Za naše članstvo!

Pravila.

Pravila so postava, katere določajo članstvo organizacije
ali skupine, ki jih je osvojila, meje, v katerih se morajo ravnat
kakor določa postava državljanu, kako daleč sega njegova pravica.
V sistem in civilizaciji, kakšna je dandanačja, je pa
potrebno, da so gotove regulacije in zakoni tudi pri organizaciji
kot je naša; če bi jih ne bilo, bi ne imeli vzorne organizacije kot
jo imamo, ker zavindala bi že davno anarhija.

Naša jednota ima svoja pravila ali zakone. V svrhu, da se
članstvo seznam s temi zakoni naše organizacije, se jih tiski to
liko, da dobijo vsak član po en izvod pravil. To, kaj pada v name
nu, da jih siheri član prečita in se tako pouči vnos o najva
nejših točkah ali zakonih ter po njih ravna. Dostip papirja in po
nib znakom bi se prihranilo, če bi se članstvo nekoliko bolj briga
za pravila, to je seveda z lojalne strani. Če vzamemo nasprotno
stran, ta, kadar gre za boljško podporo, operacija, odločitveno
t. d., hitro najde vse člene in točke pravil. Če se hočemo izka
zati vredne člane organizacije, je potrebno, da se zanimamo za
njena pravila v splošnem, posebno za one točke, ki članu na
rekajo DOLŽNOSTI DO JEDNOTE. Član, ki brsko po pravilih
je tedaj, kadar gre za njegov interes, je slab in ni vreden ve
braške pomoci.

RAZSTAVA SLOVENSKI TRGOVCEV

Kaj je Tone videl na razstavi
slov. trgovcev v S. N. domu v
Clevelandu.

(Poroč Tone Podgoričan.)

Minoli petek zvečer sem šel, oziroma, sem se peljal s "štit
kar" dol na St. Clair Ave., kjer stoji naš ponos: Slov. Narodni Dom, v katerem se je vršila raz
stava naših trgovcev iz Cleve
landa, ali iz slovenske metropole v Ameriki. Moj namen je bil, da si malo ogledam to razstavo, o kateri so naši tukajšnji listi toliko pisarili in jo hvallili že
mesec v naprej.

Vstopoval v veliko dvorano SND, ki pa se mi je zdela dosti premajhna za take namene, sta
me pozdravila huda vročina in
val zelo izprijenega sraka in ob
enem tudi večje število uslužnih rojakov, ki so mi ponujali vasko
vrstne tiskovine, reklame knji
žic in kupone, s katerimi sem si natrpal vse moje tepe. Enkrat srečno v dvorani sem stopil okoli razstavljenih oddelkov, da vidim kako in kaj.

"Hm, je že res, da naši trgovci
precej zmorce," sem dejal sa
memu sebi, "ampak svojih od
delkov pa niso nič kaj lepo in
okusno uredili. Ingredia, da sta
večini njih originalnost in čut za
lepoto ali umetnost, zelo tuja.
Vaši njihove izložbe pravijo ta
ko."

Bile pa so vmes tudi častne iz
jame. Oddelek krojske tvrdke
Gornik, ki je bil najlepši, je bil
pri priser blaser dekorativne umetno
sti, vselej česar tako privlačen, da
akoro nisem mogel skreneti od
njega. "Second prize" gre etv
čarni Slapnik Bros., tretji Grdin
Shoppe in četrti fotografu Bak
ukovniku. Razstavni oddelki Slov. Hranilnice, tvrdk Kremžar,
Mrvar in ena ali dve drugih so
ugajali, ostali pa so bili več ali
manj neatraktivni, so izraslali po
manjkanje okusa in umetniškega
čuta za lepoto. Dotični raz
stavljalci se očividno ne zavedajo
dejstva, da lepo, okusno urejene
izložbe privlači kupce, med
tem ko jih neokusno urejena od
bijajo.

Ko sem si ogledal razstavo v
zgornji dvorani, sem jo ubral po
stopnjicah dol in apodnju dvorano
po podzemiju. Tam dol je
stavbenik A. Kaušek postavil
ljubko hišico, ki je bila zelo
kusno opredeljena in se je vsem
obiskovalcem zelo dopadala. Maj
ščim zastopnicam nežnega spo
la se je posebno dopadla spal
nica z zapeljivo zakonsko pos
tejijo. Med razstavljalci v spodnji
dvorani gre "first prize" mr. Kau
šek, drugi tvrdki Mohar & Co.,
tretnji pa nikomur.

Mojo pozornost je vzbudil tudi
razstavni oddelek mr. Jožeta
Grdine, to pa vselej mnogične le
seni in porcelanastih svetnikov,
svetnic, Kristusov in Marij, ki
jih je Jože razstavil in pa poboz
njih krajik kakor: sv. pismo, Živ
ljenje svetnikov itd. Sama izbrana
stará Šara! Jože je bil zelo
prijazen in darežljiv napram ob
iskovalcem: ženskam je dajal
razne—vem, če blagoslovilje
ne ali ne?—svetinjice, moškim
pa cigare, ki so imele to slabo
lastnost, da so slabo "vleke." Vaš
tista, ki jo je bil meni dal,
ni bila zanik. Skoro vso "apo"
sem "ponučal", pa nisem mogel
dobiti posetenega dima iz nje. Jo
žet zato seve ne zamerim, saj
vem, da jo ni sam naredil in sem
mu vseeno zelo hvaljen za nje
vo prijaznost.

Iz spodnje sem se kmalu vr
nil v zgornjo dvorano, kjer se je
bil pričel zabavni program. Naj
prvo malo godbe, potem pa so
nastopili na održ Sokolici, ki so
izvedli precej težke telovadne to
čke z občudovanja vredno lahkoto
in so bili deležni splošnega
priznanja, ki so ga tudi zaslužili.
Sledile so glasbene točke, ki jih
je izvajal Ellis Bros. Orchestra
zelo "fajn." Na sporednu so bili

Koliko bo takih ob koncu kampanje?

Br. Mike Stavdohar, tajnik društva št. 675 v Parkwoodu,
Ohio, je postal poročilo o zadnjih šestih mesecih kampanje za
pridobivanje novih članov. Njegovo poročilo izkazuje 29 no
vih članov, katere je — kakor piše — vse on sam pridobil.
Plane zaključuje: "Ne posiljajte mi zdaž še nobenih na
grad, ker se nisem prenehal s kampanjo."

Le tako naprej, Mike! Ti si boš zaslužil vožnjo v staro
domovino z izletniki S. N. P. J., ki pojdejo prihodnje leto.
Koliko Stavdoharjev bomo imeli ob zaključku kampanje,
bratje in sestre?

DRUŠTVE VESTI

Iz Kansasa.—Iz črpek zapisnika se je Kanska federacija društva SNPJ, vršiće se 2. sept. v Frontenacu, Kans. — Radi omemnjene prostora v obligatni it. Prosveti, je neja sklenila, da se objavi le važe zaključke, ki se tifejo direktno vseh kansaskih članov. Kot na vsej sejih federacije, je bila tudi ta zelo dobro obiskana. Belišči imamo žalostno statistiko visoke umrlosti. Naša federacija šteje približno 15000 članov. Od 25. sept. 1927 do 25. sept. t. i. je umrlo 30 članov, kar posmeni 10 umrlih na 1000 članov letno, vsekakor previsoko število. Med temi imamo beležiti 5 samorakov in 5 ubitih v premogovnikih. Taki varčki smrti daje malič. Br. A. Suler poda finančno poročilo v imenu odbora zadnjega izleta federacije. Cisti prebit \$180. Lep uspeh v danih razmerah.

Zbornica soglasno izreka sožalje družini pok. Jože Zavertnika, ter da popolno priznanje za njegovo uspešno dolgoletno delovanje v SNPJ, kar naj bo najdragocenejši spomin vsakemu članu SNPJ. Naš živi njegovo delo!

Sklenjeno je bilo, da federacija v bodoče obhaja letno svoja dva praznična s prireditvami. Ta sta Prvi maj in Labor day. Že pred več kot dvajset leti je ta federacija z impostavnimi manifestacijami po ulicah praznovala Prvi maj. Od takrat letno praznuje dan izkorisčanja. Zadnja leta se je praznovanje omejilo v dvorane. Tako bo poleg Prvega maja federacija tudi letno priznala na Labor day svoj izlet. Sklenjeno je bilo, da v slučaju pogreba, lahko pogrebni pripelje zastavo na dom unričega, če ima umrlega v oskrbi naš pogrebni zavod (People's Undertaking Co.). V nasprotnem slučaju morajo svojci ali društvo sami iti po zastavo k zastavoskrbniku. Ta sklep je bil storjen zato, ker vemo, da bo naš pogrebni paši na zastavo, da se ne pokvari, ne moremo pa tega pričakovati od privavnih pogrebnikov. In naša vseka dolžnost je, da podpiramo lastno podjetje, ki je last delavcev.

Dalej je bil zaključek, da se da \$15 v agitacijski fond socialistične stranke. S tem je naša federacija moralno in gmočno podprla stranko delavcev. Slabe finančne razmere so pač krive, da je bil prispevek nizak. Sklikati je bilo tudi proces ostre kritike poz takovani "Ljudski glas" v Prosveti, v katerem je, po našem mnenju, preveč svobode, ki ni združna za SNPJ. Ni lista, ki bi pričel do besedno dopis kritične vaspine. Če bi, bi postala kmania celo anarhija v listu. Vendar upamo, da je naša članstvo toliko inteligentno in razsodno, da se bo počasi zavedalo njih zmernosti v dopisih in znalo emiti tiskovno svobodo, ter bo prenehalo s polemičnimi dopisi. V drugem slučaju bo članstvo primorano omejiti prevaleko svobodo potom inicijativ. Razpravljalo se je mnogo o kampanji pri dobivanju novih članov, in tudi o nameravani ustanovitvi novega angleškega poslujučega društva v Cherokee County. Sklenjeno je bilo, da se krije morebitne stroške, ki bodo nastali z novim društvom, do manjše svote iz federacijske blagajne. Prosi se članstvo v dotednem okraju, da gre agitatorjem na roke.

Seja izreka zahvalo in priznanje društva "Sunflower" št. 609 za njih aktivnost pri naših prireditvah!

Joe Pili, predsednik.

John Suler, zapisnik.

Marsikaterji se bo vpravš:
kaj je pa bilo treba še enega
ora v Chicagu? Tudi jaz sem
takih misli, ali vendar ga je
treba, ker naobrazbe in mi-
ra slovenskega petja ni nikoli
eveč. Na primer: imamo tu-

v resnicu dobr, ampak ima-
pa tudi krasnih slovenskih
smi, katere so le za moške
ore in četverospove in takšne

Ljubitelji lepega petja, ne po-

Vesti z zapada.

San Francisco, Calif. — Dru-
bož življenje v zapadni slo-
venski metropoli postaja dan za
dan bolj živahn. Sezona ve-
le je že tu od začetka septem-
bra. Veselice so postale pri vas

trebna stvar. Nobena orga-
njacija noči biti od zadaj. V

setku sept. je imel Slovenski

V nedeljo, dne 13. oktobra bo

Koncert v Collinwoodu.

Collinwood, Ohi. — Svetozar
Banovec, operni tenorist, in al-
tistka Ropasova, nastopata v
Collinwoodu dne 27. oktobra v
nedeljo popoldne v SDD na Wa-
terloo Rd. Pevski zbor "Miro-
slav Vilhar" (S. D. zadr. zv.) je
povabilo umetnika v naselbino.
Peve sta se odzvala.

Pozdravljena — umetnika v
naseljih. Klicemo vama:
Dobrodolis! Sicer smo preprosti
tovarniki delavci in obrtniki, in
iz preprostosti sprejma naše
pozdравje, pozdrave delavcev slo-
venske naselbine v Collinwoodu.
Pridita med nas in vzemita na-
kratečno smo. Nismo visoko na-
obraženi, pač pa delavci, ki si mo-
ramo z vsakdanjem delom služiti
krush, a vseeno skušamo ceniti u-
metnosti, radi siščimo lepo done-
čo slovensko pescivo. Pridita
med nas in nas povedati z milio-
vajnih glasov preko oceana, tja
odkoder smo se poslovili pred le-
ti, v domovino, rodno grudo Ju-
goslavijo, in med zaužnjene bra-
te in sestre, v slovensko Primorje,
med one domače, katerim je
tujec gospodar, katerim valpot
ne pusti peti niti govoriti mate-
rine govorice. Zapojite pesem, ki
se bo raznesla v tujini po širem

Redki dopisi.

Jellong, Idaho. — Tukaj sem
nad leto dni in čitam v Pró-
ti dopisi iz raznih krajev, pa
am časnu še nisem videl dopisa
tu. Menda je vzkrov zapis-
tu in nezmožnost dopisovanja.
Spadam seveda tudi jaz
sem se že privadi, vč
sem kot dobremu, pa bom
tudi s perosom, da vaj
škupaj spravim in sporo-

svetu. Vzel si nam vse, a enega
nam ne morejo vzeti, in to je na-
ših arc, naše pesni, katere ne
more izbičati njih bič.

Rojaki, rojakinje, rezervirajte
si nedeljo popoldne dne 27. ok-
tobra. Pohitite na koncert naših
umetnikov pevcev. Naj bo avdi-
torij SDD v Collinwoodu pre-
majhen, naj bo to demonstracija
proti onim, ki hočejo uničiti slo-
venski jezik v Korotanu in Pri-
morju, naj manifestiramo, da
samo narod med narodi, ki ima
tudi svoje genije, da je tudi naš
jezik lep, srebrno čist v popev-
ki, v pesmi.

Tukaj imamo tri podporna
društva, ki vsa dobro napredujejo.
Eno je SNPJ, drugo HEZ in
tretje je arbako. Društvo št. 657
SNPJ priredi dne 19. oktobra
veselico, na katero vabi vsa o-
koljska društva. — Ob tej prilici
apeliram na vse okoljske rojake.
Ponosni so nanje. Ali ho-
čemo mi naše umetnike pognat-
i žive med tuje, priliti v čas živ-
ljenja žolča, odreči jim košček
kruha? Ne, tega ne smemo, ne
moremo storiti. Sprejmajo jih
med se kot brate in dajmo jima
duška, da nam zapojet pesem iz
radiočnega srca. Večji spomenik
je oni, da pomoramo v življenju
umetniku živeti, kakor pa mra-
mornasti kamen na grobu, na ka-
terem se bliščijo črke: "Tu poči-
va umetnik — sin Slovenije." Ali
bi se žarelco iz napisal: "Niste
mi pomagali živeti z vami in za
vas — mrtvez sem, vse slave in
časti me ne obudijo več!

Rojaki iz Collinwooda in ok-
lice, 27. oktobra naj bo naš dan,
dan slovenske pesmi.—V. C.

Zahvala.

West Allis, Wis. — Bilo je o-
krog osame ure zvečer dne 14. sep-
tembra t. l., ko me je skupina
članic "Vener" nenadoma ra-
dočno presenetila in me počastila
s "surprise party." Obložile so
mi miso bogato z izbranimi je-
dilnimi dobrinami ter mi poleg
tega še poklonile prekrasno darilo.
Bila sem tako vzhiciena in glij-
njen, da mi je v tistem trenutku
odgovoredila možnost pravega
govora, da bi mogla cenjeni pri-
reditelju ustremno izraziti mo-
jego željo, na članstvu pa je že
dali se ga odobi ali zavrije,
neceli in kaj da ne bi
smeli storiti.

S to stvarju pa je tako: Ako
na eni seji članstvo odobi kak-
šen sklep, ki se morda izkaže
pozneje nekoristen ali neprikla-
den večni članstvo, imajo ti
člani pravice priti na prihod-
njo sejo in dotični sklep ovredi.

šnje seje, na članstvu pa je že
dali se ga odobi ali zavrije,
neceli in kaj da ne bi
smeli storiti!

Vse se naj razčisti

Zadnja konvencija je bila članom naše jednot "svobodno besedo", to je neovirano svoboščino stvarne kritike v glasilu z ozirom na notranje zadeve v jednoti. Dotična resolucija se glasi, da se take kritike priobčujejo pod napisom "Ljudski glas", urednik "Prosvete" pa priobči le one dopsne kritične vsebine, v katerih se "stvarno in dostojno kritizirajo posamezni člani, društvena uprava, gl. odbor ali njegovi zaključki, posamezni odseki gl. odbora ali posamezni odbori ali pa jednotino gospodarstvo."

Iz gornjega stavka resolucije glede svobode tiska je jasno, da je konvencija omejila svobodo na "stvarno in dostojno kritiziranje"; poleg tega so še druge omejitve, ki se stalno omenjajo na vrhu dotične kolone.

Uredništvo se ni do danes prejelo dopisa, ki bi izrazil tožbe ali kršitve kakih zakonov ali načinov izjave. V tem oziru so bili člani doslej previdni; kako bo v bodoče ne vemo. Uredništvo pa je prejelo mnogo dopisov, katerih piaci se ne zmenijo za meje stavnega in dostojnega kritiziranja in za omejitev takih dopisov na 500 besed kakor določa resolucija. Urednik sam smatra, da je bila zadnja omejitev — 500 besed — neumestna, je pa v večjavi, dokler ni drugega veljavnega sklepa in uredništvo ne more pomagati.

Na mestu pa je stvarno in dostojno kritiziranje in uredništvo se bo strogo držalo sklepa konvencije ter bo črtao iz dopisov vsako pravno osebnost, golo obrekovanje in blaženje in vsako nedostojno besedo. To ni cenzura kakšega svobodnega izražanja mišljenske ali ideje, temveč po konvenciji in vsakem zdravem "horsem sensu" narekovana pila za istrebljanje neolike ali neotesanosti, katere bi smejo biti najmanj med delaveci in v delavskih listih, če hočemo, da bo naša delavska kultura boljša od burjujske ali kapitalistične kulture.

V današnjem "Ljudskem glasu" je dopis br. Bruce iz Chicaga, ki kritizira urednika, ker mu je črta iz prejšnjih dopisov nekatere ne-stvarnosti in banalne osebnosti. Zaradi tega imenuje urednika "diktatorja". Br. Bruce se očvidno še ni informiral kaj pomeni beseda diktator ali diktatura. Diktator je oni, ki sam narekuje ali sklep postave za druge. Urednik glasila S. N. P. J. samo izvaja pravila in resolucije, ki jih je sprejela konvencija, ne sklepa pa nicaesar. Dejstvo, da je bil njegov dopis, kolikor je stavnega objavljen, je dokaz, da je br. Bruce v krivem. Naj se br. Bruce informira, če diktatorji, ki so diktatorji, dajejo komu priliko, da lahko zabavljajo čez nje.

V današnji številki Prosvete je tudi br. Kobal objavil članek s pojasnilom na neke očitke. On je mnenja, da uredništvo bi ne smelo objaviti dotični očitki in priporoča uredništvu, "naj, ako hoče svojemu listu dobro, varuje ugled lista s tem, da ne dopusti niti v svoje liberalne kolone hujskajočih dopisov."

Shades of Solomon! Na eni strani je urednik "diktator", ker ne pusti osebnih nešansonosti v list, na drugi strani bi pa moral počiniti konvenčni sklep in bi ne smel dati besede članom, ki kritizirajo ureditev konvenčnega zapisnika. "Ljudski glas" je na razpolago vsem članom, ki hočejo kaj stvarno kritizirati. Br. Kobal lahko hitro ustavi vse očitke z dobrim pojasnilom in stvar bo rešena za vse prizadete. Pravilno je, da se zadeva pojasni in razčisti v glasilu jednotne. Vsak član, ki opazi, da je kaj v neretu, naj kritizira v glasilu, ne v drugih listih. Zato imamo glasilo. Vse jednotine zadeve naj se rešetajo v Prosveti. Le kritike v glasilu naj bi se upoštevale med člani.

Edino na ta način, če bodo člani reševali in rešetali vse jednotine in društvene zadeve v jednotinem glasilu — in rešetali ter reševali stvarno brez vsakih zadiranj v osebe — bodo kolone "Ljudskega glasa" res nekaj vredne in koristne za jednoto. V nasprotnem slučaju bo pa resolucija o svobodni besedi zgredila svoj namen in tem slučaju bi bilo boljše, da ni bila nikdar sprejeta.

Neki "reverend" pravi, da je "strah pred peklom" najboljše zdravilo proti samomoru. Res je, da imajo mnogi ljudje rajši pekel v življenju kot pa prostovoljni smrt, ker se boje nekega drugega pekla, toda to sredstvo ni najboljše. Najboljše zdravilo v včetini slučajev je odprava pekla brezposelnosti in nizkih plač.

LJUDSKI GLAS

Slobodna beseda članov S. N. P. J.

(Na temelju rezolucije o svobodi besede v S. N. P. J., sprejeti na devet redih konventih v Chicago, ima vsek član S. N. P. J. pravico, da stvara in držuje kritične posamezne člane, društveno upravo, ali eden ali nekaj militsko, posamezno ciljno gl. odboru, posamezno odgovorno za jednotno gospodarstvo. Končno pa ima članovi vseh redov S. N. P. J. eden objekt in more biti posrednik v posvetu in pravici imeti vseh članov, kar bi kršilo vse pravice, ki so vredne društvene skrivnosti. Končno pa ima članovi vseh redov S. N. P. J. v sestavi je vsek član, ki ga je vredno na vseh sredinah vnositi v tej koloni.)

Volitev delegata.

Pueblo, Colo. — Nič kaj rad ne piše tega, toda sili me v to br. Martin Kovač, član društva št. 381, ki je v Prosveti z dne 11. sept. pod naslovom "Ljudski glas" zapisal stvari, ki so naravnost neresnične. Martin Kovač dvomil — in dvom, ta neresničnost ga sili, da piše — in zapisi: "Vse se je naredilo za kučilami."

Meseca marca t. l. sem bil vprašan od pred. gl. porotnega odbora br. John Goršek, aka sem pri volji zastopati gl. porotni odbor pri zaslišanju društva št. 66 v Trinidadu. Goršek mi je pisal, da bi rad videl, da grem tja v interesu jednotne, da se znamajo stroški. Sel sem. Sedaj vsem, da sem bil vprašan na inicijativo Martin Kovača. Prej sem pisal tajniku društva št. 66 kedaj da imajo sajo (zaslišanje je bilo na redni seji), dopoldan ali popoldan. Je dopoldne. Iu tako sem moral ob treh zjutraj na postajo, da sem dobil vlak. Na postaji v Trinidadu sta me čakala predsednik in tajnik. Jednoti sem posiljal račun le za vožnje stroške in poštino, okrog sedem dollarjev, s pripombo, še sem opravil doma kake dnevnice, naj jo plačajo, ako ne pa ne. Plačal so. Skupaj \$14.20.

Martin Kovač je točil društvo št. 66, češ, da ni hotel društva št. 381 v zdrženje ko se voli delegata. Martin Kovač je bil tedaj član društva št. 201 v Ludwihu. Ker ni gl. porotni odbor razveljavil volitev delegata društva št. 66 in 201, misli, da je kriti podpisani, ki je zastopal gl. porotni odbor. Martin Kovač je zapisal: "Resnica je bila, da društvo št. 66 ni pustilo društvo št. 381, da bi se z nam zdržalo v svrbo izvolitve delegata, ker to je bilo proti njejševemu načrtu." Kakor v tisti obtočnici. Kdo ve, so imeli ljudje tak načrt ali ne. Važ to se je pri zaslišanju skušalo doznamati na dotični seji. Dalje piše Martin: "To je bilo tudi dokazano." Kar je bilo dokazano, je tudi zapisano in zapisnik ima pred. gl. porotnega odbora John Goršek. Kovač je tudi zapisal: "Konstatira se pa, da ta obtočni material ni dosegel gl. porotnega odbora; izgleda, kot da se je vse še pred sejo naredilo za kulisami." Torej Martin Kovač konstatira, da nisem posredoval resnice gl. porotnemu odboru. Ali ve Martin Kovač, kaj se pravi v naši klasični slovenščini konstatirati? Martin Kovač trdi, — on pozitivno ve — da nisem poročal resnice. Kdor tako trdi, mora vendar vedeti, da je res tako.

Tukaj na zapadu — med pionirji zapada — je bilo geslo: "Look straight and tell straight." Ce bi se slovenski naseljenici tega dosegli in moško držali, tedaj bi bilo med nami delaveci ved smotrenega dela in manj mržnje ter zavisti; in tudi principi bi bili bolj vpoštovani kakor so pa zdaj.

Kar je bilo članov pri št. 66 na dotični seji, se gotovo spominjajo, kaj se je vprašalo in kaj so odgovarjali. Zato na tem mestu prosim in zahtevam, da br. John Goršek, pred. porotnega odbora, objavi zapisnik v Prosveti tak kakovosten mu je bil poslan. Predsednik porotnega odbora naj tudi pove, da li je bil s tem poslan. Predsednik porotnega odbora naj tudi pove, da li je bila kaka druga korespondenca. Ali bi res potreben, da se vse fotografira predno se odpodijo na višje tribunale?

Zaslišanje mi je že precej v spominu, toda zapisnika nimam. Lahko pa rečem vsemu članstvu SNPJ, da je bila obtočnica Martina Kovača napram društvu št. 66 nicaesar. To je moral, vendar bi moral vedeti točitev sam. Martin Kovač je slab parlamentarec. Vedeti bi moral, da med nam, društvi, v družbi, državah, vse povsod je sama formalnost. Formalnost obesi nedoliknega človeka, ali pa izpusti res velikega kriminalca. Pri društvu št. 66 proti temu? Nihče se ni oglašil.

Nek "reverend" pravi, da je "strah pred peklom" najboljše zdravilo proti samomoru. Res je, da imajo mnogi ljudje rajši pekel v življenju kot pa prostovoljni smrt, ker se boje nekega drugega pekla, toda to sredstvo ni najboljše. Najboljše zdravilo v včetini slučajev je odprava pekla brezposelnosti in nizkih plač.

in to je izrabil za društven sklep, s podpisi, kateri je s pretezo dobil že pred sejo.

Kot vsem znano, morajo dopisati, priobčeni v sredini Prosveti, biti v ureduštvu v pondeljek dopoldan. Redna društvena seja se je vrnila v nedeljo 15. septembra, takoj prihodnjo sredo je po bila "naša" izjava v Prosveti. Kako je br. Skerbinsek z določenim "odborom" uredil vse potrebno v enem dnevu, ali lahko vredno v jednoti in politiki in politiki.

To javno pojasnilo na javno oblaženje članskih društev in posameznih članov se mi zdi na mestu. Zakaj naj bi bilo celo društvo blamirano radi kapric enega člana?

John Turk, član društva št. 86. P. S. — Najmo izjavo, kot je spisana tukaj, potrjujeva s svojimi podpisimi.

John Držik in Anton Wanshek.

Br. Lokar o podkupnini.

Cleveland, O. — Vem, da je javnosti težko čakati, predno izvedi, kdo je Mr. X. and Co. Toda, bratje in sestre, predno objavim njegovo ime in priimek, vas posredujem, da imate potrjenje, ker sem pri tej stvari pripravljen jaz in je valed tega moja dolžnost, da vam najprej podam o zadevi kompletne detajle, nakar si konči z imenom.

Naj bo predvsem jasno, da je oble podkupnina ponujena zaupnju, in ta podkupnina se je tiskala Mr. X.-a ter mene. Po mojem mnenju bi bilo najboljše za Mr. X.-a, da pride na dan s tem, ki tiči pod njegovim imenom podkupnino. Končno bodo njegovi fakti razglašeni vseeno.

Zavedam se, da bom zgubil par prijateljev tu in tam. Ker sta članstvo in javnost čakali toliko časa, sem prepričan, da bodo pripravljeni čakati in slišati celo storito najprej. Prihodnji teden sledi več ladi o zadevi.

Johnnie Lokar ml., član št. 614.

Br. John Lokar ml.

La Salle, Ill. — Za precej časa zasledujem njegove opanke v javnosti glede podkupovanja na 2. konvenciji SNPJ. Ne vem, kaj se je delalo za "kulisanji," ker uddiševal se nišem nobenih drugih sej kot sej konvencije, ki so edino merodajne za članstvo SNPJ.

Le nikakoga obotavljanja. Njajprej na pove, kar ve, a ne posabi na dokaze. Članstvo je upravljeno, da zve vse, kaj se je gojilo na konvenciji, pa če so bile seje konvencije ali pa skriveni večerni sestanki. Članstvo je platio račun in članstvo mora vedeti fakte.

S tem se pridružujem zahtevo brata Skerbineka s trikom izrazili imena društvenih uradnikov. Teden pozneje vidišem odgovor br. Aleša, ki je v veliki meri namenjen poslušanju društva, s tem ko pravi Br. Aleš: "Po mojem mnenju je v resnici to društvo vredno pomilovanja —". Bratu Alešu ni zameriti zato, ker je stvar — "uradna," s podpisom društvenih uradnikov.

Ker je br. Skerbinsek s trikom izrazili imena društvenih uradnikov za javnost, sem se odločil, da resnicu na ljubo, tudi jaz poslam, ker mi je prece za ugled društva, katerega član sem nad 18 let.

ZAKLJUČKI GL. POROT-
NEGA ODBORA.

Zadava društva št. 362, Med bratom Louis Mahkovetz, oba člena društva št. 362 v Carlinville, Ill., je nastala sporna zadeva. Br. Mahkovetz se pritožuje, da ga je ses Podobnik obrekoval s tem, ko ga je obdožila, da je njenega soproga Matt Podobnika sam dal zdravniško preiskati in da ga je zraven že za \$10, ogoljufal. Br. Mahkovetz se je poslužil pravil in je obtožil ses. Podobnik pri društvu radi skdiljive obrekovanja.

Dne 18. avgusta t. l. se je vrila pri društvu porotna obravnavna, na kateri je bila ses. Podobnik pozvana, da predloži dokaze za svoje trditve. Društvena porota je ses. Podobnik spoznala nekrivo ter jo oprostila vsake kazni.

Br. Mahkovetz se ni zadovoljil s takim izrekom društvene porote ter je vložil priziv na drugo instanco. In tako je bila zadeva predložena gl. porotnemu odboru, kateri jo je vzel na znanje ter preiskal. Glavni porotni odbor je našel, da so bili pred društveno poroto predloženi dokazi, da ni resnica, kar je ses. Podobnik obdožila br. Mahkovetz. Ses. Podobnik ni niti v najmanjšem smislu dokazala, da je resnica, kar je predloživala br. Mahkovetu.

Na podlagi predloženih podatkov in dokazov gl. porotni odbor smatra, da je ses. Podobnik kriva kršitve 8. točke XXI. člena pravil, ter je zaključil s štirimi glasovi proti enemu, da ses. Podobnik kaznuje z enomesecno suspendicijo, katera nastopi dne 1. in se konča dne 30. novembra 1929, prvi in zadnji dan ukljuka.

Društvo se pa tudi priporoča, naj bo v bodoče bolj pravično pri razsodbah in naj ne gre mimo dokazov, ako so predloženi porotni razpravi.

John Goršek, predsednik; Anton Šular, John Terčelj, Frank Podboj, Frances Zakovšek, potrošniki.

Konvencija A. D. F. Toronto, Ont. — Prihodnji pondeljek dne 7. oktobra prične zborovati konvencija Ameriške delavske federacije. Zborovanje bo trajalo en teden.

New York. — Mestni Board of Estimate je končno dovolil potrebno vsoto denarja za povisitev plač mestnih delavcev. Letno povisanje znaša štiri milijone dolarjev, ki ga bo deželno 28.000 delavcev. Povisanje bo deželno deset tisoč pometavcev, ostali pa so delavci, ki delajo v uradih.

"Prostovoljno" povišali mezd. Marion, N. C. — Tekstilni tovarnaji v Marionu in v Clinchfieldu so "prostovoljno" povišali plače za 5 procentov. To so storili z bojazni, da delavce odvijejo od ponovne stavke, za katere obstaja močan sentiment od prve ure, ko so se pred par tedni vrnili skoraj poraženi na delo. S stavko so prisilili znižanje delovnika od pet do deset ur na teden; in ker so podjetniki sedaj "prostovoljno" zvišali plače, se je poraz spremenil v delno zmago.

Neorganizirani stavkarji zmagali.

Carteret, N. J. — 2300 neorganiziranih kovinarških delavcev, ki so zastavkali pred par tedni, se je vrnilo na delo s povisitvijo zmaga. U. S. Metal kompanija (nemško podjetje) je pričela, da ukine nagradni (bonus) sistem plačevanja in da bo platični dan vsak teden. Ni pa pričela v petcentno povišanje plač na uro. Glavni vzrok stavke je bil bonus ali nagrada.

Profesor je misil, da bo ta način prevaril cesarja in mu odrekel pokoričino, kadar bi bila "dežela v nevarnosti." To pa ne gre tako lahko, ker ustava zahteva, da je clovek pripravljen tudi moriti, ako zahteva "potreba" in kapitalistični interes.

Mestni delavci dobe povisanje.

New York. — Mestni Board of Estimate je končno dovolil potrebno vsoto denarja za povisanje plač mestnih delavcev. Letno povisanje znaša štiri milijone dolarjev, ki ga bo deželno 28.000 delavcev. Povisanje bo deželno deset tisoč pometavcev, ostali pa so delavci, ki delajo v uradih.

Evangelisti zahtevajo starostno pokojnino.

Buffalo, N. Y. — Ako bo konvencija Ameriške delavske federacije, ki se prične prihodnjem tednu, toliko napredna kot so newyorske evangelistične organizacije, bo storjen velik korak k socialnemu napredku.

Evangelisti so na svoji konvenciji sprejeli zahtevo da državno starostno pokojnino, za splošno razorezo in za prepoved vojne; zahtevajo odpoklic splošnih zakonov in so se izrekli proti Capper-Johnsonovi predlogi za splošno konstrukcijo, ki jo pred kongresom sponsorira Ameriška legija.

Profesorji in duhovni zahtevajo da državno starostno pokojnino, za splošno razorezo in za prepoved vojne.

Berkeley, Cal. — Governor Young se končno mogoče le uveri, da prihaja zahtevo za osvojitve Mooneyja in Billingsa iz vrat vseh slojev. Ena zadnjih peticij za pardoniranje teh dveh žrtv kalifornijske justice je prišla z univerze California, ki so jo podpisali profesorji in študenti.

WEDNESDAY, OCTOBER 2.

Outstanding Event

THE first International Fraternal Juvenile Convention at Fulton, Illinois, July 9, 10 and 11, 1929, under the auspices of the National Fraternal Congress of America was an outstanding and spectacular event in the history of the fraternal benefit system, and may well be termed one of the most successful achievements of the year in the fraternal world. Undertaken as an experiment to feature the importance of the juveniles of the societies of the Congress, it demonstrated in an uncertain way the value of organization of the YOUTH of fraternalism, and all fraternal leaders present were unanimous in the opinion that out of this convention must grow a constructive movement for permanent juvenile organization, perhaps as an adjunct of the National Fraternal Congress of America, or as a section of the Congress itself.

Thirteen societies had juvenile representation to the number of eighty-five delegates, and some two hundred children additional were present as official convention visitors. These societies and eleven others were also represented by adult observers and national officers, so that twenty-four societies are reported to have taken active part in the convention. On the second day there were stated to have been as many as one thousand convention guests at the session including delegates, chaperons, junior directors, national officers of societies and local fraternals, all of whom took part in the pageant and parade before the moving picture camera, the film of which will constitute the official record of this first international joint convention in the history of fraternalism.

To the chairman of the Juvenile Convention Committee and general chairman of arrangements, Arthur A. Bentley, is due in large measure the success of this event. It was his initiative and vision which brought the project to fruition, and his presiding which made every session pleasurable and interesting to the assembled delegates and young visitors. A dinner to national officers and other adult fraternal guests was held on this evening followed by a brief conference on the question, "Shall we meet again?" Action was taken for the appointment of a committee of seven to draft a plan of permanent organization of juvenile members of our societies to present for the consideration of the N. F. C. of A. convention.

The final day was given over to the election by the convention of national honorary officers, and installation of these officers by the presiding officer of the convention.

LABOR AGAINST MOB RULE

The continued lawlessness in North Carolina calls loudly for interference from outside forces; there is every indication that the machinery of government has broken down and is no longer able to function as a law enforcing factor.

Goaded to desperation, the textile workers at Gastonia struck and organized under the banner of the National Textile Workers' union, a Communist dominated organization. An aggressive campaign was being carried on and the strikers were being sustained by contributions made by the public.

As usual, the forces of government were largely dominated by the employers and repeated efforts were made to break up the organized force of the strikers; frequent attacks by mobs culminated in the killing of the chief of police. This was the signal for wholesale arrests and the indictment of a large number of persons, some of whom are avowed Communists but most of the accused are simple natives.

The trial resulted in a miscarriage on account of one of the intelligent (?) jurors going insane. Another trial will be undertaken but the mill owners, evidently fearing acquittal of the accused, are now alleged to have inspired mobs to kidnap strike leaders and others and beat them up. In one case a woman striker was killed.

Here is a fine example of law and order which ought to be held up to the condemnation of a civilized and so-called Christian world. It is beside the point to say the accused and outraged are Communists; it would be no different if they were conservative A. F. of L. members, as witness what happened at Elizabethton, Tenn.

We insist that Pres. Green and the other A. F. of L. officials move in this matter and voice the protest of an outraged working class. If we are going to have law, let it be upheld, and if it is going to have the rule of the jungle we should know and prepare for a tooth and fang struggle.—"Advocate."

WHAT THE PUBLIC GETS

Frequently we hear the argument advanced that there is no need for public ownership because the public utilities today are already largely owned by the public through stock investments. The informed know, of course, that only the non-voting stocks and securities are sold to the public and that actual control of these companies is vested with the czars who sit at the apex of the pyramid of super-holding companies.

The following editorial from Labor, official publication of the railroad brotherhoods, shows how the game is worked:

"The St. Louis Post-Dispatch has printed a diagram which helps one to understand how utility magnates get rich. It shows the actual investment in the local street car company's property and how the profits are distributed.

"The bondholders furnish \$24,722,000, or 49 per cent. of the total investment, and received last year \$1,029,650, or 29 per cent. of the profits.

"The holders of common stock furnished \$4,304,000, or less than 9 per cent. of the total investment, and received last year \$1,15,968, or 33 per cent. of the net earnings.

"The bondholders got 4.2 per cent. on their money.

"The holders of the common stock got 26 per cent. on their money.

"But these stockholders, who of course have absolute control of the corporation, are not content with a bigger 26 per cent. return on their cash. They are trying to get a 10-cent cash fare.

"No bondholder, no holder of preferred stock, no man who loaned money to the company on short-term notes, would get a penny out of this increased income.

"The common stockholders would get it all, and the estimate is that it would give them 52 per cent. per year on their investment."

"How do utility magnates get rich? By 'blackjacking' the utility-using public, with some aid from public service commissions and the enthusiastic support and assistance of the courts."—"Capital Times."

A Call to Action

Bro. Kobi Eager to Organize Young Jugoslav Minnesotans

Duluth, Minn.—At the last conference of the Minnesota federation of the SNPJ lodges, an action was taken to arouse the sentiment among the English-speaking members of the SNPJ in the state of Minnesota for sport activities under the banner of SNPJ. The last regular convention has adopted a resolution to help finance the sport activities among its English-speaking members. The eastern brothers and sisters have grasped the opportunity and are actively engaged in various sports. Why not here in Minnesota?

Wake up, you young members, and get busy. Organize your sport clubs within your lodges. Where there is no English-speaking lodge, organize one. The Minnesota federation is willing to help you in organizing new lodges and sport clubs within the lodges, and the SNPJ as a whole will help you financially, so that it is very easy to form such activities. All you need is a little action and pep and you have it.

Your fathers organized the SNPJ. It was a hard task to perform. Now that the organization is powerful in membership and financially, you have something to continue the work. Bring all Jugoslavs born in United States and Canada under the banner of the SNPJ. The principles of our organization are such that it is an honor to be a member of the SNPJ.

If you, young members, desire a sport club within your lodge, write to the federation secretary, Brother Frank Klun, Box 958, Chisholm, Minn. He will give you necessary information on the subject. If you desire to organize your own lodge, write to him also, and if you desire to have some one help to organize, ask us and we will gladly come and give you a start. For if you want to have something you have to make a start. Once started it will never stop and you will have your own lodge where you will conduct the meetings the way you choose. You will have your own sport clubs within your own lodges conducted by Jugoslavs. You will be able to play games lodge against lodges.

I would like to see the English-speaking members of this State to express their opinion on the subject in these columns of Prosveta, so that we will know what the sentiment is. Remember that without some effort you cannot organize, but if you are willing and have a little pep, you shall organize every Jugoslav born in this country into the SNPJ.

Let us hear from you. Now is the time to begin. You have everything in your favor. Will you act?

Fraternally,

J. Kobi, Pres., Minn. Federation.

LODGE NO. 586

West Allis, Wis.—Yes, indeed, West Allis has started a new English-speaking lodge. Our first meeting was held Sept. 26. First of all we want to thank Bros. V. Pugel, A. Yerzin, R. Pevec, L. Milner, and V. Kodre for coming to our aid and helping us at our first meeting. We also thank Bros. A. Martinsek and J. Pink from the Badgers who were here and to our surprise furnished us with music which added to the pleasure of our first meeting.

We are starting a new Lodge here in West Allis because it is more convenient for many of us members to attend the meetings. As West Allis is growing every day we think it is better to have a lodge of our own. West Allis members, here is your chance to join or transfer to a lodge of the SNPJ nearest to you. Our next meeting will be held at Bolskar Place, 469-51st Ave., Oct. 14, at 7:30. We want everyone who intends to join us here at our next meeting to help us pick out the name for our new Lodge.

The officers elected were: President, Vincent Podlogar, 435-66th Ave.; Vice President, John Podlogar, 435-66th Ave.; Secretary, Anna Yerzin, 435-58th Ave.; Treasurer, Stephanja Kodre, 472-58th Ave.; Recording Secretary, Anna Milner, 443-58th Ave.

Well, Badgers, we will meet you on the big night Oct. 5 at your cabaret dance. Anna Yerzin, Secretary.

Lodge News Notes

"A FORTUNE TOLD"

Chicago, Ill.—One dark, threatening night a young man roamed alone in a forest trying to forget his sorrows and his loves, when he came suddenly upon a Gypsy camp where a group of Gypsies were seated around a large fire. Near the fire a tri-pot boiled, over which an old Gypsy woman mumbled, over and over, uncanny, mysterious words. The young man drew nearer and heard her say, "A fortune I will tell, who cares to be the one?" No one stirred; they seemed to be afraid. She muttered something over again, and repeated the same words. Still no one dared to make a sound. The young man, of being superstitious or afraid, said aloud daringly, "Tell mine." They all seemed to start, then whispered nervously to each other, until a deep silence prevailed, making the atmosphere more dense and heavy than before. As if from a trance, the old woman beckoned eagerly for him to draw nearer with her trembling, gnarled hands. "Come, my son, cross my hand with silver." He does what he is bid. Then she tells him to concentrate deeply, and begins to relate the following: "My boy, you have had many misfortunes cross your path all because of your numerous and unhappy love affairs. Beware! But, I see a bright light; it means that a very beautiful girl will again come into your life. She has—golden hair bright as the sun itself, eyes of the deepest blue, that reminds one of heaven, and—the vision has dimmed yet she beckons and whispers. October Fifth, do not fail." She is gone. My young man, through her I see only happiness for you, very soon.

"One thing I warn you, you must be present at the Pioneers' Fourth Annual Dance on that Fifth day of October. The dance will be held at the SNPJ Hall on 27th and Lawndale Avenue, where you will meet this lovely girl of your dreams. With her you will have the happiest time, dancing and making merry to the melodies of one of the best orchestras you've ever heard. The decorations and atmosphere of the hall will add that spice of romance and enchantment. I especially advise you to be present, and not only you, but everyone else that possibly can attend, for there awaits your fortune and good luck."

The scene disappears before his eyes unbelievably, and he finds himself standing alone. He is bewildered and mutters to himself, "Well, I'll be, if that isn't queer, but you may bet on my life that I will attend the Pioneer Gypsy Dance October Fifth. Aye, Aye.

FIRST ANNIVERSARY

Syracuse, Pa.—Soon we, The Jolly Juniors, will be celebrating our first anniversary—by making whoopee. During our first year's existence we have had quite a few happenings, to tell the truth, more than we expected. Josephine Maroley has had an operation, Steve Krak and Julius Lesjak have been on the sick list, and a baby girl was born to Mrs. Leona Wyrant. Ann Miklavic was the first Jolly Junior to be married. She married Frank Walters in April and on Sept. 25 her sister Josephine was married to Steve Kovach. We expect to have the husbands of these girls as our members before long. We have had quite a few dances, too, during our first year. One thing we haven't had in the Jolly Juniors is a death.

We are trying to get warmed up for our actual celebration, so we're having a few doings. First of all we had a wiener roast and soccer game on Sunday, Sept. 22, and defeated the Pioneers of Washington county 7-0. Second—We had a big old time dance and free cake-walk on Saturday, Sept. 28.

BADGER DOINGS

Milwaukee, Wis.—The boys are still hot. Hitting for the total of 2760 pins, the boys topped three games from the S. S. Dairy gang. Carl ("Lucky") Evanich led theacking with 630 on games of 217-208-205. Frankie ("Speed") Ohlack followed with 570. Louis ("Brownie") Glavan with 557. Albert ("Buster") Marn, a newcomer amongst us, with 510, and Joe ("Hack") Pogorelic with 502.

Well, Badgers, we will meet you on the big night Oct. 5 at your cabaret dance. Anna Yerzin, Secretary.

A VOICE FROM WAUKEGAN.

Waukegan, Ill.—Nothing much has been said about Little Fort plans for the coming winter. At the last meeting, at which there were about a hand full of members present we decided to hold a Holloween dance, which will be held on Oct. 19, at Slovene National Hall.

A Committee of nine members having full charge of this dance, will show the visitors just what can be done when a committee works together. One of the neatest orchestra's is to furnish music for this occasion. The halls will be decorated in such manner that this dance will bring back the old Holloween which has not been here for a whole year. Visitors from the neighboring towns are invited to this galls affair. Those who will miss this BIG dance we assure that they will be sorry for not coming to this doing (because we have something good in store for everyone). Eats and drinks will be served from all corners of the building, so there will be nobody dying from starvation.

On Saturday evening, February 4, the Little Fort Lodge is celebrating there fourth anniversary with a two act comedy play in which all of the characters will be members of the Little Fort Lodge. More will be mentioned about the fourth anniversary in next week's issue.

Just what has happened to the members of the Little Fort Lodge, we don't know. Some of them haven't come to a meeting all year. There are about a dozen members who are doing all the work for the Lodge, and not it's time for the rest to do something. Our next meeting will be held Thursday, Oct. 17. Meeting opened promptly at 8:30 a. m. All members are requested to be present.

Dance Committee.

HEART OF AMERICA

Kansas City, Mo.—It may seem rather strange to hear from this city regarding an English-speaking lodge. Yet, it is strange that there isn't any at the present time. The first attempt failed to bring the young Slovanes together and organise one, which really there should have been one long time ago. Since I have been here in the city, this rumor was heard, "What's the use to try and organize? They tried before and didn't succeed. Why shouldn't we try again?" Why shouldn't it succeed this time? There is no reason whatsoever. Just keep in mind that saying, "If at first you don't succeed, try again!" So now we are trying again, and this time I can say, we'll have a new lodge in Kansas City. Now what we need is a little cooperation of the Slovanes here, to make up and organize a new English-speaking lodge. This can be done by getting the young Slovanes and impress the wish upon them that 'We want a new lodge here.' With the help of the senior lodge here this can be accomplished.

I want all the young Slovanes here in Kansas City to be at our first meeting which you'll receive notice of very soon. Keep yourself close to announcements from now on.

Let's show ourselves to other lodges that we can progress also with same spirit of the SNPJ.

Fraternally, once a "Sunflower," Stanley Baloh.

S-I-D-E-L-I-N-E-S

Chicago.—The Integrity Lodge No. 681 has a meeting every month. This month the meeting falls on October 10. This time the meeting will be held at 1617 North Clybourne avenue, but we will have the Integrity Red Peppers pepping up a lot of hot music. Come out and encourage our musicians, so that they won't give up hopes right away. Remember they are your own fraternal brothers. Boost them. They will soon be an asset to the Integrity lodge.

Get Your Man. Now is the time to get your man. Soon it will be too late to introduce your boy or girl friend as an Integrity member on this big drive in which Integrity is aiming for a record. This being the Anniversary year, we want to reach a distant mark. We are rapidly increasing. Let's make Integrity a leader. More members, the better time we will have.

All in line.

For the rest of twenty nine For a bigger and better Integrity Lodge.

The big dance comes off on November Second at the SNPJ auditorium. The music will be furnished by Abeling's Famous Syncopators. Tell your friends. Let's make this one of the outstanding events of the year. Remember it's given to entertain you.

The Time—November 2.

The Place—SNPJ Auditorium.

Comrade News

Boris, Pioneer Comrade, back on the Page.

Cleveland.—Absent from these columns for many months, I really do not know where to begin. There are so many events to describe, stories to retell and comments to make that it would take many an issue to tell you all. What discourages me most is my night and correspondence school English, I would not like to have it criticized by a grammar school pupil.

First I would like to appeal to the editor of our paper to discontinue articles that deal with exposures, groundless accusations, and egotism. Some of the articles are so full of the last that it makes me feel as a small worm under a big man's heel. What can people do for an organization in two and some fraction of years, how dependent does the success of a lodge become on one man, how much do some people sacrifice for a lodge. I dread to think what will become of the man if he continues to work so hard for the lodge, and what will become of the lodge if one man stops looking after the lodge's business. The senior members of the Cleveland lodges who were skeptical about the success of the Comrades, often remarked that as soon as the "Green horn" bunch gets tired of looking after the Comrades, the members will disband. Very glad to say that the "Green horn bunch" is still active in the Comrades lodge, but all the hard work, the bulk of worries and business are taken care by members who have joined the lodge the first year or later. We do not seem to have any trouble finding men, who carry on the work begun by the few, and these members, young men and women are responsible for the great success of the Comrades.

The loss of men as Ethbin Primisch and Josko Zavertnik is felt when their assistance is badly needed. We begin to realize what they really did for Jugoslavs in this country when we try to replace them. We did not know of their work, and did not appreciate them, because they were not reminding us constantly of their achievements. We took them for granted, and because

The history of civilization, enlightenment, and progress is the history of friendship, co-operation and service. Man has advanced, living conditions have improved, and the world has become a better place in which to live, as and at the rate that men have gotten together, learned to know each other, became friends, co-operators and servers."

Claude D. Ritter.

The laborer has advanced his economic position in this capitalistic world, as and at the rate that the workers have gotten together, learned to know each other, became friends, teachers and students, co-operators and servers. The workers by banding together in labor unions, become friends and are able to cope with organized capital, and force the capitalists to grant them better working conditions and higher wages. The laborers by banding together in fraternal societies also learn the value of friendship and directly increase their real income because they buy insurance against the risks of sickness and death at cost or at the minimum price. The sons of toil by banding together into building and loan associations increase the sphere of their friendship and increase their real income because they can borrow money from their association at cost while they receive the full profits on their investments.

"Let us learn what is true, in order that we may do what is right!" should be the philosophy that should govern the conduct of every man. If every worker would learn what is true, about labor unions, fraternal societies, building and loan associations, worker's political philosophy, worker's educational societies, he no longer would be a slave of the corporations, insurance companies, banks owned by private capitalists, or of big business. He would no longer be a slave but a freeman owning, controlling all the tools, facilities, and institutions of production, distribution and exchange, and managing them in a democratic manner, thus enjoying all the fruits of his labor. This then would be an ideal world, composed only of friends, co-operators and servers, inspired to duty by the interests or humanity and not by greed and selfishness.

The combined membership of building and loan associations in America has exceeded twelve million, while the combined assets have exceeded eight billion of dollars. Building and loan associations are

sound and stable financial institutions. Being co-operative institutions, they inspire and cultivate friendship among their members. Their primary purpose is to serve man and humanity, chiefly the sons of toil, the producers of all wealth, by instilling in them a habit for systematic weekly savings with the sole object in view of improving their living conditions by helping them to own their own homes and by creating for them a class of securities which are absolutely safe and which earn dividends at more than six percent for the investments of their surplus earnings.

The Jugoslav Building and Loan Association which meets every Friday in the SNPJ Auditorium in Chicago has two kinds of serial stocks—one which shares sell for twenty-five cents weekly and mature in three hundred and thirty weeks and the other which sells for twelve and a half cents weekly and matures twelve years and four months. When either of these shares matures, the society pays the holder one hundred dollars, while the members has paid into the society, during that period only eighty-two and a half dollars. The Jugoslav Building and Loan association has another type of stock known as "paid-up" certificates. On these certificates which sell at one hundred dollars a share, the Society pays the holder five per cent interest from the date of his deposit to the date of his withdrawal. The books for subscription to the 44th series of stock of the Jugoslav Building and Loan Association shall be opened to the American-Slovene public on Friday, October 4th 8 P. M. at the SNPJ Hall, 27th and Lawndale Ave, Chicago.

The Publicity Director of the Sun-glass Lodge says, "That the Sun-glass Lodge has always preached and practised co-operation among the members within the lodge, as well as with other subordinate SNPJ lodges. The Sun-glass Lodge has always wished its neighbors success and prosperity as is borne out by our letters of greetings mailed to our neighborly lodges on their anniversary celebrations as well as by the attendance of our members at doings sponsored by our neighborly lodges. As the fall season with its fall entertainment is here again, we again remind and urge all Sunglasses as well as all the readers of the 'Topics of the Week' to attend them, especially, the Pioneers specialty 'The Gypsyland' staged Saturday, Oct. 5, at the SNPJ Auditorium."

Richard J. Zavertnik.

Off the President's Bat

Cleveland, Ohio.—Expansion. The key note of success. Everywhere you go, into the business world or into the social world, the continual cry is, "We want more and more." Sometimes a financial gain and sometimes social prestige is desired, each of us individuals having some goal that we are trying to attain thru what we call ambition, and if this was lacking, our earth would be in a sad plight. And so it is with fraternal organizations; continued success means continued expansion; means continued increase in membership; means continual competition with hundreds of other organizations and the organizations who will come on top is the one with wide awake leaders, persons who are capable of grasping the opportunities presented. Some try to produce an increase by offering prizes; or conducting campaigns to create a feeling of interest among the members at whole.

Would not a valuable cup offered by the SNPJ one for the English lodges and another for the older lodges, maybe one for both groups, be given to the lodge with the greatest increase in membership at the end of either a six month or year period; said cup travelling around to the different lodges, winning it remaining in the final possession of the lodge who won it three times? This probably would tend to stimulate some interest and be one of the means whereby gainful advertising could be obtained. Just a suggestion for our Secretary.

Our college hero is back wih his nose to the grindstone for another year at Ada, Ohio. We wish him all the luck.

Education. In Cleveland, how the condition prevails in other cities I can't say, the people seem to have a common interest and are rather proud in a way of the Slovens boys and girls who are gaining a higher education. When they hear about John and Mary leaving for this or that college, they wish them the best of luck and success.

Years ago the Slovens were sadly missing in the Colleges or Universities in the country, but today you are beginning to find them everywhere. This in itself indicates a healthy and rather prosperous con-

dition and in the end will result in beneficial gain for our race.

Parents who in years back, following the age old customs, plucked Willie from school when he reached the age of sixteen and had finished the necessary grades, and sent him out in the cruel world to earn a wage, are now turning about face and in many instances it is Willie who wants to leave and the parents who insist on his staying, and they usually win out, sometimes resorting to the rod for desired results.

Those having the opportunity of going to college, should take advantage of it because they'll never regret it.

Vera Kuehlan, Manager or should we say Manageress, of the Comrade Girls' Basketball team and the girls made a ten strike when they chose Ernie Zupancic as their coach. Ernie is one of our newer members, popular and well liked by everyone.

Slated to go with the Cleveland Indians, major league baseball team, he suffered some ailment which prevented his going, but chaps of his type see to it that they get another chance, and we hope so. It won't be long before the girls get going and then watch the fur fly.

Big heartedness. That's a character that is prevalent in the "Comrade" lodge. When little Eddie Bradac was asked to secure a glass of water for the Chairman, he returned with a pitcher full.

Watch out, Don, you may rile some of our members and then you'll get more bargained for in the race for leading honors as far as membership is concerned among the English speaking lodges. A whirlwind finish towards the fading end of this campaign may bring results beyond expectation.

We are glad to hear that Anne Jerab, President of the Akron "Zippers" has recovered from her recent illness.

Again there is a great deal of rejoicing in the Strugger family, Jo Mandel, the Secretary is on her fast again after a slight relapse. The Struggers need you Jo, so you better watch your health.

Pioneers Surprise Calumet Sentinels

This week we have to start out with a sad story. The Pioneers lost Sister Mary Zele. She was laid to rest Thursday afternoon, September 26, at the Bohemian National Cemetery. Our Pioneers participated in the rites simple by request, and so closed the career of one of our fondest Pioneer Chaperons. Bro. Frank Zaitz spoke in Slovene and Donald J. Lotrach concluded in English at the grave.

Mrs. Zele held a wide acquaintance. She had many friends, who will now miss her just as much as will the Pioneers. For, she was a woman willing and ambitious; one that accomplished much with her good judgment. Able, she assisted the Pioneers and was always ready to defend them, against undue critics. She was but 40 years old and could have stayed with us a whole lot longer only for her illness. With her husband and family they have just acquired a nice little home where they might live more comfortably and with less strain. But she had to depart before she could realize her fancies.

Two thousand Pioneer Bulletins were printed and mailed announcing the Fourth Annual Dance. Ten thousand pluggers were also distributed. The committee plans to decorate the hall and have everything in a "spick and span" condition for Saturday evening, October 5. And, oh boy, everybody liked the music at the picnic. Is there any reason why they shouldn't be liked now? Everyone is cordially invited.

We have been told that John Mauser is coming with 30 other Stalwarts. With them will come according to word, a "raft" of Waukegan's Little Forts. We know there will be a number of South Chicago's Calumet Sentinels, Integrity and Sunglasses. We urge the old folks in particular to attend the dance.

All Pioneers with cars be sure to get into the dance parade Thursday evening, October 5. We need a lot of members to take part too. Everybody meets at the SNPJ Hall at 7:30 p. m. We want a big parade.

The Chicago SNPJ Bowling League decided to remain at the Ace Arcade alleys at 3816 W. 26th street. The alleys have been resurfaced to comply with the A. B. C. rules, so we look forward to a lot of good scores this winter. Everyone interested in bowling should attend the next meeting, where teams will be formed and other important decisions made. Things look very promising for this year's league.

We are reliably informed that 676 Juveniles transferred into the adult class during the first six months of 1929. Secure new members for the juvenile department. It counts for the future growth of our adult class.

For the first half of this year the Pioneers sank third (a tie at that) in the initiation of new members into our Society. There are only three lodges that have a greater number of new members. At the rate we are going for the past two months we have a chance to reach second place for the ensuing half of the year.

Let's go ahead. Pioneers should wear Silver Jubilee rings, the prize for a new member. Propose your prospects at the next meeting.

So. Chicago.—While our meeting (Lodge 610) was yet in progress we were greatly surprised to behold a large number of Pioneers flock in. The remainder of the meeting was spent in rather earnest business. We were greatly honored to have Bro. Donald Lotrach, president of Pioneers, give us a talk of council which was followed by Oscar Godina, the vice-president. His father also spoke a few words. Many others offered to say their bit in behalf of the ever-increasing membership drive of the Pioneers and the reason connected with this accomplishment.

We noticed that the Pioneers demand keen competition with us as one of the high-stepping rivals. We hope we won't disappoint you. Alice Arach certainly is an athletic girl and expects us to organize various teams so as to compete with other lodges. It will be quite a difficult task to beat the Pioneer girls' baseball team with such an enthusiastic captain. We were pleased to be introduced to another Pioneer, Jean Zadel, as well as two other pretty girls. Several of the Calumet Sentinels got courage and spoke a few words to show their appreciation to the Pioneers for their presence and for the advice as well as suggestions they made to better our lodge and how to secure new members which is an extremely important factor. They told us how hard they are working to make their dance a success, which it no doubt will be so far as enthusiasm and willingness to achieve this purpose is concerned. Each and every Calumet Sentinel should be on hand to give his share in the project.

Most important of all: We must remind all of the lodges of Chicago and vicinity of our dance which will be "bigger and better" than ever staged. It is to be held at Croatian Hall, 90th and Commercial ave., which will be the scene of the "World's Rocking Chair Contest" with the record already crashed. Well, we shall also break the record by having a record-breaking attendance. How does that sound? We want to inform all hot toddies that we are considering the best orchestras in town. Please remember November 9 as "a never-to-be-forgotten night." More details shall appear in the weekly Prosveta as soon as further arrangements are made.

We imagine Agnes Ladore is sighing and moaning, "Oh, woe is me." She missed the meeting but most important of all, three dollars which were drawn, her name happening to be the lucky one. Consequently \$4 are waiting for some lucky Calumet Sentinel to collect at the next meeting. Be sure to be on hand (rabbit's foot included).

We wish to express our sympathy to Mrs. L. Kuhel for the loss of her little brother. We certainly missed her at the meeting. She always pep us up and chases the blues away.

Well, Pioneers, thank you again for coming over. We hope to see you all again soon. Sentinels, each of you, be sure to bring a new member for the next meeting. The more the merrier!—Toodle doo!

A Mysterious Miss.

LEST WE FORGET

Harrington Park, N. J.—Recently there appeared the following news item in the Eastern newspapers under this heading:

"British Author Can't Master U. S. Tongue, Richard Hughes Starts Tongue, Admitting Our Language Is Too Much for Him."

Richard Hughes, young British author, came to America thirteen months ago hoping to "learn the American language."

He left for home on the liner De Grasse today declaring it would "take thirteen years, even twenty."

"I have heard Americans speak entire sentences not a word of which could be understood by an Englishman," he laughed. "There are thousands of perfectly sound words like that in the American language."

"America," he said, "is producing a literature which the entire world is noticing."

Hughes wrote "Innocent Bagge," Book of the Month Club choice in England, while living here on a Connecticut farm. He discovered "there are more antiques in New England than in all Old England."

Although Englishmen recognize that there is an American language which is very difficult for them to learn, there are still members in SNPJ who insist that there is no such language. These members could not have been in the U. S. during Roosevelt's period, for if they had been, they would have known that there exists an American language.

Lodge News Notes

GIRARD NEWS

Girard, Ohio.—The Cleveland SNPJ affair of Sept. 1 being now but a pleasant memory I, in behalf of the Golden Eagles members who attended, want to thank the members of the English-speaking lodges for the hospitality extended to us both upon our arrival and during the course of the memorable day. Indeed the members of the various committees are to be congratulated for the capable manner in which they performed their duties considering the big task confronting them. It being my first attendance at such an affair I fully realize the wonderful advantages to be gained by attending both from educational and social standpoint.

The Golden Eagles were very well represented filling the capacity of a large bus. Next year in looking forward to our pilgrimage to such an affair we hope to increase our membership in the lodge so that we will be able to fit several busses.

Hear Ye, Hear Ye!

Announcing our annual Halloween Masquerade Dance to be held Sat. eve, Oct. 19, at the Slovenian Auditorium. Elaborate preparations are being made by the committee of which Bill Cekuta has been appointed chairman. A feature of this dance will be the initial appearance of the Golden Eagles orchestra composed of a number of its members. They will dispense with both the popular type of music and also the ever popular polkas.

Invitations have been sent to the neighboring Lodges, namely, the "Zippers" of Akron, "Liberties" of Sharon, Pa., and also the respective English-speaking Lodges of Cleve-

land.

More news will be read later in these columns of the activities of the Golden Eagles.

PIONEERS' GYPSYLAND DANCE

Chicago.—On Oct. 5 at the SNPJ Hall is the time and place of the Pioneers' Gypsyland Dance. The hall will be decorated into Gypsyland. The music will be furnished by the "Nine Original Harmony Kings" in the upper hall, and in the lower hall we shall have a "go-away, come-back-to-me" for the older folk.

We think so much of our coming affair that we are issuing a special edition of our Pioneer Bulletin to every member in Chicago. We shall have a parade this week, and ten thousand pluggers will be tossed away. The committee of twenty-five has been working more than two months to make this dance a success.

Many from Kenosha and Waukegan have promised to come. When they come, they shall be submerged in the typical crowd of the Pioneers. Our aim at this dance is to have the best dance ever held by Pioneers. If you are young or old and wish to have a good time, come to the Pioneers' "Gypsyland" Dance.

Oscar Godina.

STALWARTS' BUNCO PARTY

Kenosha, Wis.—We Stalwarts wish to announce a coming event, which is a Bunco Party to take place on Thursday, Oct. 17, at Hobel's hall at 8 p. m.

Those of you who have already attended bunco really know what good entertainment is, and for the others who have not played before should begin to play it at our next doing which is very soon.

There will be all kinds of prizes given away and also some very good refreshments served, so don't forget to come and bring your friends with you. We welcome everyone who reads this article and who hears about it. The admission is the small sum of half a dollar. Not so much to have a good time. C-U-there.

Joe M. Repost.

If there was something to be done, she would do it. If new friends were to be made, she would make them.
