OSIŠČE BO NAJBREŽE PRI- ČELO SKUPNO OFENZIVO

Dejanja bližnje bodočnosti bodo pokazala,
kaj sta sklenila Hitler in Molotov
tekem svojih konferenc.

POSVETOVANJE GENERALNIH ŠTABOV OSIŠČA V INNSBRUCKU

MOSKVA, 15. novembra. — Vjačeslav Molotov, sovjetski premier in komisar zunanjih zadev, je bil deležen ob svojem povratku iz Berlina velikih ovacij v Moskvi. Na postaji so ga pričakovali zastopniki sovjetske vlade, armade in mornarice kakor tudi reprezentantje osišča in osišču prijaznih držav.

Posvetovanje štabov
BERLIN, 15. novembra. — Oficijelno nemško poročilo naznaja, da sta se danes sestala v Inomostu nemški maršal Wilhelm Keitel in italijanski maršal Pietro Badoglio, ki sta prišla v Inomost s člani svojih štabov. Poročila naznajo, da se vrše med njima posvetovanja o skupnem vodstvu vojne.

Vzajemna ofenziva?
RIM, 15. novembra. — Inozemski krogi v Rimu pričakujejo v Sredozemlju veliko ofenzivo in oživljenje italijanske kampanje v Grčiji, kar bo posledica konferenc med italijanskim in nemškim vrhovnim poveljstvom v Inomostu.

Dobro informirani krogi napovedujejo pritisk na Turčijo, da slednja dovoli nemškim četam raztegniti svojo okupacijo od Rumunije na Dardanele v njih prizadevanju, da dosežejo Suez in Bližnji vzhod.

Bolgarija in Jugoslavija
Drugi krogi so pa zopet mnenja, da bodo Nemci prihiteli Italijanom na pomoč v njihovi vojni proti Grčiji skozi Jugoslavijo ali Bolgarijo ali pa skozi obe ti dve deželi.

Z italijanske fronte v Grčiji se ne poroča tukaj o nikakih uspehih, zato je razumljivo, da si vrhovno poveljstvo prizadeva, požuriti svojo kampanjo napram Grčiji.

Odlok Turčije
Vendar pa se naglaša, da je vojna v Grčiji samo ena faza na črtov osišča, zato vlada med opazovalci mnenje, da bo morala Turčija že tekom prihodnjih dni izjaviti svoj odlok ter povedati, kje stoji.

Pritisk Rusije na Turčijo
Časopisje poroča, da bo Sovjetska Rusija najbrž pričela izvajati svoj pritisk na Turčijo, da slednja ne prekriža računov osišča. V Italiji smatrajo za značilno, da se je pričela konferenca med nemškim in italijanskim generalnim štabom nemudoma po odhodu Molotova iz Berlina.

Seje
V ponedeljek 18. novembra se vrši seja direktorija Slovenske zadružne zveze ob 7:30 uri, v torek pa ženskega odseka oz 8. uri zvečer. Obe seji v uradu Zadruge!

Italijanov se njihova smola trdovratno drži

Pri Korici jim preti popolna izolacija. — Grki jih klestijo na zemlji, Angleži pa iz zraka.

ATENE, 16. novembra. — Dočim je grško vrhovno poveljstvo danes naznanilo, da je bilo včeraj zajetih nadaljnjih 700 italijanskih vojakov, izjavlja poveljstvo angleške zračne sile, da so bombe njenih bombnikov ubile v bližini Korice mnogo fašističnih vojakov.

Poveljstvo zračne sile naznaja, da so angleški letalci severno od Korice bombardirali in s strojnimi obdelovalci neko italijansko kolono, dalje so porušili italijanski glavni stan in neki most, preko katerega so fašisti pošiljali svoja ojačenja.

Za posebno važno smatrajo Angleži in Grki porušitev mostu preko katerega so pošiljali Italijani svoje motorizirane kolone in topništvo na pomoč trdo stiskanim Italijanom na fronti.

Grško vrhovno poveljstvo naznaja, da preti Italijanom v Korici popolna izolacija.

Pretres Narodnega delavskega odbora v Washingtonu

Vsi znaki kažejo, da se bo pričelo v tem odboru splošno čiščenje in izpreminjanje osebja.

WASHINGTON, 15. novembra. — Danes se je pričelo tukaj temeljito pretresanje Narodnega delavskega odbora, ko so resignirali trije glavni uradniki, in sicer nato, ko je predsednik Roosevelt imenoval kot člana tega odbora za dobo petih let dr. Harryja A. Millisa, 67 let starega posredovalca v delavskih sporih in čikaškega ekonomista.

Trije uradniki, ki so resignirali, so podali svojo ostavko zato, ker predsednik Roosevelt ni ponovno imenoval kot predsednika odbora Warrenja Madena.

Nezadovoljstvo gotove fakcije osebja Narodnega delavskega odbora je dalje razvidno tudi iz pisma, ki ga je pisal Edwin S. Smith, član odbora, Maddenu, v katerem pismu pravi, da je zelo razočaran in vznemirljen, ker Madden ni bil ponovno imenovan.

Ker je Smith v tem pismu kritiziral svojega predstojnika, predsednika Roosevelta, je razvidno, da je tudi sam pripravljen, podati ostavko s svojega položaja. — Sploh pa je pričakovati, da se bo začelo splošno "klimanje" v Narodnem delavskem odboru.

OČIVIDEČ OPISUJE ITALIJANSKO RAZDEJANJE V TARANTO PRISTANU

Poročevalec se je nahajal na angleški križarki pred Tarantom. — Angleži zamažajo čakajo na italijansko mornarico, ki se ne drzne iz luk. — Angleška mornarica nesporna gospodarica morja.

Richard C. McMillan, časnikar in poročevalec United Pressa, ki se je nahajal kot poročevalec na neki angleški križarki pred Tarantom, italijanskim pristaniščem, poroča:

Z angleško mornarico na Sredozemskem morju, dne 15. novembra. — Danes se lahko razodene, kako so v ponedeljek ponoči angleški bombniki napadli bojno luko v Tarantu, je bilo tam zasidranih stotine italijanskih bojnih ladij vseh vrst in velikosti.

Pred pristaniščem pa so se pogugavale v bojni formaciji skoro vse angleške bojne ladje sredozemske mornarice: vrste oklopnač, križark, rušilcev in drugih ladij, ki so se raztezale v daljavo 25 milj. Vse te ladje so stale in — čakale.

Izziv Italijanom
Letala so bila že prej odpotislana, da izzovejo italijansko mornarico iz varnega pristanišča na odprto morje na boj. Če bi bile priplule italijanske ladje ven, bi se bila vnela pomorska bitka, kakršne še ni videl svet, toda italijanska mornarica ni sprejela izziva.

Čakanje pred Tarantom
Videl in slišal sem, kako so odletela angleška letala s krova težke križarke nad pristanišče Taranto, kjer so letalci opravili tako temeljito svoje znano uničujoče delo, da se samo dve letali nista vrnila s tega nevarnega poleta. Nato pa smo, kakor policist na svojem nočnem obhodu, počasi več kot 24 ur križarili sem in tja med pristaniščem Tarantom in grškimi otoki, čakajoč, da se bo italijanska mornarica morda vendarle prikazala iz varne luknje. Toda čakali smo zaman; mornarice ni bilo na izpregled.

Kontrola Sredozemskega morja
Angleški izziv pred Tarantom je pomenil končno fazo 3.000 milj dolgega križarenja po Sredozemskem morju, od enega

BOMBARDIRANJE BERLINA

LONDON, 15. novembra. — Tukaj se uradno naznaja, da so angleški bombniki snoči napadli Berlin, kjer so bombardirali glavno železniško postajo in veliko berlinsko letališče Tempelhof.

Da so Angleži napadli z velikim številom bombnikov, je razvidno iz angleškega priznanja, da se s tega poleta deset letal ni vrnilo.

Poleg tega, da so angleški bombniki priredili v tej vojni najhujši napad na Berlin, pa je angleška zračna sila bombardirala še 26 drugih letališč in pristanišč od Stavangerja v Norveški, pa do Lorienta v Franciji.

Lepo vreme in mesečna noč sta bila v prilog angleških letalcev, ki so napadli Berlin.

njegovega konca do drugega. Jaz sem bil ves čas na križarki z bojno mornarico ter sem imel dovolj prilike, prepričati se, da so Angleži absolutni gospodarji Sredozemskega morja.

Ko smo prekrizarili vse kote Sredozemskega morja ter se zložno potepali po ozkih ožinah Pantellarije, ob sicilski obali, v praznem upanju, da bomo vendarle morda izvalili italijansko mornarico na dan, je bilo sklenjeno, da se tvega težak udarec na samo pristanišče v Tarantu, ker smo vedeli, da je tam zbrana glavna sila italijanske mornarice.

Priprave za boj

Grškemu otočju smo se približali ponoči z brzino 30 vozlov na uro; vse moštvo na ladjah je bilo na svojih bojnih položajih. V mesečni noči sem videl dolge vrste bojnih ladij, katerih topovski stolpi so se odbijali kakor plavajoče trdnjave v lesketajoči se vodi. Pred nami je bilo

USODNA DELAVSKA STAVKA

V Californiji so zastavkali delavci v tovarni letal, s čemer je ogrožena njih uspešna produkcija.

DOWNEY, Cal., 15. novembra. — Delavci pri Vultee Aircraft kompaniji, ki izdeluje bojna letala za Zedinjene države in Anglijo, so danes zastavkali, ker kompanija ni hotela pristati v njihove zahteve po višjih mezdah.

Stavka je bilo uradno proglašena, ko je odšlo z dela 1500 delavcev nočnega šifra. Delavci, ki so člani letalske divizije United Automobile Workers unije, katera pripada CIO organizaciji, so takoj nato formirali piketno črto, nakar so čakali prihoda približno 2.000 delavcev, ki imajo priti na dnevni šift, da jih slednji nadomestijo. Vse se je vršilo mirno in brez vsakršnih demonstracij.

Vodstvo kompanije je izjavljalo, da bo zaradi stavke 3700 delavcev — vseh delavcev je okoli 5600 — ustavljena produkcija letal.

To je prvi delavski spor, ki grozi ohromiti produkcijo letal izza pričetka izvajanja narodnega obrambnega programa. Stavka se je pričela dve uri zatem, ko je L. Sysler, vladni posredovalec, izjavil, da mu je bilo nemogoče priti v stik z unijskimi uradniki, da bi jih obvestil, da je kompanija še vedno pripravljena do pogajanj. Trinajst ur pred tem je Narodna obrambna komisija izjavila, da bo podzvela "ostro akcijo v slučaju štrajka."

Nemci skoro porušili angleško mesto; mnogo mrtvih

Nemci pravijo, da so bombardirali mesto v povračilo za angleško bombardiranje Monakova, ko se je nahajal tam Hitler.

COVENTRY, Anglija, 15. novembra. — Iz masčevanja, ker so angleški letalci pretekli teden napadli Monakovo, ko se je nahajal Hitler v tamošnji "birhali," je vsa sila nemškega letalstva napadla danes to historično angleško mesto, kjer je bilo okoli tisoč oseb ubitih ali ranjenih, velik del mesta, ki šteje 167.000 prebivalcev, pa porušen.

Polet je trajal neprestano 10 ur in pol. Med porušenimi sosesbami so cerkve, bolnišnice, hoteli, gledališča, banke, prodajalne in celi bloki stanovanjskih hiš.

Med ubitimi in ranjenimi so tudi policisti, gasilci in reševalci, ki so hoteli z izpolnjevanjem svojih dolžnosti med treskanjem bomb. Neka bomba je padla na neko bolnišnico, do katere niso mogli reševalci zaradi silnih plamenov, ki so izbruhnili iz nje. Sodi se, da je našlo v tej bolnišnici smrt veliko število bolnikov, ki so ležali v posteljah.

Bombe velike eksplozivne sile so padle tudi na štiri zaklonišča proti bombam, kjer so povzročile mnogo izgub. Mnogo gledalci so izpremenili v bolnišnice, kjer so dali ranjencem prvo pomoč.

V Berlinu je rečeno, da je bil ta napad povzročen v povračilo za angleško bombardiranje Monakova. Nemci pravijo, da je bil to najhujši napad v zgodovini zračne vojne ter da so vrgli nemški letalci 450 bomb, katerih vsaka je tehtala 220 funtov.

Napadi so se pričeli zgodaj zvečer in so trajali do jutra.

Zadušnica

V ponedeljek zjutraj se bo brala v cerkvi sv. Vida maša zadušnica ob 10-letnici smrti Mary Intihar. Prijatelji so vabljeni, da se udeležijo.

"Složne sestre," 120 SSPZ, vas vabijo nocoj na "Dunajski ples" v S. N. Domu

OB TEDNU...

V clevelandskih slovenskih listih se je pričela pojavljati že skoro stalna vsakodnevna kolona "smrtnih koš" in "novih grobov," ki dan za dnem sprejemajo vase naše trudne trpine. S kakšnimi občutki prebiramo kolone teh novih grobov? Ali zgolj z rutinsko radovednostjo, češ: "Kdo je pa danes umrl?", ali nas prevzame občutanje imen v večnost odšlih rojakov, prijateljev in znancev, morda resnejše, globlje občutje? Ali se ob čitanju imena tega rojaka in one rojakinje zavemo trpke in neovrgljive ugotovitve, da z vsakim našim pokojnim leže v grob naš človek, naročnik naših listov, član naših kulturnih in gospodarskih ustanov, podpornih društev in organizacij, — da se z vsakim novim smrtnim slučajem v naših vrstah podere eden nenadomestljivih stebrov našega slovensko-ameriškega občestva?

V kolonah naših "novih grobov" tiči največja tragedija slovenskega izseljenstva, ki je ustvarilo v Ameriki toliko malih Slovenij, toliko pristnih slovenskih domov in domačij. To, kar bomo pustili za seboj, bo sicer še naše krvi, toda, žal, ne več našega duha. Naše slovenske duše vrše sicer nad vse hvalvedno nalogo, da ohranijo čimdlje to, kar se še ohraniti da, toda proces ameriške asimilacije je tako silen, da noben v Ameriki naseljen rod ne izbegne njegovi privlačilni sili.

Poleg naših slovenskih šol vrše najvažnejše delo za čimdaljšo ohranitev slovenske samobitnosti v Ameriki naši mladinski pevski zbori, ki pa se morajo — kot nam povedo njihovi učitelji in roditelji pevske mladine — boriti z velikimi gmotnimi in drugačnimi težavami. Pomagati našim šolarjem in našim mladim pevcem gmotno in moralno, je naša prva dolžnost, zakaj samo potom njih bomo še nekaj časa ohranili vsaj še nekaj tega, kar je bilo in kar je še pristno našega. Že dejstvo samo, da naši mladinski pevski zbori, ki so kmalu po svoji ustanovitvi s takim zanosom in optimizmom nastopali, danes jedva še životarijo, je vse prej kot laskavo izpričevalo za vso našo javnost.

V nedeljo popoldne ob treh bo priredil Mladinski pevski zbor SDD na Waterloo Rd., pod vodstvom svojega vodje Mr. Šemeta, krasno prireditve s pestrim sporedom, katerega je J. M. S. podrobno opisal v četrtki v tem listu. Naša dolžnost, ki nam jo narekuje ljubezno do našega rodu in naše mladine, je, da se polnoštevilno udeležimo prireditve tega zbora kot tudi poslej vseh ostalih zborov, da zamujeno nadoknadimo ter obodrimo naše mlade pevce v njihovem hvalvednem pevskem udejstvovanju.

Jutri popoldne ob treh vsi v Slovenski delavski dom na Waterloo Rd., k prireditvi naše mladine!

Te dni smo poročali, kako so prileteli angleški bombniki v italijansko pristanišče Taranto ter uničili tam Italijanom šest bojnih ladij, dočim so skoro istočasno angleške bojne ladje prestregle v bližini Italije italijanski konvoj, sestojec iz štirih ladij, ki sta jih spremljala dva rušilca. Čim so se pojavile na vidiku angleške bojne ladje, sta bila rušilca prva, ki sta jo pobrisala nazaj proti Italiji.

Moštvo angleške mornarice pa obstoja iz vse drugačnega kova. Ko je te dni neka nemška bojna ladja napadla na Atlantiku konvoj 38 angleških ladij, ki jih je spremljala samo ena pomožna križarka, to je, navaden parnik, katerega so oborožili ter preuredili za pomožno križarko, se je ta križarka postavila nemški bojni ladji odločno v bran ter jo s svojimi topovi toliko časa zadrževala, da so se ladje konvoja razpršile na vse strani, nakar se je pomožna križarka, razbita in razstreljena, s kadečimi se topovi pogreznila na morjsko dno. — Toda tu še ni konec junškega pomorskega duha. Swen Olander, kapitan švedskega parnika v konvoju, ki se je razbežal, se je pod varstvom noči vrnil s svojim parnikom iz varne razdalje nazaj na mesto napada, kjer je rešil skoro vse mornarje angleške pomožne križarke, ki se je v boju žrtvovala za varnost konvoja. Med tem pa so srečno dosele v razna angleška pristanišča skoro vse ladje konvoja, ki so se bile ob napadu razbežale.

Kako neki se počuti gromovnik Mussolini, videč razbit ponos svoje mornarice v Taranto pristanišču, uničene

ali zdesetkovane svoje najboljše regimente v Grčiji, obtičanje svojih junakov v Egiptu in Sudanu, in potapljanje svojih transportov v Otrantski ožini, pred samimi vrati Italije? ... Od enega konca Italije do drugega so zdaj njegove pomorske baze odprte napadom angleške zračne in pomorske sile, operirajoče z novo pridobljenih baz v Grčiji. Ko premišljuje, kako zelo se je uštel v svojih računih, ko čuti bolj in bolj pod svojimi rebri komolec Nemčije, ki ga potiska ob stran, in ko vidi pred seboj vedno višjo in silnejšo steno Anglije, o kateri danes ve, da je ne bo nikoli predril ali preplezal, kdo ve, kakšna občutja prešinjajo njegovo srce? ... Da bo mera nesreč polna, pa trka zdaj na vrata še dolga zima mraza in gladi, teh dveh največjih zaveznikov revolucionarnih duhov ...

O berlinskem obisku sovjetskega premierja se je že dolgo pisalo in govorilo, dokler se ni tega obiska istočasno službeno objavilo v Moskvi in Berlinu. Predhodnice tega obiska so bile sijajne recepcije s šampanjcem in kaviarjem, ki so jih dala ob priliki 23. obletnice ruske revolucije sovjetska poslaništva v Rimu, Berlinu, Washingtonu in v drugih prestolnicah sveta.

Časi se izpreminjajo. Včasih ni bilo sovjetskih recepcij s šampanjcem in kaviarjem, ker je to dvojje veljalo za potratno poslastico kapitalističnih buržujev. Včasih je Hitler zatrjeval, da so sovjetski oblastniki "izmeček človeštva" in "okrvavljeni trinogi, ki gazijo po mlakah krvi," te dni pa je v svojem svetišču sredi Berlina gostil te "okrvavljene morilce" ter sklepal z njimi zveze o razdelitvi sveta ... Italijanski minister zunanjih zadev Galeazzo Ciano, ki je bil še pred letom dni zaklet in neizprosen sovražnik boljševikov, je na recepciji 23. obletnice boljševiške revolucije v Rimu tako goreče stiskal roko sovjetskemu poslaniku Gorelčinu, da je pretila nevarnost, da mu jo v svojem gorečem prijateljstvu izpuli ... Da, da, časi se izpreminjajo. Prej so bili Nemci in Italijani nenasitni nasilniki in zakleti sovragi vsake demokracije in svobode, zdaj so nasilni imperialisti Angleži, Grki, Turki in kmalu bodo tudi Jugoslovani, ki v svojem zaslepljenem imperializmu nečesto izročijo svojih dežel totalitarnim bratcem ...

Poleg operete bo podanih tudi več novih popularnih pesmi, kot tudi baletni prizor "Svoboda" od Statuettes kluba, pod vodstvom znanega mojstra Vinko Coffa.

Kovačevega študenta je vpriporila Zarja leta 1926, z velikim uspehom, nakar ga je leto pozneje ponovila v Detroitu.

Ker ima Slovan izborne pevske moči, bo opereta nedvomno tudi sedaj dosegla uspeh. Zato sežite po vstopnicah, ki so borih 50 centov.

Za ples po igri bo igral Jankovičev orkester.

Torej na svidenje!

O sleparjih

Vredno je, da obelodanim s kakšnim namenom sta me obiskala dva podleža, eden teh je bil Slovenec, katerega poznam že nad 10 let.

Prvo pride ta poznani rojak in

dobrih 5 minut za njim pa drugi, kateri je vprašal za neke ljudi, katerih imena meni niso znana. Takoj je začel pripovedovati, da je ravnokar prišel iz Oklahome, ker ga je poslal njegov oče v Cleveland, da poravnava zaostale plače delavcev, ki so delali za očeta, ki je bil kontraktor za pokladanje cevi v Clevelandu. Ker pa je prišel oče v finančne stiske, jo je malil čez noč na oljna polja. Oče sedaj ne ve kam z njegovim bogastvom in ker je pri tem še veren človek, hoče poravnati kar je ostal dolžan pred 25 leti.

Obenem je potožil, da je v Clevelandu nepoznan. Da zamore pravim rojakom razdeliti njih deleže, potrebuje zanesljivega in varčnega človeka, da lahko pokaže nekaj prihrankov, čimveč tem bolje, ker mu on potem tudi lahko zaupa več denarja.

Naš rojak pa zadovoljen in jo hitro ubere, ter pravi, da gre po denar na E. 55 St. in St. Clair Ave. banko in po 15 minutah že prinese navidezno \$2,000 in ponudi onemu drugemu, kateri ta zavoj vzame in nič ne presteje in ravnata v rolo povit denar nazaj da. Jaz pa vedno nezaupljiv, pozivam rojaka da naj razvije, da je mogoče dobil drug zavitek nazaj.

Ker pa je videl, da se jaz za

komedijo ne zanimam veliko in tudi ne za \$1,000 predplačilo in da sem se začel izgovarjati, da nimam časa, je naš rojak začel tožiti, da bom jaz polomil ves zaslužek \$1,000.

Rekel sem mu, da naj dobi kakega drugega kot "partnerja", da bosta hodila okrog, da najdetarizirade družine, katerim po potrebi tistih več tisoč razdelita.

Ne vem koliko jih je bilo, enkrat 8, drugič 5 in tretjič 15 in tako dalje. Ker pa na lep način nista hotela oditi sem se odpravil na Cleveland Trust banko. Na avto sem vzel sabo tudi rojaka, oni drugi pa naj se šeta v bližini moje hiše toliko časa, da prideva iz banke.

Rojak ostane v avtu, jaz pa grem na banko po denar, ter tam povem uradniku kaj, da hočem in pristavim, da se mi zdi, da je sleparija. Uradnik nato hitro pokliče policijo v civilu, meni pa izroči gotovo vsoto denarja.

Med tem časom je pa rojak že izginil iz mojega avta. Tako sta lumpa za enkrat ušla. Čutila sta menda mojo previdnost.

Take zgodbe se večkrat ponovijo in se tudi zgodi, da žrtve nasedejo delomrznim goljufom.

MLADINSKI ZBOR NA WATERLOO RD.

Za šest-letnico Združeni mladinski pevski zbori niso priredili, po sklepu zastopnikov nobene skupne prireditve. Zato se pa tembolj pridno pripravljajo za svoje posamezne koncerte.

Mladinski pevski zbor se pripravlja, da postavi na oder, dne 17. novembra spevoigro "Spomini". Igro je spisal neumorni vzgojitelj mladine pevovodja L. Seme. Skomponiral je tudi več pesmi za to spevoigro. Uvrstil je v to spevoigro preko trideset narodnih in klasičnih pesmi, ki se vse prilagodijo mojstrsko k besedilu igre.

Vsebine ne bom opisoval, ker mi vsa ni znana, a omenil bom samo duet, kot zaključno sceno prvega dejanja.

Deček in deklica, ki se imata rada, čeprav niti ne vesta zakaj se imata rada, ostaneta sama na odru. Preje so se fantje in dekleta norčevali iz njih. Deček potolaži deklico, naj ji ne bo hudo, ko se se norčevali iz njih. Deklica mu malomarno odgovori:

"Briga me".

V ti sceni kakor tudi v drugih je Mr. Seme pokazal kako globoko pozna otroško dušo. Narava uči samo ljubiti. Pojdi in opazuj naravo. "Sama ljubzen je v njej", mi je rekel Mr. Seme. Le pomisli živalstvo. Vsaka ima sovražnike, a vsi imajo sovražnike le radi ljubezni. Levinja ima ljubzen do svojih mladičev, in iz ljubezni do njih napada druge živali za obstoj mladičev.

Deček, ki je opazoval naravo, začne peti: "Kaj nama more svet, če rada se imava, se sklanja k cvetu cvet, labudov par skup plava" i. t. d.

Vprašal sem Mr. Šemeta zakaj je dal igri ime "Spomini"? "Ne, da so moji spomini, pač pa bi rad obudil avdienci spomine na mladost", mi je odgovoril. In tudi obudil jo bo vsakemu, ki bo navzoč. Saj je cela igra en dih mladosti. Mladost ka-

kršno smo imeli mi v stari domovini.

Igra ima prolog in tri dejajne scene. Kdor se bo udeležil te predstave mu ne bo žal in gotovo bi jo rad še enkrat videl.

Režijo ima Mr. Steblaj v rokah. Matere pa šivajo tako lepe kostume, da pravijo, da bi bilo samo pogled na kostume vredno vstopnine.

Dokazimo da nimamo radi samo svojih otrok, ampak tudi druge, ki se trudijo s pevovodjem vred, da bo še živela slovenska pesem.

Pozdravi!

Očividec opisuje italijansko razdejanje v Tarantu pristanu

(Dalje s 1. str.)

kakih dvanajst rušilcev, ki so brželi sem in tja ter penili morje, da se je zdelo, kakor da vre. Na obeh straneh pa sem videl dvojce dolgih vrst križark.

Mornarji na svojih mestih

Može na naši križarki so si dali opravka okoli topov. Vsi so delali tiho in neslišno. Nekateri izmed njih so bili oblečeni v kratke ovčje kožuhe s kapucami, da se je zdelo, kot da so oblečeni v arabskih burnusih; drugi so imeli na sebi zopet obleko, ki je sličila asbestosu, in ki je imela ščititi njih kožo pred zublji iz topovskih žrel. Vrteči se okoli topov, so se zdeli kot stvorci z drugega planeta.

Napad na konvoj

Nenadoma je ogenj razsvetlil nebo. Bil je napačen alarm. V daljavi smo tedaj zaslišali grmenje topov. V Otrantski ožini so naše bojne ladje zalotile italijanski konvoj, na potu v Albanijo. V trenutku je bilo ozračje polno SOS klicev, s katerimi so potapljačji se italijanski parniki klicali na pomoč. (Kot smo poročali, so bile ob tej priliki pogreznjene tri italijanske ladje, dočim sta rušilca, ki sta jih spremljala, pobegnili. — Op. uredništva).

Odlet bombnikov

Nato pa so se dvignili v zrak angleški bombniki s svojimi torpedi. Videli sem, kako so izginili nad italijansko obalno črto, nato pa strmoglavili nad pristanišče. Takoj zatem so se zaslišale v notranjosti luke silne eksplozije. In tako je šlo; tja in nazaj, vso noč do ranega jutra.

Zjutraj je pričela mornarica z preiskovanjem morja, križarenje je trajalo skoro do večera, toda zopet nič; na morju ni bilo niti ene italijanske ladje, v zraku niti enega italijanskega letala.

Razdejanje v luki

Medtem pa so z naše matične ladje zopet odletela letala nad Taranto, kjer so naši letalci zrl razbito italijansko bojno ladjo, ležečo na dnu pristanišča. Dočim je valovje udarjalo dimom ko njenih posevno ležečih dimnikov. Okoli te težke oklopnice so ležale ostale razbite ladje. Angleška mornarica je izprave dela, da je delo opravljeno, se je usmerila nazaj proti Albaniji.

Čutila je, kako se počasi obrača pod njo, in strašni kriki so ji trgali ušesa. Kakršna je bila materina usoda, takšna je bila tudi njena. Bobnenje brzih kopit je obdajalo z vseh strani in njene nosnice so se polnile s prahom. Došli so jo! Allie je pomolila k Bogu za rešilni udarec, pomolila je za spas svoje duše. Tena. Čuti so ji ugašali. Nealov obraz se je zasvetil v megli, daljavi ter izgnil. Zdrknila je v globino in padala, padala, padala brez konca. Krepek surov njem jo je stisnil za lakti. Nalje se je utrl ves svet.

Ko se je Allie zdrnila in vzplavala iz črnega brezdnja v svojem spominu, je ležala v okroglem šotoru iz drog in kože. Nekaj trenutkov je bila kakor omamljena. Toda indijansko okrasje po šotoru jo je mahoma ovestilo: Sjuzi so jo bili zalepi in so jo spravili v svoj tabore. Ležala je na bivolji koži; ruke in noge so ji bile zvezane; oči in z biserji obšita irhast okrasila so ležale po tleh. Skozi okno odprtine šotorja je videla, da se dan nagiblje h koncu. Zunanji bil hrup in dirindaj in glasno žubodranje v indijanskem narečju; hud veter je pilhal in deževne kaplje so bobnale po šotoru.

Allie skoro ni mogla verjeti svojim čutom. Bila je živa! Izkušila je ugotoviti, ali je ranjena. Roke in telo se ji je zdelo dokaj poškodeno, toda posebnih bolečin ni čutila. Upanje se je držalo v njej. Če bi jo Sjuzi hoteli ubiti, ne bi bili tako dolgo odlazili, morda so jo nameravali zadržati v jetništvu. V tem primeru jo je gotovo najde Slinger in odkupi svobodo.

Dež je jel padati gosteje. Allie je zaduhala svež dim in je videla na stenah šotorja odsev plamenov ognjev. Kmalu je šotor zgorjel, mogočna stanja ženščina s temno zarjavelim obrazom, zgrbančen obraz. Nesla je postavila na tla; nato je je godrnjaje razvezovati dekline roke. Brez posebne osornosti je stresla Allie za rame. Dež je sedlo pokoncu.

"Ali mi hočete — storiti kaj takega — ubiti me?" je zajecjala. Skvo je zmajala z glavo, da je ne razume, ali njena znamenja z obrazom in rokami si je bilo lahko raztolmačiti. Allie se je na indijanske večerje, ki je imela gorjupa in neokusna, a ji je bila utolažila glad. Ko je dojele, je skvo trudoma zavezala vrvi okoli njenih zapestij, porinila jo nazaj na bivoljo kožo, odšla jo in odšla iz šotorja.

Nato se je kmalu stemnilo in Allie se je izpremenil v nalič. Allie, ki skoro ni mogla doumeti, kako zelo jo je preje zeblo, se je jala ogrevati pod mehko kožu. Šumenje plohe je požiralo vse druge glasove. Z Nealovim imenom na ustnicah je zapala.

Nekaterikrat se je zbudila tiho noč v črni temi in je poslušala veter, kako je tulil, in dež, kako je prasketal. Proti jutru, ko se je zasvitalo v mrzli sivini, je vihar polagoma prestal. Allie

zgrbančen in sivolas, in je pušila; in ko so porinili Allie v šotor, se je pokazala mlada skvo. Bila je majhna stvarca z zalim, ošabnim obrazkom in temnimi, ponosnimi očmi, v umetno izvezeni in z resami okrašeni irhasti obleki, vsa nališana in naki-

"The Ohio Landscape." The time is Autumn with harvest time just approaching. A house, no doubt, belonging to a rugged farmer, stands in the center. Next to it is a wee shack that was most likely built years after for his farmhands. On display is also a number of woodcuts, which, as Mrs. Prusheck explained to me, were her husband's favorite pastime.

All in all, it seems to me that no one can leave the exhibition without feeling that this world of ours is a better place for having had a man like H. Gregory Prusheck live in it. If you haven't as yet visited the display, do so today or tomorrow. You won't be sorry.

Glaring Headlights

Glaring headlights at night have been responsible for many serious accidents. When you are driving in congested traffic or meetings other cars on the highways dim your lights even though the approaching motorist fails to do so. This act of courtesy will make night driving much safer for you and every other person using the highways.

Last Saturday we attended the dance given by the Macca-bees. The music was played by Eddy Seseck and his boys. There were mostly older folks there. Prizes were given away also. Mr. Kollander won the first prize which was a beautiful tablecloth. Two other prizes were given.

Sunday night at Waterloo the music was furnished by Johnny Ap. The dancing was after the movies that were shown there.

The Boogy Woogy as well as the checked and plaid skirts and knee socks worn by most of the girls were the two main attractions. And don't think the boogy woogy isn't something. Mary Prele and Jo Klein could really go to town on it. . . Johnny and Frank Vadnal having their fun . . . not seen at so many dances lately is Bob Grenwald, why? . . . "Doogy" Zaletel not dancing very much . . . Lou Starman walking in with his fiancée Frances. By the way Lou, congratulations on your engagement. Lots of luck Lou . . . Joe Savarino looking as happy as ever . . . Babe coming in with a date was a big surprise too.

Saturday night we'll be expecting to see you at the Statuettes dance on Waterloo Rd. The music will be by the Vadnal Bros.

Just a reminder: Keep Nov. 30 open. A new club is sponsoring "The First Dance." The admission will be 35c. It will be held on Recher Ave.

Tomorrow night, Sun. Nov. 17 as I said last week begins the St. Mary's Bazaar at the Slov. Home on Holmes Ave. Dancing tomorrow night and the admission will be the purchase of 25c worth of tickets which you can use for refreshments or other items on the 2nd floor. \$100 will be given away every night for four nights. Turkeys will also be given away on all four nights. Everyone is welcome. I'll be there helping you to pick out the lucky numbers and who knows maybe I'll even dance with you.

And Friday night I'll be at Ludwig's Barn on Lindbergh Ave.

So until Friday then, this is — Yehoodi

It took us several weeks to recover our poise after being daunted by a fellow columnist. After considering it, we realize "It's all in good fun." We also wish to compliment the same columnists for their amusing opening poems each week. However, we feel that a previously written editorial was not pointing an accusing finger at us. (By no means — it was meant as a kindly reminder to all contributors with only one thing in mind: improvement of this section. — Editor.)

Although all the columnists apparently attended the Strugglers Dance, none of their roving eyes depicted a young lady who was fashioning a vivid black eye delivered to her during the course of a Slovenian polka. For future "mob get-togethers," be sure to bring your elbow guards.

Who are we to be different? We, too, will advertise the Statuettes Dance of November 16 at the Slovenian Workmen's Home. We're a hop 'n skip 'n a jump ahead of others because of an indirect interview with an unsuspecting Statuette. He — she — er — it revealed that the "super" preparations are progressing to the climax point. Be prepared for anything, 'cause they seem to be known for their originality. Members are hoping that others besides themselves will don evening apparel. Tonight the Vadnal Reveliers will again perform in their own inimitable fashion.

* *

Save some of your energy for tomorrow, November 17. Waterloo Home promise an entertaining afternoon with the operetta "Spomini" (Memories). Dancing will fill your evening's entertainment to the music of Kristoff Brothers.

A look thru the periscope reveals —

That in only two more weeks the Progressive Women of America, Circles 1 and 7, are opening their handwork exhibition. On Friday, November 29, they will have as an extra attraction, a fashion show including wardrobes for all seasons of the year. Saturday, November 30, Frank Mullec will entertain those who will choose to attend. Sunday, December 1 their three-day exhibit will close with an added floor-show. Start saving your money, for here will be the ideal chance to buy Christmas gifts cheap.

Talent Galore Featured on "Zarja's" Thanksgiving Day Concert Program

By Andrew Turkman

'Tis the age-old question, "Can love succeed without money?" or, "Can two live cheaper than one?" that will be answered for the multitude of amusement-bound Slovenes who will grace the hall of the SND on St. Clair (largest of its kind in the U. S.) with their presence on Thursday, Nov. 21 (Thanksgiving Day) at 3:30 p. m., by the presentation of the operetta, "Srce in Denar" by the singing society Zarja.

What? You know the answer? No. Guess again, or better yet — buy yourself a ticket for 40 cents from any member of "Zarja" and come to hear the answer. Listen and sympathize with the heroine, Minka (Josephine Turk), as she unveils the tragedy that had struck her home and the situation in which she finds herself. A young girl to be battered in order to save the old homestead. Listen to her song of woe as she protests the pending marriage to "Mešetar Jerinaš" (Anton Eppich). Feel yourself stirred to the depths of profound indignation as you hear "Jernač" unfold his villainous plot to secure the hand of "Minka." Suffer with Andrew Turkman as "Cene" the cowherd, as he stutters and I think, struggles through his characterization of the side kick of "Jernač."

What conflicting emotion must be in the heart of "Reza" (Victoria Poljsak) as she is torn

between her daughter's happiness and the desire to maintain the old homestead that her deceased husband had loved so much.

Then suddenly your spirits will be lifted by the appearance of "Janko" (Tony Perushek) and the subsequent presentation of his brilliant method to save for himself the sweetheart of his childhood days.

Yes, the answer is there and it is for you but to open your eyes, ears and head in order to perceive it.

Chorus numbers: This concert will be arranged from the labor song "Slava Delu" thru the semi-classical "Poljskih Rožic" and the very meaning, "Na Bregu," to the beautiful and difficult "Netopir" by the renowned composer J. Strauss. Sophie Turkman and Jennie Turk will render a duet. Solo by Victoria Poljsak. Unusual will be a women's quartet and for contrast a men's quartet.

Again the younger set in "Zarja" will come to the front. This time in a campfire skit and just to be different they will be dressed in colorful costumes. All in all, it should be a grand program and the evening will also be definitely well spent dancing to the music of Frank Yankovich's orchestra. So come one, come all and round off Thanksgiving Day the "Zarja Way."

Seeing Eye

Thanks to all the folks who attended the SNPJ movie show November 10 at Slovene Workmen's Home. We had a fairly good orchestra and a bigger crowd than expected. Some of the best known people were among those present.

Ed Cimperman there but not cutting the rug as usual... Mary Prelka and g.f. seen doing Boogie-woogie. Boy, that is some step... Sylvia Lisjack sitting with Andy Artel... Mary Maklavich looking more beautiful than ever... Esther Zupance dancing with John Vadal, the master of polka... Ethel and Ed Smith doing Boogie-woogie. What is this world coming to, anyhow... Handsome Frank Zalelet seen dancing with Elsie Markell, and Sister Olga doing alright with George Skolar and Ray Strazar... Wonder why Bob Green wasn't there... Rudy Telisman there but not coming in... Nick Opalich dancing but not as popular as he used to be... Tom Krivasic from 65th street saying: I am having a good time... Mary Tartato just dancing waltzes... Sammy Knezevic looking more handsome than ever and, last but not least, Frankie Dakkar dancing with a certain blond...

ARE YOU INTERESTED IN STAGECRAFT?

The Ivan Cankar Dramatic Club is looking for a young man interested in stagecraft to learn the tricks of the trade at the Play House, which promised to co-operate with the group. The necessary training would be under the expert guidance of the Play House staff. There can be no doubt that some one with a natural bent for stage mechanics would in due time find many opportunities on the stages of the many Slovene national homes, which sadly lack trained stage personnel. For further information call at the Enakopravnost office and ask for Mr. Grill.

Bon-Fires Are Dangerous

Burning leaves or rubbish in the streets or in bon-fires in back yards is prohibited by law. The law governing the above is as follows: "No person shall set on fire any hay, straw, chips, shavings, barrels, or other combustible substance, or make any bon-fire in any street, lane, alley or public ground or in any lot within two hundred (200) feet of any building, without permission from the fire chief or one of the fire wardens."

Bon-fires are dangerous, no matters how well they are watched. They are a hazard to automobiles parked at the curb. At this season of the year we have considerable wind. Sparks blown from bon-fires to some combustible substance may spread the fire to a house or garage. Also bon-fires hold a certain fascination for children. While they are playing around them, their clothes sometimes catch fire, and they are seriously burned. Bon-fires also have a deteriorating effect on the pavement, which makes it an expensive practice.

We recommend that all leaves and other combustible rubbish be put in baskets, bags, boxes or any other container for the garbage collectors, who will remove them.

The Sidewalks of Cleveland

By Mickey Cesen

The cultural group from the Slovene National Home on St. Clair Ave., is at the head of a large committee that is sponsoring the exhibition of approximately 140 paintings of late H. Gregory Prusheck. The exhibit opened last Saturday and will continue till tomorrow night, when its doors will close at 11 p. m. By all indications, the exhibit will be a success. Many paintings have been already sold to lodges, clubs and individual art lovers. People from such distant places as Little Falls, N. Y., and Ohio towns like Tiltonsville, Lorain, Barberton and Canton have been among the visitors.

Mr. Prusheck was born in the village of Sodražica in Slovenia and came to America while still in his teens. He was alone and penniless but rich in imagination and desire to see this new great land of ours. During his years of wandering he has been in practically all parts of the United States. He finally settled down in Chicago, the metropolis of the Middle West, and began to paint. Later he moved to Cleveland, bringing with him his wife and daughter. During these years many honors were accorded him by the various institutions of art where his paintings were exhibited. But his life was a hard one, for he was a true artist painting as he felt and not to please the conventional. Another difficulty was that our people are not rich and those who could afford, as a rule do not understand or patronize artistic endeavors.

One of the outstanding masterpieces on display is a painting called "Still Life in Blue." It was accorded the Robert Rice Jenkins Prize at the Art Institute of Chicago in 1930. His favorite color was blue, as a glance at the exhibit will tell you. One of the pictures that struck me as very forceful is "The Flood." It shows shattered buildings and uprooted trees and poles carried along with the waves of blue. Another very interesting painting pictures "The Oldest Church in the U. S." The Indians in what is now New Mexico built this church which belonged to no particular religious denomination.

Another gorgeous painting is

Statuettes Dance

Tonight, the Statuettes Club, SWH, is sponsoring their 2nd Anniversary Dance at the Slovenian Workmen's Home, 15335 Waterloo Road.

Not only the Slovenians are familiar with this group's activities, but others as well. Among their various services were tableaux at several of the Slovenian Homes of Cleveland, an assembly program at Collinwood High School, a two-hour variety program at Memorial School, heavy service credit as waitresses at banquets, ushers at different programs etc.

Since all the Statuettes' service is voluntary, here is a chance for those organizations for whom the club performed to repay them with a generous attendance.

For several weeks now, the Statuettes have been laboring industriously on plans for a colorful atmosphere and used their talents in making favors that will serve as remembrances of this up and coming club. The club urges you to be present to meet the young Slovene couple, Mica and Janez, who just came from the old country.

Music will be by the Vadnal Reveliers.

Gadabouts from Getabouts

Isn't it awful when you don't have the time.
To sit down and write a cute little rhyme?
No matter what others will think and say.
We hope you won't fret if you don't read one today.
We hoped to have written one, but it just couldn't be done.
So we hope you're not angry with this little one.

Did you ever see a crowd dancing? Well we did... at least they tried... That SDZ No. 2 dance was sure a wow... Everybody, that was anybody was there... As we weaved in and out of the crowd we saw Joe De Santo and Mike Gerl talkin' over things... P.S. Mike was one of Collinwood's star basketball players... Another well known athlete seen was Ed Yanchar... The Marolt girls seen every time we turned around... did we see Joe Azman?... Chris Sezun seemed to be enjoying herself... ditto Augusta Milharic... Freddy Skully seen around... Boy! can that Subel boy jitterbug... We happened to see Jojo Kuzniek come in. Was that lipstick smeared on your lips, Joe, or just jelly?... We saw Frank Kakar, a Zarja representative. And speaking of Zarja, gossip has it that they're giving a concert on Thanksgiving day at S. W. H. on St. Clair. Are we right?... Weren't the souvenirs darling? They were little silver bows adorned with a pearl... The corsages the girls wore were
