

RAZSTAVNA DEJAVNOST GALERIJ OZIROMA LIKOVNIH RAZSTAVIŠČ, SLOVENIJA, 2001-2003

EXHIBITION ACTIVITY OF GALLERIES-EXHIBITION GROUNDS, SLOVENIA, 2001-2003

- ▶ V letu 2001 je v sestavi muzejev, kulturnih in drugih zavodov, društev, podjetij in drugih poslovnih subjektov delovalo 157 galerij oz. likovnih razstavišč. V njihovih prostorih je bilo v tem letu pripravljenih 1482 občasni likovnih razstav. 1086 razstav so pripravili samostojno (73,3 % od vseh likovnih razstav), 275 razstav (18,6 %) v sodelovanju z drugimi poslovnimi subjekti, 121 razstav (8,2 %) pa je bilo gostujočih (posredovanih iz Slovenije ali iz tujine).
- ▶ Od skupaj 1482 razstav, pripravljenih v galerijah oz. likovnih razstaviščih v letu 2001, je bilo 1255 razstav domačih avtorjev (to je okrog 85 % vseh razstav). Na 133 razstavah (9 %) so razstavljali svoja dela tuji avtorji, na 94 pa domači in tuji avtorji skupaj. Glede na vrste likovnih razstav, pripravljenih v lastnih prostorih, je bilo največ preglednih (700 oziroma 47,2 %), glede na likovne zvrsti, ki so jim pripadala razstavljena dela, pa je bilo največ slikarskih razstav (in sicer slaba polovica). 40 galerij oz. likovnih razstavišč je odkupilo 69 % vseh razstavljenih likovnih del (1026), od tega je bilo 36 % odkupljenih del delo še živečih avtorjev. Razstavnino je dobilo samo 33 avtorjev.
- ▶ V letu 2002 se je število galerij oz. likovnih razstavišč, ki so Statističnemu uradu RS posredovala podatke o svoji dejavnosti, zmanjšalo za 2,5 % (na samo 153 galerij oz. likovnih razstavišč), leto pozneje pa kar za 14 % glede na leto 2001 (na 135 galerij oz. likovnih razstavišč). Temu ustrezno je upadlo tudi število občasni likovnih razstav (za 10,4 % v letu 2002 in za 16,5 % v letu 2003 glede na leto 2001 oziroma za 6,9 % glede na predhodno leto). V letu 2002 so samostojno pripravili 958, v letu 2003 pa 915 razstav.
- ▶ V letu 2002 je bilo pripravljenih 1328 likovnih razstav, ogledalo pa si jih je 703 803 obiskovalcev, to je za 3,2 % več kot v predhodnem letu (681 763 obiskovalcev) in za 5,2 % več kot leto pozneje (669 255 obiskovalcev). V vseh treh letih je bilo med razstavljalci največ domačih avtorjev (1142 razstav v letu 2002 in 1027 v letu 2003), bistveno manj je bilo razstav del tujih avtorjev (9 % vseh razstav v letu 2001, 9,4 % v letu 2002 in 10,4 % v zadnjem opazovanem letu).
- ▶ Z vidika likovne zvrsti je bilo v letih 2002-2003 kljub upadu spet največ slikarskih razstav (47,6 % v letu 2002, leto pozneje 42,7 %). V primerjavi z letom 2001 se je v tem obdobju povečalo število razstav, na katerih so bila razstavljena dela iz različnih likovnih zvrsti, število razstav risb, razstav dizajna, oblikovanja ter drugih razstav in nekoliko tudi število arhitekturnih razstav. Z vidika vrst razstav se je povečalo število tematskih razstav (za 2,4 % v letu 2002 glede na predhodno leto). Najbolj se je zmanjšalo število preglednih razstav (za 9,3 %), drugih razstav je bilo manj za 3,2 %, delež retrospektivnih razstav pa je ostal približno enak kot v letu 2001.
- ▶ Razstavnino je v letu 2003 dobilo samo 18 avtorjev (dve leti prej še 33 avtorjev) od skupno 5407 (6197 v letu 2001) še živečih avtorjev, katerih dela so galerije oz. likovna razstavišča razstavljala.
- ▶ In 2001, 157 galleries-exhibition grounds operated within museums, cultural and other institutions, societies, enterprises and other business entities. They organized 1,482 occasional exhibitions in own showrooms. There were 1,086 self-prepared (independent) exhibitions (73.3% of all art exhibitions), 275 exhibitions (18.5%) were prepared with others and 121 exhibitions (8.2%) were loan exhibitions from Slovenia and abroad.
- ▶ At 1,482 art exhibitions 1,255 works of Slovene authors were exhibited (around 85%). At 133 exhibitions (9%) works of foreign authors were exhibited and at 94 exhibitions both works of Slovene and foreign authors were exhibited. Most art exhibitions by type of art in own showrooms were overview (700 or 47.2%) and by field of art exhibitions of paintings (almost a half). 40 galleries-exhibition grounds bought 69% of all works of art (1,026), of that almost 36% were purchased works of art of living authors. Only 33 authors were paid for their works of art.
- ▶ In 2002 the number of galleries-exhibition grounds which transmitted the data to the Statistical Office decreased by 2.5% (to only 153 galleries-exhibition grounds), but a year later their number decreased by 14% in comparison with 2001 (to 135 galleries). The number of occasional art exhibitions decreased as well (by 10.4% in 2002 and by 16.5% in 2003 in comparison with 2001 or by 6.9% compared to 2002). There were 958 self-prepared exhibitions in 2002 and 915 in 2003.
- ▶ 703,803 visitors attended 1,328 exhibitions in 2002, which was 3.2% more than in 2001 (681,763 visitors) and 5.2% more than a year later when the exhibitions were attended by 669,255 visitors. In all three years Slovene authors exhibited the most (1,142 exhibitions in 2002 and 1,027 in 2003), whereas exhibitions of foreign authors represent only 9% of all exhibitions in 2001, 9.4% in 2002 and 10.4% in 2003.
- ▶ Despite the decrease, in 2002 and 2003 most exhibitions by field of art were exhibitions of paintings (47.6% in 2002 and 42.7% in 2003). In comparison with 2001, in this period the number of exhibitions of different fields of art, exhibitions of drawings, designs and other exhibitions, rose. Exhibitions of architecture also increased, but not significantly. Compared to 2001, in 2002 the share of thematic exhibitions increased by 2.4%, while the number of other exhibitions by type decreased. A significant fall was registered with overview exhibitions (by 9.3%). The number of retrospective exhibitions remained the same as in 2001, while the number of other exhibitions fell by 3.2%.
- ▶ In 2003 only 18 authors were paid for their works of art (in 2001 33 authors) of all 5,407 still living authors (6,197 in 2001) whose works were exhibited by galleries-exhibition grounds.

METODOLOŠKA POJASNILA

Namen statističnega raziskovanja

razstavne dejavnosti galerij oz. likovnih razstavišč je dobiti podatke o občasni likovni razstavi, ki so jih pripravili v galerijah oz. likovnih razstaviščih, o gostujočih razstavah, o vrstah razstav, avtorjih, ki so razstavljali, odkupu in izposoji likovnih del, kulturni, vzgojni in založniški dejavnosti galerij oz. likovnih razstavišč, opremljenosti in prostorih galerij oz. likovnih razstavišč, o zaposlenih osebah in drugih sodelavcih v teh ustanovah itd.

Enota opazovanja

so vse galerije oz. likovna razstavišča, ki so v letih 2001–2003 pripravljale občasne likovne razstave. Sem sodijo:

- muzeji, zavodi, centri za kulturo in kulturni domovi, v sestavi katerih deluje galerija oz. likovno razstavišče;
- galerije oz. likovna razstavišča v sestavi drugih kulturnih zavodov;
- galerije oz. likovna razstavišča v sestavi društev, zveze društev, ZKD;
- družbe z omejeno odgovornostjo;
- galerije-razstavišča v sestavi gospodarskih podjetij in drugih poslovnih subjektov.

Viri

Galerije oz. likovna razstavišča so nam posredovale podatke o svojem delovanju na obrazcu KU-GR (Letno poročilo o razstavni dejavnosti galerij oz. likovnih razstavišč) iz svojih evidenc.

Zajetje

Vprašalnike KU-GR za leto 2001 smo razposlali 191 galerijam oz. likovnim razstaviščem; izpolnjene s podatki nam jih je vrnilo 157 od teh. Vprašalnike za leto 2002 smo razposlali prav tako 191 poročevalskim enotam, svojo razstavno dejavnost pa je prikazalo samo 153 od teh. Vprašalnike za leto 2003 je prejelo 169 galerij oz. likovnih razstavišč, svojo dejavnost pa je prikazalo 135 od teh.

Objavljanje rezultatov

Letno:

Statistični letopis Republike Slovenije

Statistične informacije. Kultura in šport. Razstavna dejavnost galerij oz. likovnih razstavišč.

KOMENTAR

Podatke o svoji razstavni dejavnosti v letu 2001 nam je sporočilo 157 galerij oz. likovnih razstavišč, ki so delovala v sestavi muzejev, kulturnih zavodov, društev, podjetij in drugih poslovnih subjektov. V lastnih prostorih teh galerij oz. likovnih razstavišč so na skupaj 1482 razstavah večinoma razstavljali domači avtorji. Več kot polovica razstav je bilo samostojnih, druge pa so bile skupinske razstave. Vse razstave si je ogledalo približno 700 tisoč obiskovalcev.

Večino razstav (dobrih 70 %) so galerije oz. likovna razstavišča pripravile same, 18,6 % razstav so pripravile v sodelovanju z drugimi poslovnimi subjekti, preostale pa so bile gostujoče oziroma razstave, posredovane iz Slovenije ali iz tujine. – Med gostujočimi razstavami so prevladovali razstave slovenskih avtorjev, teh je bilo 88 od skupno 121 gostujočih razstav, gostujočih razstav tujih avtorjev pa je bilo 30. – Približno polovico vseh razstav v lastnih prostorih je bilo slikarskih (724), 194 je bilo razstav fotografij, razstav del iz različnih likovnih zvrsti je bilo 149, preostale

METHODOLOGICAL EXPLANATIONS

The purpose of the statistical survey

on exhibition activity of galleries-exhibition grounds is to obtain data on occasional art exhibitions prepared in galleries-exhibition grounds, on loan exhibitions, types of exhibitions, authors who exhibited, purchase and loan of artistic works, cultural, educational and publishing activity of galleries-exhibition grounds, equipment and premises of galleries-exhibition grounds, persons in paid employment, etc.

Observation units

are all galleries-exhibition grounds that prepared occasional art exhibitions in 2001, 2002 and 2003. These are:

- museums, institutions, centres for culture and homes of culture with galleries-exhibition grounds,
- galleries-exhibition grounds within other cultural institutions,
- galleries-exhibition grounds within societies and associations of cultural organizations,
- limited liability companies,
- galleries-exhibition grounds within economic companies and other business entities.

Sources

Galleries-exhibition grounds transmitted the data on their activity on the KU-GR form (Annual Report on Exhibition Activity of Galleries-Exhibition Grounds) from their records.

Coverage

KU-GR questionnaires for 2001 were sent to 191 galleries-exhibition grounds, and 157 of them reported on their exhibition activity. The questionnaires for 2002 were also sent to 191 reporting units, and only 153 of them reported on their activity. In 2003, 169 cultural institutions received the forms, and 135 of them reported on their activity.

Publishing

Yearly:

Statistical Yearbook of Republic of Slovenia

Rapid Reports. Culture and Sport. Exhibition Activity of Galleries-Exhibition Grounds.

COMMENT

In 2001, exhibition activity took place in 157 galleries-exhibition grounds that operated within museums, cultural institutions, societies, enterprises and other business entities. In own showrooms of galleries-exhibition grounds 1,482 exhibitions were exhibited, most of them of Slovene authors. More than a half of exhibitions were single, the remaining were group exhibitions. The exhibitions were attended by approximately 700 thousand visitors.

Most exhibitions (more than 70%) were prepared by galleries themselves, 18.6% of exhibitions were prepared in co-operation with other business entities, and other exhibitions were loaned from Slovenia. Of those most exhibitions were by Slovene authors (88 of 121 exhibitions), while 30 were by foreign authors. Almost a half of all exhibitions in own showrooms were painting exhibitions (724), followed by exhibitions of photographs (194), exhibitions of different fields of art (149), while other exhibitions represent less than 10% of the 1,482 exhibitions. Just under a

razstave pa so obsegale manj kot 10 % vseh 1482 razstav. – Slaba polovica vseh razstav je bila preglednih, tretjina je bila tematskih, 15 % je bilo drugih razstav, najmanj (ok. 2 odstotka) pa je bilo retrospektivnih razstav.

Svoja dela je na ogled postavilo 6 197 še živečih avtorjev. 40 galerij oz. likovnih razstavišč je odkupilo 1 026 razstavljenih likovnih del, od tega eno tretjino del še živečih avtorjev. Za oblikovanje lastne zbirke so odkupili več kot tri četrtine likovnih del. – Razstavnino je le 33 avtorjem dalo le 5 galerij. – Večina galerij (kar 120 od skupno 157) v letu 2001 ni prodajala likovnih del, več kot dve tretjini galerij pa likovnih del tudi nista posojali.

Galerije-razstavišča izvajajo pogosto poleg razstavne tudi druge izobraževalne in kulturne dejavnosti, nekatere pa se ukvarjajo še z založništvom. – V teh kulturnih ustanovah je bilo v letu 2001 zaposlenih 174 strokovnih sodelavcev s polnim delovnim časom, 31 delno zaposlenih, 79 prostovoljnih in 99 zunanjih sodelavcev. Večina teh ima univerzitetno izobrazbo (71,3 % od skupno 383 zaposlenih).

Največ galerij-razstavišč je imela osrednjeslovenska regija (56 od skupno 157), z 21 sledi podravska, z 20 gorenjska, savinjska jih je imela 18, ostale regije pa so jih imele vsaka manj kot 10. Tudi obiskovalcev galerij je prav tako največ gostila osrednjeslovenska regija (skoraj polovico od vseh 681 763), tej pa sta sledili gorenjska (12,6 %) in savinjska (11,3 % vseh obiskovalcev). Nekoliko manj obiskovalcev je imela podravska regija (9 %), ostale regije pa bistveno manj.

Število galerij, ki so Statističnemu uradu RS sporočale podatke, se je v naslednjih dveh letih (2002, 2003) zmanjšalo, zato je posledično upadla tudi razstavna dejavnost. Svojo dejavnost je prikazalo približno 80 % galerij. Te so v letu 2002 pripravile za približno 10 % manj razstav kot v preteklem letu (1328 razstav, prejšnjo sezono pa 1482), v naslednjem letu pa se je število razstav zmanjšalo še za 7 % glede na predhodno leto (1237 razstav). Število obiskovalcev se je v letu 2002 v primerjavi z letom 2001 povečalo približno za 3 % (681 763 obiskovalcev v letu 2001, leto zatem pa 703803), v prihodnjem letu pa se je za 5 % zmanjšalo (669 255), spet v primerjavi s predhodnim letom. Razmerje med domačimi in tujimi avtorji, katerih dela so bila razstavljena, je ostalo približno enako, prav tako tudi razmerje med samostojno pripravljenimi razstavami, razstavami, pripravljenimi v sodelovanju z drugimi, in gostujočimi razstavami.

V letih 2002 in 2003 je bilo v lastnih prostorih galerij pripravljenih največ slikarskih razstav (47,6 % oziroma 42,7 %), sledile so razstave fotografij (14 %) in razstave del iz različnih likovnih zvrsti. (12 % v letu 2002 oziroma 14,8 % v letu 2003). Kiparskih, grafičnih in ostalih razstav je bilo bistveno manj. – Delež še živečih avtorjev, ki so razstavljali, se je v letu 2002 v primerjavi s prejšnjim letom zmanjšal za 21 %, v letu 2003 pa se je v primerjavi z letom poprej povečal za 10,4 %. – Razstavnino je dobilo zanemarljivo število avtorjev (v letu 2002 21 avtorjev od skupno 4897 še živečih avtorjev, v naslednjem letu pa 18 avtorjev od 5407). – Upad se kaže tudi v številu odkupljenih del, in to kar za polovico v letu 2003 v primerjavi z letom 2001.

Število strokovnih sodelavcev, ki delajo v galerijah-razstaviščih, se je v letih 2002–2003 v primerjavi z letom 2001 povečalo s 383 na 448 v letu 2002 in 443 v letu 2003. Zaposlenost se je povečala (za približno 17 %) predvsem zaradi zunanjih sodelavcev (njihov delež se je namreč v letu 2002 v primerjavi z letom poprej povečal za 14,1 %). Povečalo se je tudi število delno zaposlenih (za 5,7 %) in prostovoljnih sodelavcev (za 4,4 %). Zmanjšalo pa se je število oseb, zaposlenih s polnim delovnim časom (za 7,3 %). Razmerje med prostovoljnimi sodelavci, zunanjimi sodelavci, delno zaposlenimi in osebami, zaposlenimi s polnim delovnim časom, je ostalo v letu 2003 v primerjavi z letom 2002 enako.

Galerije-razstavišča so tudi v letih 2002 in 2003 poleg razstavne dejavnosti opravljale tudi drugo izobraževalno in kulturno dejavnostjo ter

half of all exhibitions were overview exhibitions, a third were thematic exhibitions, 15% were other exhibitions and the least of all (just over 2%) were retrospective exhibitions.

Their own works of art were shown by 6,197 still living authors. 40 galleries-exhibition grounds purchased 1,026 works of art, of which one third were works by living authors. More than three quarters of purchased works were intended for their own collection. Only 5 galleries paid 33 authors for exhibiting their works. Most galleries (120 of 157 galleries) did not sell works of art; furthermore, more than two thirds did not lend them.

Beside exhibition activity, galleries also provided other educational and cultural activities, and they were occupied with publishing activity. These cultural institutions employed 174 professional staff in full-time employment, 31 part-time employment, 79 volunteers and 99 external collaborators. Most of them had university degree (71.3% of the 383 employees).

Most galleries-exhibition grounds were located in Osrednjeslovenska region (56 of 157), followed by Podravska region with 21 institutions, Gorenjska with 20, Savinjska with 18 galleries, while other regions had fewer than 10 galleries. Almost a half of all 681,763 visitors were registered in Osrednjeslovenska region, followed by Gorenjska and Savinjska with around 12% of all visitors each and Podravska with 9%. Other regions did not have significant attendance.

The number of galleries which transmitted the data to the Statistical Office decreased in the following two years (2002, 2003), consequently the exhibition activity was also down. Their own activity was shown by approximately 80% of galleries. They organized, in 2002, nearly 10% less exhibitions than in 2001 (1,328 vs. 1,482 the season before). Next year there were 7% less exhibitions in comparison with the year before (1,237 exhibitions). Meanwhile the number of visitors in 2002 increased by nearly 3% (681,763 visitors in 2001 and 703,803 in 2002), and the next year decreased by 5% (669,255), again in comparison with the year before. The relation between the Slovene and foreign authors whose works were exhibited stayed almost the same as did the relation between self-prepared (independent) exhibitions, exhibitions prepared with others and mediated (loan) exhibitions.

In 2002 and 2003 there were in own showrooms of galleries-exhibition grounds exhibited mostly exhibitions of paintings (47.6% and 42.7%), followed by exhibitions of photographs with 14%, and by exhibitions of different fields of art with 12% in 2002 and 14.8% in 2003. While there were substantially fewer exhibitions of sculptures, exhibitions of graphic arts, prints and other exhibitions. Compared to 2001, in 2003 the share of still living authors who exhibited fell by 21%. Compared to 2002, in 2003 the share increased by 10.4%. Galleries-exhibition grounds paid 21 authors for exhibiting their works in 2001 and 18 authors in 2002. Decrease is also seen in the number of purchased works of art for a half in the year 2003 in comparison with the year 2001.

In 2002 and 2003 galleries-exhibition grounds increased the employment of professional staff in comparison with 2001 from 383 to 448 in 2002 and to 443 in 2003. The rise in employment (by about 17%) is the result of the higher number of external collaborators; compared to 2001, in 2002 their share rose by 14.1%. Part-time employment and the number of volunteers were up by 5.7% and 4.4% respectively. A fall in employment was only registered in full-time employment (by 7.3%). In 2003 the relationship between volunteers, external collaborators, persons in full-time employment and persons in part-time employment remained the same as in 2002.

The principal activity of galleries-exhibition grounds was exhibition activity, but they were also occupied with other educational and cultural

založniško dejavnost. Čeprav se je število galerij, ki so se ukvarjale z založniško dejavnostjo, nekoliko povečalo (z 99 v letu 2001 na 102 v letu 2002), pa se je močno zmanjšalo število naslovov izdanih publikacij (za 26,4 %). V letu 2003 se je s to dejavnostjo ukvarjalo samo še 95 galerij, število naslovov izdanih publikacij pa se je zmanjšalo še za dodatnih 5 % glede na prejšnje leto (leto 2002).

activity and publishing activities. Although the number of galleries which were occupied with publishing activity increased a little (from 99 in 2001 to 102 in 2002), the publications which were published decreased significantly (by 26.4%). In 2003 only 95 galleries were occupied with this activity and the number of publications decreased by additional 5% in comparison with the year before (2002).
