— PREGLED NAJVAŽNEJŠIH DOGODKOV —

**Bush napadalnejši do Dukakisa, ki vodi v vseh predelih ZDA — Republikanci se bodo zbrali 15. avgusta v New Orleansu**

WASHINGTON, D.C. — Najnovejša Gallupova anketa razpoloženja ameriških volivcev kaže, da ima demokratični predsedniški kandidat Michael Dukakis prednost pred republikancem Georgeom Bushom v vseh večjih predelih ZDA, tudi na Zahodu in Jugu, kjer so republikanci običajno v precejšnji večini. Predstavnik Gallupove organizacije je dejal, da anketirani volivci izražajo nekakšno splošno mnenje, da razmere v ZDA, čeprav ne ravno slabe, niso takšne, kot bi morale biti. Bush predstavlja nadaljevanje tega negotovega stanja, zato se bolj zanimajo za Dukakisa.

Včeraj je bil Bush v domačem Teksasu, kjer je v raznih govorih napadel Dukakisa zaradi Dukakisove nesposobnosti in celo naivnosti glede ameriške obrambne in zunanjepolitične vloge v svetu. Dukakisovo gledanje odklanja vodilno vlogo za ZDA, je trdil Bush. Rekel je tudi, da bi Dukakis znatno zniževal izdatke za obrambne namene, to bi pa v nekaj letih močno škodovalo ameriškim interesom napram ZSSR. Bushova želja je, prikazovati Dukakisa kot skrajnega liberalca, ki je izven tradicionalne in splošno sprejete politične ideologije, prevladujoče v ZDA od druge svetovne vojne naprej. Dukakis sicer zanikuje, da je liberallec. Trdi, da gre manj za to, ali je kandidat liberallec ali konservativec, da volivci želijo poštenost in sposobnost.

Politični analitiki menijo, da bo v letošnji predsedniški kampanji veliko osebnih napadov, ko se bosta Dukakis in Bush drug drugega zmerjala. Oba sicer pravita, da takšne »negativne« kampanje ne želita, vendar je očitno, da sta oba na to pot že začela.

Republikanci se pripravljajo na strankino konvencijo, ki se bo pričela 15. avgusta v New Orleansu. Bush je že izjavil, da ne bo imenoval podpredsedniškega kandidata pred svojo uradno nominacijo za republikanskega kandidata. Bushova kampanjska organizacija bo veliko napredovala danes, ko bo zakladni tajnik James Baker postal načelnik Bushove kampanje. Baker je znan kot zelo spreten organizator in je pričakovati, da bo napravil red v organizaciji.

**Frank Carlucci obiskal več tajnih vojaških oporišč v ZSSR — Sovjeti mu pokazali naj-novejši bombnik in tudi raketno križarko**

SEBASTOPOL, ZSSR — Ameriški obrambni sekretar Frank Carlucci je končal svoj izreden obisk ZSSR, izreden, ker so mu Sovjeti dovolili vstop v nekatera najbolj sodobna in tajna vojaška oporišča. Tako je Carlucci lahko sedel v pilotski kabini najnovejšega sovjetskega strateškega bombnika, v velikem mornariškem oporišču pri Sebastopolu pa so Carlucci in ameriški mornariški oficirji, ki so v njegovi delegaciji, lahko prišli na raketno križarko Slava, ki je opremljena z najnovjšim orožjem zoper podmornice in ki lahko nosi in izstreljuje rakete z jedrskimi konicami. Križarka Slava je ocenjena za sploh najsodobnejšo bojno ladjo v sovjetski mornarici.

Carlucci se je srečal s sovjetskim obrambnim ministrom, 64-letnim maršalom Dmitrijem T. Jazovom. V krajšem intervjuju z novinarji, je Jazov dejal, da smatra Carluccija za svojega prijatelja. Obrambna ministra sta govorila o vojaških doktrinah in o raznih krajevnih vojnah po svetu, med dru-

gimi o Perzijskem zalivu, Afganistanu in Kambodži. Konkretnije, obe strani sta napredovali v prizadevanjih, da bi se izognili vojaškemu incidentu. Tako npr. naj bi ne prišlo do incidenta, podobnega tistemu, ko je ameriška bojna ladja prišla v vode, ki jih Sovjeti smatrajo za svoje, sovjetska ladja pa je namerno trčila v ameriško.

Po končanem obisku v ZSSR, je Carlucci odletel v Turčijo, kjer bo obiskal ameriško NATO oporišče in se srečal s turškimi voditelji. Turško vodstvo, vojaško in civilno, je v skrbeh zaradi možnosti zmage v ZDA Michaela Dukakisa. Prepričani so, in to menda upravičeno, da bi Dukakisova administracija kazala znatnejšo naklonjenost Grčiji, ker je Dukakis grškega rodu, zane-marjala pa Turčijo. Turčija in Grčija sta močno sprti in ZDA imajo stalne težave, ker želijo imeti dobre odnose z obema državama, predvsem v sklopu NATO.

**Opozicija v zveznem kongresu predlogu Reaganove vlade, naj ZDA odobrijo odškodnino svojcem sestreljenega letala**

WASHINGTON, D.C. — Reaganova administracija zagovarja zakonski osnutek, po katerem bi ZDA odobrile denarno odškodnino svojcem potnikov in članov posadke, ki so umrli, ko je ameriška križarka Vincennes 3. julija po pomoti sestrelila iransko potniško letalo tipa Airbus. V neljubem incidentu je umrlo 290 ljudi, v veliki večini so bili Iranci, med njimi pa je bilo tudi šest državljanov Jugoslavije. Čeprav nekateri kongresniki soglašajo, da so svojci žrtev upravičeni do odškodnine, so drugi proti in ti slednji v zadnjih dneh postajajo glasnejši. To kljub temu, da preiskava o incidentu, ki jo je izvedel Pentagon, baje kaže, da je do sestrelitve letala prišlo zaradi napačnega ravnanja posadke Vincennesa. Dobro poučeni viri, ki so menda imeli dostop do poročila o preiskavi, vedo povedati, da so elektronske naprave na Vincennesu pravilno poročale, da je bilo letalo civilno, posadka pa teh podatkov ni razumela oziroma jim ni verjela. Zaključki poročila pa še niso bili uradno objavljeni. V Pentagonu pravijo, da so trditve o napačnem ravnanju posadke neutemeljene.

— **Kratke vesti** —

**Montevideo, Uru.** — Državni sekretar George P. Shultz je dejal, da je Nikaragva »rakasta tvorba«, ki jo je treba odstraniti. Shultz je na diplomatski turneji, med katero bo obiskal 9 latinsko in južnoameriških držav. Države, ki jih bo Shultz obiskal, sicer imajo dobre odnose z ZDA, niso pa pripravljene sodelovati v oboroženih poskusih za odstranitev sandinističnega režima v Nikaragvi.

**Cape Canaveral, Fla.** — Zopet je prišlo do okvare v poskusu, da bi strokovnjaki NASA pognali raketne motorje šuttlja Discovery. Varnostni računalnik je v zadnji sekundi pred tem, ko bi pognali motorje, zabeležil okvaro neke zaklopke in ves izstrelitveni postopek avtomatično prekinil. Strokovnjaki morajo ugotoviti, ali je bila okvara v zaklopki ali v računalniku samem. To bo vzelo pet do sedem dni, izstrelitev Discoverya bo pa najbrž preložena od septembra do oktobra, kar bo petič, da je bila izstrelitev preložena.

**Bonn, ZRN** — Ta teden je ZSSR izpustila iz zapora in izgnala iz dežele 20-letnega Mathias Rusta, ki je presenetil svetovno javnost lani, ko je z majhnim letalom pristal na Rdečem trgu v Moskvi.

Zdenko Zavadlav  
nekdanji štajerski partizan

## Spomin na leto 1945

*(Tisti, ki sledijo dogodkom v Sloveniji, vedo za nekdanjega partizana Zdenka Zavadlava, ki je že objavil več člankov in esejev, v katerih kritično komentira o stanju v Sloveniji in Jugoslaviji, marsikaj zanimivega je pa povedal o medvojnih dogodkih in o pobijanjih takoj po vojni. Članek, ki sledi, je nov prispevek k tej tematiki. Posredoval nam ga je naročnik v Evropi, ki ga je prejel s prošnjo, naj se kje objavi. Ur.)*

Bil je tisti srečni čas po osvoboditvi Maribora, čas, ko smo lahko ponosno gledali iz svobodnega mesta na ozele- nele Pohorje in ne več hrepeneče, s temačnega, partizan- skega Pohorja, na v daljavi lebdeče, zasedeno, trpeče me- sto. Bil je tudi čas nehinavskega partizanskega tovarštva, upanja v boljši slovenski in jugoslovanski, delavski in kmečki jutri, zaupanja v »velikega vzhodnega brata«, ki je v naši neposredni bližini pomagal osvobajati Štajersko. In bil je tudi čas zaupanja v jugoslovanske partizanske brate, ki so nam prav tako pomagali osvoboditi našo Štajersko. Be- seda Osvobodilna fronta nam je vzbujala ponos. Niti grenke kaplje pelina ob umiku partizanskih enot s Koroške in iz Trsta niso mogle zagreniti našega veselja in sreče.

Resda so naši partizanski tovariši v vojaških enotah doživljali tudi grenkobo. Slo je za ukinitvev slovenske parti- zanske vojske, o katerih slovenski partizanski general in tudi zgodovinar Lado Ambrožič-Novljan v eni izmed svojih knjig o slovenskih partizanskih enotah danes pravi: »Raz- pustitev slovenske partizanske vojske pa so spremljali glo- boki pretresi v vrstah partizanov in prebivalstva. Vzrok za- nje je bil v načinu in obliki razpuščanja partizanske vojske, pri kateri niso bile zadostno upošteevane mnoge zgodovinske in družbene okoliščine, v kakršnih je bila partizanska vojska Slovenije ustanovljena, v kakršnih se je bojevala in postala najpomembnejši dejavnik osvoboditve in obstoja slovenskega naroda... Slovenska partizanska vojska se je ves čas bojevala skoraj popolnoma samostojno, zato je raz- vila svoje oblike bojnega tovarštva in bojne veščine... Ko je nastajala organizacijsko in politično poenotena nova jugo- slovanska armada, vse to ni bilo upošteevano... Upošteevane niso bile take oblike prehajanja slovenske partizanske voj- ske v enotno jugoslovansko vojsko... da bi bilo onemogo- čeno omalovaževanje vojnih priznanj in uspehov slovenske partizanske vojske...«

Takrat smo imeli v Mariboru naše slovenske partizan- ske enote ter komando mest in področja, takó Mariborsko brigado, še vedno slovenski KNOJ in tudi nekatere druge, tedaj še slovenske enote 14. divizije, ki so vrnile s Koroške- ga, pa seveda 51. divizijo, enoto III. armade. »Lozinka« je bila v težavo vseh dvojna, ena od »jugoslovanskih«, druga pa od slovenskih enot. Težko si prišel do obeh, to pa je po- noči povzročalo nepotrebno streljanje. Vojaki stražarji k

## »KRES« še gori!

Plesalci in plesalke folklorne skupine KRES

CLEVELAND, O. - V soboto, 20. avgusta zvečer, bo sloven- ska mladina folklorne skupine KRES prižgala na Slovenski pristavi resnični kresni ogenj mladnostne živahnosti in iskren- nega veselja. Ko bo najhujša sončna pripeka pojema- la z zahajajočim soncem — upa- mo, da bo lep sončen dan — bo ob 5. uri popoldne sv. maša. Takoj po maši — okrog 6. ure — bodo začeli servirati večerjo. In ko se bo sonce že nižalo k zatonu in bo mrak polagoma izpodrival dan, bo na odru na Slovenski pristavi zaživelo. KRES bo vzplamtel! Prekipevajoča mladost se bo na odru zavrtela z vrtoglavo naglico, narodne noše iz različ- nih slovenskih pokrajin se bodo v mavričnih barvah pre- livale ob menjavanju skupin- skih slik nastopajočih Kresov- cev. Točka za točko se odvija brez dolgih presledkov, da je pozornost in občudovanje gle- dalcev nenehno pripeta na dogajanja na odru.

Predvajali nam bodo med drugim koroške in belokranj- ske ljudske plesne v tipičnih narodnih nošah. Letos nam bodo prvič predstavili tudi Rezjansko, stari ljudski ples iz Rezije. Poleg poskočnih sku- pinskih plesnih predstav bo le- tos na programu tudi ganljivo izvajanje »Domovine«, pri ka- terem nastopajo tri plesalke.

sreči niso bili najboljši strelci, nato ni bilo nepotrebnih žrtev. Bolgarske »bratske« enote, ki so jih iz neznanega, vojaško, politično in narodnostno vsekakor nespametnega razloga spustili v Slovenijo, so po vseh težavah z njimi (ugrabljen vojni plen s štajerskega področja) že odšle, prav tako nekatere jugoslovanske vojaške enote, s katerimi je tudi bilo nekaj podobnih težav.

Priznati pa je treba, da so bolgarske »otečestvene« enote pomagale enotam slovenskih partizanov na Koro- škem, ko je Motorizirani odred JA IV. armade s komisarjem Šiljegovičem odklonil pomoč enotam slovenske 4. opera- tivne cone, kot je pričeval slovenski general Peter Stante- Skala. Oznovci pa vsega tega nismo kdove kako občutili. Imeli smo srečo, da je naš predpostavljeni bil nekdanji učitelj, demokrat in humanist Vladimir Majhen-Rafael. Tedaj je opravljal odgovorno in težavno dolžnost načelnika Ozne za Mariborsko okrožje, ki je zavzemalo ves severni predel Slo- venije.

Pa tudi Ozna je občutila »bratske jugoslovanske« teža- ve. III. armada, natančneje njena 51. divizija, je začela v

(dalje na str. 3)

V drugi ali zaključni polovi- ci programa pa bo za šalo in malo za res prikazano vaško življenje. V vsaki vasi so se fantje in dekleta radi imeli, a samo zvezde in luna so vedele za skrivnostna šepetanja pod oknom. Na nek način so zve- deli tudi Kresovci...

Pester program bo morda trajal samo nekaj več kot eno uro, malokdo pa bo pri tem pomislil, koliko ur je bilo po- trebnih za vaje, da so se nauči- li preciznosti vsakega koraka in vsakega giba. Ob, Bog se jih usmili, pa v tej vročini! Koliko je bilo skrbi za dobavo različ- nih narodnih noš in za pripra- vo odra, da se odrska predsta- va prilagodi okolici. Dirigent pevskega zbora mora sicer skrbno paziti na izbiro pesmi za koncert in potem se jih učijo in vadijo, a mnogo težav- nejše je sestaviti program za nastop folklorne skupine, da je vsaj nekaj različen iz prej- šnjih nastopov. Potem pa va- diti, vaditi in vaditi!

Po končanem nastopu Kre- sovcev bo družabna zabava s plesom. Igrali bodo Veseli Slo-

venci.

Torej, »vse kar leze in gre«, naj bo v soboto, 20. avgusta, na Slovenski pristavi, da dá priznanje in zadoščenje mla- dim Kresovcem za ves trud in vztrajnost, da so se naučili in dobro pripravili za njih leto- šnji nastop.

## „Suški oktet“ po ZDA

Pretekli torek in tudi danes na str. 4 poročamo o turneji po ZDA koroškega okteta. V Celovcu izhajajoča revija »Naš tednik«, ki se bore malo zanima za ameriške Slovence, v svoji številki s 1. julija ob- javlja sliko okteta, ki ga prina- šamo na str. 4 danes, obenem pa pove, da bo oktet v ZDA od 11. do 30. avgusta, da bo turneja obsegala deset koncer- tov in dve maši, da bodo gosti- telji slovenska, avstrijska in esperantska društva ter glasbe- ni oddelki treh univerz.

»Naš tednik« objavlja tudi dva citata od gostiteljev. Tako se je po tej reviji izrazil dr. P. Vidmar iz Chicaga: »... osebo- no se dobro zavedam, da brez pomoči Slovencev na Koro- škem moji starši ne bi mogli preživeti, zato me z Vami tudi toliko povezuje. V vsakem ozi- ru Vam zagotavljam svojo po- moč.«

A. Binder, predsednik »Kluba Avstrije« (v Milwau- keeju, op. ur. AD), pa je pisal: »...zelo nas veseli, da bomo lahko deležni prelepega kul- turnega zaklada slovensko- avstrijske tradicije in zaveda- mo se svoje dolžnosti, da to svojo tradicijo dajemo naprej tudi tukaj v svoji drugi domo- vini.«

Ker gre za stoletnico jezika esperanto, je oktet naštudiral nekaj pesmi v tem jeziku. V Washingtonu in Chicagu bodo gostje esperantskega društva.

Slovinci, ki živijo v ali blizu mest, v katerih bo oktet gosto- val pod sponzorstvom neslo- venskih organizacij, se lahko zanimajo pri le-teh glede točnih podatkov o nastopih okteta v njih bližini.

### Spomin na leto 1945

(Nadaljevanje s str. 2)

Mariboru in okolici izvajati s svojim KOS (vojaško Ozno) in vojaškimi sodišči nekakšno »jugoslovansko policijsko in sodno nadoblast«. Zapirali, sodili in tudi streljali so namreč civilno prebivalstvo, s tem pa vnašali nered v že urejeno slovensko policijo in sodstvo, predvsem pa z delovanjem Ozne, saj smo že zaradi prizadetosti prebivalstva in varnosti oblasti ter obveščevalnega odkrivanja sovražnika prenehali zapirati, soditi in streljati vse vprek. Zanimivo je tudi, da so nam takšno ravnanje varnostne službe svetovali celo predstavniki sovjetskega KGB, ki je imel svojo izpostavo v Mariboru, dokler so bile sovjetske čete še na Zgornjem Štajerskem.

V takih okoliščinah sva se znašla skupaj z Vladom Majhnom-Rafaelom. Spremljal naj bi ga namreč kot priča in »okrepitev« na komandi 51. divizije III. armade v Mariboru, pri pogovoru z načelnikom KOS, kjer naj bi bil tedaj tudi predstavnik KOS III. armade. Že vnaprej me je Rafael opozoril, da bodo težave in da naj krotim svojo mladnostno zagnanost, zaradi katere me je tudi vzel v spremstvo.

Ceprav oba v uniformah, Rafael tudi z majorskim činom, sva po zelo dolgem in zapletenem postopku le prišla v pisarno KOS 51. divizije III. armade. Sprejela sta naju dva mlajša oficirja v činu majorja in podpolkovnika. Eden naj bi bil načelnik KOS 51. divizije, drugi pa načelnik KOS III. armade. Že pri predstavljanju sta nama pokazala, da naju imata za manjvredna. Ko pa je Rafael izrekel zahtevo Ozne, naj se KOS oziroma vojska ne vmešava v preiskave, zapiranja, sojenje in tudi streljanje civilnih oseb, ker imamo to na Štajerskem že urejeno, sva doživela strahoten napad »jugoslovanskega brata«. Slišala sva, da so nas osvobodili pravzaprav oni, da smo Slovenci bili le nekakšni »švabi« in »skrivači«, ki da moramo biti njim, »bratom«, hvaležni!

Mene je ob tem kar raznašalo, a me je Rafael krotil. Verjetno bi brez njegove mirnosti in poziva k dostojnim odnosom med bratskimi partizanskimi enotami končala v vojaškem zaporu. Tako pa sva dosegla vsaj delno rešitev problemov, zlasti pa, naj se JLA, dejansko KOS, ne ukvarja s policijskimi in sodnimi postopki nad civilnim prebivalstvom.

Od takrat je minilo več kot štirideset let. Zato me je v mojem »socialističnem samoupravnem« optimizmu vest o aretaciji Janše, Borštnerja in Tasića globoko presunila. A se res nismo v teh štiridesetih letih ničesar naučili? Ali je danes res možno, da Rafaelovi nasledniki izjavljajo, kako ima po obstoječih predpisih »vojaški tožilec vso pravico, da vse postopke opravi sam... pa tudi, »da organi za notranje zadeve menijo, da takrat, ko gre za civilne zadeve, to (servisno vlogo, op. pisca) opravimo mi«, hkrati pa tudi »mislilo, (ne zahtevajo, op. pisca) da bi takšno stališče moralo veljati tudi v bodoče«, se pravi, ne zahteve za slovensko samostojno policijo v smislu Rafaelovih zahtev, ampak dopuščanje nekakšne »jugoslovanske nadpolicije in nad-sodstva«.

Tudi sreče in ponosa danes, po več kot štiridesetih letih, ni več. Tisti, v katere smo zaupali, so nam egoistično napravili vse narodno premoženje. Danes smo evropski siromaki in svetovni berači. Resda smo nad »velikim vzhodnim bratom« zmagali tistega leta 1948, vendar izkušnje te zmage nismo uporabili. Ostali pa so nam »veliki in majhni jugoslovanski bratje«... Ti pa, kakor kaže, želijo »enoten« socializem v revščini, enakost v brezdolju in zapravljanju, ne pa enakopravnosti vseh narodov Jugoslavije v skladu z načeli Avnoja, kot so veljala takrat, ko smo se združili.

Dolgo je že, kar mi je takrat Rafael preroško »položil na dušo« svoje mnenje, da smo Slovenci kljub majhnosti prenesli vse od Obrov pa do Nemcev, zdržati pa bomo morali tudi »Jugoslovane«, čeprav bo to verjetno najteže! Druge izbire da zaenkrat nimamo!

Končujem z besedami duhovnika in pesnika Ernesta Cardenala v njegovem Psalmu 7: Reši me Gospod:

Reši me Gospod  
esesovcev enkavedejevcev efbeijevcev nacionalne garde...  
(pa tudi kosovcev, op. pisca)

...Jaž pa bom opeval tebe ker si pravičen  
opeval te bom v svojih psalmih  
v svojih pesmih

### Slovenska udeležba na olimpijskih igrah v Seulu precejšnja

LJUBLJANA — V svoji športni prilogi z dne 18. julija je ljubljansko »Delo« podalo zanimive podatke glede seznama slovenskih oziroma jugoslovanskih športnikov, ki se bodo udeležili letošnjih olimpijskih iger v Seulu, Južna Koreja. Igre bodo od 17. septembra do 2. oktobra.

Kot poroča Delo, bo v Seul potovalo 157 tekmovalcev (120 športnikov in 37 športnic), več trenerjev, zdravnikov tehničnih delavcev itd.

Slovenski športniki bodo v Seulu nastopili v 11 športnih panogah (od 17, v katerih bodo nastopili športniki iz Jugoslavije).

Športniki bodo tekmovali v atletiki (M. Vindiš, možnost nastopa ima tudi R. Kopitar), jadrstvu (M. Kosmina in B. Antončič), judu (F. Leščak), kolesarstvu (S. Papež, J. Smole, V. Bonča in R. Šebenik), košarki (P. Dornik in S. Vangelovska, možnost nastopa imata tudi N. Topalovič in J. Zdovec), plavanju (Darjan Petrič in Igor Majcen), rokoborbi (F. Podlesnik), rokometu (D. Pešič), streljanju (R. Debevec), športni gimnastiki (J. Kolman) in veslanju (Mujkič, Prešern, Mirjančič, Janša in Ambrožič).

Darjan Petrič in Igor Majcen bosta v Seulu nastopila na 1500 m kravl. V intervjuju z novinarjem Dela je Petrič, ki je že več let državni — slovenski in jugoslovanski — prvak, in je že bil na prejšnjih olimpijskih igrah kot tekmovalec, povedal, da mu bo uspelo priti v final na 1500 m kravl. O kaki medalji sicer ne sanja, misli pa, da bo lahko dosegel 5. mesto. Majcen, 19-letni Ljubljčan, pa upa, da bo lahko dosegel največ 18. mesto.

Skupno bo torej nastopilo 21 športnikov iz Slovenije (18 v individualnih in 3 v kolektivnih športnih panogah) z možnostjo, da nastopajo še trije ali skupaj 24 športnikov.

Letos bodo slovenski športniki predstavljali 13,4 oz. 15,3 odstotka jugoslovanske olimpijske ekipe. (Razlika je odvisna od tega, ali bodo vključeni trije kandidati, ki še imajo možnost potovati v Seul.) L. 1984 v Los Angelesu so bili Slovenci 12,6% ekipe, v Moskvi l. 1980 le 6,2%, l. 1976 v Montrealu 9,3%. V letih 1968 (Mexico) in 1972 (München) so bili Slovenci 19,4 oz. 19,7% sicer številčno veliko manjših

## VESTI IZ SLOVENIJE

GINJENOST — Poročali smo že o javni reakciji v Ljubljani na vojaškem sojenju (v srbohrvaščini) štirim osebam zaradi izdaje vojaške skrivnosti. Ljubljansko »Delo« je objavilo to sliko na svoji prvi strani 28. julija skupaj s poročilom novinarke Barbare Guček. Na sliki so (od leve proti desni) Janez Janša, David Tasić, Ivan Borštner in Franci Zavrl, ko — kot piše »Delo«: »zrejo z dvignjenega prostora na tovarnjaku proti množici, ki jih je pozdravila z ovacijami in skrajno ganljivo. Kot da ne bi mogli verjeti vsemu današnjemu dogajanju.«

»Delo« je 28. julija objavilo tudi to sliko, s sledečim besedilom: »NA ROŠKI 2 — Dvignjene roke v znak pozdrava trem izpuščenim in simbolom zmage, kot že toliko dni doslej pred sodnim poslopjem.«

jugoslovanskih ekip.

Zadnja leta kažejo podatki, da uvrstitev slovenskih športnikov se širi v različne nove panoge in da je panog z vrhunskimi športniki vedno več.

Poročilo v Delu, ki ga je napisal dr. Rajko Šugman, je zadržano glede možnosti vrhunskih rezultatov s strani slovenskih športnikov v Seulu. Po mnenju raznih strokovnih organizacij, piše Šugman le, da »bi bilo mogoče pričakovati več kolajn in boljše uvrstitve slovenskih športnikov kot pa jih je bilo v Los Angelesu pred štirimi leti«.

### Gozdovi v Podravju močno ogroženi

MARIBOR — Na seji sveta skupnosti podravske občine, kjer so razpravljali o gospo-

darjenju z gozdovi v Podravju, so ugotovili, da so ti ogroženi. Čimprej morajo podzvzeti ukrepe za sanacijo gozdov in odpravljanje posledic večletnega onesnaževanja okolja in predvsem zraka. Tako bo potrebno več denarja vlagati v gozdove. V drugih republikah SFRJ, menijo, namenjajo veliko več denarja v vzdrževanje gozdov kot je to običaj v Sloveniji.

### Trupli dveh žrtev iranskega letala pripeljali v Beograd

LJUBLJANA — »Delo« je objavilo kratko Tanjugovo poročilo, da so z letalom Swissair pripeljali v Beograd trupli dveh od šestih jugoslovanskih državljanov, delavcev

podjetja »Ivana Milutinovića«, ki so bili v iranskem letalu, sestreljenem 3. julija. Letalo je po pomoti sestrelila ameriška križarka Vincennes. Trupli Senada Čiraka in Dragomira Jovića sta bili vrnjeni, trupel Stanka Juga, Rajka Milčkovića, Slobodana Neškovića in Bogoljuba Kraljevića pa še niso našli.

Ameriška vlada bo menda odobrila plačevanje odškodnine svojcem žrtev tega letala. O tem in o višini odškodnine sedaj razpravlja kongresni odbor. Predlagano je bilo, da bi bila vsota 75 tisoč dolarjev za vsakega od 290 žrtev primerno v tem slučaju in sicer pod pogojem, da bi denar res šel svojcem.

## Councilman Polensek Urges WCPN to Reinstate Ethnic

In a letter to the Executive Vice President of Cleveland Public Radio Station WCPN, Cleveland Councilman Mike Polensek wrote in part...

As Councilman representing Cleveland's 11th Ward and having one of the heaviest ethnic constituency in the City of Cleveland, I am deeply saddened by the news that WCPN and yourself have decided to remove ethnic programming from your Sunday morning programming. I strongly feel that WCPN has a moral and civic responsibility to provide ethnic programming since you are in fact a public radio station.

Furthermore, I, myself, along with many other public officials during your recent annual membership drive, appeared on the air for WCPN to urge donations on behalf and in support of Cleveland Public Radio. But, had I known that you were going to indiscriminately remove ethnic programming, I would have not appeared and would have urged other officials not to appear as well.

In closing, Cleveland is a microcosm of many different races, religions and nationalities and is the role of public institutions such as WCPN to promote and feature this diversity which enhances our great city. Your action was unfair and unwarranted and I would hope you would strongly reconsider your decision.

Sincerely yours

**Michael Polensek**  
Councilman-Ward 11

### An Emergency Resolution

Urging public radio station WCPN not to cancel its existing scheduled ethnic programming.

by Councilman Polensek

WHEREAS, WCPN-FM 90.3 public radio cancelled 11 hour-long ethnic programs which dominated much of the station's Sunday schedule; and

WHEREAS, many Clevelanders of ethnic background, especially the elderly, have anticipated ethnic programming with which they can identify and which brings them entertainment and listening pleasure; and

WHEREAS, as a public broadcast station, WCPN should recognize a community obligation to Cleveland's rich cultural and ethnic heritage by continuing its ethnic broadcast; and WHEREAS, this Council, representing a wide range of ethnic and cultural diversity deplors WCPN's decision to cancel much of its ethnic broadcasts; and

WHEREAS, this resolution constitutes an emergency measure providing for the immediate preservation of the public health, safety and welfare; now, therefore,  
**BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CLEVELAND:**

Section 1: That this Council strongly urges public radio station WCPN not to cancel its ethnic broadcasts and to continue with its existing ethnic scheduled broadcasts for the reasons set forth in this resolution and as an action in the public interest.

Section 2: That the Clerk of Council be and she hereby is directed to transmit a copy of this resolution to radio station WCPN.

Section 3: That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

## Super Sports Events Aug. 14

On Sunday, August 14 the Slovenian Sports Club will once again sponsor a Super Teams competition at Slovenska Pristava, picnic grounds in Harpersfield, Ohio.

Teams will consist of seven members who will compete in various sporting events throughout the day with the winning team accumulating the most points by the end of the day. Competition will be held at the Olympic-size swimming pool and at the spacious field in front of the main building. There will be referees

to make sure everything goes according to the rules.

Skill as well as desire and luck will be determining factors.

There will be food available throughout the day and dancing in the evening to the Alpine Sextet.

For further information contact David Kogovsek 944-5847, or Joe Znidarsic 256-8628, or Andy Loncar 256-8398, or Ronnie Rus, 944-7935.

Come on out and cheer on your favorite team.

## Lauds Urbancich

Congratulations to John Urbancich, recently named Executive Editor of the Sun Newspapers.

From his first days as an English language reporter for the *American Home*, John has strived to communicate information and analysis clearly and concisely. He has done so with grace, wit, and poise, the hallmarks of his distinguished career.

His style and integrity have earned him respect and admiration inside and outside of professional circles. The awards he has won, most recently from the Cleveland Communicators, the Press Club of Cleveland, and the Society of Professional Journalists, attest to the esteem of his peers.

It is always a pleasure to see a talented, hard-working individual rewarded with the recognition and opportunity he deserves. I can not imagine anyone more deserving than John Urbancich; I am sure no one is working harder to strengthen local journalism.

## Disputes Kuhar

Editor:

In the Christmas edition (12/22/87) Stane Kuhar refers to the first wave of Slovenian settlers in Cleveland as "grinders" because so many initially worked in low skill, low paying jobs as grinders in the steel and iron industries. He repeats this statement in the St. Vitus Summer Festival tabloid.

In seventy two years of experience in the St. Clair community I never encountered that term. It appears to be another phonetic corruption of "greiners" which itself is a phonetic derivation of Kranjers that is people from Kranj as our German neighbors identified the early Slovenians.

In the same tabloid Kuhar refers to a nailing of the church doors. Though that is a historical fact it did not occur in the time frame he indicates.

Sincerely yours,

**William Tome**

# Everyone invited to Bishop Baraga Gathering

St. Peter's Cathedral in Marquette and St. Paul's Parish in Negaunee will be the sites for Baraga Days, 1988.

This year's celebration will begin with the Annual Slovene Mass on Saturday, September 3, at 7:00 PM in St. Peter's Cathedral in Marquette.

The Sunday Liturgy on September 4 will be at 4:00 PM at St. Paul's Church in Negaunee. Bishop Mark Schmitt of Marquette will be the primary celebrant and Bishop Aloysisus Wycislo, retired bishop of the neighboring diocese of Green Bay, will be the guest homilist. Rev. Charles Olivier is the host pastor.

The banquet and the Annual Meeting of the Bishop Baraga Association will begin at 6:30 PM at Northern Michigan University in the Great Lakes Room at the Don H. Bottum University Center. Tickets for the banquet are \$8.

Negaunee is an appropriate site for Baraga Days. On November 10, 1867, Bishop Baraga made his last public appearance for the laying of the cornerstone at St. Paul's Church in Negaunee. The community had grown rapidly after the discovery of high grade iron ore and the congregation no longer fit in the little church built 5 years earlier. The new church was quite large, elegant and expensive. Baraga had hoped that his appearance, in spite of his quickly deteriorating health, would encourage the people to be generous in their support.

An added attraction for Baraga supporters is the new Michigan iron Industry Museum located on Forge Road, a few miles from the church. Here the visitors will feel the hard and dangerous life of these early parishioners of St. Paul's. The Museum opened in 1987 as a Michigan Sesquicentennial event. There is no charge for admission.

## Baraga and the Blessed Virgin Mary

During this Marian Year which Pope John Paul II has proclaimed it is appropriate to consider Bishop Baraga's relationship with and devotion to the Blessed Virgin.

On the coat of arms which he adopted the symbol "AM" (Ave Maria) is prominent in the upper right quadrant. Use of this symbol was not unique

to Baraga but its presence next to his favorite symbol for Jesus, "IHS", speaks of the role of Mary in his life.

To govern the diocese Baraga composed a book of "Statutes" for his priests to observe. In the first statute he named Mary under the title of "The Immaculate Conception" as the patroness of the diocese and expressed his desire that a particular devotion to her should be nurtured by the clergy. In the second statute Baraga established the Feast of the Immaculate Conception as the patronal feast of the diocese and asked that the clergy and people celebrate the feast with "fervor and splendor" especially by receiving the sacraments of Penance and Holy Eucharist. As much as

possible the people were to abstain from servile work on that day. To encourage these practices, in statue No. 3 Baraga granted a Plenary Indulgence to all who would observe the feast in this manner.

Baraga also decreed that the Angelus bell should be rung 3 times a day in each parish and that the people should say the prayers in the vernacular (i.e., whatever language was most familiar to them—Statute No. 41).

Although Baraga inherited the church dedicated to "St. Mary" when Pope Pius IX established the diocese of Sault Ste. Marie he was delighted with its name. During the course of his ministry Baraga named several churches in honor of Mary. In an

early letter he had written: "When I first thought of going to the missions, I promised our dear Heavenly Mother that the first church I will bless among the Indians I will dedicate to her name, because I am convinced that she prays incessantly to her Divine Son for the success of my mission." He kept this promise when, in early spring of 1832, he visited the small Indian settlement at Indian Lake.

After he dedicated the church at Clifton, Baraga wrote to the German Catholic newspaper in Cincinnati, the *Wahrheitsfreund*:

"It is a Marian church and it was dedicated on Oct. 2nd, the feast of the Holy Rosary of the Blessed Virgin Mary, to the

Almighty God under the invocation of His Most Blessed Mother. The church was filled, especially with Germans, of whom there are many at this mine...I preached in the three languages that are common here. The sermon in the German language was a Maria sermon that pierced deep into the hearts of the venerators of the dear Mother of God, and which also came from the innermost part of my heart. God grant that by the intercession of the Most Blessed Virgin Mary, the spirit of piety and zeal, which has manifested itself in this congregation from the very beginning, be also always kept and may it increase more and more for the honor of God and His most Blessed Mother and for the salvation of souls."

### Jugoslav Cultural Garden

The Yugoslav Cultural Garden is located near the St. Clair Avenue-East Boulevard approach to Rockefeller Park, and embodies the culture of the Slovenes, Croats, and Serbs. A circular fountain and pool are the central features of a paved court. Two stately linden trees, the typical Slovene "lipa", whose sweet-scented, delicate blossoms are used in the brewing of a delightful tea, tower at either side of the garden entrance. The Yugoslav Garden slopes in three levels between the upper and lower boulevards. To the left of the entrance is a reposeful, formal, sunken garden; to the right, a semi-circular section. A semi-circular stairway leads to the halfway lower level, and a wide stairway from the mid-level to the lower level, where there extends a spacious, stage-like paved court. Encircling this setting is a beautiful, natural amphitheatre formed of massive shade trees and the cooling stream of Doan Brook. Because of its theatre-like design, and the generous sweep of its lovely vistas, the Yugoslav Garden, since 1949, has provided the ideal setting for the annual One World Day celebrations. Over 2000 plants and flowering shrubs adorn this impressive garden.

The site of this garden had been formally dedicated December 4, 1932, upon the occasion of the 14th anniversary of Yugoslav independence, for in 1918 Yugoslavia became a united kingdom after 17 centuries of struggle.

In the fountain rotunda are the busts of Bishop Frederick Ireanaeus Baraga and the poet, Petar Petrovich Njegosh. Baraga was a priest who labored unstintingly against great physical and spiritual odds for the welfare of early Americans. Petar Njegosh was a distinguished statesman and philosopher.

**What Is It?**  
Second-hand smoke—the smoke from someone else's cigarette, cigar, or pipe—contains nicotine, formaldehyde, carbon monoxide, arsenic, and other gases and particles which include a whole range of noxious chemicals.

**Where Is It Found?**  
Smoke accumulates wherever people smoke indoors, building up levels of concentration. Everyone present is then forced to breathe smoke-filled air; they become passive, or involuntary smokers. In a poorly ventilated space, cigarette smoke harms not only the smoker, but also other occupants.

**What Are the Health Effects?**  
The health effects of smoking on smokers have been known for decades. Smokers greatly increase their risk of developing lung cancer, emphysema, and heart disease. More recent research has also found harmful health effects in nonsmokers exposed to tobacco smoke, the so-called passive smokers. Some studies have found an increased risk of lung cancer in nonsmoking women married to men who smoke. Although the studies are too few as yet to conclude a definite association between second-hand smoke and lung cancer, the findings have raised concern. Since there are cancer-causing agents in cigarette smoke, it is not unreasonable to expect that inhaling these agents second-hand could cause disease. The health effects of second-hand smoke of children are also being identified. One major study discovered that babies of parents who smoke at home have a much higher

incidence of lung disease in their first year, specifically bronchitis and pneumonia, than babies with nonsmoking parents. A study of the lung function of children aged five to nine showed an adverse reaction in the small airways of children who had smoking parents compared with those whose parents were nonsmokers. In addition, parents who smoke at home can aggravate symptoms in some children with asthma and even trigger asthma episodes. Even among nonasthmatic children, a team of researchers found that respiratory illnesses happened twice as often to young children whose parents smoked at home compared to those with nonsmoking parents. In a study of 441 nonsmokers divided into two groups—those with a history of allergies and those without—70 percent of both groups suffered from eye irritations caused by smoke. Even among the nonallergic group, 30 percent developed headaches and nasal discomfort, while 25 percent experienced coughing.

**What are the Problems?**  
The most irritating smoke for nonsmokers is what comes directly from the burning end of the cigarette. Even smokers who enjoy smoking can find this "sidestream" smoke from smoldering tobacco to be unpleasant. Sidestream smoke has higher concentrations of noxious compounds than smoke inhaled by the smoker, and pollutes the air continuously. Smoke odors cling to walls, furnishings, draperies, clothing, and other materials. These odors are released slowly, for days or even weeks. Even in situations where there is good ventila-

tion, smoke odors may persist. **What Are the Solutions;** "No Smoking" areas can be established in offices, restaurants, and even homes, to reduce the exposure of nonsmokers. Ventilation should be increased in areas where people smoke, to dilute the smoke and odors. Rooms in which tobacco is smoked generally require four to seven times more ventilation. Smokers can help by putting out cigarettes

**Ways To Keep Cool:**

- Buying an air conditioner isn't the only way to keep cool. Here are some low-cost ways to keep the heat off.
- When it's sunny, close your drapes to keep the heat out.
  - Turn off unnecessary lights.
  - Open windows at both ends of your home to create an air flow. Also, open both the lowest and highest windows in your home so the hot air will be drawn out the top windows.
  - Use bathroom and kitchen exhaust fans to remove excess heat.
  - Use fans to draw cool air in at night and provide good circulation during the day. Also, unless it's extremely hot, a fan blowing on you removes extra body heat.
  - Cool off with baths or showers using water at about 75 degrees. Cool water removes extra body heat 25 times faster than cool air.
  - When you can't hop in the shower, put a cool wash cloth on your forehead or neck. Soaking your feet in a pan of cool water will help, too.
  - If your home gets too hot, go where it's air conditioned. Malls, libraries, grocery stores, and senior centers are good bets.
  - Learn to cook entire meals on your outdoor grill so you won't heat up the kitchen.
  - Avoid polyester and synthetic clothing. Wear loose-fitting cottons.

quickly and completely, not letting them smolder in ashtrays. They can also use so-called "smokeless" ashtrays, which vary in cost and effectiveness, but can be helpful. A recent Gallup survey found that a majority of smokers believe that they should avoid smoking in the presence of non-smokers. Adults should restrict smoking in the

presence of children. Everyone can support local and state legislation to protect nonsmokers in public places and at work. Employees can ask their companies to restrict smoking at the workplace. **Any Questions** For further info on second-hand smoke, or on indoor air pollution in general, contact your local Lung Association.
