LETO (VOLUME) XXIV.

NAŠI NOVI GLAVNI URADNIKI

Louis Železnikar,
pomožni tajnik

Matt F. Slana,
glavni blagajnik

Rt. Rev. J. J. Oman,
duhovni vodja

Vsled nedavne smrti dveh naših glavnih uradnikov, sobrata Steve G. Vertina, pomožnega tajnika in Rev. John Plevnika, duhovnega vodje, je bilo dvoje mest izpraznjenih.

V današnjem uradnem naznanilu na 5. strani naznanja brat glavni predsednik imena treh novih gl. uradnikov, ki so bili imenovani, ozir. izvoljeni z večino gl. odbora. Slike istih prinašamo na tem mestu.

Sobrat Železnikar, naš večletni blagajnik je napredoval

za eno uradno mesto; s svojo skušnjo in pridnostjo bo gotovo v veliko pomoč bratu glavnemu tajniku.

Sobrat Slana je novinec, rodom iz North Chicago, Ill., star 32 let, oženjen in oče dveh otrok. Sobrat Slana, ki je bil več let predsednik društva sv. Jožefa št. 53 v Waukeganu, Ill., je izkušen računar (accountant), ker je dovršil tozadevne študije na La Salle univerzi v Chicagu.

O Rt. Rev. John J. Omanu, župniku fare sv. Lovrenca v Clevelandu, O., pa menda ni treba dosti pisati, saj ga pozna vsa ameriška Slovenija, kot svojega vrlega sina in svečenika. Rt. Rev. Oman je bil duhovni vodja naše Jednote že pred nekaj leti nazaj.

Uredništvo "Glasila" iskreno čestita vsem tem bratom novim gl. uradnikom, ter jim želi mnogo uspeha pri njih poslovanju.

KSKJ DOSEGLA NAJVIŠJE ŠTEVILO ČLANSTVA

Iz glavnega urada smo prejeli običajno mesečno poročilo in sicer za april, ki bo priobčeno v prihodnji izdaji.

Iz istega posnemamo razveseljivo dejstvo, da je naša Jednota dosegla sedaj najvišje število članstva od njenega obstoja. Dne 30. aprila t. l. smo imeli 24,947 odraslih članov in 10,711 otrok, torej vseh skupaj 35,658.

Pred vsem napredujemo z odraslim oddelkom. Pred minulo konvencijo l. 1934 jih je bilo v tem oddelku 21,994, letos pa za 2,953 več; lahko sklepamo, da bo letošnja konvencna zbornica štela veliko več delegatov in delegatinj, kakor zadnja v Indianapolisu.

Nastopje uradne številke nam kažejo, kako je naša Jednota rastla, ali napredovala s svojim odraslim oddelkom:

| | |
|---------|--------------------|
| L. 1894 |okrog 500 čl. |
| L. 1898 | 1,626 čl. |
| L. 1908 | 9,851 čl. |
| L. 1918 | 12,517 čl. |
| L. 1928 | 21,333 čl. |
| L. 1938 | 24,947 čl. |

Da, v resnici, hvala Bogu! Naša Jednota napreduje v vseh ozirih!

PRIČETEK GRADNJE NOVEGA JEDNOTINEGA DOMA

V št. 18 "Glasila" smo priobčili sliko našega novega Jednotinega doma v Jolietu, katero je naredil arhitekt Charles Wallace.

Ko je imel predzadnje soboto, 14. maja, Jednotin finančni odbor svojo sejo v glavnem uradu, se je to priliko porabilo za važen dogodek s tem, da se je omenjeni dan zasidilo prvo lopato na stavbišču na vogalu ob N. Chicago St. in Crowley Ave., kjer bo stalo naše novo veličastno Jednotino poslopje za glavni urad.

Stavbišče meri 64x150 čevljev. Novi dom bo zgrajen v dva nadstropja iz rezanega

kamna. Poslopje bo sezidano povsem varno proti ognju in bo urejeno z moderno ventilacijsko napeljavo. V ozadju gornjega nadstropja bo tudi posebna dvorana za Jednotin arhiv, ali nekaj narodni muzej, kjer bodo shranjeni razni zgodovinski predmeti naših ameriških slovenskih misijonarjev, največ iz zbirke sobrata M. Pogorelca.

Kakor nam kaže slika, je prvo lopato zasadil gl. predsednik br. Opeka, ki stoji pod parno lopato. Zraven njega na desno stoji z lopato v rokah glavni tajnik br. Josip Zalar, poleg njega br. Rudman,

Na levi strani br. Opeka stoji s krampom v roki I. podpredsednik br. Germ, potem naš novi pomožni tajnik br. Železnikar, naš novi blagajnik br. Slana in tajnik finančnega odbora br. Gospodarič. Skupino okoli stoječih tvorijo uslužbenci in uslužbenke v gl. uradu.

Po zatrdilu arhitekta bo novi Jednotin dom že v par mesecih pod streho, dne 3. julija se pa vrši velika slavnost blagoslovitve in polaganja vogelnega kamna. O tem poročamo na drugem mestu današnje izdaje.

ŠE EN VAŽEN GOVOR LJUBLJANSKEGA ŽUPANA

V nedeljo popoldne 15. maja, je imel popoldne v S. N. Domu v Clevelandu, O., ljubljanski župan dr. Adlešič, sledeči zanimiv in pomemben slavnostni govor: "Predragi mi rojaki, bratje in sestre! Globoko ginjen sem sprejel vabilo uprave Jugoslovanskega kulturnega vrta na to za naše rojake zgodovinsko slavnost. Z veseljem sem se podal na pot čez morje, da v imenu Jugoslavije in vsega jugoslovanskega naroda, zlasti pa v imenu slovenskega mesta Ljubljane in vseh Slovencev v stari domovini izročim najtoplejšo pozdravo gostoljubnim Združenim državam ameriškim, posebej pa še državi

Ohio ter mestu Clevelandu, ki so s svojim velikodušnim darilom tem prelepim vrtom počastili in osrečili vse Jugoslovane to in onkraj morja.

Gospodje zastopniki mogočne vlade Zedinjenih držav ameriških, države Ohio in cvetočega mesta Clevelanda, ko Vam imam čast sporočiti pozdrave in najtoplejšo zahvalo svoje domovine za Jugoslovanski kulturni vrt, ki ga danes otvarjamo, Vas prosim, da ne omalovažujete srčnih izrazov male Slovenije in upoštevate, da ta deželica sredi Evrope na križišču nekdanjih cest med severom in jugom, zahodom in zahodom zaradi raz-

noterosti svojih krasot, zbranih na najmanjšem prostoru, slovi za prstan Evrope in da v tem evropskem paradizu živi jugoslovanski narod Slovencev, ki s tukajšnjimi našimi rojaki vred ne šteje niti dva milijona duš, pa je s svojimi hrvatskimi in srbskimi brati stoletja in stoletja branil zahodno Evropo pred navali Turkov in tako s svojimi trupli obvaroval evropsko kulturo vsemu človeštvu.

Letos mine šele 20 let, odkar smo se tudi z vašo požrtvovalno močjo, ko so tudi ameriški junaki prelivali v svetovni vojni svojo kri za našo svobodo, in z modrostjo prezidenta Wilsona osvobodili tisočletnega jarma in si z združitvijo z brati Hrvati in Srbi ustanovili svojo državo Jugoslavijo. In vendar je naš narod miroljuben, kar vam najlepše odkriva sam ta vrt. Jugoslovanski narod, ki je v neprestanih bojih za evropsko kulturo in za svojo svobodo krvavel, kakor pravi heroj, ni semkaj postavil spomenikov svojih junakov, temveč samo onih mož, ki so se z uma svetlim mečem borili za pravice zatiranega naroda in mu s pesmijo vliвали upanje na svobodo v srce ter mu blažili dušo s poezijo najvišje lepote! Narod junakov slavi svoje pesnike, ker je sam pesnik!

Bratje! Najbolj se pa mali kulturni narod Slovencev, ki nima več analfabetov in na leto tiska toliko knjig, da se vsak Slovenec rodi že s knjigo v roki, ponaša s tem, da je s svojimi skromnimi močmi uspešno sodeloval priti civilizaciji velike Amerike in pomagal zidati tudi temelje današnjega blagostanja.

Pred nami stoji Baraga, ki je pred 100 leti v teh krajih širil luč krščanske ljubezni in tiskal prve knjige v jezikih Ojčpoe — (Dalje na 4. strani)

IZ URADA GLAVNEGA PREDSEDNIKA

URADNO NAZGANILO

Vsled prerane smrti prečastitega gospoda Rev. John Plevnika in sobrata Steve G. Vertina, je bilo izpraznjeno mesto duhovnega vodje in pomožnega tajnika K. S. K. Jednote.

Smislom pravil je glavni odbor imenoval duhovnim vodjem prečastitega gospoda kanonika Rt. Rev. John J. Omana, Cleveland, Ohio, pomožnim tajnikom pa je bil imenovan sobrat Louis Zeleznikar.

Ker je sobrat Louis Zeleznikar vsled imenovanja pomožnim tajnikom resigniral urad glavnega blagajnika Jednote, zato je bil blagajnikom imenovan sobrat Matt F. Slana, Jr. iz North Chicago, Illinois.

Novoizvoljenim glavnim uradnikom izrekam iskrene čestitke in jim želim največjega uspeha.

Z bratskimi pozdravi,

Frank Opeka, glavni predsednik KSKJ.

IZ GLAVNEGA URADA K. S. K. JEDNOTE

Ker se bližajo volitve delegatov za prihodnjo konvencijo, smo prejeli od več strani vprašanje, kako je treba tolmačiti pravila člen 5, stran 5, točko 7, ki se glasi:

“Delegat mora biti dobrostoječi član Jednote in sicer najmanj eno leto, član dotičnega društva najmanj tri mesece. Kandidat za delegata se mora udeležiti najmanj štirih sej svojega društva v letu pred konvencijo.”

Na vprašanja, ki smo jih prejeli in v ravnanje društvom se naznanja, da je treba zgorajšnje točko pravil tolmačiti na sledeči način:

1) Kandidat za delegata mora biti član Jednote namanj eno leto.

2) Član, ki prestopi od enega društva k drugemu društvu, mora biti član poslednjega društva najmanj tri mesece, prej ko zamore postati kandidat za delegata.

3) Kandidat za delegata se mora udeležiti najmanj štirih sej svojega društva v letu pred konvencijo. To se ima tolmačiti takole: Prihodnja konvencija se prične dne 15. avgusta t. l. Torej vsak dobrostoječi član, ki se je udeležil vsaj štirih sej svojega društva od 15. avgusta 1937 do časa volitve zamore biti kandidat za delegata.

4) Kdo je dobrostoječi član? Za dobrostoječega člana se smatra onega, ki ima plačane vse asesmentne in druge mesečne prispevke, ki je opravil velikonočno dolžnost in ki je zadostil vsem ostalim verskim in drugim na podlagi pravil predpisanim zahtevam in določbam. Krajevna društva so naprosena, da to vpoštevaajo in si pravila člen 5, stran 5, točko 7, na ta način tolmačijo.

Za glavni urad K. S. K. Jednote:

Josip Zalar, glavni tajnik.

Zrakoplovna katastrofa, 10 mrtvih

Cleveland, O., 25. maja. — Ko je bil sinoči ob 10:15 veliki zrakoplov "Mainliner" na potu iz New Yorka že v bližini Clevelanda, je pol milje od Rockside ceste blizu Seven Hills Village in naselbine Independence telebil v prepad nekega gozda in začel vsled eksplozije gazolina goreti. Na lice došla požarna bramba je lokalizirala ogenj šele po preteku 3 ur in pričela iskati močno obžgana trupla ponesrečencev. Žrtev te katastrofe je 10 in sicer:

v naša društva in našo Jednoto, pa bodo ostali pod zastavo K. S. K. Jednote gotovo tudi dobri verniki in državljani. Saj vendar čitate v Glasilu razne dopise in vabila društvenih odborov, ki vabijo svoje članstvo naj opravi svoje verske dolžnosti in da naj pristopa k skupnem sv. obhajilu ob velikonočnem času. Kaj takega morete čitati samo v glasilu naše Jednote.

Nikar ne imejte pri tem krivičnega naziranja, da se preveč vtikamo v osebne zadeve našega bližnjega; taki ugovori niso na mestu ker nasprotujejo besedam našega božjega Izveličarja, ki pravi: "Nebeško kraljestvo silo trpi." — Zato ravno zaradi širjenja nebeškega kraljestva na zemlji delujmo vsi s tem, da vedno delujemo za večjo in močnejšo K. S. K. Jednoto. V to naj nam pomaga Bog in sv. Jožef, patron naše organizacije. S pozdravom, George Nemanich Sr., IV. podpredsednik KSKJ.

ZANIMIVA ANGLEŠKA PRIDIGA

FIRST PREXY HEADS LODGE AT 25TH JUBILEE

Newburg Anns to Mark Anniversary Sunday

Cleveland, O. — Twenty-five years ago Mrs. Theresa Lekan was elected president of a group of women who joined in the formation of the St. Anne's Society No. 50 of Newburg. She was assisted by 13 charter members who helped carry on the banner of fraternalism.

That group of hard-working women carried on and next Sunday, May 29 Mrs. Lekan, present president, with 12 surviving charter members will again join in marking the 25th anniversary of the society. With them on this memorable occasion will be over 270 members now under the standard of the society.

The commemoration program will be opened with a Mass at 7:30 o'clock in St. Lawrence's church.

A banquet starting at 7:30 p. m. in the Slovenian National Home, E. 82nd St., will close the day's festivities. Many local and out-of-town KSKJ officials are expected to join in celebrating the achievement of the local society.

Present officers making arrangements for the celebration are Theresa Lekan, president; Mary Pucell, secretary; Josephine Mulh, treasurer.

CANONSBURG BOOSTERS HONOR MOTHERS IN MOTHER'S DAY BILL

Canonsburg, Pa.—The recent Mother's Day banquet held by the local Kay Jay Booster Club was a grand success. The mothers of the boosters and a number of others were honored by a capacity house of booster boys and girls and their friends.

Lending greatly to the happy occasion was the beautifully decorated St. Jerome's auditorium, with ferns and palms helping to complete the decorations. The color scheme of the evening was pink and the tables were beautifully decorated with fresh flowers. The menu served was very delicious and the girls were commended highly for the wonderful meal they prepared.

Many guests were present from other KSKJ centers such as Ambridge, Presto, Aliquippa, Pa.; Girard and Bridgeport, O. Most of them were the mothers of booster boys and girls from these towns.

Providing the entertainment were the KSKJ Boosters from the St. Patrick's Society of Girard, O. The Turk sisters, with the accompaniment of Eddie Cekuta at the piano, delighted the house with a number of popular Slovenian melodies. Helping to increase this entertainment were the accordion solos by Joe Umek. Local entertainment was supplied by August Mamrak, who played two solos on the xylophone.

Group singing of popular Slovenian and English melodies made the evening more enjoyable than ever. The entertainers all received a big hand on their fine display of talent. The Girard delegation are deserving of a lot of credit for the wonderful entertainers they have in their lodge.

The addresses of the evening were very short, but very expressive for this great occasion. Speaking for the KSKJ lodges were Tony Bevec and Mary Koklich, presidents of the men's and ladies' lodges in this community. Representing the

TRINITY KNIGHTS WILL PERFORM EASTER DUTY

Brooklyn, N. Y.—Knights of Trinity boys will perform their Easter duty on Trinity Sunday at the 8 o'clock Mass in St. Cyril's Church in New York City.

The Mass will be read by none other than a good friend of all the knights, the Rev. Father Gabrenja.

The boys will assemble in front of the church and will march in a body into church, there to receive Our Lord in the Sacrament of Holy Communion, thereby fulfilling the duty of the Catholic faith and also the KSKJ.

Immediately after Mass the boys will return to Brooklyn, where they will breakfast in a very reliable, restaurant in Ridgewood.

BREAK GROUND, START WORK ON NEW KSKJ HOME OFFICE

Work on the erection of the new KSKJ home office building was formally started May 14 following a ground breaking ceremony at the corner of Chicago St. and Crowley Ave., site of the new headquarters.

Participating in the ceremony were Supreme Officers R. G. Rudman, Wilkesburg, Pa.; Joseph Zalar, Joliet; Frank Opeka, Waukegan; John Germ, Pueblo, Colo.; Louis Zeleznikar, Mathew Slana and Frank J. Gospodaric, Joliet. (Names listed as they appear in photo Page 1, this issue.)

Plans drawn by Charles Wallace, architect, call for a two-story building and basement stone structure, 64 by 150 feet, air-conditioned and fireproof.

IMPORTANT MEETING

Eveleth, Minn.—SS. Cyril and Methodius' Society, No. 59, will hold an important meeting June 12, at which time delegates to the general KSKJ convention to be held here in August will be held. All members, especially the young people are urged to attend.

Joliet Society to Elect Delegates

Joliet, Ill.—All members of St. Francis De Salles Society, No. 29, are invited to attend our regular monthly meeting Sunday, June 5, at which time delegates to the coming convention will be selected. If you are interested in sending delegates who are capable of representing St. Francis De Salles Society, it is your duty to turn out in large numbers for this meeting. So let's all meet Sunday, June 5, and break all records for attendance. Interesting discussions and ideas will be brought up at that time.

The entertainment committee will be selected and plans for our picnic will also be discussed. And, of course, don't forget that big day, July 3, at which time the cornerstone of our new KSKJ building will be blessed with impressive ceremonies, and followed by a big celebration at Rivals Park.

Urges Baragites To Push Fair Books

Milwaukee, Wis.—Baraga members! with an eye on the prizes to be awarded to the seller of the most Fair Books, and the other eye on the prizes to be awarded to the winner, should stimulate business so as to give those members whose names were listed in last week's "Our Page" a run for their money. Keep plugging away at those sales. Each member is expected to dispose of one book at least, so don't disappoint the committee workers by handing in half-filled books. After all it is for the mutual benefit of each member that he or she responds 100 per cent.

MEMO: June meeting at the usual meeting place, June 2. Business: Election of Convention Delegate; further details as to BARAGA MIXER. Be sure to attend.

Agnes R. Jenich

Joliet and Rockdale societies have arranged a program for the dedication of the cornerstone July 3, which will be followed by formal dedication ceremonies when the building is completed.

WM. ZUPANEC NAMED HONOR MAN OF 1937

Former Joliet Lad Being Honored

Kansas City, Kans.—"Honor Man of 1937" was the title awarded recently to William Ivan Zupaneec at the sixteenth annual Honors Convocation at the University of Kansas, when 155 students were cited for outstanding scholastic attainment.

The title, the fifteenth on the list, was given to Mr. Zupaneec for outstanding character, and excellence in leadership, scholarship, and unselfish service to the University. He is now in training at Lynn, Mass., in the plant of the General Electric Company.

Zupaneec, who received his B. Sc. in electrical engineering, and his 5-year B. Sc. degree last year, was an outstanding student in the school of Engineering and Architecture, a member of Tau Beta Pi and Sigma Tau, honorary societies, and a member of the swimming team.

He was an outstanding member of the debating team, and prominent also in oratory. He was a member of the debating team three years, and was a member of the team that took a two-weeks trip to the Coast two years ago. In 1935 he won the Missouri Valley oratorical contest. (The Missouri Valley debating league takes in 12 universities and colleges in Arkansas, Texas, Colorado, as well as the five states of the Missouri valley athletic conference.)

He was president of Delta Sigma Rho, debating society, in 1936-37, and participated in numerous campus speaking contests.

He is the youngest son of Mrs. Mathias Konda of South Spearville, Kans. A brother, Dr. Ralph is stationed as a surgeon in the Cleveland Clinic, Cleveland, O. The brothers, formerly of Joliet, Ill., received their primary education in St. Joseph's parish school where their father, the late Rafko Zupaneec was organist.

KSKJ VETERAN EXPIRES

Aurora, Ill.—St. John's Society No. 11, lost a veteran member and officer May 11, when Joseph Jakos expired, at the age of 74 years.

He came to America in 1892 and joined the KSKJ in 1901 after which he became active and served as treasurer of the local KSKJ society for many years.

Surviving are the widow, daughter Pauline, and son Victor.

Baragites to Hold Old-Fashioned Mixer

Milwaukee, Wis.—Come closer "folksies" and get an earful of the news of the latest social event being sponsored by the Baragites. Yes sir! we are going to have one of our regular old-fashioned informal BARAGA MIXERS—where members can bring their friends and relatives—when everyone is their own sweet self—when one can call across the room and shout Hi!—and in general, where one can come to enjoy oneself to his heart's content.

The BARAGA MIXER will be held June 4, the Saturday after the June meeting, at Tamae's Hall, South Eight & West National Ave. And just think, "folksies," all this for the small sum of 50 cents each for members, and 75 cents each for your friends and relatives; and to let you in on a little secret, that includes refreshments both liquid and solid. Now if that isn't a bargain, I'm sure you will have to go a long way before you will find something to equal it. Last, but not least, the music promises to be good, with an equal distribution of both old-time popular varieties. Soooo! Come and get it.

Moonlight and Picnic, Patricks' Plan

Girard, O.—St. Pats are going to hold a moonlight picnic! A regular picnic—only it's going to be at night. We plan to have a huge campfire and games and singing and refreshments. We haven't decided just what eats we shall have, but you can bet your boots that there will be plenty for all and that they will be good.

Each local member is to bring a friend and any Kay Jay-er is invited. The outing will be held Saturday, June 4, in one of our local parks or in one in some nearby city. This will be definitely settled at our special meeting May 25.

Stephie Turk.

To Elect Delegate At Next Meeting

Brooklyn, N. Y.—St. Joseph's Society, No. 57, of Brooklyn, N. Y. will hold its regular meeting Saturday, June 4th. Meeting will start promptly at 8 p. m. instead of the usual time because at this meeting we will elect the delegate and an alternate to the 19th Convention of our Union.

It is the duty of every member to be present at this important meeting so the delegate elected will be satisfactory to every one. Any member having a resolution which will benefit the members should present it at this meeting.

Election for the delegate and alternate will be held at this meeting because the July meeting falls on the 2nd, and many members will be away over the week end. We believe every member will be able to attend the June 4th meeting.

Now don't forget the next meeting on Saturday evening June 4th at the American Slovenian Auditorium, 253 Irving Avenue, Brooklyn, N. Y. 8:00 p. m. sharp.

Here's a Sure Way To Win

Pittsburgh, Pa.—A sure way to win! Spend \$6 to be entitled to a \$5 prize! That's what a KSKJ member did here recently. When he did it, he set up a new percentage table on odds. At the pay-off, so the story goes, he received \$2. But he accepted the money cheerfully, for the proceeds went to a local lodge.

AT LAST! THE CONFAB CAME TO TRAVELING KNIGHT

Brooklyn, N. Y.—At last! The Trinity Knights' May meeting was held in the home of Dom Suplina and finally his dream was realized, that is, having the meeting come to him instead of vice versa.

After the meeting a repast in the form of coffee and cake was prepared by Mrs. Suplina. The next meeting will be held in the home of John Kluz, another newly married man. Boy, oh, boy, are we house-warmers!

FOREST CITY KAY JAYS HOLD PEPPY CONFAB, RECEIVE CO-OPERATION

Forest City, Pa.—Another interesting meeting was held on Sunday, May 8, by St. Joseph's Booster Club, No. 12 KSKJ, with much support. Talks, encouraging the co-operation of the lodge, were given, also a donation of \$25 from the lodge was made.

Another new member was accepted and several more candidates were received for the coming June 12 meeting.

With only two more weeks of scheduled league bowling in the local league, the boosters, holding fourth place, did very well in this league, a few of the booster bowlers being right up with the top-notchers. It is hoped that there will be a few new bowlers for the next bowling season. It is the desire of the boosters to have a fine team. Let's see if one of our bowlers can make a perfect game, and beat the alley high of 297. What do you say, bowlers?

It seems as though the activities of the Booster Club never cease, for if it isn't one thing, it is another. Starting last week, we have entered a team in the local softball league, the main summer sport in Forest City. Large crowds attend all games. Mr. Telban, our athletic commissioner, has made all arrangements for the games, and gave the players some fine advice and points concerning softball. He also pointed out the change in the rules of the game over those of last season. Louis Grum was elected to act as captain of the team. Louis, we all

ANNOUNCES NEW SUPREME OFFICERS

Board Fills Vacancies Caused by Deaths

Three posts in the Supreme Board now have new officers according to an official announcement released May 18 by Supreme President Frank Opeka, and appearing in this issue Page Five.

The three vacancies followed the deaths of the late Steve G. Vertin, assistant supreme secretary, and the late Rev. John Plevnik, supreme spiritual director.

According to the by-laws the Supreme Board appointed the Rt. Rev. John J. Oman of Cleveland, O. as supreme spiritual director, and Louis Zeleznikar of Joliet, assistant supreme secretary. Matt F. Slana Jr., of No. Chicago, Ill. was appointed to fill the supreme treasuryship to fill the vacancy made by the resignation of Mr. Zeleznikar, prior to his appointment as assistant supreme secretary. (Photos on Page One.)

hope, can make as good a showing with the team as the bowling captain has, if not better. We are very sure he will receive very fine co-operation from the players.

Arrangements have been made to entertain the St. Cyril's Holy Name softball team from New York, under the supervision of the Rev. Edward Gabrenja, O.F.M. The game is scheduled to take place on Monday, May 30, Memorial Day. Although the local team feels quite confident of a good showing, it is a matter which brings doubt, as the boys from the big city are quite in shape when it comes to playing ball. The bowling captain suggests that ball players keep in mind the fact that when they get three strikes they're out and not just getting in shape, as they do in bowling.

Another communication was received from St. Joseph's, No. 57, of Brooklyn, N. Y., since our last meeting. A bowling match to take place with St. Joseph's, No. 57, in New York is pending. At the present time it is not known when this match can be arranged.

Another communication was received from the Trinity Knights in a regard to a bowling match, which at the time was impossible to accept, but which will not be forgotten.

It was announced that Father Gabrenja will take charge of the Memorial Day services at St. Joseph's Church, in the absence of Father Jevnik, our spiritual director, who left Wednesday from New York City for a six or eight-week trip to Europe. It is the wish of the members of the booster club that Father Jevnik will have a most enjoyable trip.

Our next meeting will be held on Sunday afternoon, June 12. Please do not forget this meeting as there will be much business to attend to. Also do not forget at the lodge meeting there will take place the election of two delegates to the KSKJ convention to be held at Eveleth, Minn. So let's all be there and cast our votes for our favorites.

Refreshments will be served by the booster club to all members of the lodge and of the booster club.

FOR GOD, HOME AND COUNTRY

By FATHER KAPISTRAN

News item: The new frontier between Italy and Germany at the Brenner Pass will be always respected, pledged Hitler to II Duce. "It is my unshakable will and also my political testament to the German people," said Hitler, "to consider inviolate for all time the frontiers of the Alps erected between us by nature." Hitler visited Sant' Angelo Castle, gazed at the nearby St. Peter's and the Vatican.

I don't like that last "gaze" at St. Peter's.

One would almost believe Adolph's pledge to respect the Brenner Pass. His chesty promise to Mussolini makes him appear like a big and trustworthy giant . . . until St. Peter's looms up in the background. Against it, Hitler is small indeed. It seems to call his bluff. And in all fact, it DOES.

Adolph, how can you promise to stop at barriers erected by NATURE if you never stop at barriers ordained by nature's God?

All the good in the C. I. O. will thrive the better should its sponsors pluck what has been named a weed in its garden by the Illinois Appellate Court: ". . . the sit-down strike with its seizure of property is illegal . . ."

That the Bible needs the Church for interpretation is a trite axiom to all Catholics. Its truth is stressed when Bible Institute broadcasters of other faiths afflict us with their own ideas of what the Scripture means.

A very learned dissertation came over the ether at a time when we expected pasetempa.

SAFETY DAY COMES NEXT

The National Fraternal Congress decided at its Columbus meeting in 1937 that it would urge all member societies and all other fraternal groups to join together on the first Sunday in June and observe National Safety Day.

This is an excellent way for a society to draw public attention to itself while rendering a public service. There is no question as to the need of teaching the public to become "safety conscious." Our growing death list from accidents, our growing list of accidental injuries proves by itself the need of this observance, and if we can, by a great national demonstration, cause just one man to use greater caution, we may save the life of a child.

There are many ways by which fraternal societies can emphasize safety and perhaps the best of all is a parade and a safety meeting. We are sure that your city officials will assist in every way that they can. We are sure that every organization and every business firm will help. Fill your parade with floats showing wrecked automobiles and put a placard on the side of each one stating the number killed and injured in the accident.

Gruesome? Sure it is gruesome, but it is effective. Have you ever driven along the highway and come upon a wreck with injured and dead persons strewn out on the road? Well, if you have we know that you drove carefully after that. The great difficulty is that far too many this sight is not real.

In his enthusiastic analysis of levirate marriages in the Old Testament, the speakers perhaps inadvertently tore down the entire structure of Christian marriage.

Because a husband's brother is called a "levir" in Latin, the Hebrew ordinance, by which the brother of a man who died without male issue was obliged to marry the widow, is called the law of levirate marriage.

Our friend, the radiocaster, concluded that this obligation devolved upon the "levir" even if he had a wife of his own. Therefore, God, in the Old Testament, not only PERMITTED but COMMANDED polygamy, said our speaker.

Not so.

The law is known to have existed before the Mosaic legislation. Its purpose was to keep the inheritance in the same family and to prevent the extinction of heads of families. The son begotten of such a levirate union inherited the name and possessions of the deceased. But it is certain that to be HELD or to be OBLIGATED by this law, the deceased husband's brother had to be UNMARRIED. Thus our superheterodyne theologian cannot conclude that "God thereby commanded polygamy."

After listening to a half hour of such radio talk, we feel sorry for the men who in all good faith waste so much time going astray. We also feel comfortable in our Catholic assurance that the Church is saving us a world of time by sparing us the trouble of falling into and pulling ourselves out of errors.

They have never seen it. Bring it closer to them in any way that you can.

Do you have a cannon in your park? Put a wrecked car by its side. Put a placard on each one showing on the cannon the number of American soldiers killed and injured in the World War. On the automobile put the number killed and injured in one year by careless driving. You will bring closer then to the public the horrible realization that automobiles kill and injure more than war.

Have a safety poster contest, a safety essay contest. Your newspapers will help with these. Let the automobile men display their safety devices. They will welcome the opportunity. Do anything that will impress safety on the minds of all.

And—after the parade—go to a church or an auditorium and have some capable person talk on safety. This will fix the lessons in the minds of all and will go a long way toward helping reduce accidents.

After all—almost every accident could be avoided. Carelessness, caused by selfishness or drunkenness, causes the greatest part of all accidents. Let us all try to eliminate these causes and thus save lives.

Confessions Of a Globetrotter

By Doris Marie Birtic.

No pilgrimage to the Holy Land is complete without a visit to the Shrine of the Holy Sepulchre. Built of huge blocks of stone, this church has survived the test of many centuries.

Upon entering it, our attention was immediately drawn to a costly, impressive looking structure in the center—the Holy Sepulchre. The floor had been laid in such a fashion that a distinct pathway led up to the entrance. Three mammoth candles stood guard on either side. Hundreds of others flickered along the facade, numerous vigil lights burned steadily, and tiny angels perched lovingly near the top. Although many would call this sight beautiful; to me, the showiness of it was not altogether agreeable. I prefer simplicity.

The interior was more promising. The Tomb proper is of marble and was unadorned save for a few tiny vases of delicate blossoms which were placed here and there. A priest in black cassock was stationed there to bless articles for pilgrims are constantly streaming in and out. After blessing (and soaking) our packages with holy water, he gave us each a few clusters of the pink and white flowers as a remembrance.

There wasn't much room to turn around, but we managed to kneel down for a few prayers that some day we might return.

Our sojourn in the Holy City had come to an end. It was hard for me to leave Jerusalem, but in our hurried visit I had at least seen most of the places made memorable by Christ's Life, Passion, and Death. For this opportunity I am deeply grateful, and it is my sincere hope that the day when I may again traverse the streets of the City of David will soon be here. — I love it so.

Beirut having been the farthest point in our cruise, we were now on our way back. The first stop on the rebound was the large seaport of Egypt, Alexandria.

Several ways of spending the afternoon were suggested for me. The choice was quite difficult to make since sailboating lazily on the blue Mediterranean with a picnic lunch thrown in for good measure seemed a pleasant prospect, while a trip through the newly discovered catacombs sounded equally attractive. I decided to let my sea-legs rest a while and to spend the day ashore.

The officer in charge hired a large open car and told the driver, a rather rotund, good-humored native named "Jimmy" to drive us to the excavations. On our way we encountered the now familiar sight of veiled women and turbaned men. I don't remember seeing any natives bareheaded; no matter how squalidly dressed, they always had something

The awards were distributed among the bowlers from Pittsburg, Canonsburg, and Ambridge. Proceeding the awarding of prizes by Supreme Secretary Joseph Zalar, was the award made to the Canonsburg regular girls who were declared the winners in the Pittsburg tournament. Frank Lokar, chairman of the Pittsburg tournament, made the award.

The banquet served at the Croatian Hall was served to an overflow group of bowlers and KSKJ friends. The menu served was very appetizing and the speeches were short. Jos Becek, president of the Ambridge Boro Council and a new member of KSKJ, was the toastmaster. Besides introducing the various leaders of KSKJ lodges, he also presented for short addresses, Supreme Officers Mrs. Gorsek, Frank Lokar, Matt Pavlavovich, Rudolph Rudman, Joseph Zalar, John Decman, and editor of Our Page Stanley Zupan. An address was also made by the sports editor Mr. Daugherty of the Ambridge Citizen, the local newspaper. The arrival of Messrs Zalar, Zupan, and Rudman at a late hour in the program was very much of a surprise. Their attendance certainly helped to add to the prestige of KSKJ in Western Pennsylvania.

Much of the success of the tournament is due to the hard work on the part of the Ambridge KSKJ lodge and their friends. The work done by the women deserves a lot of credit. Under the very able leadership of Mrs. Emma Grosdek, the ladies of Ambridge made a swell job of the banquet. The manner in which the meet was conducted shows that an immense amount of effort was put forth by Peta Svegel, Rudy Kosela, Eddie Rosenberger, Johnny Nemcek, and Mark Svegel and their many other assistants.

The KSKJ Associated Booster Clubs of Western Pennsylvania take this opportunity of thanking all who in any way made this tournament such a great success. The cooperation manifested was one of true K. S. K. J. ideals. It is hoped that this spirit will continue to prevail. Let's see a bigger and better KSKJ in Western Pennsylvania.

draped around their heads. The excavation of the catacombs is still far from complete, however, we walked through the portions already unearthed. These dark, rather awesome passageways weren't artificially lighted, and since torches weren't provided, we felt our way with the aid of flickering matches.

After that we drove to a museum and saw some quaint drawings of Egyptian life. Their art is so different, and yet I like it.

American Women Have More Influence than Men

She rarely heads a large factory; she does not often speak on a soap box; she rarely "sits in" on the conferences of Big Business.

But does this mean that American woman has a "weak voice" in the American social order?

"Absolutely no!" chorused more than 900 women attending the National Catholic Action conference held recently in Milwaukee, Wis. auditorium.

"American women have more influence than men in the world today," contends gray-haired Sister Xavier, member of the Society of Catholic Medical Missionaries in Washington, D. C. "It is the American mother who sows the seeds of spirituality in the hearts of all generations. The men who dictate the tactics of Big Business often act according to the principles of charity and honesty they learned at home."

It's the "spirit of sacrifice" in women which tends to "tone down" the egotism in men, Sister Xavier believes, thus holding the world back from "pitfalls of selfish greed, hatred and unfairness."

"The practical teachings of a mother who trains her child in the simplest kinds of handicraft—cooking, sewing, simple carpentry—are helping more than any other factors in the world today to make a generation of self-reliant young Americans," declared Dorothy Day, editor of the Catholic Worker of New York City. "It's the practical aspect of home education that breeds level-headedness," she said.

American women are showing "what they're made of" as never before, Miss Day believes, for they are "braving picket lines, stone throwing and jeers to bring food to their men on

The season for strawberries is at hand, and a great variety of delicious ways of serving them. They may also be canned for winter use, but they are very palatable in the many recipes today for their quick utilization.

Frozen Strawberries

Wash and hull 1 quart of strawberries; add 2 cups sugar and mash well. Let stand in warm room 2 hours, or until sugar has dissolved; turn into freezing tray of automatic refrigerator and freeze 2 to 4 hours, or until firm, stirring several times during the freezing. Approximate yield: 5 cups fruit.

Frozen Strawberry Custard

1 quart strawberries, 1 1/4 cups sugar, 2 egg yolks, slightly beaten, 1 teaspoon gelatin, 2 tablespoons cold water, 2 cups heavy cream, whipped, 1/2 teaspoon vanilla.

Wash and hull berries. Crush and add sugar. Let stand 3 hours. Press half the berries through a thin cloth. Add juice thus derived to egg yolks and cook over hot water 5 minutes or until slightly thickened, stirring constantly. Scften gelatin in cold water, add to hot mixture and stir until dissolved; cool. Add remaining berries and fold in cream. Turn into mold, pack in ice and salt and freeze 3 hours, or turn into trays of refrigerator where you freeze 2 to 4 hours. Yield: 3 pints.

Strawberry Dainty

1 pint strawberries, 1 cup diced pineapple, fresh or can-

ned, 1/2 cup sweetened condensed milk, 1/2 cup pineapple juice, 1 tablespoon lemon juice.
