GLASILO SLOVENSKE NARODNE PODPORNE JEDNOTE

Published as second-class matter January 28, 1916, at the post-office at Chicago, Illinois, under the Act of Congress of March 3, 1879. Accepted for mailing at special rate of postage provided for in section 1102, Act of Oct. 3, 1917, authorized on June 14, 1918.

Druga konferenca federativnega združenja

Ustanovitev Jugoslovanske bratske federacije v Milwaukeeju. Referat in novi zaključki. Izvoljen je stalni odbor in odsek za pravila federacije. Katoliška jednota je poslala opazovalca. Prihodnja konferenca je v Pittsburghu

Dne 27. in 28. oktobra t. l. se je vršila druga konferenca za federativno združenje jugoslovanskih podpornih organizacij v Ameriki. Po zaključku prve konference bil se morala vršiti 6. oktobra, toda radi zakasnitve zapisa prve konference je bila predložena na 27. oktobra. Vršila se je v Milwaukeeju, Wis.

Udeležba konference je bila ista kot na prvi in isti močje so zastopali organizacije. Od ostalih organizacij, ki niso bile zastopane na prvi konferenci, se je odzvala le KSKJ, ki je poslala neoficielnega opazovalca v osebi Mihaela Opeke, novega gl. predsednika te organizacije.

Po pridobitvi zapisnika prve konference sem ponovno pozval vse jugoslovanske podporne organizacije, naj se nam pridružejo in pošljejo svoje zastopnike na drugo konferenco; povabil sem jih v Prosveti in se posebej v pismu. Edini odziv je bil, da se nam je malo približala KSKJ in da je bil g. Opeka on dan s nami kot opazovalec.

Precej časa je konferenci prisostvoval tudi g. Ebin Kristan, ki je konferenco pozdravil z jedrnatim govorom.

Zborovalci so uradno potrdili zapisnik prve konference. Pri tem je bil pohvaljen dr. Vatro Grill, ker je zapisnik tako dobro uredil, obenem pa je bil pohvaljen, ker je imel z njim zaupanje.

Zapisnik druge konference je vodil br. Frank Novak iz Milwaukeeja, ki je bil naložen za to najet in plačan. On ni zastopal nobene organizacije.

- Po poročilih članov začasnega odbora so sledili referati o sledečih predmetih:
1. O skupni kontroli novih članov. Referiral Vinko Solić.
 2. Skupna kontrola bolnikov in kako preprečiti simulacijo. Referiral je William Rus.
 3. Skupna kulturna akcija. Referiral Vatro Grill.
 4. Koristi skupne akcije v pravnih zadevah. Referiral Vincent Cainkar.
 5. Skupna gospodarska akcija. Referiral Frank Aleš.
 6. Skupna propaganda med Američani. Referiral Viktor Petek.
 7. Skupna akcija za ohranitev naše mladine našim organizacijam. Referiral Frank Ermenc.
 8. Skupna akcija za zavetišče. Referiral Anton Gazdić in John Kalan.

Referat — ki bodo objavljene v zapisniku — je sledila obširna in živahna razprava o vsaki posamezni točki. Bilo je dovolj zanimanja za vse predmete in videti je bilo, da so se referenti zelo poglobili v vprašanja in stvari, ki so bile na dnevnem redu. Obenem pa je vladala nekaka rezerviranost in slabo razpoloženje za obvezne zaključke. Zastopniki naravno niso imeli mandata za kakšno obvezno sklepanje.

Glede priporočil referentov je bilo sklenjeno, da poskušamo s izvajanjem nekaterih, za druge se pa izvolijo odbori, ki pripravijo temeljito pretrasejo in predložijo detajlirane načrte tretji konferenci.

Izvoljen je bil izvršni odbor, ki bo vodil poaževanje federacije do prihodnje konference. Vsaka pridruženih organizacij ima po enega zastopnika v izvršnem odboru. Izvršni odbor se sam konstituira. Izvoljeni so bili:

Vincent Cainkar, predsednik. Vatro Grill, podpredsednik. Vinko Solić, tajnik. Potem je bil izvoljen finančni odbor, v katerem so bratje Aleš,

Domaš dretič

V Argentini zapuščila brata.—V Rosario, Argentina, sta bila okradena dva slovenska delavca za več kot tisoč pesov.—Slovensko prosvetno društvo št. 1 v Buenos Airesu je imelo protestni shod proti fašističnim sločinom v Trstu.

Brazilija ima diktatorja. Rio de Janeiro, 4. nov.—Dr. Getulio Vargas, predsednik republike Brazilije, je večer imenoval svoj kabinet. V vladi so izključno voditelji zmagovite vstaje. Začasna vlada je nominalno diktatorična za toliko časa, da bo sprejeta nova ustava in se izvrše volitve. Dr. Vargas je uvedel novo kabinetno mesto, ki ga Brazilija doslej ni imela: To mesto je poveril Lindolphu Colorju, ki je zastopal vstaje v Argentini.

Chicago. — Roparski napadi so se silno pomnožili, odkar pritiska kriza brezposelnosti. Nekateri ropi že presegajo vse meje. Tako so zadnje nedelje zvečar štirje maskirani moški udri v stanovanje Benjamina Wolperta, 3829 W. Adams st., ki je imel domačo zabavo in 60 gostov je sedeli okoli mize. Banditje so terorizirali sbrane, obetrali nekoga dečka, ki ni hotel mirovati in obratni vso navozce za okrog \$15.000 v gotovini in zlatini, nakar so izginiti v avtu neovirani.

Kompanija odločila delavce. Providence, R. I. — Manville Jencks Co. je te dni zapris svojo tovarno in tako je 1.300 delavcev izgubilo delo. Ta družba je pred dvema mesecema prenehala s obratom svoje tovarne v Woonsocketu in tudi takrat je več sto delavcev izgubilo delo.

NOVI IN STRMOGLAVLJENI PREDSEDNIK

Na levi je slika Getulio Vargasa, glavnega vodje brazilske revolucije, ki je postal predsednik, ko je bila strmozglavljena vlada Washingtona Luisa. Slika na desni je za denar.

TEŽKI ČASI ZA BREZPOSELNE V NEW YORKU

Mentalni svet je določil samo en milijon dolarjev za pomoč brezposelnim

New York. — (FP) — Tammanitaka mestna uprava je določila vsoto \$1.000.000 v podporo brezposelnim. Čečeno, da je v mestu okoli osemsto tisoč delavcev brez dela, bo prišlo na vsakega brezposelnega nekaj več kot dolar. Poleg tega je uprava dala na razpolago nekatera poslopja za prenočišča, v katerih bo našlo zavetje okrog 6.000 ljudi.

Edward C. Rybicki, upravitelj mestne posredovalnice za delo, je dejal, da se je v enem tednu registriralo 26.584 brezposelnih delavcev, toda posredovalnica je preskrbela delo le 987 proslucom. Apel na delodajalce, na upostjivo več delavcev, ni prinesel zaželjenega uspeha in zaposlenost je v mesecu oktobru celo padla za 1.3%. To kaže, da se situacija ne izboljšuje in brezposelnost v New Yorku takajto težka čast na zimo.

Voditelji velikih industrij v državi New York sledijo inzulovemu mišlju in pritiskajo na delodajalce, da storijo priprave za mesec decembra, na upostjivo več delavcev, ki bodo prišli v mesto v mesecu decembru. Tako so se delodajalci iznebili vsake odgovornosti in naložili breme na rame zaposlenih delavcev.

Dnevnik New York Times je nedavno objavil vest, da so tovarnarji prišli zavzavati svojo lastnino predi ingradom pri neki tovarniški korporaciji. To je prvi v zgodovini, da so lastniki ameriških tovarnen pokazali bojazen pred razhajanjem njihove lastnine in slučajno ingradov, kar je znamenje, da se zavedajo resne situacije, ki je nastala v Zdrženih državah radi brezposelnosti in industrijske depresije.

Dramen roparski napad; 60 gostov oplenjenih. Chicago. — Roparski napadi so se silno pomnožili, odkar pritiska kriza brezposelnosti. Nekateri ropi že presegajo vse meje. Tako so zadnje nedelje zvečar štirje maskirani moški udri v stanovanje Benjamina Wolperta, 3829 W. Adams st., ki je imel domačo zabavo in 60 gostov je sedeli okoli mize. Banditje so terorizirali sbrane, obetrali nekoga dečka, ki ni hotel mirovati in obratni vso navozce za okrog \$15.000 v gotovini in zlatini, nakar so izginiti v avtu neovirani.

Visoka carina uderila Mehiko. Uvoz goveje živine se je zmanjšal. Washington, D. C. — (FP) — V mesecu septembru, ko je vstopil v veljavo Hawley-Smootov carinski zakon, je bilo samo 197 glav goveje živine importirane iz Mehike v Združene države. Pred letom dni je bil mesečni uvoz goveje živine do stotisoč glav. To je prišlo na dan, ko je zvezni trgovinski department prejel zahteve, da objavi številni o ameriški trgovini s tujozemstvom, ki jih je zadrževal, odkar je novi carinski zakon vstopil v veljavo, da tako prikrje slab učinek, ki ga je napravil ta zakon na trgovino z inozemskimi državami.

Mehika je z denarjem, ki ga je prejela od živine, katero je pošiljala v Ameriko, kupovala produkte ameriških tovarnen, kar sedaj ne more več in valed tega trpijo ameriški delavci, katerim se je obetal, da bo zakon o visoki carini protestiral njihove interese.

Zaposlenost v stavbinski industriji pada. Boston, Mass. — Državni delavski department je te dni izdal poročilo, v katerem navaja, da se je aktivnost v stavbinski industriji znižala v mesecu septembru za 8,7% v primeri s prejšnjim mesecem. V Bostonu in drugih večjih mestih je na tisoče stavbnih delavcev brez dela.

Brat in sestra S. N. P. J.!

V interesu vas in vaših sorodnikov je, da ste zavarovani za vsak slučaj nesreče ali smrti pri dobri in močni podporni organizaciji kot je Slovenska narodna podpora jednota.

Kakor je dobro, če imate kak cent za "deževne dni," je dobro in še boljše, če imate organizacijo, katera za vas skrbi v času bolezni ali nesreče in za vaše drage po vaši smrti. Pazite, da o pravem času plačate mesečne prispevke; s tem prihranite precej nepotrebnega posla društvu in tajniku in tudi gl. uradu.

Če se niste plačali svojega assessmenta za mesec oktober, storite to takoj! Brata tajnika pa prosimo, da se posabi obvestiti one, ki BI IMELI BITI ČITANI V OKTOBRU, da jih obvesti pravočasno. TAJNISTVO.

Wilbur prišel v zagato

Zapleten je v škandal in obeta se prehlakava. Washington, D. C. — (FP) — Ray Wilburja, tajnika departmenta za notranje zadeve, mučijo skrbi, kajti Mercer Greene Johnston, predsednik Ljudske legalitivne službe, mu je za petami. Johnston je namreč svodel, da Wilbur še vedno prejema \$20.000 letno od Leland Stanford universe, katere predsednik je bil, dokler ga ni Hoover imenoval za člana kabineta. Tako Wilbur prejema dvojno plačo, kar je v nasprotju s federalnim zakonom, ki prepoveduje, da bi kateri zvezni uradnik dobival plačo iz drugega vira kot vladnega.

Leland Stanford univerza ima okrog sedem milijonov dolarjev vloženih v podjetja elektrikalnega trasta. Ker je Wilbur kot tajnik departmenta za notranje zadeve tudi načelnik zvezne elektrikalne komisije, tedaj je jasno, zakaj dela na to, da dobi trst šimov ugodnosti od vladne. On in Hoover sta tudi direktorja te univerze, zato ni nič čudnega, če pomagata trstu do večjih dividend, kar s tem pomagata tudi univerzi do večjih obresti na denarje, da jima ne more nihče očitati nevhalečnosti.

To je v glavnem vsrok, da je Hoover priskočil na pomoč Wilburju, ko je neki newyorški list objavil članek, kjer je bil pojasnjen nov škandal pri oddaji javnih semilijev v roke privatnim interesom in so bile izsrečne obdolitve napram tajniku departmenta za notranje zadeve.

Visoka carina uderila Mehiko. Uvoz goveje živine se je zmanjšal. Washington, D. C. — (FP) — V mesecu septembru, ko je vstopil v veljavo Hawley-Smootov carinski zakon, je bilo samo 197 glav goveje živine importirane iz Mehike v Združene države. ZANIMANJE ZA STRAJK TEKSTILCEV RASTE

Philadelphija, Pa. — (FP) — United Textile Workers unija se dobro zaveda važnosti stavke v Danvillu, Va., zato je organizirala shode v tekstilnih mestih, na katerih govorniki opisujejo razmere, ki so prevladovala v tovarni Dan River & Riverside Mill Co., ki so dale povod štrajku. Ward Thoron, predsednik Narodne asociacije tekstilnih tovarnarjev, je nedavno izjavil, da tekstilci niso imeli nobenega varstva za stavko pri tej družbi, kjer so bile delovne razmere boljše kot v drugih tekstilnih mestih na jugu.

Kakšno so bila te razmere, je razvidno iz izjave, ki jo je podal na shodu tekstilnih delavcev v Philadelphiji Jesse Montgomery, ki je delal petnajst let pri omenjeni družbi, a je bil odslovljen, ko je prišlo uradnikom na uho, da je aktiven v gibanju za organiziranje delavcev. Povprečna tedenska menda je bila \$12 na teden, je dejal Montgomery in družba je uvajala čedalje nesnosnejše metode priganjstva. Tovarna te družbe se je razlikovala od drugih na jugu je v tem, da je bila čistajša, iskoriščanje pa je bilo večje kot drugod.

Radi njihih mezd se je širila pelagra, bolezen, ki ima vsrok v podhranjenosti in je zahtevala veliko štev med delavci in njihovimi družinami. Delavci so stradali, špraj so delali vsak dan, kajti njihova menda je bila preniska in ni zadostovala za navadne potrebe. Tekstilni delavci so bili prisiljeni na stavko, ker je kompanija dedajle bolj pritiskala na nje in uvajala nove priganjajske metode, obenem pa je snihvala mende. Ko je potem prišla s odpuščanjem delavcem, ki so bili aktivni in uniksem gibanju, je mera potrpečljivosti priklopila do vrhunca in edin ishod iz položaja je bil stavka.

Predsednik družbe Fitzgerald se rad ponaša v javnosti s svojo človekoljubnostjo. Ob vsaki priliki poudarja, koliko je se storil za izboljšanje položaja delavcev v njegovi tovarni. Fitzgerald je tudi pobošen in mogočen stebel presbiterijanske cerkvene občine, toda delavci, ki so delali v njegovi tovarni več let, ga predobro poznajo ter vedo, da je človek, ki odslovi delavca, kateri je delal zanj dvajset let, samo radi tega, ker je pristopil v unijo, nepošten in brez vsakega sočutja.

Radikalnemu organizatorju grozi deportacija. Danville, Va. — William T. Murdoch, tajnik National Textile Workers unije, levčarske organizacije, ki je bil aretiran in vržen v zapor na obtožbo, da je hujskal tekstilne delavce na upor proti oblastem, bo morda deportiran v Kanado, če se dokaže, da je prišel v Združene države nelegalno. Pred kratkim ga je obiskal v zaporu Arthur J. O'Neal, uradnik imigracijskega biroja, v svrhu zaslišanja. Murdoch je na vsa vprašanja o njegovih aktivnostih molčal.

Petrolejski požar v Oklahomi. Oklahoma City. — Silna reka oja, ki je privrela zadnje dni iz divjega vrelca v Oklahomi Cityju, se je 3. t. m. začela iztekati v reko North Canadian. Olje se je ugalo in zdaj imajo pančoni prebivalci nenavaden prizor, da voda goriti Tri palec debela plast gorečega olja je pokrila vsa reko in pomike se dalje in dalje. Goreča reka je se zažgala in uničila tri mostove.

Priganjajšve v premogetvnikih. Rudarji so nezadovoljni in grozijo s štrajkom. Scranton, Pa. (FP) — Priganjajšvo rudarjev na polju uranija, ki se je povečalo takoj po obnovitvi pogodbe, ustvarja nezadovoljnost, povzročilo je stavko 2.000 rudarjev v Glen Aldenu, ki je bila nedavno poravnana, sedaj pa grozijo rudarji v Loreeju, ki so uposleni v premogetvniških Hudson Coal Co. s stavko. Če se bo groznja uresničila, bo v stavki prizadehtih okoli pettisoč rudarjev.

Izvrševalni odbor prvega rudarskega distrikta je protestiral pri predsedniku premogetvne družbe radi izjalovljenja pogajanj med uradniki krajevne unije in predstavniki družbe. Nova klavzula v pogodbi namreč določa, da morajo biti vozički bolj polni, kot se je zahtevalo doslej, kar pomeni več dela in redukcijo mezd. Temu se rudarji upirajo in rezultat je nezadovoljnost.

Rudarski pritožbinski komitej navaja, da Hudson Coal Co. odsilivlja rudarje in delavce, če ne nalože določenega števila vozičkov. Družba ne more prisiliti rudarjev, da bi naložili več vozičkov kot to dopuščajo človeške moči, izjavlja komitej. Zahtevamo, da distriktni uradniki obvestijo Hudson Coal Co., da ukline to priganjajšvo, ali pa ima opravka s štrajkom. Pokazati se mora, dali imamo unijo ali je nimamo. To je glavno v tem spornem vprašanju.

Zanimive beležke iz raznih krajev

Z vzhodnega Ohia

Bridgeport, Ohio. — Dne 25. oktobra sem bil posejten shod in veselico soc. kluba št. 222 v Girardu, O. Na shodu je govorila sodr. Ana P. Kraana in tudi podpisani je spregovoril par besed. Udeležba je bila srednja. Vzrok, zakaj ni bila večja, je misteričen in ni vredno, da bi ga omenjal, ker je preplitev.

Klub je naredil svojo dolžnost in govorila je dobro obravnavala položaj, v katerem se delavstvo nahaja. Govorila je slovensko in angleško in je žela velik aplavz. Isti večer se je tudi vršila avto stavega sodruva Frank Kramarja in Farrelina, kar je tudi nekoliko vplivalo na udeležbo na shodu. Vendar je bil večer poln zabave in dobrega razpoloženja. Bil je navzoč celo sodrug Semrov s svojo soporo iz Detroita, kakor tudi rojaki iz Warrens, Youngstowna in Yukona.

Klub je s to priredbo pokazal, da res deluje za delavski pokret, vendar bi se pričakovalo večjega poseta, kadar gre za interese delavstva. Ta večer mi ne bo šel iz spomina in se prav lepo zahvaljujem članom tega kluba za njih naklenjenost ter jim kličem: nič strahu, naprej, dokler se ne prebudi sleherni delavec in stopi v naše vrste.

Drugi dan, 26. okt., smo se odpravili v Cleveland, na konferenco Prosvetne matice, ki se je vršila v Delavskem domu na Westwood cesti in bila prav dobro obiskana. Razprave so bile dobre in premišlene. Zvečer je imel priredbo s lepim programom v isti dvorani klub št. 49. Pravijo in pišejo, da Barbic laže; ako bi bili njegovi nasprotniki tisti večer navzoči, ne bi nikdar več kaj takega pisali. Dvorana Delavskoga doma je bila napolna. Tudi tako finega programa še nisem videl ne slišal, čeravno sem videl še raznovrstne. Gostovala je tudi prava "Zarja", odsek soc. kluba št. 27. Bilo je okrog 40 pevcev in bil burno posravljen.

Vidi se, da socialistična misel v metropoli napreduje kot še nikdar prej, do česar je največ pomagal republikanski štab. Za priredbo, ki je pomenila veliko dela, sta bila najbolj aktivna Barbic in Durn. Na nji si videl le veselje in zadovoljne obraze (še stari sodrug Lokar se je počutil kot 20-letni mladenček).

Kot se vidi iz cele stvari bo metropolska afera naredila, da bo Cleveland res postal napreden, zraven pa je dobra šola, iz katere se človek uči, da ni zaupati svojemu prijatelju, dokler ga ne preizkusi v ognju. Zdjaj veste s kom imate opraviti. Velika udeležba na konferenci in na prireditvi, da imate maso na svoji strani, ker ljudstvo ve, kje je pravica in komu se godi krivica. Ostali delavci pa vem kliče: ne umaknite se za las, ampak pojdite na delo s podvojeno silo. Rezultat, ki ga boste dosegli, bo v čast in ponos zavednega delavstva. — Joseph Snoy.

Seja hran. in pos. društva

Canonsburg, Pa. — Vsem članom - delničarjem tukajšnjega slovenskega hranilnega in posojilnega društva se naznanja, da se bo vršila delniška seja v svrhu nominacije direktorjev za prihodnje leto 1931 v soboto zvečer, dne 8. novembra, pričetek točno ob 6. uri. Dolžnost vsakega delničarja je, da se te seja udeleži, da po svoji najboljši moči izberemo direktorje za prihodnje leto. Kajti skušnja nas uči, da je prva in zelo važna potreba za uspeh vsake organizacije, da ima dobro in pošteno vodstvo. To vodstvo se mora zavedati, da ga je postavilo članstvo; da upravlja njegovo podjetje, mora imeti tudi potrebne zmožnosti, katere bodo dale podjetju še bolj trdno podlago.

Navdušenost in vera za pošteno delo naj bosta prvi. Dober uradnik mora imeti odločno voljo za delo, v katerega ga je izvolilo članstvo. Tak uradnik ne sme pričeti omagovati pri prvi priliki. V listu "Pennsylvania League of Building & Loan Associations Edition" sem pred par dnevi čital, da se delavski denarni zavodi množijo, in da so

di druga združena podjetja, posebno se organizirajo farmarji. V teku par let so se razvile močnejše prodajalne in nakupovalne kooperative, ki so imele v prošlem letu nad bilijon dolarjev prometa in okrog devet desetlin vsega združnega prometa.

Kakor farmarji, tako je potrebno tudi za nas delavce, da se oklenemo naših denarnih zavodov in združnih prodajal. Ker tak denarni zavod obstoja tudi v Canonsburgu, je naša dolžnost, da nalagamo svoja teko prislužene cente v tukajšnjo hranilno in posojilno društvo, ki nam daje pošteno obresti in nam pomaga v gospodarakem oziru.

John Koklich.

Posojilna društva

Waukegan-No. Chicago, Ill. Zima je pred durmi, živo sebro v toplomeru se čedalje bolj približuje '0'. Ravno tako gre tudi z delavskimi razmerami v tej naselbini — proti '0'. V par tednih bodo odpustili še tiste delavce, ki so zaposleni pri zunanji delih, in potem bomo okuhal Hooverjevo prosperiteto pri mrzli peči ali pa pod milim nebom.

Da se zavarujemo proti mrazu in lakoti za prvo silo, je potrebno, da, ako tudi le pri manjšni plači in veliki draginji, varčujemo in hranimo kakardoli moremo. Za delavski razred ni boljše in zanesljivejše tvrdeke ali banke, kjer varno vloga svoj trdca zaščiten denar, kakor so stavbinska in posojilna društva. V ta društva vloga svoj denar polegoma kakor mu razmere dopuščajo, malo vsoto vsaki teden ali mesec, a polegoma se nabere velika vsota, ki doberm pride kadar je človek v potrebi. S tem, da vlogo svoj denar v svoje domače podjetje, pomaga sam sebi in svojemu osedu — sploh celi naselbini. Stavbinska in posojilna društva — posojujejo varno vaš denar na prvo vknjižbo (first mortgage), ali proti varščini vloženi gotovini (\$ za \$).

Denar vloga v stavbinska posojilna društva je bolj varno vloženo kakor na katerikoli državni ali deželni banki. Pri stavbinskih in posojilnih družtvih se ne špekulira z raznimi bondi, ampak se posojuje svojim delničarjem na prve vknjižbe do 62% vrednosti njih posestev. Vsa, ki si denar izposodi, si mora tudi toliko delnic nabaviti kolikor ima posojila (\$100 na delnico).

Vsak teden ali mesec plača gotovo vsoto, 25c ali 12 in pol, z obrestni vred na vsako delnico, in tako koj prvi teden začne hraniti, da bo plačal dolg kadar bo poteče. Ako bi na primer valuta na posestvih padla, jo izguba nemogoča, ker posodilo se je na 62%, prihranil je že polovico ali več in "mortgage" je za polno vsoto. Tu ni kakor na banki, katera nič ne ve od kod bo denar prišel ko poteče čas posojila, ampak tu je denar že pripravljen: dolžnik plača vsak teden malo vsoto in v 6. letih in 3. mesecih (25c tedensko) ali 12 letih (12 in pol centa tedensko); sam dolžnik niti ne ve, da je ves dolg popolnoma plačan.

Pri stavbinskih in posojilnih družtvih je zagotovljena varnost. Rojaki! Pristopajte, viagajte svoj denar v stavbinska in posojilna društva. Ako še ni tega prekristnega društva v naši naselbini, ustanovite ga. Vsa ta društva so pod državnim nadzorstvom. Kakor se čuje nameravajo rojaki ustanoviti stavbinska in posojilno društvo v Jolietu, Ill. Čas je že, da se ustanovi to društvo v tako veliki naselbini, ker bi rojaki sami sebi in svojim sorodnikom koristili, posebno v teh kritičnih časih ko človek potrebuje majhna posojila—100, 200, 300 dolarjev. Pri takovanih "Finance Corporation" vas takó oderejo, da morate za 100 dol. skoro 200 nazaj plačati, ko bi vas pri stavbinskem in posojilnem družtvu niti centa več kakor obrestni, 5% letno.

Ako imate naložen svoj denar na banki, ki vam plača po 3% obrestni letno, ali bi se bilo boljše, ako bi vložili svoj denar v stavbinska in posojilna društva, ki vam plača več obrestni kakor banka, in ki vam plača več obrestni kakor banka (4% pri North Shore Building & Loan Assn.), in ki vam

plača obresti od dneva ko vložite svoj denar, pa do dneva ko ga ven dvignete? Na banki, ako ga dvignete med 1. jan. in 30. jun. ali 1. jul. in 31. dec., ne dobite nič obresti. A tu dobite za vsak dan brez razlike, od prvega do zadnjega dneva vloge. V prvi vrsti pomagajte sami sebi, ker dobite večje obresti in drugič pomagajte svojemu osedu, da vas finančne pljvke ne izsesavajo. Rojaki! Ako še ni stavbinskega in posojilnega društva v vaši naselbini, ustanovite ga.

Slovensko Stavbinsko in posojilno društvo (North Shore Building & Loan Assn.) je otvorila novo 39. serijo delnic dne 1. novembra. Rojaki, sezite po teh delnicah. Cim več jih kdo vzame, tem boljše. Delnice so kakor znano po 12 1/2c ali 25c tedensko in po \$100 enkratno vplačilo, ko nesi 4 1/2% obrestni letno. Društvo ima sedaj večjo vsoto na razpolago. Ako kdo želi posojila, je sedaj primeren čas ga to, ker mu ne bo treba čakati, da pride na vrsto.

Pomagajmo brezposelnim!

Toledo, O. — Tujak je še vedno prijetno in suho vreme, kar je nekaj redkega v tem času. Delavski razmere so bolj slabe, kakor pač povsod v tej objubljeni deželi. Kdor zaaluzi sproti za najpotrebnejše, se lahko šteje srečen.

V časopisih sem čitala, da kako prirejajo protestne shode proti fašističnim justicij, ki je v hrbet ustrelila štiri mlade Slovence na Primorskem, ter da zbirajo denar, da se tem žrtvam postavi spomenik. Zdi se mi potrebno, da ne pozabimo živih nad mrtvimi. Koliko naših bratov in sester se nahaja sedaj v največji bedi in pomanjkanju in bodo zmrzavali to zimo, ker nimajo sredstev, ne premoaga ne živil.

Opozarjam rojake, kjerkoli bi se dalo spraviti kaj skupaj, da se pomaga predvsem našim rojakom, ki so brez dela in so v pomanjkanju. Vendar nikar ne mislite, da jaz ne občustujem z našim podjarmljenim primorskim narodom. Saj je tudi meni teka zibelka v kamenitem Primorju. Toda, ker vem in lastne izkušnje kako je človeku pri arcu, kadar ni od nobene strani za služka, in to po več mesece ali celo leto, tako da postane človek kot živ mrič, zato upam, da te vrstice ne bodo zgrešile svoje-ga cilja. Ako bo s tem vsaj deloma pomagano tem revešem, me bo zelo veselilo.

Torej, slovenska žena, ne pozabite svojih rojakov, družin nezaposlenih, za kar vam bodo tisočeri in stovalečini! Kajti več je vreden peni v potrebi, kot pa desetak v izobilju.

Matilda Valenčič, članica društva št. 666.

Protestni shod

Sheboygan, Wis. — V naših slovenskih letih dnevno čitamo o grozotah, katere vršijo Italijanski fašisti nad našim narodom in njih nedolžnimi otroci v okupiranem osemju. Žsto je potrebno in pravično, da javno protestiramo in povemo tudi zunanjemu svetu, da fašistični podjetje nad našim narodom v okupiranem osemju je nečloveško.

V ta namen se so tedajna vsa slovenska in hrvatska podpora društva v Sheboyganu, da shod-

joje veliki protestni shod ter tako skupno javno protestirajo proti fašističnemu barbarizmu, katerega počenja je nad našimi brati v stari domovini.

Tem potom se traja vabi ves jugoslovanaki narod v Sheboyganu in njegri okolice, da se udeleži tega velikega protestnega shoda v nedeljo, dne 9. nov. ob 2. uri popol. v Hrvatskem narodnem domu na S. 8. St. in Broadway ave.

Na tem shodu bo govorilo več govornikov iz mesta in izven mesta, v slovenskem, hrvatskem in angleškem jeziku, tako da bodo poučeni tudi tuji narodi o krivicah, katere se gode našim bratom v stari domovini pod fašističnim režimom.

Vsi na shod dne 9. nov.!

L. Milostnik, tajnik.

ZAKLJUČKI GL. POROTNEGA ODBORA.

Zadeva društva št. 7

Brat John Kastelic, član društva št. 7, Claridge, Pa., je bil obtožen pri društvu, da je králl 15. točko XXIV. členskih pravil s tem, da se je nahajal v javnem prostoru ob času, ko je bil na bolniški postopki.

Dne 7. septembra 1930 se je vršila pri društvu porotna obravnava, katera je br. Kastelic promašla krivim ter ga kaznovala z odrganjem bolniške podpore za en dan in dvamesečnim ukorom, ker se je br. Kastelic na družtenih sejah napram navzočim članom nedostojno obnašal. Na podlagi društvenega pojasnila je pa gl. bolniški tajnik kazen br. Kastelicu poostil s tem, da mu je odrgal 5 dni bolniške podpore, kakor določa 15. točka XXIV. členskih pravil.

Brat Kastelic se ni zadovoljil z razsodbo društvene porote in ne s postopanjem gl. bolniškega tajnika in vzel priziv na gl. porotni odbor. Slednji je priziv vzel na znanje, pregledal predložena listine, nanašajoče se na to zadevo, ter pronašel, da omenjeni brat v resnici izvráll, kar se ga dolži ter tako králl navadno točko, v kateri je določeno sledeče: "Član, kateremu se dokaže, da je bil na kakšnem javnem prostoru ali na prostoru, kjer se točijo opojne pijače, prej kot se je javil zdravega društvenemu tajniku, mora biti kaznovan z odrganjem pet dni bolniške podpore za prvi prestopak."

Na podlagi tega je gl. porotni odbor soglasno potrdil razsodbo društvene porote in postopanje gl. bolniškega tajnika. Zadeva društva št. 501. Brat Joseph Debelak, član društva št. 501, Rices Landing, Pa., je vložil priziv na gl. porotni odbor proti razsodbi društva, ker je društvo oprostilo br. John Blašincu, društvenega tajnika, katerega je on obtožil kršenja pravil, njega (br. Debelaka) pa je kaznovalo z izključitvijo.

Dne 20. julija 1930 se je vršila pri društvu porotna obravnava. Br. Debelak in br. Blašinc, društveni tajnik, sta drug drugu sveto poročila. Zaključek društvene porote je bil, da br. Blašinc ni kriv, kar mu je obtožnica očitala, ter ga je oprostila. Nasprotno pa je br. Debelaka spoznala krivim in ga izključila iz društva in jednota.

Glavni porotni odbor je predložen priziv br. Debelaka vzel na znanje in uvedel osebno preiskavo, potom katere se je do-gnalo sledeče: Društvena porotna obravnava, ki se je pri društvu vršila dne 20. julija t. l., in katera je br. Debelaka izključila, br. Blašinc pa oprostila, se ni vršila tako kot predpisujejo pravila S. N. P. J., čeravno je bila pristranska. Nadalje se je dognalo, da je kljub protestu br. Blašinc v resnici nakazal nekemu članu na tri dni prevat bolniške podpore, ne da bi bil posejto izravnal različne med društvom in jednoto. Nadalje je bilo ugotov-

ljeno, da je br. Blašinc kot društveni tajnik králl 20. točko XXI. členskih pravil s tem, ker na družtenih sejah ni prečital vseh došlih dopisov iz gl. urada in drugih odsekov jednota. Dokazano je tudi, da je bil br. Debelak pri društvu porotni obravnavi dne 1. decembra 1929 kaznovan s trimesečno suspenzijo po nedolžnem, katero je na podlagi napačnih podatkov od strani br. in ses. Blašinc tudi gl. porotni odbor potrdil. Dokazano je nadalje, da je bilo od strani br. Blašince še več nepravilnosti izvršenih, ki so ene več, druge manj važne in ki so pripomogle, da se je spor pri društvu poostiril in nadaljeval in da je valed tega končno prišlo do osebne preiskave te zadeve.

Na podlagi dognanih podatkov je gl. porotni odbor prišel do soglasnega zaključka, da razveljavi razsodbo društvene porote s dne 20. julija t. l. ter br. Debelaka oprostil. Nadalje je gl. porotni odbor odločil s tremi glasovi proti enem, da se br. Debelaka tudi oprostil trimesečne suspenzije, katera je bila od dne 1. februarja do dne 30. aprila 1930, ker je dognano, da je bila krivda vseh prisadetih, najbolj pa ses. Blašinc, katera je dala povod do prepira in obtožbe.

Nadalje je gl. porotni odbor soglasno pronašel br. Blašince, društvenega tajnika, krivim in povzročitelja nerada pri društvu; zato se ga odstavi od tajništva in on nima pravice kandidirati v noben društen urad za leto 1931. Odstavljenje stopi v veljavo s dnem redne društvene seje meseca novembra 1930, društvo pa izvoli drugega tajnika na njegovo mesto v smislu 7. točke XVIII. členskih pravil.

Zadeva društva št. 39

Brata Anton Leto in Jerry Mehle, člana društva št. 39, Chicago, Ill., sta se v smislu 25. točke XXI. členskih pravil pritožila na gl. porotni odbor. V svoj zagovor sta navedla, da nista sodelovala v sporni zadevi in se zato ne čutita krivim niti prisadetim ko je bilo društvo kaznovano.

Glavni porotni odbor je pritožbo omenjenih bratov pregledal ter na podlagi predloženih pojasnil in podatkov, ki sta jih navedla v svoj zagovor, soglasno zaključil, da se omenjena dva brata oprostij kazni, ki jo je imelo društvo v mesecu avgustu 1930.

John Goršek, predsednik; Anton Sular, Frank Podboj, Frances Zakovšek, porotniki.

Mussolinijev govor napravil slab vtis v Washingtonu

Washington, D. C. — Rožljanje italijanskega diktatorja s sabljo, ki se je zrcalilo v njegovega govora, ko je napovedoval boj vsem sovražnikom fašizma, da bo iztrebil protosidlarje v Italiji, ki ogrožajo njegovo diktaturo, je razburila protosidlarje v Združenih državah, Franciji in Veliki Britaniji, ki odprto izražajo svoje proteste.

Drama in glasba

Kulturne priredbe naših organizacij

Koncert "Prešerna"

Chicago, Ill.—Nastopila je sezona jesenskih priredb. Razna tukajšnja slovenska kulturna društva so pridno na delu, da nudijo narodu kar največ raznovrstnega razvedrila in duševnega užitka.

Pevski zbor "France Prešeren" se pripravja za veliki koncert, katerega priredi dne 16. novembra v dvorani SNPJ. Nastopil bo tudi najstarejši čikaški zbor "Slovan", kateri je zadnje čase postal zelo živahen in nas bo presenetil s par lepimi pesmimi. Iz programa, ki bo pravčasno objavljen v tem listu, bo v celoti razvidna kakovost koncerta. Poleg ljubkih narodnih pesmi, je "Prešeren" vključil v program par lepih klasičnih pesmi, ki bodo — vsaj upati je — povoljno izvajane in bodo občinstvu ugajale v polnem smislu. Pesmi, "Njega ni" in "Pastir" menda še niso bile izvajane v Chicagu. Vaak ljubiteljski petja in glasbe naj se udeležijo tega koncerta, da sliši krasna dela naših velikih pesnikov.

Pevci "Prešerna" se zavedajo, da je treba mnogo prizadevanja s strani zbora, da koncert moralno uspe. Prav tako se vsak ljubitelj petja lahko zaveda, da morajo pevci veliko štrtovati predno je lepa pesem res lepa; k temu seveda največ pripomore volja in aktivnost pevcev in veselje do petja. Na drugi strani pa tudi pravilno umevanje ter splošna kooperacija in pozornost lahko veliko povsrejšijo duševni užitek. Kakor vsako kulturno društvo, ima tudi "Prešeren" — katerega tvorijo sami navadni delavci — poteškoče za obstanek, toda ker ima dobre moči, katerih edina naloga je, da potom petja širijo in izražajo delavsko aktivnost, je uverjen, da ga bo narod tudi v bodoče po možnosti podpiral, in bo na ta način lahko upravičeno pričakoval v povračilo duševno razvedrilo in užitek. Kaj bi bilo življenje brez petja, glasbe in moderne umetnosti, ki nam ustvarja nove bliščeče iluzije in neti v nas vedno znova vitalne občutke?

Da bo program čimbolj izpolnjen, bo za smeh po koncertu vprizorjena burka "Vedež" — zelo smejna in skoro nemogoča družinska slika. Programu bo sledila postrežba s prigrizkom in pijačo, na to pa se bo vsak lahko naplesal, zakar bo skrbel izvrsten orkester. Vstopnice v predprodaji so po 50c, pri vrodu 75c. Občinstvo iz Chicaga in okolice je ujudno vabljeno, da se udeleži "Prešernovega" koncerta v polnem številu. Pričetek ob treh popoldne.

Uspesna predstava

Springfield, Ill. — Predstava "Vdova Rožinka", ki jo je uprizoril klub št. 47 dne 28. okt., je nadvse dobro izpadla. Kot se je veliko udeležencev izrazilo, ni bila še nobena predstava tako dobro izvedena kot ta. Bila je zopet napolnjena dvorana. Najbolj razveseljivo pa je bilo to, da so ljudje že pred otvoritvijo napolnili vse seđe in jih je moralo veliko stati za časa predstave, kar se redko dogaja, posebno ker je bil pričetek že ob sedmi uri. Tako udeležbe člani in igralci kluba v resnici niso pričakovali.

Klub št. 47 JSZ se vsem prav lepo zahvali, udeležencem, ki so pripomogli k tako dobremu uspehu, in vsem drugim, ki so prodajali vstopnice in delali na prireditvi. Hvala vsem tistim, ki so prišli iz drugih krajev, iz Auburna, Virdua, Taylorville in Lincolnia. Bill so vsi zelo zadovoljni. Nekdo se je izrazil, da bi bilo dobro, če bi se dalo to igro tudi na oder v drugi naselbini. Po mojih mislih ne bi bilo napačno, če bi se dobilo primerno dvorano z odrom. Od strani igralcev ne bi bilo veliko stroškov. Če bi se več društev skupaj vzelo, mislim, da bi bil dober uspeh — za društva.

Ne smemo pozabiti se zahvaliti uredništvu Prosvete in Proletarca. S pomočjo teh listov vsaka prireditev dobro izpade; tu se vidi, koliko sta vredna ta dva

lista. V resnici zaslužita vsa podporo od naš Slovencev.

Po igri je bilo vse veselo; saj to je že v navadi, da na klubovih prireditvah smo vedno najbolj veseli. Kdo ne bi bil, saj ob takih veselih komadih, ki jih znajo bratje Goršek igrati, človek ne more biti kisel, še bi mu prav "pol življenja manjkalo." Tudi "Vdova Rožinka" se je nekaterim že smilila, ker je bila tako radodarna kmetiča, z medvedo in klobasami, pa je ni nihče maral. Ampak nazadnje je pa le imela zadoščenje, kajti Janeza je pa le odpeljala domov.

Odbor,

Jesenski koncert "Save"

Chicago, Ill. — Vsak civiliziran narod ima pesnike, skladatelje, izvezbane pevce in pevke zbere. Tudi Slovenci nismo brez njih, ker ne moremo biti. Pesem, pa naj bo že primitivna, popularna ali klasična, spremlja človeka tisoč in tisočletja njegove zgodovine in stremjenja po kulturnem in materialnem napredku. Pri primitivnih narodih je bila (in je še) pesem na nizkem nivoju — primitivni melodizem glasov brez pesnitve; nji v primeru je v klasični skladbi zapopaden velik kulturni, predvsem estetični napredek človeka. V obah slučajih izraža človek svoja čustva do objektov in aspiracije.

Človek torej goji petje ne radi petja, temveč da v pesmi leži in odkriva čustva. To delajo skupine in narodi. In bolj kot se človek zanima za pesnibe, več ima smisla in močnejša čustva do lepote. V resnici se lahko reče, da komur ni za lepo pesem niti za instrumentalno glasbo (jaziz izveti!), s takim človekom ni vse v redu, kot pravimo, in najbrž je čemernež in večkrat siten kot ne. Lepa pesem je balzam za človeka in v objemljaj njenih zvokov človeka popusti nervoznost in napetost, brez da za ni nikdo.

Med obstoječimi zbori v Chicagu goji pesem tudi pevski zbor Sava, odsek socialističnega kluba št. 1. Je to delavski pevski zbor ne samo po imenu, marveč se tudi ne boji nastopiti z delavsko pesmijo, v katero navadno

Opera "Gorenjski slavček"

Cleveland, O. — Pevsko društvo Zorja uprizori dne 23. nov. v Slovenskem narodnem domu opero "Gorenjski slavček." Ker bodo otroški z opero zelo veliki in ker je društvo na slabi finančni podlagi, smo se obrnili na vsa podporna društva in trgovce ter uredništva za finančno in moralno pomoč, da bo prireditelj čim boljše uspeša ter da bomo tudi v bodoče lahko gojili slovenske petje.

Priprava se lahko potom oglasov v program. Cene so: cela stran deset, pol strani pa pet dol. Upamo, da nam ne boste odrekli te podpore, saj so nam vsem znane težkoče pri kulturnih dejstvih za njih obstoj. Ako ne bo društvo dobilo zadostne zunanje podpore, bo v tem slučaju z uprizoritvijo opere izguba, katero bi miralo društvo samo kriti, preobutna za člane.

Velike spremembe v Rusiji

"Pjatiletka" je popolnoma razorala staro državo in iz razvalin raste novi red

(Ameriški poročevalec Junius B. Wood poroča o velikih spremembah, ki jih je našel v sovjetski Rusiji, ko se je po dveh letih in nekaj mesecih vrnil tja. Vsa dežela, 150 milijonov ljudi, je hoče ali neče na delu za "pjatiletko" ali petletno industrializiranje in radi tega si morajo vsi pritrigati na živelu, obleki in komfortu sploh. Glej začetek tega poročila v zadnji srednji številki z dne 29. oktobra.)

Odmerki so dovolj veliki, tako ni treba nikomur stradati, razen če je kdo izredno požrešen. Vendar pa so odmerki večkrat omejeni in le ročni delavci lahko oddajo vse svoje kupone. — Cene odmerkom v zadružnih prodajalnah so nizke, strašno visoke pa so v "palatkah" ali kioskih na javnih trgih. Na primer na kupon dobil velik kos mila za deset centov in manjši kos mila za umivanje za 15 centov, toda ista kosa staneta na odprtem trgu dva dolarja in en dolar. Funt surovega masla stane na karto 64 centov ameriške veljave, na trgu pa pet dolarjev; cno jajce na karto tri cente in pol, na trgu 19 centov; funt govedine na karto 20 centov, na trgu dva dolarja funt.

Državljeni s knjižnicami smejo kupiti meso in druge reči le v onih prodajalnah, v katerih so registrirani in ne smejo kupovati v vsaki prodajalni, ki je odprta. Državljan, ki bi rad kupil par galoš, kapo ali kak drugi kos obleke, mora dobiti dovoljenje od svoje tovarne, da reč potrebuje. Ako dobi dovoljenje, mora čakati na prednost z ozirom na barvo svoje knjižice.

Zdaj bo to še bolj sistemizirano. Prodajalne bodo premečene v bližino tovarne in vsake javne trgovine, kakršna je v drugih deželah, bo konec. To velja tudi za restavracije. Danes so le še štiri javne restavracije v Moskvi. Nahajajo se v hotelih. Vse jedilnice so zaprte, to se pravi samo za one, ki imajo knjižico in kupone. Sovjetska uprava insistira, da državljanji jedo doma ali v komunalnih jedilnicah.

Za tujce, ki obiščejo Moskvo, je določena posebna prodajalna, v katero ne sme nihče drugi stopiti. Prodajalna ima belo pobarvana okna, da se ed zunaj nič ne vidi kaj je notri. Tujec, ki dobi vstopno knjižico (moja knjižica ima številko 815), lahko kupi kar hoče brez meje. Tam je dovolj dobrega mesa, masla, cigaret, jajec, sladkorja in sploh vsega. Če primerjam to bogato založeno prodajalno z združnimi lokali za domačine, ki imajo prazne police in predale in v katerih vedno čakajo in čakajo na drobtine živl — tudi na konjsko meso, samo če ga dobe — ne morem si pomagati, da ne bi simpatiziral s tem ljudstvom, ki pogosti tujca z najboljšim kar ima, samo pa molče prenaša pomanjkanje.

Življenje v Rusiji je zanostavljeno in rutinizirano, toda nova navdušenja ga delajo konfuznega. S pjatiletko je prišla tudi "pjatidanka" ali petdnevni teden. Novi kolektor kaže tudi dneve zunanega sveta. Vsak dan v Rusiji je označen z drugačno barvo: rmeno, rdečo, bledordečo, plavo in seleno. Vsak delavec ima barvo svojega tedna — in srečna je čista družina, ki počiva skupaj dan iste barve. Večinoma ima vsak član družine svojo "nedeljo", ko imajo drugi delovnik.

Pjatiletka je prinesla tudi "udarnike" in "sverhudarnike", to je prostovoljce, ki obiskujejo tovarne, rudnike in farme in povsrejšjo produkcijo. Nove besede nastajajo vsak dan. Prostovoljci, ki se zavetejo, da ostanejo pri istem delu, dokler ne bo pjatiletka izvršena, se imenujejo "zakreplenejci". Navdušenost je tu, je gonilna sila, ki vleče mladež s seboj. Kadarkoli in kjerkoli je treba kaj hitro narediti, si delavci podajšajo delovnik na deset ur; drugi so plačani od kosa. Sploh je videti toliko razlik med nekdanjimi teorijami in današnjimi dejstvi, da je težko poznati sovjetsko državo, kakršna je bila pred tridesetimi meseci.

Velike industrije z modernimi stroji, ogromne kolektivne kmetije z velikimi letinami takoj prvo leto, ki so tako navdušeno opevane, niti vsakdanje stiske milijonov Rusov ne povedo vsega. To je komaj dober začetek. Pred nami je še tri leta pjatiletke. Navdušenost je res velikanska za novega "deus ex machina", ampak pozna se povsod, da bo Rusija plačala svojo pjatiletko z veliko izž

Editorial Notes

The present total membership of the English Speaking lodges of the Slovene National Benefit Society, in both departments, as officially announced in last week's issue, is 4,290 in 71 subordinate lodges. The tabulation does not include the month of October, which was the first of the six months of the present Membership Campaign. It would be interesting to know just how many new members were enlisted in October. Efforts will be made to publish periodically the results of the drive, to show the actual increase in the various local lodges. Some of the lodges are organizing membership committees to make the Membership Campaign more successful and productive. How about your lodge? Have you done anything towards the campaign? Act at once and make your lodge membership an outstanding one.

The unemployment situation is a direct result of the present irrational competitive system of production and distribution. Under such system periodical depressions are bound to occur. Under the present system controlled by capitalists entirely, when things are being produced and manufactured for profit and not for the needs of the people, anarchy, and general discord in the various industries will always be at hand, followed by misery and suffering—even "in the richest country." Millions of people are humiliated and degraded, and all on account of the "selected" few at whose power it is to shape the destiny of millions. Why shouldn't the people themselves step in and improve their conditions? They are too indifferent besides being constantly under the effects of the chloroform prepared for them by the ruling class. Will they ever "come to" and intelligently overthrow the yoke of oppression with the instrument of the ballot? They must, and the sooner the better.

"Old and New" is the name of the recent Eisenstein's picture, which was being shown at the Chicago Cinema Art theater, and of which Carl Sandburg said he "has been three times to view it and shall go once more." As a story it is as simple as "Robinson Crusoe," and as terrible as "Giants in the East." It's a Russian moving picture, and not a professional actor or actress in it. The players are Russian people, farmers, mujika, bureaucrats, horses, cows, a pedigreed bull and a tractor. And if there is a hero in the picture, it's the tractor. The director of the picture, Serge Eisenstein, is often ranked as the greatest of living artists in the field of the silver screen. And this seems to be one of the few movie masterpieces. It's entertaining and also haunting and provocative to all thoughtful people.

Hints for the Jobless

You are unemployed and want help. Much of American capital was once unemployed. It needed help and got it and it has continued to get it to this day. Here is how it is done.

Owners of capital obtained a government which they called an "Empire of Fairness." It was fair to them. They wanted railroads. The Empire voted them millions of acres of land. It gave them vast sums of money. Owners of other unemployed capital wanted rich coal, mineral and oil lands. The Empire voted these to them. Still others wanted timber lands and quarry sites. The Empire gave them away.

Manufacturing capital wanted help. The Empire raised a tariff fence around manufacturing plants, raised it higher, and higher, and higher. Shipping corporations wanted aid. Handsome subsidies were given. Railroads wanted more help and mail contracts signed by the Empire were largely subsidies. Almost everything asked of the Empire was given.

Of course the silk hat fat boys wouldn't call these gifts "doles." No. They call it "American enterprise." Hoover called it "rugged individualism." The government of the fat boys and for the fat boys he calls the "Empire of Fairness."

Let's do the same. Let's have an Empire that makes decisions for us, a Socialist Empire, one that will forget the fat boys and that will serve us. Why not?

The Hard Time Party

So. Chicago.—The Calumet Sentinels, Lodge No. 610, are going to have another Hard Time Party. It is going to be held November 21, Wednesday, the night before Thanksgiving. That means you could come prepared to stay as late as you wish, "cause you could rest all the next day, on account of the holiday.

Everybody is invited to come, and everyone that attends this party will have to make look like a Hard Time Party, by coming down in work shirts and aprons. All those dressed up to date, will pay a fine of 10c. The Committee has got something good in store for you.

Come one and all and find out for yourself. Bring all your friends with you and get acquainted with the rest.—And most of all, "Calumet Sentinels," stand up for your lodge, and boost. That is the way to secure bigger membership.

Don't forget the date, November 21.—Tony.

Stalwarts' Mystery Prize Dance

Kenosha, Wis.—Pleasure lovers who want new thrills and seek new enjoyment—something that's different in the dancing line—will receive more than their fill by attending the "Stalwarts Mystery Prize Dance" at the German-American Hall, Saturday, November 22. This coming affair—an innovation in the SNPJ's era of good times—will be the outstanding event of this year's Stalwarts' social calendar. Dancing will start at eight o'clock in the evening and continue until 1:30 a. m. The committee is negotiating with a prominent radio broadcasting orchestra to furnish the music for this occasion.

Sandwiched in between the dance numbers and numerous surprising events. The star event of the "Frolie" will be the awarding of the Mystery Prize. To whom the prize will be awarded and what is required to win it will remain a mystery until the time it is awarded.

As far as refreshments and eats are concerned, we promise the best obtainable will be on "tap" for your approval. So, come and spend a real enjoyable evening, with no bounds for whoopee making at the Stalwarts Mystery Prize Dance, on said time, date and place.—Radio Derganz.

STRUGGLERS

By The Quacks.

Collinswood, O.—Our college hero Bro. Lodi Mandel has arrived home for a few days and has promised he will get a new member even if he signs up "Orthello."

Members here, members there. Everywhere you go and look there surely is a friend or neighbor or your own brother and sister. Get them in NOW; don't wait. Do your duty today and be proud of a good deed. Strugglers never fail and they never will.

Our hats off to the Campaign's most active member, Bro. Anthony Zaverl. With the help of his sisters he does all of the business end of it. Keep it up, Anthony!—Our non-member Emma Mandel is the typist for our Federation Campaign Committee. Her work is a boost. Thanks.

Drs. Perme and Lausehe are the latest additions to our group. On asking them to join they highly praised our Strugglers and promise to be real go-getters.

Don't forget the Strugglers' Quacks' "Mystery Dance," something new and different, Sat., Nov. 16, at Slov. Home on 15335 Waterloo rd. Bring that non-member along and show him (or her) what the Strugglers are. Make 'em join.

"Captains," don't forget to attend your rally, same place, and you will be informed of the date.

The biggest mystery will come at the hour of closing time when "Lindy" is to do the trotting. This is only part of the mystery. Our Campaign headquarters will be at corner of Shilo and Waterloo rd. (home and business of our Bro. Anthony Mayer who is in the florist business). The Quacks have leased the space and in short time promise something out of the ordinary.

December is approaching and it will be the duty of every loyal Struggler to choose a board of hard working officials. Action means progress. What you do and whom you choose, means your future.—The December meeting will most likely be held on Sat. eve., Dec. 6, instead of Wed., Dec. 2, due to the fact that everyone must attend. We are planning a huge "blowout."

Don't forget, the membership drive is in full swing and according to tabulations so far—WE LEAD. Are we to continue? Ask the Quacks. Yes! Yes! Yes!

Integrity Ramblings

Chicago.—Everyone had a wonderful time at our Halloween dance, and those of you who weren't there, missed out on a great time.

Well, boys and girls, how are you all getting along in basketball? Hope you have a good team as you had in indoor baseball. Let us all be at the meeting Nov. 13 and get together and talk things over.

We read your article, F. J. M., where you mentioned us Skippers. We didn't catch writer's cramps etc., but were so busy reading the Prosveta that we nearly forgot to send in articles. We are 100% Integrity members in Leadership, Sportmanship, and Friendship, as are all of the Integrity members of the SNPJ. That's exactly who we are, F. J. M. Do you know us? The Skippers.

Campaign Talks

THE FACTS

In a little village, halfway down the State of Noisill lived a young happy couple. Darkberg, as the village was called, had no large industries. The only means of living were farming and the flour mill and a milk separator plant. John Lakru was able to support his wife while the flour mill was operating. In 1928 business was good and it was then that John married. He could not foresee that there would be a business slump in 1929 and 1930.

The market grew dull. The farmers could not dispose of their surplus grain. The flour mill closed down and John was laid off. He waited a month, two, three. No work. He began to look about, but others were in the same predicament. So in the fall of 1929 they decided to move to Gooachi, the county seat, and one of the principal cities of the state. John immediately looked about for work. He found something. There wasn't much money, but that didn't matter—they were used to living humbly.

Soon after the new year John again felt the onslaught of the present system. His boss told him that business was bad, and that he was sorry, but he had to lay off men or go bankrupt. And for weeks and months John trodded the streets daily in search of work. But his efforts were of no avail. No work.

But there is one thing that worried John above everything else. His dear wife was ill and soon a new arrival was expected in the family and he had no money to call a doctor. What was he to do? He just dreaded to live.

While John was working a friend of his wife's induced her to join the Neerpios Lodge, which was affiliated with one of the foremost Fraternal societies. John didn't believe in lodges and he told his wife so. At one time they quarrelled about it and she challenged to leave the lodge. Fortunately enough she hesitated; she didn't want to disappoint her friend.

Another month elapsed and John's wife's condition became serious. No work, no money—sickness—bills; John had all these staring him in the face. He got up enough courage one night to tell his hard luck story to the secretary of her lodge. And what do you think happened? The secretary had a very personal and dear medical friend. Once he heard the story, he asked no further questions. His actions spoke for him.

One evening, recently, John returned to proudly announce the birth of a boy and to thank the secretary for securing, without charge, the hospital, the doctors, the nurses, and everything. "And believe me, Mr. Secretary," he said, "if I can land a job I want to join your lodge too. In the meantime if I can ever do anything to help the lodge, or you, I certainly will and I want to thank you from the bottom of my heart, for goodness knows what would have happened if you had not helped."

Smiles spreading from ear to ear, were seen on the secretary, his wife and another official as they reviewed the case after John walked out and the secretary remarked, "I feel so good when I see that the people appreciate my efforts."

Here and There With Comrades

Cleveland, Ohio.—The membership campaign is in full swing. The teams of John Smole and John Allich are leading, thus far, in the Comrades' drive. Let us all approach our friends and relatives and talk "Membership." Besides joining for the benefits to be derived from a membership in the SNPJ, a newcomer is joining one of the most progressive benefit societies in the country. Let's adopt the slogan that the other lodges have, "Every Member a New Member."

Last Saturday evening the lodge "Napredna Slovenke" No. 137 SNPJ held a huge banquet at the Slovene Nat'l. Home. They had one of the largest crowds to attend any affair this season. The reason for the celebration was the lodge's 20th Anniversary. The speakers of the evening were Frank Corne, who organized the lodge while he was president of Lodge No. 5, SNPJ, and Mrs. Anna Erate, who has been president for the past eleven years. We wish them continued success in the future.

Two Comrades, Augusta Paulich and Joseph Steibly, were married last Saturday. We wish to congratulate them and hope they enjoy a pleasant married life in the years to come.

Undoubtedly many of our readers have heard or read of the Theater of the Nations series of nationality productions, which is being sponsored by the Cleveland Plain Dealer. The first production will be given at the Public Auditorium by the Civic Opera Guild, and will be entitled "The Mikado," an opera sung in English. The Slovenes will also be represented in this series by the singing society "Zarja," which presented an opera entitled "Urb, graf Celjski" last year. Their contribution this year will be another opera, "Gorski Slavček," for which they have been preparing during the entire past summer. The opera will be presented at the Slovene Nat'l. Home one week before it is at the Public Auditorium on Nov. 25. All Slovenes are urged to attend.

The Comrades' bowling team lost two out of three games to the powerful Sokol quintet; but gained a position in the individual team single standings when it bowled 954 in its last game. The team is beginning to work together more and more and we expect to see them near the top.

We were pleased to note that Jeanette Sterle, who has been active in the Civic Opera Guild of Cleveland, O., has been appointed to the position of librarian for the guild. The job will be a hard one, but we feel confident that Jeanette will handle it competently. Congratulations, Jeanette.

The Cleveland Journal has another new correspondent who calls herself "Journal Jessie." We've heard that she is a Comrade and are wondering who she might be. Can someone enlighten us?

Tickets for our Thanksgiving eve dance are being printed and will be distributed very shortly. Those who do not receive tickets through the mail may get them at Kushlan's. We want to make this affair the biggest ever and the only way we can do it is by selling tickets.

John J. Allich, Pres., Comrades.

NOTICE, LATROBE AND VICINITY

Latrobe, Pa.—This is the last call. Everyone interested in organizing an English Speaking Lodge of the SNPJ, come to the Slovene Home at Pipe-town on Nov. 9, promptly at 1 o'clock. Jane Pradel.

OUR BIG DANCE NOV. 15

Syran, Pa.—Lodge Jolly Juniors will hold a Big Dance on Nov. 15, and true to our promise we have selected an excellent orchestra. Ernie Niels and his Junior Pennsylvanians will keep us stepping that evening, and how!

We hope to see all our neighboring lodges present. You're sure to have a good time here with the Jolly Juniors. Frank Nitzsche.

"West Allis Stalls"

West Allis, Wis.—The first practice of the girls' Jolly Allis basketball team turned out splendidly. We may be able to make a first and second team. Most of the girls are mere beginners, but they got next to the game quickly. Keep it up, girls, and we'll have a fine team.

Our Thanksgiving Frolic at Crystal ballroom will be held Nov. 22. The tickets are selling fast. Get yours before it's too late. Come on, girls, the more tickets you sell, the better basketball suits you'll have.

Our last meeting was sure peppy. Most every member had something to say; they follow the course of the meeting attentively.

The Jolly Allis has always followed such methods as suggested editorially recently and we have never had a lack of response. We get a dancing permit till 12 o'clock. We have dancing, refreshments, and games, interchangeably. For the next meeting we're going to change the program a little. Our neighboring lodges also do the same thing with success.

We should all support the Slov. Auditorium on Nov. 9 at Labor Hall. Some of our elders are going to be in the play. We need a Slov. Dom, as it's quite apparent. Buy a ticket and follow the crowd.

The Jolly Allis bunch who attended the Hollow'en dance at Waukegan had one grand time. I sincerely hope the Little Fort Lodge will favor us at our coming dance.

What's the matter with our writer, PEP, and others? We miss his cheery articles. I notice the girls keep the Jolly Allis' name in print, but the boys—not a word from them. It's just three or four who have the whole burden on their shoulders. Why not relieve them? Smiles.

Golden Eagles

Girard, Ohio.—The Golden Eagles mask ball, Oct. 4, was written "in the books" as a very successful affair. A pleasing feature of the dance was the large attendance from out of town, among them being a group of members of the Onawa Lodge of Warren, O., and not forgetting three "Quacks" headed by "Lindy" Lokar from Cleveland Strugglers. Thanks a lot, folks, for attending our dance and you may be assured that the Golden Eagles will return the compliment in the near future.

It was our pleasure a short time ago to attend a dance given by the Onawa Lodge of Warren, O., one of the newcomers in the Young SNPJ. Needless to say, we had a great time and during the course of the evening we met the individual officers of the lodge. It is our impression after meeting them that with such a capable group heading the lodge that they will make great strides in the great SNPJ Youth movement and will be heard from in the future.

Gala Zimmerman was recently married to Steve Josh. Good luck and happiness.

Bowling has taken the male members of the lodge by storm. The season having started just recently each Thursday eve. at the local Bowling Alleys, one may see or note the keen rivalry among the teams as each one strives to be in the coveted "first place." Go to it, boys, the season is young yet and may the best team win.

SNPJ Membership Campaign. Golden Eagle members, are you in on it? Remember, "every member bring a new member."

Sat. Eve., Nov. 15, Golden Eagles "Get Together Dance Party" will be held. This affair for members only, however each member may invite his or her friend, an outsider preferably, a good prospect for membership into the lodge. All the features of a Dance Party will be had, such as "hot" dance music, refreshments, etc. Remember, this dance party was arranged for you, so be on hand for a gala time.—Carl Swabek, Pres.

BADGER BLUES (LODGE 584)

Milwaukee, Wis.—Way down in Badger Land there is an accordion man.

He plays a wicked accordion in a style so grand.

He'll make you toddle your shoes and all your troubles you'll lose.

He'll make you dance, he'll make you prance, he plays the Badger Blues.

You start in dancing with lots of PEP when you hear that BADGER—with a great big rep—you'll get the Badger Blues.

Come down to Tamme's Hall, Nov. 15, Milwaukee, Wis. 8 o'clock sharp. Adm.—C.O.D. Ann E.

The Revelier's Column

Ambridge, Pa.—From time to time this column has been appearing in the Prosveta, and the writer has often thought what the reader thinks of the various items, i. e., if someone does take the trouble to glance over the article. There is no intention on the part of the writer to convey the impression that he is the big shot, important man, or some such character in the Reveliers' Lodge. True, he holds the office of treasurer. He wields no power or any superiority outside of his duties. At the meetings you will find he is present, but seldom says much. He bears no enmity to the lodge members and knows of none. He is not the most popular or most active member of the Reveliers. To date he has shown not the slightest sign of being a speaker before any audience. He possesses no gift or charm as a conversationalist. It is the presiding officers and different members producing the good results attained by the Reveliers. Credit must be given where credit is due. As the Reveliers are reaching higher heights of progress and success credit cannot be given to any single individual or any single group of individuals. It is the combined actions of the lodge to which the Reveliers must attribute the praise due to its rise. No organization of any kind can progress forward if unity is lacking.

In the past I have often met Bro. John Kutich of Canonsburg, and have found him to be an integrated worker for the SNPJ. I doubt if the Society could find a more enthusiastic organizer for English speaking lodges in Western Pennsylvania than he.

Here is the standing of the Reveliers' bowling league:

	Won	Lost
Jacketeers	11	1
Disgusted Reveliers	6	6
Kisers	4	8
Rollers	3	9

The bowlers are improving steadily. The lead of the Jacketeers is so great there is little possibility of any team overtaking them.

Soon the Reveliers should match some bowling games with outsiders. They have capable men and games can easily be arranged.

On Oct. 25 the Allquippa dance was well attended by the Ambridge Slovenes, Canonsburg, Burgettstown and other visitors were in evidence. What with the good looking young ladies, a peppy orchestra and amidst the gaiety of the crowd, who could miss having a pleasant evening?

Thanksgiving day, Nov. 27, is ever drawing nearer. The Naš Dom's 25th anniversary celebration will soon be here. A great program is being arranged for the occasion and for the entertainment of those who will come. Ambridge welcomes all visitors.

Wonder how many have thought that in 1930 is to be the Naš Dom's lodge No. 32—25th anniversary and in this same year the Reveliers were organized?

One wonders if Ambridge will ever have a Slovene National Home? Every society in Ambridge possesses some building as a meeting place for its members, some place where they can have recreation and pleasure.

Brothers John Licher and Joseph Bilek were Reveliers' delegates to the Federation meeting at Canonsburg Oct. 26. By this time they will already have explained the meeting, the Federation and its purposes at the monthly meeting, and the members will have time to decide whether affiliation with that body would benefit us in any way.

Nourish the thought of cooperation within the Society. True cooperation calls for the casting aside all private opinions when the good of the Society is being discussed, and the pulling together toward an honorable, praiseworthy end for the welfare of the Society.

Is it true that honesty, honor no longer exist in man today? Or is it those who are dishonest, un honorable, because they happen to be in that condition, think that the world is likewise so?

In the SNPJ spirit,
Louis Kosela, Reveliers No. 609.

Verona Views

Verona, Pa.—Veronians will hold their Big Fall Dance on Nov. 8, at the Costa Hall, Front St., Verona, Pa. The Dixie Dudes orchestra, that popular combination of blues chasers will be on hand to furnish the music. Nothing has been left undone to assure everyone attending a good time. Take this opportunity to acquaint yourself with the Veronians. Our invitation is cordially extended to all the neighboring lodges.

November 1, a large number of Veronians attended the masquerade dance given by the Comets of Universal, Pa. The largest crowd in attendance bespeaks of the popularity of the Comets in Universal. Thanks to the efforts of the Comets; the Veronians had a wonderful time. Join us on Nov. 8, Comets, and we will try to reciprocate. Also we will be expecting the Rambler's on this date.—A little reminder, Veronians' meeting will be held on Nov. 9, at the Wyona Club at 10:30 a. m.—"Vic" Jakovac.

Young Americans' News

Detroit.—The "Hard Time Dance" given by the Young American's Lodge 564, Saturday, October 25, at Six Mile road, was a success, and I am sure everybody had a grand time.

Sunday, October 26, Bro. Siskovich gave a speech on "Socialism" which I am sure has put quite a few in deep thought.

Here is a Big Time in store for all! The "Zemli odsek" of the SND are holding a DANCE Saturday, November 8, at 116 E. Mile rd. Let's all cooperate and help make this dance a great success, as is the ladies' desire. The profit will go for the Slovene National Home. Bertha Gram—(Young American).

Socialist votes have never returned in the form of lost jobs, breadlines, and private charity doles. These are Republicans and Democratic election returns.

Capital is not, never was the friend of labor; and from its nature and constitution never can be. Capital is the wolf, labor the lamb.—Economic.

Beer-Suds, "Inc."

By Check and Double-check

Milwaukee, Wis.—Check made the Milwaukee Beer-Suds, "Inc." down to the Singlars' dance on Nov. 25, and had a very enjoyable time. A nice crowd attended. Check and Double-check for their hosts and hopes to come over again next time.

Who will sell the most tickets for the Theatre Party, to be run the first and second weeks of December? Different programs will be run each week; every prospective customer will be persuaded to come across for the price of two or more tickets. Let's have a little contest for the title of the best ticket seller and see who'll "over the top." It ought to be easy, and since the party lasts for two weeks, we can sell DOUBLE the amount of tickets originally intended.

Our Badger boys are getting all set and bothered about their coming basketball season. Almost every night we can catch them practicing, passing, shooting, pivoting, etc., and we feel confident that the season's close will bring the coveted championship into the Badger domain. We're with you, boys!

The singing club Naprej has received many compliments on the radio program they broadcast last week. Congratulations, Naprej!

For the past few weeks, Mr. John Pavlic, the well-known Slovenian musician and bandmaster, has been assembling an orchestra, with the result that he now is teaching and directing an organization of over fifty members. This project is one that will excite much interest within a short time, and every boy or girl, whether they be a Badger or not, is invited to come up to Tamsa's hall on Thursday evenings and confer with Mr. Pavlic. All sorts of instruments are still needed, although we have a little of everything at the present time. Any one that can play ANY instrument, or wishes to learn how to play, don't forget to come to Tamsa's on Thursday evenings at about 8 p. m.

Don't forget, members, that the next Badger meeting takes place on Friday, November 14. It's your duty to be present at your own Lodge's

meeting, so please try to be there. Some very important items will be discussed, and we'd like to hear your views.

Morning, noon and night we hear nothing but "uke, uke"—and some more "uke." Jennie Owen has been practicing for about a week and as the result is quite proficient in manipulating all the different strings. We'll call for a solo soon, Jennie, so be prepared.

The Publicity Committee seems to be hibernating like the old bears in Washington park. Wake up, there, and do something!

We don't want anybody to forget that the Badgers will have their Dama Zabava on Nov. 15 at Tamsa's. Let's see some members of other neighboring lodges present at this gala affair, and let the Badgers show you what a good time you can have. We'll have the time, the place, and the girls and boys, so nobody will have any complaints to make. All you Moderns, Pioneers, Singlars, Little Forts—EVERYBODY—will be expecting you on Nov. 15.

Someone must have captured Dan Cupid because he is nowhere to be seen. It's either that or else he's loafing on the job. We haven't been to a good old-fashioned wedding for ages 'n' ages. Won't somebody do us a good turn and get married? Don't all shout at once!

The Play Committee is doing some fine work and have already picked out a play. The title is "The Automatic Butler." We know that under the direction of George Benning, it will be good. It seems that the Badgers have lots of good times to look forward to, and that seems to be one of the reasons why our membership is growing.

Don't forget that it's: EVERY MEMBER GET A NEW MEMBER!

The Slovenski Dom will have a big dance at S. S. Tura Hall on November 16. We're sure the Badgers will do their bit by attending this affair, so we'll see you all there.

Pozdravi!

SPARKS

By The Son of a Bachelor.

Under this heading, each week, news and activities of the Singlars' lodge will be briefly given. Prospects for one of the most popular and active lodges of the SNPJ very bright for the Singlars' Lodge. Let's show our stuff, Singlars.

A Bunco and Card party for the benefit of the girls' basketball team is the next affair by the Singlars to be held Fri., Nov. 14, at 8:00 p. m. Tickets have already been distributed to the members and a surprisingly large number of worth while prizes are promised by all the active members. Admission 35c. Vacek's hall, 22nd and 56th ave., Cicero, has been reserved for the doings. After the Bunco party, coffee, doughnuts, and some of that good old-fashioned potica will be served free of all present. It'll be worth your while to attend, for the eats alone will be well worth more than double the fee charged. Dancing will follow Card and Bunco games.

In last Thursday's bowling, the Pioneer Bullets took three games away from Putz Florists, while Kolar's Florists grabbed two of three from a Pioneer-Slavija team known as the Pioneer All-Stars.

FLASHES

By Incognito

Helen Arko is in charge of a committee to arrange a party for the Pioneer meeting. Pioneer members will celebrate the conclusion of a active and prosperous year. A business meeting will be held which is to last not longer than 9 p. m., after which the program and refreshments will be served. All of this will take place on November 21 at SNPJ Hall.

All Pioneer members who have proceeded to contribute for the fifth anniversary are reminded to be certain that contributions are in on time. The fact that we Pioneers are all way ahead of all the other English Speaking Lodges in membership is significant. But not only that, with the rise of the Pioneers there are now some 77 other English Speaking Lodges of the SNPJ which the Pioneers are jubilant about, even other Fraternal Societies have taken the idea and made good use of it. Haven't we a right to be proud? A record attendance at the member meeting will send us all forward into our sixth year with more determination and enthusiasm than ever.

Our Pioneer bowlers won three games in the SNPJ Chicago Bowling League, while the team of ours lost two of three to Kolar's

Integrity-Singlars. After the regular schedule a meeting was held and new officers were elected. The Pioneers are still looking for a number of bowlers as they would like to put another team into the league.

What the dickens is the matter with the Joliet Hustlers? When we hear so little about them, although they are so close to us we naturally wonder what's wrong? Come on, folks, let's hear from you at least once in a while.

On with the campaign, Pioneers. With a bombardment of nominations at the November meeting the spirit for a bigger membership will give encouragement to other English Speaking lodges, also. Ten nominations are promised by two members. How about some of the rest of you five wires? A little grit and a little work and you should get your applicant.

The prosperity of which we have heard so much is neither here nor there for the workers. Yet reports have it that the capitalists have received greater dividends in the first few months of 1930 than in the corresponding months of 1929. And 1929 was a banner year.—And 6 to 10 million men are out of work in 1930.—Yes, if the administrations and

capitalists would really spend some of the money instead of merely talking about it perhaps some of our men could get jobs and earn some money to live.

A Worthwhile Trip

By A. F. Kraana

Not very long ago I read an article on speaking in which the author said that beginners should practice in the woods instead of boring and tiring honest folks from the stage or at the banquet tables.

I agreed, yet when soon after that I received few invitations to appear as a speaker in Girard and Cleveland, I changed my mind and thought thus: It's all right to speak your first speeches in woods, if nobody will give you a chance to practice in public, but since I have the chance, why not try to talk to people instead to rabbits and squirrels. So I promised to be present.

October 25 found me in Girard where I met many Slovenes, young and old, and where I met for the second time the Semrovci of Detroit, as well as few old friends from Johnstown, all of which made the Saturday evening very pleasant.—The night was spent at Rowan's home, where "we" certainly felt at home.

Sunday morning passed quickly, and at noon we departed for Cleveland. It was a wonderful day to ride and beautiful places to see along the way. Beside our "chauffer" there were five of us in the car, namely, J. Sudy, Tancek, Dobrovoljc, Kraana, and I.

At Collinwood we met many new friends at the Slovene Workmen's Home, where a conference began, and I had the pleasure to hear many suggestions and reports on the things of different lodges and clubs, connected with the Educational Bureau of the JSF.

The evening program was interesting. All the seats in the auditorium were occupied and a number of people were standing. The "Tirolet Peasant Group" was the most liked topic of the evening, although other parts of the program were all well given to the satisfaction of the audience. Dancing in the lower hall completed the happy evening. I was kept busy making new acquaintances and meeting old friends, and of course whirled around a few times. When the music ceased Mr. and Mrs. J. Dura took us to their cosy little home. Monday afternoon, in company with Mr. Frank Barlich Sr. and Mr. Bosich, we went sightseeing which I enjoyed very much, especially seeing the great skyscraper, the Terminal building, and the Fine Arts Bldg.

We also visited different places on St. Clair st., "Enakopravnost," "Amerikanska Domovina," Biskovnik Studio, etc.

The S. N. Hama interested me very much, too, as I have never seen it before, but have heard so much about it. Yes, it is a Home the Cleveland Slovenes can be proud of.

On Monday evening I met many more Slovenes in the lower hall of the S. N. Home.

The Women's sub-branch of the JSF club No. 27 arranged a delightful entertainment for the evening. I wished that I could stay with this friendly group of ladies, but duty calls even in the midst of the best enjoyment.

I will not forget the Cleveland Slovenes; they were congenial and friendly folks, making one feel at home in our "American Ljubljana." I wish to extend my heartiest thanks to everyone who made my brief stay there a pleasant one, and also the Girard friends for their kind hospitality.

I hope that we may meet again and renew the friendly spirit which was ours for the few wonderful days.

Our great City of Chicago is a perfect picture of crime and graft. Believe it or not, the decent citizens and the few honest political office holders are having a horrible time to drive graft out of politics and criminals from the city. The situation is being greatly affected because so many men and women have no work. They lack the means with which to buy food, clothing and shelter and are forced to go out and steal.

Singing Society "Naprej" of Milwaukee, Wis., celebrated its 20th anniversary last Sunday. Only standing room was available at the spacious S. S. Turner Hall. A varied program in which Anton Subelj (baritone soloist) took the lead delighted the audience. Mayor Hoan of Milwaukee attended to greet the Society and to wish it success. Mayor Hoan also appealed to the voters and exemplified the present situation. His favorite remark was to kick—and kick hard with your vote. Frank Zalts of Chicago also made a brief address. John Ermene, the Slovene candidate for Assemblyman, was brief in his plea for justice.

The next big doings that the SNPJ members should patronize will be held in South Chicago on Sunday, November 16. Lodge No. 8 SNPJ will be celebrating its 25th anniversary and all of Chicago lodges should be well represented. Speakers from various lodges will be there to urge the members of Lodge No. 8 to a successful second quarter of a century of progress.

The latest dope has it that the Pioneers will hold a "Dama Zabava" on Saturday evening, December 13, at the Lavandale Masonic Temple. Johnny Kochevar's orchestra will play. Admission will be 25 cents only.

Sava's singers will hold their next concert on Sunday, Nov. 30, at the CSPS Hall.—A splendid program has been arranged and the singers are polishing up to make everything go "epic and span."

Last January, members of Club No. 1, have played the "Machine" for our Slovene audience. They have been requested to reproduce the settings for the Young People's Socialist Circle in Chicago on Sunday, Dec. 7, before an English audience. It is a most fitting play for the present times.

Measure your enthusiasm by your will of power.

"Wolfs" News

Detroit, Mich.—The Wolverine members that attended the "Young American Dama Zabava" sure had a nice time. We are waiting to hear for another announcement soon of their coming event.

Herman Rugel sure gave a nice announcement for the Wolverine on the night of the "Y. A. Dama Zabava."

The Halloween dance given by the Wolverines was a great success. The hall was decorated for the great event and attracted one's attention in every way. Give the credit to our new entertainment committee who knows their business. The Jack-O'-Lanterns, the corn stalks and the lights were in the right spirit for the witches to appear. The music which was furnished by the old "Wolverines" was in the right spirit of Halloween.

Talk about the crowd that showed up that night of Oct. 31, words cannot describe it. The first prize was a Russian Cossack which fitted the party to the exact (Slovenian fellow), second prize was to a fair maiden whose costume was beautiful, and last and the best was Edy Straus who was so comical one couldn't help but laugh. He was supposed to represent a "Crai Kranjec." He certainly knew his stuff.

The hospitality shown by the "Young American" was great. They sure did show their brotherhood that night. The "Wolverines" want to thank the "Y. A." very much for their cooperation that they gave that night.

Watch for the coming event which is going to be given by the Wolverine Lodge No. 677 on November 27, which is Thanksgiving night, at the Slovenian Workers home. A big door prize is going to be given to the one that holds the lucky ticket. Come and see if you are the lucky one! Music is going to be furnished by the old "Wolverine Orchestra."

Wolverine members don't forget next month is election of officers. So open your mind and think of the brothers or sisters who are best qualified for the positions. Let us all be at the next meeting or we will all regret. Keep in mind for the 1931 officers.

The officers of 1930 sure did their utmost duty. Wolverine members appreciate the cooperation they have given us for the past year. They are the ones that help built up the lodge.

Josephine Borich.

Friendly City News

Johnstown, Pa.—Lodge No. 44 held the opening dance of the newly remodeled Franklin Boro Slovene hall. Friendly City was well represented at this dance. Although there were three dances held in this district, a large crowd was present to view the wonderful transformation of this hall.

Bro. Frank Podboy, Sec'y. of Lodge 44, made a fine speech at this dance. He said that when his lodge (Lodge 44) is "no more," Friendly City will inherit their home.—We, the Friendly City Lodge, are already greatly indebted to them for allowing us the use of their hall for our meetings and dances without charge.

Socialist Club No. 5 will hold a play at a later date in the Franklin hall. There are quite a few Friendly City members in this play.

I stated in my last article, we are listed as tenth in the "Big Ten." How do the members of the "Friendly City" feel about becoming the fourth, fifth or maybe the first, which is every lodge's goal. Surely, out of about 50,000 young Slavs of Johnstown, we can at least get a few hundred more. Talk to your friends and make them "join now." Tell them about the benefits derived from the SNPJ in case of illness, operations, amputations, etc.

What will we be, first, second, third, fourth or fifth? We'll still be among the "Big Ten"!!! No one can tell but yourselves.

All members who are not present at our annual meeting, Dec. 11, 1930, will be fined. (The amount I do not know, but will tell you later.)

Ladies Lodge 690 will hold a dance Nov. 22, in Motham. Come on, mem-

bers, show them our gratitude. Lodge 600 with Lodge 44 are the two lodges which have helped us to get on our feet, and if we show up strongly at the lodge 600 dance, it will help to repay them a little for their help in putting us on our feet.

What happened to "Ruby" and also "The Unknown"? What's the matter? I thought I had some competition from you two. What's the matter with the members in general?

The Keystone State is well represented in the SNPJ. There are many new lodges springing up in Pennsylvania. In last week's Prosveta (Oct. 22), I have noticed that two more English Speaking Lodges are being organized. I have overheard President Joe say that he with a few others of Friendly City, hope to journey to Latrobe, Pa., to help them launch their new lodge.

Correction.—In the list of the "Big Ten" an error occurred: "Friendly City Lodge No. 634, Conemaugh, Pa." It should read: "Friendly City Lodge No. 684, Johnstown, Pa."

Scrapulous.

Cicero.—Back again after a week's vacation, Haymaker wishes to announce Singlars' Bunco and Card Party to be held Friday evening, November 14, at Vacek's hall in Cicero. This Bunco and Card Party will be an usual affair. It will afford temporary employment to some unemployed, as well as a large number of beautiful prizes, including furs, bird cages, quilts shall be awarded to the bunco winners.

Temporary employment for the unemployed is made possible by an offer made by Brothers Emil Heidenreich, James L. Kolar and Richard J. Zaveritnik. These three brothers have guaranteed to give to every member of the SNPJ who sells fifteen Singlars Bunco tickets the sum of \$1.50 for his services. If a member sells 30 Singlars Bunco tickets, he will be rewarded \$3.00 for his services. Bunco tickets are 50c. Here is your opportunity to demonstrate whether you can bankrupt these three gentlemen.

Every Pioneer, Integrity, Singlars, in fact, any member of any SNPJ lodge in Chicago is eligible to sell these bunco tickets. Brother James L. Kolar is chairman of the Bunco and Card Party Committee, and tickets may be received from him at his floral shop, 6106 W. 22nd street, Cicero, Ill.

At our last Dance and Festival we secured several prospects for membership in our lodge and as a stimulus to our membership drive we shall indulge into an intensive social program while the membership campaign is on.

In the month of December we shall have annual election of subordinate lodge officials. As the policy of our lodge has been to change our president annually we should give serious thought to the selection of a qualified member for this position. Haymaker, on behalf of our retiring president, wishes to announce that Brother James L. Kolar is well qualified for the highest position of honor in our lodge and should receive the unanimous support of our members.

Our girl basketballers are doing fine! Among the faithful girl athletes is our sister Mary Gartner. She was one of the charter members of the Singlars Lodge 682 SNPJ. A former recording secretary, and an active and faithful member of social and dance committees. Her basketball ability should earn her a permanent position on our girls' team.

Kolar, florist, won two out of three games in the SNPJ bowling league last Thursday. We could easily use two more teams. Enough Singlars have signed up for a fifth team, but in order for this fifth team to bowl a sixth team must be organized.

One does not need to be a prophet to predict a hard and bitter winter for the working people. Many firms and corporations have enlisted a campaign that each employ on its payroll must contribute one day's wages during the winter months in order to provide food and shelter for the unemployed, but no captain of industry or capitalist has advanced the proposition that each corporation shall contribute one day's receipts or one-quarter's dividends to charity to provide food and shelter for the unemployed. Big-heartedness on the part of Big Business is grand as long as its employes share the full burden of its costs.

There will be many of our own members who will be unemployed this winter and some means must be taken to provide some relief for them. We suggest that in the large cities like Chicago, Cleveland and Milwaukee where exist SNPJ Federations, that such Federations make a campaign for donations from its employed members which shall be used to provide food and shelter for deserving Yugoslav families whether members of the SNPJ or not. Think what a fraternal mission the SNPJ would perform if it could take care of all needy Yugoslav families during this winter.

Make your own campaign, but act now!

Voice of the Members

Members who wish to contribute to "Voice of the Members" must confine themselves to 500 words. Contributions of more than 100 words will not be accepted and the Editor will not enter into correspondence about them; anonymous letters will not be considered; no contributions can be returned; all typewritten letters must be signed in full with pen and ink giving lodge affiliation. This rule applies to all and will be strictly observed.

ATHLETICS AND THE SUPREME BOARD

Harrington Park, N. J.—There is no doubt in my mind that we need a few more sisters like Kaye Delleck-Zavertnik who takes time to call to our attention the acts of certain members of the Supreme board.

It is the duty of each and everyone of us to see that every member and every supreme officer obeys the By-Laws and Resolutions adopted by the 9th Regular Convention and complies with their provisions.

By allowing the nullification of a resolution adopted by the 9th Regular Convention we will create a precedent which may do considerable harm to our organization. Therefore, we have to be on guard now and prevent it from taking place by expressing our viewpoint in this matter.

This subject should be carefully discussed at the lodge meetings for recommendation to be given to the Supreme Board in form of resolutions.

This discourse on the athletics clearly shows how important it is to have the complete minutes of the Supreme board meetings printed in the English (American) language and I am heartily in accord with the resolution adopted by the Waukegan Lodge.

The excerpts of the minutes of the Supreme board meeting of July pertaining to athletics in the SNPJ as published on September 17th contain only about 30 per cent of the subject matter transacted at the meeting.

Why this omission of the transactions which have taken place at the Supreme board meeting? Who was to be protected by keeping them in darkness?

Joseph Zaveritnik, Member Lodge 56.

CORRECTING BRO. F. J. ZAVERTNIK

Cicero, Ill.—To Bro. F. Zaveritnik: When the question of "forced" transfer cards came up, Bro. Kolar was not present. So how could he get up, when he wasn't there? Bro. Kolar walked out before the visitors were called on to speak. They sent out the Sergeant-at-arms to see if he wanted to say anything. But he didn't have anything to say. Even Bro. Underwood said everyone should have a chance to talk. The forced transfer came under the subject of "Motions for the good of the order," and comes after the call on visitors. Bro. Zaveritnik (if he can't remember himself), is entirely out of order.

Anna Kramer Kolar, Member Pioneer Lodge 560.

Haymaker, on behalf of our retiring president, wishes to announce that Brother James L. Kolar is well qualified for the highest position of honor in our lodge and should receive the unanimous support of our members.

Our girl basketballers are doing fine! Among the faithful girl athletes is our sister Mary Gartner. She was one of the charter members of the Singlars Lodge 682 SNPJ. A former recording secretary, and an active and faithful member of social and dance committees. Her basketball ability should earn her a permanent position on our girls' team.

Kolar, florist, won two out of three games in the SNPJ bowling league last Thursday. We could easily use two more teams. Enough Singlars have signed up for a fifth team, but in order for this fifth team to bowl a sixth team must be organized.

One does not need to be a prophet to predict a hard and bitter winter for the working people. Many firms and corporations have enlisted a campaign that each employ on its payroll must contribute one day's wages during the winter months in order to provide food and shelter for the unemployed, but no captain of industry or capitalist has advanced the proposition that each corporation shall contribute one day's receipts or one-quarter's dividends to charity to provide food and shelter for the unemployed. Big-heartedness on the part of Big Business is grand as long as its employes share the full burden of its costs.

There will be many of our own members who will be unemployed this winter and some means must be taken to provide some relief for them. We suggest that in the large cities like Chicago, Cleveland and Milwaukee where exist SNPJ Federations, that such Federations make a campaign for donations from its employed members which shall be used to provide food and shelter for deserving Yugoslav families whether members of the SNPJ or not. Think what a fraternal mission the SNPJ would perform if it could take care of all needy Yugoslav families during this winter.

Make your own campaign, but act now!

Lodge News Notes

JOSEPH ZAVERTNIK LODGE

Library, Pa.—Where are all the members? Why don't they come to the meetings? Come everybody to the next meeting on Nov. 9 at 7 o'clock and make yourself worthy of our lodge.—Here we are, nearing the time of our First Anniversary, and I doubt if all the members realize it. We are holding a play and dance in commemoration of the event Nov. 25. Let's have the attendance of all the members and neighboring lodges, and start with good spirits for the coming one.—Come to the meeting Nov. 9 at 7 p. m. A Member.

KEYSTONE TROJANS NO. 798

Broughton, Pa.—Our Lodge is still keeping up with modern times. We have a few things here and there that we do not like, but we also have many things that we do like. So like all human beings, we try to take the bad with the good. Then we smile, so that our cares and troubles soon fade away, for there is nothing in human nature more to be admired than the person who does his share with a smile. Also the person who keeps smiling on no matter what happens. When a Trojan smiles, you can depend on it; for their smile makes someone else smile. Let's get lots of these smiles on hand from now on, Trojans. Don't forget our new meeting night, the second Monday of the month, Nov. 16, at the Slovene hall. Very important business will be discussed. We want as many members as possible to attend this meeting! Louis Schenitzer.

LODGE NO. 699

Sygan, Pa.—November 15, at Sygan Hall, we will hold our next big ball. We'll expect you one and all. Come here the Pennsylvanians! Morning, Stars and Pioneers, Lucky Stars and Musketiers, Friendly City and Revellers—all are welcome. To the names are not all here. We hope that you will all appear at our celebration.—Jolly Juniors.

LODGE MUSKETEERS

Moos Run, Pa.—We extend our heartiest thanks to all those who attended our dance on Oct. 25.

Wake up, Musketiers! The regular monthly meeting will be held on Nov. 8. In the last few months I have noticed that we have had a rather poor attendance at the meetings. It seems there are only a few members who really attend regularly. See if we can't improve. On Nov. 9 there are some rather important matters to be settled, and every Musketeer should attend.

Remember, basketball season is now opening, and we will have to get our teams organized. We will soon have to start preparing for our First Anniversary Celebration. Are we going to give the play? If so, I think it would

be a good idea if all of those participating would bring their books to the meeting and we could settle all parts definitely, immediately after the meeting.

The Membership Campaign is now on. Bring in your friends, increase our membership, and get some of those valuable prizes offered. Come to the meetings regularly, and let us have some of your ideas, and show some of that "Real Musketeer Spirit." We always appreciate good suggestions for the benefit of our Lodge and the SNPJ.—Pub. Committee.

ONAWA'S LODGE NO. 785

Warren, Ohio.—You and I are only human, as our feelings are probably the same at least in one respect. Don't you, whenever you attend a dance, seem rather fascinated by a crowd? I do. That's if the crowd is of a sociable and enjoyable nature. The Onawas are a sociable and an enjoyable crowd, the club which you should meet.

The opportunity will present itself at their coming dance Nov. 27, where you will not only make friends, but will probably keep them as your companions. The music will be furnished by the "Paul Guarnieri's Orchestra." Follow the crowd to the Onawa's Dance to be given November 27, Thursday night, at 8 o'clock at the A. L. Hall on High st. This invitation is especially extended to the "Golden Eagles," "Strugglers," "Progressives" and all other SNPJ lodges. Betty Medick.

ATHLETICS

Detroit.—It is interesting to know
what other Slovene fraternal organizations
are doing to promote athletics.

Two leagues were organized, Eastern
league, composed of Pennsylvania
and Ohio, and the Northwestern,
with Illinois and Minnesota.

Illinois Building Association Adopts Jugoslav's
Suggestions

The delegates to the 51st annual
convention of the Building Association
League of Illinois which met
at Freeport, Illinois, on October 14-

16, 1930, adopted by unanimous
vote of three hundred delegates, the
report of the Resolution Committee

which recommended that the Legislative
Committee of the Building Association
League of Illinois should endeavor
to secure the enactment into law

of the proposals which were introduced
by delegate Joseph Steblay of the
Jugoslav Building and Loan Association.

1. That insurance companies and
fraternal insurance companies shall
have the power to invest at their
discretion their surplus funds into
collateral notes, secured by building
and loan mortgages, and issued by
building and loan associations in our
state of a duration not to exceed one
year.

2. That insurance companies and
fraternal insurance companies shall
have the power to invest their surplus
funds into building and loan stock;
but in no event shall such insurance
company or fraternal insurance society
or a group of such insurance
companies and fraternal insurance
societies invest their funds into any
one building and loan association
stock to exceed five percent of the
total assets of a building and loan association.

3. That building and loan associations
in each county should be required
to organize and become stockholders
of a building and loan bank on the
basis of their assets. This bank's
power of investment should be limited
only to liquidated assets such as
government securities and to loans
to buildings and loan associations,
which are its stockholders, only in
time of financial stringency.

missioner is unable to judge, regulate
or settle a controversial matter. The
SSCU (JSKJ) comes into possession
of all athletic equipment in case a
lodge or athletic group disbands. Financial
assistance of \$100.00 is the
maximum amount the athletic commission
may recommend to the supreme
executive committee for any
one lodge in one year. The expenses
of individual equipment shall be kept
to the minimum and all extravagance
avoided. Any lodge found guilty of
illegitimate use of the sports fund,
for a purpose other than the maintenance
of a team, shall be automatically
refused any further use of the
fund. Place and time of athletic
board meeting as well as athletic
conferences, if and when such meetings
are necessary, is to be designated
by the supreme executive committee.
Railroad fare incurred by visiting
teams engaged for interstate and
national contests in basketball
and bowling are to be by the SSCU
(JSKJ).

I wonder how this organization
with only 20,000 members will be
able to purchase equipment for lodges
and pay all traveling expenses to
inter-state and national contests, and
buy trophies, where the SNPJ, with
almost 70,000 members, has been
complaining about paying traveling
expenses to the national title game
and buying trophies. Athletics will
have to be fostered by the SNPJ,
for the youth, if they intend to keep
them in the organization and get
more new members.

Our SNPJ being the largest Slovene
Fraternal Organization, should
be the leader in all things. If athletics
are fostered by other organizations
better than ours, then many of
the youth will join where they
have the best. Why not have our
SNPJ give the best?

Progressives'
Highlights

By Ginger
Euclid, O.—Our annual barndance
sure turned out to be a pipkin. I'm
sure everyone enjoyed themselves
immensely, due to the splendid management
of our dance committee. Let's
all get together again and try to
make our next dance on Dec. 6 even
better.

Our boys lost their first practice
game to the Loyalties of Collinwood.
Come on, boys, we don't want defeats,
we want victories, get your teamwork
into play and let's go.

The girls' basketball team is just
raring to go; they are scheduled to
play in a few weeks. All right, rooters,
get ready and practice up your
yells for both of our teams, and don't
forget our teams cannot win without
the rooters.

Bachelorites' meeting is on Nov. 7
at Torpedo's house. Don't fail to be
on hand, and on time, as we must
get our new members together for
our regular meeting.

Our next monthly meeting falls on
Nov. 11, Armistice day. Bring in
your new members, so that we can
all have a jolly good time after our
meeting. The "Bachelorites" have an
other nice surprise for us again, this
time we will have someone with us
who will entertain us by reading
past, present and future. Come early
so that we can start our meeting
earlier and have more time for our
enjoyment.

JOLLY ALLIS LODGE 686

West Allis, Wis.—Our monthly
meeting, Nov. 11, is close at hand.
Let's all be present. Don't forget your
new member—Sis. M. Grif is on the
sick list. Let's drop in and give her
a word of cheer.

A gala Thanksgiving frolic will be
sponsored by the Jolly Allis Nov. 22.
At the new Crystal ball room on 55th
and Greenfield. Music will be furnished
by Tommy and his boys, an
eight piece orchestra.

Sat. Oct. 25, a large group of Jolly
Allis members attended Waukegan's
Hallowe'en dance. An enjoyable time
was held by all.

Sunday, Nov. 9, a dance will be
sponsored by the Slovenian Auditorium
and Dramatic Club of West Allis
at Labor Hall. At 3 o'clock \$5 will
be "given away" and a play will
be given immediately after. There
will be dancing for the rest of the afternoon
and evening.

FLOOD CITY LODGE

Johnstown, Pa.—The Vineyard
Dance sponsored by the Flood City
Lodge No. 712 SNPJ on October 25
at the Moxham Workers' Hall proved
to be a huge success, due to the large
attendance. The orchestra (Korlitz,
Korber, Rudy Amershek, and Charles
Amershek) gave a fine selection of
real, snappy music, which pleased
everyone. Thanks to everyone who
attended, and sincerest thanks for
the reciprocation of the other lodges.
Much credit is given to the members
who worked so faithfully at our dance.

Our next regular monthly meeting
will be held on November 20, at 7:30
sharp. All members are requested
to attend as we have important business
to transact. We would like to
see a full membership in attendance
as more can be accomplished and
much better results secured when
everyone is present. Don't forget to
bring in as many new members as
possible. All transfers will be accepted.
Increased membership means a bigger
and better lodge in every respect,
so let's get behind this membership
drive with the "Flood City" spirit.
Dancing and refreshments will follow
the meeting.—Fraternally,
Mary Elizabeth Unek.

Our Stand as Socialists

Collinwood, Ohio.—Many working-
men and women keep away from the
Socialist ranks because they think
we are against religion. This is a
great mistake. Truly, there are millions
who loath the church and religion.
Yet, the same people have a
grouch against Socialism. These cannot
be classed as Socialists, but as
freethinkers.

Why so many emigrants are against
the church and clergy, is due
to the fact that in European countries
the majority of clergymen are
taking part in politics. In Austria,
Germany, Yugoslavia (the birthplace
of Slovenes) and other countries
there are so-called clerical parties,
which have priests as leaders. The
members of this party occupy government
offices, and seats in parliament.
Because of their participation
in politics hatred is induced against
the church, religion and clergy.
Before elections in this country we
find the big fight between the Republican
and Democratic parties; few
seem to know there is a Socialist or
Communist party. But in Europe we
find Catholics and Liberals fighting
for government control. Religious
leaders use the pulp to hurl mud
at opponents, and instill the teaching
of God and eternal life. This

hate has not been forgotten, and yet,
thousands who know nothing of
Socialism, are against the church. Now,
before joining the Socialist ranks, see
what an authority on Socialism says
concerning religion.
"Is Socialism against religion?
"No, Socialism is an economic and
not a religious question. What a
man believes or does not believe about
religion, does not enter into the
solution of the bread and butter question.
The capitalist class exploits
and robs the working class regardless
of what the latter believe about
religion, or what is their color, race
or sex. Since the capitalists exploit
all of us in common regardless of
whether we are Catholics or Protestants,
black or white, male or female,
we therefore ought to stand solidly
together as a united working class
fighting for the common end—our
own industrial freedom. The person
who seeks to divide the working class
by appealing to race or religious
prejudices, is an enemy of the working
people."
Do not fear that you will go to hell,
as many working people have hell
on this God-blessed earth working
for the capitalist class. Mines, blast
furnaces, wire and steel mills make
the worst inferno known to anyone
who toils for his daily bread. Brothers,
soon you will be asked to join
the Socialist Party, just as you have
been asked to join the SNPJ.

You made a success and progress
in the ranks of your fathers and
mothers in the "Slovenska Narodna
Podpornica Jednota." You can do
the same in the only labor party, the
Socialist Party. You, young brothers
and sisters of West Park, Cleveland,
Collinwood, Euclid, and Newburgh—
are you going to fall behind
Milwaukee, Detroit, Johnstown and
Chicago, or are you going to march
with the progress of the other cities?
We have the Comrades, Strugglers,
and Progressives. Let's struggle for
the Socialist Party—progress, education,
and call ourselves comrades.
Join today.
Frank Barile.

Music in the Making

A schoolmaster caught a small
boy scribbling on a slip of paper.
It contained the words:
"Blew, blow, draw, blow, draw,
blow, blow."
"What's the meaning of all this?"
the schoolmaster asked.
"Pleaze, sir," the youngster
replied, "it's the music for my mouf
organ."

All the English Speaking Lodges
are being put to their test, therefore
put your best brains, efforts and
good-will in this campaign and success
and recognition will be all yours!

Again: Tune in with the Campaign
Committee by announcing the first
batch of new members this very week!

Wanted 5000 young SNPJ members
to secure at least one new member
each.

Enter now and avoid being behind
later on in the campaign.
