Moskovski radio naznanja, da so se pričela z Nemčijo trgovska pogajanja

Izboljšanje nemških odnošajev s Sovjetsko Rusijo bo silno okrepilo pozicijo Nemčije z ozirom na njene zahteve po Gdanskju.

MOSKVA, 21. julija. — Moskova radijska postaja je danes naznanila, da so med Nemčijo in Sovjetsko Rusijo v teku trgovska pogajanja. Sovjetski trgovski delegat v Berlinu razpravlja o tozadevni pogodbi z atašejem nemške trgovine. Ob tej priliki si javnost kliče v spomin, da je bil v letošnjem januarju na potu v Moskvo neki nemški delegat, ki je imel pričeti trgovinske razgovore s sovjetsko vlado, pa je bil nenadoma poklican nazaj v Berlin. Nemška vlada je odredila, s katero je odpoklicala svojega posredovalca, označila kot "politično potrebo."

Molotov izpremenil položaj S prihodom Molotova na čelo sovjetske vlade, pa so nastale nove konjunktore, in da se nekaj kuha med berlinsko in nemško vlado, je bilo razvidno že iz govora nekoga sovjetskega oblastnika dne 31. maja, ko je izjavil, da se bodo trgovinska pogajanja med Rusijo in Nemčijo najbrže zopet pričela.

Izboljšanje stikov s Sovjetsko Rusijo je znatno okrepilo pozicijo Nemčije z ozirom na njene zahteve po Gdanskju, katerega bo — po mnenju nekaterih opazovalcev — Nemčija mirnim potom dobila.

1.200 BELGIJSKIH RUDARJEV REŠENIH

LIEGE, Belgija, 20. julija. — Danes je bilo rešenih v Limburg-Meuse premogovniku 1.200 belgijskih premogarjev, katerim je grozila smrt zaradi zadušnja. Ogenj je namreč uničil neko električno žico, zaradi česar je bil prekinjen obrat ventilatorjev, ki dovajajo v rov sveži zrak, kakor tudi obrat električnih dvigal. Kmalu po polnoči so uradniki rudnika naznanili, da je bila električna naprava popravljena ter da so vse premogarje spravili srečno na površino.

POZRTVOVALNOST FRANCOZOV

PARIZ. — Ministrski predsednik Daladier je prejel danes za narodno obrambo nov anonimni dar v znesku enega milijona frankov. Doslej so ti anonimni darovi že tako zelo narasli, da je bilo z njimi mogoče nabaviti 9 letal.

Stavkovna linija

Močna osebnost na stavkovni straži je Plesničarjev Angelo. On je delavec v Fisher Body, njegova žena Josephine pa vodi konfekcijsko trgovino na vogalu 140. ceste in Darwin Ave. Je navdušen stavkar in se mu tudi poda, posebno kadar nosi tablo z napisom. On tudi postreže stavkarjem s cigaretami. Kadar se pripelje k vhođu kakšen "big shot," pravi: "Ta-le naj gre noter, ta si ne bo rok umazal." Če pa pride kakšen večji uradnik iz "payroll departmenta," pa pravi: "O. K. le pojdi notri in pridri ven s čeki."

Ko pa začne siliti v tovarno kakšen stavkokaz, pa obrne naj pozornost in ga prične svariti: "What's the matter with (Dalje na 2. str.)"

HATCH POSTAVA PRED PREDSEDNIKOM

Hatch zakon, ki je bil sprejet v senatu, je šel zdaj predsedniku v podpis ali pa odklonitev.

WASHINGTON, 21. julija. — Danes je bila poslana predsedniku Rooseveltu tako zvana Hatch postava, ki jo more predsednik podpisati ali pa vetirati. Ta postava prepoveduje zveznim uslužbenecem vsako udeleževanje v politiki in v političnih kampanjah.

Predloga oziroma postava, ki zabranjuje osebam, ki so v javnih uradih, da bi hodili na razne konvencije kot delegatje ter da bi nastopali kot voditelji raznih političnih kampanj, je bila sprejeta v senatu v dvajsetih minutah. Senat je sprejel predlogo takšno, kakršna je pasirala zbornico poslancev, nakar jo je poslal predsedniku v podpis ali pa odklonitev.

Na pričevanje je bil poklican Melvin P. Hatcher iz Kansas Cityja, ki je šest mesecev preiskoval finančne zadeve elektrarske za 16 odstotkov.

Lep napredek bratske organizacije SSPZ

Kakor poroča Mr. William Rus, glavni tajnik SSPZ, v "Napredku," zvezinem glasilu, je imela organizacija letos lep porast v zavarovalnini in članstvu, in sicer kljub temu, da ni imela letos nobenega kontesta za pridobivanje novih članov.

V članski oddelek je bilo sprejetih 208 novih članov s skupno zavarovalnino \$103,134.00, v mladinski oddelek pa 115 novih članov s končno zavarovalnino \$82,518.00. Letošnji pristopi nadkriljujejo

Opravljanje Johna Lewisa in CIO organizacije

Pogodbe, ki jih sklene CIO organizacija, niso nič drugega ko navadne krpe papirja, pravi tajnik delavske delegacije.

V četrtek večer se je vršil v Hollenden hotelu banket delegatov konvencije Retail Clerks' International Protective Association, organizacije, ki spada k Ameriški delavski federaciji. Med ostalimi govorniki je govoril na banketu tudi C. C. Coulter, tajnik in blagajnik omenjene asociacije, ki si je posebno privoščil Johna L. Lewisa in CIO organizacijo. Med drugimi je dejal:

"CIO organizacija je nezanemljiva v svojih pogajanjih glede sklepanja kontraktov, in nima nobenega čuta odgovornosti. Ako pa Ameriška delavska federacija sklene in podpiše kak kontrakt, tudi obstane pri njegovih določilih. Pogodba, ki jo podpiše CIO, ni nič boljša ko krpa papirja, ki leži na cesti.

"Nekdaj je bil John L. Lewis dober republikanec. Ko je videl, da ne more 'ronati' te stranke, je postal dober demokrat. Nekdaj je bil Lewis dober član A. F. of L., pa je videl, da ne more zagospodariti v nji, je ustanovil CIO."

Pozdravi

Iz Washingtona, D. C., pozdravljata vse svoje znance in prijatelje Mr. in Mrs. Charles A. Terček. Iz Lincoln, Nebraska, pa pozdravlja Mr. Michael Lah ml., ki se je podal s kolegom preko prostranih Zedinjenih držav. Vrnil se bo gotovo bogat na izkušnjah in dogodivščinah, ki bodo vsekakor zanimive, če jih bo opisal.

ALI SE PRIČENJA V EVROPI NOVA DOBA TRAJNEGA MIRU?

Nemčija bo dobila baje ogromno posojilo, v zameno pa se bo morala razorožiti.

SPORAZUM JE BAJE ŽE DOSEŽEN IN BO TE DNI ODOBREN

LONDON, 22. julija. — Iz Londona prihajajo poročila, da bosta Anglija in Francija dali Nemčiji ogromno posojilo, ki bo Nemčiji omogočilo, presedati s svoje vojne ekonomije na mirno ekonomijo. Rečeno je, da bodo tudi Zedinjene države vprašane, naj se pridružijo Angliji in Franciji v tem predlogu. To posojilo bo baje znašalo, po različnih verzijah, od 500 milijonov do 5 milijard dolarjev. Značilno pri tem je, da baš zdaj nemški vladni krogi govorijo na nobenega dvoma, da Nemčija ne bi dobila mesta Gdanska, in sicer mirnim potom. Splošno mnenje vlada, da bo pričela Anglija izvajati tozadeven pritisk na Poljsko in nekateri se boje zopetnega Monakova.

Sporazum baje že dosežen PHILADELPHIJA, 21. julija. — Časopis "Inquirer" poroča danes v svojem posebnem poročilu iz Washingtona, da je bil že dosežen med Veliko Britanijo, Francijo, Nemčijo, Italijo in Poljsko sporazum za 25-letni mir v Evropi.

Časopis pravi: "Sporazum, ki bo ratificiran ali odobren tekom prihodnjih dveh tednov, je rešil vse glavne evropske probleme." Ta sporazum vsebuje baje sledečih devet glavnih točk:

GDANSK bo vrnjen Nemčiji, toda bo tehnično klasificiran kot svobodno pristanišče, ki ostane odprto poljski trgovini. STATUS poljskega koridorja bo modificiran, tako da bo imela Nemčija prosti prehod do Vzhodne Prusije. Poljska pa prosti prehod do svojega pristanišča Gdynije.

ITALIJA bo dobila reprezentanco v upravi Sueškega prekop. Dalje bo dobila pravico so- uprave pri železnici, ki veže Addis Ababo s francoskim mestom in pristaniščem Džibutijem.

V SEVERNI Afriki, nasproti Gibraltarja bo stvorjena nevtalna zona, da se zagotovi tam angleško suverenost.

SEDANJA MEJA med Francijo in Italijo bo za stalno zadržana.

VSE DRUGE obstoječe evropske meje bodo zajamčene za 25 let.

PETERO SIL, vključenih v tej pogodbi, bo omejilo za dobo pet in dvajsetih let svoje armade na 300,000 mož.

Največji piknik sezone

Radi gotovega vzroka se ne bo vršil piknik groceristov in mesarjev na Pintarjevi farmi, ampak na Goriškovi farmi na St. Clair Ave. takoj zraven.

To bo seveda letni piknik slovenskih groceristov in mesarjev iz Collinwooda. Vrši se v nedeljo 23. julija na Goriškovi farmi. Vse predpriprave so v teku, da se napravi ta piknik enak prejšnjim.

Najvi trgovci ne gledajo, da bi napravili dobiček od tega piknika. Ne! Oni hočejo, da napravijo enkrat na leto pojedino za svoje odjemalce ter da se seznanimo med seboj. (Dalje na 2. str.)

KAJ SE JE DOGAJALO V TEJ JETNIŠNICI?

CHESTER, Ill., 20. julija. — Kroner Lester je danes naznanil, da bo dal najbrže odkopati trupla dvanajstih jetnikov, ki so umrli v Southern Illinois jetnišnici, da dožene vzrok njihove smrti.

Kroner je dejal, da že več tednov proučuje izjave nekaterih bivših paznikov v jetnišnici kakor tudi sorodnikov umrlih re, da ni nobenega dvoma, da Nemčija ne bi dobila mesta Gdanska, in sicer mirnim potom. Splošno mnenje vlada, da bo pričela Anglija izvajati tozadeven pritisk na Poljsko in nekateri se boje zopetnega Monakova.

"Odkar sem prišel v ta urad," je rekel kroner, "kar se je zgodilo v decembru, je bilo v jetnišnici 40 do 50 smrtnih slučajev, nekateri med njimi nenadni. Ker pa nisem bil pozvan, nisem podvel nobenega mrliškega oglada.

NA POTU NA RAZSTAVO OKRADENA

NEW YORK. — John Dutko in njegova žena, mlada novoporočena, sta odšla na ženitovanjsko potovanje ter sta nameravala obiskati svetovno razstavo v New Yorku. Ko sta v ponedeljek prenočila v nekem "rooming house" v Newarku, ju je med spanjem nekdo ukradel. Mladima zakoncema je bilo vzeto \$119 v gotovini ter zapetna ura Mrs. Dutko, ki je bila vredna \$40. Zakonca sta brzojavila domov po denar, in medtem, ko sta na policijski postaji čakala pošiljke denarja, je vodstvo razstave izvedelo za njihju smolo ter ju povabilo, naj prideta na razstavo, kjer bosta gosta razstavnega vodstva.

Edvarda Beneša, bo prispel jutri v Cleveland, kjer bo govoril na "Dnevu legije," v Čeh Sokol dvorani na 4314 Clark Ave. Vojta Beneš je nedavno pobegnul v zapečatenem vagonu iz Češke na Poljsko, odkoder je potem prišel v Ameriko. Vojta Beneš je dospel v New York istega dne, ko je njegov brat dr. Edvard Beneš odpoval v Evropo.

Iz bolnišnice

Iz bolnišnice, kjer je srečno prestala operacijo, se je vrnila Mrs. Jennie Srebot, 15726 Holmes Ave. Prijatelji jo lahko obiščejo, mi ji pa želimo, da se ji skoro povrne ljubo zdravje.

Seja

V ponedeljek se vrši seja Workers Alliance, Ward 32, ob osmih zvečer v Slovenskem domu na Holmes Ave.

Popravek

V včerajšnjem poročilu glede piknika društva "Cvetiči Noble" št. 450 SNPJ se nam je vrnila neljuba tiskovna napaka. Piknik se bo vršil jutri, v nedeljo, dne 23. julija, in ne 3. julija, kakor je bilo včeraj pomotoma poročano. Piknik bo na Babbitt Rd., nasproti Pibernikove grocerije.

ROŽNI VENEC

ROMAN

Prevod iz angleščine

"Ker bi se strašno bal, da bi vidve ne mogli trpeti druga druga. Vidite, v nekem pogledu ste mi bili resnično več kot kdorkoli na svetu, in ona — ona je moj svet," je odgovoril Garth preprosto. "In bal bi se, da bi vas ona ne utegnila dovolj ceniti in bi je vi morda ne mogli prav razumeti. Veste, ona ima neki svoj način občevanja z ljudmi, posebno z mladimi dekleti, ki jih spravlja v zadrego."

"Mene ne spravi nihče v zadrego," je odvrnila sestra Rožarija. "Ali vas smem prositi, da mi doka, gospod Dalmain?"

Garth ji je ponudil krožnik. "Hvala," je rekla. "Zdaj je bil prav."

"To ste povedali natanko tako, kakor bi bila rekla Jana: 'Zdaj je bilo prav'. Ali ni čudno, da mi bo jutri njen glas zvedel vašemu samo slično, ko sem es ta čas menil, da sta si oba popolnoma enaka?"

"Ko bo ona pri vas, ne boste mislili na nikogar drugega več." "Zelo se motite," je odvrnil Garth. "Vas bom strašno pogrešil, vas, ljuba sestra. Nihče — ni ona — mi vas ne more odnesti. In veste," neka nica mu je spreletala obraz, "koro se bojim. Po moji nevoli me še ni videla — bojim se, da se bo ustrašila, ko me zaleda takšnega. Ali mislite, da ji bom zdel zelo spremljen?"

Jana se je ozrla v slepi obraz, se je prašen obračal proti njemu. Nežote se je spomnila na enutek, ko je menil Garth, da v sobi pri njem samo doktor ob, in se je dvignil v postelji, mu je mogla prvokrat povedati v obraz. Spomnila se je, ko se je takrat obrnila proti nmu, da bi zdravnik ne opazil njenih solz. In ko je zdaj — mislih nanjo — spregovoril o njenem obrazu, ga je spet pogledala. Obšlo jo je čudno hrepenje.

"Ali sem hudo skažen?"

"Ne morem scditi za druge. Je pa mislim, da bi moral vaš razrazveseliti vsakogar pravšen, kakršen je."

Garth je zardel vidno pomirjen, vendar rahlo presenečen. Iz ssestre Rožarije je zvedel, da nekaj, česar si ni mogel razložiti.

"Ah," je rekel potem, "hrcim po Jani — samo Bog ve, to iz srca — bojim se pa vendar. V splošnem bo pač vszkrasno, da si kar misliti nečem. Toda, kar zadeva vkanjenem življenju tiste mazelosti, ki so zame slepeca venotako važne, vas bom strašno

pogrešal, moja dobra, mala vodnica. Sprva se mi je zdelo zelo prav, da odidete, preden se vrne ona, a zdaj vas nikakor ne moram pustiti stran, prav zaradi nje. Jano imeti, bo zame blaženstvo, tisto pa le ne bo, kar mi pomeni, imeti vas."

Tako je prejela sestra Rožarija plačilo za svoje streežniško ljubezen, in premoglo jo je tako, da jo je domala čisto zmedlo. S težavo se je pomirila.

"Nič se ne vznemirjajte," je rekla. "Ljubezen zmore vse. — Toda zdaj mi dovolite, da se za nekaj časa odstranim. Pospraviti moram in se preobleči. Danes je najin zadnji večer, ko sva skupaj v takšnih okoliščinah."

"Prav," je odgovoril on. "Kakor želite. Prej bi vas prosil pa še enega: Sezite mi v roko, sestra Rožarija. Rad bi se vam zahvalil."

Jana je stegnila svoje drhteče roke, da bi segla po slepečevih, vendar jih je takoj spet u-maknila, njena ura še ni prišla. Pred Garthom je stala samo sestra Rožarija Gray.

"Ne sedaj, gospod Dalmain. Ko se vrnem, bova pred večerjo muzicirala in potem se poslovijo. Zdaj pa odidite malo na čisti zrak in se sprehodite. Zbogom za urico samc, gospod Dalmain."

Največji razbojnik Brazilije mrtev

Oblastem v Braziliji se je po večletnih naporih posrečilo, da so v hudih bojih premagale največjega razbojnika Brazilije, po imenu Silvino Jacquesa, ki je zlasti širokopotezno "deloval" v pokrajini "Matto Grosso". Silvino Jacques, ki se je iz majhnega tolovaja razvil v poveljnika močne razbojniške tolpe, je v boju tudi sam padel.

Ko se je vest razširila, po državi, zlasti pa po zgoraj omenjenih pokrajini, je vse prebivalstvo lažje zadihalo, ker tej razbojniški druha ni bil kos.

Matto Grosso je najbolj redko naseljeni del Brazilije, na 5 km pride komaj po en prebivalec. Življenje v tej pokrajini je težko in skopo, le redko naseljeni iskateleji zlata in diamantov poživljajo goste, prerije in njihove kolibe so skoraj edine naselbine v prostrani džungli. Dežela je bila znana po svoji posebnosti, zlasti glede tuje lastnine, zato so jo tudi imenovali

"dežela brez tatov". To edino tu tudi omogoča življenje, ker danes revež je jutri že lahko bogataš in bi se vse podrla, ako bi drug drugemu trgali izpred ust zaklade, ki jih je mogoče dobiti samo z velikim trudom in velikimi žrtvami. S tatom je prebivalstvo samo kaj hitro obračunalo; še preden je oblast za tatovino izvedela, so mu pognali kroglo v hrbet in s tem je bila stvar opravljena. Ta neizprosnost je privedla do takega spoštovanja tuje lastnine, da so iskateleji zlata in diamantov mirno puščali svoje vrečice po gostilniških sobah majhnih zanikrnih pivnic, pa se jih nihče ni dotaknil. Kar je kdo našel v stepi, to je njegovo in njegovo ostane.

Pa se je pojavil omenjeni Silvino Jacques! Prebivalstvo se je zgrozilo nad njegovo hudobijo, ki je izprevergla vsa stara pravila in nazore o poštenju, ki so edini omogočali življenje v teh zapuščenih pokrajinah. Silvino Jacques je bil nekajdvobojnik in je dobro vedel, da se kot majhen in osamljen tatič ne bo mogel dolgo držati.

Zato je že po prvih tatinskih poiskih začel ustanavljati razbojniško tolpo. Zbral je okrog sebe četo tolovajev in postopal, čez ki so se natepli v Brazilijo iz vseh delov sveta, jih dobro oborožil in začel z njimi strahovati pokrajino 200 km daleč naokrog.

Vsi pošteeni in delavni ljudje so mu morali plačevati nekaj davek. Farmerji, ki so se mu upirali in niso dovolj hitro razumeli njegovih zahtev, so dobili prvo naslednjo noč obisk — prišla je oborožena tolpa, ki je vso živino, majhno in veliko, odgnala iz hlevov; ako je kdo prišel braniti svojo imovino, je obležal na dvorišču. Ta tolpa je umorila marsikaterega iskatelja zlata in diamantov in mu vzela njegovo dragoceno vrečico.

Tako se je v preriji razvila prava razbojniška oblast, ki je segala čimdelje bolj na široko in pred katero je bilo vse v strahu.

Comrades Prepared For Their Shindy Tomorrow

The Comrades have a big day planned for their excursion to the new SNPJ Recreation Grounds. According to the way the entertainment committee is working, it seems that there will not be a dull moment for anyone throughout the whole day of the outing.

Transportation to and from the grounds by Sedmak's van, a chicken dinner, a wiener roast and prizes for games of skill, will all be given for only \$1.25. Those who prefer to drive their own cars will participate in the arrangements for only 75c.

The truck will leave the National Home at 8:30 in the morning; it will pick up passengers at the National Home at Holmes at 8:50 and then make the final pick up at the Waterloo Road Home at 9:00. Adequate refreshments will also be on hand for the fun seekers.

Tony Kristoff will come along with his accordion and play dance pieces for this affair. The outing will take place rain or shine.

Twenty-two scouts, or almost fifty per cent of the membership of Troop 250, together with their leaders, will spend from 3 days to 2 weeks at the Boy Scout Reservation near Chagrin Falls, beginning this Sunday afternoon, July 23. The majority of this group will enjoy the first 14-day camp to be held by Troop 250 within its fourteen years of existence.

Wednesday, August 2 is set aside for Troop Committee members and Patrons of Camp Silver Fox. Patrons of the camp who have contributed towards camp equipment or camp fees to make it possible for a few boys to work out their camp fee are: Dr. James Mally, Mr. Joe Krizman, The Lake Shore Post of the American Legion and the Ladies Auxiliary of the Post, and two donors who prefer to remain anonymous.

The Boy Scout Reservation is located on Cannon and Solon Roads.

Win Fourth In Row

The St. Jerome's team of the CYO league, which is backed by Anne Dorrington, won its fourth straight victory of the season by smashing Holy Cross to the tune of 13 to 2. Shultz gave two hits and two runs in the three innings he worked, while Zalete struck out eight and allowed one hit in the last four. Left fielder, George Noel, homered with none on in the last frame.

To those who are not familiar with the team, here is the roster: Fred Rovic, Ed Zalete, Lou Marn, George and Nick Dietz, Pete Bostic, Mike Delivic, Elmer Gornik, Joe Shwarber, Bernice Shultz, Jack O'Hara, George Noel, Joe Whalen, Bob Burns, Bill O'Flarity and John O'Hara, the manager. Let's all get out and see the boys perform. — Club Reporter.

Barn Dance

The Emanon Club is winding up its series of Barn Dances to-night. Its two previous dances at the Glenridge Barn were very successful and well liked. To-night's affair will very likely top them all in the numbers that come out to enjoy this delightful way in getting acquainted at this well known rural dance spot.

The Emanon Club is grateful to all those who have been attending their dances; and it hopes to show them a fine wind-up time with Johnny Pecon's orchestra again playing the dance tunes.

News About Town

By Elsie M. Desmond

Your reporter attended the picnic and dance given by the Napredne Slovenke of the SNPJ. The event took place last Saturday at the Slovene Society Home. A crowd gathered for the picnic in the afternoon while in the evening, they all danced to Sunny Ray's orchestra. Coming out from St. Clair to the dance was Jean Primc who brought out her friend, Jennie Volk, a pretty blonde. Anne Winkler sure enough is a "Jitterbug" boy. Sally Hrvatin can also be called a swell dancer. Fred Basher also seen dancing at the hall for about the first time. Agnes Godec, popular girl in Euclid, also seen at the dance. Your reporter also had a good time, thanks to people on the committee and all who came to the affair.

Sunday, July 16, went to Gordon Park and watched SDZ and CFU teams play ball. The Croations won by a score of 21-10. The winning pitcher was Steve Borish, who was hurt slightly in the second inning.

Seen at Wildwood Park last Sunday were: Councilman Vohovec talking with a few men; a few couples who were bathing were seen at the dance Saturday night.

Going away to Chicago during the Fourth of July were the family, Frank Beniger. The sad part is that they had an automobile accident. Mrs. Beniger has her right arm up in a sling. No one else was hurt though the car was badly damaged.

Miss Jennie Volk is vacationing at the home of her aunt, Mrs. Frances Legat. Jennie will reside at her aunt's home until Labor Day, and then she will return home again to Detroit, Michigan.

Tomorrow, the Collinwood grocery and meat stores will be giving a picnic at Gorishk's farm.

Spotlights on the SSCU: — Believe it or not, our fine union and the fine members have come to an end with the campaign. New members enrolled were 1,711 in the Juvenile Division and 723 in the Senior Division. Altogether there are now 2,434 new members. In the Juvenile Division there was \$770,700.00 worth of new insurance written, the Adult Division brought in \$419,500. 56 juveniles have qualified for the juvenile convention, and 31 adults for the athletic convention.

In conclusion I wish to thank all of the people who helped me so that I could attend the convention and be a delegate. Most of the credit goes to my parents, Mr. and Mrs. Hrvatin. I also wish to thank the following families: Barack, Boldin, Cergol, Coates, Gerl, Giancio, Golob, Ivancic, Jadrich, Jaksetich, Kaller, Kovac, Kozar, Mecnik, Ogrin, Peclaj, Pero, Rogelj, Skocaj, Vessel, Vogrin, Winkler and Yerak.

SPARTANS SINK ZUMBERAKS UTOPIANS TRIP LOYALITES

The SSPZ Spartans moved another game ahead in the Inter-Lodge trophy race by beating the CFU Zumberaks 4 to 0 Tuesday at Kirtland. The Zumberaks turned in a nice performance and gave the Spartans a fairly close battle as Johnnie

Latkovic held the league-leaders to six hits. Bernie Schultz allowed the Croatians four hits, three singles and a double. The only scoring done in the game came in the second and third innings when Spartans pushed across their four runs. Hovevar's timely triple with two men on in the third accounted for two of the runs. Hovevar then scored on Korman's single. In the second Lud Batis singled, took second, and came home on Tomsic's safe hit. With only three more games to be played, the Spartans will end the season in first place and should cop the I-L title.

The SSPZ Utopians, the big up and down team of the league this year, went on an eight run rampage in their tilt with the SNPJ Loyalites to win 9 to 4. This was the Loyalites fourth consecutive defeat. The SNPJ men were first to score when Nagode crossed the plate in the second after Yankovich was safe on an error. In the third Utopians smacked out seven hits to take an 8 to 1 lead. Loyalites had one in the third and two in the sixth when Cetinsky doubled with two men on base. F. Bo-

jak had two singles and a triple and Karda had two triples for the winners.

The SNPJ Comrades shocked everybody by romping over the CFU Lodge 99 team 18 to 3 at Gordon park last night. Hank Ubie starred on the mound as he hurled a two hit game for the SNPJ crew. The Comrades started off by taking the lead in the first inning when Don Chesnik smashed a homer into left, and then followed with a six-run rally in the third after falling behind 2 to 1. Scoring once in each of the fourth and fifth innings the SNPJ boys really made a merry-go-round of it in the last by bringing in nine runs. Johnny Kernz had a perfect day with three singles and a double.

Instructor of King Peter II Visits And Speaks Here

Dr. Pavel Breznik who is a guest of Anthony J. Klancar is making a brief stay in Cleveland where he is seeing Slovenes, and gathering interesting facts about our Slovene life in America.

Last Wednesday, Professor Breznik gave a lecture to a crowd of 600 at the Slovene Auditorium, he told of the great cultural advancement that the

Slovenes have promoted in the last twenty years under the Yugoslav state. In the last twenty years there were 12,000 books printed in the Slovene language; in all the years previous to the world war, there were only 8,000 books printed.

Dr. Breznik is an instructor in languages at Belgrade, where he was one of the faculty who taught King Peter, Europe's boy monarch. He said that the king is quite apt, and is already speaking Croatian, Slovene, English, French and German. The king is being taught in classes which include students of various social stratas. The king is also very fond of mechanics, and drives his own car.

Dr. Breznik says that the king is very popular with the general populace; the Slovenes have a special high regard for him.

The king and his mother, the queen, are fond of driving their own cars and are often seen driving through the streets and the country roads. The queen delights in going into the forests and picking mushrooms when they are in season.

The king and his mother also love to go angling in Lake Bled where there is a royal residence. Dr. Breznik humorously referred to an incident, when the cook of the establishment com-

plained that there would be fish on the menu for a week as the king and queen brought in a big string of trout.

At this picturesque, mountainous Lake Bled resort, the Duke and the Duchess of Kent of the British royal family first met. It was here that the royal romance blossomed into a happy and sentimental married life. Now, the Duke and Duchess visit the resort every year as it brings fond memories of their meeting.

In regards to censorship, Dr. Breznik said that though there is censorship of the press of opinions on foreign and particularly neighboring states, domestic problems are permitted to be discussed rather freely. The purpose of the censorship is to keep on friendly terms with the neighboring states with the hopes that in eventuality of war Yugoslavia may remain neutral. The censorship is molded towards these ends. However many French, English and other democratic papers are on sale on the news-stands. Since many people read these languages, there is a brisk trade in foreign papers; and the people are well informed about the general world conditions.

Yugoslavia, according to the Doctor, is developing industrially and is already self-reliant on its shoes and trams. Locomotives have already been built and they are of good construction.

The country of Yugoslavia wants peace, the Doctor said; however, it will not permit itself to be another Czechoslovakia. Yugoslavia has assurances from France and England, and it will fight before it permits itself to be dismembered.

The Slovenes are well liked by the government and are engaged in many important positions of the state. There are Slovenes practically in every part of Yugoslavia where they work at skilled trades in steel works, airplane factories and other industries.

Of Bulgaria, the Doctor said, that its people are Slavs and that there is a growing affinity of the two peoples. Singing and cultural groups freely interchange between the two countries, and there is a tide of brotherly friendship arising, which may some day bring the two countries much closer together.

Dr. Breznik left for New York last night.

THIS WEEK

Mary Jugg in her columnar way is carrying on a crusade in the Prosveta against iced water, iced tea and anything that's iced for the summer consumption. If Mary can succeed in making the public drink tepid drinks these hot days, our many picnic committees will appreciate her efforts very much. These dispensers of refreshments are the constant victims of jibes that come from wry and dry mouths when the beverage's temperature is just a little on this side of cold.

The new SNPJ farm is still a subject that is talked about fondly. Phil Sirca and Tony Kristoff went out last Saturday to see what they could see; and then they were immediately put to work digging post holes.

Mr. Spik came out with Pauline; for awhile, he kept his hands in his pockets; but as soon as some one laid a crowbar down he ups and tears down one big side of unnecessary partition.

But the people who really are working miracles on the place with all kinds of improvements are Victor Woods, Mr. Shorts, one guy who is heavy set and wears a straw hat, and John Koss, the caretaker.

It certainly makes one feel good inside to see people co-operating so well on this new Slovene project.

Professor E. M. East of Harvard University says 150,000 persons are born every day, and 100,000 die.

Slovene School Picnic

Tomorrow at 12:45, the Cleveland Railway bus will pull away from the Slovene Auditorium with jolly picnickers for the annual picnic of the Slovene School at the Moeilnikar's farm. The fare to and from the grounds will be 25 cents for adults, 10 cents for children under 12, the students of the school will ride free.

The Slovene School is sponsored by the Slovene National Home. The directors of the Home, representatives of the Club of Lodges, and the Women's Auxiliary of the National Home will be there to help in the arrangements of the picnic. The picnic committee is very grateful to Mr. John Potokar, proprietor of the Double Eagle Bottling Co., for the soft drink donation he made for free distribution to the children attending the picnic.

Anyone who wishes to travel by bus to the picnic grounds may make reservations with John Tavcar, secretary of the National Home.

In event of rain, the picnic will be held at the Slovene National Home on E. 65th and St. Clair.

Here And There

By Phil Sirca

Time and time again, one hears many complaints on this question: "Why don't they make some play-grounds where the neighborhood kids can play and enjoy their summer vacation?" But, alas! you always get the same answer: "No Money." In many cases, the councilman of that certain ward may be asleep, or is he out pulling posts, etc.

Out in Collinwood, a group of youngsters approached a New York Central Railroad official, and they were given permission to build a diamond on the railroad property. Then the youngsters were in need of implements to scrape off the field; but to whom could they turn to? The most logical thing would be to see their councilman, so they did. It all turned out this way: A meeting was held at which the 32nd ward councilman was supposed to have attended. No, my friends, he didn't show up. Well, boys cheer up, maybe Tony will be down to see you soon.
