SECURITY NEWS

DEATH ON THE HIGHWAY

Struck Down While Seeking Aid

Walking along the highway to secure help for a friend whose car had stalled, a 34-year-old café manager and owner was hit by a speeding car. He died a few days later, leaving a widow to carry on the business. She was faced with many problems including unanticipated expenses and business indebtedness. The situation was grave, but her husband, with love and foresight, had thoughtfully provided for just such emergencies.

ASSURANCE ONLY 1 WEEK OLD

Seven days before her husband met with his accident, the local representative of the Sun Life of Canada had sold him Endowment Assurance Policies of \$1,000 and \$2,000 respectively. The actual first premiums for these policies were paid only about two hours before the tragedy occurred, but there was no thought of the swift impending catastrophe in the minds of any concerned with the transaction. A very short time after the assured had died, the full proceeds of the two policies were paid to the widow by the Sun Life Assurance Company of Canada.

A SUN LIFE POLICY FOR YOU

Sun Life policy plans are carefully designed to provide maximum protection and security. Most contracts contain generous cash and loan privileges and offer a wide range of settlement options when the sum assured becomes payable.

LIMITED PAYMENT LIFE: Protection throughout life but with premiums limited to the higher earning period.

ENDOWMENT: Protection for dependents for a predetermined number of years. Ensures future cash for buying a home, children's education, travel, etc., or a lifetime income for retirement.

SALARY SAVINGS: Convenient payment of premiums by monthly deduction from salary or wages under arrangement with employers.

GROUP ASSURANCE AND "SMITTIES": Life assurance and retirement plans for employees at low group rates.

OTHER SUN LIFE PLANS: Family Income; Retirement; Pension; Mortgage Protection; Salary Continuance; Children's Special Assurance; Educational Policies; etc.

Let your friendly and experienced Sun Life Representative advise you on the choice of a policy most fitted to your needs.
