— PREGLED NAJVAŽNEJŠIH DOGODKOV —

Reagan gre v Moskvo 29. maja — Obisk bo delovnega značaja in bo trajal do 2. junija — Shultz in Ševardnadze zadovoljna s pogovori

WASHINGTON, D.C. — Predsednik Reagan bo odpotoval v Moskvo 29. maja, da vrne obisk v ZDA Mihaila Gorbačova lani. Reagan bo v Moskvi do 2. junija in v tem času sovjetske prestolnice in njene okolice ne bo zapustil, kot ni Gorbačov zapustil okolice Washingtona ob njegovem obisku. Prav tako bo Reaganov obisk delovnega značaja, čeprav si bo predsednik ogledal znamenitosti Kremelja in drugih zgodovinskih objektov. Reagan bo prvi ameriški predsednik, ki bo obiskal Sovjetsko zvezo v zadnjih 14 letih.

Ta teden je bil v Washingtonu sovjetski zunanji minister Edvard Ševardnadze. Imel je več srečanj z državnim sekretarjem Georgeom Shultzem in je očitno, da se državnika dobro razumeta. Vendar glede odprtih vprašanj nista dosegla bistvenega napredka. Soglašala sta, da bosta pozvala vsak svojo delegacijo pri pogajanjih o novi pogodbi glede zmanjšanja števila strateških raket, naj bodo pogajanja pospešena. Shultz pa je rekel, da je glede nove pogodbe še veliko nerešenih vprašanj in da ni gotovo, da bo pogodba končana do Reaganovega obiska v Moskvi. Tudi Reagan, ko je obvestil novinarje o svojem obisku v ZSSR, je odgovoril na »Ne vem« na vprašanje, ali misli, da bosta z Gorbačovom podpisala novo raketno pogodbo.

O Afganistanu je Ševardnadze rekel, da Moskva še vedno namerava odpoklicati domov svoje vojake, da bo pa še vedno pošiljala vojaško pomoč lutkarskemu režimu v Kabul. To je pravica suverenih držav, namreč ZSSR in Afganistana, je rekel Ševardnadze. Shultz pa je predlagal moratorij glede pošiljanja pomoči, ki bi ga držali veseli, a ker Sovjeti tega odklanjajo, bodo ZDA še naprej pomagale upornikom.

Shultz je bil kritičen do sovjetskega pošiljanja orožja Nikaragvi v tolikšnem obsegu. Ševardnadze je odgovoril, da bi Sovjeti nehali s to politiko, ako bi ZDA po Shultzovi interpretaciji opustile vojaške stike s skoro vsemi latinskoameriški državami, kar je za ZDA seveda nesprejemljivo.

Pred prihodom v Moskvi se bo Reagan ustavil za krajši obisk v Helsinkiju, kjer so bile podpisane Helsinške listine. Tako bo Reagan poudaril pomembnost teh splošnih obveznosti, ki so jih podpisale med drugimi državami tudi ZDA in ZSSR. Po obisku v SZ se bo Reagan ustavil v Londonu, da se posvetuje z angleško premierko Margaret Thatcher. Ko bo v Angliji bo Reagan tudi govoril po televiziji o svojih vtisih obiska v Moskvi.

Kontras in sandinisti podpisali sporazum o 60-dnevem premirju — Izid presenetil opazovalce — Pogajanja bodo še trajala

SAPOA, Nik. — Včeraj so predstavniki kontras na eni in sandinističnega režima na drugi strani podpisali sporazum o premirju, ki se bo pričelo s 1. aprilom, trajalo bo 60 dni. Ko bo premirje v veljavi, začeni s 6. aprilom, se bodo pričela pogajanja o trajnem premirju. Do so pogajalci prišli tako daleč je presenetilo skoro vse opazovalce nikaragveških razmer. Obe strani sta močno popustili, da je lahko prišlo do kompromisne rešitve. Nikaragveški predsednik Daniel Ortega je izrazil optimizem, vodja kontras Adolfo Calero je bil pozitiven, a previden.

V prvi polovici aprila se bodo kontras

borci zbirali v nekatere določene kraje Nikaragve, obdržali pa bodo svoje orožje. Kontras so se obvezali, da ne bodo dobivali več vojaške podpore iz tujine in seveda ne bodo več napadali objekte v Nikaragvi. Sandinisti so obljubili, da bodo začeli z izpuščanjem političnih zapornikov, podarili bodo brezpogojno amnestijo vsakemu pripadniku vojaških enot kontras, ki bo prostovoljno odložil orožje in se vrnil domov. Dalje, Sandinisti obljublajo, da bodo imele opozicijske politične stranke in skupine popolno svobodo glede svojih aktivnosti, prevladovala bo popolna svoboda tiska itd.

Prva reakcija Reaganove administracije do sporazuma je bila dokaj zadržana, ker menijo v Beli hiši in State Departmentu, da je sporazum le prvi korak na dolgi poti. Mnogi poznavalci razmer v Nikaragvi dvomijo, da bodo sandinisti kdaj pristali na tolikšno demokratizacijo, da bi bili na zakonit način premagani in bi tako morali predati oblast opozicijskim silam.

— Kratke vesti —

Panama City, Pan. — Kljub naglo rastoči gospodarski krizi, nič ne kaže, da bo vlastodržec gen. Manuel Noriega kmalu prisiljen podati ostavko. Ključnega pomena za razplet dogodkov je vojska, ki je po nedavni čistki, v kateri je Noriega odstranil vse tiste častnike, o katerih zvestobi je dvomil, lojalna do svojemu poveljniku. Tudi ni prišlo do obsežnejših izgrediv, kjer bi bili vojaki pod pritiskom, naj streljajo na svoje sodržavljanke. Jasno je le, da so življenjske razmere za navadnega Panamca iz dneva v dan težje in da to stanje oz. razvoj ne more trajati v nedogled.

Washington, D.C. — Vrhovno sodišče je odločilo, da štrajkajoči delavci oziroma njihove družine niso upravičeni do državne socialne podpore samo zaradi težav, ki jih zanje povzroča prostovoljna odsotnost od delovnega mesta oz. štrajk. Unije so zagovarjale stališče, da bi morali biti štrajkajoči upravičeni do nakupa tkim. znamk za hrano ali »food stamps«. Sodišče je ugotovilo, da bi to pomenilo sodelovanje vlade v štrajku na strani štrajkajočih.

Jeruzalem, Izr. — Zadnji dni so izraelske oblasti v Zasedenem bregu aretirale več sto mladih Palestincev. Od pričetka izgrediv 8. decembra lani so Izraelci priprli več kot 3.000 Palestincev, v spopadih je bilo ubitih najmanj sto Palestincev, padel pa je tudi en izraelski vojak. Izraelci upajo, da bodo z aretiranjem mladih palestinskih voditeljev strli izgrede.

Nikozija, Ci. — Splošno mnenje opazovalcev vojne med Irakom in Iranom je, da so iranske trditve ta teden, da so Iranci uporabili strupeni plin zoper prebivalce kurdske vasi na severnem delu fronte, resnične. Po iranskih vesteh, naj bi padlo do 5.000 vaščanov oz. civilistov. Iranci so pripeljali skupino zahodnih novinarjev v vas, ti so pa z lastnimi očmi videli in s kamerami filmali veliko žrtev plinskega napada. Iranci pravijo, da so za napad odgovorni Iranci sami, kar pa celo ne verjame Reaganova administracija.

Moskva, ZSSR — Sovjetske oblasti so uradno zavrnilo zahtevo armenskih nacionalistov, naj bo kraj Nagorno-Karabah, kjer živijo v veliki večini Armenci, priključeno republiko Armenije. Armenci baje pripravljajo veliko protestno demonstracijo v Erevanu, kar pa Moskva odsvetuje.

»Slovenija: model za jutrišnjo Jugoslavijo?«

Pod tem naslovom čez osem stolpcev oz. celo stran prinaša belgijski francoski dnevnik »La Libre Belgique« (Svobodna Belgija) z dne 28. januarja letos obširno in bogato reportažo o republikli Sloveniji in njenem mestu v Jugoslaviji. Avtor te reportaže je Michel Rosten. Dnevnik izhaja v Bruslju in je poleg lista Le Soir med najbolj razširjenimi časopisi v francoskem jeziku v Belgiji.

Že sredi prve strani prinaša začetne misli nadaljnega gradiva, ki nato obsega celo drugo stran. »Je Slovenija država v državi? Nihče tega ne bo trdil, a veliko Jugoslovancev je tega mnenja. Raven njenega razvoja se ne da primerjati z ono v drugih republikah. In prav ta posebnost kaže na dejstvo, da je Ljubljana (nekaj več kot tristo tisoč prebivalcev) mesto-pilot v primeri z drugimi.« Že ti stavki nekako nakazujejo vsebino in namen obširne raziskave, ki jo je omenjeni belgijski novinar izvedel v slovenski prestolnici. V glavnem se je sestel z različnimi predstavniki političnega, kulturnega in gospodarskega življenja republike Slovenije. Tako so med drugimi njegovi sogovorniki urednik Nove revije Boris Novak, nato podpredsednik slovenske vlade dr. Boris Frlec, gospodarski sodelavec dnevnika »Delo« Mile Setinc in še kdo.

Kulturna moč in pomen narodnosti ter izobrazbe

Belgijski dnevnik začne praznoprav s kulturno problematiko, ki se mu po vsej verjetnosti zdi najbolj zanimiva in tudi zgovorna za zgodovinski obstoj slovenskega naroda. V tem smislu namreč že izzvenijo stavki o sami eksistencialni usodi slovenskega naroda. Tako pravi časnikar, da so vsi soglasni v priznanju, da je slovenski narod lahko preživel težke zgodovinske trenutke le s podporo kulture. S tem v zvezi omenja misel: »Kultura je naša politika in naša politika je kultura.«

V nadaljevanju omenja bogato sliko slovenskega šolstva in izobraževalnega sistema sploh ter obstoj dveh univerz. Minister za informacije Marjan Siftar pa tu dodaja, da je tretja že skoraj odprta. Pri tem misli na razne slovenske docente na tujih univerzah, ki lahko sprejemajo slovenske študente na svoje tečaje. Nato v bežnih obrisih prikaže Prešernov pomen za razvoj slovenske literature in jezika.

V nadaljevanju še omenja dogodek, ko je policijska oz. sodna oblast zaslila urednika Novaka in Viktorja Blažiča zaradi nekega članka v Novi reviji o vlogi Jugoslovanske ljudske armade in načrtih za prevzem oblasti v primeru nemoči političnih dejavnikov za izhod iz morebitnega brodoloma države. Zgovorna je tudi polemika, ki jo je slovenska revija zavzela do obrambnega ministra admirala Mamule in vojske sploh. Belgijski dnevnik takole pripominja s tem v zvezi: »Da! Treba je res civilnega poguma, da se v komunističnem režimu lahko govori enak z enakim o obrambnim ministrom. In to je v državi res nekaj novega!«

Slovenija in Jugoslavija

Vabilo na Družabni večer Tabora

CLEVELAND, O. — Že dolgo vrsto let prireja TABOR DSPB svoj pomladanski družabni večer takoj po Veliki noči. Tudi letos bo ta večer v soboto pred Belo nedeljo, torej 9. aprila ob sedmi uri zvečer v Slovenskem domu na Holmes Ave. Na ta družabni večer vabimo vse člane in prijatelje, da se ga udeležijo. Po okusni večerji bodo Veseli Slovenci zabavali s svojimi lepimi melodijami. S svojo navzočnostjo boste podprli našo blagajno, od katere je odvisen socialni sklad naše organizacije, ki še vedno podpira tiste, ki so pomoči res potrebni. Zbiranje dokumentarnega gradiva je povezano z velikimi stroški. Prepričani smo, da bodo bodoči zgodovinarji z veseljem segli po njem, v veliko zadoščenje pa nam je, da se ga bo v veliki meri poslužil znani zgodovinar in pisatelj grof Nikolaj Tolstoj, ki bo pred angleškim sodiščem dokazoval v bližnji bodočnosti greh angleških civilnih in vojaških oblasti, iz katerega se je izcimila zloglasna Vetrinjska tragedija, katere očitvidci smo bili tudi mi, pa nam je bilo po božji volji prizanešeno.

Pridite, dragi prijatelji, v čim večjem številu, da bomo ob obujanju spominov preživeli lep večer. Vstopnice so že na razpolago. Pokličite Filipa Oreha (943-4681) ali pa Milana Zajca (851-4961), najbolje ob večernih urah, in z veseljem Vam bosta postregla z njimi.

Nasvidenje na Belo soboto zvečer!

Dramatsko društvo Lilija se je preteklo nedeljo postavilo

CLEVELAND, O. - Polno parkališče in živahno vrvenje ob vhodu v Dom je kazalo, da mrzlo snežno vreme ne bo zdržalo obiska Lilijine prireditve preteklo nedeljo v Slovenskem domu na Holmes Avenue.

Dvorana se je naglo polnila, stari in mladi slovenski rod iz vseh delov Velikega Clevelanda se je mešal med seboj v vselem kramljanju in radovednem pričakovanju. Ljudska igra »Prisega opolnoči« je med občinstvom manj znana, kar je zanimanje še povečalo. Dogajanja so postavljena na Gorenjsko tam v začetku tega stoletja.

Prvo dejanje se vrši na vasi pred hišo imovitega kmeta Požarja. V ozadju stoji cerkvena, na desni nasproti Požarjevega doma pa ciganski šotor. Požarja je prepričljivo predstavil veteran Lilijine igralske družine August Dragar, njegovo ženo Meto preprosto naravno tudi stara znanka Lilijinega odra Zdenka Zakrajšek, njuno hčerko Anko pa je prikupno podala mlada Metka Zalar. Pri nastopu fantov in deklet je posebno iznenadil lep in pravičen izgovor, pa tudi živahen potek brez vsakega zatikanja. Dekleta so predstavila Verica Maršič, Dana in Marta Štefančič, fante Mitja Pavlovič, Marko Zakrajšek in Peter Hauptman. Izzivalni in prožni ciganski plesalki sta bili Monika Gaser in Rezka Kolarič.

V drugem dejanju na bregu Save je stari znanec obiskovalcev Lilijinih nastopov Ivan Hauptman kot brodnik Koritnik žel obilo priznanja. Prvi višek je igra dosegla s prisego opolnoči. Zelo prirodna in prepričljiva je bila pri tem Anka.

Tretje dejanje v Koritnikovi koči prinese drugi vrh igre s priznanjem Ankine laži umirajočemu Koritniku. Živahen in zabaven je v tem dejanju razgovor kmetov Mraka (Janez Tomine), Marinovca (Edi Mejač) in Koširja (Srečo Gaser).

Četrto dejanje v Požarjevi

hiši doseže žalosten vrh in konec igre. Močno in prepričljivo je bilo podajanje tako Anke kot njenega moža Pavla (Florijan Osredkar), pa tudi Ankine matere Mete. Marko Mrva je nastopil kot resnično zbegani devetletni Albinček, otrok Anke in cigana Marka (Peter Dragar).

Močno in prepričljivo podobno potovke Lovrinke je odlično podala Martina Jakomin, živahna in cigansko vsiljiva je bila stara ciganka Selma (Mari McMurray), dobra in skrbna pa Koritnikova žena Neža (Ani Erdani).

Na splošno je igra potekala živahno brez motenj in zastajanj. Režiser Ivan Jakomin je brez dvoma odlično opravil svoje delo.

Posebno je presenetil nastop mladih igralcev in igralk. Nekateri od teh so bili prvič na odru, pa se jim to ni prav nič poznalo. Veseli smo bili čiste, lepe slovenščine. To je za mladi rod, ki v vsakdanjem govoru uporablja pretežno angleščino, vsekakor velik uspeh.

Pevka v igri je bila Katja Zakrajšek, spremljala jo je Kati Némec. Za glasbene vložke je poskrbela Bernarda Ovsenik, za ozvočenje Tone Osovnik, za luči Robert Zakrajšek. Za oder so skrbeli Slavko Štepec, Leopold Omanen, Stane Krulc in Matt Grdadolnik. Maskiral je dr. Milan Pavlovič, šepetalec je bil Miro Odar.

Občinstvo je bilo živahno veselo, vznemirjeno je čakalo na začetek igre in jo nato spre-

mljalo z zanimanjem. Celotno razpoloženje je bilo podobno onemu, ki smo ga včasih poznali doma na prireditvah v Prosvetnih domovih, ko se je zbrala vsa srenja.

Te Lilijine prireditve sta se udeležila tudi župnik Sv. Vida č.g. Jože Božnar in župnik Marije s Čudodelno svetinjo iz New Toronta č.g. Janez Kopač, ki je imel zadnja dva tedna slovensko duhovno obnovo, najprej pri Sv. Vidu, nato pri Mariji Vnebovzeti. Navzoč je bil tudi 89-letni ustanovitelj Dramatskega društva Lilije Louis Jerkich.

Lepo in prijetno popoldne je bilo, veselo za vse, ki jim je ohranitev slovenske besede v naši novi domovini pri sreju.

Okusno izdelanemu in skrbno pripravljenu sporedu je bil priložen članek o pesniku Marjanu Jakopiču, katerega desetletnice smrti se bomo spominjali 20. aprila 1988. Pokojnik je bil deloven član Lilije in prizadeven obiskovalec njenih odrskih predstav. Dramatsko društvo Lilija je omogočila izdajo njegove prve pesniške zbirke »Vrbova piščal«.

Liliji, njeni pomlajeni igralški družini ter njenemu režiserju najprisrčnejše čestitke! Vsi zaslužijo za svoje vestno in skrbno delo svoje priznanje in tudi zahvalo!

Upokojencem Slovenske pristave

CLEVELAND, O. - Čeprav nas še straši mrz in sneg, nam narava naznanja z mačicami, prvimi cvetovi podleska, zvončkov in narcis, da niso več daleč topli pomladanski dnevi. Tudi Velika noč je letos zgodnja. Vsem članom Kluba upokojencev Slovenske pristave torej želim blagoslovljeno in veselo Veliko noč!

Naš član Ignac Tavčar je zelo bolan na Floridi. Vsem članom kluba ga priporočamo v molitev. Bog daj, da bi kmalu ozdravel in da bi ga v pletju že videli na pristavskem balinišču, saj je bil tako navdušen balinar. Zdravja želimo tudi naši zvesti članici gospej Mariji Roesman.

V četrtek, 30. marca, ob 2. uri pop. vabim vse člane na sejo in sestanek, ki se bo vršil v Slovenskem domu na Holmes Avenue.

Avtobus za naš izlet v Washington je že poln. Naš klub bo organiziral letos romanje v Lemont, ker sta 3. in 4. julija ravno Pristavska dneva. Če pa kdo želi iti v Lemont takrat, naj se pridruži romanju Slomškovega krožka, ki, kakor vsako leto, tudi letos organizira romanje v Lemont.

Dne 7. avgusta bomo imeli dan upokojencev na Slov. pristavi. O tem se bomo menili na naši seji ta četrtek. V koroški Nedelji sem bral lep članek izpod peresa Marije Inzko. Prosil sem, da bi bil objavljen tudi v A.D. (Glejte str. 3, op. ur.). Pozdrav in nasvidenje na sestanku!

NAŠA MAMA

Ivanka Velikonja, 1. Januar 1897 — 20. Marec 1988

Polno življenje se ji je izteklo. V dvaindevetdesetem letu, ko so se začeli kazati prvi znaki nove pomladi. Že nekaj časa smo lovili znake pešanja, clevelandska zima in ošibele noge so jo zadrževale, da ni mogla več v svojo cerkev k Svetemu Frančišku.

Dr. Aleš Ušeničnik jo je krstil v ljubljanski stolnici; škof Anton Bonaventura Jeglič jo je poročil 10. maja 1920 v škofijski kapeli; oče Thomas Martin jo bo pokopal v Clevelandu. Kar se nas bo zbralo, jo bomo spremili na tej zadnji zemeljski poti. Ne bomo vsi, štirje rodovi »Velikonjevih otrok« smo se raztepli po širnem svetu od Tokija do Kölna, Puertorike in New Yorka, Emmitsburga in Toronta, Ljubljane in Ajdovščine — kregala bi me, da se ne spominim vseh in vsakega, le ona je vodila sezname svojih otrok, vnukov in pravnukov, štela je, spraševala, in skrbelo. Vsi so ji bili dragi, vsi so bili njeni.

Marsikdo, ki jo je poznal, je vedel le za košček njenega življenja. Preživela je tri različna obdobja, v vsakem od njih je pustila svojo sled. Osem let je bila stara, ko je kot najstarejša hčerka Josipa Jegliča, ško-

Ivanka Velikonja

fovega brata, ostala brez očeta. V Ljubljani se je šolala, končala je meščansko šolo pri uršulinkah. Stric škof Jeglič je bedel nad družino in skrbel, da so bili oskrbljeni. Bila je med zbiralci podpisov za Majniško deklaracijo, bila med nosilkami, ki so izročile knjige s podpisi dr. Korošcu.

Med dvema vojnama je živela za družino in z njo. Od trinajstih otrok je deset živih. Njenega moža Narteja je leta 1933 zadela možganska kap. Skrb za obolelega moža in za otroke bi bila za marsikoga preveč. Takrat se je pokazalo, da je res »močna žena«. Ob vsem delu doma se ni nikdar izogibala javnega dela v prosvetnih društvih, kongregaciji v stolnici, vodila je kuhinjske tečaje, sodelovala pri Ženski zvezi, predavala na radiu. Z vztrajnostjo in trmo, ki so ji jo tudi očitali, je živela polno življenje slovenske žene v predvojni Sloveniji.

Prišla je vojna, ob njenem koncu smo se otroci razšli, precej časa ni vedela za nas. Desetega maja je še praznovala 25-letnico poroke, naslednji dan so moža odpeljali. 24. junija je bil obsojen na smrt in naslednji dan neznanokje ustreljen. Takrat se je začela druga doba njenega življenja: v novi Jugoslaviji, izgnana iz Ljubljane, brez dohodkov, nekdanji znanci je niso več poznali. Izjeme so bile redke. Ko sta sinova prišla iz Teharij do-

mov umret, je spet oživila. S skrbno nego jih je pozdravila — še danes ji delata čast. V Guncjljah je v skromnem stanovanju držala skupaj novi dom za vse, ki so ostali doma. Njena pisma nam po svetu so jo pripeljala v zapor; tudi tega je preživela in sem od marsikoga slišal, kako je vsem dajala korajžo.

Petinšestdeset let je bila stara, ko je prišla prvič na obisk v Ameriko. Samo na obisk, otrok ni mogla pustiti samih »doma«. Obisk je postajal vedno daljši, končno se je odločila in tukaj ostala. S tem se je začela tretja doba njenega življenja. Tokrat med nami. V Clevelandu je začela na novo, z novim jezikom in novimi običaji, ni prišla v pokoj, saj je do lanskega leta še vedno hotela skrbeti za »starejše«, tiste, ki manj zmorejo.

Naučila se je jezika, učila druge in jih pripravljala na državljske izpite, sledila je vsemu dogajanju doma in po svetu. St. Clair ji je bil bolj domač kot spremenjena Ljubljana, iz katere je bila izgnana. Z nami je prepotovala velik del Amerike: od Clevelanda do Chicaga in Minneapolisa, preko »Badlands« in parka Yellowstone do Seattleja; bila je v Torontu in pri Niagarskih slapovih, na počitnicah v Marylandu in Washingtonu, seveda tudi po Evropi od Rima do Essna, od Ohrida do Benetk. Polno življenje, brez pritoževanja in hude zaskrbljenosti.

Clevelandski znanci so jo poznali le zadnjih petindvajset let. Večina onih, ki so vedeli zanjo med obema vojnama, ni več živa. Za nas je bila le »naša mama«. Od nje smo se navzeli prepričanja, da ni nobena stvar pretežka, da ni nobena zapreka prehuda, da naj se lotevamo majhnih nalog, če za velike nimamo ne časa, ne sredstev.

O sebi je govorila kot o neki tretji osebi. Zadnja leta sem jo precej izpraševal, predvsem o letih njene mladosti, za katero skoro ni več žive priče. O koncu vojne je bilo najtežje govoriti. Obzirno sem iskal pojasnil, česar nisem prav razbral iz njenih pisem iz tistih dni. Ta pisma vsebujejo kroniko dogodkov skozi oči opazovalca, ki se mu je dotedanji svet podrl in ni mogel razumeti novega življenja: življenje terorja in brezčloveškosti nove komunistične družbe.

Izteklo se je bogato življenje, bogato ne le za nas, njene otroke; kdor jo je poznal, je bil deležen njene skrbnosti in materinske pozornosti. Hiša bo bolj prazna, ne bo več njenih rož na farnem oltarju, oltarni prti, ki jih je s skrbjo napravila in ohranjala, bodo še nekaj let spominjali nanjo. Pospravili bomo njeno skromno zapuščino, do groba jo bomo spremili in pomolili. Zdaj je konec njenega zemljskega preganjanja, v nebesih so jo z radostjo sprejeli. Saj bomo kmalu prišli za njo.

Življenju moramo dati smisel — tudi v starosti

Pred seboj imam časopis s podobo starega človeka. Z eno roko si podpira obraz, druga roka mrtvo leži v naročju. Obraz je zaskrbljen, pogled gre nekam daleč. Pod sliko je napisano: Sedeti in čakati — je to naša usoda?

Vrstica pod sliko me kar naprej zaposluje, če hočem ali nočem! Verjetno zaposluje vprašanje po smislu življenja na stara leta veliko starejših ljudi. V mnogih primerih star človek res samo še čaka na odrešilno smrt. Seveda, prej še na prihod znanca, obisk otrok, poset zdravnika, na pismonošo, na kako veselje...

Povsem nedejavno čakanje je že neke vrste umiranje.

Res je, da človekove telesne moči, potem, ko je dosegel svoj življenjski višek, začnejo počasi pešati. Najprej se to pozna pri očeh. Ne vidimo več dobro in počasi se sprijaznimo z mislijo na očala. Za nekaj časa je dobro, a kmalu se začnajo oglašati drugi organi. S pomočjo zdravnika, športa, z delom (ne pretežkim), z zdravim načinom življenja pa telo še dolgo lahko ohranimo prožno.

Drugeče je z duhom. Ta lahko v pozna leta ostane svež, ustvarjalen. Pogoj je seveda duhovno delo, trening. Veliki misleci, duhovniki, umetniki delajo navadno do smrti. Koliko nakopičenega znanja, duhovne sile bi sicer šlo v pozabo, če bi z upokojitvijo nehali duhovno delati.

Življenju dajmo smisel tudi v starosti! S tem pomagamo sebi in naši okolici. Najhujše je, če ob prehodu iz stanja zaposlenosti v nezaposlenost (penzijo, pokoj) postanemo malodušni in se čutimo odveč, nepotrebne, nekoristne. Potem je vsak dan predolg, noči pa so sploh brez konca. Človeka se polasti strah. Ničesar več se ne veseli.

Prav taka malodušnost je nevarna. Izkušeni upokojenci priporočajo lahko delo. To naj bi bila zaposlitev s stvarmi,

ki nas veselijo. Ročna dela, brkljanje, rezbarjenje, slikanje, zbiranje zelišč, branje, pa tudi pisanje so zdravilo zoper starostno malodušje.

Mlade in gibčne ohranijo stare starše tudi vnuki. Delo z otroki zahteva veliko koncentracije; varovanje vnukov je resna in naporna zadeva. Zahteva zdravo telo, zdravega duha in tudi bogato fantazijo. Nekaterim vnukom stari starši lahko dajo svoje izkušnje, svojo ljubezen, in kar je največ — svoj čas, ki ga imajo v obilni meri.

Ker imamo več časa, ga darujemo več tudi Bogu. Ravno starejši človek ima dosti priložnosti za molitev, žrtev, za dobra dela, za premišljevanje. Duhovno zorenje, napredovanje v dobroti, plemenitosti je cilj, ki ga je na stara leta vredno zasledovati. Sadove naše zrele dobe v starosti dobesedno lahko pozlatimo. S potrpežljivostjo, darežljivostjo, sproščenostjo si pridobivamo zaklade, ki jih rja ne uniči in jih bomo vzeli s seboj v večnost. Rusi so včasih poznali »starce«. To so bili molitveni možje, navadno samotarji, zelo izobraženi, ki so ljudem dajali nasvete, jih v prepirih

Ko prvi teloh je odprl svoj cvet, takrat si, dragi Lojze, zapustil ta svet. Oh, kako težak je bil sloves, srce hotelo ni verjeti, da ni povrnitve več.

Cas hiti in že je leto mimo. Le žalostni spomini so še tu, na prestano trpljenje tvoje. Duša sedaj ti srečo uživa, ker božja dobrota je velika.

Ko prišel bo tudi za nas čas slovesa, ko se utrne zadnja solza iz očesa, tedaj prosim še za nas Boga, da nas pripelje, kjer je sreča in mir doma.

spravljali, jih svarili, pa tudi zanje molili in zanje trpeli. Bili so bolj v nebesih kakor na zemlji, bili so izredno spoštovani in iskani, nekak božji prst na zemlji.

Dandanes so zelo priljubljene različne molitvene skupine. Posebno starejše žene bi se lahko zbirale k molitvi tudi v zasebnih hišah. Kjer sta dva ali kjer so trije zbrani v mojem imenu, sem tudi jaz sredi med njimi, so Jezusove besede.

Pred kratkim mi je znanec prinesel škatlo starih verskih listov. Bogoljub, Glasnik presvetega Srca Jezusovega, Cvetje z vrtov sv. Frančiška so bili listi, ki so jih brali na Koroškem predvsem v času med svetovnjima vojnama. S kakšnim veseljem so predvsem ob nedeljskih popoldnevih in pozimi segali po takem branju! Sedaj pa imamo še veliko več možnosti za branje verskih listov. Izrabimo to priložnost za duhovno zorenje; ne preslišimo tudi ponudbe duhovnih vaj. Kako radi bi se jih včasih udeleževali naši ljudje, a niso imeli denarja ali časa. Sedaj imamo oboje, storimo torej kaj za svojo duhovnost!

Starejši človek utegne biti tudi pust ali siten. Včasih je kriva bolezen, včasih slabo vreme — pa še bi lahko naštevala vzroke. Neki star mož se je tega zavedal, pa je molil, da

bi ga Bog ohranil ljubezni vrednega. Takole je zdihnil:

Gospod, Ti veš bolje kakor jaz, da postajam starejši. Približuje se dan, ko bom star. Pomagaj mi, da ostanem prijazen, preudaren, ne tuhtajoč — pripravljen pomagati, vendar ne ukazovati. Pomagaj mi, da bom molčal o svojih boleznih in nadlogah. (Kako me mika, da bi tudi jaz na široko govoril o svojih težavah.) Pomagaj mi, da bom pripovedovanje drugih o njihovih težavah potrpežljivo poslušal. Tudi si Te ne upam prositi za boljši spomin — samo za malo več skromnosti, če moj spomin ne soglaša s spominom drugih.

Ohrani me ljubezni vrednega. Nisem svetnik, vem pa, da je pust in čemeran stavec hudičevo delo. Pomagaj mi širiti veselje, zadovoljstvo, pomagaj mi spoznati, da je tudi starost potrebna in smiselna.

nosu SRS s federacijo oz. Jugoslavijo in predlogom o ustavnih spremembah v SFRJ, ki že dalj časa burijo duhove od Beograda do Ljubljane. V tem smislu se je Michel Rosten pogovarjal s podpredsednikom IS Slovenije dr. Borisom Frlecem. Že v naslovu tega pogovora je značilen stavek slovenskega ministra, ki pravi, da se kmet navadno poslužuje svojih najboljših konj. Veliko je v intervjuju govora o ekonomski situaciji in proračunu SRJ ter o gospodarski primerjavi med Slovenijo in drugimi republikami. Vendar nas tu lahko bolj zanima politično gledanje predstavnika slovenske vlade, ki se v svojih odgovorih kar dobro, seveda včasih diplomatsko izjavlja o našezanih temah. Tako npr. na vprašanje o možnem prekoračenju drugih republik pravi med drugim: »...v Sloveniji mislimo, da se mora razvoj vzporejati s spoštovanjem mnenj vsakogar...«

»Ali bom deportiran, ako ne bom upravičen do legalizacije?«

Uradni odgovori na Vaša vprašanja o novem Zakonu o imigriranju od Urada za imigracijo in naturalizacijo.

V. Ali bom deportiran, ako prosim za legalizacijo in se odločite, da nisem upravičen?

O. Ne. Vložitev prošnje ne more voditi k deportaciji ker, po zakonu, resnična informacija, ki jo Vi posredujete, ne more biti uporabljena za Vašo deportacijo ali za deportacijo katere koli osebe, ki jo omenjate v Vaši prošnji. Tudi v slučaju, da niste upravičeni do legalizacije.

V. Vem, da sem upravičen. A moji otroci so prišli sém šele pred tremi leti. Bojim se, da bo moja družina razdvojena, ako vložim prošnjo. Kaj naj storim?

O. Ako mislite, da ste upravičeni, morali bi vložiti prošnjo. Ne pozabite, da je informacija, ki jo posredujete, obdržana v najstrožji tajnosti. Ne more biti uporabljena proti Vam ali kateremu članu Vaše družine. Dejstvo je, da je vložitev prošnje najboljši način, da jim pomagata.

V. Da jim pomagam? Kako?

O. Ako boste legalizirani, boste mogli pozneje vložiti prošnjo za legalizacijo družinskih članov, ki ste jih omenili v prošnji. Dalje, Urad se želi izogniti razdvojitvi družine in

tako bo obravnaval vsak primer posebej in s posebno pozornostjo.

V. Zbral sem vse odrezke od čekov, ki sem jih dobil kot plače, računov najemnin, ki sem jih plačeval, potrdila za plačevanje komunalnih storitev vse do šolskih dokumentov... a ne krijejo vsega časa, odkar sem tu. Kako naj zamašim luknje?

O. Veliko več je drugih dokumentov, ki jih lahko uporabite pri podpiranju Vaše prošnje za legalizacijo. Na primer: kopije prijav dohodninskega davka, ki ste jih položili, kuverte s poštnimi žigi, v katerih ste ali poslali ali prejeli pisma v času, ko ste bili v Združenih državah. V slučajih, ko takih dokumentov ni na razpolago, Vam lahko pomagajo notarizirane izjave državljanov, ki Vas poznajo.

V. Kdo lahko dá takšno izjavo?

O. To so lahko Vaši sorodniki, bivši delodajalci, sosede, učitelji, duhovniki, sploh vsakdo, ki Vas pozna tekom let.

Ne pozabite: Veliko koristi imate — in nobene škode — ako prosite za legalizacijo. Več kot milijon ljudi je to že storilo. Rok za vlaganje prošnje bo pa kmalu potekel!

Immigration and Naturalization Service

Ne zamudite! Prosite za legalizacijo najkasneje do 4. maja!

Obiščite INS Urad za legalizacijo ali katero cerkev ali prostovoljno organizacijo, opolnomočeno, da vam pomaga.

RESIDENCE OF PAUL KINDSVATER.
Cor. of St. Clair & Wilson Ave. Cleveland.

The 1874 Paul Kindsvater Mansion

The Paul Kindsvater Mansion was located on the southeast corner of St. Clair and E. 55th St. (Note: E. 55th was Wilson Ave. prior to 1905).

The Kindsvaters were early German pioneers and owners of almost 10 acres of land at E. 55th and St. Clair. They began subdividing six of their acres in 1871. Their lots were on Kindsvater St. (now Bonna, E. 55th to E. 60th only) and Haff St. (now E. 58th). Homes were soon built and our St. Clair community began to change from rural to city.

The "German Gardens" located on E. 55th between St. Clair and Bonna was operated by the Kindsvaters. It was an outdoor picnic grove and in the 1890s it was often frequented by our early Slovenian settlers. Today Leiden Cabinet is on the exact site of the former German Gardens.

The Kindsvater Mansion and stables were razed around 1920. Today there are no visible traces of the estate or the German Gardens.

West Park Slovene Home Benefit Dance April 17th

Because the public and many of our boosters have been inquiring about the next Sunday afternoon dance, the committee of West Park Slovene Home is sponsoring a benefit dance to raise funds for some much needed improvements on Sunday, April 17.

We could, you agree, do the public a service and our own image as well, by having a parking lot asphalted and our interior air-conditioned.

Chris Benda and his group of musicians will provide danceable medleys. We are privileged to have him entertain Friday evenings in the clubroom.

On this occasion we are honoring Chris in appreciation and gratitude for his many years of rhythmic dance music and good humor, and for the

enjoyment he has given his music followers since he was a lad of 12.

Maria Pivik met Chris at a Thanksgiving Polka Party where he was performing. She liked his style and talent at the young age and casually invited him to come to West Park some Friday night to give a boost to the clubroom patrons. It was in the early 70s at a time when Jake Balash, now deceased, son Jerry and Judy, the late Rudy Novak, Happy Jimmy, Henry Guzel and his son Hank joined with Coleman Weindorfer at times and many other accordionist musicians.

Now 15 years later at 28, Chris is even more talented in the accordion, piano, violin, and organ. Like many of his colleagues, Chris can make up a band or fill in with any other. We enjoy his renditions at the Home when Elmer accompanies him on the banjo or guitar. Both sing ditties or ballads very well.

We promise all of you attending our Sunday fun a chance to win one of ten \$25 door prizes. There will be the usual fare of sandwiches or prime rib and refreshments.

Eggs Make an Economical Meal in Springtime

In the spring, when eggs are plentiful and sensibly priced, consider the egg as the basis for lunch or supper dishes. Creamed egg on toasted English muffins, or Egg Salad also served on a toasted English muffin. And speaking of English muffins, never overlook the ultimate in classic egg dishes, Eggs Benedict, incomplete without the muffin.

When you serve an English muffin, split it the way the Thomas' people suggest. Score the muffin all around with the tines of a fork, then gently pull apart. Toast until golden.

English muffins scored and gently pulled apart toast to a peaked goodness with lots of hills and valleys to catch the saucy toppings.

Euclid Pensioners Hear Drug Talk

The guest speaker at the March 2 meeting of the Slovenian Pensioners Club of Euclid was Dr. Gus Kious who gave a most interesting talk on the misuse of prescription drugs.

One probably knows someone who took pills for two or three days to feel better and then discontinued the medication. Or there are those who take two pills instead of the one prescribed in the hope the extra dosage will speed up the healing process. Then there are people who will try other people's medication. Yes, there are misuses of prescription drugs. The audience participation during the question and answer period made for a most informative meeting.

Our president Frank Cesen and his wife, Emma, were in Florida enjoying a visit with their daughter, so John Kausek took over in their absence.

Religion and Ethnic Conference in PA

The Pennsylvania Historical and Museum Commission has scheduled a one day free public conference, "Religion and The Ethnic Experience," for Saturday, April 30, from 9 a.m. to 4 p.m. at the Historical Society of Western Pennsylvania in Harrisburg.

According to Brent D. Glass, PHMC executive director, the link between religion and ethnicity is so close that it seems impossible to distinguish one from the other in considering people and groups in Pennsylvania. Immigrants brought their religions to the new world and it was religion and heritage that helped them adjust to new values and patterns of behavior.

delicious food by Mary Ster, music to make you want to dance by the Vadnal Orchestra, and, of course, all the good people who attended. And we had to miss it.

Regular and faithful members Carolyn Budan, Ray Bradac, Caroline Lokar, and Anne Parker haven't been to our meeting lately because of ill health. We wish all a speedy recovery and a return to the fold. Was it ever great to be calling the roll, calling Ray Bradac and ready to mark him absent, but upon hearing a commotion and looking up, we see him coming in the side door. A round of applause welcomed back our financial secretary and membership chairman who has suffered the loss of his wife and a serious illness the last two months. Welcome back, Ray!

Tours on the agenda planned by our tour director Rose Lewis — a Mystery Tour on March 22 and a trip to Stan Hywet Hall on April 26.

Our thanks to Loretta Hlabse, Millie Pike, Frances Legat, and Anna Filipic who volunteered to be our funeral attendants for March. Comments and letters by the bereaved families testify to their appreciation of the visits of our funeral attendants and John Kausek.

Happy birthday wishes were extended to Mary Moenic on her 93rd birthday. Who could believe one could look so good and be so active at 93? Congratulations, Mary!

Our happy winners were Rose Intihar and John Nosse. To win one has to buy a ticket and it only takes one to win.

The meeting ended in the annex with sandwiches and music by Tony Vadnal and Lou Trebar. Who could ask for more?

**Ancient Chinese
Ceramics at Museum**

A major loan exhibition of ceramic sculpture excavated during the past 35 years from ancient tombs in the People's Republic of China is nearing the end of its record-breaking stay at the Cleveland Museum of Art. The last day will be Sunday, April 10. And the lines are getting longer each day.

The exhibition, entitled "Tomb Sculpture of Ancient China: The Quest for Eternity," presents more than 150 ceramic figures of warriors, servants, court ladies, entertainers, animals, and models of earthly possessions. All had been buried with nobility or officials to protect, serve, or amuse them in the afterlife.

The ceramics date from 8000 to 2,000 B.C. through the Ming dynasty (A.D. 1368-1644).

The most imposing sculptures in this show are three remarkably lifelike warriors and a horse, all life-sized.

Cleveland is the final stop of the four-city American tour of this exhibition, which was shown earlier in Philadelphia, Houston, and Los Angeles.

Admission to The Cleveland Museum of Art and the exhibition is free.

America After President Reagan Leaves

by Dale Miller

It appears on the surface that President Reagan is about to leave with the economy strong, America respected around the world, and the country at peace. However, President Reagan has mortgaged the present for the future, and the next president will have serious problems to deal with.

First, let's look at the economy. While strong on the surface, the underpinnings are weak. During the Reagan years, the national debt has more than doubled. More has been added to the national debt during this administration than during all previous Presidents. This has been a direct result of President Reagan's policy of massive expansion of military spending combined with lower tax rates.

We are currently spending 20% of our budget for interest. We are adding to the deficit at a rate of 15% of our budget per year. Comparing this to a hypothetical family budget, it would be like if a family with an income of \$30,000 paid \$6,000 a year in interest and added \$5,000 more per year to their debt. Sooner or later this has to catch up to us.

In addition, the trade deficit has grown by an even greater amount during the past 8 years. Money is leaving the country, and when this happens long enough, it produces poverty. The value of the dollar has declined on world markets by 40% during the past 2 years.

There are also strengths in the American economy which can help us deal with our economic problems. There are now more people starting new businesses than at any time in our history. We are starting to increase exports again. American business finally seems to realize that we are in a world market and is working seriously to improve its competitiveness. Demographic trends dictate that fewer new people will be entering the workforce for the next 10 years — this bodes well for a time of low unemployment.

In the international arena, America seems to be respected around the world but not loved. We have picked fights with countries one-one hundredth of our size, such as Grenada and

Nicaragua, and yes, in some cases we have beaten them. While at peace with major nations, we are in a wartime footing in terms of military expenditures. Meanwhile, we are getting beaten by problems at home — drugs, crime, declining schools, inadequate job training, rising health care costs, deteriorating roads and bridges. We're not using our resources to deal with the biggest threats to our country.

The positive area in international relations is that leaders of the two superpowers have finally come together to start reducing the threat of nuclear war. The new intermediate missile treaty is a good beginning that we need to expand upon.

The next president needs to forego the short term political viewpoint and look to the future of America. We need to choose our priorities better and start working our way out of debt. We need to redirect more of our resources to fighting the problems that are hurting our country the most — inadequate education and training, unaffordable health care, drugs, crime, neighborhood decay. We need international trade that is free but fair. We need to temper our competitive system with the benefits of co-operation, such as between business, labor, and government. This has been done for years in countries such as Japan, and we are lagging behind. We need to bring many more people into the benefits of our economic system and break down the divisions of race and class. In the past 8 years, truly the rich have gotten richer and the poor have gotten poorer.

During the Reagan era, America has gone on vacation. We've lived well, but we've dealt with none of our basic problems and have created others. Perhaps we needed this — the 60's and 70's were tough to be sure. We need a new President who will again deal with the real issues facing our country on a long term basis. It's time to move on. As John F. Kennedy said in 1960, "It's time to get America moving again." As we look at the Democratic candidates in this year's primary, we need to ask who has the courage and the vision to provide this kind of leadership.

Canadian Rights Best; Austria Regressing

There is no country in the world like Canada. It is truly unique in its composition and in its internal multicultural policies; policies that should be followed by the rest of the world.

Most Canadians are not aware of this fact, but ask any immigrant who settled here in the span of the last 50 years, and he or she will tell you that there is no other country they would rather be in than in this land blessed with beauty and wealth, with common sense, understanding, compassion and a dedication to human rights for all its citizens.

The old world we left behind as immigrants or refugees is still dragging its feet in implementing basic human rights. Only recently, we Canadians of Slovenian extraction have sent a letter to the Austrian Bundespresident, Dr. Kurt Waldheim, and other Austrian leaders in regard to the treatment of the

Slovenian minority in the Austrian province of Carinthia.

On behalf of our Slovenian organizations (that exist without hindrance within the framework of Canadian multiculturalism) we addressed our letter of contempt to the Austrian authorities in regard to planned reforms in the bilingual school system in Carinthia that they want to abolish by an act of the Austrian Parliament.

The promotion of the unique Canadian experience of multiculturalism is indeed the best way to learn tolerance, understanding, and respect for various cultures that were brought together due to historical circumstances, and have to live together side by side with a common goal: To survive and prosper and make the world a better place in which to live.

Reflections

*I've drifted along on an aimless sea -
Until the day came that I met thee.*

*I do not question the why and how
Only rejoice in the time here and now!*

*You are my Knight on a white horse
And I your lady adoring, of course.*

*How does one now happiness measure?
Is it by moments that the heart does treasure?*

*Is the reason for our very Being
To touch and say what we are feeling?*

*To take pen in hand, to strongly voice
The expression of love that two rejoice.*

*Above all else is the joy of sharing
The beauty of love and heartfelt caring.*
