

Ob 25 letnici dr. Presv. Rešnjega Telesa

Tudi jaz želim biti navzoča med vami in želim sprejeti velike nove članice. Saj Jezus kliče: pridite k meni vsi! Večna molitev pred Jezusom v zakramentu ljubezni, tako se imenuje društvo dr. Rešnjega Telesa. Ne vem, kaj se nekatere ženske tako bojijo priti v to vse hvale vredno društvo, ki skrbi za naše duše in telo.

Če bi vam jaz mogla sedaj pokazati, kako se moje srce veseli prihodnje nedelje, ker mi je Bog dal to srečo, da sem dočkala mamo, da bom lahko med vami. Zahvaliti se hočem Bogu, ker me je ohranil še živo in prepričana sem, da bi se tudi one veselile tega dne, ki so že šle pred nami v večnost po zasluženo plačilo, ker pa, da bodo na omenjeni dan prišli v duhu med nami. Zahvaliti pa se moram tudi moji pokojni materi, ki me je že v mladosti naučila te prelepe molitve in rada sem jo ubogala. Vem, če bi mi kdo verjel, če vam povem, da sem hodila k uri molitve že ko sem bila stara 12 let. Takrat še nismo imeli 40 letne knjige, imele smo samo 8 letno knjigo.

Antonija Gnidovec.

Kužne bolezni v starem času

V starih časih so imeli vse različne bolezni, ki so se naglo širile, za kugo. Tako se govori o različnih strahoti, ki jo je povzročila kuga v starih Atenah, čeprav je zgodovinska resnica, da se nikrat ni razsajala kuga. Prva kuga v Evropi, za katero se nam znanost ve, je bila tako imenovana Justinijanova kuga. Tirjala je v mestih vzhajajočih v Evropi in v Afriki v letih od 531. do 580. Razširila se je v Aleksandriji, nato v vsej severni Afriki, Palestini, Siriji, Bizancu (zdaj Carigradu), Italiji, Galiji in Germaniji. Kratkotrajno, preplavila je vse prosvetljene kraje na zahodu. Nekatera mesta so tedaj skoraj čisto izumrla. Druga velika kuga je razsajala v času Konstantina Koproničana in je trajala celih dvajset let. Njeno opustošenje je bilo strašno, vendar nimamo natančnih podatkov, da bi vedeli, koliko ljudi je pomrlo. Tako imenovana črna kuga je se pojavila v 14. stoletju ne le na Kitajskem, kjer je umrlo 100 milijonov ljudi, ampak tudi v Evropi, kar 13 milijonov ljudi. Kuga v Aziji je bila prenesena v Maroko, Azijo, Afriko in Egipt. Po Evropi se je razširila v Grčijo, Italijo, Francijo, Španijo in Nor-

veško. Po mnogih mestih je pomrlo do dve tretjini prebivalstva. V teku treh mesecev je samo v Bagdadu pomrlo pol milijona ljudi, v Kairu pa v enem samem dnevu 10,000. Otok Ciper je tedaj čisto izumrl. V tistih časih je pomrlo v Evropi za kugo 24 milijonov ljudi, v Aziji pa še mnogo več. Seveda moramo pomisliti, da je bilo prebivalstvo Evrope v tistih časih zelo maloštevilno. Kakor vidimo, so nalezljive bolezni v nekdanjih časih neovirano kosile človeška življenja. V naši dobi pa je zdravniška veda že tako napredovala, da se ne more več nobena nalezljiva bolezen tako silno razširiti. Zadnja nalezljiva bolezen, ki je razsežnejša in s hujšimi posledicami razsajala po Evropi, je bila tako imenovana španska bolezen (hripa) v letu 1918. in v letu 1919. Terjala je precej smrtnih žrtev. Če bi ta bolezen razsajala v taki razsežnosti v srednjem veku, bi jo menda označili kar za kugo. Saj bi gotovo v srednjem veku terjala še več žrtev, ker je bila takrat zdravniška veda na še zelo nizki stopnji.

IZ DOMOVINE

Ljubljana, 2. septembra. Na šentjurskem pokopališču je zopet zapela lopata nad krsto mladega, komaj 32 letnega posestnika so zaječali udarci grude. Pred tednom dni je neapol mladi mož — Mehle Franc iz Ponove vasi ob tretji uri zjutraj po gospodarskih opravkih na Velike Bloke. Ker ni imel luči in je preveč zaupal sebi in svojemu kolesu, ga je doletela nesreča, ki si jo je kot dober vozač kaj malo slutil. Na ostri serpentin malovaškega klanca se je v zgodnjem jutru ob gosti megli, ki ovije šentjursko okolico, zaletel v nekega neznanega kolesarja ki tudi ni imel luči, s tako silo, da si je pri padcu prebil lobanjo in se za nekaj časa onesvestil. Neznaneec se je vzpenjal po klancu na levi strani, kakor je pravil pred smrtjo pokojnik. Ko se je Mehle zavedel, je šel stal ne znani kolesar poleg njega in ga vprašal, kod se gre v Ponovno vas in kje je "župana Permeta jama," nato pa izginil v megleno jutro. Ranjeni kolesar ni nadaljeval svoje poti, temveč se je vrnil domov. Ker je bil močan, žilav mož, ki boleznijo vse življenje niti poznal ni, se ni zmedel zato, ako ga je na glavi malo ščemelo. Da, celo kosil je še in spravljal otavo. V soboto pa je potožil, da mu je slabo in da ga boli glava tako močno, da so poklicali reševalno postajo iz Ljubljane, ki ga je prepeljala v ljubljansko bolnišnico. Vendar se zdravnikom kljub skrbni negi ni posrečilo, da bi mu rešili življenje. Pokojnik je bil marljiv in agilen posestnik, ki ni bil vzor le šentjurski, ampak celo grosupeljski okolici. Zapušča ženo in šest nepreskrbljenih otrok.

Maribor, 1. septembra. Nova zadržna stavba v Mariboru. Danes dopoldne je bila slovesno blagoslovljena nova zadržna stavba Nabavljalne zadruge uslužbencev drž. železnice v Cavori ulici. K slovesnosti so se zbrali zastopniki oblasti in delegati železničarskih ustanov iz vse banovine. Med drugimi so se slovesnosti udeležili: oba okrajna glavarja dr. Stroški te štirinastropne stavbe znašajo okoli 3 milijone dinarjev. —Otrok je utonil v vodnjaku. Triletni sinček posestnikove žene Jožefe Zupančičeve na Rakci se je s sosedomi otroci igral na dvorišču, medtem ko je mati kuhala v kuhinji in zdaj pa zdaj prišla gledat, kaj počne fantiček. Kljub njeni pozornosti, pa se je otrok nenadoma izmuznil iz družbe. Ko je opazila, da ga ni več med otroki, ga je šla iskat. Šele čez nekaj časa ga je našla v vodnjaku. Na klice nesrečne matere so prihiteli sosede, ki so poskušali z umetnim dihanjem obuditi otroka k življenju, pa je bilo že prepozno. —Slovenski pesniki v ruskem prevodu. Nedavno je izšla knjiga slovenskih pesnikov v ruskem prevodu. V knjigi so zastopani Oton Župančič, Tone Seliškar, Srečko Kosovel in Mile Klopčič. Za knjigo je vladalo v Rusiji veliko zanimanje. V treh dneh je bila razprodana vsa naklada 10,000 izvodov.

St. Vitus Boosters Elect

About a hundred and fifty young and old members attended the monthly meeting last Sunday, Dec. 1st, of the St. Vitus Lodge, No. 25 KSKJ. This was the largest gathering for quite some time. It proved to be a brisk four-hour meeting and the reason for this lengthy session was that there were so many topics for discussion, such as the social and athletic activities for the year 1941. There was also the election of officers for 1941.

The officers who were elected were: Anton Sternisa Sr., president; Joseph Gornick vice-president; Anton Fortuna, financial secretary; Louis Krajc, treasurer; Frank Sodnikar recording secretary; Charles Winters, William Gliha, and Anthony Sternisa, Jr., trustees. Mr. A. Gregor sergeant-at-arms. Activities planned for next year include the St. Vitus Booster dance on Jan. 18th at Slovenian Nat. Home on St. Clair, the KSKJ bowling tournament to be held sometime after Easter, the annual picnic in June and the baseball team for next year.

A vote of thanks was given to Joseph Gornick for his work in creating interest among the young members in the lodge and to Anthony Sternisa, Jr., Athletic Director for his athletic activities.

Dr. M. F. Oman, supreme medical examiner, gave a short talk.

Anton Fortuna was chosen to represent the lodge, a stockholder at the North American Bank meeting. William Gliha, John Melle, Anton Fortuna and John Modic were chosen as representatives to the United Lodges of St. Vitus Church.

Refreshments were served after the meeting, thanks to our member Anton Basca. Don't forget the Jan. 5th meeting because the officers will be installed and the financial secretary promises to pass out cigars to every member attending.

NEWBURG NEWS

SILVER JUBILEE

The Blessed Sacrament Altar Society of St. Lawrence Church will celebrate its 25th anniversary on Dec. 8th, 1940.

It will be 25 years since our beloved pastor, Canon J. J. Oman gathered a small group of women and organized The Blessed Sacrament Society. At that time about 35 women joined. Then others followed and so in 25 years there are 315 members.

We will celebrate the silver jubilee in this manner:

At 7:30 a.m. there will be a Solemn High Mass and all the members will receive Holy Communion in a body. Then in the afternoon at 3 p.m., if the weather permits, we will have a parade from the Slovenian National Home on 80th Street to the church. There will be a sermon rendered by Rt. Rev. John J. Oman, reception of new members into the society, singing of the litanies and benediction of the Blessed Sacrament.

Then in the evening a supper will be served at 7 o'clock in the S. N. Name, followed by speeches, singing, and other entertainment.

So all members, young and old, and all the people from far and near are cordially invited to attend in the afternoon as well as in the evening.

PLAN SILVER JUBILEE CELEBRATION

Tuesday evening, Nov. 26th, the Young Ladies Sodality held their monthly meeting. Despite the inclement weather, a fair representation of Sodality members was present. With the old business having been taken care of, the sodality immediately began formulating plans for their "Silver Jubilee Celebration." The 25-year anniversary occurs sometime in March, but because that is the lenten season, it was agreed to hold an all-day celebration on the first Sunday in May. All the sodalists are requested to keep May 4th, 1941, in mind, as this will be the red letter day of the St. Lawrence Parish Sodality.

Tentative plans subject to change are: Pontifical Mass at 9 o'clock with all the present and former sodalists receiving Holy Communion. The sodalists of the Slovenian parishes in Cleveland, Lorain and Barberton are invited to come to this mass and to...

Croatians, Spartans, Lithuanians Win

CROATIANS 22, ZUMBERAKS 19. Beginning their second round of play the Inter-Lodge players staged 3 thrilling battles which reminded the fans of the spark shown by the clubs during past years.

In the opener the Croats stayed at the top of the Inter-Lodge scramble by edging out the hard fighting Zumberaks by the score of 22 to 19. Hostnik led the attack, netting 8 points. King was high for the Zumberaks. The lscers succumbed in the last few minutes of play.

SPARTANS 31, SERBIANS 26. In another torrid battle the SSPZ Spartans who lost to the Croats last week came from behind to snatch a thriller packed with sensational play by Pinky Prebil who registered 14 points. Nick Opalich and Frank Zak scored 11 and 8 points respectively.

LITHUANIANS 40, ST. JOSEPHS 20. Showing a marked improvement over last week the KSKJ St. Joseph's extended the Lithuanians for a full 3 quarters. However, the pace began to show on the youthful and plucky Collinwooders going into the last quarter when they were deluged under a "rain" of baskets. . . . Maelzka and Bratis rang up 12 markers for the winners while Krajac and Hrastar scintillated for the losers.

Schedule for Wednesday, Dec. 11th. St. Joseph's vs Serbians, 7:00 p.m. Spartans vs Zumberaks, 7:45 p.m. Croats vs Lithuanians, 8:30 p.m. All games played every Wednesday at the St. Clair Recreation Center, Admission 10 cents.

From St. Christine's

Once again I've settled down to write a letter to our beloved paper, the American Home, and I hope you will be so kind as to print it. I had planned writing sooner and thus ask all my friends to assist me and the other two girls who joined the Popularity Contest at St. Christine's by voting for us. Since the contest took place the same time as the St. Christine's Bazaar, which was held on Nov. 21 and 24, and one week earlier than planned, I was very busy straightening matters concerning it. Instead I put over writing till after the contest would be concluded. The Popularity Contest was concluded on Nov. 21st. at St. Christine's Hall on E. 222nd St. in Euclid. Vickie Dragozit and Emily Weiss were the two other girls who joined the contest besides me. I went there for a short time the night of the crowning with the permission of my doctor. Upon arriving there with my mother everyone was very cordial and considerate towards me. I only then discovered that Emily Weiss had withdrawn from the contest. Vickie Dragozit was a very nice girl and we soon got very well acquainted. After a brief time the new queen was called on the stage by our pastor, Rev. A. L. Bombach. I was overly surprised when I heard my name announced as the St. Christine's Popularity Queen for 1940. In second place came Vickie Dragozit. She was a sport about the whole matter and was among the first to congratulate me. The ceremony of crowning was very simple. Anne Kocman, queen of 1939, who is a most charming, young lady, crowned me. The crown was made of white flowers with a little bit of green. The banner, bearing the title, was a white, silk ribbon, with the letters in gold. This was placed on at an angle from the right shoulder. Immediately following this, Anne Kocman, Vickie Dragozit and I each said a few words to the audience. Everyone seemed very happy that I received the honor of queen here at our parish. Because of this I feel doubly happy. In all, this has been a most thrilling experience for me. I particularly wish to thank my mother, and all my friends who labored so I attained this honor. They are the ones who made my victory possible and I thank them from the bottom of my heart. My sincere thanks to all who have voted for me. Thanks also to the American Home for the articles which appeared in their paper so all knew exactly when the contest would be concluded. This saved us a great deal of trouble. My only remaining wish, which I earnestly hope will come true, is to soon completely regain my health. Winning the contest has given me greater courage to continue persevering towards this goal. I have firm faith that with God's help I shall succeed in this too. Again my heartfelt thanks to all who have been so kind in helping me win this contest. May God bless and repay each and everyone.

ATTENTION READERS!! The Holy Name Society is in the midst of a vigorous campaign for new members. There is a Holy Name Society for every age group. Boys in the high school age should join the Holy Name Juniors. Then for men over 18 years of age there is the Young Men's Holy Name Society. The Holy Name Seniors is for the older men. Why not become a member of this most beneficial society? Do you think it is too religious? Do you think it is not active, that members have no recreation or fun? Do you think it is expensive? The answer is an emphatic no! For instance, take the case of the Young Men's Holy Name. Looking at the religious angle you are required to go to the Sacraments every three months or four times a year. That is not asking too much for any Catholic especially during these times. There are many socials and much recreation throughout the year. There is baseball, bowling, basketball, outings, and picnics. Social activities can be in-

YOUNG MEN'S HOLY NAME SOCIETY NEWS AND REVIEW

DANCE LESSONS

It is said that a person is never too old to learn and that a human being can never learn enough and so to accommodate all those who want more education (?) the Young Men's Holy Name Society will give lessons in the art of "swing and sway." These lessons will be given in the "Little Red School House," formerly called the Slovenian Workmen's Home, at 15335 Waterloo Road. Class begins at eight o'clock in the evening on Sunday, Jan. 19th, 1941.

Incidentally, you will want to know who the professor is at the "Swing Session." Here is the pleasant surprise. The class is conducted by none other than that popular maestro of rhythm, Johnny Pecon, and his orchestra. The entry fee for all prospective students is only thirty-five cents and the line forms to the right. Don't push or shove. Just swing and sway.

Another important matter not to be overlooked is the fact that some lucky pupil will be awarded a valuable gift during recess. This valuable gift was donated to the "Swing Session" by our old alumnus, Frank Cerne, of the Cerne Jewelry Co., at 6401 St. Clair Ave. Frank is the oldest and most reliable Slovenian jeweler in Cleveland and he has a complete stock of jewelry. And so don't forget all these facts and mark Sunday, Jan. 19, 1941, on your new calendar as it is a red letter date. Come with your friends and enroll in the "Swing Session."

MEETING NOTICE

Every member of the Young Men's Holy Name Society should take to heart and to head the following reminder. Next week Thursday, Dec. 12th, will be held the most important meeting of the year. Why is it so important? One of the reasons is because election of officers for the year of 1941 will take place at this meeting and every member should be present, without fail. Plans and details for our "Swing Session" dance will also be discussed and in order to accomplish as in our former undertakings requires the complete cooperation of all members. . . . Between now and meeting time, do some thinking about whom you are going to nominate as your officers for the next year. This is very important as the balance of the club sways with its officers. Also remember to bring some friend of yours as a candidate for membership into the society. Every member should try to bring a new member.
