President's Address

Spoštovane članice in člani!

Naš predsednik g. Tomo Leš z ženo Wieslawo nas je presenetil z dopustom v Slovenijo in po drugih krajih Evrope. Odbor Slovenskega Kluba mu želi lep dopust in srečno vrnitev med nas.

Mnogo vsega se je dogajalo odkar smo Vam zadnjič poročali.

Imeli smo piknik v Sandy Creek. Odbornice so nam pripravile solate, naši kuharji pa so spekli BBQ. Imeli smo pijače po želji in posladili smo se z jabolčnim

štrudelom. Dan je bil lep in piknik množično obiskan.

Na 14. marca nas je obiskala ga. Božena Forštnarič tretja sekretarka Slovenske Veleposlaništve v Canberri. Mnogim članom to pomaga pri opravljanju službenih poslov s Slovenijo.

26. marca smo pripravili BBQ kosilo gostom iz Melbourna. Z avtobusom so si ogledali kraje naše lepe Južne Avstralije in se jim zahvaljujemo da so se ustavili tudi pri nas.

V soboto 29. aprila smo preživeli lep večer na koncertu »Veselite se z nami!«. Glas ga. Helene Blagne je res enkraten, ali kot to doma pravijo »super!«. Robert Goter prvak na diatonične harmonike nam je celo pokazal kako ležiš ali sediš na harmoniki in še vedno igraš.

Ansambel Ave nam je zaigral domače pesmi – spomini na mladost. Na račun humorista Vinka Šimeka (Dudeka) pa smo se od srca nasmejali. Naša dvorana že dolgo ni bila tako polna, mnogi so kar pri mizah plesali, ker jih noge več ne nosijo a srce bije hitreje in obuja spomine na mladost, na dom. Lepo je bilo videti goste iz Berri. Veseli me, da tudi tam še vedno žarijo mlada slovenska srca.

Prvega maja smo z avtobusom odpotovali v Mount Gambier kjer smo prespali dve noči, pogledali kraje tam in po poti ter se razvedreni, odpočiti ali utrujeni vrnili domov.

Materinski dan smo letos praznovali sedmega maja, en tened prej. Ta dan je bila večerja za vse člane brezplačna, za mamice pa tudi pecivo in pijača. Naši muzikantje – Ivan, Franc in Charlie – so nam malo zaigrali in zvečer smo se veseli razšli.

Z veseljem Vam sporočam da so naši stalni najemalci dvorane, Country Western Music, vprašali dvorano brezplačno. To smo jim darovali. Imeli so lep popoldan in so ves dobiček dali za punčko, ki boleha za raka.

Bliža se nam avgust – občni zbor – ki bo 13.8 ob 3:30 popoldne.

Naprošamo vse člane, da plačajo članarino tako, da bomo vedeli koliko nas je, ker ime samo na papirju malo pomeni.

Za vsa opravljena dela, pripravljanje in pospravljanje, kuharicam za okusno hrano, pomoč v vseh ozirih vsem mnogo hvala.

Bodite zdravi in veseli in nasvidenje v Klubu.

Lep pozdrav

Olga Hrvatin
Acting President

Greetings members!

Our president Tomo Leš together with his wife Wiesława has surprised us with his holiday to Slovenia and other parts of Europe. The Committee of the Slovenian Club wishes him a pleasant holiday and safe return among us.

A lot of everything has happened since we last reported to you. We had a picnic at Sandy Creek. The ladies of the committee prepared salads for us and our cooks baked the BBQ. We had a choice of drinks and for sweetening – apple strudel. The day had lovely weather and the picnic was well attended.

On March 14th Božena Forštnarič Third Secretary of the Slovenian Embassy in Canberra visited us. This helps many members in their dealings with Slovenia.

On March 26th we prepared a BBQ lunch for visitors from Melbourne. They toured our beautiful South Australia by bus and we thank them for also stopping by with us.

On Saturday April 29th we experienced a lovely evening at the "Veselite se z nami!" koncert. Helena Blagne's voice is excellent, or as they say in Slovenia "super!". Robert

Goter maestro of the diatonic accordion showed us how you could lie down or sit upon an accordion and still play it! The group Ave played us songs of home – reminders of our youth. The comic Vinko Šimek (Dudek) had us laughing from the heart with his antics. For many years our hall had not been this full, many danced while at their tables since their feet could no longer carry their

weight but their hearts beat faster and memories of youth and of home were evoked. It was lovely to see the guests from Berri. It makes me happy that there, too, glow young Slovenian hearts.

On the first of May we travelled to Mount Gambier by bus where we spent two nights, toured the sights there and along the way, then amused, rested or tired returned home.

This year we celebrated Mothers' Day on May 7th, a week early. On the day dinner was free for all members, and for the mothers cake and drinks were also free. Our musicians – Ivan, Frank and Charlie – played a little for us and in the evening we happily parted.

With happiness I let you know that our continuing lessees of the hall, Country Western Music, asked for the hall free. This we gifted them. They had a lovely afternoon and all profits were given to a young girl who is suffering from cancer. August is nearing – the annual general meeting – which will be held on 13th August at 3:30pm. We ask that all members pay their membership so that we know how many of us there are, just a name on paper means little.

For all the completed work, preparation and cleaning up, the cooks for tasty food, help in all respects – to everyone many thanks.

Be well and happy, and see you at the Club.

Greetings

NOVA Revija za Slovencev po svetu

Spoštovani rojaki po svetu, pred seboj imate prvo številko revije Moja Slovenija. Mesečnika, ki vam ga podarja Republika Slovenija kot znamenje spoštovanja do vseh, ki živite zunaj meja domovine, in kot sporočilo, da je naša skupna vez dragocena. Kako je prišlo do nove revije? Jeseni lanskega leta je vladni urad za Slovence v zamejstvu in po svetu objavil razpis za izdajatelja osrednje revije. Prijavili smo se nanj, saj smo ocenili, da lahko s takšno publikacijo, kot je pred vami danes, pripomorem k vaši boljši obveščenosti o Sloveniji. Ne le v aktualnem političnem pomenu! Želeli smo si, da bi lahko prebirali revijo, ki bo v vas vzbudila tople spomine na domovino in ki vam bo hkrati pomagala, da bodo vaše odločitve, vezane na Slovenijo, lažje in pravilnejše. Zavedamo se, da domovina ni le »Zdravljica in potica«. A zavedamo se tudi, da osrednja revija za Slovence, ki živijo na vseh kontinentih sveta, ne more biti zgolj akademska ali literarna. Vemo, da potrebujete koristne in konkretnje informacije, ki vam bodo dale o Sloveniji pravo sliko - ne glede na vaše politično prepričanje ali razlog, zaradi katerega ste šli po svetu za svojim kosom kruha. Konec leta je bil v Sloveniji zaznamovan tudi z dilemami, kdo naj izdaja osrednjo revijo za Slovence po svetu. V prepire in polemike se nismo aktivno vključevali, saj ne želimo ponavljati stare zgodbe o slovenski sprotosti in nevoščljivosti. Raje smo takoj začeli z

veseljem in trdo delati. Z željo, da postane Moja Slovenija naš skupni prostor dialoga in novic. Z iskrenimi željami za vse dobro v letu 2006, vaša urednica Karolina Vrtačnik

Revija je brezplačna in jo financira Urad Vlade Republike Slovenije za Slovence v zamejstvu in po svetu. Revija je brezplačno dosegljiva na izseljeniških in zamejskih organizacijah po svetu. Posamični naročniki plačajo stroške pošiljanja.

DZ sprejel zakon o Slovencih zunaj meja

Ljubljana, 04. aprila (STA)

Državni zbor je danes s 46 glasovi za in 12 proti sprejel predlog zakona o odnosih Slovenije s Slovenci zunaj njenih meja. Proti zakonu, ki je namenjen ureditvi odnosov Slovenije s Slovenci v zamejstvu in po svetu, pomagal pa naj bi tudi utrjevati narodno zavest in narodno identitet, pospeševati medsebojne stike ter krepiti sodelovanje na številnih področjih, so v skladu z napovedmi glasovali le poslanci LDS, katere amandmaje so danes ostali poslanci večinoma zavrnili.

Poslanci so sicer danes sprejeli tudi amandma koalicije k 70. členu, po katerem Slovenija poleg repatriacije podpira tudi druge oblike priseljevanja in vračanja slovenskih izseljencev in zdomcev ter njihovih potomcev. S to dopolnitvijo so zajeti vsi Slovenci, tako repatriirani kot tisti, ki ne potrebujejo finančne podpore države. S tem namenom Slovenija sprejema pravne akte, ki poenostavljajo ponovno integracijo izseljencev v slovensko družbo. Poslanci pa niso sprejeli večine dopolnil, ki jih je vložila LDS. Gre predvsem za amandma k 1. členu, ki je vsebinsko povezan z dopolnili istega predlagatelja k več členom VII. poglavja. Slednja so zaradi zavnitve dopolnila k 1. členu postala brezpredmetna. Zavnili so tudi amandmaje LDS k 19. členu, ki govori o Svetu za Slovence v zamejstvu.

Svet za Slovence v zamejstvu in Svet za Slovence po svetu, ki ju predvideva danes sprejeti zakon, bosta stalni posvetovalni telesi, sestavljeni pa ju bodo predstavniki državnih organov, ustanov in političnih organizacij ter organizacij civilne družbe iz Slovenije in zamejstva oz. izseljenstva. Seje svetov bo skliceval in tudi vodil predsednik vlade, ki bo tudi imenoval njune člane.

V svetu za Slovence v zamejstvu bo šest predstavnikov avtohtone slovenske narodne skupnosti v Avstriji (od tega štirje z avstrijske Koroške ter dva iz avstrijske Štajerske), štirje iz Italije ter po dva z Madžarske in Hrvaške.

V svetu za Slovence po svetu pa bo predsednik imenoval štiri predstavnike Slovencev, ki živijo v evropskih državah, od tega naj bi bila dva predstavnika slovenskih izseljencev v državah nekdanje Jugoslavije. Slovenci v Južni Ameriki bodo imeli v svetu tri člane, od tega dva predstavnika Slovencev v Argentini, Slovenci v Severni Ameriki pa tri predstavnike, od tega dva predstavnika Slovencev, ki živijo v ZDA, ter en predstavnik Slovencev v Kanadi. Poleg tega bo premier imenoval dva predstavnika Slovencev v Avstraliji in enega izmed Slovencev, ki živijo v ostalih državah drugih celin.

Med obravnavami v parlamentu so se mnenja precej kresala glede repatriacije. Predlog zakona je v 1.

Singing sensation Helena Blagne was a star attraction as were the group Ave, Robert Goter displayed his exceptional mastery of the accordion, and Vinko Šimek had everyone rolling around in laughter with his comedic routine. členu in v več členih VII. poglavja, ki govori o repatriaciji, poleg pojma repatriacija ali repatriirana oseba navajal tudi pojem priseljevanje oz. priseljeni Slovenec, kar so amandmaji, sprejeti v drugi obravnavi 2. marca, črtali.

V skladu z danes sprejetim zakonom se po postopku repatriacije v Slovenijo lahko priselijo Slovenci iz držav, za katere zunanje ministrstvo ugotovi, da so v hudi krizi.

Repatriirana oseba ima med drugim pravico do brezplačnega zdravstvenega varstva in pridobitve delovnega dovoljenja, lahko pa se tudi za največ 15 mesecev nastani v domu za repatriirane osebe, ki ga ustanovi vlada in kjer ima zagotovljeno tudi prehrano.

Repatriirane osebe brez drugih dohodkov so največ 15 mesecev upravičene tudi do denarne socialne pomoči.

Danes sprejeti zakon zajema tako Slovence v zamejstvu in po svetu s slovenskim državljanstvom kot tiste s statusom Slovenca brez slovenskega državljanstva, pa tudi tiste, ki so brez slovenskega državljanstva in brez statusa. Po različnih ocenah naj bi zunaj Slovenije prebivalo skoraj pol milijona Slovencev oziroma skoraj četrtina vseh pripadnikov slovenskega naroda. Približno 60.000 (12 odstotkov) tistih, ki imajo stalno prebivališče zunaj Slovenije, ima tudi slovensko državljanstvo.

Predlog krovnega zakona za Slovence zunaj Slovenije je 25. septembra lani sprejela vlada. To je bil sicer drugi predlog zakona s tega področja. Prvi predlog je od decembra 2002 do leta 2004

pripravljala parlamentarna komisija za odnose s Slovenci v zamejstvu in po svetu. Ta predlog je maja 2004 zaradi nekaterih spornih rešitev, ki naj bi jih vseboval, najprej zavrnila vlada, nato pa še državni zbor.

Danes sprejeti predlog je pripravil urad za Slovence v zamejstvu in po svetu, v vladno obravnavo pa ga je konec julija lani vložil tedanji vodja urada v odstopu Franc Pukšič.

Parliament Passes Act on Slovenians Abroad

Ljubljana, 4 April

The National Assembly passed the Act on Slovenians abroad in a 46-to-12 vote, with MPs from all parties bar the largest opposition party, the Liberal Democrats

(LDS), voting in favour of the legislation at the final day of the March session of parliament.

The aim of the legislation is to regulate relations between Slovenia and its minorities and expatriates as well as to strengthen national conscience and national identity.

The MPs also passed a coalition amendment to article 70, which calls on Slovenia to support other forms of return of Slovenian expats and their children apart from repatriation.

The passed changes concern all Slovenians including those who were repatriated and those who do not need financial support, therefore facilitating their reintegration into Slovenian society. The Council for Slovenians Abroad and the Council for Slovenians in Neighbouring Countries, as envisaged by the Act, will function as permanent advisory bodies.

The councils will be composed of representatives of state bodies, institutions, political organisations and civilian society organisations from Slovenia and abroad. Their sessions will be called and headed by the Prime Minister, who will also appoint their members.

Six representatives of the Slovenian minority in Austria, four from Italy and two from Hungary and Croatia will sit on the Council for Slovenians in Neighbouring Countries.

Meanwhile, four representatives of Slovenians living in European states, three from South America and North America apiece, two from Australia and one from Slovenians residing in other countries around the world will be appointed to the Council for Slovenians Abroad.

In line with the Act, Slovenians from countries for which the Foreign Ministry ascertains that they are in a deep crisis will be eligible for immediate repatriation.

Upon returning to Slovenia they will be given free health care and a working permit, as well as be allowed to stay for 15 months in a home for repatriated people and receive financial social aid, also for 15 months.

The Act encompasses three different groups of people: Slovenians with Slovenian citizenship; Slovenians without Slovenian citizenship; and those without Slovenian citizenship and without status.

According to some assessments, half a million Slovenians reside outside of the country, with some 60,000 of those holding Slovenian citizenship.

Rajko Djordjevič – High Achiever

Rajko Djordjevič is a man of many talents and has success in a number of fields through devotion to sheer hard work and driven by a high level of energy. Most recently we saw Rajko perform in Adelaide with his band Ave as part of the 15th Slovenian Anniversary tour of Australia. He plays guitar in the group, sings, writes songs, and on their current CD Igral Bom Za Zabavo, he wrote the song Vi ste heroji (You are heroes) which was the theme song for the 2006 Slovenian Winter Olympics team. The group Ave first formed 30 years ago and were one of the most popular bands in not only Slovenia but in the former territory of Yugoslavia. After a number of years they disbanded and only re-formed two years ago.

Rajko Djordjevič (left) and Adrian Vatovec

On the organization side of things, the Australian tour of the 15th Slovenian Anniversary shows was put together by Rajko and Vinko Rizmal of Melbourne. No small feat, considering some 14 shows were held and the number of artists involved. Rajko is also involved with artist management. He is Helena Blagne's manager for example. Together with a concert management company in Zagreb, he is organising The Rolling Stones concert in Zagreb, which has been rescheduled as Keith Richards had the misfortune of falling out of a coconut tree whilst on holiday in Fiji after completion of the Stones Australian tour. Rajko said that organising the Stones concert appearance in Zagreb is quite complex and has spent the past six months planning the event. The contract with the Stones is 250 pages in length and highlights every little operational demand in detail.

Rajko is the director of a television studio. He owns VTV televizija Velenje which he began 14 years ago and currently employs 68 people. VTV

Velenje and five other regional television stations comprise the third television network in Slovenia and combined they cover 70% of the country. He also happens to be president of this syndicate. As if Rajko was not busy enough on the Australian tour, he was filming segments of Australian life and interviewing interesting Australian Slovenians to be broadcast on his television station.

Rajko's 50th birthday party was celebrated with a difference. He organised a humanitarian concert where some of the greats of the Slovenian music scene donated their time to perform at the concert that spanned two days. In fact eighty acts performed, ranging from pop/rock to folk.

As the saying goes there are two types of people – some people make things happen and others just sit back and watch the world go by (and wonder what happened). There is no question which type of person is Rajko.

Izlet v Mount Gambier

Na jutro prvega maja 2006 se je nas vkrcalo celi avtobus upokojencev na 3 dnevni izlet po apneni obali južne vzhodne Južne Avstralije; naše središče je bil Mount Gambier. Prepustili smo se šoferju Colin in Olge Hrvatin načrtom, kamo bomo šli in kaj bomo videli.

Naša prva stopnja je bila v Meningie ob jezeru Meningie kjer smo pomalcali in dež nas je zapodil nazaj v avtobus, kar se nam je celo potovanje zgodilo. V lepem soncu smo si ogledovali kraje ali smo bili zmeraj prekrajšani ker je začelo deževat. Cesta nas je peljala 100 km okoli lepega Coorong National Park, celi čas smo imeli pogled na vodo na desno. Tukaj se naša reka Murray pomeša s slano vodo in napravi raj za ptice in ribe.

Kosilo smo imeli v Kingston pri velikemu raku, ena noga njegovega mesa bi zadostovala za nas vse! Ogledali in prehodili smo mesto Robe, ki je kot Kingston, Beachport in Port Macdonnell pristanišča ladij ki lovijo rake (crayfish). Velika industrija za ta košček Južne Avstralije, skoraj 150 km obale. Obala je nevarna in imajo dosti svetilnikov da ladje ne gredo na skale. Pri naselitvi te dežele je bilo dosti brodolomov posebno ko so našli zlato v Ballarat. Vse povsod so carinske hišice kot museji ali ker si

so hoteli ljudje prišparat 10 funtov carine so ladje kar izkrcevale ljudi na samem in potem so si mogli najti sami poti do Ballarat in to posebno na tisoče Kitajcev. Preko Millicent smo prišli v Mount Gambier. Lepa narava, dosti živine, posebno krave in nasadi smrek. To je velika zaposlitev za ta okraj: les, papir in živinoreja.

Škoda da sedaj vso surovino vozijo v Japonsko potem pa uvažamo napravljeni stvari. Cela ta dežela leži na apnencu spodaj pa voda. Colin nam je pravil če kaj vrtajo v zemljo zgubijo orobje ker jim kar pade v luknjo.

Mount Gambier je lepo mestece leži pod hribčkom ki je izumrl ognjenik. V njegovih kraterih so štiri jezera, največje se imenuje Blue Lake ki ima odlično pitno vodo in jo uporablja celo mesto in pokrajina. Ker od novembra do marca voda spremeni barvo ga kličejo Blue Lake. Bili smo v lepem motelu ki je bil naš dom za par noči. Dobra hrana in družba je napravila vse nas vesele.

Drugi dan smo se še vozili okoli obale Port Macdonnell, naš cilj ta dan je bila vožnja po spodnemu Glenelg River ki se izliva v morje pet kilometrov že v Viktoriji. Naša 3½ ur dolga vožnja je vključila kosilo. Reka teče tudi par kilometrov po Južni Avstraliji potem pa spet zavije v Viktorijo kjer je začela pod hribi Grampians in je dolga 450 km. V Glenelg National Parku reka teče med apnensko sotesko. Vse pri kraju v stene so male počitniške hišice ali pristanišča za ladjice. Zelo je popularna reka za »water ski-ing«, »canoes«, ribolov in gledanje ptic. Na poti nazaj smo si ogledali Piccaninnie Pond ker je kot eno močvirje ali zelo nevarno, ker je vse pod vodo, zelo globoko in dosti jam.

Potapljači (divers) s celega sveta hodijo na avantura v tej jami ali morejo imeti dovoljenje ker jih je že nekaj zgubilo življenje. Cela ta pokrajina je prepletena z jamami in vodami. Ogledali smo si mesto in greznice (sinkholes) ki so v sredini mesta. Izgledajo kot en lep vrt na stenah je polno cvetlic in vsa deževnica mesta se izliva v njih. Ko pada dež imajo lepe slapove. Zvečer smo videli in hranili »possums« ki imajo dom v stenah greznic.

Tretji dan našega potovanja proti domu smo se ustavili v Penola in ogledali začetek delovanja Mary McKillop ki je začela red sester sv. Jožefa (Josephites) ki so delale med

najubogimi ljudmi. Največja potreba so bile šole za otroke kar še zdaj napredujejo. Bila je preglašena za blažena leta 1995 ena stopnja prej ko bo prva svetnica za katoliško Avstralijo. Potem smo se peljali okoli vinogradov Coonawarra ki prideluje najboljše vino v Avstraliji. Vsi najboljši vinarniki imajo svoje vinograde. V Naracoorte smo se sprehodili in dobili energije z kosirom. Obisk vinarne in pokusit kaplice kraja je bil v Padthaway. Bil je zelo vesel ker smo tudi imeli s seboj muzikanta Ivana Benca ki nas je celo potovanje veselil s petjem in muziko. Hvala Vam, Ivan! Domov smo šli kar po bližnici v Keith in potem po Duke Highway. Pred klubom so nas čakali nasmejani obrazi možov ki so mogli delat in so pogrešali svoje drage. Bil je zelo lep in brez problemov izlet nas upokojencev in prostovoljnih delavcev Slovenskega Kluba Adelaide.

Kako pa vi spite?

Nekatere slabe spalne navade lahko ogrozijo vaše zdravje, zato je zelo pomembno, kako in kje spite. Ponujamo vam nekaj nasvetov, kako odpraviti neustrezne spalne navade in kako si lahko pričarate udoben in miren prostor za spanje.

10 slabih spalnih navad

1. Zvijanje

Slaba drža med spanjem je pogosto vzrok za bolečine v hrbtni, posebej pri ženskah, starejših od 30 let. Če se vso noč premetavate in zvijate, bo to povzročilo bolečine v hrbenici. Zato poskusite spati na hrbtni, pri tem pa si podložite blazino pod kolena, saj boste tako učvrstili spodnji del hrbtna.

2. Domače živali v postelji

Tudi če vaš hišni ljubljenc nima bolh, so njegova slina in dlake eden glavnih alergenov, ki povzročajo astmo in alergije pri enem od petih ljudi. Tudi njegove igračke so leglo bakterij in pršic. Dajte jih za deset ur

v zamrzovalnik in tako boste odpravili drobno golazen.

3. Obraz navzdol

Če spite z obrazom navzdol, vam to otežuje normalno dihanje. Tako spanje lahko celo povzroči kronično nespečnost, zato to navado čimprej odpravite.

4. Spanje z ličili ali parfumom

Pred spanjem vedno odstranite ličila z obraza, saj vam maskara med spanjem draži oči, puder, ki ga ne odstranite z obraza, pa lahko povzroči vnetje kože. Prav tako ni priporočljivo, da spite odišavljeni, saj lahko parfum povzroči napad astme ali alergijski nahod.

5. Odprto okno

Če bo v vaši sobi premrzlo, boste spali v skrčenem položaju, ki je škodljiv za vašo hrbtnico. Celo poleti je boljše, da imate okno zaprto in tako preprečite vstop alergenom in prašnim delcem. Pozimi pa v spalnici izključite ogrevanje, saj bo vroč zrak izsušil vašo kožo. Boljše je, da kupite debelejšo odejo.

6. Cvetje v spalnici

Sveže cvetje draži sluznico in povzroča alergije. Cvetje, ki se oprasuje z vetrom, kot na primer sončnica, povzroča največ alergij, medtem ko močno dišeče cvetje, kot je jasmin, lahko povzroči nahod in pekoč občutek v očeh. Če želite kljub temu imeti cvetje v spalnici, izberite takega, ki nima močnega vonja in se oprasuje z žuželkami, na primer tulipane.

7. Spanje ob prižgani luči

Če redno spite ob prižgani svetilki, ne boste deležni dovolj kakovostnega spanja, ki ponavadi nastopi v prvi polovici noči. Če ste navajeni spati ob svetlobi, jo ukinjajte postopoma, saj bi bila nenadna spremembra spalnega okolja še bolj moteča.

8. Sveže prebarvana soba

Barve in laki so hitro hlapljivi in njihove sestavine lahko povzročijo

težave z očmi, kožo in dihanjem. Najbolje je, da na novo pobeljeno sobo redno zračite in prve tri tedne po beljenju spite v drugem prostoru.

9. Čiščenje spalnice

Preveč vneto čiščenje lahko naredi več škode kot koristi. Mnoga sredstva za dezinfekcijo in osvežilci zraka vsebujejo kemikalije, ki lahko med spanjem dražijo kožo, nos, grlo in pljuča. Zato čistite spalnico zgodaj zjutraj, da se bo do večera vonj že nevtraliziral.

10. Poležavanje

Če bi imeli priložnost, bi vsi spali dlje, kot je potrebno. Vendar se po predolgemu spancu počutimo slabotno, kot takrat, ko se preveč najemo. Nekateri poskusili so dokazali, da ženske potrebujejo povprečno 15 minut spanca več kot moški, vendar pri količini spanja ne pretiravajte.

Kako najhitreje zaspimo?

Če imate težave s spanjem, vam ponujamo nekaj načinov, s pomočjo katerih se boste lažje pogrenzili v sproščajoč spanec.

- Ležite tako, da bo vaša glava obrnjena proti severu, stopala pa proti jugu. Tako bo vaše telo v harmoniji z elektromagnetnim poljem, ki vpliva na dober spanec. Po tibetanskem verovanju pa se boste tako tudi lažje spomnili sanj.

- Štetje ovčic je še vedno dober način za doseganje spanca. A pozabite na tiste, ki skačejo čez ograjo, te so preveč energične, da bi spodbujale spanec. Raje si jih predstavljajte, kako ležijo v travi in mirno dremljejo, ko vi letite nad njimi.

- Ne vznemirjajte se zaradi bedenja dolgo v noč. Britanska študija, ki je trajala 23 let, je dokazala, da reka "v posteljo s kurami" in "rana ura, zlata ura" ne držita, saj ljudje, ki so zgodaj vstajali in zgodaj hodili v posteljo, niso bili nič bolj zdravi od tistih, ki tega niso počeli.

- Migajte s prsti na nogah. Če ležite na hrbtnu, je to idealen način, da sprostite telo. Še prijetnejši način pa sta masaža ali spolnost.

- Pretvarjajte se, da je čas za v službo. Ko vas zbudi budilka in veste, da morate vstati, bi z veseljem še malo zadremali. Zdaj si to lahko privoščite in spanec bo zato še slajši.

V spalnici naj bo udobno

Spalnica je prostor, ki mu največkrat ne posvečamo dovolj pozornosti. Zato ne odlašajte in jo opremite tako, da se boste v njej počutili kar najboljše.

- Posteljo postavite tako, da boste imeli z nje najlepši pogled na sobo.

- Če vam v spalnici primanjkuje prostora, odvečne stvari spravite v škatle in pod posteljo.

- Posteljnino in pregrinjala menjajte glede na letni čas. Poleti uporabljajte tanke, bombažne rjuhe in lahke odeje, pozimi pa volnena pregrinjala in debelejšo posteljnino.

- V spalnici imejte stikalo, ki omogoča različno intenzivnost svetlobe. Tako boste lahko hitro zatemnili sobo in naredili intimnejše vzdušje.

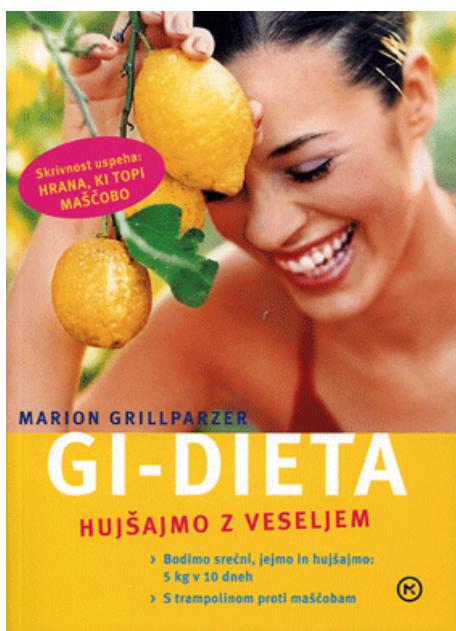

- Oljne lučke, nežne dišave in vrečke s sivko vas bodo pomirile in sprostile, tako da bo vaš spanec mirnejši.

- Spalnica naj bo prostor za počitek. V njej uporabljajte umirjene, naravne barve in tkanine, ki so prijetne na otip.

- Za nežen začetek vsakega jutra imejte pred posteljo mehko, puhasto preprogo, na katero boste stopili, ko vstanete.

Kraljestvo češenj (New Season Cherries Festivals in Slovenia – first weekends of June)

Vsako leto, ko dozorijo češnje (prvi vikend v juniju v Šmartnem in drugi vikend v Dobrovem), se Goriška Brda oblačejo v praznično obleko in takrat se odprejo vrata pridelovalcev sadja, vinarjev, kmečkih turizmov ... Letos je na prireditvah sodelovalo približno 600 glasbenikov, na račun so prišli tisti, ki imajo radi plesne točke, tisti, ki radi pogledajo lepe punce, saj je bila izbrana miss češenj ... V nedeljo, ko je potekal prevod po Dobrovem, pa

bi lahko rekli, da je vino teklo v potokih in da je bilo češenj dovolj za vsakogar. Zanimiva predstavitev vasi je potekala kar na različnih vozilih. Ja, češnje imajo svoj čar in ko Brda pordečijo, je čas, da okusite vsaj delček dogajanja.

in Australia ...

Kangaroo fillet with Yakajirri rosti, aniseed myrtle mushrooms, quandong confit and crispy enoki

Kangaroo is such a wonderful game meat to cook with.

Serves 5

*5×120g kangaroo fillet
6g alpine pepper
3g Australian Outback Salt
10 pieces quandong confit
1 punnet shitake mushrooms
1 punnet oyster mushrooms
1 punnet enoki mushrooms
50ml chicken jus
3g aniseed myrtle
80g corn flour
10g butter*

For Yakajirri rosti:

*7g Yakajirri
750g Idaho potatoes
1 egg
50g corn starch
2 shallots (finely chopped)
5g Outback salt
10g butter*

Firstly peel and grate the potatoes. Squeeze the gratings and strain off any liquid. Combine potato and remaining ingredients. Season.

On a hotplate or skillet and using egg rings, place a little potato mixture into the egg ring. Seal both sides, then place on baking tray. When all are sealed off, bake the rosti in the oven at 170°C until well browned.

In a saucepan melt a little butter, sauté the oyster mushrooms and shitake mushrooms and deglaze with chicken jus then season with aniseed myrtle.

Season the kangaroo fillet with Alpine Pepper and Outback Salt. Sear on grill until medium rare. Allow to rest, then slice across the grain.

Break the enoki mushrooms apart, then place in corn flour and deep fry till

golden. Remove and allow to drain on paper towelling.

To serve, place the rosti on the plate, then the mixed mushrooms and the kangaroo on top. Garnish with crisp enoki mushrooms and drizzle the prepared mushroom sauce around the edge of the plate.

Kranj celebrates 750 years

The Slovenian city of Kranj this year celebrates 750 years since it was first mentioned as a city. To mark the anniversary, it will stage an exhibition on the city's history from 1256 until today. Kranj is located in the central part of Gorenjska, Slovenia's northwestern

region at the foot of the Alps. It has a population of 51,000 and covers an area of 148 km².

Carinthian Duke Ulrich III von Spanheim had written a charter on 18 June 1256, giving the counts Henrich and Friderich of Ortenburg a piece of land to build a fort in the city of Kranj (civitate Creinburch). The grey rock promontory on which the ancient city of Kranj stands was inhabited as early as the first century B.C.

Kranj is also called the "City of Prešeren" because Slovenia's greatest poet, Dr. France Prešeren (1800-1849), lived, worked, and died here.

On April 21, the Slovenian Parliament passed the Act on the registration of property, a key piece in the mosaic of the government's efforts to introduce property tax. The centrepiece of the Act, which was passed in a 61:6 vote, is the introduction of a real estate registry. Property tax, which will replace the municipal "compensation for the use of building land", which is unique to Slovenia, will be set on the basis of the market value of property.

Slovenia is one of the most economically successful countries to have joined the EU in the most recent round of enlargement in 2004. Among other things, it is expected to become the first of the ten newcomers to join the eurozone, expectedly on 1 January 2007.

Slovenia will be the first of the European Union (EU) newcomers to chair the EU in the first half of 2008.

Slovenia's GDP per capita stood at 76% of the EU average in 2003 and currently sits at 80%, putting the country above the 75% threshold for receiving EU funds under Objective 1, according to Eurostat data.

Dragi Adrian!

Prisrčna hvala za prejeti časopis "Slovenia South Australia", ki ga z zanimanjem preberem, vsaj slovenski del, angleččino bolj slabo obvladam. Posebej zanimivo je bilo tokrat poglavje o slovenskem Kulturnem prazniku in o Prešernu (Andreja Dermol in prevod Rosemary Poklar). Ugotavljam, da se Slovenci v Avstraliji držijo svojih navad in starih tradicij in da ostajajo zvesti kulturi svojih slovenskih prednikov.

Čestitam!
