopnika; saj ima vsako društvo svoj odbor, ki dela v korist društva in tudi KSKJ.

9.—Konvencija naj se vodi v obeh jezikih.

10.—Ako kdo želi svoj certifikat premeniti, naj bi se za to plačalo samo 25c namesto 50c.

11.—Naj se dovoli, da lahko tudi posamezni člani razmotrivajo v Glasilu, saj je vendar last članstva. Vsak član plačuje za ta list, pa mu ni dovoljeno, da bi v istem kaj priporočal v korist društva in Jednote.

12.—Glede števila delegatov naj bo po starem, kakor je zdaj.

13.—Finančni odbor naj odpade in naj imajo to delo v oskrbi: gl. predsednik, gl. tajnik, in gl. blagajnik.

Mary Cepon, predsednica,
Frances Tercek, tajnica,
Frances Drobnič, blagajnik.

DRUŠTVO SV. JOŽEFA, ST. 169, CLEVELAND, O.

Na sestanku članov odbora za pravila našega društva smo sklenili priporočiti konvenciji v odobritev sledeče premembe in dodatke k Jednotinim pravilom:

1.—Kvalifikacija delegatov: Člen 5, točka 7, tikajoča se kvalifikacije člana, ki kandidira za konvenčnega delegata pri društvu naj bi ostala kot je s popravkom, da član, ki hoče biti delegat, mora biti član društva in Jednote najmanj eno leto, ne pa, da je član dotičnega društva samo 3 mesece. Seveda naj bi bila izjema v tem oziru pri novo ustanovljenih društvih. Priporočamo tudi, da član(ca) delegat(inja) ne more biti v istem letu naš delegat, če je istočasno delegat tudi kake druge podporene organizacije.

2.—Doba splošnega glasovanja: Člen 6, točka 7: Splošno glasovanje naj se vrši devetdeset (90) dni, ne pa samo 60 dni kot določajo sedanja pravila. Priporočamo tudi, da pri splošnem glasovanju mora glasovati polovica celokupnega članstva Jednote.

Za ta dodatek bodo nastali pomisleki pri raznih članih in društvih, da je neizvedljiv; toda mi vpoštevamo pri tem večjo aktivnost in zanimanje za Jednoto. Pri društvih bi odbor bolj agitiral med članstvom, tako bi se o stvari lahko bolj podrobno razmotrivalo, kar bi preprečilo kritiziranje v sled odločitve večine.

3.—Operacijske podpore: Razmotrivali smo veliko tudi o operacijskem skladu in prišli do zaključka, da naj se te pod-

Predkonvenčni paberki (Piše urednik)

Well, še deset dni, pa se bomo na posebnem vlaklu peljali proti krasni Minnesoti! To bo v resnici lepa in pomembna vožnja, katere se tudi jaz zelo veselim. Vem, da bo vsa naša slavna konvenčna družba dobro razpoložena in da se bo zapelo marsikako lepo slovensko pesem v raznih zborih. Že proti koncu, bomo pa od veselja zažingali vsak svojo, toda vsi naenkrat; na ta način bo lahko vsak sam pevovalja. Dobro bi bilo, da bi se osobito za sestre delegatinje priredil pevski kontest, katere ima najvišji in najlepši sopran, ali pa najnižji alt. Naše delegate iz zelene Štajerske bomo pa naprosili, da nam bodo kako "zajodlali."

Z bratom Leskovcem 169 imava že urejeno, da bomo proti večeru na vlaklu tudi malo marširali, ali pa "sikstisk-alii." Seveda, da cenj. delegatinjam ne bo dolg čas, bi jim svetoval, da naj med vožnjo "strikajo," ali igrajo domino, "špana" ali pa Črna Petra.

Če bo katera bolj slabo "filala," bo imela nad vse prijazna delegatinja Johanca "Ozolt iz Barbertona posebna brezplačna zdravila seboj in sicer marijaceleske kapljice in kamiličen "gajst." Kamilice je dobila še lani iz Bradleya, Ill., delegatinja Marička Polutnik iz Loraina bo imela na razpolago melisnice (točke), saj jin gotovo poznate še iz starega kraja, deleg. Terezija Zdešar iz Euclida bo delila novoljubljanske krofe, delegatinje iz Newburga pa novomeško potico.

Ko bomo ponoči zaspali, pazite, da ne bo kdo preveč močno smrčal ali kihal in s tem kalil nočni mir. Kazen za to sicer ni označena v naših pravilih, jo bomo pa mi po našem določili.

Jaz bi svetoval, da si cenj. zbornica delegatinj na potevanju izbere sestro Ano Skelar, edino delegatinjo našega največjega Jednotinega društva sv. Jožefa 169 za maršalko. Ona je precej postavna in bo gotovo ta urad izbornovo vsila; v slučaju kake sile, vsa bo tudi dobro branila, česar (sile) pa ne pričakujemo.

Teh deset dni se bom oprjel "dijete"; sprva bom jedel samo dvakrat dnevno, potem samo enkrat, potem pa nič. Čemu? Že od daleč mi diši občezna na minnesotska "buja"; to je posebne vrste juha, kakoršne še nisem okusil. Res, čudno ime, pa morda tudi čudna juha?! Cibrovo Špelo sem zadnjic srečal, pa mi je obljubila, da pride tudi ona na Eveleth na ogled samo zato, da bo dobila recept za pripravo "buje." Seveda prinese seboj tudi kuhalnico, da bo Evelethčankam pomagala mensestro v onem kotlu mešati.

Kaditi se v konvenčni dvorani menda ne bo smelo? Kaj bodo počeli prijatelji Camel cigaret, "La Palina" cigar in kadilci pip? Lahko bi se jim morda ugodilo na način, da bi morali vsi kadilci sedeti pri kraju pod oknom blizu kakega električnega pihalnika, pa bo ves dim razgnalo skozi okna. — Če nas v tem oziru sestre delegatinje res vženejo v kozji rog, jim bomo pa mi moški prepovedali pudrati in šminkati se v dvorani. Lepo-tični prašek je po moji sodbi bolj škodljiv za pljuča, kakor

4.—Novi sistem plačevanja asesmenta v centralni bolniški oddelek. Priporočamo, da se uvede plačevanje asesmenta v centralni bolniški oddelek po lestvici, oziroma po sistemu ali lestvici smrtninskega sklada. Na ta način bi člani tega sklada ali oddelka plačevali asesment sorazmerno po njih starosti; pa bi vsled tega lahko pridobili več mladih članov, ker bi plačevali manjše prispevke (asesmente), na drugi strani bi pa s tem pridobili manj starejših članov ker njih asesment bi bil višji od sedanjega, kar je umestno, ker so priletni člani bolj podvrženi boleznim kakor pa mladi člani.

5.—Bolniške kartice. Premeni naj se točko 15 v toliko, da se bo glasila: Ko prejme bolnik kartico od društvenega tajnika, naj isto da izpolniti svojemu zdravniku, ter isto vrne tajniku društva in ta jo naj potem pošlje vrhovnemu zdravniku.

6.—Agitatorji ali organizatorji: Veliko potrebo vidi naše društvo za upostavitve agitatorjev ali organizatorjev. Ti bi pa ne smeli biti izvoljeni na konvenciji, pač pa imenovani po gl. odboru, ki naj bi jim določil njih delovanje.

Če bo komu morda žepna ura med konvencijo zastrajala, bo isto sfiksalo mojster Tone Kordjan, delegat 63. Lani sem mu podaril našo staro stensko uredniško uro. Malo jo je spodaj odžagal in namazal s terpentinom, zdaj pa gre ura med konvencijo zastrajati, in še bolje kaže kot pa nova.

To uro je dobil za malo kampañjsko nagrado.

Pravijo, da je letos v Minesoti jako dosti črnih borovnic. No, bomo pa enkrat po seji priredili "Borovnično party" v kaki bližnji goščavi. V ta namen bodo imeli največ posla delegatje doma iz Coklarije in iz Borovnice. Enkrat pa lahko priredimo "Krompirjevo party" na bližnjem Chisholmu. Ondi je živel pred leti rojak farmar Jakob Stukel, kateri je bil znan kot "kralj krompirja" (Potato King), tako debelega je namreč prideloval.

Bome pa ondi krompir, koruzo in bob v stročju pekli, zalivali ga pa z Hammovim ječmenovcem.

Da bo mogoče s to kolono nadaljevati, bom moral dobiti kaj zanesljivih tajnih poročevalcev ali reporterjev. Tekom bivanja na Eyelethu bo tudi gotovo dosti konvencijnih paber-kov. Seveda, tudi enega spretnega fotografa bom potreboval. Glede plače, se bomo že domenili, ali od vsake črke, be-sede, ali pa vrste, samo da bo poročilo originalno in resnično. # FLORIANS BILL ALL-DAY PROGRAM TO MARK 45TH ANNIVERSARY

South Chicago, Ill.—Outstanding achievements as well as events are generally heralded by some sort of significant celebration. In fact, when an organization such as the Knights of St. Florian, No. 44, prepare to celebrate their 45th anniversary, it really is significant!

We say it is exceptional, because it is one of the first societies to hit the 45th milestone in the KSKJ, and one of the few that enjoy a rich, colorful and historical background.

St. Florian Society was organized in 1893, before our KSKJ was established. In South Chicago during those early pioneer days, there was just a small group of Slovenian immigrants who found livelihood in the steel mills and grain elevators. Being true Catholics, and progressive individuals, they banded together and maintained a self-reliant and independent benefit society. Later they joined a Slovak union and remained as members until after the KSKJ was organized, with whom they became affiliated in 1897.

Down through the gamut of these 45 past years St. Florian history is earmarked with outstanding achievements in fraternal organization. Here in South Chicago, they were the original organizers of the St. George's Church, of which they have remained the bulwark of support throughout the years. In those early days they also maintained a crack drill team, of which a Slovenian band was an integral part. Old-timers recall vividly what an important part the Knights of St. Florian played in local civic affairs. In those days, when people were parade-minded, St. Florian were always outstanding in the blue and red trimmed uniforms, their flashing sabers dangling, or their heavy bayoneted muskets shouldered in unison and perfect marching order. Memorable lodge picnics at Casino Grove were always preceded in a grand display of pageantry. It was the event of the season. Today that is but a happy memory, but the spirit is yet there.

St. Florian are still the leaders in their community. The younger generation, sons and daughters of pioneer members, have taken up the standard and are bearing it with equal zeal. Parades and pageantry may not be the order now, instead sports activities of the modern age have become an important adjunct to our lodge. The St. Florian Booster Club has done much to maintain the popularity of the society. They have become widely known because of their activities in baseball, bowling, and basketball, in which competition they have won many honors and championships.

So it is fitting that the young join in with the old to observe 45 years of progress with a jubilee picnic, which will be held this coming Sunday, Aug. 7, at Kowalski Grove, 157th St. and Ave. O in Calumet City, Ill. An extensive program has been arranged for the day by the committee headed by William F. Kompore, president of the lodge. Beginning at 8 a. m. Sunday, all members will attend a jubilee High Mass at St. George's Church, with the Rev. Bernard Ambrosic, O.F.M., pastor, as celebrant. Following the solemnities at church, members and friends will go to Kowalski Grove for the celebration. According to arrangements thus far, the St. Florian baseball team will play a Hammond team at 1 p. m. on the diamond near the grove. Music, dancing and refreshments will be provided during the course of the day. A speakers' program after the ball game will include several Supreme Board officers of the KSKJ who have promised to be on hand. Many local societies will also attend.

Truck transportation to the picnic grounds will leave every hour from St. George's Church, 96th St. and Ewing Ave. From all indications, it is going to be a gala day and all our KSKJ friends are invited to join us in this jubilee celebration.

St. Florian Booster.

## JOLIET PARISH CARNIVAL IN FULL SWING; CLOSING AUG. 7

Joliet, Ill.—The St. Joseph's Parish carnival, which began Sunday, July 31, is progressing favorably. It will close Sunday evening, Aug. 7.

The church committee is being nobly aided by the various parish organizations. Booths have been taken care of by St. Mary's Sodality, St. Agnes' Sodality, the Rosary Confraternity, St. Genevieve's KSKJ Society, St. Cecilia's DSD Society, the Slovenian Women's Union, the St. Anne's COF, the Young Men's Holy Name Society.

Leonard Wedic and Frieda Brulc are conducting a lively contest for the parish supremacy. Both have booths at the festival, where their friends can give them additional aid.

The professional wrestling match of last week, which benefited Leonard Wedic, was well attended.

The sodality play, "Thursdays at Home," presented Monday evening, will be repeated again Friday for the benefit of the sodality's representative, Frieda Brulc. The children's program of last Wednesday also benefited the queen aspir-

## Outstanding Bands to Join Largest and Most Colorful Spectacle

Eveleth, Minn.—One of the greatest spectacles in the history of northern Minnesota will take place commencing at 6 p. m. Aug. 18, when Eveleth will witness one of the largest and most colorful parades to be presented by any local fraternal organization in the past decade.

Some of the outstanding bands of the Iron Range will form in the line of march.

Among the versatile musical organizations stands the Press-Lloyd Post No. 247 American Legion Drum and Bugle Corps of Chisholm, Minn. This drum

and bugle corps is not only colorful in uniform and marching, but is also noted for its style of music. Organized about 14 years ago in Chisholm, the Legionnaires have competed in 14 consecutive state conventions of the American Legion in Minnesota. In competition they have won five state championships

Officers of this organization include Judge R. C. Huger, manager; Carl M. Frisk, drum

major; Edward Hagen, music arranger and director; Oscar Simstee, musical director, and Frank M. Talus, drill sergeant.

The corps will attend the American Legion state convention in St. Cloud, Aug. 8 to 12, inclusive, and will also represent Minnesota by competing at the national, Sept. 12 to 18, in Los Angeles.

The Eveleth KSKJ parade committee is extremely grateful to this organization for accepting the invitation to take part in this large and colorful parade Aug. 18.

### American Legion Chorus to Interpret Slovenian Melodies

Eveleth, Minn.—Music will be one of the features in the program outlined for the mammoth picnic at Eveleth Lake Park which will open the 19th general convention of the KSKJ here Aug. 14, the arrangements committee announced.

Adding color to the outing will be the local municipal band, a German band, and Slovenian melodies by the American Legion Chorus under the direction of L. M. Jacobson. Vocalists will be the Shukle Quartet of this city and John

Germ, recording and radio artist of Pueblo, who will also entertain with the accordion. Mr. Germ's selections at the picnic held here last summer proved very popular.

The majority of delegates arriving in Eveleth at 7 o'clock Sunday morning on a special train from Chicago will convene with supreme officers in the City Auditorium at 9 o'clock whence they will march to Holy Family Church to attend the 11 o'clock Mass.

The convention will open officially Monday morning in the City Auditorium.

Bayuk last week announced appointment of the convention finance committee, consisting of John Hobyan (chairman), Mrs. Peter Kapsh (chairwoman), Frank Peterlin, John Kotchevar, John Strah, John Shukle, Joseph Intihar, Mrs. John Kotchevar, Mrs. Anton Masel and Mrs. Mary Perushek.

## Brooklyn Pioneer, KSKJ Member, Dies

Brooklyn, N. Y.—Alois Dovjak, member of St. Joseph's Society, No. 57, passed away on Thursday morning at 12:30 o'clock, July 21, after an illness of only four days.

Surviving are Joseph Dovjak, son, and his family here in Brooklyn, where the deceased lived. It's one year seven months since his wife, also a member of the society, died.

The deceased was born in the year of 1859 in the town of Kostanjevica, Dolenjsko, Jugoslavia, and died at the age of 79 years.

His death is another loss, the passing of one of the pioneers of St. Joseph's Society. He joined the society July 19, 1903, and was always a good member and attended most of the meetings and affairs. In the past few years his visits were infrequent, but still he attended the last two of the society affairs. Inclement weather did not prevent him from showing that he still had the society at heart.

## BOOSTERS TURN OUT FOR ROAST

Cleveland (Newburg), O.—A large crowd of boosters and friends attended the wiener roast held by the St. Ann's bowling boosterets last Saturday evening at Zorn's Grove. Among the guests was Frank G. Gospodaric, supreme officer, who was here over the weekend on a business trip.

## EVELETH PROUD OF THIS INSTITUTION

Junior College addition in Eveleth, Minn. Here students receive educational training in almost every course free for 2 years, equivalent to 2 years of university training.

AND COUNTRY

By FATHER KAPISTRAN

The least of our worries at the convention should be the name of our Union. Changes of this nature are tremendously costly and burdensome. Nor does the initial cost end the expense. It will take years to write off the debit. Consider only the re-writing of policies.

At the limits of a country town we saw this sign on the highway: Adieu but not Good-bye. Come again to Lily Center." Which shows that we use many words without judging their meaning. "Adieu" and "Good-bye" both mean "With God" or "Z Bogom."

Only a week ago, Pope Pius XI condemned Super-Nationalism as a sin against the Catholic Creed. It is significant that the Holy Father issued this anathema precisely one day after a group of anonymous Fascist scientists proclaimed a policy of race purity for the "Aryan and Nordic" Italians.

Nationalism, said the Holy Father, is contrary to the whole body of Catholic Faith. "Catholic means universal," he said. Nationalism, on the other hand, excludes universality on the false basis of the accident of race and birth.

Today we heard of home-made air-conditioning in automobiles. A young man on a very hot day was able to drive with all windows closed because he had fastened a piece of dry ice on a pan in the face of his defroster fan. The ice lasted three hours.

Just when we were about to complain: "why doesn't someone invent an automatic camera focuser?" along comes an accommodating inventor and offers us a camera which features a photoelectric cell which automatically sets the diaphragm of the aperture. This camera, which is to appear on the market in August, will be equipped with every modern device considered essential for present-day photography.

Tampa, Florida, businessmen have declared a state of siege against gambling. To protect the incomes of the \$20 a week class, they have united and signed pledges of boycott against 135 bolita, lottery and "bond" establishments.

Another petition worthy of mention is that signed by thousands of Mohawk Indians, asking that the Indian girl, Kateri Tekawitha, the "Lily of the Mohawks," be proclaimed a saint. The petition was received at the Castel Gandolfo by Pope Pius on July 16.

What seems to be the beginning of diplomatic relations between the United States government and the Vatican State was seen in the recent amendment permitting the consulate to act as the authenticating agent for documents of record in the Vatican City so they may be used as evidence in American courts. The amendment begins with these hopeful words: "Until the U. S. shall have a consular representative resident in the State of Vatican City, etc." The last minister to the Vatican held office in 1863.

BARBERTON DRILL TEAM UNIT TO  
UNVEIL NEW BANNER LABOR DAY

Barberton, O.—Local KSKJ people are preparing for a great day in the near future. The date will be Labor Day, Sept. 5, and the occasion will be the blessing of the St. Mary's No. 111 Drill Team banner.

The young ladies have been working hard to get the drill team under way, and now they are on their way to success. On the memorable day when they will mark their success they will also appear in new uniforms.

The program will also include a big parade through the city of Barberton and will be followed by drill exhibitions and dancing in the Domovina Hall.

With the help of St. Joseph's, No. 169, of Cleveland, which will send its band and Cadets, as well as all neighboring lodges and drill teams, the Barberton girls are looking forward to a great success. A good time is assured to all Kay Jays.

KSKJ members, reserve the date, Labor Day. Come to Barberton and pay us a visit. We shall appreciate and return the

favor when needed. Further details on this big celebration will be announced later.

NEW YORKERS TO  
MEET BETHLEHEM

New York City, N. Y.—The softball team of St. Cyril's Church will drive Sunday, Aug. 7, to Bethlehem, Pa., where they will meet the St. Joseph's team of that city. The booking will bring together the teams for the first time.

The New Yorkers will leave the city early enough to arrive in Bethlehem in time for the 10 o'clock Mass. The game will be played after Mass. After the tilt both teams and their friends will attend a picnic sponsored by St. Joseph's Church at the church grounds.

As Bethlehem is only about a hundred miles from New York and about the same distance from Forest City, many boosters and friends are expected in Bethlehem on that date.

## MEETING NOTICES

Joliet, Ill.—Members of St. Joseph's Society, No. 2, are hereby notified that our regular monthly meeting will be held Sunday, Aug. 7, at the usual time and place.

As this will be the last meeting before our delegates, six in number, attend the forthcoming convention, all members, having recommendations for changes in the bylaws which will improve the fraternal work of our Union, are asked to bring their suggestions to the meeting for discussion. At our last meeting several members brought recommendations for the delegates to submit to the coming convention, and I am sure all suggestions submitted with be for the betterment of the KSKJ and its subordinate societies.

At this time I also ask members to kindly refrain, as much as possible, from paying their dues during convention week, but to pay them either the preceding or the following weeks, for the reason that I will be in attendance as a delegate to the 19th regular convention at Eveleth, Minn.

Robert L. Kosmerl, Sec'y.

Forest City, Pa.—Members of St. Joseph's Society, No. 12, and the Booster Club are hereby informed that the next meeting will be held Aug. 7 instead of the 14th. The reason for the change is that I, as your delegate to the coming convention, will not be at home at the time of the regular meeting.

Therefore members are requested to attend this meeting and deliver any instructions to your delegates that you may have for the improvement of the bylaws of the Union.

My office will be open to the membership throughout my absence the same as though I were at home. The collection of dues will be the same as usual, so don't let my absence keep you from paying your dues on time.

I will stop off in Cleveland during the week of the 21st and will try to see as many of our members as time will permit, but if anyone has a special message to give me, leave word with Mr. Joseph Ponikvar, 1481 E. 172d St.

Valentine Maleckar, Sec'y.

Brooklyn, N. Y.—St. Joseph's Society, No. 57, will hold its regular meeting Saturday, Aug. 6, in the American Slovenian Auditorium, 253 Irving Ave. Meeting will be called to order promptly at 8 p. m.

At this meeting you will receive the financial report for the first six months, and we will also go over the bylaws, as this will be the last meeting before the convention.

Members on the sick list are John Anzlovar, Joseph Sterk, Louis Rupnik Sr. and Peter Routar. We all wish them a speedy recovery.

J. J. K.

Pittsburgh, Pa.—At the July meeting of the Mother of Seven Sorrows Society, No. 81, it was decided that the regular monthly meeting of the lodge for the month of August be held on the 10th of August at 7:30 p. m. in the Slovenian Auditorium, 57th and Butler St.

The members are urged to attend this meeting and at the same time pay their assessment, as the secretary will be out of the city during the time of the convention.

On Aug. 21 (third Sunday of the month), the regular meeting day, Mrs. Mary Balkovec, treasurer, will be on hand to collect the assessments from members who cannot pay on the 10th at the meeting. Mrs. Balkovec will be in the Slovenian Auditorium as early as 1 p. m. on the third Sunday in August.

Frances Lokar.

## Pre-Convention Thoughts

By Frances Jancer

One of the major discussions among the various societies seems to be that regarding the appointment of agents in the various communities to gather new members for our KSKJ, that is, on the order of the life insurance companies. Most societies are against this issue. Why are they? Because they feel there is no person better suited for the job than the members and officers of their local society, for after all, they are acquainted with the people in their locality, and they should know who is fit to become a member of our organization and who is not. The members are all willing to help gather new members, and the sums paid for new members come into the hands of some needy members at times. If agents were hired to do the work one person would be reaping all the benefits; according to present rule, anyone who cared to gather new members for the organization would benefit by it. Again if agents were hired a certain fixed salary would have to be paid, regardless if the agent received any new members or if he did not, and this would not be an advantage for our KSKJ.

In regards to the juvenile division it has been suggested that juveniles be kept in the juvenile division until they have attained the age of 18 years instead of 16 as heretofore. The reason, most children do not go out and work for a living until 18, in fact most of them nowadays go to school until 18, and the parents must pay their dues for them, and this amounts to quite a bit if the family is a large one. After 18 the member becomes self-supporting and can pay his own dues. Another point to be stressed is that the parents should teach their children to pay their own dues, for it is only in this way that they are going to learn what it is all about, and give them a responsibility. Also, if a juvenile has been a member of that department for a great number of years he should be allowed to enter the adult department without a doctor's examination, if he does not insure himself for more than \$500.

Something must be done for the older members of our organization, those who have attained old age, who have been paying assessments for more than 30 years. A great many of these old members are now dependent on somebody else, relatives, friends, and what not. The most appropriate thing would be a home for the aged members, those who have no one to depend upon. Although this would start out small, as all great things generally do, it would gradually attain vast proportions, and would be a blessing to the organization and its older members. This home should be a pleasant place to live in, preferably out in the country, away from the busy city life, amidst the serene and quiet countryside, the leafy trees and the vast acres of ground, a real haven of rest for the last years of their lives.

As conventions go on, more and more delegates are of the class that speak the English language more fluently than they do the Slovenian language, and most of all they understand the English much better. It has been suggested that the convention be conducted also in English so all may understand. Four years ago the convention adopted the recording of the minutes in the English lan-

guage, which truly was a stepping stone toward more convincing and more satisfactory conventions. This year they should have everything explained thoroughly in English to the convention body. Which necessitates the election of a convention chairman who is thoroughly versed in both Slovenian and English.

Society No. 109, West Alliquippa, Pa., suggests that the Supreme Board see to it that all the delegates attend the sessions of the convention regularly. They attest that the delegates who do not care whether they are on time for the sessions are not worth being delegates and are not worth paying per diems. The delegate

who has to ask his next door neighbor what happened at the meetings he missed is no delegate at all, but one who wanted to represent his lodge so that he could have a nice vacation or possibly a family reunion with his brothers and sisters at the expense of the KSKJ. A suggestion would be to take a roll call every session and report to the subordinate society that the delegate is representing how many times their delegate did not attend a session. This means may spur the delegates to more prompt attention to the convention, instead of to a near-by lake, or a pleasant chat with relatives.

Universally, all lodges are against any raise in assessments, in fact, some of them suggest a decrease if it is at all possible. With the present hard times, and a not so bright and prosperous future in the coming, it would not be advisable to raise any of the assessments at this convention. Where families have as many as six or seven members whose dues must be paid, regardless if they are working or not, it presents quite a difficult situation, both for the members of the family and for the local secretary who does not like to suspend any of its members. Of course, there are members who are very loyal to their society and manage to scrape up their dues, even if they have to deduct from some other necessity, but there are also that other type, the kind that do not care if their dues are taken care of or not, just so they have everything else that life hands them. But that is just a few of the troubles the local secretary has on his hands.

Next week's issue will be the final edition prior to the convention, which, according to official announcement, will begin on Monday, Aug. 15, at 9 a. m. In that issue will appear the final of the pre-convention thoughts by this writer. Fully understanding that all that was written will not actually take place, yet hoping that the delegates will at least take into consideration these thoughts, thrash them out, and finally yet ultimately see that it would be better for the KSKJ and its future that something be done. Remember, the convention convenes only every four years.

Frances Mohorcic, Sec'y.

Matt Leskovec is secretary of St. Joseph's Society, No. 122, and will also represent this society at the coming convention at Eveleth, Minn.

At primary election, which will be held Aug. 16, Mr. Galicich, on Democratic ticket, and Mr. Leskovec, on Republican ticket, will have no opposition.

## MEETING NOTICE

All members in the arrears will please try to pay on the meeting night.

At this time I wish to extend my vote of thanks to St. Anne's members for having confidence in me and electing me delegate to the 19th convention of the one and only KSKJ. I also appreciate the splendid complimentary vote received. I also wish to congratulate our organization for bearing in mind that after all we that are born here in America and as English-speaking members should also be considered. I am very proud to be able to represent St. Anne's Society.

Mrs. Mary E. Orlich, Sec'y.

SHEBOYGAN  
LODGE SHOWS  
INCREASE

Sheboygan, Wis.—At the last meeting of Queen of May Society, No. 157, held on July 13, the six-month financial report was read. During the first six months of this year we paid \$1,217 for sick benefits alone.

Our society now boasts of 271 adults and 139 in the juvenile department; total number 410 members. Some of our members are in arrears with their monthly dues, amounting to \$223.81.

Our society made progress in gaining new members, as a result of the recent campaign. Due to the fact that we have had an exceptionally large number of sick cases, and paid such an enormous amount of sick benefits, our treasury is suffering a considerable loss. We discussed how we could raise funds to cover at least part of the loss in our treasury. It was unanimously accepted that we will have a special assessment of 25 cents, to be collected during the month of October.

As we all know, the next meeting will be the last one before our coming convention. Our two delegates, Mrs. Mary Godez, president, and Mrs. Johanna Mohar, secretary, urged all members for some good suggestions for the betterment of our KSKJ. We have discussed some of the articles that appeared in the Glasilo from various KSKJ lodges.

As we had a small attendance at our last meeting, our president appealed to members to attend our next meeting, which will be held Aug. 10. We would especially like to have all of our young members attend our next meeting. Some of you may have some new ideas concerning activities in our various KSKJ lodges.

The younger members sure showed a commendable enthusiasm at the recent bowling tournament, which was held in Sheboygan in May.

If you think there should be some changes, improvements, or if you have any grievances or complaints concerning all activities in our KSKJ, our delegates would like to know about them, so they can make a report of it at the convention.

Gabriella Bersch.

COLLINWOOD

As usual, the committee in charge is making preparations to assure everyone a good time.
