RAZNO IZ AMERIKE IN INOZEMSTVA

ZA VARNOST DEZELE
Predsednik Roosevelt je pretekli teden v posebni poslanici priporočil vzevzemu kongresu, da dovoli 552 milijonov dolarjev za povečanje in izboljšanje naše obrambne sile. Od tega naj bi se porabilo nekaj več kot polovico za tri tisoč novih vojnih letal, ostanek pa za utrditve Panamskega prekopu in raznih izpostavljenih in strateško važnih obrambnih postojank dežele, za nove vojne ladje in boljšo vojaško opremo na suhem, poleg tega pa tudi za pripravo privatne industrije, da bi mogla v primeru resne vojne nevarnosti takoj pričeti s produkcijo vojnih potrebščin na veliko.

ZA NIŽJO CARINO
Znani čehički novinar Frank Knox, ki je bil leta 1936 podpredsedniški kandidat republikanske stranke, je pretekli teden v nekem priložnostnem govoru, kateri je bil oddajan na radio, odločno nastopil za drastično znižanje carine na uvoz. Po njegovem mnenju je največji vzrok za slab položaj fermerjev dejstvo, da morajo isti prodajati svoje pridelke na odprtem trgu in pri tem kupovati svoje potrebščine na trgu, ki je zavarovan z visoko carino. Zanimivo je, da je bila republikanska stranka tista, ki je vpeljala visoko carino in se še danes navdušuje zanjo. Visoka carina je varovala dobičke velikih kapitalistov, toda na škodo fermerjev in drugih nižjih slojev. Zelo značilno je, da je zahteva po znižani carini prišla od odličnega predstavnika republikanske stranke.

DOHODNINSKI DAVEK
Po dosedanjih razlagi postave o dohodninskem davku so oprosčeni takega davka vsi federalni in državni uradniki ali nameščenci. Istotako so oprosčeni dohodninskega davka lastniki federalnih in državnih bondov za tisti del svojih dohodkov, ki jih dobivajo iz obresti takih bondov. V sedanjem kongresu je močan sentiment za odpravo teh nenakosti in za naložitev dohodninskega davka vsem, ki imajo dovolj visoke dohodke, brez ozira iz kakšnih virov jih dobivajo.

SVOBODA TISKA
Pretekli teden je bilo slišati na radio zanimivo debato, dali je ameriško časopisje svobodno ali ne. Novinar Frank Gannett je odločno trdil, da je časopisje svobodno. Tajnik notranjih zadev Harold L. Ickes pa je dejal, da je časopisje svobodno vsakega pritiska od strani vlade, toda prostost časopisja zelo ovira velekaptal, od katerega oglasov je časopisje odvisno.

VOJNA NA ŠPANSKEM
Španski rebeli so dobili velika ojačenja iz Afrike, namreč močne legije Mavrov in poročajo, da so na več krajih pognali lojaliste nazaj. Zavzeli so po hudih bojih pristaniško mesto Tarragono, kakih 50 milj jugozapadno od Barcelone, provizoričnega glavnega mesta lojalistov. Na drugih frontah so prešli v ofenzivo lojalisti in poročajo o znatih uspehih.

BARANTANJE V RIMU
Angleški premier Neville Chamberlain je pretekli teden obiskal Mussolinija v Rimu, da se pogovori z njim glede najnovejših (Dalje na 2. strani)

NA AMERIŠKI NAČIN

Konec septembra preteklega leta se je v Monakovem v Nemčiji završila izredno važna konferenca štirih državnikov. Na dotični konferenci je imel besedo samo en državnik, namreč Hitler, medtem ko mu je Mussolini stoprocentno pritrjeval, zastopnika Anglije in Francije sta pa pokimala. V par urah je bilo izvršeno vse po Hitlerjevemu načrtu, češkoslovaška je bila obsoljena v razkosaenje in vsa srednja Evropa podrejena vplivu Nemčije. Preteča vojna je bila odvijena, toda za strahovito ceno. Evropska demokracija leži zvezana na tleh in vse evropske države žive v stalnem strahu pred vojno in se tudi histerično pripravljajo nanjo. Nezaupanje med državami je večje kot kdaj prej. Konferenca je morda res začasno preprečila vojno, toda ustvarila je probleme, ki skoro neizogibno vodijo v smer strašnejše vojne v bližnji bodočnosti.

Panameriška konferenca, ki se je v preteklem decembru vršila in zaključila v Limi, Peru, je bila popoln kontrast monarkovske konference. Tu so z enako avtoriteto govorili zastopniki vseh 21 republik na ameriškem kontinentu, ki so se sestali prostovoljno in v prijateljskem razpoloženju. Bilo je mnogo govoren in sprejete so bile številne resolucije, toda nobena meja ni bila premaknjena, nobena republika zapostavljena. Pri reševanju problemov, kjer so glede reševanja istih bila mnenja različna, so delegati debatirali toliko časa, da so prišli do kompromisa, za katerega so se lahko vsi zedinili. Vseh 130 resolucij je bilo sprejetih soglasno. Delegacija Zedinjenih držav je na primer imela za eno svojih prvotnih resolucij zagotovljene glasove vseh ostalih republik, z izjemo Argentine, in bi bila seveda dotična resolucija sprejeta z veliko večino, toda Cordell Hull, državni tajnik Zedinjenih držav, tega ni hotel. Pristal je, da se resolucija toliko omili, da bo sprejemljiva za vse, in tako se je zgodilo.

Ko se je panameriška konferenca razšla, so se delegati vseh republik vračali na svoje domove z zavestjo, da so bili vsi enako upoštevani in da ni bil nihče poražen. Sprejete resolucije niso direktno obvezne za nobeno republiko, toda vse so bile sprejete prostovoljno, brez kakšnega pritiska od katere koli strani, zato je zelo verjetno, da bodo neprimerno bolj iskreno upoštevane, kot slovesne pogodbe, ki jih medsebojno sklepajo in podpisujejo evropski državniki. Glede dotičnih pogodb vemo, da so navadne krpe papirja, ki jih ena ali druga država vrže na smetišče, kadar se ji zdi, da je to v njenem interesu.

Predvsem se je na panameriški konferenci v Limi razvilo in poglobilo medsebojno prijateljstvo in zaupanje. Iz tega zaupanja se bodo vedno razvijali vedno boljše kulturni in gospodarski stiki med republikami na ameriškem kontinentu. Sporne zadeve, ki morda pridejo tu in tam, se bodo reševale s prijateljskim sodelovanjem prijateljskih sosednih republik. Ameriški kontinent bo postal vedno bolj samosvojen in vplivi razburkanke Evrope se bodo manjšali na tej strani Atlantika.

Zedinjene države že vrsto let zasledujejo smernico "dobrega sosedstva" napram ostalim republikam na ameriškem kontinentu. Včasih ni bilo tako. Tako (Dalje na 6. strani)

LADJE NA SUHEM

Filmanje pomorskih scen v Hollywoodu se po večini izvrši na suhem. Ladje so izdelane vercinoma iz lesa, vendar morajo biti dovolj velike in močne, da vzdržijo igralce, ki predstavljajo mornarje in potnike. Ladje so vseh vrst, od modernih vojnih ladij, križark, rušilcev, in podmornic, do starinskih jadrnic, galej in ribiških čolnov. In te raznovrstne ladje so vse izdelane v delavnicah Hollywooda. Delo vodi Chris Christensen, ki je po rodu Danc in je bil v svoji mladosti mornar.

Načrte za ladje izdelajo po slikah, opisih in tudi po pravih ladjah. Poveljništvo vojne mornarice v San Pedro gre filmskim družbam v tem oziru drage volje na roke. Mnogokrat tudi posodi topove in druge mornariške objekte, da jih Christensen namesti na svojih lesenih ladjah v srhu filmanja. Seveda imajo pa tudi filmske družbe same v svojih skladiščih mnoge potrebne predmete za opremo ladij.

Te filmske ladje se včasih zibljejo v vodah plitvih "tankov," ki vsebujejo le nekaj čevlje vode. Potrebne valove in šumenje istih povzročajo posebni stroji. Dostikrat pa se premikajo kar na suhem na skritih kolesih, medtem ko predstavlja umetne valove posebna scenarija. Večje ladje morajo biti dovolj močne, da vzdržijo po deset in več ton ladijske opreme in še več tucatov igralcev. Zato tudi izgradnja vsake take ladje za filmanje stane po več tisoč dolarjev. Izdelava "nemške podmornice" na primer, je stala pet tisoč dolarjev.

Za filmanje oddaljenih ladij na morskimi valovih, pri katerih ni treba, da bi se igralci videli, se rabijo miniaturne ladje, ki se zibljejo na vodah primernih "tankov." Valove v vodi povzročajo stroji. Oddaljeno ozadje pri filmanju največkrat predstavljajo slike. Za piš in tuljenje vetrov skrbijo posebni stroji.

Tu in tam se pač deli nekaterih filmov izgotovijo ob pravem morju, v gorovju, v zasneženih pokrajinah, v puščavah itd., toda večina filmov se producira kar doma v samem Hollywoodu.

Novo društvo!

Dne 18. decembra 1938 je bilo v Roslynu, Wash., ustanovljeno novo angleško-poslujoče društvo za našo Jednoto, kateremu so ustanovitelji dali ime "Evergreen" in ki je prejelo iz glavnega urada čarter št. 235. Ustanovitelji novega društva so: Ana M. Katanana, Joe Kauzlarich, Jr., Emerick Korich, Irene B. Korich, Michael L. Korich, Frank Koss, Domenic Marietta in Bernadine Morris. Uradniki: Emerick Korich, predsednik; Ana M. Katanana, tajnica; Joe Kauzlarich, blagajnik. Društvo bo zborovalo vsako tretjo nedeljo v mesecu ob 10. uri dopoldne, v "K. P. Hall." Ustanoviteljem se najlepše zahvalujemo za njihovo naklonjenost napram JSKJ, novemu društvu pa želimo obilo napredka, sloge in medsebojnega spoštovanja.

ANTON ZBASNIK,
glavni tajnik.

PRAVI SLOVANSKI ROD

V decembrski izdaji "Ljubljanskega Zvona" je izšel obširen in zelo zanimiv članek "Živi in obdelali spomini," ki ga je napisal France Bežljaj, v katerem so navedene nekatere posebne značilnosti bratov Čehov. Iz tega članka je v naslednjem navedenih nekaj zanimivih odlomkov.

"V začetku te v Pragi presečna navidez temeljito znanje zgodovine. Kdor koli te spremlja po ulicah, se vsak hip ustavi in razkazuje. Tu je bil dvorec Jurija s Podebrad. Tam je bival kralj Vaciav, na tem mestu se je zgodilo to in to... Zgodovina je naroden epos in dogodki so verzi, ki jih zna na pamet vsak otrok.

"Druga stvar, v katero vsak povprečen Čeh trdno veruje, je slovanstvo. Naj bo razočaranje še tako veliko, na dnu srca vsakega še vedno živi upanje, da bo nekoč drugače. Rusijo si vsak predstavlja po svoje: nekateri vzdihujejo: "Ko bo nekoč v Rusiji drugače, takrat..." Med okupacijo Sudetov je ves narod dajal duška svojemu ogorčenju nad izdajstvom Francozov, toda Rusija je po mnenju večine vodila samo trezno in pametno politiko. Poljak, ta je za Čeha poreden brat, ki še ni do rastele in dela zato neumnosti. Nekoč ga bo vendar srečala pamet.

"Jugoslavija je navadnemu Čehu obljubljena dežela, ki ima v izobilju vsega, česar oni nimajo. Jugoslovenu so v Pragi odprta vsa vrata. Čehi niso družabni kakor Poljaki in Rusi, toda Jugoslovanu sprejmejo medse že po prvem poznanstvu. Se posebno dekleta... Nekajkrat se mi je zgodilo, da so me celo na deželi gostili, ko so spoznali v meni Jugoslovana.

"Znanci so me povabili na večerjo na dom. Bilo nas je pri miži nekaj Slovencev in Čehov. Pri pivu smo začeli delati dovpite na 'jugoslavomanijo,' kakor smo ironično krstili češko naklonjenost in prešli nato na kritiko naših razmer. Jugoslavija da pač ni takšna, kakor si jo Čehi predstavljate... itd. A gospa, gostiteljica, nam je takoj začela razburjeno ugovarjati. 'Jugoslavija je takšna, kakršna ste naredili sami. Norčujate se iz nas, kolikor se hočete, tega smo vajeni, toda v svojem stanovanju nočem slišati ničesar slabega o Jugoslaviji!'"

"Čeh je trezen in razsoden, z njim moreš razpravljati o čemer hočeš, toda varuj se govoriti o kočljivem narodnostnem problemu s Čehinjo. Naletel boš na odpor, kakršnega ne bi nikoli pričakoval. Morda se mora narod prav ženski vzgoji zahvaliti za svojo žilavost.

"Nemce sovraži vsak Čeh prav tako odkrito in strastno kot Nemci Čeha. Ko se nisem znal dovolj dobro češki, so me znanci svarili, naj nikjer ne začnem nemškega pogovora. Od trafikanca na vogalu od profesorja na univerzi mi ni nihče dovolil dokončati nemški stavek. Vsa po svoje smo lovili drobec, ki smo jih znali in če smo se končno le sporazumeli, se je vsak Čeh ves srečen nasmehnil: 'Saj se Slovani dogovorimo tudi brez nemščine, samo če hočemo.' Ko sem bil predstavljati lani umrlemu pesniku Otokarju Fischerju, ki je bil profesor germanistike in takrat dekan filozofske fakultete, je rajal poklical docent, ki je znal slovensko, ko se zaradi pomena neke besede nista mogla sporazumeti, kakor (Dalje na 2. strani)

ODMEVI IZ RODNIH KRAJEV

JUBILEJ SKLADATELJA
Dne 19. decembra 1938 je obhajal svojo šestdesetletnico odlični slovenski skladatelj in publicist Anton Lajovic. S svojim glasbenim udejstvom, kot skladatelj, izpodbujevalec in organizator slovenskega glasbenega življenja, se je jubilant trajno vpisal v zgodovino slovenske glasbene kulture. Veliko pozornost je vedno vzbujal tudi s svojimi članki v listih in revijah. Leta 1902 je na Dunaju končal glasbene študije z odličnim uspehom. Študiral je tudi pravo in se je posvetil sodnijski službi ter je kot tak služboval v Ljubli, na Brdu, v Kranju in Ljubljani. Od leta 1935 je član Stola sedmorice v Zagrebu. Rojen je bil leta 1878 na Vačah.

TOVARNA KLAVIRJEV
Malo je splošnosti znano, da v Ljubljani že več desetletij obratuje tovarna klavirjev Rudolfa Warbineka. Oče sedanjega lastnika, Rudolf A. Warbinek, se je priselil v Slovenijo iz Moravskega leta 1895. Klavirji tvrdo Warbinek uživajo dober sloves in jih je bilo že nad 10.000 razposlanih v Ameriko, v Rusijo, v Italijo in drugam. V novejšem času izdeluje tvrdo tudi druga glasbila.

STRIDESETLETNICA
Lepi in izvrstno urejavani mladinski list "Zvonček" je z letošnjim novim letom stopil v svoje trideseto leto. List izhaja v Ljubljani, toda dosega mnogo slovenske mladine tudi v drugih delih sveta. Naročja se na naslovu: "Uprava Zvončka, Ljubljana, Krakovski nasip 22, Jugoslavija."

SPOMIN NA CANKARJA
V preteklem decembru so se v mnogih krajih Slovenije, pa tudi v tujini z raznimi prireditvami spominjali dvajsetletnice smrti slovenskega pisatelja Ivana Cankarja, ki je bil poleg še živčnega pesnika župančiča vsakega najboljši oblikovalec slovenske besede. Za to priliko je napisal v ljubljanskem listu "Jutru" neki osebni prijatelj Cankarja zanimivo zgodbo. Pred vojno je dal Cankarju popraviti slovensko nalogo svojeje sina, ki je obiskoval drugi razred gimnazije, pa je vedno za slovenske naloge dobival najslabše reče. Tudi za nalogo, popravljeno po Cankarju, ki je bil že takrat priznan odlični pisatelj, je fant dobil red "nezadostno." Ko je omenjeni prijatelj Cankarju to povedal, je slednji označil profesorja slovensčine z imenom znanega dolgošca.

RABIL JE VZORCE
K posestniku Valentinu Trohi v Drago nad Ložem je nedavno prišel neznanec, ki je gospodarju zaupal, da zna delati denar. Posestnika, ki ga tlačijo dolgovi, je prepračil, da mu lahko v kratkem času napravi denarja za pokritje dolgov in še več, potrebuje pa papirja, kemikalij in barv. Ko je to dobil, je zahteval od gospodarja še po en bankovec za 1000, 500 in 100 dinarjev za vzorce. Kmalu nato pa je slepar neznanec kam izgubil, seveda s praviimi bankovci vred. Preiskava, ki jo vodijo orožniki, je ugotovila, da je dotični šlepar na sličem način ogoljufal še več drugih kmetov po okoliških vaseh. (Dalje na 6. strani)

VSAK PO SVOJE

Ameriški kongresnik Martin Dies, ki preiskuje neameriške aktivnosti, je nedavno stopil v najeto sobo nekega hotela v Philadelphiji, in mu je skoro sapo zaprla. Tla sobe je namreč pokrivala velika rdeča preproga, iz katere so se režali črni kljukasti križi. Rdeča barva kajpak pomeni komunizem, svastika ali kljukasti križ pa Hitlerja in njegove vernike. V sveti jezi je kongresnik takoj poklical upravitelja hotela in ga nahrulil, kako si upa uganjati tako nesramno komunistično in nacijsko propagando, in to celo v mestu, kjer je bila proglašena ameriška neodvisnost. Upravitelj pa je mirno pojasnil, da je dotična preproga ročno delo Indijancev in da so ameriški Indijanci, ki so vsakogar najbolj pristni Američani, izdelovali rdeče preproge s kljukastimi križi stoletja prej kot je svet kaj slišal o ruskih komunistih ali o Hitlerjevih nacijih.

Italija je sicer rodovitna toda zelo preobljubljena dežela, ki z največjo težavo skromno preživlja svoje pretevilno prebivalstvo. Kljub temu hoče Mussolini, da se povrne domov vsi v inozemstvu živeči Italijani, katerih je baje okrog 10 milijonov. Za to ima dva razloga. Več prebivalstva pomeni več vojakov ozioroma več krme za topove. Se večje važnosti pa je preobljubjenje, ki mu daje vzrok po zahtevi nadaljnjih kolonij. Diktatorji znajo, če ni vzroka za kako zahtevo, se ga enostavno napravi.

Na ameriškem kontinentu živi kakih šest milijonov Italijanov, deloma priseljenih, deloma tu rojenih. Koliko se jih bo odzvalo Mussolinijevemu pozivu in se podalo v naročje majke Italije, je problematično. Morda eden iz milijona. Drugi bodo rajši ostali tukaj in se od daleč navduševali za milo Makaronijo. Patriotizem je lepa čednost, ki pa hitro izhlapi, ko zmanjka makaronov in polente.

Zvezdoznanci so že dolgo vedeli, da ima planet Jupiter devet lun, lansko leto so pa odkrili še dve novi. Tako je zdaj dognano, da ima Jupiter enajst lun. Če to izve Hitler, bo najbrž ukazal, da se morajo vsi nemški židje iseliti na tiste lune. Pod pogojem seveda, da jih ne bo proklamiral za nemške kolonije.

O današnji Češko-Slovaški se piše, da ni več demokratična in še to in ono. Morda je vse to res. Toda kdo je kriv, če mora nekdanja krepkosta Češko-Slovaška danes igrati vlogo pobečence! Ali nista tega krivi moralni dami Anglija in Francija, ki sta Češko-Slovaško izročili v roke banditov! Ako moro dobro vzgojena devojka zaradi izdajstva moralnih matron igrati vlogo pobečence, ni njena krivda.

V ameriških listih smo zadnje čase čitali neka namigavanja, da je Mussolini pripravljeno odstopiti Zader Jugoslaviji, v zameno pa naj bi slednja odstopila Madžarski nekaj vasi v Banatu. Zamena morda ne bi bila napačna, toda nam se pri tem pojavljajo temne slutnje. Grki in Italijani ne prihajajo darov zastoj in Mussolini najbrž skriva zelo grdega črnega mačka v žaklju.

V Alžiru je bil 75-letni Bababouch obsojen na 10.000 frankov globe, ker je svoji pol stoletja (Dalje na 2. strani)

Lodge 88

Roundup, Mont. — At the annual meeting of lodge "St. Mihael," No. 88, SSCU the following board was elected for the year 1939: August Stamp, president; Frank Grahek, vice-president; Katherine Penica, secretary; Rosie Banovetz, recording secretary; Matt Penica, treasurer; Rudolf Cvelbar, Karl Kosiancich and George Schoni-am, trustees. The secretary names the sick visiting committee. Lodge medical examiners are: Dr. R. G. M. Ehlers for Klein and Dr. A. A. Bennett for Roundup.

On January 1, 1939 one of our members, Anna Rom, age 66 years, passed into the great beyond. She suffered for many years the ravages of sugar diabetes, and was a member of the SSCU for 30 years. The deceased was born in 1872 near Crtomelj in Bela Krajina, in what is now Yugoslavia. In America she resided 54 years, getting married to John R. Rom in the year of 1888.

The deceased sister is survived by her husband John R. Rom; sons, John Jr., Matt, Adolph, Steve, Frank and William Rom; and daughters, Mrs. Mammie Jurick, Mrs. Katherine Jerret and Miss Annie Rom.

Funeral services were held on January 4 in Roundup and burial at New Miners Cemetery in Klein, Mont. The deceased was well known and liked by many in this neighborhood, as was evidenced by the large crowd in attendance at the funeral. A nice group of lodge 88, SSCU members also were present at the funeral, which was conducted by her own sons.

The bereaved wish to express their sincere thanks to lodge 88, SSCU for all the efforts extended in their behalf. They also wish to thank all those who paid their last respects, for the flowers and for the attendance at the funeral.

Each such occasion reiterates the advantages in belonging to a good fraternal organization. The financial benefit serves a particular purpose, while attendance of brothers and sisters on such occasions lightens the grief somewhat of the relatives and friends. The spirit of fraternalism follows the deceased to her grave. May the memories of the deceased long linger in our minds. The lodge extends its deepest sympathy to the bereaved.

A Scotsman was viewing a new motor car, but all the salesman's eloquence failed to bring him to the purchasing point.

"Look here, sir," the dealer said finally, "to prove what a good car this is, I'll throw in the clutch."

"I'll tak' it," said the Scot triumphantly. "I knew if I held out long enough I'd get something for nothing."—Tid Bits.

Magic Carpet Takes to Air Waves as List of Candidates for SSCU Conclaves Grows Daily!

By Little Stan

Little Stan has been clamoring for the magic carpet — always wondering whether Santa Claus had brought Little Stan a new one for Christmas. But no such thing, however, all because the old one just wouldn't be pushed out of the SSCU picture.

It's true that for a long time now, the magic carpet has promised a whirlwind appearance, but never did it fulfill that pledge. Even Little Stan did not know of its whereabouts until one bright balmy Saturday just before dinner. A light flaky snow was falling. The weather was mild.

Little Stan dropped into the home office to get more campaign data from our genial supreme secretary Anton Zbasnik, who glowingly spoke of the increasing list of candidates for the joint third juvenile convention and second athletic conference. He reported that 36 juvenile candidates were already in the race for delegate, many from 1937, and 19 were all set to go and on their way in the athletic conference delegate race. And the race a mere three weeks old!

John "Bub" Kardell of George Washington lodge in Cleveland is in the lead! He was the first candidate entered in the contest, and he is going to town! Keep a pushing Johnny!

Because of the gigantic nationwide interest which is following this campaign of campaigns, Secretary Anton Zbasnik declared: "It is very likely that the deadline for filing in this campaign may be changed to a later date in order to enable more candidates to enter the field, and qualify themselves for the most wonderful conclave of their lives in the heart of Minnesota's famous Arrowhead."

The tremendous effect of this news carried Little Stan away. How glad many would be to know that they still might have time to enter the contest, even after Jan. 31. But everyone must enter now! With a good start it wouldn't take much to qualify. AND YOU HAVE SIX MONTHS TO MAKE THE GRADE. BE A GOOD ENGINEER AT THE CONTROLS AND PILOT YOUR WAY TO THE BEST CONVENTION IN HISTORY!

Suddenly there is a strange quietness. As if someone else is right in the same office. Perplexed our supreme secretary shoots a surprised look toward Little Stan. His eyes carry beyond and past your reporter. Little Stan squirms uneasily. A light fluttering, like the murmur of leaves in the trees, is heard. A surprised smile begins to play on his face, as he turns about to greet his long lost SSCU skyway messenger! — The Magic Carpet of 1939!

But it's changed considerably since the last ride it took. Its colors were gaudier. It looked

refreshing! Yes, it looked just like it had come out of the cleaners! All the old dust was gone! It scurried to Little Stan, whispered in his ear. Meanwhile secretary Zbasnik smiled, and then suggested that the magic carpet and Little Stan take the air immediately to spread the cheerful campaign news throughout the country!

Right to work immediately. But first the magic carpet wants Little Stan to tell Florence Prosen and all the other juveniles where it had been keeping itself. So here's the story exactly how the magic carpet told it to Little Stan. And an adventurous one it is!

"You remember some months ago I had promised to go on another trip with you to meet with our many friends?"—began the magic carpet. "Well, hardly had I left you when I received a wire, and a surprise wire it was too! It came all the way from the north pole and it was from Santa Claus! The message said: 'Hurry, Blitzen and Donner very ill — need your help!'"

"What could I do! Such an honor to be bestowed on me by St. Nick could not go unheeded. I, the magic carpet to be chosen by him to visit all the people, to help deliver gifts! So excited was I, that I didn't even say goodbye to you. I just picked myself up and whisked away! But it was grand. Here I was, going up and down chimneys. I visited many juvenile friends too, and left a little Merry Christmas note along with the gifts! I had much fun, but there was one thing worse. Some people didn't clean out their chimneys. They didn't expect a Santa Claus, but we surprised them. Anyway, my sleek coat got pretty dirty in the soot, and for a time I thought maybe I was impersonating Amos or Andy. After our job was complete, Santa Claus took me back to the north pole, and for my able assistance, he gave me a nice new coating. And now that my work is done, I return to again ride with you and our many SSCU friends, and I certainly am happy to be back. Oh yeah, Santa gets the Nova Doba at the north pole, too. He said he was one of the original charter members of the SSCU, and never forgets his many brothers and sisters! That's a real message isn't it! To think, that all these years, Santa Claus was a member!"

Saying fast goodbyes to the pretty gals and handsome employees at the home office, the magic carpet gets under Little Stan and soon they soared high in the heavens, playing tag with the snow flakes. When they throw snowballs at each other in the skies it's really fun. Try it sometime. But it's visiting day, and time for Little Stan and the magic carpet to set sail, but first must go back to the shop to get that comfortable but battered hat which is a part of his regalia. The hat receives quite a bit of punishment—somebody they call Jerry or Gerry or something helps the hat keep its battered reputation. S'fun sitting on it then trying to unravel it. Heh, Heh, Heh!

Current Thought

Get Busy! Immediately!

To all adult members between 16 and 35 years of age, and to all juvenile members from age twelve and up, in Minnesota from age 10 and up, who are interested in becoming delegates to the second athletic conference or the third juvenile convention: Be sure and report to your lodge secretary that you are a candidate. Report to your secretary immediately for the deadline is January 31st.

And for the disinterested members of eligible age, here is a short message: Be sure and think over, not once, but twice, thrice, and many times over what you are passing up. In short, a free round trip fare to Ely, Minn. and return, with four dollars a day extra spending money for adults, and two dollars a day extra spending money for juveniles while traveling and free room and board while in Ely.

Now is the time to give serious and thoughtful consideration to the gigantic offer made by the SSCU to juvenile and adult members of eligible age. Avoid that after February 1st blue feeling, something like this: Why didn't I take a chance and sign up with the secretary. I had nothing to lose and everything to gain. My friends, relatives, surely would have helped me reach my goal. But how can they help me now, when I did not help myself as the opportunity presented itself.

Most everyone has had that "I'm sorry now" feeling, for having failed to exercise his or her privilege. It is not a pleasant feeling, and more so, since the Nova Doba will be reporting the progress of the membership drive in almost every issue. Articles on the eventful athletic conference and juvenile convention will be in the majority in the Nova Doba from now until June 31st. And as the days near August 4th, juveniles and adults who earned the title of delegates, are sure to write about their preparation for the trip of trips.

We repeat: Now is the time to jump on the campaign bus, and ride on the wave of a membership drive the equal of which may never be seen again. Your local community will be aware of the athletic conference and juvenile convention campaign, through the publicity accorded by SSCU members living in that section, and through the articles published in the Nova Doba. Capitalize on this nation-wide publicity. Strike when the iron is hot, and no better time to secure new members will be available than during the six-month interval, between January 1 and June 30, 1939.

It is much easier to pull a log along with others helping you. The task confronting each candidate for delegate will be much easier with the assistance accorded him and her by the members of the lodge.

And what do you have to do to become a delegate? Simply sell the SSCU on its merits to outsiders, some of whom may have only a sprinkling knowledge of the working principles, and what it represents. Merely explaining the three death benefit payment plans, the sick and accident benefits, disability benefit—will convince many the need to become a member of such an outstanding fraternal.

Candidates can secure a lot of information from their lodge secretary, who will be only too glad to help them along. Candidates can help themselves in the campaign by reading the by-laws governing the SSCU, and referring to the various sections dealing with the kinds of death benefits, and other benefits.

The procedure to follow by each candidate is relatively simple, once they have reported themselves to the lodge secretary.

BUT—the important thing for the present is TO REPORT YOURSELF TO THE LODGE SECRETARY AND INFORM HIM OR HER THAT YOU WANT TO BECOME A CANDIDATE FOR DELEGATE TO THE OUTSTANDING ATHLETIC CONFERENCE OR JUVENILE CONVENTION NEXT AUGUST.

Be sure and see your secretary immediately. Don't wait until the evening of January 31st. You may forget, the secretary may be out of town; you may be out of town.

From a Juvenile

Ludlow, Colo. — I hope everyone had a nice Christmas because I didn't have such a nice holiday.

In fact I didn't have any Christmas at all. My father and mother sustained injuries in an automobile collision on December 23. I will never forget that awful Christmas with my parents hanging between life and death in the hospital. Our car was all smashed up, as was my father's chest bone. My mother's teeth were knocked loose and her right arm and left leg were badly bruised. After they felt a little better, my sister took sick and then one by one the whole family took sick except my brother-in-law and I. New Year's was a little better for my mother came home and later my father, who is on the road to recovery. Although my mother is much better, her legs and arms are far from normal.

I did want to write to you before to thank you for the dollar

award, but everything was in an awful mess.

Our lodge, No. 233, SSCU elected me as candidate for delegate to the third juvenile convention and the trip to Ely, Minnesota. I hope that every reader of Nova Doba in our vicinity, who is not yet a member, will become one and help me in my contest. I have some new members to my credit already, and expect to get many more at the end of six months.

My father and I had planned to go together to enroll new members, but since we do not have a car I will have to do the best I can. I hope that other juvenile brothers and sisters are all busy finding those new members for the lodge this year.

I still want to tell you about the SSCU calendar and how beautiful it is. It makes me very happy to see the little smiling girl dressed in the same way that I used to dress in the old country. I hope the old fashioned styles come back. I want to thank the person responsible for

LITTLE STAN'S ARTICLE

Finally getting under way. Little Stan and the magic carpet leave silently, swiftly, and you can be certain they'll reach your home by next week! Better expect them, and maybe you'll have a steaming hot cup of coffee or something when they show up!

Bowling

More and more every day, SSCU bowlers, both girls and boys are becoming obsessed with the idea that they're going to get together and make that trip to the national SSCU bowling tournament in Cleveland next April. And from the looks of things, it's going to be a natural. AND SO LITTLE STAN, AS ATHLETIC SUPERVISOR FOR LODGE NO. 2, TAKES THIS MEANS TO CALL A MEETING OF ALL SSCU LODGE ATHLETIC SUPERVISORS IN ELY, IN A CONCERTED EFFORT TO DISCUSS THE POSSIBILITIES OF MAKING THE TRIP. THE MEETING WILL BE HELD IN Little Stan's SHOP at 28 East Sheridan street on Sunday at 1:30 p. m. Don't forget to be there!

Bowling is the sport in town where 14 teams are entered in the city league. A great percentage of the bowlers belong to one of the seven SSCU lodges in town. Another lodge league has been organized with three SSCU ladies teams entered. The girls are getting the practice, and believe you me they're going to town.

The fast-stepping Arrowhead girls, led by Christine Merhar are leading the ladies lodge league with six wins against no defeats. In their second game, the A's stepped out with Miss Merhar's strong finish to cop three straight from the tough Gopher pin five. It was a good match from start to finish. In the first game, the A's won by 23 pins, 705 to 682. Mrs. John Grahek (Angela Champa) and Christine Merhar were high for the A's with 175 and 156 respectively. Mrs. Edward Porthan (nee Mary Seme) was high for the Gophers with 162.

In the next game, Christine Merhar's 209 in clean-up position saved the game for the A's who edged out the Gophers by a mere 13 pins, 695 to 682. In this setto Julia Perushek with 163 and Marie Kuzma with 159 set the pace for the Gophers while Mrs. Grahek bowled another fine game of 154 to team up with Miss Merhar for the second A win. Both teams slumped a bit in the last game which the A's took 605 to 555.

It goes to show you that these ladies could bowl. You take scores of 600 and over for women's teams—they're better than some men make. The Gopher girls just learned how to bowl this year too, so you see they're right up there!

Those fast stepping Gophers the selection, and tell him that I think very highly of the picture. Every person who has seen the calendar tells me that it is very pretty. It makes me feel happy to see our own dear SSCU calendar held in such high esteem by others.

I want to thank you again for the dollar cash award.

STRABANE JUVENILES

Strabane, Pa. — Sunday, January 8 was a great day for the juveniles of "Braska sloga" lodge, No. 149, SSCU of Strabane. Santa Claus visited the kiddies on this day. My girl friend and I helped to fix the treats for Santa. Boy, there sure were a lot of good things inside those bags. Well, I guess I better start at the beginning and not the end.

The regular meeting of our lodge was held at 2 p. m. in the SNPJ hall. A short play followed, dramatized by juveniles Josie Mikec, Hedvi Sterle, Ed-die Tomsic, Anton Tomsic, Vincent Braddock, Jim Braddock, Joe Sedmak and the writer. A chorus of many other juveniles sang. In between the acts, Mary and Josie Ludvic sang a few Slovene songs. They are very good singers.

After the play, everyone went downstairs while the kiddies hurried to get their treat. In addition to all the goodies, the boys and girls each received a sandwich and a bottle of pop. Many out-of-towners also were in attendance, and I hope they enjoyed their stay.

My New Year's resolution consisted of writing every month to the Nova Doba. I hope I can keep it up through the entire year of 1939.

Veronica Barbic (Age: 13)

are really moving along. At a meeting Thursday night, the group, numbering over 35, made plans to enter two in the membership drive to culminate in the athletic conference. Those selected were Louis Pechek and Frances Seme, and they're going to get the backing of the entire lodge both adult and junior group. Watch them go to town!

The Gophers are expected to participate in the annual Winter Snow Festival to be held in Ely, Feb. 10 to 12, inclusive. And that Snowball dance in the National Home takes place this evening. Will tell you all about it next week.

Meanwhile, we told you about the Gopher girls pin-five. But up and coming, in early practice sessions is the boys' basketball team and girls' basketball and volley ball team. The gymnasium is in use by the Gophers on Tuesdays and Thursday nights. So if you want that extra bit of exercise and fun, come to the Memorial high school gymnasium on those nights.

The meeting moved along nicely, with president John Perko presiding. After the session there was entertainment by a trio composed of Anton Perushek, accordionist; John Fink, the guitarist; and Louis (Dopey) Senta kazooker and mouth organ. These youngsters played several selections, and later played dance music for the crowd. And did they ever enjoy it! You said it! The boys appeared on the program through the courtesy of Boy Scout troops No. 178 and 174 and the Cub packs. And the Gophers want to take this opportunity to thank the heads, including Matty Kapsch, Stephen Smreker, for making the appearance possible.

A delicious lunch was served by the committee in charge, composed of Margaret and Mary Turk, and Mrs. Edward Porthan, and it was really good! (Little Stan had to leave earlier for important reasons, and did not get a chance to taste it, but they all said it was delicious!) Heh, Heh!

For a future meeting it is planned to invite Bro. Anton Zbasnik, to speak on and explain a bit about the present campaign drive. The Gophers were unanimous and jubilant with the idea.

And now another week—bye

And Still More News

Philadelphia, Pa. — Blame it on gross negligence, or perhaps laziness, but not matter which, I have no excuse for not writing sooner. I could say that I didn't have time to write, but that would be a base lie, and I never tell lies; not even teenie weenie ones. Oh yeah!

I must tell of my wonderful trip home for Christmas. I tried to get Friday and Tuesday off, but the boss said no. So I began my week-end very pleasantly with a grouch. We started for home right after work on Friday. Two hours later we were still in Philadelphia. The roads were so slippery that snow-flakes had to wear chains to stick on the pavement. (Teenie weenie lies—we're off.) However, I arrived home safely and was received very warmly. My brother wouldn't let me in because he thought I was a burglar. When I finally did break in, he threw some ice cold water on me. I didn't mind this at all for I always did like warm baths and it gave me a chance to discover whether or not my best suit was waterproof. It wasn't. When he finally did recognize me, he got mad because, as he said, he had wasted some good energy on something useless.

After visiting my friends it was time to return to Philly. Tired, but broke. We were on our way about an hour when it began to snow. And ladies and gentlemen, when it snows in the Pennsylvania mountains, it really snows. The flakes were so large that it took only one to cover the windshield. As we reached the top of one mountain, the wind blew a snowflake under the car. Now this was a peculiar snowflake. It was a perfect sphere and so large that it lifted the car into the air. It then rolled to the foot of the mountain, carrying the car with it. By this time the snow was so deep that travel became impossible. At this point the wind decided to help us. It was blowing up those mountains and carrying the snow with it. This odd type of swirling wind caused the snow to pile up under the car and gradually lifted it to the top of the hill.

I thought that we would have to remain here for the night. Such was not the case however. The snow was deep here and we were actually over the valley beneath. My friend kept the car running and the exhaust, slowly but surely, began to melt the snow. In an hour's time we were on the valley floor. A few minutes later, about midnight, the snowfall stopped, the sun came out and melted the snow and we continued on our way; arriving in Philadelphia an hour later, at about one a. m. Nature sure is wonderful, so helpful at times.

Chicago, Ill. — Članstvo društva Jugoslovanski Zvon, št. 70 JSKJ, pozivamo, da se kar mogoče številno udeležijo prihodnje seje, ki se bo vršila v soboto 21. januarja in se bo pričela točno ob 6. uri zvečer...

je udeležilo veliko številno občinstvo. Tudi člani društva št. 88 JSKJ so v lepem številu spremili pokojno sestestro k večnemu počitku in so se poslovili od nje z večnim cvetličem. Pogrebniški so bili njeni lastni sinovi.

Zalujoči ostali se želijo najljepše zahvaliti društvu št. 88 JSKJ za vse, kar je storilo in žrtvovalo za to priliko. Istotako se želijo zahvaliti vsem, ki so se pokojnice spomnili z venči in cvetlicami, vsem, ki so prispevali za masa zadušnice, in vsem, ki so se udeležili pogreba. Posebej se hvala vsem, ki so prišli k pogrebu od drugod. Zahvaliti se želijo tem potom za vse vsem skupaj in vsakemu posebej.

Vsak tak slučaj nam ponovno pokaže, kako prav je, da človek spada k dobri bratski organizaciji. Finančna podpora vedno prav pride in pogreb je vse lepši, če spremlja pokojnega sobrata ali sestestro k zadnjemu počitku veliko število društvnikov. Bratstvo se tako izkaže prav do groba. Naj bo pokojni sestri ohranjen blag spomin, zalujočim ostalim pa naj bo od strani društva izraženo iskreno sožalje. Za društvo št. 88 JSKJ: Katherine Penica, tajnica.

Članstvo društva št. 31 JSKJ opozarjam, da naj ne pozabi, da je v teku kampanja za pridobivanje novih članov. V preteklosti je bilo naša društvo aktivno, in, ako hočemo poslati delegata na letošnjo atletsko konferenco in na mladinsko konvencijo, moramo se resno prijeti agitacije. V tem imamo precej izkušenj. Pri nekaterih ljudeh, ki cenijo podporne organizacije, je agitacija priceroma lahka. Toda so drugi, ki se izgovarjajo, da iz finančnih ozirov ne morejo, da imajo že dovolj društev itd. Včasih sem jo skoraj z metlo dovil po glavi, če le nisem odnehal z agitacijo. Toda danes je že tako, da je treba vse za dobro zeti, samo da se dobi dober rezultat. Člani so proseni, da polnoštevilno posejajo seje. Pravčasno plačevanje assesmentov in posejanje sej se smatra za prvo dolžnost vsakega člana. Pozdrav in mnogo sreče v novem letu vsem! — Za društvo št. 25 JSKJ: John Laurich, tajnik.

Cleveland, O. — Bilo je ravno na novega leta dan, ko smo se zbrali zastopniki društev JSKJ v državni Ohio k seji federacije v S. N. Domu. Katera društva so bila zastopana, je razvidno iz zapisnika, ki ga je tajnik, sobrat Opeka, priobčil v zadnji izdaji Nove Dobe.

Z Ivanom Kapljem, tajnikom društva št. 71 JSKJ, sva jo mahnila že ob 8.30 zjutraj doli po St. Chairu v S. N. Dom. Tam sem se sestel z mnogimi sobratki. Sobrata urednika že od prej poznam, urednika angleških strani Nove Dobe, sobrata Kolarja sem pa šele ta dan spoznal in se z njim pozdravil. Dalje sem se seznanil z našim glavnim nadzornikom sobratom J. N. Rogljem, ki tako zanimivo opiše svoj obisk rodne Slovenije. Seznanil sem se tudi s številnimi drugimi sobratki. Če bi federacije ne pomenile drugega, je že to dosti vredno, da se pobližje spoznajo društva in posamezni člani med seboj. Seja je bila prav zanimiva, kajti debatiralo se je najvše o mladini. Več o tem drugič.

Seja se je zaključila ravno opoldne in mi smo kot z neba vrženi znašli pri bari in v kuhinji, kjer smo bili prijazno postreženi z okusnimi klobasami in kislim zeljem. Kakor za našo praznovanje novega leta. Prijatelj Struna, ali niso bile res dobre? Povrli tega pa se za-tonjo. Ne vem, kdo nam je naklonil to okusno kosilo, toda kdorkoli je bil, naj mu bo izrečena lepa hvala! S prijateljem Struno sva bila tako zaposlena okoli kuharice, da sva se celo zahvaliti pozabila. S pota. — V Minnesoti, v Duluthu in okolici smo imeli ob nastopu novega leta le par dni res mrzlo, do 24 stopinj pod ničlo. Drugače pa imamo precej milo zimo. Danes, ko to pišem, je pelega januarja, in pada dež, tu in tam malo pomešan z mokrim snegom. Več snega in bolj mrzlo je višje na severu, v okolici Towerja in Elya.

Na božični dan, ko sem bil v bolnišnici, sem videl kakih 14 let starega fanta sedečega v čakalnici. Spal je sedeč in nekako omamljen. Malo pred 10. uro me je vprašal, koliko je ura, in, ker sem mislil, da je fant morda lačen, sem ga vprašal, če želi malo kave in prigrizka. Odgovoril je, da ni lačen, da samo čaka 10. ure, da gre pogledat tovariša, ki je v bolnišnici z ozeblimi rokami. Zaupal mi je, da sta s tovarišem imela nekaj prihrankov od prodaje časopisov, pa sta se na božični večer napila in obležala v snegu in ju je policijski avtomobil zjutraj ob petih pripeljal v bolnišnico. Pozneje sem videl omenjenega mladega bolnika; tožil je, da ga bolita zelodec in glavna. Ponj je prišla njegova sestra in ga odpeljala domov. Kakšna glorijska je fanč čakala doma, seveda ne vem. V bolnišnici smo imeli z njim precej zabave.

V St. Mary bolnišnici v Duluthu je vedno najti kakšnega rojaka; včasih jih je pa tudi po več. Težko operacijo je nedavno prestal rojak Frank Sršen iz Elya, član JSKJ; zdaj precej udobno počiva in pričakuje okrevanja. V Hearing bolnišnici se zdravi Martin Alič in John Majnarič.

White Valley, Pa. — Poverilnice za društva, ki spadajo k Zvezi društev JSKJ v zapadni Pennsylvaniji, so bile razposlane s 1. januarjem. Upam, da so jih društva o redu dobila in da so izvolila zastopnike za zborovanje, katero se bo vršilo v nedeljo 22. januarja v Centru, Pa. Seja se bo pričela ob 10. uri dopoldne. To bo važna seja iz raznih ozirov. Na tej seji se bo volil tudi odbor zveze za leto 1939. Zastopniki društev naj torej ne pozabijo priti na to sejo.

1938 niso plačala svojih prispevkov zvezi, so prošena, da to storijo pred prihodnjo sejo. Jaz bom že pol ure pred začetkom seje v dvorani, da bo vsak lahko plačal pred sejo, če bo hotel, in bom plačilo takoj vknjižil. Zelenel bi, da bi vsa prizadeta društ-

Joseph Kos, tajnik.

Export, Pa. — Žalostno novico imam poročati iz naše naselbine, namreč, da nam je neizprosna smrt pobrala našega sobrata Thomasa Kužnika starejšega. Preminil je dne 27. decembra in materi zemlji smo ga izročili 1. januarja na Union pokopališču v Irwinu, Pa. Pokojnik je bil član društva "Studentek pod skalo", št. 138 JSKJ v Exportu in društva št. 41 SNPJ v Irwinu. Obe društvi sta se od pokojnega brata poslovili s cvetlicami. Pogreba se je udeležilo veliko število društvenih sobratov in drugega občinstva, kar je kazalo, da je bil pokojnik priljubljen.

Pokojnik je bil ob času smrti star 63 let. Rojen je bil v fari Dobrnice pri Trebnjem na Dolenjskem. V Ameriki je bival 36 let. Prva leta je delal v premorokopih in sicer nekaj časa v Center, Pa., pozneje pa v Pleasant Valley, Pa. Zadnjih 25 let pa je bival tukaj na farmi. Za pokojnikom žalujejo soproga, dva sina, pet hčera, dve vnukinji in podpisani Frank Kužnik, njegov brat; v starem kraju pa ena sestra. Naj bo na tem mestu izrečena najlepša hvala vsem, ki so se pokojnika spomnili z venči in cvetlicami, vsem, ki so ga obiskali na mrtvaškem odru, in vsem, ki so ga spremili na njegovi zadnji poti.

Frank Kužnik, tajnik društva št. 138 JSKJ.

New Duluth, Minn. — Pri našem društvu Sv. Srca Jezusa, št. 128 JSKJ, so bili za leto 1939 izvoljeni vsi stari odborniki, in sicer: John Novak, predsednik; Frances Kaplenk, 632 — 101st Ave. W., tajnica in blagajničarka; Frank Vesel, zapisnikar. Društveni zdravnik je dr. Anthony Bianco, Gary, New Duluth. Društvene seje se vršijo v dvorani St. Elizabeth vsako drugo nedeljo v mesecu in se pričene ob 2. uri popoldne. Sestrski pozdrav! — Za društvo št. 128 JSKJ: Frances Kaplenk, tajnica.

Gilbert, Minn. — Vsem članicam društva Sv. Ane, št. 193 JSKJ, naznanjam, da se bodo vršile naše redne seje vsaki četrti ponedeljek v mesecu. Seje se bodo vršile v Library prostorih in se bodo pričele ob pol osmih zvečer. V teh prostorih bomo zborovale, dokler ne bomo naš novi Community Building gotov.

Ves društveni odbor se lepo zahvali sestri Frances Murphy, ki je društvu darovala živnega purana, ki je društvu prinesel lep dobiček. (Vse, kar se
