Promet na železnicah ustavljen S pogajanj danes nadaljujejo

WASHINGTON — Sinoči je bil promet na ameriških železnicah ustavljen skoro 100%, ko so odšli na stavko strojevodje in vlakovodje. Na stavki je več kot 250.000 železničarjev. Uniji strojevodij in vlakovodij nista hoteli sprejeti pogoje, ki jih je nudil za spravo predsednik Truman.

Sem pa tja gre kak vlak, toda zveza ameriških železnic poroča, da je zastoj na železnicah skoro 100%.

Urad za obrambno transportacijo je poklical v službo armadna letala. Drugače se pa vrši zdaj promet samo

po zraku, vodi in z busi ter truki.

Vsa pošta, ki gre navadno z vlaki, stoji v mestih. Samo pisma prevažajo zdaj letala in pa truki.

Večja mesta so v strahu zaradi ziveža, ker ga ni nikjer dosti v skladiščih. Mnoge tovarne se pripravljajo, da bodo zaprle, ker ne dobe potrebščin, premoga in drugega.

Po železnicah vozijo samo vojaški vlaki in pa vlaki, ki prevažajo mleko.

Vlada je sklicala za danes zjutraj na posvetovanje zastopnike unij in železniških družb v upanju, da pride do

poravnave med njimi. Senat je bil v zasedanju do polnoči in se je bavil z različnimi predlogi v delavskih vprašanjih.

Pogajanja so se vršila večeraj čez dan in zvečer v Beli hiši brez uspeha. Predsednik Truman je šel k počitku, ne da bi podal kake izjave.

V polnem prometu je pa Illinois Central proga, ki je že dlje časa v vladnih rokah. Vse druge proge pa, čeprav jih je prevzela vlada, so paralizirane.

Vlada je zdaj prevzela vse zračne

črte ter jim prepovedala prevažati tovore ali potnike. Samo kar vlada dovoli smejo letala voziti.

Vlada je naročila vsem avtobusnim program, da dajo na razpolago vsa svoja sredstva za promet. Vse ladje na jezerih so dobile povelje od vlade, da prevažajo samo to, kar dovoli vlada.

Vsa pošta bo zdaj prevažana z letali in truki, pa samo pisma in to, kar dovoli vlada. Časopisi v druga mesta nimajo prednosti za prevoz. Vlada dovoli v prvi vrsti prevoz živilom, potem pa kurjavi, zdravilom itd.

DROBNE VESTI IZ SLOVENIJE

(Došlo preko Trsta)

SLOVENCI V VOJVODINI
— Komunistični režim bo razmetel Slovence na vse strani. Eni so bežali pred njim v tujino. Druge je kar vrgel čez mejo. Mnogi so morali na prisilno delo kot sužnji v južne kraje in še dalje izven mej države. Meče pa ta režim Slovence tudi v Vojvodino. Iz Banata, Bačke in Baranje so izselili mnogo Nemcev in sedaj je tam veliko zemlje na razpolago. V bližino Vršca v Banatu so preselili doslej čez sto slovenskih družin, ki si bodo morale tam ustanoviti novo domovino. Na njih posestva doma pa so prišli komunisti.

ZGODBA VRNIVŠIH SE GORENJCJEV
— V začetku decembra se je vrnila iz Rusije večja skupina fantov, ki so bili pod Nemci nasilno mobilizirani in so prišli ob zlomu Nemčije v sovjetsko ujetništvo. Ti fantje niso poznali razmer, ki so ta

čas nastale na Slovenskem. Odkritosrčno so pripovedovali, kar so videli. Pripovedovali so o masovnih pokoljih nemških ujetnikov na Ruskem, o revščini, ki na Ruskem vlada, o vlakih, ki so vozili iz Nemčije vse mogoče: stroje, obleko, cela hišna okna, vrata, celo kljuko od vrat itd. Pravi so, da so videli, kako so Rusi likvidirali Ukrajince, ki so se vrnili iz Nemčije domov, ker so v Evropi preveč videli. Tako so fantje nespametno govorili, namesto da bi to hranili zase. Nekaj jih je kmalu izginilo, da nihče ne ve, kam in kako, drugi znajo sedaj molčati. Tako je svoboda pod komunistom. Zato ljudje molče ali celo vpijejo živijo, zraven pa si mislijo svoje.

SPOMINI NA VOLITVE

Pomanjkanje kruha grozi Ameriki prvič v zgodovini

Mlinarji pravijo, da po 15. juniju ne bo kruha v prodajalnah

V državi Ohio in sploh po vsej deželi je že čutili pomanjkanje moke vsled vladne odredbe, da se hrani s pšenico za relief Evrope. Prvič v zgodovini Zed. držav nam grozi pomanjkanje kruha. Ako se bo uresničilo, kar nam pripovedujejo mlinarji, bo po 15. juniju težko dobiti kruh.

Kot poroča zveza mlinarjev v Chicagu bodo mlini obratovali samo 6% normalno od 4. junija naprej.

Drugi največji parni mlin v Ameriki, United Milling Co. v Crafton, Ohio, je prvič v 18 letih ustavil svoja kolesa. Ta mlin je zmel na dan po 1,800 sodov moke. Včeraj zjutraj je prenehel mleti. V skladiščih nima mlin nit enega zrna pšenice. Ta skladišča držijo ob žetvi 850,000 bušljev pšenice, torej vsako leto dovolj do druge žetve.

Montana Milling Co. v Clevelandu ima še dva dni zaloge pšenice. Potem bo pa začel mlin mleti za izvoz po naročilu vlade.

Clevelandške pekarije že čutilo pomanjkanje moke kljub temu, da spečejo kruha zdaj za 25% manj na dan. Vse pekarije trdijo, da imajo moke v zalogi samo do 10. junija. Iz predmestij poročajo, da so zjutraj že krušne vrste pred pekarijami ali trgovinami, kjer prodajajo kruh.

Mlinarji so mnenja, da bo morala vlada nekaj ukreniti glede tega in scier pred 1. junijem, ali pa bo dežela brez vsakega kruha.

SPISAL NARTE VELIKONJA

"Prav radi tega!" je vzrastel. "Ali naj pride v tuje hiše? Če ne rešiš grunta in žena, Matijec, in če bom v robu, te bom zaničeval."

"Ali naj pride v tuje roke? Pravi praviš, Mohor. Dovolj je meni luč, tebi ključ!"

"Vem, vem, kdo bi si bil mislil, da France —"

"Modri računava z nesrečo. Prenehaj si bil, prenehaj! Matijec je prepčusen! Kaj praviš, Matijec? Ali daš ali ne?"

"Ne dam! Jaz ne bom barantal z njenim gruntom. Jaz sem Klančar!" se je razvnel Matijec.

"Kako, Klančar?"

"Mene ne boste. Tudi Klančar vam bo vrnil, da, vam bo vrnil. Ali bi bili radi reveža? Čestitostni dobili za delo. Bog vas je poslal. Kako pa! Huh, vas je bil prinesel, da bi bil reveža osleparili!"

"Ali mu nisem pustil telice?"

"Je jzno otrsel Matevž."

"Njegovo telico, saj je njejeva!"

"Praviš, da bo vrnil! Po-
dobno imava!"

"Vrnil bo, tiste obresti bo tu-
poravnal!"

"Toda midva imava tudi po-
dobno?"

"Oderuško, da! Kar tožite!
In bi radi obrili še mene. In
Franco za njivo!" je ravel Ma-
tijec pred njim.

"Matijec, Matijec!" je hitel
Mohor.

"Sem pa res radoveden, ka-
ko mi bo Klančar vrnil! Tak
kajtar!"

"Jaz sem mu dal," je naglo
rekel Matijec ter se skoraj ug-
njalo v jezik. V njem je vz-
kipelo silno ogorčenje. "Jaz
sem dal, da ne bo klel naše kr-
vi!"

"Ti si mu dal?" je siknil Ma-
tevo skozi zobe.

"Ti si mene pripravil v ško-
lo? In jaz naj ti grem snubit!
Če bi te vrnil, jemal radi tega,
ti ne grem. Zate naj grem snu-
bit!"

"Za koga?" je vprašala Fran-
ca, ki je nenadoma stala na
pragu. Za hip so vsi obmol-
kali. Matijec se je čutil osra-
močenega do duše. Da jih je
ženka poslušala pri tem po-
govoru. Kosmač pa se je dvig-
l, da odide, ter se obrnil na
vratih:

"Tebe za Matijca, da mi da-
to njivo pri oherhu. Tvojo
njivo!"

"Prokleti lažnivec!" je za-
brblj Mohor za poleno.

"Pa reci, če nisi ponujal ti
njivo. Tvojo njivo, Franca, za-
jaj da prisnubim zanj cel
grunt."

"In je šel.

"Franca je ostala kakor vko-
pana."

"Zaradi grunta?"

"Matijec ni črnih besedice.
Franca je molče gledala ene-
ga in drugega, premerila ju z
zaničevanjem in preziranjem.
Nato naglo stopila v izbo ter se
vrgla na posteljo, ihtče na glas:
"Zaradi te zemlje, zaradi te
boorne zemlje!"

"Matijec je čutil, kako se je
v njegov ponos kakor praz-
na vreča zrušil v nič; njen
zaničljivi pogled je razodeval
presto obsodbo, kakor da mu
čisto zvižajo zalezovanje, ka-
kor do oboja njegovo obzir-
nost za lisjaško oprezovanje in
sodkritosrčno grabeljivost.
Hotel je stopiti v prvem hipu
na njo, a ga je spet čuden ob-
stek ponosa, obzirnosti in stra-
ne pred novo žalitvijo potisnil
na klop nazaj. Franca pa je
bila vsa zrušena vase:

"Zaradi te uborne zemlje!"

VIII

Po teh dogodkih je vladala
Mohorjevem čudna nape-
v. Franca je postavala po

hiši in nobeno delo ji ni šlo od rok. Matijec se je je izo-
gibal, da nista nikoli prišla sa-
ma v pogovor. Čez dan je
spravljala drva, pri jedi se je
umikal njenemu pogledu ter
se takoj izmuznil iz hiše; mol-
če je odhajal spat. "Potuh-
njene!" je siknila za njim
Franca, ko je ostala sama.

"Potuhnjene!" Lepega se je
hotel napraviti, s tistim mle-
kom, da bi ga Klančar hvalil,
da bi njegovi ženski razkazo-
val svojo dobroto. O, razum-
nen!"

In je jokala. Saj si je bila
že vse tako lepo naslikala v
mislih, nevede, pa je na dan
prišla resnica. "Hinavec. Z
zemljo je že barantal zame.
Ta mu gre po glavi!" Zmerom
bolj se je vmišljala v strašno
krivico, ki ji jo je napravil,
tem večjo krivico, ker je imela
takšno vero vanj. "Najprej je
dobil od Franceta za mojo doto
izplačan delež, zdaj bi pa rad
še posestvo! In od tega pose-
stva bi dal najboljšo njivo Ma-
tevu za barantijo, kakor bi re-
kel: 'Kravo bi rad, zmešetari
mi jo!'"

In vedno bolj jo je grizla
strašna bolečina in prsih, od
dneva do dneva je postajala
bolj zamišljena; zdaj otožna z
rosnimi očmi, zdaj razbesnela,
da je tepla živino v hlevu, me-
tala za mačkovo polena, zve-
čer pa se spet vsa unčena vrg-
la obledena na posteljo ter je
jokala dolgo v noč. "Kdo bi
si bil mislil, da me gledata pri-
hiši kot pritepenko. Odpravi-
la bi me rada, e, pa sta naletela
na pravo! Moje je z grunta
se ne umaknem, in če treba,
se ga bom držala z zobmi!"

Mohor je videl njeno otož-
nost ter si jo razlagal po svo-
je. Zalezoval je vsak njen ko-
rak. "Dolgeas ji je, po fantu
dolgeas!" V njem je vrelo
kakor v kotlu. "Po fantu. In
hlapec, moj hlapec — bo moj
gospodar! Dva tuja človeka
mi bosta na mojem gruntu re-
zala kruh, pod streho, ki sem
jo jaz postavil. O, naj ne do-
živim tega! Da bi moj hlapec
menj rezal užitkarski kruh!"

In se je tiščal ves dan za
pečjo. Če ga je kaj vprašala,
je samo odgovoril ter jo
osvrkal s sovražnim pogledom.
"Gosenica!" si je mislil ter se
naslajal ob tej besedi. "Gose-
nica, žre sad tujega truda!"

In ni videl njenega dela, in vi-
del njene skrbi. "Žre, žre, mo-
je krvave žulje žre in nepres-
pane noči žre."

V srcu je čutil dah na dan
večje zaničevanje, dan na dan
jo je sovražil ter se ji umikal,
kakor da je strupena.

V tem vzdušju se je vrnil
Tine iz bolnice. Ni čuda, če
ga je Franca sprejela z vese-
ljem. Preko prsi je imel oklep
iz mavca ter se ni mogel sam
nič premikati, ker je imel tudi
nogo in roko v obovi. Z Ma-
tijcem sta ga nesla v čumnatu,
Franca je bila zakurila v peč
ter mu pripravila posteljo.

Mohor pa je oprezoval oko-
li snahe.

"Kar oči širi, tako ga poži-
ra!" je odgovoril v izbo, ne
da bi bil Tinetu kaj dejal v
pozdrav. Matijec pa se jim je
tudi izognil. Ni hotel s hlap-
cem nobenega pogovora.

In tako je Franca dobila bol-
nika v hišo, prekladala ga ter
čakala, kdaj ozdravi.

Kako je bilo v Mariboru ob prihodu partizanov

Po zapisku s Perko Vero

V času nemškega razsula, to je v dneh 7. do 10. maja 1945 sem bila uslužbena na železni-
ci (sprevodnica) v Mariboru. Tako sem mogla izvedeti in vi-
diti stvari, ki so se v teh dneh dogodile. Nemška oblast je ne-
hala nekako 7. maja. V smeri od Ljutomer preko Slov. gor-
ic so prišle od severo-vzhodne smeri bolgarske trupe v mesto. Prišli so z vsemi mogočimi pro-
metnimi sredstvi vozovi, na ko-
njih, z avtomobili, s kolesi in
tudi peš. V mestu samem niso
vzpostavili nikake oblasti, tem-
več so hoteli samo zadostiti
svojim željam. V glavnem so
begali za ženskami, jih zlorab-
ljali, hodili po privatnih stan-
ovanjih, ter ropali vse, kar jim
je ugajalo in jim padlo v oči.
Ne dajo se povedati grozode-
jstva, ki so jih povzročili. Ob-
lasti ni bilo nobene, zato tudi
ljudje niso mogli dobiti za-
ščite.

Kaka dva dni pozneje so po-
cesti od Slovenske Bistrice pri-
šle partizanske edinice. Tudi
ti z vsemi mogočimi sredstvi in
tudi peš. Opazilo se je jako
malo Slovencev med njimi, več
je bilo Srbov, Hrvatov, Crno-
gorcev in Dalmatincev. V prav-
nem pomenu besede so bili ti
oddelki raztrgane in umazane
tolpe. Ti so vzpostavili svojo
oblast, domačini so se radi po-
četja Bolgarov pričeli pritože-
vati. Čez nekaj dni so Bolgari
prišli zapuščati mesto in se
pričeli pomikati proti Gradu.
Domači ljudje so pričeli tako-
jz denunciacijami. To so bili
seveda terenci, že poprej od Ti-
tovih teroristov organizirani.
Na te ovadbe so začelo parti-
zanci tlačiti ljudi v zapore, ka-
tere so uredili najprej v veli-
kem Hutterjevem bloku, ki je
nekako sredi mesta. Ti veliki
prostori so bili kmalu prenapol-
njeni s priporniki. Kaj se je z
njimi zgodilo, se ni moglo nič
izvedeti. Nihče ni mogel izvede-
ti za usodo svojca; zaprli so ce-
lo ljudi, ki so za partizane celo
skozni dalje dobili veliko dobre-
ga storili (Slovence).

Menda je bilo drugi dan parti-
zanskega prihoda, ko sem bila
v službi na postaji Hoče. Te-
daj so prihajali iz Hrvaške pre-
ko Zidanega mosta veliki trans-
porfi, sestavljeni iz civilnih in
vojskih ljudi. Partizani so go-
vorili, da so bili to ustaši iz Hr-
vaške. Imeli so s seboj celotne
svoje družine, žene in otroke in
precej prtljage; vse kar so mo-
gli vzeti s seboj. Vem, da so te
transporte partizani ustavili na
postaji Hoče ter jih namestili
na vse štiri tire. Prav gotovo
vem za 10 takih vlakov, katerih
vsak je obstojal iz gotovo 70
velikih vagonov, deloma potni-
ških in tovornih.

Po nekaj urah postanka so po-
tegnili te vlake drugega za
drugim proti postaji Rače
Farm in jih tam raztovorili.
Tam so ljudi namestili v gasil-
sko poslopje, jih oropali vseh
stvari, ki so jih imeli s seboj,
tako vso prtljago kakor tudi
vse odvisne obleke, dragoceno-
sti in vrednosti. Od tam so jih
vozili na kamijonih v oficirsko
šolo pod Pohorjem (kadetni-
ca). Čez nekaj dni sem se po-
govarjala, vračajoč se iz službe
iz Hoč v Maribor, z nekim viš-
jim funkcionarjem Titovih ter-
roristov in ga med drugim
vprašala, kaj bodo počeli s te-
mi ljudmi, ki so jih vozili mimo
naju na kamijonih v smeri pro-
ti letališču na Tezmem.

Odgovoril mi je, da bodo vsi
postreljeni. Videla sem, ko je
bil še svetel dan (krog 7 do 8
zvečer), da so bili na kamijo-
nih naloženi moški, ženske in
tudi mali otroci vsi oblečeni sa-
mo v najnujnejše spodnje peri-
lo z zvezanimi rokami na hr-
tu. Kot straža sta sedela na
kamijonu po dva terorista z

avtomatskimi pištolami. Čez
nekaj časa sva slišala z dotič-
nim partizanom od letališča
sem reglanje strojnica. Na vpra-
šanje, kdo to strelja, mi je od-
govoril, da sem videla poprej,
koga so peljali tja doli. Tako
sem sedaj prepričana, da so te
ljudi res postrelili. Tako se je
godilo nekako pet dni zjutraj
in zvečer; vsi ti ljudje so do-
živeli enako usodo.

V gozdu med letališčem in
Marije Brezje na Nemci zad-
nje mesece izkopali obrambne
jarko proti tankom; ti jarki so
bili v dolžino 6 km ali celo več,
široki 3 do 4 metre in globoki
2 do 3 metre. Kolikor sem iz-
vedela, so v teh jarkih strelja-
li prej imenovane ljudi. Zgoraj
omenjeni partizan Jože Furlan,
rojen 1919, doma iz Celja (po
funkciji je bil menda šef tele-
grafskega ali telefonskega od-
delka v Mariboru) in tudi drugi
partizanski veljaki so govorili,
da je bilo pripravljeno za u-
strelitev do 80,000 ljudi. Med
temi žrtvami so se nahajali:
ustaši, četniki, tako imenovani
belgardisti, vsi pa z družina-
mi in otroci, ki so jih imeli s
seboj.

Po izjavah železničarjev, ki
so vozili še vlake iz Pliberka
na Koroskem proti Mariboru,
sem izvedela, da so Angleži iz-
ročali na meji v bližini Dravo-
grada partizanov vse, kar je
bežalo iz Slovenije na Koros-
sko; med njimi so baje bili be-
logardisti, ustaši, četniki in o-
stali. Partizani so izjavljali,
da bo vse to postreljeno.

V Mariboru so nam partizani
delili letake, v katerih so naro-
čali ljudem, naj ob priliki ka-
kršneko države slavnosti iz-
obešajo le slovenske, jugoslo-
vanske in sovjetske zastave, o
kakih angleških ali ameriških ni
bilo govora in jih tudi do svo-
jega odhoda nismo videli. Vse
izložbe in primerna mesta so
bila polna Titovih in Stalinovih
slik in napisov omenjenima o-
sebama.

V sredo 13. maja 1945. so te-
roristi v Podbrezju pri Mari-
boru zaprli v eni sami noči o-
krog 600 nacionalnih Slovencev.
Gotovega o njihovi usodi
ni hotel nihče povedati, neura-
dno se je pa slišalo od partiza-
nov, da so jih transportirali
prodi Gradu in da jih bodo
potem predali Rusom, ki naj bi
jih namestili v svoja taborišča.
Med njimi je bilo tudi precej
takih, ki so bili že prej od Nem-
cev preganjani, zapostavljeni
kot Slovencev, vendar niso bili
znani kot komunisti, ampak Ju-
goslovani.

Partizani so z ženskim sve-
tom postopali skrajno nasilno,
rekla bi zverinsko nemoralno.
Kakor že poprej bolgarske če-
te, ki so šle preko našega ozem-
lja, niso poznale napram žen-
skam nobene milosti in priza-
nananj, prav tako tudi sedaj
partizanske čete ne poznajo.

Zakaj vse naše skoraj nenavad-
no iskanje in hrepenenje po le-
poti, vsa ta naša želja po njej, je
samo želja po Večni Lepoti.

Kakor je torej nalepotičena
zunanost, ki kar kriči, brezmi-
selna in navadno nj izraz zbra-
ne in urejene duše, tako pa tudi
pametna nega lepote in čistoče
ni prazna ničemurnost, ampak
dolžnost, zlasti ženske.

Omika zahteva, da se pokaže
človek v družbi v dostojni in pri-
kupljivi zunanosti. Pa ne samo
v družbi zunaj. Ženska, žena
ima najlepšo družbo doma — v
družini. Tudi tam mora od nje
odsevati lepota, ki vzradosti mo-
ža in vso družino — pa naj je
še tako preprosta. Koliko dek-
let se lepotiči tako dolgo, da
dobe moža. Ko ga imajo, pa se
zanemarijo, da ima mož v hiši
namesto lepe žene pravo straši-
lo.

Ženska, ki ovone hitreje kakor
mož in ki ima od narave bolj
razvit čut za čistočo in lepoto,
veliko bolj občuti tudi potrebo,
če je modra, da si jo ohrani in
okrepí. V vseh časih in pri vse
narodnih so si ženske pomagale
na različne načine, da ohranijo
svojo lepoto z mazili, kopianjem,
trenjem (masažo), umivanjem
in uživanjem čitilnih rož. Seve-
da je bilo tudi mnogo pretirana-
ga, poganškega in nenaravnega.
Toda pametna skrb za ohrani-
tev lepote — je dolžnost vsake
ženske.

ROMAN

"Prinesi amforo," je dejal Glavk, "in čitaj letnico vina!" Suženj je hitel naznaniti družbi, da je označena starost štiridesetih let in domovina Kijos.

"Kako prijetno ga je ohladil sneg," je dejal Panza.

"Podobno je skušnjam moža, je pripomnil Salust, "ki je v toliko pohladil svoje strasti, da more tem bolje in več uživati."

"Ali podobno je tistemu: "ne!" kake ženske," je dodal Glavk, "ki pohladi človeka, da tem huje zaneti ogenj v njem."

"Kdaj bo zopet boj divjih zveri?" je vprašal Klodij Panzo.

"Določeno je bil za deveti idus v avgustu," je odvrnil Panza, "dan po vulkanalu; za to slavnost imamo krasnega mladega leva."

"Koga pa postavite pred nje-ga?" je vprašal Klodij. "Ej, začelo je zelo nedostajati hudo-delecev. Na vsak način moroš obosoditi pa koga po nedolžnem, ali sploh dobiti koga za tega leva, Panza!"

"Vsekakor sem zadnji čas resno premišljeval o tem," je odgovoril edil. "To je bil sramoten zakon, ki nam je zabil, da ne moremo več metati zverinam niti svojih sužnjev. Ne morem imenovati drugače nego prelom posesti same, ako ne morem več po svoji volji ravnati s svojo lastni-no."

"V starih dobrih časih ljudovlade je bilo drugače," je vzdihoval Salust.

"Ubogo ljudstvo pri tem toliko pogreša vsled take domnevane mehkości napram sužnjem! Kako rado gleda korenjaški boj človeka z levom; in take nedolžne zabave ne more več uživati, dokler velja ta prokleti zakon, ako nam bogovi ne pošljejo kakega pripravnega zločinca."

"Katero državištvo more biti še slabše," je dejal Klodij, "od onega, ki prepoveduje ljudstvu celo tako dostojne zabave?"

"Zahvalimo Jupitra in Uso-

do, da nimamo več nobenega Nerona," je dejal Salust.

"Bil je pravi tiran, zaprl je naš amfiteater za deset let."

"Čudim se, da ni sledila nikakava vstaja," je dodal Salust.

"Ni bilo daleč od nje," je odvrnil Panza, vtaknivi v usta košček mesa divjega medveda.

Razgovor je pretrgal tuš goš-čev in vstopili so sužnji z neko jedjo.

"Ej, kašno slaščico si nam še prihranil?" je vprašal Salust zarezih očih.

Salust je bil star šele štiri-indvajset let, pa nad vse sladkosti življenja mu je bila do-bra jedaja. Morda je bil vsega drugega že presit, vendar ni bil brez talentov in dobrega sr-čea, v kolikor mu je ostalo zvesto.

"Pri Poluksu, poznam to jed" je vzkliknil Panza, "to je jaginetina iz Ambracije. Ha! (dlesknivi s prsti, kar je bilo običajno znamenje sužnjem) na-čast temu novemu prišlecu se moramo zopet pokloniti bogo-vom."

"Nadejal sem se," je dejal Glavk z bolj tužnim glasom, "da vam bom mogel postreči z ostrigami iz Britanije, toda ne-ugodni vetrovi so nas oropali takega užitka."

"Ali so res tako slasne?" je vprašal Lepid in odpel pas na tuniki zopet za nekaj luknjic.

"Meni se zdi, da jim daje le oddaljenost toliko ceno. Ni-majo tako slastnega okusa ka-kor brundizijske ostrige. Toda

v Rimu ni popolna nobena po-jedina brez njih."

"Ubogi Briti!" je zaklical Sa-lust; "imajo vendar še nekaj dobrega: preskrbujejo nam ostrige!"

"Rad bi, dabi vam poslali gladijatorja," je dejal edil, ki je še vedno mislil na potrebo v amfiteatru.

"Pri Paladi," je vzkliknil Glavk, ko mu je suženj položil nov venec na glavo, "meni že se ugajajo te divje predstave, dok-ler se bori le zver z zverjo, strašen pa mi je pogled, ko ma-lomarno tirajo v areno človeka, ki je mož z mesom in krvjo kakor mi, pa mu zver trga za udom. Začne se mi motiti v glavi, dihanje mi zastaja in ne-kaj me silijo, da bi skočil v areno in ga branil. Radostno vpitje ljudstva mi je groznejše od kri-čanja furij, ki preganjajo Ores-ta. Prav vesel me, da ob pri-hodnjih borbah najbrže ne bo-takih krvavih prestav."

Edil je skomignil z rameni. Mladi Salust, ki je veljal v Pompejih za največjo dobriči-no, je kar zijal začudenja. Pristrčni Lepid, ki je malo go-ovoril, da bi si ne spatil obraza, je vzkliknil: "Pri Herkulu!"

Lizu Klodij je mrmral: "Ede-pol!" — in šesti gost, ki je bil Klodijeva senca, in ki si je štel v dolžnost, ponavljati ka-kor odmev besede svojega bo-gatega prijatelja, ako ni mogel hvaliti, torej nekak lizun liu-na — je tudi zamomjal: "Edepol!"

"Vi Italci ste kajpada nava-jeni na take igre; mi Grki smo mehkejši. O, pri senci Pindar-jevi! — vznosenost prave gr-ške igre — napenjanje vseh me-či moža proti možu — ta plem-nita borba — ta napol tu-žne triumf — ponos, srečati sebe vrednega sovražnika in ga premagati! Pa saj me ne ume-jete!"

"Jagnjetina je izbrona," je dejal Salust.

"Tvoj kuhar je iz Sicilije?" je vprašal Panza.

"Da, iz Sirakuze."

"Hočem staviti nanj, je de-jal Klodij, "pripredimo telmo med jedili."

"Tej igri bi moral dati na vsak način prednost pred bor-bo z zverinami, vendar ne mo-rem sprejeti nikake stave na mojega Sicilijanca, — ti nimaš nič tako dragocenega za tako stavo!"

"Svojo Filido, svojo čarobno plesalko!"

"Zensk ne kupujem nikoli!" je odgovoril Grk, popravišvi si venec na glavi.

Godci zunaj v stebrišču so pričeli svoj koncert že ob jag-njetini. Zdaj so godili neko mi-lejšo, veselejšo, skoro bi lahko rekli bistrounejšo melodijo; in peli so vmes tisto Horacijevo pesem, ki se pričinja: Per-sicos odi itd., kar je zelo tež-ko prestaviti in katero so sma-trali prilično za to gostijo, ki bi se dozdevala morda razkoš-na, pa je bila ob razuzdanosti tiste dobe v resnici prav pre-prosta. Pred očmi imamo le gostijo zasebnika, ne kakega kneza; gostijo v hiši odličnega moža, ne pa pri cesarju ali ka-kem senatorju.

"Oj, stari dobri Horacij," je dejal Salust pomilovalno, "on je sicer znal opevati svečanosti in dekleta, ali ne tako lepo, ka-kor novejši pesniki."

"Kakor na primer nesmrtni Fulvij," je pripomnil Klodij. "Ej, Flvij nesmrtni," je po-novila njegova senca.

"In Spurena, pa Kaj Mucij, ki je napisal v enem letu tri epe, — ali sta zmogla kaj ta-kega Horacij in Virgilij?" je dejal Lepid. "Ti stari pesniki so grešili vsi na isti način, da so posnemali kiparstvo namesto slikarstva. Preprostost in mir — to jim je bila naloga; mi mlajši pa čutimo v sebi ogenj

in moč in strast — mi nikoli ne zadremamo, mi posnemamo borbe v slikarstvu, njihovo živ-ljenje, njih delavaljnost. Ne-smrtni Fulvij!"

"Ali ste že slišali," je vprašal Salust, "Spurenovo novo odo na čast egiptski Izidi? — Divna je, preveva je resnično religiozno oduševljenje."

"Zdi se, da je Izida priljub-ljeno božanstvo v Pompejih," je dejal Glavk.

"Da, je odvrnil Panza, "po-seben zdaj je zelo v čišlih. Njen kip je izrekel najčud-nejša prerokovanja. Ni sem vražjeveren, toda priznati mo-ram, da mi je bila že čisto kor-ristna v moji mestni službi. Pa so nejni svečeniki tudi zelo po-božni, ne kakor naši veseljaški in ponosni služabniki Jupitra ali Fortune. Hodijo bosonogi, ne jedo mesa in so večidel noči zamaknjeni v pobožnih vajah!"

"Zares lep vzgled za druge naše svečenike! Jupitrovo svetišče je zelo potrebno pre-uredb," je dejal Lepid, ki bi rad preurejal vse razun samega sebe.

"Pripovedujejo, da je Egi-pčan Arbac razkril svečenikom Izide nekaj svečanih skrivnos-ti," je pripomnil Salust; "po-naša se s pokolenjem iz rodu Ramzovega in trdi, da so oh-ranjene v njegovi rodovini skrivnosti davne prošlosti."

"Vsekakor pa ima dar zlega očesa," je dejal Klodij. "Kolikokrat srečam to Meduzino čelo, ne da bi brzo napravil zna-menje za lek, smem pričako-vati, da izgubim najlubešega konja ali da vržem canes de-vetkrat zapored."

"To zadnje bi bilo res pravi čudež!" se je vmešal Salust. "Kako misliš to?" je odvr-nil igralec s klubujočim pogle-lom.

"Mislim, kaj bi mi ostalo, ako bi pogosto igral s teboj, nam-

reč — prazen nič."

Klodij je odgovoril le s pre-zirljivim pogledom.

"Ako bi Arbac ne bil tako bogat," je dejal Panza in se de-lal važnega in uglednega, "te-daj bi mu že dal občutiti svo-

jo pest in bi preiskal resni-čnost govornice, češ, da vedeš po zvezdah in da je čarodejnik. Ko je bil Agripa edil v Rimu, je pregnal vse take nevarne občane. Toda bogatega moža — ne, edilova dolžnost je, da bogatine varuje!"

Catholic Day To Be Celebrated June 30th at Cultural Gardens

This year promises to be a banner year not only for the Cultural Gardens group in general, but the Slovenians likewise are planning a program. On Sunday, June 30th all the Slovenians from northern Ohio will make the Slovenian Cultural Gardens on East Boulevard their mecca. This event will mark the re-opening of the Gardens activities, after a lapse of four years due to the war.

For the June 30th parade of all the nationalities, the Slovenians hope to have four floats in the field. One will consist of a choral group, another will be composed of a band of typical Slovenian accordions, thirdly will be all the local Slovenian orchestras, and the fourth float, the greatest of them all, will contain a live tableau of Bishop Baraga, whose memory is honored in the garden as the foremost Slovenian pioneer and immigrant in America. In this tableau Bishop Baraga will be pictured sitting among the Indians, teaching them religion and knowledge in general. Bishop Baraga is known as Father of the Chippewas, having also contributed a dictionary of the Indian languages he encountered in his missionary work in the Northwest Territory.

Along with the other nationalities organizations, the Slovenian Cultural Gardens will present a program on the Wall during one of the Sunday afternoon programs planned for this summer. The actual date of this performance has not been announced yet.

A Leader Marches On

J. F. FIFOLT

Last week news was flashed from the S.D.Z. Convention, being held in Lorain, Ohio, that Mr. John Gornik, Sr., Supreme Secretary, was stricken and passed away. The news was electrifying and stunning. Friends of Mr. Gornik, though they knew he was ailing of late, refused at first to believe the fact until confirmed. The news spread quickly around from neighbor to neighbor and from house to house. Everyone knew Mr. Gornik and everyone liked him. The news of his passing away brought about the silence in our community, which greeted the nation when our late President Roosevelt was called to the Great Beyond.

The writer knew Mr. Gornik for many years, in fact he knew me before I was able to recognize him, when he and Mrs. Gornik used to come around to visit my parents. Outside of dealing with Mr. Gornik in business, our paths did not cross until late. My association with him on fraternal and civic projects gave me a chance to really know the man. I cannot recall once that he ever had an unkind word for anyone. When the Red Cross, the Green Cross, Infantile Paralysis, or War Bond organizations required a leader to spur the cause on, they looked in the direction of Mr. Gornik and John was never one to refuse. Every job he tackled was a job well done.

The fact that you belonged to one side of the fence did not matter. I recall the last favor he granted; we were in need of a typewriter, room and stencils, in connection with the recent S.N.P.J. bowling tournament. When asked to accommodate us he did not hesitate. The S.N.P.J. work was done in the S.D.Z. office on their equipment, which work kept him many hours after his normal time of leaving the office. He still had a smile when leaving us out, extending us an invitation to come back anytime.

We know Mrs. John Gornik, Sr., need not be told that she lost a fine husband and that the sons and daughters will be minus a grand father. The crowd that paid their last homage demonstrated this. The community, the S.D.Z. organization also realizes that they lost a real leader. His deeds, his actions, his untiring efforts for the betterment of his fellow man, will long be remembered. We'll miss you, John Gornik, Sr.

Director of Reconstruction, John W. Snyder, reported to President Truman that up to 500,000 young people will not be able to get into colleges and universities this fall, unless the country takes some action in this regard.

Fred Rose, the only Communist representative in the Canadian Parliament, came before the court to answer charges of gathering various war secrets in Canada and giving them to Russia. He is Polish by birth.

The well known Nick Bohar was taken to Charity Hospital directly from work. He underwent an operation and is now feeling much better.

The Yugoslav Ministry of Information announced that the trial of Gen. Draja Mihailovich has been postponed until about June 10.

Auto prices, which have already gone up due to higher wages, will now rise again from 4 to 5%, which means a \$60 increase on autos priced around \$1,200.

Michael J. Case (Cesnovar) of 1374 E. 40 St., who died last week was a professional baseball player with the Detroit Tigers.

To Our Young American Slovenes

With weary tread the evening dusk we face,
You stir toward the sun with quickened pace—
Behind us years of silent strife,
Before you joyous, surging life,
Behind us ashes of our vain pursuit,
Before you future's ripe, resplendent fruit.

Alas, how little did we think of you,
And now this age, so quickly come, so new!
Regret our guilt can not forgive
That of our spirit more we did not give.
In toil and moil our powers we spent—
And yet deep love to you we lent:
For you, for you was spent the brawn
That you might greet a brighter dawn.

When we depart, no riches will you find,
We leave but Churches, Schools and Homes behind;
The hearths of brotherhood, of culture, art,
The temples of Slovene good mind and heart.
May they a treasured gift to you remain,
May you their honor e'er proclaim!
Our petty strifes, our waywardness forget,
Our virtues seize, may they be with you yet,—
The beauty of Slovene traditions, arts
Spread o'er the New World's farthest parts,
And fill with it relentless, hollow hearts!
With loving hopes a fond farewell we say
And bless you on your long and cheery way.

IVAN ZORMAN.

Monkey Talk

In the Darwin manner three monkeys sat in a cocoon tree discussing things as they said to be. Said one to the others: "Now listen you two, there's a certain rumor that can't be true—that man descends from our noble race. The very idea! It's a disgrace! No monkey ever deserted his wife, starved her baby, and ruined her life. And you've never known a monk mother to leave her babies with others to bunt until they scarcely knew who was their mother. And another thing, you'll never see a monk build a fence round a cocoon tree and let the cocoons go to waste. Why if I'd build a fence round this tree, starvation would force you to steal from me! Here's another thing a monk won't do: go out at night and get on a stew; or use a gun, or club, or knife to take some other monkey's life. Yes, man descended, the ornery cuss—but, brother, he didn't descend from us!"

WEDDING BELLS

St. Vitus Church was the scene of the wedding ceremony last Saturday uniting Miss Josephine Kurent, 1321 Russell Rd., and Stanley Sutarstic of 15726 Holmes Ave.

Last Saturday at St. Timothy's Church on E. 131 St., Miss Mathilda F. Bubic, daughter of Mr. and Mrs. Vincent Bubic of 15301 Oakdale, was married to Joseph Lineck of W. 130 St. The groom was recently honorably discharged after 30 months of service in the army.

On Saturday, May 25, at 10 A. M. at St. Lawrence Church, Miss Dorothy Barle and Henry Korosec will be united in holy matrimony. The bride is the younger daughter of Mr. and Mrs. Frank Barle of 7701 Issler Court, while the groom is the son of Martin Korosec of 22376 Ivan Ave. Four months ago he returned home after serving Uncle Sam three years, two of which were spent on the Pacific.

Mr. and Mrs. Charles Vertovnik of 1104 E. 71 St., announce the marriage this Saturday at 9 A. M. at St. Vitus Church of their daughter Frances to Frank A. Zupon, son of Mrs. Mathilda Smerdel of 15614 School Ave.

BIRTHS

Mr. and Mrs. John Petrovic of 1246 Norwood Rd., announce the recent arrival of their son—Johnny Joe. Mrs. Petrovic is the former Josephine Modic, daughter of Mr. and Mrs. Joseph Modic of the same address.

"I'm losing all my confidence in Willie," pouted Janie to her mother. "But why, dear? After all, you've been going together for some time," commented the mother.

"I know," continued Janie, "but every time I go to a dance with someone else I find my own boy friend with another girl."

Uncle Ben was a patient, philosophical old dandy who earned his living mowing lawns, tending furnace, and hauling wood for the more prosperous homes in the village. He was never known to speak a harsh or unkind word, but he came very near to it one day, when an angry and resentful neighbor descended upon him and called him many harsh and terrible names.

Uncle Ben silently heard him out, and then said to him, "Joe, if you offers somethin' to a man, and he refuses it, den who does it belong to?"

His enemy reflected briefly, and replied, "Ah supposes it belongs to de fellow whu offered it."

"Sho, sho," agreed Uncle Ben. "Den dem vile names 'yo' called me Ah refuses to accept."

"Did you ever meet a man that was absolutely honest?" someone asked Mark Twain.

"Yes, I did," the humorist replied.

"What did he say that made you think he was honest?"

"Nothing," replied Twain. "He hadn't been honest but a short time. I was attending his funeral."

PARADE OF BANDS AT S. N. HOME TONIGHT TO HONOR SLOVENIAN WAR HERO

Tonight the Slovenian National Home on St. Clair Ave. will be the scene of a gala dance band festival. In all seven prominent local orchestras will participate in a huge Parade of Bands honoring the Slovenians' War Hero, Joseph Brodnick. Among the orchestras playing will be Lou Trebar, Pete Sokach, Lee Novak, Herb Walker, Jimmy Kozel, Kauchnik Orchestra, and Johnny Pecon.

Proceeds of this dance will be turned over to the Joe Brodnick War Hero Fund, the object of which is to help veteran Brodnick, disabled during the Normandy campaign in 1944, to build his dream home. This fund has been steadily growing, and by your attendance at the dance, not only will you and your friends enjoy themselves "like old times," but will help this disabled veteran. If you have not contributed also, you can get in touch with any committeeman during the dance, and he will see that your contribution is forwarded to the treasurer.

Let's make this real post-war celebration! Tonight at 8 P. M., Slovenian National Home, St. Clair Ave. and E. 65th St.

The next Brodnick Fund affair will be held at the Newburgh Slov. Nat. Home on E. 80th St. near Union Ave. on Saturday, June 1. Eddie Zabak's orchestra will play for this one.

Better fortune smiled down on the boys from St. Vitus last Sunday as they tangled with the lads from Immaculate Conception's Irishtown. Pre-game remarks passed by the big boys from down 40th way as to their confidence in winning the game proved of little effect for the St. Clair slugs nipped them by a count of 6 to 5. Their over-confidence was not out of order, either, for the week previous they had trounced St. Lawrence's to the tune of 18 to 4.

After losing a tough decision to Our Lady of Peace, hurler Tony Brodnick came back strongly in the fracas with Immaculate Conception and won the game aided effectively by a heads-up type of defensive ball which was so noticeably lacking in the first tilt.

This coming Sunday, May 26th, the team engages our Slovenian friends from Newburgh at Woodhill Park. Game starts at 11:30 on diamond No. 8. Why not come out and see a real good battle—anything can happen where two hostile teams build up their muscles with good of Slovenian "Zgance."

"You have not died in vain," for the memory of you who sacrificed your lives during World War II that a nation might live, instills in the hearts of our people undying courage and faith, such as only a supreme sacrifice as yours can instill. Today a nation survived—a nation free from destruction, corruption and dictators. The inherited rights to be a free people is still our heritage.

Therefore, on Memorial Day, as the nation pauses to commemorate the heroes of the past, we dare to quote with reverence, praise and honor due them, these great words of Abe Lincoln—"that from these honored dead we take increased devotion to that cause for which they gave their last full measure of devotion"—"that we here resolve that these dead shall not have died in vain" and "that this nation, under God, shall have a new birth of freedom, and that the government of the people, by the people and for the people shall not perish from the earth!"

FIRST COMMUNION DAY

Mother's day at St. Mary's was also First Communion day. Sixty eight little white souls, for the first time received their Lord in Holy Communion. At the Mass, which Father Vic offered for the children. Our girls chœur sang most beautifully.

After being enrolled in the Scapular in the afternoon, the children were honored by a party in the portable. The whole set up was prepared by our gracious P. T. A.

Six large tables covered with white spreads and blue ribbons were stretched across the Portable floor. Six large vases of flowers were distributed on this table to give an added color and fragrance. At one end Father stood as he called each child to himself to present him with his Communion Certificate and Holy picture.

Every child enjoyed his dish of ice cream and cookies while Hank Grzybowski took movies of the child in action. As a matter of fact, pictures were being snapped constantly during the whole day. Such happiness as we witnessed that day can't be compared to anything in the world.

The party was sponsored by our P. T. A. and was directed by Mrs. Richard McCony, who did a fine job, with the aid of her family. Congratulations to you, for the success of the First party of this kind ever rendered to our youngsters.

"POLKATEERS AND "TOM SAWYER MOVIE"

After this we go to the upper hall to do a bit of dancing to the wonderful music of our WGAR champion polkateers.

Hope to see everyone at the Slovenian Hall on Holmes Ave. on May 30th at 7:00 P. M. Make it a date, what do you say? We are sure the price of 50c won't cause you to stay away.

All our friends of other Slovenian parishes, you are all invited.

ZIATE DONATES \$25.00

Mr. Mike Zlate, proprietor of Zlate's Meat Market sent a \$25.00 check for improvements of our Canteen hall. Thanks a lot, Mike!

CANTEEN CORNER

Friday evening was a great day in the history of the younger set at St. Mary's. Opening day of the "Don Bosco" Canteen was commemorated on this memorable evening. Everyone was observed as having a good time. Father Vic was caught singing Slovenian folk songs to himself (he thought). Well, Johnny Pezdirtz, who celebrated his 19th birthday, found it wasn't a secret to the gang. The bunch sang wonderfully to Johnny's health.

Seemingly, there was a man power shortage for many of the boys were bowling at Grdina's that evening. Don't know if they had any luck, though.

Remember, our Canteen is open every Friday after services. We even expect a few honored guests this week. June 1st "Buddy" Kumel and his orchestra will play for dancing. So don't be late. Remember that date.

"GABBY."

SPORTS

Bob Feller, swift and sure, Tuesday again forced the New York Yankees to bring out their crying towels.

With crackling curves and sheer speed, Cleveland's incomparable wonder wrapped up his fourth straight victory before an admiring audience of 7,500 in League Park, 7-2, and improved his record for the year to read 6-3.

His five-hit effort netted the Indians a split in the series, 2-2, and dropped the Yankees six games behind the Boston Red Sox.

Fourteen straight Yanks were retired before Bill Dickey singled in the fifth, snapping a string of 13 hitless innings against Feller, whose no-hitter in New York on April 29 had stirred the nation.

Has Good Control

Tommy Henrich, graduate of the Massillon, O., softball diamonds, opened the seventh with a home run over the right field screen, his fourth and New York's 34th, but the other tally in the inning might have been prevented.

Bob flashed splendid control, allowed only two passes and fanned eight, raising his total to 93.

Frankie Hayes, his battery partner whose four-bagger captured the classic in New York, again came through. In the first inning with three Indians aboard Frankie shot a double against the wall, cleaning the bases and climaxed a four-run outburst which tagged Floyd Bevens with his second loss in two meetings with Feller.

Bill Wight, left-hander, and Charles Stanceu finished up and the Indians counted a total of eight hits, two apiece by Lou Boudreau and Gene Woodling.

Baseball standings in the Major Leagues as of Wednesday are: American League: Boston, New York, Detroit, Washington, St. Louis, Cleveland, Chicago, Philadelphia. National League: Brooklyn, St. Louis, Chicago, Boston, Cincinnati, New York, Pittsburgh, Philadelphia.

NAZNANILO IN ZAHVALA

1883

1946

Z žalostnim in potrjim srcem naznanjamo vsem rodnikom, prijateljem in znancem, da je kruta smrt trgala iz naše srede našega preljubljenega in nikdar pozabljenega soproga in očeta

Anton Starc

Blagopokojniki je nagloma podlegel srčni kapi dne 23. aprila 1946. K večnemu počitku smo ga položili dne 26. aprila po opravljenih cerkvenih obredih v cerkvi sv. Vojka da ter na Calvary pokopališče.

Tem potom izrekamo našo iskreno zahvalo vsem, ki ste položili tako krasne vence h krsti pokojnika, kot tudi vsem, ki ste darovali za sv. maše, ki se bodo brale za mir in pokoj duše.

Najlepša hvala vsem, ki ste ga prišli pokropiti, ko je ležal na mrtvaškemu odru kot tudi vsem, ki ste ga spremljali na njegovi zadnji poti na mirodvor. Iskrena hvala tudi vsem, ki ste dali svoje avtomobile brezplačno na razpolago pri pogrebu.

Hvala pogrebcom, ki so nosili krsto ter družinu Do sluzenci za častno spremstvo pri pogrebu. Najlepša hvala Rev. Jagru za prvi obisk ob smrti pokojnega ter Rev. Ponikvarju za opravljene cerkvene pogrebne obrede.

Zahvalo izrekamo tudi pogrebni zavodu Frank Z. krajšek in Sinovi za vso poslugo in pomoč ter lepo uredjen pogreb.

Posebno zahvalo izrekamo Mrs. Mary Milavec in Mrs. Ceciliji Škrbec, E. 61 St., ki ste nabirale za skupni venec in za sv. maše, kot tudi vsem darovalcem. Priručna hvala tudi Chandler Products Co. in Chandler Products Employees za darovane sv. maše.

Bodi vsem izrečena naša najlepša hvala za vse, kar ste nam dobrega storili, nas tolažili in nam bili v pomoč v dneh naše žalosti. Bog plačaj!

Tebi, preljubljeni soprog in oče, pa kličemo: Počivaj v miru v grobu hladnemu. Tuga in žalost je v naših srcih, saj smo Te vsi tako ljubili. Odsel si iz naše srede, ko nenadoma in mnogo prerano. Spomin na Tvoje dobro srce bomo ohranili med nami, dokler tudi mi ne pridemo za Teboj v kraj večnega miru in blaženstva, tja, kjer ni ne solz ne trpljenja. Počivaj v miru in svobodni ameriški grudi!
