

HEKTORJEV MEČ

ROMAN

Spisal RENE La BRUYERE

(7) Ljubila sem preproste ljudi; med kmeti bližnje okolice sem imela kmalu vse polno prijateljev. Zanimala sem se za njihove črede, za igre pastirčkov in pastire, za vinsko trgatve in za vse ostalo, kar so počeli ubogi ljudje; bila sem celo v prepovedanih stikih s Pierrrom Škrobzobcem, ki je bil po zgledu vseh svojih prednikov lovski tat in mi je drago prodajal divjačino, ubito v naših loviščih. In tako bi se bila še nekam sprijaznila s svojo usodo, da ni bilo neznozne prisiljenosti, ki je vladala v našem domačem življenju.

doval o svojih srečanjih z divjimi prebivalci teh neraziskanih lesov. Nesrečni lovski tat je tisto leto malo zaslužil, beda in bolezen sta se vrstili na njegovem domu; vzlic temu pa je čudni človek trdovratno zavračal miloščino in se je rajši nastavljal vešalom, kakor da bi bil sprejel denar, ki se mu ni zdel zaslužen. Ker so mu bili povsod za petami, se ni več upal prihajati na Romado; da sem ga podpirala, sem morala skrivaj in daleč od doma prevzemati divjačino, ki jo je nezakonito lovil v tistih mrzlih jesenskih nočeh.

BRUNOVA MAMA

Če se spustiš od Sv. Ane nad Tizičem po hribu navzdol, opaziš med skalami in smrečjem majhno, prijazno hišico. Tako je skrita, da jo težko najdeš. Cejo pred belogardističnimi zločinci je bila nekaj časa varna. Nam partizanom je bila zmeraj topel in prijazen dom. Kadar je šel partizan mimo, ga je privabila ljubeznivost te hišice na požirek hladne studenčnice ali na skodelico mleka in kruha. Za najbolj utrujenega pa je bila v mali sobici pripravljena postelja.
