Kaj pravite

Danes se vrši v Detroitu nekaj vseslovanski kongres. Delegatov, ki zastopajo razne organizacije, bo na tem kongresu malo.

Hvala Bogu, ameriški Jugoslavlani imamo že tri politične akcije za pomoč stari domovini. Upamo, da jih bo v do glednem času še par.

Nek dopisnik pravi, da jugoslovanski ministri, ki uživajo gostoljubje Zed. držav, ne smejo načeti primorskega vprašanja, ker bi s tem razdražili italijanskega grofa Sforzo.

Ko opazujemo in štejeemo, koliko naših fantov gre v ameriško armado, prihajamo do zaključka, da sorazmerno s številom ameriških Slovencev ni dala nobena druga narodnost ameriški armadi toliko vojakov.

Vsak in vsaka naj ima zdaj pred očmi samo borbo Zed. držav za poraz fašistov in nacijev. Za to borbo potrebuje vlada denar in prosil narod, naj posodi. Ne zahteva, ampak prosil!

Da se ne pozabi...

Najhujši volivni incidenti so se pa pripetili v občini Marezige v bližini Koprca. Ze zgodaj jutraj so bili postavljeni vojaki in karabinjerji okrog volivnih prostorov.

Toda volivci so ostali mirni tudi potem, ko se je na glavnem trgu razpočila bomba. Potem so se zbrali fašisti za nekim zidom in so začeli streljati na ljudi.

Drugi dan so fašisti zopet prišli. Toda ker so vojaki stražili vas, niso mogli fašisti opraviti ničesar.

BESEDA IZ NARODA

"Glas Zvona iz Newburga"

Iz stolpa sem mi zvon doni, Ko vlega mrak se po vasi, Le doni zvon iz temnih lin, Le vzbujaj mi na dom spomin!

Le doni mi tako glasni, In milo poj čez tujo plan, Dasi mi v sreco polje jad, Zvonjenje tvoje slušam rad!

Te lepe besede znanega pesnika so mi prišle na misel, ko sem se odločila, da napišem par vrstic v korist našega pevskega društva "Zvon", ki že dolga leta zvoní in poje v newburški naselbini.

Gori omenjena pesmica Zvon se mi zdi, se lahko primerja z našimi "Zvonarji," kajti "Zvonarji" bodo s svojimi pesmicami vzbujali spomine na dom.

Ko čitam časopise, vidim kako peša zanimanje do petja, kajti mladinskih zborov kmalu ne bo več, in ako jih ne bo več, od kot bodo pa prišli bodoči odrasli zbori, ko bodo sedanjí pevci in pevke odšli?

Po koncertu se pa vrši prosta zabava v spodnjih prostorih, za ta mlade bo pa v dvoranah. Torej prosim, da opomnite tudi mladino, da poseti ta zabavni večer.

Victoria Hočevar.

Iz Zadrufne fronte

Nedolgo nazaj so imeli v Euclidu svojo prireditev v korist ameriškega Rdečega križa. Zadruga je bila dobro zastopana in direktorji se kolekturnemu odboru javno zahvaljuje za naklonjenost pri naročbi jestvin.

Vlada in zdrav razum pripočeta, da se morate založiti vsaj za pol zime, ako nimate prostora za vso zimo, z premogom. Načrt vlade je enostaven ta: sedaj so premogarji najbolj prosti, to je delajo najmanj dnevov, železnice niso torej tako zaposlene kot bodo poleti in v jeseni bo pa kar zmanjkovalo za prevažanje vojnega in drugega materiala.

Torej ni to nobena neumnost ali kaka nerodna izmišljotina, temveč dobro priporočilo, da se založite takoj do vrha "coal šande" sedaj. S tem hste pomagali našim "majnarjem," železnice bodo manj silovito obrabljene, ker je dosti časa, dobili boste dober premog in zraven boste pokazali dobro zavest, kot ameriški državljani in patrioti.

strazili vas, niso mogli fašisti opraviti ničesar. Toda gredeč nazaj v Koper so požgali šest hiš v sosedni vasi Čezari ter ubili 65 let starega Josipa Bonino.

Zadrugarji v Clevelandu zalagajo že leta in leta svoje odjemalce z garantiranim premogom, torej, ako ga želite, dobite dober zadrufni premog po prevladujočih cenah.

Stvar je resna in dobro je iti na roko. Jutri ne bo konec te vojne komedije in prej ne bo konec, kot da se premagajo vsi sovražniki zavezniških armad, ali pa pride do "zbarantanega miru" prav na hitro od strani nacifašistov, katerih se vedno kar mgolji med zavezniki, posebno v višjih plasteh v Angliji.

Joseph A. Siskovich, tajnik.

Pomlad v Euclidu

Komaj smo že čakali zelene pomladi in prišla je. Tudi pri nas v Euclidu je s pomladjo vse bolj oživilo. Ptiki že veselo prepevajo po drevju in zato pa so se prebudili in skorajžili naši "Škrjančki," da nam bodo zapeli v nedeljo popoldne v Slovenskem društvenem domu.

Ta dan prirede naši mali pevci svoj redni spomladanski koncert z kratko veseligrco "Dve teti." Vodstvo tega mladinskega zbora je v prav dobrih rokah in to nam je garancija, da bo vsak zadovoljen, kdor bo prišel pogledat te naše male pevce.

Torej odločite se in pridite jutri v Slovenski društveni dom na Recher Ave., kjer boste deležni par ur razvedrila med našo mladino. Preskrbljeno bo tudi za vsa druga telesna dobra dela. Na svidenje,

L. G.

"Škrjančki" bodo peli

V nedeljo, 26. aprila, to je, jutri ob pol štirih, priredi mladinski pevski zbor "Škrjančki" spomladanski koncert z veseligrco "Dve teti," ki bo povzročila obilo smeha.

Osmo leto je že poteklo, odkar je bil ustanovljen mladinski pevski zbor "Škrjančki." V tem času smo imeli dosti truda, dosti zamude časa in tudi dosti stroškov z njimi in vse to se pozabi, ker smo prepričani in imamo zavest, da smo vršili pošteno delo na polju slovenske kulture med našo tu rojeno mladino, ki se bo spominjala mladinskih pevskih zborov še na stara leta.

Ze sedaj se kaže rezultat mladinskih pevskih zborov, kajti ta mladina, ki je včasih pela pri teh zborih, se sedaj že udeležuje pri odraslih zborih, kakor tudi v dramatikah itd. Če bi ne bili storili tega, bi bile naše vrzeli ostale odprte.

Pa tudi slovenske jezika jih ni sram, kar se je v prejšnjih časih večkrat dogajalo, da so se otroci slovenskih staršev sramovali svojega materinega jezika. Takim bi lahko rekli, da so ignorantje.

Cenjeno občinstvo prav prijazno vabim, da se udeležijo v velikem številu spomladanskega koncerta naših "Škrjančkov," ki je pod vodstvom Mr. in Mrs. Vaughan Cahil. Kdo ve, če nam bo zopet kaj kmalu dana prilika, da bi jih slišali. Ta koncert se vrši v Slovenskem društvenem domu, na Recher Ave. jutri popoldne ob pol štirih. Torej, na svidenje pri "Škrjančkih."

F. Požar.

Glas iz Euclida

Pomlad je tukaj. Priroda je oživila in vse se prebuja iz zimskega spanja. Pa tudi naši "Škrjančki" niso pozabili svojega običaja. Zato pa v nedeljo, 26. aprila, podajo svoj redni spomladanski koncert. Upam, da ne boste zamudili te lepe prilike. Kaj bo vse na programu, pa ne bom sedaj razlagal, ker je preobširno.

Škrjančki so peli, ko so bili veseli, in se bodo peli, če bodo dosti gostov imeli,

Srce mi tuguje, ko mislim na to, vsahnilo bo petje, ko Škrjančkov ne bo.

Zatorej vas prosim še enkrat lepo, da pridete v halo, kjer Škrjančki pojo.

Društvena je hala, slovenski je hram, vsi kulturni rojaki se zbirajo tam.

Fred Martin.

"Card party"

Vsem, ki ste kupili vstopnice za "Card Party" Oltarnega društva fare Marije Vnebovzete, se tem potom naznanja, da se ta ne bo vršila v nedeljo, 26. aprila, kot prvotno poročano, ampak se bo vršila enkrat pozneje.

To spremembo smo napravili zato, ker je v nedeljo več prireditev in bi ne bilo priporočljivo, da bi tudi me imele naš "Card Party." Vstopnice shranite in bodo veljavne za pozneje, kadar vam bo naznanjeno, Odbor prav prijazno vabi vse

članice, da se v velikem številu udeležite seje, ki se bo vršila v nedeljo po blagoslovu, kot navadno. Na tej seji bomo tudi dočile primeren čas, kdaj naj bi se ta naš "Card Party" vršil. Članice ste prošene, da to vpoštevate in vaša navzočnost na seji je nujno potrebna, da kaj koristnega ukrenemo v korist našega društva. Odbor se vam že vnaprej zahvaljuje za vašo udeležbo in na svidenje na seji v nedeljo popoldne.

Nek Zid je hvalil svojega sina: "Moj sinko Izak je zdravnik, ki mu ga ni para. Nikdar ne vzame kakega centa od bolnika."

"Kako pa potem živi?" bi rad vedel prijatelj. "Administrator mu plača iz zapuščine."

Odbor. Ce verjamete al' pa ne

Prijatelj nam piše in protestira, da bi se odpravilo škipiranje stolov v našem avditoriju. Bolj praktično, da bi bilo, pravi, če bi škipiranje porabili mesto poslanja. Še bolj pa bi bilo, če bi mogli to škipiranje uglasti in potem prirediti "koncert s škiparajočimi stoli." Ta nasvet ni napacen.

PO AMERIŠKEM NAČINU Ameriški ideali, misli in sistem vlade so na preizkušnji danes—v vseh strahotah vojne. Naš ameriški način življenja napaden—vse lepe stvari, smo jih potrpežljivo gradili vsa ta leta.

Kar se tiče nas, se obvezujemo, da ne bomo znižali standardov. Kot vedno, bo naša postrežba odsev ameriškega načina življenja.

"Ne bi vzela \$1,000 za mojo električno ledenico če ne bi mogla dobiti druge!"

Tako se je izrazila neka ženska, ki je smatrala svojo električno ledenico za dragoceno in to radi dela, časa, jestvin, zdravja in denarja, ki ga prihrani zanje.

Kot vsaka druga dragocena lastnina, tudi električna ledenica zahteva inteligentno uporabo in pravo nego. Ako ji daste to, vam bo električna ledenica dolgo služila.

Mi svetujemo—

- 1. Ne devajte vročih jestvin ali vročih posod v električno ledenico. Naj se prej shladijo na toploto, kot je v sobi.
2. Ne preobložite električne lednice s kantami, steklenicami, posodami in zavitki. To zakasni hlajenje.
3. Ne zaloputajte vrat pri vaši električni lednici. To bi morda pokvarilo oboje, ročaj ter pokvarilo kavčugasto izolacijo.
4. Ne pretrgajte električne napeljave v vaši električni lednici, razen za odmrznenje. Avtomatična kontrola je za to, da varje edinico za zamrznjenje in obrat.
5. Ne zanemarjajte, če se pokažejo znaki nereda v mehanizmu. Naj vaš prodajalec takoj stvar pregleda.

Flag Blessing

As a result of the success of a recent Benefit Card Party, the Martha Washington Lodge, No. 38, SDZ, sent approximately 100 gifts to U. S. Service Men in the various camps throughout United States and Hawaii.

Before the High Mass, at 8:15 a.m., Msgr. Ponikvar will bless a new American Flag, which will be raised in the sanctuary. The flag and base are a gift to the parish from the proceeds of the Benefit Card Party which was sponsored by the Martha Washingtons.

The members of Martha Washington will attend the flag blessing and the 8:30 mass in a body. Parents, wives and relatives of men who have joined the Army, Navy, Marines and Coast Guard are urged to pay tribute to their dear ones by attending the ceremony and High Mass.

Chorus Scores Another Success

The Juvenile Chorus of the Slovenian Workingmen's Home scored another triumph last Sunday when they presented "Desetnik in sirotnica" (The Tenth Brother and the Orphan, written by Franjo Lavsin. The tenth brother played by Marion Steblaj, who is already known to audiences for his past portrayals, was done very well. His solos and his acting was of the best. The orphan, played by Dorothy Arh, was portrayed so realistically that it brought tears to the eyes of many in the audience. Her voice is soft and sweet but because of her youth, is weak. A few more years of training and she will be a truly good songstress. The role of the stepmother was played by Marian Kapel who has already won recognition for her past performances. Her voice is loud, her announcement perfect, and her acting is above reproach. The roles of her two daughters, played by Lillian Jadrich and Annie Cek, were well presented. The "Gorski moz" (Man of the Mountain, played by Math Zabukovec, was perfect including his solos. His make-up was truly an artistic piece of work. The rest of the cast played the parts well and it is gratifying to see what beautiful singing and acting can be presented by youngsters as young as six years and up.

The singing director, Louis Seme and the dramatic director, John Steblaj, can again take well-deserved bows for their efforts. As long as there are men such as these who are willing to devote their time and effort to our Slovenian culture we need not be afraid that our drama and song will become extinct for a long time.

May our Slovenian juveniles continue to warm our hearts with Slovene songs and drama in America, the land of the free, where we are permitted to speak and sing our national songs. As the president of the chorus, John Terlep, said in his introductory speech, "Here in America we can carry on our Slovene song and language until the time when the old country will again be free to do so." It was very gratifying to see many in the audience who were second-generation Slovenians.

Let us all support our cultural institutions. During these trying times when dictators are trying to stamp out all national languages we can defy them by keeping our morale high by presenting and supporting national affairs.

NORWOOD LIBRARY NEWS

You will know the bitter taste of defeat, and the strong resistance to it that smolders in the hearts of a freedom-loving people when you read *The Moon Is Down*, by John Steinbeck. Somewhere in Europe, the conquering Nazis marched into a quiet town which was half asleep in the warm sun, and took possession of it. With cold and cynical efficiency the conquerors took over the town's mines and its business, and quartered their troops in the homes of the helpless people.

The traitor within the community, the Quisling who lived in the villages and was a respected member of its society, added to the bitterness in their hearts by his arrogant demands to replace their beloved and honorable mayor.

The story of how the people resisted their masters, how they silently wore the yoke of their defeat, but thwarted the enemy in a thousand sabotaging ways that galled and infuriated them and kept them helpless, is this powerful novel by Steinbeck. As one of its characters says, and the people adopt the thought and sing it in a popular song: "The flies have conquered the flypaper." Read and know what happened in one town which could be your town, in one of the best books about this war: *The Moon Is Down*.

Another book that comes out of the war, and this one from defeated France, is *The Flight to Arras*, by Antoine de Saint-Exupery. A famous and daring aviator, the author of *Night Flight*, and *Wind, Sand, and Stars*, Saint-Exupery has here written a deep and tragic account of the futile resistance of a few valiant flyers fighting in the face of overwhelming superiority. It is a beautiful and inspiring book conceived in a spirit beyond defeat or despair. It is another testimonial to the invincible courage of a gallant and peace-loving people whose only crime was to be civilized.
