Waukegan Ready for KSKJ. T. Tourney

SPORTS WILL MEET EVENT WILL DRAW PIN-TOPPLERS ALL EYES ARE SET ON THE WIRE-CITY.

It is with great pleasure that we say the Midwest KSKJ Bowling Association has all preparations made for its annual tournament which will be staged at Waukegan, Ill. next Saturday and Sunday, February 2nd and 3rd.

This Bowling association is one of the strongest and most successful of any existing athletic organizations of our Union. The association was organized January 1928, and so thoroughly was it organized that it received the moral support sanction from the A. B. C.

The bowling tournament of 1928, analogous to a sports convention, went down on the records as one of the biggest events in the history of the K. S. K. J., barring none. The success of this tournament was due in part to the interest in the sport, and mostly to Chicago's hospitality and the untiring efforts of the officers and the members of the association.

It is no wonder that the tournament functioned in clock-like fashion with men such as the following at the wheel of affairs: Joseph Gregorich, President, Berwyn, Ill.; John Nemanich, Vice-President, Joliet, Ill.; Frank P. Kosmach, Secretary, Chicago, Ill., and John Hladnik, Treasurer, North Chicago, Ill. The directors were: Michael J. Opeka, North Chicago, Ill.; William F. Kompare, South Chicago, Ill.; John Kovacic, Sheboygan, Wis.; Steve G. Vertin, Joliet, Ill., and John Starcevic, South Chicago, Ill.

The same men, with the exception of a few, are destined to swing the 1929 bowling tournament, with indications pointing to the greatest event ever.

The following is a condensed report of the results of last year's rollings: The St. John the Baptist, No. 143 of Joliet, Ill., copped the first place with 2566 pins in the five-man team event, winning a prize of \$30, medals and cup. The St. Joseph Boosters, No. 53 of Waukegan, Ill., was second with 2548, claiming a \$20 prize. Third place was taken by A. Grdina and Sons, St. Vitus, No. 25 of Cleveland, O., for a \$16 prize for 2524 pins. In the five-man event the Starcevic Bros., St. Michael, No. 152 of South Chicago, Ill., tallied 937 for the high team honors, carrying with it the \$7 prize.

The "past forty class" which is claiming so much interest this year, was won with a score of 2271 by the Opeka Aces, St. Joseph's No. 53 of Waukegan, Ill. Each man on the team received a pair of K. S. K. J. gold cuff-links.

J. Music and A. Verscay of Joliet, Ill., placed first with 1109 in the two-man event, winning a prize of \$15. Second place and prize of \$12 was claimed by J. Nemanich and J. Plese, also of Joliet, Ill. J. Zefran and F. Kosmach of Chicago held third honors with 1092 and the \$10 prize. A. Repinsek and E. Grandlin of Sheboygan, Wis., registered for the high two-man game with 425.

In the all events, M. Opeka of Waukegan, Ill., claimed first with 1694 for \$5 and a medal. M. Gregorash, Joliet, Ill., was second with 1685, followed by J. Nemanich, also of Joliet, Ill., with 1673.

In the individual event the top three rungs were as follows: First M. Opeka, 650 for \$10, and a medal. Second, J. Pajk, Cleveland, 616 for \$9, and third J. Zefran, Chicago, 590 for \$8. J. Zefran took high game in the individual series with his tally of 243.

Fifty-eight cash prizes, aggregating to the sum of \$331, were given to the winners of the various events in the 1928

K. S. K. J. bowling tournament.

The \$100 that was donated by the K. S. K. J. was used in the purchase of medals for the five-man team, two-man team and the individual. The cuff-links presented to the winners of the past forty event was also purchased with the donation.

The prize list of 1928 was swelled by the donors of the trophy and all events medal. These prizes were donated by Frank Grill, President of the Parkview Laundry and Frank Schonta, President of the Fidelity Electric Company, respectively.

The above tells the story of 1928; this coming week end will tell the tale for 1929.

JOES LOSE ANOTHER HACK MARINSEK, TERROR OF GAME

The St. Joseph team went down in defeat on Sunday, January 20th, when they matched baskets with the fast Moffett park quintet. The game was close throughout playing time, being tied all at the half, the Parkers having a margin of one point in the third quarter. The final quarter also proved to be very close, the final count standing 25 to 23 in favor of the Moffetts.

Brotherly Love Contest.

The game was hard fought, due to the fact that Jimmy Moore, our coach and trainer had as an opponent his brother Pat. Pat and W. Koehler and Jack Reynolds, all three being former teammates on the Hillsdale college outfit of Michigan, afforded plenty competition to the St. Joe's. Altho the boys were outpointed, they certainly made a fine showing.

W. Koehler Had Eye For Hoop.
For the visitors the Koehler brothers displayed some remarkable shooting and passing. Jack Reynolds, the six-foot center was pitted against Novak and Chamernick of the Joes and had no trouble in getting the jump on the Joes' pivot men. Patty Moore and Drew held the fort in fine fashion.

Hack Again In His Prime.

Hack Marinsek, known to all Joe fans, was the terror of the afternoon with his register of five baskets and a couple of free throws. Hack was paired with Marty Svete, a product of St. Bede's; a small, man, but shifty, fast and very deceptive. Jimmy Moore, formerly of Hillsdale, and Frank Drassler, of St. Bede's, proved their worth with snappy passing.

The game was a bit rough in spots, but both teams showed some fine sportmanship.

JOLIET'S SPARES AND STRIKES

A picked team from Joliet defeated a picked team from St. Stephen's Chicago in a special bowling match at Joliet, Saturday evening, January 19th. It looked like curtains for Joliet in the first game, but after a bad start the boys overcame a 16-pin lead and won the next two games, and the match by some 114 pins. A Verscay was the big gun for Joliet, getting 587 pins. "Brass" Musich was right behind with 571. For Chicago, the best pin-getters were Gottlieb and V. Kremesec. An odd feature of the match was the "breaks" B. Wink got in the second game. The 8-10 split stood up six times, and six times he failed to pick it up. That's what you call tough "breaks." The scores will be found elsewhere on this page.

Just a little warm-up for the tournament at Waukegan, say the bowlers of the match game. Probably a "feeler" to find out "who is who."

St. John the Baptist lodge, champions of last year's tournament are now assured of three teams. Frank Verscay will captain the first team, Bill Kuzma the second, and Joe Prizibil will pilot the third.

The St. John the Baptist lodge stands out today as one of the most active and biggest boosters of sports in Joliet. Last year it was chiefly through this lodge that the baseball team was a success. This year the entry of three teams from this lodge numbering a membership of about 50, probably is what might be called a record. Keep up the good work boys.

"You got me all wrong," says Rudolph Pruss, referring to the jest that appeared in this column a few weeks ago. He said: "I'm not only going to burn up the tournament, but I'm going to walk away with it, too," and as an afterthought he added: "If I had a couple of fellows like Jimmy Bluin and Jimmy Smith on my team."

We were told that the St. John entry list was loaded with "dark horses," and if you think it isn't, just take a peek at the following list: Anton Lilek, Eddie Kostelc, Mike Papesch, the grocery man, "Mix" Gregorash and Hook-ball Bozich. These boys are going to finish around the top, or we miss our guess. Watch them at the tournament.

Just received the happy news that the supreme office has sanctioned a donation to the tournament association. This will be added to the prize list. The sanction shows that the supreme officers are working hand in hand with the younger generation in trying to make

the tournament a success. I am certain that the young folks appreciate their efforts. I take these columns as a means, and in behalf of the Joliet bowlers and fans, to heartily thank the supreme officers for their generosity and cooperation in trying to make this coming bowling tournament a success.

How about the Joliet fans and boosters? Are you going to Waukegan to root for your favorite bowlers? If not, why not? The boys are going there to strive and bring back the glory you will share with them. Wouldn't it be fitting to honor these boys with your presence and a little encouragement at the tournament? Let's make arrangements to go in groups. For all information as to transportation call the Jackson Clothes Shop and ask for Joe. Do not delay and call if you have not as yet made arrangements. Remember there will be plenty of entertainment in Waukegan after the bowling. For the benefit of those, who do not know, Joliet teams will take the alleys around 12 o'clock noon, Sunday February 3rd.

Some of the boys would like to know why Mr. "K. O." Petey is making preparations in the form of sending a half dozen boxes of chocolates to Waukegan. We know he isn't entered in the tournament, so what could it be? A sweet mama or two? Some Waukegan boy will be short a sweetheart after the tournament for K. O. is a chap who takes the ladies seriously.

This being the last opportunity to communicate with the large number of bowlers and their friends who are expected to attend the tournament, I want to wish all the bowlers all the success and good luck that they can hope for—and may the best bowlers win. To their friends—well after all we are nothing but one great family, all striving and working to attain one goal, the purpose to make the K. S. K. J. one of the greatest organizations of its kind in the country, and one that we can be proud of. As such I hope we meet at Waukegan on February 2nd and 3rd and after everything is over I hope every one can go home and say to his friends: "It was just wonderful. I didn't think it was possible, it's the best thing that could be done to keep up the K. S. K. J. spirit amongst our young folks." It was comments like this that were heard a long time after last year's tournament. I thank you, and again I say, I hope we all meet at Waukegan.
John Nemanich.

SMILE-O-METER Original & Adapted Dox Kraaz

"Barney": "I want a pencil."
"Yellow": "Hard or soft?"
"Barney": "Soft, I'm writing a love letter."

One beautiful thing about popular songs is that they don't last.

Newspaper heading: "Club for Bobbed-haired Girls." It seems rather drastic.

"Some of the new frocks," says a fashion note, "could almost be called songs." They're certainly "Sweet and Low."

"Tommy": "Would you be cross if I tried to kiss you?"
"Maizie": "Yes, I hate failures."

A local girl, who sent a dollar in answering an advertisement to ascertain how she could enhance her beauty, received the following instructions: "Steam your face regularly every week, over your mother's wash tub. Wringing out clothes will make your arms plump, and hanging out the clothes will enlarge your bust measurement several inches, while the exercise of stooping and lifting the clothes will reduce your waist line. Hurrying from the stove to the table while helping your mother get the meals gives you good control of your lower limbs and the poise and dignity so many persons desire."

Wanted: Man to look after garden, milk a cow with a good voice accustomed to sing in the choir.

Be it ever so homely, there's no face like one's own!

"Jamos" Zefran: "Are you the waiter who took my order for that chop?"

Waiter: "Yes sir."
"Jamos": "Bless me, how you have grown!"

"Jando" Gottlieb could never pick out the brand of cigarettes in a blindfold test, but he can always pick out the furniture with the sharpest corners in a dark room. For particulars sent a stamped and self-addressed envelope to Miss Mary Dolenc, Waukegan, Ill.

Success and the "breaks" in every game to all participants in the Second Annual K. S. K. J. Bowling Tournament at Waukegan, Ill., is the sincere wish of Dox Kraaz. I'll be there to pick up all the "cracks" made, look at "Butch's" sweet little tooth, mitt the bowlers and take a fling with the Slovenian beauties in the evening. A hint of identity: I am not so small and not any too tall—wear derby and spats. Enough said—see you all at the Waukegan Recreation. Na videnje!
