BASKETBALL PREXY INVITES ENTHUSIASTS TO PREP MEETING

Joliet, Ill. — I am personally adding my invitation to the notice of the coming KSKJ basketball meeting sent out by Marie Grom, secretary. The reason I am doing this is because the meeting will have three important matters to discuss which if adopted will change our basketball program. The first matter concerns our lightweights. We are not coming up with as many youngsters as would be expected. There were only four teams in this division last year. There are four possibilities in regards to the lightweights: a) to leave the weight limit at 143 as in the past, b) to boost the limit to 150 lbs., c) to adopt a height limit, let us say 5 ft. 8 in. instead of a weight limit, d) to drop the lightweights division entirely.

The second important question to be decided concerns the extension of time for playing, to have a third day or to have a preliminary week-end in case the number of teams increases. We had 12 heavyweights, 4 lightweights and 6 girl teams last year. Games were being played beyond 10 o'clock Saturday evening. A continuation of this cuts the time for social activities considerably which naturally will displease the host

town. It may be necessary to play some of the games Friday evening, or perhaps a part of the tournament could be run off the previous Sunday. Or a third solution may be the use of two gymnasiums for the Saturday games.

The third important question to be decided concerns our participation in the Slav Basketball Tourney to be held in Gary, Ind. The champion team of the KSKJ is invited to compete against the champs of other Slav fraternal groups. This in itself may be an inducement, providing the matter can be settled from the financial standpoint. We understand that the Athletic Fund of the KSKJ can not extend any additional expenses, unless the quotas of the individual teams are cut.

These three important questions will be settled next Sunday, Dec. 8, at Joliet in the KSKJ Building. We do hope that all teams will be represented so that the proper preparations may be made for another successful tournament. All interested in KSKJ basketball are invited and may freely express their opinions at our meeting.

Rev. M. J. Butala, president.

NATIONAL KSKJ SOFTBALL CHAMPS ARE HONORED WITH BANQUET

Strabane, Pa. — Climaxing their softball season by winning the National KSKJ softball championship, the local K. S. K. J. Santoni's were honored for their feat by the mothers of the players and the Boosters' Club at a banquet Nov. 24, in St. Jerome Home.

The proud mothers of the players and the Booster Club showed their appreciation to the "Boys" when they contributed, cooked, and served a meal fit for a king at the championship dinner.

The dining hall of the Home was transformed into a place of merriment when the boys filed in and seated themselves at the "Honored Table," flanking the speakers' table and facing the table set for their invited friends and supporters. Their smiling, handsome faces beamed very brightly as they saw a huge cake baked for them by Mrs. Frank Krall and inscribed "KSKJ National Softball Champions." When the dinner was placed before them, their gratitude was very evident and they quickly showed their appreciation for the dinner by having their fill and more. Even after the banquet had reached its end, most of the boys and their friends occupied the dining room and enjoyed group singing and fun, as they picked at the table set in buffet style.

Frank Batista Toastmaster

At the conclusion of the first half of the banquet, Frank Batista, acting as toastmaster, took charge in fine manner and

directed the short speaking program. In the role of emcee, Frank performed in great style and drew many a laugh and kept the group in a spirited frame of mind as he introduced each speaker.

Opening the second half of the championship dinner, Frank called upon Tony Bevec, past president of the St. Jerome lodge and one of the more enthusiastic followers of the boys, Tony Bevec congratulated the boys for their feat and urged them to continue their fine sportsmanship that has gained Strabane's wide-spread recognition. He cited cases of papers from way out that had never before heard of Strabane, but finally wrote stories about Strabane and its fine sportsmanship manner of play. One of the many was the daily published in South Bend, Indiana, and also the college paper of the University of Notre Dame.

The main speaker of the evening, the genial Joe O'Brien, sports editor of the Daily Notes of Canonsburg, played his part in true style. Joe is fast gaining recognition as a master after-dinner speaker, and true to the tradition of all newsmen, Joe can really hold an audience. He issued bouquets to the boys, their mothers and to Strabane in general for their clean sportsmanship and for the high standing the little community has earned for itself. He stressed the fact that he does not do Strabane a favor when he writes up Strabane.

STEVE PIN LEAD UNCHANGED AS FOUR QUINTS FIGHT FOR FIRST

Chicago, Ill. — The hottest fight in the Steve league is for second place as there is a difference of two games among four teams. Fidelity Electric still leads with three games to the good, followed by Kosmach Boosters and Korenchan Grocers tied for second with Perko's Inn in fourth place, four games out of the lead. Monarch Beer is in fifth position with Zefran Tavern in sixth. The hottest team now is Zefran Tavern. Last week they hit a new high with their team total of 662.

Zefran 3, Kosmach 0

With John Zefran hitting his third 600 series in four weeks rolling games of 226, 197, and 196 for 619, and with Frank Nahtigal rolling a neat 659, the Tavern team had no trouble taking the series from the Boosters. Frank Koporc came up with a high series of 561 for the losers.

Tomazins 3, Park View 0

It seems as the Tomazin team has left the cellar for good and are now on a winning spree. The Tavern team set back the Laundrymen for three games. Anthony Darovic hit 522 for the winners, and Frank Grill 536 for the losers.

Dr. Grill 2, Fidelity 1
Although Dr. Grill's team is resting in the cellar, they turned back the league leaders for two games. Bill Bogolin led the winners with 503, while Joe Anzelc was high for the leaders with 523.

Dr. Olech 2, Perko's 1

Frank Bicek was high with 558 for the winners in their two-game win. Jeray's 535 and Weaver's 530 were high scores for the Inn team.

Monarch 2, Korenchan 1

After being whipped by 118 pins the first game the Beer team came back to win the other two games. Stroben led the "Old Men" team with 546, and Strupeck was high for the Grocers with 510.

Pocket Hits. — After losing that first game by over 100 pins, Capt. John Kochevar of the Monarchs was ready to fire his team. . . . After having a certain something for a few weeks, Frank Bařich finally lost it. . . . Maybe Joe Kosnik can tell Frank where to find "it". . . . After a week layoff John Zefran was back in the Zefran line-up, rolling his third 600 series in four weeks. . . . Five weeks ago John held a 171 average but now has 182.

JOES TIGHTEN ON PLUMBERS TO GO INTO LEAD OF JOLIET PIN LOOP

Joliet, Ill. — In the feature match of the last session of the local Kay Jay Bowling League the pace setting St. Joseph's No. 2 boys and the challenging Schuster Plumbers locked horns in what had all the earmarks of a mid-season crucial series. When the league wood was stored away the Saints were celebrating their first clean sweep victory of the year and were solidly entrenched in first place four games ahead of the defeated Plumbers who dropped into a three way tie with Andy's Eagles and the Tezak Florists for the second place spot.

In the other matches of the evening the Gorsich's "riz up" and clouted the Eagles twice, losing the middle game by one lean pin, while the Tezak Florists and Slovenic Coals were taking a pair each from the Peerless Printers and the Avsec Printers, respectively.

Top notch bowler of the week was F. Petan who slammed over a beautiful 231 game to top Rudy Ramuta's former 229 high game mark by two pins. Others in the 200 division were: S. Wedic-221, E. Tezak 214, W. Koleto 209, M. Slana 203, J. Kuzma 201, A. Buchar 201, and J. Bluth 200. With his even-200 mark John Bluth tallied 191 and 195 for a 586 total. Of the ladies Marge Padsertz was tops with 165 while Isabelle Gregorich coped the weekly low game prize.

Spares: The boys finally appeared all decked out in their

new shirts . . . which occasioned a lot of good old-fashioned ribbing. . . . A little birdie told us that our Supreme Secretary is considering changing his name to McZalar and his captain will henceforth be tagged O'Golobitsch . . . which is our way of telling you that the Slovenic Coals shirts were a brilliant Kelly green . . . shure, an' its a foine shpeactle they made o' thimsils, oim tellin yez . . . the old alleys were full of Mutzes, four of the Nicholson Street brand and two from Vine Street . . . Most everybody on the old alleys was having an off night so the cutting up was heavier than usual . . . the pin boys added to it by giving the boys and girls a brilliant red head pin to shoot at on occasions . . . Greg and Capt. Nemanich of the Schusters ought to get together on their rooting, it seems to us . . . we're told Matt Slana gets kidded about his "Waukegan Special" every time he pays a visit to his home town . . . go ahead, boys, he can take it . . . A bad break 229 high game mark by two pins. Others in the 200 division were: S. Wedic-221, E. Tezak 214, W. Koleto 209, M. Slana 203, J. Kuzma 201, A. Buchar 201, and J. Bluth 200.
