## Namesio ene kar dve strankini konvenciji

Republikanci bi radi modernizirali svojo konvencijo.

WASHINGTON, D. C. — Ze desetletja ne veljajo konvencije naših obeh glavnih političnih strank za vzore demokratičnega zborovanja. Človek velikokrat ne ve, ali je tam več intrig kot so lidnih političnih govorov in izjav. V takih razmerah je res težko pretresati gradivo za volivni program. Zato so taki programi tudi prišli ob politični kredit. Saj nihče ne zameri nobenemu predsedniku, da se jih ne drži, akoravno je to na konvenciji slovesno obljubil, ko je bil samo še kandidat za predsednika.

To pomanjkljivost so republikanci čutili posebno ostro na svoji zadnji konvenciji, kjer je Goldwaterjeva skupina že prvi dan dobila premoč in izvajala svoj program, pri tem se pa ni prav nič ozirala na mnenje in želje manjšine. Že takrat je nekaj republikancev sklenilo, da to mora biti drugače.

Bo pa menda res drugače, ako obvelja ideja guvernerja Romneyja in kongresnika Lairda, ki bosta oba igrala na konvenciji veliko vlogo. Laird kot Goldwaterjev zaupnik za sestavo programa, Romney pa kot eden med kandidati za predsednika. Sedaj sta v sporazumu z republikanskim voditeljem Blissom sestavila načrt, kako bi prihodnje leto, to je 1. 1967 republikanska stranka sklicala veliko zborovanje, ki naj bi obravnavalo samo strankini program za volitve v 1. 1968. Zborovanje naj bi se udeležilo kakih 1.000 republikancev iz vse dežele. Kar bi bilo takrat sklenjeno, naj bi veljalo tudi za pravo strankino konvencijo v 1. 1968. To se pravi: vsak republikanski kandidat bo moral že naprej izjaviti, da bo tak program tudi njegov, ako bo prišel v Belo hišo. Boji za konvencijo bi se res lahko posvetila samo iskanju primerne-ga kandidata.

Republikanci bi potemtakem imeli kar dve konvenciji: malo, kjer bi kovali volivni program, in veliko, kjer bi postavili republikanskega kandidata za predsednika. O vsem tem se bodo republikanski voditelji pogovarjali na seji sklicani za 28. marca v Washingtonu. Sejo bo sklical glavni strankini odbor.

## Smo že globoko v sezoni "volivnih" zakonov

CLEVELAND, O. — "Volivni" zakoni niso tisti, ki urejajo našo volivno pravico, ampak tisti, ki dajejo volivcem koristi različnih vrst, seveda zmeraj v breme federalne blagajne. Zato se pojavljajo v Kongresu le vsako drugo leto. V letih, kadar ni volitev, ne misli nihče nanje. Taki zakoni se začnejo pojavljati v zgodnji spomladi in jih Kongres obravnava do konca svojega zasedanja.

Letos so politiki prišli zelo zgodaj s takimi zakoni na dan. Med prvimi je bil predložeb zakon o "hrani za mir". Pod tem nedolžnim naslovom se skriva ne samo namen, kako pomagati deželam, ki jim primanjkuje hrane, ampak tudi namera, da federacija podpre naše farmerje na nov način, ki bo zanje boljše od prejšnjega. Hoče dati farmerjem neomejeno svobodo pridelovanja žit in jim obenem jamčiti visoko ceno. Kongres zakon šele obravnava, zato ne vemo, kakšno breme bo pomenil

## Avstralija bo poslala nove čete v Vietnam

Skupno bo imela Avstralija junija v Južnem Vietnamu preko 4.500 mož, več kot jih je imela v Koreji.

SYDNEY, Avstral. — Predsednik vlade Harold Holt je v parlamentu objavil, da bo Avstralija poslala v Južni Vietnam 5. in 6. bataljon pehote, en skvadron posebnih čet letalskih sil, s helikopterji in topništvo ter intendantskimi enotami. Skupno bo to nekako 4.500 mož, ki bodo pod lastnim poveljstvom. Poleg tega bo tudi dalje oskrbovala južnovietnamsko vlado s 100 posebnimi vojaškimi svetovalci. Posebni letalski oddelek sestavlja okoli 200 padalcev, ki so se sedaj borili proti indonezijskim gerilcem v Maleziji in so posebno izvežbani za malo bojevanje v džunglah. V celum bo Avstralija imela tako sredi leta v Južnem Vietnamu več vojaštva, kot ga je imela kdaj v korejski vojni. To očitno kaže, kako važnost avstralska vlada polaga na boj z rdečimi v Vietnamu.

Objava vladnega sklepa je sprožila ostre proteste od strani delavske opozicije. Ta nasprotuje odločno pošiljanju rednih vojaških nabornikov v Vietnam. Ti naj bi se smeli boriti le na domačih tleh, kadar bi bila dežela neposredno ogrožena.

Vlada je na te kritike odgovorila, da je vključitev rednih nabornikov v enote, ki pojdajo v Vietnam, najpraktičnejši način. Ne smemo pozabiti, da je Avstralija začela šele lani povečevati svoje oborožene sile, ki jih je ves čas od korejske vojne sem zelo zanemarjala.

## Obe nogi si je zlomil?

WASHINGTON, D. C. — Ko so nekega vidnega republikanskega senatorja vprašali, če je sen. Robert Kennedy s predlogom razgovorov z Vietnamsko osvobodilno fronto ranil samega sebe, je ta odgovoril: "Ranil? Zlomil si je obe nogi!"

V tukajšnjih političnih krogih prevladuje to mnenje vsesplošno.

## Iz slov. naselbin

LORAIN, O. — V sredo zjutraj je umrl v Elyria Memorial Hospital 49 let stari Edward Frank Debevec z 969 Gulf Road. Zadel ga je srčna kap, ko je prejšnji večer kegljal. Pokojnik je bil sin Franka Debeveca, ki je bil doma v Meniški, v kraju, kjer pok. urednik AD James Debevec. Zaposlen je bil kot akontant pri U.S. Steel, bil član fare St. Jude, Društva Najsv. Imena, KSKJ in SDZ. Zapustil je ženo Frances, roj. Udovich, hčerko Diano DeBevec, sina Dennisa, brata Harryja, sestri Mrs. Michael (Alice) Rutar (Lorain) in Mrs. Frank (Evelyn) Kochis (Barbenton). Pogreb je danes dopoldne iz Reichlin pogrebnice na E. 152 St. v soboto ob 9.30, nato na pokopališče St. Mary.

## Angleži nadzirajo dovoz v portugalski Mozambik

LONDON, Vel. Brit. — Angleške vojne ladje skrbno nadzirajo morskota, ki vodijo proti pristanišču Beira v portugalskem Mozambiku v jugovzhodni Afriki. Od tam namreč pelje petrolejski vod v Rodezijo. Ze dalj časa krožijo vesti, da je na poti proti Beiri nekaj petrolejskih ladij, ki bodo tam petrolej iztočile za Rodezijo.

Anglija je objavila popolno zaporu nad vsemi pošiljkami olja v Rodezijo, ker smatra to za najmočnejše sredstvo, s katerim hoče belo rodezijsko vlado spraviti na kolena. Pokazalo se je, da zapore ni posebno učinkovita, ker dobiva Rodezija petrolej in petrolejske produkte iz Južne Afrike in Mozambika v obsegu dveh tretjin svojih rednih potreb. Ta petrolej je seveda precej nad normalno ceno, zato je razumljivo, da bi ga Rodezija rada dobivala preko Beire kot pred objavljeno zaporu.

Da bi Anglija lažje nadzirala dohode v Beiri, je zaprosila vlado Malagasija (Madagaskarja) za uporabo enega izmed njegovih letališč za svoja letala, ki naj bi stalno nadzirala morje vse do 250 milj oddaljene Beire. Malagasi doslej na to prošnjo Londona še ni odgovoril.

## Bolezen in smrt

NEW YORK, N.Y. — Zaradi bolezni in prezgodnje smrti utrpeli naša dežela letno okoli 10 milijonov dolarjev škode.

## KONFERENCA OBEH DOMOV OBNOVILA DAVČNI ZAKON

Konferenca obeh domov Kongresa je včeraj odstranila večino dopolnil, ki jih je zakonskemu predlogu o 6 bilijonih novih davčnih dohodkov dodal senat. Davek na telefon je v celoti povišan na 10%, kot je bil do 1. januarja letos, pokojnine pa so omejene na preko 72 let stare, ki ne prejema nobenih drugih pokojnin iz javnih virov ali iz železniškega pokojninskega sklada.

WASHINGTON, D.C. — Včeraj sta se delegaciji Predstavnikega doma in Senata sporazumeli o skupnem besedilu davčnega zakonskega predloga, ki naj bi prinesel zvezni blagajni tekem prihodnjega leta 6 bilijonov novih sredstev. Predstavniki dom je že pred časom sprejel predlog v skoraj nespremenjeni obliki, kot mu ga je vlada predložila. Senat, kjer je nezadovoljstvo z vladno politiko v Vietnamu večje, je predlogu dodal dve dopolnilni, ki bi vzele zvezni blagajni okoli en bilijon dolarjev dohodkov na leto. Včeraj doseženi kompromis je večji del teh dopolnil brisal ali pa spremenil v obliki, ki ne bodo imele posebnega vpliva na dohodke zvezne blagajne po uzakonitvi davčnega predloga.

Senat je hotel ohraniti davek na telefone pri krajevnih razgovorih na sedanji višini 3%, odobril pa je povišanje na 10% za razgovore iz kraja v kraj. V skupnem predlogu, ki ga je izdelala konferenca obeh domov, je davek povišan pri vseh razgovorih na 10%, kot je bil v veljavi do 1. januarja letos.

Senat je na predlog republikancev dodal zakonskemu predlogu dopolnilo, naj vse osebe stare preko 70 let, ki ne prejema pokojnin v okviru Social Security, dobivajo v bodoče po \$44 pokojnine na mesec iz zvezne blagajne. Konferenca je to dopolnilo spremenila v toliko, da naj dobe take pokojnine le osebe stare nad 72 let, ki ne prejema pokojnine iz nobenih javnih sredstev in ne iz pokojninskega sklada železniških družb. Pa še izplačilo teh pokojnin je odloženo za dobo prihodnjega proračuna. Sodiijo, da bo novo pokojnino prejemale le okoli 300.000 oseb, med tem ko bi jo bilo deležno po prvotnem dopolnilu, odobrenem v Senatu, okoli 1,8 milijona oseb.

Konferenca je obdržala dopolnilo senata, ki ukinja pravico odpisa od davkov za plačilo oglasov v programih narodnih konvencij in za vstopnice na prireditve v korist strank in kandidatov.

SAIGON, J. Viet. — Včeraj so generali, ki vladajo južni Vietnam, soglasno sklenili, da odstavijo svojega tovariša gen. N. Chan Thi-ja, poveljnika 1. armadnega zbora, pod katerega oblastjo je pet severnih provinc Južnega Vietnama. Thi je oblasten in samozavesten človek, ki se ni brigal za vladne ukaze in o katerem se trdili, da bi sam rad stopil na čelo vlade.

SINGAPORE. — Včeraj so protikomunistični študentje znova demonstrirali v Džakarti in zahtevali odpustitev Subandria. Zahtevo so menda podprli tudi vojaški vodniki. Predsednik Sukarno je položaj označil za "težek". Sodiijo, da bo odločitev, neugodna za Sukarno, padla v prihodnjih dveh dneh. Študentje in armada podpirajo odstavljena obrambnega ministra gen. Nasutiona, ki vodi od oktobrskega komunističnega poskusa prevrata vse boj proti komunistom. Demonstrantje so včeraj napadli poslaništvo rdeče Kitajske v Džakarti in pri tem ranili blizu 30 njegovih uslužbencev.

LJUBLJANA, SLRS. — Sovjetska zveza v včerajšnji tekmi za svetovno prvenstvo v hokeju ni dosegla zmage proti Švedom. Zadovoljiti se je morala z izidom 3:3. S tem je bila potisnjena iz vodilne trojice, kjer sta s po 5 zmagami ostali Kanada in Češka. Moštvo ZDA je včeraj izgubilo zapored peto tekmo.

Fred Cash Jr., 27 let stari ranjenec z 12320 Edmonton Ave. je trdil, da ni skušal ropati, ampak je bil le "navaden gost" v Gordon Park Cafe.

## V trezen in nepristranski premislek

Iz sovraštva do komunizma je ta človek že leta 1945 zapustil domovino in se naselil v tujini. Lepo vrsto let se je predstavljal kot hud nasprotnik komunizma, kot žrtev komunizma, celo kot organizator odpora zoper komunizem. Za režim v Sloveniji in vsej Jugoslaviji je imel leta in leta najhujše besede. Ko je pa pred časom režim doma razglasil "amnestijo" in beguncem ponudil možnosti "normalizacije", je ta človek nekoliko utihnil, razmišljal, se vdal srčni želji, da bi spet videl domovino, končno pa zaprosil za vizum in — zdaj se je že vrnil z obiska doma. Marsikak njegov rojak, ki živi v njim v tujini in ga pozna izza časa begunstva, ga vsaj na tihem, če že ne na glas, obsoja. Pritožba se glasi: Ta človek je postal "mehak" nampram komunizmu, ne vidi v njem več takega zla kot nekoč, vdal se je komunistom na vladi, "normaliziral" je odnose do komunizma — ni več zanesljiv ...

O kom govorim? Ni treba imena, ni treba kraja. Več je zadnje čase takih po svetu, koder so se naselili slovenski begunci in sploh izseljenci.

Pa ni samo obisk v domovini "sumljiv". Vsak stik z domovino, ki ne more popolnoma mimo režima: naročanje knjig od tam, plošč, filmov itd. utegne biti v očeh strogih sodnikov že "kolaboracija" s komunizmom. Taki in enaki stiki naj bi bili dokaz, da je režim s svojo ponudeno roko uspel in si s tem okrepil položaj. Saj ga zdaj v svoji nezavednosti podpirajo mnogi taki, ki so se sami imeli za žrtve komunizma, pa so na to pozabili ...

Kaj naj rečemo po treznem premisleku? Najprej ne moremo izključiti možnosti, da so nekateri zares v mišljenju in dejanju tako nastrojani. Z obžalovanjem je treba sprejeti taka dejstva. Če more kdo take s prstom pokazati, ne bomo iskali zanje lepih besed.

Toda ne smemo pozabiti, da je zloglasna "amnestija" kljub vsem dvorezen meč, da so stiki z domovino, čeprav do neke meje preko režima, pot v dvojno smer. Ni nujno, da se je begunec, ki gre na obisk v domovino, "podal" režimu. Po treznem premisleku enako lahko rečem, da se je režim "podal" beguncu. Saj je režim ponudil amnestijo in normalizacijo sam od sebe, ni za to prosil begunec. Če pa marsikdo zapade "skušnjavi", da se odloči za sprejem "ponudene roke" v globoki želji, da bi spet videl domovino in svoje, ne stori tega zaradi kake notranje spremembe odnosov do komunizma. Ima celo možnost, da prav s svojim obiskom, če ravno hoče, zgolj s svojim nastopom doma, spodbudiva komunizem.

Ko sem pred leti sprejemal v New Yorku dolge procesije beguncev od njihovem prihodu v Ameriko, sem pogosto sam pri sebi razmišljal dvojice:

V spominu mi je ostalo, kar sem bral leta 1945, kako je Tito ob svojem prvem (slavnostnem) prihodu v Ljubljano z balkona slovenske univerze naslovil nekaj besed tudi na one, ki so malo prej v tisočih zapustili domovino in se pomaknili preko Ljubelja. Ne vem točnih besed, pa bilo je nekako takole: Nikoli več ne boste videli domačih gričev in njiv, nikoli več ne boste dihal domačega zraka, nikoli več ne boste gledali sončnega vzhoda v Sloveniji. Domovina vas je enkrat za vselej izpljunila, do konca dni ne bo povratka za vas ...

Na drugi strani so me pa begunci drug za drugim spraševali ob prvem srečanju: Pater, kdaj se bomo vrnili, kaj mislite? — Ta želja po vrnitvi jim je ostala, vsaj za kratek obisk, kot nezveljavljiva seme globoko v srcu skozi dolga leta. Domovina, vsaj po besedah Titovih, jih je izpljunila, oni niso prav nič mislili na to, da bi izpljunili domovino. Kvečjemu Tita in vse, kar predstavlja. Jaz sem odgovarjal na tisto nujno vprašanje — mimo vprašanja. Nehote sem molče pustil odgovor Titu — nikoli, nikoli ...

Pa je bil prav Tito tisti, ki je besedo požrl. Niso jo požrli begunci. Požrl jo je, ker ga njegov komunizem ni dosti zavaroval pred škodo, ki mu jo delajo begunci v tujini, pa požrl jo je tudi zato, ker ga njegov komunizem ni dosti zavaroval pred nujno potrebo — deviz! Rad ali nerad se je izpostavil novi nevarnosti: da begunci delajo škodo ne samo v tujini, odprli jim je celo pot, da prihajajo škodo delat prav pred njegov nos. Tudi že, če molče in se delajo vseskozi "nepolitične", že samo s tem, da se pokažejo tam in povedo nekaj o svobodi in blagostanju v tujini, odvrčajo ljudi od slepe vere v komunizem in njegovo večno trajanje.

Sicer je pa veliko vprašanje, koliko take vere je še tam. Je zelo verjetno, da je celo na raznih jugoslovanskih komunističnih uradih v tujini precej ljudi, ki niso prav nič komunistično naravnani in bi to tudi povedali, če bi dobili zaupnih stikov. Med kulturnimi delavci doma: pevci, igralci, zbiratelji folklorne, pisatelji, založniki, slikarji, izdelovalci filmov, plošč, folklornih ročnih izdelkov — kdo ve, koliko je komunistov in koliko takih, ki komunizem sovražijo enako kot ti in jaz? Vavhnik piše v svoji knjigi NEVIDNA FRONTA, kako napačno je bilo v časih zmagov-

slavnega nacizma, da je Zapad videl možnost zmage nad Hitlerjem in nacizmom zgolj v vojaških podvigih zoper nemški narod, ni se pa potrudil, da bi našel stike z mnogimi v Nemčiji, ki so bili v srcu in resnici stoprocentno zoper nacizem, pa jim nihče od zunaj ni ponudil prilike, da bi se izrazili. Zapad je godel le eno: Navec — nacist, Hitlerjanec — po njem! Tako delajo danes zagrizeni sosede naših obmejnih bratov doma. Slovenec — komunist, titovec — po njem!

O mnogih uslužbencih komunističnega režima doma pač velja isto, kot mi je rekel spovednik pri železnici v Avstriji, ko sem se leta 1939 peljal domov na obisk. Vprašal sem ga, kako je zadovoljen z režimom, odkar je Hitler zasedel Avstrijo. Njegov odgovor: Maul halten und weiter dienen ... Zeiten kommen, Zeiten gehen ...

V "Svobodni Sloveniji" (Argentina) pravkar vidim uvodnik z napisom PORAZ KOMUNIZMA. Ves članek govori samo o komunizmu v Titovini. Jako prepričevalno zaključuje:

"Še bi lahko s konkretnimi podatki prikazovali nesrečo, ki jo je komunizem prinesel našemu narodu. Pa naj bo že to dovolj, da nas še bolj utrdi v prepričanju, kako jasen je naš cilj: Delati in vse žrtvovati, da pripomoremo k osvoboditvi domovine, da bodo naši bratje deležni tistega blagostanja, kakor ga uživamo državljani svobodnih držav v Evropi in v svetu."

Drži! Delati! To delo pa ne obstoji v prvi vrsti v tem, da se ogibljemo vsake sence stikov z domovino, ki ne morejo do kraja mimo režima. Prav ti stiki se dajo izrabi za "delo". Na vse zadnje pa: Ali ne sprejemamo in morda zbiramo poštnih znamk, ki jih najdemo na pismih iz domovine? Pozor: izdal jih je komunističen režim!

PRIPOMBA: Če kdo od bralcev misli, da gornje razmišljanje ni dovolj "trezno", naj napiše in ne bomo se branili objaviti. Gre za stvar, ki jo kaže razčistiti, predno se vgnezdijo med nas težji nesporazumi.

(P. Bernard Ambrožič, O.F.M., v "Mislih")

## BESEDA IZ NARODA

### V nedeljo na koncert

Cleveland, O. — V nedeljo popoldne ob treh bo v Slov. nar. domu na St. Clair Avenue pod pokroviteljstvom Združenih ohijskih podružnic SZZ koncert ge. Marije Kranjc-Fischinger. Čisti dobiček prireditve je namenjen šolninskemu skladu SZZ, iz katerega dobita vsako leto dva nadarjena dijaka (dijakinji) pomoč za študij. Vsi vemo, kako je študij na visokih šolah drag in koliko žrtev je treba, da se dijaki in dijakinje, ki nimajo dovolj finančnih sredstev, prebijajo skozi šole do kroha.

Glavna predsednica SZZ ga. Tončka Turek in njena pomočnica, predsednica Ohijskih podružnic ga. Mary Bostian nas oboje, naj ne pozabimo na to, ko bo v nedeljo popoldne prišel čas, da gremo v SND na koncert.

Ga. Maria Kranjc-Fischinger je odlična pevka s krasnim in prijetnim glasom. V nedeljo nam bo podala izbran program, v katerem je tudi lepa vrsta krasnih slovenskih skladb. Kdor koli ljubi pesem in petje, bo v nedeljo užival. Koncerta te vrste med nami že dolgo ni bilo in vsakemu bo lahko žal, če ga bo zamudil.

Pevka je bila rojena v Ljubljani, pa je prišla kot mlado dekletce s starši v našo deželo, kjer se je vsa posvetila petju in glasbi. Oboje je študirala na visokih šolah in svoj študij še nadaljuje.

Po koncertu bodo točaji in kuharice imeli vse na razpolago, da ustrezno željam in naročilom gostov.

Vstopnice za koncert so na razpolago tudi pri ge. Mary Otoničar, tel. HE 1-6933, in v kafejari Jo-Ann v SND.

Na svidenje v nedeljo popoldne na koncertu!

### Smučarski izlet SSK

Cleveland, O. — "Drugo leto spet gremo," sem slišala skoraj od vsakega. Zakaj pa ne, saj je bilo tako prijetno, da je kar težko popisati!

V petek, 25. februarja, ob sedmih zvečer smo se napotili proti Laurel Mt., Pa. Začelo se snežiti in snežinke so nas spremljale celo pot, kar je bilo neprijetno za vozčaje.

Ko smo prišli v Laurel House, to je glavna smučarska kočica, so

nas obvestili, da je naše prenočišče 10 minut od središča. Seveda, to bi že bilo, če bi se lahko peljali, ker ni poti za avto, so nam rekli, da se lahko smučamo ali pa hodimo do kočice. Ta je pa dobra — prtljage imamo toliko, kaj naj sedaj storimo? Nekaj fantov je bilo že pripravljenih se smučati, a v temi prav gotovo ne bi daleč prišli, morda do prvega drevesa. Pokorajžili smo se, saj se smatramo za dobre športnike in mahnilni peš v dolino, saj je kar samo šlo.

Midway kočica je bila kar prijetna, imela je dve ognjišči, pri katerih se nas je kar precej zbralo. Ker je bilo že pozno, je kmalu zavladal mir, samo tu in tam si še slišal šepetanje, a tudi to je kmalu utihnilo.

V soboto smo vstali že zgodaj ter se napotili k zajtrku. Prejšnji večer smo napravili stezo, po kateri smo se kar v vrsti napotili proti strmemu vrhu. Pogled na naravo nas je prevzel. Sonce se je počasi dvigalo, sneg je postal še bolj bel in smreke so se lesketale, kakor bi bile posute z diamanti. Pogled na bleščečo naravo je naše misli dvigal k Bogu — saj njemu moremo biti hvaležni za to lepoto.

Po zajtrku smo takoj planili po smučeh. Šele sedaj smo začeli resnično uživati izlet. Začetniki so se napotili na položni hrib, tisti, ki se že dalj časa smučajo, pa na strmejši. Tako se je vsak po svoje zabaval. Tistim, ki niste še sami ta šport poizkusili, moram povedati, da ni tako enostaven. Smučar ima sam veliko težav pridirkati v dolino, ne da bi parkiral padel. Mora pa tudi paziti na smučarje, ki se ne znajo ustaviti ali pa mislijo, da je dolžnost drugih, da se jim umaknejo. Tako gre gori z dvigalom (T-bar) in dol z brzino, ki se večkrat konča v snegu s poštnim padcem.

Kar naenkrat je bil dan pri kraju. V Laurel House je bila za nas pripravljena okusna večerja, katera se nam je prav pošteno prilagela. Zvečer so se nekateri zopet smučali, a večina so se sedeli okoli ognjišča in počivali.

V nedeljo zjutraj po zajtrku smo šli v cerkev, ki je bila v mestu Ligonir okoli pol ure od smučišča. Po sv. maši smo pa spet smučali. Bil je gorek dan, skoraj 40° F. Sneg se je kar hitro topil, tu in tam se je že pokazala zemlja, a vseeno smo ves dan smučali.

Po končanem dnevu in večerji smo se počasi začeli poslavljati od tega prelepega kraja. V

mislih nam je zvenela pesem "Oj zdaj gremo, oj zdaj gremo, drugo leto spet pridemo." Trudni smo zlezli v automobile in se odpeljali proti Clevelandu.

Odbor se zahvali Franku Rihrtarju, ki je ta izlet tako uspešno speljal, saj nas je bilo 43 in vsi smo se zdravi vrnili.

### Slovenska telovadna zveza vabi

Cleveland, O. — Pomlad, praznik sv. Jožefa je tu. V Sloveniji je bil to pomladni praznik fantov in deklet, praznik pomladnih rož. Dopoldne so v povorkah pohiteli na griče k podružnim cerkvam k sv. mašam, popoldne so bili pa telovadni nastopi v društvenih domovih. Navdušenje je močno priklopelo na dan ob pomladanskem soncu. Pokojni predsednik Kennedy je navduševal mladino za telovadbo. Slovenska mladina je to gojila že pred tem in mu zvesto sledi. Večer za večerom, teden za tednom je zaposlena na odru, kjer se vadi na konju, drogu, bradliji in v prostih vajah. Narščaj, mladci in mladenke, ter člani in članice se komaj zvrstijo. To je pravo mravljišče! Zavedajo se, da je slovenski narod prav telovadba na mednarodnih nastopih lepo predstavila svetu.

Zato ste vsi, dragi prijatelji, lepo vabljeni v nedeljo, 19. t. m., ob 3.30 popoldne v dvorano k Sv. Vidu na telovadni nastop. Praznik slovenske mladine je! Pridite!

### "Kres" se pridno pripravlja

Cleveland, O. — Človek je bitje, v katerem se prepletajo duhovna, čustvena in telesna doživetja. Ta so neločljiva in med seboj povezana.

Ples je lahko zunanji izraz takih doživetij. Tak ples nosi na sebi poteze kraja, kjer je nastal in značaj ljudi, ki jim pripada. To so tako imenovači narodni plesi.

Po svojem nastanku so ti plesi religioznejega značaja in izraz velike ljubezni. Slovenski narodni plesi so polni te ljubezni, nakazane v obliki veselja.

V dobi, iz katere so se ti plesi ohranili, so bili življenjski pogoji čisto drugi kot so dandanes. Ljudje so trdo delali od zore do mraka, obenem pa iz velikega idealizma opisovali tiste srečne trenutke, ki so jih morda doživeli samo parkrat v življenju.

Ta vrsta plesov je glavni del programa, ki ga bo podala folklorna skupina "Kres" 23. aprila 1966 v Slovenskem narodnem domu na St. Clairju. Pa o tej vrsti plesov sem nedavno že nekaj napisala v Ameriški Domovini.

Danes bom napisala nekaj o drugem delu programa, to je o plesih, ki opisujejo delo. To so delovni ali kmečki plesi.

Kmečki plesi so nastali v hribovitih predelih Slovenije, kjer stroj ni mogel in ne more izpodrinuti človeka. Slovenske kmetije ne morejo preiti v industrijo, ker so hribovite in majhne po obsegu. Zato se bodo slovenski kmečki plesi ohranili in dopolnjevali.

Na sporedu bodo plesi, ki opisujejo mlin, žetev, košnjo in grablje.

Danes kupujemo kruh v pekarni in od časa do časa moko v supermarketu. Pšenicega zrna skoraj ne poznamo, razen če nas nedeljski izlet zapelje v času zorenja med žitna polja. Od tu naprej poznamo le še ogromne stroje, ki pregazajo ta žitna polja, in pa končni produkt, ki ga v naglici kupimo. Kmečki plesi pa bodo nakazali, da je bilo treba včasih nositi žito v mlin v vrečah. Da to žito melje mlinski kamen, ki ga gonijo veliko mlinsko kolo.

### Srečala sta se pri obhajilni mizi

"Družina", v Ljubljani izhajajoči verski list, ki ga skupno izdajajo slovenski škofje, je v 1. letošnji številki prinesla tudi tole pismo:

Med šolanjem in tudi pozneje sem se spoznala med več fanti, ki so mi ponujali svoje prijateljstvo in me vabili na skupne sprehode. Z mnogimi sem šla samo enkrat. Želela sem zvede-

Zelo nazoren bo opis žetve. Priprava srpa, noga porinjena nazaj, primeren priklon žanjice, da požanje šop pšenice, tvori osnovni gib tega plesa. Ta gib je edinstven, izredno lep in nima primerne v kmečkih plesih ostalih evropskih narodov.

Po Sloveniji bodo travo še dolgo kosili s koso. Teško pa je naučiti človeka, ki ni nikoli kosil, kako je treba ta gib nakazati in kako je treba nabrusiti koso. Na nastopu ne bo razlike med gibi, ki jih bodo nakazali posamezni plesalci. Kljub temu bodo gledalci-kosci lahko prišli do zaključka, da nastopajoči znajo učiti druge, kako je treba kositi, sami pa ne bi bili po veliki večini morda sposobni nakositi trave niti za skromno kozo.

### Pevski zbor Triglav

Cleveland, O. — Imeli smo lepo zimo, zato je več boleznih. Influenca se je pojavila v večjem obsegu po raznih delih Amerike. Ko prihaja v deželo pomlad, bo tudi tega konec, vsaj upamo tako.

S pomladjo prihaja tudi naš koncert. Letos ga bomo imeli 8. maja, da bo vsem bolj ustrezno. Pevci so prav dobro prišli, vodi jih zelo povoljno g. Vauter. Kako je vse bolj veselo, ko pridemo na vaje.

Zbor je povabljen za 16. aprila v West Park na proslavo 50. letnice društva Delavec SNPJ. Letos obhaja 35.letnico Podružnica št. 47 SZZ. Na tej proslavi nastopita naši mladi pevki, sestri Culkar.

Za naš koncert so že renovirani prostori v Sachsenheim dvorani na Denison Avenue. Zraven dvoran je kuhinja in točilnica, vse v istem nadstropju. To je ugodno za nas kot tudi za one, ki imajo tam svatbe ali podobne prireditve. Dobili smo novo trgovino P & P, kjer je veliki prostor za parkanje avtomobilov. Ta prostor bo na razpolago obiskovalcem našega koncerta.

Spomnimo se še našega nekdanjega pevovodje A. Sublja, ki nas je lani tako nenadno zapustil. Na banketu zanj mi je dejal, kako je vesel in da je to zadnji banket. Bil je res zadnji. Blag mu spomin v imenu vseh pevcev!

Pri našem zboru nas je le malo, ki živimo v bližini Slov. doma, tako morajo na vaje prihajati od daleč. Držimo se petja, ohranjamo slovensko pesem, ta je ponos vsemu našemu narodu tako doma kot v Ameriki. Gojimo slovensko pesem, delajmo za našo kulturo!

Žal mi je, da zaradi prehlada nisem mogla na koncertu Jadrana ob 45.letnici. Zboru k temu prazniku naše iskrene čestitke!

Anna Jesenko

— Država Michigan je zgradila prvo betonsko cesto v Uniji leta 1907.

ti, kakšnega nazora so. Ko sem spoznala, da imajo drugačne poglede na življenjska vprašanja kakor jaz, sem takoj zvezo pretrgala z njimi. Vedela sem, da bo tak fant iskal od mene to, kar Bog pred poroko prepoveduje. Svoji materi sem večkrat rekla: Poročila se bom samo s pravim krščanskim fantom, ali pa se bom zakonu odpovedala, čeprav si zelo želim imeti družino.

Vzdržati ni bilo lahko. Dostikrat sem bila osamljena, nisem imela družbe za sprehode ali zabavo, toda v dnu duše sem bila srečna, ker sem imela mirno vest.

Svojega sedanjega moža sem prvič srečala pri obhajilni mizi. Tu sva se srečala večkrat. Čutila sva, da naju Bog kliče v skupno življenjsko zvezo. Danes sva poročena. Ne morem popisati notranje sreče, ki jo čutim, ko z možem sklepava roke k skupni molitvi. Brez besed pa moliva, ko gledava na najinega sinka v zibelki.

Tudi svoje težave imava, toda molitev, redna spoved in obhajilo, skupni duhovni voditelj nama ne samo dajejo moč, da vzdrživa, temveč naju napolnjujejo z življenjsko močjo in radostjo.

### Prepozno si se rodila!

Tudi tole sem brala v ljubljanski "Družini", vendar se mi zdi, da je prav tako pereče za naša slovenska dekleta v Ameriki kot za ona v Sloveniji. Le berite:

Študentka sem. Zaradi svojega verskega prepričanja pridem velikokrat pri pogovorih s kolegicami in kolegi do nasprotja.

Končali smo z vajami. V laboratoriju smo ostali samo še Jože, Rudi, kolegica in jaz. Pogovarjali smo se o problemih študija in o življenju današnjih mladih ljudi. V tem pogovoru me je zelo prizadel stavek Jožeta: Dekle prazni "preskusiti", če spadava skupaj.

Ugovarjala sem: Pod besedo "preskusiti" se gotovo skriva tvrdja nasloda. Ali je to način, s katerim pokažeš ljubezen do dekleta? Spoštujem fanta, ki zna premagovati samega sebe in je gospodar nad svojimi nagoni. Samo od takšnega fanta lahko pričakuješ duhovno ljubezen — srečo v zakonu.

Oba, Jože in Rudi, sta se mi v obraz smejala. Jože je nadaljeval: Kje boš pa danes dobila takega fanta? Veš, Marija, prepozno si se rodila, ne spadaš v sedanjost časa. Ali živiš na Marsu, da ne vidiš življenja okoli sebe?

Prepozno si se rodila ... Moj Bog, ali res nimam prav? Ali so moji nazori nazadnjaški in spadata v srednji vek?

Svobodna ljubezen, ki jo oznanja "nova morala" ne samo v naši deželi, ampak tudi drugod po svetu, polaga vse na temeljni odnos, skoraj nič ne upošteva duhovne strani, četudi je človek telesno-duhovno bitje!

Dr. M. Levin je v zadnji številki "New England Journal of Medicine" zapisal:

"Poziv mladini na temeljni moralni, bo ta največkrat naravnost odbila. Treba jo je zato poučiti, da je predzakonsko občevanje tvegano in nezaželeno ne samo na temelju morale, ampak zato, ker je napačno. Za čistost so trdni zdravstveni razlogi ... Dr. Levin piše: Praksa bo napravila nekoga boljšega pianista, boljšega igralca tenisa, toda to načelo ni mogoče prenesti na zadovoljnost v zakonu. Uspeh zakona ni vprašanje tehnike, ampak odnosov. To je razmerje v ljubezni dveh oseb, ne dveh teles. Mož in žena morata živeti drug za drugega. Težišče je na dajanju. Pri moškem, ki tišči v dekleta pred zakonom, mora to v mislih pretehtati ali on ljubi dejansko njo ali le samega sebe. Na drugi strani fant, ki se obravnava, kaže, da mu je mar za dekleta in nje duševni mir.

Tako torej sodi o tem znan ameriški zdravnik, ne — duhovnik!

## OTROŠKI KOTIČEK

Čisto sem bil že v pomladi, skoraj sem že duhal rože pa, glej, včeraj se je začelo in danes se nadaljuje: sneg. Menda nam ga je za dar poslala Minnesota, ki ga ima menda čez mero in ne vedo kam z njim. Nasajen sem kot sam hudik in če bi ne bilo teh vaših pisem, bi legel na pograd, vsa okna zadelal in tudi ven ne bi pogledal. Tako pa zavoljo pisem sedim pri mizi in gledam to puščobo zunaj.

Dragi Kotičkov stric!

Jaz hodim v tretji razred slovenske šole pri Sv. Vidu. Se kar rada učim slovensko. Moj rojstni kraj je Ljubljana. Ata in mama pravita, da je Ljubljana lepo mesto. Morda si tudi Ti bil kdaj tam in veš, da je to res. Ko dorastem, grem morda gledat ta kraj. In če bom šla, kako naj bi se pogovarjala s sorodniki, če ne bom znala slovensko.

Zelim Ti skoraj pomlad, da boš s svojim muckom lahko šel spet na sprehod.

Te lepo pozdravlja

Anica Breznikar

Draga Anica!

Lepo pisemce za tretji razred. Če poznam Ljubljano? Seveda jo, no, takrat, ko sem jo jaz obiskoval, še ni bila tako potegnjena kakor je zdaj. Lepa je. Samo ne misli, da je vse lepo. Tudi tam so stare hiše, ljudje pa v veliko večji revščini kakor tule. Prav je, da imaš rada svoj rodni jezik. Če se kdaj spustiš na ni jezik, boš lahko s svojimi ljudmi, mi po domače govorila. Saj veš, stara mati bi Te čudno gledala, če bi samo po angleško mlatila. Če se kdaj oglasi in lepo Te pozdravljam.

Dragi Kotičkov stric!

Najbolj mi je v spominu bolezen, zavoljo katere sem morala v bolnico. Bila sem zelo bolna in ne mama in ne ata nista vedela, kaj je z menoj narobe. V bolnici sem morala skoraj ves čas ležati. Zdravniki so prišli vsak dan. Mama in ata sta tudi hodila in mi prinesla punčko, da sem se igrala. Bolelo me ni nič, le strašno trudna sem bila. Tako trudna, da nisem mogla hoditi. Morala sem veliko jesti in dosti počivati. Bila sem v bolnici enajst dni. Ko sem prišla domov, sem tudi doma morala ležati vsak dan po dve uri. Potem smo šli v Madison na počitnice. Vsak teden sem šla na zdravniški pregled. Ko se je zdravniki prišla šla, sem šla v drugi razred. V šolo sem hodila samo dopoldne, popoldne pa sem počivala.

Lepo Te pozdravlja

Rozika Meglič

Draga Rozika!  
To ti rečem: bolezen je kakor slab advokat. Iz kože te sleče. Hvala Bogu, da si se potem postavila na noge in da je zdaj vse dobro. Ata in mama sta bila v skrbeh, Ti pa naveličana, kajne? Tako je, da bolezen pride s senenim vozom, po bilki pa odhaja. Ta pregovor sem slišal, ko sem bil še jaz smrkavec, pa je dolgo tega. Potlej je moraš vedeti, da drži. Bog Te ohrani in zdravju za naprej, pa včasih

Dragi Kotičkov stric!

Moj najlepši spomin je, ko sem dobila svoje kolo. Celo leto sem raznašala Ameriško Domovino. Ko sem imela dovolj prigranjenega denarja — petinštirideset dolarjev — me je nekoga večera ata peljal z avtom v mesto. Tam sem videla vse vrste koles, najbolj mi je bil všeč eden, ki je bil zelene barve. Vesela sem, ko pride pomlad in se vozim z njim. In še katera moj prijatelj.

Lepo Te pozdravlja

Pavelca Seršen

Draga Pavelca!

Lep spomin. Kar je na Tvojem zelenem kolesu največ vredno, je to, da si ga sama zasluzila. Vedno je najslajši tisti kruh, ki ga človek sam speče. Berači so se mi vedno smilili najbolj zavoljo tega, ker so morali sprejemati miloščino, da so živeli. Ne veš, kako je grenak tisti kruh. Prav pelinov je. Bog daj, da bi tisto kolo vedno srečno vozila. In pridna mi ostani.  
Lepo te pozdravljam.

## Milwauški zapiski

MILWAUKEE, Wis. — V teku so velike priprave za proslavo 50-letnice cerkve sv. Janeza Evangelista. Proslava se bo vršila v nedeljo, 27. marca, v dvorani sv. Janeza na Deveti cesti. V kolikor sem imel priložnost pogledati za kulise, kaj se vse pripravlja, lahko rečem, da bo proslava zares nekaj veličastnega. Vsi sedanjci in veliki bivših faranov je bilo vabljenih s posebnim pismom na to proslavo. Iz pisma je razvidno, da bo ob enajstih dopoldne posebna zahvalna sv. maša, h kateri je vsakdo vabljen. Ob pol treh popoldne se bo začela proslava v dvorani. O tem programu bomo posebej spregovorili drugič. Po programu, ki bo trajal približno eno uro in pol, to se pravi nekako ob štirih popoldne bo banket. Po banketu bo pa ples. Razposlali so še čez 800 vabil. Na proslavo so vabljeni tudi novi farani, kamor se bo fara še letos preselila. Vabljeni so tudi vsi duhovniki, ki so kakorkoli bili združeni s faro sv. Janeza, tako kaplani kakor tudi tisti, ki so vprašani in odgovori, od dveh bo križev pot v cerkvi, govor in blagoslov. Ob treh bo zaključek duhovne obnovne. Može so vabljeni k tej obnovi. Sedaj je čas milosti, sedaj je čas prenovljenja! Duhovno obnovno organizirano društvo Najsv. Imena (C.Y.O.) in Tretji red sv. Frančiška.

Kakor vsako leto tako tudi letos milwauška škofija razpisuje zbirko za katoliške ustanove in semenišča. Letos so dali vsej zbirki novo ime. Je to zbirka za razvoj škofijskih potreb. Zdi se mi, da boljše pove, za kaj vse je ta zbirka potrebna. Na vsak način bi prevzvišeni nadškof William E. Cousins rad pokazal svojim vernikom veliko potrebo, ki jo škofija ima ne samo s sedanji ustanovami, ampak tudi z bodočimi. Če bodo ljudje to uvideli, bodo radi prispevali v ta namen. Na čelu vse kampanje je Father Harry Peight. V škofovemu imenu vodi vso akcijo za katoliško dobrodelnost v škofiji. Škofova želja letos je zbrati po možnosti dva milijona dolarjev, da pokrije vse tekoče potrebe in lahko malo misli na bodočnost. Ko gre za to dobre namene, se vsakdo zaveda, da je

Dragi Kotičkov stric!

Zdaj se je pa res začela huda zima. Jaz sem snega vesela, Vi pa najbrž ne, ker Vas rado zebe, kakor pišete. Revčki so ptički, ker so lačni. Včasih jim neseš ostanke kruha na vrt. Rada jih gledam, ko ga tako veselo zobljejo. Spomladi nam bodo zato prepevali in pobirali gosence po jabolkih in hrushkah. Včasih pobirajo tudi solato na vrtu in tedaj se ata jezi.

Lepo Te pozdravlja

Anica Zakelj

Draga Anica!

Precej dolgo je od Tvojega pisemčka, tako, da je sneg še enkrat prišel. Zelo lepo je, da skrbiš za ptičke. Če se pa kdaj v solato spuste, Bog pomagaj. Saj vem, da ata niso zares hudi. Živalica je živalica. Imam pa za ata dober nasvet: drugo leto naj solate nič ne seje. Kolerabo naj potakne. Tista je pa tako trda, da se je ne bodo lotili. Mi boš drugič pisala, če ata zdajle ne gledajo za kakšnim količem. Dobro, da sem daleč.

Pridna mi ostani in lepo Te pozdravljam.

Kakor vidite, pomlad še ni toliko pri močeh, da bi ugнала to pusto zimo. Tak revmatizem imam v križu, da sem zvit in grbast kakor stara vrba.

Prosrite Boga, da sonce nam da.

Od snega od zdaj naprej kar tiho bodite. Dobro se imejte in pridno se učite

in vse lepo pozdravlja  
Vaš Kotičkov stric

ob 6. zvečer. Pričakujejo, da bo vsakdo prišel pravočasno in da bodo vsi prišli.

## Glas z Ely

Ely, Minn. — Prve dni marca je divjal tu snežni vihar, kot ga že dolgo nismo doživeli. Nамет nam je snega toliko, da je bil pol dneva v mestu ves promet ustavljen. Se danes, 6. marca, so le ceste in ulice odprte za avtomobile in pešce.

Moja nečakinja mi je poslala iz Ljubljane pred časom odrezke iz tamkajšnjega časopisa, ki kažejo, kako veliko škodo delajo medvedje in druga divjad kmetom po Dolenjskem in Beli krajini. Ljudje zahtevajo, da lovci, oziroma oblast poskrbi za varnost, ker so medvedje v zadnjih mesecih ponovno napadli tudi ljudi. Eden je bil pri takem napadu mrtev, eden pa težje ranjen. Oblasti puščajo medvede tujim lovcem, ki prihajajo v deželo s tridimi valutami in za vsak odstrel medveda plačajo lepo vsoto.

Pozdravljeni!

Jos. Peshel

## Znanstveniki morejo potovati vsepovsod

WASHINGTON, D.C. — Predsednik L. B. Johnson je na tistem zrahljanem predpise za potovanje v tujino. Doselej je bilo prepovedano potovati ameriškim državljanom v države, s katerimi nimajo Združene države rednih diplomatskih odnosov. Take države so rdeča Kitajska, Severna Koreja, Severni Vietnam, Kuba, Albanija.

Predsednik je sedaj odločil, da naj državno tajništvo izda znanstvenikom, ki žele proučevati omenjene dežele, dovoljenje za potovanja tja. S tem seveda še vedno ni rečeno, da bodo ti ljudje tja tudi dejansko mogli. Za to morajo imeti dovoljenje tudi od imenovanih držav samih. Če jih te ne puste na svoje ozemlje, jim ameriški potni list ne pomaga nič.

Nekateri vidni uradniki v državnem tajništvu, med njimi A. Schwartz, so se že več let prizadevali za odstranitev vseh omejitev potovanja v tujino. Predsednik Johnson in državni tajnik Rusk sta te predloge zavrnili in A. Schwartz je pred nekaj dnevi odstopil, ko je zvedel, da bo njegov oddelek v državnem tajništvu razpuščen brez njegove predhodne vednosti.

Može pri fari sv. Janeza se pripravljajo na duhovno obnovno. Imeli jo bodo to nedeljo. Začeli jo bodo s sv. mašo jutraj ob sedmih. Duhovno obnovno bo vodil Fr. Robert Sullivan, profesor v malem semenišču. Iz cerkvenega oznanila razvidim, da bo sledeč spored: Voditelj duhovne obnovne bo imel govor v cerkvi, med zajtrkom, ob pol desetih, enajstih. Ob dvanajstih bo kosilo, od enih do dveh bodo vprašanja in odgovori, od dveh bo križev pot v cerkvi, govor in blagoslov. Ob treh bo zaključek duhovne obnovne. Može so vabljeni k tej obnovi. Sedaj je čas milosti, sedaj je čas prenovljenja! Duhovno obnovno organizirano društvo Najsv. Imena (C.Y.O.) in Tretji red sv. Frančiška.

## McNamara prorokuje

WASHINGTON, D.C. — Federalni tajnik za narodno obrambo McNamara prorokuje. Sedaj se je spravil na kitajske oboževane sile. V skupnem kongresnem odboru za atomsko silo je napovedal, da bo rdeča Kitajska že v "par letih" lahko zasipala svoje neposredne sosedse Vietnam, Laos, Tajsko, Burmo, Indijo, Pakistan, Afganistan, Rusijo in Japonsko s svojimi atomskimi bombami, kajti takrat bo že imela rakete na srednje daljave. McNamara trdi, da so strokovnjaki preizkusili cenili sposobnost kitajske industrije v proizvodnji atomskega streliva. McNamara nima sreče s svojim prorokovanjem, se je v svojih napovedih o bodočnosti vietnamske vojne že nekajkrat pošteno zmotil. Vsekakor bo pa njegovo prorokovanje dalo povod vsem sosedom rdeče Kitajske, da bodo skušali doseči sporazume z našo deželo, ki naj jim dajejo vsaj nekaj varnosti pred kitajskimi atomskimi bombami. McNamara je dodal, da so taki razgovori z nekaterimi prizadetimi državami že v teku.

Kulturno življenje Slovencev v Milwaukee še ni zamrlo. Se vedno se udeležujejo. Vedno imajo kaj na programu. Sedaj pripravljajo sestanek v okviru društva Triglav. Sestanek se bo vršil v nedeljo, 20. marca, ob treh popoldne v dvorani sv. Janeza na Deveti cesti. Na programu je proslava 25-letnice smrti velikega Slovenca dr. Antona Korosca. Člani društva in prijatelji so vabljeni na ta sestanek.

Fara sv. Janeza bo imela birno 21. marca ob sedmih zvečer. Birnoval bo pomožni škof Roman R. Atkielski. Imel bo tiho sv. mašo. K birni bo pristopilo kakih 25 otrok in 5 odraslih. Odrasli bodo prejeli sv. obhajilo pod obema podoboma. Vaja za odrasle bo to nedeljo, 13. marca, zvečer ob 6. Vaja za otroke in botre bo v nedeljo, 20. marca,

krščansko-demokratska stranka po par letih vladanja še staro privlačnost. Volitve so pokazale, da je Freyjeva stranka sicer zmagala, toda izgubila je par odstotkov glasov. Zgubila je na glasovih tudi desničarska koalicija, zato je pa število glasov s o cialistično - komunističnega bloka poskočilo od 20% na 28%.

To je očiten opomin krščanskim demokratom, da se morajo bolj brigati za težave delovnega ljudstva, čeprav jim v Kongresu dela velike težave čudna koalicija levicarijev in Freyjevih desničarjev. To se čuti posebno pri obravnavanju zakona o agrarni reformi in o delnem poddržavljenju čilskih bakrenih rudnikov.

## Zakon o letnem času bo še letos izglasovan

WASHINGTON, D.C. — Senat je zakonski predlog o splošni rabi letnega časa že izglasoval. V predstavniškem domu je predlog bil pokopan, dokler je bil na čelu pristojnega odbora demokratski kongresnik Harris iz države Arkansas. V njegovi državi niso ljudje za letni čas, zato ga tudi Harris ni maral. Sedaj vodi odbor kongresnik Staggers iz Virginije, ki je zakon naklonjen. Je obljubil, da bo postopek pospešil, in besedo držal.

Odbor za trgovino v predstavniškem domu je osnutek izglasoval, sedaj bo prišel pred plenarno, potem pa na skupno kongresno komisijo, kajti med sedelci senata in predstavniškega doma je nekaj malih razlik, ki jih mora komisija izgladiti s kompromisom. Zakon bo v glavnem uzakonil, kar že velja v večini naših držav. Važno je to, da ne bo imela nobena občina več pravice, da sama odreja čas, kot se ji zdi pametno. Te pravice ne bodo imele tudi države, pač pa bodo države lahko za vse ozemlje ostale pri standardnem času. Veljal bo torej princip: vse ali nič.

## In večno šume gozdovi

V brezkončni dobroti, ki je čutil, da je ni vreden — se mu je predal človek, in drugi je položil svoje lice ob njegovo, nežno in zaupno kakor otrok. Doma je le redko užil ljubkovanja in nežne besede. V njegovem svetu so bile to le tuje cvetice. Poznal je le trde, odločne možje, vsi njegovi so bili taki — in takšen je bil tudi on sam.

Sicer pa je videl le planjavce, ki so bili nevoščljivi in malenkostni. Ljudje pa, ki jih je srečal tu, so se mu zdeli, kot bi bili z drugega sveta.

Dag je rekel, da ima zvečer še nek opravke v mestu; rad bi bil sam in hotel je oditi v svoje prenočišče. Doroteja je bila presenečena, ker je danes se lahko mislil na druge stvari. Pogrnili so bili mizo in moral je ostati pri njih na večerji. Da, da, je mislil, ona že ve, kaj se spodobi — in je ostal.

Medtem ko je bila Tereza v kuhinji in kleti, je kramljal z Dorotejo. Vendar pa je Tereza od časa do časa napravila k njima skok, kakor bi se bila hotela prepričati, da v sobi resnično sedi Dag. Jedilnica je bila slovesno okrašana, in to je v Holderjevi hiši že nekaj pomenilo. Miza se je šibila pod težo srebra, dragocenega pribora, izbranih vin in kar se da odlično pripravljenih jedi.

Za takšno mizo Dag se nikoli ni bil sedel, niti v tej hiši ne. Doslej so mu bili postregli le z vsakdanjim obedom, in pomislil je, da mu bo morda novo življenje delalo težave.

Le kako si je predstavljala Bjorndal! Tereza, ki je bila vajena odličnega mestnega življenja? Ali je vedela, da je kmetija sredi gozdov mračna — njene stene iz brun in da ima nizko streho?

"Tako resni ste," je rekla nenadoma Tereza in položila svojo roko na njegovo.

Dag jo je dolgo motril. In ne da bi kar koli olepšaval, ji je pričel praviti, kako vse drugače je pri njem doma, na Bjorndalu, čisto drugače, kot pa je tega ona vajena. Razlika brez primere — hotel je povedati še več, toda Tereza ga je prekinila. Njen

obraz se je tako brezskrbno smehljaj, in tolikšna toplota je bila v njenem pogledu, da je bila Doroteja čisto poražena. Tereza mu je odvrnila, da je dovolj odrasla in ve, kaj počenja. Saj se ni poročila z njegovo kmetijo; vzela bo njega, takšnega kakršna je, in bo zadovoljna.

II

Bog je bil očitno res prevzel nalogo, da kaznuje zlobne planjavce. In njegovo maščevanje ni bilo majhno. Prišlo je v prvih jesenskih dnevih s poroko v mestu, dvema mestnima gospema in z breštevlinimi vozovi, polnimi dragocenih stvari. Dolinci so bili začudeni in zagrenjeni. Bilo je, kot bi jim premoč, ki so jo bili toliko rodov držali v svojih rokah, nenadoma zdrknila iz njih. Bile so hčerke iz višjih stanov in kar so prinesle s seboj, je bila izobilica tolarjev in dragocenih stvari.

Celo gospoda na Borglandu si je mislila svoje. Ime Holder jim je bilo že znano, in ko so uvidno — kakor po naključju — prisluhnili pri svojih sorodnikih v mestu, so izvedeli o velikem bogastvu Holderjeve hiše, in da je bil nekoč neki oficir iz njihove ožje rodbine večkrat omenjen v zvezi z eno izmed obeh hčera.

Ne to, da bi se jim zdelo njihovo lastno blagostanje nekako zasenčeno, to je bilo videti tako neizmerno, da se ga ne more dotakniti nobena senca. Meje Borglanda so bile velike. Prispadala jim je nekaj desetih kmetij in pristav, in poleg tega je imela gospoda še po drugih predelih dežele posestva. Glede na bogastvo ni bilo kaj reči, v tem primeru bi primerjava nikoli ne bila mogoča. In vendar je bilo nekaj vznemirljivega s tem posestvom na severu. Nekakšen nemir je izhajal iz njega. Nihče ne sme biti kakor Borgland in njene gospode. Že od pamtveka je tukaj vsa moč in nihče bi se ne smel približati in se postaviti na pot. To pa se je v zadnjem času zgodilo. Nekdo se je prešerno vozil po cestah, da, pognal je celo svoje konje, če je srečal Borglandce. Ni vozil počasneje in ponižno pozdravil kakor drugi iz soseske. In niti ozrl se ni, naglo in trmasto je vozil mimo njih. Zdaj pa je še bogastvo dajalo oporo njihovi trmi.

Nekega jesenskega večera se je ob sončnem zahodu vozil Dag s svojo ženo in njeno sestro Dorotejo preko planjave proti severu. Ko so zavozili na hribu v temni gozd, sta sestri utihnili; Dag je to opazil in pot skozi gozd se mu še nikoli ni zdelala tako dolga kot tokrat. Ko pa se je gozd umaknil naselbini, se je,

po vseh teh dneh v mestu, spet začutil varnega; in ko je videl, kako na njegovem domu v soncu gore okenske šipe, se je pomiril in ni več priganjal konja. Pustil je, da je šel le korakoma, in pokazal je proti severu, češ, tam je cilj.

Tereza je vedela, da bodo proti večeru prispeli, in že dolgo je bila močno vznemirjena. Zdaj je umolknila celo ona, ki ji je sicer govorica tako živahno tekla. Trdno se je oklepala Dagove roke. Vsak dan, vsako uro je bila mislila na ta trenutek, in končno je pred seboj uzrla kraj, kjer bo preživela svoja najboljša leta. Tu bodo doraščali njeni otroci, in tu bo nekoč tudi umrla. Tudi Doroteja ni mogla govoriti, le iz oči se ji je utrnila solza.

Spustili so se po strmini navzdol in skozi Hammarbojski gozd vozili dalje proti naselbini. V njej ni bilo nikogar, ki bi jih pozdravil, le v vežah in za temnimi vratnimi linicami so videli nejasne obraze in čutili, da jih ogledujejo. Doma na Bjorndalu jih je pozdravil samo veliki hlapec, ki je prišel, da bi izpregel konje. Temna gospodarska poslopja, ki so stala na zapadu, so metala preko dvorišča dolge sence, in kmetija je bila tiha in puščobna, kakor bi v njej ne

bilo žive duše. Dag jima je bil sicer pravil, da ne prideta v prijazen kraj; toda celo njima, ki sta bili pršli z velikega mestnega posestva, se je zdelo kmetija neverjetno velika. Terezo in Dorotejo je spreletel občutek mrza in puščobe, ki je vela z velikega dvorišča, in ko je Dag odprl vrata, ki so zahreščala v tečajih, sta obotavljaje se zanišljeno stopili v vežo.

Ob pomembnih življenjskih dnevih se ti vtisnejo slike tako močno v spomin, da jih nikoli več ne moreš pozabiti. Isto se je zgodilo tudi Terezi in Doroteji: često sta mislili na topla, domačo svetlobo, ki ju je sprejela v

izbi ob kamini, ko sta prvokrat stopili vanjo. V hipu ju je minila utrujenost od dolge poti, in Tereza je hotela pri priči oditi in pogledati tudi skozi ostala vrata. Tudi Dag je bil utrujen od vsega, kar je bil doživel, toda vdal se je in odšel z njo. Na Bjorndalu je bilo brez števila vrat, toda Tereza je bila neugnanana in napravila sta kar dolgo pot; ko pa je spet stala v topli izbi, kjer se je Doroteja nad vse dobro počutila, se je zdelo sama sebi tako bogata in varna, da je ovila roki okoli sebe in so ji v oči stopile solze.

Kjer koli je bila vstopila, povsod so spoštljivo vstali in jo s

## Rose Retar

Pokojna je bila rojena 1. septembra 1892 v Sloveniji, Jugoslaviji. Tam žaluje za njo več nečakov, njihove družine in drugi sorodniki.

Pokopali smo jo dne 16. februarja 1966 na pokopališču Vseh vernih duš v Chardonu, Ohio. Iz Zeletovega pogrebne zavoda na St. Clair Ave. smo jo najprej prepeljali v cerkev St. Philip Neri na 8215 St. Clair Ave., kjer je Rev. Carlin daroval slovesno pogrebno sv. mašo in opravil cerkvene obrede. Iz cerkve je pogrebni sprevod odšel na pokopališče, kjer smo zemске ostanke položili k poslednjemu počitku, da tam čakajo Vstajenja.

Izkreno se zahvalimo Rev. Carlin-u za vso naklonjenost in tolažbo.

Našo toplo zahvalo naj prejmejo društva, ki so lepo počastila svojo preminulo članico: društvo Lunder-Adamič št. 28 SN-PJ, Progressive Slovenke in Slovenska Narodna Čitalnica. Mrs. Cecilia Šubel in Mr. Christ Stokel naj prejmeta našo toplo zahvalo za ganljive besede v slovo in zahvalo. Mrs. Šubel je govorila v imenu društva Progressive Slovenke, Mrs. Christ Stokel pa v imenu društva Lunder-Adamič. Istanto najprisrčnejša zahvala uslužbencem podjetja Fisher Body, ki so poklonili skupni venci, zbrali sklad za sv. maše in se v velikem številu poslovili od pokojne v pogrebem zavodu ter pri pogrebu.

Prav lepa hvala vsem, ki so darovali za sv. maše in druge dobre namene, vsem, ki so poklonili cvetje in vence ter vsem, ki so dali na razpolago avtomobile za pogrebni sprevod.

Prisrčno se zahvalimo vsem, ki so prišli kroit v pogrebni zavod, vsem, ki so bili pri pogrebu in sv. maši ter zlasti vsem, ki so mamu spremili do groba. Posebej hvala Zeletovemu pogrebemu zavodu, ki nam je izvrstno uredil pogrebne priprave in odlično vodil pogrebni sprevod.

Izkreno zahvalo naj prejmejo vsi, ki so mami v zadnjih dneh življenja storili kako ljubeznivo uslugo, vsi, ki so nam kakorkoli pomagali, nam osebno ali pisмено izrazili svoje sožalje ter vsi, ki so kakorkoli pripomogli, da so bile pogrebne slovesnosti tako ganljivo lepe.

Hvala, naša dobra mama, vso ljubezen ste nam dala, vse moči in vse skrbi, rajski mir, nebeška sreča, bodi Vaša v večnosti.

## Sterling Silver... Rich In Tradition

Of all the periods in the world's history of silver, one of the most universally admired is the Early American. The unusual charm and beauty of silver flatware and holloware fashioned by Colonial silversmiths can be traced not only to the relatively limited number and variety of their tools, but to their skill as craftsmen and their appreciation of fine design.

PAUL REVERE'S "Midnight Ride" played an important part in America's history. Equally important to the traditions of American silver were the lovely pieces of sterling which the Revere family — Paul, his father and son — hand-crafted for wealthy Colonialists.

TODAY WE CAN ENJOY authentic reproductions of beautifully proportioned Early American sterling, and a wide variety of solid silver flatware and holloware is available. These make ideal gifts for the modern bride, for the woman celebrating a wedding anniversary, and for the weekend hostess. Their classic lines harmonize equally well with traditional or modern decor.

"We couldn't get it on our radio, but Tom's older brother in Bloomfield brought it in on his and pushed the radio close enough to the telephone so that we could hear it. **Milwaukee Expansion Club? Bartholomay Nixes the Idea**  
Milwaukee, Wis. — Board Chairman William Bartholomay of the Braves gives Milwaukee little chance of supporting an expansion club. He said in a radio show over WBBM, Chicago, February 22, that an expansion team in Milwaukee "would suffer very seriously at the gate unless it could do as well as the Braves on the field."

Bartholomay added, "The Braves finished out of the first division only once and had the No. 2 record in the league, yet suffered a serious decline in attendance." He called the 1965 lame-duck attendance of 555,584 "very disappointing" and predicted that the Braves would draw at least 1,500,000 in Atlanta this year.

Sports Editor Oliver E. Kuechle of the Milwaukee Journal called in and said, "Maybe we'll see you in Milwaukee anyway."

"Well, don't hold your breath," Bartholomay said.

**Mets Who Break Midnight Curfew to Face \$100 Fine**  
St. Petersburg, Fla. — Wes Westrum, taking over as full-time manager of the Mets, established a penalty code for his players.

"We will have a midnight curfew in training camp," Westrum announced, "and it will cost first offenders \$100. After that there will be an escalation of the fines, so much more for second violations and so on, although I don't know yet just how much more. We'll play that by ear."

Once the regular season starts, there will also be a system of penalties for field offenses.

Missing a sign will cost \$10. Failure to run out a hit ball will bring a \$25 fine. A similar tax will be assessed for displays of temper, such as throwing a helmet.

"No fines will be returned," declared Westrum.

**Losing Self-Control Just Way of Life With Gentle**  
Cocoa, Fla. — Astro first baseman Jim Gentile says the man whose attitude he admires most is his roommate at Kansas City, Rocky Colavito.

"He had a fantastic attitude," said Gentile. "Oh, he got mad like everybody else, but he always had self control."

Gentile says he thinks his own bat-throwing reputation has been over-emphasized.

"I don't do it all that much," he insisted. "It's just occasionally I throw a bat or something. It just builds up in you and finally you get so mad at yourself you let it out. But I can't change the way I've been all my life."

## Glasbena Matica Concert Tour

At the present time Glasbena Matica is preparing for our trip to Yugoslavia, a trip that we never thought would materialize due to the death of our director, Anton Schubel. Despite our great loss we are endeavoring to make his dream of a concert tour in Yugoslavia come true.

Glasbena Matica was formed in 1940 under the direction of Anton Schubel. Our chorus normally gives two performances a year, a spring concert in which we feature Slovene classics and Folk Lore Compositions. Our fall performances were formerly Operatic productions which had been translated into the Slovenian language. The chorus is trying to keep the Operatic theme alive by presenting selections from Operas in the fall.

The committee has chosen some of our most beautiful music to present in Yugoslavia. Not only are we preparing Slovenian music, including some of Ivan Zorman's compositions but we will present several operatic choruses and American compositions, including spirituals, patriotic and semi-classics.

Our first stop after arriving in Ljubljana will be Vodice, the birthplace of Anton Schubel. As we will be in Vodice on the 1st anniversary of Mr. Schubel's death the chorus will pay tribute to him at that time. We will then travel and give concerts in Trbovlje on June 9th, Jesenje, June 10th, Nova Gorica, June 11th, Trieste, June 12th and Koper on June 13th. After a few days rest we will again be ready to perform in Rogaska Slatina, June 17th, Murska Sobota, June 18th, Ptuj, June 19th, Novo Mesto, June 21st and our final concert on June 22nd in Ljubljana.

I am personally looking forward to visiting a land I have heard so much about and from which stems my maternal ancestry.

We will be traveling by Jet to Ljubljana and I would like to invite any who would like to be a part of this unique experience and enjoy, along with the chorus, the reception received in each town and the Zabava which will be held after several of the concerts. For further information regarding the trip, please contact Kollarider Travel Agency in the Slovenian National Home Building, 6419 St. Clair Ave., and they will be happy to talk with you and give you any details you may desire.

Our Spring Concert, under the direction of Valentina Fillingier, will be presented on March 27, 1966 at 4:00 p.m. at the Slovenian National Home, 6417 St. Clair Ave. The concert will be a preview of most of the selections we will be performing in Europe. Tickets may be obtained from any of the members of Glasbena Matica or at Jo Ann's Confectionary located in the National Home Building.

**Good Friday Closing**  
The Holy Name Societies of the Cleveland Diocese, in cooperation with all Christians, are launching their eleventh Good Friday Closing campaign for 1966, aimed at a more spiritual observance of the day on which Christ died.

The campaign goal is to improve on last year's record observance in which thousands of merchants closed all day, or some specific part of the day.

State, County and City administrations will be contacted, asking for their cooperation as they have in the past. Mayors and Councils will be asked to draw up resolutions to aid in the program.

Cleveland and Parma councils have passed such resolutions for the past several years.

Parish Holy Name men will call on places of business in their own communities and ask them to close from 2:00 to 4:00 p.m. Those wishing to cooperate will receive closing posters. In addition, fact sheets will be sent to civic, business and labor leaders, urging their participation.

In charge of the program is Joseph Spilka, 3267 West 50th Street. For further information or posters call 961-5025.

## EDUCATION AND THE GOLDEN AGE

What should be the objectives of education — and of those who are education's recipients? A good answer to that comes from President Gerholz of the Chamber of Commerce of the United States.

As he sees it, America's Golden Age will arrive when education produces "scientists who are not ignorant of politics, politicians who are not ignorant of science and businessmen who can rejoice in a sunset or a sonata as well as in the chatter of a computer." Then, later, he said, "Education should be a philosophy. It should be our nation's way of life. Young people should aspire to knowledge for its own sake. Those who are deprived of worldly goods, and a good start in life, should look for enrichment of their minds as well as their pocketbooks. Those who have specialized in one branch of knowledge should branch out in other directions."

We live in a world and a time in which everything, one way or another, is related. Business, politics, the sciences, the arts — all touch and influence each other. The whole man, using that phrase in the classic Greek sense, must be concerned with them all and have a knowledge of them all.

## Fashion For The Young At Heart

Summing up the early spring fashion story is the knitted ensemble. This beautifully-styled dress and jacket in a nubby textured knit of Creslan acrylic filament brings the best of this look to ladies who wear half sizes. The slimming belted sheath is sparked at the yoke with a band of crocheted-like trim — another look that's big for spring. The little short-sleeved jacket has a crocheted border.

Model Home Interiors Thrill '66 Home & Flower Show Crowds

The Great Room interior co-ordinated by the Interior Design Studio of The Halle Bros. Co. for the Main House of the Two-for-One Family homes at the 1966 Cleveland Home and Flower Show, March 5 through 13.

Houses At The Flower Show

The Interior Design Studio of The Halle Bros. Co. and the Garth Andrew Co. of Bath, Ohio, have created the colorful interiors for the two contemporary walk-thru model homes exciting crowds at the 1966 Cleveland Home and Flower Show from Saturday, March 5 through Sunday, March 13.

The two houses this year returned to their familiar Homeland site in Lower Lakeside Hall. Project of the American Institute of Architects-Cleveland Chapter and the Home Builders Association of Greater Cleveland, they are specifically designed so that one family can lead a happy double life on the same property.

Eight members of the Interior Design Studio of The Halle Bros. Co., under the supervision of Everett Carlson, give a "south of France" motif to the Main House calling it MAISON DU MIDI.

A.I.D. members Esther Watzulik and Dorothea Seeley Davis interpret Architect Keith E. White's Great Room as a Garden-Living-Dining room reminiscent of the summer homes on the southern coast of France. 1966 spring fashion shades of hyacinth, delphinium, aquamarine and celery are used with painted wrought iron upholstered sofas and chairs, and baroque period wood pieces.

Lawrence McClure, A.I.D., responsible for the kitchen and morning room, carries over the light airy colors. Two walls of glass frame a setting of rattan and wrought iron furniture. A place for breakfast or an afternoon snack, to read, or as architect White envisions, a hobby area for the homemaker while keeping an eye on the stove.

The Bookroom in the rear of the home is given masculine feeling by Frank Morris, A.I.D. Intense Empress Green walls, olive wood slat drapery, rough textured upholstery and oiled walnut contemporary furniture form the background for book and print collections or art objects from world travels.

The children's bedroom is interpreted for twin teen-aged boys by interior designers Frances Epp and Duane Hartman. They make it a multi-purpose area with a casual yet orderly atmosphere to meet the demands of modern teenagers. Areas for sleeping, quiet study, hobbies or a retreat for after-school entertaining — all are combined in this contemporary room with Mexican accents. Soft backgrounds are brightened by white and yellow painted furniture. The personal collections of each boy are used as accessories.

Alice Kennedy Pugh, A.I.D., continues the light airy scheme of the GREAT ROOM in the master bedroom but gives it more formal elegance. She uses Country French furniture to emphasize an entire home need not be all one period.

The SATELLITE HOUSE is interpreted by Garth Andrew Company,

interior designers of Bath, Ohio as an escape or retreat house for the parents in the family and for entertaining guests.

The party room is furnished by them largely in dark stained rattan, selected because of its inherent strength and lightness of scale. Table surfaces are light plastic laminate. Long seating units with foam cushions, covered in a straw-colored textured fabric, quickly convert to sleep two.

For dining or card playing a round continental height table is used with bright blue swivel chairs. Four hexagonal coffee tables in front of the long seating units provide easier entry to the lounges than a large table.

They are on a long area rug, bright with high and low textured rectangular patterns of blue, red, yellow, gold and off white which colors the beautiful and practical white brick floor. Floors in the rest of the house are grayed olive travertine.

Imparted linen print is used on the throw pillows and on the seat of a tall, open occasional chair from Kong Keng. Draperies throughout are off-white open vertical weave casement.

Garth Andrew visualizes the large covered terrace to accommodate overflow from the Party Room. An octagonal table with slat pattern top is large enough to seat eight. Arm chairs are weather-resistant woven steel in a lead color.

Smaller bedroom has a walnut half-hung chest with warm white drawer fronts. Headboard is walnut and black with a walnut night table, rugs of yellow grass texture, and a diamond chair of white vinyl coated woven steel mesh designed by sculptor Harry Bertois. The bedspread is imported linen print in blue-red-olive and yellow.

Larger bedroom is treated as a guest study with a chest desk in walnut and walnut plastic. Sofa upholstered in a breathable textured plastic of Teal Blue converts to sleep one. Two oak and teak low arm chairs made in Denmark have seat and back cushions covered in a textured strip fabric in reds. The desk chair is upholstered in a red woven pattern. Sitting area is defined by a rug in blue-olive grass texture. Walls are off white.

In close proximity to the two walk-through homes is the Show's 1966 DECORATORS PAVILION of model room settings. This year for the first time it has been expanded to include both professional associations of interior designers. Creative efforts of members of the American Institute of Interior Designers, Northern Ohio Chapter and the Lake Erie Chapter of the National Society of Interior Designers are represented.

Also for the first time, there is a Mediterranean apartment by Miss Ruth of Modern House, who has in the past had the responsibility for six show houses.

objection to the several adjustments in stepped-up tax collection procedures, there is a serious question concerning the wisdom of singling out telephone service and automobiles as the two items on which to raise this additional revenue. Certainly in this day and age, telephones and automobiles are more often absolute necessities and not luxuries.

A REMINDER. Anyone who was 65 years or older on January 1 of this year, has until March 31 to sign up for the medicare program.

Those over 65 who are not on social security must apply for both the hospital coverage and the medical coverage (optional for \$3.00 per month). Eligible persons who do not apply by March 31 will not have another chance to do so until the last 3 months of 1967. Anyone reaching 65 after January 1, 1966, will be able to apply for medical coverage during the 3 month period before, or the 3 month period after, the 65th birthday.

Everyone over 65 should be alerted to the March 31, 1966 deadline in order to qualify for medical insurance. If you are over 65, or if you have parents or friends over 65, you should investigate this program at the nearest Social Security office in order that coverage will not be lost.

OPINION POLL. Once again I have submitted an opinion poll, listing the current major issues, to my constituents in the 22nd District. The views of those whom I represent in the Congress are of great value to me in making decisions on the vital matters which come before us. I hope I will again receive the same fine cooperation in the response on this poll as on previous questionnaires.

From the Indian Teepee

TUCSON, Ariz. — Naturally it's too early to make predictions about the outcome of the 1966 American League season, but it's generally agreed that the league this year will be a tight one with pitching a most prominent factor.

When A. L. observers discuss the league's pitching, they always mention the name Sam McDowell, the youthful and strong lefthander of the Cleveland Indians.

Sam led the American League in strikeouts (325) last season and also was the league's best earned-run average man with a brilliant 2.18 mark established in 273 innings of work.

Right behind Sam in the ERA department, among starting pitchers, was teammate Sonny Siebert. His mark was 2.43.

The records of these two young pitchers came up in a Tucson discussion recently and one seasoned veteran of 11 years of major league baseball made this observation: Sam McDowell is the fastest lefthander in the league, and Sonny Siebert is the fastest righthander. Sonny had 191 whiffs to his credit in the 189 innings he worked.

Cleveland has become notoriously famous for its pitching strength, and if this observation is true, then he Tribe can again count on having one of the finest staffs in baseball and the continuation of a tradition.

The Indians' Director of Player Personnel Walter "Hoot" Evers and Farm Director Hark Peters checked into Tucson on March 2. Their first contingent of minor league players will report on March 14 ready for initial workouts the next day.

If you've ever wondered what keeps a coach busy in spring training, it's estimated that during a regular workout they will hit more than 1,000 balls to infielders and outfielders. The coaches wear a golf glove to protect their hand, and the infield area, following the workout, is chopped up from the ground balls.

Because of the Tribe's field set up at Hi Corbett Field, the major league team works out on the main diamond and the minor league teams drill on four fields located about 200 yards from Hi Corbett. In the time before the minor leaguers report, Manager Birdie Tebbets uses the minor league diamonds for some special drills. One of the coaches handles this phase and to stay in constant communication with the coach, Birdie has purchased two-way radios.

Thirteen members of the Indians squad have brought their families with them to Tucson. All are staying at apartment houses away from the Tribe headquarters.

The Indians' main headquarters are at the Ramada Inn, which is also the center of activity for 20th Century Fox. The movie people are shooting at "Old Tucson," a movie set used 17 years ago for the film "Arizona." Among the stars here are Paul Newman, Frederic March, Richard Boone and Cameron Mit-

chell. Newman, a Cleveland, is expected to visit the training base in the near future.

Still a pretty sight over Hi Corbett Field each morning are the four-team jets that take off for routine flights over Arizona. The Thunderbirds, famed jet flying team, will perform here next week.

Chuck Hinton, along with Luis Tiant and Joe Azcue, is on the list of Thin Men for 1966. Chuck has shed 16 pounds since last year and Azcue has clipped off 28 pounds while Tiant has dropped 23.

The Tribe coaching staff of Geo. Strickland, Regie Otero and Early Wynn, is complemented this spring by John Lipon, Elmer Valo, Phil Gavarretta and Al Rosen.

Professional Wrestling At Arena

The Sheik, rugged and wily Arab who holds the United States professional heavyweight wrestling title, will headline an all-star St. Patrick's night program at the Cleveland Arena, Thursday, March 17th, at 8:30 p.m.

The resumption of Arena mat action following a layoff of exactly four weeks will spotlight such other great stars as Bobo Brazil, Dr. William (Big Bill) Miller, Argentina Apollo, and "Flying Fred" Curry, officially adopted as the "Good Guy of Wrestling" by WHK (Good Guy) Radio.

The Sheik has been rematched against acrobatic Argentina Apollo in the main event, a bout prompted by their meeting here six weeks ago under Texas Death Match ("anything goes") rules. Apollo out-pinned The Sheik four times to one in that meeting, but The Sheik's pir. (aided by ring second, rugged Mr. X.) resulted in Apollo being counted out!

Bobo Brazil, doggedly gunning for a crack at The Sheik's championship belt, will oppose hooded Mr. X. in one of the March 17th special attractions.

In another special event, Curry, cheered on by his WHK "Good Guy" supporters, will trade holds with an opponent yet to be announced. Curry, a real crowd-pleaser, also is aiming at The Sheik's crown, and seeks a quick, decisive victory March 17th as a stepping stone.

In other tests on the upcoming program, former Big Ten champion Bill Miller will meet Tiny Tim Hampton; Gino Britt will oppose Mike Loren; and a four-man tag team event will couple Chief White Owl and Lou Kleir, against Man Mountain Cannon and Ricky Cortez. Another match, with The Student as one of the combatants, is a probability.

The advance seat sale is being conducted at the Arena box office — 3717 Euclid Avenue — with reserved and ringside seats at \$3.00 and \$2.00, plus general admission at \$1.00.

SS Office Open On Saturdays

The social security office at 10613 Euclid Ave. will be open to the public on Saturday mornings until the end of March, to afford persons age 65 or over an opportunity to sign up for the medical insurance part of Medicare. J. R. Pederson, social security district manager said.

He explained that some older folks work Monday through Friday and cannot visit the social security office during regular hours without losing time from their jobs. The Saturday office hours will also give young people a chance to take older relatives to the social security office without losing time from work.

Area residents, 65 or over before 1966, will have medical insurance protection when it starts in July only if they sign up by March 31.

Social security beneficiaries have already received enrollment cards in the mail. If they have lost their cards, they can get another at the social security office.

Other persons 65 or older who want to sign up for medical insurance and have never applied for social security benefits, perhaps because they are working full-time or do not have enough social security work credit to get benefits, should get in touch with the nearest social security office.

The Cleveland social security offices are located at 10613 Euclid Ave., 2012 West 25th St. and Room 300 in the Standard Bldg. The telephone number is 621-3838.

Euclid Slovenian Home News

In the past several weeks a lot of people have enjoyed the banquets and dances at our Hall (in addition to the weddings). Packed houses had a good time at the Pol-Kata, Loyalties, Club 59'ers, Pensioners and Jutrana Zora affairs. The air conditioning was very much appreciated, as a large crowd generates a considerable amount of body heat and humidity. We appreciate having these lodges and clubs holding their affairs here, and we know they appreciated the patronage of their guests. They need you, and you need them. Cooperation counts all the way.

Coming events scheduled for our halls include: Sloven Concert on April 17th, and Circle No. 2 SNPJ Concert on May 8th. Then Klub Drustve will have movies, dinner and dancing on May 21st, and Balila Tekma on June 5th and July 15th. Tickets can be obtained from members or you can check with Chuck or Bertha Starman in our Club Room. All of these affairs deserve and merit your attendance and support. In fact, one could say it is a Slovenian's duty to attend affairs such as these.

The Cleveland Federation of Slovenian Homes is holding its Annual Recognition Banquet and Dance at Holmes Slovenian Home on March 20th, dinner starting at 4:00 p.m. At this Banquet we honor the Cleveland Man-of-the-Year, as well as the Man-of-the-Year from each individual Home, in recognition of their contribution to the Slovenian cultures, lodges, homes, and other accomplishments furthering us Slovenians. Dr. Kern is the Cleveland Man-of-the-Year, joining those previously honored: Judge Pryatel, Edward Kovacic, "Heinie" Antonicic, and John Tavcar. Our Euclid Man-of-the-Year is Joseph Trebec, currently President of the Board of Directors, and for many years active not only at our Home but also at the St. Clair Home. He is also active in many lodges and clubs.

Our previous Man-of-the-Year were Frank Zagar and John Barkovich. This is the only city-wide Slovenian affair of the year, and we should pack the Holmes halls. Please buy your tickets NOW at any Slovenian Home so that proper plans can be made. Cost is only \$2.50. To show others that we Slovenians are active and stick together, we must convince you to attend. Won't you come?

Our condolences go to Mary Pecek whose husband Frank, died on March 1st.

Our Club Members are talking about Balila, so warmer weather can't be too far away. The House Committee will be getting the alleys in shape soon, and giving the entire outside a spring spruce-up job. Both men's and ladies Balina leagues will be active on separate evenings this summer. Afternoons are pretty well taken up by the Pensioners. This is a wonderful form of recreation and mild exercise, in addition to congenial sociability. All Club Members are invited to participate, or just to sit and watch. All you need is a Club Member card. Your Club Member card entitles you to not only the Balina, but also to participate in the Machine Bowling League (see Chuck in the Club Room), and to enter the Club Room. Our bowling banquet will be held April 3rd. Sign up now with Chuck for the league starting soon.

I mustn't forget telling you of the fine time everyone had at our Club Room Shrove Tuesday Party. A full house was on hand to eat the free hot pork sandwiches and ever-love potica. We want to thank Mary Kobal, Jennie Leskovec and

Mary Vodcar for the baking and cooking, also musicians Joe Kusar and his son Joe, Jr., and Carson, Kaucnik, Schneller, and Hoyer for playing, and Slovan for their fine songs. The costumes of those who came masqueraded were howlingly funny, and each one was given a gift.

I'm sure you would like to know what the Board of Directors has had done to improve the comfort and safety, or improved equipment to our facilities. Last year's improvements were as follows: In the Club Room a section of wall was removed to improve the facilities, acoustical ceiling was installed, and the entire Club Room repainted, a formica top table and cupboard was added to the kitchen. (The Club Room was fully air-conditioned in 1964). Modern up-to-date bowling machine, pool table, and music machine were installed. A canopy over the entry stairs was installed. The upper halls, including the stage, were fully air-conditioned, and a new check room was built. Safety floor mats were installed in the lobby. In the lower hall kitchen a new double door stainless steel refrigerator was donated by the Women's auxiliary.

They also made and donated new drapes in the Director's Room and in the upper bar. Outside: new fencing, back-tops and sand storage bin were installed for the ballina courts. Pipe rail along the walk was removed, and concrete bumper stops were installed. The latest type of lighting was installed for our parking lot, and are kept on all night.

Improvements already made this year: a new double door stainless steel refrigerator for the upstairs kitchen was purchased and donated by the Women's Auxiliary. The old furnace was replaced by a new unit. A second pay telephone station was installed in the main lobby.

Currently the big doors between the upper hall barroom and the kitchen annex dining room are being removed, the wall opening lowered and widened, and then will come the installation of beautiful folding doors. Both the barroom and the annex will be painted in new colors. This improvement will provide more suitable seating for banquets and make the small hall more attractive and desirable for rentals. The next major improvement will be the installation of air-conditioning in the lower hall. When this is completed all of our halls will be fully air-conditioned for both summer and winter use. Presently the air conditioning is optional at extra cost to the renter, so please remember that if its comfortable the renter has paid just a few cents per person to have this comfort for you. If the hall is hot and humid, the renter has not considered it advisable to spend the few cents per person. Don't blame the Hall or the air conditioning.

Improvements within our means for progress and modernization are always under consideration on a planned basis by the Board of Directors so that you can enjoy them NOW. Improvements that will be made after many of our people have passed on will do them no good. We also hope to make our Home attractive to lodges and clubs so they will hold their big affairs and conventions here. Our spacious and well-lit parking lot is a great convenience. Lodges which expect out of town guests or delegates will appreciate the fact that there are hundreds of high class motel rooms within just several minutes drive to our Home. Any lodge holding a big gathering or convention can reserve the outside ballina courts for a Tekma. All hall rental inquiries should be directed to: Manager, Slovenian Society Home, 20713 Recher Ave, Euclid, Ohio 44119. Please contact well in advance of your planned date so that you can get the date you want. In the event I don't get another article ready in time, the Board of Directors, as well as our Manager, Chuck Starman

President's action and praised the meritorious way Congress acted in this urgent matter. He noted the GI Loan provisions of the bill would increase activity in building and real estate activity throughout the country.

The Congressman stated that "the formula for eligibility of the veteran to participate in the GI home loan program is the same as that already in existence — that is, 10 years from the date of discharge, plus one year for each 3 months served. Entitlement shall not continue beyond 20 years, nor shall it expire before 10 years."

New GI Bill Representative Michael A. Feighan, (D. Ohio) announced that approximately 10,300 veterans in the 20th Congressional District are potentially eligible for benefits and services under the new GI Bill just signed by President Johnson.

"The new GI bill provides education and training programs generally patterned after the highly successful GI Bills of World War II and the Korean Conflict," Feighan said.

Congressman Feighan, who was a strong supporter of the bill, pointed out that in the first year alone over 1,295 veterans are expected to take advantage of the educational benefits, according to statistics from the Veterans Administration. Feighan stated that "This educational provision is expected to provide the veterans in the 20th District almost \$28,700 in direct benefits in that first year."

Feighan stated that "the educational provisions of the new bill go into effect June 1, 1966, giving the veteran ample time to plan his schooling program. In addition to the educational benefits, the program is expected to provide \$2,876,000 guaranteed loans totaling \$2,876,000 to some 190 veterans in the first year." Feighan added that "The veterans covered under this bill are also eligible for hospital benefits, and 1,635 patient days at a cost of \$42,000 are expected to be made available to applying veterans in the first year.

"All veterans are eligible for educational and guaranteed home loan benefits who were on active duty more than 180 days after January 31, 1955, and honorably discharged, or who were discharged with less than 180 days service because of a service-incurred disability." Feighan explained that under the education and training sections, monthly payments for full time training are —

\$100 for vets without dependents, \$125 for vets with one dependent, \$150 for veterans with more than one dependent, and that veterans eligible can receive up to 36 months of schooling or training on the basis of one month for each month spent in uniform. The veteran must complete his program of education within eight years after discharge.

The Congressman hailed the President's action and praised the meritorious way Congress acted in this urgent matter.

Reporting from Washington FRANCIS P. DOLYON • Congressman, 72nd District, Ohio

TAX ADJUSTMENT ACT OF 1966. The House has passed and sent to the Senate the Tax Adjustment Act of 1966 (H.R. 12752). This is the Administration proposal to provide additional revenues for the Vietnam War and domestic spending. I voted for the recommittal motion designed to eliminate the section re-imposing the 10% excise tax on telephone service and the 7% tax on automobiles. Both of these excises had been reduced on January 1, 1966. The recommittal motion failed and I voted against the bill on final passage.

The fact that I opposed this legislation does not mean that I am against responsible financing of Government obligations. On the contrary, my vote was against the fiscal irresponsibility which brought this bill before us. Certainly our support for our boys and our ob-

jections in Vietnam should receive first priority. But it seems to me that what this bill does is to ask the taxpayer to tighten his belt while allowing the Federal Government to let its belt out. In other words, it appears that the real purpose of this tax bill is to seek Congressional approval for new and expanded domestic and welfare programs while at the same time waging a costly war of indefinite duration abroad.

The current fiscal difficulty does not stem so much from a lack of revenue as from a lack of control over government spending. This is a time for both the Congress and the Administration to establish real priorities. Unless this is done, we will soon have other bills calling not only for new tax increases but more economic controls as well. Although there was no particular
