Nedeli notranji problemi. — Adamčić naletel na sršene

Za naše podporne organizacije je tudi potrebna Nira, toda drugačna kakor Rooseveltova, ki katere tečpi pričakujejo čudovit. Težko vprašanje, kako obnoviti naše jednote in zvezne filantropije in člansko, še ne bo tako hvalno rešeno. Naša obnovitev je tesno zvezana s splošno ekonomsko obnovitvijo dežele, ker Nira koleba zelo počasi, je namreč tudi okrevanje naših podpornih organizacij počasno.

Problem pasivnosti, ki zadnje izvija proteste posameznih članov in nekaterih društvenih SNZ, je trd oreh. Rešiti ta problem tako, da bi bila "volk sit in celo", je nemogoče; sentimentalizem, ki se ga nekateri nadzirajo, nam tudi ne bo pogodil.

Ganstvo v splošnem se mora vedati, da je ono jednota. Odnosi interesi posameznih članov ne smejo nadkriliti skupnih željnotinovitih interesov, ako hočemo, da se jednota izvleče iz križa in trdne. Solventnost jednote ne sme biti ogrožena! To morajo imeti vsi zavedani vedno pred očmi.

Problem pasivnosti bo likvidiran, ker mora biti. Likvidiran pa mora biti tako, da glavni pogoj delavnice jednote, solventnost, bo prizadet. To je edina pot rešitve tega problema v interesu skupnosti. Zato je potrebno, da slehri član podpira sklep odbora.

Louis Adamčić je objavil v ameriški reviji "New Republic" članek "Sto milijonov ljudi" — danes je ta članek izhajati v ponatisu tudi v Sloveniji — ki se poleg balkanskih in vzhodnoevropskih dežel tudi Jugoslavije. Objavil je tudi druge stvari o razmerah v Jugoslaviji.

"Ameriški Srbohran" v Pittsburghu, glasilo Srbskega narodnega Saveza, je pa pred takim udaril po Adamčiču zaradi teh člankov. Polemika tega z Adamčičem je značilna za dvojega in to je vzrok, da omenjam, drugače se ne bomo z tisto čekanje. Adamčić je dovolj zmožen, da lahko odgovarja, če hoče.

Člankar omenjenega lista priznava Adamičevih trdi, drugič pa izvaja, da je Adamčić sicer po narodnosti Slovenc — predvsem Američan, ki ne more "poglobiti v razvoj Jugoslavije, niti je ne more ljubiti". Na koncu konca Adamčić piste članke o Jugoslaviji — harrja. Busine!

Eto, tako je brate Srbine ubil človek! Čudovito enostavno Bosna je zdaj mirna. Toda kar "Srbohrana" mora vedati, da je v Ameriki na tisočih slovenskih, hrvaških in srbskih ljudcev — bivših kmetov! — bodo raje verjeti Adamčiču kažeju. Člankar se lahko prička, če se hoče, da je med zelo malo pristašev diktatorja režima, dasi jih je dobiti, ki nimajo drugače nič proti Jugoslaviji.

Naveda je, da vse poštene naravnike režima v Belgradu poštejo v "službo" Italije in Ogrčijo. Zdaj pričakujemo, da "Srbohrana" piske Adamčiču na hrbot "italijanski špion", ki preko tudi od Mussolinijev denar svoje člane! S tem bo kompla, opravljen bo vse člankar gre lahko spati. Ljudje se bodo po smejali. Člankar "Srbohrana" piske za

ILLINOISKI RUDARJI ŠE VEDNO V DVEH TABORIH

Progresivna rudarska unija se obrne na vrhovno sodišče za svojo pravico; tožila bo operatorje

Springfield, Ill., 3. okt. — Pravilnik industrije mehkega premoga, ki je postal včeraj veljavlen, je našel položaj organiziranih rudarjev v Illinoisu nespremenjen. Na pozorišču sta še vedno dve rudarski uniji.

Glavni illinoiski operatorji, ki uposlujejo največ rudarjev, na primer Peabody Coal Company,

priznavajo le unijo United Mine

Workers. Ti operatorji so na-

naznili te dni, da na podlagi pravilnika bo treba najeti o-

krog 15,000 delavcev, ampak o-

ni bodo najeli samo člane United Mine Workers.

Voditelji Progresivne rudarske unije so izjavili, da je to diskriminacija, ki je nedopustna po zakonu Nire; zakon določa, da si delavci sami izberejo svojo unijo in delodajalcu jim ne smejo kratiti te pravice. Iz te-

Grupa biznismanov za priznanje sovjetov

Trgovina s sovjeti bi dvignila kupno silo ameriškega delavstva

Washington. — Tistim, ki so za priznanje Rusije, se je pridružila tudi podjetniška organizacija U. S. Board of Trade. Obrnila se je pisorno na vse člane in jim pojasnila ugodnosti, ki bi jih priznanje prineslo biznisu in trgovini.

Sedanje uničevanje poljskih pridekov smatra za "fantastično potrebo", ki pa je tragična tudi za sedanji bizniški sistem. Priznanje Rusije bi mnogim pridelkom in izdelkom odprlo nov trg, posebno za tekstilne izdelke, bombaž, kovino, mašinerijo, živino in tudi za nekatere jestvine.

Ta bizniška organizacija se boji posledic velike produktivne ekspanzije, ki se stalno razvija in narašča v ameriški industriji. Ze to sili Ameriko, da išče novih trgov. Okrevalni program sedanja vlade bo vzel dolge mesece in mogoče leta predno bo dvignil nakupno moč ljudstva. Ze v interesu tega programa je, da ameriška vlada čimprej prizna sovjete, zaključuje U. S. Board of Trade.

Stavke v avtnej industriji

15,000 delavcev v boju v Detroitu. Strajk ograza Fordove tovarne; Ford ne dobi policijske zaščite v New Jerseyju.

Detroit, Mich., 3. okt. — Stavka mehanikov v avtnej tovarnah v Detroitu, Flintu, Pontiacu in drugih mestih se širi; danes računajo, da je čez 15,000 delavcev v boju. Mehaniki zahtevajo priznanje svoje unije in višjo minimalno mezzo. Včeraj je prišel v Detroit vladni posredovalec Nire, da naredi mir.

Nič bolje ni v Fordovih tovarnah, ki so na robu izbruhla splošne stavke za priznanje unije. Fordovi delavci se rapidno organizirajo in nezadovoljnost je velika, od kar je Ford znašal delovne ure in obenem znašal minimalno mezzo.

Včeraj je Ford zaprl svojo tovarno v Edgewaterju, N. J., kjer se je 2000 delavcev organiziralo in zastavalo. Fordovi upravitelji so brž telegrafirali govorjujočemu delavstvu proti inflacijski denarju in drugič, ko je reklo, da je uspeh Nire odvisen od popolnega unioniziranja delavcev.

DELAVSKA FEDERACIJA PROTI INFLACIJI

Uspeh Nire odvisen od popolnega organiziranja delavcev. Enajst milijonov brezposelnih še čaka "new deal".

Washington. — V svojem očitovanem govoru 53. letne konvencije Ameriške delavsko federacije je predsednik Green dvakrat žel burne ovacije, privič, ko je osem sto delegatov zagovoril, da je ameriško delavstvo proti inflacijski denarju in drugič, ko je reklo, da je uspeh Nire odvisen od popolnega unioniziranja delavcev.

Green je izjavil, da inflacija pomeni znižanje plač. V načrtu naraščanja cen stojijo plače na mestu ali pa se počasi povečajo za tokom cen, katerih pa nikdar ne dohitete. V interesu delavstva je torej, da je proti inflacijski denarju in drugič, ko je reklo, da je uspeh Nire odvisen od popolnega unioniziranja delavcev.

Od zadnjega marca je bilo po Greenovi ocenitvi uposlenih skoraj tri milijone delavcev. Brez dela jih je še vedno enajst milijonov. Valedi tega je potrebno, da se delovnik skrajša na 30 ur v tednu, je izjavil Green, ker le na ta način se bo omogočila večja zaposlitev. Federacija bo pritisnila na vlado za revizijo že sprejetih pravilnikov za skrajšanje delovnika. Tega ne bo dosegla, bo še do zahtevajo, da se ne počasi povečati plača v pravilnikih, o katerih je reklo, da je preniza.

Pravilnik oljne industrije je po njegovi izjavi naperjen direktno proti velikemu številu oljnih in gasolinskih zadrug, ki so razširjene posebno v srednjem zapadu in zapadu. On je mnenja, da bodo do zadruge pogname iz biznisa, ker ne bodo članom in odjemalcem smeje dajati zadružnih popustov. Pravilnik prepoveduje vse popuste.

Warbas je sugestira zadrugam, naj izdelajo in predložijo svoj pravilnik, ki bo protektiral zadružno gibanje. Slednje je mogoče doseči s točko, ki bo definirala zadružništvo in določala, da "določi v tem pravilniku ne sme odpraviti pravilnik nobene druge industrije."

Poziv na seje

Cleveland, O.—Na redni seji društva št. 477 dne 17. septembra je bilo sklenjeno, da tajnik povabi v glasilnične člane, da se udeleže prihodnje redne mesečne seje, ki se vrši 15. oktobra ob 10. popoldne. Na dnevnem redu bo več vaših stvari, kateri bomo morali rešiti. Predložen bo tudi devetmesecični račun in poročilo, ki se nanaša na slovensko sekcijo, ki je jaka važno. Vsi zavedni člani naj se udeležejo na seje.

Ciani, ki so zavarovani za dva doljarja bolniške podpore, naj upoštevajo to, da je bila razpisana doklada 50 centov, katera bomo morala biti plačana v oktobru in novembру. Kdor ne bo plačal izrednega asesmenta, ne more platičati rednega. Na člane upoštevamo, naj bodo bolj točni pri plačevanju asesmenta, da ne bom čakal do zadnje ure, ko je že čas, da posljem asesment v gl. urad. Asement pobira na seji 25. v mesecu na mojem domu in pri tem imam velike sitnosti, ker se nekateri člani premalo zanimajo.

Tajnik.

Vef zanimanja za seje

Windso Heights, W. Va.—Člane društva št. 553 so vse premalo zanimali za seje in jih ne posejajo v velikem številu. Nekateri, ki prihajajo na moj dom plačevat asesment, pravijo, da jih je sram, ker ne morejo plačati na seji. Bratje, to je pravljivo, kajti asesment vsak lahko plača do 25. v mesecu, seje pa imamo ta to, da na njih sklepamo v korist društva in jednoti. Na sejah se seznanimo z društvenim poslovanjem in si slišite poročila iz gl. urada. Člane pozivam, da se udeležejo na seje v polnem številu.

Nekateri člani menijo, da je društvo od njih odvisno, pa se najbrž motijo, kajti ako bi bili vse člani tako malomarni kot nekateri, bi ne bilo v društvenega življenja. Več seznanimanja z društvo je potrebno.

Vsek se lahko udeleže seje. Ako potrati pol ure časa, je to pač malenkost, ki sploh ne pride v poštev. Imamo člane, ki misijo, da pridejo enkrat v letu na seje, da so veliko storili za društvo in bi radi videli, da bi se jim klanjajo. Ne zavedajo se, da je njihova dolžnost, udeleževati seje vsak mesec, bodisi pozimi ali poleti. Ako človek vpraša člana, zakaj se ne udeleže seje, se navadno izgovarja na vročino ali mraz, kakor mu kaže. Ko pride konec leta in mu tajnik sporoči, toliko in toliko mora plačati za društvene izdatke, godirna in se jezi, da plačuje vse leto, pa nujen ne bo. Prikazati hoče stvar ko da mu društvo se nekaj dolguje, ker je prikralivo njegovo bresbirnost. Na člane apeliram, da se udeležejo seje v polnem številu.

Septembarska seja je bila tako slabo obiskana, da je namernoval predsednik resignirati iz razloga, ker so člani tako bresbirni in se ne zanimali za seje. Ena glava ne more misiliti za dvajset drugih, kajti vseka ima svoje misli. Vsi na sejo dne 14. oktobra, da nekaj ukrenemo v korist društva in jednoti. Tajnik.

Preklic proslave društvene objetnice

Hermine, Pa.—Vse tiste, katere smo že povabili, naj se udeleže proslave 25-letnice društva št. 87, tem potom obvečamo, da je proslava radi rudarske stavke, ki je stodostotna, ne bo vršila. Proslavo smo preklicali, ker člani sedaj komaj zmagajojo asesment. Na določeni dan priredi društvo samo veselico, kajti nič ne ve, koliko čansa bo stavka trajala. Društvo je uvidelo, da ne bi bilo uspeha, ako bi priredilo proslavo. To naj člani in upoštevajo.

Tistim, ki so že nabavili vstopnice, bo denar povrnjen. Gleda znakov pa naj se počaka, ker bodo morda prav prišli, ako bomo poznajejo kaj priredili.

Jos. Jilas, tajnik.

Zahvala

Power Point, O.—Društvo št. 358 je na zadnji seji sklenilo, da se javno zahvali vsem, ki so se udeležili njegove prireditve na Labor day in tem pripomogli, da se je društvena blagajna precej okreplila. Girardčani so nam veliko pomagali do uspeha, kajti depresija jih menda ni tako zadevala kot druge. Miss Selak in miss Dolčič, ki sta sodelovali pri našem programu, sta izvrstno izvršili svojo nalogo. Lepa hvala Girardčanom kar tudi onim iz Salema in East Palestine ter Jacobu Kokalnu iz vzhodne Pensylvanije.

Matt Tušek, predsednik.

Premestitev seje

McKinley, Minn.—Člane društva št. 175 nagnjam, da se bilo na zadnjih društvenih sejih sklenjeno, da se prihodnje seje vrše na tretjo nedeljo v mesecu, ne več na drugo. To je društvo sklenilo zaradi tehnika varčevanja. Prihodnja seja se torej vrše dne 15. oktobra, ne 8. oktobra. Člane pozivam, da se bolj redno udeležejo seje. Pasivne člane, ki so pričeli delati v mesecu septembru, prosim, da postanejo aktivni, drugače se bo moralo postopiti s njimi po pravilih.

John Malovasic, tajnik.

delavci in se staramo in moramo gledati, da pridejo v velikem številu na to sejo, kajti naša prihodnja veselica ne bo le navadna veselica, ampak se bo servirala tudi okusna veterje, vsem našim gostom točno in pravilno. Zato pa je potrebno, da se vse članice našega društva udeležijo prihodnje seje, kajti članice boste imela glavno vlogo na prireditvi 5. nov., tako da bo cenjeno občinstvo dobro posrezeno.

Trideset let društva Slavije, št. 1 SNPJ

Pre svobodomiselnega slovenskega društva

časno: Franjo Bernik, predsednik; Anton Medica, zapisnik.

Potrjeno je bilo, da bi se sklicalo glavno zborovanje 18. decembra 1903.

Predlog je bil, da bi vsaki ud pičati ustavnine (članarine) na mesec 25c.

Začetek storjen

Ta prvi formalni sestanek je bil posledica prejšnjih dogovorov med agitatorji za ustanovitev društva, ki so pripravili

članske osnutev, prišli dne 23. sept. 1903 skupaj, določili začasno ime društva, izvolili začasnega predsednika in zapisnika

in nato začeli s prvo redno sejo novega društva. Oglašali so ga v razpravah in v Glasu Svobode za "prvo večje zborovanje" za "Narodno Slovensko Jednoto".

Rojaki, ki so si izbrali ime "narodna", so to imeno uporabili v proticerkvenem smislu. Obespojajoči slovenski podporni jednoti sta bili katoliški po imenu, pravilih in v društvenem življaju. Ta mala skupina pa je nötela "narodno", to je nekatoliško jednoto, ki se bo v kolektivnem smislu brigala za posvetne zadave svojega člana in naroda vsebine, ne pa ga navaja na verska poto. Slovenski liberalci v starem kraju so bili takrat najagresivnejši in njihova stranka je bila prežeta idealizma. Bila je v inspiracijo malemu številu slovenskih svobodomislecev v Ameriki. V svoji neupoenost so nekateri istovetili starokraski liberalizem tudi z nazori socialne demokracije in vse to skupaj so ovili v svobodomiselstvo Glasa Svobode, kateri je začel z ljudim bojem proti nadvlasti duhovnikov med ameriškimi Slovenci. Vzelo je precej let, predno so se pojmi skrastilizirali in si je SNPJ mogla določiti v idejnem oziru jasne smernice.

Po prvem formalnem sestanku je začasni ustanovni odbor odvitol novo sejo, ki jo zapisnik označuje s sledenim naslovom:

Prevo zborovanje za Narodno Slovensko Jednoto

Seja dne 23. septembra 1903.

Začetni odbor: Anton Madić, Frank Klobučar, Frank Bernik, John Stonič, Ferdinand Sadniker, Jos. Veršajč, Anton Trampus, Martin Konda, Frank Medica.

Najprej je bil izvoljen začasni odbor: za predsednika Frank Bernik, za tajnika pa Anton Madić. — In potem se je seja pričela. Predlagano je bilo, naj se določi, kakšno ime naj bo novo društvo. Predlagano je bilo več imen, nakar je bilo sprejet, da naj se imenuje začasno društvo Slavije.

Namen tega društva naj bude, da ta deluje iz polno močjo, da doseže Slovensko Narodno jednoto.

Frank Medica je predlagal, da bi se sklicalo javno sejo dne 4. oktobra 1903 v prostorij Narodne dvornane gospoda Popovića. Povabi naj se vse Slovence v okolici in pri tej seji naj bude volitev odbora, kateri bude začel javno delovati za ustanovitev Narodne Jednote. Sprejet je bilo, da se vsa izobražena (napredna) društva po Ameriki pismeno opomin, da nam naj blagovolijo naznamti na naše vprašanje, ako se strinjajo z poviranjem slovenskega naroda in delovanju v korist narodne jednotne.

Predlagano je bilo, da lahko vsak zavetni Slovenec od 18. do 45. leta starosti postane udruženje Slavija.

Ker so pa stroški že od začetka veliki, je društvo Slavija sklenilo, da kadar želi postati član tega društva, mora plačati 25c mesečno, da se lahko stroški pokrivajo.

Vstopino v društvo Slavija so plaćali sledenje:

Bernik Franjo	25
Klobučar Franjo	25
Veršajč Joseph	25
Medica Frank	25
Konda Martin	25
N. N.	25
Trampus Anton	25
Madić Anton	25
Skupaj	\$2.00

In potem je bila seja zaključena. Anton Madić, zapisnik.

Frank Klobučar, začasni predsednik.

Glas Svobode je dne 25. septembra 1903 poročal, da je na sestanku 23. sept. pristopilo v klub Slavija 62 udov. Iz tega zapisnika pa je razvidno, da je imela Slavija ob ustanovitvi samo 8 članov, ki so plačali pristopino. Nekateri so obljubili plačati pozneje. Drugi pa so rekli, da pristopijo, kadar uvijodo, da bo kaj iz tega.

Vzhodnoohijska

Barberton, O. — Izčrek zapisnika četrte redne seje vzhodnoohijske federacije društev SNPJ.

Predsednik otvoril sejo ob 9. dopoldne v navadnih prostorih. Razen P. Cufarja so navzoči vsi uradniki. Cita se zapisnik prejšnje seje, ki je sprejet brez pravkov.

Precita se prošnja od Mika Kopca, člana društva št. 73, ki prosi, da se plača zanj asessment za mesec avgust v vso \$4.64 iz federacijske blagajne. Se mu odobri. Sprejet je sklep, da od sedaj naprej plača federacija prisilcem tudi doklade, katere je razpisala jednota.

Razvije se daljša debata glede pogrebniških posebnih sej, ki so se udejeli v društvih SNPJ, je v podporni organizaciji konvencijskih klubov. Na enem je rečeno, da je imel z ozirom na važnost nove ustanove posebno sejo razpravljati o njih. Dalje bodo društva, katera zborujejo v dvorani SNPJ, in pa društvo Sosedje v Ciceru vpravljana, ali so za skupno božično prireditve za člane mladinskega oddelka, ki se bo vrnila, če se izreče zanj, v nedeljo 17. decembra. Društvo bi za vsakega člana v svojem mladinskem oddelku prispevalo 50c, kar se porabi za darila. Najemnino dvoran, godbo in druge stroške pa bi plačala federacija.

Za skupno delo čakaških društev

Chicago, Ill. — Na prošli seji federacije SNPJ za čakaško okrožje smo imeli obširno razpravo o naloga, ki jih imamo, in o načinih, kako jih izvrševati. Velika ovira je, ker so društva v Chicagu razvojena v dve zvezzi, nekatera pa ne pripadajo v nobeno. Prihodnje leto bo SNPJ slavila tridesetletico obstoja in se bi spodobilo, da jo bi čakaška društva praznovala na skupni prireditvi. V take namene pa je potrebna skupna federacija. Iz tega in sličnih razlogov je bilo na omenjeni seji, katere se je udeležilo 14 zastopnikov in zastopnic, sklenjeno, da se meseca novembra sklice shod, na katerem se bo razpravljalo o možnostih za skupno delo čakaških društev v skupni federaciji.

Allentown, Pa. — Tukajšnji brezposelni, ki so organizirani v Unemployed Citizens ligi, so ustanovili delavsko - farmarsko stranko. Na ustanovni seji je bilo poddarjano, da mora biti nova stranka revolucionarna, ker drugače je brez pomena.

Poslovanje društva št. 124

Forest City, Pa.—Ker vidimo, da bo v mesecu oktobru in novembru treba spet plačati doklad v bolniški sklad, je društvo št. 124 pregledalo vse račune, ki se nanašajo na bolniški sklad, namreč vplačila in izplačila za zadnja štiri leta in pol, od 1. januarja 1. 1929 do 1. julija 1933. Na podlagi naših številk se nam čudno združenje gospodarstvo nekaterih društev, ki dobivajo več podporo kot vplačajo.

Tukaj so številke, ki naj povedo, da bi asemente v bolniški sklad lahko nekoliko znižali in da ne bi bilo treba nobenih doklad, ako bi približno vsa društva nakazovala bolniško podporo tako kot jo naše društvo.

Od 1. januarja 1. 1929 do 1. julija 1933 je naše društvo vplačalo v endolarski sklad \$3,220.60, v dvadolarškega \$5,684.50, v tridolarškega \$2,271.44, v vse tri sklade pa \$11,176.54. Prejeli pa je iz endolarskega sklada \$1,512, iz dvadolarškega \$2,115, iz tridolarškega \$1,672.50, torej iz vseh treh skladov \$5,299.50. Vplačali smo \$11,176.54, prejeli \$5,299.50. To kaže, da znaša skupni prebitek \$5,877.04. Prebifek po razredih: Endolarski \$1,708.50, dvadolarški \$3,569.50, tridolarški \$598.94.

Iz tega je razvidno, da smo precej nad polovicno več vplačali kot prejeli. Če pa pogledamo še bolj daleč nazaj v zgodovino društva št. 124, bomo našli še večji prebitek. Odslej naprej ne bo imel naš tridolarški sklad več prebitka, kajti v tem razredu imamo samo enega člana zavarovanega, vsi drugi so bolniško podporo znižali.

Morda bo kdo rekel, da morajo biti v Forest Cityju dobre razmere, a tem lahko povem, da nikjer bolj napornega dela kakov tukaj, čeprav dela sedaj ni veliko in tudi ni mnogo naselbin, ki bi bile radi depresije bolj prizadete kot je to gozdovno mesto.

Gl. uradu priporočam, naj posveča malo več pozornosti takim društviom in posameznim članom, ki včelo velike podpore, kajti on ima kontrolo nad vsemi društvi, cesar posamezna društva nimajo. Da se to objavi v listu, je bilo sklenjeno na redni seji društva št. 124 dne 17. septembra t. l.—Frank Rataic, tajnik.

Protest proti zapisniku

Morley, Colo.— Protestiram proti zapisniku seje gl. odbora SNPJ v kolikor se tiče članov in članic društva št. 66 v Trinidadu, Colo. Tisto, kar se jim predbaciva, ne odgovarja resnici. Moj namen je to stvar pojasniti, da bo jasna članstvo SNPJ in našo potem samo presodi.

Podpisani sem se udeležil seje dne 8. januarja in sem videl, da se pravila kršijo na debelo. Tako sem predlagal, da moramo pravila upoštevati, zlasti 24. člen.

Predlog je bil podprt in soglasno sprejet. Bolnik našega društva je se istega dne dopoldne reje udeležil, popoldne je šel na sejo društva SZZ in 20. januarja, ko smo imeli izredno sejo, se je tudi te udeležil.

Na redni seji 12. februarja so prišle na dnevni red bolniške kaznice in predlagano in podpisano je bilo, da se ravnamo po pravilih, da se odvzame devet drž od bolniške podpore. Podpisani sem takrat vodil sejo in člane nem trikrat vprašal, kaj hočejo ukreniti in večina je bila za to, da se pravila kršijo. Jaz sem jih opozarjal, da tega ne smemo delati. Vprašal sem, kdo ga je klical na sejo, toda odgovorja nisem dobil. Jaz sem pravila spočeval, toda bolnik se ni zadovoljil.

Na redni seji 12. marca ni bil o tem nobenega poročila. Jaz sem mislil, da je naš bolnik pa

pustil na miru, dne 9. aprila na

redni seji pa je zahteval predkavalni odbor. Zdaj pa naj člansvo spožna, kje je pravica. V zapisniku seje gl. odbora z dne 15. marca je poročano, da ga je društvo klical na sejo. Zakaj niso na društveni seji 12. februarja povedali, da so ga klicali na sejo? Ali ni o tem nobeden nicedel in so se po seji v hišah domenili, kako je treba izkorisiti SNPJ?

Poglejte razsodbo gl. porotnega odseka od 19. julija. To je ena zadeva. Pravi, da ga je društvo klical, a ta izgovor ni zadostoval, ker ga ni nihče klical tri ali štiri mesece. Ali niso tukaj kršena pravila? V treh ali štirih mesecih je član že zdrav.

To je kršitev pravil in ne vpraša se, kdo jih krši. Član naj prinese dovoljenje, kadar je bolan, tri ali štiri mesece pozneje, ko je zdrav. O tem lahko še vedno poročam; če to ne bo zadostovalo, bom poročal drugič.

Na redni seji 9. aprila smo jih na to opozorili in prečitali zapisnik seje upravnega odseka z dne 29. marca 1933 ter protestirali.

Br. zapisnikar je zapisal v knjigo za angleško poslujoče društvo, kar se omenjene stvari tiče.

Dne 14. maja smo na redni seji, ko je bil zapisnik prečitan, protestirali, da nismo niti imeli od angleško poslujočega društva in prišlo je do malega prepira vsled tega, ker smo zagovarjali interese SNPJ. Največje število članov na sejah, katerih sem se jaz udeležil, je bilo 20 in jaz ne vem, kje so drugih 9 dobili. Izmed 26 članov nimajo trije dnevnika Prosvete, če se niso zdaj naročili. Mi štirje pa imamo tri dnevnike, toda pomagati si ne moremo, kajti večina je večina. Čitatelji lahko vidijo iz teh malih odlokmov in presodijo, če smo zaslužili tako, kazen, kakršno so nam dali na gl. seji.

Odgovor tajniku društva št. 253

Kemmerer, Wyo.—Br. Frank Lambert, tajnik društva št. 253, Diamondville, Wyo., je dne 6. septembra v dopisu prosil vse člane, ki pišejo laži v gl. urad, naj pridejo po prestopne liste.

Kar se nas tiče, morava povedati, da nismo pisali laži na gl. urad. Jaz in Frank Sedej sva vprašala tajnika za prestopne liste na seji dne 16. julija tega leta, toda on je rekel, da jih ne da, dokler ne dobi pisma iz gl. urada. Potem sva še dvakrat zahtevala prestopne liste, a vseeno jih nisva prejela. Sele potem smo pisali na gl. urad za pojasnila, toda pisali nismo laži, temveč resnico. Prestopnega lista nisem dobil jaz, pač pa moja žena in Sedejeva soproga.

Mislim, da znamo pravila citati tako dobro ko br. Lambert in tudi nobenih laži ne pišemo na gl. urad. V pravilih je rečeno, da član lahko pripada h kateremu društvu želi. To je treba upoštevati, pa ne bo nobenega prepira med društvi in člani. Odstranili smo se od vašega društva, ker smo se naveličali prepiron na društvenih sejah.

Konst. Podlesnik in Frank Sedej, člana društva št. 253.

nega odseka br. Franka Zaitza je

razvidno, da te branji pričobi-

zimena onih delegatov, ki so prejeli pomotoma, oziroma so zahtevali višje dnevnice kot so pribili do njih upravičeni, češ, da oblast ima le konvencija. Ta sugestija se mi zdi napačna. Konvencija je za nami in če se torek hoče izterjati onih \$686, ima edino moč le nadzorni odsek oz. gl. odbor. Da pa ne bo kdaj trdil, da čemu se praskam kjer me ne srib, naj naveadem vzrok. Sedaj je nastalo sumnišenje, kdo je tisti delegat, ki je vzel odvisne dnevnice. Lahko se sumniši po polnoma nedolžna oseba.

Bratje delegati in sestre delegatne desete konvencije, ker je silno neljubo nam, ki smo prejeli dnevnice, do katerih smo bili upravičeni po pravilih. SNPJ je klub sedanjam razmeram priboljivo, da se napravi temu konec, če ni drugač pa s tem, da gl. odbor pričobi imena delegatov, ki so prejeli odvisne dnevnice, do katerih niso bili upravičeni. S tem bo rešena nepotrebnost afera in odvrzen sum od nedolžnih oseb. Upam in želim, da boste vse delegatje in delegatne desete konvencije radi navedenih razlogov zahtevali, da se napravi konec na način kot ga omenjam iz poštenih namenov kot veste in sestre SNPJ.—John Homez, delegat 10. konvencije.

Malo odgovora kritiku v "E"

West Allis, Wis.—V Enakopravnosti z dne 20. sept. t. l. piše br. Anton Zaitz iz Forest Cityja, Pa., pod naslovom "V obrambo SSPZ". — "Pisec teh vrst naj ob pričetku pove, da je član SNPJ. Vsaka polemika z vodilnimi funkcionarji omenjene organizacije mi je neljuba."

Ne mislim citirati kritikovih stavkov, povedati pa hočem svoje mnenje, ker gl. odborniki SNPJ so prevedi zaposleni z važnimi problemi in se zaenkrat ne morejo ukvarjati s polemiko br. Antonom Zaitza. Dolžnost nas članov SNPJ je, da stojimo ramen ob ramu v teh kritičnih časih in da ne dopustimo, da bi kakšen posamezni član ali odbornik druge organizacije smešči ali poskušašmešči naše pravilno na konvenciji izvoljene glavne odbornike ali funkcionarje, kot jih kritikuje.

Pred vsem naj povem, da znamo, ki jo je naredila konvencija SSPZ v Indianapolisu, ni lepo podprtati drugim organizacijam.

Ako se napaka napravi, jo je treba priznati in jo popraviti. Mislimi se prav nič vedeti. Ne vem, če je kdo bolj želel druženja ko

pisec teh vrst, ne toliko glede podpore in velikosti organizacije kot glede notranjih preprirov in gospodarstva po naselbinah. Me ne more nikdo prepričati, če je član dveh ali celo treh podpornih organizacij, da bi delal za vse enako v njihovo korist, pravilno in napredku.

Otvorljena točka bo živa slika, predstavljajoča organizacijo, ki jo bo spremljal tamburinski zbor klubov arabskih socialistov št. 20 JSZ s sviranjem Internacionale. Uprizorjen bosta dve eno-

dejanki, namreč "Nova igra" (New Deal) v slovensčini, ki jo je pisala za to proslavo Ivan Molek, in v angleščini pa igra "The Trial," ki je istotno prirejena za to proslavo. Pevske točke bo predvajal zbor Sava, ostale glasbeni točki pa omenimo prihodenj.

Mladina nastopi v posebni sliki, ki deklamacijsko v zboru.

Poleg raznih dramatičnih in glasbenih točk bomo imeli tudi govorilci, kakor se spodobi ob takem jubileju. Oblikovljeno je, da bo v imenu socialistične stranke govoril na tej klubov slavnosti milwaukee župan W. D. Hoan ali na Norman Thomas. V imenu SNPJ bo imel pozdravnim govor Ivan Molek. O postanku in delu kluba poda kratko sliko Frank Zaitz, o stanju kluba po 30 letih pa klubov tajnik Peter Bernik.

Kritik dalje piše, da je bil ra-

zočaran nad bivšimi zagovorniki

druženja in citira razpravo iz

zapisnika seje gl. odbora SNPJ, ki se je vrnila prošlega avgusta. Da, dragi moj, časi se spremiščajo in z njimi se tudi mi, zagovorniki združenja. Fopolnoma se strinjam z odlokom gl. odbora prošlega avgusta in ne vidim nobenega poniranja kakrve druge podporne organizacije. Bil sem na prvi konferenci J.B.F. kot opozovalč. Kot zelo navdušen za idejo združenja vseh podpornih organizacij, ki so si podobne po misliju, sem po dotični konferenci prišel do zaključka, da čas se ni dozorel in da bo treba še čakati ter pustiti zadajo izvršnemu odboru, da živottari dokler mu je došlo. Čas za združitev sorodnih podpornih organizacij je sicer že tu, toda tako ugodna prilika kot je bila v preteklosti za združitev je minila.

Vsekakor pa bi bila vsaka podobna polemika, kot jo je izvajal br. A. Zaitz, bolj skodljiva stvar, ki je dolgočasno vprašanje starostne pokojnine, ki pride pred volilce na volilni dan dne 7. novembra. Vsak volilec bo v volilni koči dobil glasovnico z imenom Old Pension Bill (ali nekaj podobnega) v svrhu, da glasuje za ali proti. Odvisno bo to, reje od volilcev, če bo predlog sprejet ali zavrnjen.

WEDNESDAY, OCTOBER 4,

Editorial Comments

Last week we briefly dwelled upon the subject of the rapid increase of contributions to this section of the Prosveta. With the increase in fall activities our contributions have more than doubled. We regret that with the present space allotted for our use we are forced to either shorten the material sent in or postpone its appearance. That seems to be the only alternative. We trust that our contributors will bear with us and will also try to avoid repetition. Moreover, no one should feel slighted if his piece is cut short or if it doesn't appear as scheduled.

It seems that there is another solution to this problem—in the increase of the official organ, daily and weekly, to seven columns. Our youth should start a movement for new subscribers to the Prosveta. Automatically, the weekly organ would then be increased to eight columns, or one column more than a whole page the present size of the paper. The additional eight column space would afford ample space to take care of all current news and reports; it would also add to the paper's appearance. Our youth can do much to promote and execute this idea. Set a goal—so many new subscribers to the Prosveta—and the ultimate result would be the increase of the present size of the paper. Could that be achieved by next January? It's entirely up to us all.

We agree with the familiar adage that variety is the spice of life, which is applicable to many phases of life and work. It also applies to newspapers. To make any paper interesting it must essentially have, besides lodge and official reports, other reading matter. At least a few columns of space should be devoted weekly to other phases of life, dealing with labor, economic and political situation. These subjects are important enough to interest every one of us.

A Letter From Louis Adamic

To the Editor of the Prosveta:

My attention is called to an editorial in the September 20 issue of "Srbobran," official organ in America of the Belgrade regime, in which I am attacked for my article "One Hundred Million Peasants" in the New Republic of September 13. The editorial is too transparent to require a detailed reply from me.

So far I received around thirty letters from Serbs, Croats and Slovenes in the United States commenting on my article. Except four, all the comments are in agreement with my facts and views. Of the four exceptions, three are letters from Serbs (while three other Serbs wrote me praising my article).

Of the three who criticize me, one accuses me that I am in the pay of Hungary, Italy and Bulgaria. He doesn't know that my wife and I don't know what we are going to use for money next winter.

Another takes up the "Srbobran" theory and says that I wrote the article for money. He appears to think I received for it an enormous sum. As a matter of fact, all I got for it was \$67.

The third accuses me of sensationalism. My reply to that is that my article was naturally sensational just as every article dealing with Hitler is sensational. To write unsensationally about the politico-economic situation in Yugoslavia, to my notion, is an impossibility.

The fourth Serb agrees with my facts as I present them, but regrets that I did not tell some good things about Yugoslavia. He says that something good might be said even about the Belgrade regime and King Alexander. To this I say that I am writing a 400-page book which will be 100-percent favorable to the peoples and regions included in Yugoslavia. Of the three national groups in Yugoslavia, the Serbs, seem to me the most vital, the most promising in the long run. But for them there probably would be no Yugoslavia, while Serbia would exist even without Slovenes and Croats, who, however, possess some virtues that the Serbs lack. I am enthusiastic about the Serb people; but the people are one thing and the Belgrade regime another. Incidentally, the Belgrade regime is not purely Serb. Many of its members and supporters are Slovene and Croat plutocrats and petty politicians, and most of the Serbs who hold big positions in Yugoslavia are not pure Serbs, but complex Balkanites with all sorts of blood in their veins, including Turkish, Albanian and Gypsy. I met a number of high politicians in Belgrade, but few of them looked or behaved like the splendid, aristocratic peasants of Shumadija, who are pure Serbs.

One of the three Serbs who criticized my article, accuses me that while in Yugoslavia I received all my information from Croatian separatists. To this my reply is that, so far as I know, I had no personal contact with any Croatian separatists. I avoided them for the reason that Croat separation seems to me a species

MOHAWKS

La Salle, Ill.—Have you heard about the Mohawks' next program? If you have, I'm sure you've already reserved October 22 to attend it, and if you haven't, you ought to jot it down on your social calendar right now as one worthy of your consideration.

The main feature of the evening will be the presentation of a three act play, "Closed Lips." It will be followed by dancing to a popular orchestra in the upper hall, and to an accordion in the lower hall. However, in the lower recesses, beer will be the predominating issue.

The plot of the story centers around John Clay, who upon being pardoned from the state penitentiary, where he has been serving time for murder, learns that he was really innocent of the crime, but that exposure of the real criminal will bring sorrow upon his own family. Bart, his son, is all for the exposure until he learns that the one to suffer will be his well loved foster father, and father of his sweetheart, Star, a little waif whom the family has befriended, supplies the clue to the mystery and the last curtain comes down on a surprise happy ending. Comedy relief is supplied by a pair of darkies and a couple of wrangling newlyweds.

The cast is hard at work and the committee can assure you that you'll get your money's worth (the small sum of 25¢ will admit you), if you don't forget the date, October 22, at 7 p.m. A large crowd is expected as it is being given for the benefit of the Dom. We expect to see our Chicago friends at that time.

For the Entertainment Committee,

Buckeyes' Bits

By Oh

Barberton, O.—Last week's list of "Coming Events" was quite a long one we're sure it will keep getting longer as days go by. There's somewhere to go every Saturday and Sunday so look up the list and help make those events eventful.

Don't forget Oct. 21 is the Buckeyes' day, so plan to come to our dance at the Domovina hall on 16th street.

Members, the meeting will be held in the same hall this Friday, Oct. 6, so please come.

And then on Oct. 7, the Buckeyes must again bow to Kid Cupid whose latest victim is our very active member "Mitz" Valencheck. The members as a whole, will always remember and wish her luck. Yes, I say "remember," because "Mitz" won't be with us every first Friday of the month.

She will make her home in Cleveland, Ohio, where her future husband, Mr. Frank Zodnik, now resides. If the Buckeyes lose you "Mitz" we hope that some lodge in Cleveland will enjoy your company and attractiveness.

By Ann and Ann

Springfield, Ill.—Friday, Sept. 22, death claimed one of our members, Bro. Joe Barlick, who was an active and loyal member and will be missed by all the Links.

We extend our deepest sympathy to the wife and family of the deceased.

Links' first monthly dance, held Sunday, Sept. 17, at the Dom, was well attended, and everyone seemed to enjoy themselves.

The date for our October dance has not been set, owing to the draping of our charter for thirty days.

Bro. Frank Banich has been confined to St. John's Hospital for the past month as a result of an infection in his hand caused from injury received while at work. Here's wishing Frank a speedy recovery and hoping he will be back with us before long.

Saturday, Oct. 7, the marriage of Sister Ann Richtar and Frank Patis will take place. We wish them lots of luck and happiness.

Thanks for your invitation to attend your anniversary celebration, Spirits. We'll try our best to attend.

It has been a long time since we visited you, but we still remember the good times we had and we know we won't regret it if we attend.

Let's have a 100% attendance at the next meeting, Oct. 20. That watermelon we had after the last meeting was pretty good. How about more entertainment after the meeting?

The other Ann also reports a "good time" had in Chicago while attending A Century of Progress. The Trailers are again to be thanked for their kindness and Mr. and Mrs. Slammick for their hospitality.

I enjoyed the visit at Headquarters and was glad to have the opportunity of again meeting my old acquaintances and also some new ones.

Thanks for your courtesy.

SNPJ Federation Doings

WESTERN PENNA E. S. FEDERATION ITEMS

THE E. S. FEDERATION of SNPJ lodges of Western Penna. will hold a conference on OCT. 15, convening at 2 p.m., at the Slovene Hall at Library, Pa.

The fifteen associated lodges are requested to have representatives at the conference. There is much to be done at this session, and the entire group of lodges should participate in the deliberations. In the past two or three lodges would be conspicuous in their lack of representation; let no lodge be absent. Another timely reason for attendance is the fact that this is the last regular conference of 1933. With 1934 approaching, it means the building of plans for the new years. And a start can be made on Oct. 15.

THE ATHLETIC BOARD of the Federation, at a recent meeting, made a thorough study of the bowling tournament resolution, which was favorably considered at the July conference. Chairman Jackovac of the board will present his committee's report to the conference. As this step will be something new for the Federation's consideration, it is advisable that all lodges instruct their delegates to be prepared for this discussion. As there are fifteen lodges in the Federation a bowling tournament can be the highlight of annual Federation activities. It will add prestige and publicity for the SNPJ at large, and particularly in Western Penna. The last SNPJ convention went on record as approving athletic activities for the membership; the Federation should do its share to promote the athletic being of the society. The affair will demand unstinted cooperation on the part of the federated lodges to gain success.

It is hoped that should the majority be in favor of the step the entire group of lodges will do their share to push the affair. The Athletic committee requests that all lodges in Western Penna tentatively reserve Jan. 1, 1934, for the Federation until further notice.

SECRETARIES of lodges affiliated with the Federation are urged to submit this article to the consideration of their membership. It is necessary that delegates know the wishes of their respective locals in regards to Federation items. Also instruct your delegates on matters which your lodge wishes to submit to the conference. Louis Kosala, Fed. Sec'y.

AT THE LAST CONFERENCE a referendum was initiated to hold election and installation of Federation officers at the regular January session. Should the majority approve this move the election of officers will be postponed until January.

The present by-laws call for election of officers in October and their installation in January.

THE FEDERATION PICNIC of Sept. 10 was a success. Due credit must go to the lodges attending and the committees who ably worked for the success of the affair. Chairman Kress will submit a complete report of the picnic at the conference.

The presence of the active element of the older Western Penna. Slovene Federation was a noteworthy incident at the picnic. They are showing their personal interest in the welfare of the E. S. membership. The friendliness between the two Federations should continue.

SOCIAL DATES announced by the lodges are: Excelsiors Oct. 25, Third Anniversary Dance; Morning Stars' 5th Anniversary Dance Oct. 7; Comets' Annual Halloween Dance Oct. 28; J.Z. Jr. Thanksgiving Day Dance Nov. 26; Pioneers of Washington County Annual Xmas Dance Dec. 25; and Veronians New Year's Eve Dance Dec. 31.

Chairman Kress of the picnic committee, Treasurer Risika and the trustees Bros. Kerzan, Urankar and Virant are requested to be at the hall at 1 o'clock, to complete the audit of the Federation's finances.

There are a few lodges who did not receive their copy of the revised Federation by-laws. A copy can be obtained by requesting a set from the secretary.

SECRETARIES of lodges affiliated with the Federation are urged to submit this article to the consideration of their membership. It is necessary that delegates know the wishes of their respective locals in regards to Federation items. Also instruct your delegates on matters which your lodge wishes to submit to the conference. Louis Kosala, Fed. Sec'y.

"The Shape of Things to Come"

H. G. Wells' most recent contribution to new avenues of thought of the above title is analytic, critical, and speculative exposition of our economic order and the order that is to be. As a historian of the year 2100 he looks upon the present chaos of civilization with a strain of credulity of its direction, but tolerant of its follies. Humanity in this first half of the twentieth century was like the "pawing and crawling of a kitten before it begins to see." He sees it create a great civilization, which within itself nurses the very kernel of its decay. Hypertrophy is the word so suitably employed by the author to designate our present ills. Hypertrophy is a disease of the body in which there is an overproduction of bone without a corresponding production of muscle and nervous controls—which distorts the human body. Hypertrophy is the economic disease of our present generation in which there is an overdevelopment of inventive and scientific improvements while the political and social sciences remain stagnant.

Mr. Wells attributes the decay of our present order to the guiding principle of exploitation in which there is no plan or motive for production except that of profit for individual. To provide an outlet for over-productivity, the capitalist system invents wars. And how can Wells repeat the incredulity of millions of human beings during the World War who went into slaughter "with a sort of fatalistic pride. In obedience to the dictates of the blindest prejudices and the most fatuous loyalty they did their utmost to kill men against whom they had no conceivable grievances, and who were in turn butchered gallantly, fighting the last." But in the World War he sees a war to end all wars. Affairs move rapidly until the Great War in 1940.

The period of 1933 is termed the Age of Frustration, in which education is not enlightened but anti-enlightenment, in which finance in control of the press suppresses ideas. Following closely upon this is the disintegration of society through an unprecedented crime wave. Wells bitterly condemns the Profit-Capitalistic system for its failure to control unemployment, for destroying the public schools, failure to provide adequate protection at the mouth."

To the mind of the author, the complete destruction of our present society becomes unavoidable, for the world cannot climb out of its difficulties having no complete idea of what wants to get to. There is no monetary adaptability, and no planned organization because increased productivity. There quite naturally follow the nationalistic governments, augmented by an inbred psychology of hatred among the peoples, the war with Japan, the Polish War, and in the wake of this, a pestilence that destroys approximately half of the population.

The reader who is encouraged by the present day attempts at revival through the NRA, inflation, etc., will find nothing optimistic in Wells' prediction of the "Famished Fifties" (1950). Here is only destruction, disappearance of all modern inventions, surrender of all currencies, a state of destitution where things from bad to worse. It is a picture of ruin. The statement of the disorder in America comes unexpectedly: "Roosevelt II struggled gallantly that he came too late to stop the rot."

The reader who is encouraged by the present day attempts at revival through the NRA, inflation, etc., will find nothing optimistic in Wells' prediction of the "Famished Fifties" (1950). Here is only destruction, disappearance of all modern inventions, surrender of all currencies, a state of destitution where things from bad to worse. It is a picture of ruin. The statement of the disorder in America comes unexpectedly: "Roosevelt II struggled gallantly that he came too late to stop the rot."

But from 1950 onward the doctrine of World-State takes root. The untaught mind sowed with the idea that money is not a thing in itself, but a means to an end. The monetary question is forever settled, and a great process of Social Education goes on. The individual becomes a nucleus of the Modern State. Once man is freed of economic ills and economic worries he begins to live. There is no limit to which ingenuity extends. By the year 2000 he conquers the forces of Nature, he establishes one common language, he abandons all religions. It is in this final chapter of the Modern State that Wells becomes delightfully imaginative. He conceives the idea of a society systematically organized into one single organism, with a peaceful life for each individual, and a Central System of Controls managing wherever necessary. The human being of the year 2100 still resembles man of today but "he does not use brain for the same purpose."

The next meeting of the Dance Committee will be held Thursday, Oct. 5, at Lee Gratchner's home, 2334 S. Ridgeway ave. It will be the final checkup.

Slowly but surely the Slovene Unemployed Club is growing. At last Friday night's meeting it was reported that we have passed the half century mark. A regular definite meeting date and lectures are planned for the winter.

It is probable that as many people are satisfied with the regime in Belgrade as Zagreb and Ljubljana.

R. Louis, Mo.—Lodge "Spirits" 659 and Second Moonlite Boat Excursion President Sept. 22, in conference with the Leaders, down the Mississippi was enjoyable and successful. The Leaders and Spirits are about occupied the third deck, in the spacious ballroom, and meeting rooms are located.

Maria Lach sold 16 tickets! She's a member. Good work, indeed! Frank ("Baron Munchhausen") was the master of ceremonies. Buckowitz and "Doc" Phuhauer were on the fifth deck enjoying river gardens.—Leo Kraus was in "best girl."—Where was Joe?—Everyone enjoyed the night along the river while the captain turned the spotlight on the interesting points as the steamer went slowly down the Father of Waters.

The Spirits were glad to hear from Kansas "Hearts" who intend to Nov. 12 to help celebrate our anniversary. How about the Beavers and Rangers joining in Hearts' caravan? The Badgers, Americans and Progressives send their congratulations! Thanks! We each can send an ambassador to Louis Nov. 12.

Here and With Comrades

Cleveland, O.—Comrades again inaugurate their social season, with Annual Harvest Dance. And Saturday evening, Oct. 7, the lower hall of the Slovenc Home, 6411 St. Clair ave., swing wide open to the many members and friends who will participate in this gala function. We will meet the many friends, who it's a habit to gather on this day to help the Comrades in their merry celebration of their annual fall festi-

val. Comrades have made it a point to provide the best entertainment possible for their many on this grand celebration. Again lead the way in the of entertainers, as they offer pleasure of their guests a popular orchestra, namely Van Sherrill's Harlem Boys. Van Sherrill, former saxophone tooter in that jazz king's orchestra, Cab Kay, is at the present time at the Western Reserve University. Here in Cleveland he gathered about him several colleagues and now boasts of a

several players and now boasts of a orchestra. Some of our members who failed to attend our Second Spring outing missed the feature entertainment of the day, that being none other than the magical performance staged by Anthony Korosec. Although Mr. Korosec is not a member (we expect him to join anytime now) he takes great delight in attending the various functions of the lodge. And it was this delight, which made it possible for him to entertain Comrade members and their friends at the Rally Night. Mr. Korosec in staging a ten minute performance thrilled and mystified his large audience with his interesting show. Thank you, Mr. Korosec. May we soon have the pleasure of again witnessing your mystifying features at one of our affairs.

Some of the English speaking members of the SNPJ lodges who attend this Rally Night were: Bro. and Sis. Prusnik of the Loyalties; Bros. Tavar and Johnny Aynik and Sisters Mezgach and Bobnik of the Beacons; and Bro. Lokar (Mindy's brother) of the Strugglers. These SNPJ members were the only ones recognized by the writer in the large attendance. Where were the rest of the Loyalties, the Beacons, the Progressives and the Strugglers?

Joseph A. Jarc, Pres. Comrades.

Excelsiors Lodge No. 721

EXCELSIORS' THIRD ANNIVERSARY DANCE

West Aliquippa, Pa.—Don't you, whenever you attend a dance, seem rather fascinated by a crowd? I do. That is if the crowd is of a sociable and enjoyable nature. The Excelsiors are a sociable and enjoyable crowd, the club which you should meet.

The opportunity will present itself at our coming dance on October 25, where you will not only make friends, but will probably keep them as your companions.

Many people have waited patiently for the month of October to come. Some have waited for the opening of school days, others have waited for the first days of Autumn, while others still have waited to celebrate happy birthdays. But the reason for which this article is being written is because some of us are waiting to celebrate Excelsiors' Third Anniversary Dance on October 25 which will be held at the Slovak Hall in West Aliquippa. The music will be furnished by the Taylor Joy Boys, the good hot colored orchestra. I believe we are in store for some good music as only the Taylor Joy Boys can dish out.

Bro. Struble, president of the dance committee, has been working very hard these past few weeks to make this dance a success. Let's all take part and make this affair go over big in a big way.

With the aid of the Board of Organizers of Western Penna, and the moral and financial support of Lodge No. 122, a new SNPJ Lodge No. 721 was organized in the month of October 1930. This lodge was originated with the same purpose in mind as had the previously organized English Speaking Lodges. The purpose known throughout the organization was to bring together the Slovenc youth, so that we may uphold the great SNPJ in years to come, and to make it one of the best organizations of its kind.

The intention has been fulfilled more than was expected. Not only have the lodges helped each other socially and financially, but it has brought them into closer relationship so that they can work more constructively for the good of society.

All lodges are invited to help Excelsiors celebrate our Third Anniversary Dance.

Rudy Grosel, who recently graduated from Carnegie Tech., is hard at work as designer on several new building going up in our locality.

Ann Gornik and Mary Cheanik both visited the world's fair on their honeymoons.

Doc Gugorci will be the best man at a wedding in the very near future.

NEW ENGLISH SPEAKING BRANCH

Cleveland Boasts of a New SNPJ Unit with Ten New Members

On Oct. 1, Bro. John Lokar Jr., member of the Supreme Board, sent the following telegram to Bro. F. A. Vider, Supreme Secretary of the SNPJ:

"NEWS FLASH. NEW LODGE ORGANIZED TO BE KNOWN AS "COMMODORES." TEN NEW MEMBERS. DETAILS WILL FOLLOW. MARION KONCAN, PRESIDENT; JOE KONCAN, VICE PRESIDENT; ED ZAITZ, SECRETARY; MARY ZAITZ, TREASURER; ANNA ZARNICK, RECORDING SECRETARY. RE-GARDS. LINDY LOKAR."

This indeed is a cheerful news, in the midst of depressing reports of the hard times prevalent in many sections of the country. It is indicative of a slight upturn of conditions in certain localities and is all the more important because it was almost wholly unexpected.

This is the first SNPJ English Speaking Branch being organized for some time. We trust that the new members and their supporters and organizers will be rewarded by its being a complete success. We trust sincerely that this new SNPJ Branch—the Commodores—in a short time will prove themselves worthy of their elders and that they in the near future will be a credit to themselves and to the entire organization—the SNPJ—under whose banner they have gathered for a common purpose and mutual benefit. Advance!

Cleveland, Ohio.—On Oct. 1, 1938, we organized a New SNPJ English Speaking Lodge on the West Side.

About three or four weeks ago, action was taken to organize this Lodge. At our first meeting we had ten new members and several members who will transfer from the Senior lodges.

Then we elected our temporary officers, who are: Marion Konchan, pres.

Joe Konchan, vice president; Edward Zaitz, secretary; Marie Zaitz, treasurer; Ann Zarnick, recording secretary.

For our lodge name, we chose "Commodores."

We wish to thank Bro. John Lokar Jr. and Bro. Frank Koss, president and secretary of the "Strugglers,"

for attending our meeting and co-operating with us in establishing this new lodge. We also wish to thank Brothers Carl Samach, Camillus Zarnick and Frank Adrianeich for their kindness in attending the meeting and giving us their full support.

Last but not least, we thank the "Happy Hour Trio" for their entertainment.

We hope that all the neighboring SNPJ English Speaking Lodges will cooperate with us and we will show our appreciation to them.

Please watch this column for further developments.

We have high hopes of seeing them at our future socials.

Frank Zadell had a lot of tough luck with his wagon on the eve of the dance, then only to find a flat tire after the dance; not enough, a bad Jack, and no handle for it, topped off a glorious nite.

Tony Yerman, a passive member, is returning to O. S. U. to resume his study.

Rudy Grosel, who recently graduated from Carnegie Tech., is hard at work as designer on several new buildings going up in our locality.

Little Fort Lodge News

No. Chicago-Waukegan.—The one date that is uppermost in the minds of everyone here in Waukegan as well as in the neighboring cities, is that of OCTOBER 28, which means that the Annual Halloween Dance, sponsored by the Little Fort Lodge, is to be held at the Slovenc Home. This dance is usually the hit of the season, and the Committee has already assured us that this one will be one never to be forgotten.

The committee will work one week in decorating the large hall with orange and black streamers, cats, ghosts, pumpkins, corn stalks, and everything to fit the occasion. Balloons and confetti will be given away during the evening. No better orchestra could have been selected than Ace Nagode and his Rhythm Masters, who have been playing at a local tavern and are very well liked by everyone.

If the members would only make an effort to sell their tickets I'm sure we can make this dance a success. Even a little more than your share won't hurt. We are expecting a group of out-of-town visitors and we hope we won't be disappointed.

Personals

Congratulations are extended to Polly Stritar and Bud Bennett on their recent marriage. Here's wishing them lots of luck and happiness.

Josephine Sivic.

This week we have Gee on the sick list. I wonder what her ailment is.

Iggie Messic is surely making a name for himself at the High School. He's on his way to a big football career. Keep it up, iggie.

Albena Ogrin has proved to be a good cook by giving a Waffle Party last week. And can she make good coffee!

Prosperity has come back. "Savoldi" and "Tish" bought a car. Maybe we can get a lift sometime.

Frances Nagode will probably be looking her best at the Halloween Dance. I hear there's a group coming out from Springfield.

It is usually said that girls can't drive a car. Did you ever see how well Marie Gary handles hers?

Congratulations, West Allis, on your Fourth Anniversary. We'll try to be there

WESTERN PENNSYLVANIA FEDERATION NEWS

Pittsburgh, Pa.—I wish to express to everyone who attended the Federation Picnic at Portman's Grove in Moon Run, Pa., our sincere appreciation for their support in helping to make the picnic a success. Also to the committee in charge for their untiring painstaking efforts. I know just what it cost each in time and effort to bring about this success.

Action marked every minute of the afternoon and evening. Things just happened and happened. Beginning at 4 o'clock Field Sports were the center of attraction. There were some very exciting events, no world's records were broken, but then SNPJ athletes were not disgraced. Winners of the Athletic Events were: In the 50 yd. dash for men, John Lipesky of Verona, Pa., came in first. Clara Kvartich and Mary Slabe were tied for first place in the 50 yd. dash for women. Henry Drexler of Moon Run, Pa., won the Shoe Race for Boys, John Lipesky and Frank Ruske of Verona, Pa., were first in the Wheel Barrow Race, Julia Krely of Moon Run, Pa., won the Egg and Spoon Race for Women. The Tug-O-War between the members of the Senior and E. S. Lodges proved an easy victory for the Seniors. The Pie Eating Contest was a daisy with Matt Kern of Verona taking first prize.

After the Field Sports, on with the Dance. The Black and White orchestra furnished the musical inducements. The floor was crowded until the very last.

All in all the picnic was as Martin C. Uraker put it a "Humdinger" and no one knows better than he does if it was, and probably no one had a bigger part in making it a success than he did. Those few who missed it certainly passed up a real day of fun and entertainment. It was a grand and glorious time—start to finish.

EXCELCIORS LODGE 721

Aliquippa, Pa.—The Excelsiors' Third Anniversary Dance is going to be held on Wednesday, Oct. 25, at the Slovak Hall, Main ave., West Aliquippa, featuring Bill Taylor and his Joy Boys. Dancing will begin at 8:30 and end after midnight. There will be a good time in store for everyone attending with plenty of refreshments. We wish the cooperation of all neighboring lodges.

The committee in charge has done everything possible to make this dance a huge success. We are doing our part, now will everyone do his by attending this grand affair? A big surprise is in store for you. Don't forget the time and place to spend the evening with the Excelsiors.

Frank Struble Jr., Lodge 721.

leader will take the stage Saturday night, the first time for the Pioneers with this increased number. We have had five or seven piece orchestras frequently and on rare occasions even nine, but never before an eleven. Slowly and steadily we are climbing even with better and finer tones and quality of music.

Decorations "a la Century"

Nor is that going to be all. The Pioneer annual events are not complete without entirely changing the atmosphere of the place with a beautiful coat of pretty leaves, lines and colors. We're going to be up to date with the Century of Progress and put on a glistering exhibition of decorations. Those of you who visit A Century of Progress around October 7, must stop in for the Pioneer Dance, otherwise your visit shall not be complete. Pioneer night at the SNPJ Hall will compare favorably with the many World's Fair inns at one-fourth the price. And there will be no discrimination whether you buy beer by the dozen steins or none at all. For the Pioneers this will be a Dance of Progress of Eight Years and that's something.

The Spirit of Service

You'll be there; of course you will. And we'll be there to serve you the many good things to eat and drink and to see that nobody trespasses upon your liberties. The admission is only 30¢ with the cut rate tickets. Without them you'll have to pay 40¢. So you had better bring the tickets along. We especially invite the old folks to come and enjoy the service and music in the lower hall. We know that you'll go home contented and happy.

IMPORTANT ANNOUNCEMENTS

RESOLUTION

Detroit, Mich.—WHEREAS the Supreme Board of the SNPJ has taken the liberty to classify passive members with cancelled members without the consent of the convention; and

WHEREAS all liberties of the passives have been forfeited during the time of passivity, and at these times of low wages the Supreme Board's ruling regarding back assessments of passive members in a direct imposition to the working class of which we are all members, and

WHEREAS at this time when the SNPJ should be increasing its membership, it has taken upon itself the resolution by means of which it will, without a doubt, lose thousands of members who have helped make the SNPJ the fraternal organization that it is today. We, the Young Americans alone have thirty-two members on the passive list and we are in danger of losing all of them if no adverse steps are taken; and

WHEREAS the Supreme Board has overstepped its limits by demanding payment of passive assessments prior to July 1, 1933, when the new by-laws, passed by the last regular convention went into effect; therefore be it

RESOLVED, that we, the members of Lodge Young Americans, No. 564, SNPJ, are opposed to the Supreme Board's ruling "passed August 10, 1933, regarding the classification of passive members with the so-called cancelled members, insofar that they pay all assessments in arrears for a period longer than six months.

A copy of this resolution to be sent to Prosveska for publication and one to SNPJ main office.

HERE AND THERE WITH COMRADES

Cleveland, Ohio.—We wish to stage a little comeback after being absent for some time due to the fact that our time is taken up more now in the fall season than in the summer. We have always enjoyed writing for our lodge and we hope to contribute an article when the time shall be available. And now to get down to some real informations.

No doubt everyone has heard about the dance the Comrades are sponsoring on Oct. 7 in the lower hall of the Slovene National Home. But as no direct information has been given, we wish to inform our friends and lodges that our dance on Oct. 7 is our Annual Harvest Dance. And just for variety we are engaging the services of Van Sherrill and his 9 piece colored orchestra. This is going to be a novelty as seldom do we hear of a colored orchestra at the Slovene Home. Another feature at our dance in form of entertainment will be Joe Baldi and his Gold Bond Twins.

For refreshments, hot roast beef sandwiches with coffee, wine and the good ole three point two will be served. And we'll have plenty of it. The hall will be decorated in corn stalks, pumpkins, vines, crepe paper and what not. At this time we were requested to ask all the members of the entertainment committee to be sure and be on hand Friday evening, Oct. 6, to decorate the hall. Mark this nite in your date book, so you won't forget. Come on all of you, the more the merrier.

We left out the most important part. I suppose you're all wondering how much the admission will be. The price for our dance will be the old depression price of 25 cents. So we take this opportunity of inviting all our sister lodges, Progressives and Pals Inc., Beacons, and Beacon Bachelorettes, Strugglers and the New Eras. We'll be seeing you on Oct. 7.

Before continuing the Comrades wish to thank August Prusnick of the Loyalties and the Beacon Bachelorettes for advertising our dance in their articles in the Prosveska.

We were never more surprised than we were when we walked in on our Meeting and Rally. It really looked like a political meeting in a sense that there were so many people there. The program at Rally Nite Sept. 19, consisted of speakers and entertainment by Joe Baldi and the Gold Band Twins. These people offered their services and the Comrades certainly appreciated it. They are going to be present at our dance again on Oct. 7. Most of the English speaking Lodges were represented including Loyalties, Beacons and Strugglers. Something must have happened to the Pals, and Inc., they are never heard of anymore. Can't we sell you some tickets for our dance? Sure you'll come, won't you? We had quite a few of the Beacons there on our Rally Nite. One of the girls, Victoria Messee, had an easy time disposing of her Popularity contest tickets. You Beacon girls who wish to sell a lot of tickets, why not attend our dance?

We were checking dates on your calendar for future engagements, don't forget the Beacon's Anniversary dance on Nov. 12. At this time the Popularity Queen will also be selected. The Beacons are always willing to lend a co-operative hand, so let's do likewise.

While you're checking dates on your calendar for future engagements, don't forget the Beacon's Anniversary dance on Nov. 12. At this time the Popularity Queen will also be selected. The Beacons are always willing to lend a co-operative hand, so let's do likewise.

Odds and Ends

We wonder if we couldn't have "Oh" of Barberton come up to attend our Annual Harvest Dance. We've been thinking about Bob-up too. Thought maybe Bob-up would take over our column for a while. The Beacon Bachelorettes haven't told us whether they're in the Popularity contest?—Johnny Aynik did a mean trick at the Rally nite when he walked out of the meeting room just before he was called on to speak. We missed our secretary, Otto Tekautz.—Emil Klarchar of the Keystonians and his friend George Finney stopped in Cleveland on their way home from the World's Fair. Come again!—We were all surprised to see Mrs. Grill at our meeting. We hope she'll come again.—Once again, don't forget our Saint and Sinner.

"ANIMADVERSIONS ON THE RALLY NIGHT"

Cleveland.—The Comrades' Rally Night is past history. It was a success insofar as it provided a certain amount of entertainment for the greater number of people who came there for that sole purpose. For others it was a failure because it lacked the intrinsic elements which were needed to attain its goal.

The slipshod manner of carrying on the rally was disappointing. There was a lack of dignity in seeing Bro. Petrovic, our principal speaker, alone at the speaker's table with our president. Speakers from all the English speaking lodges were not present as planned. Two of the three acts which were hired up to appear failed to show and left the burden of the entertainment up to Anthony Korosec, magician, and the Gold Bond Twins with Joe Boldi. This last act was included at the last moment, fortunately.

This is the second (or third) rally which we have sponsored. What have we gained? Nothing! Many of those who attended did not even know what it was all about. They knew there was to be a dance and that's what they came for. Whether this affair has been instrumental in boosting our coming Harvest Dance is problematical. It is very doubtful whether it will result in the acquisition of any new members. It is my opinion that we should begin to plan to make our meetings more interesting for our own members and renew their co-operation and good fellowship by planning entertainments for them.

Harvest Dance

The committee in charge of the coming dance has secured the services of Van Sherrill and his 9 piece colored orchestra. This is going to be a novelty as seldom do we hear of a colored orchestra at the Slovene Home. Another feature at our dance in form of entertainment will be Joe Baldi and his Gold Bond Twins.

For refreshments, hot roast beef sandwiches with coffee, wine and the good ole three point two will be served. And we'll have plenty of it. FROM BADGERLAND

By Ritzi Mizzi

Milwaukee, Wis.—First of all I must reprimand Betty Bop for promising to disclose her identity at the Badgers' meeting, and then failing to do so. We'll expect you to make up for it at the next meeting.

For the last few weeks a few Badgers have been faithfully rehearsing a play entitled "When a Feller Needs a Friend." They are going to stage this play at 1309 West Walnut st. on Saturday, September 30, 1933, at 7:45 p. m. A dance will follow. The admission is 25c. You can get a ticket from any member of the cast which includes John Obluck, Frank Obluck, Marianne Bolick, George Henning, Marge Obluck, Frank Bolka, Tony Verbeck, Angeline Brene, Blanche Kosrog, and Betty Wegel.

Half of the proceeds will go into the Badgers' Treasury, and if you are a faithful Badger you'll buy a ticket. Mr. Henning is directing.

Next I want to announce that the Badger dance is just around the corner, October 7, to be exact. Here are two of the main attractions: Joe Cara-

vella and his 11 piece orchestra are going to play. Also \$5 is to be given away. The admission is 30c in advance, and 35c at the door. This is another event you won't want to miss.

Blanche Kosrog, well known in our midst, recently suffered a slight concussion of the brain in an automobile accident. I'm sure she'd appreciate some visitors. Here's hoping for a speedy recovery.

Some of you Slovenes surely missed a dandy meeting of the younger Socialist Club on Tuesday, Sept. 19. But you can come next month and be in on everything.

Betty Bop said that no one has come close to knowing who she is. Well, here's someone that has come very close, and now I wonder how close you have come to knowing who this is.

DYNAMIC DETROIT

By "Billy"

Detroit, Mich.—Sept. 17 will be long remembered by the Young Americans as the day that the Y. A's broke a four year jinx which the Wolves had cast upon them. Year after year, series after series the Y. A's came out second best.

Starting in 1929, the first year that the Y. A's organized, the Wolves took the series by the scores of 5-0 and 4-3. Kopmeyer pitched for the Wolves and Augie Vozel for the YAs. In 1930, the Wolves again took the series in two straight games. This time the scores were 7-5 and 13-3. In 1931 it was the same old story. However, the first game ended in a tie, 7-7. In this game Henry Kaitner and Joe Kopmeyer staged one of the most brilliant games ever witnessed on Wallace field. For 18 innings Joe and Hank battled it out but darkness finally halted the game.

However, the Wolves won the next two games and another year rolled by with the YAs eating the Wolverine's dust. In 1932 the Young Americans were the Highland Park Class A Champions and YAs supporters were sure that this was the year to end this jinx that the Wolverines held over the YAs. But the Wolverines entirely disregarded this and handed them two straight defeats. What was the use! Here the YAs had the best team in years and still their ARCH rivals defeated them.

In 1933 the Young Americans entered the Detroit Class A League while the Wolverines entered the Downriver League. Neither team made any headway in their respective leagues, and both teams had a bad season, however a win for either team would mean a successful season; so the two lodges arranged a One Game Series to settle the Detroit SNPJ Championship. Finally, after four years of patiently waiting, the Young Americans came out of their trance and began to administer a thorough lacing to the Wolves, the first victory for the Young Americans over the Wolverines in four years, but only after one of the most grueling games ever played between these two teams. The Wolves went down to defeat, clawing and fighting, by the score of 15-11.

The game started at 3 p. m. with a terrible wind playing havoc with every pitch, many balls falling safely and causing the outfields to be on the go from beginning to end.

The game was a typical Y. A. Wolverine game, and it opened up with J. Kern drawing a pass, Plasky grounded out, F. Straus singled and F. Kern doubled to score the first two runs for the Wolverines. In the Y. A. half the YAs scored 5 runs on 4 hits. Zrimec walked, Babich bunted a single down the first base line, E. Nagel struck out, Kaitner tripled scoring Zrimec and Babich, Werholtz singled scoring Kaitner and Goldie Golia tripled scoring Werholtz, Mihelich was hit by a pitched ball and R. Travnik hit a high-fly into left field, Golia scoring after the catch. Hostnik struck out to end the inning.
