Editorial Notes

Let us forget: This is the anniversary year of our Society, and systematic plans to fittingly observe our organization's birthday should begin now.

Our members would do well if they would subscribe to the Fraternal Monitor, wherein they would find valuable material and answers to the questions "Why Do We Become Members of Fraternal Organizations?"

Publicity committees of our lodges should work unitedly, so that their reports will not "clash," and not double their announcements.

In another column of this page an announcement is being made that the supreme board opens a new membership campaign, offering valuable prizes to the members securing one or more new members.

It has been rightly said that "only a fool never changes his mind." Let this apply to us in general, as these Editorial Notes should always be taken.

No one lodge or member shall be given more than a column of space at the most in one issue, but even that only occasionally.

Lodge Announcements

LODGE NO. 655.

Grand Fet., Colo.—Here we are again and this time we are roaring to go.—What's that? Who's "we"?

We are going to have a dance on April 1st at the Orchard Mesa Pavilion or Orchard Mesa, two miles from Grand Junction.

Pre-lade, Somerset and Created Butte lodge members are cordially invited to attend this dance.

Don't forget April First, Orchard Mesa Pavilion and admission 75c. A large light is suspended over the road in front of the pavilion, thus enabling the people not acquainted with Grand Junction to find the place.

FRATERNALLY YOURS,

Julia Kochevar, Recording Secretary.

MOHAWKS ON STAGE.

La Salle, Ill.—The Mohawk Lodge 573 will present its annual play at the Slovenian Hall, First and Crosst streets, on April 4th.

The cast includes Bill Mallie, as the colored servant; prof. John B. Wiss, Mickey Mequish; Dr. Matthew Graham, Joe Kramer; Billy Blake, Anton Mahnich; Mrs. Iona Ford, Ollie Dulac; June Graham, Dr. Graham's daughter, Mrs. Ella Mequish; Zoie, Mary Kramer; Rosalind Wilson, Chris Mahnich.

The Mohawks would like to see our neighboring lodges attend this play, as everybody is assured of a good time.

Don't forget the date and place—Slovenian Hall, April Fourth.

Krum.

EASTERN DIVISION ATHLETIC MEETING SUN., MARCH 24.

The Eastern Division of the SNPJ Athletics will meet Sunday, Mar. 24, at Slovenian Auditorium, 64 and 21, Clair, at 9:30 sharp.

Fraternally,

J. LOKAR JR., Pres.

A. J. GERMAK, Sec'y.

SNPJ SPORTS CLUB.

Waukegan, Ill.—All SNPJ Sports Club members are urged to be present at a banquet sponsored by our senior lodge "Sloga" No. 14, Saturday, March 23, at the Slovenic National Home.

The topic used by the speakers will be—"Sports and their effects on the SNPJ lodges of this community."

We, the young people of this locality, should be proud of the fact that our parents are so willing to take an interest in our activities and so ready to "give us a hand" at any time.

Who helped finance the SNPJ Sports Club in its primary days? Who cheered over your baseball, basketball and indoor game victories?

HO! WHAT NOW, YE MERRIE MT. HOODERS!

Portland, Oregon.—If you haven't climbed the top of Mt. Hood yet, you will do so on the night of April 6th, 1929.

We are cordially inviting the locals Western Sparklers No. 637, No. 46, SNPJ, and all of the rest of the locals from Oregon City, and also the Woman's Club No. 4.

Stefana Struznik, Sec'y.

NEW LODGE AT GARY.

Gary, Ind.—Recently we have succeeded in organizing a new English-speaking lodge here.

As we have not selected a suitable name for our new lodge, I will this time give only its number, which is Lodge No. 674, SNPJ.

Fraternally yours,

John Jartz Jr., Secretary.

Canonsburg, Pa.—The Sports Committee and the management of that crack baseball team, which belongs in the ranks of the Pioneers of Washington County, Lodge 589 SNPJ, have a few words of assurance to the fandom which has kept a vigil watch over us in our first year on the sand lots.

Our first year proved very successful and at the close of the season we ranked as one of the best teams in Western Pennsylvania. Just as soon as the chilly zephyrs calm down just a little more, we intend to prove that rumors which may be whispered are too premature and entirely all wrong.

We also intend to see a few new faces on our team which will be introduced at a later date.

It won't be long now before you see us annoying the Bridgeport "Cardinals" and teams of semi-pro calibre. The Canonsburg Cubs for instance will endeavor to steal away the honor for which we diligently worked.

One point which is not clear to us is, why not a baseball team in Cleveland? We are eagerly awaiting news which will let us know that we will have more opposition this season than we had last year.

Through this medium, our official organ, which contains the laughter and tears of our people, an organ which will not die until all things return to immutable dust, the Pioneer scribes will endeavor to keep the readers posted in regards to baseball activities.

John F. Kutch, Chairman of Sports Com. No. 589.

ON BASKETBALL.

Chicago.—Have you entered your basketball teams in the tournament which is being sponsored by the Western Division of the SNPJ Athletic Association? If not, there is still time to enter, but you've got to act quick as the closing date for filling entries is the 25th of this month.

1) A player must be a member of the SNPJ for 30 days before he is eligible to take part in any the sports.

2) Lodges that participate in any of the sports of the WAD are to be assessed a fee of \$10 for the year 1929.

3) An entry fee of \$5 is required of all teams entering the basketball tournament.

4) Teams are required to send in a roster of 10 players; only those listed being eligible to play.

The tournament is to be held April 6, 1929, at Kenosha, Wis., and arrangements have been made to hold it in the high school gymnasium.

All lodges that expect to be represented in the tournament should carefully note the rules, and send all fees, etc., to the secretary of the division before the closing date.

August Kramer, Sec'y., 2657 S. Lawndale Ave., Chicago, Ill.

CARDINALS!

Bridgeport, Ohio.—The concert given Sunday by our Orchestra was quite a success. I am sure every one enjoyed it, for I know I did.

Don't forget to attend our next meeting, as it comes on April 1st, and you know what that is. Am sure everyone will have lots of fun.

Detroit, Mich.—Here I have been the President of the "Young Americans" for three months, and haven't even mentioned anything about the loyal brothers and sisters of our Lodge yet. It seems as if I believe in the old saying, "silence is golden."

We are getting a good many transferred members who come to Detroit, and not only them, but new members also. The more new members we get, it seems, the harder everyone works.

It seems to me that we could be just a little better on our social activities than we really are. But the reason I believe this is that there are so many social activities going on at the week-ends that we just forget about ourselves, that we should give a few blowouts also.

We also invite all lodges that possibly can come to Detroit, to try and arrange for either one of these dates or both. All you have to do is come for a good time, and let us do the worrying. Just as we did in Cleveland last Labor Day.

On Sunday, March 10, we had the pleasure of hearing Mrs. Paula Lovie and Mr. Anton Subelj. They were the best ever to sing in Detroit.

The bowling team is all set for the tournament, and all I can say of them is that they will need some keen competition. Brothers Anton Hometz and "Eddie" Stranas, two Kansas coal mining veterans, ran off with all the honors. We will also have an indoor baseball team this year.

I would like to see all of the brothers and sisters present at the next meeting, for we have a lot of important business to transact.

Herma Regel, President of the Young Americans.

25TH ANNIVERSARY CELEBRATION.

Yale, Kansas.—To all members of Lodge No. 9 SNPJ and all neighboring brother branches: Our Lodge "Bratstvo naprej", senior branch, will celebrate the 25th anniversary of our SNPJ on April 1, 1929.

We will arrange to have several good speakers, who are well versed on our constitution, and the working and financial standing of the organization.

Dancing will start immediately after dinner. Admission will be 50c. Let's all come out and make this the most successful anniversary ever celebrated by our branch.

John J. Ruzar, Sec'y.

Milwaukee, Wis.—Badgers, what have we to say for ourselves? Not much of anything. What's matter? Just because a simple misunderstanding has come up between a few members, is no sign why we should lose ambition and fade away.

What's become of our active members, and what's happened to our "Praxy"? He seems to be a changed man, and our publicity committee? It seems that our own "Bubbles" has made a contract with the editor.

First—go north, west, south and east, bring in new members from all directions. That will help reach our goal which was set to 200.

It's not a good policy to advertise such nonsense, but it gets a person's goat. If a member has a personal matter against another member, why should the lodge listen to that blab, blab? Fight it like a man privately and don't let the lodge listen and suffer, more or less, and get a bad reputation. It's ridiculous.

Let's make up our mind that it will be that way and no other.

Fraternally,

Mary Brenc.

BITS OF NEWS.

St. Louis, Mo.—Recently I have had the pleasure of attending another surprise party, and the reason that I used the word "another" is because we have so many parties here lately.

The Lodge "Spirit of St. Louis" has added another member to its list. This time it is Sister Pignatnik.

No. Chicago, Ill.—The Dramatic Club, a branch of the Slovene National Home, presents a mysterious melodrama in three acts, namely "In the next Room," at the Home on March 31 at 2:30 p. m.

Chicago, Ill.—Lodge No. 131 SNPJ, invites all members of SNPJ and friends to attend its dance which will be given Saturday evening, March 23, at the SNPJ hall.

Chicago, Ill.—The regular monthly meeting of representatives of SNPJ lodges of Chicago and vicinity will be held Sunday morning, March 24, at the SNPJ hall.

S. N. P. J. JUBILEE CAMPAIGN FOR NEW MEMBERS

Supreme Board opens new campaign for twenty-fifth anniversary year.

Prizes range from sterling silver SNPJ ring for one new member to free ocean voyage to Europe for 50 new members.

ENTER THIS CAMPAIGN TODAY! HELP TO MAKE 1929 OUR BIGGEST YEAR, COMPLETING A QUARTER CENTURY OF PROGRESS AND ACHIEVEMENT AND LAYING THE FOUNDATION FOR A BIGGER AND BRIGHTER FUTURE.

Sport activities seem to be on the increase, we have noticed, since the addition of that energetic and forceful young man, Heine Martin. His boundless enthusiasm is contagious and his work is bearing fruit.

The balmy spring days which we have had last week have started in the minds of Vera Kushlan, Joe Fifolt, Jos Krizman, J. Stevie, Edwin Primose, Julia Moenik and few of our other tennis sharks, thoughts of when they will be able to flash their speed and display their skill on the courts.

While on the subject of sports, let's not forget that it is the intention of Billy Vidmar to see if he can't gather from the four winds of our Lodge, a foursome this year, who intend to take on all comers, the Zaveritnik boys from Chicago included.

The farm proposition is gaining momentum and it won't be long before this dream will be a reality. Otto deserves a lot of credit for his unremitting efforts towards this goal.

What a sight for sore eyes. My one time friend, Tony Kushlan, wrote an article and a good one at that. Keep up this work, Tony, and some day you'll be in my class.

Collinwood, O.—At our last meeting March 13 the following topics of interest were brought up:

Sister Jennie Prunak was unanimously elected as Treasurer for the balance of this year; she succeeds Sister Mary Gorjup.

The Pioneer's resolution in regard to the organ aroused our interest and it was passed by the meeting that we officially second this resolution.

Brother Krizman of "Comrades" invited us to attend the "Comrades" meeting Tuesday, March 19, and hear Judge Silbert speak on the subject of "Keeping Divorce Cases out of Court."

The Loyalties have been looked upon unfavorably because of certain unpleasant rumors, which have been floating in the air about them.

It is for this reason that we are forced to declare our position openly, in order to eradicate some of the consequences which have been detrimental to our prosperity in the past, and which seems to have been curtailing the merits of our accomplishments.

We feel that we have managed our affairs satisfactory, that we have contributed according to our ability towards the general prosperity of the Society. Yet in spite of all that we

seem to be regarded as inconsequential and young, needing, as it were, direction and supervision from outside — a fact by no means flattering to our lodge.

The Loyalty Lodge recognizes no special factions or creeds in the Society as the ONES, nor will it suffer any social, political or religious distinction from any faction; because it regards them as of individual concern; therefore any encroachment, direct or indirect, upon them is contrary to the fundamental principle of the Organization which reads: "The Society shall insure to its members personal freedom of religious, philosophical, ethical, and political creeds."

The policy of the Loyalty Lodge, especially since the new staff has come in the office, is aiming to eradicate, as far as possible, the effects of the rumors and to cooperate with all lodges of the Society.

Who's Who Amongst Us Strugglers

By Gold Dust Twins. It won't be long now, and we will hear that sweet melody, "Here comes the Bride," when two loyal Strugglers will march down the "aisle."

"Canary" Koss gets a new name every now and then. Folks, from the latest report he is "Shaker Heights." You ain't in Cleveland; leave Lindy alone.

The old "Spirit of the Strugglers" (Lindy old can) is gone on the junk pile; it never will be forgotten. The new one, I hope, is of just as much service to us as the old one. "Zivio, Lindy, nova skatla! Long may it live!"

Discussion on SNPJ By-Laws

It is quite another matter with the second generation. The cultural background of the members of the English-speaking lodges, while greatly influenced by the Slovene culture, is essentially American...

regation are twofold: the social ostracism of the Slovene immigrants in America on the one hand, and their common cultural background on the other, each of which tends to define culturally the Slovene colony...

The consequences can almost be foretold, unless our leaders take the necessary steps toward an early irradication of the rising friction between the two classes of our membership...

Topics of the Week

Whatever Prosveta as a daily has done for the spreading of the SNPJ among the Slovenes in America, an American edited organ will do likewise among the American born Yugoslavs in America...

ries, and ideas so that our Society avoids blunders caused by ignorance or short-sightedness. Only by our Society pursuing such a policy shall she be an everlasting monument to human progress and human endeavor...

FLASHES

Bro. Stanley Archull is very ill. Stanley can be visited at the Cook County hospital, ward 55. Bro. Victor Bostic is now at home. Both are Pioneer members...

Chicago SNPJ bowlers met and decided to hold the second annual SNPJ Bowling Championship tournament at the West End Alleys at 26th St. and S. Trumbull ave. on Saturday and Sunday, April 13th and 14th...

Even the Pioneers expect to muster a basketball team together and compete in the Western tournament at Kenosha, Wis., on April 6th, 1929.

FROM A SENIOR MEMBER

Brazilton, Kans.—Bro. R. J. Zavertnik has been quoting and re quoting immortal lines that history brings to us; lines, that were coined in time of high tension, and now, he says, "the hour has struck."

The SNPJ stands out in bold relief, a monument to the race which it represents, and I, for one, don't want any other status sticking around. With our admittance (speaking of the English-speaking lodge movement) comes a moral obligation to uphold the traditions that have been brought down to us; the traditions that make it different from other fraternal bodies.

Bro. Zavertnik is versed in SNPJ lodge work, but does he understand the moral obligation? Or does he deliberately ignore it? All this brings us to his pet "Segregation."

On Fishes

In order to disarm the critics who may attack my exposition "On Fishes," I must admit before all that I never studied either piscatology or the more advanced zoology. My knowledge about fishes is purely practical, based upon experiences in restaurants and elsewhere.

Speaking about fishes in general an utmost precaution is essential, for fishes are all slippery. In all I know only two kinds of fishes: gold-fish, which we keep for the sake of making ourselves trouble and being civilized, and fried fish, which my restaurant prepares with all its bones and bonelets, so that I always desire a large small-steak after the dish of fish.

Since I have no use for the gold-fish, I shall limit my discussion to fried fish only. As a pious, orthodox Christian I eat them only on Fridays, for it is sinful to eat fish on other days.

Whenever I think of the English language I am always surprised on account of the beauty and richness of its idioms. "Poor fish," for instance, is an exceedingly proper, but a little slang phrase. Although this kind of fish does not belong in this writing, I am compelled to define it in order to prevent misunderstanding. "Poor fish" does not mean a fish proper, for although it is a vertebrate as all other fishes it does not live exclusively in water where all the fishes come from.

Detroit, Mich. — I am thanking Lodge No. 564, SNPJ, for the flowers they sent to me during my stay in the hospital. It's a grand and glorious feeling to know that somebody remembers you when you are laid up in bed.

St. Louis, Mo.—"Bob"—Your bit cannot be published. Try to send something that would interest our members. Milwaukee, Wis.—"Rubbles"—Will publish your bit next week.
