

Človeška napaka kriva krize Three Mile Island

Zvezna jedrska komisija je objavila, da je prišlo do nezgode v jedrski elektrarni radi napak v njenem obratovanju.

WASHINGTON, D.C. — Zvezni preiskovalci nezgode v jedrski elektrarni Three Mile Island pri Middletownu, Pa., so prišli do zaključka, da je prišlo do hude stiske in nevarnosti zaradi napak v obratovanju, med drugim zaprtja dveh bistvenih zaklopk. Ti dve zaklopki sta bili zaprti dva tedna pred nezgodo v nasprotju s posebnimi določili.

Poleg teh in nekaterih drugih napak v obratovanju je prišlo tudi do odpovedi nekaterih delov opreme, nekateri pa bi naj bili napočeno zamišljeni in izdelani.

Petčlanska komisija za urejanje jedrskih elektrarn bo izdala v naslednjih dneh v zvezi z ugotovitvami ukrepe, ki bi naj preprečili ponovitev takih nezgod. Skupina, ki je preiskovala Three Mile Island naprave, je odsvetovala zaprtje jedrskih elektrarn istega sistema, pa tudi vseh drugih brez posameznih preiskav.

V Middletownu je radiacija prestala in ljudje se vračajo v svoje domove. Nadomestitev naprav in stroški za očiščenje radiacije bodo stali skupno okoli 150 milijonov dolarjev po sedanjih ocenah.

Pododbor Doma odklonil pošiljatev opazovalcev k volitvam v Rodeziji

WASHINGTON, D.C. — Pododbor Predstavnškega doma za Afriko je soglasno odklonil v Senatu z veliko večino izglasovano resolucijo, ki predvideva, da naj bi skupina privatnikov iz ZDA odšla v Rodezijo opazovati potek volitev, ki so določene za konec tega meseca in naj bi služile za uvedbo vlade črne večine v Rodeziji.

Resolucijo v Senatu je predložil sen. G. McGovern iz Južne Dakote in dobil za njo močno podporo, saj jo je senatna zbornica odobrila s 66:27 glasovom.

Vlada ZDA je izjavila, da je v pogledu te resolucije nevtralna in jo v Kongresu ni ne podpirala in ne njen sprejem ovirala.

Sen. McGovern je odklonitev svoje resolucije v Domovem pododboru ostro obsodil in izrazil upanje, da bo o njej kljub temu dobila zbornica Predstavnškega doma priložnost glasovati.

Nasprotniki resolucije trdijo, da bo pošiljatev opazovalcev pomenila priznanje "notranjega sporazuma", ki ga je sklenila bela vlada Iana Smitha z vodniki črnece, ki so ostali doma in na temelju tega sporazuma tvorijo skupaj s Smithom vrhovno oblast v Rodeziji.

VREME

Pretežno oblačno, vetrovno z naletavanjem snega. Najvišja temperatura okoli 32 F (0 C). Popoldne zjasnitev, jutri sončno in nekaj toplejše. — Ko smo že opevali pomlad, sta nas danes zjutraj presenetila mraz 26 F (-3 C) in snežni metež. Zima je pokazala, da se ne da še pregneti!

Pavel Fajdiga umrl

CLEVELAND, O. — Iz Buenos Airesa v Argentini je prišlo sporočilo, da je v torek, 3. aprila, umrl in bil včeraj pokopan Pavel Fajdiga, član Narodnega odbora za Slovenijo in član uredništva Svobodne Slovenije glasila slovenske politične emigracije v Argentini.

Pokojnik je bil rojen v Zagrebu leta 1921, končal klasično gimnazijo v Ljubljani, študiral nato pravo v Beogradu, kjer je bil član uredništva Slovenca. Med drugo svetovno vojno je deloval v Slovenskem socialnem odboru v Beogradu za pomoč ožnacim Slovincem v Srbijo in bil povezan v Mihajlovičevi organizaciji boja protokupatorju. Bil je kasneje zaprt v Salzburgu in v delavskem taborišču Kempten v Nemčiji od koder je pobegnil v Ljubljano in se pridružil protikomunističnim borcev. V begunskih letih v Italiji je sodeloval pri begunskem dnevniku Zedinjena Slovenija, bil pri IRO v Rimu in se leta 1948 naselil v Argentini. Zaposlen je bil pri nizozemski pomorski družbi.

Z ženo, Ireno, roj. Zajec, sta imela pet otrok. Pokojnik je preživel v zadnjih letih dve srečni kapi, tretja pretekli torek pa mu je končala življenje.

Slovenska politična emigracija v Argentini, pa tudi drugod iz Slovenije in begunskih taborišč, pa tudi novih, ki jih je spoznal tekom svojih ponovnih obiskov v preteklih letih.

Kong. Passman oproščen

NEW ORLEANS, La. — Bivši kongresnik Otto Passman je bil pred porotnim sodiščem oproščen obtožbe, da je sprejel nezakonito denar od korejskega podjetnika Tong Sun Parka in ga zatajil kot dohodek pred davčnimi oblastmi.

Deželni pridelki dražji

CHICAGO, Ill. — Deželni pridelki, ki so v marcu podražili za 2%, nekaj manj kot v prejšnjih mesecih.

ZAVAROVANJE PROTI INFLACIJI OBTICALO

Proračunski odbor Predstavnškega doma je sredstva za zavarovanje proti inflaciji v proračunu črtal.

WASHINGTON, D.C. — Narčni predsednik Carterja za zavarovanje proti inflaciji, v okviru katerega naj bi delavci dobili odškodnino za znižanjem davkov v slučaju, če bi inflacija preseгла njihove poviške plače, je zašel v stisko, ko je proračunski odbor Predstavnškega doma črtal v proračunskem predlogu sredstva za kritje tega zavarovanja.

Kong. Robert N. Giaimo, demokrat iz Connecticuta, načelnik omenjenega Domovega odbora, je dejal, da je glasovanje v njegovem odboru s črtanjem 2,5 milijonov dolarjev Carterjevo zavarovanje proti inflaciji "ubilo" za to leto.

Zavarovanje je predvidevalo posebne davčne popuste za skupine delavcev, ki bi sodelovali v vladnim programom boja proti inflaciji, pa bi zato utrpeli denarno škodo. Carterjev predlog je običal že preje v Domovem odboru za sredstva in načine, pa upajo, da še ni vse izgubljeno. Odbor bi ga utegnil spraviti pod določeni okoliščini znova na dnevni red.

Proračunski odbor Doma je sredstva za zavarovanje črtal iz proračunškega predloga s 14:11 glasovom. Carter je v ta namen predvidel 12,5 milijona dolarjev.

Novi grobovi

Sophia Trenta
V Ashtabuli, Ohio, je umrla Sophia Trenta, samska, ki je zadnji dve leti živela pri svoji sestri Jennie Ravnahrib. Poleg te je zapustila še nečakinjo Stephanio Sabath. Pogreb bo iz Zaback pogrebnega zavoda. Čas še ni določen. Pokojna je bila članica Kluba slovenskih upokojencev v Euclidu.

Zadnje vesti

WASHINGTON, D.C. — Predsednik Carter je sinoči preko radia in televizije objavil, da bo postopno do konca septembra 1981 ukinil nadzor nad cenami olja in naravnega plina ter predložil Kongresu, da polovico povišanega dobička oljnih družb tem odvzame s posebnim davkom, ki naj bi šel v posebni sklad za razvijanje novih energetskih virov in delno za odškodnino onim, ki bodo s povišanimi cenami olja posebno prizadeti. Predsednik je pozval k varčevanju z oljem s tem, da še držimo točno najvišje dovoljene brzine proizvodnje avtov — 55 milj na uro, da zmanjšamo svoje vozne vsaj za 10 do 20 milj na teden, da uporabljamo več javna prevozna sredstva in da tudi več — hodimo. Carterjevi predlogi so bili sprejeti različno in večina sodi da ne bodo dosti učinkovitejši, kot so bili oni pred 2 leti.

WASHINGTON, D.C. — Pogajanja za kolektivno pogodbo med avtoprevoznimi družbami in Unijo voznikov (Teamsters) so bila včeraj obnovljena in napovedujejo, da bodo v nekaj dneh zaključena.

WASHINGTON, D.C. — Pogajanja med Unijo strojnikov in United Airlines so bila prekinjena in družba je odpovedala vse polete do srede meseca.

WASHINGTON, D.C. — Član Vrhovnega zveznega sodišča Rehnquist je na prošnjo matere na smrt obsojenega morilca Johna L. Evansa odložil izvršitev smrtne obsodbe do 13. aprila. Ta bi morala biti izvršena danes — zgodaj zjutraj. Obsojeni sam ni maral prositi za pomilostitev, izjavil je, da rajše takoj umrje, kot pa da bi moral preostalo življenje prebiti v ječi.

NAIROBI, Ken. — Tanzanijske vojaške sile so s sodelovanjem z domačimi ugandskimi silami, ki se borijo proti vladni Amina, zavzele mednarodno letališče Entebbe in danes zjutraj začele zasedati glavno mesto Kampalo, od koder so se libijske čete, ki so pretekli teden prišle na pomoč Aminu, umaknile.

SADAT VIDI POSPEŠENJE GIBANJA ZA SPLOŠEN MIR

Predsednik Egipta je izjavil, da je obisk predsednika izraelske vlade Beginja v Kairu pretekli ponedeljek in torek dal novega zagona gibanju za mir na Srednjem vzhodu. Mirovna pogodba z Izraelom je bila predložena v potrditev parlamentu. Glasovanje o njej bo v torek.

KAIRO, Egipt. — Ko je izraelski predsednik vlade prihajal na obisk v Egipt pretekli ponedeljek, so bili uradni krogi, katerih gost je bil, zadržani, četudi vljudni in so pokazali vso gostoljubnost, ki je za take obiske predvidena. Postopno so se malo sprostiti in razpoloženje na uradni večerji v čast izraelskega gosta je bilo že dosti boljše, nekateri so dejali, da je bilo skoraj prijetno.

Begin je svoj dvodnevni obisk v Kairu, tekom katerega je obiskal Narodni muzej, piramide in edino odprto sinagogo ter položil venec pred grob žrtev vojn, zaključil z razgovorom s predsednikom Sadatom. Ko so novinarji vprašali Sadata, če je bil Beginov obisk koristen delu za mir, je ta odgovoril: "Da, gotovo, gotovo. Obstoji nov zagon v delu za mir."

Sadat je odklonil odgovor na vprašanje o osebnih odnosih do izraelskega gosta, odgovoril je, da tako vprašanje v tem trenutku sploh ni primerno in na mestu.

Sadat govoril parlamentu
Predsednik Egipta Anvar Sadat je včeraj govoril parlamentu o pogodbi z Izraelom. Dejal je, da je v njej dosegel za Arabce, kar je mogel, in pozval Palestince, naj se vključijo v mirovni proces. Svaril jih je pred nasilji in napovedal na te oster "tisočeri" odgovor.

Predsednik vlade Khalil je nato predložil parlamentu mirovno pogodbo v razpravo in glasovanje. To bo prihodnji torek. Napovedujejo, da bo parlament pogodbo odobril z veliko večino.

Štrajk v katoliških višjih šolah — Nadzornik katoliških šol rev. John F. Murphy je izrazil razočaranje nad Zvezo latiničnih učiteljev katoliških šol v Clevelandu, ki je objavila pretekli torek štrajk, četudi je preje pristala na zvezno posredovanje. Pogodba z Zvezo poteče šele s 15. junijem 1979 in obe strani sta si edini v tem, da je sedanji štrajk nezakonit. Uprava šol je objavila, da so te odprte, udeležba učencev pa je bila zadnje dni nekje okoli 20%.

Iz bolnišnice — Mrs. Toni Alic, 15630 Holmes Avenue, se je vrnila iz Euclid General bolnišnice in se zahvaljuje za pozdrave, obiske, cvetje in druge darove. Zelimo ji skorajšnjega okrevanja.

Srede brez govedine!

CLEVELAND, O. — Tukajšnji urad za potrošniške zadeve in Clevelandska potrošniška akcija sta pozvala prebivalstvo, naj bi do nadaljnjega v sredah ne jedlo govedine in s tem zmanjšalo njeno porabo. Zmanjšanje porabe bi naj zmanjšalo povpraševanje po govedini in s tem vsaj ustalitev že tako visokih njenih cen, če že ne njihovega znižanja.

Podobne pozive so izdale potrošniške skupnosti tudi ponekod drugod. Cene govedine so lani porastle za 33%, za letos pa napovedujejo, da bodo vsaj še za 20 dodatnih.

General Motors povišala znova cene avtomobilom

DETROIT, Mich. — General Motors Corporation je s tem tednom povišala cene svojih avtomobilov za povprečno 2.1%. To je četrto povišanje cen avtomobilov letnika 1979.

Brez dvoma bodo temu zgledu skoraj sledili tudi Ford, Chrysler in American Motors.

BUTARE IN BUTARICE ZNAMENJE SLOVENSKE CVETNE NEDELJE

Na Slovenskem so Cvetno nedeljo označevale butare in butarice, posebno je to veljalo za podeželje. Nekatere so bile velika in težke, da so segale v cerkvah skoraj do stropa, druge pa so bile majhne in tudi prav majčkene.

Butare so bile narejene iz debelih, dolgih leskovih šib, povezanah s trto v močno butaro, na katere vrhu je bila krošnja iz bršljanja, vanjo pa običajno vsamilili od butare nekaj vejic ter jena vejica oljke. V krošnji so bila navezana jabolka in morda v modernejši dobi tudi kaka pomaranča.

Po blagoslovu butar v cerkvi

njih in njihovih polj. Kot druge narodne običaje smo Slovenci tudi butare in butarice ponesli s seboj v svet. Cvetno nedeljo praznujemo z njimi v večini slovenski fara v ZDA in v Kanadi. Sliki kažeta pripravljane butarice Slovenske šole sv. Vida v Clevelandu.

Margie in Connie Mismas izbirata vejice in trakove za butarico.

Margie Frank kaže Miriam Strniša in Tini Benedik, kako prirezati in povezati veje v butarico.

Evropski vzhod v sovjetskih sponah

II.

V tretji zgradbi, najpomembnejši, je sedež sovjetske komunistične partije. Tajnik njenega osrednjega odbora, Konstantin Rusakov, ki so mu poverjene vezi s komunističnimi strankami vzhodne Evrope, bedi nad vsako dejavnostjo v satelitskih državah: šport, rudarstvo, šolstvo, gozdarstvo, založništvo, industrija itd. Vsakokrat, kadar se kak tovariš oddalji od moskovske linije, že poskrbi Rusakov, da ga spet pripelje v svojo štalico.

Druge oči in ušesa pa ima Moskva nastavljene pri svojih veleposlaništvih v satelitskih državah. Vsako veleposlaništvo ima določeno število agentov tajne policije. Tako parkira npr. sovjetski veleposlanik v Pragi Vladimír Matsekovič, star 69 let, pogosto svoje vozilo pred uradom tajne češkoslovaške partije Gustava Husaka. Njegovih tisoč sodelavcev, med njimi nič manj kot 11 svetovalcev in 25 prvih tajnikov sovjetskega veleposlaništva je več kot dovolj za popolno nadzorstvo.

Sovjetski diplomati se ne ustavljajo niti pred osebnim zastraševanjem. Prejšnji veleposlanik v Varšavi, Stanislav Pilotovič, je bil poznan po telefonskih izpadih nasproti uredništvom časnikov in revij, če je bral kaj takega, kar mu ni prijalo. Po njegovem posegu je poljska cenzura npr. očistila v romanah anglo-poljskega pisatelja Josepha Conrada vse, kar se je zdelo profiriruskega, najsi se je tudi nanašalo še na carske čase.

Prebivalstvo vzhodne Evrope se torej ne moti, ako zatrjuje, da živi v največjem zaporu na svetu. Z Zahodom nimajo nobenih stikov. Vsa pošta je pod nadzorstvom. Tisti, ki dobijo dovoljenje za izselitev, ne morejo vzeti s seboj, v največ primerih, tudi svojih družin.

Vzhodnoevropski človek se je moral naučiti sprejeti trdo resničnost. Pri vsem tem je minilo le deset let, odkar so sovjetski tanki vdrl v Prago. Na Madžarskem je še živ spomin na vstajo leta 1956 in Poljaki niso pozabili pripravljeno svojetskih enot, da vderejo v Varšavo, ko je bil isto leto poskus narodne vstaje tudi na Poljskem. Za Vzhodne Nemce pa ob 20 sovjetskih divizijah v deželi ni nobene nevarnosti, da bi tudi za trenutek pozabili, kdo je gospodar.

Leta 1975 je bil v Helsinkih podpisan sporazum, s katerim so se tudi komunisti obvezali, da bodo dopustili bolj svobodno kroženje informacij v njih deželah in da bodo olajšali potovanja na Zahod. To je vzbudilo določene upe po vzhodnoevropskih deželah. Nad 100.000 Nemcev je vložilo prošnje za izselitev. Na Poljskem je 59 uglednih profesorjev, znanstvenikov in pisateljev podpisalo listino, v kateri terjajo svobodo vere, dela, besede in izobraževanja. Celo na Češkoslovaškem, kjer je bila policija najostrejša, je 300 znanstvenikov in nekdanjih politikov podpisalo izjavo, znano Listino 77, z zahtevo po spoštovanju državljanjskih pravic.

Vse to pa ni pomagalo in ni spremenilo trde resničnosti v vazalnih državah Moskve. Listina iz Helsinkov je ostala v glavnem mrtev papir in Moskva je na drugi konferenci v Beogradu prepredila, da bi bile v sklepi listini imenovane človečanske pravice. Žalostna stvarnost, ki kaže na to, da bodo tri velike palače v Moskvi tudi v prihodnje metale svojo morečo senco na ljudi vzhodne Evrope.

K. G.

V Moskvi so postali tekom let previdnejši, svojo oblast nad satelitskimi državami skušajo sedaj izvajati manj vidno, ker čutijo, kako raste odpor proti njihoveму trdemu nadzoru tako pri Vzhodnih Nemcih kot pri Poljaki, ki Rusov niso nikdar marali, saj sta se Poljska in Rusija vojskovali skozi stoletja in Rusija je bila med državami, ki so ponovno delile Poljsko in gospodovale Poljakom.

Češi so bili naklonjeni Rusom, v njih so upali najti pomoč in podporo, ko so se borili z nemško gospodolastnostjo v Avstriji. Sovjetsko-satelitska zasedba Češkoslovaške avgusta 1968 je to naklonjenost Čehov uničila.

Madžari in Romuni niso bili nikdar prijatelji Rusov in niso danes. Še najboljši odnosi so med Rusi in Bolgari. Bolgari so verjetno edini, na katere se Moskva lahko vsaj do neke mere zanese, če bi prišlo do spopada med njo in Zahodom.

Imperiji, ki so zgrajeni na sili, ki se s silo ohranjajo, so na lončenih nogah. Vsak pretres jim je nevaren in jih lahko uniči. V Moskvi to vedo, zato se prizadevajo, da bi ostala Sovjetska vojaška sila močna, če le mogoče najmočnejša na vsem svetu, da bi nihče ne mogel vsaj od zunaj ogroziti Sovjetske zveze in njenega imperija, ko mora biti vedno pripravljen na krofitev notranjih napevosti in treni, ki jih povzročajo in vedno znova proži želja po svobodi, želja po svobodi posameznikov in želja po svobodi narodov in ljudstev v mejah sovjetskega imperija.

BESEDA IZ NARODA

Gostovanje primorskih Slovencev

CLEVELAND, O. — Ko sem pred kratkim brskal po starih papirjih — spominih, mi je prišlo pod roko več starih, obdelanih lističev. Sporedi so to nekdanjih najprej skromnih predstav, miklavževanja, kratke akademije, nato pa igre. Najstarejši listič nosi datum — december 1945 — Miklavževanje v gledališču Verdi v Gorici. Obledeli lističi se vrstijo in kaj kmalu je opaziti v zaglavju "Slovensko mladinsko gledališče v Gorici" poda to ali ono igro, komedijo ali dramo.

V par letih obstoja se je Slovensko mladinsko gledališče postavilo v ospredje kulturnega življenja na Goriškem in Tržaškem, ledina je bila počasi zoranar, marsikdaj v težkih okoliščinah, ker smo bili v precepu med ostanki italijanskega iredentizma in skrajnega internacionalizma. Kulturno polje na Primorskem je bilo poraščeno s 25-letnim prisilnim molkom. Kdor se je temu uprl, ga je zadelo ušoda Lojzeta Bratuža, bazoviških žrtve ali najmanj "letovišče" na Liparskih in drugih samotnih otokih.

Veselo je opaziti, da slovensko kulturno delo med Slovenci pod Italijo lepo napreduje. V dokaz tega napredka sta dve slovenski kulturni skupini s Primorske, ki nas obiščeta v Clevelandu v tednu po Veliki noči in sicer dramski odtok Prosvetnega društva Štandrež in ansambel Lojzeta Hledeta iz Steverjana. Igralci iz Štandreža nam bodo v petek, 20. aprila, zvečer ob pol 8. uri podali aktualno "Komedijski o komediji", v nedeljo, 22. aprila, popoldne bo pa koncert ansambla iz Steverjana.

Štandrež je slovensko naselje par kilometrov južno od Gorice na vzhodnem bregu Soče. Nekdaj je bil Štandrež skoraj stodontno slovenski. Avstrijsko štetje iz l. 1910 navaja, da je v Štandrežu 1586 Slovencev, 12 Italijanov, 2 Nemca. Ne vem, kako je danes po 60 letih pod Italijo, vem pa, da slovenski duh v Štandrežu ni izumrl. To nam lepo pričajo naši gostje.

Stevevan je pa slovensko naselje zahodno od Gorice, čez Sočo. Stevevan spada v slovenska Brda, deželo vinogradov in sadovnjakov, pa veselih Bricev.

Isto staro štetje beleži v Steverjanu (skupno s Cerovom) 2144 Slovencev in samo 11 Italijanov. Danes je verjetno nekoliko drugače, vendar pa slovenski kmečki živelj v Steverjanu še vedno prevladuje.

Stevevan je bil vedno znan po Goriškem kot vas zavednih Slovencev. Hledetov ansambel nadaljuje to tradicijo in budi med Slovinci v Italiji narodno zavest.

Obe skupini zaslužita našo pozornost. Pokažimo jim našo solidarost v njihovem naporu. Pridružimo se jim v petek, 20. aprila, zvečer v dvorani pri Sv. Vidu in v nedeljo, 22. aprila, popoldne v Slovenskem narodnem domu na St. Clair Avenue.

Križev pot dekana Petra Flajnika

CLEVELAND, O. — V predzadnjem letu prve svetovne vojne je prišel kot mlad kaplan v Kočevje. Mesto je bilo tedaj skoraj stodontno nemško. Nemci so še vedno računali na zmagajočo. Kočevarji so bili ošabni in samozavestni. Hoteli so imeti nemškega kaplana, škof jim je poslal Flajnika. Ni šel rad. Bal se je, a po nekaj tednih si je s svojo sončno belokranjsko naravo in izredno ljubeznivo osv-

jil vse, posebno mladino. Bil je mlad, gibčen, izreden telovadeč. Bil je pravi orel...

Radi so ga imeli. Zato ni čudno, da so 23 let pozneje po smrti župnika Erkerja, prosili zanj. Prvič v zgodovini kočevske fars, ki ni ravno mlada, saj je bila ustanovljena že l. 1393, se je zgodilo, da so kočevski Nemci prosili za župnika slovenskega duhovnika, čeprav so le nekaj let prej izžvižgali Janeza Kalana, ki je ob neki priliki začel pridigo s slovenskim pozdravom "Hvaljen Jezus!" Hoteli so imeti Flajnika. Škof Jeglič je ugodil njihovi prošnji. Res je, da ni bilo več toliko nemških duhovnikov v škofiji kot pred leti, a bili so. Med drugimi je bil mladi Henrik Wittine, ki je šele pred nekaj leti umrl v Grazu in je bil tedaj za župnika v Planini nad Semčim. Wittine bi bil rad šel v Kočevje, a hoteli so imeti Flajnika, ki je bil tedaj za župnika v Šentrupertu na Dolenskem.

Flajnika so poznali. Radi so ga imeli. Prosili so zanj. Prav zaradi tega je bilo hujše razočaranje, ko so se po nekaj tednih obrnili proti njemu in mu začeli greniti življenje. Ni bil več tako mlad in gibčen kot pred 23 leti. Tedaj je bil le mlad kaplan, a zdaj dozorel mož. Bližal se je srečanju z Abrahamom. Začel je rasti navzven. Drog in bradlja ga nista več privlačevala...

Hitlerjanstvo je imelo vedno več pristašev med meščani. Avstrija je bila priključena Rajhu. Poljka in Češkoslovaška sta bili razdeljeni. Kočevarjem je začel rasti gresen. Niso se pozabili, da so po prvi svetovni vojni propadli s svojo zamisljeno državo v državi ali vsaj avtonomije, o kateri so bili prepričani, da jo bodo dobili. Tudi na lastno škofijo so računali, a tudi v tem niso uspeli. Vse to jih je močno bolelo, čeprav so imeli v predvojni Jugoslaviji več pravic kot večinski narodi.

Ti in še drugi razlogi so vplivali, da se je od vsega početka gotova klika obrnila proti njemu in mu povzročala veliko težav in še več bolečin. Zaradi temnih oblakov na obzorju je bil silno previden. Trpel je in molil, veliko molil... Se leto dni ni bil v Kočevju, ko so Nemci s pomočjo Italije, Madžarske in Bolgarije brez vojne napovedi napadli Jugoslavijo. Njer razpad je še povečal njegovo trpljenje. Sovražniki so postajali iz dneva v dan predržnejši.

Tudi tokrat se je usoda igrala s kočevskimi Nemci. Po znan pogodbi med Hitlerjem in Mussolinijem so bili dodeljeni Italiji. Dekan Flajnik je dobro vedel, kako jih je bolelo to ponižanje, a tega ni smel pokazati. Deputacija za deputacijo je šla k Hitlerju in ga prosila, naj jih vendar priključi k Rajhu. Zakaj ni tega storil? Najbrže ni mara dražiti Lahov, ki jih je še t: prve svetovne vojne poznal ko nezveste zaveznike. Da bi Kočevarje vsaj nekoliko potolažil, jih je naselil na obeh straneh Save med Zidanim mestom in hrvaško mejo. Tako naj bi bili nekakšen obramben zid proti so sedom.

Flajnik je dobro vedel, da bo nacizem premagan... Zato je nekim kočevskim odvetnikom — imena se več ne spominjam — prosil, prepričeval in rotill, naj ne nasedajo propagandi, naj ostanajo tam, kjer so bili zadnjih 500 let. Vedel je, da si kopljejo lasten grob. Niso ga poslušali. Sli so na limanice. Omenjeni odvetnik je na dan njihovega odhoda v znak protesta na kolo-dvoru pred zbrano množico izvršil samomor. Flajnika je križ pritiskal k tlom, a zlomil ga ni. Rešila ga je njegova globoka

Marjan Jakopič:

Pelji me domov

Skozi okna na poriban pōd je natreslo sonce žarkov zlatih, v svetli luči koplje se naš dom, sveto jutro je vsezagodaj v svatih.

Zegen že na mizi čaka nas, mati ga skrbno je razdelila, potlej s srcem okrašeni stol. je še zame k mizi pomaknila.

Kdo bo sedel nanj? Res prostor moj bo ostal za vedno priča nema, le srce bo vasovalo tam, romalo med domoma obema?

Sonce je posulo ž žarki pod, hiša je pripravljena nevesta. Zvon prešerno vriska čez polje. Pelji me domov, oj tuja cesta!

vera in neomajno zaupanje v Boga...

Kočevarji so odšli brez upanja na povratek. Italijanska narodna banka je kupila in plačala njihove domove in zemljo. Četudi bi bili zmagali, se ne bi bili mogli vrniti, ker so prodali, kar so imeli, a tisto, kamor so prišli, ni bilo njihovo. Izvršili so narodni samomor. Danes so raztreseni po vsem svetu.

Flajnik je ostal sam. Župnik brez faranov. Začel je posvečati več skrbi maloštevilnim Slovencev... V naslednjih letih je mesto pogosto menjavalo gospodarje. Eden je bil slabši od drugega. Moral je biti silno previden, če je hotel ohraniti glavo na vratu. V politiko se ni spušal. Delal je za duše in trpel. Samo Bogu je znano, kaj je prestal v tistih letih. Ni rad govoril o tem. Željno je pričakoval konca vojne. In, ko je ta končno prišel, ni dolgo vedel, kakšen je, ker ni imel zvez z Ljubljano. Ljudje so marsikaj govorili, a Flajnik ni nasedal čenčam. Tako ni vedel, da se je cvet našega naroda — naša narodna vojska umaknila na Koroško.

Prekmalu je zvedel tudi to. Zvedel je, kako so izdajalski Angleži vrnili naše fante... Videl jih je, ko so jih noč za noč gonili kot živino iz kolodvora proti šoli in nato podnevi proti kočevskemu Rogu... Vse mu je postalo jasno. Tedaj se je morada najbolj zavedel, da je duhovnik. Skril se je za zavoso ob oknu in dajal odvezo v Kristusovemu imenu njim, ki so bili brez vsake sodne razprave obsojeni na smrt. Njihova edina krivda je bila, da so bili zvesti Kristusu in domovini. Roka mu je večkrat omahovala, a ni odnehal, da je le mogel posredovati Kristusovo milost in oproščenje svojim trpečim bratom — našim mučencem.

Zadnja postaja... Kmalu je opazil, kako so "osvoboditelji" začeli načrtno podirati in požigati cerkve, kapele in znamenja, ki so pričala, da so tam nekoč živeli verni ljudje (med vojno in po njej je bilo na Kočevskem porušanih 11 župnijskih in 49 podružnih cerkva)... Po nekaj mesecih so začeli novi gospodarji privažati ljudi iz vseh krajev Slovenije, največ iz Pomurja. Kakšni ljudje so to bili? Drug drugega niso poznali. Drug drugemu niso zaupali. Drug drugega so se bali. Cerkev je še vedno samevala. In to ne le ob delavnih, ampak tudi ob nedeljah...

Za dekana Flajnika se je prav trpljenje začelo šele nekaj mesecev po osvoboditvi. Začeli so ga preganjati, šikanirati, zasliševati... Končno so ga zaprli. In to po zaslugi človeka, o katerem je sodil, da mu sme zapupati in se mu razodeti. To ga je močno bolelo. Celih šest let je preživel za ograjo in na prisilnem delu. Ko je prišel na svobodo, je moral v Kropo, kjer je pasel duše do izpolnjenega leta. Tedaj se je umaknil v Šentrupert. Reklil so, da je odšel v pokoj, a Flajnik pokoja ni poznal. V zadnjih letih ga je

Misijonska srečanja in pomenki

435. S Slonokoščene obale v Afriki

19. marca piše misijonar Ivan Bajec: "Najlepše se Vam zahvaljujem za ček \$150, ki ste mi jih za Božič poslali po s. Magdaleni Cerne. Naj Vam Bog povrne za to dobroto. Obenem pa se Vam opravičujem, ko se Vam tako dolgo nisem oglašil.

Tu v Frescu sem že tretje leto. Delam skupaj z nekim francoskim duhovnikom. Lani od julija je bil na dopustu, potem na tečaju in zdravljenju, tako da se je vrnil šele pred dobrim tednom. Med tem časom sem bil več ali manj sam. Imamo dve župniji, Fresco in Larona. Oddaljeni sta ena od druge okrog 100 km. Ker je tu tropski gozd, ljudje niso posebno gosto naseljeni. V Frescu je okoli 12.000 ljudi. Bolj kot samo število ljudi, nas obremenjujejo razdalje. Vedno moramo biti na poti.

Konec lanskega leta je prišel semkaj moj brat Pavel, ki je tudi duhovnik. Nekaj časa je ostal z menoj potem pa je bil nastavljen v sosednjo, 120 km oddaljeno župnijo, Divo.

Sestra Magdalena Černe,

ki Vam gotovo več piše kot jaz, Vam je brez dvoma pisala, da je lani jeseni prišla sem še ena slovenska sestra Stefana Sever. Tako smo v Frescu sedaj trije Slovenci.

Se enkrat se Vam lepo zahvaljujem za vse, kar dobrega storite za misijone, saj bi brez Vaše pomoči naše delo bilo zelo ovrknjeno, če ne celo onemogočeno.

Ker smo v postnem času, Vam želim, da bi bil to tudi za Vas čas milosti, novega srečanja z Bogom in tako čas resne priprave na Vstajenje s Kristusom za Veliko noč. Tedaj pa naj Vam On, ki je premagal vse hudo, podeli veliko milosti in svojega blagoslova. To Vam želim in točko pozdravljam, Ivan Bajec."

Preko MZA Joliet je bila takoj po prejemu tega pisma odpisana pomoč \$300, po 150 dol. za g. Pavleta Bajca in 150 za s. Stefano Sever, preko g. Ivana. Da se vključita v vrsto rojakov pionirjev, ki nanje MZA duhovno in materialno vedno misli.

Iz Bangkoka je S. Ksaverija Pirc

20. marca pisala zanimivo pismo: "Pred nekaj tedni sem čitala v AD Vašo pohvalo starim misijonarjem, ki grede redko na dopust. Med temi sem gotovo tudi jaz, saj sem bila v 55 letih le 2-krat doma po 6 mesecev. Vabili so me, naj ostanem v domovini, pa me je Tajska vedno zopet pritegnila nase. Če že ne morem kaj velikega delati za Kristusa, pričujem pa Zanj vedno še lahko. Navzočnost Kristusove neveste sama je že pričevanje v tej budistovski trdnjavi.

Naš delokrog se je zadnja leta zelo razširil. Na prošnjo škofov smo uršulinke tudi pričele delo med primitivnimi v gozdovih okrog Petburija. Sirno ozemlje pokrito z grmičevjem in prerušeno z lijanami, je dom nekaj tisočev človeških bitij, ki žive še skoraj tako kot v kameni dobi. Predno jim je mogoče oznanjevati Veselo oznanilo (vest), jim

močno mučil revmatizem. Pritisnile so še druge spremljevalke starosti, vendar ni odnehal. Delal je skoraj do zadnjega dne. Nič čudnega, saj se je vedno ravnal po tistem znanem izreku: Ne le, kar veleva mu stan, kar more, to mož je storiti dolžan!

Zdaj počiva njegovo telo na šentrupertskega pokopališču, njegova duša pa uživa plačilo pri Bogu...

je treba pomagati do človeku dostojnega življenja. Predvsem jih je treba naučiti, kako obdelovati zemljo, da jih bo redila. Štiri naše podjetne sestre so s pomočjo škofa iz Petburija organizirale zadrugo, s središčem Combng. Ta bo pomagala pospešiti civilizacijo. Seveda pričeti je bilo treba prav od začetka. Dobiti traktor, ki je pomagal ruvati korenine dreves in grmičevja, nato pa učiti umno poljedelstvo. Ne bi bilo tako težko, saj je zemlja dobra, a vode ni. Nobene reke, nobenega potoka daleč naokrog, le nekaj vodnjakov, ki pa se kar prebogosto posušijo. Od junija do oktobra že gre, ko je deževna doba. Toda od decembra do maja je pa hudo v tej tropični deželi. Kapanje vodnjakov je bila vsa ta leta prva in najdražja skrb.

Seveda, istočasno so naše sestre tudi pričele z borno šolo za otroke, večerno šolo za odrasle, ki ne znajo brati in pisati, ter gospodinjstvo šolo za žene in dekleta. Predvsem je potrebno znanje higijene, ki prepreči mnogo boleznih, saj na stotine kilometrov okrog ni nobene bolnišnice.

Pred nekaj leti ste nam že poslali lep dar za ta naš podvig. Zelo se zopet priporočamo.

Rada bi se zahvalila tudi dobrotniku, ki mi plačuje petkovo AD. Bog povrni! Z najlepšimi pozdravi Vam in gdč. Ferjanovi, s. Ksaverija Pirc, O.S.U."

se je oglašil 11. marca. Vrnil se je v Kifumbe, Tanzanija, 17. februarja. Zahvaljuje se MZA za ček \$300, od česar je polovico za 55 sv. maš po namenu misijonskih darovalcev iz vrst MZA.

G. Rok Gajšek 1. marca pošilja iz Ranomene na Madagaskarju zanimivo poročilo o stanju pastoračije na otoku, kjer našu misijonari delujejo zadnja leta. Ostal je v kraju sam, odkar se je starejši francoski sobrat iz zdravstvenih razlogov vrnil v Francijo. Tone Jemec, eden od treh fantov iz Argentine, je tudi dokončal svoje triletno delo med njimi. "Se čutilim kar malo osamljen. Pa tudi v bodoče se nam ne obetajo lepši časi. To verjetno že veste, da je Pepi Gider (Fidei Donum) ostal doma. Letos grede trije na dopust: Janko Kosmač, Janez Puhan in Franček Kraner in se tudi lahko zgodi, da se eden od teh več ne vrne. Nove moči pa se nam ne obetajo zaenkrat. Prosimo Gospoda žetve, da pošlje delavcev na svojo žetev!"

Pred kratkim sem dobil sporočilo

od s. Cecilije Prebil iz Pariza, da ste poslali njej za naše misijone obilno vsoto \$5.000 MZA pomoči. Malo sem čakal in ko dobim od Vas sporočilo, kako razdeliti, bomo vse prav uredili. Iz vsega srca se zahvaljujem za Vaš dragocen dar in za Vaše misijonsko delo, ki ga vršite med rojaki. Bog Vam stotero povrni. Prav tako izrekam srčno zahvalo vsem prijateljem misijonov, ki so prispevali vsak svoj delež.

Priloženo pismo je majhna, skromna zahvala vsem misijonskim prijateljem in dobrotnikom, s katerimi sem se imel priložnost srečati med bivanjem doma in pri Vas v Kanadi. Res sem bil veselo srečanja z Vami. Časa za pogovor ni bilo veliko. "Pismo g. Gajška za vse dobrotnike v zaledju bomo objavili v celoti v kratkem. Molimo za Madagaskar, kjer se mlada samostojna država prebija skozi porodne krče in se to čuti tudi v malgaški mladi Cerkvi."

Blagoslovljeno Veliko noč želi vsem hvaležni

JOŽE VOGRIČ:

Juda Iskarijot

(Prosto prestavljeno iz knjig viđenj Ane Katarine Emerik in Marije od Jezusa iz Agrede.)

I. Judovi starši so dolgo časa živeli v Iskariotu in še po njihovi smrti je Juda smatral to vas za svoj dom, od tod njegov priimek: Iskarijot. Njegovi starši so veliko potovali, bila sta potopna glumača in sta znala vse vrste "čarovnij" v zabavo javnosti. Včasih sta živela v izobilju, včasih pa sta stradala, kakor je pač življenje nanese. Njegova mati, ki je bila iz Jefevega rodu, bolje, iz rodu njegove žene, je bila tudi pevka in poklicna plesalka. Bila je pesnica. Sestavljala je pesmi in pesnitve, katere je potem pela ob spremljavi na harfo. Učila je plesa mlade deklice in je prenašala iz kraja v kraj izbiro ženskih lepotil in krojev. Nekaj časa je bila na poti sama, medtem ko je njen mož — po rodu Jud — živel v mestu Pella. Takrat se je seznanila z nekim moškim, ki je služil kot vojaški častnik pri Damasku. Postala je z njim noseča. Juda se je rodil v Askalonu, kjer se je mati tedaj poklicno mudila. Mati se je otroka kmalu iznebila s tem, da ga je izpostavila ob neki vodi.

Tam so ga našli neki premožni ljudje, ki sami niso imeli otrok, ti so zanj skrbeli in mu oskrbeli osnovno izobrazbo. Med doručanjem pa se je deček izkazal slabega in radi nekega pobaštva je zopet zapadel skrbi svoje matere, ki je potem zanj plačevala. Mož njegove matere, ko je izvedel za otrokov izvor, ga je preklel. Ko je bil kot deček vrnjen svoji materi in je mati zaradi njega zašla v prepiro s svojim možem, ga je tudi ona preklela. Juda je dobil precej premoženja od svojega nezakonskega očeta. Ta je imel nekaj dobrega v sebi in ta dobrota je prešla tudi na njegovega otroka. Otroku je bil britne glave in nikakor ne odvraten. Bilo je nekaj milega in prijetnega v njegovem obrazu, pa istočasno tudi nekaj zavratnega in odurnega. Po smrti svojih staršev je Juda večinoma živel v Iskariotu pri stricu Simeonu, strojarju usnja, in mu pomagal pri njegovem poslu. Juda ni bil nikakr hudobnež, bil je zgovoren, lačen po premoženju in časteh in brez stalnosti. Ni bil razvraten, niti ne človek brez vere, saj je vestno izpolnjeval vsa pravila judovske vere. Bil je človek, ki bi ga bil lahko navdušil za vse dobro, pa tudi za vse slabo. Ob vsej brihtnosti, vlnudnosti in prijetnosti je bila senca teme in trpkosti v izrazu njegovega obraza, ki je izvirala iz njegove lakomnosti, častihlepnosti in njegove skrite nevoščljivosti celo zaradi kreposti drugih.

Juda se sreča z Jezusom

V času srečanja z Jezusom je bil Juda kakih 25 let star. Bil je srednje postave, lasje so bili črni in njegova brada nekoliko rdečkasta. Kar zadeva obleke, je bil Juda bolj skrbno in okusno opravljen kot večina Judov. V razgovoru je bil prijeten, vlnuden, a se je rad delal važnega. Narejal se je zaupnika velikih in slavni ter se hvalil z njih prijateljstvom, kadar je govoril z ljudmi, ki ga niso poznali. Če pa mu je kdo, ki je zadevo bolje poznal, dokazal neresnico, se je zmedeno umaknil. Bil je lakomen za čast, odklikovanje in denar. Vedno je iskal uspehov, želel si slave, visokega položaja, bogastva; ne da bi vedel, kako naj to doseže. Jezusov pojav v javnosti mu je dal nove pobude. Jezus je imel učence. Bogati Lazar iz Betanije se je postavil na njegovo stran. Vsi so bili prepričani, da bo Jezus ustanovil svoje kraljestvo. Ljudje so že govorili o njem kot kralju, maziljenci in preroku. Njegovi

čudeži in modrost sta bila na jeziku vseh. Juda si je torej zelo želel pridružiti se njegovim učencem in tako postati deležen njegove veličine, ki kakor je on mislil, bo seveda od tega sveta. Ze dalj časa je poizvedoval, kolikor je mogel, o Jezusu in je potem te novice tudi drugim posredoval. Navezal je znanstva z nekaterimi učenci in se tako bližal svojemu cilju. Glavni vzrok njegove odločitve za Jezusa je bila njegova nestalna zaposlitev in pomanjkanje poklicne izobrazbe. Poskušal se je uveljaviti v gospodarstvu in trgovini, pa brez uspeha, in je pri tem napravil celo premoženje, ki mu ga je pustil njegov pravi oče.

Ko je Jezus dospel do mesta Aruma, oddaljenega 9 ur od Jeruzalema in 7 ur od Jerihe, je blizu mesta Marta pripravila zajaj in njegove gostiče, ki bi naj bilo njemu vedno na razpolago. Stroške za to so krili prijatelji v Jeruzalemu. Predno je Jezus zapustil Jeruzalem, je bil obveščeno o tm daru. V krajevni molitnici je Jezus govoril o Janezovem krstu. Juda Iskarijot, ki je tudi hodil Janeza poslušati, je tu prvič slišal Jezusa govoriti. Prišel je sam in je poslušal dva dni, potem pa je odpotoval.

Ko je Juda slišal, da je Jezus na poti v Meroz — večji kraj prav blizu Iskariota — kjer je bil sam dobro poznan, je šel in poiskal Bartholomeja v Debbareth. Poznal ga je že od prej in ga je prosil, naj gre z njim v Meroz ter ga predstavi Jezusu. Bartolomej je bil pripravljen storiti. Je pa najprej šel v Kafarnaum z Judo Tadejem pogledat učence tam, nato pa s Tadejem in Filipom v Tiberijo, kjer se je pridružil Simonu Gorečniku, nato so se ustavili v Naimu zaradi Jude Iskarijota, kamor je le-ta prišel. Juda jih ponovno prosi, naj ga predstavijo Jezusu, ker bi rad postal njegov učenec. To so vsi radi obljubili, ker jim je ugajala njegova prebrisnost, pripravljenost za usluge in njegovo vlnudno obnašanje.

Ob svojem prihodu v Meroz z nekaterimi učenci se je Jezus nastanil v gostišču, ki ga je na svojem zemljišču zanj pripravil Lazar. Jezus je v mestu ozdravil mnogo bolnih in obsedenih. Juda je dospel v mesto v spremstvu Bartolomeja, Simona Gorečnika, Jude Tadeja in Filipa. Vendar Juda ni ostal čez noč z Jezusom, ampak se je nastanil v hiši, kjer je večkrat stanoval. Bartolomej in Simon sta z Jezusom spregovorila o Judi Iskarijotu. Rekla sta, da veda, da je zelo delaven, razgledan, voljan za usluge in da si zelo želi mesta med njegovimi pčenci. Jezus je globoko vzdihnil in postal očividno vznemirjen. Ko sta ga učenca vprašala po vzroku njegove potnosti, je rekel: "Ni še čas govoriti, ampak samo misliti." Prenočili so v gostišču. Prišlo je več učencev iz Kafarnauma, prinesli so novice in tudi nekaj denarja za stroške potovanja, dar dobrih žena v Kafarnaumu.

Juda se pridruži Jezusu

Iz mesta Meroz je Jezus šel na obisk bolnice gobavih nedaleč stran, kjer se je dotaknil in ozdravil vse bolnike. Učenci niso smeli v bolnico. Nje je poslal na bližnji hrib, kjer je pozneje govoril veliki množici. N a poti tja so apostoli srečali Judo, in ko se jim je Jezus pridružil, sta Bartolomej in Simon Gorečnik predstavila Judo Jezusu z besedami: "Mojster, to je Juda, o katerem smo ti govorili." Jezus ga je pogledal milo z nepopisno bolečino. S priklonom mu Juda pravi: "Mojster, prosim te, dovoli mi delež v tvojem nauku."

Jezus mu odvrne prijazno z besedami, polnimi preroškega pomena: "Lahko imaš mesto med mojimi učenci, razen če ga raje prepustiš komu drugemu." Jezus je že tedaj mislil na Matijo, ki je pozneje prevzel med enajstimi Judovo mesto. Po pridigi je Jezus naročil med uboge razdelitev denarja, ki so ga učenci prinesili iz Kafarnauma. Juda je gledal na to razdeljevanje denarja s poželjivimi očmi. S hriba se je Jezusova družba vrnila v gostišče blizu Meroza in tu je Juda prvič sedel za isto mizo z Jezusom in spal z njim pod isto streho.

Nekaterim učencem, zlasti Tomažu, pa Juda Iskarijot ni bil po godu. In je to Jezusu tudi brez omahovanja povedal. Vprašal ga je, kako to, da je Judo tako zlahka sprejel, ko je vendar bil tako natančen pri izbiri drugih. Jezus mu ni jasno odgovoril, ampak da je Bog od vse večnosti odločil, da bo Juda eden izmed njegovih učencev.

Od Meroza potuje Jezus s svojimi učenci kako uro proti vzhodu do Iskariota. Ob močvirju je stalo kakih dvajset hiš ob potoku s črno vodo, polno bičja, ki se je izlival v Jordan. Tu in tam je bil potok zagrajen z jezovi, da so imeli strojilci dovolj vode za predelavo usnja. Radi smradu so Judje zaničevali strojilski poklic. In res so najbolj smrdljivo delo opravljali sužnji in ljudje tujih narodnosti. V Iskariotu so se vsi ljudje pečali samo s predelovanjem kož in so vse hiše pripadale Simeonu, Judovemu stricu.

Juda je bil zelo drag in koristen staremu stricu Simeonu pri njegovem usnjarskem poslu. Tu in tam ga je poslal z osli na kupčijo surovih kož, včasih pa s predelanim usnjem v obmorska mesta, ker je Juda bil nabrisan trgovec in barantač. V tem času še Juda ni bil nikakr ničvrednež, in ko bi se znal obvladati v nekaterih manjših rečeh, bi nikoli ne padel tako globoko.

Juda je bil v Iskariotu zelo prijazen in uslužen. Tu je bil docela doma. Njegov stric Simeon, zelo zaposlen in delaven mož, je sprejel Jezusa in njegove učence že daleč pred vasjo, jim umil noge in ponudil običajno okrepčilo. Jezus in njegovi učenci so šli v njegovo hišo, kjer je bila zbrana njegova družina: žena, otroci in služinčad. Po govoru so Jezus, učenci in Simeonova družina stoji poutili prigrizek, medtem pa je stari Simeon prosil Jezusa, naj sprejme njegovega nečaka Judo, katerega je na vse načine hvalil, med svoje učence in v svoje kraljestvo. Jezus mu Judovi podobno kakor prej Judovi: "Vsakdo lahko dobi svoj delež, če je odločen, da ga ne bo pustil komu drugemu."

Učenci so bili sprva zelo zavzeti za Judo zaradi njegove vlnudnosti, saj je bil pripravljene celo čistiti njih obute. Ker je bil urnih nog, je sprva prevzel daljše poti v službi Jezusove skupnosti. Ni pa nikdar naredil nobenega čudeža. Bil je vedno poln zavisti in nevoščljivosti, in proti koncu Jezusovega delovanja se je tudi naveščal pokorščine, nenehna popotovanja in njemu nerazumljive skrivnosti, ki je obdajala božjega Učenika.

zadeve drugih, in se priljubuje pri učencih. Dejavstvo, da sta mu le-ta izkazovala posebno pozornost, ni nič pomagalo. Nevoščljivost je rodila v njem duha obrekovanja in trdote v sodbah drugih. Njegova vnema za osebno pobožnost je začela pojemati, ljubezen do Boga in sočloveka je postala mrzla. Končno je začel gledati na apostole in Mater božjo z neko mero prezira in našel malo veselja pogovarjati se z njimi. Marija, Mati božja, je opazila te začetke odpadka pri Judu. Govorila je z njim in ga spodbujala kot svojega dragega otroka z izredno milino in močjo razuma. Pa je malo pomagalo. Dovolil je hudiču vstop v srce. S tem je izgubil notranje spoštovanje do Matere usmiljenja, je gledal z viška na njeno prigovarjanje in jo javno kregal zaradi njenih prijaznih besed. Njegov prezir do Matere božje je kmalu rodil stud do Gospoda. Postal je nezadovoljen z njegovimi nauki in je začel smatrati življenje apostola za pretežko. Marija ga je opozarjala, naj se obvlada, naj se poniža in prosi odpusčanja svojega Gospoda. Ponudila mu je usmiljenje v Gospodovem imenu in svojo pomoč, obljubila, da bo delala pokoro zanj, ako bi pristal na obžalovanje svojih grehov in pooblašanje. V svojem nahu je zavrnil nasvet Matere božje in izbral raje zanikanje svoje krivde. Dokler je Juda ostal v njihovi družbi, nista ne Jezus ne Marija pokazala kake spremembe v njunem odnosu do Jude, ravnala sta z njim kot z ostalimi. Zato je Judovo odpadništvo ostalo tako dolgo prikrito ostalim apostolom. Videč Jezusovo in Marijino prijaznost do Jude so apostoli zatrli v sebi vsa morebitna osebna sumničanja.

Drugi razlog Judovega propada pa je bil ta: Ko je število apostolov in učencev rastlo, se je Jezus odločil, da določi enega izmed njih za upravitelja prejetih darov. Jezus je to misel izrekel pred vsemi. Medtem ko so se vsi ostali bali sprejetja te odgovornosti, je Juda takoj izrazil svojo pripravljenost za to. Da bo to zagotovo dosegel, se je Juda celo ponižal in prosil Janeza, naj govori z božjo Materjo in naj ona v tem smislu posreduje zanj pri Jezusu. Janez mu je izpolnil to uslugo in je govoril o tem z Marijo. Mati božja, ki je Judo poznala, pa ni želela tega predlagati Gospodu. Juda je isto ponovil preko Petra in drugih apostolov: brez uspeha.

Vaclav Beneš-Trebizky:

KRALJICA DAGMAR

ZGODOVINSKI ROMAN

Oče Dobrogost se je obrnil v stran. V njegovi domovini žene niso tako sebične.

"Kaj si ga videl naposled, brat moj?"

"V pričetku bitke je stal nekoliko od mene... Potem se mi je zdelo, da se je pridružil nam. — Na povratku nismo drug z drugimi niti pregovorili... Do nedavna so nam bili za petami še češki jezdec... Niti nazaj se nismo upali ozreti... Naj vse te zveze vzame sam hudič! — Kaj imam od tega? Nič, razen da sem se vsem zameril... Bavarci so proti meni, cesar proti meni. Sam Lucifer mi je napravil to!"

"Brat — brat! — Tudi ti bi mogel očitati svoji sestri, da se je zatekla z detetom in možem k tebi, ker ni imela nikogar drugega na svetu? — In še v trenutku, ko je to dete morebiti že sirota in tvoja sestra vdova? — Če že misliš kaj takega, vsaj molči pred to revico... Bodi brez skrbi, tvoja sestra ti ne bo v nadlego... Pojdem, kamor me povedejo oči... Gotovo so še kje dobri ljudje, ki se usmilijo žene, ki nima doma, deteta, ki je podobno mladi ptici, katere gnezdo je razdrila hudobna roka."

Sestra mejnega grofa je pričela krčevito ihteti.

"Ne jokaj, mamica, saj vendar najdeva kje kako mesto. In veš, kar se obrneva? — Nazaj v češko deželo... Saj nisva storiili nikomur nič žalega, ne morejo še jeziti nad nama... Oče Dobrogost naju tudi ne zapusti. Ne jokaj, mamica!"

Mejni grof je zdaj pričel govoriti v tujem jeziku. Draguška ni razumela dobro, a zdelo se ji je, da se opravičuje pred sestro, da ni mislil tako hudo... Mejna grófica je tudi poskušala svojo svakinjo potolažiti in je gladila deklico po belem čelu, ótiraje ji obenem z obličja bogate solze.

Ura za uro je minula, a Premisl se ni vrnil.

Gospa Adleta je neprenehoma begala z očmi po cestah, ki so se vile proti gradu, a čakala je zaman. O soprogu niti duha niti sluha. Kdo ve, kje leži na trdi zemlji! Kdo ve, kako kliče ljudske pomoči? In ali mu kdo da v usta vsaj grizljaj, mu vlije notri žličico vode? Če ga najdejo, ga mogoče še ubijejo.

"Pojdiva ga iskat, mamica!"

"Kaj pomaga, drago dete? — Če bi imeli krila!"

"In mati je pritisnila hčer na srce kar najiskrenejše je mogla.

"Če sta v pričetku upali v Gospoda, tudi zdaj ne izgubita nadeje!" je rekel duhovnik Dobrogost; toda skoraj ni mogel izgovoriti tega besedila. Glas se mu je tresel, zastajal mu je v grlu.

Kaj bi počeli? Takoj bi bilo povseh načrtih, kakor bi jih odnesel veter. Niti misliti si ni upal, da bi Premisl kje ležal mrtev.

VII.

Celo gospoda Albrehta se je zgubalo v kakih pet gub.

Pravkar mu je gradnik povedal, kako so spustili v grad starega človeka, ki je ležal pred jarkom, obrnjen z glavo v zemljo, in je bil mogoče vohun — in ta duhovnik ga je že večkrat obiskal, kakor bi se poznala in bi bilo vse nalašč tako pripravljeno. In kakor bi ne bil niti kristjan. Ni ga še videl, da je napravil križ. Ni mu bilo posebnega hudo. Skoraj gotovo se je hlinil. In mogoče, da izhaja iz tega neuspeh mišenskega orožja. Taki potepuhi umejo čudne stvari. S hudičem so ena roka.

"Ko sem šel pred leti s tvojim rajnikom očetom proti Ljuticem, so nam naenkrat skrhalo meče in pohabili loke, da nismo mogli niti sekati niti streljati. Celo konji se niso hoteli ganiti naprej. In vzrok temu je bilo tudi čarjanje moža, ki se je neopazno vtihotal v grad in nam vse začaral. Od starih vojakov sem slišal še bolj čudne stvari. Skoraj neverjetno, jasni gospod! In najhuje je, ko se pred očmi napravi volčja megla."

Mejni grof je potem ukazal, naj privedejo starca.

Takoj so mu ga pripeljali. Starec je pred gospodom Albrehtom ponosno vzravnal glavo, strupeno se nasmejal, uprl nanj oči, kakor bi ga hotel z ntimi prebosti, in spregovoril z glasom, da je mejnega grofa zabelo po vseh udih: "Pozdravljam te iz vojne — pozdravljam — vrnil si se zdrav!" V teh glasovih, ki so se izvili izza pobledelih starčevih ustnic, ni bilo niti najmanjšega znamenja kake bo-

jazni, kaj se mu zgodi.

"Od kod si in česa iščeš v mojem gradu?"

Gospod Albreht se je trudil,

Between Chardon & East 222nd St. — Euclid, Ohio

MI SMO ZAČELI ČISTITI NAS ZRAK, PREDNO STE GA VI PRVIČ VDIHNILI!

(Če ste mlajši kot 52 let!)

Daleč nazaj v letu 1926 je Illuminating Company med prvimi elektrarnami v deželi namestila elektrostatične zgoščevalce za zmanjšanje izpuha pepela iz dimnikov.

Ti zgodnji zgoščevalci so bili del nove elektrarne v Avon Lake, kjer ni bilo nobenih predpisov za preprečevanje onesnaževanja zraka. Ker so ljudje na celotnem področju, ki ga mi oskrbujemo, kazali skrb za čistejši zrak, so bili načrti za novo elektrarno izdelani na ravni predpisov Clevelanda.

Samo v pojasnilo, kako daleč smo prišli v približno 50 letih, naj navedemo, da so zadevni predpisi Clevelanda 1926 leta omejevali dim na težko določljiv "sivi", nekje v sredi med črnim in belim. "Gost" dim je bil dovoljen 6 minut v vsaki uri, da je bilo mogoče očistiti peči.

Od tega časa so bili zgoščevalci vgrajevani v nadzorni sistem izpuha pri vseh kotlih elektrarn Illuminating Company.

Tekom let so inženirji družbe zamislili in zgradili boljše zgoščevalce v soglasju s

strožjimi predpisi. Ko so zgoščevalci postajali bolj in bolj učinkoviti, so postali tudi večji, zapletenejši in veliko dražji.

Do leta 1972 so vloge kapitala za izboljšanje okolja znesle do 45 milijonov dolarjev. V naslednjih petih letih divjajoče inflacije so ti stroški poskočili na preko 107 milijonov dolarjev.

In od leta 1979 skozi leto 1983 misli Illuminating Company porabiti dodatnih 270 milijonov za čistejše ozračje. In celo to ne bo vključevalo kapitalnih stroškov za izpolnitev možnih predpisov za gradnjo šteti, ki bi mogle stati med 400 in 500 milijonov dolarjev.

Eden glavnih razlogov za rastočo ceno elektrike so stroški za nadziranje čistoče zraka. Mi vemo, da se vi za to brigate. Brigamo se tudi mi!

Nihče ne dvomi v potrebo izboljšanja okolja, toda vsakdo bi naj vprašal "kako popolno" in "za kakšno ceno"?

Kajti vsakdo, ki rabi elektriko, bo moral plačati račun.

Butaras: A Slovenian Palm Sun. Tradition

ON PALM SUNDAY, the Slovenian children gather in the St. Vitus courtyard for the parade to the church carrying the butara.

By Mary Delchin

Palm Sunday is a feast celebrated by the Christians on the Sunday before Easter. It is in memory of the time when Jesus entered Jerusalem, riding on a donkey, and the people honored Him by throwing palm branches and leaves in His path. We too, are welcoming Jesus with palm branches and songs. However, the Slovenian people in Cleveland are trying to preserve centuries-old tradition by making colorful "butaras" to be used in the procession on Palm Sunday.

Making "butaras" is some- invited to attend the Sloven- sive it brings a special bless- ing to the entire household. A "butara" is a bundle of rods, pussywillows, and various spring shrubby, tied with colorful ribbons.

As usual, the St. Vitus Slo- venian School, has special workshops for the children, their parents, and anyone who is interested and willing to learn how to make "butaras".

Anyone who is interested in making "butaras", is in- vited to St. Vitus Church Hall, on Saturday, April 7th, at 9:00 a.m. If at all possible, bring pussywillows, shrub- bery, and various ribbons.

On Palm Sunday you are invite dto attend the Slove- nian Mass at 10:45 a.m. at St. Vitus Church. Weather per- mitting, the solemn blessing of "butaras" and palms will take place at 10:30 a.m. in front of the parish house, and then the procession to church.

In the event of rain, the blessing will be held inside the church hall.

The Slovenian national cos- tumes are most welcome.

STANDREŽ PERFORMS HERE APRIL 20 - ST. VITUS

The Slovenian Catholic Cul- tural Union of Gorizia - Italy presents the drama group, "Standrež" in a play, "Komedija o komediji" on Friday, April 20, 7:30 p.m. at St. Vitus Auditorium, 6111 Glass Ave.

This amateur theatrical group was organized in 1965. They are now even in Europe almost a rare breed of a once so popular Slovenian tradi- tion when every town and village was proud of its own theatrical group.

They presented over 20 fa- mous dramas or comedies and many shorter stories in over 130 stage appearances in Goriz- ia, Trieste, Austria, and Slo-

venia. They appeared in Rome for the benefit of the local Slovenians.

They will present in Cleve- land a new work written by the modern Slovenian play- wright Marjan Marinc. The title is "COMEDY IN A CO- MEDY".

"Comedy in a Comedy" is a modern comic situation play that is taken from the every- day life in Slovenia but could be appreciated to our own life in the USA. Each one of us will be able to see himself or herself in one situation or another during the presenta- tion.

JOLIET REFLECTIONS

Happy to renew my sub- scription for the American Home — as I patiently wait for the Friday issue in which is reported the news and happenings of various Slove- nian communities throughout the States, "posebno pa Cle- velandske aktivnost in no- vice!"

Especially interesting is the "news in brief" columns by your so able reporter — Madeline. "Le kar piši naprej — naša Madelinka!"

Wish there were more con- tributors, such as at one time "Tone s Hriba" of Joliet, the late Michael Hochevar and Paul J. Laurich also of Joliet — "who are now resting in peace with their tired hands and pens" and not to be for- gotten! — Fortunately, we still have our Josephine Erja- vec and Irene Odorizzi, (Pla- inšek-ova) now of Reston, Va. who keep the ink, pen and the typewriter occupied for our

reading enjoyment.

Then there was "Pod zvono- vi sv. Stefana" in Chicago; "Iz kamni dolini", Rockdale; "Mala Jugoslavia" Crest Hill, "Jogerčan" from Waukegan and other localities. And, we certainly can't forget the late John Jerich, of Chicago and Berwyn.

Pleasant memories are real- ly brought back today as we reda occasionally about drama- tic (igre) performances and singing concerts still go- ing on, such as we took part in here in Joliet in the early 1920's, ko je bil pok. Welcome Iron Rangers

Dear Sir: (Drage Slovenska brat)

We are of Slovenian des- cent and my wife saw your ad in the Zarja magazine so we would like to subscribe to your paper.

We trust Slovenian people. There are a lot of them up here on the Iron Range in Northern Minnesota. The last time I was on St. Clair Ave. (in Cleveland) we had a lot of fun dancing to some good Slovenian polkas. We even have a Slovenian orchestra in our family called the Zi- vio's. Would you like some articles on them? They have played and sung at many heri- tage doings up here. We are also acquainted with the Chicago Slovene Button Box Club which will be playing in Cleveland on April 7th at Waterloo Hall. I also had an uncle in Yugoslavia who was a prof. of music at Ljubljana University and was a great opera singer.

Please let me know if you would like more information on the Slovenian communi- ties up here on the Iron Range of Minnesota.

Best regards

Adolph Levar

Eckart asks Ohio to monitor radiation

Rep. Dennis E. Eckart

State Representative Den- nis E. Eckart (D-18) said he has introduced legislation which will require the State Department of Health to mon- itor environmental levels of radiation in air, water, or the land that is in the vicinity of any nuclear powered electric generating plant in the state of Ohio.

Eckart's proposal legisla- tion comes about as a direct result of an accident which occurred at the Three Mile Is- land Nuclear Power Plant, near Harrisburg, Pa. "This legislation," Eckart said, "will ensure that there is a State agency which will re respon- sible for monitoring surround- ing radiation levels near nu- clear facilities.

"We cannot rely on the public utilities to furnish this information. Six hours elaps- ed between the time the ra- diation was first recorded in the Pennsylvania accident and the time the local elected officials were warned about the hazard that existed. This is unacceptable, we must act now to protect Ohio's citi- zens."

"In addition to this legisla- tion, we will establish an alert network which will in- clude the office of Disaster Services, the Ohio Adjutant General's office, and the Pub- lic Utilities Commission.

"We will also be granting to the Director of the Depart- ment of Health authority to immed-ately order the nu- clear facility to cease opera- tion when unacceptable lev- els of radiation are recorded beyond the boundaries of the plant."

BUTTER COOKIES

- 1 cup butter
- 2/3 cup sugar
- 3 egg yolks
- 1 teaspoon vanilla or rum flavoring
- 2 1/4 cups sifted flour

Thoroughly cream butter with sugar. Beat in egg yolks and flavoring. Mix in flour with a spoon or spatula. Using one fourth of the dough at a time, force through a cookie press forming various shapes on a cookie sheet.

Bake in pre-heated oven 350 degrees for 15 minutes or un- til done. Makes about 6 doz.

(Before you start the in- gredients should be at room temperature.)

P.S. — This recipe is made very quickly and is very good. I have been using it for years, and have received many compliments on it. Grandmas will make their grandchildren very happy if they will keep their cookie jar filled with them.

HOUSEHOLD HINTS

Always keep some onions in the vegetable compartment of the refrigerator. When you slice them, you will never cry.

Sapphire flour is the best of all for baking.

DEEP IN THE HEART OF TEXAS — SLOVENIANS RIDE THE (AIR CONDITIONED) RANGE

Editor:

Houston, Tex. — Ameriška Domovina's stature as the voice of Slovenians in the U.S. was demonstrated again, this time in the Lone Star State. My letter, which you published a few weeks ago, adding my family to the number of us here brought an immediate enthusiastic re- sponse and I heard from other members of the Texas con- tingent. As you suggested in our phone conversation last week, I'm enclosing some background information on the "Texas Slovenians" for you and your readers.

My first contact came in a phone call from Veronika Ka- lan here in Houston. Veroni- ka, her husband Tom and children Kristina and Peter moved to Houston about two years ago from Indonesia.

Tom Kalan is a Geologist in the oil industry and, as he put it, Houston's position as the energy capitol of the world made it inevitable that he would eventually move here. Tom is from New York and Veronika from Chicago, but both were born in Yugo- slavia.

A few days later, I heard from Frank Kucler in Aus- tin, Texas. Frank is with

from Collinwood. Frank and I both grew up in the neigh- borhood of the Waterloo Slo- venian Home at about the same time. He left Cleveland some time ago and has lived in a number of other cities IBM there and is originally until moving to Austin 13 years ago.

As I mentioned, my own childhood was in the Water- loo Road area until our fam- ily moved to Euclid in the mid-forties. I lived in Euclid and the Lake County area for many years until the Air Con- ditioning business took me to Houston in 1973. (Houston also happens to be the air conditioning capitol of the world!) My wife, Joni, is from the Chicago area and we met three years ago, after she moved to Houston. Another Slovenian to be added to the Texas count is my son Jeff, who also lives in Hous- ton and works for Airsearch Division of Garrett Corp.

On Sunday, February 18, Joni and I were guests of the Kalans. Also in attendance was Mr. Matko Zdešar of Ljubljana. Mr. Zdešar is visiting the United States and has traveled extensively by Amtrack Train around the country, including a stop in

Cleveland. Mr. and Mrs. Charlie Sepic were also din- ner guests. Charlie and Ann were recently married and were the subjects of Ed Gros- sel's original letter to you concerning the number of Slovenians here. Mr. Sepic has lived in Houston for many years and works for Paragon Paint Company. Mrs. Sepic was formerly in the real estate business in Euclid, Ohio.

The Kalans are very graci- ous hosts and we spent an

extremely pleasant evening and enjoyed a magnificent dinner prepared by Veronika, especially for the occasion. It was agreed that we would maintain contact now that we know each other and every- one promised to visit Mr. Zdešar on future trips to Slo- venia. (Mr. and Mrs. Sepic will be going to Slovenia with the upcoming Eddie Stampfl tour, I believe).

Hope that you can use some or all of the information in this letter, Madeline. It turn-

ed out to be considerably longer than I expected, but the reaction to my short note in the Ameriška Domovine was so fantastic, there was a great deal to tell. I'm hoping to meet with the Kuclers in the near future and there will be more information then. Best wishes from all the Texas Slovenians to our friends and relatives in the North!

Sincerely, Dick and Joni Gričar

DAN'S DIARY

Best wishes are extended to the AMERICAN SLOVE- NIAN CATHOLIC UNION (K.S.K.J.) on the occasion of its 85th Anniversary. The Ohio Federation of Lodges did their part in observing this important event on March 24, 1979, with a Mass at 6:00 p.m. offered by Msgr. Louis B. Baznik, Spiritual Director. Concelebrant was our pastor, Rev. A. Edward Pevec.

Afterward, a short program

on stage was presented, fol- lowed by dinner and dancing. A true K.S.K.J. fraternal spirit prevailed. Mr. Edward Kucic, National President, from Chicago, Ill. was princi- pal speaker. Program M.C.'s were Mr. Joseph Baskovic, Pres. of the Ohio Federation, and Mr. Joseph Melaher, Edi- tor Manager of the K.S.K.J.'s newspaper. More details on this fine event are being pub- lished in "Glasilo" K.S.K.J.'s official organ.

Congratulations to Mr. and Mrs. Anthony L. Cimperman, of Mentor, Ohio, on the birth of their 12th child, Lisa Ma- rie, Feb. 12th, 1979, who was baptized by her uncle, Rev. Victor Cimperman on Feb. 26 at St. Gabriel Church. This may be a record among our 2nd generation American Slo- venian families. Can anyone top this accomplishment? Please let me know.

GENERICIS: SAFE AND EFFECTIVE

by Bogomir M. Kuhar

Ohio Senate Bill 45 became law on January 1, 1978. Prior to that date, and ever since, much printed matter has been generated on the new region of the pharmaceutical profession: generic drug substitution. Shades of opinion vary widely in the allied medical professions, depending on to whom one speaks.

Competitively priced pharmacies and some physicians, in general, see this new law as a boon, an easement in health delivery costs. So do the welfare agencies of the government, be they local, state or national.

While some elements see the law as opening a legal can of worms, others (notably trial lawyers) claim that this is the course to follow in the name and spirit of consumerism. There is more disagreement.

Drug companies which now hold expired patents on various drug entities find themselves scrambling to meet new competition in price. They stress experience, quality, and a firm desire to back-up pharmacists who may be sued by irate customers after dispensing a brand-name drug in good faith and professional judgement.

First things first. A brand-name drug carries a 17 year patent for the holder, more often than not a pharmaceutical manufacturer. Upon expiration of the patent, the drug is up for grabs; anyone with the license and know-how may produce the drug entity. It is at this time that the drug entity is referred to as a "generic" drug i.e. the common, chemical name of the drug which is accepted by the pharmaceutical and medical community, the Federal Drug Administration, and registered as such in the United States Adopted Drug Names, an annual reference journal.

Since these "generic houses" do not have to do research on the drug nor run the expensive clinical trials, they generally will wholesale the drug at a substantially reduced price. And, by law, the savings is to be passed on to the patient IF a generic substitution has been made which is cheaper than the brand-name drug.

The greatest problem area for all concerned is what is known as drug "bioavailability." This term refers to how much ACTUAL drug is available to the body once it is released from its dosage form in the human gut.

Bioavailability varies according to a complex combination of factors: individual metabolism and biochemistry; age; gender; formulation of

the drug product; disease state of the patient; and other unknowns. In no way is this a cut-n-dry situation. There are simply too many variables in drug absorption for one to say this or that factor solely determines the extent of bioavailability.

Another problem area is that patients take it for granted that the cheaper types of generic drugs are unconditionally acceptable. This plainly is not true. Cost, in and of itself, cannot be the determining factor in drug product selection by a physician or a pharmacist.

It may be that a certain, reputable drug firm has refined the formulation of a given drug and that its product is the drug of choice. Or, a certain drug firm's product may be the only one which gives a consistent, predictable blood level of the drug. What good is inexpensive, then, if it yields little or no effect?

In the final analysis, the pharmacist is the drug specialist whom one should consult with respect to generic drug substitution. He, in tandem with the physician, should be consulted for professional advice in this area. This is true especially for the pharmacist

who is specifically trained in all aspects of drugs, their actions, side effects and interactions. Use this service which is so readily accessible to all, keeping in mind not only that medicines should be inexpensive but, also, safe and effective.

(Footnote: If, on a prescription, your physician writes "D.A.W." or the words "Dispense As Written," the pharmacist, by law, must dispense the exact drug which the physician has prescribed, regardless if it has a generic equivalent or not.)

How to keep warm

Here is a suggestion on what to do on those cold winter nights when you get chilly in your living room. Get up — and use that time to exercise for a few minutes. You'll not only feel warmer, but you'll probably be in better shape.

Also, if you feel you'll have trouble sleeping — do the same thing. You'll accomplish two things — sleep better and you will feel better.

CITY OF EUCLID, OHIO

A WINTER IN SN. FLORIDA

It was great to return to Cleveland after spending the winter in Fort Lauderdale, Fla. Great only in the sense of getting back to our relatives and friends. Weather-wise one would be foolish to leave mid 70's temperatures to go to a freezing area. But all good things must come to an end.

Staying with our daughter in family Bruce and Geraldine (Laurich) Soule and our three lovely grandchildren, Brian (8), Michelle (5) and Julie (3) our time was fully occupied and enjoyed.

Food prices in Fla. are much the same as in Cleveland, some items a little higher, others somewhat lower. Liquor sales are competitive. You can purchase a quart for less than you would pay for a fifth (same brand) back home. Haircuts are \$2.50 in some shops.

Fortunately we did not have to buy oranges or grapefruit as we have trees in our own back yard. Fresh juice every morning. Looking over the fence the neighbor was picking roses. This in February when all the north had was snowballs. Quite a contrast.

One thing my wife and I missed most was Tony's Polka program and dinner dances at Recher Hall. We were in Lauderdale almost six weeks before we heard any Slovenian music (tapes) and this was at Cy and Mary Grile's home on Intracoastal. The Grile's are from Marcella Ave., Clev., Ohio and for the past six years have spent the winters in Fla. and summer in Cleveland.

On Sunday, March 4th we drove with Cy and Mary to the South Florida Slovenian Club, meeting, dinner and dance. Erna Katula, capable president of the group, stat-

ed that at the initial meeting, five years ago, there were 26 loyal Slovenes enrolled. Today the Club boasts a membership of over 160.

After the meeting a luscious dinner of corned beef and cabbage was served. This fine food was prepared by members.

We also met with many former Clevelanders, among them were: Mr. and Mrs. Jerry Bohinc (of Northeast Appliance), Mr. and Mrs. Tony Kebe (former owners of Welcome Tavern), Mrs. John Drenik (Drenik Distributors), Mrs. Frank Race (Race Dairy), Mrs. Mary Kramer (Kramers Lounge E. 185th St.), Mr. and Mrs. Ed Strumble (Grovewood Meat Market), Marge (Sluggo) Slogar, Victor Skok and others.

After dinner, polka dancing commenced to tunes by Bill Zatorsky's orchestra. This was the first time in 2 months that we had the pleasure of listening and dancing to live Slovenian music.

When in South Florida there are many places to go for enjoyment. We spent some time and money at Gulfstream Park (horse races), at Dania Jai Alai and Hollywood Dog Races. For better eating spots, the Kapok Tree on Route No. 84 or the Mai Kai, just a stones throw from where we lived. Joe Namath and two of his football buddies opened a brand new night club called Bachelor's 3.

The above mentioned places are all fine, but my suggestion is that if you are in the South Florida area call Marnie Willis 758-9032 or Erna Kotula 564-1318. But I warn you, the people, food and polka music may make you homesick. Need I say more.

Workshop on Ministry Within Ethnic Cultures Notre Dame Apr 21-22

A workshop on Ministry Within Ethnic Cultures, "Celebrating Ethnicity," will be offered by the Notre Dame College Center for Catechetics on April 21-22. The project is supported by funds from the National Conference of Christians and Jews.

The program is open to persons engaged in Church Ministry, involved in ethnic and nationality groups, and lay ministers in parishes. The purpose of the program is to increase awareness of the Church's ministry within ethnic cultures in the Diocese of Cleveland, and to further understanding of the values and contributions of the ethnic and nationality parish.

Some of the topics to be covered during the two-day workshop include: "History of Ethnicity in the Diocese of Cleveland," "The Potential for Ethnic Parishes," "A Search for an Ethnic Identity," "Liturgy and Ethnicity," and "Ethnic Festivals and Celebrations."

For more information please call the Notre Dame College Center of Catechetics at 381-1680.

Meeting

S.Z.Z. No. 25 will have their meeting Tues. April 10 at St. Vitus Social room at 1:30 p.m.

Circle 2 Operetta Staged April 29

For the first time in 24 years, the complete operetta "Janko in Metka" will be presented in the Slovenian language by the Circle No. 2 SNPJ Junior Chorus on Sunday, April 29.

Janko in Metka is the story of Hansel and Gretel with music by the original Engelbert Humperdinck including some 14 familiar songs.

The program will begin at 4 p.m. at Slovenian Society Home, 20713 Recher Avenue, Euclid, under the direction of Cecilia Dolgan. Accompanist will be Kathy Hlad.

A social will follow with music by Ken Zager's Orchestra.

Tickets at \$2.50 each are available from members, at Tony's Polka Village and at the door the day of the performance.

The Slovenian Junior Chorus includes some 40 members from age 5 to 16.

The Circle Button Accordion Ensemble will entertain between Act One and Act Two of the three-act musical.

How To Make Butare

It's a tradition among Slovenians to make Butale for Palm Sunday. Last year youngsters from St. Vitus school got together with parents and took flowers and sticks and fruit. The priest blessed the butale and the children take them home.

Spring flowers make up a good portion of butara. Here Anka Mihelič, Terezija Zitnik and Helena Perčič put the finishing touches together for an outstanding job.

ST. CLAIR BUSINESSMEN HOLD SOCIAL APRIL 18

On Wednesday, April 18, the St. Clair Business Association will sponsor a Tenth Anniversary Gala.

The spectacular event will take place in the main hall and annex of the Slovenian National Home, 6417 St. Clair Avenue.

Sales of tickets are limited to 200 at \$35.00 each. This will entitle the holder to partake of shrimp and canapes, an open bar most of the evening, and a full-course dinner. Cash gifts totaling \$3,000 will be given.

A limited number of guest tickets will be available. Even with inflation, we are keep-

ing the price at \$10.00 each. This entitles the guest to everything except participating in the \$3,000.00 in cash awards.

Since it is our 10th Anniversary there will be some surprises; even in the dinner menu. Those who have attended in the past know what a first-class affair we put on.

For tickets or further information, please telephone me at 431-6062 (business) or 531-4556 (residence). Or see me at 6422 St. Clair Avenue.

Cordially,
Richard J. Mott
President,
St. Clair Business Association

Ethnic Museum Looking for Easter Traditions

Easter, the Feast of Feasts, is the climax and beginning of the Christian year. Cleveland's ethnic communities are full of Eastertide customs celebrated both in the home and in the Church.

These customs start with pre-Lent preparations, maintaining the solemnity of the 40 days of Lent, and come in to full bloom during Holy Week, winding down during the week after Easter.

The Greater Cleveland Ethnographic Museum has received a grant from the Ohio Arts Council to document many of the varied Easter customs found in the city's ethnic communities. The end product of this project will be a slide/music program illustrating Eastertide traditions as they are celebrated both in the home and in the church.

Specific activities will be documented at St. Vitus Ca-

tholic Church (Slovenian), the Annunciation Greek Orthodox Church, St. George Orthodox Church (Syrian), St. Theodosius Cathedral (Russian), St. Emeric's Catholic Church (Hungarian), and with the Ukrainian National Women's League of America.

The Ethnographic Museum's folklore researcher Annette Fromm will investigate home Easter preparations, their history and meanings as well as church rituals. Walter Mahovich will record traditional Easter music to supplement the slide program.

The slide/music program will be available to schools, community centers and interested groups for rental or sale late in June.

For further information contact Annette Fromm at the Greater Cleveland Ethnographic Museum, 137 the Arcade, 621-4768.

years on Hecker Ave.

3/22 — Joseph Skerbec, 9364 Newkirk Dr., Parma, O. Formerly, he lived at 1200 E. 61st St. 44103, and was a very active member of St. Vitus Theater Guild in the thirties. Joe is the third person we have lost this year from that "good old St. Vitus gang" of 40 years ago.

To the families of all our beloved deceased, we extend our heartfelt condolences. Let us remember them often in prayer, so that their souls may soon reach their goal of eternal bliss!

Just cannot believe it, but that ever young looking guy, who answers to the name of Joe Strumbel, from E. 60th St., will attain age 70 on April 16th. What would we do at St. Vitus without the likes of Joe and his counterparts. Ed Salomon, formerly of E. 63rd St., that fierce bowling competitor at Grdina Lanes throughout the last 35 years is also observing his 70th.

There is another man who also celebrates on the same day. He is our esteemed pastor, Rev. A. Edward Pevec. Last year for his birthday in this column, I had expressed my hope that he would have a lengthy stay at St. Vitus, but it just was not meant to be. More important duties are waiting for him.

My hard working boss, Jim Debevec, owner and English Editor of this newspaper, observed his 41st birthday on March 30th.

To all of you we wish many more healthy and happy years!

Congratulations and best wishes to Mr. and Mrs. Louis Hlad, 1158 Addison Rd. 44103 who are celebrating their 37th wedding anniversary on April 9th. We all hope and pray you will reach your 50th at least!

St. Vitus Men's Club is holding its annual Chicken & Roast Beef Dinner this Sunday, April 8th, in the auditorium from 11:30 a.m. to 3:00 p.m. Donation is only \$3.50. Treat yourself to one of their delicious meals. Tomorrow, April 7th, they are also having a "Krofe Sale".

The Dads' Club will be serving their final Lenten Fish and Shrimp Dinners today from 4:30 p.m. to 7:00 p.m. Take outs are available.

Holy Name Society's Corporate Communion will be held this Sunday, April 8th at the 8:00 a.m. Mass. Breakfast will follow in the church hall with a short business meeting. If we have not seen

you for a while, please attend and bring a friend.

A blessed and happy Easter is extended to our Pastor A. Edward Pevec, associate Pastor Joseph Boznar, assistant priests Fathers Julius Slapsak, Allen Bruening, Joseph Simcic, our Notre Dame Sisters, the lay teachers, parishioners, former parishioners and friends everywhere!

Printing Orders

In addition to the newspapers and magazines that were printed in the shop, we printed many books and other jobs. The largest job that I recall was printed around 1924 when we printed the Slovenian History of the KSKJ on the occasion of the 30th birthday of the organization. Mr. Ivan Zupan, the editor of the Glasilo KSKJ, was the historian. The book had a large 9x12 format and had many illustrations. It was printed in brown ink on smooth paper. Over 20,000 copies were printed. It took over a year to have it printed. Extra people had to be hired to help finish the

job.

We printed many other books in our shop, including many by-laws for different fraternal organizations and did most of their stationary work like letterheads, envelopes, policies, etc. Many historical books, song books and prayer books also saw the light of day from our press.

Our "Best Seller" that was printed was the original cook book "My Favorite Recipes" issued by the American-Slovene Club. It sold like hot cakes. First printing was in September 1950 followed quickly by a rush order in March 1951, and five or more printings followed in the next few years. This book resulted in a big national fad which

brought countless "FAVORITE" Cook books from different organizations, and clubs, which slowed down the sale of the original book. Now the book has again been completely sold out and there has been talk of getting out a revised edition.

Church Annual Reports were printed annually for many years for St. Lawrence, St. Vitus, St. Mary's and Sacred Heart Church in Barberton. These reports carried a complete list of all individual contributions to the church and parish's annual Financial report and Vital Statistics.

Editors of Publications
A monthly "Cas" (Time) that was published around 1920 was edited by Mr. Frank Kerze.

Another early newspaper that was issued only a few times was edited by Father Skur, pastor of St. Mary's Parish. It was called "Naš Prapor" (Our Banner).

The Glasilo KSKJ had Mr. Ivan Zupan as editor for many years. It was during his term as editor that an English page called "Our Page" was started. Its editor was Mr. Stanley Zupan. He later became Manager of the St. Clair Savings and Loan, St. Clair at E. 63 St. branch. Mr. Ivan Racic and his son Ernest were the next editors. At present Mr. Joseph Melahar is the editor.

Nova Doba (New Era) official organ of the old J.S.K.J., and the present A.F.U. had Mr. Anton Terbovec as its Slovenian editor. His favorite column was "Vsak po Svoje" (Everyone to his own). Two of the early English editors were Louis Kolar and Anthony Garbas who became a dentist. We stopped printing it in the early 1930's.

Glas S.D.Z. (now Voice of AMLA) had many editors, among them Anton Sabec, Frank Turek, Mrs. Petric and lately Margot Klima and Vinko Lipovec as Slovenian editor. Among the English editors were Anthony Klancar, and Rudolph Lokar.

"Naša Nada" (Our Hope) a weekly Organ of the Croatian Catholic Union was printed in the early 1930's. Its editor was the Rt. Rev. Mnsgr. Michael Domladovac, pastor of St. Paul's Croatian Church on East 40th St.

"Zarja" a monthly magazine of 40 pages and cover printed until the early 1950's. It's the official organ of the Slovenian Women's Union. Its editor at that time was Albina Novak.

I knew all these editors quite well as I had personal contact with them as I helped make up pages with them.

TRIBUTE TO ROSE KOSKO

Tribute to Rose Kosko

Rose Kosko doesn't really look for flowery flattery, praise or rewards. Rose has qualities which are enviable. She smiles and laughs easily, sometimes with a heavy heart and reacts to everyone she meets in the same congenial manner. She has made friends from many areas; Cleveland to Penna., New York to Seattle. At 16 she married and travelled the states as children were born. She has survived the 'ups and downs' of her children's illnesses and emergencies in both her immediate families. Brothers and sisters look to her as their mother image.

Patricia Di Marie is her first-born; husband John and their three grown children are a source of great pride to grandmother. Chuck and his son Craig make their home with Rose and live very agree-

ably, never a dull moment.

Rose was born on 38th and St. Clair Ave., fourth child of Anton and Anna Zupancic. She worked at Richman's, Joseph & Fiess, lately as a professional drapery seamstress. Rose accomplishes everything to the very best of her ability. Her work, sewing, baking, housekeeping, is meticulous. As fifth year president of SWU No. 21 she and her officers, as a team, have persisted in successfully maintaining membership and continuity. As past V.P. of SWU combined branches made a lasting impression and a good image of our women of West Park. Rose is a member of the Ladies Auxiliary and Annunciation Church Guild.

In every respect Rose is a "ROSE" among us here at West Park S. N. Home and the community.
