Jezus povabi prve učence

V prvih nedeljah med letom srečamo Kristusa v njegovih prvih korakih javnega delovanja. Danes je beseda o luči in veselju. S svojim prihodom na svet nas Jezus ni samo odrešil greha, ampak je tudi prinesel na svet »veliko luč« in veselje. V prvem berilu je napoved tega, evangelij prinaša uresničenje, drugo berilo je opomin in spodbuda za oznanjevanje blagovesti.

Takoj po krstu v Jordanu in skušnjavah v puščavi pride Jezus v Kafarnaum. Evangelist Matej v Kristusovi navzočnosti na tem mestu vidi božji »da« na davno obljubo. Na to spomni Jezus sam, ko pravi: »Tako se je spolnilo, kar je bilo napovedano po preroku Izaiju« (Mt 4,14). Jezus je luč, ki pomeni pot, resnico in življenje. Ko se je rodil, je bil napovedan kot »veliko veselje za vse ljudi« (Lk 2,10). Jezus ne bo oznanjeval sam ampak povabi učence, da gredo za njim in z jim živijo. Torej: posnamenje (hoja za Jezusom) in skupnost (ne le vsak zase).

Božji načrt se je pričel uresničevati. Zaprtje Janeza Krstnika je bilo za Jezusa znamenje, da je prišel čas novega kraljestva. Neko poslanstvo se je zaključevalo, da bi lahko nastopilo novo, boljše in veličastnejše. Jezus je verjetno zapustil Nazaret, ker so mu tam že nasprotovali. Bog uporablja v svoj prid tudi naše napake, ko Jezusa pošilja v Kafarnaum, v mesto, ki je bilo bolj sprejemljivo za novost evangelija. Kafarnaum je bilo cvetoče mesto sredi rodovitne pokrajine. V njem je imela duhovščina veliko manjšo besedo kot v Judeji. V deželi so se mešali tuji vplivi, ki so po transportnih poteh prihajali iz Damaska in Egipta.

Matej poudarja uresničenje prerokb. Izaija, čigar citat je uporabil, je opisoval asirsko podjarmljenje severnega kraljestva leta 730 pred Kristusom. Kristusov prihod bo prinesel novo luč in odstranil bolečine in žalost. Ti, ki so sedeli v temi, ti ki so prebivali v deželi smrtne sence, so prejeli »venec namesto pepela, olje veselja namesto žalnega ogrinjala, hvalnico namesto obupa« (Iz 61.3). Kar Bog z levo odvzame, to navrže dvojno z desnico.

The Future of St. Gregory the Great Parish, our Slovenian Church and Cultural Community

- ♦ **Do you want our Parish Community to be here in 10 years?**
- ♦ **Do you have any memorable moments that were made at St. Gregory the Great Parish?**
- ♦ **Do you have any friends from your childhood experiences here at St. Gregory's?**
- ♦ **Do you have any memories of your experiences at St. Gregory's that you have ever shared with your children?**
- ♦ **Do your children have any memories from St. Gregory the Great Parish?**

If you answered **YES** to any one of these questions, your **input and support is necessary** to help ensure our community's future.

Your parish council has spent countless hours in **serious discussion about the future** of our Faith based, social and cultural community. As times change and the world evolves around us, we realize that perhaps **we too need to make a few changes** to stay current and fulfill the needs and desires of our members.

As families grow older, know that we are always here to support you spiritually. As family life gets busier, we can provide you with a calm environment where families can get away from hectic schedules. As lives get complicated, know that this is a place

where you can build life long relationships, come together and share a story or two, or give each other the gift of friendship.

But ... **in order to do this, we need your help!** We need your **suggestions** and **fresh ideas** on how to ensure that our community is a current one.

These are **difficult questions** that need to be asked and we hope that you are willing to share your thoughts and ideas with us. **We need to hear what you think are the pros and cons** of our community, and where you think we need to make some changes.

Yes, some of these things may be hard to hear, but this conversation is a necessary one. Along with this conversation, **we also need people to step forward** and lend a hand a time or two.

If you have any suggestions or ideas, or if you are willing to help out in any way, we urge you to **contact us** by email at: slovenianstrong@gmail.com or by telephone at: 905-561-5971.

We welcome everyone's input!

Remember,

- ♦ **the time to act is now,**
- ♦ **the time to make a difference is now,**
- ♦ **the time to ensure our Slovenian community lives on is now!**

Čeprav se je božični čas uradno že iztekkel, smo v nedeljo 15. januarja, z zborom in ob spremljavi instrumentov, še enkrat pri maši zapeli božične pesmi. Ker je v Kanadi praznik Gospodovega razglasenja - sv. Trije kralji - prestavljen na nedeljo, je potem praznik Jezusovega krsta v ponedeljek.

Še enkrat hvala vsem, ki ste letos sodelovali pri pripravi, organizaciji in obhajanju božičnih praznikov. Samo, če skupaj združimo moči in talente, potem je tudi praznovanje lepo in bogato.

MULTICULTURAL MASS

2017

JANUARY 15, 2017

MASS 1:00 PM
Cathedral Basilica of Christ the King
(714 King Street West, Hamilton, Ontario)

Že precej let se v hamiltonski baziliki enkrat letno zbiramo na multikulturalni maši - odslej bo to vedno na tretjo nedeljo v januarju, ko je tudi svetovni dan migrantov in beguncev.

Ker v Hamiltonu živi res veliko različnih narodnostnih skupnosti - saj se vsako nedeljo obhaja maša v več kot 15 jezikih - se je škofija odločila, da se vsako leto pripravi maša, pri kateri sodelujejo različne skupine. Različni deli maši so ali zapeti ali prebrani v različnih jezikih, vsi prisotni pa imajo v rokah tudi knjižico z angleškim besedilom - na levi strani je platnica te knjižice. Letošnje leto smo Slovenci sodelovali pri prvem berilu, ki ga je prebrala Veronika Košir in pri prošnjah, ki jo je prebrala Alenka Košir. Po sveti maši, ki jo je vodil škof Douglas Crosby ob somaševanju duhovnikov, smo se zbrali na kratkem kulturnem programu, ki so ga pripravile različne skupine - plesi, petje... Po zaključku programa so bili vsi navzoči povabljeni, da se podprejo z dobrotami, ki so jih prinesle posamezne skupine.

Zelo lepo in bogato doživetje za vse, ki so se udeležili slovesne svete maše.

V petek, 20. januarja 2017, smo po maši, z vsemi navzočimi praznovali 90. rojstni dan naše faranke PAVLE PELCAR. Iskrene čestitke in še na mnoga zdrava leta!

V petek, 20. januarja, so delavci instalirali še manjkajoče ograje ob prenovljenem vhodu pri slovenski šoli in pa ob novi rampi pred cerkvijo. Tako bodo vsi, ki težje stopijo čez stopnico, lažje, hitreje in varneje prišli do cerkve.

Nancy Taylor, Maryann Virag, Heidy Novak, Rozi Šuštersič, Lil Jones, Kristy & Karen Kastelic, Elizabeth Lukežič, Sidonia Poppa

Today a new group of ladies came together to learn the art of "noodle making". It was a fabulous morning where we not only shared our kitchen secrets, but many stories of our experiences and connections to our church community. With enthusiasm we enjoyed each others company and started the journey of preparing noodles for our annual Bazaar! We'll be having a few more sessions, so if you're interested, you are welcome to join in any time! Hope to see you in the kitchen some time ... Heidy (novakh@sympatico.ca)

3RD SUNDAY IN OT

Response: The Lord is my light and my salvation.

First Reading Isaiah 8:23 – 9:3

The prophet foresees the great day of liberation when the Lord will visit his people.

Second Reading 1 Corinthians 1:10-13. 17

Paul reminds the Corinthians that the person of Christ and his sacrificial death and resurrection are the basis of their unity.

Gospel Matthew 4:12-23

Jesus proclaims that the prophecy of Isaiah is being fulfilled in his own person, and he begins to gather the apostles about him.

“Follow me and I will make you fishers of men.”

Illustration

Fish and fishing, in one way or another, have played a large part in the cultural life of Christianity. From Jesus calling his first apostles, to the early Christian symbol of the fish representing Christ, to eating fish on a Friday, fish have been involved. In the time of the apostles, cured fish was a great delicacy and there was a curing factory at Magdala, home of Mary Magdalene, on the Sea of Galilee. This raises the ironic possibility that cured fish from the Sea of Galilee may have ended up on the dining tables of the Roman elite. Some of the Romans were converted to the apostolic preaching, others persecuted the apostles. Imagine Pontius Pilate or Herod eating fish caught by Peter, James and John! The fish sauce so loved by the Romans, garum, was consumed in great quantity.

Fish has also always been considered as good for the brain. This certainly seems true of St Thomas Aquinas, who, while he was teaching in Paris, was given a barrel of fish a week by King Louis IX. On his deathbed, far from the sea, Thomas asked for some fresh herring, his favourite fish, and lo and behold, a fishmonger, who normally had nothing but sardines, turned up at the monastery door with precisely that item.

Gospel Teaching

It is no accident, then, that Jesus chooses his first apostles from among fishermen. Everything that the Lord does has relevance for our salvation. The very act of casting nets and gathering in speaks of the role of the apostle. Our Lord is also sanctifying the work of the disciples, and, on a practical level, he is choosing men who were physically tough, used to dealing with sudden storms on the Sea of Galilee. Soon after, he chooses Matthew, who would be able to read and write fluently, just the sort of man who would be able to record things accurately. In his teaching Jesus also uses the image of the shepherd a great deal. Indeed, when he confirms Peter as the head of the apostles, he does so with the threefold command of “feed my sheep”. So the world of work in general is sanctified by the teach-

ing of the Lord, and the work of fishing, shepherding and drawing up accounts is especially favoured in his imagery.

However, today's Gospel also alludes to the times when our work is not going so well, and when remedial work is necessary. When Jesus sees James and John, they are in their boat, mending their nets. On one level, they are simply carrying out a routine task. On another level, the scene might represent all those times when our work grinds to a halt, the nets are broken, the wheels come off. This happens in our wider lives as well. In a fallen world, a lot that we do can seem futile, or can end in failure.

Application

However, whatever our line of work, whatever skills we have, whatever talents we have, we can recognise them, first of all, as gifts of God. These are, at the same time, our own works and our own gifts and talents. The two are not in competition. God can take what we have naturally, and raise it up to a supernatural level by God's power. This is a very important and basic element in all authentic Christian reflection. God's grace builds up and perfects all that is natural; it does not override or short-circuit it. Because everything created is already loved and kept in being by God, it is already good. God can raise up any natural thing to become even better by God's power.
