**LJUBLJANSKI GRAD!** — Kdo ga ne pozna vsaj po sliki? Sedaj ga predelavajo, da naredi iz njega "Muzej osvobodilne borbe." Tja bodo spravili vse, kar jih spominja na partizane med celo vojsko do dne, ko je Slovenijo okupiral tretji okupator — komunizem. Ljubljanski grad ima svojo dolgo zgodovino. Vi del je, kaj vse prenese narod. Vi del bo tudi, kako bo prenesel novo diktaturo. Morda je res grad za muzej partizanstva dobro izbran kraj.

Na griču, kjer stoji ljubljanski grad je bilo v davnih časih keltsko gradišče. Ne dalet od tega griča se je razvilo rimsko mesto Emona. Bilo je razdejano v dobi preseljevanja narodov. V začetku devetega stoletja je bil sezidan grad, ki je bil seveda potem večkrat predelan. Pod njim se je razvila Ljubljana. V zgodovini se imenujeta grad in Ljubljana prvič leta 1146.

Besedo Ljubljana so pisali takrat Lubigani. Nekdaj so s tem gradu vladali nad ljudstvom nemški grajščaki. Grajščaki so izginili, narod pa je ostal. Sedaj vladajo komunistični diktatorji in njih valpti. Tudi ti bodo izginali, narod pa bo ostal. To govori zgodovina ljubljanskega gradu. Upajmo, da bo ves komuniten kmalu začas.

Zadeva naj se resi med delavci in delodajalcji, ne pa na sodnji

Washington. — William Green, predsednik Ameriške delavske federacije, je pisal pismo na vse svoje podružnice, v katerem se je odločno izjavil proti tožbam "portal-to-portal," katere vlagajo na sodnih zlasti unije CIO. Dozdaj so narastale te tožbe že na \$4,000,000.

Green pravi, da mora vaaka unija, ali pa vsak delodajalcji obrati se po vzajemno sprejeti pogodbi, najprej prednosti nasprotni stranki svoje zahteve, ne pa iti kar na sodnijo, kot se to godi v tožbah "portal-to-portal."

Green sicer svari svoje podružnice, naj ne letajo na sodnijo, vendar pa pravi, da ima vsaka unija v tem oziru popolnom proste roke. Svetuje pa, in to odločno poudarja, da naj se vsake take zahteve rešijo med delavcem in delodajalcem potom koletivnih pogajanj, predno se vloži tožba na sodnijo.

#### Ford je znižal cene avtom na začudenje drugih industrij

Izraža upanje, da cen ne bo treba ponovno digniti

Detroit. — Henry Ford II., predsednik Ford Motor Co., je naznani znižanje cen Ford avtomobilom in sicer vse od \$15 do \$50. To je prvi tak korak kake industrije po vojni, da je znižala cene produktom.

John Steelman, pomočnik predsednika Trumana, je Fordu brzovabil, ko je zvedel to novico: "Vaše naznanilo o znižanju cen je dobra novica za deželo in mislim, da bo to prineslo vaši družbi dobro kupčijo."

Walter Reuther, predsednik avtne unije CIO, ni dal na to vest še nobene izjave. Nedavno je unija naznanila, da bo vprašala za zvišanje pri mezd za 23 in pol centa na uru. Sedanja pogodbina med unijo in Ford Co. je veljavna do maja.

To znižanje cen se nanaša samo na Ford modele. Mercury in Lincoln izdelki ostanejo še na isti ceni.

Ko je Ford naznani znižanje cen, je reklo, da je potreben takaj akciji, da se ustavi izvajanje vrednosti cen, katero je treba postaviti nazaj na zdravo podlogo, da začne industrija delati s polno paro.

"Upam, da nam ne bo potreba zopet zvišati cen, ampak da jih bomo še bolj znižali," je reklo Ford.

Industriji pravijo, da je mladi Ford na istem potu, kot je bil stari Henry Ford, ki je leta 1920 z drastičnimi odredbami, ko je nenadoma znižal cene avtom, obenem pa naznani, da ne bo znižal plač delavcem.

S tem je Ford takrat rešil svoje podjetje propasti, obenem pa dal zgled drugim industrijam, da so mu sledile in tako preprečile splošno depresijo. To je bilo po prvi svetovni vojni, ko so šli odjemalci na stavko in niso hoteli kupovati dragih izdelkov. Teda je bil Ford prvi, ki je znižal cene, drugi so sledili in ljudje so zopet kupovali.

Tri žive premogarje so že doblji iz premogovnika, dva od njih težko ranjena.

Razstrelba se je pripetila 850 čevljev pod zemljo. Reševalci se morajo boriti s plameni, ko skušajo priti do trupel.

Industriji pravijo, da je mladi Ford na istem potu, kot je bil stari Henry Ford, ki je leta 1920 z drastičnimi odredbami, ko je nenadoma znižal cene avtom, obenem pa naznani, da ne bo znižal plač delavcem.

#### Prelog za ruskega begunca, da ne bo deportiran

Washington. — Poslanečki Coudert iz New Yorka je včeraj predlog, ki bi dal ruskemu beguncu Viktorju Kravčenku pravico stalnega bivanja v Zed. državah.

"Kakor je legalni položaj zdaj," je izjavil poslanec, "je Kravčenko lahko deportiran v Rusijo, kar je prav toliko, kot če bi ga obsodili v smrt."

Mr. Coudert je v predlogu navedel, da je prišel Kravčenko sem leta 1943 z sovjetsko nakupovalno komisijo. Pozneje jo je zapustil ter se odpovedal komunizmu. S tem je izgubil rusko državljanstvo in postal brezdomovine. Kravčenko je napisal knjigo z naslovom "Izbral sem si svobodo," v kateri kritizira sovjetski

v posesti na tisoči samokresov in avtomatičnih pištolj, do katereh so prišli nepostavnim potom.

Ako bi imeli za to federalno postavo, bi bilo gangsterjem znance in sorodnikom. Zahvaljujeta se za številna božična in noveletna vožila in darila. Vožčita istotko vsem skupaj sredno in zdravo novo leto 1947.

**Politika novega državnega tajnika**

Med drugimi važnimi problemi, ki čakajo našega novega državnega tajnika, generala Marshalla, ko začne uradovati, bo tudi določitev, kakšni naj bodo naši odnose s komunističnimi režimi na Balkanu in na Poljskem. Vsak državni tajnik ima o diplomatskih odnosa z drugimi državami svoje mnenje, svojo sodbo in svoje predskope. Važen je ta problem radi tega, ker so tisti režimi ali vlade stvor zunanjih sil, ki si hočejo zagotoviti svojo stalno oblast s terorjem in sleparskimi volitvami. Ta problem postaja še bolj važen zdaj, ker bo treba v kratkem podpisati mirovne pogodbe, ki se tcejo vseh balkanskih držav, najs bi v aktivnem ali pasivnem smislu, dočim bo poljski režim igral vlogo pri mirovni pogodbi z Nemčijo.

Ameriška vlada je ponovno in ponovno protestirala radi tistih navideznih, ali bolje, sleparskih volitev, pri katerih so hoteli režimi v Jugoslaviji, Romuniji in Bolgariji svetu pokazati, da so bili izvoljeni postavno in z ogromno večino. Kakšne volitve so to, če so na listi samo vladni kandidati in če je za volivci tajna vladna policija, ki z grožnjami žene volivce na volišču, kjer nima državljan nobene druge izbire kot glasovati za vladne kandidate! Ako so sami vladni kandidati, potem bi pač ne bilo treba volitev. Kaj pa so prav za prav volitve oziroma: kaj bi morale biti volitve? Volitve so za to, da volivci z glasovnico izbirajo kandidate in volijo za tiste, o katerih so preprani, da so najboljši. To so volitve in take volitve imamo v Ameriki, v Angliji in v nekaterih drugih državah, kjer je še nekaj pravice ali svobode za državljanje. Kaj bi rekli ljudje v Ameriki, če bi jim vladla leta 1948, ko bodo nove predsedniške volitve, rekla: Za predsednika bo samo en kandidat in sicer sedanj predsednik Truman! In prav to se dogaja v Sovjetski Rusiji, tukaj volitve so bile v Jugoslaviji, Bolgariji in Romuniji in prav tukaj volitve bodo menda na Poljskem v nedeljo, saj skusa poljska komunistična vlada s terorjem, grožnjami in uboji oplašiti vse kandidate, ki niso z vlogo, da ne bi kandidirali.

Da so tmele balkanske dežele take volitve, ki so prav za prav v posmeh vsem svetu, je vzrok ta, ker imajo komunisti, ki so tam na vlogo, za seboj mogočno Rusijo. In zapadne demokracije niso storile ničesar, da bi korigirale krivico, ki se je godila in ki se še godi narodom v dotičnih deželah.

Jugoslavija, ki čuti za seboj močne Sovjete, je postala naravnost objestna in predzrna, da si je upala postreliti pet ameriških avijacičarjev, ki so v slabem vremenu zašli nekaj milj nad jugoslovansko ozemlje. Ameriški poslanek v Belgradu je oni dan zatrjeval po radiju iz Chicaga, da je jugoslovanska vlada to namenoma in z dobrim premislekom storila, čeprav se šteje še vedno kot bojna zavezница Zed. držav, dokler ne bodo podpisane mirovne pogodbe.

In še več! Jugoslovanska vlada je šla in začela pošiljati ameriške državljane v koncentratorske taborišča ali jih je pa izposojevala drugim (v Sovjetijo) kot delavske sužnje. Dalje je jugoslovanska vlada zaprla ameriško informativno čitalnico v Belgradu, dočim so smeli v istem času razni propagandisti v tej deželi javno nastopati na raznih shodih in kritizirati ameriško politiko. Prav te dni je Titova vlada ob sodila na smrt bivšega uslužbenca pri ameriškem poslanstvu v Belgradu in še dva druga, dočim je ob sodila pet drugih v zapor, češ, da so vohunili po Jugoslaviji in dajali poročila ameriškemu poslanstvu o nekih "protizračnih baterijah" okrog Belgrada.

Namen takih in sličnih dogodkov je prozoren. Komunistični režimi za želesnim zastorom hočejo izolirati: zapadna poslanstva ter pokazati narodom v vzhodni Evropi, kako da so zapadne države brez moči in kako nespametno bi bilo, če bi pričakovali od njih kako pomoč.

Novi-ameriški državni tajnik bo moral te probleme resno vzeti v roko in obravnavati s totalitarnimi državami načinčno tako, kot zaslužijo, ali boljše: postopati z njimi prav tako, kot postopajo oni z nimi. Zakaj bi pa morali imeti diplomatske in druge odnose z državami, ki se naravnost norčujejo iz naše Amerike, potem, ko smo jih rešili Hitlerja in zatem smrti od lakote. Čast naših mogočnih Zed. držav zahteva, da ne bomo nikomer za cunjo, ob katero si bo vsak komunistični falot briral svoje umazane škarpe. Čas je že, da naš državni oddelek, ki govorji v imenu Zed. držav diplomatski jezik, spregovori resno besedo in postavi za besedo klicaj. Vidimo, da svarilo in prijazne očetovske besede ne zadežejo nič. S cigani je treba govoriti cigansi jezik, drugačnega ne razumejo.

Mr. Marshall, upamo, da boste v čast svobodnim Zed. državam, kot pravi Amerikanec, ki noče nič tujega, ki hoče vsakemu samu dobro, pa ki zna braniti svojo narodno čast. Nočemo biti več kot so drugi, toda nočemo biti hlapci in sužnji nikomer. Svet je velik in dovolj je prostora na njem za vse in še za nove milijone prebivalcev. Zakaj bi se pehalo za več zemlje, zakaj bi hoteli drugemu vzeti iz ust košček kruha? Mi smatramo, da je vsak človek ustvarjen od Boga

in da ima vsak pravico do življenja, do poštenega in svobodnega življenja. Nihče nima pravice napraviti iz človeka sužnja, iz svobodnega državljanja navadno uprežno žival. To so principi Amerike in za te pravice mora govoriti naša vlada, naš državni oddelek.

**Newburške novice**

Pot me je peljala mimo cerkev sv. Paula, (St. Paul Shrine) in, ker se mi ni rayno mudilo, sem stopil notri, da se poklonim Kralju kraljev, tam je namreč izpostavljen sv. Rešnjev Telo dan in noč.

Sem pa tja po kloped so bili raztreseni ljudje, kot so vedno. Saj je tam tako mirno, da se prav lahko molji. Ako ne vrjamče poskuški. Tja prihajajo ljudje iz vsega mesta, katoličani namreč, pa tudi nekatoličani pridejo tja, zato, kakor je dejala stara nekatalistična ženica, "ker se mi zdi, da je Bog tako blizu."

Kmalu po mojem prihodu, vstane tam spredaj nekdo, se prikloni na oba kolena in se obrne proti vratom. Nisem mogel, da ga ne bi videl. Bil je to velik mož, mestni policaj, s srebrnim znakom pripelj, ki je najbrž James Yanek. In veste vsi, da so bili Yanetovi vse skozi med najbolj darežljivimi farani, dokler so bili pri nas. Zato pridite ju tri večer vse skupaj za malo kratečašča vam, onim pa bo to v spodbudo in pomoč. Imeli bodo razno okrepilo, pri kartah pa boste imeli zabavo. "Hoy-hibber!" je vpil foreman, ko smo vzdigoval težke "šine" na železnici. Tudi mi recimo tako, ko ponamagamo prizvidniti prvo skalo zlikovci, kot je. Čast takim momžem, kot je zgoraj omenenini.

Ray Miklich, eden naših mlajših fantov, ki je bil vedno vosten ministrant, je bil pred nekaj meseci poklican v službo Strica Sama. Tik pred Božičem se je nahajjal v Californiji in je od tam pisal, da mu služba ne dela prevelikih skrb. Pozdravlja zlasti vse ministrante in druge farane. Ne, ne, našem željam odsek naprej, kam čez lužo, če se ni. Želimo mu zdravja in vsega drugega, kar potreba za vestno službo pri Stricu.

Med onimi bolničarkami, ki so pred ne dolgim časom uspešno prile preko državnim preiskovanjem sta tudi dve izmed naših dekle. Miss Vida in Miss Agatha Siblitz sta se trenirali v St. John's Hospital. Obe sta nadarjeni in pametni dekle, zato vemo, bosta v svojem poklicu tudi lahko shajali. Želimo jima vsega najboljšega.

Nasledni so naši novi farani: Gloria Jean Stražar, hčerka Frank Stražarja Jr. in Mary, rojena Perko. Botri: Albin Stražar in Vera Rozman.

Kenneth Joseph, sinko Josepha Barle in Mary, rojene Paapež. Botri: Martin in Anna Planišek.

Kenneth, sin Louis Janečić in Mildred, rojene Huth. Botri: Edward in Clara Huth.

Catherine Cherne, hči Edwarda Cherne in Antoinette, rojene Ferencák. Botri: Victor Tomšič in Josephine Seme.

Vsem naš poklon in Bog živi!

**ČE VERJAMETE!**  
**AL PA NE**

Ko sva z Jakkšičem vleklj svoje punkeljke proti spenjači, naju je Gospodarich vprašal, če smo se Clevelandčani že raportali pri prijatelju Jožetu Zalarju. Da ne, sva rekel. Kaj bi pa rekel, če bi mu spravila hišo pokonci o polnoči. Med civiliziranimi narodi ura strahov na prijateljske vizite. Da imamo pa namen storiti to svojo prijateljsko dolžnost in ga vprašati po zdravju zjutraj, če ne bo naši oberkomandi padla v glavo kakšna neumna misel, da bi nas genila iz lepega Jožeta v zgodnjih jutrišnjih u-

"Zelim, da bi Slovencem pomagal Jezus bolj spoznati, trdno vanj verovati in ga prisreno ljubiti," je dejal nadškof Jeglič. Ce bi bili Slovenci šli bolj nustrašeno in bolj v splošnem za njim, in če ne bili prodani od Roosevelta in Churchilla, bi bili še danes katoličani in Slovenci. Tako pa so, ali pa bodo kmalu, prav kmalu tudi oni boljševiki in boljševski sužnji.

(Dalej na 3. strani)

Zdaj pa nekaj popravev. Zadnjo nedeljo smo oznanili, da bo danes zvezd Card Party, ki ga prireja nova fara St. Jude. Ta pomota je prišla, ker so "tikit" tako datirani. Pa ne bo nocoj, ampak jutri večer bo ta party v naši cerkveni dvoran. Pridite v obilem številu na ta party. Tisti, ki ste bili pri sv. Lovrencu pri ustanovitvi naše fare, pred 45 leti, se gotovo še spominjate, kako velikansko delo je to za majhno število faranov. Prav tak začetek imajo sedaj farani, nove fara St. Jude. Pridite toraj in pokažite z vašo navzočnostjo vašo dobro voljo.

Pri volitvah je bil izvoljen sleden odbor: duhovni vođa Rt. Rev. Msgr. Vitus Hribar, predsednik Joseph Hochevar, podpredsednik Štefan Trampus, tajnik John Urbas, blagajnik Frank Pič, zastopnika Lovrenc Paušek in Štefan Trampus. Seje se vršijo vsako tretjo nedeljo v mesecu ob treh popoldne v cerkveni dvorani. Vabilo vse ostale može v fante, ki še niso člani tega društva, da se nam pridruži. Pristopil je v društvo, ki nam je tako potrebno, da se boljše pripravimo za boljše življenje onkrat groba in da bomo pripravljeni, kadar pride naša ura. Kdaj in kje pride, tega ne vemo, a vemo pa, da gotovo pride.

Naše društvo ni podporno, ampak je cerkveno-versko in bila skoraj dolžnost vsakega katoličana, da bi bil član tega društva, ker bo le nam samim v korist in pa le zgled naši mladi. Tudi nismo nober aga rednega asesmenta, ampak vsak član držuje vsako leto malo vsoto, kar je komaj 10 centov na mesec in ce pa tudi tega ne zmore, ga pa tudi ne bomo zapodili. Iz teh danih plačevanja, ki so pravljena, da cerkev zagotovimo. Pismo pravi "Jaz sem slišala može zaradi nove cerkve. Eden je rekel: 'ta cerkev zadost velika' (citiram kot je pisano) za našo faro. Pa še to je dolg 14 tisoč dolarjev. . . A drug mož je rekel, da ne da niti centa za novo cerkev. Ampak k tej cerkvi (basementu) zvonile postaviti, pa zvono pre skrbeti, bronaste, da bi zvonilo vendar kdaj primrino . . . Ena faranka."

Ko pa že ravno govorim, pišem prav za prav, o cerkveni zadavah in težkočah, naj vam povem, kaj sem včeraj našel, ko sem brskal po zvodovinskih papirjih naše fare. Našel sem neko pismo, na katerega sem bil že davno pozabil. Pismo je bilo pisano pred takimi osmimi leti. To je bilo takrat, ko smo bili še v basementu in smo se privajali, da cerkev zagotovimo. Pismo pravi "Jaz sem slišala može zaradi nove cerkve. Eden je rekel: 'ta cerkev zadost velika'" (citiram kot je pisano) za našo faro. Pa še to je dolg 14 tisoč dolarjev. . . A drug mož je rekel, da ne da niti centa za novo cerkev. Ampak k tej cerkvi (basementu) zvonile postaviti, pa zvono pre skrbeti, bronaste, da bi zvonilo vendar kdaj primrino . . . Ena faranka."

To pismo nam kaže, da niso vsi ljudje navdušeni za novo pravobetno stvarno delo. Nekaj je vedno prveje boječih. In, če bi čakali do tega, da bodo vsi farani pri voli, bi ne bilo niti ene cerkve, ali enega narodnega doma na svetu. Danes je naša cerkev dodelana in plačana brez vsakih težkoč, zato ker je bila velika večina za to, da se začeto delo dovrši. Če bili pa čakali do tega, da so vsi farani pri voli, bi ne imeli nič.

Tako je tudi s to novo faro St. Jude. Zato jimi mi kljemo: pogum naprej! Vsak naj storiti, nekaj, vsi skupaj pa bodo veliko. Če pomagamo misijonarjem, pomagajmo tudi svojim lastnim bratom. To je tudi "misijon."

Posebno vam moram še priporočati, da imamo slovenske li-  
karke na ušesa, vrag polomljiv, ki sem jo že nekajkrat vrnila in mu skozi zaprta vrata kaže figo z levo roko. Pozneje se bova kaj lahko opraviti. Če eneč, saj nisva slišala. Če celo jezikala bova lahko, zakaj da naju ni prej poklicala.

France je rekel, da je moj načrt zelo dober in da ne vidi nobenega vzroka, zakaj bi se ne posrečil. Pa mislite, da se je? Eno figo se je. Veste, jaz sem obračal. Grdin je pa obrnil, kakor imam jaz smolo pri vsemi stvari. Zato sva se pa z Jakkšičem maščevala s tem, da sva drugi dan dvakrat frusčala. g. From in Mr. Grdina pa samo enkrat. Takrat je pa Mr. Grdina obračal, jaz sem pa obrnil.

Vstopili smo v tisto kajbico, ki ji pravimo po naše spenjači mostovih: "Alo, pokenci zapanči!" se bova midva potajila in mu skozi zaprta vrata kaže figo z levo roko. Pozneje se bova kaj lahko opraviti. Če eneč, saj nisva slišala. Če celo jezikala bova lahko, zakaj da naju ni prej poklicala.

**Sestanek članic Slovenske ženske zveze**

Kot je našim čitateljem znano se je slovenska katolička javnost čudila, da Slovenska ženska zveza po nekaterih svojih glavnih uradnicah še vedno stoji v zvezi s SANsom, ki je zlasti v zadnjih mesecih razpošiljal napade na slovenske katoličane in zalugal protikrščansko časopisje s stramotilnimi članki proti škofom in duhovnikom ter obenem branil kravno revolucijo, s katero je konfuzijem podprtih slovenskih katoličanov v zadnjih mesecih razpošiljal napade na slovenske katoličane in zalugal protikrščansko časopisje s stramotilnimi članki proti škofom in duhovnikom ter obenem branil kravno revolucijo, s katero je konfuzijem podprtih slovens

Ljubljansko radijsko oddajno postajo sedaj imenujejo Radio Ljubljana, Maribor in Slovensko Primorje." Oddaja namreč ta postaja na treh krajih. Na Primorskem oddaja v Ajdovščini. Dnevno oddaja 10 ur in pol.

Razume se, da nima pri oddaji nihče drugi nič govoriti kot samo komunisti. Ti hočejo po radio širiti svoje ideje. Vse novice oddajajo samo kot jih da Tanjug to je: "Tiskovna agencija nove Jugoslavije." Tudi razna predavanja so vsa usmerjena na samo na propagando za svojite in komunizem. Ker je radio danes skoro važnejši kot časopis, zato bi morali prav za prav govoriti ne samo o svobodi tiska, ampak tudi o svobodi govora po radio. V Jugoslaviji smo in more govoriti samo vladajoči režim.

Vodilni režimovi tudi nič ne skrivajo, da porabljajo radio predvsem za svojo propagando. Tako piše, "Tovariš," tedenska priloga "Slov. poročevalca" s slikami, da je ideološka vzgoja važnejša nego umetniška. Tako torej tudi radio služi samo Titu, kot je v Nemčiji služil samo Hitlerju.

VSE PO RUSKEM VZORCU. Slovenski častilci boljševizma se trudijo, da bi v vsem posnemali Rusijo. Tako je izšla v novembri nova knjiga za šole: "Zgodovina starega veka." Slovenske knjige niso bile dobre. Prestaviti je bilo treba knjigo Rus. A. V. Mišulina. Le ta zna solarjem prav

pripovedovati zgodovino, da postanejo dobrí komunisti. Knjiga je pisana v duhu zgodovinskega materializma v smislu Marksove teorije. Tako mora vse, prav vse služiti hitri spreobrnitvi Slovenev k čistemu komunizmu. Zgodovinski knjigo je izdala Državna začetna Slovenske.

### ZAKON O ODVETNIKIH

tudi v kratkem izide. Tudi advokat se morajo prilagoditi novi Jugoslaviji. Slišali smo, kako je na primer advokat, ki so mu naročili, da zagovarja v Ljubljani dr. Miha Kreka, tega res zagovarjal in kako so bili radi tega ljubljanski komunisti razburjeni. Očitali so temu advokatu, da ne ve, kaj pomenijo ljudska sodišča. Tudi zagovornik nadškofa Stepinca je preveč po svoje govoril in je sedaj pobegnil iz Zagreba čez mejo.

Novi zakon o advokatih bo preprečil, da se ne bi spet takoj advokat spozabil in zagovarjal tistega, ki ga hoče režim spraviti s poti. Listi pišejo o novem zakonu takole: "Dajanje pravne pomoči se mora vršiti tako, da se istočasno podpirajo državni organi za utrditev pravne ureditve ljudske republike." Advokat mora torej v Jugoslaviji držati z državo in z režimom, ne s svojim varovancem. Vse šamo država in režim. Vse je v Komunizmu država, nič pa človek.

"Ali imate otroke?" je spraševal gospodar iskalca stanovanja. "Da, šest. Vsi so na pokopalnišču."

Gospodar, misleč, da so mrtvi, je pogodbo podpisal in stanovanje je bilo oddano.

Cež nekaj ur je prišlo šest pargovcev domov s pokopalnišča, kjer so se bili igrali in gospodar je debelo gledal, toda pogodba je bila podpisana in...

Tako bi se moralogoditi vsem, kateri odrekajo družinam z otroci rent. Na drugi strani so pa v veliki meri te gonje zoper otroke nekatere družine same krive, ker ne pazijo, da ne bi otroci preveč uničevali stene, pohištvo in drugo. Otroci so otroci, pa je velika razlika med onimi, katerim je vse dovoljeno po onimi, kateri imajo pametne starše, ki otroke držijo v vajetih in jih vadijo varovati bližnjega imetje.

Jezuiti iz Cairo v Egiptu poročajo, da je bila tam zgrajena kapela v čast "Male Terezike," kamor prihajajo katoličani od daleč. Kar je pri tem zanimivega, da je to, da tudi moslemanni posnemajo katoliške častilice Terezike. "Pred vratim potprežljivo kačko," pravi Father Calvert S. J., ki je prišel od tam, "in, kadar katoličani opravijo svoje pobožnosti, hitijo tudi moslemanni v cerkev in častijo to svetnico. Od kod prihaja ta ljubezen moslemanova D. Terezike, je težko umeti. Misli se pa, da morda od tam, ker je žena prominentnega moslemanna baje čudežno ozdravila na priprošnjo Male Terezike. Terezika torej potresa svoje "rože" tudi med krivoverci, da bi jih pridobil za Kristusa in jih končno tudi bo.

Zopet se je posrečilo enemu Rusu zbežati iz ruskih boljševiških nebes in povedati resnico, kako blazeni so Rusi pod rdečimi fašisti. Kiril M. Alexeiev, ki je bil v ruskiem zastopanstvom v Mehiki je pobegnil z družino vred in izjavil, da ruski narod in še precej boljševikov zraven, sovraži sovjetski režim. Saj to je, kar je tudi Kravčenko trdil, ki je tudi pobegnil, sit komunističnih nebes. Jaz bi torej predlagal in podpiral, če drug ne bo, naj se te pobegle Rusi nadomesti z slovenskimi ameriškimi rdečkarji, kateri tako zelo hvalijo ruska nebesa in delujejo za slična nebesa v Ameriki in v Sloveniji. Eh, wat yu tink?

Tisto noč je prišla nevihta in velik naliv, da je voda kopala polja in delata jarke po njivah. Žito je bilo poleglo in je ležalo na tleh. Žalostno so ljudje zopetili v procesiji. To pot so nesli Marjano podobio in kazali polje govorči: "Glej, Marija, kaj nam je storil tvoj otrok."

Na prisegel "pri Bogu," "So help me God," da bo svoj posel vršil pošteno in pravčično vladati državo Ohio. Upamo, da se bo tudi vsak čas spominjal Boga zlasti, kadar pridejo skusnjave, da bi se okoril na račun svojih ljudi. Kdor ne veruje v Boga, misli da je sam svoj gospod. To je vzrok, da komunisti ravnajo, kadar so na vlasti, kot bi bili vsi ljudje njihovi sužnji. Če bo Herbert tako pošten kot je bil Laurče, potem bo vse dobro.

Ne pozabite voliti ta teden za novi cerkveni odbor. Kandidatov je toliko, da si jih lahko izberete. Prinesite listek v nedeljo nazaj.

Father McKay, irski misijonar v Afriki pripoveduje, kako je nekoč slučajno šel skozi neko vas in se ustavljal v koči enega izmed prebivalcev. Približa se mu mož in pravi: "Father, tam gorri v zelo borni koči leži hudo bolna žena, z imenom Roza ki je katoličanka."

"Pelji me tja, takoj prosim," je dejal Father McKay.

"Roza je bila veselo iznenadna, ko me je zagledala. Spovedala se je in in največjim zanimanjem poslušala vsako besedo, ki sem jo govoril o Bogu."

"Ko sem bil pripravljen zopet oditi, je vzel rutico in iz nje odzeta cent, vse kar je imela ter mi ga podala rekoč:

"Prosim, vzemite in porabite ga. Naj pomaga prinesiti vero tudi drugim ljudem. Bog mi je bil tako dober. Dal mi je spoznati ga in me tako zelo ljubil. V cerkev nisem mogla, je pa vas poslat semkaj."

Ali niso božja pota res čudovita, po katerih vabi uboge ljudi k sebi? Ali se mi kedaj Bogu zahvalimo, da se je dal nam spoznati tako zgodaj v našem življenju?

### THE CHURCH UNITY OCTAVE

The Church Unity Octave was inaugurated in 1908 at Graymore, Garrison, N. Y., by the founder of the Franciscan Friars of the Atonement, the late very Reverend Paul James Francis, S.A. It was approved and blessed in 1909 by Pope Pius X and in 1916 its observance was extended to the Universal Church by Pope Benedict XV by a Papal Brief enriching it with Indulgences. On February 12, 1946 Pope Pius XII increased the Indulgences originally given to the Octave observance. A Plenary Indulgence may be gained by the faithful who recite the authorized prayers every day for a month provided the other conditions requisite for gaining a Plenary Indulgence are fulfilled. (Confession, Holy Communion and prayers for the intention of the Holy Father.) A Plenary Indulgence is also granted each time during the Octave that the faithful shall recite the prayers for Unity. In addition, on each day of the Octave a partial Indulgence of 300 days may be gained provided that the same prayers are said with at least a contrite heart.

Cash at close of business December 31, 1946 was \$1,861,000.00 and U. S. Government Bonds \$4,180,000.00.

During the year U. S. Government Bond holdings were decreased by \$2,000,000.00 some of which were called for payment by the Government, while others, held for temporary investment of War Loan Account were sold as the Government drew on these funds in connection with its Debt Retirement Program.

Earnings of the bank were the best in its history and from the earnings of the past year the Surplus Account of the Bank was increased from \$125,000.00 to \$150,000.00.

Reserves were increased by \$25,000.00 while the branch office building was written down to \$1,000 book value from a book value of \$10,000.00 carried on the statement since December 31, 1945. On December 31, 1945 the building was written down a similar amount as the original cost of the property was \$20,000.00 in 1943. Since its purchase reconditioning of the building, improvements and modernization cost an additional \$20,000 all of which has been charged down to \$1,000. This is a very valuable asset of the bank as the rental income from the upstairs suites is ample to give the bank free rental, pay the cost of maintenance and give a return on the investment.

Dividend of \$1.00 per share, in accordance with the conservative policy of the management was declared and paid on the 10,000 shares of stock of this bank which is issued and outstanding.

### Lausche Names Lokar Racing Board Head

Governor Frank J. Lausche appointed his \$6,500-a-year secretary John E. Lokar of Cleveland, as chairman of the State Racing Commission.

The appointment made Lokar eligible to receive a maximum salary of \$3,600 a year. The commission, however, sets its own salary figures. The retiring chairman's pay is \$1,980. The maximum is set by statute.

Lokar's term will extend through January 29, 1950. Lokar succeeds Walter Michael of Bucyrus, whose term recently expired.

## TEN-PIN TOPICS

The Nu-Deals, the only team to tie the Regular Guys for first place, planned to upset the leaders Monday nite and start off the second half of the bowling season in the lead, but, despite their efforts, they took only one game with a high team total of 928. Stan Trainar was best with a 519 series. Don Muhl and Kak Godek missed their 500 series by a few "stick" with a 496 and 495 total respectively.

Anchored by Eddie Zabak with a 530 and assisted with a 519 by Stan Zabak (the only "170 average" bowler in the league) the Regular Guys were credited with two wins, thus claiming the sole title to first place again. Of course, it's only a one-game lead this time.

The Underdogs, determined to retain 3rd place dropped the Wonders into the cellar spot with a two game win. Rudy Tramer was high with a 420. Lou Rozman of the Wonders rolled a 198 but compiled only a 470 series as a high for the losers. Where was "Mooney", the hope of the Wonders?

## Gledanje na svet

Kakor vse oupirane dežele, je vojna prizadela hude posledice tudi Franciji. Kakor drugod, tako tudi tam je bilo hudo vse zmedeno. Drug drugega so dolžili za poraz, drug na drugega kazali, da kolaborira. Ista bolezna kakor drugod. Zagrizeni liberalci, socialisti in še posebej komunisti so se zaganjali v Cerkev in cerkvene kroge, da je ta podpirala Petaina in vložilo v s tem se vezala z okupatorjem. Kadar je treba Cerkev priklopiti, kak udarec, so kapada njeni idejni nasprotniki kaj glasni. Vzedlo je do dve leti, da je končno le prišla resnica na površje, da je bila ravno Katoliška cerkev v Franciji, ki je volila najbolj stvaren pa tudi učinkovit odpor med ljudmi po deželi. Katoličani so bili mirni, niso prirejali hrupnih demonstracij v času zasedbe, kar ni prinašalo v tistih temnih dneh drugega, kakor le hitro pot na vislice ali pa pred naziske puške. Premisljeno, tiko in zavestno, zaupajoč v pravico in resnico so hodili naprej svojo pot in

s tem dosegli, da je bilo čim manj žrtev in čim manj krvi prelite. Danes že javno hvalijo vsi resni in pametni, da je bilo to stališče najbolj modro, previdno in pravilno.

Pa so francoski katoličani tužili daleč pred drugimi. V nobenih drugih evropskih državah se niti katoliški krogovi ne morejo znati v uspešni liniji za svojo zgodovino. V Franciji so katoliški mladci v Katoliški Akciji zopet v ospredju. Pridno se udejstvujejo v Republikanskem Ljudskem Gibanju. Vse to delovanje seveda ni brez žrtev. A uspehi so že vidni. Cerkev se ne veže ne z desnicarji, ne z levicarji. Katoliška Akcija pridno vzgaja bodoče voditelje in teh pravi Francois Mauriac takole: "Dajte tem mladim možem dvajset let časa v miru, in ti bodo zmagali v Franciji za Kristusom." In jesuit Didier pristavi: "To je danes upanje naših srce, to je molitev naših ustnic."

Katoliška Francija vstaja in kaže tudi drugim vzgled in pot. *Atlantski Čarter*

## in Churchill

Sv. Oče je v svojem božičnem nagovoru omenjal tudi Atlantski Čarter, da od istega ni ostalo skoro nič. Yes, kakor Wilsonove točke. Dva bleščeca proglasa, vredna vseh žrtev, če bi se uresničila. Tako pa sta ostala le na papirju v arhivih za poznejše zgodovinarje.

Churchill je prebrisan politik in državnik. Neki nazijski kartunist je med vojno naslikal jehuljo z Churchillovo glavo in pristavil: Najspretnjeja politična jegulja v britanskih političnih vodah. To mu je v priznanje. Je praktičen Anglež, da mu ni para. Ko sta se z Rooseveltom razšla s tiste vojne ladje, na kateri sta na valovih Atlantika podpisala Atlantski Čarter, je Churchill pogumno govoril demokratičnim deželam in narodom, da za svobodo in demokracijo se spača boriti in doprinesti vsako žrtev, pa bila še takov velika in visoka. Kaj je tedaj mislil v sreču, je težko vedeti. A eno je gotovo: tiste njegove besede so čuli tudi Indijci, Indonezi na Javi in Malaji in po vsem tamkajšnjem indonezijskem otočju. Danes vstajajo ti narodi in se odločno postavljam v borbe za svojo neodvisnost, svobodo in demokracijo. Ali so ti zdaj junaki v očeh Angležev? Od Anglievljani narodi po svetu se prav upravičeno lahko sklicujejo na Churchillove lastne besede, da za svobodo in demokracijo se spača boriti. Seveda Churchill pa je napram tem danes drugih misli.

## Svoje vrste dogodek

Dogodil se je zadnji teden v Chicagi. V urad zozdravnika Dr. Mindlina je došel njegov pacient, 53 letni J. M. Langhout. Popravljal mu je umetna zoba in pred tem mu je dejal, ali vedoma ali pomotoma, da ga bo delo stalo \$10. Zadnji teden pa, ko mu je nasadil zobe nazaj v usta, je zahteval od njega \$50. To je pacienta menda pogrela, da je jezno hlašnilst z zobni medtem, ko je imel zozdravničje svoje prste v njegovih ustah in ga je pošteno ugriznil, da je tak kar zaukal od bolečin. Nato je sledil preprič in zozdravnik je poklical policijo, ki je pacienta za likof odpeljal v kejho in ga nato spustila na prost po varščino \$25. Končno pa se bosta pobotala pred sodnikom. To je že ena "nova" novica v novem letu.

## Zdaj so ga nam nasipali!

Nesrečna smrt. Te je odvezla, tam in daljavi že dve leti počivač; v zvesti službi domovine prenaglo si odšel od nas. V miru božjem zdaj počivaš, nebeska luč Ti sveti naj. Žalujoci ostali:

in, kakor kak prašek. Tak je, da v Chicagi smo se ga že kar naveličali, pa ga bomo najbrže morali gledati tja do sv. Jurja. *Naše domače novice*

Zima je nas te prve januarske dneve hudo zgrabilo za laše. Vremenski oznanjevalci govorijo največ o ničli in pod ničlo. Človek bi mislil, da ničla pomeni nič, pa ti je ob ničli in pod ničlo najbolj mrzlo. Sredi misli na zimo, ki nas ščipije po osrednjem zapadu se oglasi glas na radio in pove: V Buenos Aires, Argentina, je kazal danes topomer 110 stopinj vročine. Pa je tako, če verjamete al' pa ne, kakor pravi šentklarski Jaka Res, temu napredku je začestitati.

V cerkvi sv. Štefana je bilo tekom zadnjega leta 79 krstov; 61 porok in 26 pogrebov.

Mr. Jože Kukman, ki se je zdravil v Chicagi in bil zadnje tedne pri svojih hčerah v Chicagi, se je te dni odpeljal nazaj v gorko Kalifornijo, kjer vedno sije in greje mamko zemljo zlato sonce. Pri nas je zdaj pa tako mrzlo! Mr. Kukman naj gorko sonce greje in dober okusen sladki Kaliforničan, sladke pomaranče in vse druge dobre reči, pa na nas naj ne pozabi v dobrini lepi Kaliforniji.

Stavec vem da, že godrnja: kaj ne bo še konca teh čenc? Pa naj bo. Piška.

We will again resume our original schedule. This Sunday, the bells will start rolling down the alleys promptly at 1:30 p.m. Be seeing you!

## Baraga Glee Club

## THE BELLS ARE RINGING

Again church bells will chime as Baraga Glee member enters into the married state. Miss Elsie Hrastar, will become the bride of Chief Petty Officer, Joseph Mesarchik, at the 9:00 o'clock Mass tomorrow morning in St. Vitus church. Elsie is a charter member of the club, and will be missed as one of our leading sopranos, and also for her spirit of cooperation to the club.

A kitchen shower was given for Elsie two weeks ago with a lovely comforter presented to her by the club. We bid Elsie a fond adieu at rehearsals Tuesday night, and thus our director, Miss Kay and all the members, extend Best Wishes and Good Luck to Elsie and Joe, with thoughts of seeing you both in our midst within the future. Glee Club members will be at the Mass.

## CANDLES ON THE CAKE

A Happy Birthday is extended to our president, Helen Gobec, who will celebrate her birthday this coming Sunday. Happy Birthday, Helen, and may you have many more.

## ATTENTION

All glee club members are asked to make certain of their attendance to rehearsals in the coming weeks, in preparation for our Pre-Lenten Social which is but six weeks away. The program was reviewed by Miss Kay Tuesday night, and truthfully will be one, not to be missed by anyone who appreciates the rich melodic work of the artists of song. Therefore in order that we study the music, ALL MUST ATTEND REHEARSALS TUESDAY NIGHT, JAN. 21st, at 7:20 p.m. that we may begin at 7:30.

## CONGRATULATIONS

To the Holy Name Juniors, and Fr. Victor Tome on the splendid presentation of the Victory Variety Review. If you haven't seen the show as yet, why not make it a must this coming Sunday, Jan. 19, at 8:00 p.m. Congratulations, Father, and also to all the fellows.

## Reason Enough!

"A Palo Alto policeman who stopped a college student driving backwards received this explanation: the car was rented on a mileage basis and the student was driving backwards because the speedometer didn't register in reverse."

"Two Broadwayites started on a honeymoon trip to Hollywood six months after their marriage. 'We've delayed,' they explained, 'because we wanted to see how the marriage worked out before spending the money.'

"I once asked a London plumber why water pipes in England are not contained in the buildings but seem to wander outside and on roofs. 'That's so they're easier to get at when they freeze up, guvner,' he explained easily."

"A Grenadier in the North Regt. of Hants Militia, who died of a violent Fever contracted by drinking Small Beer when hot the 12th of May 1764, Aged 26 years.

Here sleeps in peace a Hampshire Grenadier

Who caught his death by drinking cold small Beer

Soldiers be wise from his untimely fall

And when yere hot drink Strong or none at all."
