Izraelsko poseganje v to bojevanje na strani kristjanov povzroča povečanje napetosti.

BEJRUT, Lib. — Bojevanje v južnem Libanonu se po sklenitvi miru med kristjani in muslimani začetkom leta ni končalo. Ko so čete Arabske Lige, v prvi vrsti sirijske, poskrbele za izvajanje dogovora, v vsem ostalem delu Libanona, niso prešle reke Litani na jugu, ker so se proti temu izjavili Izraelci.

Izraelci so podpirali kristjane v tem delu Libanona ves čas državljanske vojne. Upali so, da bodo kristjani dobili in ohranili nadzor nad področjem južnega Libanona ob meji Izraela in preprečili, da bi Palestinci tam znova vzpostavili svoja gverilška oporišča.

Palestinski gverilci, ki so morali v svoja taborišča in oddati z nekaj izjemami vse orožje, so se z delom tega umaknili v južni Libanon in tam začeli vzpostavljati svoja oporišča v arabskih, islamskih naseljih. Kristjani so se upirali, pa ne vedno z uspehom. Izrael je kristjane varoval pred porazi, ni pa do zadnjega posegal neposredno v boj.

Po poročilih libanonske vlade so izraelske vojaške sile pretekli tork prešle na libanonsko ozemlje in posegle v boj proti Palestincem in njihovim zavaznikom libanonskim muslimanom. Slično so storile tudi naslednji dan in menda včeraj. To razburja Sirijo, katero je Izrael ponovno svaril, naj ne posega s svojimi četami preko "modre črte" v južni del Libanona.

Če bo Izrael še dalje očitno podpiral kristjane v njihovem boju proti Palestincem in muslimanom, se utegne položaj naglo nevarno zaplesti. Izrael se za enkrat čuti vojaško močnejšega od Arabcev in nastopa pod novo vlado očitneje in manj obzirno do arabske občutljivosti.

Južna Afrika bo volila nov državni parlament

PRETORIA, J. Af. — Predsednik vlade Vorster je nenadno razpustil parlament in določil za 30. november nove splošne volitve. Po zakonu bi parlament moral biti razpuščen šele čez poldrogno leto, ko bi mu potekla poslovna doba.

Vlada se je odločila za nove volitve, ker hoče dobiti novo pooblastilo volivcev, ko je izdelala novo državno ustavo in ko je Južno-afriška unija pred vedno ostrejšo kritiko doma in v svetu.

Po novi ustavi bodo dobili politične pravice poleg belih tudi meščani in priseljenci iz Azije. Črnci, ki tvorijo veliko večino prebivalstva, bodo tudi v bodoče ostali brez političnih pravic. Te bodo imeli le v svojih "domovinah", "neodvisnih" črnskih državah, ki bodo obsegale področja, odrejena za črnce.

Duševno neuravnovešenih okoli 15% prebivalstva

WASHINGTON, D.C. — Študija predsedniške komisije o narodnem zdravju pravi, da je okoli 15% ljudi v naši deželi, ki potrebujejo pomoč duševnih zdravnikov. V to število niso vključeni duševno zaostali.

Glavnega poštarja naj spet izbere predsednik

WASHINGTON, D.C. — Zastopnik zvezne vlade je dejal pred Domovim odborom, da naj bi predsednik ZDA spet postavil glavnega poštarja, kot je bilo to v letih pred zadnjo preureditvijo naše poštne službe.

Novi način ni nič uspešnejši od starega, pri tem pa se vodstvo poštne uprave ne meni dosti za mnenje in potrebe splošne javnosti.

Javnost v ZDA proli sporazumu s Panamo

Pri povpraševanju, ki ga je izvedel Associated Press, se je izjavilo proti pogodbi 50% povprašanih, za njo pa le 29%.

WASHINGTON, D.C. — Ameriška javnost je še vedno v veliki večini proti nedavno podpisani pogodbi s Panamo o Panamskem prekopu. Javno povpraševanje Associated Press je pokazalo 50% proti pogodbi in le 29% za njeno potrditev, ko jih 21% nima jasne sodbe.

Odpor proti predaji prekopa Panami, pa četudi šele leta 2000, je močan v vseh delih naše dežele in v vseh plasteh prebivalstva, četudi se predsednik Carter in njegova vlada prizadevata na vse načine, da bi pridobila za novo ureditev čim večjo podporo v javnosti in v Kongresu.

Predsednik Carter je podpisal sporazum s Panamo z veliko slovesnostjo 7. septembra v glavnem stanu Organizacije ameriških držav v Washingtonu pred očmi vse Amerike, ki je gledala podpisovanje na televiziji.

Letala Concord bodo prenehali graditi

LONDON, Vel. Brit. — Vladno poročilo je razkrilo, da nameravajo prihodnje leto, ko bo zgrajenih 16 nadzvočnih Concord letal, ki so bila doslej naročena, gradnjo teh letal ustaviti.

Letala Concord so nerentabilna in jih doslej ni naročila nobena letalska družba z izjemo Air France in British Airways, državnih ustanov v državah, ki skupno Concord letala gradita.

'Častilci sonca' zgubili

Precejšnja večina volivcev v San Diegu se je izjavila proti nagemu kopanju in sončenju na delu mestne morske obale.

SAN DIEGO, Kalif. — "Mi bomo še vedno goli — oni nas ne bodo ustavili," je dejal eden od vnetih zagovornikov golega kopanja in sončenja na morski obali San Diega, ko je bilo objavljeno, da se je nad 55% volivcev izjavilo proti nadaljnjemu dopuščanju golega kopanja na javni plaži San Diega. To je bilo prvo glasovanje te vrste tod. Udeležba je bila skoraj rekordna.

Mestni odbor San Diega je leta 1974 odločil, da je kopanje na delu mestne morske obale dovoljeno tudi brez kopalne obleke. Ko so postali protesti proti temu vedno čehši in glasnejši, so se odločili za ljudsko glasovanje, ki bi naj pokazalo, kaj o tem sodijo volivci. Ti so sedaj povedali, kaj hočejo.

Odločitev je vendar pri mestnem odboru, kajti ljudsko glasovanje je bilo samo posvetovalnega značaja. Ko se zagovorniki nagega kopanja obračajo na mestni svet, naj takega kopanja ne prepove izjavljajo nasprotniki tega: "Ljudstvo San Diega je govorilo, mestni svet pa naj sedaj ukrepa!"

Črni v varovanih vaseh Rodezije v hudih stiskah

LONDON, Vel. Brit. — Katoliška komisija je obdoločila rodezijsko vlado, da je spravila kakih 580.000 črncev v "zavarovanih vaseh" v hude stiske, ko jih je nagnetla v teh vaseh, ne da bi dovolj poskrbela za znosne okolišnice življenja.

Komisija trdi, da je v teh vaseh še enkrat toliko ljudi, kolikor so predvideli, ter so zato v stiski za prostor, pa tudi za vse druge potrebe.

Rodezija je spravila v posebne, ograjene in zastražene vasi črno prebivalstvo v področjih, ki so izpostavljena nastopom črne gverile. V vsem naj bi bilo nekaj čez 200 takih utrjenih in zastraženih vasi.

GROMIKO IN VANCE SE NISTA SPORAZUMELA O OMEJITVI OBOROŽITVE

Včeraj sta se sovjetski zunanji minister Andrej Gromiko in državni tajnik Cyrus Vance razgovarjala o sovjetsko-ameriških odnosih in iskala kompromis pri pogajanjih za omejitev jedrskega strateškega orožja. Danes bo Gromika sprejel predsednik Carter v Beli hiši, kjer se bodo razgovori nadaljevali.

CYRUS VANCE

WASHINGTON, D.C. — Sedanji dogovor o omejitvi strateškega jedrskega orožja, ki ga je sklenil s Sovjetsko zvezo predsednik Nixon, bo 3. oktobra 1977 potekel. Obe strani bosta tako oproščeni obvez, ker jima v dobi petih let, za katero je veljal ta dogovor (SALT I), ni uspelo doseči novega dogovora, trajnejše narave, kot je bilo prvotno predvideno. Včeraj je državni tajnik Cyrus Vance v razgovorih s sovjetskim zunanjim ministrom Andrejem Gromikom iskal možnost za podaljšanje sedanjega dogovora za dobo, dokler ne bo mogoče doseči novega.

Carterjeva vlada je včeraj sporočila Kongresu, da je pripravljena izpolnjevati določila SALT II, če bo isto storila Sovjetska zveza. Državni tajnik Cyrus R. Vance je v pismu zunanjepolitičnemu odboru Senata temu sporočil, da so ZDA obvestile Sovjetsko zvezo, da bodo izdale izjavo, v kateri se bodo obvezale, da "ne bodo storile ničesar, kar bi bilo v nasprotju z leta 1972 podpisanim sporazumom". Vance je dejal novinarjem, da taka izjava ne potrebuje potrditve Kongresa.

Pismo je bilo objavljeno po

prihodu sovjetskega zunanjega ministra Gromika v glavno mesto ZDA, ko je ta končal svoj prvi dan razgovorov. V njem je rečeno, da je vlada ZDA odklonila misel na skupno sovjetsko-ameriško izjavo o podaljšanju sedanjega dogovora, verjetno zato, da bi se izognila dolgi razpravi o tem v Kongresu.

Sen. Henry Jackson, demokrat iz države Washington, je včeraj nakazal, da utegne vstrajati pri zahtevi po razpravi v Kongresu o napovedani izjavi.

Vance in Gromiko sta včeraj obdelala celotno polje ameriško-sovjetskih odnosov, danes pa bo Gromiko sprejel v Beli hiši, kjer se bodo razgovori nadaljevali. To bo prvo srečanje predsednika Carterja s kakim višjim predstavnikom Sovjetske zveze. Ne pričakujejo, da bi bilo mogoče pri tem razgovoru najti kak sporazum, se ta še vedno ni obrez uspeha iščejo že več let.

Kljub temu, da so ZDA v času po nastopu Carterja predložile Sovjetski zvezi dva načrta za sporazum, se ta še vedno ni odločila za stvarna pogajanja. Vzela je ameriške predloge in jih obljubila proučiti, na nje pa še ni dala nobenega odgovora s svojimi protipredlogi.

Na splošno predsednik Carter in njegovi zunanje-politični svetovalci ne kažejo kakega posebnega vznemirjenja zaradi izteka sedanjega dogovora in ne čutijo, da bi naj to vodilo do kake krize v odnosih med ZDA in ZSSR. Za nje je to "tehnično vprašanje", ki ga bo mogoče prej ali slej rešiti.

Napadi se zopet množe—

V zadnjih dneh smo dobili poročila o večih napadih v senklerski slovenski naselbini. Posebno nevaren za te je predel v bližini Superior Avenue in na tej sami. Tako sta pretekli tork zvečer dva črna napadla, odpeljala in spolno zlorabila mlado dekle, nato pa jo vso pretepeno vrgla iz avta v parku ob Liberty Blvd. Svetujemo da nihče, ki ni prepričan, da se lahko uspešno upre napadu, ne hodi sam zvečer ali ponoči na cesto, zlasti ne ženske. Ko hodijo tele dni med nas županski in drugi kandidati, zahtevamo od njih, da bodo storili vse, kar je v njih moči, za vzpostavitev varnosti v naši naselbini. Le čemu naj plačujemo policijo, če jo ni na mestu, kadar jo potrebujemo?

Jesen je prišla—

Danes se je uradno v naši deželi začela jesen, poletja je konec. Jesen ima prenekatero pohvalne vzdevke, da je prelestna, barvita, bogata, radodarna, vesela, sanjava in podobno. Mi si letos želimo predvsem, da bi bila suha, kajti moče smo imeli že poleti dovolj. Seveda pričakujemo, da nas jesen ne bo prikrajšala za čudovito, opevano in res prijetno "Indijsko poletje", ko se nam bo ljubo sonce pred zimo še enkrat prisrčno nasmejal.

Srečno pot Slavko!—

V sredo zjutraj se je oglasil v uradu Ameriške Domovine koroski slovenski abiturient Slavko Kraut iz Bistrice pri Pliberku, ki je že več tednov na poti po ZDA. Priletel je pred tedni in bil dalj časa gost svojih slovenskih rojakov v Washingtonu, D.C. Nato se je peljal z Greyhound busom preko vse dežele do Kalifornije in si v nekaj dneh do ogledal, pa se sedaj preko Clevelanda vrača v Washington in domov. Nixonova zdravnik bila izpostavljena tajnim drogam v SZ?

WASHINGTON, D.C. — Bivši sodelavec CIA dr. S. Gottlieb je razkril pred senatnim odborom, da je CIA preiskovala verjetnost izpostave Nixonovih zdravnikov tekem njegovega obiska v "možni sovražni državi" posebnim drogami, ki so pustile na njima posebne posledice. Zdravnika naj bi se obnašala nenavadno, jokal brez pravega vzroka in bila sicer čudna.

Dr. Gottlieb ni povedal, v kateri deželi se je to zgodilo, toda po vsem sodeč je bila to Sovjetska zveza. Tekom Nixonovega obiska v Moskvi leta 1972 sta njegova osebna zdravnik stanovala v istih prostorih. Dr. Tkach je kazal le malo neobičajnih znakov, njegov tovariš pa veliko več. Kljub temu se strokovnjakom CIA ni posrečilo za gotovo dognati, ali sta bila izpostavljena posebnim drogami, ki vplivajo na duševnost, ali ne.

ZDA so v preteklih letih preskušale take droge in dr. Gottlieb je v zvezi s pričanjem o teh preskusih razkril omenjeni slučaj.

Kdo bo nasledil Lancea?

WASHINGTON, D.C. — Predsednik Carter je dejal, da še ni nič razmišljal o tem, koga bo imenoval na mesto odstopivšega proračunskega direktorja Berta Lancea, zato je tem več ugibanja o tem.

Nekateri omenjajo v tej zvezi Roberta Straussa, drugi Charlesa Schultzeja in Reginalda Jonesa, načelnika General Electric Co.

Beneški gondoljerji so protestirali

BENETKE, It. — Večje številno gondoljerjev je s svojimi gondolami zaprlo za več ur preteklo sredo Canal Grande v protestu proti oblastem, ki dopuščajo plovo tudi colnarjem, ki nimajo za to potrebnih dovoljenj.

Izraelski zunanji minister Moshe Dayan je dejal članom Kongresa v Washingtonu ta

IZRAEL JE PRIPRAVLJEN DATI ZDA OPORIŠČE V HAJFI

teden, da bi Izrael z zadovoljstvom dovolil ZDA ustanoviti pomorsko oporišče v Hajfi za svoje šesto brodogradilnišvo, ki čuva mir in zahodne koristi v Sredozemskem morju.

V privatnem razgovoru s člani zunanjepolitičnega odbora Predstavnika doma je Dayan pretekli tork, kot trdijo, dejal, da je Izrael pripravljen sodelovati, če bi ZDA iskale vojaško oporišče na izraelskih tleh. S tem bi pokazal svojo zanesljivost kot ameriški "zaveznik" v tem delu sveta.

Vladni krogi priznavajo, da je bilo o vzpostavitvi ameriškega vojaškega oporišča na tleh Izraela že ponovno razpravljano, da pa za enkrat na to ni nihče resno mislil in tudi ne stavlil takega predloga. To bi prišlo v poštev le v okviru splošnega sporazuma na Srednjem vzhodu.

Moshe Dayan je dejal, da je Izrael pripravljen dati ZDA vojaško oporišče, ne mara, da bi bile ameriške čete

vpletetne v vzdrževanje miru na Srednjem vzhodu kot del mirovne pogodbe Izraela z Arabci. Pripomnil je vendar, da upa, da bodo ZDA prišle Izraelu na pomoč, če bo v morebitnem novem vojnem sporadu z Arabci prišla tem na pomoč Sovjetska zveza.

Izrael se za enkrat ne čuti vojaško dovolj trdnega, preričan je, da je močnejši od združenih arabskih vojaških sil, ker Egipt dejansko sedaj ni pripravljen na nobeno vojno. Brez Egipta Arabci ne morejo računati na noben uspeh v vojni z Izraelom. Egipt je v težavah pri oskrbi svojih sil z modernim orožjem. Večji del orožja je dobival v preteklih desetletjih iz Sovjetske zveze. Ko se je s to sprl in poslal njene vojaške svetovalce in strokovnjake domov, je Sovjetska zveza ustavila nadaljnje dobave orožja in delno tudi nadomestnih in rezervnih delov. Poskus dobiti moderno orožje na Zahodu je le delno uspešen.

Ko Egipt ne more dobiti nadomestnih in rezervnih delov za po Sovjetski zvezi nabavljena letala MIG, se dogovarja z ZDA, da bi mu te preskrbele one. Da je ameriška industrija sposobna prevzeti to nalogo brez kakih izrednih priprav, je očitno, toda v Kongresu za tovrstno pomoč Egiptu ne kažejo razpoloženja. Vsak tak dogovor bi verjetno vplival neugodno na že tako ne posebno dobre odnose med ZDA in ZSSR, pa verjetno pomenil tudi zlorabo sodelovanja ZDA in Izraela v proučevanju sovjetskega orožja.

Izrael se ob takim položaju čuti trdnega in zato ne kaže nobene volje do kakega popuščenja Arabcem v okviru napore ZDA za obnovo konference o Srednjem vzhodu še pred koncem letošnjega leta v švicarski Zenevi. Carter bi rad zavaroval Srednji vzhod pred novo vojno in s tem prihranil ZDA nove težje preskušnje.

SECOND CLASS POSTAGE PAID AT CLEVELAND, OHIO

No. 141 Friday, Sept. 23, 1977

Se komnizem spreminja?

Močna opora komunizmu pri širjenju po demokratičnem svetu je prepričanje nekomunistov, da se komunizem spreminja in če bo prišel do njih, ne bo več tak, kakor je bil v svojih začetkih. Ta tolažba je kakor balzam za svobodnega človeka, ki se deloma boji rdečega zla, deloma pa se je utrdil v boju proti neutrudljivi sili rdeče propagande in vrtnjanju v svobodni svet, ki ga hoče podminirati. Čim bolj daleč je kaka dežela od komunističnega območja, tem bolj je dovzetna za to vrsto propagande. Čim bolj blizu rdečemu raju so ljudje, tem težje si dajo dopovedati, da je onstran železne zavese res vse lepo in tostran vse zanič.

Ta pojav opazujemo v Evropi. Avstrija, npr. je bila leta 1945 deloma zasedena po rdečih zmagovalcih. Od takrat je tam komunizmu odzvonilo, čeprav je bila Avstrija že desetletja prej središče marksističnih gibanj, ki pa so se ustavila pri socializmu, o komunizmu pa nečejo ničesar vedeti.

Italija in Francija imata veliko milijonov komunističnih volivcev in mnogo organiziranih članov stranke, a ravno v teh dveh stebrih komunizma v svobodni Evropi se je začel hud odpor proti moskovski tezi, da morajo vsi komunisti sveta slepo ubogati ukaze, ki prihajajo od tam. Isto se je dogajalo v Španiji, kjer je svet pričakoval, da bo po koncu Francove diktature zavladal komunizem, pa se to na veliko nevoljo Moskve ni zgodilo. Komunisti so pri volitvah, ki so bile popolnoma svobodne, dobili brezpomembno število poslancev, čeprav so pred volitvami rdeči kandidati obljubljali, da ne bodo sluge Moskve, ampak čisto neodvisni. Moskva je morala, hečes-nočes, pogoltniti grenko kapljo, da ni več brezpogojna avtoriteta na rdečem kontinentu.

Na te, za demokratični svet tolažilne novice je prišlo svarilo od tam, kjer ga nihče ni pričakoval: Oglasil se je dunajski kardinal Koenig, ki je temu pojavu v komunističnih vrstah dal pravo ime: komunizem je in ostane tak, kot je bil. V ničemer se njegovo bistvo ni spremenilo.

Kdo je kardinal Koenig? Ni le cerkveni dostojanstvenik za papežem najvišje stopnje, ampak je tako v vodstvu Cerkve, kakor v svetu veljal za osebo, ki so ji poverjene posebne naloge, zlasti v stikih z nekatoškimi delom človeške družbe. Njegovim diplomatskim zmognostim je bilo zaupanih več skrajno kočljivih nalog med politiki onstran železne zavese, ki jih je v smislu dobljenih navodil uspešno opravil. Tako se ga je prijel sloves, da je prijatelj Sovjetov in da mu je dana naloga, da pripravi dokončno spravo med Cerkvijo in komunizmom. Mnogi, ki so temu slovesu verjeli, so mu to zamerali, drugi so se pa veselili, da bo vendar prišlo do zaželenega miru.

Povod za tak optimizem so dali nekateri diplomatski dogodki v Vatikanu, zlasti obisk v Vatikanu madžarskega politika Kadarja, predstavnika nespravljivega boja proti Cerkvi, dalje imenovanje praškega nadškofa Tomaška za kardinala, kar je bilo povod, da so se začeli vsaj rahli stiki s češkimi komunisti s tem, da sta izmenjala pozdravni pismi kardinal in predsednik Husak, dalje deloma uspešno gibanje poljskih katoličanov, ki zahtevajo po ustavi zagotovljene pravice na verskem polju itd.

Kaj je kardinal Koenig na to in na napačna sklepanja opazovalcev odgovoril?

Prič: Toliko komentirani obiski zastopnikov držav Vzhodne Evrope v Vatikanu služijo samo rdeči propagandi. Posebej je poudaril, da obisk madžarskega šefa komunistične stranke ni nič drugega, kakor dogodek, ki je užival pretirano pozornost.

Drugič: Kardinal je posebno poudaril, da niso vlade vseh evropskih komunističnih držav v ničemer spremenile svojega stališča do vere in Cerkve. Še vedno smatrajo, da je ateizem njihova državna vera in krščanstvo vera opij za ljudstvo.

Tretjič: Zelo se motijo tisti na Zahodu, ki pripisujejo pretiravan pomen stikom med Vatikanom in političnimi predstavniki komunizma. Vsi ti pojavi ne pomenijo nikakršne spremembe v odnosu Cerkve do komunistične doktrine.

Končno kardinal pove, da bodo bodoči časi pokazali, v koliko so ti obiski pomagali olajšati življenje katoličanov v teh deželah, kar je njih edini namen, kar zadeva Vatikan:

Ne smemo se čuditi, da vse rdeče časopisje v zahodni Evropi napada kardinala. Je pač govoril resnico in opozoril kristjane v svobodnem svetu, naj se ne dajo zavajati s propagandnimi trikovi zvitih politikov.

BESEDA IZ NARODA

MISIJONSKA SREČANJA IN POMENKI

372. Jezuitski brat Janez Udovč

se oglašja iz St. Joseph's College v Darjeelingu, visoko v himalajskih višavah. 7. septembra, ko piše:

"Predvsem Bog povrni Vam in vsem dobrotnikom v MZA za dobrodošel dar \$10, ki sem ga ravno prejel od p. Ehrlicha. Naj Vas in vse člane MZA blagoslovi Vsemogočni in jaz bom hvaležno molil za Vas in Vaše namene.

Torej ste se preselili v Kanado? Toda pravi apostol ostane tak do zadnjega diha in potem šele začne pravo delo, kot priprošnjik pri Bogu.

Pričakoval sem, da prideta p. Cukale in br. Vidmar sem gori na oddih, ko sta dovršila krasno novo cerkev v Kaurapukurju. Toda odšla sta rajši na južne hribe, kjer jima klima bolj ugaja. In sedaj bo br. Vidmar začel z zidavo Malega semenišča v istem distriktu. On je 75-letnik, pa še dela kot gradbenik! Za zimske počitnice grem vsako leto v Kalkuto in jih tudi obiščem. Zato sem videl njih delo, ki je na vsak način zelo pohvale vredno. Naj jima Bog stotero poplača, ker sta v resnici žrtvovale vse sposobnosti in znoj, da postavita vredno bivališče za Jezusa, za katerega kraljestvo delamo.

Mi smo sedaj ravno v drugi polovici deževja,

ki bo še trajalo do konca septembra. Letos je deževje zelo prizanesljivo; večinoma ponči. Podnevi večkrat sonce sije, zato smo letos imeli poln vrh cvetja, ki v navadnem letu segnje. A.D. še vedno dobivam, navadno po 6 mesecih. Pošta je zelo počasna, vendar sem vesel, kadar pride.

G. Lenček mi je pisal, a ne vem, če bom mogel zamenjati ček, ki ga je priložil. Je poslan v Dunaj in samo njegovo ime je na njem. Bom poskušal. G. Lenček namerava zopet potovati. Pravi, da pride tudi v Indijo. Pred dvema leti sem ga čakal v Kalkuti. Bo treba moliti za njegovo srečno potovanje.

28. avgusta sem začel 83. leto. Sel bom kot vsako leto v Kalkuto prezimovat in vrtove obiskat. Sicer me vabijo na skupno praznovanje vseh, ki letos obhajajo kakšen jubilej. Zame je letošnji 50-letnica večnih zaobljub.

Prav lepo Vas pozdravim, Vaš hvaležni J. Udovč, S.J."

Sestra Silva žužek

se oglašja iz Winneba, Ghana, 25. avgusta s daljšim pismom glavni tajnici. Med drugim omenja: "O Vašem misijonskem delovanju berem največ v petkovi številki Ameriške Domovine, katero redno prejemam, četudi z veliko 'časovno razdaljo'. Pa to ni važno! Glavno, da sem z Vami povezana in z drugimi našimi misijonarji po svetu!

Cela vrsta naših misijonarjev in misijonark rada omenja, kako MSIP v petkovi AD radi prebirajo, čeprav vzame večsah mesece časa, da jo prejmejo. Zeliho ostati v stiku na ta način z vso MZA na terenu in v zaledju.

8. septembra je sporočila dobrotnica iz MZA New York, da je nehala pošiljati izrezke MSIP iz petkove AD po zračni pošti o. Ketišu v Afriki, ker ni nobenega glasu od njega, če jo prejmejo.

Iz istega odseka istočasno javlja druga dobrotnica, da je vprašala g. Puhana na Madagaskarju, kateremu redno izrezke iz AD pošilja, če jih dobiva ali ne? Dodaja, da bo z Novim letom pošiljanje ustavila, če njej ali komu drugemu v vodstvu MZA ne sporoči do takrat, da

jih prejema. Lahko se primeri, da zračno pošto kdo odpre in ukrade, če so razmere v državi neurejene, kot marsikje ta leta so.

Zanimivo, da so ravno z Madagaskarja ponovno prosili, da bi dobivali en izvod petkove AD z MSIP po zračni pošti, da bi bilo hitreje in novice bolj sveže. Uprava AD je odsvetovala tak poskus, češ da bi bilo predrago. G. Gajšek, ki je nedavno ponovno to prosil, nič ni menda vedel, da jo v središču slovenskih misijonarjev na otoku g. Puhana dobiva.

Ob oktobrskem srečanju v Scarborough bo tudi zadeva petkove AD temeljito preštudirana. Zagotoviti bo treba vsem, ki si petkovo AD želijo, da jo bodo v redu, kot dosedaj, prejeli. Dobrotnikov ima ZDA vedno dovolj in če kdo želi nehati plačevati, bomo prosili nove dobrotnike, da žrtev vzamejo nase: Sedaj jo še vsi, razen enega, ki je ni želel, na terenu prejema. Je pa prišel po izkušnjenih zadnjih let časa, da način pošiljanja tako spremenimo, kot posamezniki želijo. Da dobivajo po morskemu pošti; nekateri morda v izrezkih po zračni; drugim bo morda kazalo list ustavi. Nikomur ga ne kaže vsiljevati.

Sestra Šubljeva jih dobiva zadnja leta preko predsednice Tusharjeve in je za MSIP vedno zelo hvaležna. Seveda, hvaležnost je lepa krepost, ki jo pa ne poseduje vsak v enaki meri. Sam sem med pogani na Kitajskem jasno spoznal, da je hvaležnost izrazito krščanska čednost.

Misijonar Janko Slabe z Madagaskarja

17. avgusta piše: "Že od meseca marca dolgujem odgovor vsem, ki so mi pisali. Predolgo se vleče. Zato se danes hočem vsakemu oglašiti, da ne bi kdo mislil, kaj se mi je zgodilo. Dne 4. septembra bo posvečenje nove cerkve v Mtangi. Bolj kot z delom sem zaposlen s skrbi, kako bo vse izpadlo.

Hvala za Vašo pošto, datirano 20. maja 1977. Dar MZA sem v redu prejel in upam, da bom uspel napisati nekaj vrstic naravnost pošiljalcu. Nekateri od nas so Vam poslali celo priporočena pisma, a nič odgovora od Vas. Ne vemo, kaj je s pošto. Če slučajno izgubite moj naslov, pošiljte kar na Mission Catholique Vangaindrano in bo naslovnik pošto preje ali sleje gotovo dobil.

Verjetno nobena številka Ameriške Domovine ne pride prej kot po 6 mesecih, dostikrat šele po enem letu. Zato bi bilo veliko bolj pametno, da pošiljate samo en izvod po zračni pošti na misijon Vangaindrano. Pišete o knjižici, ki se pripravlja za obletnico MZA. Bolj ko človek spozna Madagaskar, bolj je zadržan, da bi kaj o njem napisal, ker se boji, da ne bo dovolj objektivni. Sedaj pa še drugim odgovorom posvetim nekaj minut, zato lep pozdrav Slabe."

Zanimivo, da ravno v misijon Vangaindrano je lep čas dobrotnica iz Brooklyna pošiljala MSIP in še enkrat ni izvedela od tam, če jih v redu dobivajo.

17. septembra je bila 14. obletnica MZA

in s. Šubljeva je v Parizu pripravila celotno MZA Mariji od Čudodelne svetinje, na Rue du Bac. Pretekli teden je sodelavka iz severnega Ontarija poslala novo vzdrževalno za domačega bogoslovca za tri leta in \$50 za vse naše misijonarje, skupaj \$500. Druga dobrotnica,

ki že vzdržuje domačega bogoslovca v Afriki, pa je poslala \$1000 svojih prihrankov: 600 za 4 leta vzdrževanja za novega bogoslovskega kandidata v misijonih in 400 dolarjev za vse naše misijonarje. V tednu 14. obletnice MZA prav krepka tolažba. Bogu hvala za take zglede!

Na družabni večer!

CLEVELAND, O. — Življenje nas vseh postaja ožje in ožje. Osebnosti, delo, utrujenost nas odtrgavata od tistega, kar je bilo še pred leti zelo živo in skoraj nepogrešljivo. Mnogi v naši skupnosti tako radi pozabljajo, kako je nekoč bilo, skozi koliko trpljenja in križev je bilo treba iti, kakšno mero načelnosti je bilo treba imeti, da so vztrajali skozi tista leta, ko je komunizem vsiljeval ljudem tisto svobodo, ki jo vsiljuje svetu še danes.

Na tej načelnosti stojimo. Tisoči in tisoči vaših stražarjev, domobrancev in četnikov, ki so zavoljo te načelnosti zgubili svoja življenja, stoje v zgodovini kakor prvi jez proti komunistični tiraniji in ob njem se bodo morali ustavljati vsi, ki žele, da bo svet svoboden, ki žele, da bo vsak mogel uživati mir in dobrine, ki jih mir prinaša. Naj bo srečanje na družabnem večeru tiho jamstvo, da na preteklost nismo pozabili, da še vedno štejemo k tistim, ki svoja načela ne upogibajo.

Vstopnice za večerjo so na razpolago pri članih društva in v Baragovem domu. Za odrasle \$5, za otroke \$2.50. Igrajo "Mladiki muzikantje". Dobiček je namenjen predvsem invalidom in tisku, ki odkriva resnični obraz komunizma. Družabni večer se vrši 8. oktobra v dvorani pri Sv. Vidu. Začetek ob sedmih uri zvečer.

Iskreno vsi vabljeni!

Bodočnost ima mladina

WICKLIFFE, O. — Nedelja, cerkveni list krške škofije, prinaša na prvi strani zelo lepo sliko obnovljene cerkve v Vogričah, to je majhne fare v bližini razpitega Pišberka, kjer župnik kuje že vrsto let naš znanec č. g. Vinko Zaletel. G. Vinko je napisal kratek članek o tem prazniku, ki so ga poleg obredov v cerkvi izvajali pod velikim šotorom. V obeh jezikih je bila podana zgodovina cerkve, od prve kapele, ki so jo postavili že leta 1253, do sedanje tako lepo obnovljene cerkve, kar je gotovo velika zasluga sedanjega župnika in tistih, ki so se zanimali, da so bile restavrirane stare freske že iz 8. stoletja! Za konec je napisal tole: Res imamo obnovljeno in bogato umetniško cerkev, toda cerkev je mrtev zid. Mi pa hočemo biti "živo telo, ki raste". Bodočnost ima mladina in prav mladina je največ sodelovala pri kulturnem sporodu. Zato zaupamo v mladi rod, ki gradi bodočnosti pot! To so besede g. Vinka, ki je na Koroskem toliko naredil: obiskal vsako vas s skioptičnimi predavanji in verskimi govori, ki je režiral toliko iger kot menda še nihče pred njim in jih tudi za njim nihče ne bo! Vse, dokler je imel dobre in zdrave oči... Kot slišim, bo še letos operiran na drugem očesu. Molimo zanj!

Naj omenim še to zanimivost, da je bil v samostanski in stari cerkvi na Osojah letos poleti koncert, ki ga je dirigiral svetovno znani dirigent iz ZDA L. Bernstein. Vsa cerkve je bila v nageljih, TV naprave so bajno razsvetljevale notranjost Marijine cerkve (Muta Osojskega) in turisti iz Evrope in drugod so v ogromnem številu prišli v

ta prelepi, nekdanji slovenski kraj, da slišijo izvajalce in občudujejo mojstra, ki se počasi poslavlja od glabe in njenih lepote, s katerimi je leta in leta osvajal in razvajal glasbeno publiko, saj je znano, da kljub temu, da je jud — velja za vernega strpnega človeka širokih obzorij, nositelja plemenitosti in močne vere v duhovnost, ki naj poplemeniti človeštvo. In da si je za enega svojih zadnjih nastopov izbral prav naše Osoje, je tudi nam v ponos in veselje! Tako Slovence kot Amerikanec!

Naj se povrnem na besede g. Vinka: "Zato zaupamo v mladi rod, ki gradi bodočnosti pot!" Tudi slovenski, in predvsem — slovenski! In kdo je tisti, ki mladini pomaga, da ne omaga, da ne postane hlapčič ene ali druge strani, ki jo vabi? V prvi vrsti starši, dobri slovenski duhovniki, vzgojitelji, katerim so starši to mladino zaupali in dali v "vzgojo..." In to je na katoliški, krščanski strani MOHORJEVA DRUŽBA s svojimi dijaškimi domovi, ki ima v svoji "oskrbi" skoraj 50% vse mladine, ki hodi na Slovensko gimnazijo v Celovcu in druge višje šole tam. Gospodarsko so koroski Slovenci šibki, vsaj z ozirom na nemško gospodarsko moč. Mohorjeva je zgradila Domove, se zadožila do vratu in preko; zato da reši in pomaga slovenski mladini... Jasno je, da ne more sprejemati dijakov in dijakin za 10 mesecev na leto brezplačno. Starši so tisti, ki morajo v glavnem nositi stroške za hranilo in stanovanje! Vsi, ki malo poznajo slovensko KOROSKO, vedo, da so verni in trdni Slovence pri skromnih kmečkih vaseh; tam, kamor vpliv tujcev in bogatih še ni segel!

Kako naj hribovski kmet plača za enega otroka na leto 800 dolarjev, za dva morda 1,500 itd. To je skoraj nemogoče. Toda ravnateljstvo in vodstvo Družbe sv. Mohorja hoče rešiti vsakega slovenskega otroka, ki le more v šolo, ki je za to kvalificiran! Pri tem prosim nas po svetu, posebno v ZDA in Kanadi, naj pomagamo, naj bomo z njimi! Povejte mi, kaj je lepšega za zgaranega očeta in skrbno mater kot novica, ki jo sročijo otrok: "Ata, neki dobrotnik, ki me ne pozna, je plačal za en mesec — hrano in stanovanje! Kajne, mama, še so dobri ljudje na svetu!"

Tudi jaz pravim, da so šel! V strahu sem začel lani na močan pritisk prijateljev organizirati akcijo za potrebne dijake. Torej — samo za kruh in stanovanje — in odkrito priznam, ob številni dobrotnikov sem postal optimist! In kot optimist pričrnan (po pooblastilu ravnateljstva Družbe sv. Mohorja v Celovcu) akcijo za šolsko leto 1977-78.

Nabirka za lansko leto je bila res blagoslovljena! Vsak bo imel priložnost prebrati uradno poročilo Družbe v letošnjem koledarju.

Tiskarski škrajt nam je spet malo "zagodel". V zadnjem poročilu bi moralo biti pravilno, da so po \$20 (dvajset) in ne kot je bilo navedeno po \$10, darovali sledeči dobrotniki: G. in ga. Ignac Tavčar, Meadoville, Pa.; g. in ga. Vinko Vrhovnik, Euclid, O., ter g. in ga. Jangz Ovsenjak, Cleveland, O. Prizadeti naj "škrat" oprostijo!

Prav tako sem vesel, da morem sporočiti javnosti, da smo od sledečih dobrotnikov dobili \$75 za pošiljanje AMERIŠKE DOMOVINE Mohorjevi v Celovcu. Darovali so:
\$5: Louis Nose, Pueblo, Colo.; po \$10: Dva neimenovana dobrotnika ter g. Math Tekavec, Euclid, O.; po \$20: G. in ga. Marija Grdadolnik ter g. in ga. Stane Segal, Joliet, Ill.

Posiljanje AMERIŠKE DOMOVINE in drugega demokratičnega časopisja na Korosko (posebno še Mohorjevi in štu-

dentom, ki ga tako dobijo vsak teden je gotovo zelo važno. Prvič, da spoznajo svet, ki se zanje in za njihove stvari zanima. Drugič: da morejo primerjati naše pisanje s pisanjem levih časopisov, ki jih dobijo, kolikor le hočejo. Za to se gotovo režim trudi!

V teh dneh so darovali še sledeči dobrotniki:

Po \$8: G. in ga. Frank Kogovšek, Wickliffe, O.;

po \$10: G. in ga. Jože Anžič, Cleveland, O.; g. in ga. Jakob Mejac, Cleveland, O., v blag spomin na pisatelja Karla Mauerja; g. in ga. Danilo Kranjc, Wickliffe, O.;

\$25: G. in ga. Stane Mrva, ml., Cleveland, O.;

\$50: G. Jože Sojer, Euclid, O. Prejmite iskreno zahvalo vseh tistih, ki bodo srečni ob Vaši dobroti in velikodušnosti!

Preljubo veselje

CLEVELAND, O. — Napoveduje se jesen in bo manj in manj možnosti hoditi na piknike in razvedrilne izlete ali romanja. Odprla se bodo zato bolj na široko vrata naših slovenskih narodnih domov, v katerih se bomo shajali na raznih kosilih in večerjeh v te ali one dobrodne namene pa tudi na koristnih sestankih in morda celo na kakih odrskih igralnih nastopih. Uvod v to zimsko dobo bo nekako slovesno letos otvorila plesna skupina "Kres" s svojim nastopom v soboto, 1. oktobra, zvečer v dvorani Slovenskega narodnega doma na St. Clairu.

Ples sam je gotovo najvidnejši izraz našega znotrajnjega veselja razpoloženja, saj, če smo res veseli, kar ne moremo mirovati, kar nekaj nas "privzdiguje", ploskamo z rokami in naše noge same ob sebe cepetajo. Na plesih se najprej zbira mladina in ta bo tudi na odru zarajala v najrazličnejših oblikah, da se mora človek čuditi, da se vse skupaj ne zmede.

So to plesi, pri katerih uživa tudi oko nad pestrostjo prelivanja barv in mladostnih življenjskih sokov. In potem v prosti zabavi, ko se oprime petero, desetero parov v krogu od zvokih godbe poskočno zapleše, to je naša mladina in v njej naša slovenska prihodnost. Pa potem še valčki in polke, iz katerih veje stari slovenski veseli duh. To je čisto drugače kakor pri plesih, kjer se dvojica skoraj do smrti stiska ali pri čemer se telesa po kačje zvijajo!

Vemo, da nas "Kres" tudi to pot ne bo pustil brez navdušenja, saj, kjer je mladina, je tudi veselje. Znašli se bodo zopet stari znanci in sklepala mlada znanstva. Take prireditve znova poživljajo med nami zavest slovenske skupnosti.

"Ena oseba en glas" v beli Južni Afriki?

NEW YORK, N.Y. — George W. Ball, državni podtajnik pri predsednikih Kennedyju in Johnsonu, je v časopisu "The Atlantic" obdolžil Carterjevo vlado, da ne vidi "stvarnosti v Južni Afriki".

Ball je prepričan, da načelo "ena oseba en glas" ki ga je nosil John F. Kennedy, ne bi bilo v razgovoru s predsednikom njegove vlade Vorsterjem na Dunaju letošnjo pomlad podpredsednik ZDA Mondale, za enkrat tam pri belih, ki imajo vso oblast v svojih rokah, ni sprejemljivo. Zavračajo ga tako zmerni angleško govoreči kot tudi zagriženejši "Afrikaners", potomci Holandcev, ki so se naselili v tem delu Afrike pred 300 leti.

Ti so, ko so prevladali nad priseljenci iz Velike Britanije, tudi uvedli politiko delitve ras kljub svarilom in ugovorom angleško govorečih pokrajin.

Bonn odklonil izročitev pobeglega Kapplerja

BONN, ZRN. — Zahodna Nemčija je preteklo sredo zavrnila uradno zahtevo vlade Italije po izročitvi pobeglega vojnega zločinca, nekdanjega poveljnika GESTAPO v Rimu podpolk. Herberta Kapplerja.

Ta je bil pred leti obsojen na dosmrtno ječo, pa je pretekli mesec pobegnil iz vojaške bolnišnice v Rimu, kamor so ga prepeljali na zdravljenje raka.

Vlada v Bonnu se je pri odklonitvi italijanske zahteve sklicevala na določilo ustave, ki prepoveduje izročanje nemških državljanov tujim državam.

Dr. Ivan Pregelj:

MLADA BREDA

POVEST

Ker je začutila, da se ji tresejo noge, se je ozrla. Nekdo ji je ponudil stol in sedla je in strmela v oder na glavo, položeno v belo blazino. Strmela je nepremično, ko da mora in ne sme obrniti v stran oči, da ne zamudi znamenja, češ da Jurij ve, da je prišla in bi se rada pogovorila z njim: "Ko si živel, nisi maral govoriti! Zdaj si umrl. Zdaj, ali nočeš, ali ne moreš?" Anica je čutila droben košček papirja na svojem srcu in gledala nepremično v možovo mrtvo lice: "Jurij, kar koli si hotel povedati, naj bo! Naj te ne skrbi, počivaj v miru, moj ljubi, moj dragi mož!" Dvignila se je in stopila k odru ter se vzpela na prste in mu skušala približati glavo, kakor tedaj v poročni noči v žalosti in temi na dvorišču. Pa jo je spreletel strah.

"Zaprte mu oči!" je viknila, "saj gleda!" Začela se je tresti; žene so jo odvedle. V nekaki omotici je prebila noč. Ni ne spala ne bedela. Ni čutila ne bolesti ne strahu. Zdelo se ji je samo, da se je nekaj pripetilo, nekaj nenavadnega. Ali kaj? Pač, mož ji je umrl, Jurij. Kje je zdaj? V večnosti, kje je večnost, kaj je večnost? Ali je svetla ali temna? Dvignila je oko k trikotnemu očesu in ga gledala dolgo. In čim dlje je gledala, s tem večjim strahom se ji je polnila duša.

"O, silna je večnost. O Jurij, v grobu, Jurij! Sinoči si odšel, ti si zdaj tam, sam si. Ali te je strah? Kako ti je? Solze usmiljenja nad njim, ki je sam in ni pri njem nje, njegove žene, so ji zalile lice; pustila je, da so tekle nezadrževane. V solzah je zadremala. Ko se je prebudila, je bil dan. Planila je kvišku. Rahel mraz jo je spreletel; stoprav sedaj je začutila rano, ki jo je usekala včeraj moževa smrt. Hujša je bila današnja bolešt. Temna in neponehujoča brez nade, da odleže. Tudi solza ni bilo, dasi je srce prekipovalo od njih. Ležale so v srcu in jo dušile. Tretjo noč po večeru, ko so bili Jurija pokopali, se je zavedela in ji je odleglo: "Zdaj si

bo vesel!"
Se dalje bi bila tolažila Marjanica, da se ni zjokala sama. Nato pa je začela božati Anici blede lice in posrečilo se ji je: Anica se je nasmehnila, popila vino in povprašala po Anžetu in Jerici; potem se je oklenila Marjanice in zašepetala:
"Kmalu bo čas!"
"Bo!" je pripomnila Marjanica, "vse bo dobro. Eh, Bog pomagaj, samo obupati ne smemo."
"Samo obupati ne!" se je domislila Anica sedaj Marjanice in zopet so jo za hip obdale misli na bodočnost. V žalosti, bridkosti, boli in hrepenenju se je ozrla na vsevidno oko in zaprosila:
"Sin naj bo!"

HELLO TO ALL MEMBERS OF S-W.U. BRANCHES

by MARY BOSTIAN
(National President)

Hello to all members of Slovenian Women's Union branches: On Sunday, Sept. 11 — Ohio and Michigan had their state convention picnic at Sophie Magayna's beautiful large yard.

Most officers were present. This was something new. The state convention was conducted by Sophie Magayna. It was a beautiful day and an enjoyable event for all; and a successful one, but most of all it was most interesting.

We heard reports given by all branches, even from Girard, Ohio, branch 55. Present president is Veronica Dolsek. She said that she is not sorry that she came. Her day was well spent. We were all delighted to meet her in person.

Branch 15 secretary Marie Pabijan also was present and gave a nice report and speech, all about the successful day they had Aug. 14. It was their 50 yr. anniversary and also a very big joy to have Br. 15 organized back again and expect to have normal meetings which they will reveal when it will be soon. I was so happy to have 5 nice ladies accept office to help reorganize Br. 15 and will start activities and also help to build up. Bless them all and a big Thank You to Father Varga for

letting us have a hall to have this joyous day. I will work with them whatever. (I wonder how many branches have seen Mrs. M. Prislant's article in American Home paper Sept. 12 — if not try and get it and read it. She is so right. It will be nice if once in awhile one branch or another does just that, write in Slovenian an article about your branch.)

Also since I am writing about our Wonderful Women's organization, I hope this would interest some new comers to join our organization and be one of us.

We have 12 branches in Cleveland and any branch would be obliged to accept any new applicant. Please consider signing up. It could be Youth or Adult.

We have beautiful Baton Twirlers and also a Wonderful Ladies Singing Group. If anyone is interested, and has a voice, we need especially sopranos and whatever good voices. Please join The Dawn Choral Group. They are a nice group of ladies and lovely opportunities and no cost except to join Zenska Zveza. You could join whatever branch you wish. The Dawn Choral Group meets every Monday.

My best wishes to all my Sisters of S.W.U.

SISTER MARY PRISILLA, 85, DIES; WAS EARLY TEACHER AT ST. VITUS SCHOOL

Sister Mary Priscilla, 85, a former teacher at St. Vitus in the 1913-17's died last Saturday, Sept. 17 at the Notre Dame Educational Center in Chardon.

Funeral services were held there Sunday at 3:30 p.m.

Sister Priscilla entered the Sisters of Notre Dame here in 1909 as Martha Friedel and took her final vows in 1913. She graduated from Notre Dame College and had a Doctorate Degree from Fordham University.

After leaving St. Vitus in the early 1920's, she became principal of Notre Dame Academy on Ansel Rd. from 1930 to 1943.

After that she taught at Notre Dame College in South Euclid until Sister retired in 1970. She became ill about a year ago.

Two of her former pupils, Rose Grmsek and Antonette Larko remember Sister Priscilla as a dedicated and brilliant teacher during her stay at St. Vitus.

Thousands Expected to Jam Maple Hts. for Big Grape Festival

On October 9, the Slovenian National Home at 5050 Stanley Avenue, Maple Heights will sponsor an Old Fashion Grape Festival.

The Grape Festival will be held outdoors under a canopy. Under this canopy will be hung various goodies such as bottles of wine, candies and of course grapes.

The idea will be to see how many things you can pull off before being apprehended. We will have a policeman watching you, so try not to get arrested.

The judge might just send you to jail if you cannot pay your fine, and then if you can't locate the bondsman you will really be in big trouble.

As you can see, the Grape Festival will be an afternoon of fun and a lot of laughs. So save October 9 and come and enjoy yourself.

For added pleasure, we will have cheese tasting and a bake sale of homemade Slovenian poticas, krofe, and breads.

The popular Planina Jr. Chorus will also be on hand to perform, along with button box music.

The chorus has had a busy summer, they have appeared at St. Lawrence Church, Slovenian National Home on Father's Day, and in August, they appeared on TV5's Polka Variety Show.

DON SMITH RUNS FOR EUCLID SCHOOL BOARD

Donald D. Smith, veteran Euclid attorney, accountant and businessman, has announced he will seek to retain his present seat on the Euclid Board of Education.

Citing the need of his four years experience to help stabilize and balance the efficiency and progress of the Euclid educational system, Smith asserted there are dire problems ahead in the education of the children of Euclid.

"Recent judicial rulings, the never-ending financial bind, the problems with declining enrollment, and the ever-present complexities of running a large school system, cry for an experienced hand for guidance," Smith said.

A former interim judge of the Euclid Municipal Court, Smith has served as president of the Euclid Board of Education.

Presently, he is president of the Euclid Development Corporation, a non-profit organization pledged to improve industry, commerce and residential advancement in the community. Smith is also a member of the Greater Cleveland Growth Board Association, the Euclid

General Hospital Association and the Euclid Rotary Club.

Smith was further instrumental in the formation of the Euclid Campers Club several years ago. He is a charter member of the group and served as its first president.

Smith, 43, is a graduate of Case Western Reserve University and the Cleveland-Marshall Law School. He has served as an instructor in business and law at Dyke College and Cuyahoga Community College.

When Euclid's first municipal judge, William F. Burns, retired in 1968, Smith was appointed by Burns to serve as interim judge. Prior to Burns' retirement, Smith had been asked by the distinguished jurist to serve as interim judge on many occasions.

Smith and his wife, Edna, live at 25751 Lake Shore Blvd. They have five children, all of whom have gone through the Euclid School system.

"I think we have a fine system," Smith said, "and I most certainly will put all the skill and dedication at my command to help maintain the high level of education for which the Euclid school system is noted."

ON THE BEACHLAND

By DAVID TRENTON
Councilman, Ward 32, Cleveland
There has been a great deal of complaints recently concerning skunks in the area.

If you are troubled with such a problem, soak some rags in ammonia and place them where the skunks nest.

If, unfortunately, your problem becomes a little more se-

vere and your dog encounters a skunk, remember bathing it in tomato juice will work. Also put some vinegar into a bowl to absorb some of the odor in the house.

If anyone is interested in a school guard position, please contact my office at 481-0378.

Slovenian Women's Union Br. 25 will have a Krofe sale on Saturday, Sept. 24 at the St. Vitus School Auditorium.

Cleveland Mayor Ralph J. Perk and several Slovenian fraternal and business leaders of the St. Clair community enjoyed a delicious breakfast at Sorn's Restaurant yesterday morning.

The Mayor thanked the Slovenians for their support and encouraged everyone to examine his record. He says Cleveland was taken from the brink of bankruptcy in 1971 to a financially sound city with a good rating. Every year the budget is balanced with no increase in taxes.

Mayor Perk mentioned he has succeeded in bringing back \$425 million directly to Cleveland

from Washington. He has initiated the Emergency Medical System which is proving a model for the nation. He has secured a record number of public fund jobs for Cleveland. Health services aid more than 277,000 patients a year.

The Mayor states he doesn't claim he has solved all the problems of the community, but with everyone's support, "Working together we will achieve more."

His plans for the future include: Increased Federal funding that would be of specific interest to neighborhoods. Each year \$5 million would be used to aid two specific neighborhood areas. He would consult with leaders of the community and obtain the main objective of the neighborhoods. This would definitely be beneficial to preserve our ethnic heritage culture and be a revitalization of the St. Clair area.

Mayor Perk urges as many people to vote as possible Tuesday, Oct. 4th as this is a non-partisan election.

All Cleveland voters will receive the same ballot, regardless of their party registration. Perk said you can vote for him whether you are a democrat, an independent or a Republican. You can vote for him without losing party identification in future elections.

After the breakfast, Edward Kenik mentioned this should be done more often since everyone had a great time!

32nd Ward Dems Endorses Dave Trenton

Henry Medved, president of the 32nd Ward Democratic Club announced at the regular monthly meeting on Sept. 1st that Councilman Dave Trenton received the club's endorsement for re-election to council.

Medved stated, "It is the feeling of the members that Councilman Trenton has been an outstanding representative for the people of our area."

"Trenton has proven through his voting record attendance, concern and responsiveness that he truly acts in the best interest of the residents he serves. Also his leadership in the community with such programs as the Man and Woman of the year banquet, Ward festival, Christmas party and Easter egg hunt has been a great thing for our community"

continued Medved.
Joseph Muzic, Democratic

ward leader, said he was happy to nominate Councilman Trenton for the Ward club endorsement. "Dave Trenton has been able to get our fair share of city services." (What little is available in the city).

Muzic continued that it is a shame that Councilman Trenton is saddled with past policies of lack of foresight by our leaders with such things as the flooding problems. I personally know that Dave has been working very hard in trying to correct many of the long standing problems."

Trenton stated that he felt honored by the endorsement as it comes from the people of the community and is real grass roots support.

Trenton added that it was the 32nd Ward Democratic Club that gave me my first endorse-
