

Varnostni svet naj dobi administracijo Palestine

Ruski delegat zahteva odpoklic britskih čet. Ustanovitev posebne komisije predlagana

Lake Success, N. Y., 4. nov.—Ruski delegat Semen K. Carapkin je zahteval, naj se britska kontrola Palestine zaključi do 1. julija prihodnjega leta. Carapkin je dejal, da Velika Britanija, ki ima mandat nad Palestino, ni izpolnila pričakovanj. Mandat je dobila od stare Lige narodov. Potrebna je predhodna doba pod administracijo varnostnega sveta.

Carapkin je zahteval tudi odpoklic britskih čet iz Palestine. Čete naj bi zapustile delež do maja prihodnjega leta. Uradna ustanovitev dveh držav naj se razglasiti nekaj mesecov pozneje. Deklaracijo o stališču Sovjetske unije glede Palestine je Carapkin podal na tajni seji članov odbora za Palestino.

Sovjetska deklaracija je bazična na domnevni, da bo skupina Združenih narodov odobrila načrt glede razkosanja Palestine na dve državi. Arabci vodijo delno opozicijo proti razkosanju Palestine. Njihova delegacija vztraja pri zahtevi, da mora Palestina postati neodvisna arabska država.

Kongresni odsek je nazadnjaški

Njegov rekord
je protidelavski

Washington, D. C. — (FP) — Člani kongresnega odseka za neameriške aktivnosti, ki vodijo preiskave o komunistih v filmskih podjetjih, so znani kot sovražniki delavcev in socialne zakonodaje. Kongresni odsek za neameriške aktivnosti ima devet članov in vsi so v kongresu preteklega junija glasovali za protidelavski Taft-Hartleyev zakon.

Dalje je ta devotorica glasovala za odpravo mezdournornega zakona, za znižanje davkov korporacij in proti odpravi volilnega davka v južnih državah. V 30 slučajih so glasovali proti delavskim zakonom, v petih slučajih so glasovali v prilog socialne zakonodaje, v enem slučaju pa so se vzdružili glasovanju. Tak je njihov protidelavski rekord v kongresu.

J. Parnell Thomas, republikanec iz N. Jerseyja, načelnik omejenega odseka, je bil do leta 1936 wallstreetski finančnik; John E. Rankin je znan kot demokratski reakcionar iz Mississipijskega sovražnika črncev in prijatelj pokojnega prosuluge senatorja Theodorja Bilbota; Karl E. Mundt, republikanec iz Južne Dakote, se ponaša z rekorom nazadnjaštva; John McDowell, republikanec iz Pennsylvania, v svojih listih podziga rasno sovraštvo; Richard M. Nixon, republikanec iz California, vidi komunističko v vsakem naprednjaku.

Ostali štirje v tem odseku so: Richard B. Vail, republikanec iz Illinois, in predsednik Vail Manufacturing Co. v Chicagu ter nasprotnik delavstva; John B. Wood, demokrat iz Georgije in podpornik Ku Klux Klan; James H. Peterson, demokrat iz Floride, ki vedno glasuje z reakcionari, in Herbert C. Bonner, demokrat iz Severne Karoline, ki sovraži vse "rdečkarje."

To je celotna lista članov kongresnega odseka za neameriške aktivnosti, katerega ost je včasih naperjena proti vsemu, kar je v deželi naprednega, dočim se ne zmeni za delovanje reakcije s fašističnimi tendenčami. Najbolj je odsek izprical v faro nazadnjaško barvo zlasti v faro o komunistih v Hollywooru.

Ameriška izjava o zunanjih politiki Rusija obdolžena odgovornosti za polome

Washington, D. C., 4. nov.—Državni departement je objavil deklaracijo o zunanjih politiki, v kateri je zvrnil odgovornost za polome Združenih narodov, "da niso dobili sadow miru in zmagę," na sovjetsko Rusijo. Deklaracija uključuje splošen pregled ciljev in namenov ameriške vlade in pojasnilo njene stališča o glavnih mednarodnih problemih v povojni dobi, zaenca pa očita Rusiji, da je proti sklepanju kompromisov in izvajajuju dogovorov, ki so bili sklenjeni v vojnem času.

"Glavni cilj Združenih držav," pravi deklaracija, "je sklenitev mirovnih pogodb, ki bi omogočile odpoklic okupacijskih sil iz Nemčije, Avstrije, Koreje in Japonske. Sovjetska unija in Amerika sta se obvezali glede demilitarizacije, politične rekonstrukcije in ekonomike enotnosti Nemčije. Sovjetska unija ne izpolnila obveznosti. Ona hoče le dobiti maksimalne reparacije od Nemčije in je za ustanovitev takega režima v Nemčiji, ki naj bi bil naklonjen Rusiji.

Amerika je zainteresirana v ekonomsko rehabilitacijo in demokratično rekonstrukcijo Nemčije na podlagi svobodne politične akcije. Nemčija mora zavzeti položaj med državami, ki ji bo omogočil kooperacijo v izvajaju programu ekonomike rekonstrukcije in rehabilitacije.

Deklaracija poudarja, da je Rusija tudi odgovorna za zastoj v teh diskuzijah glede kontrole atomskih energij. Njeno stališče v tem oziru ogroža učinkovitost varnostnega sveta kot organa za vzdrževanje miru.

MIKOLAJCZYK, VODJA POLJSKE KMEČKE STRANKE, V LONDONU

London, 4. nov.—Stanislav Mikolajczyk, vodja poljske kmečke stranke in opozicije proti vladu v Varšavi, je dospel v London. Pripravljal se je z britskim letalom. Iz Varšave je pobegnil pred dvema tednoma.

Po prihodu v London je povedal, kako je pobegnil s sedmimi prijatelji iz Varšave. V Londonu je dospel sam in razkril, da so njegovi prijatelji na varneh.

"Na 18. oktobra so me podatili viri informirali, da bo voda zahtevala od parlamenta, naj mi odvzame imuniteto," je dejal. "Dajte so me obvestili, da bomo jaz in trije drugi obtoženi izdajstva in da bomo vsi postavljeni pred vojaško sodiščem. Obtožniča nam bi očitala, da smo predajali informacije ameriškemu v britskemu poslanstvu v Varšavi."

Prihod Mikolajczyka v London je bil naznjanjen v parlamentu. Poslane so sprejeli naznanko z navdušenjem na znanje. Britske oblasti so mu zagotovile zavetje kot političnemu beguncu.

NADZORSTVO AMERIŠKE POMOCI

Washington, D. C., 4. nov.—Reprezentanti šestnajstih držav v zapadni Evropi, ki bodo delne pomoči na podlagi Marshallovega načrta, ko se bo sestal na izrednem zasedanju 17. novembra, so izpolnili poslanico državnemu departmantu. V tej so naglasili potrebo kooperacije med temi državami in Ameriko v zvezi z izvajanjem rekonstrukcijskega programa.

Sugirali so nadzorstvo ameriške pomoči na ta način, da ne bi mogel nikče očitati Ameriki vmešavanja v notranje zadeve zgodnjih evropskih držav. Zadevni očitki, da bi bili upravičeni, bi povzročili politične komplikacije in ogrožali program rekonstrukcije in rehabilitacije.

Državni departmet in poseben odbor, kateremu načeljuje trgovinski tajnik Harriman, sta naznani, da bosta upoštevala sugestije reprezentantov evropskih držav. Vprašanje je z četrti suverenitete teh držav in trošenje denarja za določen način, ki je ekonomsko okrevenje zapadne Evrope.

Drugo vprašanje je sklenitev dogovorov med evropskimi državami in Ameriko. Nekateri uradniki državnega departmента so izjavili, da mora Amerika imeti kontrolo nad trošenjem denarja. Ta problem je tudi pred člani posebnega kongresnega odseka za zunanjost pomoči, čigar načelnik je kongresnik Christian A. Herter. Odsek se je izrekel za ustanovitev posebnih odborov v vseh evropskih državah, ki bodo doble pomoči na podlagi Marshallovega načrta, in v Ameriki. V območju teh odborov naj bi spadal nadziranje trošenja denarja.

Nov "Bill of Rights"

Zadnji teden je predsednik Truman objavil poročilo svoje komisije za civilne svobodčine. To komisijo je imenoval lanskoga decembra z nalogom, da se posveti študiju civilnih svobodčin in izdela konkretna priporočila za razširjenje in učvrstjenje istih, katera bo on predložil kongresu. V tej komisiji je sodelovalo 15 odličnjakov, zastopnikov industrije, delavstva in javnosti. Njen titularni načelnik je bil Charles E. Wilson, predsednik General Electric Co.

Iz priporočil te komisije je razvidno, kako plehka in pomajkiva je toliko opevana ameriška demokracija. Že ob samem časnarskem izvlečku tega poročila se mora vsak demokratičen državljan počutiti kot skesan grešnik, kajti ta komisija našteta dolgo verigo socialnih in političnih krivic, ki se bohotijo v Ameriki kot v kakšni zelo zaostali deželi. V resnicu se lahko počuti kot skesan grešnik vsa Amerika, vse ljudstvo, kajti le tedaj se bo dežela oprijepla priporočil te komisije in odstranila velike krivice. Ako se to ne zgodi, tedaj se bojimo, da bodo vsa ta priporočila ostala le glas vpijočega v puščavi in ne bodo v kongresu dobila nobenega odmeva.

★

V zvezi s tem—naj omenimo, ako bi se zunanj-svet, posebno pa Evropa seznanila podrobnejše s tem poročilom, bi ugled toliko opevane ameriške demokracije zdrsnil na zelo nizko stopnjo. In sicer ne morda zato, ker je demokracija v Evropi bolj čvrsta, kar je sicer resnica kar se tiče predvsem škandinavskih držav in Angliji, marveč vsled tega, ker bi Evropeci v takem primeru lahko rekli, da se nimajo kaj učiti od Amerike, kar se tiče demokracije. Evropski levitarji to že pravijo, in sicer ne samo komunisti, marveč tudi levitarji liberalci in socialisti, katerim ni ameriška kapitalistična demokracija noben vzor, marveč si želijo boljše. Slavospev ameriški demokraciji je danes slišati izven te dežele predvsem v reakcionarnih krogih.

Prav zadnje dni smo slišali predavanje A. J. Musteja, ki se je nedavno vrnil iz zapadne Evrope, vključivši Škandinavijo in Čehoslovakijsko, kjer je govoril s številnimi centristi in pacifisti srednjega sloja, prav tako s protestantskimi duhovniki. Poročal je, da med njimi ni našel nobenega navdušenja na za Ameriko niti za Sovjetsko unijo, toda večinoma so se izražali, ako bi v kritičnem momentu moralni izbirati med prvo ali drugo velesilo, da bi se raje obrnili k Rusiji, in sicer kljub temu, da nimajo nobenih iluzij o njeni politični "demokraciji". Za Ameriko je važno, da se vpraša, zakaj je izgubila svoj nekaj veliki prestig kot dežela svobode in demokracije, kakor tudi privlačnost za velike duhove in demokratično usmerjene poedince.

★

Resnica je, da so bile Združene države prva dežela v moderni zgodovini, aka ne v vsej zgodovini cloveštva, ki je s svojo ne-smrtno Izjavo neodvisnosti dvignila baklo svobode, bratstva, enakopravnosti. Bila je prva dežela, ki je pred 150 leti sprejela svoj prav tako ne-smrtni Spored pravic (Bill of Rights). Skozi vse zadnje stoletje in tudi pozneje je slovila ne samo kot Obljubljena dežela bajnega bogastva in dobrih gospodarskih prililk za sleherni par pridnih rok in podjetnosti, marveč tudi kot dežela demokracije, dežela svobode, dežela enakopravnosti, pribrežališče vseh zatiranih.

Res je, da ta mogočni sij še ni povsem zatonil. Res je, da bi tudi danes nastal enak val preseljevanja iz Evrope v Ameriko kot je bil pred prvo svetovno vojno, v dobi največjega priseljevanja Slovanov v to deželo, aka bi bila vrata na široko odprtva. Beg v Ameriko si danes predvsem žele bivši oboževalci Hitlerja in Mussolinija, in sicer zato, da bi se lahko zopet do stegi najdeli in čedno oblekli ter svobodno udrihalo po—"kooomunizmu" in Rusiji. Resnica je tudi, da se danes mnogi narodi, mnoge vlade tresejo pred mogočno Ameriko, in sicer tudi tiste vlade, ki od nje prejemajo ali pričakujejo bogate mlodare, seveda predvsem zato, da ne zležejo pod plač "kooomunizma".

★

In kljub temu, da je Amerika danes najstarejša demokracija, je ironija vseh ironij v tem, da se danes načela njene Izjave neodvisnosti, nanašajoča se na srečo in enakopravnost posameznika, kakor tudi njen Spored pravic bolj spoštujejo v kršenju in teptanju kakor pa v spoštovanju in realizirjanju. O vsem tem zelo zgovorno govorja poročilo prej omenjene predsednikove komisije, kateremu bi moralna dežela posvetiti vso pozornost in se očistiti svojih lastnih grehov. Šele potem bi se njeni diplomatje lahko ponudili za pometače pred tujim pragom.

Kar ta komisija priporoča, je v resnicu nov Bill of Rights, nov zakonik civilnih svobodčin in državljaških pravic. V deželi, posebno širom skor vsega Juga je milijone državljanov, zamorev in "belcev", ki v bistvu nimajo niti volilne pravice, kajti gospodarji Jugov so jih jo odvzeli z zloglasnim volilnim davkom "belimi" primarnimi volitvami in drugimi šikanami. Poleg tega belopolti rasisti zamorskim državljanom jemljejo volilno pravico tudi s terorizmom. Približno desetino prebivalstva, skoro 14 milijonov zamorcev, faktično tudi nima nobene svobode pa bilo v južnih ali tako zvanih severnih državah, kajti kamor se obrnejo, povsod trčijo ob "Jim Crowism", ob 100% nacijsko rasno diskriminacijo. Po vseh mestih in krajih so prisiljeni živeti v zamorskih getih, prvi so ob delu in zadnji poklicani na delo. Deležni so veliko slabše šolske vzgoje kot otroci belopoltcev. V več unij ADF in železničarske bratovščine se danes nimajo vstopa v marsikateri uniji so tudi rasno segregirani kot—"manj-vredni" člani razreda B.

Toda niso samo zamorci, za katere ne velja Izjava neodvisnosti Spored pravic. V tej kategoriji je tudi milijone drugih "manj-vrednih" državljanov, ki sicer niso izpostavljeni nevarnosti, kateri so zamorci posebno na Jugu, vendar pa drugim diskriminacijam. Ako kongres ne odpravi svojega notoričnega "ne-ameriškega" odbora, tedaj bo Bill of Rights sploh postal krpa

NEWS AND COMMENTS

By J. F. Fifolt

CLEVELAND, Ohio.—One of the finest non-profit affairs that the Comrade Lodge ever sponsored was its annual Halloween Party at the SNPJ Farm, Saturday, Oct. 25. A perfect night greeted the early arrivals.

Walking into the hall, which was boarded up, they gazed in surprise and wonderment at the fine job decorating that the gang did. The completed fireplace was inspected and met with approval of everyone present. Some did state that there was one thing wrong with it, it was too good for the building. Frankie Mauer and his sensational band did a very creditable job of playing for the gang until the early hours of the morning.

Betty Jartz, Frank Sebenik and one youngster coppered the prizes for the costumes. Vic Vehar held the lucky ticket for the door prize. Rose and Antoinette Skok, Pauline Spik, Albin Vehar, the Yorks, Rosses, Kernes, Jartzes, Aggie Flanders, Fran Preseren pitched in to see that the needs and wants of the crowd were taken care of. Lou Jartz and Shorty Zadell had charge of the evening's festivities, promoting square dancing and amateur hour participated by the Jartz juveniles. Dickie Grum, Comrades famous Jug Band, a fine group of Zarja singers, Bill Scherbak and the sensational baritone singer who is sweeping the country, Frankie Ross.

A splendid representation from our sister lodges showed up, Agnes Jeric from the Concordians, with Eddie Stefanic, Shaver and his wife, Shorty Zadell, Stan Zupon, Butch from the Loyallites, Johnny Spilar from the Utopians, Chuck Kornan and his chick from the Spartans, the Marolts from Strugglers, Whitey Doljackson from Napredne, we're just a few noticed, along with dozens of Comrade members and their friends.

The group who spent time in preparation and working hard for the event, were repaid by the unanimous comments made by the departing guests that they had the best time of their young lives and were already putting in their bid for the 1948 affair.

Now that the hall is enclosed and has heat, the Farm will be available for indoor meetings, barn dances, roasts, etc., thruout the winter, as long as the roads are passable.

Comrades Meeting

A fine attendance was had at our October meeting, where pictures of the National SNPJ Day, the Chicago tournament and the Milwaukee bowling tournament were shown. Shorty Zadell, Stan Zupon brought along Butch and his friend who secured the projector and screen and took care of the showing. They also brought along other interesting films. Coffee, donuts and cider were provided after the meeting. We wish to express our thanks to Shorty and his boys for their fine cooperation.

General—A boy at the Chensiks, who was enrolled in the lodge, The Gillies had a recent addition. June Snyder announced her recent engagement. Recently married, Vic Vehar whose bride will soon join our ranks. A boy at the Frank Grum residence. A visit to the Bozman's home to sign up their pride and joy. Congratulations to all.

Jean Svele off the sick list; still on, Ann Orenick, Bill Scerbak recent victim.

New member added is Marge Belfan. Recent transfers to the lodge, Stan and Tony Starc, Antonia Zadell, Ann Pinesky. Welcome to our ranks. Leaving us to join Napredne are the Chaperlo boys.

The Reveliers' Column

AMBRIDGE, Pa.—The Reveliers' Duckpin League is well on its way now, and the names and captains have finally been chosen. On the top of the list are the Cavaliers with 9 won and 0 lost. On down the line are: Wolverines 6-3, Excelsiors 5-4, Comrades 4-5, Lucky Stars 4-5, Keystoners 3-6, Strungfliers 3-6 and last but not least, "The Cellar-Dwellers," the Comets, 1-8. The league bowls on Sunday afternoon at 4:30 and bowlers are still welcome to join.

Our congratulations go to Mr. and Mrs. Harry Krafelc. Harry and Ann are the proud parents of a "brand new" baby boy. Congratulations also go to Mr. and Mrs. Anthony Plese, who announced the birth of a girl. (This made your writer an aunt for the first time.)

On Oct. 19, the Federation meeting was held in Ambridge, and it was well attended. After the meeting, a chicken dinner with all

FLASHES

By Donald J. Letnick

CHICAGO.—Fifty-five reservations have already been received for the Pioneer Anniversary Supper Meeting on November 21. We can accommodate 100 very easily, so we ask the rest of you Pioneers to spend a pleasant evening with your fellow members, indulge in some good food, a very short program and a meeting, without any charge. Reservations can be made with Anne Cartier, 2005 S. Loomis, or the Pioneer secretary. After the meeting we will have dancing, so that it will be a complete evening, one that will mark the founding of the Pioneer Lodge and the English Speaking Lodge movement.

For that Atlas Prager Party on Wednesday, Nov. 19, we will have some tickets left. This too, is a free party for Pioneers and will enable you to indulge in all you can eat and drink. This is limited, however, to 75 people because the place cannot accommodate more. Friends who have taken in this party before say that it is the real thing and want to go again. So let's go, Pioneers! Sign up with Anne Cartier and let's make a real good happy event of it.—After a slow start, the Pioneer Bowling League is rounding out the first third of its schedule at the Lawndale Bowling Lanes. Quite a number of visitors are on hand every Tuesday night to cheer for good scores. More of you are urged to spend an evening at the bowling alley.—Several Pioneers are planning on attending the Moderns' Twentieth Anniversary in Sheboygan, Wis., Nov. 29, where Frankie Yankovic is due to play. Others wanting to make the trip should contact Mitzi Chernich, 2004 W. Coulter st. or the Pioneer secretary.—Some of our boys attended the Fun-O-Leers dance in Milwaukee ten days ago, where Frankie Yankovic and his orchestra entertained. Several people reported that the South Side Turner Hall was jammed to capacity for the event.

On Oct. 25, I had the opportunity of substituting for Louis Kramer, who is laid up with sickness, and attended the football game between Riverside-Brookfield and Glenbard high schools. Buddy Kramer, a Pioneer member, plays with the Riverside-Brookfield team. The game gave me an opportunity to reflect back on the high school days and to think how well the world would be if everything could go on in such simple and easy manner. I thought, "if only the monopolies and the big industrialists did not make things so complicated. If only we could abolish greed and conniving. Yes, if only we could abolish the mad rush for profit and the dog eat dog system. The simple life of the community, where everyone lets down his hair and talks, a simple language of the common person is the real-life to have, but those who run our economic and political system won't let us live that way." I can understand why the average high school student thinks the grownups and the big business men are cuckoo. They still have that innocent feeling about life and know nothing of its complexities. They have not hit the hard knocks. It was a worthwhile experience for me.

"In Fact" comes out with a story that O. John Rogge, former Special Assistant to the Attorney General of the U. S., was all set to have his book on Fascism printed by a publishing house. Now that the government officials have turned on the double barrel power against communism, they refuse and rejected the offer. The book names too many big moguls and officials. Other publishing houses, who fought for the job, likewise, are turning him down. It's a shame that people misunderstand our Democracy and the privileges it affords an honest public official to tell the truth.—It also reports about the pressure which has been placed on the Justice Department which involved a suit of 18 Wall Street banks, Cabinet members and a Marshall side. You don't get this kind of news in the daily papers. That's why I recommend, that all of our members who wish to be informed on the truth which transpires in big circles should subscribe to "In Fact" at \$2 per year. The address is 280 Lafayette st., New York 12, N. Y. You'll enjoy reading it.

Ann Kumer was in town for a short visit. Her sister Mary Houghen with her husband and daughter from Berea, Kentucky, were here, too. We were glad to see them and know that things are going along satisfactorily.—Joseph Vesely, a good friend of the Pioneers and the SNPJ, postcards from Hot Springs, Ark.—We also received a post card from Lawrence and Mary Pichman from Hot Springs National Park.—The Toman Library Forum held a very successful lecture on cancer ten days ago. A prominent medical man from Billings Memorial Clinic answered numerous questions. Another lecture will be held at the Toman Library this Friday, Nov. 7, at 8:30 p. m. The subject this week is "Future of Organized Labor" by Gerald Fielder who is international.

Attention, Members SNPJ Lodge No. 254

BON AIR, Pa.—Just a reminder to those members of Lodge 254 who didn't attend our last monthly lodge meeting. Preparations will be made at this meeting for the December or annual meeting, at which time new officers for 1948 will be nominated and elected. The meeting will be Sunday, Nov. 9, at 10 o'clock at our hall. Hoping to see a large membership attend.

TONY DOLENCE, Sec'y.

Government expenditures for recreation were negligible at the beginning of the century and amounted to only \$58 million just before World War I, says a Twentieth Century Fund report. By 1941, the government spent more than \$203 million for recreational facilities.

A special reminder to all Frankie Yankovic fans: Frankie and his Yanks will appear in West Aliquippa at the S. A. S. Hall on Nov. 15. Beginning on Nov. 8, the regular Saturday evening dances will be resumed at the SND in Ambridge. We're hoping to see all the familiar faces and more new ones at

the club, so come one, come all.

Johnny Krek and his boys will play from 9 until the usual ques-

tion mark! BETTY PLESE, Sec'y.

ANNE S. ZELE, Rec. Sec'y.

The American people spent \$467 million for educational reading matter in 1940 and an additional \$338 million for recreational reading, according to the Twentieth Century Fund survey.

Struggler Lodge

STRUGGLERS' STAR-GAZETTE

CLEVELAND.—Never before in the history of the Struggler lodge has the word fraternalism meant more than at the present time. True enough, we meet our fellow members at various social functions outside of lodge affairs, and then what do we do but bid them the time of day and off we go.

Now here is your chance to renew old acquaintances and really get into the spirit of the occasion by attending our Harvest Dance which takes place on Sunday, Nov. 16 at the Slovene Workmen's Home on Waterloo rd. Music by the ever-popular Pete Sokatch's orchestra who has promised us the very best in Slovene waltzes, polkas and popular tunes of the day. Dancing starts at 8 p. m. till?

Each and every Struggler member is entitled free admission so why not come out and enjoy yourself? Rarely do you have the luck to get something for nothing in this day and age, especially when the cost of living has met an all level high. So for an evening of real fun and enjoyment why not attend our Harvest Dance?

An invitation is extended to all our sister lodges, especially the Loyallites, Utopians, Concordians, Napredne Slovenke, Comrades, Commodores and to the out-of-towners as well and last but not least our senior lodges are included in the invitation as well. We'll be seeing all of you on Sunday, Nov. 16. Don't forget, I'll be expecting you!

Out-of-the-Bowling-Bag

In the so-called "knockdown series" our Struggler girls whitewashed the Comrade No. 3 again and that boosted our morale a notch or two. Needless to say, we had a wonderful time last Friday. May have been Halloween or the candy eggs, that Vera Sebenik passed out, among the girls, anyhow the true spirit of friendship reigned supreme even though we emerged victorious in all three frays with not too many pins.

Fran Perusek with four strikes in a row met her Waterloo in the fifth frame with a difficult split. Betty Perusek consoling herself that it was the alleys and not her bowling that made her miss her spares. Mary Krnel wondering what was wrong with her bowling as she did not make her average. Lillian Henikman kept repeating to herself "thumbs out" before she released the ball and then to find out that sometimes it worked and then again it didn't.

Your scribe too disgusted to even wonder what was wrong with her bowling but was consoled somewhat when Adopne Perdan made it known that the pins were polished just that afternoon. No wonder we were below par! In a week or so we will be sporting a pocketful of club cards around with him. However, it would be a good practice for the individuals who usually travel around to the various affairs together, to have at least one card for each club among them. By doing this it assures the entrance of the holder to the tap room along with the others as his guests.

Most of our clubs charge only \$1

for social members and it is well worth it to be able to visit the club room where the affair is being held.

This applies to women as well as men, so I urge you all to get club cards from the organizations which you visit during the course of the year and help to keep our clubs open for the enjoyment and pastime of all our Slovene people.

Morning Stars Lodge

Morning Stars Will Feature Joe Umeck

PITTSBURGH, Pa.—Just a few words to remind you lovers of fun and frolic that in the near future there will be two dances at the Slovene Hall here. The first on Nov. 8 featuring none other than that jolly Joe Koracan and his musical assistants who hail from Yukon.

Come and join us that day for I'm sure that you will go away with a tingling feeling through and through due to the wonderful melodies that Joe will provide. This dance will be sponsored by the Slovene Home and as a member of the executive committee I offer you my most sincere welcome to this affair.

As has been the custom in the past, the Morning Stars Lodge 665 once again present a dance date for all you lovers of Slovene music.

The date of this affair is Saturday, Nov. 22, and the waltzes and polkas will be furnished by the ever-popular Joe Umeck from Girard. The first time this writer met Joe was at a bowling tournament at Carrick. Since then Joe has been one of my favorite accordions and I'm sure that he will give you the same feeling as he tickles those keys on November 22, in our local Slovene Hall.

Remember, folks, you are all invited to enjoy yourself along with the overflow crowd that is sure to be there.

On Nov. 15, representatives of the Morning Stars are traveling to West Aliquippa to attend a dance held by the Jolly Quips, with Frankie Yankovic as the main attraction. As we are contemplating going by bus it is necessary that

Little Fort's Harvest Dance

WAUKEGAN, Ill.—Little Fort Lodge 668 SNPJ is sponsoring a Harvest Dance on Nov. 15 in the upper hall of the SNH. Dancing will begin at 9 p. m., with Stan Gregorin and his orchestra furnishing the music. Refreshments and drinks will be served in the lower hall.

Members and friends, if you wish to have some fun, this is your chance. Don't forget to mark Nov. 15 as your date with Little Fort's Harvest Dance. Admission will be 75¢. You can secure your tickets from the lodge secretary or committee members or at the door on the day of the dance.

For further details watch next week's Prosveta.

SHEBOYGAN, Wis.—This, the greatest social event ever undertaken by the Lodge, will begin with the dance on Saturday night, Nov. 29, at the Sheboygan Auditorium and Armory and concluding the event at Fludernik's Hall with a program on Sunday, the 30th.

To play for that Saturday night, will be the East's famous polka artists—Frankie Yankovic and his great orchestra of Cleveland, Ohio. Come and hear a band that has thrilled you for so long on recordings. See them! Dance to their music!

Mrs. Tolar, mother of the well-known Tolar family, is confined to Woman's Hospital with a serious ailment and we are all hoping for a speedy recovery. Mary Svetek has reported well after that serious accident that almost proved fatal for her on Sept. 9. Frances Ponikvar still confined to her home.

Wondering if that rumor is true about Frank Leusche, former Governor of Ohio and still a Struggler member . . . Do you realize how fortunate we Clevelanders are in having three Slovene programs every Sunday on our local radio stations? First one is at 10:30 a. m. on WGAR and two on WJMO.

That's why I recommend that all of our members who wish to be informed on the truth which transpires in big circles should subscribe to "In Fact" at \$2 per year.

Kegling Kapers

By J. J. Spilar

CLEVELAND, Ohio.—The feature battle of the first of seven knock-down series inserted in the schedule saw the lucky Utopian No. 5 keglers break a tie for the top spot position by accepting two games and three points from the Loyalties. No. 1 blasters who were definitely off their stride. Thank you, brother Loyalties! Anchorman Eddie Stefanie did all the work for the winners with a nifty 591 set. Frank Marolt stood all alone for the good people from across the bridge with a 541 series.

The third and fourth place Spartans and Comrade No. 1 gang slugged it out with the latter gaining three points with a rousing rally in the last two bouts. Tony Skok and Frank Golob provided the deciding punches with 568 and 566 series, respectively. Stan Zagar's 559 was best for the Spartan boys.

After dropping a close decision in the initial fracas the Utopian No. 1 team tripped the Utopian No. 4 guys quite handily in the last two sessions. Ernie Merritt showed the way for the winners with a fine 595 series. Steve Bargel's 589 topped the losing squad.

Frank Tegel was on fire again and the Euclid 158 potential dark horses skipped up to fifth place after romping three times over the Loyalties No. 3 bunch. Frankie's 210 and 203 games in a 569 series helped the climbing clubbers along while Marty Paul's 525 was high for the other side.

Team Results: Euclid 158—3, Loy. 3—0. F. Tegel 569, M. Paul 525. Utop. 6—3. Lunder Adamic O. J. Pinasky 523, T. Prime 484. Loy. 4—2. Z-Bratje 1—1. J. Braddock 548, T. Debeljak 518. Strug 2—2. Zagar 559. Utop. 5—2, Loy. 1—1. E. Stefanie 591, F. Marot 541.

200 Circle: T. Skok 222, J. Braddock 220, E. Merritt 213, M. Paul 215, E. Stefanie 213, F. Tegel 219-203, F. Golob 208, J. Troha 204, S. Zagar 203, W. Jary 202, B. Yarschen 202, V. Zele 201.

Sideline Sianis: Mr. & Mrs. Me- sojedon on hand (these two seldom miss) to watch the trying ordeals of the Loyalties No. 1 and Utopian No. 5 match. "Slabe smo deall," kaj ne, stric in tet? . . . Hey, Blondie! Not of the Blondie and Dagwood comic strip team but Blondie Baraga who kept score for her hubby's Loyalties No. 2 squad. Eddie Gerchman threw, looked, and wondered where his ball had gone through in the 3-7-8-10 setup staring at him. . . . Frank Iskra used that "veliko ballo" to make the 4-9.

The Lunder Adamic Hotshots very cool so far this season. Get the steam up, Captain Strukel! . . . Billy Starman joining brothers Chuck and Tony on the V-Boj team and Ed Tibyash teaming with Art on the Loyalties. . . . Don't wake me up! Eddie Stefanie possessing a hot batting average the past three weeks with 568, 632 and 591 series. Sh-h! . . . Joe Braddock's wife Virginia more nervous than hubby who had six strikes in a row. Joey faltered at that point and finished with 220 after two five pin fills and two open frames.

Pete Tomac of the Zdrženec Bratje bowlers keeping that wed- ding date and Steve Lokar of the Utopians due to follow soon. Happy days to you all, boys and girls! . . . Tony Skok's 222 won the first shift jackpot and John Pinasky tied with Rudy Lisch on the other with 196. . . . Marty Paul feeding the Loyalties No. 2 fellows (of all things) popcorn all evening. They'll be throwing a popcorn ball if you keep giving them that stuff, Marty! . . . But that was no popcorn ball that Mr. Paul was pushing in on the first shift for a 215 game that j-u-s-t missed the jackpot prize. "Darn it, missed an easy spare, too," lamented the depressed gentleman. It's the easy ones that does the damage every time, pal!

Southside SNPJ Inter-Lodge News

CHICAGO.—The Delavee Wolves finally proved to be the team that beat the league leading Delavee Mustangs for all three games in last week's Southside Interodge bowling league. The Trailblazers' Panthers, sparked by Mirko Kuhel, smothered the Sentinels for all three games. The Trailblazers' Tigers came thru to take two out of three games from 490's Rangers. Delavee Bears won two and lost one in their series with the Trailblazers' Ramblers.

Ivanic was the high scorer for the week among the men with his 584 (211) marks. Other top scores were V. Tome's 571 (217), Chanić's 570 (211), Korosec's 569 (214), M. Kuhel's 566 (239), Trilcker's 565 (206), Grum's 566 (225), Pelešec's 563 (205), S. Tome's 560 (207), M. Zatkovich's 532 (197).

Big business profits for the past two years seem to be raising hell with that theory.

S. N. P. J. Trojans

Koše's 529 (189), Joe Kosich's 527 (221), Landis' 521 (192), Bayuk's 518 (212), H. Kosic's 509 (183) and Čehnić's 501 (181).

High scorers among the women were D. Mender's 553 (203), Mil Vrhovnik's 528 (208), K. Matušek's 519 (204) and D. Lazzeri's 517 (194).

ALL THAT SORT OF THING. The concert sponsored by central committee of American Yugoslav Descent on Nov. 16 at Barney's Grill will feature singing societies Franc Preseren and Matija Gubec. A dance will follow the concert.

The Istrian Club will hold its fall social and dance on Nov. 29 at the LOS Hall. . . . M. Kuhel's 239 score was good enough to win the league's weekly cash prize. . . . Who hits 'em better?" Vranicar was also good enough in toppling the pins to win an extra buck last week. . . . So long until again. . . .

Buckeyes Bits

BARBERTON, Ohio.—The Barbenton Buckeyes, Lodge 626, held their dance on Oct. 18, and I certainly was surprised by the absence of a large crowd. Where were all the members of our lodge? It seems that all of our doings this year have been jinxed or something. Well, anyway, I want to thank all of the members that worked that night at the dance.

The November meeting is to be held on Wednesday, Nov. 12, at 7:30 p. m. at the Domovina Hall on 14th st. Some important discussions are going to take place, so all members please come and attend the meeting.

During the month of October we bid goodbye to our member, Mrs. Jennie Janesh, who left Barbenton to go to Fontana, California, to join her husband and son and family, who also were our members. We hated to see her go, but we hope that they all like California, too, and that it is for the best.

THERESA SONOFF, Rec. Sec'y.

Organized Labor Is Toman Library Topic

CHICAGO.—Friday evening, Nov. 7, at 8:30, the Toman Library Forum committee will have "Future of Organized Labor" under discussion. The guest speaker will be Gerald Fiedle, secretary-treasurer of the United Farm Equipment and Metal Workers of America. Toman Library is located at 4005 W. 27th st. Admission is free.

JOHNSTOWN, Pa.—As I write this article it is drizzling rain and it reminds me of how cozy it is to be able to confine oneself to the indoors, and consequently to indoor activities, suggesting our coming dance, Nov. 15, at the Moxham Slovane Hall and the Les Faulk Band promises plenty of reason for that "activity."

Many of you, no doubt, have heard this fine Slovenian group broadcasting on Saturday afternoons over a Uniontown station. They appeared at a suburb of Johnstown this past summer and made a great hit with all who heard and danced to their music, so for a full evening of dancing fun, come to the Moxham Slovane Hall, Nov. 15, dancing to the Les Faulk Band.

Brothers and Sisters, I understand that there will be an affair in Fontana that we appreciate their cooperation in coming to our affair.

Prešeren Concert Sunday, Nov. 9th

CHICAGO.—Another star-studded concert and dance will be presented this Sunday, Nov. 9, by the Slovene Male Chorus "France Prešeren." The affair will be held at the SNPJ Auditorium, 2700 S. Lawndale ave., and the program will begin promptly at 3 o'clock.

In keeping with past traditions, a fine variety program has been planned for your entertainment. In addition to the selections of the chorus, which will be under the direction of Prof. Fr. Kubina, the program will include such numbers as the Kovich sisters (popular singing trio (formerly of Minnesota); the Lillian M. Stepon Dancing Studio (featuring novelty tap, ballet, and acrobatic specialties); Angeline Pluth (soprano soloist); Ženska Zvezda (Women's Chorus); and the Joe Kovich Trio (instrumentalists). The program will be climaxed by a two-act Slovene play, "Trile Tički." The cast includes such veteran performers as Jack Marinich Sr., Anton Udovich, Anton Basha, Stanley Mozina Sr., Frances Gradišek, Charles Reinar, Frank Gradišek Jr., Joe Zupančič. Prompting will be done by Jennie Gradišek.

Following the program, music for dancing will be furnished by two orchestras. Setting a romantic atmosphere, the mellow tunes of Edward Pittlik and his orchestra will occupy the upper auditorium; while the lower hall will ring out with the snappy polkas and light-hearted waltzes of that popular young accordionist, Joe Kevich, and his Trio.

Refreshments in all forms will be on hand, and quick, efficient service will prevail to further your enjoyment.

For a fine, jam-packed, afternoon and evening of entertainment, Prešeren and its many friends invite all of you to join in the gay festivities, as the curtain goes up on another Fall Concert and dance. The admission is 60c.

"PRESEREN."

SNPJ Trojans News

JOHNSTOWN, Pa.—The SNPJ Trojans are really keeping things moving, with their third big dance of the year, to be held at the Moxham Slovenc Hall, on Nov. 15, starting at 8:30 and continuing until 12. Music will be by Les Faulk and his Slovencians, who broadcast each Saturday from 6:15 until 6:45 on WMBS, Uniontown. Listen in this week and see what a musical treat is in store for you.

Bowling is still all the rage in our organization. Our two teams are captained by Ann Gelles and Ann Bricey, with Ann Gelles' Bums four games ahead of the Bucs. We have lots of fun, so for any members interested, it's Tuesday nights at 8 at Gelles' Alleys, Conemaugh. Our men's team, with "Cal" Česlovník as captain, is now tied for first place in the Conemaugh Valley League. Keep up the good work, boys, and stay right up there at the top.

Our last dance was a huge success, thanks to the hard-working committee composed of Elsie Culkin, Frances Hocevar, and Larry Langerholc, and the splendid cooperation of all the members. Let's all do the same for our November dance.

We want to extend our deepest sympathies to John Gomilar Jr. on the death of his wife, Christine. Johnny is a faithful Trojan member, bowler, and softball player.

Three of our members are hospitalized. Betty Allison, Frank Štefanek and Charles Korber. A speedy recovery to all three of you. Members, how about dropping in to see them? They're all at the Memorial Hospital.

We have two new members to add to our roster, Judy Fay Miklaučík in the juvenile dept. and Tony Kovacic. "Kav" has promised to be a loyal member and attend all meetings. A good time to start is our next one on Nov. 9, and that goes for all our members.

Have you seen the beautiful Zenith radio on display at the Moxham Slovenc Hall? Some lucky person is going to take it home on New Year's Eve. See any Trojan for details.

KF Takes Over Bulb Competitor

STOCKHOLM (CNS)—The Swedish cooperative wholesale, KF, has bought the works of one of its largest private competitors, OSRAM.

This was a branch of the German electric bulb trust, taken over by the Swedish government and two firms applied for it. The bidders were KF and a national wholesale for four or five voluntary grocery chains. The government decided in favor of KF.

Albert Johansson, president of KF, told the Swedish press that KF's LUMA bulb factory will incorporate all of OSRAM's works and will make use of its trademark. The LUMA factory, considerably enlarged during the war, will have sufficient space for the new addition.

Corporate profits after taxes for the first half of 1947 were 248 per cent higher than for the same period in 1946.

Circle No. 7 Holds Bake Sale Saturday

GIRARD, Ohio.—A Bake Sale sponsored by the Dawn of Youth Circle No. 7 will be held on November 8 at Swabek's Flower Shop. It would be appreciated very much if members of the Golden Eagles would also donate items to this affair. Each member of the Circle has been notified about the sale. They are asked to have their items at the shop by 10 on the dot so we can get started as soon as possible.

The sale is being held to help increase the Circle's treasury. If enough money is taken in, a gala Christmas party will be held. Only those members whose dues are paid will be able to participate in the party. The dues are 2c a month or 2c a year. Pay your dues as soon as possible.

News of the sale will be published very soon.

Circle No. 2 Plans Fall Activities

CLEVELAND, O.—The National SNPJ Day has come and gone and it was a great pleasure for everyone to get together and discuss Circle activities with one another.

Circle No. 2 is planning on its fall activities and at the September business meeting it was decided to hold two meetings a month which will consist of one business and one social. The meeting dates have been changed to each 2nd and 4th Tuesday of the month. The change has been made in order to have the Juvenile Singing Chorus have rehearsals on Thursdays.

The business meeting will be held at the Slovenian National Home as usual, but the social meeting will be held at the Director's home. The director of Circle No. 2 submitted a report on the Juvenile Directors Conference which was held here in Cleveland. One of the topics discussed was the handicraft exhibit that was held here during the conference and everyone was sorry to hear that no prizes were awarded for the finest exhibit; nevertheless, the members are showing great interest in their work and busy preparing for the next handicraft exhibit whereby they hope to have a larger and better display than the one just recently held.

At this meeting, I also, was presented a lovely pin and two beautiful handkerchiefs from the Juvenile Circle members. I wish to take this means to express my deep appreciation and thankfulness for the lovely gifts and will always treasure them.

Our Halloween party was held on Oct. 23 at the Director's home. It turned out to be a great affair as everyone had the Halloween spirit even though the party was held a week before Halloween. Games were played and prizes were given and all participated in the apple dunking contest, which was the highlight of the party.

On Nov. 4, members of the Circle went out to a dinner party at a Cleveland's leading theatrical restaurant. After the dinner, the group attended a movie to conclude the evening.

This brings our Circle activities up to date and will keep you informed of all of our future activities.

MARIAN T. ADAMS,
Director.

Perfect Circle's Social Is Success

CHICAGO—Perfect Circle held its Hardtime Social and dance last Friday evening, and judging from the gay spirits of the crowd attending, it could have been aptly titled "goodtime" instead. The hall was filled to capacity, and though we were a little crowded, no one seemed to mind too much.

Almost everyone attending the affair came dressed in some sort of old clothes costume, and some of them certainly were exceptionally clever and original. Nevertheless, they were fined, for they "slipped" up somewhere, and our scouts were as thorough as could be. Each person fined, received a colorful autumn tag, and "tagged" were Sylvain Trojar, Lewis Reven, and Ella Mae Štefanek. It was all in fun, and most folks took it in that manner.

All of Perfect Circle's activity movies were shown, and as some dated as far back as early 1943, they were a treat for both the members and parents. Brother Michael Vrhovnik, Juvenile Director of the SNPJ, was present to show the movies, and many were the compliments voiced on how well the movies had been taken, as well as displayed. Taking and preparing movies, such as those we saw is no small task, and Brother Vrhovnik is to be commended for his fine work. Perfect Circle is very appreciative of this fact, and wishes to sincerely thank the SNPJ, and Brother Vrhovnik, as well, for their cooperation and interest in the movie field, as they

certainly added to the festivities, and helped to make the evening a success.

The "ohs" and "ahs" one heard all evening were exclaimed over the hall decorations, and they really were something to see. A riot of autumn color everywhere in pumpkins, leaves, squirrels and novelty figures; most of which had been made by the Circle members. The Circle's back wall is a work of art, and somehow we forgot all the work connected with all the decorating after hearing so many compliments about it. The committee responsible for this are Sylvia Trojar, Myra Beniger, Ella Mae Štefanek and Lewis Reven.

Definitely on the decorative side was our "host" for the evening, a huge scarecrow made by yours truly. Setting in the center front of the room and surrounded by cornstalks, he seemed to be watching the merrymakers rather wistfully. Myra Andres, Freddy Štefanek, Doris Trojar and Judy Zasadil brought real pumpkins, cleverly made up, and these were placed in our "cornfield" to keep the scarecrow company.

Circle members were responsible for most of the work in connection with this affair, and they worked diligently until relieved. Myra Beniger, Charles Zordani and Rose Podbavsek had the door; RobAnn Sannemann and Myra Andres handled the chip booth, and Grace Ann Gerdine had charge of the Circle refreshment tickets, as all members received their's free. Frankie Sternish, Freddy Reven and Norman Sodnik were the chair committee, and helped clean the floor for dancing.

As usual, our Circle alumni and parents were on hand to help where they could. Mary Andres, kitchen chairman, made the delicious barbecues, and she was also responsible for getting those tasty donuts. Helping Mary were Eva Zordani, Dorothy Sodnik, Frances Rak, Ruth Medic, Josephine Slansek and Marion Cervenka. Bar chairman was Tony Trojar, and assisting him were Chuck Rak, John Rak, Sam Reven, Bob Sanremann and Frank Sodnik. Bill Kvacic was all around helper, and Leo Smagaj, SNPJ custodian extended us every courtesy. To each and everyone of these folks, Perfect Circle says: "Thank you very much," your efforts in our behalf are most certainly appreciated.

Music was furnished at times by Circle juke-box, and our "live" orchestra consisted of Dorothy Galaván, Rosemary Merhaut, Circle members, and Edward Udovich, Circle assistant director.

Thus ended another Circle affair, and needless to say, we were more than pleased with the final results, and once again we feel "it sure was worth it!"

Special Meeting

Saturday morning found the whole group back at the SNPJ Hall ready to help straighten up after Friday night's revelry, and then to hold a special meeting. Many decisions had to be made concerning business of the Circle, and activities for the month of November were planned. We're doing things and going places, so watch Prosvelta for details and dates.

Bowling News

Sunday morning means bowling for Perfect Circle, and despite the fact that we had a heavy three-day schedule, most bowlers showed up, and in very good spirits. We are planning something special for December where our bowling activities are concerned, and as soon as our plans are final, they will be published.

100 Years of Progress

Sunday afternoon, after dashing home from the alleys to get a bite of lunch, found a group of Perfect Circles on their way downtown, specifically to the southend of Soldier Field. International Harvester Company was observing a 100 year anniversary of progress in agriculture and industry. The company had a most interesting display of machinery inventions, trucks, tractors, bulldozers, and of special interest to us, a mechanized cotton-picker. Movies and stills were shown in connection with many of the displays. We also attended a variety program which featured screen, stage and radio stars. The afternoon was doubly enjoyed by all of us, as it was a beautiful clear day in Chicago, and as one comment was heard, "a perfect day for Perfect Circle."

Regular Meeting

A regular business meeting will be held on Saturday morning, Nov. 8, at 10 o'clock. We have much work before us, and therefore members are requested to come early and prepared for business. Don't forget to bring in your tickets, or money at this time, so that a financial statement can be made for our records.

Pa. A. S. Congress Issues Statement

PITTSBURGH, Pa.—The newly formed group called "Americans Battling Communism" has headed itself in the press with strong attacks against the American Slav Congress. Judge Blair Gunther and Attorney Harry Alan Sherman, founders of this organization, have adapted what they think is new, yet is the same medicine which they fed in their support of the Taft-Hartley Act. As Republicans they campaigned for this Act and now the issue of Communism is brought in to obscure what they have been doing constantly against the people's interests.

Judge Gunther, Republican of Slavic origin and a former officer of the American Slav Congress, is surely aware that the majority of the Slavic Americans are working people; they are trade unionists, and they play a definite political role in our life by holding to democratic beliefs rather than to Republican Party principles.

Sharon Keystoners

SHARON, Pa.—When attending Keystoners monthly meeting last Sunday, the members urged me to go back to my articles and to report our doings at meetings, and also the news of our Sharon Slovens.

Right now the Slovenian Home and its people of Sharon and vicinity are known to be the most popular organization in Mercer County.

In its second year the softball team won first place in the valley softball league. That's quite an honor for our Slovenian Home. Much credit goes to the manager, Frank "Shorty" Paulenich, who is the son of the late and well known Joseph Paulenich and who was a great booster for SNPJ and Lodge 31 of Sharon Patagonia.

Bowling will be the next excitement in the valley. Lots of luck to you boys, and hoping you bring home the bacon as you did last year.

The Keystoners boys also have a team sponsored in the City Merchants Tenpin league that bowls every Sunday night at Hickory Recreation Alleys. There are 12 teams in the league and after 7 weeks of competition the Keystoners team is located in 8th place. Genial Mike Steibl is captain of the squad which he calls "Busters Gang." The averages of the team to date: Max Mack 171, Ted Bieck 167, Bill Mack 162, Frank Kvocak 158, John Valentine 156, Mike Steibl 146, Frank Misák 145.

Bowling shirts ordered for the team are finally expected in this week. Ted Bieck who is a veteran on the alleys, says "Boy will I start hitting them when I get that shirt!" The girls are trying to get a few teams together and try to get in good shape for the Carrick tournament.

Juvenile Circle 21

The juveniles enjoyed a night of fun Thursday at their masquerade party. Some of the costumes were beautiful and some a sight. Many games were played, prizes given, lunch served, then dancing followed. A report of the affair will be given by one of our juveniles soon.

Basketball practice is in line now. Boys wishing to play must get in touch with Pres. Ed Kramer or Coach Ed Okorn. Singing rehearsals for Christmas program take place Tuesdays at 7:30 and also trying to get Sunday afternoons.

When attending the juvenile conference in Cleveland, I can't help but say that I've learned much. After 8 years in this field of Juvenile Circles one never knows how much they can learn only in a few days of this get-together with the rest of the SNPJ Circle directors. Hoping this continues once every year, and I'm sure our Circles will progress. One thing I can say is that Michael Vrhovnik is doing a wonderful job for our youth. Thanks to Mr. and Mrs. Frank Hribar of Hecker Tavern for a wonderful hospitality during my stay in Cleve-

land.

A Suggestion for an Anti-Communistic Epic

By KENESAW M. LANDIS II

We are, it seems, the most juvenile nation in all the world. It may be that the giggles and shrieks of feminine joy that greeted Robert Taylor's defiance of Communism are not entirely representative of our society.

But even more alarming is the sober assumption that we are being indoctrinated with Communism through the movies.

As the whole world knows, our picture entertainment is produced on the theory, proved by the box office to be reasonable, that we are a nation of 13-year-old mentality.

Can it be that we've been unknowingly absorbing Communism with our pop?

* * *

Adolphe Menjou has testified that subversive meanings can be put into the most innocent scenes by "a glance, a voice inflection, or a grimace."

Apparently Communism is a lot like sex, although not so American.

It is horrible to reflect that our most sacred ideals have been polluted by double meanings which most of us, alas, have been too slow to catch.

An illustration of the dangers involved was given by Mrs. Leila Rogers, mother of Ginger, at the previous hearing. Testified Mrs. Rogers:

"When my daughter was making 'Tender Comrade,' an R-K-O picture, she was given a line to read. Here's as close as I can recall it: 'Share and share alike—that's democracy.'"

"I think that's definitely Communist propaganda," said Mrs. Rogers. "Ginger refused to read the line, so it was given to a sweet and unquestionably loyal youngster, Kim Hunter, to read."

* * *

Come to think of it, a lot of this Communist propaganda has got into the public schools.

I remember way back when I was in the third grade, and got caught trying to take more than my share of the striped candy handed out at a Christmas party.

"Share and share alike," the teacher said distinctly, as she boxed my ears.

I can't say I was affected by such propaganda, but there is no telling how many American youngsters have had their free-enterprise instincts discouraged by this kind of thing.

In order to counteract such poison, we ought to have a super-colossal anti-Communism epic in technicolor. I suggest the following scene:

A typical American family is seated at the dinner table. As soon as the maid and butler retire to the kitchen, Robert Taylor, the father, says grace.

Then Ginger, seated opposite, leads the children in a pledge of allegiance to the flag, which is standing on plush in the corner. As soon as everyone is seated again, she turns to the little darlings, and yells:

"Well, what are you waiting for? Grab while the grabbing is good—that's democracy."

REACTION FACES CIO POWER IN 1948

By TRAVIS K. HEDRICK

BOSTON—(FP)—A grand scale offensive which, if properly carried out, will unseat reaction in Washington in 1948 was laid down by the CIO's ninth constitutional convention here.

Stirred by sharp self criticism of widespread failure to do a job in 1946, delegates returned home determined to dig in on the local front for a major effort next year.

Aside from some frothy and spectacular features, the Boston convention of the CIO was most noteworthy for its repeated stress on political action.

The kernel of the plan is a voluntary dollar contribution from every CIO member, to set up a fund of \$6 million for CIO-PAC; the enlisting of a million block workers to ring doorbells and pound sidewalks in the precincts and wards, registering voters and explaining issues.

The target is 60 million voters, all eager to knock over the men who supported the Taft-Hartley act and killed price control at the behest of the Nat'l Assn. of Manufacturers.

While the CIO has adopted ambitious programs before, there was a new stress on grass-roots work, on seeing one's neighbor and getting him ready, eager and qualified to vote. It had a far healthier, sounder ring, and it seemed that the Taft-Hartley business has had the wholesome effect of making the job appear as tough as it is.

Coupled with this program is the renewed expression by CIO Pres. Murray that the AFL rank-and-file will work along with the CIO in the neighborhoods because the issues are identical.

There was a universal feeling, it seemed, that with political and economic freedoms already threatened, the workers of America must get into fighting togs and win the 1948 struggle with American monopolists and their spokesmen.

Although the CIO has put aside the thought of a third party in 1948, it cast no laurel toward the present occupant of the White House. Indeed, Pres. Truman's name was scarcely mentioned, never cheered, while Murray took occasion to charge the Truman administration with being "drexel in the performance of its duties" to the people.

The CIO leader, re-elected to serve his eighth year, has moved farther to the right and become more publicly critical of the CIO's left wing. But Murray's hand remains firm on his spear when he rides hard against greed and monopoly, and he battles strongly against outside forces daring attack the CIO.

Jobless Benefits Alone No Cushion for Depression

CHICAGO—(FP)—If a new depression hits the U. S., the unemployment compensation system will not keep workers off breadlines or home relief rolls.

That's the conclusion of a study made by the Research Council for Economic Security, an employer-sponsored group.

The \$7 billion total reserve accumulated by the states in the 10 years that the unemployment compensation program has been operating would cover the benefits to U.S. workers as a whole, the study found.

But, it pointed out, industrial states like Illinois, Massachusetts, New York, Michigan, Maryland and Delaware would be relatively hard hit, with their unemployment reserves facing exhaustion at the end of the period, while agricultural states like Iowa, Kansas and Mississippi would come out of the depression with a fairly large surplus still available.

Research Dir. Gerhard Hirschfeld noted that the present unemployment compensation system was never intended to protect the workers during a major economic collapse.

If there were 12 million jobless in the first year of another depression, he said, only one-half would be eligible for any benefits whatsoever. If the depression were to continue into a second and third year, the great majority of those eligible would exhaust their wage credits and be forced to seek aid through relief, soup kitchens and work projects.

He estimated that by the end of the third year of a full-scale depression, only 10% of the unemployed would be eligible to receive benefits, and even for these, benefits would range down from a maximum of about \$500 a year.

Asserting that no one solution could meet the problem of a major depression, Hirschfeld said possible measures to help the workers through an economic collapse could include guaranteed employment, new job-creating industries, public works, private savings and severance pay.

More Needy Children Calling on Social Security Funds

WASHINGTON—(FP)—The number of dependent children given financial aid under the Social Security Act has increased 59% since V-J Day, the Social Security Administration said Oct. 26.

Chief cause of the increased need for aid under the federal-state program, said Federal Security Admin. Oscar L. Ewing, has been the skyrocketing cost of living.

Other causes he gave were loss of employment, especially layoffs of mothers who had worked in wartime jobs, and the loss of servicemen's dependents allowances.

In August 1947 more than a million children in 400,000 families were given public assistance under the act. Congress increased payments to the states for the joint program in 1946, but Ewing said price rises since then have already canceled out the improvement in the law in some states.

Despite this action, however, Pres. Murray said that there is nothing in the offing that will reduce prices and in the absence of that, we are going to ask for wage increases."

Actually, there was little hope among the delegates that a special session would be called to turn the tide on inflation. Most believed another round of wage increases would be necessary.

Before the war, about 40 per cent of all United States exports went to the British Empire, says a Twentieth Century Fund report.

The Scrap Iron Is Back

SAN FRANCISCO—(FP)—The following poem which appeared in the Oct. 17 issue of the Dispatcher, newspaper of the Int'l. Longshoremen's & Warehousemen's Union (CIO), was written by J. C. B. as the first wave to arrive in America were unloaded at Oakland, Calif. Titled, The Scrap Iron Is Back, the poem is dedicated to the longshoremen who struck against loading scrap iron for Japan:

They didn't want to load it ten years ago, but
The shipowners said they had to do it;
The arbitrator said they had to do it;
The State Dept. said they had to do it.
I'll always remember the longshoremen said
That scrap iron will come back some day

I was there as the first two coffins touched American soil.
Lowered by a groaning winch in a drizzling rain,
Draped with flags by soldiers at stiff attention.
Shoved to a jitney train by white-capped dockers.

I'll always remember the longshoremen said
That scrap iron will come back some day
In the bodies of American boys!

The brass stood around the movie cameras ground.
Clarence Phillips said: "I loaded this scrap iron ten years ago.
I had the feeling it was coming back, only thing I didn't know.
Was that I would unload it, too."

I'll always remember the longshoremen said
That scrap iron will come back some day
In the bodies of American boys!

The guns boomed in salute, airplanes hummed and the jet planes whooshed.
For honor to seven hundred and fifty tons of dead weight.

Times three thousand and twenty-eight, some
From Pearl Harbor where the scrap iron sprayed

In the attack some men knew would come . . .

Maybe the dead deserved the pomp that swayed men's emotions and
Produced the tear in a mother's eye, maybe so and maybe no.
Maybe the dead would have chosen otherwise, slipped in quietly.
And maybe if they spoke, they might have asked:

"Boom these guns in memory and honor, as you say, or
"Boon them in porten of what we died to avoid?"

I'll always remember the longshoremen said
That scrap iron will come back some day
In the bodies of American boys!

The dead deserved the pomp that swayed men's emotions and

Maybe the dead would have chosen otherwise, slipped in quietly.
And maybe if they spoke, they might have asked:

ALL PHASES OF U. S. LIFE THREATENED BY WITCH-HUNT

By MIRIAM KOLKIN

NEW YORK—(FP)—A fighting offensive to smash the developing witch-hunt against civil liberties in the U. S. was mounted at a 2-day civil liberties conference here Oct. 25-26 led by prominent scientists, artists, writers, lawyers, musicians, actors and educators.

More than 2,000 delegates from 17 states turned out for the conference, which was called by the National Arts Sciences & Professions Council of the Progressive Citizens of America. Overflow crowds jam-packed ballrooms in two hotels where panel discussions and reports revealed that the attack on the people's civil rights, spearheaded by the House committee on un-American activities, was spilling over into every aspect of American life.

Imagine which organizations these were, "unless it was perchance" the Joint Anti-Fascist Refugee Committee "which has protested for years against America's unhappy toleration of Spanish fascism."

The conference demanded abolition of the House committee on un-American activities, which "is itself the most crazily un-American activity in the fabric of American life."

The House un-American committee, "in brazen violation of the First amendment, has the unpeakable audacity to try to tell free-born Americans what they shall think, what they shall believe, what they shall say, what they shall write, and how they shall act," the resolution said. "To surrender to that committee is to surrender the constitution."

Other unanimously adopted resolutions called for revocation of the President's loyalty purge executive order, the right of Americans to join any legal political party, repeal of "little Dies" acts in cities and states, repeal of the Taft-Hartley act and full support to the subpoenaed Hollywood writers, directors and actors.

Equality of opportunity was demanded for all American writers, artists and professionals despite race, creed, color or political belief, as was elimination of State Dept. and other regulations which impose curbs on their freedom to enter or leave the U. S. and restrict interchange of scientific information and personnel.

Speakers at the conference, which brought out some of the biggest names in U. S. cultural life, included Dr. Harlow Shapley of Harvard University, former U. S. Atty. Gen. O. John Rogge, PCA co-chairmen Frank Kingdom and Robert Kenny, and Sen. Claude Pepper (D., Fla.).

Pepper linked the attack on the civil liberties of the American people to U. S. foreign policy and charged that House un-American committee members are acting for reactionary war planners "hiding behind the dollar curtain." Indorsing the program adopted by the PCA conference, the senator declared: "The American people have reached the point from which they will retreat no longer."

The American Medical Assn.'s brand of thought control was revealed by Dr. Ernst P. Boas: "In Arkansas, California, Louisiana, Chicago and in Washington, D. C., physicians have been ejected from county societies for participating in voluntary health insurance groups. Such an ouster is a serious economic threat to the doctor, for it carries with it ostracism from his hospital and injury to his practice."

Olin Downes, distinguished music critic of the New York Times, related a personal experience involving his son's decision to apply for a job with the FBI. His son dropped that plan, however, after a confidential FBI source warned them that the application would be refused "because his father, was down in the FBI books as belonging to three subversive organizations!" Downes said he could not

THE MYTH OF PUERTO RICAN OVERPOPULATION

By Felix S. Cohen

The abject poverty of Puerto Rico, a dependency of the United States since 1900, has often been the subject of public discussion. The prevalent opinion among economists, sociologists and others has been that the Puerto Rican poverty has been due to overpopulation.

In the October issue of the *News Letter* published by the Institute of Ethnic Affairs, Inc., there appeared a very enlightened article on this subject written by Felix S. Cohen, associate solicitor of the Department of the Interior. Mr. Cohen effectively demolishes the notion that poverty is due to over-population either in Puerto Rico or elsewhere. If you are interested, read his provocative article. Mr. Cohen states in part:

The major scientific efforts of the past 20 years to solve "the problem of Puerto Rico" are embodied in the Brookings report, the Chardon report, the Zimmermann report, and the report of the National Resources Planning Board.

The basic problem, as all these investigators see it, is the problem of overpopulation, the problem of a dense and growing population on an island with few natural resources.

40,000 "Too Many"

The "emigration" cure is as standard a prescription among contemporary economists diagnosing the ills of Puerto Rico as was purging or bloodletting among physicians two centuries ago. Since the problem of overpopulation is being created by an excess of 40,000 or so Puerto Rican births over deaths every year, what could be more natural than to believe that the emigration of 40,000 Puerto Ricans every year would help the economic situation in Puerto Rico? That is on a par, however, from the standpoint of strict economics, with the statement that Puerto Rico's economic situation would be improved if masters could be arranged so that hereafter 40,000 Puerto Ricans would die of the bubonic plague each year.

The effect on the economic life of Puerto Ricans is not altered by the circumstance of whether this departure from the country is by ship or on the wings of the angels, except to the extent that those who go by ship take wealth away from Puerto Rico when they travel—while those who go with the angels can't take it with them.

The theory of Puerto Rican overpopulation . . . is put forward as an inevitable deduction from two other firmly held doctrines: first, that Puerto Rico is a land peculiarly lacking in resources; and second, that only a land rich in resources can enjoy a high standard of living.

But these assumptions, in turn, rest on no discernible scientific evidence.

The Natural Resources Question

(1) The proposition that Puerto Rico lacks natural resources, which all of our investigators assert or assume, is certainly not supported by the evidence of geology. We know that there are at least four substantial deposits of iron ore on the island. One at Las Mesas is estimated to contain four hundred and fifty million tons of iron along with four and one-half million tons of nickel and between six and seven million tons of chromium. Other known deposits of iron, manganese, kaolin, pottery clay, gypsum, marble and limestone are of unknown extent because, according to the 1944 report of the Puerto Rico Planning Board, "They have never been thoroughly explored with modern techniques and methods." The same may be said of reported deposits of phosphates, mercury, copper, tin, silver, bismuth, molybdenite and lignite. Yet the very same authorities who admit that we don't know what the mineral resources of Puerto Rico are do not hesitate to assert that Puerto Rico "has no forests or minerals to speak of" and therefore must continue to rely upon an agricultural economy.
