

pešnosti. Vključena je v različne mednarodne in nacionalne projekte (zgodnje opuščanje šolanja, odnos do znanja v družbi znanja).

Katja Kerman

Katja Kerman studied psychology at Faculty of Arts, University of Maribor, where she graduated with a Masters' thesis titled »Physiological indicators and self-rated stress: The influence of working conditions and personality traits«. As a doctoral student at University of Vienna, she will continue her research work, focusing on new work demands in light of physical and psychological health.

Katja Kerman je študirala psihologijo na Filozofski fakulteti Univerze v Mariboru, kjer je študij zaključila z magistrskim delom z naslovom »Fiziološki indikatorji in samoocena stresa: Vpliv delovnih pogojev in osebnostnih lastnosti«. Raziskovalno delo bo nadaljevala kot doktorska študentka na Univerzi na Dunaju, kjer bo preučevala sodobne delovne zahteve v luči pokazateljev telesnega in duševnega zdravja.

Ana Kozina

Ana Kozina is a researcher, assistant professor and a head of the Centre for evaluation studies in Educational Research Institute. Her work is in the field of developmental and educational psychology. She is focused on the developmental and time related trends of aggression and anxiety (in childhood and adolescence) their interplay and the role anxiety and aggression play on individual level, on school level and on the community level (with possible prevention and intervention designs). In the field of education she is interested in the factors related to students' achievement (school climate, social and emotional learning, motivation...). She has been involved in several national and international research and evaluation projects. She has successfully finished postdoctoral project: Development of guidelines for aggression reduction on school level based on an anxiety-aggression model and trend analyses of anxiety and aggression in Slovenia primary schools from year 2007 to year 2011. Her work is presented on national and international level (e.g. conferences, journals, monographs) on regular basis. She is a member of Editorial board: Educational research Institute Press.

Ana Kozina je diplomirana univerzitetna psihologinja, doktorica psiholoških ved in docentka za psihologijo. Zaposlena je na Pedagoškem inštitutu, kjer je vodja Centra za evalvacijske študije. Njeno raziskovalno delo sega na področji pedagoške in razvojne psihologije. Ukvarja se z razvojem agresivnosti in anksioznosti (obdobje otroštva in mladostništva) ter njune interakcije na ravni posameznika in na ravni širšega družbenega okolja
