VOLUME XXVIII — LETO XXVIII.

VOLITVE DELEGATOV ZA SLOVENSKI NARODNI KONGRES

Kakor je bilo že objavljeno, se vrši v nedeljo 6. decembra t. l. v Clevelandu, O., slovenski narodni kongres. Do tega ni več daleč in potrebno je, da se na to pripravljamo že sedaj ter kmalu izvolimo svoje zastopnike. Kajti važno je, da bodo na tem velikem taboru ameriških Slovencev zastopane vse naše organizacije in ustanove ter sploh, da bodo reprezentirane najširše plasti našega naroda.

Pravico do zastopstva na narodnem kongresu imajo poleg vseh centraliziranih slovenskih organizacij in slovenskih listov tudi krajevna društva in klubi teh organizacij, samostojna podpora, kulturna, gospodarska, politična društva in klubi, slovenski domovi in druge kooperativne ter sploh vse slovenske institucije v Ameriki. Razume se, da morajo stroške svojih zastopnikov same nositi.

Pozivajo se torej vse naše organizacije, da se za stvar živo zanimajo in da izvolijo svoje delegate za slovenski narodni kongres prav kmalu. Pozivajo se zlasti vsa tista društva, ki zborujejo samo enkrat mesečno, da vzamejo to stvar v pretres takoj na svoji prvi seji. Da ponovimo: vsako društvo, vsak klub in vsaka slovenska organizacija, ne glede na velikost, značaj ali pripadnost, ter vsak slovenski list v Ameriki ima pravico do evga delegata poleg centraliziranih organizacij, ki lahko pošlejo toliko zastopnikov, kolikor članov tvori njih centralni odbor.

Nadalje prosimo, da vsako društvo, klub ali ustanova prijavi svojega delegata predsedniku Jugoslovanskega pomožnega odbora slovenske sekcijske, V. Cainkarju, 2659 S. Lawndale Ave., Chicago, Ill., čim prej mogoče.

Za Jugoslovanski pomožni odbor slovenske sekcijske:
V. CAINKAR, predsednik;
JOS. ZALAR, tajnik;
LEO JURJOVEC, blagajnik.

ŠTEVILLO OSIROTELIH OTROK V SRBIJI

London.—(Direkcija za informativno službo).—Uradni sofijski list "Utro" prinaša dne 13. septembra članek novinarja Taneva, ki je prepotoval Jugoslavijo. Tanev piše med drugim:

"Veliko število Srbov je poginilo v borbah proti zasedbenim četam. V Srbiji se nahaja danes približno 420,000 osirotelih otrok, katerih starši so izginili tekmo vojne."

"Vsa dežela se nahaja v trajno siromasnem položaju. Poljedelstvo je mrtvo in celo v beograjskih gostilnah, v katero nemški višji častniki, polveljniki zasedbenih čet, dobavo gosti pokvarjen kruh."

"Pred beograjskimi prodajnami živil čakajo neskončne vrste vrste ljudi... A klub vsemu temu so Srbi preverjeni, da se bo potek vojne obrnil in da se bo zgodilo v tej vojni, kakor v prvi svetovni vojni."

Ogromnost navedenega števila srbskih sirot, je sama na sebi najhujša obsodba tlačitev. —JIC.

VELIKA ZAPOSLENOST V DEŽELI

New York.—Narodni industrijski konferenčni urad poroča, da je bilo letos v avgustu v vseh panogah industrije, trgovine in poljedelstva širok v Ameriki zaposlenih 57,700,000 oseb, kar tvori rekord v zgodovini dežele; dalje se omenja, da se bo to število do decembra leta 1943 zvišalo na 62,500,000. Odkar je vlada začela obravnavati s svojim obrambnim programom leta 1940, se je število zaposlenih pomnožilo za 10 milijonov, tekem zadnjih 12 mesecev pa za štiri milijone. V avgustu je pri WPA delalo še 547,000 oseb v vseh državah, brezposelnih je bilo pa samo še 1,700,000.

New York.—Belgijski informacijski center pravi, da je prejel poročilo, da so nacioni ustrelili 14,000 židov v koncentracijskem taborišču pri Rigi, glavnem mestu Latvije v dveh tednih. Med žrtvami so bili tudi otroci in ženske.

Smrt med slovenskimi duhovniki v starem kraju

(Iz raznih poročil.)

Župnik Hubert Leiler je umrl dne 21. marca na posledicah hudičnih ran, ki so mu jih zadali zločinski napadalci baje po pomoti. Iskali so bili nekoga drugega. Podrobnosti niso znane. Rajni župnik Leiler je bil rojen v Ribnici 1894. postal je kmalu sircata in se je zanj zavzel pokojni notar Ign. Gruntar in ga dal v oskrbo prelatu Kalanu. Kot duhovnik je deloval 15 let v Catinari, potem je prišel v ljubljansko škofijo, kjer je do lani deloval v bolnišnici na Golniku. Od tam je bil pregnan v Ljubljano in letos tako žalostno končal svoje nadabudno življenje.

Vseučiliški profesor dr. Lambert Ehrlich je umrl dne 26. maja na cesti v Ljubljani, zadev od štirih zločinskih krogelj. Vračal se je ravno od svete maše, ki jo je bil pred pol ure opravil v Akademskem domu. Profesor Ehrlich je bil eden najodličnejših slovenskih duhovnikov. Rodil se je bil leta 1878 v Kanalski dolini in bil eden največjih koroških Slovencev. Studiral je na raznih svetovnih univerzah in pozneje postal sam profesor na ljubljanski univerzi. Veliko je deloval tudi s peresom, v organizacijah in zlasti na dobrodelnem polju. Až časa mirovne konference v Parizu je bil eksperter za obmejno slovensko ozemlja. Sploh si je pridobil za slovenstvo nevenljivih zasluga in je naravnost nerazumljivo, zakaj je moral tak mož končati svoje takoj silno plodonosno življenje pod krogljami kot izdajalec slovenstva...

Zupnik Franc Nahtigal je padel pod zločinsko kroglio dne 17. junija. Bil je župnik v Št. Rupertu na Dolenjskem. Podrobni podatki iz njegovega življenja nam niso znani. Poročalo smo pove, da so udri v soboto 17. junija zvečer v šentuperško župnišče oboroženi zločinci, odpeljali župnika in kaplana s seboj in ju ustrelili nekje v hosti. V Št. Rupert je prišel za župnika 1940.

Kaplan Franc Švar je bil obenem s svojim župnikom ustreljen v Št. Rupertu. Rodil se je bil 11. decembra 1911 v Sodražici in bil v duhovnika posvečen 2. junija 1939. Njegovo službeno mesto je bila kaplanija v Št. Rupertu.

Zupnik Janko Komljanec v Prečini je bil na podoben način odveden po oboroženih zločincih in umorjen nekje v samoti. Župnik Janko Komljanec je bil rojen v Bučki 1892. Deloval je kot kaplan med drugim tudi pri Sv. Križu pri Kostanjevici. Podrobnosti o njem nam niso znane.

Kaplan Henrik Novak je istotno padel pod morilčevi roko v Hinjah. Podrobnosti še niso znane. Ta duhovnik je bil rojen v Žužemberku 1912 in bil posvečen 3. junija 1939. Kaplanija v Hinjah je bila njegovo prvo in zadnjše službeno mesto.

To so žalostne novice. Zakaj padajo slovenski duhovniki v ta-

K 40-godišnjici društva sv. Petar i Pavao, broj 64, Etna, Pa.

Nečloveško postopanje Paveličeve vlade

Deutsche Zeitung Kroatiens prinaša v svoji številki od 5. septembra vest o odsodbi in ustrelitvi naslednjih oseb, med katerimi je dober del Slovencev v Slovenjih.

Franjo Čop, rojen v Prohi, 29 let, češ, da je skrival v mesecu juliju 1942, skozi 8 dni dve komunisti.

Ana Ločičnik, rojena v Trbovljah, 43 let, vdova, pod isto pretrevo.

Ivan Cvirk rojen v Leskovcu, 32 let, pod isto pretrevo.

Oba dva društva su uvijek skupa suradljivala složno kao jedan odsjek, bilo to kod zavale, bilo kod sprovođa. Te onda napokon su braća članovi uvideli, da bi bilo najbolje, da se slože i da se ujedine ta dva odsjeka.

I tako su se dogovorili te na 4. maja, 1924 ujednili pod imenom sv. Petar i Pavao, broj 64 KSKJ, Etna, Pa., gdje tako još i danas složno članovi sudaraju.

Kako sam naveo gore od svih članov ustrojiteljev još samo šestih je živih. Bog dragi neka ih poživi, i da bi svesniši Bog dao, da bi tako svih doživili i zlati ili 50. jubilej našeg društva!

Ovo društvo je napredno u našoj maloj koloniji te danas broji 220 aktivnih (starih) članova, 68 podmladka; imovina odsjeka je preko \$3,800. Žao nam je, da ne možemo dati boljši potankosti od ustrojenja odsjeka pa do danas, jer ona velika voda godine 1936 uništila nam je stare knjige i rekordne društva od ustrojenja pa do tog dana.

Dakle naše društvo će na svečani način da proslavi svoju 40-godišnjicu na nedelju, 10. oktobra ove godine sa svimisom u 8 sati u crkvi sv. Nikole, Millvale, Pa., a zatem na večer će pak slijediti velik banket u Hrvatskom Domu na 110 Bridge St., Etna u 6:30 sati. Program banketa jest kako slijedi:

1.—Pozdravni govor, predsednik John P. Smolkovich.

2.—Tamburaški zbor svira američku himnu "Star Spangled Banner."

3.—Predsjednik predaje daljnje vodjenje programa stolopravatelju M. Speliću.

4.—Rev. Albert Zagari otvara banket sa molitvom.

5.—Greetings by Hon. Jacob Arent, Burgess of Etna.

6.—Tamburaški zbor svira odabratni komad.

7.—Govori brat John Germ, glavni predsednik KSKJ.

11.—Govori Mr. John P. Lašić, Chairman Etna Boro Council.

12.—Govori Mr. John D. Butković, gl. predsednik HBZ.

13.—Govori Mr. Marko Vinski, Etna Boro Councilman.

14.—Tamburaški zbor svira.

15.—Govore predstavnici naših bratskih društava HBZ, CCU, I. W. O. i KSKJ.

16.—Zaključna zahvala pred-

gij se bo naredilo izjemo, da lahko svoje šolsko leto dovršijo in sicer do 1. julija, 1943, potem bodo pa vpoklicani.

Sprva se je nameravalo dočiti za vse take mlade vojaške novice 12-mesečno vežbanje, kar je pa propadel in se bo zahtevalo od njih samo 13-tedenško vežbanje, nakar bodo ti rekruti prideljeni raznim vojaškim skupinam in bo z njimi razpolagal vojni department.

Glede nadaljnega poziva drugih vojaških novicev je dal general major L. B. Hershey, direktor nabornega urada pojasnil, da bo letos in novembra vpoklicanih 400,000 početenih mož brez otrok, tako tudi takih samcev, ki nimajo nič odvisnih sorodnikov; več takim so bile pozivnice že oddoljene. V decembri letos bo pozvanih tudi prvih 450,000 nabornikov v starosti od 18 do 19 let, mesec zatem (v januarju) pa 400,000, ostali pridejo na vrsto pa v februarju.

POTUJČEVANJE SLOVENCEV NA ŠTAJERSKEM

Jugoslovanska vlada v Londonu je pred kratkim prejela preko Švice naslednje podatke o ponemčevanju slovenskega prebivalstva na Štajerskem. Prinesel jih je s seboj švicarski državljan, ki dobro pozna razmere v Ptiju. Gre za starejše vesti, ki izvirajo iz prvih časov.

"Tako po svojem prihodu so Nemci izgnali vse značilne slovenske osebnosti, one pa, katerim so dovolili ostati v ptujskem okraju, so prisili, da pošljajo svoje otroke v nemške šole.

"Skrbno so začeli raziskovati rodbinske zveze vseh tamošnjih Slovencev in obdelovati vse one, ki so kakorkoli v sorodstvu z osebami nemške narodnosti. Slovence, ki imajo nemško zveznično rodbinsko ime, prisiljajo se vpišeti v nemške organizacije, ter se javijo med takovne "Volksdeutsche."

"Slične zahteve stavijo tudi Slovencem, katerih žene so Nemke. Vse kulturne spomenike so uničili in sicer s toliko slednostjo, da so na ptujskem pokopališču porušili vse nagrobnne spomenike, ki nosijo slovenske napise.

LETOSNI PRIDELEK KORUZE

Columbus, O.—Kakor poroča tukajšnji poljedelski urad, bo letosni pridelek koruze v Ohio prekošil pridelek vseh prejšnjih let, kajti isti bo letos v tej državi znašal 182,575,000 bušljiev; celoten letosni pridelek koruze širok na naših Združenih držav bo pa znašal 3,132,000,000 bušljiev.

NEMŠKI GENERAL PADEL NA RUSKI FRONT

DOPISI

"BOGATA TETA IZ AMERIKE" PRIDE V JOLIET

Joliet, Ill.—Jolietski in okoliški javnosti naznajamo, da bo moško društvo Najsvetejšega Imena priredilo zanimivo predstavo "Bogata teta iz Amerike," ki jo bodo predvajale članice kluba "Ljubljana" iz Chicaga, dne 25. oktobra ob drugi uri popoldne v farni dvorani sv. Jožefa.

V naši naselbini je že nastala velika radovednost, kdo in kaj vendar je ta "Bogata teta?" Ta "Bogata teta iz Amerike" je ena izmed najbolj popularnih predstav, kar jih je že bilo predvajanih na slovenskem odrvu. Zanimivo v tem pa je tudi, da jo bodo predvajale same ženske in dekleta, članice kluba "Ljubljana" iz Chicaga.

Vloge omenjene igre so v rokah izvezbanih oseb, zato se že v naprej ve, da bo igra zainteresirana za vse slovenski živelj v naši naselbini. Poleg tega, da so vloge v spretnih rokah, je pa tudi vsebina igre tako pomembljiva, da bo slednji občevalo, aka zamudi to lepo priliko, ki se mu nudi 25. oktobra v naši naselbini.

Mrs. Emma Planinsek, ugledna slovenska trgovka in navdušena delavka na društvenem in kulturnem polju je o tej igri že komentirala in prav:

"Igra 'Bogata teta iz Amerike' sem že čitala, toda žal, da nisem imela prilike videti igrat to nad vse zanimivo igro. No, vendar sedaj bomo imeli priliko, da igri prisostvujemo in jaz jo hočem videti, pa naj me stane kar hoče."

Znano nam je tudi, da kadar moško društvo Najsvetejšega Imena kaj priredi, ni bilo še nikomur žal, ki se je prireditve udeležil ali udeležila. Igra "Bogata teta iz Amerike" pa nam zagotavlja, da bo to prireditve, ki bo nadkriljevala vse dosedanje, zato je potreba, da se potrudimo in si preskrbimo vstopnice takoj, da si zagotovimo svoje sedeže.

Poleg omenjene igre se bo predvajalo tudi premikajoče slike v barvah, ki bodo predstavljale naš slovenski narod, ki so bile posnete na "Jugoslovenski dan" v Chicagu. Slike predstavljajo naš narod iz bližnjih naselbin, može in žene v narodnih nošah, kadetinje Slovenske ženske zvezze iz Jolietta, ki so naredile na ves tamkajšnji narod največji vtis.

Iz vsega tega torej lahko sdim, da bo za malenkostno vstopnino, 50 centov veliko razvedrila za nas vse. Vstopnice so vsakemu na razpolago pri vseh članih moškega društva Najsvetejšega Imena.

V nedeljo 25. oktobra ob drugi uri popoldne moramo vse v farni dvorano in obenem priljimo svoje prijatelje in znance, da bodo deležni onega koristnega užitka kakor mi, ki nam ga nudi klub "Ljubljana" s svojo "Bogato teto iz Ameriki".

S pomočjo dramskega zborna Ivan Cankar se je urešnili, da ima danes Slovenski narodni dom v Clevelandu največjo in najlepšo slovensko sliko v Ameriki.

Ali jo hočete videti? Kaj kmalu? To bo čas nepozabnih trenutkov v Ameriki. Da, 25. oktobra, ob pol štirih popoldne, bo ta slika prvikrat predstavljena Slovencem in Slovenkom v Cevedandu. To bo ob času, ko bo dramski zbor Ivan Cankar

gričih grozdne in plodovite Dolnjake, preko tunine in kraveneče Istre, Krize, Primorja in Gorilke, ko po gozdovih vse slovenske zemlje kujejo ti učeniki novo in avtentično hodočnost, svobodno in prosti Slovenijo, — se bo svobodno in prosti odkrila največja in najlepša slovenska slika v Ameriki, — v največjem slovenskem narodnem domu na svetu. To bo svečan in nezabljiv trenutek za vsakega Slovenca in Slovenko v Ameriki.

Te prilike nikar ne zamudite!

V nedeljo 25. oktobra, ob pol štirih popoldne, bodite na svojih sedežih v Slovenskem narodnem domu na St. Clair Ave. Tam bodo vsi, ki čutijo slovensko v teh težkih in temnih časih obupajoče in umirajoče Slovenske onkrat morja.

V imenu direktorija SND ste povabljeni prav vsi!

Za obilen poseb vse navljudnejše vabi

Odbor.

GLAS IZ BARBERTONA, OHIO

Barberton, O.—Dolgočasni in hladni jesenski večeri so kot nalač za branje, zato vse naše slovenske časopise preberem od začetka do konca, posebno Glasio KSKJ je postal zelo zanimivo, ker se oglašajo naši možje-voditelji s podučnimi članki. Tako je prav, da se piše o stvareh, ki so v korist in podrek narodu in nele suhoparne društvene stvari.

Nedavno sem brala članek našega glavnega tajnika brata Josipa Zalarja, ki piše med drugim, kako imamo Slovenci krediti pri naši ameriški vladi. Tako je prav, narod, ki je združen, ima tudi moč in če je treba kaj prositi ali zahtevati, bo gotovo tudi vpoštevan.

Dalje pravi brat Zalar "Čast in priznanje našemu narodu štrom Amerike!" Kaj ne, kako lepe so te besede, gotovo jih je vsak ponosno in navdušenobral.

Jaz bi pa sugestirala tole:

"Čast in priznanje našim narodnim voditeljem, ki znajo narod prav voditi in ga držati skupaj, kar ni lahko." Narod je in bo tak kakoršne voditelje im! Tudi mi Slovenci bi se imeli marsikaj pritoževati nad Srbij, to sem v edel a z lastne skušnje pred izbruhom te vojne, ko sem bila na obisku v starej domovini, toda sedaj niso časi, da bi se pričkali, ker so resne stvari pred nami Jugoslovani, da jih po svoji najboljši moči pomagamо urediti.

Ginjena do solz sem bila, ko sem brala članek ali govor našega častitega gospoda patrika Kazimira Zakrajske; moral je omehčati marsikatero s r c e . Članki častitega gospoda Zakrajske so kot hladilo na strašne rane, v katerih krvavi slovenski narod v domovini.

Prav podobno pišejo o vzgoji otrok tudi častiti gospod kanik John J. Oman. Ker gospoda kanonika osebno poznam in vem, da so blaga duša, tudi vem, da jim je pri srcu naš dušni in telesni blagor, saj se z vse svoje moči trudijo kot najboljši naš vodja nam pomagati, seveda kot duhovnik poznajo naše slabosti in našo mladino. V glavnem se strinjam tudi jaz, da je veliko odvisno od mater, kakšen je otrok. Dodač bi le majhno pripombo in sicer: Tudi očeta dolžnost je, da nadzoruje otrokovo življenje, otroci so vse drugačni doma kot v šoli. Ne bilo bi prav le materam nakladati ogromno breme, kot je vzgoja otrok, osobito še zato ker smo šibke, nezmožne itd. O nas ženskah imajo nekateri različne opazke.

Bila sem pri več poročnih obredih, kjer sta ženin in nevesta oba obljudila potrebljivo deliti veselje in trpljenje zakonskega stanu in tako naj bi tudi bilo, čemu torej se otrešati očetovskih dolžnosti ter vse vse potrebno z gospodarskega stališča za vsako mesto ali vas v Ameriki.

S tem, kar sem tu povedala, pa nikakor ne mislim kritizirati podučne članke častitega gospoda kanonika, saj jih rada berem in gotovo nas, matere tudi v marsičem zadenejo.

Strašna so poročila iz stare domovine; umirajoči naš narod, kliče in prosi pomoči. Pomagajmo jim, dokler ni prepozno!

Jennie Ozbolt.

16. O značaju rada za Američki Crveni Krst, govorit John D. Butkovich, glavni predsednik HBZ.

Temu društvu se imajo naši rojaci in naša podpora in druga društva zahvaliti, da niso svoj "trdo prisluzeni" denar izgubili v zadnji svetovni depresiji v zaprtih bankah ali drugih podjetjih, ker so imeli varno svoj denar vložen v tem društvu. Ves čas svojega obiskanja je društvo plačalo div-

bogatog programa vrijedno taj koncerat posjetiti, tim pak više, kad znate da će čisti prihod biti pred Američkom Crvenom Krstom, koji zaslužuje potporu svakog od nas.

Danes ima društvo na razpolago večjo svoto denarja, ka-

darkoli kedaj poprej. Kadar potrebujete denar, obrnite se na to društvo. Meseca januarja, 1942 je začelo društvo prodajati tudi United States War Savings Bonds in dosedaj jih je že prodalo več kot za 150 tisoč dolarjev vrednosti. Naše društvo jih je dosedaj že kupilo iz svoje blagajne za 60 tisoč dolarjev vrednosti. Kadar ste se torej namenili kupiti te vrste znamke ali bonde, vselej se obrnite na naš urad in se vam bo ustreglo po vaši želji.

Ravno letos, 31. oktobra poteka termin treh dolgoletnih, dobrih, zanesljivih direktorjev. In priporočljivo je, da jih delničari zopet izvolijo v njihove urade, ker ti može so vestno voditi društvo skozi razburke in valove zadnje depresije; nititi en cent društvenega ali od delničarjev njim zaupanega denarja se ni izgubilo, in vsak delničar je dobil ob času obresti v kolikor je njemu pripadal.

Ti direktorji so: John Zalar, predsednik; Frank Peždir, podpredsednik, in Joseph Petruševic, blagajnik. Naj bo še omenjeno, da je John Zalar v odboru direktorjev od ustanovitve in predsednik temu odboru zadnjih 18 let.

Ker se pa deluje od gotove strani že več let na to, da pridejo v odbor direktorjev neglede na to, da katerega bivšega direktorja iz urada spravijo, njim ni nič mar, koliko dobrega je že storil za društvo ali narod, samo da oni v urad pridejo. Zato se priporoča vsem delničarjem, da te tri zaslужne može zopet nazaj pošljete. Vaša dolžnost je, ker je v vašo lastno korist, da se udeležite glavnega letnega zborovanja, katero bo letos 31. oktobra v Slovenskem narodnem domu ob 7:30 zvečer in tam oddaste glasove za može, za katere se vam zdi, da so po vaši volji.

Te dni vam bo poslano po pošti uradno naznano o tem zborovanju in tudi pooblaštilo (Proxy). Ako se vam bo nemogoče udeležiti te seje, dajte to pooblaštilo podpisati in ga določeno izročite kakemu uradnemu ali članu, ki se bo seje udeležil, da vas zastopa. Priporočljivo pa je in zelo važno, da tudi na dotično pooblaštilo zapišete ime katerega ste vi namešnili oddati glasove za volitev ponovnih

Koliko War oBndov pa že imaš?—Kolikor teh bondov v slovenskih rokah, toliko močnih strojnih pušk bo ragljalo svojo smrtno pesem našim skupnim sovražnikom. Slovenski War Bondi naj bodo slovenski odgovor Hitlerju in Mussoliniu, pa tolažba naroda doma.

"Croatia"—Hrvatsko ime je nenadoma prišlo na prve strani naših največjih dnevnikov. Do sedaj so jo zelo malo, skoraj nič, omenjali, pa še to tam daleč zadej. Danes je na prvi strani. Če je v članku "Croatia" samo s par stavki omenjena, bo njeniime z velikimi črkami v naslovni vrstici. To go tovo ni brez pomena, še manj brez gotovega namena.

Predsednik Lincoln je izdal sledilec proglaš na vso državo:

"Skupni odbor obh naših zbornic je naprosil predsednika Združenih držav, da naj proglaši vsem državljanom Združenih držav en dan javne pokore, molitve in posta, ki ga naj vsi državljanji praznujejo s cerkevimi slovesnimi molitvami, v katerih bodo goreče prosili Vsemogočnega Boga za varstvo in blagor teh držav, za njegov blagoslov za našo vojsko in za skorajšnji mir."

"Ker je primerno in potrebno, da vsi ljudje vsaki čas priznavajo in časte najvišjega božjega Gospodarja nad seboj, da se uklonijo pred Njim v počni vdanost, v njegove kazni, da priznajo svoje grehe in prestopek v popolnem preprčanju, da je 'strah božji začetek modrosti,' in da k Bogu molijo z vso gorenostjo in z vsem kesanjem za odpuščenje svojih grehov in za blagoslov za svoje sedanje delo, in

"Ker je naša ljubljena domovina, do sedaj tako blagoslovljena od Boga, da je zedinjena, bogata in srečna, danes pa udarjena z neslogom in državljanško vojsko, je še posebno potrebno za nas, da priznamo roko božjo v tej strašni naši preskušnji, da se s kesanjem spominjamo naših zasebnih grehov in zločinov kot narod, da se ponizamo pred Njim in ga prosimo usmiljenja, da ga prosimo, naj nam prizanese naše kazni, četudi jih takoj po pravici zasužimo, da bo naše orožje blagoslovljeno in uspešno, da bomo nazaj upostavili zakon, red in mir po celih naših držav v isti nesobični začetni veličini, da dobimo nazaj neprvenstvni dar državne in verske svobode, katero so nam zaslužili naši očetje s am pod njegovim blagoslovom in s svojimi trudi in s svojim trpljenjem."

"Zato jaz, Abraham Lincoln, predsednik Združenih držav s tem odločam z dnji četrtek prihodnjega meseca septembra kot dan javne pokore, molitve in posta za vso državo. Zato resno priporočam vsem sodržavljanom, posebno duhovnikom in veroučiteljem vseh verovizveden in vsem poglavljarem naših družin, da praznujemo in drža dan, kakov je to v skladu z njihovim verskim preprčanjem in po načinu njihovega bogačstva v vsej preprostosti in z vsemi verskimi slovesnostmi v namen, da bo šla tako združena molitev vsega naroda pred prestol božje milosti in nam prinesla obilni blagoslov na našo domovino."

"V dokaz tega sem lastno podpisal in dal z državnim pečatom potrditi ta proglaš dne 12. meseca avgusta, 1861 po Kristusu in 86. leta naše neodvisnosti."

"Abraham Lincoln."

Prekrasne besede velikega moža v velikem času in težki preskušnji naše države. Je bil mogoče drugače, kakor da je Bog tako molitev uslušal in rešil državo? Ko se najvišji predstavnik tako mogočne države tako zaupno, tako udano, pa tudi s toliko vero in tolikim zaupanjem obrača na Boga in samo od njega pričakuje vso pomoč in vse varstvo za svojo državo? To je duh velike Amerike, ki je tudi naša, velikega moža, ki je tudi naša, ki je go to vedel, kaj je napisal, pa tudi čutil v srcu. Je bilo mogoče drugače, kakor, da je naša država potem tako uspevala in toliko napredovala! O, ko bi bili vsi vladarji tega preprčanja, kako vse drugače bi bili na svetu narodi srečni in vse bi bilo v redu.

Te dni so dobili vsi predsedniki, vsi tajniki in blagajniki vseh društev KSKJ privatno povabilo, da sledi velikemu zgledu največjega moža naše državne zgodovine in pristopilo v "Molitveno fronto" sami in spravijo zadevo tudi pred sejo in k temu povabijo tudi svoje člane in njih družine. Nihče jih ne sili, razven kolikor jih sili prekrasen zgled velikega Lincolna, kolikor jih sili velika nevarnost, v kateri je naša država, pa veliko in strašno trpljenje naroda doma.

Malo priporočilo pri seji, nekoliko korakov po hišah članov z nabiralo polo, pa se bo doseglj. Citajmo prelepe besede predsednika Lincolna, pa nam ne bo težko, in se ne bomo nič pomisljali!

Molitev? Kdo bo danes še molil! Da, razni zaslepljeni učenjaki zadnjega stoletja so nam zastupili naše duše. Zamašili so tolikim milijonom usta za molitev. Toliko so jih preslepili, da molitve ni treba. Vendar, citajte proglaš predsednika Lincolna, kaj pa on na to pravi! Ne, ne! Molitev je potrebna, ali bo šlo pa vse narobe! Kar hočemo!

Učeni smo in poznamo vse skrivnosti narave. Imamo radi, zrakoplove, pa tudi bombnike, podmornice, tanke, strojne puške—imamo vsega, kar želimo, kaj nam molitve potreba? Da, imamo! Pa smo za to kaj bolj srečni? Ali ne rabi človek vse to samo—za pobiranje svojega sočloveka? Vse imamo, pa je ves svet strašno nesrečen—ker je Boga pozabil, ker ne moli. Če ni Boga, ni duše. Če ni duše je človek isto kot zver v jungli.

Molitev bo odločila, pa reci kar hočeš, in misli kakor hočeš! Delaj, kar hočeš. Vlak vozí tja, kamor ga tračnice peljajo. Če bi poskusil iti preko teh tračnic, češ, svoboden sem, ne udam se tračnicam, pa bo—kaj? Katastrofa! Razbil se bo. Vlak človeškega življenja v srečo mora iti samo po božjih tračnicah, božjih zapovedi. Če poskusi iti preko teh tračnic, bo enako—katastrofa—nesreča. Pa tako za posameznika, tako za narod, tako za države. To se ne da spremeni, pa se ne da. In pametnej tega tudi poskusil ne bo, ker ve, kaj bo? Nesreča! Kar poskusi zdivljati preko teh božjih tračnic, pa bo kmalu na tleh!

Zato ne bo na svetu več miru, dokler ne spravimo vlaka vsega zasebnega in javnega življenja nazaj na tiste tračnice, kaj jih je Bog položil v srca in v svet. Zato—molitev! Molitvena fronta!

Chikaški nadškof Stritch je izvoljen za predsednika "Katoliške komisije za mir,.. ki je bila tako zdržana molitev vsega naroda pred prestol božje milosti in nam prinesla obilni blagoslov na našo domovino."

"V dokaz tega sem lastno podpisal in dal z državnim pečatom potrditi ta proglaš dne 12. meseca avgusta, 1861 po Kristusu in 86. leta naše neodvisnosti."

Sedaj bomo samo držali, kar smo dobili, je dejal Hitler in Nemci so bili tega zelo "veseli." Napadajo naj sedaj

dal na banketu ob konvenciji KSKJ. Slovenci, ne zamudite lepe prilike, ki jo imate!

Press Bureau National Catholic Welfare Conference zelo velikokrat priobčuje v svojih tedenskih poročilih za uredničke katoliških listov severne in južne Amerike tudi poročila iz Slovenije. Tako je imel v tednu 27. septembra dobesedno pastrsko pismo ščoka Dr. Rožmana o prečlostnih razmerah v njegovi ljubljanski škofiji. Sledil sem katoliškim časopisom, koliko ga bo priobčilo, pa sem našel samo "The Eastern Observer" iz Homesteada, Pa., glasilo grkokatolikov, Rusinov.

Naročniki katoliških tednikov po raznih večjih naselbih, naj pišejo svojemu krajnemu glasilu ščofije in podudarijo, da ima list tudi toliko v njem takoj kartico in dajo uredniku priznanje. Vsaka taka kartica je kakor bomba na Hitlerja in Mussotta.

Grof Sforza brani Slovence

V New York Times se je nedavno oglašil italijanski protifašistovski voditelj, grof Sforza, kjer pravi:

"Prejel sem iz Italije dokumente obenem. Prvi kaže strahote fašistovske uprave, drugi njegove zvijače in laži, tretji mnoge pojave splošnega upora italijanskega naroda proti fašizmu."

Prvi je proglaš reškega prefekta, drugi je proglaš ljubljanskega prefekta in tretji je protest italijanskih ščofov v slovensko-hrvatskem zasedenem ozemlju. Priči dokument navaja dobesedno s primombo:

"Podajam ga dobesedno, ker bi se drugače zdel neverjeten, da more prihajati iz domovine Cesarja Beccaria."

O drugem pravi:

"Ta je še bolj poniževalen za nas Italijane, zato ker se začenja z nagovorom na Slovence v istih hrvatskih frazah, s kaj jo mi so generali Habsburžanov nagovarjali naše prednike ob času našega 'Risorgimento' (našega vstajenja) ... Slovenci so naredili isto, kar so naši prapradedje naredili proti Germanom, upri si se, kakor pove proglaš."

"Tako se tu zopet uveljavlja zgloboščno sleparstvo Hitler-Mussolinija, ki je ustvarilo toliko 'dupes'—v Evropi in v Ameriki od Španije do Makedonovega: Proglas obožuje Slovence, da so dvignili 'prapor komunizma' in da pobijajo 'mirne državljanje, celo duhovnike.'

Slovenski narod trpimo vse to že od nastopa fašizma v Italiji, to je skoraj 20 let. Naš Trst, naša Primorska sta poškopljeni že preje s tolikim oceanom krvi in sozla, sta posvečena s tolikim slovenskim trpljenjem, da je popolno zadoščenje s tem, da dobim nazaj svoje morje s Trptom in svojo Primorskovo.

In računa pri tem tudi na sodelovanje gospoda grofa, da mu bo pomagal.

Povemo pa gospodu grofu, če bi se pa to ne zgodilo, slovenski narod se ni nikdar odrekel tej svoji zemlji in se nikdar ne bo, pa naj ga stane tudi po tej vojni še potoke krvi.

Nato grof Sforza našteje nekatere teh, ki naj bodo umorjeni, pravi:

"Nato sledi še drugi 'vsi ti,' vendar pa jih jaz raje ne navajam, se čitajo preveč sramotni proti-italijanski."

Dalje pravi: "Če tudi so Slovenci oboženi, da 'ubijajo tudi duhovnike,' so pa vendar italijanski ščofje Trsta, Reke in Gorice naslovna stroga protest na Mussolinija proti klanju slovenskih talcev in proti uničevanju slovenskih vasi in so slovesno izjavili, da so Slovenci pošteni, disciplinirani in globoko krščanski narod."

Iz članka je tudi razvidno, da je gospoda grofa globoko zadel očitek, da je italijanski narod, v vesti soodgovoren za vse grozodejstva fašizma v Sloveniji in da bodo moralni Italijani kot narod, sprejeti

tudi kazen, ki bo, ki mora priti na ves narod, ker slovenska kriči k Bogu za strašno maščevanje.

"Za ozadjem fašistovske mreže pa se je začel italijanski narod vedno bolj združevati v skupnem očutku 'grozote in sramu' . . ." pravi dalje grof.

Grof Sforza je naredil prav, da je tako junaško kolikor mornariške oblasti napravo, odpotvilitelje, naj težo prostovoljno omejijo na 6 funтов.

Kar se tiče velikosti paketa, oblasti priporočajo velikost običajne škatelje za čevlje. Največja velikost, ki je dovoljena, je 18 inčev dolžine ali 42 inč skupnega obsega (namreč dolžina več dvakratna širina več dvakratna globočina).

Ne več kot en božični paket na teden ni dovoljen s strani istega odpotvilitelja na isti način.

Vsa darila morajo biti dobro

zavita v dobrih škatljah in

trdnih ometh. Ob enem treba

imet na umu, da so vsi paketi

podvrženi cenzuri in da mora

biti zato tako omotani, da

se lahko odprejo za inspekcijo.

To tudi pomenja, da se paketi

ne smejo prizvrstiti z božični

mi znamkami.

Ako se pripravijo paketi z raznovrstno vsebino, kot so slăšice, milo, toaletne stvari in slično, naj se vse tesno zavije, da se ne razmestijo ob prevozu in pokvari vsebina ter paket sam. Ostre stvari, kot so britve, noži in škarje, naj se dobro zavijejo. Za slăšice in druge predmete v tenkih papirnatih škatljah naj se rabi dočaten omot trdega kartona ali lesa oziroma kovine. Zaprti omoti slăšic, tobaka, cigar in toaletnih predmetov se smejo pripraviti skupnemu paketu.

Izmed predmetov, ki so absolutno prepovedani, so opozne pijače, vnetljive snovi (vstevši vžigalnice vseh sort), strupi ali zmesi, ki so nevarne za življenje in zdravje oziroma ki utegnijo poškodovati pošto. Stroji za vžiganje cigaret so dovoljeni, aksi in v njih zavilalne tekočine. Pokvarljive stvari vsake vrste so tudi prepovedane.

Né sme se pošiljati gotovine po pošti. Za darila v denarju rabi poštne nakaznice (money order).

Pametno je doplačati zavarovalno za vse pakete večnosti.

Za pakete treba plačati vso poštino vnaprej v smislu poštih pravil. Paketi, ki vsebujejo le knjige, se smejo pošiljati po posebni poštini 3 centov za funt.

Napisi, kot "Srečen Božič" itd., se smejo postaviti na omot paketa, ako ne kvarijo jasnosti naslova, ali pa naj se prilожi znotraj paketa na posebni karti. Knjige smejo nositi enostaven posvečevalni napis.

Paketi, naslovjeni na vojake preko morja, morajo dodatno k imenu in naslovu odpotvilitelja pa zgornjem levem kotu imeti ime, čin, vojaško serijsko številko, službeni oddelek, organizacijo, številko vojaškega poštnega urada naslovjenca in ime poštnega urada, skozi katerega se paket naprej pošilja.

Ljudje ne delajo nič in ne morejo na polje, ker tam nanje streljajo. Ni mogoče preceniti, koliko ljudi je bilo že postreljenih. Lahi začijo tudi gozdove z začilnimi bombami.

Vsako soboto streljajo Nemci talce v Celju in v Mariboru. Ljudje pogumno umirajo s klici: Živelja Slovenija, Živelja Jugoslavija! Tudi Lahi priznavajo, da naši ljudje pogumno umirajo.

Te dni so Nemci obesili v Litiji 8 ljudi. Lahi so v teku policijskih progrov v Ljubljani počivali pri čevljarjih vse usnje in vse čevlje, tudi tiste, ki so jih imeli v popravilu. Sedaj so na vrsti lekarne.

Lahi so začeli pobirati v mestu tudi dekleta od 18-22 let. Predvsem dijakinje. Kaj bo z njimi, se še ne ve. Dosedaj jih drže v kasarnah. Na Gorenjskem morajo vsi Slovenci, ki niso vstopili v Heimatbund, nositi na rokavu trakove z napisom: "Słowene!"

SLOVENIJA POD TUJIM JARMOM

Pred nekaj časa je objavil londonski Times — o nasilnostih, ki jih osišče izvaja v Sloveniji. Akoravno so te izjave najvažnejšega londonskega lista že nekaj zastarele, jih prinašamo,

IZ URADA DUHOVNega VODJE KSKJ

V zadnjem številki Glasila smo brali lep članek izpod peresa Rev. K. Zakrajska, v katerem označuje ustanovitev "Molitvene fronte." Ta fronta je bila zamišljena po ljubljanskem škofu dr. Gregorju Rožmanu, ko omenja grozno trpljenje Slovencev v starem kraju. Moliti za svojega brata je dolžnost vsakega kristjana vsak dan, tako tudi, ko se bratu dobro godi. Toliko večjo dolžnost pa imamo, da molimo za brata ko trpi, bodisi na duši ali na telesu. Slovenski narod po besedah škofa Rožmana še ni nikoli toliko trpel kot trpi sedaj; zato moramo ravno sedaj bolj moliti kot kdaj prej, da bi se dobri Bog nas usmilil in da bi prizanesel trpečim Slovencem v stari domovini.

Zato kot duhovni vodja K. S. K. Jednote dodam svojo prošnjo, da naj se vsi člani in članice naše Jednote dajo zapisati v "Molitveno fronto," in da vsak dnevno moli za rešitev domovine. Tudi ko ste pri sv. maši in k. sv. obhajilo prejemate, povzdignite srce kvišku in izdihnite milo prošnjo: "Usmili se naši o Gospodi!" Skupna moltev vsega naroda mora biti uslušana, in Bog, iz katerega rok prihajajo vsi narodi, bo svoječasno resil svoje ljudstvo. Zatorej molite!

Rev. M. J. Butala, duhovni vodja KSKJ.

CONVENTION IS OVER --- WHAT NOW!

by John Germ, Supreme President of KSKJ

The XX Convention of the KSKJ is history. Measures adopted by the convention were approved by the majority. Although some delegates were not pleased, a situation which is to be expected, the minority is obligated to follow the will of the majority, for that is the dictate of the system of democracy in America. It is hoped that the provisions adopted by the Convention met the approval of a majority of our membership.

The delegation left the convention and Chicago with fond memories of a successful convention. Recommendations adopted by the convention body were primarily those submitted by individual lodges. Now that the lodges and the delegates have settled down to normal functioning—WHAT NOW? Such must be the question of every delegate; namely, what can we do for the KSKJ now? The answer, dear delegate and supreme officer of the KSKJ, is hereby submitted by your president, and it is: Do something to remember the XX Convention of the K. S. K. J. The answer to the question that can be readily accomplished by all members, individual and officers alike, will result in a benefit to the Union. The answer is:

As president of the KSKJ, I hereby announce the opening of a membership campaign, both departments, which shall close Dec. 31, 1942. The quota shall be: Every former delegate and supreme officer shall enroll at least three new members each, before the close of the drive.

Brothers and sisters, the quota is so small that it should be possible for each of us to meet it. We have three months time before us. That means that only one new member per month is required of us. Brothers and sisters, if you will comply with this request, you will have set up a living monument to the past convention. By getting behind this drive, delegates and officers will show that they are really interested in the future of fraternalism, which of course is the future of the KSKJ.

Delegates will remember that my proposal to lower the number of delegates at a convention was overwhelmingly defeated. It is my opinion that the membership feels that a large representation is to the advantage of advertising the Union. Therefore, it follows that if a large representation is a potential advertiser, then now is the time to show it. Let us get to work, delegates and officers! Let us start immediately, and let each one of us enroll at least three members before the year ends. So, let us go forward, brothers and sisters!

I ask you, dear members, to comply with my request. Further, I expect that you will, because our KSKJ must go forward; it must grow; it must grow more powerful day by day.

Accept my greetings and well wishes!

ST. JEROME'S HAS \$9000 WAR BONDS, 43 MEMBERS IN ARMED FORCES

Strabane, Pa. — The local St. Jerome's KSKJ lodge is 100 per cent behind the victory program. To date it has purchased \$9,000 in War Bonds, and in addition is represented in the armed forces by 43 members.

The local Senior Boosters met Oct. 11, after a rather inactive summer. The prime activity during the past season was the baseball team that was kept busy defending its title of Tri-city Champions. They did well, and came through again, so the 1942 tag is safely in the hands of the locals.

The ice will be broken in early November when the Boosters will sponsor a dance with Jackie Martincic furnishing the music. Volunteers to the committee include Anthony Progar, Stanley Polosky, William Progar, and Leonard Polosky.

It was also planned to hold special parties every month, but final decision is pending the November meeting.

Now with the cool weather ready to make its debut, the girls have decided to keep warm by rolling in the bowling circuit that meets on Wednesdays at the Brunswick alleys.

It was agreed that the Juveniles will be guests at the Booster meetings. The youngsters—all peppy—number 100, and they will greatly enhance the meetings with their attendance.

The Boosters appreciate the monthly parties sponsored by St. Jerome's lodge for the benefit of the boys in the service of Uncle Sam.

Boosters home on furlough the past week were: Lieutenant Frank Cadez, Corp. Rudy Tomsic, Corp. Jackie Tomsic, Pfc. Leo Kukis, Pvt. Joe Delost,

200-BUCKET NEAR FULL AS STEVES SET PIN LEAGUE IN HIGH GEAR

Chicago, Ill. — The Chicago Steves just about filled the bucket with 200 or over markers at their session last week. The boys that splintered the wood were Richard Arbanas, 200; Louie Zefran, 223; Louie Kovacic, 206; Emil Grill, 200; George Banich, 206; Bill Neckert 225 and 216; Rudy Jerin, 229; Stanley Woslic, 226.

While the boys were clipping the scores the teams made out in the following fashion:

Darovic's 3, Tomazins 0

We were wondering what happened to the Lawyers, but now that boss A. J. is back it seems that he is giving his boys a good going over. The Lawyers out-whipped the Tavern boys by taking three away from them. The top-notchers for the winners were Lou Zulich with 529 and A. J. Darovic with 510. Young J. R. Tomazin topped the losers with 508, followed by Butch Kremec with 492.

Dr. Grills 2, Monarchs 1

The M. D.'s have taken on a new bowler in Louie Zefran, substituting for Dr. Frank T. Grill, who is now in the United States Army. Dr. Grill left Oct. 10 to report as Lieut. Dr. Frank T. Grill. All the boys wish him good luck and hope to see him back soon. Louie Zefran really kills them pins. He topped the M. D.'s with 551, followed by Father Joseph who shot 498. Father has an excuse for his bowling because he has to travel so far. The Monarch Beer captain is still on the sick list. John Prah took over for Mr.

Kingpin.

HAS FOND CONVENTION MEMORIES

Bridgeport, O.—Like Minnesota's Annie, I am finding it what brand he smokes? very hard to erase memories of the KSKJ convention. My first recollection is of meeting John Terselich who certainly did everything possible to help a lady in distress. My thanks to him for providing the nice escort who drove me to my destination.

One of the highlights was meeting the Supreme Officers who really made you feel as though you had known them all your life.

Didn't know that John Germ was such a wizard on the accordion besides being an A-1 warbler.

What You Buy With WAR BONDS

The mess kit is one of the most important items in the Soldier's equipment. It consists generally of a pan, a plastic canteen and cup, a fork, knife and spoon, all in a canvas pack cover. The total cost runs up to about \$2.00.

Canteens and other items such as handles on knives and forks, formerly made of aluminum, are now plastic. Alloy has replaced stainless steel. You can buy many of these mess kits for our boys with your purchases of War Bonds and Stamps. REPORTS ON BROOKLYN SERVICEMEN

Brooklyn, N. Y. — Max Koprivsek was recently promoted to Corporal and is stationed at Fort Jackson, S. C., with the 306th Infantry. Max, brother of our well known friend Jerry Koprivsek, is the son of Jerry Koprivsek of Bethlehem, Pa. Max came home on a furlough for a week, and will spend a few days with his brother Jerry, and then will visit his parents in Bethlehem.

It has been reported that Stanley Rupnik was recently promoted to Technical Supply Sergeant. Good luck to you, Stanley. Stanley, in the service for years, a member of St. Joseph's Society, No. 57, is the son of Mrs. Rupnik and deceased Alois Rupnik. Stanley's brother Louis and sister Mrs. Peterka are also members of this society.

Word was received from Middle Village that the Kavcic brothers are going ahead in the army. The wonderful cook, August Kavcic, just completed a course in Army Cooking School, and received a diploma on the 15th of this month, while the good looking Marine Chas. Kavcic, was promoted to Private First Class.

A reminder to our boys in service: If you are in Brooklyn or vicinity on Sunday evening, Nov. 8, drop over at the American Slovenian Auditorium and spend an enjoyable evening at the Annual Fall Dance, presented by St. Joseph's Society, No. 57, and dance to the tune of Jerry's Orchestra.

CANONSBURG GALS START BOWLING

Canonsburg, Pa. — The K. S. K. Girls' Bowling League swung into action recently at the Brunswick alleys in Canonsburg with nothing gained as the four teams split even among themselves, each winning one game.

In the match between the Generals and the Colonels the Generals took the first game, 464 to 386. In the second game, however, the Colonels came back and topped the Generals, 465 to 441. Frances Cook led the Generals with a 245 total while Agnes Potocer led the Colonels with a 219 total.

Meeting the Majors, the Lieutenants took the first game on a seven-pin majority by rolling 508 to 501, but lost the second contest, 586 to 486. Vic Tuttin rolled a 258 total for the Lieutenants while Julia Tomsic with her 232 was high for the Majors.

Since all four teams won one game and lost one game, their standing is equal with a .500 percentage.

IMPORTANT

Parents or relatives of men in the armed forces of the U. S. will please notify their respective lodge secretaries.

When dues are paid for the soldiers, it should be relatively simple to inform the secretary which member is now in the armed forces.

It is imperative that a complete list of service men be compiled. The Home Office requests that all parents, relatives and lodge officials cooperate in the gathering of this vital information.

SO. CHI BOOSTERS UNITE TO STAGE FESTIVAL FOR SERVICEMEN BENEFIT

So. Chicago, Ill. — Committee representing St. Florian Society, No. 44, and St. Mary's Society No. 80, working jointly with the Liberty Lodge of W. S. A., have formulated final plans for a Fall Festival and Dance to be held this coming Sunday evening, Oct. 25, in St. George's church hall. The surprise of this gala affair, which will actually be an old-fashioned "Vinska tratev," is to help build up the Christmas fund to be used to send gifts to their members in the services of Uncle Sam.

South Chicago Kay Jays are asked to make a special effort to be on hand for this event Sunday night. Carl Oberman's Orchestra will supply the liting music which won him such high favor at recent dances. The committee extends a special invitation to lodge members who are now in service and happen to be on leave in the vicinity, to come and attend the festival. They will be our honored guests.

SOUND BUSINESS . . . SOUND SERVICE

For a quarter of a century, the Community Fund Council, a board of 40 civic leaders, all responsible citizens serving without pay, has administered the funds given freely by the people of Greater Cleveland for charitable purposes.

For a quarter of a century, the community's outstanding men and women have gladly given their professional services and advice, directing the policies of the Community Fund. This year, with the greater responsibility of operating the War Chest, these same civic leaders welcome the opportunity and do more than before.

As the war progresses, conditions making necessary each of the war relief appeals will be further aggravated, the necessity for help increased everywhere.

Home front agencies caring for children, the aged and the sick will be faced with rising costs. In addition, they will be called upon for more war-time services to treat new human problems rising out of today's conditions.

To render all these benevolent forces every possible aid, to make them capable of doing the best for war front and home front—give enough! Every dollar, every penny counts. The Greater Cleveland War Chest Drive operated by the Community Fund will be from October 19th to October 29th.

PEERLESS, VERBISCERS SHARE LEAD AS JOLIET LASSIES BREAK "LEVEL"

Joliet, Ill. — The KSKJ ladies' teams have been running neck and neck for the past four weeks, but after last Thursday's session the Peerless Printers, by scooping three games from the Joliet Office Supply, jumped from second to first place to tie the Verbiscers.

After a nip-and-tuck battle in the first game, the Verbiscers had no trouble tallying up the final games to defeat the Joliet Engineers three games. High honors for the winners goes to Doris Fabian who led her team with a 461 series. Doris has really been hitting a lot of wood this year. After a bad start Ann Mutz came back with two nice games to uphold her average. Mary Kren and Gen Laurich were consistent and piled up a lot of wood to help the winners along. Jo Stephen was high for the losers with a 461 series. Chris Azman started out with a 157 game, but couldn't get the ball rolling in the final games. Barb Bucher just couldn't get in the groove.

The Peerless Printers defeated the Joliet Office Supply three games. Agnes Govednik led the winners with a 147 average. Jule Camp was right in there pitching with a 399 series. Lillian Grayhack kept climbing each game and ended up with a 393 series. Mayme Umek's 391 and Donna Wilhelmi's 384 series were high for the losers. Marion Kaffer hit her average. Marge and Dorothy Dolinshek had quite a battle on as they bowled against each other. Marge was in her glory beating her sister by 16 pins, and being on the winning team. Better luck next time, Dorothy.

CAPT. J. J. MARENTIC PLACED IN COMMAND OF AIR BASE TRAINING UNIT

Willard, Wis. — Capt. John Jerry Marentic, father of William Marentic, pupil in the local state graded school, has been placed in command of a depot training unit of the Air Corps, located at the Army Air base, New Orleans. Capt. Marentic's duties will be to help whip together ground units for Air Corps combat duty with the nation's growing air forces, in which 100,000 mechanics and technicians are now being sought.

Air depot units, such as Capt. Marentic's command, are self-sustained combat units, which service and maintain airdromes and planes in battle zones.

Capt. Marentic is an army veteran of the Philippines and Far East, with a tour of duty on Corregidor and travels in China and the East Indies. At the expiration of his enlistment as a sergeant-major, he was recommended for a commission. He returned to active duty last April. In civil life he had been a purchasing efficiency engineer and a member of the National Purchasing association.

Capt. Marentic was born in Rockdale (Joliet), Ill. and married the late Rose Lucas of Willard. Robert now at school in Willard, is their son. He now resides with his grandmother, Mrs. Margaret Lucas, and his uncle, William Lucas, of Willard.

A note sent by a member of the family states that Robert is very proud of his father's promotion, and hopes that some day he may follow in his father's footsteps.

Out of a little more than 144,000 buses in the U. S., 87,500 are school buses, 36,500 carry passengers within cities, 18,000 carry passengers between cities, 2,500 carry excursionists.

Don't forget! Next week is the Halloween Party, so remember — everybody dress in costume — or else???

The schedule for Oct. 22 is: Allen's vs. Schlitz; Hickory St. Markets vs. Tezak Florists; Joliet Engineers vs. Joliet Office Supply; Peerless Printers vs. Verbiscer Press.

Convention Memories

(Continued from page 7) were expected from the bridegroom which left him with a weak heart and purse. Too bad, it sure looked promising.

Would love to be back at Tomazin's crooning those swell Slovenian ballads with the gang. John Bevec sure sings a lowdown bass. Am also wondering what Strietz in the refreshment basement is charging for a full glass.

It was nice seeing Andrew Hochevar, Mike Hochevar and their wives from Joliet again. They migrated from Bridgeport. Their hospitality sure was appreciated.

After watching Matty Verbiscer devour that chicken at the banquet, it is well understood why the old saying goes that the way to a man's heart is through his stomach.

Wonder if a certain party on the transportation committee heard about the 35 m. p. h. speed limit!

In conclusion I wish to state that conventions sure do enlighten a person on one thing or another. There is one thing I'm still in the dark about, and that is how do people get any sleep at a convention?

Three cheers to this grand KSKJ organization, and may its success continue throughout the years to come.

FOURTH FRONT AT WORK

by Lieut. R. H. Dombey, USNR

Before the United States can batter the Japanese war machine into submission, it must first gain control of the skies over the entire South Pacific.

Only by using the same tactics that Great Britain is employing today in her blows at the industrial heart of Germany — continuous night and day raids with thousands of planes participating — will the United States be able to effectively deal with Japan.

To fulfill successfully this apparent purpose, the armed services of this nation will require tremendous air power, particularly the Navy.

Present plans of government and Naval heads call for the construction of a huge fleet of aircraft carriers — designed to operate thousands of miles from their home bases. A portion of this work is well beyond the drafting room stage; it is fast becoming a reality.

The planes that will operate from these carriers and drop their bomb loads on Tokyo, Yokohama and other industrial points of our South Pacific enemy are coming off the assembly lines at an unprecedented rate.

The next step, therefore, is the acquiring of men to pilot these ships; men to fight them and blaze a spearhead of victory. The task of acquiring these men is the responsibility of the recruiting service of the Navy—America's fourth front.

To fulfill this duty the service has called on the schools and colleges of the nation for their aid in this vital undertaking. They have recruited the services of veterans' organizations and private groups. The co-operative return has been magnificent.

But, despite the daily number of applicants seeking to enlist in Naval Aviation the demand for more men is constantly swelling. And America's fourth front is racing against time to keep pace with the production lines.

The men who are most urgently sought for the air arm of the Navy are those between the ages of 18 and 27 years. According to all statistics and scientific tests, these men possess the strength and stamina and instant reflex forces so highly essential in the operation of a high-powered fighting plane. In the majority of cases, these capabilities are found to be lacking in the older groups.

In addition to the age requirements, the applicants who seek Naval aviation, both as a channel of service to their country and the basis for a future, must possess at least a high school education, must be able to meet the physical standards of the branch and be able to pass prescribed intelligence tests.

For those men who wish to enter college the Navy offers them the opportunity of enlisting, remaining on inactive duty and starting their college training.

At the end of their second calendar year of college work, the accepted applicants will be required to take a comprehensive examination, one that will give them the opportunity to enter Naval Aviation or become a line officer.

In the case of those men who have a high school education, but are not able or do not desire to enter college, they can enlist immediately in Naval Aviation (Class V-5) and following a short conditioning period go on to their aviation cadet training.

When the accepted applicants are called to active duty they are given preliminary

ground and flight training. This training leads to a commission as an officer pilot. During the instruction period the men draw regular Navy pay, which amounts to \$75 a month during the time they are aviation cadets.

After the successful completion of their flight - training course, they are awarded commissions as Ensigns and receive the coveted Navy Wings of gold. They will then be full-fledged Naval aviators. Their pay will be \$205.00 a month, plus allowances. Their future will be established and they will be serving their country in the capacity for which they are best fitted.

MEETING NOTICE

West Allis, Wis. — Members of the Blessed Virgin Help of Christians Society, No. 165, are urged to remember to attend our meeting Sunday, Nov. 1, at 2 p. m. There are important topics to discuss and also a surprise after our business meeting.

You will be sorry if you do not attend, so please do come. Each and every one of our members should take a few hours off to attend our monthly meetings. If you do not understand the Slovenian language, I would be only too glad to translate what is being said in the English language. However, one and all should make it your business to attend this meeting.

The attendance at our last dance was good and everyone had an enjoyable evening. So, thanks to all the members who worked and those who donated such good "poticas," etc.

I wish to extend my appreciation and thanks to all my friends and members for the many flowers, gifts, cards and visits while I was sick in the hospital and convalescing at home. I shall remember your kindness and hope to reciprocate at some future date.

A LETTER OF THANKS

Lincoln, Neb. — I wish to express my sincere thanks and deep appreciation for the kindness you have shown me, my brother and all the other men in the armed service of this great country, the United States, for the gift you have sent each one of us.

Words cannot express my thanks and all the words in the dictionary put together would not be able to express my appreciation.

I would like to thank everyone who in whichever way made the program a success that enabled us to receive the gift.

I'm only sorry that I could not be in attendance at this great affair as I surely would have enjoyed it.

Again I wish to thank the K. S. K. J. lodges and all concerned, and wish this organization to enroll as many persons as the U. S. has in service.

So you all keep up the enrollment and we'll fight on to Victory and I'll do my best to — Keep 'Em Flying.

BROOKLYN JOSEPHS TAKE TO PIN AISLES

Brooklyn, N. Y. — The St. Joseph's Boosters met in the American Slovenian Auditorium Oct. 9 and started the bowling season with John Zagarly as their captain. They will bowl every Friday evening from 8 p. m. till midnight.

Many old members were present to start the season off. We also signed up two new members who are well known to our bowlers in and around Ridgewood, Matt Majestic and Frank Gregory. We are happy to have them with us. We would also like to see all members, men and women, who are interested in bowling, to join up with us, especially the women, because we have to see that the women have their own team this year. So hurry and get in trim!

We will have our scouts looking for new members at the Annual Fall Dance, which will be held on Sunday evening, Nov. 8, in the American Slovenian Auditorium. Don't forget to bring your friends along!

Members of our bowling club are as follows: John Zagarly, captain, Joseph Zagar, Frank Capuder, Tony (Lefty) Zalel, the kid himself from Lorain, O., Matt Majestic, Valentine Capuder, our Financial Secretary, Frank Gregory, and Johnny Zagar. Johnny was unable to make it at this time, but we hope to have him with us in the future. Of course, everyone was wondering what had happened to Johnny.

Our captain, John Zagarly, had the highest average for the men and Geraldine Kopivsek for the women. As we go along we expect to better our average. You know the old sayings: Practice makes perfect — If at first you don't succeed, try, try again.

The Functions Of Your Government

What is the mace, and what is its significance?

The mace is the only visible symbol of Government authority in the United States. It is an institution borrowed from the British Parliament, where it had become a traditional symbol of parliamentary authority. Its origin goes back to the "fasces" of Republican Rome — the bundle of rods and an ax which was carried by the lictors who attended each Roman magistrate as he held court and administered justice. From this very practical instrument (the rods for administering whippings and the ax for beheading) the "fasces" developed and evolved into a symbol known as the mace.

This symbol was adopted by the House of Representatives by resolution of April 14, 1789 — there is no mace in the Senate. The present mace dates from 1842; it is a reproduction of the original which was burned in the Capitol in 1814. It consists of a bundle of ebony rods bound with silver and terminating in a silver globe, surmounted by a silver eagle with wings outspread. The Sergeant at Arms is custodian and charged with its use when necessary to preserve order.

Congress—Organization and Procedure

How are the activities of Congress controlled?

The activities of Congress are largely controlled by political parties. The principal ones are the Democrats and Republicans. The party in power controls the Houses and their committees by means of conferences and caucuses, which are private. The Democrats have a majority in both Houses at this time (1942). Preceding the meeting of Congress, the Democratic Members of the House held a caucus and agreed on their candidates for all of the different offices of the House. When the House met to organize at the beginning of the present Congress, the names of the candidates were presented. The same thing was done by the Republicans. A vote was taken and the Democrats, all voting together, elected their ticket.

Democrats hold a party caucus and may bind the Members to vote a certain way on a bill, if two-thirds vote in favor of being bound. However, a Member may excuse himself if he has a good and sufficient reason, such as having committed himself to a contrary position when seeking election or on constitutional questions.

The Republicans hold a party conference instead of a caucus, and their Members cannot be bound except pertaining to matters of party organization.
