Vprašanje prohibicije v Pennsylvaniji.

Pretekli teden so se vrstile v državi Pennsylvaniji jako važne primarne volitve za kandidate za governorsko in senatorsko mesto. Okt kandidat republikanske stranke je bil imenovan za governorski urad Gifford Pinchot, sicer pošten mož, toda zagovornik prohibicije. Kandidat republikanske mašine je propadel. Kandidat mokrih je pa dobil pol manj glasov kot Pinchot.

Enako se je zgodilo tudi s kandidati republikanske stranke za senatorski urad. Kandidat politične mašine, Grundy, je propadel, dočim je zmagal neodvisen republikanec, sedanji delavski tajnik, Davis. Kandidat mokrih je tudi za senatorski urad propadel pri nominaciji.

Ko je bil 18. amendment zapisan v ustavo Zedinjenih držav, je naznanih povzročiteljica te amendmenta, The Anti-Saloon League, da je vprašanje prohibicije sedaj končno in enkrat za vselej rešno, zlasti pa, da se politika ne bo več pečala s prohibicijo.

In enajst let po sprejetju prohibicije vidimo, da je prohibicijsko vprašanje bolj globoko v politiki kot je bilo kdaj prej, prohibicija je danes bolj ostro začrtana v vse panoge ameriške politike kot v težavnih vojnih dnevih, ko so z vso naglico 18. amendment k ustavi zbičali skozi kongres in razne državne postavodaje.

Poglejmo politični položaj. V državi New Jersey, ki izvoli 23 kongresmanov ter dva senatorja, je prohibicija pri volitvah glavno vprašanje. V državi Illinois bo prohibicija igrala najbolj važno ulogo, ko bo suhaška ženska nastopila proti mokremu moškemu za senatorski urad. In prohibicijsko vprašanje bo igralo najbolj važno ulogo v državi New York. Te države skupaj same štejejo 17 milijonov prebivalcev.

Brez dvoma je pretekli teden prohibicijsko vprašanje v državi Pennsylvaniji bilo v mišljenu vseh, ki so volili. Položaj je sleden:

Stara politična mašina v Pennsylvaniji je izvolila za governorskega kandidata Francis S. Brown, tipičnega republikanca stare garde iz Philadelphia. Njemu nasproti je nastopil neodvisni republikanec Gifford Pinchot. Ko je slednji naznanih svojo kandidaturo, ni omenil prohibicije niti z besedo. Izjavil je le, da kandidira, da pristriže peruti raznim električnim, plinovim, telefonskim in drugim komunikacijam, ki do skrajnosti izjemajo narod.

Medtem pa je bil Pinchot seveda poznan po vsej Pennsylvaniji kot goreč zagovornik prohibicije, in računalno se je, da bo dobil vse suhaške glasove. Njegovemu nasprotniku Brownu se je torej svetovalo, naj niti ne misli, da bo dobil kaj suhaških glasov, in da se javno izrazi za odpravo 18. amendmenta k ameriški ustavi.

Tedaj je pa Brown naredil napako, ki je postala za njega usodepolna. Dasi moker, se ni hotel izjaviti glede svojega stališča o prohibiciji, mislec, da bo dobil glasove mokre kot suhe. Hotel v kalnem ribaritu. Raditev je nastala tretja stranka, nasprotnica prohibicije, ki je nominirala za kandidata, Thomas W. Phillipsa, ki je tekom politične kampanje brezobjektivno nastopal proti prohibiciji, trdeč, da se mora slednja odpraviti.

Phillips je dobil več kot 250,000 glasov. Ako bi ti glasovi bili oddani Brownu, bi Brown premagal Pinchota za več kot 200,000 glasov večine, in Pennsylvania bi danes imela mokrega republikanskega kandidata za governerja. Tako sta se pa v politiki dva mokra prepričala, oba sta zgubila, in veseli se suhaš Pinchot.

Moralna teh volitev je jasna. Noben politikar ne more danes umikati se vprašanju prohibicije: Vsak mora izjaviti, ali je za ali proti, in ljudje bodo po tem sodili in volili. Tako v Pennsylvaniji kot v vsaki drugi državi.

Cleveland-Newburg, O. — Sezone piknikov, kakor povsem razvidno, je v polnem teku. Mnogim je to znano iz lastne skušnje, drugi pa to le sumijo, ker se pač ne da drugače soditi, ko vidimo vsako nedeljo popolne odhajati velike množice naroda v prostu naravo. In kadar se vraca, so vse bolj veseli, kot kadar odhajajo. To je dobro znamenje, da so bili nekje prav na dobrì zabavi.

Zakaj se ne bi torej prihodno nedeljo, 1. junija podali na lepe cerkvene prostore v Maple Gardens, kjer priredi dr. sv. Lovrenca št. 63 KSKJ svoj letni piknik v korist društvene bla-

take jedi in pijače, kot jo imajo vedno oni, je sploh težko kje dobiti.

Da, tudi letos je preskrbljeno vse najboljše, kar si bo kdo poželel za jesti in pit. Lepa nova dvorana in naši muzikanti bodo privabilni plesačeljne. Za vožnjo bo tudi preskrbljeno tako, da bo mogoče vsakomur se udeležiti brez vsakih sitnosti.

Ce bilo slučajno slabo vreme, naj to nikogar ne plasi. Do volj bo strehe, da gre lahko vsa fara pod njo.

Pridite torej, starci in mladi, od blizu in daleč in veselite se s svojimi prijatelji v lepih Maple Gardens.

Joseph M. Jerič.

Cleveland-Newburg, O. — Na pisati sem se namenil, kako se imamo na piknikih v Randall, O.

pri Gorišku. Zopet sta minila dva piknika. Prvega je priredil Klub Pipe, drugi pa je bil od Narodnega doma. Vreme ni bilo ugodno, ne za prvega in ne za drugega. V prvici je bilo premokro, drugič premrzlo. Vendar je bil uspehl zadovoljiv na pikniku kluba Pipe. Najbolj so bili zadovoljni sledeči trije, ki so dobili cekine. Jos. Glivar je dobil zlat za \$5.00, Rudolf Novak iz Marble zlat za \$10.00 in Anton Pelko, ki je dobil kar dva zlata, enega za \$5.00 in enega za \$10.

Jaz sem imel tudi dosti naslovov v tistem žaketlju, iz katerega je ta sreča izvirala, pa se ni noben prijal tiste nedolžne ročice, ki je srečo ven vlekla. Malo me je jeziklo, misil sem si pa takole: Tisti, ki je dobil cekin, bo gotovo dal za ohijčana — in nisem se zmotil precej sem ga predihal za tiste cekine.

Drugično srečo sem pa imel na pikniku Narodnega doma. Požuril sem se, da sem bil ob pole ure že na pikniku. Komaj sem se malo pomudil in obiskal bolno mamo Goriško, že me nekdo pobara, če imam pipe pri sebi. (Kdor od kluba Pipe nima pipe pri sebi, plača kazen). Pa sem mu jo pokazal, da jo imam, ker sem jo ravno kadil. Misil sem že, da je to kak član društva Pipe, ki me hoče spraviti ob desetko, pa sem videl, da je to tisti človek, ki je imel nalogo postreči vse ljudi z ohijčanom in je hotel imeti tisto pipe, po kateri curlja ohijčan.

Take pipe pa jaz nisem imel, zato se je obrnil na drugo firmo in je pipo tudi kmalu dobil. Prinesem nam ga eno mero in prvi, ki ga pokusi, reče: O, ja, ta pa, ta! Drugi je istega mnenja in tretji tudi. Komaj sem čkal, da bi prišla vrsta name, ker sem bil že takoj žeten, kot kepa na njivi. V takem suhem položaju pa človek ne more dobro presoditi, zato nisem rekel ne dobre, ne slabe besede. In ker ni sem nicesar rekel, me vpraša eden, kaj mislim o kapljici. Povedal sem mu naravnost in odkritoščno, da je za meni rojak in me vpraša, če hočem vzeti en listek, na katerega lahko dobim eno pečeno kokoš. Take pipe pa jaz nisem imel, zato se mi kar sline pocedile in sem takoj vzel listek. Ko so bili vsi listki razdeljeni, stope predsednik k nekemu kolesu in ga tako zavrti, da sem že misil, da se ne bo nikdar več ustavl. Kolo se ustavl na številki 70 in isto sem pa jaz imel. Hvala tistem, ki mi je listek dal, tistem, ki je kolo zabrnil in kokoši, ki mi je dala tako fino kosilo.

Reči moram, da je bilo pravjetno, samo malo premrzlo je bilo.

Za v nedeljo vas pa vabi društvo Zvon na vrtno veselico, ki bo ravno na istih prostorih. To društvo je poznano daleč na okoli radi svojega petja, katerega goji že 16 let v tej deželi. Člane tega društva videte pri vsaki prireditvi. Člani Zvona niso strankarji; oni gledajo samo na to, da goje slovensko pesem, poleg tega pa še najlepše in najboljše postrežijo svojim gostom z jedjo in pijačo in petjem in godbo, kadar imajo kako prireditvi.

Za v nedeljo bo igrал John Šulen orkester. Vabi se vse rojake, ki ljubijo slovensko pesem in ki ljubijo pošteno postrežbo in zabavo, da pridejo gotovo v nedeljo 1. junija na Zvonov piknik, ki bo v Randall, O. pri Anton Goršku na Green Road.

DR. MALLY POZDRAVI SLOVENSKE SKAVTE

V sredo večer je imela organizacija slovenskih skavtov, ali gozdovnikov, kakor jih nekateri imenujejo, v javni knjižnici na 55. cesti v Clevelandu svoj večer. To je bil njih prvi nastop v javnosti, kjer so pokazali zbrane občinstvu, česa so se navadili. Pokazali so življenje v taboričnih, razne signale in druge skavtske umetnosti.

Ta oddelek ima svoj glavni stan v St. Clair kopališču, kjer se zbirajo k vajam vsak petek večer. 25 slovenskih fantov je v tem oddelku, njih načelnik je John Ajster.

Dr. Mally je bil naprošen, da nagovori te naše dečke-skavte in nagovoril jih je v slovenskem jeziku. Dvorana v javni knjižnici je bila polna, seve, največ naših rojakov. Dr. Mally je nagovoril mlade gozdovnike s sledečimi besedami:

"Dragi mi! V čast si stejem, da mi je dana prilika nagovoriti vas v organizaciji skavtov. V kratkem času, ki mi je bil dan na razpolago, si nisem mogel pomagati drugače, kot da sem si spisal govor.

Namen organizacije The Boy Scouts of America je: uvesti, ali voditi naravno energijo mladeničev v taki smeri, da bodo zdravo zdravje in pa vedno skušali ostati moralno čist in pa pošten. Prvi mesec, ko dečko vstopi k skavtom, ima ime "tenderfoot" (mož mehkih nog). Po preteku dobe postane skavt druge vrste. Takrat mora znati zakuriti ogenj in skuhati nad tem ognjem krompir in meso v načinu, da pripravljen pomagati drugemu, da bodo vedno daroval svoje zdravje in pa vedno skušali ostati moralno čist in pa pošten.

Sedanja organizacija je izravne dveh različnih skupin: Ena je bila ustanovljena po Ernest Thompson Seton-u v Ameriki in druga po generalu B. Powell v Angliji.

Ernest Thompson Seton je spravil skupaj nekaj nagajivih fantkov, ki so povzročali veliko škodo na lastnini njegovega prijatelja. Mr. Seton je vzel te mlade razposajenčke v gozd in jih pričel seznavati z naravo, gozdom, živalih, pticah, rastlinstvu itd. Posledica tega je bila, da se ti mladeniči popolnoma predrugačili.

Angleška organizacija skavtov pa se je ustanovila o priliki obleganja nekega mesta, kjer so mlade fante uporabili za prenakanje raznih poroci. Mladeniči so se odlikovali v vseh ozirih, zato se jih je pozneje organiziralo v skupino skavtov.

Leta 1910 sta se sešla Ernest Thompson Seton in general B. Powell in sta se dogovorila, da bodo najboljje, če bi obe organizacije združile v eno, ker imata itak obe enake cilje in nazore. Tako je E. T. Seton leta 1910 ustanovil organizacijo The Boy Scouts of America.

V tednu pol leta se je organizacija razširila po vseh Zed. državah in tudi na se dogovorila, da bodo najboljje, če bi obe organizacije združile v eno, ker imata itak obe enake cilje in nazore. Tako je E. T. Seton leta 1910 ustanovil organizacijo The Boy Scouts of America.

Načelnik je pripravljal vsakemu skavtu brez izjeme.

Skavt mora biti vedno biti vreden polnega zaupanja.

Skavt mora vedno biti zvest svojemu Bogu in svojim staršem.

Skavt mora biti vporaben in koristen in vedno pripravljen pomagati drugemu.

Skavt je prijatelj vsakogar in je kakor brat vsakemu drugemu skavtu brez izjeme.

Skavt mora biti vedno vladen, posebno napram ženskemu spolu, otrokom, starim ljudem in pohabljenec. Za vse to ne smi nikdar vzeti kakega plačila.

Skavt uboga svoje starše, svojega vodnika in pa načelnika brez ugovera.

Skavt je prijatelj vseh živali.

Skavt je vedno vesel in dobre volje.

Skavt je varčen.

Skavt je pogumen.

Skavt je vedno snažen.

Skavt je veren.

Iz tega je razvidno, kako velikega pomena je ta organizacija ne samo za naše mladce, ne samo za ta rod, ne samo za to okolico, ampak za ves svet in za vse dobro človeški rod.

Zato vam polagam na srce, da imate vedno dobro besedo za to organizacijo. S čisto vestjo lahko priporočate to organizacijo vsakemu. Vam staršem polagam na srce, da vzpodobujate svoje mladce da so vestni člani te organizacije. Povabite v skavtske vrste vse one, ki niso še člani. S tem boste pripomogli, da bodo imeli ti naši mladci in rodu, ki pridejo za nami priliko do boljšega v življenju.

Prisrčna hvala za posluh!"

AMERICAN HOME JUNIOR

**Ray J. Grdina
Says**

And while our "Hooverian Prosperity" still continues in full blast and while the unemployment situation still fails to show the signs of recovery that were expected to come with the spring, our own Henry Ford comes to the fore with the contention that the way to salvation lies in the development of agriculture and manufacture with an eye to quantity production from the soil.

And he further warns that "it will take just as long to get rid of the depression as it did to accumulate it." That in itself, though not very promising, is logical; Rome was not built in a day, neither can a year's accumulation of fifth be cleaned out in ten minutes. The present depression is but a stage in the usual business cycle, which we believe, will never be entirely eliminated—plan as man might.

Ford further expressed the sentiment of many when he voiced the opinion that no amount of planning, predicting and issuance of optimistic forecasts will bring about a change in the present conditions, unless coupled with actions towards those ends. He goes further and emphatically states that since this country exists on the pay envelope—living a hand-to-mouth existence—that is where the reconstruction work must start and advocates the raising of wages, rather than the lowering them as is the present practice.

Increased wages will mean increased buying power which will demand increased production, thereby necessitating the employment of more men. Lowering wages, Ford points out, is the same as hitting a country when it is down. No possible good can come from it and those lowering the wages are only hurting themselves in the long run.

Fundamentally then, Ford's plan is basically an extensive building program with an increased wage scale—but as he points out—it will take years to accomplish a readjustment. But this same thing can be accomplished in a much shorter time by one single act of congress—the removal of the Prohibition.

Let the country go wet again, and immediately a building program will be started. New breweries will be built, old ones renovated, trucking and transportation will take an upward swing, carrying along with them all the allied industries of rubber, locomotive and track production, and construction. Mr. Jaksic of the North American Trust Co. conservatively estimates that within a period of six months, the removal of Prohibition would bring about the employment at least of 1,000,000 more men. But as Ford remarked much talk and no action gives a net result of zero. The matter resting with the people themselves.

Seriously speaking, those of us who are fortunate enough to be eating our three square a day, in no way realize just what a sad state of affairs exists. On one occasion we had the opportunity of speaking to a local doctor and he remarked that his office business had fallen off to almost one-half of what it was just because people have no money and do not consult a doctor until the time when medical aid has to be administered at the bedside, after the patient is almost hopelessly gone.

On another occasion we accosted two colored gentlemen who were going fishing. They explained themselves thusly: "Well, we can't get any work and we must get our food somehow!" Just think, to have to depend upon the chance of catching fish for one's daily substance!

There is no better ballast for keeping the mind steady on its keel, and saving it from all risk of crankiness, than business.

DORVAL GO CANCELLED

Ten-Round Bout Will Be Preliminary to Primo Carnera-K. O. Christner Fight

Henry Touchstone and not Napoleon Jack Dorval will be Frankie Simms' next opponent. And the scene of the battle will be the Fair Grounds in Detroit, Mich., rather than the local Taylor Bowl and the date will be June 5 and not June 3. In short, the card planned by Promoter Jimmy Taylor for the outdoor season inaugural has gone by the books and with it, Frankie's headline bout with Monsieur Dorval.

But the local knockerout is in great demand right now and Promoter Floyd Fitzsimmons of Detroit lost no time in signing him up as soon as he learned of the cancellation of the Taylor show. Henry Touchstone, Detroit heavy hope, was selected as the other man in the ring, and the two bruisers will step through the scheduled ten-round semi-final bout of a card headed by the Primo Carnera-K. O. Christner engagement.

And the go should be something of an attraction for theistic fans of the Auto City regard Simms as their own in virtue of the fact he got his pro start there. It was in Detroit the Slovenian first broke into prominence in the heavy ranks and after he had set up a string of kovo victories, Cleveland promoters realized his box office value and began using him in their shows. With Simms gone the Detroit patrons of the mainly art of self-defense cast their focus on Mr. Touchstone and he has replaced Frankie as their ring idol.

Naturally the appearance of both in the same ring is going to raise a hellabaloo in the town Henry Ford built.

But it has been some time since Frankie has appeared in a Detroit ring and the fans there are in for something of a surprise. When he last appeared there, they saw a big strong youth with a lethal leveling right hand and a willingness to mix it. Now they'll see that same big, strong youth with the same willingness to mix it, with the "Old Destroyer" as deadly as ever, but a much more finished boxer with a much more effective left hand.

For Frankie has improved considerably since he first climbed through the ropes of a local ring—even his most ardent knocker will admit that—and from the way he has been coming along, it is going to take a mighty good man to effectively meet him from the heavyweight picture.

BROOKSIDE CIRCUS

Sokols and Bathhouse Representatives Participate in Exhibition Tomorrow

Five tigers and their trainer, a kangaroo, clowns and statuettes will be the St. Clair Bathhouse's contribution to the circus portion of the monster outdoor exhibition being staged at Brookside Park tomorrow afternoon by the local bathhouse and gymnastic organizations.

A three-ring circus, with all the performances, animals and freaks nothing more than children in disguise will make up one part of the big program, while gymnastic drills, presented by local gym organizations, will take up the rest of the presentation. Featuring in the drills will be the popular Slovenian Sokols.

No prizes are to be awarded as the affair is not of a competitive nature, but purely an exhibition.

Joseph Fifolt, one of the outstanding young men of the Slovenian community will be graduated from State High School on June 6.

Commencement exercises will take place at the Old Stone Church, at 9 o'clock.

Talent Shown in Friezes by Students

Pictured above are two of the friezes done by students of last year Seventh Grade of St. Vitus School, under the direction of Sister M. Azeveda, S. N. D.

The friezes were done as part of the drawing courses in connection with classics being read in the English classes. Each frieze was done on a piece of gray wrapping paper and occupies

a wall space of 2½x10 feet. Every part of the frieze was first sketched and then outlined with India ink and finally filled in with black crayons.

Those illustrated are taken from the "Vision of Sir Lanfal," "The Great Stone Face" and "Christmas Carol," the stories being told in four motifs, with each motif representing a major incident in the plot.

The friezes have attracted nation-wide attention, prints being published in the 28th volume of the School Arts Magazine, while the original friezes were exhibited at the National Catholic Association in Toledo, from June 30 to July 2, 1929, where they attracted much favorable comment.

Clairwoods Play Saints in Headliner

S. Y. M. C. Team Meets Mir in Other Game on Tomorrow's S. D. Z. Schedule

Clairwoods will be out for their first league victory of the season when they cross bats with the SS. Cyril and Methodius aggregation in the headline attraction of the SDZ League games at Gordon park tomorrow morning. The Slovenian Young Men's Club, defending champions, will take on the Mir club in the other scheduled contest. Both games are slated for No. 6 diamond, the S. Y. M. C. and Mir teams opening up the fireworks at 9 o'clock after which the Saints and Clairwoods will mingle.

To date the Clairwood aggregation hasn't chalked up a single victory, suffering a 6' to 3 defeat at the hands of Cleveland in an abbreviated game last Sunday, the time limit being reached at the end of six and one-half innings of play. Jeraj, on the mound for the winners, struck out 13, while Kuhel walked off with the day's batting honors with a home run and two singles in three trips to the plate.

In the other game last Sunday, the Mir team pulled the big surprise by staging a ten-run rally in the sixth to beat out the Modern Crusaders, 14 to 11. The game puts the two teams on an even footing in the league standings, each having won and lost one for a mark of .500.

S. Y. M. C. and the Saints, with no defeats marked against them, head the procession, while Cleveland, Crusaders and Mir are tied for third with Clairwood bringing up the rear.

Misses Gornik, Vidervol and Suhađnik Spend Week-End in Capitol

And once again the stately Washington, D. C. attracts more of our young ladies to its realms. The latest to spend a few days in the nation's capitol being the Misses Honey Gornik, Pauline Vidervol, Martha and Marie Suhađnik.

The young ladies spent the last week-end there and though they claim they had a most enjoyable trip were disappointed in that they did not get to shake hands with President Hoover.

Miss Tekavec lives at 1256 Norwood Rd. She will be married to Frank Miklauč at St. Vitus Church, June 14.

MERCHANTS' PICNIC JUNE 8

Annual Association Outing to Be Excursion to Cedar Point; Entire Boat Chartered

Well folks, pack up the ol' lunch basket for picnic time is here. Yes sir! And anyone who attends the St. Clair Merchants' Improvement Association's annual outing next Sunday is going to have a picnic.

The business men have selected Cedar Point as the scene of this year's annual frolic and that means a swell boat ride, both going and coming, and a big time at Ohio's playground while there. Of course, there will be the usual dancing on the boat, with the vessel's regular orchestra supplying the music. But to make matters more interesting, the committee in charge of the excursion have arranged for accordion music for Slovenian dances, and you know what that means. And what's more, this will be the first of the association's many excursions wherein the merchants and their friends will have the entire boat to themselves, the committee having chartered the entire vessel. Which should mean just so much more fun.

The boat will leave the E. 9th St. Pier at 8:30 sharp, arriving at Cedar Point at about noon, and returning at 5 to pick up the picnickers. Tickets for the trip are selling for \$1.50 for adults and 75 cents for children and can be obtained at the offices of Amerika Domovina, and Enakopravost, the Minejich and Mihajlevich Bros. steamship agencies, both offices of the North American Trust Co. and at the International Savings and Loan Co.

Without doubt, there was a scarcity of pillows in many a home that evening, for most of the attendants looked like overstuffed parlor suites, and the vegetable bouquet, put you in mind of empty grocery stands.

Following the wedding proper, the bride's veil was ceremoniously removed and the "pillow" dance was in order. Louis Spehek furnished the music for the entire evening entertainment.
