KSKJ MEMBER DIES AFTER AUTO CRASH

Emil Matjasic Falls Asleep While at Wheel

Steelton, Pa.—Emil Matjasic, young Slovenian druggist, was killed in an automobile accident Monday, March 14, when he crashed into a pole after falling asleep at the wheel. The accident occurred at 2:15 a. m. in Steelton about two blocks from the drug store he operated. He died shortly after 7 a. m. from a fractured skull. He also suffered fractured ribs, lacerations of the face and concussion.

He graduated from Swatara Township High School in 1929 and from Temple University in 1934. At Temple he was president of the Temple Pharmaceutical Society, president of the Interfraternity Council, a member of the Student Council and the senior class basketball team.

Emil had a winning personality, was very popular with the Slovenian people in Steelton and Bressler and in fact was a central figure wherever he went. He had many friends in his and other professions, as attested by the fact that the Harrisburg branch of the Pharmaceutical Society and many other well-known persons in this district turned out en masse to attend his funeral, one of the largest seen in this community.

He was a member of St. Peter's Church of Steelton and of the St. Aloysius' Society, No. 42. Requiem High Mass was read at St. Peter's Church March 17, with the Rev. Michael Menko officiating. Burial was in Mt. Calvary Cemetery.

Surviving are his parents, Mr. and Mrs. Martin Matjasic Sr.; two brothers, Martin and Frank, Steelton; five sisters, Mrs. Catherine Lescanec, Steelton, Mrs. Mary Zlogar, Bressler, and Wilma, Joan and Josephine, at home. Incidentally, Miss Wilma and Miss Joan are graduate nurses.

That "Mož" Again Comes To Collinwood

Cleveland, O.—Now that Micka has her "moža," everything seems to be honky-dory out in Collinwood until somebody popped with a rumor that there is, in a certain family, a "Poslednji mož," who must be put into his place before this family is all blown up.

Do you have a man in your house who thinks he is Herr Hitler or Il Duce of your family? Are you one of the many hundreds who respect your parents but still think that you have something to say regarding your future husband and marriage? Do you get hollered at every time you are caught sitting so that you may not have just a little time to yourself?

Well, if you are one of these unfortunates, you, too, can have this hard problem solved by following the example of the St. Joseph's, No. 169, Cadets with the help of the lodge officers when they give you their modern style of their latest play, "Poslednji mož," on April 24 in the Slovenian Home on Holmes Ave.

But that isn't all, because right after the performance of this hilarious comedy, you may sway to the rhythm of the dreamy strains of the Moon of Manakoorra, and your toes can tingle to the snappy polkas which will be rendered by the Bambich Orchestra, whom you often hear on the Slovenian program over the airwaves.

So put the date April 24 on your social calendar and invest your 50 cents in an evening of fun and merriment.

Kom ye von, kom ye all, To dar Slovenian Hull, On der twenty-fort of April, Ta see da Kadets In da best ya haf sen yet Und a dence ya can shake a leg et.

GOOD-FELLOWSHIP TO REIGN SUPREME AT MIDWEST BOWLING TOURNEY

Sheboygan, Wis.—A spirit of good-fellowship will reign supreme in our fair city of Sheboygan when it will act as host to the annual KSKJ bowling tournament on April 30 and May 1.

The many favorable qualifications of this ideally situated city have merited many pleasing comments as a gathering place for conventions, and no one who ever visits Sheboygan forgets it.

So, come on, you Minnesotans, Indianans, those from Ohio and others who have not had the occasion to attend these bowling conventions, plan for a several days' vacation from your works and come down to Sheboygan for a week-end of diversified entertainment. There are many of you who have relatives here and whom you would like to see again. This is a grand opportunity for family and friendly reunions which will linger long in your memories. So come on, cast your worries aside and say—

"on to Sheboygan, or bust!"

We have had many friendly threats of different cities "copping" all the honors. That's the right spirit, and the more the merrier!

Many personages whom we will delight in seeing again for old time's sake have already acknowledged their presence here and have stated their desires to again partake of the "gostoljubnost" of hospitable Sheboygan.

Another special meeting for the bowling tournament committees was held on Monday, April 4, during which important business was discussed. The plans of this session will be reported next week. So watch Sheboygan for more interesting and hot-off-the-griddle notes on the progress of the tourney that is bound to make Kay Jay history!

VALUATION REPORT SHOWS OVER HALF MILLION RESERVE

LA SALLITA CLIPS 267, NEW MARK IN PIN CIRCUIT

La Salle, Ill.—Miss Frances Jancer, member of St. Ann's Society, No. 139, had the honor of bowling a 267 game in the Mixed League, March 24, at the K. C. Alleys in La Salle, the highest game ever bowled by one of the fair sex on the K. C. drives. Incidentally, it is a seasonal record in the league. As La Sallita says: "It is the closest to a perfect game I ever expect to get." Miss Jancer will bowl in the coming Midwest bowling tournament in Sheboygan along with two teams of women representing St. Ann's Society, No. 139.

Supreme Secretary Joseph Zalar Urges Members to Continue Progress

The solvency of the KSKJ for 1937 in both departments is 116.71 per cent, according to official announcement made by Secretary Joseph Zalar in a report appearing on Page 1 of this issue.

The solvency figure is derived from the Valuation Report compiled by the actuary of the Union and includes figures of both departments, adult and juvenile, in conformation with the laws of the state of Illinois. Some of the 19 states in which the Union has license to operate require that separate reports be made for each department. The report on Page 5, this issue, covers both departments, and includes a detailed report of all income, disbursements, change in membership, financial status of various funds, investments and other business portraying a picture of the Union's status for the year.

In the announcement, Secretary Zalar explains that the solvency figure 116.71 per cent represents over a half million dollars that the Union has in reserve (assets) over the amount required by the law.

The report shows that the KSKJ is on a sound financial basis, and every member can be happy and secure in being a member of such a strong financial organization, Mr. Zalar emphasizes. However, he points

out that we should not be content that we members alone are happy with this, our oldest Slovenian Catholic union in America.

"It is our duty," he states, "to make others happy also. This we can do by enrolling members into our grand Union.

"This is an opportune time to enroll new members, now that the Pre-Convention Campaign is in force," Mr. Zalar appeals, and stresses, "Inform the prospective members that we are happy in our strong financial organization."

In closing the announcement, the supreme secretary urges that all prospective members be told of the solvency figure and of the wonderful benefits of this wonderful institution, the KSKJ. Such explanation should naturally lead to an increase in membership.

CANDIDATE FOR LEGISLATURE

Pittsburgh, Pa.—John A. Decman, member of the KSKJ Supreme Board, is a candidate for the State Legislature, according to announcement made recently, and will appear on the Kennedy ticket.

Mr. Decman, chairman of the KSKJ Supreme Board of Jurors, has served on the Board for many years.

M. O. G. ACTORS' GUILD TO PRESENT BRITISH PRIZE-WINNING PLAY

Waukegan, Ill.—After two months of inactivity taken as a sort of rest period after their most recent stage success, "Night of January 16," the Actors' Guild of the Mother of God Church will again present a program on Saturday evening, April 23, at the M. O. G. School Auditorium.

A very powerfully dynamic one-act play, a British prize winner captioned "The Command Performance," will be presented when the curtain rises at 8 p. m. It is an entirely different type of play, and has its locale laid in a Maharajah's palace in old India. It has all the intrigue and fascination of the Far East.

The plot of the story centers on a group of English tourists who, as guests of the Maharajah, are tricked into sealing the fate of one of their own group, by the ingenious plotting of the Maharajah's household. Unknowingly, and by their own scientific judgment, they choose of their own party to pay with his life to avenge a wrong done.

The cast has been in rehearsal for the past two weeks and tickets have been put on sale.

Immediately after the play, dancing will begin, with music

MATCH GAME

Cleveland, O.—The Euclid Recreations (C. and M.) will meet the Clair-Dean champs in a match April 9, 8 p. m., at the Boulevard Alleys.

DUPLICATE DUCKPIN TOURNEY DATES IN PENNSYLVANIA SETTLED

Pittsburgh, Pa.—At a special meeting held in the Slovenian Auditorium, April 2, members of lodges in western Pennsylvania, Pittsburgh and supreme officers of the district settled the apparent conflict resulting from arrangements made for duckpin tournaments held in Pennsylvania.

Athletic Commissioner Frank Banich of Chicago, who called the meeting, presided at the confab.

The meeting was called to clarify the previous existing condition of two duckpin tournaments being held on the same dates in a comparatively small radius. The purpose of the confab was climaxed when the representatives of the Western Pennsylvania Associated Booster Clubs decided to withdraw their arrangements and comply with Commissioner Banich's decision of holding the official Eastern duckpin tournament in Pittsburgh April 23 and 24. The official tournament will be sponsored jointly by all the lodges in Pennsylvania.

The meeting also designated that the 1939 official tournament would be held in Ambridge, Pa.

Because of the extensive plans made by the western Pennsylvania lodges for the association tournament, originally scheduled for April 23 and 24, representatives in withdrawing their dates announced they would hold a tournament May 14 and 15 in Ambridge, in order not to conflict with the official tournament.

Other business relative the Western Pennsylvania Booster Club Association and the withdrawal of one of the member clubs was aired at the meeting and finally settled to the satisfaction of all.

In addition to lodge and booster club representatives, the following supreme officers attended the meeting: Matt Pavlakovich, Mrs. Agnes Gorishak, R. G. Rudman, John Decman, Frank Lokar and editor of Our Page, Stanley P. Zupan.

The executives, after the settlement was consummated, praised the groups for their display of sportsmanship and predicted that healing of the apparent breach, caused chiefly by mis-

understanding of technicalities, has now merged the spirited interest of Pennsylvania KSKJ boosters and should pave the way for greater progress.

SHEBOYGAN AIMS FOR MIDWEST PIN MEET LAURELS

Sheboygan, Wis.—The local Kay Jay bowling enthusiasts, who hope to make the annual Kay Jay bowling tournament to be held here April 30 and May 1 one of the finest ever held, are hard at work burning up the alleys in preparation for the yearly event.

Recently a Sheboygan Kay Jay quint hit a blistering 2868 at the Eagles' Alleys, and these five young men are pointing for the tournament at the end of this month. Frank "Two Gun" Suscha led his mates with a neat 655, followed by brother John with a 583. The two Udovich boys, Herman and Tony, and Frank Horzen rounded out the team.

Not to discourage visiting bowlers to hope to share in the money in the future tournament, the boys are able to point to much lower scores, including the brilliant 475 pounded out by Louie "Van Dyke" Francis at the big ABC tournament in Chicago.

The Kay Jays are determined to make this year's tournament one of the best, and if good bowling will aid in the success of the Kay Jay get-together, the Sheboygan delegation will certainly do its part. Plans for the tournament are getting under way, and full details of the big tournament will be published shortly.

CLEVELAND GIRLS CLOSE INFORMAL KEGLING CIRCUIT

Cleveland, O.—Eight KSKJ ladies' teams brought down the curtain on their informal league get-togethers and will now get down to individual practice for the coming Eastern KSKJ bowling tournament to be held here May 7 and 8.

The Euclid Recreations (C. and M.), in their usual form, won three to collect 2182 from Dr. Perkos' (St. Ann) 1866. The Anns fell 10 pins short of winning the third game. S. Jelercic of the winners had a 497 series, evening's highest, was awarded the box of candy presented by Rose D. Chapic, one of KSKJ's big sport boosters, and neutral roofer for all the teams. Jelercic included a 180 game, but was bettered by Rosalia Jerman's (Magdalens) 182, who was presented with a ticket for a hair-set and wave by courtesy of the Clair-Eddy Recreation.

Jerman's 485 series was second highest and helped her Pintar Meats to subdue the Perko Meats, 2104 to 1980. Ann Winter clipped 446 to pace the Newburgers.

The Par A. C. (St. Ann) scored a 1871 to 1787 count over the St. Helens, with two games in the edge, while the Norwood Appliances (St. Ann) trimmed 1891 to better Kunstel Cafes' (Magdalen) count of 1713.
