NOVA FORMA VLADNE PRINA- JA V AMERIKI

Gospodarji Amerike so ustanovili novo vlado v Washingtonu; politična vlada ne zado-
stuje

Washington. — (F. P.) Ali prihaja v Ameriki nova forma vlade? Ali je politična vlada ne-
možna zadostiti direktivnim potrebam naše industrijske A-
merike? Slična vprašanja se ne-
hote vsiljujejo človeku, ko opa-
juje tekoče dogodke v Washing-
tonu, kjer predstavniški velebiz-
nis graje podlago novi gospo-
darji vladi, ki bo funkcionirala
sporedno z obstoječo politično
vlado ameriškega suverena (7) ljudstva.

Godeček organiziranja vele-
biznisne vlade je potrebno pod-
rtati. Kdo ve, ako ta godeček
ne pomeni začetka nove forme
ameriške vlade? Vsekakor po-
meni definitivno koncentracijo
ogromne politično-gospodarske
moči ameriškega velebiznisa, ki
se osredotoči v novi superorgani-
zaciji, kakršna je poznana v
nekotih drugačnih oblikah v Ru-
siji in v Italiji.

Ali pomeni to ustanovitev dik-
tature? Težko je označiti to
politično reorganizacijo z drugo
besedo kot diktatura, ki se bo
sicer razlikovala od diktature, ki
so jo v vojni vstale v nekaterih
državah. Vendar pa bo diktatura
v pravem pomenu besede, si-
ker ne diktatura palice in ječe,
vendar diktatura svoje vrste.

V kolikor se tiče ameriškega
ljudstva, to pomeni gospodar-
sko diktaturo, ki bo podobna Da-
molejevemu meču, ki se vedno
bolj dviga nad Ameriko. Občutili
bo sleherni posameznik, ki je
v boju za obstanek, ker potenci-
jalna moč te nove organizaci-
je velebiznisa, katere namen je
stabilizirati kapitalistično struk-
turo, je velika. Rohneti proti njej
bi bilo neumnost, ker je to na-
ravna posledica velike koncent-
racije kapitala.

Nacelnik nove vlade, ki je po
stroju "prostovoljna" in "po-
svetovna", je Julius Barnes,
predsednik Ameriške trgovske
zbornice. V izvrševalnem odbo-
ru, ki je v procesu sestavljanja,
od deset do petnajst najodli-
čnejših voditeljev ameriškega
kapitalizma. Poleg tega bo tudi
"nizja zbornica", v kateri bo se-
delo okrog 50 najmočnejših ka-
pitalistov. V izvrševalnem odbo-
ru bodo reprezentirane važnejše
industrije in v posvetovalnem
odboru velike korporacije.

Na organizatoričnem zborovan-
ju so gospodarji želele govori-
ti o potrebah velebiznisa, dajali
prijube za nov razmah industri-
je in vidika stabilizacije. Prepre-
čanje brezposelnosti je bilo glav-
no zborovalcev, o čemur so
govorili v splošnem, kar je dvo-
smislno vrednotili. Očividno je, da
je ameriški industrijski aparat
prišel do razvoja in točke, ki za-
hteva centralnega vodstva in
planiiranja. Ker ljudstvo ne ma-
ta socializma, ki bi uravnal go-
spodarstvo dežele na principu
splošnega blagostanja, bo dobi-
lo kapitalistični vrhovni svet, ki
bo deželo napravil še varnejšo
za velike profite in tiste, ki jih
prejemejo.

Primanjkanje vode na zapadu
Vancouver, B. C. — V državi
Washingtonu in po zapadnem
delu Kanade je nastalo veliko
pomanjkanje vode v svrhu proiz-
vajanja elektrike. V Vancou-
verju je mesto moralo omejiti
obrat cestnih železnic na polo-
vico. Delovni čas je bil radi te-
ga omejen na štiri ure na dan.
Na pomanjkanju elektrike tudi
izredno trpi mesto Seattle in
skupaj ves distrikt na Puget
Soundu. V severnem delu Skal-
patega gorovja je bilo izredno
malo dežja že od zadnje spoml-
ni in veliki vodni rezervarji so
tudi tega jako upadli.

Dramatik Toller spoznal Ameriko

Nemški pisatelj pravi, da ame-
riški delavec ne uživa nebes

New York. — (F. P.) — Slo-
viti nemški dramatik Ernst Tol-
ler je mnenja, da ameriški dela-
vec ni nič na boljšem, ako ne na
slabšem, kot je njegov tovariš
v Evropi. Kadar ima delo, je
njegov položaj boljši od položaja
evropskega delavstva. Kadar je
brez dela, je pa ameriški dela-
vec veliko večji revež kot je de-
lavec v Nemčiji, Angliji in dru-
gih industrijskih državah, pravi
Toller.

Svoje vtise o bogati Ameriki
je podal pred povratkom v do-
movino. V Združenih državah
je nahajal par mesecev v svr-
ho študiranja delavskih razmer.
On vidi večji pojav brezposelnosti,
katero bo prinesla deloma tekoča
depresija in deloma izboljša-
nje strojne produkcije. O For-
dovem vplivanju plač se je izrazil
nekoliko cinčno, ker je v De-
troitu slišal o njegovem siste-
mu odpuščanja starejših delav-
cev in o drugih načinih Henry-
jeve ekonomije.

"Amerika se očitno ne briga
za brezposelnost, bolne in
stare delavce; k večjemu so le
predmet nad katerim periodično
tarnajo bogate dame in vodite-
lji raznih dobroteljskih ustanov."
karakterizira Toller našo snobo-
kracijo. On se čudi pomanjkljivi-
vosti razne socialne zakonodaje,
radi česar slovi Amerika v de-
lavskih krogih širom sveta.

Toller je bil več let v ječi radi
vodilnih aktivnosti v rdeči revol-
uciji na Saksonskem, do katere
je prišlo po vojni. On je avtor
mogočne drame "Masses", s ka-
tero si je pridobil svetovno pri-
znano. V nji slika viharno živ-
ljenje in vzburkanje revolucio-
narnih valov povojne Nemčije.

Fordova evropska mezda izzvala proteste

V Nemčiji, Franciji in Jugosla-
viji nasprotujejo ameriški
mezdi za evropske delavce

Berlin, 10. dec. — Načrt Hen-
ry Forda, ameriškega avtomobilskega
magnata, da uvede v
svojih evropskih tovarnah tako
visoko mezdo v evropskih valu-
tah kot jo prejema njegovi de-
lavci v Detroitu, je izzval vihar
protesta v Evropi. Nemški in-
dustrialsci se protivijo temu. Pri-
družili so se tudi francoski de-
lodajalci, ki pravijo, da je For-
dov načrt "forma finančnega
dumpanja in nepoštena konku-
renca z indirektno subvencijo
delavcev."

Oglasili so se tudi tovarnarji
v Jugoslaviji in izjavili, da je
nizka mezda potrebna v Evropi,
kajti edino na ta način je mo-
goče evropskim deželam konku-
rirati z Ameriko. Italijanski fa-
sisti tudi napadajo Fordov na-
črt, češ, da Fordova mezda "od-
pira vrata sovražniku."

Razstrelba raztrgala pet delavcev
Madrid, 10. dec. — Pet delav-
cev je bilo večraj ubitih in več
ranjenih pri eksploziji v tovar-
ni streliva v Oviedu.

DAVIS PRIPORO- ČA SELEKTIVNO IMIGRACIJO

Rad bi zapri vrata tudi iz Kana-
de in Mehike

Washington, D. C. — James
Davis, tajnik delavskega depart-
menta, ki je ob enem direktor od-
delka za naseljevanje, je v svo-
jem letošnjem poročilu kongre-
su povdaril, da je strogi nase-
lniški zakon zelo omejil število
priselnikov iz Evrope, toda Ka-
nada in Mehika sta še vedno od-
prti domačinom teh dežel. Davis
priporoča, da se kvotni sistem
uvede tudi za naše sosedo.

Kanada sicer ni noben prob-
lem, notira Davis, ker število
starih priseljenecov od tam pa-
da že od leta 1925. Koncem ko-
ca so domači Kanadčani, ki so
anglosaškega pokolenja, še do-
brodošli. Drugače je z Mehiko,
čeprav je v zadnjem fiskalnem
letu prišlo okrog 40,000 Mehi-
čanov semkaj proti 68,000 v le-
tu 1927. Davis zaključuje, da je
naseljevanje iz latinskih dežel
škodljivo našemu življenjskemu
standardu. Dalje Mehičani pri-
hajajo sem le kot navadni de-
lavci (laborers), katerih Ameri-
ka vedno manj potrebuje.

Davis priporoča kongresu, naj
se uvede sistem "selekcije imi-
grantov." To se pravi, da konzul
izbira selce izmed priselcev v
dotični deželi in odobru-
je take, ki so nam "zajeljeni",
predvsem take, ki so izurjeni de-
lavci, ker preprostih cenjenih
delavcev Amerika ne potrebuje!

Novo platformo zahtevajo Laboristi v Detroitu za inovativni strankin program

Duluth, Minn. — Med tuka-
jnimi pripadniki Farmer-Lab-
or party, kakor tudi širom Min-
nesote, se pojavlja novo življe-
nje. Na sestanku, ki se je vrtil
prošli teden, je bilo opaziti, da
se aktivni člani ne zadovoljujejo
z konservativnimi tendencami,
ki so objele stranko v zadnjih
par letih.

Urednik "Labor Worlda" Wil-
liam McEwen je konferenci
predložil resolucijo za izdelanje
novega in bolj izrazitega pro-
grama. Resolucija je bila odposla-
na izvrševalnemu odboru stran-
ke z zahtevo, da izdela nov pro-
gram in ga v svrhu razmotriva-
nja pošlje vsem strankinim po-
stojankam pred prihajajočo kon-
vencijo, ki se vrši meseca marca.

Glavni govornik je bil Willi-
am Mahoney, urednik "Union
Advocata" iz St. Paula. Na se-
stanku je prevladovalo mnenje,
da se morajo v stranki izčistiti
pojmi in da mora postati stran-
ke opozicije v pravem smislu
besede.

Butlegarski delavci zmagali v stavki

Izvojevali so višjo plačo "od ko-
sa" v Detroitu

Detroit, Mich. — Tihotapski
delavci, ki prevažajo moko bino
čez Detroitsko reko iz Kana-
de na ameriško stran, so pred
nekaj dnevi zastavali in sijaj-
no zmagali, kot se glasi zanes-
ljivo poročilo iz butlegarskih
krogov. Prevaževalci so prej do-
bivali \$1.50 do \$2.50 od zaboja
s pivom in \$8 do \$10 od zaboja
z žganjem. (Razume se, da v za-
boju so steklenice). Toda zdaj
pomisli, če reka zamrzne, je de-
lo veliko bolj hazardno in ris-
kantno, zato je upravičen večji
zaslužek.

Stavkarji so izvojevali novo
lestvico: \$3 od zaboja s pivom
in \$15 od vsakega zaboja z žgan-
jem. Butlegarski magnatje, ki
prejemajo to blago, seveda niso
nič na izgubi. Pripisali so novo
ček k cenam blaga in plačati bo
moral končni odjemalec!

Sovjeti se smejejo ameriški haitski aferi

Hoover ostro kritiziran v kon-
gresu radi predlagane preli-
kave

Moskva, 10. dec. — Sovjetaki
listi v Moskvi imajo dosti zabave
z ameriško vojaško akcijo na
otoku Haiti, ki jim je prišla ka-
kor nalašč. Listi vprašujejo, kje
je zdaj državni tajnik Stimson,
da bi samega sebe opozoril na
kritev Kelloggovega pakta, ki
ga je haitska vlada tudi podpisa-
la. "Pravda" piše, da ameri-
ški imperialisti, ki obtožujejo
sovjete kršenja Kelloggove po-
godbe, se ne obotavljajo poslužiti
se krute vojaške sile za potla-
čenje revolte v tujih deželah.

Washington, D. C. — Pred-
sednik Hoover je bil v ponedeljek
ostro kritiziran v kongresu, ko
je prišlo na dnevni red njegovo
priporočilo za preiskavo razmer
na Haitiju. Kongresnik Muddle-
ston, demokrat iz Alabame, je
dejal, da je Hoover sam odgovor-
en za sedanje nemire na otoku.
Hoover je sicer podedoval haitsko
diktaturo od Coolidgeve ad-
ministracije, a ni se pobrigal,
da bi bil takoj izboljšal položaj
domačinov. Zakaj je treba pre-
iskave? Hoover dobro ve, kako
je na Haitiju, saj ima tam ko-
misarja Russella, ki je pravi
vladar otoka in haitski pred-
sednik Borno je le njegov sluga, je
rekel Huddleston.

V senatu je Shipstead iz Min-
nesote dejal, da se boji, da bo
preiskovalna komisija samo po-
bella črne madeže ameriških
zločinstev na otoku.
Port-Au-Prince, Haiti, 10. dec.
— Veste iz notranjosti otoške de-
žele se glase, da se nemiri in kr-
vavi spopadi nadaljujejo. Med-
tem pa ameriški konisar, bri-
gadni general Russell, hladno-
krvno poroča, da je "vse mirno
na otoku."

jak Maks Mohar težko pobil pri

ski listi so zelo pohvalili našega

Amerika stopila v mednarodno sodišče

Zeneva, 10. dec. — Jay P. Mo-
fat, skrbnik ameriških poslov v
Švici, je večraj podpisal tri do-
kumente, ki določajo, da Zdru-
žene države stopijo v mednarod-
no sodišče v Haagu z gotovimi
pridržki. Dokumenti morajo biti
ratificirani po američkem sena-
tu, kjer se pa pričakuje oster
boj in ratifikacija še ni gotova
stvar.

Se ena sodnijska prepoved
Cleveland. — Zvezni sodnik
West je poklonil E. H. Scott
kompaniji sodnijske prepoved
proti uniji voznikov. Družba je
pred nekaj tedni raztrgala ko-
lektivno pogodbo, nakar je sledi-
la stavka.

FEDERACIJA OBLJUBILA PO- MOČ KROJAČEM

Green obljubil podporo v slu-
čaju stavke; spopad o vprašanju
delavske stranke. Dolg teži
organizacijo

Cleveland. — (F. P.) — Kro-
jači, ki so organizirani v Inter-
national Ladies Garment Work-
ers uniji, smejo pričakovati mo-
ralno in gnotno podporo od A-
meriške delavske federacije. O
tem je zagotovil konvencijo Wil-
liam Green, ki je pred delegati
ponovno povdarjal pravno takti-
ko ameriških unij.
"Delavci hrepenijo po delu in
miru v industriji," je rekel
Green. "Delavsko gibanje se sku-
ša izogniti stavkam. Mi si mo-
no prizadevamo, da ustvarimo
sporzumevanje med delavci in
podjetniki. Delavsko gibanje ne
priznava nobene religije, rasne
barve ali narodnosti. Komunistem
in razredno sovražno ne smeta
imeti nikakih simpatij v naših
vrstah."

Kljub temu se unija priprav-
lja na generalno stavko v bran-
i oblačilne industrije za ženske
obleke, v kateri bo direktno pri-
zadetih okrog 80,000 krojačev.
William Green pa je obljubil po-
poro stavarjem, kar se silabo u-
jema s filozofijo o "spravi med
delom in kapitalom."

Vrednjenje o ustanovitvi delav-
ske stranke. Sprožil jo je pre-
janih socialistični sodnik in gra-
ditelj unije Jakob Panken. Pro-
ti njemu je nastopil Matthew
Woll, ki je argumentiral, da v
Ameriki ni mogoče ustanoviti
delavske stranke radi omejenosti
dežele. Gevceva sta med drugimi
tudi James H. Maurer, soc.
koncilman iz Readinga in Abra-
ham Kahan, urednik vplivnega
"Jewish Daily Forwarda".

Konvencija je tudi sprejela
priporočilo za pet dolarjev izred-
na letnega asesmenta za porav-
navo dolga, ki tlači unijo. Dolg
znaša milijon dolarjev, ki so ga
napravili v stavki leta 1926 v
New Yorku, ko so bili na krmilu
komunisti. Stavka je stala nad
dva in pol milijona dolarjev. V
smislu sprejetega zaključka bo
vzelo šest let za izplačanje dol-
ga, ki jako ovira delo organizaci-
je.

Kitajska zmešnjava

Kaifek se neče podati vatašem;
podpisal je mandžursko-ruski
pakt

London, 10. dec. — Predsednik
Kaifek je večraj informiral ki-
tajske poslanstvo v Londonu,
da je odobril preliminarno mi-
rovno pogodbo s sovjetsko Ru-
sijo, katero so podpisali delegat-
i obema poročila kitajskega oficie-
lna častnikarskega agentura Kuo
Min, da Kaifek ne poda ostavke.
Brzojavka se glasi, da je Kaifek
rekel: "Odlučno bom vztra-
jal, da zadušim revolto in vodil
bom boj z reakcionarji do kon-
ca."

Sangaj, 10. dec. — Vojaška
revolta na Kitajskem se še ved-
no razširja in položaj centralne
vlade je skrajno slab. Večraj je
vladni general Tang Seng-ši s
50,000 vojniki prestopil na rebel-
no stran in začel prodirati iz Ho-
nana proti Hankovu in Vučangu.
Vstaske bombe iz zraka o-
grožajo Nanking. Večje število
Američanov in Angležev je za-
pustilo Hankov in odpotovalo v
Sangaj, kjer je zbirališče ino-
zemskih begunov.

Sto mrtvih vled viharja na morju

London, 10. dec. — Silen mor-
ski vihar ob obrežju Anglije in
Francije je potopil večje število
manjših ladij in več kot sto o-
seb je izgubilo življenje. Vihar
traja že štiri dni. Preko 50 la-
dij je večraj klicalo na pomoč.

Povečana produktivnost

Upeljavajo moderne metode tu-
di v gradbeno industrijo; pod-
jetniki razdeljeni o skrajšanju
delovnika

Chicago. — (F. P.) — Kom-
pletno revolucioniranje produk-
cijskih metod je že doseglo tudi
gradbeno industrijo. Predsednik
Turner Construction kompanije
H. H. Fox piše v "American
Contractorju", da je ta družba
zvišala produkcijo v zadnjih štiri-
h letih za 40 procentov na mo-
da. Z drugo besedo povedano:
pri tej družbi danes napravi pet
mož toliko dela kot ga je pred
letom 1925 napravilo sedem de-
lavcev.

Od sedmih delavcev sta dva
moža torej izgubila delo. Dru-
ba je dosegla večjo "efficiency"
z boljšim urejenjem dela potom
novih metod in strojev in s bolj
intenzivnim delom posameznega
delavca. Graditev nebotičnikov
in drugih večjih poslopij je danes
podobno delu v Fordovih to-
varnah.

Glede skrajšanje delovnika v
gradbeni industriji so podjetni-
ki o tem vprašanju razdeljeni,
vendar mu pa nasprotuje večina.
Fox pravi, da je s upeljanjem no-
vih metod možno skrajšati de-
lovnik na pet dni v tednu. Edini
pogoj je ta, da znižanje delovni-
ka ne sme pomeniti znižanje pro-
fitov ali povišanje produkcijskih
stroškov, pravi Fox.

Magnat Insuill pripo- roča veliko armado

Vidi potrebo vojaške discipline;
vojna najbrž ni oddaljena

Chicago. — Samuel Insuill, vo-
dilni javnonpravni magnat, je
s svojega stališča velik realist.
V svojem govoru pred armado
rezervnih oficirjev je napovedal
novo vojno, do katere bo prišlo
prej kot si pa mnogi predstav-
ljajo. Po njegovem mišljenju
je radi tega potrebna velika ar-
mada civilistov, ki bo priprav-
ljena za vsak slučaj.

Insuilla se lahko smatra tudi za
nekakšnega preroka. On namreč
vidi možnost notranjih konflik-
tov, kar je razvidno iz opazke,
da "vojna mogoče ne bo prišla
od zunaj. Ni še tako dolgo, ko
sem kot deček slišal razgovore o
konfliktu med enim delom Zdru-
ženih držav z drugim" (civilna
vojna), je oficirjem povedal mo-
gočni magnat.

Ker si pa ni mogoče predst-
ljati situacije, ki bi vodila do
vojne med dvema deloma Ame-
rike, je imel Insuill v mislih voj-
no med dvema razredoma. To
prerokovanje mogoče ni več vred-
no kot se vredna vsa prerokova-
nja; vendar se pa to mnenje
vedno bolj širi v vladajočih kro-
gih, posebno zadnje leto.

Insuill polaga tudi veliko važ-
nost na potrebo poslušnosti.
"Vam, ki sedite pred menoj, je
znan pomen poslušnosti in dis-
cipline. Največja napaka mlade
generacije je pomanjkanje
respekta in poslušnosti do zaka-
nov in predpostavljanih orga-
nov," je pridigal Insuill, ki je po-
tročil več stotisoč dolarjev za
izvolitev svojega kandidata za
senatni stožček in ki potroši mi-
lijone dolarjev za kupovanje
vladnih funkcionarjev.

STAVKA RUDAR- JEV IZZVALA VOJAŠTVO

Levičarska unija si prizadeva
ustaviti obrat v Illinoiskih pre-
mogorovih; vojaštvo poslano v
stavkovno okrožje; prihodnji
teden se odpre boj na sodišču

Taylorville, Ill. — Prvi dan
stavke Illinoiskih rudarjev, ki
se je pričela pretekli ponedeljek
pod vodstvom levičarske National
Miners unije, je uspela to-
liko, da je bilo poslano vojaštvo
v južni Illinois. Kolikor je raz-
vidno iz prvih poročil, je stavka
omejena le na okrožje Taylor-
ville, kjer je na stavki okrog tisoč
rudarjev.

Pri rudniku št. 58 Peabody
Coal kompanije se je v ponde-
ljek jutraj zbralo okrog 400 pi-
ketov (poročilo pravi, da so bili
oboroženi), ki so preprečili obrat.
Rudarji, med katerimi je
bilo večje število žensk, so nato
prišli z demonstracijami po me-
stu in ob četrti uri popoldne so
odkorakali v bližnjo naselbino
Langleyville k rovu št. 9 (Peabody
družbe), da pridobe rudarje
za stavko.

Superintendent je rudarje
pridržal v rovu dve uri in med
tem pa poklical na pomoč šeri-
fa, ki je zapregel 50 izrednih
deputijev. Ko je prišel šerif s
svojo armado k rovu, so bili ru-
darji odpuščeni iz rova in na ve-
dernem shrovanju so skienili,
da se pridružijo stavki. Stav-
karji so tudi skienili, da v torek
jutraj odkorakajo k rovoma št.
7 in 8, ki sta v posesti Peabody
Coal kompanije.

Serif je telefoniral državnim
oblastem za vojaško pomoč. Na
lice mesta sta bili poslani dve
kompaniji milice — po številu
600 mož — iz Springfielda in
Deaturja. Do ponedelja nemi-
rov ni prišlo; stavkarji so le po-
zivali rudarje, da se pridružijo
stavki, češ, naj vrag vzame ru-
darsko unijo (U. M. W.)

Stavka je v prvi vrsti naper-
jena proti distriktni organizaci-
ciji, ki je v boju z Lewismom in
levičarsko unijo. Stavkarji za-
htevajo petdnevnik, šesturnik,
minimalno tedensko plačo \$35,
enake pravice za črnce in odpra-
vo "check-off" sistema. Glede
prvih treh zahtev je potrebna
močna in jako efektivna organi-
zacija, predno jih bo mogoče iz-
vojevati. Glede četrte zahteve
so imeli črnci in imajo še tudi
iste pravice in privilegije. Ru-
darski uniji kot belokožci. Zud-
arski zahtevo, proti kateri se po-
djetniki niso še nikdar borili, bi
bilo primeroma lahko izvojevati.

Voditelji distriktno organizaci-
cije pravijo, da se je klicu stav-
ke odzvalo le manjše število ru-
darjev. V sedanji situaciji si je
tudi nemogoče predstavljati u-
spešno lokaliziranje stavk. Re-
zultat stavke, tudi ako bi se ji
odzvala pretežna večina rudar-
jev, mora v sedanji situaciji i-
meti le zle posledice za rudarje
in za distriktno organizacijo, ki
nudi kljub svojim hibam vsaj
nekaj protekcije rudarjem.

Prihodnji ponedeljek se prične
sodnijska obravnava o sporu
med Lewismom in distriktno or-
ganizacijo. Od rezultata tega
sodnijskega procesa bo odvisna
bodnotnost distriktno organizaci-
je in UMW na splošno. Ako bo
Lewis poražen, poročajo iz za-
nesljivih virov, da bo na pozori-
šče zopet stopil John Brophy in
pomagal reorganizirati unijo.

DRUŠTVENE VESTI

Collinwood, O.—Naznanjam članstvu društva št. 53 sledeće: Ker je bil sklep novembraške seje, da se povabilo za sejo dne 6. decembra v todelni Prosveti, sem to storil, spisal dopis v četrtak 28. novembra za objavo 4. decembra, da dopis ni nikjer. V nedeljo 1. decembra sem poslal drugi dopis radi umrlega člana, da se toka v dnevniku. Dopis ni nikjer. Prvo pismo sem dal na pošto na St. Clair in E. 129 st. ob 11. dopoldne, ki je gotovo bilo dostavljeno v Chicago v soboto 30. novembra, drugo sem dal 1. decembra na Waterloo in E. 156 st., ki je bil gotovo v Chicago v ponedeljek popoldne 2. dec. Oba sem imel naslovljena za nazaj, pa ni ne pisem in ne dopisov. Moja krivda ni, če ni bilo naznanila v Prosveti, in niti onega, kar so nekateri želeli, da opišem. Ravno nekam tako sem storil tukaj doma, pa v tem za enkrat naj bo, drugič bom pa drugače govoril.

Sprejelo pa je sklep, da bi se ustanovila alična federacija društev SNPJ v westmorelandskem okraju. Brackensridge, Pa.—Is urada društva št. 375: To društvo obstoja že precej časa. V javnosti se le redkokdaj kaj sliši o nas, ker nihče ne mara poročati o naših vsmerah, ki niso posebno dobre, temveč slabe.—Dne 15. decembra se bo vršila glavna seja našega društva, pričetek točno ob 2. pop. Ivolimo dobre odbornike, da se ne bomo čes par dni kesali. Upam, da me vsak razume, kaj hočem s tem reči. Če bo treba, bom pa posneje bolj natančno o tem poročal.—Predsednik.

Caddy, Pa.—Društvo št. 219 privedi domačo zabavo dne 31. dec. ob Silvestrov večer. Kot običajno vsako leto bo tudi letos društvo preskrbelo zabavo za mladinski oddelak. Tako je bilo sklenjeno na društveni seji. Volje bomo nov odbor za 1. 1930. Seja se vrši popoldne. Pridite vse!—Frances Vidrick, tajnica.

Stimson postal "goat" Hooverja Washington.—V Washingtonu prevladuje mnenje, da ga je Stimson "polomil" s svojim pastirvom Kelloggove pogodbe največ radi Hooverjevega prizadevanja. Blamaže je sicer deležna vsa administracija, vendar mora nositi butaro zunanji tajnik. Njegov opomin Rusiji in Kitajski je prišel namreč veliko prepozno, ako hoče Amerika postati visoki pastir Kelloggove pogodbe.

Letna seja krajevskih društev SNPJ

Pravila SNPJ zahtevajo, da se vsak član mora udeležiti vsaj vsaj tretje seje svojega društva, letna seja je so pa še izredne važnosti. Ako tega ne storil, za društvo lahko po pravih kazenskih vrhu tega pa mu nalozil, če take skleno, ker ima pravico, tudi svoje društveno aasment. Pri tem so izavesti vsotji le bolni in tisti člani, ki opravljajo najno delo. De so letna seja važnega pomena za vse člane, ve lahko se slobodni član. Waukegan, Ill. — V našem domu je v tej sezoni zelo živahno. Društvo "Sloga" št. 14 SNPJ je ob veliki udeležbi praznovalo 25 letnico obstoja na Zahvalni dan...

Tudi drugorodci imajo v Slovaškem domu razne prireditve, kakor shode, igre, koncerte in domače zabave. Vse to dokazuje, da Slovenci narodni dom v Waukeganu. Obema društvoma čestitamo k jubileju, in iskrena želja jima za moralno in materialno pomoč pri delu za napredok naselbine.

Človek, ki naredi gotovo obljubo in iste ne vrši, je ravno tak kot otrok, ki pred božičem stori vse obljube in nadi, da bo dobil dosti daril, po božiču je pa ravno tak kot preje. Delavstvo, ki se organizira v svojih organizacijah, mora biti toliko pošteno s seboj, da bo držalo svoje obljube, mi smo organizirani v SNPJ za koristi vseh, in ker daje ta organizacija enake pogoje vsem, je dolžnost vseh članov, da se aktivno zanimajo za nje procvet in napredok.

Na to sejo ste vabljeni vsi člani SNPJ, kateri živite v Summitu in okolici, da se zagotovo udeležite in pripeljete s seboj prijatelje SNPJ oziroma kandidate, kateri nameravajo pristopiti v jednoto še ta mesec. Na tej seji se bo volil začasní odbor. Ako hočete, da postanete ustanovitelji tega novega društva, udeležite se te seje v nedeljo dne 15. dec. Na svidenje! Frank Vidmar, organizator.

Clanstvo društva št. 205 Duluth, Minn. — Ker se članstvo društva "Leo Tolstoj" št. 205 SNPJ tako slabo udeležuje se, si štejemo v dolžnost, da jih, potem tih vratih opominimo, da se vrši letna seja 15. dec. dopoldan. Upam, da se vas bo toliko udeležilo, da bomo lahko fivollili odbor za prihodnje leto. Pomnite to, da ste dali svečano obljubo ko ste pristopili k SNPJ, da se boste ravnali po pravilih, ki določajo, da se mora vsak član vsaj vsake tretje seje udeležiti, kar pa niste vršili v tem letu.

Clanstvo društva št. 7 Claridge, Pa. — Kot drugod, tako tudi pri nas ne spimo, posebno pa mladina. Tudi tukaj se je ustanovilo angleško govoreče društvo za našo mladino, ki nosi št. 897 SNPJ. Izgleda, da agitacija za novo društvo med mladino bo dobro uspeša. Razume se, da začetek je povsod težak, sedaj pa upamo, da bo šlo delo naprej, kajti v tej okolici je veliko naše mladine.

Clanstvo društva št. 53 Collinwood, O. — Z delom gre v Clevelandu bolj slabo. Mnogo delavcev išče dela, ali zaman. Veliko tovarnen je zaprtih, nekateri obratujejo le polovično, druge pa tretjinsko.

Clanstvo društva št. 7 Claridge, Pa. — Kot drugod, tako tudi pri nas ne spimo, posebno pa mladina. Tudi tukaj se je ustanovilo angleško govoreče društvo za našo mladino, ki nosi št. 897 SNPJ. Izgleda, da agitacija za novo društvo med mladino bo dobro uspeša. Razume se, da začetek je povsod težak, sedaj pa upamo, da bo šlo delo naprej, kajti v tej okolici je veliko naše mladine.

Treba je pripomniti, da jim gre naše staro društvo št. 7 SNPJ dobro na roko in jim vselej rado pomaga. Pri tem naj omenim, da društvo št. 7 priredi 3 članske veselice na pusti večer in v ta namen sta določeni dve nagradi. Na letni seji društva št. 7 je bil izvoljen sledeči odbor: preds., Lovrone Sturm, Box 202; podpred., John Modnik, Box 87; taj., John Srebernak, Box 146; zapisnikar, Jos. Jereb, Box 451; blagajnik, Fr. Jats, Box 133. Preds. nadzornega odbora je Mike Baloh ml., Box 212; bolniški nadzornik John Zagorc, Box 324.

Otrokom brez spremstva staršev vstop ne bo dovoljen. Program božičnice bo lep, naktar bo sledila delitev daril članom Mladinskega oddelka, kakor tudi onim, ki še niso člani SNPJ. Priporočila se vsem onim, ki imajo svoje otroke pri SNPJ, da jim pojasnijo pomen te božičnice pod pokroviteljstvom čikaških društev SNPJ, da bodo vedeli ceniti delo naše vrste jednote in njenih društev. Več o tej prireditvi prihodnje sredo.

Miklavšev večer Bridgeport, Ohio. — Društvo št. 13 in 640 sta priredili veselico dne 28. okt., katere čisti dobiček je bil namenjen, da se na izkoriščal, sveda za še večji profit. Zato vas opominjam, da se prebudite in postanete aktivni na društvenem, strokovnem in političnem polju, kajti če hočemo, da si izboljšamo naš položaj, moramo to storiti sami in vsi. Prej ko se zdramite, prej bomo uživali sad, po katerem stremi mala skupina delavcev in česar bo deležna vsa masa delavskega razreda.

Pričnimo pri podpornih društvi, udeležimo se seji redno, razpravljajmo na teh sejah tudi o ekonomskem položaju, osnujmo odbor za protekcijo našega članstva, da ne bodo gotovi ljudje, ki črnili naše člane pri korporacijah, kjer potem zgrubijo delo. Naše društvo posluje ter ima pravico poslovati v tej državi, ne da bi se jim bilo treba bati, da bi zgrubilo delo. Pridite na sejo vsi, bomo videli kaj se more narediti, da se ustavi spijonaža med našimi ljudmi.

Editorial Notes

NAMES misspelled? If you at any time find your name misspelled in the pages of the Prosveta, do not blame either the editor nor the printer. Many correspondents are very careless in writing proper names. Even though the name be spelled correctly, so far as a correspondent is concerned, the writing is often so illegible that it cannot be deciphered, and the blame, therefore, should be placed where it rightfully belongs. Make it a point to write your letters discernible, and so that they are double-spaced when typewritten and intended for publication. Private, personal letters need not be double-spaced.

POOR meetings? Complaint is often made of poorly attended, uninteresting lodge meetings. If the officers of a local lodge will arrange studied programs there will be no such meetings. They should divide responsibility among the members, and they will become interested in their lodge meetings. Lodge officers should distribute these responsibilities so that they will have a direct supervision of the execution of the work the individual member is assigned to perform. The business side of the meeting should be dispensed within the shortest time possible, to be followed by interesting discussions, programs and entertainments.

SEVEN mistakes of man. There are seven mistakes of life that many of us make, a famous writer is credited of saying, and he gave the following list:

1. The delusion that individual advancement is made by crushing others down.
2. The tendency to worry about things that cannot be changed or corrected.
3. Insisting that a thing is impossible because we ourselves cannot accomplish it.
4. Refusing to set aside trivial preferences, in order that important things may be accomplished.
5. Neglecting development and refinement of the mind and not acquiring the habit of reading and study.
6. Attempting to compel other persons to believe and live as we do.
7. The failure to establish the habit of saving money.

CONTRIBUTORS wishing to criticize or expound their views on any subject no doubt will accomplish much more under their proper signatures than they would by assuming pen names. Speaking in the name of a lodge it is always advisable that the individual lodge officer signs his name for publication. Some of the recently formed lodges have acquired the habit, it seems, to announce their meetings, dances and other lodge functions by attesting to their notices some suitable nom de plume. Please bear in mind that official announcements must be properly signed for publication in order that they may carry the desired importance, resulting in a well-attended affair. Here we are not referring to official notices appearing regularly in our permanent "feature" columns, but only to classified lodge notices and criticism.

ANNUAL ELECTIONS

Milwaukee.—The annual election of officers for Lodge Badgers No. 584 will take place at Tamah's Hall, 3rd and National, this Friday, Dec. 13.

We want EVERYBODY out. Now do your share and elect officers which you know will do the work the way it should be done. Don't elect someone for a certain office just because you like that person—but because you know they are going to be best suited for the job.

This isn't a trivial matter—but one that demands attention and thought. Before you come to the meeting—have in mind the names of those you are going to elect and then—BE SURE THAT THEY ARE THE ONES FOR THAT PARTICULAR OFFICE.

Remember—you are the one that will have to serve those you elect and we all like to work for those whom we know will do everything they can for the lodge and PUT THINGS OVER WITH A BANG!

The Entertainment Committee has a swell program mapped out and, of course, refreshments will be served. Remember the night—the place—and the purpose of the meeting!

Here's hoping everybody will be present!
Frank C. Perko, Jr., Secretary.

ELECTION OF OFFICERS

Kenosha, Wis.—I have been looking at the progress of the SNPJ English-speaking lodges for the past three years, and one thing that I have found out was this:

That every organization must have a very good set of officers, by that I mean, pick a candidate that has some confidence in the lodge as well as being capable for the position he or she is suitable for. Another thing which concerns the members, don't vote the same way as your friend would, unless you are sure that person he or she is voting for will make the best officer. Don't copy from one another as if you were in the first grade. Every one has brains; you can use them in the right way. After your officers are elected always has this in mind: 1. Co-operation, 2. Confidence, 3. Civility.
Joe M. Repael.

IMPORTANT NOTICE!

There will be a meeting of the Western Division Saturday, Dec. 14, at 8 p. m. at the SNPJ home in Waukegan, Ill. election of officers and other important business will take place. Every lodge in the above division should have one representative.
Rudolf Penza, Sec'y.

MACDONALD'S TOLERANCE

An interesting example of the gentleness of character of Ramsey MacDonald, Britain's new Labor Premier, is given by an Austrian newspaper. While the Conservative party was in power last year, a fellow parliament member came to Mr. MacDonald and heartily told him about some of the indiscreet and fire-eating statements made by the Conservative Lord Cawston at Geneva while attending a meeting of the Council of the League of Nations. Mr. MacDonald replied mildly, "I don't blame the poor fellow; he has just lost his wife." Mr. MacDonald himself is a recent widower.

FLASHES

Elizabeth Michalek was elected captain of the girls' basketball team and Alice Artach manager. Last Thursday evening they competed against the steady Accounting Team of Western Electric Co. Believe it or not our girls showed some real power and held the W Team to a scoreless tilt. It's hard to believe but 28 minutes of play didn't result in any score.

While we are at it we can tell you that our boys' team also showed up well against the Pows Quintet. They were even at the half, the score being 5 apiece. But the Pows showed their flash in the last quarter to beat our boys 15 to 8. Sunday, December 15, our boys hook up with another team at 9:30 a. m. at Franklin Park.

Our Pioneers are at it right ahead. A fine spirited meeting Monday night brought in five more new members and six more transfer cars. On top of all that sixteen new nominations were made. This should enable us to have another record initiation at the next meeting. It was one of the jolliest meetings of the year.

Every Pioneer must reserve Friday evening, December 20, for our annual meeting. We want the biggest attendance of the year to select the officers for 1930. Lively efficient and progressive workers should be elected. Don't fail to attend.

On January 22 the Pioneers will again dance to the music of the Nine Original Rovers Harmony Kings. That will be the night when all the Pioneers will have a chance to show their wares. A program is contemplated. Everyone knowing of a good act or performer should notify one of the dance committee.

The Annual Juvenile Christmas Party for our juveniles will be held Sunday, December 22, at the SNPJ Auditorium. Every Pioneer Juvenile should be present to take part and receive the Xmas gifts.

Oscar Godna reports that Lodge No. 119 of Waukegan had a splendid attendance at their 20th Anniversary Celebration last Sunday. Oscar represented the Pioneer Lodge. Bro. Fred Vider was the speaker of the day and gave the audience much encouragement, in the way of statistics.

Quite a number of our folks travelled to Milwaukee, Wis., with the players of Club No. 1 JSF to participate in "Naprej's" program. The program and play went over big. A full attendance was on hand.

Two dates we would ask you to remember. The first New Year's Eve Dance at the lower Hall of the Lawndale Masonic Temple. The other January 25 when an English play will be produced. Both of these are sponsored by Club No. 1 JSF.

The last municipal campaign is bearing fruit for the Socialist Party. Several hundred new member have enlisted in the past two weeks and many more are due to join because of the campaign now being waged.

TO CONTRIBUTORS

All letters intended for publication in the Prosveta for Tuesday, December 24 issue, must reach the Editor's office not later than December 20 or at the latest on Dec. 21. Other communications will have to be disregarded.
December 25 (Wednesday) being legal holiday there will be no issue of the Prosveta on that date.

LODGE FRIENDLY CITY

Johnstown, Pa.—In behalf of lodge Friendly City I wish to announce our annual meeting which will take place on Thursday, December 12. Everyone is urged to be present at this meeting. Election of officers for the ensuing year will be held. In order to elect the best members as our lodge officers, all must be present. To be a good and loyal member, you must vote.

Considering the fact that our lodge is quite young yet, we have progressed remarkably. But there is always room for more, and the more the merrier. The Jubilee Membership drive is nearing its end. During the drive it is understood that the entrance fee is not requested of new member to the last meeting. Any member not attending this annual meeting Dec. 12, will be dealt with accordingly (you know the by-laws). Who shall be our leader of 1930? Come to the meeting and decide.
Sophia Bristly, Sec'y.

This is to be a hard time party, so don't come in your dress suit or evening gown, but "doll" up in your apron or a pair of overalls. A fine of 25c will be imposed upon only those who come "dressed up" in their Sunday best. There will be dancing and games. Refreshments will also be served. Bring your friends and candidates with you.

SUNFLOWER SEEDS

Pittsburg, Kansas.—Brothers and Sisters, I have been a silent member of the Society, but I do not intend to be known as such any more.—You, who haven't gotten a new member and a Jubilee ring, now is the time to get one. As you all know, the campaign ends with this month.

The last dance at Yale hall sure was a big success, with the majority of the Sunflowers present to make still a better success, and that wasn't all, we had the Kansas Rangers there also, their President, Fred Glades, and several others whose names I cannot recall. They sure are a nice bunch of young people.

Our next dance will be held at Camp 80 hall, December 14, at 8 p. m. Let's go, gang, and make it another huge affair.

Do not forget the annual meeting, election of officers and other important business is to be transacted.
Six Gun.

LODGE 564

Sec'y: Charles Kaitner, Jr. These officers were all re-elected. For board of trustees, Chairman Anton Homsta, his assistants are Anthony J. Polk, Jr. and Rudolf Bernick. Brother Charles Berry and Bro. Travnik were elected as Custodians. Fourteen members were selected for the entertainment committee with Bro. Paul Seelink as chairman.
Andrew Grum, Jr.

YULETIDE PARTY

Bridgeport, O.—Lodges No. 13 and 640 will hold their annual Xmas Party for the juveniles on Saturday, December 21, at 7:30 p. m. in the Slovene Hall at Boydsville. Good old "Santa" will again be with us this year. So bring your children, little brothers and sisters. "Santa" will have plenty of candy, nuts and toys for everyone of them.

After Santa's departure we will have plenty of dancing, eats and general entertainment for young and old. As this party will be entirely free, admission will be limited only to the members and their families.
Committee.

ATTENTION CLEVELAND BRANCHES

Cleveland, Ohio.—All secretaries are hereby requested to forward to the secretary of the federation the list of new members, and their addresses, accepted during the year 1929, immediately. This is necessary in order to send invitations to these members. I hope you will co-operate with us in this matter, in order that we may be able to arrange our program for Dec. 22. I appeal to you to dispose of all the tickets sent you. Details of the program will appear in next week's issue.
Otto Tekanta.

INTEGRITY MEMBERS

Chicago.—On Thursday, December 12, the Integrity Lodge No. 631 will hold its annual meeting at 1817 No. Clybourn ave. Everyone is urged to attend as election of officers and other important business will take place. Remember that this is your Lodge and to be only a member makes you unseen. Be active so that when the new year rolls around we'll be among the leaders of the SNPJ.
Joseph Baumhieb, Sec'y.

NEW LODGE "HARMONISERS"

Hello Pioneers
Roundup, Mont.—The cowboys the cowgirls from the West have organized an English-speaking lodge. These wild people are so much enjoying their life, but instead of domesticating, these boys and girls who are doing away with that so-called Wild West are calling themselves "The Harmonisers."

Some of the Pioneers might remember "The Montana Kid." Why, of course, you do. For he was a member. Well, you also might recall the night he bid you, Pioneers, farewell and said that he is going west where "Battle snakes really and coyote chase cattle on the old Montana claim." And there he would try to organize an English-speaking lodge with the Pioneers' spirit.

So here I am, rounding up these boys and girls. A group of fifteen (15) was rounded up.

Hurrah for the Harmonisers. Keep that same spirit and we will get it over big.

I also want to thank the officers of the Pioneers for the information they gave me hastily before I left Chicago.

Your admirer,
Frank Palach,
224 W. 9th St., Roundup, Mont.

LODGE NO. 584

Library, Pa.—The newly organized Lodge Joseph Savatelli No. 584 is giving its opening dance on Saturday, Dec. 14, at the Slovene National Home here. This is our first dance and we want to make it a success, so let's see a big crowd on that date. With music by Chuck Yates' Duple Stompers everybody has the best chance of enjoying the evening.

We want to see members of the following lodges, Pioneers of Genesee, Moving Stars of Pittsburgh, Jolly Juniors of Spyan, and all other neighboring lodges. See you at the dance Dec. 14.
Agnes DeLance, Sec'y.

BADGERS NO. 584

Milwaukee, Wis.—I wonder how many are going to attend our annual meeting? Come on, Brothers and Sisters, let's all be there and help make our meeting really interesting. Don't depend on the next one to be there, but come yourself. Election of officers will take place at this meeting. Come and see if you are lucky (7). Don't forget to be there.
Needles.

ANNUAL MEETINGS

St. Louis.—Once more I wish to announce that the most important meeting of the year of Lodge 689 takes place at the Slovene National Home at 5231 S. Seventh Blvd. on Dec. 13 which is a Friday. There will be a fine of 50c to those members who do not show up. Let's be there in full number.
Fraternally,
Spud.

LODGE CALUMET SENTINELS

So. Chicago.—Calumet Sentinels annual meeting will be held Monday, Dec. 16, at 5 p. m. at the Calumet Park Field House. Each and every member is urgently requested to be present. Very important business will have to be disposed of. Also election of officers for the year of 1930. A special assessment of 25c will be imposed on members absent. Don't fail to attend.
F. Koala, Sec'y.

EDITOR'S NOTE

Milwaukee, Wis., I. G.—To date we have published every article received from the Badgers. If more were sent, we don't know, but we do know that even the efficient U. S. mail sometimes fails to deliver our mail. In most of the instances this failure is attributed to the writers' inaccuracy in addressing their mail. It is a usual occurrence that every week a number of letters are being delayed for lack of proper address. Omitting the number or not indicating the direction with the abbreviated word "So." frequently causes delay. Naturally misdirected letters cannot receive prompt attention. At frequent intervals we have emphasized in Editorial Notes the importance of writing discernibly the accurate address, but so many of our young people seem to be very superficial in this respect.—Inasmuch as we would like to please you in revelling that writer's name, we cannot divulge it, for this is entirely out of our practice, unless a lawsuit forces us to do so.

St. Louis, Mo. "CMB."—You've forgotten to attest your name to your letter.

COMRADES

Cleveland, Ohio.—Our most important meeting of the year will be held in the lower hall of the Slovene Nat'l Home on St. Clair ave. on Tuesday, Dec. 17. From present indications there is going to be a complete change in the personnel of the executive board. The meeting is only three or four days away and there is still time in which to think of the candidates who, in your opinion, are best qualified to fill the various positions.

Brothers and sisters, there is one position which will have to be filled by one of our most competent members, and that is the position of secretary. Our acting secretary has been a big factor in the success of our lodge and deserves a glowing vote of thanks for the splendid work she has done. She has often been referred to as the "backbone" of the lodge. If we were to have a secretary in our lodge as good as she has been we will be satisfied.

With the impending change in the executive board, there still remains one thing to be done, and that is, every member should consider it his duty to do, and that is to furnish all funds and money which are still in his possession, from the various affairs which we sponsored during the past few months. Please come with the chairman of the entertainment committee before or at our last meeting, so that he can turn over his books in good order to his successor.

The Comrade planners must have realized to turn over a new leaf a month ahead of the usual time as for this party furnished by those who stay along the path of least resistance. It is especially noticed as to the writer when he saw that under the Comradeship in three months on Dec. 11, he had that time they had been giving their opponents the hardest fight they had ever had—20 last place in the standing. The leaders of the spirit of the team, Martin Atkande, tried to bring about this triple victory and commensurate and I hope he continues to enjoy this.

What would the Strugglers do for a problem if John Allen were not in the lodge? They have again elected him president by acclamation, and his opponents in the Comradeship are disappointed. John has been in the lodge for the three years in which he has been president and will continue to do so, for which the members of the Strugglers should be thankful.

The second block of Comrade pins has been received and will be distributed at our next meeting. Those of you who ordered them and those who wish to order a pin are requested to see John Allen before the meeting.

A LETTER OF APPRECIATION

Went Allen, Wis.—I have just received my festive ring for being a charter member. I can't express in words how well pleased I am with it.

At present I have credit for five members. I would like to know whether I could get a ring for each new member instead of one pin. I wish each of our family to have a Jubilee ring. They are all members of the R. N. P. I wish to express to remember the first anniversary of the SNPJ. They have helped me in the new members and they are very active in helping our new SNPJ. Also Lodge get a pin each.

Some of the other members could also like to know whether they could get rings instead of pins. Please write to the members and let them know our lodge has received a very good gift. They are very willing to co-operate in every way. We have data it very much.—The first dance was a great success.
Fraternally,
STEPHANIA MOORE, Treas.

(Editor's Note: Stephan's name can be obtained by sending communications to the main office.)

NEW LODGE BODAS DANCE

Conemaugh, Pa.—Another dance by our new SNPJ lodge is to be held December 14 in the Slovenian Hall at Bon Air. Everybody is welcome. Bring your friends and relatives. Show the industrious members that you really appreciate their work. Show your co-operation by attending this dance. It will surely be a success then.
Vilma Marie Coglar.

LODGE 23 GIVES DANCE

Collingswood, Lodge No. 23 will give a dance on Sunday, Dec. 15, at the Slovene Workers' Home on Waterloo rd. Tickets in advance 40c, at the door 50c. Come young and old.

CHAPTER IX

The Program of Monistic Science

It may be well, at the close of our philosophical consideration of the world-riddles, to consider in some detail the recent progress of the monistic sciences, in order to see just how nearly we have approached to a solution of particular problems. It is well to know, at every stage of our progress, exactly where we stand; if we understand the value of the scientific advances of the nineteenth century, we shall be better able to appreciate the opportunities for the further development of our system in the years to come.

Many all-unprejudiced and impartial thinkers are agreed that the last century has made greater progress in scientific knowledge than all previous centuries combined. The scientific of this eventful period have solved many great problems which seemed quite insoluble a hundred years ago, and have opened up vast new territories of learning, the very frontiers of which were quite unknown at the beginning of the century. Modern science has put the lofty aim of the monistic philosophy clearly before our eyes, and has indicated the way to which it may be attained—the way of patient, exacting examination of concrete facts, and the critical and genetic study of their causal relationships. We are just beginning to see that the great abstract principle of mechanical causality—of which our law of substance is but the concrete expression—really rules the entire universe as well as the feeble realm of man. This principle must always be the keystone, whose star light shows us the path through a bewildering wilderness of apparently separate and unconnected phenomena.

The study of the heavens, which we now call astronomy, is the oldest of the physical sciences. Men gazed at the starry heavens before the very dawn of civilization, and had a surprisingly adequate understanding of planetary motion almost five thousand years ago. The ancient Chinese, Hindus, Egyptians and Chaldeans knew more about astronomy than the majority of educated Christians did four thousand years later. The old Chinese astronomers made careful records of a solar eclipse in 2997 B. C., and the place of the eclipse was accurately determined about 1100 B. C., while Christ and his followers knew nothing at all of these matters, and looked upon heaven and earth from the narrow geocentric point of view current among the Jews of the period. The greatest advance in astronomical science was the establishment of the heliocentric system of Copernicus, as expounded in his "De Revolutionibus Orbium Caelestium," a work which produced a profound revolution also in the minds of the wisest thinkers of his time. When Copernicus overthrew the Ptolemaic astronomy he also destroyed the Christian theory of the universe, which regarded the earth as the center of all things, and man as the feeble ruler of the earth. It is no wonder that the Pope, with all the ferocious hosts of heaven at his back, should condemn the discovery of this new truth, and do everything possible to discredit it in the eyes of thinking men. Despite this formidable opposition, the Copernican theory soon made itself felt everywhere, particularly when Kepler and Galileo defended it, and Newton, in 1686, gave it a solid foundation in his theory of gravitation.

Another great advance which profoundly influenced our scientific view of the universe was the application of the revolutionary theory to astronomy. The first step in this application was the work of Kant the philosopher, who based his theory of the mechanical origin of the heavenly bodies upon strictly Newtonian principles as early as 1765. The astronomer Laplace arrived at the same conclusions independently, and his "Mécanique Céleste" established the new mechanics of the heavens so firmly that it looked as if there was little left for the nineteenth century astronomer to discover in this field. However, the introduction of spectroscopic chemical and physical methods into astronomy, the invention of photography, photometry and spectral analysis, led to cosmological conclusions of the most far-reaching importance. By means of these new methods it was definitely proved that matter is universal throughout the universe, and that the stars and planets are all composed of the same material which makes up the earth upon which we live.

The physical and chemical unity of the entire universe is one of the most important general truths of modern astronomy; but of almost equal interest is the proof that the whole cosmos operates under the same definite laws of mechanical development which govern the changes on earth. The same continual metamorphosis which we find in the most distant stars and planets is exemplified also in the geological history of the earth, and is traced just as surely in the evolution of species as in the rise and fall of nations, or in the growth and decline of a single human being. Our telescopes show us vast nebulae of white-hot gases in the heavens—nothing less than the embryos of stars and planets yet unborn. In other portions of the heavens we find stars at a somewhat more advanced developmental stage, in which they have cooled down into spheres of incandescent liquid. In other quarters of the heavenly bodies of still greater age; some of them like our earth, have a cold and rigid crust on the outside. The astronomer is able to tell the approximate age of a star or planet by its color, which seems to be dependent primarily upon temperature. Some stars are surrounded by a series of moons, and the immensity of such planets as Saturn is really the embryo of a new moon, which has broken away from the planet just as the planet itself was detached from the sun long ages before.

(To be continued.)

WHERE PEOPLE LIVE

A French statistician estimates the total population of the world in 1926 was 1,895,200,000, distributed as follows:

Europe	478,000,000
North and Central America	157,000,000
Africa	143,000,000

ed by our government. The very existence of the SNPJ was threatened, because the field for securing the Slovene members was limited by the Immigration legislation.

For a number of years the Slovene National Benefit Society has developed an educational program which called for dissemination of such material which clearly made our society a rethinking and a progressive organization.

The future of the Slovene National Benefit Society depends upon its growing youth. If the Slovene fathers and mothers desire the future SNPJ to be as freethinking and progressive as that of the past, they must encourage their sons and daughters to become active members in the junior lodges of the SNPJ.

Over twenty years ago, the fairer sex in the Slovene National Benefit Society organized their own subordinate lodges. Thus the fraternal system were given the same rights and opportunities as their fraternal brothers.

For twenty years Lodge "Moska Enakopravnost" No. 119 fought against reaction and against the chain of oppression which held the Slovene in America in bondage.

This portrait of our artist Harvey Gregory Prusheck, whose exhibit of recent oil paintings was held at the Slovene National Home in Pittsburgh, Pa., Dec. 6-7-8, was sketched by his colleague Ivan Carugo in Ljubljana, Yugoslavia, while Mr. Prusheck was visiting his native land last summer after an absence of more than twenty years.

His original plans sojourning in Europe nine months were abruptly shortened when an urgent message called him back to his family in Chicago.

News From Rocky Mountaineers

Rock Springs, Wyo.—The annual election of officers for the Rocky Mountaineers was held December 1 at the Slovenski Dom at ten o'clock.

SCREENINGS

Springfield, Ill.—Ye SNPJ world-make room for the Springfield Lincolinites. At our meeting last Friday we had just seven nominations of candidates, just seven.

Lodge Spirit of St. Louis

St. Louis, Mo.—Gosh! What an uproar concerning the article "The Riddle of the Universe." Why call it "low down junk and bunk," and try to mortify people who enjoy such reading matter?

Elections

Cleveland, Ohio.—"Comrades" will hold their monthly meeting Dec. 17, 1929, starting at 8 p. m., lower hall, Slovenian Aud. Only SNPJ members will be admitted.

The members of the Auditing Committee we understand are retiring; if this is so, it will be up to the members to fill the places which will be left vacant by the present members.

Whom shall we elect; some of the members will ask. The Editor in a recent issue wrote a very excellent article listing qualifications necessary for leadership.

The "Comrades" will enter into their 5th year and from all reports it will be the biggest year in their history, therefore it will be necessary to have a BIG man to lead you, big in the sense of broadmindedness, liberality and good sense.

In conclusion, all I ask the members is to cast their votes so that they will result towards a constructive instead of destructive program in 1930.

Euclid, O.—Well, we certainly had a wonderful time at our Barn Dance. It surely went over one hundred percent. There just wasn't an extra inch of space left on the barn floor.

Sister H. Kinkoff certainly surprised us by getting married on the day of our dance. Make him join us, Helen.

The Silver Cup that the Progressives won during a membership drive, was presented to them recently. It is now being engraved and will be on display soon.

Euclid, O.—Well, we certainly had a wonderful time at our Barn Dance. It surely went over one hundred percent.

Sister H. Kinkoff certainly surprised us by getting married on the day of our dance. Make him join us, Helen.

The Silver Cup that the Progressives won during a membership drive, was presented to them recently. It is now being engraved and will be on display soon.

Lincolinites

Lincolinites decide to help bring Svetozar Banovic, the Slovene opera tenor to Springfield on convenient date. We believe his success is approaching that of Anton Rubel, from whom we read in our organ.

Every Lincolnite is urged to make effort to be present at this meeting. Christmas is a time of cheer, especially for the children, and in keeping with this, our entertainment committee is making plans also for the Lincolinites' entertainment with us on that evening.

December 20, third Friday, we have our Special Initiation meeting, to be followed by a Christmas party. Members on investigation committee should get the candidates to our medical examiner at the first opportunity and then make sure the new candidates are present at our meeting December 20, as well as themselves.

St. Louis, Mo.

St. Louis, Mo.—Gosh! What an uproar concerning the article "The Riddle of the Universe." Why call it "low down junk and bunk," and try to mortify people who enjoy such reading matter?

Therefore, readers who detest the "Riddle" and feel mortified and horrified over it, should not let the rest of the readers who enjoy it get the impression that they are as humble as all that.

The last meeting of the year for the "Spirits" will soon be here. We expect it to have a record breaking attendance. Seven new members are promised for our annual meeting, and in addition to that these transfers will be admitted.

Sis. Pogorelec showed up again at our bowling team after an absence of several weeks. Her girl friend in the third attempt of this kind rolled 168. Remarkable showing, girls!—But the Siamese Twins say that the pins should be closer to the gutter.

Our former member John Buckowitz Jr. writes from Los Angeles where he has joined the Lodge No. 615, that he has desired to organize an English-speaking lodge there. Atta boy, Johnnie! Show them what a former "W" member can do for the great SNPJ.

Sis. Anna Floryancic has been united in marriage to Mr. C. L. Klien. Congratulations from our lodge. We hope that her husband will become our member in the near future.

Discontent

By Ivan Cankar.—Freely translated from the Slovenian by A.— And now my outlook was entirely changed. I now saw things that before I had never noticed because they had been so near me, because I had lived amid them and they had seemed as natural and necessary as the air which I could not see but lived in.

of her voice. The day was not long enough for that, so I added nights to my pursuit of joy; but still I was losing many drops of joy out my cup, as I drank from it. The more I indulged, the more riches were revealed to me; each new experience gave birth to a dozen new desires, to new sensations.

Members' Voice

A few weeks ago an article by Sister Rose Struznik appeared in Prosveta on the question of official censures of the proceedings of the 9th regular convention of the SNPJ by our Pres. Cankar and the official minute clerk, Bro. A. Kobal.

Because the departed Joze Zavertnik cannot defend himself, the duty falls upon his family to defend his reputation against the falsehoods and irrational statements that were contained in sister Struznik's article.

Furthermore, according to the conversations of my departed husband, he did make a complaint to Bro. Cankar with reference to the minutes depicting the proceedings of the last seven meetings of the convention. The minutes of the last seven meetings of the convention DISAPPEARED FROM THE SNPJ PRINTERY.

Furthermore, my husband knew that the matter of the vote of confidence was omitted from the minutes which were published in Prosveta, but because of the fact that Bro. Cankar and Kobal were constantly correcting the minutes for publication in book form, he did not expect THAT THEY WOULD BE SO SMALL TO LEAVE THE VOTE OF CONFIDENCE FROM THOSE MINUTES.

Sister Struznik in defence of Bro. Cankar admits that it was common knowledge that for the past three years the departed Joze Zavertnik was in poor health. Why, in the name of common sense, did Bro. Cankar and some others resort to sabotage and used every means to cripple the editorial department, if it was not done with the intention of breaking down his vitality so that his strength would snap and that he would go under the sod?

Why all this argument with reference of not including the Vote of Confidence in the Proceedings of the convention on the part of Bro. Cankar and his followers if their intention is not to leave it out and belittle the late Joze Zavertnik?

Mrs. Helen Zavertnik and Lewis Zavertnik, members of Lodges 270 and 632.

"SUNFLOWER SEEDS"

Mulberry, Kans.—I guess it's about time that we let people hear about us again, for we have died off for a couple of weeks, but you can't blame us, because this has been one of the busiest months the Sunflowers have ever had.

Remember, Sunflowers, Friday night, Dec. 13, is our regular meeting night, the last meeting this year. Important business to transact, election of officers, every Sunflower member should attend.

Sunflowers we must not forget the dance at Ranicher's hall in 50 Camp, Dec. 14. The Lodge hasn't had a dance for two years. Let's all turn out 100 per cent and make this go over big, for it's our last affair this year.

Frank Lehsa, President Lodge Sunflowers.

FELLOW BADGERS

Milwaukee, Wis.—Our annual election will be held on Friday, December 13, at the regular meeting place.

This election is VERY IMPORTANT and we need the co-operation of every full-fledged member of our Lodge. We need you at this meeting to help us select worthy people who, as our officers, will do their utmost to bring our lodge on par with the finest in the entire national organization.

Our Lodge is fortunate in its location. We enjoy a large Slovenian population in Milwaukee and have plenty of material to draw from, which should enable us to make our Lodge one of the largest in the country. However, there is only one way we can accomplish this and that is to nurture our club along the highest point of efficiency.

Election time is the time our personal friendship should be forgotten. We should come to the meeting next Friday fully prepared to weigh the serious questions that will arise. We should have in mind the people we feel can do the work properly and with greatest benefit to our organization.

It is an established fact that there will have to be many changes in our present mode of progress if we are to keep up the good work we have set out to do. The entire matter rests in your hands, Badgers, and it is up to you to do something about it.

After our more serious work is completed on Friday, there will be some fine "surprise" entertainment in which you will all be able to take part. A real evening of fun for all of you.

Let's go, Badgers, for that touch-down across the goal of progress.

Kathryn Elise DeLick, Lodge Badgers No. 584.

After a while it occurred to me that the whole scheme was stupid and base. Pondering of the unfortunate condition of the nine hundred and ninety-nine, I became filled with new discontent. My new room, which had seemed so comfortable at first, became too narrow and empty. I was lonely; the walls were silent, and I heard no sound but my own.

The pleasant scent of violets and cyclamens again filled my room, and the Devil appeared. "I'm astonished that you've endured as long as you have," he said, smiling beneficently. "I can see that modesty is still in your blood, and modesty, my boy, is a disease that even I have difficulty in curing."

And behold; another word was disclosed to me. I saw a great number of fat jolly people who, so far as I could perceive, were no better than I was, but who, none the less, had at their disposal a great deal more of everything than I. They had beautiful mansions in the heart of the city, staffs or servants; also many beautiful women, sweet and pleasing eager to gratify their every whim and desire.

So I now stretched out my arms and reached for it. I acquired a beautiful manner-house in the heart of the city; I had an array of servants and many beautiful women, sweet and pleasing, eager to gratify my every whim and desire. I had horses and cars and cellars full of wine. And the doors of beautiful places swung open as soon as I approached them.

"I am will, power and authority," said the Devil. "Only those who are on my side can reach their goals—those who shun me remain in the mud and muck forever."

"I am hope, vengeance and ruthlessness. I go into stinking hovels of the poor and bandage the wounds of the beggars who are dying in the stables. I ease their hearts with hope, invigorate them with vengeance, inspire them with ruthlessness."

"I am hate—envy—jealousy—resentment. Only those who open their hearts to me shall find comfort and luxury..."

With his hand, which is self-will, power and authority, I reached for my share of things. Obeying my temperament, I leaned closest to the cup of woman's love. Oh, how common, how dull had been my love till now! After I had been slaving all day, I had gone, tired and lost in thought, and kissed equally tired, nearly lifeless lips, which I could scarcely feel.

After I had been slaving all day, I had gone, tired and lost in thought, and kissed equally tired, nearly lifeless lips, which I could scarcely feel. If one really wanted to enjoy something, I now perceived, one must have time for it. Now I saw a profusion of love, beauty and happiness in a single pair of lips, in a single pair of eyes; I saw sheer poetry in a single movement of a girl's body, in a twinkle of her eye, in a whisper

Strugglers News

Collinwood.—Strugglers elections are over, those elected are: John Lokar, president; John Svetek, Vice-President; Joseph Koss, Secretary; Josephine Podpadek, Recording Secretary; Josephine Mandel, Treasurer.

The jubilee year of the SNPJ is coming to a close, and this month is a very important one for our local lodges. It means a lot if your lodge has capable officers who can build up your lodge. The Strugglers have realized this and have put worthy members into office.

With much regret the Strugglers had to accept Sis. Mandel's resignation as Secretary, and her last words in that capacity "As long as I can move around I'm ready to help the Strugglers always" will never be forgotten.

Congratulations to bro. John Spelich of La Salle, Ill., member of Lodge Mohawks, for his wonderful drawing in the Prosveta. It sure went over big and with a bang with us Strugglers. "Louise Wen."

ATTENTION BADGERS!

Milwaukee, Wis.—With the coming of 1930, we are again faced with the annual election of officers. The past year has been a fairly successful year, but considering the large increase in our population, we ought to be able to make 1930 the biggest, best and busiest year in the Badgers history.

Remember you determine your lodge's success or failure by the people you elect into office, and place your confidence in. Simply because Susie or Jimmie happen to be your friends should not influence your vote in that direction. Think before you leap! Your friend may make a good pal, but is he capable of holding a responsible position? Is he worthy of the confidence placed in him? Will he devote his time towards improving our lodge, or does he merely enjoy carrying a title?

Our Lodge's success depends largely upon the officers' executives ability—if the faculty are asleep, so are the students. Thus we have quite an important problem before us, so put on your thinking caps. We have the privilege of electing our own officers, so let's not abuse that privilege by casting careless, thoughtless votes.

If the officers are active and full of pep, the members will gradually fall in step.

Yours for a record year, One Who Knows.
