PREGLED NAJVAŽNEJŠIH DOGODKOV

Reagan bo poslal enote ameriške bojne mornarice v vode blizu obal Nikaragve

WASHINGTON, D.C. - Včeraj je imel predsednik Ronald Reagan krajšo tiskovno konferenco, na kateri je potrdil, da bodo močne enote bojne mornarice ZDA operirale v mednarodnih vodah v bližini tako pacifiške kot atlantske obale Nikaragve. Predsednik je poudaril, da ne gre za kakšno blokado ter da upa, da do blokade ne bo nikoli prišlo. Reagan je bil vprašan, ali skuša s tem in tudi drugimi ukrepi strmoglaviti sandinistično vladno v Nikaragvi. Predsednik je rekel, da to ni res.

Nikaragveška vlada je predlagala pogajanja, na katerih naj bi sodelovale države, ki se zanimajo za mir na območju Srednje Amerike. Čeprav so v State Departmentu sprejeli to pobudo z določenim zanimanjem, je predsednik Reagan dejal na svoji včerajšnji tiskovni konferenci, da bi imela pogajanja malo možnost za uspeh, če bi ostali na oblasti v Nikaragvi sandinisti.

Predsednik je podprl upornike, ki vodijo gverilsko vojno zoper sandinistične sile v Nikaragvi. ZDA podpirajo te gverilce gmotno, čeprav je v kongresu več kongresnikov, ki nasprotujejo tej politiki in skušajo preko zakonskih predlogov njeno nadaljevanje preprečiti. Kar želim, je pripomnil Reagan, je, da bi se v Nikaragvo vrnil demokratični politični sistem.

Včeraj je nikaragveško zunanje ministrstvo sporočilo, da je prišlo do spopada med patroljnimi čolni Nikaragve in Hondurasa v vodah, kjer bodo kmalu operirale ameriške bojne ladje. Streljanje je trajalo 90 minut, menda pa ni bilo izgub. Nikaragva in Honduras sta sprta in opazovalci tamkajšnjih razmer ne izključujejo možnosti vojnega spopada. Honduraška vlada je tesno povezana z ameriško in sodeluje v ukrepih zoper Nikaragvo.

Najnovejši podatki o gospodarskem napredku ZDA zelo razveseljivi

WASHINGTON, D.C. - Ameriško gospodarstvo je napredovalo v drugem četrtletju za 8,7 odstotka, kar je presenetilo tako vladne kot privatne finančnike in ekonomiste. Zelo vesel je bil tudi predsednik Reagan, ki je dejal, da oživetev gospodarstva pomeni oziroma bo kmalu pomenila veliko novih delovnih mest. Ko bo več ljudi zaposlenih, je dodal, bodo znatno zmanjšani tudi primanjkljaji zveznega proračuna.

Paul Volcker, načelnik Zvezne rezervne banke, je pa trdil, ko je pričal pred odborom za bančništvo zveznega senata, da ti ogromni primanjkljaji že ogrožajo nadaljevanje gospodarske rasti v ZDA. Druga nevarnost je pa še vedno previsoka obrestna mera.

Inflacijska stopnja v ZDA v drugem četrtletju je bila 5,2 odstotka na leto, v prvem četrtletju pa je bila le 3,4 odstotka.

Včeraj je Chrysler Corp. poročal, da je zaslužil v drugem četrtletju rekordnih 310 milijonov dolarjev, kar je 190% več, kot v istem obdobju lani. Podružnice UAW, ki predstavljajo Chryslerjeve delavce, so že izjavile, da bodo zahtevale znatno povišanje plač na podlagi tako velikega zasluga.

Danes konec sistema izrednega stanja na Poljskem; dejansko nič spremenjeno

VARŠAVA, Polj. - Včeraj je režim generala Wojciecha Jaruzelskega ukinil sistem izrednega stanja, v veljavi na Poljskem

vse od 13. decembra 1981. Istočasno pa je poljski parlament sprejel več zakonskih predlogov, ki dajejo civilni vladi več moči glede nadziranja in kaznovanja oporečnikov vseh vrst. Zaradi teh novih zakonov, soglašajo opazovalci poljskih razmer, se v državi dejansko ni nič spremenilo.

Gen. Jaruzelski je govoril na zasedanju parlamenta včeraj in dejal, da se anarhija ne bo vrnila na Poljsko. Preprečili bomo vse poskuse proti-državne aktivnosti, je dodal. Vlada je tudi pogojna pomilostila politične zapornike, internirani po državnem udaru 13. decembra 1981. Pomilostitev pa ne velja za 7 vodilnih članov Solidarnosti, ki še vedno živijo v ilegali.

V Washingtonu je predsednik Ronald Reagan dejal na svoji včerajšnji tiskovni konferenci, da se še ni odločil glede ukinitve gospodarskih sankcij zoper Poljsko, ki jih je odredil po prevzemu oblasti gen. Jaruzelskega. Ugotovili bomo, če se je res kaj spremenilo na Poljskem, je dejal predsednik. Kar ne želimo, je, da bi ukinili izredno stanje, uvedli pa nov sistem, ki je prav tako strog kot prejšnji, je pojasnil. Kot kaže, je režim v Varšavi prav takšen sistem uvedel.

V Gdansk so novinarji govorili z Lechom Walesom, ki pa ni imel veliko povedati o novem stanju v državi. Nastala je nova situacija, je dejal, in jo je treba najprej preučiti.

Potnika na letalu uspešno obvladala kubanskega ugrabitelja

Včeraj je zopet prišlo do poskusa ugrabitve potniškega letala v ZDA, tokrat pa neuspelega. Kubanski priseljenec, 42-letni Rodolfo Bueno Cruz je z nožem v roki hotel prisilit pilota letala letalske družbe Northwest, na katerem je bilo 90 potnikov in 7 članov posadke, naj ga pripelje na Kubo.

Potnika Dewey Parkar in Blake Bell sta pa skočila na ugrabitelja in ga po krajšem pretepu tudi obvladala. Letalo je pristalo na letališču v Miamiu, Florida, kjer so Cruza aretirali agenti FBI. Kot kaže, je bil Cruz med tistimi številnimi Kubanci, ki so prišli v ZDA pred 3 leti. V teku je preiskava o tem, kako je mogel Cruz priti na letalo oborožen z nožem.

Vročinski val zajel mnoge kraje ZDA; starejši posebno prizadeti

ST. LOUIS, Mo. - Vročinski val, najhujši in najboljšežnejši v ZDA v zadnjih treh letih, postaja iz dneva v dan vedno nevarnejši, posebno za starejše ljudi. Doslej so zabeležili najmanj 35 smrtnih primerov, ki jih pripisujejo neznosni vročini. V državi Missouri je umrlo kar 15 oseb, večina teh v St. Louisu. Neko 68-letno upokojenko so našli v svojem stanovanju včeraj. Vsa okna so bila zaprta.

Ali je Richard Nixon zahteval pomilostitev od predsednika Geralda R. Forda?

WASHINGTON, D.C. - Novinar Seymour Hersh piše v najnovejši številki mesečne revije Atlantic, da je bivši predsednik Richard Nixon telefoniral predsednika Geralda R. Forda 7. septembra 1974 in zahteval od Forda, naj ga takoj pomilosti. Če tega Ford ne bi storil, naj bi grozil Nixon, bi Nixon povedal javnosti, da mu je bil Ford obljubil pomilostitev, če bi Nixon prostovoljno zapustil Belo hišo.

Ford o tej zadevi še ni komentiral, tudi Nixon ne.

Neljub incident ob okrogli mizi v Ljubljani

II.

Med temeljnimi kulturnimi postavkami pa je seveda veljala pozornost predvsem samemu slovenskemu jeziku. Prof. Marija Češčut iz Gorice je pribila, da jezik ni samo sredstvo komuniciranja, ampak veliko več: del vsakdanjega dne, družbene zavesti in človekove izpovedi. Tu bi morala matica zlasti strokovno več pomagati. Filibert Benedetič je v tej zvezi menil, da bi pri vsej skrbi za knjižni jezik morali dopustiti tudi naravnije primorsko barvanje.

Darko Bratina, ki je v nadaljnjem razgrnil dolgoročno zastavljene naloge Slovenskega raziskovalnega inštituta v Trstu ter podružnic v Gorici, Čedadu in Ovčji vasi, je navkljub pripombam nekaterih, češ da zamejski Slovenci ne razumejo današnjega strokovnega ali političnega jezika oziroma, da težko sledijo dnevnikom iz Slovenije, postavil zahtevo po postopnem, četudi napornem dojemljanju razvijajočega se jezika.

Zorko Harej je v glasbenem pogledu omenil nedvomni delež primorskih skladateljev v splošno slovenski ustvarjalnosti, zlasti pa se je zadržal pri umetniškem in narodnoobrambnem poslanstvu amaterskih pevskih zborov.

Slikar Klavdij Palčič iz Trsta je kljub univerzalnosti likovnega jezika opozoril, da večinski narod še vedno ne sprejema enakopravno stvaritev slovenskih likovnikov, medtem ko je slovenska skupnost do svojih umetnikov premalo kritična, zaradi česar prihaja včasih do provincializma.

Povsem drugačna, bolj alarmantna pa je bila slika, kot so jo predstavili udeleženci okrogle mize iz Beneške Slovenije in Kanalske doline. Viljem Černo je v nasprotju s poudarkom pluralističnosti v tržaški in goriški pokrajini za videmsko pokrajino, kjer slovenska kultura sploh ni priznana, oklical plat zvona k čim večji enotnosti. Drug drugega moramo razumeti in si pomagati.

Ferruccio Clavora je pri tem še posebej opozoril na grozljivo izseljevanje iz Beneške Slovenije ter demografsko odmiranje, zaradi česar tudi slovenske šole, če bodo kdaj postavljene, skoraj ne bodo imele več komu služiti.

Salvatore Venosi pa je dramatično osvetlil še posebej težak položaj Slovencev v Kanalski dolini, kjer so ne samo pod italijanskim in furlanskim pritiskom, ampak še posebej pod obnovljenim nemškimi pritiskom. Komaj začetni kulturni vzgon zavirajo še razni birokratski zapleti v odnosu do matičnega naroda tako glede posredovanja strokovnih vzgojiteljev kot obmejne zapore.

Poleg prispevkov Julijana Strajnerja, Brede Pogorelčeve, Cvete Stepančič in Iva Vajgla sta od besednikov iz Slovenije vrsto tehtnic misli podala Jože Osterman in Vladimir Kavčič. Osterman je tudi izjavil, da bi dejansko morali odločneje reševati sedanje obmejne zadrege, saj je prišlo zaradi depozita do sekanja globokih vsebinskih korenin naših povezav z zamejstvom. Vladimir Kavčič pa je zagotovil, da bodo morali biti prej ali slej zagotovljeni idejni, organizacijski in gnotni pogoji za kulturno sodelovanje s Slovenci prek meje, kajti samo skupno bomo lahko z ustvarjanjem izpričevali svoje človeško poslanstvo.

Beseda iz naroda ...

Slovenska šola pri Sv. Vidu kliče

CLEVELAND, O. - Navadno, kadar je slovenska šola omenjena v časopisu, že vsi vedo, da se gotovo približuje nova šolska prireditev. Res je tako. Svetoviška slovenska šola pripravlja v nedeljo 31. julija piknik na Slovenski pristavi.

Piknik je vsakoletnemu odboru staršev zadnja obveznost poslovnega leta. Takoj nato sledi občni zbor in izvolitev novega odbora. Z ozirom na to, da je šolsko leto zaključeno z razdelitvijo spričeval meseca maja pa je piknik že v novem šolskem letu; torej prva prireditev, ki naj pokaže, koliko je še zagona in koliko moči bo potrebno, da voz ne obtiči na cesti. Po obsegu sodelovanja na tej prireditvi bo novi odbor mogel raztrati upe in možnosti

za nadaljevanje slovenske sobotne šole.

Bodoče delo kulturnih organizacij, ohranitev slovenskega tiska in slovenske govornice v tujini, vse sloni na mladini, ki bo poznala in razumela slovenski jezik. Če smo si edini v tem gledanju, potem nam ne bo težko podpreti šole, ki gradi osnovo materinščini.

Največjo podporo slovenskim šolam izkazujejo starši, ki vpišejo svoje otroke v šolo in jih zvesto pošiljajo k pouku slovensščine. Vsi pa moremo sodelovati pri vzdrževanju te naše važne ustanove, če obiščimo nje prireditve. Na svidenje torej na Slovenski pristavi v nedeljo zadnjega julija!

Zahvala Slovenske šole pri Mariji Vnebovzeti

CLEVELAND - Slovenska šola pri Mariji Vnebovzeti je organizirala 4. junija izlet v Dearborn, Michigan. Otroci skupno s starši, učiteljicami in še nekaj prijateljev, so imeli zares lep dan. Dopoldne smo si ogledovali Fordov muzej, kjer so razstavljeni prvi avtomobili, stare kočije, letala, par čolnov, kolesa, motorna kolesa, vlaki, telefoni, pisalni stroji, gramofoni, radia, razni motorji, kmetijski stroji in opre-

me hiš v preteklosti. Ogromen je razstavni prostor, hodiš in hodiš.

Za popoldne smo zavili okrog ogle in prišli v vas, kjer so različne hišice, vsaka s svojim pomenom preteklosti. Malo smo hodili, za večjo razdaljo nas je pa vlak zapeljal. Ogledali smo si kovačnico, staro pošto, predico, svečarja, trgovino z otroškimi igračkami, trgovino z zlatnino, tudi šolo, sodnijo in še in še. Otroci so si

je »vrsta ogorčenih protestov« bila iz Zveze borcev. V to organizacijo so se torej zatekli zadnji ostanki stalinizma v Sloveniji. Navzoča publika je to razumela in vsled tega krepko žvižgala.

V Ljubljani zamolčani imeni dveh avtorjev, ki sta morala biti odstranjena z razstave, sta Vinko Beličič in Franc Jeza, ki je imel razstavljeno povest »Nevidna meja«, katero je izdala Goriška Mohorjeva družba. V Sloveniji je torej že ime samo nevaren politični prestop, kot je razvideti tudi ob škofu Rožmanu, ki se ga v Ljubljani tudi cerkveni krogi neznansko bojijo imenovati. Včasih smo rekli: »Ne imenuj po nemarnem božjega imena.« V partijskih zapovedih so pa namesto božjega drugačna imena.

Pri debati je nekdo dejal: »S svojim početjem ste napravili največjo propagando za Katoliški glas«. Morda je res.

Vsi se strinjajo, da so bili »Kulturni dnevi« deležni pre malo odzivnosti pri ljubljanski publiku. To verjamemo, kajti Primorci so prinesli v Ljubljano le svojo kulturo; morali bi prinesiti kavo, pa bi videli, kako množična bi bila odzivnost.

Zanimiva je pa ugotovitev B. Pogačnika: »To kulturo (Slovencev v Italiji) ne moremo dojemati le slogaško, ampak se moramo z njo in s tem tudi z nami samimi nenehno soočati.« Brez lastne hvale smemo trditi, da je taki razvejan in tudi različni kulturi med Slovenci v Italiji prispeval svoje tudi »Katoliški glas«.

Opomba urednika Ameriške Domovine

Že nekaj let mi je znano, da se v Ljubljani zanimajo za razstavo o življenju Slovencev v ZDA ali posebej v našem Clevelandu. Razstava naj bi bila v okviru podružnice ameriške agencije za informacijo v Ljubljani. V kolikor mi je znano, začetna posvetovanja niso rodila nobenega sadu. Zanimanje je večje v Ljubljani kot v Clevelandu, ameriška agencija pa kaže pripravljenost sodelovati. Predpogoj nekaterih, ki so se udeležili prvotnih posvetovanj, je bil, da mora biti prikazano življenje ameriških oziroma clevelandskih Slovencev v vsej svoji razsežnosti in raznolikosti, kar pomeni, da ne sme biti izključena radi političnih ali drugih razlogov nobena skupina ali ustanova. Čeprav so sobesedniki iz Slovenije, ki pa menda niso bili polnooblaščen, to obljubili, zadeva še ni nič napredovala, vsaj meni ni znano, da je. Dvoma pa ni, da bomo o tem še kaj slišali.

dobro ogledali vse zanimivosti in končno prišli do zaključka, da je to bolj poučen izlet kot pa za zabavo. Vsem, ki so pripravili in vodili izlet: prav iskrena hvala!

Par tednov za izletom je bil pa piknik Slovenske šole na Slovenski pristavi. Prišel se je s sv. mašo, katero je daroval g. dr. Pavel Krajnik iz Loraina. Iskrena Vam hvala, g. dr. Krajnik, da ste uslišali našo prošnjo.

Bil je lep, sončen dan, iskali smo senco in mnogi tudi vodo. Matere so skrbele, da ni bil nihče lačen, očetje so pa pomagali gasiti žejo. Tako materam, ki so nosile teže dneva v vroči kuhinji, kot očetom pri bari, prav lepa hvala za vso pomoč. Hvala tudi gospodinjam za vse domače pecivo. Da je bilo popoldne bolj pestro, je bilo tudi malo srečolova. Tudi vsem, ki so darovali darila ter Stakich Furniture trgovini za tri male dobitke, prav lepa hvala.

Kot veste, je med nami precej glasbeno nadarjenih otrok, ki se od časa do časa formirajo oziroma zbirajo v skupine. Ena teh skupin se imenuje Triglav, pri kateri sodelujejo mladeniči in mladenke, nekdanji naši učenci. Zaigrali so nam in zapeli, da smo pozabili na vso utrujenost. Hvala vam, fantje in dekleta, želimo vam veliko korajže in veselja.

Letos je bil velik obisk našega piknika. Vsem vam, ki ste prišli med nas, se iskreno zahvalimo. Da je vse to uspelo, se moramo zahvaliti Ameriški Domovini, ki je objavila dopis in med Clevelandskimi novicami vabila. Prav tako lepa hvala g. dr. Milanu Pavlovčiču, ki je po radijskih valovih oglašal in vabil.

Vsem želimo lepe počitnice!

Misijonska srečanja in pomenki

597. Krasno uspeli piknik MZA Cleveland

se je vršil na Slovenski pristavi v Genevi, Ohio, v nedeljo, 10. julija 1983. Vreme je bilo krasno kot menda še nikdar, v vseh letih misijonskih piknikov, po letu 1970. Tudi udeležba je bila dobra. Mimo mnogih misijonskih prijateljev iz mesta in okolice, so prišli nekateri od daleč na MZA srečanje, ki je pikniku v ponedeljek in torek sledilo.

Na Orlovem vrhu pri kapelici je bila ob dvanajstih koncelebrirana sv. maša za misijonske sodelavce in vse naše misijonarje. Poleg duhovnega vodja MZA stá somaševala g. Stanko Cikanek, ki deluje v Braziliji, in o. Ralph Roberts SSS, ki se vrne 1. avgusta v svoj delokrog na Filipinih. G. Cikanek je odletel v sredo po pikniku v Anglijo.

Pri kapelici smo letos videli nove plošče z imeni krajev, kjer so umirali slovenski domobranci kot žrtve komunizma, vseppek Slovenije.

Pridne kuharice, ki že leta pripravljajo v kuhinji hrano za različne obiskovalce misijonskih piknikov, so servirale okusno kosilo in po sv. maši se je večina prisotnih vsedla za mize pod drevesi in se je fizično okrepčala.

Dovoljenje za točenje pijače

je tudi letos bilo izdano in vrsta naših mož je prodajala vse mogoče pijače in sicer od nedolžne do take, ki je lahko nevarna, če jo jemljemo v preveliki meri. Zdi se, da je bila zmernost krepost vseh, ki so si jo privoščili.

Balincariji so imeli svojo zabavo in mnogi mlajši so odšli v kopališče ter se vrnili pozno popoldne na piknik, žejni in lačni. Kuharice so tega najbolj vesele. Sladoleda letos ni bilo.

Kadar se toči pijača, ni dovoljeno imeti igre, kot raffle. Ljudje so že preje nakupili precej srečk za 5 dobitkov, izžrebanih na letnem Občnem zboru MZA, in druge za dve narodni noši, darovani lani za piknik MZA Cleveland, v Windsor, Ont. od družine Jekovec.

Peciva so rojakinje veliko prinesle in vse je bilo prodano. Tudi lepe bele nageljne smo opazili za štantom za pecivo.

G. Janez Povirk je daroval za bodoči srečolov krasno sliko Martuljkove skupine v preteklosti. Očividec iz domovine mu je povedal, da so križ tam odstranili.

Za popoldanske litanije Matere božje

se je ob petih zbralo pri kapelici veliko rojakov. Mimo že zgoraj imenovanih, so popoldne prišli še župnik dr. Pavel Krajnik od fare Sv. Cirila in Metoda iz Loraina, Ohio; g. Joseph Lekan, kurat v St. John's bolnišnici v Clevelandu ter iz Bostona je priletel g. Stanko Pavlin, salezijanec, ki odhaja 1. avgusta nazaj v Hong Kong. Župnik g. Victor Tomc od Marije Vnebovzete je tudi prihitel za to priliko.

Za pete litanije so se pridružili Rudi Knez, Tone Nemec, Vinko Rožman, Janez Povirk, Jože Likozar in Jože Sezun. Lepo je bilo, ko je odmevalo iz naših src po dolini: »Marija skoz življenje, voditi srečno znaš...«

Bilo je res pravo misijonsko srečanje in — pomenki. Cel popoldan, na vseh koncih Pristave. Po litanijah je zaigral ansambel Triglav, ki je s skupino mladih muzikantov do devetih razveseljeval naša ušesa.

Na pikniku je bilo tudi več pionirjev MZA iz drugih mest ZD in Kanade, ki so prišli na

Srečanje po pikniku. Piknik je bil del našega Srečanja tokrat. Prihiteli so iz Gilberta, Minneapolisa, Chicaga, New Yorka, Bridgeporta in Windsorja.

Čistega dobička od MZA piknika je bilo \$7,173.91, kar bo vse razdeljeno v pomoč vsem našim misijonarjem in misijonarkam.

V gornji vsoti je nekaj za bogoslovsko vzdrževalnino. Sv. maše, ki so jih nekateri rojaki darovali za misijone, niso med darovi še vštete in bodo kmalu poslane na teren tistim misijonarjem, ki za sv. maše prosijo.

Sportsfest Is at Pristava

Summer — the word itself brings pleasant thoughts to mind. It's the season for baseball, tossing the frisbee, swimming and playing a good game of soccer or volleyball. It seems that Summer and sports are just two things that naturally go together.

Just look at the things that have happened so far this summer. The U.S. Open, the All-Star Game, Wimbledon, and the Cleveland 500. They all had something for everyone, great weather, a great sports event for the devoted fan, and great refreshments for everybody.

Now many had probably missed those events. — But wait! There's one more you just can't miss. It's the Slovenian Sports Club's Annual "Sportsfest".

This two-day event has got everything: food, drinks, music, awards — and don't forget the games. This year

there's a balinca tournament, a volleyball tournament on Saturday afternoon, and a lavish Steak Dinner on Saturday evening.

Sunday's event is the ever popular Superteams competition with new events to challenge the participant and delight the observer.

All these events are to take place on the Slovenska Pristava grounds in Geneva, a beautiful Slovenian retreat along the Grand River.

The Klub has been making plans and efforts to upgrade the sports facilities at the Pristava as evidenced by the newly remodeled volleyball court. The success of the picnic will help us continue our efforts.

So come down to the Slovenska Pristava on July 23 and 24 for a great time playing volleyball, balinca, or just socializing with your good Slovenian friends.

Thomas E. Veider

Seeks More Teams for Volleyball Tournament

Anyone interested in fielding teams for the Volleyball Tournament or the Superteams Competition to be held at the Slovenian Sports Klub's "Summer Sportsfest" this weekend should call Ed Skubitz, 946-4039 or Michael Dolinar, 481-7551 for team registration and further information.

Eight teams are needed for the volleyball tournament taking place Saturday, July 23. Each team MUST consist of three men and three women.

Seven teams are needed for the Superteams Competition taking place on Sunday, July 24. Each superteam MUST consist of seven persons of which at least two have to be girls. Also a creative team name (i.e. Scooby's Zgubas) is encouraged as well as team t-shirts.

If you want to have a volleyball team or a superteam, don't be shy. Give Michael or Ed a call and receive more information.

Big Crowd Observes Collinwood Renovation

On Sunday, June 26 the Collinwood Slovenian Home celebrated the remodeling and renovation of the upper hall with a dinner dance.

A full capacity crowd enjoyed the spaciousness created by the removal of the center wall and the relocation of the bandstand. The effect of the new decor was greatly enhanced by the lighted scenes on the side walls and the mirrors behind the bar giving a surprising depth to the hall.

Scenes were paid for by donations from the following: The Home Office of American Mutual Life Association,

Lodge Dr. Kras No. 8 of AMLA, St. Joseph's Lodge 169 of KSKJ, Lodge Loyalties No. 158 of SNPJ, Dramatic Društva Lilija, Mr. and Mrs. Frank Stanonik, Mr. and Mrs. Milan Dular and son John Dular, Mr. and Mrs. Tony O'Kicki, and Corky Godec and Band.

The Board of Directors of the Collinwood Slovenian Home extend their thanks to the contributors for supporting the updated remodeling. Also, a heartfelt thanks to Frankie Yankovic (Polka King) for so generously donating his time and talent to help make this

occasion so successful. The audience was captivated with his charm, singing and enjoyed reminiscing old times along with many persons who grew up with him in the Collinwood neighborhood. A more appreciative audience would be hard to find. Also donating her culinary talent was Josephine Stanonik and

waitress Marie Jereb.

Also the Holmes Hall Buttoners contributed many old songs and were well received. This newly formed group participated in a recent parade and received a trophy for their excellent performance.

The Geneva Grape Festival Dancers

Geneva Grape Festival Set Sept. 24-25

The Geneva Grape Jamboree Slovenian Folk Dance Group was formed in the Summer of 1966 through an interesting coincidence of circumstances.

The City of Geneva celebrated the Centennial of their founding in 1966 and to recognize the event a parade was scheduled. The Geneva Grape Jamboree had been originated in September of 1963 and the publicity director, Mrs. Ruth Robbins, wanted to have a float in the parade. She contacted Mrs. Darinka Debevc, an area Slovenian and grape grower, to decorate and organize a float. The float and parade were a big success.

After this promotion, Mrs. Robbins had a gem of an idea to ask Darinka to form a Slovenian Folk Dance Group to help promote the Jamboree. Mrs. Debevc had immigrated to the Geneva area in 1955 from her native land of Slovenia, the northern-most province of modern day Yugoslavia. As a young girl, she developed a love of Slovenian music and dance, which she carried to this country.

The idea of a Geneva-based dance group appealed to her and she went in search of fellow Slovenians to join the

group. The Geneva, Ohio area has many vineyards and a large number are owned by farmers of Slovenian descent. She was able to convince a group of six couples to join and their first performance was at the Geneva Grape Jamboree in 1966.

The group performs mainly Slovenian peasant folk dances which have been passed down for many years in the "Old Country". Also included in the dancers' repertoire are well-known folk dances from Greece, Romania, Croatia, Denmark, and Germany. Their colorful costumes have been hand-made in Geneva but follow authentic Slovenian folk dress.

With humble and unusual beginnings, the group has performed at a large variety of functions in the past years. Performances have been presented at nursing homes, churches, art fairs, and many ethnic festivals. Some of the festivals include the Northeast Ohio Octoberfest in Cleveland, the Old World Festival in Euclid, Slovenian Night at Kent State University in Ashtabula, and the Slovenian Folklore Festival in Geneva.

The group has also traveled

to Pennsylvania, New York, and Colorado. At the latter state, the group donated their time and travel expenses to perform at the annual Spring Polka Festival in Denver for the benefit of the American Diabetes Association. Television performances in Erie, Pennsylvania and Cleveland have also added another dimension to their ethnic form of entertainment.

The Slovenian Folk Dancers celebrated their 15th anniversary at the Geneva Grape Jamboree in September, 1981. To show a sign of their appreciation, the Grape Jamboree Board of Directors presented Mrs. Debevc and the group with a Special Recognition Award for their continuous promotion of the yearly Grape Festival.

Again when the smell of grapes is in the air this year, the happy strains of Slovenian polkas and the stomping of excited feet will be heard in Geneva. The group warmly invites everyone to join them September 24 and 25 to help celebrate the 20th annual Geneva Grape Jamboree.

Dues Collection

St. Mary Magdalene, St. Vitus Altar Society and Slovenian Women's Union 25 will collect dues Monday, July 25 from 5:30 to 7 p.m. in the Social Room of St. Vitus Auditorium.

The Hub

In behalf of Anna Novinc, kindly apply \$15.00 for renewal of this subscription and the remaining \$1000 toward the printing press fund. Best wishes for many more successful years as the hub and reliable source of newsworthy information for Slovenes and Yugoslavs everywhere.

Tax Relief in Ohio's New Laws

By Lee I. Fisher
State Senator 25th Dist.

The state budget, passed by the General Assembly on June 30, attempts to address Ohio's economic problems by a combination of job creation and job training initiatives, increased funding for primary and secondary education, and several health care cost containment initiatives.

Exemption-Credit Option

Under HB 291 individual taxpayers now have the option of either adding \$350 to the current personal exemption of \$650 for each dependent (thereby taking advantage of a \$1,000 exemption), or taking a \$20 tax credit for each dependent claimed, which would then be deducted from the amount of tax owed. The taxpayer may choose the option which provides the greatest tax relief.

Senior Citizen Tax Credit

The Senior Citizen Tax Credit, which has not been changed in 11 years, has now been doubled. Instead of taking a credit of \$25, Ohioans who are 65 years of age or older, may now take a tax credit of \$50. This increase is equivalent to not taxing the first \$5,200 of taxable income, and will benefit approximately 281,000 senior citizens who presently claim the credit.

Retirement Income Credit

This credit will be applied against an individual's tax liability in amounts ranging from \$25 for a person with a retirement income between \$500 and \$1,500, to \$200 for the taxpayer receiving over \$8,000 in retirement income. For example, if a retiree has a pension income of \$6,000, he may now take a tax credit of \$130.

Estate Tax

The estate tax was reduced in HB 291 which will allow a deduction for surviving spouses of up to \$500,000 or 50% of the net estate, whichever is greater.

In addition, HB 291 also contains business tax reforms which offer relief to Ohio's small businesses and to companies already doing business in the State. For example, the bill provides an exemption of \$10,000 in the tangible personal property tax (on business inventories), and a phased-in reduction of that tax. In addition, the minimum corporate franchise tax has been reduced from \$150 to \$50.

PINEAPPLE POUND CAKE

1 can (8 ounces) crushed pineapple
1+ pound butter
1/2 cup shortening
3 cups sugar
5 eggs
3 cups sifted flour
1/2 teaspoon baking powder
1/2 teaspoon salt
1 cup milk, room temperature
1 tablespoon vanilla extract
1 teaspoon lemon extract

Thoroughly drain pineapple. Cream together butter, shortening and sugar until light and fluffy. Add eggs, one at a time, beating well after each addition. Sift together flour, baking powder and salt; add alternately with milk. Mix until well blended. Add vanilla and lemon extract. Fold in fruit. Pour batter into greased and floured 9 or 10-inch tube pan. Place in cold oven and bake at 350 degrees, 1 hour 25 minutes or until done. Cool on rack 25 minutes; remove from pan. Serve plain or iced with thin icing.

Makes 12 servings.

PASTA PRIMA VERA SALAD

1 cup green beans cut into 1/2 inch pieces
1 cup red and green peppers chopped (1/2 cup of each)
1 cup broccoli
1 cup cauliflower
1/2 cup pinenuts
1/2 pound pasta
5 Tb. vinegar
1 cup of oil (olive preferably)
1 Tb. dijon style mustard
1/2 tsp. salt
1/4 tsp. pepper

1. — Cook all of the vegetables which have been cut up into small pieces. Cook the vegetables in plenty of salted water (salt after the water boils as salted water takes longer to boil) until just tender but still rather firm. Drain, run under cold water to stop the cooking and "refresh" the vegetables. All green vegetables should have ice thrown on top as they will then remain green.

2. — Cook pasta according to directions on the box. Drain and cool.

3. — Make dressing by placing mustard, and vinegar in bowl, add oil and salt and pepper whisking constantly.

4. Put a small amount of correctly seasoned dressing (you taste it and add salt or pepper to your liking using my measurements as your guideline) to the pasta to separate the pasta. Add the vegetables and pine nuts. Season accordingly. Chill.

This can be done the day before and served the next night.

You can also, of course, vary the vegetables, add garlic, fresh herbs or whatever you have in your refrigerator like: the remains of a chicken, ham, etc. Have some fun and make up your own cold pasta salad.

ŽEMLJE - ROLLS

Dough:

11 - 12 cups (Sapphire) flour
3 whole eggs (beaten)
1 2 oz. cake yeast, 1T sugar mixed in 1 1/4 cups warmed milk
1/4 lb. sweet butter (melted)
1/4 cup oil
1 T salt
3 cups warm milk

Place 9 cups flour in a bowl. Add salt. Add yeast (when it has dissolved and has started to rise). Add beaten eggs to 2 cups warm milk. Add this mixture to flour slowly, alternating with remaining flour.

Finally, add melted butter and oil.

Knead dough with hand in the bowl for 15-30 minutes. Cover dough and let rise in a warm place for 1 hour. Turn dough on floured board. Divide dough in two. Place one-half of dough back in bowl. Roll the other half into oblong roll. Cut roll into 1-inch pieces (approximately 23-25 pieces). Shape each piece into smooth round ball by turning in edges and kneading.

Place round roll on floured surface, cover and let rise again for about 30 min. Repeat with reserved dough.

When rolls are almost risen, place large pan of water on stove and bring water to a

boil. With a long handle of a wooden spoon make an indentation in the center of the risen roll being careful not to cut through. Place shaped roll into boiling water immersing it completely. (Do not cook the rolls when placing them in boiling water. The rolls should be submerged and immediately taken out of the water.) With a slotted spoon lift roll out of the water and drain all excess moisture. Place wet roll on oiled or greased cookie sheet. (Approximately 12 rolls per sheet). Bake at 350 degrees for 25-30 minutes or until golden brown. With a spatula remove rolls and repeat process.

SNPJ Youth Pops Concert Aug. 12th

The SNPJ Slovenian Youth Choir from Euclid, Ohio recently performed on a concert tour of Slovenia, Yugoslavia. The children, members of the larger Circle 2 Junior Chorus, will present their European tour program at a special, one-night-only Summer Pops Concert on Friday night, Aug. 12, 7:30 p.m. at the Slovenian Society Home, 20713 Recher Ave. in Euclid.

A social will follow with music by the Sumrada Orchestra.

The program consists of choreographed songs in English and Slovenian. The children will wear western-style clothes and traditional Slovenian national costumes. They also perform a square dance to the accompaniment of banjo, bass and drums, and a Slovenian folk dance with a button accordion and orchestra.

The button box ensemble boasts 12 musicians including seven accordions.

If you like authentic Slovenian folk songs and melodies by Avsenik, Brajko and Slak, or American tunes by George M. Cohan, John Denver, and Rodgers and Hammerstein, you're sure to enjoy this varied concert presentation.

Admission is only \$3.00. Tickets are available at Tony's Polka Village, The Slovenian Society Home Club Room, and at the door. Seating will be at tables and refreshments will be served reminiscent of old-fashioned pops concerts. This will be the first Summer Pops Concert in the air-conditioned hall of the Slovenian Home in Euclid.

This is your first and only chance to see how our American youth represented us in the homeland.

Miracle Drug?

By Bogomir M. Kuhar,
R. Ph.

Medical research has provided many "miracles" in recent years. Advanced technology has given us machines which can breathe for us, circulate our blood and even filter your body fluids. Drug research scientists have developed many drugs which combat disease and literally have added years to lifespans.

One drug in particular has a variety of uses. It has an ability to relieve pain and is used to treat acute and migraine headaches. It is capable of reducing inflammation and is used as a first-line drug in the treatment of rheumatoid arthritis. This drug can also act upon the brain to decrease

body temperature and reduce/eliminate fever. Recently, this same drug has been found to favorably affect blood platelets so that, in very small doses, thinning occurs and strokes are sometimes prevented.

Many persons would consider a drug producing so many basic benefits as a "miracle drug." Something new? Aspirin has been available for decades. Its presence is honored in the medicine chests of many homes (although its shelf life is longer in a dry place). The future may reveal even more uses for this valuable, over-the-counter drug.

Travel News

From Yugoslavia — We're here with Cilka Dolgan and Circle 2 of SNPJ. The 20 children put on five concerts in various parts of this beautiful country.

Our week in Italy brought some bonus surprises, such as an unexpected meeting with Bishop (Edward) Pevec and Bishop (Anthony) Pilla in Rome. At Vatican City, we attended Mass at St. Peter's and received the Pope's blessing.

In Škofja Loka, Slovenia, our paths crossed with the Hermine Button Box Group. Our entire tour group fell in love with the country and especially its Čevapčiče. There's much more, too.

Special hellos come from the Opekas, Albina Mrsnik, Mimi and Sue Lisak, Maria and Milena Kozel, the Dolgans, the Krajncics, etc., etc.

Ken, Anne, Joey Tomsick
(The Tomsicks were expected to return with the Circle 2 Singers from their triumphant tour on July 21.)

From Minnesota — I'm really enjoying my stay in Minnesota with my family. My grandson David's graduation took place at the Basilica of St. Mary. It was beautiful.

George and Berni say hi and are happy to be remembered by you.

Letters

Objects to Mondale Photo

Editor:

The June 29 issue of the Ameriška Domovina notes and pictures Mrs. Walter Mondale as a guest speaker at the SZZ convention in Chisholm, Minn. Being the wife of our former vice president, Walter Mondale, who is a potential contender for the next presidency, it is natural that she would be campaigning for him.

Maybe the good Catholic ladies of the SZZ do not realize that Mr. Mondale is a pro-abortionist and is also a willing supporter of the homosexual cause. A few months ago Walter (Fritz) Mondale was the keynote speaker at a dinner at the Waldorf-Astoria designed to make "Gay Power" a factor in American politics. Ted Kennedy and Daniel Patrick Moynihan were co-sponsors of the affair.

I am sure these good SZZ ladies are more Catholic than Democrat.
