Luxfer Ltd.

London E. C. 2
16 Hill Street.

January, 25 36.

Dear Sir!

The British Museum, London mentioned your firm as to manufacture movable presses pulling forward from the end. Our University is interested on movable bookcases, which are constructed adequately for a modern Library.

We ask you very kindly to give informations about your produces and to send us some pictures or ather designs of the object we want.

Sincerely
