## Važni zaključki s seje gl. odbora S. N. P. J.

Podpora \$3000 za stavkujoče rudarje. Za člane stavkarje, ki so v stiski, založi jednota asesment. — Uredništvo glasila objavi samo tri proteste v zadevi transakcije z Zadružno banko, vse druge pa zavrže. — Iniciativi za zmanjšanje števila delegatov in premestitev konvencije v Cleveland.

Zborovanje gl. odbora je trajalo tri dni od 1. februarja v sredo do petka večer, in zborovanja so se udeležili vse gl. odborniki.

Na prvi in drugi seji so podali gl. odborniki svoja poročila, ki so v mersičem zelo zanimive in ki se bavijo največ s potekom dogodkov v organizaciji od zadnjega seje gl. odbora.

Poročilo gl. predsednika se največ bavi z raznim mahinacijami jednoti sovražnih elementov, ki so poskušali ustaviti našedek organizacije z vsemi možnimi sredstvi, npravljajo-

hodno konvencijo. Kajti jednota davorana je premajhna za zborovanje in vršiti bi se morala v tuji davoran; stanovanja delegatom bi nikakor ne bilo mogoče dobiti pri Slovencih v toliki bližini, da bi ne bili delegati primorani posluževat se posiljati nobenih prispevkov za podpiranje stavkujočih rudarjev. Včasih ta človek berači tudi na sebe.

Kadarkoli se kje pojavi človek in nabira se za stavkujoče rudarje, pa ni nikogar med Slovenci v naseljibini, ki ga dobro poznata. Tretje zborovanje se bo obdržalo že v tem mesecu in na tem zborovanju se pričakuje 150 delavskih zastopnikov iz devet glavnih piedmontskih sredиш.

Kajti če bi kaj takega namenovali, bi bili lahko izvršili, kar ni bilo nikogar tam, da bi sa jim kaj takega izbramblo. Tertje, ko je v stvari izvedeli šele o polnici, ker so baje bile porezane telefonske žice. Rudarji so dali z besedami duška svojemu gnjevu do stavkokazev in nato so zopet odšli mirno, kot so prišli. Stavkokazi so bili seveda v velikem strahu. Poskrili so se pod postelje, sploh tje, kjer so se poskrtili mogli. Nihče od rudarjev pa ni nadiegoval stavkokazev.

**Springfield, Ill.**—Opominjam člance društva "Zmagovana kronska" št. 184 SNPJ, da se bolj redno udeležijo sej, da se vrši vsako drugo nedeljo ob 7:30 zvečer. Na dnevnem redu imamo več vaših stvari, ki se tičejo društva in jednot. Te seje se bodo udeležili tudi člani Federacije klevelandskih Amerikov. Člani izmed njih bo govoril v angleškem jeziku. To je namenjeno za našo mladino. Pripravite svoje sinove in hčere na to sejo. Sedaj namreč nameravamo organizirati mladinsko društvo. Naša dolžnost je torej, da se poširimo ter da pomagamo ustanoviti angleško govorje društvo SNPJ.—Matthew Bebevec, tajnik.

**NAZNANILO IN POPRAVEK.**

**Chicago, Ill.**—Na letni seji društva "Slovenski dom" št. 86 je bilo zaključeno, da tajnik pobira assessment na društveni seji, oziroma pred sejo in po seji, na domu pa: samo 24. v mesecu od 6. do 8. ure zvečer, zapomnite si to enkrat za vedno, da ne bo nepotrebnih pritočib. Ne nadlegujte tajnika, eden danes drugi jutri in tako skozi cel mesec in celo leto. Drugo dneje tajnik ne bo prejel assessmenta, kar bi bilo tudi proti društvenemu sklepu. Upoštevajte ta zaključek.

V št. 2 "Prosvete" z dne 4. jan. sem poročal: "Na letni seji dr. št. 86 SNPJ je brat Herold Kravanya aprilišči idejo, da bi se na severni strani ustanovilo društvo po angleškem jeziku" itd. Da pa se bo poročilo bolj ujemalo z zapisnikom dr. seje in da se kdo ustanoviteljev ne bo po nepotrebničnem čutil usklajenega radi mojega poročila, bo naslednje bolj povoljno: "Za ustanovitev novega društva sta delovala brata Herold Kravanya in Louis Skerbinsek" itd.

Novo društvo št. 631 lepo napreduje na članstu in na ugledu, akoravno je komaj ustanovljeno. Njihova prireditve 28. jan. je bila temu delniček, kar si so tudi precej dobro podprli društveno blagajno.

Rojaki na "North sidu" delujemo vse na to, da društvo "Integrity" ene najmočnejših med našo mladino!

Za društvo št. 86, John Turk, predsednik.

Upsek veselice.

**Canonsburg, Pa.**—Veselica, ki je bila prijetna dne 21. jan. v pomoč stekajujočim rudarjem, je precej dobro uspel. Vendar pa bi bil upsek mnogo večji, da se nji prijetila nekoga.

K upsehu veselice so mnogo pripomogli trgovci in naselbine, ki so davalni na veselico razne stvari. Cisti preostanek znaša \$277.70. Vsa to je bila razdeljena kot sledi: V naselbino Muse \$50; v George \$27.80; ostalo vsoto pa se razdeli med društva in naselbine po članstu. Med siedemčetrtino društva se razdeli: društvo "Postojnska jama" SNPJ, društvo "Bratka sloga" JSKJ, društvo "Sr. Jeronima" KSKJ in društvo "Kraljice majnika" KSKJ.

Umetno je, da se sme ta denar pobrati in se stekajujoče rudarje. Vsem, ki so kolikaj pomagali k uspehu, nallesti hvala!—John Zigman.

## The Young S.N.P.J.

## STALWARTS

**Kenosha, Wis.** — Who won the five dollars at the Bunco party? Alex Pohizel held the lucky number which happened to be fifty. What are you going to do with all that money, Alex?

**Sister Angeline Koos and brother Joe Repsel claimed the booby prizes.** Each went home satisfied with his lot. Angeline with her cigarette case and Joe with his compact. We hope they will make good use of them for we hate to see our lodge money wasted. Tillie Rodomond, Evelyn Penza, Albert Koos, and Ludwig Prester had the distinction of making the highest scores and were rewarded with suitable prizes.

We were honored with the presence of several members of the Little Fort Lodge. We were more than pleased to have them with us, and hope they enjoyed our company as well as we did theirs.

The cakes were delicious and the girls may be praised for their adaptiveness in the culinary art.

Well, a good time was had by all and we are looking forward to our next doing.

— A. Niemi.

## INTEGRITY

**Chicago, Ill.** — The Inauguration Dance of Integrity, Lodge No. 651 was every bit the success that was predicted. A nice crowd attended and everyone had an enjoyable evening I am sure.

The supper and entertainment given by the Pioneers in honor of the Supreme Officers turned out to be a greater affair than was expected and it was the small hours of the morning before many of us reached home.

Next in line comes our Membership drive. Our time is limited, as we have only three months to reach the one hundred mark, and it is up to every member of this lodge to get out and do his bit. I know that everyone of us has been working diligently since we organized, but we now have to work all the harder. We have a good foundation now, so let us begin on the main structure. Don't forget: We must get seventy new members by June the first! That is a real goal, but our motto is: "Aim higher!"

Our next meeting is Feb. 10, to be held at 1624 Clybourn Ave. Everyone, please, be present, not only our members, but we also would like to have a lot of visitors. Everyone is welcome. Don't forget to attend!

Harold Kravanya.

## BADGER NOTES

**Milwaukee, Wis.** — Hurrah for the Badgers! They did it again. On January 29 the Badger Bowling teams went to Chicago and decisively defeated the Pioneer Keglers. So far the Badgers have defeated the Pioneers and Stalwarts, each twice. We are confident we can hold our own with any other SNPJ team. We are willing to demonstrate. Match games can be arranged by writing to our manager, John Oblick.

I want here to thank the Pioneers in behalf of the Badger Bowlers for the fine reception they gave us. We enjoyed the Integrity's opening dance and had a wonderful time. The Badgers were well represented there—about 20 members attending.

Badgers take notice! Our regular monthly meeting will be held Friday Feb. 11, at 8. Let's all be present! Failure to attend three successive meetings calls for a fine. Continued violation of this rule means suspension for a month. A feature entertainment is assured.

I want to congratulate the members of the "Forest and Lake" for organizing a new English-speaking SNPJ lodge at Ely, in behalf of the Badgers.

You have a wonderful start and we hope your publicity committee is full of life and let us know how you are progressing. We always like to hear from new lodges. We congratulate you, Sister Frances Jenko, for organizing this lodge and hope you are well rewarded. We wish to state that we would like to hear from other Minnesota lodges; especially the Arrowheads, Aurora. We haven't heard from you for long and we are getting worried. Being a former member of that lodge, I am interested in their work.

Fraternally yours—Louis Glavan, Member Pub. Com.

## SUPERLATIVE AFFAIR.

**Springfield, Ill.** — The Lincolines will celebrate their Second Birthday in excellent fashion, February 11-12, with the Big Dance Saturday nite as the big feature.

Promptly at 7:30 o'clock Saturday nite, the program will get under way with our President Stanley Gorsek, Chairman.

Brother Donald Lotrich, who will be here with his gang of bowlers and fans, will talk on the American-speaking movement and the SNPJ, and Brother John Gorsek, Sr., Chairman of the Supreme Judicial Committee, will speak in the Slovene language for the benefit of the elders, on things of present interest within the Society. Honorable Earl B. Scary, Senator of Springfield, who very kindly consented to be with us, will give us some "encouragement."

The "Naprej" singing society will render several selections between speeches. Roche's orchestra will play for us this evening immediately after the program when dancing commences.

The Post Office and General Store will be reproduced in the hall and Brother Frank Stolsek will represent Abraham Lincoln. He will deliver the mail gathered at the post office, which, by the way, will not be as light as formerly.

The Pioneers' crack bowlers will

February 11 at 8 P. M., and Sunday at 2 P. M. A big \$40 trophy is at stake; a heated scrap is expected, presenting the spectators plenty of interest. Match to be held in Capitol City Alleys, 3rd and Monroe. Everything free. Everybody welcome.

## ARROWHEAD CHAPTER.

**Aurora, Minn.** — "The meeting shall come to order!" Once, twice, thrice, President Kovach repeated his command, each time accompanying it with sharp taps of the gavel. At last an occasional individual here and there disengaged himself from the scattered noisy groups in the hall, and hurried himself to his official chair, while with many "ah's", "sh's", "hurry's" and "sit here's" the rest of the members found seats along the sides of the hall.

The occasion was the annual meeting of the Arrowhead chapter No. 578, of Aurora, Minnesota. Practically one hundred percent of the members had turned out, and interest was at high pitch. After the usual preliminaries, "Election of Officers" was announced. This was the spark that electrified! Everyone forgot his manners. There were whisperings; there was talking; there was a general exchange of seats. Arms and lungs were duly exercised, until at last order follows: President—Frank Glavon; Vice-President—Anna Kovach; Secretary—Mary Mahnich; Recording Secretary—Mary Zimmerman; Treasurer—Joseph Skerbitz.

Our faith in our officers of the past year is reflected in their reelection in practically all cases except that of president. Brother Kovach. It was with deep regret we accepted his refusal to again head our chapter, as he informs us that he is leaving Aurora in the very near future. But we realize that our loss will be some other chapter's gain, and we are happy in the knowledge that he will remain a brother member of the SNPJ. The Chapter unanimously extends its sincere thanks to Brother Kovach for his many services in making our organization a successful one.

To keep others in touch with doings of our chapter we have elected the following Publicity Committee, who will endeavor to submit articles regularly hereafter: Mary Zimmerman, Antonia Bernick, Joseph Mikulich, Amelia Zimmerman, Frank Smolich and Edward Skul.

We also wish to take this opportunity to thank the "Pioneers" for "ringing" in on us during their Second Anniversary. Our wish is that you may enjoy continued growth and success.

Mary Zimmerman,  
Member Publicity Committee.

## "VALENTINE DANCE"

**Detroit, Mich.** — The "Young Americans", Lodge No. 564 of the SNPJ, is back on the job again after all the work of the past year had been completed. The first dance of the year will be held Feb. 11, 1928, in the hall of "Woodmen of the World." This will be a Valentine Dance, something different from what we have had. Jean Goldkettes presents this time the most popular orchestra, the "Ramblers," who are excellent musicians and also good entertainers.

We want every one to come, young and old, from everywhere. If you come in airplane, let us know as we have limited parking space for only one more. AND HOW!! We would be very glad to have with us some of the other members of the English Speaking Lodges from other cities.

If there are any members of these English speaking lodges attending this dance, please wear some kind of identification of your lodge so that you can be recognized by our members.

The dance will begin promptly at 7 and continue until 12 o'clock. For goodness sake, GIRLS, come out, this is leap year and I'm sure you can win hearts of some of the Valentines. Tickets are on sale now and you can get them from any of our committees. Remember: the one selling the most tickets will be entitled to one of the cash prizes that we are giving.

The hall is located on Victor Ave., between Oakland and Woodward. It is two blocks off Woodward, past Brush, near corner of Victor and Oakland Ave. You can get any Division, North Detroit or Oakland streetcar which pass near this hall.

Woodward

and get off at Victor and walk two blocks towards Oakland, or take any street car that goes in that direction.

Don't forget to come and come early to the VALENTINE DANCE, at the hall of "Woodmen of the World," Feb. 11, 1928, Sat. night 7!

Antoinette K. Grum.

**P. S.—Comrades,** please note: The "Young Americans" have contributed a sum towards the striking miners, at the celebration of their Second Anniversary, Jan. 7, 1928. This has been sent to the headquarters and has been published in "Prosvera," Jan. 18, 1928. I'm writing this article in regard to article written by Bro. James Rulig, a Comrade, saying that he hasn't heard of any young SNPJ lodge doing anything in behalf of the striking miners.

## SPOT LIGHTS.

**Collinwood, O.** — All Strugglers take notice. A new writer of Spashes has come into our club, calling himself "The Spot Light." Starting at the next meeting he will take notes and put them in the next issue of this paper. Any member finding out who "The Spot Light" is, will be given \$1.—A. Friend.

Brother Felix is looking forward to the day when the Strugglers are going to get their new rings. He is going to make use of it over Bro. Kuhar's house. The Spot Light.

**Collinwood, O.** — Brothers Jelercic and Mavec get along pretty well at our meeting, until they meet one of the Strugglers' fair maidens, then it's every man for himself.

Listen! Just a minute before we go on. Please, park your chewing gum and razors at the door—and you will hear such a story as you never heard before.—Brothers Kuhar and Kozel have created a new dance of their own—the Strugglers' Strut. They've promised to dance it at the next meeting. Be sure and come! Any one eager to learn it, will be given instructions.

## The Spot Light.

## JUST A WORD.

**Barberton, O.** — Just a word from the "Buckeyes" who attended the Loyalty dance. They entertained distinguished people, because as we went through the town of Northfield on the way to Cleveland, the mayor was called out to welcome us. You all remember the old adage "Go slow and see the town; go fast and see the mayor." Well we saw the mayor.

We left some of our hard earned shekies behind us, but it was worth it once we got to the dance and began playing with snow balls.—By the time this goes to press, we,

the Loyalties, Comrades, Strugglers, visitors from Akron, Warren, Canton and other points shall have had a wild and glorious time, more of which you shall hear in the next edition.

— Frances Garber.

## CRESTED BUTTE, COLO.

I have just read the item on the striking miners from Pennsylvania. Theirs surely is a bad situation, and ours is about the same in some parts of Colorado. The large companies have hired gunmen and the Governor has sent the State Militia to protect the company property. The miners must not even protect themselves if they were abiding by the operators' laws. In Walsenburg and Trinidad, the miners were put in jail and from there they were kidnapped, and some were loaded into autos and taken to another state and put out in the cold without a dollar or anything to eat.

These men were men who had grievances while they were at work, and were now required and they were written up and testified to before the Industrial Commission; and what I mean the bosses surely did squirm in their seats when some of the grievances were brought up. I heard the hearing at Crested Butte, and there were some good points brought up against the operator. Our men are still standing solidly all over the state where they were called on strike. The striking miners of Colorado, since the hearing before the Industrial Commission, are very proud of themselves, mostly because they were represented by an Attorney who seemed to be much brighter than those of the operator.

The dance will begin promptly at 7 and continue until 12 o'clock. For goodness sake, GIRLS, come out, this is leap year and I'm sure you can win hearts of some of the Valentines. Tickets are on sale now and you can get them from any of our committees. Remember: the one selling the most tickets will be entitled to one of the cash prizes that we are giving.

The grievances the striking miners had against the operator were something like this: The men getting cheated on their weights, that is, getting less weight for their coal than they should; discrimination and unequal distribution of cars among the diggers; gas in the places; shortage of propane;

drivers forced to drive over poorly maintained track; driving into entries with loose rock overhead, and so on.

This is merely an outline of the conditions. There were many of these in Crested Butte, but only a few when compared with other places in the state.

This strike is something serious, nothing to laugh about. But you should see and hear us at one of our meetings. First we sing, then comes the business, then music and singing and talking, etc. We mean to stick until we win, and it won't be long now.

The Colorado strikers believe they have the bosses coming their way, so instead of losing spirit, our men are gaining, and that certainly helps.

When the strike broke out, the country officials and the Chamber of Commerce were going to force the men back to work. That was in Gunnison County, but we never saw them do it.

On January 14th, some of our men went to Gunnison to tell the public their troubles, and see if they wouldn't regard the strike differently, and favor the miners a little. It seemed that they didn't understand the situation of the strike.

It seems as though we should have other more cheerful news for you, but we must carry this on until we win. Then we will be able to take more interest in Lodge doings again.

MATT MOLINSEK JR.  
Member of Lodge 397, SNPJ.

## BOWLING.

**Springfield, Ill.** — Well, boys, I have wanted to write this article for a long time, but I first didn't have the nerve to start. Here it goes.

Are we going to have a bowling tournament this spring? I would like to hear from lodges interested in bowling, for I would like to know first when and where we should meet.

Have you a plan? If so, please, write to Frank Klasins, Jr., 1721 N. 9th St., Springfield, Illinois.

Come on, boys, sell me your idea. I am willing to do my part. Are you?

Back of the foul line.

Well, it won't be long until we, meaning the Lincolines, of course, will have possession of the trophy now held by the Pioneers. It will be a shame to take it—but isn't that what we have been wanting to do ever since last April the twenty-fourth? Think it over a moment, and I am sure you will all agree with me. Of course, the Pioneers say, we want the Lincolines to win, ahem, sometimes, I just wonder!

In the mean time my greatest ambition is to see:

Amy bowling a perfect game;

Patia making a spare out of a seven

and ten pin split;

Kerar bowling right handed;

Klasins keeping back of the foul line;

and last, but not least, some more bowlers for our team.

Frank Klasins, Jr., Captain Lincolines bowling team.

## STRUGGLERS' FACTS

**Cleveland, Ohio.** — Hey, What? Did you say something?

The Strugglers won first prize for new members—you ain't kidding me, are you? No, that's right.—Now just imagine the three Horsemen getting 48 new members out of the 55; that's going some.

That last campaign surely was a surprise to all the Strugglers and everyone in Cleveland. The Strugglers aim in 150 members by the 14th of April. That's the night we are going to have our First Anniversary.

Now don't forget, Strugglers, let's be 100% strong at the next meeting, and discuss matters for our First Anniversary.

These men were men who had grievances while they were at work, and were now required and they were written up and testified to before the Industrial Commission; and what I mean the bosses surely did squirm in their seats when some of the grievances were brought up. I heard the hearing at Crested Butte, and there were some good points brought up against the operator.

The dance will begin promptly at 7 and continue until 12 o'clock. For goodness sake, GIRLS, come out, this is leap year and I'm sure you can win hearts of some of the Valentines. Tickets are on sale now and you can get them from any of our committees.

Now just stop and think of some of the hardships your brothers and sisters have in the coal fields. I am sure that if you Brothers and Sisters take this to your hearts, you will be at the dance. I know you can't explain matters to all people, but the ones that have been there, surely know what it's like.

I wish to send my best regards to Bro. Marko Jenec and the rest of my friends at Fairport, O.

Well, be good! Frank J. Koss, one of the Three Horsemen.

## STRUGGLER SCANDAL

**Collinwood, O.** — What's wrong with Sister Zupanc? Why don't she come to our meetings anymore? Ahem! We know it's your beau, Fanny.

What were Harry and Mary fighting about at our last meeting? Pooh! You should have heard 'em! Poor Harry! Watch out! Mary surely would make a swell wife.

Frank Koss and Sophie Kozel; don't seem to be getting along very well. Sophie prefers going to expensive shows, but poor Bro. Koss hasn't got the "dough."

Oh! We shouldn't forget. Brother Koss certainly is a strugger in spirit. He even struggles in his dancing.
