

VESTI IZ SLOVENIJE

SLOVENSKI ELEMENT SE IN KRANJSKI GORI. BREZ DUHOVNI NE SME UVELJAVITI. — ka je tudi Sv. Križ nad Jeseni-

Tako se suče zavezniška politika v Trstu. Zgled: Pri IRO so premestili iz Trsta dva slovenska uradnika. Kdor pozna razmere takoj ve, da je ozadje načrt, da se v Trstu Slovenec ne sme uveljaviti. Le tako upajo enkrat mirno izročiti Trst zavezniški Italiji.

ITICV SISTEM OBDAVCEVANJA. — V Titovi Jugoslaviji davkov ne odmenjajo več po količini lastnine, ampak na osnovi dohodka. Vsak krajevni odbor dobi od višje instance naročilo, naj ugotovi dohodke posameznikov. In ti potem štejejo med dohodke prav vsak prejemek. Glede izkupička lesa, sadja, pridelkov, ni težav, ker je vse to razvidno pri kontrolnem uradu, ki nadzoruje vsako prodajo. Spori pa nastanejo, ko je treba ugotoviti dohodke pri kokuših in živini. V titovini so namreč tudi za žvali predpisane norme. Kokuš ima normo, kokuš mora znesti jajec, krava, koliko litrov mleka mora dati. Po teh računih potem vsakogar obdavčijo. Kdor ima dohodek do 100,000 dinarjev plača 10 odstotkov davkov, od 100,000 — 200,000 plača 25 odstotkov, kdor ima pa nad 200,000 dohodek mora plačati 50 odstotkov davkov, t. j. ravno polovico. Po tem titovem sistemu so na najboljšem delomržeži in lenuhi ter postopaci. Ti namreč najmanj pridejajo, zato pa tudi najmanj plačajo davkov.

ZUPNIJA ŠMIHEL PRI NOVEM MESTU je sedaj brez duhovnika. Župnika Ambrožiča so zaprli, z njim pa tudi organista Zagarja Pavleta, ker sta nesa sv. obhajilo nekemu domobranecu, ki se je že 4 leta skrival na Beričevem pri Mišjakovi družini. Komunisti so že leta 1942 ubili očeta te družine in njegovega sina ter hlapca. Sedaj so ji razstili še posestvo, vse preostale družinske člane pa zaprli.

V SLOVENIJI je že mnogo župnij ki nimajo več duhovnika. Tako ga ni več n. pr. v Ratečah

CLLOUDY Vremenski prerok pravi: Oblačno in mrzleje danes, v severni Ohio sneg; jutri bo milejšje, popoldne sneg ali pa dež.

Tri na dan Slišimo, da je jugo. ambasada v Washingtonu privedla nedavno sijajno zakusko. Navzočih je bilo nad tisoč oseb in bilo je svega in svašta.

Titovci so se hoteli pokazati in servirali so najboljšje in najdražje. Zakaj pa ne, saj je to ljudska oblast in kmetje v starem kraju imajo še prašičev in gozda še nekaj stoji.

Ko bi za tisto, kar je stala večerja nakupili glavnikov in šivank, pa jih poslali ženskam v stari kraj, ki jih ni. (Če je bila povabljen tudi naša žosa, pa res ne vemo.)

Darovi za begunce V našem uradu so bili izročeni sledeči darovi za Katoliško ligo ali za slovenske begunce: Mary Košir, 3325 W. 23. St., Chicago, je poslala \$15.00.

Rt. Rev. Msgr. J. J. Oman je poslal \$10 in sicer sta darovala po \$5; neimenovan in Jos. Gustinčič, 9406 Elizabeth Ave. Neimenovana oseba iz župnije sv. Lovrenca je darovala \$10.

Ignac Stepic, 1079 E. 64. St. je daroval \$5.00. Leo Stefančič, 13516 Kelson Ave. je daroval \$2. in dva kanadska dolarja je poslal novi naseljenec Vinko Kržišnik, Victoriaville, Quebec. Mary Nemanich je darovala \$1.

Iskrena zahvala vsem tem dobrim srcem za blagodušne darove in priporočamo še drugim, da bi ob priliki kaj darovali za slovenske reveže.

Nova preizkušnja ameriških bomb

To bo tretje preizkušnje naših atomskih bomb — Sedaj ima Amerika šestkrat močnejšo bombo, kot je bila tista, ki je rušila japonska mesta.

Washington. — Uradniki tajništva za narodno brambo in člani komisije za atomsko energijo objavljajo, da bodo spomlad izvedli tretje preizkušnje atomske bomb. Uradno poročilo pravi, da ne bo to preizkušnje pokazalo nobenega novega atomskega orožja, pač pa nekatera bistvena zboljšanja dosednjih bomb. Preizkušnje se bo izvršilo na Eniwetok Atoll v Atlantskem oceanu kakih 5,000 milj od San Francisca, pri tako imenovanih Marshall Islands.

Senator Johnson je v predavanju na televiziji ugotovil, da ima Amerika sedaj šestkrat tako močno atomsko bombo, kot je bila tista, ki je rušila japonska mesta ob koncu druge svetovne vojne in prisilila Japonce k porazu. Kedaj se bo preizkušnje izvršilo, tega uradno poročilo iz varnostnih razlogov ne pove.

Generalna stavka na Francoskem

Pariz, Francija. — Komunisti so organizirali 24 urno generalno stavko. Pri tej priliki se je najbolj jasno pokazalo kako komunisti izgubljajo vpliv med delavstvom. Od 5 milijonov delavcev se je odzvalo samo kake tri milijone, dva milijona članstva pa je šil na delo kljub pozivu na stavko. Komunisti so hoteli prizadeti ves promet in gospodarstvo Francije, pa jim ni uspelo. Bila pa je deloma prizadeta pošta, telefoni, cestna železnica v Parizu in drugih mestih in nekaterih industrije.

Angleški komunisti proti Titu

Liverpool, Anglija. — Komunistična stranka Velike Britanije je sklenila resolucijo proti Titu in njegovi kliki. Komunisti Anglije povdarjajo, da Tito ni nič drugega kot komunistični renegat, ki igra umazano igro za svojo osebno korist in škoduje komunističnemu gibanju. Resolucija pravi, da Titovo delo ruši mir na Balkanu.

Titov obtoženec se je obesil

Sarajevo, Jugoslavija. — Namesto 12 obtožencev, jih je prišlo pred sodišče samo 10. Eden, po imenu Ladislav Necludov, se je pred začetkom procesa v ječi obesil in pustil pismo, v katerem zanika vsako krivdo, drugi pa je tako bolan, da ni mogel priti v sodno dvorano. Med obtoženci je tudi pravoslavni ruski duhovnik, ki je tožen, da je imel zvezo s sovjetsko ambasado v Beogradu.

9 konzularnih francoskih uradnikov zaprtih

Varšava. — Silno je napeto razmerje med Poljsko in Francijo. Poleg aretacij konzularnih uradnikov, o katerih smo že poročali, je Francija aretirala poljskega konzula v Lille, poljska pa je dala aretirati, kar devet francoskih konzularnih uradnikov po raznih francoskih konzulatih širom cele Poljske. Situacija je tako napeta, da se diplomatski krogi boje, da bi lahko nastala vojna radi brezobzirnosti s kakršno Poljska nastopa proti tujcem.

Nova unija električarskega delavstva

Philadelphia. — CIO je organizirala novo unijo električarskega delavstva namesto unije, ki je bila izključena iz CIO, ker v njej prevladuje komunističen vpliv. Na prvem zborovanju nove unije je govoril predsednik CIO Phillip Murray. Imenovan je staro unijo električarskega delavstva kot komunistično gnezdo, kjer je vsak komunistični renegat dobil zaščito.

Seja Kominforma v Budimpešti

Kominform je pozval komunistično delavstvo vseh dežel, da ruši Tita in njegovo skupino — Opozarja, da moramo pričakovati vojno.

Moskva. — Vsi komunistični listi objavljajo, da so komunistične stranke vseh držav, ki so včlanjene v Kominformu, imele skupno sejo v Budimpešti in objavljajo resolucijo, ki so jo sklenile. To je bila prva seja odkar je iz Kominforma izključena jugoslovanska komunistična stranka in Tito. Resolucija poziva proletarce vseh dežel, da z vsemi silami nadaljujejo boj proti Titovi kliki in pomagajo pravim komunistom med delavci in drugimi sloji v Jugoslaviji, da zrušijo in odstranijo Titovo oblast. To je dolžnost vsakega komuniste. Titova stranka je izgubila pravico, da bi se imenovala komunistična.

Skupni seji Kominforma so prisostvovali zastopniki iz Rusije, Bulgarije, Rumunije, Madžarske, Francije, Českoslovaške, Italije in Poljske.

Kominform poziva komunističen svet tudi k pozornosti radi nevarnosti nove vojne. Seveda amatra, da bodo novo vojno izzvali zapadni kapitalisti in ameriški imperialisti.

Društveni imenik

Washington. — Vodja premogarske unije Lewis je odredil, da naj prihodnji ponedeljek premogarji začno zopet delati po tri dni na teden. Ob enem je pooblastil distriktne predsednike unij, da naj se pogajajo za novo pogodbo in takoj kadar je s kakim podjetjem sklenjena, naj se pri dotičnem podjetju začne delati po določilih pogodbe. S tem se je Lewis izognil nevarnosti, da bi moral predsednik Truman nastopiti s prepovedjo stavke.

TOKYO, JAPONSKA. — General MacArthur je odredil, da Japonska v bodoče svobodno trguje z zunanjim svetom. Za zunanjo trgovino so merodajni samo zakoni japonske države. Okupacijska oblast si ne pridržuje nikake kontrole več.

RIM, ITALIJA. — Generalna stavka, ki jo je komunistična delavska zveza oklicala po celi Italiji, je pokazala, da komunisti nimajo več oblasti nad delavstvom. V Rimu je komaj 10% delavstva ubogalo in niso šli na delo, po celi državi pa približno 30% delavstva. Dan stavke je potekel v popolnem miru.

PARIZ, FRANCIJA. — Gospodarsko stanje se je v Franciji že toliko popravilo, da je mogla vlada odpraviti racijoniranje sladkorja in riža. Množina kave, ki jo more kupiti vsak konsument, se je pa povečala za polovico.

Nedeljsko pismo

Dragi prijatelj!

Kaj misliš, katera je najbolj značilna lastnost današnjega človeka? Meni se zdi, da debatiranje, razpravljanje o najrazličnejših problemih življenja, sedanjih in preteklih, pa naj bodo političnega, socialnega, gospodarskega ali kakršnegakoli značaja že. Samo pred enim problemom človek vedno beži, se ga vedno izogibljuje, čeprav je najbolj važen, od katerega je prav vse odvisno, v življenju ip v večnosti, to je vprašanje Kristusa. Do tega vprašanja mora nujno vsakdo zavzeti stališče, mimo iti, izogniti se mu, ne more nihče. In to vprašanje je najvidnejše v vseh adventnih nedeljah, ki nas pripravljajo na Kristusov prihod v svet.

Najprej poglejva, kakšno stališče je zavzel do tega vprašanja Janez, uradni Kristusov glasnik in predhodnik, naš adventni pridigar. K njemu pride uradno odposlanstvo najvišje oblasti z vprašanjem, če ni morda on Mesija. Janez odločno zanika. Niti za Elija, niti za preroka se noče priznati! Ko vsi jezni le še silijo vanj, kdo da je, odgovori: "Jaz sem samo glas vpijočega v puščavi, in kličem tudi vam in vašim oblastnikom: Pripravite pot Gospodu, tistemu Gospodu, ki že stoji sredi med vami, pa ga vi ne poznate, tistemu, ki je bil pred menoj in pride za menoj, kateremu nisem vreden odvezati jermena na njegovih čevljih." Tako Janez, od nikogar v veri poučen Kristusa ni nikdar videl in vendar je njegova vera v Njega tako močna, njegova zvestoba do Njega tako junaška, da je bil Zanj v smrt. To je pravi Kristusov pristaš, ki je vprašanje Kristusa pravilno rešil.

Kakšno stališče pa je zavzel do Kristusa uradno judovstvo? Janez nam odgovarja: "Med vami stoji, pa ga ne poznate. Nočete ga, ne marate Kristusa, tisočletja ste hrepeneli po Njem in ga klicali, sedaj pa, ko je prišel, ste ga zavrgli. Seveda, čakali ste, da bo Kristus prišel kot mogočen vladar, z vojsko in zlatom, ki ga vam bo natresel v naročje, ki vas bo osvobodil vaših političnih nasprotnikov. Sama požrešnost, čistiželnost, maščevalnost je vam narokovala ono hrepenenje po Odrešeniku, sedaj pa, ko prihaja v svet kot tesarjev sin iz Nazareta, ste se pa obrnili od Njega in ga zavrgli. Kristusa pa, kot kralja miru, resnice in pravice, nočete!" In to judovsko stališče do Kristusa je dobilo svoj poslednji izraz v onem najstrašnejšem zločinu sveta, ko je judovski narod zavpil: "Na križ z njim! Nočemo ga!" In zgodilo se je tako. In to je storilo toisto ljudstvo, ki ga je Bog zase izbral, ga vodil, čuval in ohranjal. Zloba človeka je nedumbuljiva.

Tako v stari zavezi. In kakšno je danes uradno stališče do Kristusa? Kakšno je stališče držav in narodnih zastopnikov, parlamentov in vlad do Kristusa? Koliko je v svetu držav, ki so vse svoje politično, gospodarsko, socialno in kulturno življenje podredile Kristusu in njegovim postavam? Tu mora človeka postati strah in s trepetom pričakujemo, kdaj bo Bog nad svetom izrekel prav tako kletev, kot nad judovskim ljudstvom: kamen ne bo ostal na kamenu... Kako boječi in nesigurni so glasovi onih politikov, ki skušajo spraviti v promet, da tako rečem, Kristusova načela o pravičnosti, ljubezni, bratstvu, enakosti itd. Res, glasovi teh so kot glas vpijočega v puščavi, vse močnejši so glasovi onih ki kriče: Nočemo ga! Razumljivo, saj če bodo Kristusova načela vladala v politiki, potem v njej ne bo več mesta za laž, prevaro, nasilje, umor, zatiranje naravnih osebnih človekovih pravic, ne bo več prostora za nemoralno politiko, v kateri se prodajajo celi narodi, se podpihuje revolucije in vstaje med narodi, kajti take politike krščanska načela ne poznajo. Zato se podpisujejo danes mirovne in razne druge meddržavniške pogodbe brez vsake sankcije, zato ni čudno, da se danes podpišejo in jutri raztrgajo. Podpisujejo jih namreč ljudje, brez moralnih načel. Kakšna burka, igra na ubogim človeštvom, je slavna Atlantska karta o človečanskih pravicah! Razumljivo, da jo še pes ne povoha, da se prav prostaško izrazim, da se danes kršijo prav vse te človečanske pravice, ki so v karti sankcionirane in jih najbolj kršijo oni, ki so karto podpisali. Zakon brez sankcije, je zakon brez veljave. Proklamacija človečanskih pravic od ljudi brez morale, brez krščanskih načel, brez Kristusa, je zgolj burka igra na razvalinah sveta. Samo ena beseda je tu na mestu: ubogi svet, kam drviš! Kristusa in njegova načela si zavrgel, zato si gradiš dom, ki bo jutri strahoten kup razvalin. Gorje ti, ko nočeš poznati časa božjega obiskanja.

In še eno vprašanje. Kakšno, prijatelj, pa je tvoje osebno stališče do Kristusa? Prijateljsko ali sovražno? Prava prav bi tega vprašanja sploh ne smelo biti, saj si vcepljen v Kristusa po svetem krstu. Njegov brat, dedič kraljestva, si navaden sovražnik Kristusov. V sredi namreč, tam kjer

jih foliko hoče biti, ni nič. In dvema gospodoma služiti je nemogoče. In na žalost moramo ugotoviti, koliko jih je, celo kristjani se imenujejo, pa se proti Kristusu bore, bore tudi tu v Ameriki, in so naše krvi in jih ni sram tega izdajstva! Prav tako, kor ugotavlja adventni pridigar sv. Janez: "Kristus stoji med nami, pa ga nočete spoznati." - Vsi ti čakajo samo še Kristusove obsodbe: "Hinaenci, gadja zalega, pobeljeni grobovi," to bo zadnja obsodba nad njimi.

Prijatelj, na sveti večer se pripravljamo v adventu, ko nam bodo nebesa Odrešenika ponudila. Kdo ve, če ni advent zadnji preden zagrmí čez svet božja jeza. Zato mora v meni in tebi dozoreti sklep: Kristus tvoji smo in tvoji hočemo ostati. Izravnali bomo pota svojega življenja, da bodo v jaslice vodila, da bo po tej adventni pripravi prinesel sveti večer tebi in meni miru in ljubezni.

S prisrčnim pozdravom

tvoj prijatelj,

Vabljeni ste vse mlajše in starejše članice in tudi dolžnost vas veže, da vsaj enkrat na leto pridete na sejo in slišite kako društvo postuje. Leto gre h koncu in na tej seji bodo tudi volitve odbora za prihodnje leto. Še prav posebno pa ste vabljeni vse tiste, ki dolgujete članarino za tekoče leto, da gotovo pridete na to sejo in plačate na tej seji. Opoznajmam vas tudi še, da katera ne bo imela plačane članarine, v slučaju smrti ne bo deležna tistih privilegijev kot dobro obstoječe članice. Zato pa naj vsaka poskrbi, da bo imela vse plačano še ta mesec, da potem tajnica lahko zaključí račune za to leto.

Po seji bomo imele tudi malo prigrižka in kave. Torej pridite na sejo v nedeljo vse, ki vam je le mogoče. Na svidenje, Mary Coprich.

Pozdrav in zahvala iz Sheboygana

Sheboygano, Wis. - Podpisani pozdravljam vse znance in prijatelje. Vse, ki živijo v Ameriki, Kanadi, Argentini, Venezueli, Čile, Avstraliji in one, ki še živijo v Avstriji. V prvi vrsti se moram zahvaliti svojemu sponzorju in njegovi ženi, Mr. in Mrs. John Kocjan, dalje Rev. Alojziju Korenu, Katoliški ligi in njenemu tajniku Rev. B. Ambrožiču in dr. Jožu Basaju ter dr. Miha Kreku. Vsem mojo iskreno zahvalo za ves njih trud. Ostal jim bom vsem skupaj za vedno hvaležen.

V Sheboygan, Wisconsin, sem dospel 6. okt. ob pol enajsti ponoči. Vso pot sem premljal, kako bom spoznal svojega sponzorja, ki ga še nikoli nisem videl. Skrbelo me je, kaj bo, če ga ne bo na postajo. Bil je eden z menoj, katerega so prišli čakati. Gledal sem, kako ga lepo pozdravljajo, jaz pa sam in čakam. Naenkrat se mi zdi, da nekdo izgovarja moj priimek. Zamahnil sem z roko, menec, da je to samo v moji burni fantaziji, ko si domišljam, da me ves Sheboygan kliče, naj pridem. Pa zopet zaslišim glas, zdaj že prav jasno. Ozrem se in zagledam možaka, ki me gleda. Kar bo, pa bo, sem si rekel in stopil k njemu. Kar opogumil sem se in ga nagovoril v svojem materinjem jeziku: "Ali te vi g. Kocjan?" Nasmehne se mi prijateljsko in tudi vpraša: "Saj ti si pa Strmec, kja ne?" Drug drugemu sva pritrčila in se našla, moj

sponzor in jaz. Pelje me ven iz kolodvora, posadi na avto in v par minutah smo bili že na njegovem domu.

Tam me je pa prav prijazno sprejela moja sponzorica, to je soproga Mr. Kocjana, Marija Kocjan. Iz globin srca sem jima hvaležen, da ste me sprejela tako lepo in prijazno. Zahvaljujem se jima za vso prijaznost in trud, da sta mi pomagala iti iz žrela satanske diktature, ki zdaj divlja po naših domovinskih tleh.

Prisrčna zahvala tudi Mr. Francu Bohvanu in njegovi ženi Lojzki, ki sta me takoj po prihodu obiskala ter mi poiskala delo, poleg tega me pa še bogato obdarila. Niti najbližnji sorodniki bi ne mogli biti tako dobri.

Zahvalim se tudi Franju Plahutu, Mr. Robidu, Mrs. Mariji Sercel, Blažu Hladetu, sorodniku Franju Strmec in stricu Jožetu Puclju iz Aurore, Minn. za vse lepe darove.

Naj povem o dogodku, ki sem ga doživel kmalu po prihodu. Prijatelj me pelje v gostilno, da mi kupi čisto pivce. Tam me predstavi neki ženski z besedami: "Vidite, ta je, ki je prišel iz starega kraja." Žena je majhna, pa je v hipu zrasla, z rokami si seže v lase, da si jih popravi (sreča, da ni segla v moje) in zavpije: "Po kaj si prišel sem? Zakaj ne greš domov? Tam je dosti dela in zaslužka. Tam je svoboda, kakršne ni v nobeni drugi deželi."

"Gospa," sem ji mirno odgovoril, "to ste pa dobro povedali, da take svobode res ni nikjer drugje, ampak ne v takem smislu, kot si jo vi predstavljate."

Gospa se je začela zopet napihovat in rast, zato rečem: "Kakor vidiš, bo soba premajhna za naju dva, se bom pa jaz umaknil."

"Le počakaj," me ustavlja ona, "da se te še nekoliko privoščim."

Obstanem in vprašam: "No, kaj pa bo še dobrega, gospa?" "Ali misliš, da boš dobil delo?" me vpraša.

"Ne vem, gospa, tale moj prijatelj me je danes nekam peljal, pa so nama rekli, da jih imajo zaenkrat dovolj."

"Vidiš, ne boš dobil dela nikjer, ne v fabriki, niti na farmi."

"O, Bog pomagaj," sem vzkliknil, "tako da je hudo?" "Kaj ga pa kličeš? Kje pa je? Ali si ga že videl," je bil njen zasmeh.

Tega mi je bilo dovolj in odšla sva ven na zrak, ki je bil tako lep in čist, brez vsake take primesi, kot sem jo videl in slišal v tistem prostoru.

Naj ob tej priliki izrečem vso čast Ameriški domovini, ki tako pošteno piše in razsvetljuje svet o evropskem brezbožnem komunizmu. Seveda, še se dobe, ki tega ne verjamejo. Naj tavajo naprej v temi, slepci.

Prosim, da se me znanci spomnijo s kakšno kartico na spodnji naslov. Bodite še en-

krat vsi skupaj prav lepo pozdravljeni.

Ludvik Strmec, 1015 Indiana Ave., Sheboygan, Wis.

Op. - Kot sponzor gornjega se vsem zahvalim za njih trud in pomoč, ki ste mu jo izkazali. Prav rad ga imam in ni tak, kot so mi govorili, da bo predno je prišel: da me bo okradel in še ubil, da bo pobegnil in napravil bogve kakšno škodo, da bom za njim plačeval. Da bom moral dve leti zanj skrbeti, in da bo od njega odvisno, če bo hotel delati ali ne. Tako so govorili vsi tisti, ki podpirajo komuniste. Pozdrav vsem!

John Kocjan.

Pismo iz Anglije

Rochdale, Angl. - Za dosežanje redno pošiljanje in kakor tudi še za naprej se uredništvu najiskrenejše zahvaljujem. Saj mi je "Ameriška Domovina" edina tolažba v tujini, ko piše in poroča objektivno in strogo protikomunistično. Poleg tega pa lista ne čitam sam, ampak večina Slovencev v Rochdale, kjer nas je okrog 25.

Ko list tukaj prečitamo, ga pa pošiljam še v druge kraje v Angliji, ker so po vsej Angliji raztreseni Slovenci. In vsak je pa vesel, če dobi v materinem jeziku pisano besedo. Prejmite vsi prav iskrene pozdrave. Bog živi! Z odličnim spoštovanjem,

Frank Košir.

Priseljena družina se zahvaljuje

Cleveland, O. - Minilo je že dva meseca odkar smo se preselili iz taborišča Spittal na Dravi v Cleveland, na 1178 Babbit Rd., Euclid k dobri Rožančevi družini. Nikoli ne bomo v stanju, da bi se popolnoma zahvalili za vse dobroto, ki jih pri Rožančevih uživamo. Smo kakor doma. Vsega potrebnega smo dobili takoj, ko smo prišli. Mr. Rožanec je poskrbel za zaposlitev. Mrs. Rožanc pa za vse druge družinske potrebe. Bog naj povrne obema in poplača dobroto, ki je mi nikoli povrniti ne bomo mogli. Naj istočasno zahvalimo vse podpornike Lige, ki so omogočili, da smo med srečnicami, ki so mogli zapustiti tužno taboriščno življenje in se preseliti v svobodno Ameriko. Seveda gre tudi v tem oziru prva in največja zahvala sponzorjem Mr. in Mrs. Rožancu. Hvala tudi Dr. Jožu Basaju, ki nas je sprejel in dal vsa potrebna navodila za pot po Ameriki. Zavedamo se, da smo med naj srečnejšimi begunskimi družinami. Vse smo dobili

po dobroti Rožančeve družine, ki nam je omogočila, da hitro zgradimo novo življenje v Ameriki. Bog povrni vsem. Družina Jože Voje.

Mladinski pevski zbor

Kresna noč, ko kres gori in vse čarobno oživi, ko mnogim prej govora ni na kresno noč ga zadobi.

Kdo še ni slišal kakšne pravljice o čarih kresne noči? Dvomim pa, da je kdo že prisostvoval tem čarom.

Ta prilika se vam bo nudila v nedeljo 11. decembra v Slovenskem delavskem domu na Waterloo Rd. Mladinski zbor bo poleg petja podal tudi igrico "Kresna noč." Tam boste videli fante in dekleta, ki bodo razigrano prepevali pri ognju.

Potem bodo pa začeli skakati čez ogenj in tista, ki bo najdlje skočila, se bo najprej omotala in najboljšega fanta dobila. Seveda vsi in vse bi najrajši najdlje skočili in najboljšee vdobili, kar povzroči med njimi nekoliko prepira. Če se pa zgori nesreča, da kdo pade, bo moral pa še eno leto čakati na ženitev.

Mamice, ob tem prizoru vam bo spomin lahko pohitel nazaj v mlada leta, ko ste tudi ve na svoj način skušale ugotoviti, da kakega fanta boste dobile in kdaj se boste poročile. Seveda to velja tudi za nas moške, toda neradi priznamo. Ob zaključku pogasijo ogenj in odidejo med petjem. Gozd postane miren, tih in prazen, le v daljavi bije 11. ura v zvoniku, kakor večno lepa Prešernova "Luna sije, kladvo bije, trudne pozne ure že." Ob takem prizoru človeka objame neka čudna slutnja, ga pričakuje z vso napetostjo svojega duha, nekaj tajnega, nekaj čarobnega. In res. Počasi se zaslišijo glasovi raznih živali, kresnice preletavajo, krasna vila se prikaže in poje s sladkim glasom, kakor srebrne strune.

Ostudne čarovnice pridrviyo jahajoč na svojih metlah ter plešejo odvrtni ples in vreščiyo svoje nevsčne pesmi, da je groza človeka. Med divjim plesom odhite s položaja. Pridejo skupih, ki mu je denar vse na svetu in s praprotno vejico v roki išče zaklad. Če ga bo našel, ne vem.

Nato začnejo prihajati živali srna, srnjak, zajka, zajec, sova, čuk, petelin, kokoš itd. Živali posedejo po trati in začnejo svoje letno zborovanje na kresno noč, ker samo na to noč jim je dan dar govora. Ko se bo čitalo iz knjige resnice, boste videli, kako velika krivica se godi živalim. Pritožujejo se na levo in desno proti krivičnim ljudem in njihove pritožbe so upravičene.

Petelin toži, kako so mu ubili še deviško njegovo lepo hčerko piško. Zajka pa pravi: "Ljudje pri pameti, dovolj že stari, so mi snedli sinčka v obari, in vsi drugi tako naprej.

Ob koncu zborovanja proti belemu jutru se prikaže zopet vila, jih pozdravi in tolaži njihova žalostna srca, ki so polna pekočih ran, da bo tudi zanje enkrat napočil pravice dan.

To je kratek opis igrice, katera je delo John Steblaja za 15-letnico Mladinskega zbora. Kdor bo hotel podrobno videti in slišati ter uživati v polni meri zadovoljstva, bo moral biti tam.

Torej, se vidimo v nedeljo popoldne 11. decembra v Slovenskem delavskem domu na Waterloo Rd.

Jack Tomšič.

ČE VERJAMETE AL PA NE

"Kakšnega soproga naj si pa izberem, kaj mislite, mama?" je vprašala hčerka za prijazen in pameten nasvet.

"Če hočeš poslušati mene, puusti oženjene moške pri miru in izberi si kakšnega samskega," ji je svetovala mama.

"No, zdaj bova pa štela, koliko znaša najin plen," je rekel eden izmed izumovčev, ko sta pritroskala domov, kar sta namolmila ponoči.

"Eh, kaj boš," reče drugi, "saj bova čitala do vinjarja natančno v časopisu jutri jutraj."

Mati in nadebudni sinko sta bila v zverinjaku. "Poglej, mama," reče sinko in kaže s prstom na opico za ograjo, "ali ni tistale opica prav taka kot naš stari ata?"

"Boš tiho, mule! Kaj ne veš, da ne smeš tako govoriti!"

"Saj me opica ne razume, ali me?" ves v skrbeh vpraša sinkček.

Janezek je nekje pobral par bolj mlilih kletvic in jih je ponavljal. Sliši ga katehet in ga pokara: "Janezek, kaj ne veš, da je kleti grdo. Vselej, kadar slišim mladega fanta izgovarjati kletvice, me kar mrz spreminja po hrbtu."

"Joj! kaj bi bilo, ako bi bili v soboto popoldne pri nas, ko si je naš ata priprl prst med vrata! Saj bi bili zmznili, ako bi ga poslušali," pojasnjuje učenček domače pripetljaje.

"Veš, dandanes se ljudje ne ženijo tako mladi, kot je bila navada v časih, ko sem bila jaz, še dekle," reče gospodinja prijateljici.

"Imaš prav, ne ženijo se tako mladi, ampak se pa večkrat," ji pove svoje misli soseda.

"Ata, Jožek si je prehlad pozdravil, pa nam je ostala skoro še polna škatljica zdravil. Kaj naj napravimo?"

"Bog pomagaj, saj bomo ob vse," tarna skopuški oče. "Zapodi Ivančka, naj gre nekoliko ven na sneg brez suknje in brez kape."

ZBEGANO GNEZDO

POVEST
CVETA STOJANOVA

Široko krilo s tesnim modročkom se je gibalo ob njeni coklati hoji. Zavihani rokavi bele bluze so izražali ženskost, ki je ljubila tudi neznost in lepoto pri takem delu. Domislil se je, kako jo je gledal sredi trga svetega Petra v Rimu in kako jo gleda zdaj, ko nosi zamazane čevlje in ruto na glavi. "In če jo postaviš za zadnjo pastirico na srenjski pašnik, bo vladajoči sijaj krog nje!" To ga je nekako razveselilo in hotel ji je nagajati.

"In če bi te videl gospod iz tiste hiše s kučmo tako, Agata, kaka bi ti bilo?"

"Vesela bi bila, kakor sem zdajle, in bi mu rekla, naj pomaga."

"Dobro si povedala! To si čisto tili! Dela naj! Vsi naj delajo zate! Saj poleg tebe ni na svetu nič več! Ni in ne sme biti!" Mateja je spravil Agatin odgovor do prijetne zavesti, da ni Agata taka le z njim, ampak si podreja vse brez vprašanja.

"Te dni mislim jaz iti k nje-mu," ji je dejal prisrčno.

"Pa vzemi še mene s seboj. Rada bi ga videla, skoraj sem pozabila nanj na tem vrtu."

"Ali si se mu zahvalila?"

"Se tisti dan. — In kaj bi ti rad od njega?"

"Zaradi svoje knjige. Pa bova o tem še govorila zvečer, zdaj grem."

"Kaj bi govoril, pojdi, pojdi kar zdaj!" je Agata šla za Matejem še do vrat hiše. Matej se je pa le nasmehnil in odkimal. Agata se je vrnila k delu.

Matej se je to pot posebno skrbno oblačil, pogledal se je celo nekajkrat z zanimanjem in je z zadovoljstvom odšel.

Bratje so ga že čakali v domeni gostilni, ko je vstopil. In France jim je še rekel: "Najprej naj izpije nekaj kozarcev." Veselo so ga pozdravili. Matej se je posebno razveselil najmlajšega brata. Tončeta, ki je bil prvo leto v profesorski službi in že tretje leto poročen. Imel je tudi že dva otroka, deklico in fantka.

"Kako ti je? Zredil si se!" ga je ogovoril Matej in ga objel okoli pasu.

"Hiše se nisem zidal kakor ti," ga je s ponosom gledal Tonče.

"Pa zakaj nisi prišel, da pozdraviš Agato in otroka in nas vidiš doma? Bi videl moja fanta, krepka in močna dečka — moja kri!" se je Matej postavil poleg najmlajšega po letih, pa najglobljeja po resnem življenju.

"Naša kri!" se je žarko oglasil France.

"Pa imam tudi jaz fantiča, ki je vreden več kakor vsa moja profesura, in imam deklico. Francko, ki je kar majhna dama! Zaverovan sem vanjo — nihče drug me ne užene kakor ona. Če reče, naj stojim na glavi, ker je tako pravilno, verjame in stojim na glavi ter poslušam njen angelški smeh. Vredno je, da se pripelješ in ostaneš pri nas, vsaj en dan!"

France je dignil kozarec: "Na zdravje, moč in lepoto našega rodu!" Izpili so do dna. In France je natočil in še enkrat napil: "In pozdravljen naš Benjamin po tolikem času spet med nami!" Trčili so kakor večasih doma, ko so pili skrivaj.

"Ali še veš, Tonče," je spet govoril France, "kako sva prvič vozila avtomobil? Ali še veš, kako sva vrtela, da bi ga ustavila pred železniško zaporo — pa je počilo in sva odletela?"

"Oče pa je lovil mene," je pojasnjeval Matej, "da me pretepe. Pa sem bežal pred njim in se skrival ves dan in nisem vedel zakaj. Falota!"

"Midva sva pa vlekla tisto zver domov in se očetu še sanjalo ni, da sva ga midva pokončala."

"Škoda, da ga ni zdajle med nami," je Mirko mislil na očeta.

"Oče bi nas zdaj razumel. Mati pa nas kar ne more, če sliši o naši dobri volji," pravi zamišljeno Tonče.

"Ti Matej jutri mi podpišeš menico," je govoril France. "Ti podpišeš, jaz odštejem polovico tebi in polovico Tončetu, ki mi je posodil svojo plačo. Jutri ob desetih dopoldne se dobimo tukaj." Vstal je in naglo odšel.

"Ti boš pač vedno njegova žrtev," je dejal zamišljeno in tiho Mirko. Matej je molčal. Izpili so in se razšli. Matej je dobro vedel, da tudi on podleže Francetu.

Matej je po poti domov čutil, da bi se Francetu moral upreti. "Če bi Agata-hotela," je prevrnil vso težo nanjo, "bi rešila mene, Franceta in Tončeta. Pa Agata je trda, brezsrčna; ne bo hotela. Neumno, da bi ji sploh povedal! Ali naj se ponizam pred Kržišnikovo? Ona bi dala toliko, kolikor je treba Tončetu. Zakaj France ne bo odnehal, dokler ne dobi posojila za trikratno potrebo." Odklonil je vrata in stopil na vrt. Neko upanje je prišlo vanj, ko je stopil v še razsvetljeno hišo. Postalo mu je žesno, ko je zaslišal hrupno razgovorjanje in spoznal, da Agata ni sama.

Iz vrincev usode

1. MRTVAŠKA GLAVA

Zatull je bojni vihar in Slovenija se je znašla v vrtincu trpljenja. Kladiivo usode je pričelo razbijati; prvi udarci so padli na Razorje, prijazno kmečko vasico, skrito med gostim sadnim drevjem. Prebivalstvo je zajakalo, zakaj iznenadil jih je sovražnik s težkimi vozovi ter jih odvedel v sužnost. Le nekaj mladih ljudi se je rešilo; med onimi, ki so pobegnili, je bil tudi Resnikov Janez. Poslovil se je, brž ko je zaslutil, kaj se bo zgodilo. "Zbogom!" je trepetala beseda skrbnemu očetu. "Pazi na domačijo!"

Šele tretji dan je prilezel Janez iz svojega skrivališča. Oprezno se je bližal domači vasi, kjer sta se srečala s postarno ženico, katere sovražniki niso preselili. Zatekla se je k sorodnikom ter mu povedala, da bo Razorje kmalu dobilo nove prebivalce. Tujci so menda že na poti ter bodo skoro zasedli izpraznjena posestva.

Fant je stisnil pesti, vsa kri mu je šinila v glavo. "Pri nas ne bo nihče gospodaril! Gorje mu, kdor se bo naselil na mojem domu!"

"Nič ne boš opravil," je dvmila starka. "Tujec bo govoril in ti boš moral molčati."

"Bomo videli!" — Janez je škrtal z zobmi in lezel previdno proti domu. Vrata so bila zaklenjena in zapečateni, odprto pa je bilo zadaj kuhinjsko okno. Zlezel je noter in opazil grozno razdejano, vse je bilo izropano in razdejano. Samo slike so še visele na steni, razpelo pa je ležalo na tleh, vse oskrunjeno in razbito.

Mladenicu se je utrnula solza. "Maščuj se, pravični Bog!" je

Zapadna zveza more prerečiti novo vojno

Maršal Montgomery je govoril o zapadni zvezi — Le vsi demokratični narodi skupno morejo rešiti krščansko civilizacijo — Nova vojna z vzhodom bi uničila našo kulturo.

New York. — Spopad med komunizmom in demokracijo grozi uničiti sedanjo civilizacijo. Komunizem je sedaj neka vera, toda protikrščanska vera, nazadnjaški in nemoralni nauk. To so besede generala Montgomery-ja, ki je govoril pri večerji angleške unije v New Yorku. Če komunizma ne bomo mogli zaustaviti, bomo še doživeli velike težave in nesreče. Zapadni demokratični narodi morajo biti pripravljeni na velike žrtve, da se prepreči ta nesreča. Pred vsem je treba vedeti in upoštevati, da nihče ne more nam nič opraviti, tudi veliki narodi ne morejo komunizma preprečiti, če nastopajo posamično. Če se ne ujedini, bo komunistični naval pregazil posamezne narode in tedaj bo konec zapadne civilizacije. Moramo se združiti, ujediniti, pa če tudi bi morali žrtvovati del svoje državne in narodne suverenitete. Zapadna unija narodov je nastala iz potrebe in nujnosti, da se skupno upremo napadu in invaziji od vzhoda. Zapadna unija naj bo tako močna da bo mogla narode rešiti pred napadom in okupacijo, ne le da jih bo reševala po napadu. Silna potreba in stiska nas mora napraviti razumne, da bomo našli sporazumne rešitve tudi v stvarih, glede katerih doslej nismo popuščali drug drugemu. Montgomery je poleg tega govoril s najlepšimi besedami pohvale in priznanja o generalu Eisenhowerju, svojem vojnem šefu.

zaklical proti nebu. "Kaznjaj ga, kdor je onečastil tvojo podobo!" Sedel je na klop ter se naslonil na mizo. "In taki ljudje naj bi gospodarili na naši kmetiji? Ne!" je dejal in zamahnil z obema rokama. V glavo mu je šinila nova misel.

Janez je bil spreten risar; že v šoli je risal otrokom podobice, pa tudi odrasli so občudovali njegovo umetnost, ki mu je bila v prostem času najljubša zabava. Oprezno je pogledal skozi okno, na kar je odprl zidno omarico, kjer je hranil čopič, barvice in drugo pripravo. Vse je ostalo še nedotaknjeno na svojem mestu.

Na najbolj vidnem kraju na steni si je izbral pripravno mesto. Nato je pristavil stolec in narisal mrtvaško glavo. Slika se mu je posrečila; vsaka poteza je bila dobro zamišljena ter je razodevala strah in grozo. Spodaj pa je napisal s različnimi črkami: "Gorje mu, kdor bo tukaj prebival!"

Fant je po dovršenem delu izginil v svoje skrivališče. Nemci so dali risbo odstraniti, pa se je kmalu zopet pojavila. Njena slika je bila še groznejša kot prej, napis pa je bil podaljšan z dostavkom, naj se slike nihče ne dotakne, ker bo za vsako poškodb sledila smrtna kazen. — Grožnja je učinkovala. Risba je ostala nepokvarjena v svarilo slednjemu tujcu, ki je vstopil z namenom, da bi se ondi nastanil.

Tako je sin izvajal očetovo naročilo in preprečil, da se pri Resniku ni mogel nihče naseliti. Vojaka, ki je razbil razpelo, pa je zadela zaslužena kazen. Se tisti teden so ga zajeli partizani in obsodili na smrt s trpinčenjem. Našli so ga pozneje v nekem prepadu, vsega razmesarijenega. Domačini so ga spoznali po njegovih vidnih znakih, katere so si dobro zapomnili.

2. PODIVJANI OČE

Koren je prejel vabilo, naj zapusti svojo majhno kmetijo in odide med partizane. Hitro se je odločil, saj je bil še trden ter se je v mladosti rad pretepal. Nič niso pomagale prošnje njegove hčere, naj ostane doma, ker ni da bi se moral podajati v nevarnost. Nekega večera je izginil, ne da bi se oprejel poslovil.

V gozdu so mu nadeli ime Atila po kralju divjih Hunov. Po-

verili so mu neko vodstvo ter ga postavili na prvo mesto. Odlikovali so se po svoji izredni krutosti ter postal strah in groza svoje okolice. Prisegel je maščevanje ljudem, ki so se mu poprej le količkaj zamerili. Romanje in umori so bili od tedaj tam okrog na dnevnem redu.

Lenčka, njegova hči, je ostala doma na kmetiji. Bolelo jo je do kosti, ker so ji ljudje očitali očetovo podivjanost. Zavedala se je, da je hči roparja in morilca, ki ima na vesti že mnogo krvavih žrtev. Na tihem je sklenila, da pojde nekam daleč — tja, kjer je ne poznajo. Tam se bo motila z delom in si hladila skrito bolečino.

Svoj sklep je razodela očetu, ko ji je nekoč prinesel perilo, naj ga opere in zašije. "Nikamor mi ne pojdeš!" ji je strogo prepovedal. "Odslej boš delala za nas kot poročevalka na terenu."

"Nikdar!" je odklonila izdajalstvo s studom, ki se ji je razodeval na obrazu. "V takem primeru vam ne morem biti na uslugo."

"Zakaj?" jo je vprašal z ostrim glasom in oči so mu divje žarele.

"Zato, ker ne morem sodelovati z ljudmi, ki podirajo cerkve, požigajo šole in župnišča ter morijo nedolžne žrtve."

"A tako!" je zategnil s peklenkim posmehom. "Hvala za lepo odkritosrčnost!" — To je izrekel in zaloputnil vrata.

Lenčka je trepetala; sklenila je, da bo odpovala, brž ko napoči jutro. Vso noč je premišljevala, toda ni se mogla odločiti. Preveč je bila navezana na dom, tujina je ni privlačevala. Ze beseda sama ji je bila pusta in odurna.

Oče se odslej ni več oglašil, nobena pot ga ni več privedla mimo doma. Zasovražil je edinko, ker mu je povedala res-

nico. Mrzil jo je, kakor druge, lastnina." Nekega večera je sedela zuki so se mu zamerili. Kmalu sta ji izginili iz hleva obe kravici, naj na klopici po opravljenem pa tudi svinje in naposled so ji pobrali še živila.

Krivica pa ni mogla predru-gačiti njenih nazorov. Zdaj so se ji šele zagnusili oni, ki pod krinko svobode širijo suženjstvo in kujejo spono. "Fej!" je pljunila in rekla: "Mene sovražijo ter me psujejo s podgano; tisto pa, kar so mi vzeli, se jim ne stedi, čeprav je bila moja

IZ VRTINCEV USODE

(Nadaljevanje s 4. strani)
je nedavno in prav nevarno o-
hodel ter bo težko še okreval.
Pred smrtjo te želi še videti,
zato se brž pripravi, da mu iz-
polniš poslednjo željo."
"Pozno je že," je rahlo ugo-
varjala. "Sonce bo akoro zato-
nilo. Kaj bom počela sama v
neznanim kraju!"

"Saj ni daleč; po bližnjici bo-
va naglo tamkaj in se boš prav
tako hitro tudi vrnila. Samo
brž, da poprej ne izdihne."
Lenčka je premišljevala, kaj
naj bi storila. Nekaj ji je rek-
lo, naj ne verjame in pobegne.
Zopet pa si je mislila, da je po-
ročilo morda le resnično. Oče
se je lahko prehladil, ali pa se
mu je kaj drugega pripetilo.

Časi so tako nevarni in nesreča
je človeku zmeraj za petami!
"Pa naj bo v božje ime!"
je dejala; popravila si je ruto
in predpasnik ter zaklenila vra-
ta.
Dospela sta v bližnji gozd in
zavila po stezi, ki se je odcepila
od glavne poti. Peljala je sem-
intja med grmovjem, dokler se
ni naposled izgubila v goščavi.

Treba se je bilo preriti skozi go-
sto mlado drevje; Tone je bil že
vajan, stopil je prednjo in od-
grizal vejevje z obema roka-
ma.
Prišla sta do studenca, ki je
izviral izpod skale pod visokim
bregom. "Vidiš, tamle!" ji je
pokazal pod vzhodje griča. Tam
ni bilo več drevja; po strmini
je štrlelo pečevje, pokrito s su-

ho travo.
Ustavila sta se ob pečini v
podnožju griča. Tone je odmak-
nil nizka vrata, ovita z bršlja-
nom. Morala sta se skloniti, ko
sta stopila v odprtino.
Kratek rov ju je povedel v
prostorno votlino. Slišala je o-
bokani kleti; na sredi je stala
miza s svetilko, zraven nje pa
velika opletana steklenica, na-

polnjena z žganjem. Koren je
pravkar nalil kozarec ter ga v
dušku izpraznil. "Tako, zdaj
si tukaj!" jo je nagovoril ter
vstal od mize. "Obračunala bo-
va, zato sem te poklical."
"Oče!" je kriknila mladen-
ka. Več ni mogla govoriti, —
strah ji je vzel besedo; vedela
je, kaj jo čaka. Tone, njen so-
sed, ji je prinesel lažno poročil-
o. Njemu je verjela, komu
drugemu bi ne bila nasleda.
"Ti nisi več moja hči in ne
zaslužiš mojega imena!" je bru-
hnilo iz očeta. Stopil je prednjo,
iz ust mu je zasmrdelo po žga-
nju. V roki se mu je zasvetilo
bodalo, ki je predrla njeno mla-
do srce, polno upanja in načr-
tov. Izdihnila je kot žrtev po-
divjanega očeta.

POLOM

POSLOVENIL VLAD, LEVSTIK

"Sire! Postavite se na čelo svojih čet, da Vam odpro pot skozi sovražne vrste." Zato ga je že ob sami besedi "premirje" popadla ljuta jeza. Ne, ne! On ne podpisuje ničesar, on se bje! Ura je bila polštirih. In kmalu nato se je zgodil tisti junaski, obupni poizkus, tisti poslednji naskok, ko so se enkrat marširali na Bazeilles, da napravijo vrzel in prehod skozi sredo Bavarcev. Da bi vdahnili četam poguma, so lagali in kričali po sedanskih cestah in po sosednjih poljih: "Bazaine prihaja, Bazaine prihaja!"

Že od jutra so bile to sanje mnogih, in pri vsaki novi bateriji, ki so jo Nemci demaskirali, so mislili tu, da slišijo topeve nemške armade. Združili so svojih dvanajststo mož, samo vojake raznovrstnega orožja, ločene od svojih čet. In ta mala kolona se je slavno zagnala po cesti v metežu karteč. Od kraja je bilo krasno; padajoči vojaki miso ovirali naskoka ostalih. Kakih pet sto metrov so pretekli s pravcato divjo srčnostjo. Toda vrste so se kmalu zredile, in tudi najhrabrejši so se umaknili. Kaj so mogli početi proti daveči premoči števila? Vse to je bila zgolj blazna smelost vojskovodje, ki ni hotel biti poražen.

General Wimpffen se je našel naposled samega z generalom Lebrunom, na tej cesti iz Balana v Bazeilles, ki sta jo morala pustiti enkrat za vselej. Preostajalo je le še umikanje pod obzidje Sedana.

Kakor hitro je Delaherche izgubil generala izpred oči, se je vrnil v tovarno, ves v eni samji misli, in sicer, da bi šel zopet na svojo opazovalnico iz dalje zasledovat dogodke. Ko pa je prispel do svoje hiše, ga je nekaj zamudilo, ker je pred vhodom srečal polkovnika de Vineuil, ki so ga peljali na seneni podlogi v zelenjarskem vozičku, s krvavim škornjem, napol nezavestnega. Polkovnik si je bil od trenutka, ko je padel s konja, zabijal v glavo, da mora zbrati ostanke svojega polka. Nemudoma so ga nesli v neko sobo v prvem nadstropju, in Bourchoe, ki je prihitel in je našel le prasko na gležnju, se je zadovoljil s tem, da je pobral iz rane škornjevo usnje ter jo zavezal. Delo mu je rastlo čez glavo, ves je bil obupan, in ko se je vračal v lazaret, je klical, da rajši odreže nogo samemu sebi, kakor pa da bi nadaljeval svoje rokodelstvo na tak beraški način, brez poštenega materijala in brez potrebnih pomočnikov.

Spodaj zares niso več vedeli, kam naj spravijo ranjence; sklenili so jih bili polagati na bližnjo trato. Že sta jih ležala dve vrsti, ki sta čakali in tarnali pod milim nebom in pod granatami, ki so deževale še vedno. Število mož, ki so jih bili od poldneva pripeljali v lazaret, je presegalo štiristo; štabni zdravnik je bil dal prosti za ranocelnike, pa so mu poslali le mladega zdravnika iz mesta. On ni mogel zadoščati; sondiral je, rezal, žagal in šival, ves razburjen in nesrečen, ker je videl, kako mu prinašajo zmirom več dela, nego ga more opraviti. Gilberta, ki je bila vsa omamljena od groze in ji je bilo slabo vpricho tolike krvi in solza, je ostala pri starcu-polkovniku, dočim je spodaj

gospa Delaherche napajala vročične in brisala mokre obraze umirajočih.

Na terasi se je Delaherche živahno trudil razgledati položaj. Mesto je trpelo manj, nego so menili ljudje; en sam požar v Cassinskem predmestju je bruhal debel črn oblak dima v nebo. Utrdba "Palatinat" ni več streljala, gotovo zaradi pomanjkanja streljiva. Samo topovi pri Pariških vratih so še v dolgih presledkih oddajali strele. Kar je takoj vzbudilo posebno zanimanje, je bila bela zastava, ki so jo zopet razobesili na stolpu; a na bojišču je bržčas še niso videli, kajti ogenj se je nadaljeval z neizpremenjeno silo. Strehe

sosednjih hiš so mu zapirale razgled na Balansko cesto, tako da ni mogel zasledovati gibanja čet. Sicer pa se mu je pogled, ko je pritisnilo oko k namerjenemu daljnogledu, zopet ustavil na nemškem generalnem štabu, ki ga je videl tam že od poldneva. Poveljnik — tisti drobčkani svinčeni vojaček, jedva tolikšen kakor polmladega prsta, v katerem je menil, da spoznava kralja, je stal še vedno po koncu v svoji temni uniformi, pred drugimi častniki, večinoma ležečimi na travi, v blestečem zlatem veznju. Bili so tuji častniki, adjutanti, generali, dvorni maršali in principi, vsi oboroženi s kukali, in so že od jutra zasledovali smrtni boj francoske armade, kakor da bi bili v gledišču. Zdjaj se je strašna drama bližala svojemu koncu.

S tega gozdnega vrha Marfee si je bil kralj Viljem pravkar ogledal združenje svojih čet. Zgodilo se je; tretja armada pod poveljstvom njegovega sina, prestolona slednjaka pruskega, ki se je bila približala čez Saint-Menges in Fleigneux,

je zavzela Illy-sko planoto, dočim je četrti, ki ji poveljeval prestolonaslednik saksonski, od svoje strani preko Daigy-a in Givonne dospela na določeni kraj, s tem, da se je ognila Garennskemu gozdu, XI. zbor in V. zbor sta tako podala roko XII. zboru in gardi. Poslednji napor, zdrobiti obroč v trenutku, ko se je sklepal, nekoristna, zgolj slavna ataka divizije Margueritte, je izvabila kralju vzklík občudovanja: "Ah, ti hrabri ljudje!" Zdjaj se je zaključevalo matematično, neizprosno obkoljevanje. Čeljusti primaža so se bile združile; on pa je mogel z enim samim pogledom objeti ves ta neizmerni zid ljudi in topov, ki je obdajal premagano armado. Na severu je postajal objem vse tesnejši in tesnejši. Pod podvojenim ognjem baterij, ki so s svojimi neprekinjenimi črtami robile obzorje, je tiščal

begunce v Sedan. Na jugu je prazen in mračen dogoreval zavzeti Bazeilles in metal debele vrtince isker v nebo, dočim so Bavarci, gospodarji Balana, streljali s svojimi topovi 300 metrov pred mestnimi vrati. In ostale baterije na levem bregu, ki so se bile postavile v Pont-Maugis-u, v Noyers-u, Frenois-u, in Wadelincourt-u, in so streljale brez prestanka skoraj že dvanajst ur, so grmele še glasneje ter sklepale

neprekoračljivi ognjeni obroč njega; kopala se je v tako prozorni luči, da so se najmanjše podrobnosti risale s čudovito razločnostjo. Razločal je sedanske hiše s črnimi mrežami na oknih, nasipe in trdnjavsko zidovje, ki se je zdelo, da raste, tako ostro se je risal sleherni rob.

SLOVENIAN
MORNING NEWSPAPER

AMBITIOUS!

The secret of a lot of work done is to do some task today that might be postponed until tomorrow, meanwhile doing today all that must be done today.

Every man of ability nourishes the ambition some day to do something outstanding. He may want to invent something, write a book, get elected to Congress, or get an honorary degree from a university.

Whatever his ambition may be, he can do something each day — or nearly every day — to advance himself toward the realization of his goal. If he waits until conditions are right or he feels just right before he begins this outside task, he will get nowhere, simply because difficult goals are not achieved easily or in a rush.

What is written here is equally true of the ordinary day-to-day work of running a business or making something important out of a job. Every job, however big, is one-fourth major stuff and three-fourths minor stuff. The minor stuff consumes three times as many hours of the day as the major stuff, but the minor affairs have to be handled efficiently and promptly or there is no time for the major stuff.

It is a peculiar fact that major stuff can always wait. Minor stuff is insistent.

Hence successful men have to stay on the job, or turn their jobs over to men who will. Unless a man knows everything about a situation, he really knows nothing when it comes to making a decision.

GENERAL MEETING TUESDAY, SURPRISE GUEST SPEAKER

This Tuesday evening Dec. 6th at 8:30 p. m. the St. Vitus Holy Name Seniors will have their monthly general meeting. Since this meeting is the last of the year, the officers have decided to go all out in making this a most interesting and enjoyable evening.

First on the program of course is the meeting which will cover a review of our past year's accomplishments and also look into future business. After the meeting, our guest speaker for the evening will deliver a very interesting talk. (We are withholding name of speaker as a surprise to all our members.)

Awards will then be awarded to our lucky members who are in attendance. The awards will be numerous so everyone should participate. Refreshments will then follow.

So, members, there you have the schedule for the evening. You can show the officers your appreciation by making it a point to be in attendance. We especially welcome new members also.

VARIETY SHOW OF 1950

Rehearsals for the coming "show of the year", sponsored by our Holy Name Juniors have been going on for the past month or so. The few last touches must be made and all will be in readiness for the production.

As in the past, a night of laughter and good spirit is promised to all from cradle age to eighty. Included in the show will be a minstrel, short skits and variety talents.

Tickets are on sale already, for we know the demand will be great. Donation asked is seventy-five cents, which amount goes to the betterment of sports and repairs on our grounds so necessary in the last few years. A worthy cause? Then let us co-operate with the gang by purchasing our tickets early and thus we will encourage them greatly in their big endeavor.

The show will be presented on Jan. 8, 15 and 22, 1950. Music after the show for dancing? Of course!

BASKETBALL PRACTICE

The basketball teams of St. Vitus School have their weekly practice session at Willson Junior High School on E. 56th St. from 5:45 to 9:00 p. m. every Thursday. This gym has been rented on this day of the week, to enable our boys to perfect themselves in the great sport of basketball. It has given them some better interest than merely that of "hanging around the corner."

Grammar grade students practice from 5:45 to 7:00 p. m. with John Zupancic, a John Carroll student of our parish, in supervision.

The high school group has the floor from 7:00 to 9:00 p. m. while Mr. Gordon, one of our parishioners, gives the commands. You can readily see, we are trying our very best to give your lads the best, even in supervision. We are doing our part—will YOU do yours?

CYO ATHLETIC BANQUET

Our sixty boys who belong to the CYO sports teams of St. Vitus were feted at a Banquet Royale (chicken dinner) with all the trimmings, last Sunday evening. Did those boys eat? You wouldn't believe it, but we have witnesses to attest, that each lad ate his portion consisting of soup, a quarter of a chicken, salad, carrots, mashed potatoes, vegetable, apple strudel and ice cream. In the near future, you will see pictures in public of some of these contented boys. Among these were boxers, baseball and football players who had earned recognition for their hard work in their particular field of sports in the past seasons.

Dinner music was played by John Marinko at the piano and Anthony Lipold did his bit to entertain during the meal, also.

Brief, yet inspiring talks were given to the boys after the awards were distributed by Messrs. Salomon, Slogar and Celestik. The fellows were "all ears", as these men spoke to them. If they will take the "tip", they will all be fine future athletes, who received their first training at St. Vitus. A one-year scholarship was promised to the most outstanding eight-grade scholar athlete. Who will he be?

After the meal, Cliff Salomon and his band played a few numbers for the boys' entertainment. Joe Hozian our noted soloist, dropped in and

rendered a few songs. Even Mr. Edward Salomon enjoyed playing the piano for the gang, while they sang a few Slovenian numbers. Would you believe it?

Thanks are due those who prepared this excellent dinner for the youngsters. In the first place, Mrs. Kral and Mrs. Otencar, rate honors for having prepared and cooked the food, all of which entailed much time and effort. Everything seemed to be devoured, so this proves that the boys enjoyed the meal. Secondly, Mrs. Salomon and Mrs. Slogar and the Misses Gerbec, Mlakar and Salomon merit thanks for setting up the hall tables and serving. The lads appreciated your courtesy and smooth service. Last, but not least, thanks to the Holy Name Juniors who came down to bolster up the spirits of these boys, and to urge them to fight for Vitus. Their mere presence proved that the people are behind the sports of these groups of boys. Ronald Buckley will soon be displaying the highlights of the Banquet in photos which he took that evening with flashbulbs.

Again, thanks to all and may we enjoy one of these pleasant evenings in the very near future, let us say, after the basketball season? Yes!

St. Vitus Men's League

November 17 Results

Bouncing back after a four point set back registered at the hands of the Erodnick Bros. team, the Jimmy Slapnik Florists rolled over the Yale Flower Shop entry to take the three games and four points and boost their league to three points. Carl Kukucka 216, 569 Ed Avace 546, Bart Lanchman 524 and Ray Suhadolnik 509 all reached the 500 circle for the Florists who blasted out the evening high team series with their 2606 total. Frank Cebul was the top scorer for the Yale Flower Shop team with his 475 series.

Going into their November 17th match the Malensek Bros. five and the Kollander Agency team held second and third place in the team standings. When the bowling was over for the night both teams were right where they started out. The second place Malensek team came out on top in the last two games but couldn't overcome the 51 pin victory of the Kollander five which walked off with the total pins point. Bill Plaven kept the Agency boys in the race all the way with his 502 series. Frank Usnik led the Malensek team in their two wins with 503 being helped by Bob Koenig who totaled 495.

Norwood Appliance shot into fourth place at the expense of the Mar-Ket Coal entry which were the victims of a four point trouncing. Emil Zadnik was the big gun on the Appliance team with his 219 game and 573 series although he received some help from John Novak who banged out a 506 three game total. Rudy Massera 216, 542 and Joe Marinko 508 couldn't get enough help from their mates to take a point. The Coalmen were in fourth place when the match started and are now tied for fifth.

The Zalokar Delicatessen five moved into fifth place with the Mar-Ket squad as they came up with three victories in their match with the Chas. and Olga Slapnik five. Both teams have been running hot and cold and it was just the Delicatessen boys' night. Frank Popotnik led the Zalokar entry all the way with his swell 549 series. Tony Brodnik came the closest to the 500 group for the Chuck and Olga crew with his 496 total.

It was a close fight all the way in the match between the Clover Dairy and Climperman Mkt team with the Dairymen coming within four pins of registering a shutout. The Market-ers came back after two losses to take a three pin victory in the last game. Max Germ 509, Stan Godec 506 and Al Intihar 507 of the Climperman Mkt team couldn't match the bowling of John Lach 552 and Bob Moglich 511 in the first two games as the Dairymen rolled to a three point win.

Stopped momentarily in the first game by the Norwood Men's Shop five, the Brodnick Bros. team came back to take the last two games and walk away with three points. John Slavnec did some swell rolling for the Brodnick five as he came up with a good 541 series to almost match the

This and That from Washington

By Congressman Frances P. Bolton

IN ENGLAND the postponement of the Nationalization of the Iron and Steel Industry is being received in some areas, as the first concession the government has made to the realities of the existing situation.

The London Times suggests that this does not necessarily mean that the general election will come soon after the first of the year, but rather that the Parliament will be dissolved before the very unpopular budget is presented. This would bring both the future of the House of Lords and the Nationalization of the Steel Industry into the realm of politics at the general election.

THE conference of the major opium-producing countries is meeting at Ankara, Turkey. Turkey has always been one of the medical opium-producing countries of the world. She has been elected to the ad hoc Committee of the United Nations Commission on narcotic drugs, which will draft a provisional agreement to limit the production of opium and to control its distribution.

There have been other international narcotic agreements. The League of Nations did some of its best work in this field. It is important that the United Nations work should be recognized and given all possible assistance. "Dope-running" has always been a serious problem. Were it not for the eternal vigilance of our Federal Bureau of Narcotics the illegal market here would be an ever-increasing menace.

SMALL BUSINESS has some pretty tough problems ahead of it now that most of Big Steel has accepted the Bethlehem formula for pensions and insurance benefits as a basis for strike settle-

ments. This grants: Nine cents an hour for pensions, the company paying the total premium, and five cents an hour for health and insurance benefits, the employer and employee each paying 2 1/2¢ of the premium. Quite regardless of the benefits that may be derived under the Bethlehem formula, few small companies are in a financial condition that will permit such heavy expenditures of this type. Possible implications are difficult to anticipate.

I AM OFTEN asked what have the World Health Organization (WHO), FAO, ECA and UNESCO accomplished if anything. Here are a few things we can be both proud of and grateful for: about five million children in Europe, North Africa and the Middle East have been vaccinated against tuberculosis, and large scale campaigns are taking shape in China, India, Ceylon, Pakistan and other countries of the Far East. Not long ago 85% of the population in some parts of Greece had malaria. Through the work of these organizations this has been reduced to 5%.

Dr. Edgar Dale, of Ohio State University, one of the best informed active people in the field of Communications, returning from the Paris meeting of the United Nations Education Scientific and Cultural Organization, reports on some very interesting and exciting work being done by and thru that international organization.

A careful three year study of UNESCO reveals the fact that half the population of the world can neither read nor write. "But happily," says Dr. Dale, "for the first time in the history of the world we can by-pass reading, and communicate ideas by using films and radio."

Under the direction of Irene Wright, of the State Department, UNESCO will soon have a world wide catalog of films and film strips, dealing with fundamental educational reconstruction and the popularization of science. A list of twenty five of the best of these will soon be published.

PTA NOTES

St. Mary's PTA will hold their regular monthly meeting Thursday, Dec. 8, at 8:45 in the Study Club Room. Not only will this be the regular meeting, but with everyone already making Christmas cards, thinking of making Christmas Carols, thinking of making Christmas shopping lists, and planning their Christmas party. Each year this party is a success. The PTA tries to make these parties better than the one before.

The Chairman for this affair are Mrs. Ruth Mayler, Mrs. Anthony Gajek and their committees (not overlooking the Homemaking chairman Mrs. Mary Lapuh). There is really a treat in store for you ladies. All you have to do is to bring a \$1.00 gift for the exchange.

There will be plenty of delicious delicacies covering the table. Now it is up to you ladies to attend and share the fun with the others.

"This next paragraph is for the ladies who were at the meeting last month. Remember to bring your five or more articles (scissors and knives) and put your name on the tags that were given to you. The more you bring the better for all of us. So scout around and find as many as you can. The last column is VERY important so read it carefully. You who were there last month, know already how important the last meeting was. This month will be the final discussion pertaining to the subject that was not quite settled. We urge ALL members to come so that it will be settled once and for all. We cannot give you the facts concerning this discussion through this article. Let's see all you members there this month. It's very important for you and your children."

STRAIGHT FROM WASHINGTON

By STEPHEN M. YOUNG
Ohio
Congressman-at-Large

Washington. — The youthful Shah of Iran was greeted by President Truman and nearly two hundred thousand Washingtonians upon his arrival at National Airport for a twenty-eight day visit to this country. The keys to the city were presented to the thirty year old Shah at the District Building where an authentic Persian rug, valued at approximately \$30,000 served as a backdrop.

This is the first official visit to the United States of an Iranian monarch. As he stepped from the Presidential plane, "The Independence" the hand-

some Shah pledged "to work with the United States in the maintenance of peace in the Middle East."

Speculation as to the purpose of the visit ranged from romantic interests for the Shah to treatment of his sinus condition. Of course, the "United States" oil interests in Iran play an important part in the cordial reception given that country's ruler.

Prospect House former home of the late Secretary of Defense Forrestal, was leased by the State Department a short time ago for the purpose of housing visiting dignitaries. The Shah spent his first night in the Nation's Capital at Blair House, temporary residence of the President, but for the remainder of his Washington visit will stay at Prospect House with his official party.

RESULTS OF THE "TRIAL RUN"

The contest between candidates who fought their race on what the Democratic Party calls the "Fair Deal" and on what the Republicans choose to call "statism" resulted in a clear-cut victory. Important as the victory in the New York Senatorial election proved to be, the results of elections in other major population centers across the country gave the national reaction to our two political parties. This trend was reflected in the two special Congressional elections — in Brooklyn and San Francisco. No Democrat had ever been elected from the Fifth District of California until John F. Shelley, staunch advocate of the Fair Deal, defeated two other candidates. In the Tenth Congressional District of New York, Mrs. Edna F. Kelly joined the feminine contingent in the House of Representatives. This attractive forty-three year old widow, elected to fill out the term of the late Representative Andrew L. Sams, (D), New York, polled more votes than the other two male candidates combined. Mrs. Kelly, campaigning for her new post, supported the Administration program, and, in addition, called for elimination of excise taxes on luxury items.

TAX RELIEF TO WORKING MOTHERS

Representative J. M. Combs, (D), Texas will lend a helping hand to working mothers next session of Congress. The Congressman has announced his intention of introducing an income tax relief measure permitting the deduction of wages in cases where employment of a housekeeper is necessary to permit the head of the family to work. Tax evasion legislation is expected to be considered by the House Committee on Ways and Means soon after the Second Session of the Eighty-first Congress convenes in January.

TALKING TURKEY

Members of Congress have become used to the celebrated speech of Representative Robert F. Rich, (R), Pennsylvania, who very rarely misses an opportunity to make at least a one-minute blast at government spending. Inevitably his speech ends with the familiar phrase, "Where are you going to get the money?" At the close of the First Session of the Eighty-first Congress, the Pennsylvania Congressman was bidding his colleagues farewell. In his remarks he expressed the hope that his fellow-members would enjoy a pleasant vacation and "a big turkey for Thanksgiving." His Democratic colleagues across the aisle shouted in unison, "Where are we going to get the money?"

North Chicago Gets New Post Office

No. Chicago Ill. — Joseph J. Zorc, a member of the reception committee for Senator Paul H. Douglas reports today that Mayor Anton Macrowski, Jr., has received a report from Senator Paul H. Douglas and Scott W. Lucas of Illinois that a \$415,000 post office building will be erected in No. Chicago soon. The site for the location of the proposed building will be selected soon and plans and specifications will be completed pending final appropriation approval by Congress at its next session of the actual construction. The City of No. Chicago has long needed a new post office building, at present paying about \$100.00 per month for quarters that are not suitable nor adequate for the business handled. At present No. Chicago is experiencing a larger volume of business at its post office than the City of Waukegan, its next door neighbor.

Tips on Cold-Weather Driving

If you have a hand choke, stall your motor with it when putting away your car for the night. Next morning there will be a reservoir of raw gas in the cylinders ready to pop out at the first touch of the starter.

If you have an automatic choke you can accomplish the same effect by accelerating the motor as you turn off the ignition, holding the accelerator down until the motor has died.

If you have a sedan with ventolator windows at the rear, opening them a tiny bit will help circulate the heat from your heater into the back seat. Leave your temper, time and tires by learning to manipulate your car properly when streets are snowy and slippery.

Never start up in low gear when the going is icy. Use second or high, and feed just enough gas to keep from stalling. You will walk right out instead of spinning yourself in!

In starting after dark, be sure your lights, radio and heater are off before you step on the starter.

Never start your motor on a cold day without first depressing your clutch.

Detroit. — The seven Fantaro children finally have the same last name. Their father gave his five sons and two daughters differently spelled last names when he registered their births. Juan Fantaro, 34, was the first to appear in Probate Court. He had his name changed to Fantaro, and the others agreed on that spelling. Their names had been Fantore, Fornaro, Fanilator, Fontora, Fernetti, and Fernetto.

Suspicious Hubby

The young wife greeted her husband affectionately when he returned from the office. "Poor darling!" she said. "You must be tired and hungry. Would you like some nice soup, tender chops with golden brown potatoes and green peas and mushrooms on toast?"

"No darling," her husband answered firmly. "Let's save the money and eat at home."

Louise Winslow Starts New Sewing Program

Home dressmaking and millinery have been added to the demonstrations given by Louise Winslow on her popular home economist program, "Through the Kitchen Window" over Station WBNK each week. The new program will be televised at 2 p. m. each Wednesday from the Studios of The East Ohio Gas Company in Cleveland. Miss Winslow will continue her cooking demonstrations at the same hour on Tuesdays and Thursdays.

On her new show, Miss Winslow not only will demonstrate the techniques of cutting, sewing, and fitting clothes, but also will aid her viewers in choosing fabrics and lines most becoming to their particular figures.

Miss Winslow is "assisted" on the new dressmaking program by her three much-publicized forms, Nanette, Suzette, and Babette.

With the scoring close all the way, the J. Slapnik Florists came out of their match with the Clover Dairy team having two wins and three points. The Florists led by Ray Suckas, 252, 552 and Carl Kucukca, 38 took the first two games by margins of 10 and 19 pins only to be pulled back in the last game by the bowling of Al Meglach 221, 210, 200 and Frank Pravein 200, 528. A's red hot series which was high for the site could do no more than help the Dairy-men to a single point.

Roaring back with a third game win, the Malensek Bros. five managed to gain an even split with the Chas. and Olga team squeezed out two wins but then watched their total pins advantage melt away in the final game. The Malensek team which had a 40-point lead at the end of first game was paced by Vic Meade and Leo Kucukca 517 while John Fagurski and Tony Brodnick were the top men on the Slapnik team with even 500 series.

The Kollander Agency five fell into a tie for third place as they dropped three points to a consistent Cimperman Mkt. team. Ted Zak 525 saved a complete rout of the Kollander team with his 525 series. Al Inthar led the Marketeers to two wins and the total pins point with his 524 series. The Cimperman team is in fifth place in the league standings.

The Norwood Appliance five continued their drive to the top with a three point win over the Norwood Men's Shop team. The Appliance team came back after a first game loss to bag the last two wins and total pin-point. They are now deadlocked for third place. Stan Merhar had a hot night for the Appliance five with 216, 203, 589 and he was helped along by John Novak who wound up with a 503 series. The loss dropped the Norwood Men's Shop entry into a tie for the league cellar. Willie Kovacic's 204 game and 524 series helped the Mens Shop to take their only point for the night.

The only clean sweep of the night was registered by a red-hot Brodnick Bros. five which have not been stopped for the last three weeks. Their current winning streak was preceded by a thirteen game losing stretch but the boys seem to have the know-how to win. John Eimonie 519 and Joe Gebrowski 501 provided the necessary punch for the Brodnick squad.

Frank Popotnik came up with a 510 series for the Brodnick's victims, the Zelbor Confection team which suffered a very bad night.

After getting off to a one-sided win in the first game, the Mar-Ket Coal men ran into a stone wall and the Yale Flower Shop team came up with

no wins. The Mar-Ket team's big first game score salvaged the total pins point and the teams wound up with a two point split. Lou Persin and Kuyk Massare each bagged a 512 series for the Mar-Ket team while Marion Rebol paced the Yale Flower Shop with a 511 series which was helped tremendously by a 223 final game; talt helped the Flower Shop to a five pin win.

Important Notice To All Lodges and Clubs

Many local and out of town clubs and lodges run a regular monthly ad in our newspaper containing all such information as: Names of officers, time and place of meetings, etc. This lodge roster is published once or twice a month. The price is \$10 per year which is low considering the service it renders your group.

Lodges which run such ads usually get free publicity announcing their meetings and other similar short notices. So, for the \$10 fee, a lodge or club receives advantages far in excess of the amount spent.

Yearly meetings are usually held during December. We suggest that all lodges and clubs which expect to receive free publicity during the coming year, vote for this monthly ad and share in the extra benefits you will receive. Certainly, there isn't a lodge or club that cannot afford the small amount of \$10 yearly.

ONLY LODGES AND CLUBS WHICH WILL HAVE THEIR AD IN OUR MONTHLY ROSTER WILL BE GIVEN FREE PUBLICITY.
