NAČRT ZAPADNIH SIL ZA RAZKO- SANJE NEMČIJE

Določa ustanovitev za-
padne nemške države
z kontrolo nad
Porurjem

RUSIJA MU BO NA- SPROTOVALA

London, 8. jun.—Zapadne sile
so včeraj objavile načrt za raz-
kosanje Nemčije, odnosno za
ustanovitev zapadne nemške dr-
žave, katero naj tvorijo okupa-
cijske cone Amerike, Anglije in
Francije. Načrt predvideva fe-
deralno formo vlade z medna-
rodno kontrolo.

Načrt je bil izdelan na šest-
tedenski konferenci predstavnikov
Anglije, Amerike, Francije, Bel-
gijske, Holandske in Luksemburga
v Londonu. Predno bo stopil v veljavno ga bodo morale
odobriti vlade vseh prizadetih
držav. Angleška vlada ga je že
odobrila. Kar se Amerike tiče,
ni potrebna kongresna akcija in
se pričakuje, da ga bo državni
tajnik George Marshall odobril
v prihodnjih dneh. Isto se pri-
čakuje tudi od takozvanih bel-
nemških držav — Belgije, Luk-
semburga in Holandske.

Načrt bo naletel na največjo
opozicijo v Franciji iz razloga,
ker predvideva rehabilitacijo
nemških industrij in vzpostavl-
itev nemške gospodarske moči.
Toda smatra se, da ga bo francos-
ka vlada potisnila skozi parla-
ment.

Pričakuje se, da bo temu na-
črtu in razkosjanju Nemčije na-
sprotovala Rusija. Svojo oponi-
cijo je že navedla ob začetku
konference zapadnih sil, na kateri
je bil izdelan ta načrt. Na-
črt bo gotovo naletel na večji
odpor tudi med Nemci. Sicer pa
je rečeno v načrtu, da so vrata
odprtia tudi vzhodni Nemčiji, ki
je pod rusko okupacijo.

Ta načrt med drugim določa:

1) Ustanovitev svobodne in
demokratične Nemčije z ustavo,
ki bo omogočala priključitev
vsem nemškim državam kakor
hitro bo to v danih razmerah
mogoče."

2) V bližnji bodočnosti naj se
sklice skupina seja vojaških go-
vernerjev in nemških uradnikov
vseh treh okupacijskih con—an-
gleške, ameriške in francoske—
ki naj sklice konstituanto za iz-
delanje nove ustave.

3) Ta ustava mora določati fe-
derativno, ne centralizirano for-
mo vlade.

4) Ta ustava mora biti predlo-
žena z referendumom nemške-
mu ljudstvu v odobritev v vseh
državah.

5) Zunanja trgovina mora biti
pod "skupno upravo in kontrolo."
(Poročilo ne omenja, da li-
to pomeni skupno nemško upra-
vo in kontrolo, ali tudi zapadnih
držav.)

6) Skupno posvetovanje An-
gleje, Francije in Amerike v slu-
čaju, ako se pokaže nevarnost
novega oboroževanja Nemčije.

7) Ustanovitev skupnega vo-
jaškega varnostnega sveta, ki
naj skrbi, dokler traja okupacija,
da bo Nemčija ostala razor-
žena in demilitarizirana.

8) Formiranje dolgoročnega
programa za inspekcijo in nad-
zorovanje nemške industrije, ki
naj stopi v veljavno po končanju
okupacije. Cilj te inspekcije bi
bil preprečenje razvoja nemške-
ga vojnega potenciala.

9) Ustanovitev mednarodne
oblasti za kontrolu Porurja. V
področju te oblasti bi bila al-
lokacija premoga, koks in želez-
ne rude pokrajine. To oblast bi
tvorilo sedem držav—Nemčija,
Francija, Anglija in Amerika, ki
bi imeli vsaka tri glasove, ter
Belgia, Luksemburg in Holandska,
vsaka z enim glasom.

Unija izdeloval- cev farmskih strojev klonila

Stopila bo v območje Taft-Hartlejevega zakona

Chicago.—(FP)—Unija izdeloval-
cev farmskih strojev CIO je pod
težo razmer klonila pred
Taft-Hartleyjevim zakonom in
sklenila, da bo vložila "prisego
lojalnosti". Eksekutiva unije je
storila ta zaključek po referen-
dumu, v katerem se je večina
krajevnih unij izrekla za ta ko-
rak.

Eksekutiva je predložila to
vprašanje krajevnim unijam iz
izgube stavke in organizacije pri
Caterpillar Tractor Co. v Peoriji, Ill. Ker njeni uradniki niso
vložili "prisego lojalnosti," ka-
kor to zahteva T-H zakon, zato
ta unija v Peoriji tudi ni prišla
na glasovnico pri tovarniških
volitvah. Na glasovnico so pri-
šle tri druge unije, ki so se zgne-
nile na to unijo kot sestranski
volkov.

"Ta korak smo storili," je de-
jal Grant Oaks, predsednik uni-
je Farm Equipment Workers,
"da našo unijo obvarujemo pred
takimi skebskimi navali s strani
volkov delavškega gibanja," ka-
kor se je zadnjici pripeljal v Pe-
oriji. "Toda taft-hartleyisti od
te naše akcije ne bodo dobili no-
benega zadoščenja. Smernice
naše unije ostanejo nespremem-
njene. Mi smo proti anti-rdeč-
karski hysteriji, ki je omogočila
sprejetje T-H zakona v kongresu.
Mi ne bomo vsoglasili naših
smernic z milijenjem senatorja
Tafta. Mi se bomo držali Wal-
lacea."

Ta unija namreč podpira Wal-
lacevo gibanje in novo stranko.
Grant Oaks je bil na ustanovni
konvenciji illinoiske progresivne
stranke sploh nominiran za go-
vernra.

V sledi te klonitve so resignirali
štirje unijski uradniki: Ge-
rald Field, glavni tajnik-blagajnik,
podpredsednik Ajay Martin,
organizacijski direktor Milt Burn in Pope Huff, član
glavnega odbora.

Grant Oaks je posvaril člane
unije, naj se pričakujejo kak-
šnini koristi od tega koraka.
"Zvezni delavski odbor je taft-
hartleyziran. Od tega 'outfita'
ne pričakuje drugega kakor mu-
ke."

3) Ta ustava mora določati fe-
derativno, ne centralizirano for-
mo vlade.

4) Ta ustava mora biti predlo-
žena z referendumom nemške-
mu ljudstvu v odobritev v vseh

6) Skupno posvetovanje An-

čaju, ako se pokaže nevarnost
novega oboroževanja Nemčije.

Ogrski kardinal sili v "stare-dobre" čase

Budapešta, 8. junija.—Kardinal
Jožef Mindszenty, primat
katoliške cerkve na Ogrskem,
je ukazal svojim vernikom, da
ne smejo več čitati vladnih li-
stov in poslušati radija. Kardinalova
prepoved je bila izdana
v pastirskem pismu, ki je bil
prečitan v vseh katoliških cer-
kvah. Kardinal je obosil komuni-
stični režim, da širi "laži,
zavajanja in teror" in deželi ter-
da izvaja pritisk na ljudstvo.
Dalje pravi kardinal Mindszen-
ty, da so ogrski škofovi združeni
in da ni nobenih pogajanj med
cerkvijo in državo glede vladne-
ga prevzetja cerkvenih šol.

ško opakacijo, "dokler ni zago-
tovjen evropski mir."

Washington, 8. jun.—Uradni-
ki državnega departmента so po-
zdravili načrt za ustanovitev za-
padne nemške države, ki je bil
izdelan na konferenci zapadnih
sil v Londonu. Smatrajo ga kot
velik korak k obnovi Evrope,
kakor tudi velik udarec za Rusije
v "mrzli" vojni.

Skrbi jih le, da li bo Francija
odobrila ta načrt. Doznavata
se, da so ji dal nova zagotovila
ameriški pomoči in naj se ne bo-
ji novega podviga nemškega mi-
litarizma ali pa Rusije.

Iz članske kampanje SNPJ

Pet društev že doseglo svoje kvote; v kampan- iji je do zdaj aktivnih 178 društev, ostala naj se jim pridružijo!

Prva dva meseca kampanje za nove člane sta za nami. Rezultat do sedaj je nekako srednji. Meseca maja je kampanja prinesla 200 novih članov mladinskemu in 148 odraslemu oddelku. Od teh jih je 57 prestopilo iz mladinskega v odrasli oddelek. Skupaj to je 288 članov, kar ni slab, toda lahko bi bilo bolje.

Do zdaj se je kampanji pridružilo 178 društev, kar je malo več
ko 30% vseh društev. Ta lista je zadnji mesec narasla za 64 dru-
štva. Toda vsa ostala društva, po številu 425, so še v zimskem
spanju, nekako tako kakor jazbec. Čas je, da se prebude tudi ta
drusťta, odnosno članstvo teh društev in pogleda okrog sebe, po-
naseljih za kake nove "prospekte". Vile rojenice, ki skrbe za
naraščaj, so na primer zelo pridne povsod, toda "prospekti" so tudi
med doraslimi. Vsaj tako pokazuje kampanja v vseh naseljih, kjer
je na delu naši marljivi kampanjarji.

Kampanja je do zdaj najbolj živahnja v prvem distriktu, v Penn-
sylvaniji, kjer je v tekmi več društev. V tem distriktu je še vedno
v ospredju angleško poslujoče društvo 716 v Imperiju, kar je
največ zasluga njegove tajnice sestre Polly Sladick, ki je prijavila
nadaljnih 12 novih članov. To društvo ima na svoji kampanjski
puski 268 zarez.

Za petami pa so jim Avellani, društvo 292, ki je v zadnjih dveh
mesecih naraslo za 24 novih članov. V maju so jih pridobili 18.
Najbolj so se postavili Frank Zrimm in Pauline ter William De-
belak.

V Aliquippi pa so v tekmi sestre Frances Zakrajsek, ki jih je
pridobila že šest, Josephine Struble, štiri, Therese Gersel, tri, in
Ann Ranics enega. Skupaj 14, od teh devet v maju. Se štiri člane
in društvo Excelsior 721 bo doseglo svojo kvoto.

V Samsui, Floridi, pa je na delu Mike Machek, tajnik društva
603, ki je že prijavil devet novih članov. Še tri v društvena kvo-
ta bo dosežena. Če bi bilo tako blizu svojih kvot vsaj par sto
društiev!

Giblje se tudi v Latrobu pri društву 725, ki je lanskoto odneslo
najvišjo nagrado, kar je bila predvsem zasluga br. Georges Nastca.
Tudi v tej kampanji je že pridobil dva, štiri na tajnicu Mary E.
Freder. Mary ima to čast, da je pridobila znane Zavadava člavor-
čke, stare majbo čez tri meseca. Zavadava mama in oče, Barbara
in Andrew, sta z tem, družinskim dogodkom zadovela po vsej
vsi. Za petami je sestra Mary Opatry od društva 640 v Bridgeportu, O., ki je že izpolnila društveno kvoto 11 članov.

Za porast društva V boj 53 v Clevelandu (Collinwoodu) pa sta
na delu njegov marljivi tajnik Još Durn in Matt Petrovich, pred-
sednik finančnega odseka gl. odbora SNPJ. Zadnji mesec sta pri-
dobili šest novih članov, štiri br. Durn, dva pa naš Matt. On je
prišel tudi pri društvu 614 v Bridgeportu, O., ki je že izpolnila društveno kvoto 11 članov.

Za štirje društva v delu 53 v Anacondi, Montana. Radi bi tudi
na delu njegov marljivi tajnik Još Durn in Matt Petrovich, pred-
sednik finančnega odseka gl. odbora SNPJ. Zadnji mesec sta pri-
dobili šest novih članov, štiri br. Durn, dva pa naš Matt. On je
prišel tudi pri društvu 110 pa sta na delu

Frank Klune in Frank Kna, prvi s petimi, drugi s tremi novimi
člani. Vse priznanje našim pridnim Chisholmčanom!

V četrtem distriktu pa je razen treh društiev še vse—mirno.
V tem zapadnem distriktru so v tekmi društvo 615 in Los Angelesu
s 14 novimi člani, društvo 225 v Edisonu, Kansas, z osmimi in
društvo 306 v Anacondi, Montana. Radi bi tudi kaj slišali od na-
ših Coloradčanov, Washingtončanov, Oregončanov, Wyoming-
ov in drugih.

Prva dva meseca kampanje, kot je rečeno, so za nami. Še dva
meseca junij in julij, in zaključena bo prva polovica naše kam-
panje. Takrat bomo videli, kdo izmed štirih najboljših agitatorjev
v vsakem distriktu bo deležen nagrad. Prva nagrada v gotovini
za vsak distrikt je \$50, druga \$35, tretja \$25 in četrta \$15. Skupaj
\$500. Enake nagrade veljajo tudi za drugo polovico kampanje,
Ob zaključku kampanje pa bo v vsakem distriktu najboljši kon-
testant deležen tudi posebne naknadne nagrade. Vsakdo, ki pri-
dobi kakega novega člana, je seveda upravičen tudi do nagrad, ki
so razpisane za posamezne člane. Teh nagrad je v tej kampanji
izredno veliko. Poleg tega pa vam bo tudi jednota hvaležna za
vse požrvovalno delo. Torej na noge pri VSEH društvtih!

Soujetske oblasti
v "stare-dobre" čase

Berlin, 8. junija.—Sovjetske
okupacijske oblasti Nemčije so
nahnale, da bodo vse delavci
v ruski coni dobili zvišane me-
ze. Dalje so naznale, da so
proti izdajanju drugačnega de-
narja v zapadnem delu Nemčije,
ki je pod okupacijo ameriških
in francoskih vojaških obla-
stih. Nemški listi v Berlinu, ki
je pod rusko okupacijo, trdijo,
da se bodo ameriški vojaki kma-
lu umaknili iz Berlina, tem pa
bodo sledili tudi angleški in
francoski vojaki.

Potreba obnove dnevov SNPJ

Prišli smo na prag poletja, v sezono društvenih piknikov in izletov in seveda tudi počitnic. Zdaj smo še v objemu pomlad, toda kmalu nastopijo vroči dnevi, ko si mestni človek želi ven na deželo, v hladno senco koščatih dreves, kakor pravimo. Na drugi strani si pa ljudje iz malih mest in podeželja žele ogledati si velemešta in obiskati svoje prijatelje. Tako je pač življence, ki teče v vse strani in si ite sprememb iz vsakdanosti.

V tem času se tudi mnoga društva in federacije pripravljajo na svoje piknike ali izlete, deloma zato, da si nekoliko okrepe svoje blagajne, deloma radi svoje in jednotine agitacije in deloma za družabno in prijateljsko razvedrilo svojega članstva in prijateljev. Vse to je zdravo in dobro in potrebno. Vse to je znak življence.

Društvo Mir ima okrog 650 odraslih članov in članic in je v svojem osemnajdesetletnemu poslovanju izplačalo tepe vstopnice v slučaju nesreče ali smrti svojemu članstvu potom organizacije SNPJ. Brez dvoma ima lep rekord in kar je vredno spominja in spoštovanja. Zato je prav, da pohitimo na ta društveni piknik in pripeljemo s seboj tudi svoje prijatelje prihodnjem nedelje.

Na prostore bo vozil tudi bus: Prvi odpelje izpred Slovenskega doma na Holmes ave. ob dveh popoldne, gredce ustavi pred Slovenskim delavskim domom na Waterloo rd., na Bliss in St. Clair, Babbitt & Lakeland; drugi pa odpelje ob štirih v vozi po isti poti kot prvi. Člani, ki namenljajo iti z busom, so proseni, da se priglasijo pri tajniku L. Bostjančiču na 15800 Holmes ave., tel. MU 5516, in povedo, s katerim busom želijo potovati. Vožnja stane za osebo \$1.00 za tja in nazaj, otroci pod dvajstjem letom v spremstvu staršev so prosti.

Sedaj, ko je dograjen plesni paviljon na farmi, tudi dež ne more dosti klubovati, ker strehe je dovolj. Igrala bo dobra godba in nova peč bo prazila za lačne in preurejena pivnica pa stregla že nim.

PIKNIK DRUŠTVA MIR STEV. 142 SNPJ

Chicago, Ill.—V nedeljo, 13. junija, se bo vršil piknik društva Mir na izletniški farmi clevelandskih društev SNPJ na Heath rd. Ta dan zaseda člansko društvo Mir izletniške prostore v družbi znancev in prijateljev. Na prostore bo vozil tudi avtobus.

Društvo Mir ni že precej časa obdrževalo zabave v prosti naravi in zato je sedaj primeren čas, da se zopet enkrat snidemo člani, članice in prijatelji na sočasni prostor, za katere je tudi to društvo že precej prispevalo, da se malo pozabavamo, obnovimo spoznanje, srečamo stare in nove znance ter prijatelje. Bratske organizacije brez priredeb ali zabav nimajo tako dobrega napredka kot pa one, ki vršijo družabnost med svojimi člani. Zato je potrebno, da se včasih skupaj zberemo v eni ali drugi obliki.

DAN SNPJ V CALIFORNII

Los Angeles, Calif.—V Prosveti čitamo poročila iz raznih slovenskih naselbin, v katerih društva prirejajo piknike in druge veselice, kar je znamenje, da je zima minila in da gorko sončno zopet vabi ljudi na razvedrilo v prosti naravo. V državi California pa smo toliko srečeni, da imamo sonec tudi pozimi, včasih temu pa tudi mi kaj radi prirejamo piknike.

Toda to ni vabilo na piknik. Le čitajte naprej in zvedeli boste, da smo letos organizirali v Californiji nekaj drugega. Naša društva bodo namreč priredila dan SNPJ v Los Angelesu, in sicer v soboto, 3. julija, in v nedeljo, 4. julija. Odbori so pridno na delu za izvedbo programa, kakor tudi za hrani in preskrbno prenočišče, naj se pismeno obrne na predsednika tega odbora Rayja Prima, 937 S. Burger ave., Los Angeles, telefon AN 10535.

Ti pokrajinski dnevi SNPJ so se razvili tudi po zapadu, pod okriljem coloradske in wyominske federacije, kjer so velike daljave. Par takih priredb so imeli tudi v severni Californiji: Oakland-San Francisco. Zdaj je tam vse nekam mrtvo.

Med vojno smo upali, da bo po učinkenu topov in normalizaciji razmrš vse to življence med nam zopet vzbrstelo. Sicer se obnavlja, toda ne v tistem obsegu in s tisto živahnostjo kakor je bilo pred Pearl Harborjem. Glavni razlog je v tem, ker je precej naših federacij v mirtvih, brez volje in iniciativ za obnovo krajevnih ali pokrajinskih dnevov SNPJ, ki so pred leti postali tako privlačni in bili velik agitatorski faktor v življenu jednote, federacij in posameznih društev. Morda je krivda tudi na naši strani: na vodstvu jednote, ker nismo dovolj "drezali" in spodbujali.

Priporočljivo vsekakor je, da se VSE naše federacije, ne samo nekatere, zopet oprimejo ideje, da v svojem okrožju zopet obnove množične članske izlete, krajevne ali pokrajinske dneve SNPJ. V poletnih mesecih gredo ljudje radi na piknike in tudi na daljše avtne izlete. Zlasti pa so za naše članstvo velika privlačnost veliki skupni izleti, in sicer ne samo za miade, marveč tudi za starejše ljudi. Resnica je sicer, da je z organiziranjem takih izletov veliko dela tam, kjer se vrše. Toda ako vsak aktiven društvenik (toba spola) nekaj pomaga, se stvar lahko izpelje. Glavno je volja in podjetnost! Sicer pa je to le enkrat na leto, kjer se po vse v Federaciji skupaj, tudi samo enkrat na dve ali tri leta.

To zdaj so za letošnje poletje na programu dnevi SNPJ v zapadni Pennsylvaniji, Clevelandu in Los Angelesu in po Narodni dan SNPJ, ki se bo vršil za Labor day v Milwaukeeju. Pennsylvanija (zapadna) društva bodo imela svoj "SNPJ Day" zadnjo nedeljo v juniju v South Parku pri Pittsburghu. Nedvomno bo to zopet velika manifestacija našega članstva, ne samo iz zapadne

IZJAVA SLOVENSKEGA AMERIŠKEGA NARODNEGA SVETA

Dnevnih listov z dne 28. maja t. l. objavljajo veste, da je justični tajnik gospod Clark tudi Slovenski ameriški narodni svet uvestil med organizacije, ki jih reakcijonalno mogotci imenujejo "prevratne". Slovenski ameriški narodni svet deli to označbo z mnogimi organizacijami, katerim je bila že prej očitana "nelojalnosti", dan si ni bilo za tako obdobje nobenega dokaza. Prav tako ni očrtevanje SANSA podprtje z nobenim dejstvom, za katere bi se mogla po pravici rabiti beseda "subversive". Nasprotno je Slovenski ameriški narodni svet ves čas svojega obstanka z neštetičnimi dejanji dokazoval svojo lojalnost do ustave Zedinjenih držav, ki je edino resnično merilo lojalnosti v tej deželi. V najbolj kritičnih časih vojne je SANSA vzdrževal moralno svojih pristašev, večinoma delavcev v podjetjih vojne produkcije na vrbunci; po SANSAvi vzpodbudi so njegovi člani in njemu sledče organizacije nakupili za milijone doljarjev obrambnih in vojnih bondov, podpirale Rdeči križ in vse ustanove, ki so delale za zmago zavezniških demokratičnih narodov nad pošastjo fašizma. Mnogoštevilne so družine SANSAvih članov, ki so štirtovalo svoje sinove za to zmago in naštevanje vsega, kar je SANSA storil na tem polju bi napolnilo knjigo. Lojalnost SANSA je često dobivala priznanje merodajnih faktorjev, ki so pri njem iskali informacije, vabili njegove člane, da govore na radio za domačo in prekomorsko oddajo in mu dajali moralno oporo.

Ce se sedaj nenašoma vse to označuje za prevratnost, tedaj bi se moralo sklepati, da je bilo ravnanje Zedinjenih držav v dobi vojne napačno, da so bili Teheran, Jalta, Potsdam zmote, da je bilo že stremljenje po ohranitvi tiste skupnosti, brez katero ne bi bil fašizm nikdar porazen, prevratno. Taka misel je seveda SANSAvija, ker je prepričan, da so edino skupni napori združenih demokratičnih narodov rešili svet strašne usode, ki bi ga bila zadržala, če bi bil fašizem izšel iz vojne kot zmagovalčen in snako verjam, da je ohranitev te skupnosti edino jamstvo svetovnega miru.

Slovenski ameriški narodni svet je bil in je lojalna ameriška organizacija, kar pa ne pomeni, da se ne bi smeli posluževati ustavnih pravic, svobode govorov, svobode tiska in predvsem svobode mišljeneja, s čimer je nerazdružljivo spojena svoboda kritike. Zavedajoč se te resnice, glavni odbor Slovenskega ameriškega narodnega sveta odločno odklanja označbo nelojalnosti in smatra tako arbitratno očrtevanje za nasprotino vsem načelom in tradicijam ameriškega naroda in njegove zgodovine.

Ta izjava je bila soglasno sprejeta na letni seji glavnega odbora SANSA v Clevelandu, Ohio, 30. maja 1948.

ODGOVOR BRATU KIRNU

Dearborn, Mich. — Br. Albert Kirn je objavil dopis v Prosveti z dne 26. maja, v katerem piše, da mora protestirati proti nekaterim tako zvanim voditeljem SNPJ. To pomeni mene. Prav, da so mene povabili na prizdrobo mladiškega krožka št. 58 SNPJ, da bi spregovorili nekaj besed v angleščini, ker bi bilo mladiini v veliko vzpostavilo in moralno dobro vplivalo na njuno. K temu pa br. Kirn se pristavlja, da je čakal na moj odgovor do četrtega pred prizdrobo, toda tudi sedaj so morali prosliti za moj odgovor, nato pa sem odgovoril, da sem preveč zaposlen z drugimi delom, zato ne morem priti na prizdrobo.

Tako piše br. Kirn v omenjeni Prosveti. Zdaj pa naj čitatejši sišijo tudi drugo plat zvona. Naj navedem, kako je bilo s to zadovo. Teden pred prizdrobo mladiškega krožka je poklical po telefonu, a mene ni bilo doma, pač pa mu je moja žena denovila in pojasnila, da gotove ne bom mogel priti na krožkovno prizdrobo, ker se delavci pri Dodge Truck in Chrysler Co. v tem času smo sklepali pogodbene in sem bili zelo zaposlen. Seje smo imeli pogostoma in skraj 30 ur neprehnom. Navzoč smo morali biti vsi.

Torej, ker br. Kirn vprašuje, katero delo je bolj važno, sem zadevo pojasnil in mislim, da članstvo SNPJ lahko uvidi, da je delo, ki sem ga opravil v tem času tudi važno in v korist vseh članov SNPJ ter delavcev v splošnem.

Kirn tudi sprašuje, ali so moje določnosti in delo v dobrabit SNPJ bolj postranska stvar, nato pa podaril, če nekdo prevzame neko delo in se zaveže, da ga bo vestno izvrševal, potem ga pa radi drugega zanemarja, nastane vprašanje, katero delo hoče obdržati, ako ne more obdržati.

Dragi br. Kirn, jaz vse to dobro vem in se zavedam, ampak to delo, ki ga imam pri SNPJ, ne more preživljati, kar dobro veš tudi ti. Jaz nisem od vas oz. krožka 58 prejel nobenega uradnega pisma, da bi vam mogel odgovoriti, po telefonu sta se pa zmenila z mojo ženo, ali ne? Meni hočete le blati. To ni lepo od tebe, br. Kirn. Meni je pri srcu v prvi vrsti resnica!

V nedeljo, 9. maja, smo imeli vsi predsedniki lokalov sejo, ko pa sem prisel domov, mi je žena povedala, da je Kirn zopet klical in kaj mu je odgovorila. Sam pri sebi sem misil, da ne pojasnilo zadostuje in da bo do upošteval moj zadržek, saj je moje delovanje v korist delavstva, torej tudi članstva SNPJ.

Dalje br. Kirn vprašuje, "katero delo je zanj (zame) bolj važno, ali to, za katerega ga je izvolila konvencija SNPJ, ali on drugo?" Kaj naj to pomeni "on drugo"? Zakaj br. Kirn ni zapisal, KAKŠNO JE TO DELO? Saj je vendar dobro vedel, radi katerega dela sem bil zadržan. To njegovo kritiziranje ni umestno in sega pred-

made, sem zopet krožek aktiviziral in še danes obstaja.

Naj se povem, da nisem nikdar zamudil nobene prizdrobe SNPJ, temveč se jih udeležujem in zraven pomagam po moji najboljši moći. Nikdo mi ne more vzeti to veselje, kar sem z dušo in telesom za SNPJ. Iz vsega srca pa tudi ljubim delavstvo in mu pomagam, v kolikor morem. In baš sedaj so delavske razmere resne in treba se je boriti za skorjo kruha.

Za delavske principe sem se že boril, ko sem bil še zelo mlad. Z mojim pokojnim bratom sva se borila, ko je bila prva sedeča stavka pri Dodge Truck Chrysler Co. Bila sva vse dneve in noči v tovarni in se borila v korist delavstva. Vsem je znano, kako je bilo to nevarno tiste čase.

Ko sva s pokojnim bratom Williamom prišla domov, sva imela vse krvave noge od hoje. Bila sva lačna in trudna in še sedaj sem prepričan, da so bile to posledice njegove prerane smrti, kjer je od tistega časa se ni več počutil dobro. Človek se bo v pripravu za delavsko pravico, potem pa dobi mesto pripravljanja začnico.

Tudi zadnjega zborovanja gl. odbora v Chicago se nisem udeležil, ker sem bil na konferenci pri Chryslerju. Glavni odborniki so mojo odnosnost vzeli na znanje, kot je rekordirano v zapisniku glavnega odbora.

Naj se povem, da so moji starši nas otroke vedno učili, da se moramo držati SNPJ in naj bomo aktivni v njej, ker so ju ustanovili delave. Prav tako so nas učili, da moramo delati v prid delavstva.

Ako kateri ne verjam mojim besedam, se lahko prepriča v Chryslerjevemu departmantu U. A. W., pisarna 4147 Pass ave., in bo lahko zvedel, da sem bil res na konferenci, ko se je vršila krožkovna prizdroba. Br. Kirn pa naj vzame na znanje, da je to moj prvi in zadnji odgovor na njegov dopis, kajti se ne bom prizkal v Prosveti.

NEKOLIKO PREGLEDĀ O NASHI PRIZDREBĀ OS. KONCU SEZONE...

Cleveland. O.—Ob koncu sezone naših kulturnih in drugih prizdrob v dvoranah, želim omeniti uspeh nekaterih. V vsej sezoni smo imeli veliko število našprednih prizdrob. Vseh se trenutno ne morem spomniti, ampak približno 18, sicer pa sem prepričan, da jih je bilo več, ne manj. Za vse te prizdrobe sem pisal in delal. Vse te prizdrobe so se vrstile od meseca septembra do 31. maja.

Naj pričenim najprvo s čitalniško prizdrobo, ki se je vršila v mesecu februarju v SDD na Waterloo rd. Daisiravno smo delali za to prizdrobo samo 4 ali pet odbornikov, se je prav dobro obnesla. Seve, na dan prizdrobe nam je še nekaj drugih delavcev prisločilo na pomoč. Preostanek je znašal čez \$325! Kot tajnik in blagajnik te kulturne ustanove, se vsem, ki so kolikor priponogli do uspeha, prav lepo zahvaljujem!

Nato je sledila prizdroitev podružnice 48 SANSA. Za to je delalo več delavev, a največ dela je padlo na rame tajnika

V mesecu aprila smo imeli več prizdrob, a naj omenim samo nekatere. Plesna veselica društva 147 SNPJ se je vršila 24. aprila, pri kateri so nam pomagali vsi društveni udrugni in uradnice in več drugih članov in članic. Uspeh je bil nad vse dober. Kot predsednik tega društva se vsem najlepše zahvaljujem za kooperacijo in trud, ki ste ga imeli s to prizdrobo. Društvo si je s to prizdrobo finančno opomoglo, zato bo laž ugodilo različnim prošnjam, ki so predložene skoraj na vsaki seji.

Drugi dan, 25. aprila, pa so imeli Zarjani svoj spomladanski koncert in opereto "Sreča in deň". Tudi za to prizdrobo sem pisal, se je udeležil in bil zelo vesel uspeha.

viti z denarjem, moraš imeti jasne možgane in razum!

Torej kot so se mnogi Ludvikovi zahvalili za razne dobre nasvetne, tako se mu zahvaljujem tudi jaz.

Kolega Ludvik, kot dobremu v zvestemu prijatelju, tudi jaz želim veliko sreče v rojstni domovini. Prepričan sem, da boš živel v zadovoljstvu in sreči ostalet leta svojega življenja med svojo ostalo družino, saj si to zasludiš! Ako pa bi naju osoda še kdaj skupaj privedla, bova pa zopet skupaj dela za našredne ideje in rekla: "Koraj za velja!" Pozdravljen!

Young Americans

DETROIT, Mich.—In a few weeks we will hold our regular monthly meeting, so let's all plan to be there.

The girls' and boys' softball team had their first practice Sunday, May 30, and you would never guess how many came out. Oh well, I might as well tell you that Bro. Berry and myself were the only ones. We did get our practice in, too. I am sure that more players would have shown up but due to the fact that I sent in my article late it was not published and you did not know we held a practice. We held another practice Sunday, June 6, at 10 o'clock, at Ford's park.

I wonder if Mary Golia and Mitzi Werholtz were luckier in catching fish than they would have been had they come out to practice. I expect you two girls to report to me and give me all the details of your fishing trip.

The women's balina got under way last weekend and by the looks of things, there will be some stiff competition. The Young American girls did not fair so well, but they will pick up 3 points next time.

Now is also the time for you to plan your bowling for this fall. Let us get all our arrangements together now and not wait until the last minute. You girls interested let me know, so we can plan accordingly.

Mich. Slav Congress Gives Picnic July 18

DETROIT.—On July 18 the American Slav Congress of Michigan will hold a grand picnic at Warren Park, Utica, near Detroit. Warren Park is an extremely accommodating and suitable place for a picnic. There will be varied refreshments.

Guest speaker will be Leo Krzycki, President of the American Slav Congress, and former Vice-President of the Amalgamated Clothing Workers Union of America—C.I.O.

Silver Stars Lodge Hold Dance June 12

YUKON, Pa.—Just a last reminder to everyone to attend the Silver Stars Lodge 729 dance this Saturday, June 12, at the Slovene Hall here in Yukon. The well-known Frank's Trio will furnish those favorite Slovene melodies. Dance time is from 9 pm to 1 am. Plan to attend our dance now and enjoy the Slovene hospitality in our community.

Campaign Leader

POLLY SLADICK

At the end of the second month of the Juvenile Anniversary Campaign, Sister Polly Sladick, Secretary of Lodge 718 and Director of the Juvenile Circle, Imperial, Pa., leads all contestants with a total of 25 new members. She now belongs to the group of super-campaigners who have secured over 100 new members each in campaigns of recent years. Congratulations!

BADGERLAND NEWS

MILWAUKEE, Wis.—Our sincere congratulations to Jim Pouros and Jean Bevers who were married just recently.

It's a baby girl at the home of Mr. and Mrs. Abramowski, Mrs. Abramowski is the formed Josephine Zajec. Mr. and Mrs. Spirewka are also the proud parents of a baby girl. Our congratulations. Mrs. Spirewka is the former Louise Kropuska.

Tommy Leskosek has transferred to the adult group. Tommy is the boy who is very nimble on the piano accordion and has played for dancing for our last two monthly meetings.

Mr. and Mrs. Otto Jereb and children are up in the north woods for a ten-day vacation.

Frank and Tony Verbick spent last weekend up in northern Wisconsin, at Frank's summer home where they say the fishing is tops.

Better send me a sample, boys, or you will suffer the consequences.

We have heard a lot of fishing stories, but the one Frank tries to make us believe tops the cake. He says that the fish are so thick up there that they crawl right into the boat looking for the worms. Him looks like the Zvonar boys and Doc Schuler are in for some keen competition.

Those on the sick list are Pauline Pink, 815 S. 34th St., Vic Kouchich, 705 W. Virginia St., Martin Leskosek, 1009 W. Scott St., Agnes Martin, 6744 W. Monona Pl., and Fred Meyer, 8419 W. McMyron, home from the hospital after a recent operation. Please drop in to see these people whenever possible.

DUES. Some pay their dues when they are due, some pay when they are overdue, some never do.

HOW DO YOU DO?

Dates to Remember

June 25—The date of our regular monthly meeting. This date should be a must for all Badgers. So get on the bandwagon and let's start rolling as the days of yore.

July 25—The date of the annual Badger picnic. Bagdad's Grove, located at S. 38th and W. Burnham St., is the place.

Sept. 4-5-6—This is the date of the National SNPJ Day which will be held in Milwaukee this year.

The various committees are already hard at work getting set for these three big days. People will be coming from all over the country for this occasion and let's show them the real Milwaukee hospitality. That means plenty of work for all and with cooperation from all should go over in big style. So if you are asked to do your share do it and do it willingly. All details will be published in this and other columns from time to time to keep you posted.

Thank you, Butch, for those words in your last week's article. And you Snippy, when are you getting back into print?

Don't forget to get into the habit of paying your dues on time and to attend our monthly meetings.

SALTY, 584.

NEW SALEM, Pa.—There will be a Slovenian dance at the Melody Rink in Uniontown, Pa. (Date not given—Ed.) Music by Frank Yankovic and his Columbia Recording orchestra from Cleveland.

Detroit SNPJ Feder- ation Picnic July 25

DETROIT.—The last Federation meeting was held Saturday, May 15, at 7:30 pm on 17153 John R. The attendance of lodge delegates has been very favorable this year. Plans are progressing smoothly for our SNPJ Federation picnic to be held at Welcome Park, 15½ Mile road and Livernois, Sunday, July 25. We will have Stan Novak and his Vagabonds, from Sharon, Pa., giving out with the music for your dancing pleasure. Tickets for this picnic will be on sale in the near future.

The following were elected for the picnic committee: Alberto Maroley, committee chairman; Albert Napruden, bar committee; Lena Masser, kitchen committee; John Rimac, admission ticket committee; Frank Modic, refreshment ticket committee. If anyone of the above ask you to contribute a bit of your time for one of the various jobs, be inclined to accept. Of course, voluntary help will be readily accepted. As you all know, if we all do our share, we all can have a wonderful time. Since the Federation is composed of five lodges we should make this the most talked of picnic this year.

Another thing, folks—don't forget that drawing tickets are being sold for that new Chevrolet, Philco refrigerator and combination radio to be given away at this picnic. The proceeds going to the SND building fund for our new "Dom."

FLASHES

By Donald J. Lotrich

CHICAGO, Ill.—Memorial Day to a baby a few days ago. Congratulations!—Frances Tratar, a former Pioneer and now of Fontana, Calif., is visiting her friends in Chicago.—Arley Bozienik with his wife Margaret and son Ronald have left for a vacation in Kansas.—Sylvia Hassiepen is enrolling her baby during the present membership campaign. This brings us down to the problem of fulfilling the Pioneer quota in this campaign. It is higher than it was in the last campaign, but we can easily reach it if more of our members will see the need in helping us acquire it.—Stanley Zele has been added to the list of those who reserved places for the 1948-49 Bowling League. We continue to urge the rest of you bowlers to follow suit.

A short while ago Mary Matjasic Moe lost her father. He was buried in the SNPJ Section at the Woodlawn. To the family we extend our sympathies. —Frank Golub, father of Ann Cartier, and Emil Golub of the Pioneers, passed away at his Ontario, Canada, home. The family intends to bring him to Chicago for burial at Woodlawn. To them too, we extend our sympathies.—Joseph Supanic has had some medical work done and thus has been placed on the sick list.—Anne Beniger has returned home from Billings Hospital and has reported well.—Our Democratic Senator, Scott W. Lucas, responded to our request regarding the Mundt-Nixon Bill. We urged him to vote against it. He promises to weigh all of the factors and use his good judgment in the best interests of the country. Which reminds us that the U. C. Round Table discussion last Sunday, was indeed enlightening. One could see that the forces demanding the passage of this bill are fearful lest some day a new and better economic system be set up there.

For those who may not know and who may need the services and the supplies of the Department of Forestry, let it be known that the State of Illinois has such a department and that seedlings are sold at \$5 per thousand while transplants sell at \$10 per thousand. Those in charge of this department realize that the timber is cut twice as fast as they are being replaced and are now making good headway in an effort to catch up with the demand. Illinois has over 1000 saw mills and they are not able to supply all of the lumber consumed in the state. Much of it comes in from other states.—The June Bulletin of the Peoples Lobby has a number of important articles. It reports about the stand taken by the National Grange against the grab of the natural resources of the Senate Bill 1988. They oppose the passage of the bill therefore and the arguments and logic are sound. The second story recites the news about "Bases and Empire" which was written by George Marion, but for which the New York Times refused to accept a paid ad. This story is too incriminating. Yet it must be true. Else, the publisher would be liable for damages. The third story is a resume of Trygve Lie, Secretary General of the United Nations, on the future of the United Nations. The People's Lobby is doing a good job for the betterment and well-being of the common people of America.

Those of you who wish to help circulate petitions to place the third party on the ballot in Illinois can secure them at 2610 S. Lawndale Ave. or from Louis Zorko who is in charge of the 22nd Ward group doing that work.

P.S.W. News

ALIQUIPPA, Pa.—Circle 13 of the Progressive Slovene Women organization met on May 13 with most members attending. Anna Ranica and Frances Zakrajsek attended the PSW convention in Cleveland on May 16.

On May 23, the SNPJ Juvenile Circle 56 put on a Parents' Day program which was a big success. Each mother present was presented with a carnation by the children. At 5:30 a supper was served by the women and in the evening there was dancing to the music furnished by Johnny Krek. I want to thank all PSW members for their help in making the dinner a big success.

Another grand time will be held at a picnic on August 15 at Pollock's farm. Music will be furnished by Joe Umeck.

See you all at the next meeting June 10. EDNA YANKOVICH

SNPJ SOFTBALL PLAY-OFFS AND LEAGUES

In order that there will be as little misunderstanding as possible concerning the rules which affect SNPJ national and district softball play-offs and leagues, we take this opportunity to re-state some of the more important provisions approved by the National Athletic Board.

The national softball play-offs will consist of four teams, representing the seven Athletic Districts of the Society as follows: One team will represent District No. 1 (Eastern Pennsylvania and New York), another team District No. 2 (Western Pennsylvania and West Virginia), a third team Districts No. 3 and 4 (Ohio and Michigan), and a fourth team Districts 5, 6 and 7 (Indiana, Illinois, Wisconsin, Minnesota and Missouri).

All games shall be conducted under the rules of the Amateur Softball Association of America as approved by the Joint Rules Committee, except as otherwise provided by the National Athletic Board.

No districts or combination of districts can be represented in the national play-offs, unless two or more teams of different lodges compete for this honor, according to rules and regulations approved by the Athletic Board.

All players who will participate in the national softball play-offs must be members in good standing, having joined the SNPJ on or prior to June 1, 1948. Their names and certificate number shall be furnished to the Office of the Athletic Director to be checked for eligibility in sufficient time.

All district play-offs shall be completed three weeks before the national play-offs. That makes August 15th the deadline.

The twelve-inch smooth seam ball shall be official for all play-offs. We advise that leagues also use this type of ball during regular season play.

Players participating in national, district and league games supported by the SNPJ, shall advertise only the Society and local lodge on their uniforms.

Each team qualifying for the national softball play-offs shall be entitled to regular railroad coach fare (not Pullman or First Class) roundtrip for 15 players, including the manager. Payment shall be made after the team has returned home and a bill for traveling expenses, approved by the lodge, has been submitted to the Main Office. The national softball champions shall receive, in addition to traveling expenses, the sum of \$150 for jackets or sweaters and a permanent trophy.

An SNPJ softball league shall be recognized as such provided it consists of four or more teams, each representing a different lodge. Wherever a league of this kind is organized, the winner at the end of the season automatically qualifies for district or national softball play-offs.

If more than one SNPJ league is organized in a district, the winner of each one automatically qualifies for the district play-offs.

Teams representing SNPJ lodges in an area bounded by an SNPJ league, must belong to the league in order to be eligible for district or national play-offs.

In a district where there is an SNPJ softball team or teams, who play regularly in an organized league or independently, but cannot be accepted into an SNPJ league because of traveling distance involved, such team or teams shall be required to participate in a special play-offs for non-league teams only to determine which team shall enter the district play-offs against league winner or winners. Such play-offs shall be arranged by the Athletic Director in conjunction with the district representative of the National Athletic Board.

Any lodge, sponsoring a softball team which is not a member of an SNPJ league and which team desires to participate in the district play-offs to decide who shall represent the district in the national play-offs, must notify the Office of the Athletic Director prior to July 1.

A lodge cannot enter a team in the district play-offs unless it has played at least six games in organized or independent competition, having represented and advertised the lodge in each one of the contests. Official score sheets must be furnished on request.

If a team is not permitted to compete in any SNPJ league in its district, such team or teams shall have the right to enter and participate in the district play-offs.

The best two out of three games shall decide the winner in a district softball finals to determine which team will enter the national play-offs.

The SNPJ shall donate \$100 per season to any lodge sponsoring a softball and/or baseball team in an organized league. The deadline for applications for this donation is July 1.

A team which does not play in an organized league shall not be entitled to the maximum amount of assistance. The same ruling shall apply to teams, representing lodges not showing progress in membership at the end of the year, on requests for financial aid the following year.

Sport Directors and Secretaries of lodges, desiring further explanation of above provisions of the rules, are requested to write to the Athletic Director of the Society.

MICHAEL VRHOVNIK, Director of Athletics

Bowling News

DETROIT.—Now that the bowling season is over we have the final results of some of our women's bowling teams.

The Wolverine "Piccolo Five" team captured top honors in the Nat'l Bowling tourney. The team was comprised of Mimi Selak, capt., Helen Klusevack, Anne Padar, Marie Benedict and Helen Adamic. The girls got right in there and really knocked down that wood.

A few of our Wolverine-Young American girls came out on top in a few of the other leagues and I'm sure most of you would be interested in the results.

On the Tuesday nite Palmer Park Women's House League, the Thrifty Dress Shop sponsored the following girls: Mimi Selak, capt., Mitzi Werholtz, Helen Adamic, Lena Yerman and Marian Rancuch. The girls won first place and were presented with individual trophies, and a large trophy which went to the sponsor. The trophies were presented at the Howling Banquet held at the Palm Beach Cafe on May 4th.

"Lefty" Kovach's Omira team bowled themselves right into first place on the Thursday nite Grand River Business Women's League. The girls on the team are Jo Grum, capt., Marian Rancuch, Berchie Marooley, Rose Miller, Lena Yerman. Rose Miller had a new nickname bestowed upon her. She is now better known as "Ride the Rail" Miller.

Now we come to the SNPJ Sunday League. The Wolverine "Sparklers" took first place in this league. The Sparklers captained by Lena Yerman are Jo Grum, Irene Golcar, Rose Miller and Marian Rancuch. Their team captain was presented with a beautiful trophy at the Bowling Banquet on May 8 at the SND on John R and Six Mile.

Most of these girls that are mentioned in this column and a few more of the Young Americans took part in the Champion of Champs

Bowling tournament at the Crest Bowling Alleys. No results had been published at the time of this writing. I understand that some of the girls who bowled in this tournament helped Mitzi Werholtz celebrate her birthday at Omira's. Mitzi's birthday was on May 24, so Happy Birthday, Mitzi, and many more of them.

Midwest SNPJ Athletic League News-Views

MILWAUKEE, Wis.—All lodges intending to have softball teams this year, please contact me at once so that we can arrange some sort of a schedule for the Midwest SNPJ Softball league.

The time is growing short so let's get moving. At the present time, Lodge Moderna of Sheboygan and Danica of Indianapolis have softball teams representing their lodges in local leagues. Where are the rest of the big lodges like the Chicago Pioneers, Little Forts of Waukegan, Milwaukee Badgers, etc.? Write me at 381 E. Bay St., Milwaukee 7, Wis.

Softball is going to be represented on the program at the National SNPJ Day in Milwaukee. Let's get a good representation from this area. In past years, the Midwest areas put out some excellent teams. It could be done again. Your lodge team has to play at least six games of independent ball or enter some local league or the Midwest league in order to be eligible for the national championship games. The team uniforms must advertise the Society name too.

Conemaugh Valley Softball League

JOHNSTOWN, Pa.—In the inaugural of the Conemaugh Valley SNPJ Softball League, the Cambria City Adrians Lodge 3-SNPJ defeated the Trojans, Lodge 749, to the tune of 10-0. The game was sparked by the brilliant hurling of Tom Lonchar of the visitors who seated 8 batters with strikeout route. Tom limited the losers to but 2 hits, both of which were by our friend Larry Langerhole.

The Adrians drew pay dirt in the latter half of the first inning on an unearned run, followed by five in the second on two hits, and one in the third on one hit. In the fourth inning the Trojans settled down a bit to retire the Adrians one, two, three. The Adrians concluded the scoring for the afternoon in the fifth, scoring three runs on two hits.

The only extra base hits were two baggers by Draskler, Salas, and Vane of the visitors.

At this time, the undersigned wishes to accept the welcome of the member teams of the Conemaugh Valley Softball League. I remember well the good times we had in the past and now am looking forward to the continuance of our friendship and good relations.

Also, I wish to express my gratitude for the wonderful response I have received to the call for softball players in our Lodge. I sincerely hope that this is the beginning of a greater sports program within our lodge. Already, because of the inaugural of sports in our lodge we have gained 10 members and have applications for several more. Again, I wish to say, all those interested in sports of all kinds, please come to our regular lodge meetings or reach me by dialing 376-672 after 6 p. m.

4th Annual Slovene Golf Tourney July 25

WAUKESHA, Ill.—American-Slovenian golfers have chosen Sunday, July 25, for their 1948 outdoor frolic and golf tournament at the Suburban Country Club in Waukesha. This announcement was made today by John (Pewee) Dolence, American-Slovenian Golf Association president.

For championship flight golfers only: There will be an 18-hole preliminary round the day before so that fairway hot shots who decide their title in 36 holes of play will have half the distance covered before the big tourney day dawns.

Decision to make a two days' event of top flight play came at the result of crowding at last summer's widely attended fests and was designed to speed up and facilitate activities in all classes.

Last year the list of players and guests assumed such proportions that delays in the awarding of prizes resulted and many participants were detained beyond going-home time while details were being thrashed out.

Frank Ogrin Jr. was given the chairmanship of this year's tournament.

Ogrin, whose work with Ed Slobe did much to make the first American-Slovenian annual tourney in 1945 one of a series of highly successful events, gave assurance that such delays would not be repeated.

"Much has been learned from the past three events," Dolence said, "and we have it from Ogrin that this season will find the tournament committee well prepared to run the day's events off swiftly and smoothly. Playing the 18 holes on Saturday and 18 on Sunday will help matters a great deal as most of the work force is involved in 36-hole play."

Ticket sales will be entrusted to Frank (The Flyer) Mesec who has geared his committeemen to the task of catering to an expected large demand for the gateboards.

There will be a change in Sunday tee-off time this year. With a view to accommodating local suburban foursomes and threesomes not involved in the American-Slovenian affair, the tournament start has been pushed back to 10 o'clock. Previous to this time it is hoped that non-tournament players will have cleared the starting tee.

All tourney classes except the men's championship bracket, and this includes the 18-hole championship trophy event for American-Slovenian women golfers, will be played off in their entirety on Sunday.

Detroit Wolverines

DETROIT.—Picnics and various outings are uppermost in everyone's thoughts these days mostly due to the beautiful weather bestowed upon us by the weatherman.

The important "Picnic of the Year" is being given by the Detroit Federation at Welcome Park on Sunday, July 26. Stan Novak and his Vagabonds of Sharon, Pa., will spin the tunes for dancing. A huge drawing is being held in conjunction with this picnic with three grand prizes given away—a new Chevrolet, Philco refrigerator and combination radio phonograph. Please bear in mind all proceeds from this drawing go to our building fund for our new SND in Detroit. The committee has received their building permit so things should be started any day now. We need a new SND in Detroit, so please members try hard and sell your tickets. A prize goes to the individual man or woman selling the most tickets. Turn in your stubs to Berchie Marooley or myself as soon as possible. The latest out-of-state lodge to aid us by selling a few books are the Utopians of Cleveland. Our thanks to Rose Shume for your cooperation.

A visitor in Detroit over Decoration day was John Dolence of Waukesha. John is president of the American Slovene Golf Association and he reports that their 1948 tournament will be held on July 25. This tournament has grown to be one of the largest golf tournaments in the Midwest. Any golfers interested in participating in this event can contact John.

The Wolverine Softball Team has been playing fine ball without uniforms, but watch them really play now that they have their new blue and gold uniforms. They are in first place in the Royal Oak League by virtue of 4 wins, 1 tie. Cy Reppos and Fred Marks still do a grand job of pitching. John Plesic hit one of the longest home runs on record in last Tuesday game against the CYO team. It was the winning run for the Wolverines, making the score 8-7. These boys have the SNPJ championship in mind and are looking forward to a trip to Milwaukee in September.

Here is the Wolverines' schedule for the month of June:

- June 10—Wolverines vs. Clawson CYO.
- June 15—Wolverines vs. Velva Kreme.
- June 18—Wolverines vs. DPW.
- June 21—Wolverines vs. Clawson CYO.
- June 25—Wolverines vs. Velva Kreme.

June 27 is SNPJ Day in Pennsylvania. A group of Wolverines and Young Americans are planning to drive down to South Park for this event. Anyone wanting to join us can contact Larry Bernick or Elwood Blaik.

Wolverine meeting day is Friday, June 18, at 8 pm. Athletic Manager Al Padar has money for the winners of the SNPJ Bowling tournament. "Boss" Obed has transferred to Los Angeles and two juveniles, Albin and Velda Hart transferred to Kansas.

Odds & Ends—Frank Hribar presented our cute Wolverine teacher Molly Peric with a huge diamond for that third finger left hand. Congratulations, and rumors are flying that wedding bells will be ringing soon for these two.—Anniversary congratulations go to the Vic Stromars, Hank Ruperts and Ed Orcutts.—A party was held for Gayle Hochevar on her second birthday last Thursday.—Pete Benedict Sr. made a surprise visit to Detroit from El Cajon, California, to view his two new grandchildren.—Remember the Wolverine Moonlite Picnic on August 7 at Welcome Park.

Member Settles in Portland, Oregon

PORLTAND, Ore.—Just a few lines to let you know I am settled out here in Portland. I have a nice little five-room home just a few doors from the golf course, which I haven't had time to try out yet. I am facing the famous Mt. Hood on which the Timberlane Lodge is located. I understand they ski on this mountain till July.

I have bought a business place called the Rose City Club. It's a tavern, card room and restaurant combined. It's quite a place and keeps you going all hours of the day.

I received my first copy of Prosveta since I'm here, and I must say I was happy to read the paper and see what's going on back home in Chicago. Regards to all and especially to bowlers and members of the SNPJ Pioneer Lodge 558. My address is: 2001 N.E. 78th Ave., Portland 13, Oregon.

Spirit-O-Grams

ST. LOUIS, Mo.—Good old month of June is here and what a month for everybody to plan for vacation, picnic and good old barbecue. What do you say, Lodge members, we have one soon?

Members, don't forget our next meeting will be on June 18, and what a program is planned for that meeting. Oh boy, will the Dads be proud that nite, after seeing the juveniles practice their parts for Dad's day. So don't forget you Dads to be sure and attend that meeting on June 18.

I am not suppose to let the cat out of the bag, but I cannot help but write a few lines about the kids' practice at their last Juvenile Circle meeting. They are all right. I want to make a correction that the Dad's program will be had right after our regular meeting which is June 18, not June 25, as stated in the last issue of the Prosveta. To the members and juveniles: Did you see the picture of your Juvenile Circle in your last issue of The Voice of Youth?

Sick list—We still have Angela Boranich, Mary Petrovich Sr., Stanley Schober, Anton Hervatin and Sybil Youngman who had her ear lancealed the past week. Juvenile Director Tillie Ducote who could not eat or hardly talk for a few days on account of bad case of tonsillitis. Our juveniles also had a few sick to report. John Rhodus Jr. has recovered from pneumonia, Charlotte Ducote is getting over the chicken pox and Mary Frances Yartz also had her tonsils removed. Wish you all a speedy recovery and be with us again at our next meeting. We also have Mrs. Mary Cankar of Bellville, Ill., at the Park Lane Hospital in St. Louis. She has undergone a serious major operation and at the last visit to her she was progressing nicely. She is the wife of Mr. Matthew Cankar, our delegate to the last convention. Wish you speedy recovery and good health again.

Visitors from out-of-town were Mr. Miklauts and Mrs. Johnson of Nokomis, Ill., who are brother and sister of Tillie Ducote. Joseph Klansek of Freebury, Ill., visited with Mr. Frank Roseman, Speck family and their young truly and family.

Notice—Financial Sec'y Odella Markoff had her telephone number changed to Sweet Briar 0500, so make correction in your notebook at once so you have the right number when needed. Theresa

Circle 66 Plans Dance June 19

SOUTHVIEW, Pa.—On May 9, Circle 66 held their Mother's Day program which was a success. The hall was filled with parents and friends.

Each mother was presented with a carnation corsage. Potted plants were also presented to the eldest mother and the mother with the most children in the SNPJ. Mrs. Mary Peresutti (my mother) was the oldest mother present, and a member for 37 years. Mrs. Mary Bistarky, the mother of the most children—ten children and there are thirty members of her immediate family—truly a mother of the SNPJ can be proud of. Mrs. Dorothy Vozel Benedict was the youngest mother; she was presented with a bouquet of lovely flowers. Then dancing, plays, recitations and singing including Slovene songs, piano solos. We certainly can be proud of our children and their ability to entertain. Each child had a part and each part was well done. I wish to thank Mrs. Urbancic for her piano accompaniment.

On May 21, I had the pleasure of attending the Mother's Day program at Strabane given by Circle 27.

Their program was well worth seeing and very well done. I had the pleasure of meeting Mary Cheskis, Justine Sedmik of Circle 19, Mary Koval and few others. Thanks to Mrs. Albina Yarkosky for the invitation. After the program a delicious dinner was served. Thanks again for a lovely evening.

On June 19, our Circle will hold a dance. Music by Frank Klobcar and his Airliners. Won't you come and enjoy yourselves with us?

Our Circle softball team is looking forward to playing Circle 19 some Sunday in the near future, so all you boys come out and practice your softball.

MARY WOLFE, Director

"On Mother's Day," "Serenade of the Bells" was sung by Daria Forsythe and Mildred Radasovich. "Fences" was recited by Richard Derglin. A special poem dedicated to all grandmothers was presented by Eleanor Zakrajsek called "Star Mati." A "Russian Dance" was presented by Abbey Ann Walker. The President of the Circle honored all mothers with a beautiful song titled "Mother."

A short skit called "Mother's Little Helpers" was presented by six small girls, namely, Jo Ann Arbuthine, Janice Yonkovich, Beverley Sintay, Shirley Gural, Suzanne Ranic, and Frances Derglin. John Yaklich recited "We've Done Our Best." Eleanor Zakrajsek, Eleanor Radish, Harriet Yonkovich, and Marlene Smrekar sang "Now Is The Hour." At the closing of the program Samuel Benedict bid the parents "Good-bye," and a song titled "Good-bye" was sung by Catherine Danjanic and Shirley Grazules.

The Progressive Slovene Women's Circle served a delicious supper after the program to parents and friends. Later dancing was enjoyed to Johnny Krik's orchestra. I wish to take this opportunity to thank Co-Director Frances Zakrajsek and Asst. Director Mary Ann Radic for their valuable assistance with the program.

At last the Jolly Quips Circle are going to make the long awaited trip to Pittsburgh by special bus to hear and see the Wilken's Amateur Hour broadcast over the air. This is going to be an all-twin show and it will be especially interesting.

On Sunday, Aug. 15, the Progressive Slovene Women and Jolly Quips are holding a joint picnic to raise funds to carry on successful programs in the coming months at Pollack's Farm. Joe Umeck and his Rhythm Kings are going to play for dancing and we hope all Circles and Lodges will keep this date in mind. More details in the future.

Praises Circle 66 for Staging Fine Program

SOUTHVIEW, Pa.—In commemoration of Mother's Day, Circle 66 dedicated a very entertaining and English, all containing the Mother's of our lodge. The evening's program was enjoyed by the large crowd that was in attendance.

The program consisted of skits, verses, and songs, both Slovene and English, all containing the Mothers Day theme. Preceding the program, carnations were presented to all the mothers of our lodge by the juveniles.

The program ended in a very impressive manner with the presentation of bouquets to Mrs. Mary Peresutti for being the oldest mother in our Lodge; to Mrs. Dorothy Benedict as the youngest mother; and to Mrs. Steve Bistarky for being the SNPJ mother—she has the greatest number of children and grandchildren in the SNPJ from Lodge 265.

On behalf of the Lodge I extend congratulations to Mrs. Mary Wolfe, our Juvenile Director, who so ably directed the program. Also, thanks are in order in appreciation of the fine work done by her in getting the Circle started and making it an active and beneficial one to the parents, to the Lodge, and to the children themselves.

Out California Way

FONTANA, Calif.—It has been decided and voted on by both Lodges, Sunkist 723 and Orange Blossom 569, that on Sunday afternoon, June 13, beginning at 6 o'clock, pictures are to be shown at the SNPJ Hall here, by Brother John Olip of Lodge 615, Los Angeles. The object is to organize a bowling league from which can be selected a team to represent Fontana in competition with other SNPJ Lodges throughout California and other Western States. The aim is to form a bowling tournament as is held in the Midwest. If any Lodges of the Western States see a bright future in such an event—we of Fontana would like to hear from you, pro or con, just drop a line to the Secretary of either Fontana Lodge 723 or 569.

Family Helpmate

BY DOROTHY SODNIK

For a dish that is both very tasty and stretches far and can be sliced and eaten cold in sandwiches, meatloaf can't be beat. It is also appealing to the entire family. This recipe may well be called vegetable meatloaf as you shall see:

Use 2 1/2 lbs ground lean beef, 2 raw carrots (shredded), 1/4 head lettuce (shredded), 2 hard cooked eggs, 1 large diced onion, 2 eggs (raw), salt and pepper to taste, 1 cup bread crumbs, 2 strips of bacon. Combine all ingredients except hard-cooked eggs. Shape into loaf form, a hole in center to place 2 hard-cooked eggs end to end. Close the hole, place bacon on top and bake until done and well browned. This meatloaf sliced looks good with the eggs right in the center. Make a brown gravy and either oven roasted potatoes or mashed creamy potatoes.

Novelties:—Are you going to a wedding shower this month and you want to do something different in the way of wrapping the gift? Tie several streamers of white ribbon on the package and to the ends of the streamers attach such necessary sewing equipment as every household needs. Thread, buttons, darning cotton, needle, thimble, and anything else you may be able to think of. This is both unique and sensible.

If it's a baby shower (these are as numerous as weddings), tie streamers of pink and blue ribbon around a large cake of Ivory soap and on the ends attach tiny baby dolls that all the dime stores carry. Some are plastic and some are rubber.

Incidentally, girls, if you want something starting and different in buttons, these tiny dolls are your ticket. Punch holes with a good sized needle, or glue onto a button base. The plastic ones cannot be pierced unless you have an electric boring tool.

The first U. S. labor party, of which the Mechanics Union of Philadelphia was chief sponsor, was formed in 1828.

Earnings of 430 typical corporations were 23% higher for the first quarter of 1948 than for the same period a year ago.

The Cigar Makers Intl. Union was one of the original founding unions of the AFL.

U. S. Post Office Urges Use of Zone Numbers

The Post Office Department is urging all persons to use their own zone number as a part of their own address, and to use the zone number of the person to whom they are writing. This is always necessary but particularly so during the holiday season.

The Chicago Post Office has arranged to enter the zone numbers on local mailing lists without charge to the patron. Write the addresses of your Chicago friends and relatives on a sheet of paper and send them to: The Postmaster, Room 408, Main Post Office, 435 W. Van Buren St., Chicago 7, Ill.

MIDDLE EAST NOW U. S. OIL EMPIRE CANADA SHOULD TEACH US TO BUILD OUR OWN PARTY

BY PETER MORTON

NEW YORK—(ALN)—"Protection of Middle East oil investments and the military and economic security it represents will become one of the prime objectives of American foreign policy."

This statement appeared in the New York Times, March 2, 1947, 16 days before the Truman doctrine was proclaimed and a year before Warren Austin, U.S. delegate to the United Nations, notified the world that America was abandoning the General Assembly decision to partition Palestine.

Although a surprise to many, the Palestine reversal was hardly news to American oil circles. Fortune magazine, May 1947, explaining the U.S. support of Middle East feudal lords, said a "stable political and economic environment" was necessary to promote oil investments in that part of the world.

These investments and their profit potential stagger the imagination. The world's largest oil producer, the U.S., has proven reserves of 21 billion tons. In the Middle East known deposits are five billion more than that. Untouched fields are expected to yield 180 billion tons as fast as the drills can get it out.

World oil prices are based on U.S. gulf coast prices. This makes foreign resources more attractive than domestic ones to U.S. investors because low wage scales in the Middle East mean far greater profits.

Five U.S. oil companies with predominant Rockefeler control and combined assets exceeding \$5 billion have made millions since 1928, when the British first succumbed to U.S. government pressure and permitted Standard Oil of New Jersey, world's largest operator, to buy a quarter interest in Iraq fields.

Top U.S. oil company is the Arabian-American Oil Co. (Aramco), operating in Saudi Arabia. Set up in 1936 by Standard Oil of California and Texas Oil to develop a concession acquired in 1933, Aramco has exclusive drilling rights for 60 years. Last year a 50% interest was sold to Standard of New Jersey and Socony-Vacuum for \$102 million plus entry into the European market which the two buyers control.

With wages as low as 25c a day, production costs in Saudi Arabia are kept down to 20c a barrel. King Ibn Saud gets a 25c-a-barrel royalty. Direct production expenses are about 2¢ for each sales dollar, allowing a huge margin for profit.

Before the war Britain dominated Middle East fields, producing over 75% of their oil against a U.S. output of 15%. By 1950, it is predicted, this ratio will be reversed. Profits

are expected to reach \$400 million this year, four times as much as the 1939 take.

In Iran, only Middle East oil source without direct U.S. exploitation, British-controlled Anglo-Iranian Oil recently contracted to supply standard of New Jersey and Socony-Vacuum with an estimated 50% of all crude oil produced. Standard is even moving into British home soil, where a \$100 million refinery is under construction. When finished it will handle more than half the oil refined in the United Kingdom.

Middle East petroleum is likewise destined for France, where Standard of New Jersey controls one-third of all refineries. In Italy, where American companies supply more than two-thirds of the crude oil, greater refinery capacity was assured in return for U.S. government cancellation of \$900 million in debts.

Although Saudi Arabia is the richest source of the U.S. big business oil empire, other Middle East and Near East countries also pour black "gold" into the coffers of the corporations. On Bahrain Island, where Standard of California and Texas Oil hold sway, a subsidiary has earned \$82 million on an original capital investment of \$100,000. Incorporated in Canada, it pays no taxes to the U.S.

North of Arabia, in the sheikdom of Kuwait, the British resisted U.S. infiltration for many years. In 1934, however, Gulf Oil (controlled by the Mellon family millions) obtained a half share in concessions. Iraq petroleum is owned equally by Dutch, French, British oil interests and Standard of New Jersey. Egyptian fields are mainly in Dutch hands, but here too U.S. companies have several concessions.

Four pipelines, representing an investment of \$200 million, are under construction to get oil from Arabia to coastal ports. Because the U.S. backed the Palestine partition plan, the Syrian government refused to allow the lines to cross its borders. Right after the U.S. made its abandonment of partition clear, the objections were withdrawn.

The way is now clear for U.S. corporations to gobble up the wealth that Time magazine once termed enough to increase Rockefeller billions a hundredfold.

The CCF Government gave us the greatest inspiration. While reaction is taking place in all of the parts of the Western hemisphere, it was good to see one section of North America moving steadily forward in improving the status of its people. The CCF in Saskatchewan is composed predominantly of wheat farmers. This Government took power in July, 1944, and in three and one-half years has made more social progress than any government has made anywhere in the world in the same length of time.

Progressive Labor Laws

The Government established a

Department of Labor, and established

a Trade Union Act, which is by far

the most progressive labor act en-

acted anywhere in the world.

The Act provides for compulsory main-

tenance of membership and the

checkoff of union dues; and further

provides for certification of unions

as collective bargaining agents. The

Labor Relations Board, which ad-

ministers the Trade Union Act, has

much broader powers than the Wag-

ner Act had in its early period.

The CCF has passed a Workmen's

Compensation Act, which provides

for 75% of the worker's earnings as

benefits. The benefits under this

Act are higher than those paid in

any other Province in Canada.

The CCF passed a Minimum Wage

Act, which also provides for time

and one-half for overtime. They

have also passed Labor Legislation

to protect women and children

Saskatchewan is the first Canadian

Province that has established, by

law, compulsory two weeks' vaca-

tion with pay for its wage earners.

The CCF has also adopted an An-

nual Holidays Act, which provides

eight paid holidays yearly. Work-

ers who work on the holidays re-

ceive time and one-half in addition to their regular pay.

AN AMERICAN GIRL VISITS JUGOSLAVIA

From T & T—TRENDS AND TIDES

Last autumn I received a letter from Miss Anne Aldrich of Brookline, Mass., who said she had recently returned from Jugoslavia and added she might write a book about her visit. Would some publisher be interested? She was soon coming to New York, to continue her studies at Columbia University; could she see me?

I agreed to meet her; for the State Dept. barred Americans (with few exceptions) from Jugoslavia on the ground that the U. S. Embassy there could not protect them from the savage Jugoslavs, and I wanted to know how a young lady of college age had got into the country and come out alive.

When we met, Miss Aldrich was full of her Jugoslav experience and of the problem what to do with it. But I had to rush off to another appointment, and as we parted after only some 15 minutes of talk, I suggested that she write me a letter for possible use in T&T.—L. A.

Dear Mr. Adamic: . . . I was brought up in a small New England town . . . My father's story is that of a farm boy who became an executive in New England's largest independent milk company . . . a staunch, solid Republican Yankee who grew up in the age when the Great American Myth held true . . . a success in a country where a man is measured by the dollars he manages to accumulate in his lifetime.

Materially speaking, I was in some respects a spoiled and pampered child. I had everything I ever asked for and more besides . . .

From Columbia to Geneva

Along with the three R's came regular indoctrination in New England Puritanism and some good old homespun philosophy . . . preparation for college life in New York City. I studied via the accelerated program at Columbia University. In the last analysis this meant finding the method by which I could learn "the mostest the fastest." International relations—government, political theory, history—fascinated me. I had time to do the reading, and if it was a question of two great thinkers' ideas on the same subject, I had time to make a preference. But going to school summer and winter there was never time to decide what I really thought about anything.

Then in 1946 came the opportunity to go to Switzerland, to study at the University of Geneva with a group of students from Smith College. Academically the year was a waste of time; from every other point of view it was invaluable. It might have been the influence of the European students and university system; it might have been that I had reached a saturation point of "fact-cramming"; in any case, I spent the year doing a little talking, more listening, mostly trying to think . . .

Thesis: "Jugoslavia, 1941-46"

I came to a few conclusions—most important perhaps, that I really didn't believe in any absolutes, except life itself. If any good—any absolute good—exists, for me it is the possibility of the individual to develop all his potentialities for living, so long as this development doesn't infringe upon the development of others. Around this conviction I was able to integrate my formerly conflicting opinions concerning religion, morality and politics. Religion and morality were comparatively easy; politics was hard. Given my premise, I had only to find the political system which gave the individual that possibility. I knew the theories of both East and West, and the practice in the West. I didn't know much about the practical working of the theory in the East.

At about that time we were assigned to write theses on any contemporary political problem in our respective fields. I began to read general histories of the Balkans, and narrowed my reading down to Jugoslavia, probably because somebody else had all the books on Czechoslovakia out of the library. In any case, I found myself writing my thesis on "Jugoslavia, 1941-46," and its present position as one facet in the greater problem between the U. S. and the Soviet Union. I got a pass to the League of Nations library, which turned out to be only really heated building in Geneva; the result was that I worked much harder than I might have otherwise. I got in touch with the Jugoslav Embassy in Berne, and with all the anti-Tito Serbian colony in Geneva. Preparation for writing the paper boiled down to reading everything I could get my hands on, and cross-checking to find the facts upon which both sides agreed, following through with logic, and stating that there was insufficient evidence to prove any more.

Forbidden Fruit

In the early spring I began to hear about the Omladinska Pruga, the Youth Railway, in Jugoslavia—first over the grapevine, then from a friend of mine in the States who sent me the article in PM about the Harvard boys who had been refused passports to Jugoslavia to work on the Youth Railway by our State Department on the ground that Jugoslavia was not safe for our citizens. Forbidden fruit always appears tasty—I got in touch with the organization in Geneva that was sending a Swiss brigade to Jugoslavia, changed my boat reservation home from July 25th to August 27th, and talked a friend of mine, Elizabeth McKittrick, into going with me.

I began to learn Serbo-Croatian from my anti-Tito exile friends, who were convinced that I had lost my mind. I waited until the last minute to tell Dad my plans, then

rounded program. It is building them as individuals with unity of purpose—in place of the disunity and hatred that had existed between the national groups in pre-war Jugoslavia. Everyone has a hand in the creation of the new state; the spirit is much like the youthful enthusiasm that built our United States. Emphasis was placed on wiping out illiteracy, on raising the cultural level, and on the importance of comradeship in group living. "Braivo i jedinstvo" (brotherhood and unity) became common vocabulary in all languages—the central theme of the songs and cheers.

Festivals were held to celebrate all major and minor events—the completion of the line as far as Doboj, the Swiss national holiday (similar to our 4th of July), the departure of a work group for home. Evenings when nothing special was planned we entertained ourselves by building campfires, singing and dancing. Since the proportion of boys to girls was approximately three to one, the dance was usually the kolo, the Jugoslav national dance, done in a circle and requiring no partners. Politics entered into everything. I remember dancing one night with a Swiss, and having an enormous Czech cut in on us and inform my poor little bewildered partner that he was an imperialist—he'd had three dances with me already!

A New Angle on America

Political discussions, both group and individual, were frequent, frank and sincere. I began to see America as others saw it, which was enlightening if painful. Was America going to start a war? Why were we still manufacturing atomic bombs, throwing them around the Pacific, and practicing winter warfare in Canada? And supporting with arms a Greek government that certainly wasn't supported by the Greeks? And what about racial discrimination in the States? I could answer with counter-accusations, but defense was often quite difficult. However, I defended against all and every attack. I have a passion for arguing for the sake of argument.

I was tremendously impressed by the youth of eastern Europe—particularly the Jugoslavs. They knew where they were going and why. And with their tremendous spirit and physical energy there was no doubt about them getting there. They were wonderful people—unspoiled by the delicacies of overcivilization, uncorrupted by the superficialities of any of Emily Post's rules for "gracious living." They were natural, uninhibited, and good—it would have reaffirmed anybody's wavering belief in human nature. (Concluded next week.)

A Jackrabbit Policy

By K. M. Landis II

Who will win the war in Palestine between the Jews and Arabs, no one will know for a long time.

But it can be said without waiting that the hostilities represent a defeat from which the United Nations will not soon recover.

It can also be said that this defeat was not caused by Soviet Russia, or by anybody's veto. It was caused by the affirmative action of the United States.

On occasion Russia has vetoed action which she thought contrary to her interests, a right expressly granted by the Charter and which we have insisted upon for ourselves.

But what has the United States done? We can skip the question whether by-passes like the Truman Doctrine and the Marshall Plan are as bad as the veto.

The railroad runs through a terrain which rather resembles parts of the New England Berkshires, with its low rugged mountains and winding rivers. It is the most backward region of Jugoslavia, inhabited by a Moslem population which lives as it has lived for centuries. Clustered in tiny villages, they carry on agriculture in a most primitive fashion. Unbelievable contrast—Moslem women, still veiled, working in their fields, and at the same time the modern youth putting through their railroad with shovels, pickaxes, and wooden wheel-barrows.

Loans? Machinery from America? Not on your life! They are determined to be independent, and to them, financial aid from abroad looks like the equivalent of a mortgage on that independence.

Refused to Be "Decadent"

Our day began at 3 a. m. The flag went up; breakfast went down, and we were at work by five. The first day was the worst. The Jugoslav director led us to our work-place—a cliff some sixty feet high to which he pointed, then addressed the group in polite and precise German. "There are 90 of you—it should take ten days to move this." I stared at the cliff. It was unimpressed. I looked at the pickaxe, sleepily and uncertainly. Then some brave soul began to chip away at the mountain; the others followed suit. I followed the others. We worked hard—I nearly killed myself swinging that pickaxe, mainly because I was resolved to be anything but "decadent."

The first reaction was that someone was making a terrible joke, and some diplomats broke into skeptical laughs," reported a correspondent. And the second reaction?

"Most of the remarks heard around the corridors were too caustic to be attributed to their authors," said the dispatch.

One delegate asked another for the United States position on Palestine, and was informed by the other delegate that he could not say because he had not seen an announcement for 20 minutes.

All of this has been very hard on the peace of the world, and also on our delegate Warren Austin, a man of principle who likes to talk about principle, and who is very good at it.

The sad truth is that our foreign policy has recently shown about as much principle as a jackrabbit, and not as much consistency.

LAST HIRED—FIRST FIRED! This is the sad four-word story of minority groups and the business of earning a living.

"White girl wanted . . . 'Gentiles Only . . .' These phrases are shockingly familiar in the want-ads of our newspapers.

The President's Committee on Civil Rights let's us know that such discrimination is not unusual—that it is a definite policy affecting millions of our fellow Americans in their basic right to earn a living.

In the last depression unemployment hit racial minorities five times as hard as other workers. Now, after the war, cut-backs are hitting such minorities twice as hard as other groups.

The Fair Employment Practice Committee, set up by President Roosevelt during the war and now dissolved, warned in its final report that "the wartime gains of Negro, Mexican American and Jewish workers are being lost through an unchecked revival of discriminatory practices."

Even in times of full employment discrimination is cruelly felt. Jews, Negroes, Mexicans, Indians . . . find it next to impossible to get jobs for which they are trained. Only one out of twenty Negroes get a skilled or professional or managerial job as compared to slightly less than one out of three white men. Railroads generally exclude Negroes from jobs as engineers or conductors. In a Chicago employment agency Jews were barred from 50 percent of executive jobs, 41 percent of male clerical jobs, 24 percent of female

clerical jobs. And these are only a few random examples . . .

How much do you earn? That, too, may depend on your race, your color, your religion.

Even during the war, in 1942, if John Doe unskilled laborer, was a Negro, his average wage was 41.4 cents an hour; if he was white, it was 65.3 cents.

In 1940, Negro high school graduates earned only half as much as equally trained white men. The same was true for college graduates.

Once again, according to the President's Committee, our Federal government sets a poor example. Fully one-fourth of the complaints about employment practices made to the FEPC were directed against the government itself!

The best non-discrimination record is that of labor unions, but even they fall short of the goal. Six percent of the complaints were lodged against them. However, the AFL and the CIO, the Committee reports, have officially condemned job discrimination based on race or creed and are waging vigorous campaigns against it.

Can we control unfair employment practices? In wartime the FEPC proved that it was possible. Now, six states have legislation against discrimination in employment. The record of New York State alone proves how much can be accomplished.

In our remaining articles in this series we shall examine the Committee's report on abuses of rights in housing and education. Meanwhile, the report on employment is a challenge to every decent American.

As the Committee shows, depriving our fellow workers of jobs for which they are fitted sets up a vicious circle: less wages . . . less purchasing power . . . fewer goods . . . then increasing unemployment all around.

It stands to reason, therefore, that every American is protecting his own best interest in fighting for adoption of the Committee's recommendations—an effective FEPC with clear legislative powers in the National Government and similar agencies in the states.

Read "The Silent People Speak"

THE SILENT PEOPLE SPEAK is the title of the latest book about Jugoslavia written by Robert St. John. The author spent last year nine months in Jugoslavia, studying the conditions by contacting the rank and file of the people, rather than the government officials.

The book should be of interest to all Americans who are still confused about that country, and particularly to those of Jugoslav descent. It can be ordered from SANC, 3424 West 28th ST., CHICAGO 22, ILLINOIS. (In Cleveland, contact the Secretary of branch 39 at the Slovenc National Home). Members of SANC can purchase the book at a special discount (\$3.50), otherwise the book sells for \$4.00.

THE UNITED STATES AND EUROPE-II

By Frederick Kuh

There's a second field in which we're setting an example in how to repel friends and, in the long run, perhaps to lose influence. That is in our policy concerning Germany.

Today and for many years to come, Germany is the key. It is THE prize. If either the United States or Russia succeeds in bringing the Reich into its camp, it will decisively have won the struggle for Europe.

We've revised our German policy, as well as our attitude on Japan.

Last year the United States ruled that German industry, within the next three years or so, is to regain its productive level of 1936. Why 1936? Because that was the year in which Hitler launched his stupendous rearmament program.

To our decision vastly to boost German production, there are two European comments.

First, even in 1936 German industrial output and war potential were formidable. In that year Hitler felt strong enough to challenge Britain, France, Poland and Czechoslovakia by tearing the Versailles and Locarno treaties to shreds an invading the Rhineland.

Within a couple of years the Germans annexed Austria and broke into Czechoslovakia. In another year, they overran and smashed Poland, partitioning it with Russia.

So our choice of 1936 as the norm of German production has failed to put the victims of German aggression at ease.

Secondly, these troublesome Europeans are asking: where is the guarantee that Germany, having recovered its 1936 production level, will be content to stop there? Now, we've decided to run those risks. An immense flow of raw materials, food and goods will be poured into Germany, starting now. Among the 16 ERP nations, Western Germany is expected to be second on the list.

We should not, at this stage, set our sights too high. It would be useless to negotiate right away on some of the major issues: control of atomic energy, disarmament, the veto, a world police force, German unity.

The most we can hope to achieve now is an easing of tension, a retarding of the toboggan towards war. This might be attained by delimiting our orbits all around the map.

It would mean a cooling-off interval.

We Can Try Again

During such a breathing-space we could, after a time, try again. Then a new effort could be made to come to terms concerning Germany.

Writing in the "New Statesman," H. N. Brailsford also favors this approach. Here's what he says:

"The present moment seems favorable for such an attempt. The West, by adopting the Marshall Plan, American rearmament and the creation in principle of the Western Union, has so clearly affirmed its will and ability to survive that it can afford to take first steps towards relaxing the tension. If we make no effort to check the drifts towards war, it may overtake us sooner than we expect. History warns us that two groups of Powers cannot indefinitely indulge in public quarreling, mutual frustration and competitive rearmament without stumbling eventually into war."

"Sooner or later, while it measures out retaliation against provocation, one side or the other will miscalculate. It is easy to argue that neither side dare risk an early war. A contrary reckoning is equally plausible. Twice the older among us have lived through this nightmare of an armed and angry peace, and we know how it ends."

Kenosha Unions

Start Health Co-op

A community health center cooperative that will provide complete medical and dental care to its members, has been formally launched in Kenosha, Wis., with the help of the trade unions.

Leader in the movement is Arthur Martell, Business Representative of Machinists Lodge 34, who is also chairman of the committee in charge of incorporating the new health cooperative.

The Wisconsin Attorney General has approved the articles of incorporation of the new organization and plans are now being made for construction of a modern building to house it.

Martell explains that members expect to get better and cheaper medical and dental care for their entire families through the co-op, than they could afford individually.

The group will emphasize preventive, rather than curative, medicine and will encourage its members to guard their health through regular and thorough medical examinations.

Plans call for hiring a staff of 30 persons, including 13 physicians, to care for the 2,500 families that are expected to enroll.

Incorporation of the new Health Center culminates a year's work by trade unionists in Kenosha.

The executive boards of all trade unions in Kenosha were invited to help in organizing the new co-op, which will be run by a board of 15 directors selected by the membership.
