STEV. LXXIV — VOL. LXXIV

Pakistan pustil SEATO

Pakistan je bil najtrdnejši azijski član obrambne zveze SEATO, ki jo je l. 1954 ustanovil državni tajnik J. F. Dulles za obrambo jugovzhodne Azije.

RAVALPINDI, Pak. — Pakistan je ta teden pravno stopil iz obrambne zveze za jugovzhodno Azijo SEATO, ki so jo Združene države ustanovile leta 1954, da bi kot NATO v Evropi zavrala širjenje komunistične oblasti v tem delu sveta. Pakistan je bil eden najvažnejših članov te zveze in je tvoril njeno povezavo s tedanjim Bagdadskim paktom, sedanjim CENTO in preko Turčije z NATO. To je bil obroč, ki je dejansko varoval ves južni del Evrope in Azije tja do Daljnega vzhoda, ki je bil varovan z obramnimi pogodbami z Južno Korejo, Japonsko in Formozom.

Pakistan je do lanske jeseni obsegal Zahodni Pakistan, ki je segal v Prednjo Azijo, in Vzhodnji Pakistan, ki je obsegal del Bengalije. Bengalija je postala lani v decembru samostojna republika in Pakistan je dejansko prenehel biti del jugovzhodne Azije. Tako je do neke mere razumljivo, da je stopil iz tamkajšnje obrambne zveze. Za enkrat je še ostal član CENTO.

V SEATO so ZDA, Vel. Britanija, Francija (samo uradno), Tajska, Filipini, Avstralija in Nova Zelandija. Zadnji dve sta povezani z ZDA še v posebni vojaški obrambni zvezi ANZUS. Ko sta videli, kako je britanska svetovna in vojaška moč v drugi svetovni vojni propadla, sta se oprli za svojo obrambo na ZDA, ker se čutita v nevarnosti in negotovosti pred bližnjo Azijo, ki se je še nedavno ogledovala po "novem življenjskem prostoru".

Nixon pripravlja večje spremembe sodelavcev

WASHINGTON D.C. — Tiskovni tajnik predsednika R. M. Nixon-a R. Ziegler je napovedal, da bo predsednik Nixon izvedel večje spremembe med svojimi sodelavci v Beli hiši in posebno še v sami vladi. Ni povedal nobenih podrobnosti, vendar je znano, da bosta med prvimi, ki želita oditi, obrambni tajnik M. Laird in G. Romney, tajnik za mesta in stanovanja.

Kot je običaj v takih priložnostih, bodo vsi člani vlade odstopili, da dajo predsedniku možnost svobodne spremembe in nove izbire sodelavcev, ko se priprala na novo poslovno dobo. Pričakujejo, da bosta vladu zapustila pravosodni tajnik Kleindienst in delavski tajnik Hodgson, morda pa celo tudi državni tajnik W. P. Rogers.

Predsednik je s svojo ženo, hčerkama in zetoma ter s svojimi najožjimi sodelavci odletel v Key Biscayne na nekaj dnevnih odmor in razgovore o naslednjih korakih v domači in mednarodni politiki, pa seveda tudi o izdelavi načrtov za novo poslovno dobo.

Slovenec načelnik generalštaha SFRJ

BEograd, SFRJ. — Na mestu umrlega gen. Viktorja Bubanja je bil imenovan za novoga načelnika glavnega stana jugoslovenskih oboroženih sil gen. Stane Potočar, dosedanji poveljnik ljubljanske vojne oblasti, ki se je posebno dobro izkazal pri lanskih velikih vojaških vajah.

Gen. Stane Potočar je star 51 let in je šel v partizane l. 1941. Naslednja leto je postal član Komunistične partije. Menda je osebni prijatelj Staneta Dolanca, ki od lanske jeseni kot Ti-

tova desna roka vodi čistke v Komunistični partiji po vsej Jugoslaviji.

Menda je to prvikrat v zgodovini Jugoslavije, da je na čelu glavnega stana oboroženih sil Slovenec, kot je bil prvikrat pred njim Hrvat gen. Viktor Bubanj. Tako gen. Bubanj kot gen. Potočar sta trda komunistična, partizana, ki sta svoje visoke vojaške šole opravila v Sovjetski zvezi.

Princ Jurij je pred nekaj leti izdal knjigo o svojem življenju, ki je vzbudila precej zanimanja doma in v tujini.

Borba za novo vodstvo demokratske stranke

Guvernerji, kongresniki, dežavni vodniki in vodilni člani demokratske stranke pripravljajo skupen nastop za postavitev novega glavnega strankinega odbora.

WASHINGTON, D.C. — Demokratska stranka je doživela enega največjih porazov v predsedniških volitvah v zgodovini ZDA. Ni torej prav nič čudno, da so se odgovorni strankini vodniki v Kongresu in v posameznih državah, pa tudi vodniki delavskih unij, ki demokratsko stranko običajno podpirajo, odločili, da preskrbe stranki novo osrednje vodstvo.

Eden od znanih demokratov je dejal: "To je zločin proti demokraciji, da smo imeli kandidata, ki ni predstavljjal demokratske stranke, in ne maramo, da bi se to še kdaj zgodilo. Mi hočemo, da strankina organizacija predstavlja vso stranko in ne en njen del. Mi ne maramo stranke, ki se stoji samo iz Belle Abzug na eni in Jesseja Jacksona na drugi strani!"

Cilj omenjene skupine bo postaviti na čelo glavnega strankinega odbora novega načelnika namesto Jean Westwood, ki je na to mesto imenoval sen. McGovern po strankini konvenciji v juliju, pa izmenjati tudi vse ostale glavne odbore tako, da bo odgovarjal sestavi demokratske stranke kot celote. McGovern in sedanje vodstvo se bodo vsaki spremembip upirali, vsaj Jean Westwood je to javno izjavila.

Sen. E. Brooke misli na leto 1976

BOSTON, Mass. — Sen. Edward M. Brooke je v torek pri volitvah v senat zmagal z veliko večino in si s tem zagotovil novih 6 let v zveznem Senatu. Dejal je, da v letu 1976 ne izključuje tudi svoje kandidature za predsednika ZDA.

Boggs in Begich zopet izvoljena v Kongres

WASHINGTON, D.C. — Kongresnik Nicholas Begich z Aljaske in kongresnik Hale Boggs iz Louisiane, ki ju pogočajo od sreda oktobra, ko sta odletela v malem letalu iz Anchorage v Juneau, pa nikdar dosegla cilja, sta bila izvoljena 7. novembra znova v Kongres.

Kong. H. Boggs je vodnik demokratske večine v Predstavninskem domu in njegovo mesto bodo vsaj začasno morali izpolniti, dokler dokončno ne ugotove, kaj se je s pogrešanima zgodilo ali ju najdejo živa ali ju proglaše za mrtva. Dotlej bosta najuni mesti v Kongresu ostali

Brandi pomiril Izrael

Zahodnonemška vlada je za-

getovila Izraelu, da ne bo

popuščala arabskim terori-

stom.

TEL AVIV, Izr. — Izraelska predsednica vlade Golda Meir je dobila od nemškega kanclerja W. Brandta noto, v kateri ta zagotavlja, da Zahodna Nemčija ne bo klonila pred nasiljem.

W. Brandt miri Izrael, kjer je prišlo do obsodbe nemškega popuščanja arabskim teroristom, ki so ugrabili letalo Lufthanse nad Turčijo pretekel mesec, pa nato zahtevali tri v Nemčiji zaprte arabske teroriste, ki so bili obtoženi pomora 11 izraelskih športnikov na olimpijadi v Muenchenu v preteklem septembru.

Nemčija je zaprte arabske teroriste ugrabiteljem izročila, da bi rešila potnike in letalo. To je tudi uspelo. Letalo se je postavilo v Nemčijo, ko je izvrnilo v Nemčijo, ko je izjavil sam Tito. Na prste so začeli stopati "bilijonarjem" z več stanovniki, letnimi hišami v planinah in na morju, z dragimi tujiimi avtomobili... Povedati morajo, kako so do vsega tega prišli, ko je najvišja mesečna plača omejena na \$400!

Liberalni zagovorniki, prijeti, pa se je sedaj po novem pojasiščil v zagotovilu W. Brandta pomiril. Spor naj bi bil z omenjeno nemško noto Izraelu zaključen.

Partija jemlje trdo v roke vso javno upravo, pa tudi vse gospodarstvo, za "liberalizem in postupljivost in prav nobenega prostora več", kot je izjavil sam Tito. Na prste so začeli stopati "bilijonarjem" z več stanovniki, letnimi hišami v planinah in na morju, z dragimi tujiimi avtomobili... Povedati morajo, kako so do vsega tega prišli, ko je najvišja mesečna plača omejena na \$400!

Nixonov plaz pri volitvah v torki je pokazal, da hoče Ameriko konec vojne v Indoneziji na "časten način", kot je to ugotovil takoj po volitvah glavnega predsednika AFL-CIO G. Meany. Pokazal je, da hoče Amerika mir in varnost v svetu, pa tudi mir in varnost doma. Sita je poročil o izgredih, uničevanju in nemirih po velemestih in na visokih šolah. Trenutno ji ni do nobenih večjih in radikalnejših sprememb. V kolikor so spremembe nujne v soglasju z novimi razmerami, naj bodo te postopne, ne pa revolucionarne.

Ameriške množice hočejo mirno, zadovoljivo življenje,

ne marajo, da bi jih kdo v njenih blagostih motil,

pa če vrši to tudi samo z opozarjanjem na stisko nekaterih v lastni deželi in na stisko milijonov izven nje. Ni to pomanjkanje sočutja in po-

manjkanje pripravljenosti

na prekriževanje preprek v ZN, ko sta

se med seboj sporazumi in se dogovorili o medsebojnih

odnosih.

ZA LIBERALIZEM V SFRJ NI NOBENEGA PROSTORA!

Za liberalizem in popustljivost ni v Jugoslaviji prav nobenega prostora več, je dejal predsednik Broz Tito. Čista sega vedno širše in globlje v partijske vrste. Na vristo prihajajo tudi že "bilijonarji", ki niso v partijskih položajih in ne dovolj "zanesljivi" in predani Titu.

"JESENSKI DNEVI PRI SV. VIDU"

Stara cerkev in stara šola Sv. Vida

"Majhna je bila..."

Lepo se je molilo v njej...

Pa petje, o — to vam je bilo..."

CLEVELAND, O. — To so besede Otoničarjevih mater. Kdo pri Sv. Vidu jih ne pozna? Vse jih pozna po njihovem delu za faro Sv. Vida, za cerkev. Vse jih spoštuje. Povedali so mi jih zadnji teden, ko sva se pogovarjala o nekdanjih časih pri Sv. Vidu. Mati so namreč najstarejša članica vidovskega Oltarnega društva. Nad 62 let se že udejstvuje pri njem. Vsa ta leta so bili delovni in požrtvalni, da jim ni para v tem pogledu.

Oltarno društvo fare sv. Vida šteje danes nad 300 članic in se v tem pogledu kosa samo z vidovskim Društvom najsvetjejšega imena Jezusovega, katero šteje danes 455 udov. Društvene članice so vse od svoje ustanovitve zbirajo vsak četrtek zvečer v cerkvi sv. Vida k uru molitve pred Najsvetjejšim. Naj bo lepo ali grdo vreme, nič jih ne zadriži, da ne bi prišle skupno počastiti Najsvetjejšega. V tem je blagoslov, ki spremja vidovsko župnijo vse od njene ustanovitve v letu 1893, ker se v njeni cerkvi toliko redno skupno moli.

Razen tega pa Oltarno društvo tudi stalno gmočno podpira cerkev. Vse njegove izvencervene prireditve služijo temu namenu. Dokler še ni bilo sedanje cerkev odnosno dvorane pod njo in dokler še ni bilo sedanje velike vidovske šolske dvorane, so bile vse prireditve vidovskega Oltarnega društva v prostoru, koder je sedaj nameščena knjižnica vidovske osnovne šole, Kovačevi načrte. Vse je bilo narejeno z veseljem!"

Ko sem zadnjič Otoničarjevo mater prosil, naj mi kaj povedo, kako je bilo v starci leseni cerkvi pri sv. Vidu, so jim oči kar zagozidle in obraz razsvetlili. "Majhna je bila, zato pa tudi vedno polna", so mi odgovorili. Radi smo jo imeli. Vsi! Tako lepo se je dalo moliti v njej. Vsi smo bili skupaj. In petje! To vam je nekaj bilo. Mogočno! Vsa cerkev se je tresla, ko je pel v njej cerkveni pevski zbor, katerega je vodil takratni organist rajni Matej L. Holmar, ki je bil doma tam nekod od Kamnika na Gorenjskem. Naš Matej je bil že v starem kraju organist in je tudi tukaj v Clevelandu vodil celo vrsto slovenskih pevskih zborov.

Farno kosilo

Ko sem te dni premišljeval, kaj utegne naše ljudi najbolj pritegniti na naše letošnje farne "jesenske dni", mi ni bilo treba kaj prida ugibati. Vprašal sem se, kaj pri fari sv. Vida vselej uspe. Na to vam ni potrebno odgovarjati, ker to že sami najholje veste. Obedi ali kosila so to, katera nam od časa do časa pripravijo naše žene-materje, zbrane pod okriljem naše-

ga farnega Oltarnega društva. Fare Sv. Vida si skoro ni mogoče misliti brez teh zvestih molilk in častilk Najsvetjejšega vsak četrtek večer v tednu. Skušal sem ugotoviti točen datum ustanovitve njihovega društva, pa ga nisem mogel. Zagotovljalo se mi je, da je bilo organizirano že takoj ob ustanovitvi fare leta 1893. Od ustanoviteljev danes ni nobene več žive. Med živimi članicami pa je najstarejša Otoničarjeva mati, ki že 62 let prihaja redno vsak teden k njihovi molitveni uri pred Najsvetjejšim v cerkvi sv. Vida. Obenem pa je ta žena farna društvena delavka, da ji ni para. Požrtvovalna je in aktivna za vse dobro, kar služi Cerkvi. Za dobro naše farne cerkve je pripravljena vse storitev. Kot taka pa je tudi najboljši zgled vsem svojim sodelavkam in pomoč-

nicam. Obed, katerega nam bodo pripravile članice Oltarnega društva za letošnje vidovske "jesenske dni", v nedeljo, 19. novembra, bo okusen in poceni. Cena mu bo samo dva dolarja. Za to pa bomo dobili na krožniku tisto čudovito dobro juho, "žup'co", kakor jo znajo pripraviti samo roke slovenskih kuhanec. Juhi bo sledil potem še drugi, mesni del obeda z vsemi dodatnimi dobratimi in seveda tudi s kavo. — Dnevi postajajo vedno bolj hladni. Zato pa si zaželi vsak izmed nas krožnik dobre tople juhe. Že samo zradi se to se izplača udeležiti se naših letošnjih "jesenskih dni". Rojakinja in rojaki, ne samo iz fare sv. Vida, tudi od drugod, pridite v nedeljo 19. novembra k Sv. Vidu na obed. Res, ne bo vam žal!

Slovenski dan v Chicagu lepo uspel

CHICAGO, Ill. — Lepo je bilo in veliko ljudi je prišlo k Sv. Stefanu dne 28. oktobra. To je bil 22. slovenski dan. Uspeva pod vzornim vodstvom "SARC", katerega predsednik je Dr. Ludvik Leskovar, in katerega skupno tudi 20 let letom proslavimo.

A! Tudi tokrat smo prišli kot zavedni Slovenci, ker se ljudimo slovensko materino besedo, slovensko pesem, in slovenskega prijatelja. Prišli smo tudi kot iz hvaležnosti in v priznanje, da vsaj z našo navzočnostjo pokažemo, da smo hvaležni za trud in delo, ki je pri slovenskih programih vloženo. Pa še več. Hoteli smo srečati tudi slovensko skupino "HENČEK".

Prinesli so nam tudi oni košček domovine v besedi, pesmi in v slikah. Oder je predstavljal "BLED" tako živo, da so se vzenili v nas srca. Ob pesmi "Po jezeru blizu Triglav..." je malo manjkalo, da ni cela dvorana zapela. Prisrčen je bil tudi njihov voditelj. Držal nas je stalno pri smehu. Zato ni čuda, da so ga kar na odrnu krstili in mu dali novo ime "Slovenski Bob Hope". Seveda so se lepo potrudili tudi muzikanti in pevci in nam bodo ostali dolgo v lepem spominu.

Kakor vsako leto je tudi letos prišlo na vrsto "ODLIKOVANJE" zaslужne osebe. Nestrpno smo čakali, koga bo doseglia ta čast? Po daljšem razlaganju o zaslugah in dobrodelnosti je bilo povedano tudi ime MR. LUIS ZEFRAK. Prisrčen plesk je odmeval po vsej veliki dvorani. Iskrene čestitke so od vseh navzočih veljale za vso cenjeno Zefranovo družino. Mr. Louis Zefran je res zaslужna osebnost. Zato še enkrat naše najiskrenje čestitke in živel!

Ob takih prilikah, ko vsa srca vsaj za nekaj trenutkov v duhu poletijo v domovino, v brezkrbno mladost k svojim in jih v duhu objemamo, se tudi sprašujemo, kdaj nam bo zopet bodočnost prinesla takšno domačnost, iskrenost in ljubezen, ki jo v dno duše čutimo? Noben drug svet nam nekaj podobnega ne more dati kakor samo slovenski.

Zato smo bili tudi veseli, ko nam je ga. Fanika Humar razgala o drugem slovenskem nastopu. Ta bo v lepi "ORCHESTRA HALL" v nedeljo, dne 4. februarja 1973 ob 6:30 večer. Vstopnice so že zdaj na razpolaganju.

Prosim, zaznamujte si ta datum že zdaj in povejte o tem svojim prijateljem. To bo zopet nekaj novega in bo v čast vsemu Slovencu. Cene za to so \$7, 6, 5 ali 3. Že zdaj smo vsi prisrčno vabljeni.

Torej vsem, ki so nam ta lepi SLOVENSKI DAN pripravili, naša najiskrenje zahvala. Upamo, da bomo še deležni več Slovenskih dnevov v Chicagiju.

V spomin vernih rajnih

CLEVELAND, O. — Na različnih pokopališčih počivajo trupa naših rajnih vernih rojakov in rojakinj. Največ jih je pokopanih na pokopališču Kalvarija; v zadnjih letih pa jih pokopavajo v vedno večjem številu še na pokopališče Vernih duš. Ker je v ZDA Cerkev ločena od države, katoliški praznik Vse svetnikov ni dela prost dan. Po naših katoliških cerkvenih zapovedih so Vsi sveti slovenski praznik, ko je vsak vernik dolžan biti pri sv. maši. Večina vernih opravi to dolžnost ali pred svojim delovnim časom ali po njem. Na praznik Vseh svetih na pokopališčih na ta dan zato ni kakih posebnih pobožnosti, ker bi se jih katoliški verniki kratko malo ne bi mogli udeležiti. Molitvene pobožnosti za verne rajne so zato na nedeljo po Vseh svetih, a ne ob grobovih na pokopališčih, marveč po cerkvah.

Pri Sv. Vidu se nas je zadnjo nedeljo, 5. t.m., popoldne ob pol treh zbralo k molitveni pobožnosti za naše rajne nenavadno lepo število vernih. To pobožnost organizira pri Sv. Vidu vsako leto na to nedeljo farno Društvo najsv. Imena Jezusovega, katero je največja organizacija mož in fantov v fari. Tudi letos je bila dobro pripravljena. Opravljena je bila v obeh jezikih, v angleščini in slovenščini. Vodil jo je župnik Father Rudolf Praznik. Poleg uvodnega bogoslužnega branja iz Sv. pisma stare in nove zavez, priložnostnega govora in posebnih prošenj je bil še blagoslov z Najsvetjejšim in nato pred Njim opravljene litanije Sv. Imena Jezusovega.

V času od lanskih do letošnjih Vseh svetih je umrl pri Sv. Vidu okrog 100 oseb, od katerih jih je 10 pripadal bratovščini najsv. Imena Jezusovega. Gošpod župnik pa se je v svojem govoru in molitvah posebej spomnil tudi vseh drugih rajnih faranov kakor posebej tudi rajnega škofa Gregorija Rožmana. Nedeljski molitveni pobožnosti se je udeležilo poleg udov DNIJ in njihovih svojcev, tudi mnogo drugih vernih. Vsi so bili zadovoljni in DNIJ hvaležni za lepo pobožnost, posebno gospodu župniku, društvenemu duhovnemu voditelju. Izražena je bila želja, naj bi prihodnje leto tej pobožnosti dodali še molitve sv. rožnega venca za raje.

Za električno in plin zahtevajo prevec

WASHINGTON, D.C. — Odbor državnih uradnikov, ki urejujejo vprašanja oskrbe z električno in plinom, je mnenja, da te družbe zahtevajo previsoka plačila za tiste, ki zakasnijo s plačili v določenem času. Prav tako smatrajo, da zahtevajo te družbe previsoko varčiščo od novih strank za priključek in oskrbo.

Ob takih prilikah, ko vsa srca vsaj za nekaj trenutkov v duhu poletijo v domovino, v brezkrbno mladost k svojim in jih v duhu objemamo, se tudi sprašujemo, kdaj nam bo zopet bodočnost prinesla takšno domačnost, iskrenost in ljubezen, ki jo v dno duše čutimo? Noben drug svet nam nekaj podobnega ne more dati kakor samo slovenski.

Zato smo bili tudi veseli, ko nam je ga. Fanika Humar razgala o drugem slovenskem nastopu. Ta bo v lepi "ORCHESTRA HALL" v nedeljo, dne 4. februarja 1973 ob 6:30 večer. Vstopnice so že zdaj na razpolaganju.

Boleslav Prus:

STRAŽA

Graščakov svak je jahal z Polž. "Tako je odkrij!"
"Kaj se bom vsakemu odkrival?" je odvrnil predzni fant.
"Dobro!... zelo dobro!..." se je zadovoljno smejal gospodič.
"Čakaj, zato ti dam goldinar. Svobodni državljan se ni dolžan nikomur pokoriti."

V tem se je zgodilo nekaj čudnega. Gospodič je iztegnil roko, kakor bi hotel moliti, na vrat, Polževke, ta je pa mahnila s perilnikom tako krepko, da je splošeni konj skočil iz vode na cesto, jezdec ga je pa s koleni objel za vrat.

"Kaj pa delaš, Neža!" je vrnil Polž. "Saj je vendar graščakov svak, ti neumnica..."

Toda njegov krik ni dosegel Neža, gospodič pa nikakor ni bil razčlanjen vsled manevra s perilnikom. Poslal je z roko poljubček Polževki in, ko se je popravil v stremenih, je izpod bodel konja. Modra žival je spoznala njegovo namero. Dvignila je glavo in brzo oddirjala proti Polževi bati. Toda zopet gospodič ni imel sreče: noga mu je ušla iz stremena, z obema rokama je zgrabil dirkavca za grivo in začel kričati na vse grlo: "Hu!... stoj, vrag!..."

Andrejček je slišal krik in skočil k vratom; užri pa čudno oblečenega gospodiča se je glasno zakrohotal. Tu je konj skočil na levo in tako zavihtel jezdec, da mu je odletela baržuasta čepica.

"Poberi čepico, dečko!..." je zaklical gospodič Andrejčku in jahal dalje.

"Sami jo poberie, če ste jo izgubili!... Ha! ha!" se je smejal Andrejček in zaploskal, da bi bolj splašil bežečega konja.

Vse to je videl in slišal njegov oče. V prvem trenutku je kar ostromel ob fantovi predzrosti, toda kmalu se je zavedel ter srdito zakričal:

"Ti peklenski Andrejček!... Hitro poberi čepico gospodru, če ti ukaže!" Andrejček je prijet z dvema prstoma čepico in držeč jo daleč od sebe, jo je podal jezdecu, ki je bil že ustavil konj.

"Hvala, lepa hvala..." je rekel gospodič, ves in smehu kakor Andrejček.

"Andrejček! vražji fant, zakaj pa se ne odkriješ pred gospodom?... je kričal od zgoraj

vselej dobro premlatiti, kajti sam pri sebi. "Ba! ko bi imel drugače se bo tako razvadil, da se še celo graščaku ne bo odkril, jaz pa izgubim zasluzek. Potem bi pa imel! Pa vsega je baba kriva, ki vedno daje potuhu fantu. Nič ne pomaga, treba mu je prešteti kosti!..."

Sedaj je Polž zopet zapazil prah na cesti, toda od ravnine sem, in ugledal kakor dve senci: eno visoko in drugo podolgstato. Podolgasta je šla za visoko in kimala z glavo.

"Nekdo pelje kravo," je posmisil kmet, "pa vendar ne na trgu?... Treba je pretepti fantu, ne pomaga nobena reč... Kakšna krava je to?... Tihot, otroka! Oj, ko bi jaz imel še eno takole kravico in vsaj tak-le kos travnika!..."

SEL je z vrha hriba in začel z branami vlačiti po pobočju, obrnjeno proti Belici. Nad reko je ugledal Stanka, toda zato je izgubil izpred oči svoj vrt in skrivenostnega kmeta s kravo. Roke so mu omahovale, noge je komaj vlekel za seboj od zmucenosti, toda najbolj ga je mučila negotovost, ki jo je imel v duši, da se nikdar dobro ne odpočije. Konča svoj delo, pa mora iti v mestec, kajti s čim bi drugače živel?

"Ko bi se človek mogel vsaj kdaj dobro naležati!" je mislil

je dejala brez sape gospodinja. "Kako naj vem?" je odvrnil kmet, nekoliko vznemirjen. "Morda novi davki?" mu je šilnilo v glavo.

"Prišel je k nam Lenkin stric, veš Grahovčev, Vojteh..."

"Morda hoče vzeti dekleta seboj? pa naj jo vzame."

"Kaj je njemu za dekleta! Prišel je s kravo in jo hoče pridati Hribu za petintrideset rublov v bankovcih in srebrn ru-

belj za vrv. Prekrasna krava, uprla z rokami ob boke.

"Čemu naj bi me bil vrag obsedel?" je govoril s povzdignjenim glasom. "Kaj, jaz ne bom prišla do krave? Hrib je kupil svoji ženi kočijo, tebi se pa zame zdi škoda živinčeta?... Saj pa morda boli radi nihj glava?... Pa bi morda imel celo srajco, ko ne bi bilo teh živali?"

"O za Boga!" je zastopal kmet, ki so se mu od hitre govorice ženine začele mešati misli. "S čim jo boš pa nakrmila? V grščini mi ne prodajo več klate. No, s čim?..." je vprašal.

S tem se iskreno zahvalimo Father Josephu Angelaitisu za molitve v pogrebnem zavodu, za darovano pogrebeno sv. mašo in za spremstvo na pokopališče.

Hvala vsem, ki so ob oder pokojne položili tako lepe vence cvetja. Našim dragim sosedom se zahvalimo za venec, ki so ga darovali in za prispevke za razne namene. Hvala vsem, ki so dali za sv. maše, za dobrodelne namene in za Dom ostarelih na Neff Rd.

Srečna hvala trem prijateljem pokojne in naše družine, ki so bili — pri pogrebu sv. maši. — Prisrečna hvala vsem, ki so darovali za prenovitev in olepšanje naše farne cerkve Marije Pomocnice.

Prisrečna hvala vsem, ki so prisli pokojno kropiti in moliti ob njeni krsti; posebno se zahvalimo članicam pevskega zborja DAWN, ki se s krasnimi pesmami poslovile od svoje umrle sestre in ki so za pokoj njeni duše odmolile sv. rožni venc. Hvala članom pevskega društva SLOVAN za lepe žalostinke pokojni.

Hvala vsem, ki so se udeležili pogr. sv. maše in ki so pokojno spremili na pokopališče, ter hvala vsem, ki so dali svoje avte za spremstvo na pokopališče.

18 INCHES OF PARTLY CLOUDY

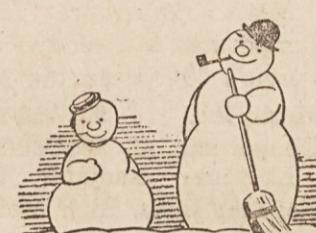

Denver, Colo. — It was about 6 p.m. on Hallowe'en. The weatherman told us to expect some very light snow flurries. On Wednesday it was supposed to be "partly cloudy and warmer".

When I gave goodies to the first trick-or-treaters, I felt some moisture on my hand. "Must be those light snow flurries," I thought.

Later, when I took our own two spooks out, and we began to look like human snowmen, I thought, "These are light snow flurries!"

It seems that ol' man winter yelled "trick or treat," and no

boddy gave him a candy bar. So he played a nasty trick on us. Now that we have cleared some 18 inches of "partly cloudy and warmer" off the driveway and

sidewalks, we can say that it was a pleasure to be stuck at home for a day.

There was no school, and it was virtually impossible to get to church or to work. We could

God bless!

not do any yard work, and it was foolish to try clearing the snow while it was coming down as though it would never end.

So, we just stayed inside and enjoyed each other's company. It was a day to listen to music, relax, enjoy some unusual food (how about pheasant soup?) and wait for the outside misery to pass. Such a quiet day was a welcome change from our usual hectic life. Today we faced our responsibilities with renewed vigor, thankful that yesterday gave us a few hours together in peace.

God bless!

HAPPINESS IS A WIN

Our good friend Al Pestotnik is walking around with a grin on his face which makes him look like he just swallowed a coat hanger.

Al is John Tim McCormack's public relations man. And last Tuesday the voters of Euclid, Richmond Heights and eastern Cleveland voted McCormack their brand new state representative.

At a celebration party held election eve at the Slovenian Home on Holmes Ave., close to 500 well wishers showed up to offer congratulations to the newly-elected.

Pestotnik was right in the middle of everything, as usual, seeing that the event was smoothly run. Along about 10:30 McCormack made an appearance and Al proudly led the way to the bandstand while the polka band played, "Happy Days Are Here Again".

McCormack referred to his political vote-getters as part of his "family" because, "They put so much emotion, time, encouragement and effort into this election."

He said the victory was dedicated "To my father (now deceased) who showed me

that the most important goal in life is to help people. He said this was man's greatest ambition."

Just last year at this time McCormack narrowly missed upsetting Harry Knuth in Euclid's race for the mayor's job. But this year, this election, the victory was his.

And it was sweet.

All the big Democrats in the area were present to help celebrate. They included Frank Brundic, Prof. Wm. J. Kennick, Joe Ferra, Milan Jaksic, John Prince, Mary King, John Sheradon, Fred Simonelli, Frank Takacs, and Dan Pavsek.

McCormack told the American Home newspaper he had spent the day in the rain going from polling place to polling place thanking people for their votes. He looked completely exhausted.

But not Al Pestotnik. This was also his big day. His hard work and efforts had paid off in victory.

He just walked around wearing that big smile, — and he earned it.

Congratulations to all!

WE CANNOT EXIST OR LIVE ON THE POLKA!

Let's be creative! Our parents and grandparents immigrated to America with the only hope of making a better living for themselves and their families. Let's look what they left behind.

Most left their own homes, numerous fraternal, cultural societies, four churches, Slovenian parishes, nine national homes in Cleveland. Many of the above are in jeopardy, and perhaps soon will be lost to the Slovenian community.

Let's hope for the best.

For recreation they left the polka. But we can not exist or live on the polka. We must soon be creative and progress with the times so our youngsters of the next ge-

neration can say, "The second and third generation Slovenians left this to us," like we can say our parents did this as mentioned above.

In this day of jet and aerospace, let's get united and work for a cause, we have the know how, the ability and knowledge, we need unity like our old timers had.

Let's organize ourselves into a Slovenian Academic and Educational Foundation, to continue our Nationality heritage by educating our younger generation.

There is an old saying "In unity there is strength". If we go in as a group we will accomplish much, alone we will be lost.

BOOSTS RECYCLING IN EUCLID

Euclid City Council's Environment Committee has recommended for passage legislation that would establish a limited recycling program in Euclid.

Councilman Frederick J. Simonelli (Ward 4) Chairman of the Environment Committee, expressed pleasure at the action. Councilman Simonelli first pro-

posed such a program in March of this year.

"This is an important step for Euclid in pollution control," he said.

"The program, as approved by my committee, is a modest one. It provides \$2500 for equipment and manpower to initiate a second recycling site and

transport collected materials to the Jaycees Recycling Center at the Euclid incinerator.

"We are very conscious of the need to be careful in all city expenditures, so we are funding the program through the allocation of funds already available within the budget," Simonelli

THE DRAMA 'ROBERT FROM EUCLID' UNFOLDS SUNDAY, NOV. 12 AT SLOVENIAN SOC. HOME

By CECILIA VALENCIC,
Director

On Sunday, November 12, SNPJ Slovenian Junior Chorus of Circle 2 will have the opportunity to show you that the "now" generation (children 5 to 16) enjoys the Slovenian folk

same day that the village is having a "veselica" (festival) and meets the neighbors including the girl next door, Cvetka.

Cvetka in turn introduces Robert to her cousin, Kathy, who is also American and visiting the village.

You can imagine their surprise when they learn that they are from the same home town, Euclid, Ohio.

France really didn't care about girls until Cvetka offered to teach Robert how to dance the polka.

If you want to know how everything works out for "Robert from Euclid" visiting in Slovenia, you will have to see for yourself by attending the Fall Concert of Circle No. 2 SNPJ at Slovenian Society Home, 20713 Recher Avenue, starting at 4 p.m.

The main parts will be played by Robbie Frank, Nick Petek, Nancy Anzlovar, Diane Chukayne, Andy Oblak, and Suzy Vadnal. The remainder of the cast includes the entire chorus of 80 members. Stage director for the operetta is Dorothy (Paliska) Frank, who was active in dramatic groups some years ago.

We are indeed fortunate to have Josie Tercek, our pianist, Olga Petek, Josie Valencic, and Mrs. Agnes Turkovich with us. After the program there will be a social with music for dancing by the Richie Vadnal Orchestra. Tickets are \$1.75 at the door.

UNITED SLOVENIAN GROUP DONATES \$5,000 TO AGED

By MARY KOMOROWSKI

Our Fall meeting of the United Slovenian Society was well attended on Monday, Oct. 25 at the Slovenian Society Home on Recher Ave.

Administrator Fred Krizman of the Slovene Home for the Aged, was invited as a guest.

Preceding the meeting, U.S.S. President Tony Petkovsek Jr. presented Mr. Krizman with a check of \$5,000 proceeds from the Memorial Day weekend of the United Slovenian Societies mammoth Parade and Festival, a benefit for the new Building Fund of the Slovene Home for the Aged, on Neff Rd., Cleveland.

Also Mr. Frank Sterle of the Slovenian Country House, who recently sponsored a Slovenian Garden Festival weekend in September for the benefit of the Building Fund of the Slovene Home for the Aged, also gave Fred Krizman a \$1,000 check.

Mr. Krizman was very happy and humbly thanked everyone who worked and participated in these wonderful projects for the Home for the Aged. The new wing is completed and should be opened for occupancy sometime in November.

He invited everyone to the Open House in the near future. He also complimented the fine people who are on the board with him.

All of us who worked on these worthy benefits or who donated to the Home are anxiously awaiting to view the new premises.

Our tireless Chairman John Pestotnik, who chaired both events also expressed his deep

gratitude to all who gave of their time and services in any way for both doings.

The United Slovenian Society wishes to announce that we have engaged and will sponsor the Grand Debut of Singers and Dancers of Ljubljana, Slovenia, featuring France Marolt Dancers, Europe's most colorful

Folk Dancing Troup, and the Tone Tomsic Choir, Central Europe's matchless Choral Ensemble. This is their first appearance in the U.S., and will perform one day in Cleveland, on Sunday, Feb. 11, 1973 at 3 p.m., at the Slovenian National Home on St. Clair Ave., and E. 65 St. More on this great cultural event in future articles.

The U.S.S. members congratulate our President Tony Petkovsek, on receiving an award plaque last week from the Northeast Kiwanis Club, on being chosen 1972 Man of the Year of the E. 185 St. Businessmen's Association. We all are mighty proud of you.

RUGGED—Carwood comes up with a new version of the Western jacket. In Cone Mills' blue cotton denim, it's shearling-lined and has flapped patch pockets on the yoked front.

MAYOR PERK PLANTS TREES ON ST. CLAIR

On Wednesday, Nov. 15, Cleveland's Mayor, Ralph J. Perk will visit the St. Clair community to plant three trees.

He will be publicizing and encouraging the St. Clair business and civic people who are trying to beautify their area by planting 120 Linden trees.

Perk will go to work with his shovel at 2 p.m. in front of the Slovenian National Home, 6417 St. Clair Ave.

Dick Mott, head of the St. Clair Business Assn., and General Manager of Central National Bank St. Clair office, said, "These trees will help beautify our area and consequently make the neighborhood one of the best in the city."

"Plans call for 120 trees to be strung out at regular intervals between E. 55th St. and 82nd St. Cost of the project will be \$12,000."

Mott also said the City of Cleveland will do the work and supply the trees. He said the City of Cleveland is interested in making the St. Clair community a showplace, and have agreed to furnish the manpower and equipment to maintain the trees in beautiful condition.

Everyone is invited to come out on Wed., Nov. 15 at 2 p.m. and watch the tree planting ceremony featuring our Mayor Perk.

COMMENDS UNITED SLOVENIAN SOCIETY

The English section of American Home proudly commends the United Slovenian Society for their untiring efforts and works for the benefit of the Slovenian community!

This past month they have contributed a check for \$5,000 to the Slovenian Home for the Aged on Neff Rd. To get this money, the over 100 members and friends gave up their Sunday and Monday Memorial Day weekend to promote and stage a two day carnival and parade in conjunction with the East 185 St. merchants. Many hours, many personal and monetary sacrifices have gone into the first-time project, and it was a complete success by all standards.

The United Slovenian Society also brings cultural performers from Europe over here to America and likewise they promote U.S. entertainers there.

Tony Petkovsek, president, John Pestotnik, Al Pestotnik, Cecilia Valencic, Mary Komorowski, Alice Kuhar, and other officers and members are saluted for their outstanding community betterment undertakings and we wish them continued success in their future endeavors!

Dear Jim:

Your kind thoughts concerning me in your "Political Dreams" article on October 27 were certainly appreciated.

I know it was written in a lighter vein, and was certainly not intended to delve into my basic philosophy or political tenets. Still, it did mirror my hopes and concerns for our community.

Keep up the good work!

Cordially,

Dear Jim:

I still enjoy reading American Home and especially like reading your articles and columns. You certainly possess the same wit and humor of your father, the late Jaka (James) Debevec.

MARY KOMOROWSKI

MY FIRST VISIT TO HISTORIC SLOVENIA

(Conclusion)

We left for Ljubljana and Union Hotel where the tour ended. I want to again commend our most able guide Zefan Lašč, our great bus drivers, especially Tony Kos, also to young Chris Hlad of Cleveland. He was a real gentleman helping the ladies and gentlemen off the buses. Also our own Kollander Tour Leaders, Tony Petkovsek Jr., Bill Seles and John Pestotnik. Also June Price and Dolores Mihelich and all the Pecon Band for the tremendous job they all did. The "Halo of the Month" goes to all of them.

Many people were in from various tours in the lobby. Had a big farewell dance that evening in the hotel, with Pecon and Posseid in two different spots, playing for dancing and listening pleasure. Even Lojze Slak and his lovely wife came to our farewell doing. He was pleasantly surprised by Tony P. with a 40th

birthday cake, with a small accordion and a bottle of champagne. Everyone sang Happy Birthday to him. Ann Hocevar was also surprised for her birthday with a cake and wine from her friends Marge and Alice. Also champagne was flowing at the Stephen Babbitt table, celebrating their 49th anniversary. Their daughter, June Price, presented them with a dozen beautiful roses. The rains came and chased us in out of the garden, but that didn't dampen anyone's spirits: John Chesnik had everyone roaring, while he was clowning around in his chef's outfit, complete with tray and all. Everyone was in a gay mood, as our wonderful tour was coming to an end. It lasted until the wee hours of the morning. Saw Tony's Polka Group off next morning on the first plane with wishes of God Speed home. The rest of us had the day to ourselves. Went to the Turist

Hotel for lunch as guests of Vickie Jacubsin, attended Mass in the evening, and had dinner with the John Petrich's, also at the Turist Hotel where they were staying. Left for home the following morning with the Zarja Singing Society of Cleveland coming in at the airport, and us leaving and arriving home safely that evening.

We thoroughly enjoyed every minute of our stay in Yugoslavia. We never in the wide world thought it was such a beautiful country. We certainly are glad we visited my dear parents' birthplace, and met our beloved and hospitable relatives. You can't tell people about it. You really have to see for yourselves. Both tours through Yugoslavia were just wonderful with such lovely people on them. I'm sure we'll all have beautiful memories to treasure the rest of our lives.

Lou Zefran is Slovenian Man of the Year

By CORINNE LESKOVAR
Chicago, Ill. —

The Slovenians of Chicago celebrated Slovenian Day last Saturday night at a gala program and dance that was highlighted by the presentation of the annual Slovenian Award.

The honoree was Louis J. Zefran, well-known businessman in the St. Stephen community for many years.

His award was an engraved plaque with the words: "Dedicated Service to the Slovenian Community in Fraternal, Civic and Humanitarian Endeavors."

"Zef" as he is called, was accompanied on the stage by his wife, Elizabeth, daughter, Marilyn, son Louis R. and daughter-in-law, Frances. The entire Zefran family has earned the respect and admiration of their neighbors and friends for lifelong work in the service of others.

Mrs. Zefran is also the National Treasurer of Slovenian Women's Union and head of the Women's and Sports Department.

The whole family participates in the business they operate, Zefran Funeral Home at 1941 W. Cermak Rd.

Many of those who spoke in congratulations to him remembered the many years Zef has served as unofficial good will ambassador at functions in and out of Chicago as he represented the fraternal societies he belongs to. As a life-long member of K.S.K.J. he and his family have attended practically every lodge function held in the past four decades.

Besides, they are one of the first families of St. Stephen's parish and in the Heart of Chicago community. In all these activities Zef has been the family's leader and co-ordinator. The sympathetic and helpful service they have given to Slovenians of Chicago in the operation of their business always has been exceptional and beyond the call of duty.

The Award was presented by one of the most distinguished Cermak Road businessmen, Frank Schonta.

Assisting him were Fred Orehok of Chicago Today newspaper and emcee, Lud Leskovar. All three are members of the Slovenian Award fraternity.

Sponsors of the event, the S.A. Radio Club, was the recipient of a U.S. Flag flown on the Capitol in Washington and

brought to the stage by Ill. Congressman Roman Pucinski who congratulated Lud and Corinne Leskovar on the 22nd anniversary of the Slovenian Radio Program.

The audience also applauded the announcement by Fred Orehok that Leskovar was named a Presidential Elector for the coming elections, a position of honor and recognition to the Slovenian people.

Among the distinguished personalities brought before the crowd was Prof. Bogdan Novak of the University of Toledo, Ohio who spoke on the historic meaning of Slovenian Day and Tony Petkovsek, Cleveland's well-known disc-jockey and entrepreneur who also offered his congratulations to Lud and Corinne Leskovar on their radio work in Chicago.

All the speakers and musicians stood on a stage beautifully designed and arranged by Emilia Razman Bucik, Chicago artist who had transformed it into a miniature Lake Bled, the most scenic spot in Slovenia. It was a delightful addition to the evening's enjoyment.

The program opened with the singing of the American and Slovenian anthems by 30 children of the Slomsek Slovenian School directed by Mrs. Fanika Humar and accompanied by Mary Pirih. This was followed by the reading of the proclamations of Slovenian Day by Mary Kreslin, dressed in Slovenian native costume from head to toe.

The musical program featured Hencek and his Ensemble from Slovenia. Singing favorite new and old folksongs, and playing the old style music of Slovenia, Hencek had the crowd enthusiastically joining in on the

singing and dancing. With comedian Marjan Roblek at the microphone, the crowd responded to his wit with applause and laughter. The mood and gaiety lasted late into the night with the crowd singing and enjoying the friendly atmosphere together.

Each year the comments after Slovenian Day seem to supersede each other, but there is no doubt that this year, Slovenian Day was the overwhelming "best ever."
