## Velika Britanija obsodila rusko invazijo Poljske

Uradna deklaracija naglaša, da bo angleška vlada izpolnila obveznosti napram Poljski in nadaljevala vojno. Nemške čete obnovile napade na Varšavo. Voditelji ruske in nemške armade se sestali v Brest-Litovsku in razpravljali o razdelitvi poljskega ozemlja. Če sto tisoč Poljakov pobegnilo v Rumunijo

London, 19. sept. — Ruska in v Belorusiji je alarmirala angleške vladne kroge. Uradna izjava, izdana po seji Chamberlainovega vojnega komiteja, obsoja rusko akcijo, točno pa nobenega znamenja še ni, ali London pretrgal diplomatske odnose z Moskvou.

"Britiska vlada," se glasi de-

klaracija, "je proučevala situacijo, katero je ustvarila ruska akcija poljskega ozemlja. To razlog, ki je bil odrejen, v sklopu, ko je mogočna nemška invazija sila strinjala poljski odred, ne opravičuje argumenti sovjetske vlade. Jasno je le, da nihod dogodki zahtevajo, da posamezno pojasmimo svoje stališče.

je, da bo angleška vlada izpolnila svoje obligacije napram Poljski in nadaljevala vojno, dober je dosegel svojih ciljev."

Premier Chamberlain, ki bo dan podal izjavu v parlamentu o poljsko-ruski situaciji, je včeraj konferiral z majorjem C. A. Daldierjem, voditeljem laboritske sekcije. Vprašanja o polomski obrambe bodo prišla na prvni red, ko se parlament sezne v svojem zasedanju. Ministrani bodo zahtevali pojasnila, takoj pa Anglija v večjem stopu pomagala Poljski, ko je nemška armada invadirala njeno ozemlje.

Pariz, 19. sept. — Ruska in v Belorusiji je posamezno pojasmnila diplomatske aktivnosti v Parizu. Premier Daldier je očital Jacoba Suritza, sovjetskega poslanika, in zahteval pojasnila o ruski akciji, toda rezultat ostanka je še tajnost.

Berlin, 19. sept. — Dejstvo, da angleška in Francija se nista uvedeli vojne sovjetski Rusiji in zaradi invazije Poljske, z katero sta sklenili pakt vzajemne vojne pomoči, je izvalo različno ugibanje v nacijskih krogih. Z njihovega stališča je to prijemanje s strani Anglije in Francije, da Poljska kot država več obstoji.

Berlin, 19. sept. — Nemška armada je obnovila bombardiranje Varšave, dusi nacije trdijo, da je vojna že končana po osemnajstih dneh bojevanja. V tem času je nemška armada že podvijala Poljsko. V bližnjih bodočnosti se bodo izolirani ostanki poljske armade, ki se še upirajo, podali.

Te ostanke tvorijo branilci Varšave; poljske čete pri Lodzu, ki pa so že obkrožene od vseh strani: one pri Lvovu, glavnem mestu poljske Ukrajine, in čete med mestoma Pišak in Bialystok so severozapadu.

Nemčija je v sovjetska Rusija, njeni zaveznici, sta že sestavljene načrte glede razdelitve Poljske. Voditelji ruske in nemške oborožene sile so se včeraj sestali v Brest-Litovsku in pričeli razpravljati o ureditvi meje. Brest-Litovsk je mesto, kjer so boljševiki in Nemci podpisali mir in svetovni vojni po izbruhu revolucije v Rusiji. Na sestanju so ruski in nemški vojaški častniki, ki je bil dosezen sporazum, ki vsebuje naslednje točke:

Poljske države ni več in iz te dejavnosti obe vladi izvajata načrte zaključne. Obe Nemčija in Rusija, se strinjata, da poljski narodnostni manjšini pod prejemanje poljsko vlado zahteva revizijo na podlagi rasnega razvoja vsake manjštine.

Naloge obeh vladi je ustanovali novega reda in miru. Edino, ki vsebuje naslednje točke:

Kanadski delavci podpirajo vlado

Montreal, Kanada, 19. sept. — Voditelji Kanadskega delavskega kongresa so pozvali delavce, naj podpirajo vlado, ki je napovedala vojno Nemčiji. Poziv je bil izdan na deveti letni konvenciji delavskega kongresa, ki se je pričela v tem mestu.

Poljske države ni več in iz te dejavnosti obe vladi izvajata načrte zaključne. Obe Nemčija in Rusija, se strinjata, da poljski narodnostni manjšini pod prejemanje poljsko vlado zahteva revizijo na podlagi rasnega razvoja vsake manjštine.

## Demokrata dobila denar od Rusije

### Zaslijanje pred Diesovim odsekom odkrilo kupčijo

Washington, D. C., 19. sept. — Dva člena osrednjega odbora demokratske stranke sta dobila od sovjetske Rusije vsoto \$57,000, da pospešita akcijo državnega in mornaričnega departmента glede izročitve načrtnega vloga v prihodnji predsedniški volitvi.

Springfield, Ill., 19. sept. — William Green, predsednik Ameriške delavske federacije, je izjavil pred delegati na konvenciji državne delavske federacije, "da mi moramo oposoriti kongres, da prepreči vstop Amerike v vojno."

Ameriška delavska federacija bo aktivna v prihodnjem zasedanju kongresa in uradila bo strogo neutralnost in prepričitev kopiranja vojnih profitorjev.

Kongresniki, ki bodo glasovali, da Amerika pošlje svoje sinove v vojno, bodo slišali naše glasove. Že zdaj lahko povev, da bodo ADF in njeni priatelji igrali odločilno vlogo v prihodnji predsedniški volitvi.

Pariz, 19. sept. — Zakaj Francija in Velika Britanija nista mogli potegniti sovjetske Rusije v vojaško zvezo, in zakaj je Hitler uspel v tem oziru, je predmet ugibanja v diplomaticnih krogih. Aktualno je odgovor na to lahka stvar. Francija in Velika Britanija sta ponujali sovjetski Rusiji le začito proti napadu s strani Nemčije. Pogajanja v Moskvi so se vrnila na podlagi mnenja, da je Rusija silna, ki želi vzdržati status quo — svetovni mir, kar je neštetokrat poučarila na zborovanjih Lige narodov.

Zadnji dogodki so pokazali, da je bilo to mnenje povsem napovedno. Informirani opazovalci pravijo, da je treba računati s sovjetsko Rusijo kot agresivno državo, eno izmed "roparskih držav," katere so Makaim Litvinov, bivši sovjetski zunanji komisar in drugi ruski diplomati večkrat ožigali v Zvezni.

Nobenega vzroka ni za mnenje, da se bo Rusija zadovoljila s teritorialnimi pridobitvami na račun Poljske. Ambicije diktatorja Stalina so vedno. Ljudje, ki poznajo Stalina in zasledujejo njegovo politiko ekspanzije, pravijo, da on predstavlja mešanico boljševičke ideologije in imperialističnih tendencij carske Rusije. Njegov načrt je raztegnitev vpliva Rusije po vsej Evropi.

Stalin se ne ogreva za vzpostavitev komunističnih vlad v vseh državah, temveč hoče, da se komunistično gibanje polasti vlad v teh državah po vrsti. Na ta način bodo vse prišle, če se Stalin ne bo zmotil v svojih računih, pod vplivom sovjetske Rusije.

Velika Britanija in Francija mu nista mogli dati nujesar v tem oziru, zato ni hotel skleniti vojaške zveze z njima. Nista mu mogli dovoliti okupacije poljskega ozemlja in baltiških držav.

Pariz, 19. sept. — Earl Browder, tajnik ameriške komunistične stranke, odobrava rusko invazijo Poljske. Izmed je Daily Worker, glasilo stranke, zapisal, "da je ta nadaljnji triumf človeške svobode."

Browder je dejal, "da je pospešilo Poljske priselj, ker je odkazala vojaško pomoč, katero ji je ponujala sovjetska vlada. Dokler je poljska vlada eksistira, je bilo treba sprejeti njen odklopničev. Poljske vlade ni več in Sovjetska unija je morala podvzeti potrebne korake v interesu obrambe svojih mej in pomagati ljudem, ki so tesno povezani z njo."

Browder je bil vprašan, če on smatra invazijo za agresijo. Odgovoril je, da ne, ker poljske vlade ni več in to dejstvo je razveljavilo vse pakete z njo.

Schwab, jeklarski magnat, umrl

New York, 19. sept. — Charles M. Schwab, ki je kontroliral milijarde dolarjev v jeklarski industriji in vsekem ogromne profiti, je gradil ladje za vlogo v svetovni vojni, je sinoči umrl v svojem stanovanju na Park ave. v starosti 77 let. On se je vrnil v Ameriko iz Evrope 31. avgusta bolan. Bolezni ga je napadla že v Londonu predno se je odprial na pot domov. Rim, 19. sept. — Poročilo dopisnika rimskega lista Messaggero z rumunsko-ruske meje se glasai, da so Nemci odprli pot ruski rdeči armadi na Poljsko. Nemški vojaški letalci so zadnjih nečetih prizeli bombardirati mestno občino na rumunski meji in to je bilo znamenje ruskim četam, naj invadirajo Poljsko.

Clani armadnega štaba dobili zavetje v Rumuniji

Cernauti, Rumunija, 19. sept. — Josef Beck, poljski zunanji minister, in maršal Edward Smigly-Rydz vrhovni poveljnik poljske armade, sta se včeraj zapleti v hud prepir na tukajšnji železniški postaji. Začela sta se prepričati, ko sta prišla sem, da se poslovila od Ignja z Moscickija, predsednika poljske republike. Ločila sta se v jezi. Moscicki, Beck in Smigly-Rydz so trije izmed visokih vladnih in vojaških voditeljev, ki so pobegnili v Rumunijo pred nemško armado.

Moscicki je odpotoval z vlačkom v mesto Craiova, ki leži v bližini bolgarske meje. Beck pa je odpeljal z avtomobilom v distrikto Silesia-Moldova, Smigly-Rydz pa v Bikaz. To mesto leži v karpatskem gorovju. Moscicki in Beck sta dobila dovoljenje, da lahko bivata v Rumuniji.

Anglija ojačila stražo pri Gibraltaru

Algeciras, Španija, 19. sept. — Velika Britanija je ojačila stražo pri Gibraltaru. Poslala je tja nadaljnji deset rušilcev z instrukcijami, naj preidejo vsak parnik, ki pluje skozi gibanino blago.

RAZMAH MUNICIJSKE INDUSTRIJE

Washington, D. C. — Vojna v Evropi se vodi z orožjem in muničijo, ki jo povečini producirajo štiri velike kompanije. Te so Schneider & Cie, Francija, Vickers-Armstrong, Ltd., Anglia, Friedrich Krupp Aktiengesellschaft, Nemčija, in Škoda Co. v bivši Češkoslovaški, ki je zdaj pod kontrolo nacija Nemčija.

Washington, 19. sept. — Avtnejna unija (ADF) je preklicala stavko v tovarni Revere Coppers & Brass Co. in okrog 550 delavcev se je vrnilo na delo. Nasprotno, da je stavka končana, je podal Daniel Hurley, član spravnega odbora federalnega delavskega departmента, po konferenci z voditelji unije in uradniki kompanije. Družba je naznala, da je preklicala redukcijo mezd za osem odstotkov, ki je izvrala stavko.

rancoski delavci ožigosali rusko izdajstvo

Pariz, 19. sept. — Nadaljnji komunistični poslanec je izstopil iz stranke, istočasno pa je Francoski delavski svet, ki se je pred leti združila s komunističnimi strokovnimi unijami, poslal voditelje delavcev, naj pretrgajo vse stike z Moskvo. Resolucija, sprejet na seji izvršnega odbora delavskih zvez, pravi, "da je ruska invazija Poljske izdajstvo

## Društvene priredbe

Zadnja prireditev v tej sezoni na prostem

Cleveland, O. — Kot sem že poročal, se vrši v nedeljo, 24. sept., prireditev ali, kot nazivamo take prireditve, "izlet". Ta izlet se bo vršil na izletniških prostorih društva SNPJ na Heath Rd., in sicer za delavce ter delavke, ki so pomagali pri preureditvi prostorov za otvoritev, kajti tudi za one, ki so pomagali pri otvoritvi.

Kaj bo vsak ali vsaka deležen ali deležna, to menda ne zanima tistih, ki se ne bodo udeležili. Ako pa katerega "firbee" ima, naj pride pogledat in če bo le hotel, bo tudi sam nekoliko deležen teh dobrov. Kaj bomo imeli za pod zob, tega tudi še ne povem, reči pa moram, da bo nekaj takega, kar vsi visoko cenimo. Kar se pa suhih gril tice, naj vam povem sledče: No. 1 bo brezplačno, No. 2-3-4 itd. pa kot je običajno.

Zadnjo sredo, ko sem bil na prostorih, jo primaha "Uncle Charly" s svojo mlado ženo in seveda tudi tača je bila zdraven in moje začudenje z veliko kašaro. Sledi vprašanje: Kaj pa misliš odnesti? Molk. Mogoče še nabirat gobe? Nič. Mogoče misliš odnesti našega "Kuša?" Nič.

Nisem se mogel domisliti, kaj bi bilo prikladno, da bi se dalo odnesti v mesto in bi se lahko rabilo? Ceravno ava bila sama, mi je zašepetal na uho: Orehe. Ker pa so orehi še vedno na drevesih, to je, da niso bili še dovolj zreli, in ker sem ga povabil na balincanje, je to pot pozabil na orehe. Zato, "Uncle Charly", si povabljen, da bo žraven 24. septembra, ko se bo vršilo splošno obiranje orehov in jabolk. Pa pripelj s seboj tudi svoje prijatelje, predvsem pa svojo ženo in tačo.

In ne samo "Uncle Charly", ampak vse članstvo naših društev je povabljen, da pride in se še enkrat zabava v prosti naravi.

Sporočiti moramo tudi, da se tega dne vrši tudi izlet mladinskih krožkov ravno tam, kjer bodo otroci imeli svojo zabavo s prečenjem koruze, katera je sladčica za tiste, ki so jo kdaj okusili. Ako ne verjamete, pride

in se prepričajte, vam jo bom pa jaz spekel.

Posebno pa apeliram na stare članov mladinskih krožkov in starše članov mladinskega oddelka, naj pripeljejo svoje male, da se zabavajo z ostalimi v prosti naravi in da se spoznajo s svojimi mladimi bratci in sestrami.

Da bo pa mogoče udeležiti se tudi tistim, ki nimajo svojih krovratov, smo za te najeli priklopni vč, kateri bo najprvo pobral ob 9:30 dopoldne mladino, to je krožke, potem ob 1. uri popoldne pa starejše. Gleda slabega vremena se ni treba nikomur batiti. Nikakršnega blata ne bo na poti, kar se pa strehe tiče, je novi in radoveden sem, koliko ljudi je mogoče spraviti pod to streho v slučaju, če bi kdaj izletničke založito slabo vreme.

Truk se bo tudi ustavil pred SDD na Waterloo Rd. in pobral izletnike, ki so bo kdo tam. Torej, bratje in sestre, v nedeljo ste vabjeni, da se pridete zabavat na izletniške prostore društva SNPJ, ki je na vaše lastne prostore, kjer s ponosom lahko rečete: Na svojem se zabavam in nihče mi ne more kratiti te pravice.

Sedaj pa se nekaj. Prejel sem namreč \$1.00 v sklad za farmatom od nekod iz New Jerseyja od člana št. 126, kateri se tam nahaja že skoraj dve leti kot osebnik na posetovitju Louisa Adamiča. In to ni nihče drugi kot Andrej Križmančič, kateri je veden bil vnet zagovornik za nabavo nekaj sličnega. Da, Andrej, pogremšo te, precej je jahlan, katere potrebujejo nekoga, da jih bi očistil, kajti pa tudi drugo drevje za preselitev ter ureditev kot park. Pa mogoče se bo našel kdo, ki bo izvršil to delo po svoji najboljši zmožnosti. Kadar pa prideš v Cleveland na obisk k svojim, sem preprčan, da si bo želet ogledat prostore. Opozarjam te, nikar si ne predstavljam, da so kar celo gozdovi in poljane. Je dovolj kolikor potrebujemo, bomo pa zato bolj skrbeli, da bo prikladnejše.

J. F. Terbizan, 126.

### Važno za članice Nade

Chicago, Ill. — Članice društva Nade št. 102 SNPJ opozarjam na prihodnjo redno mesecno sejo, katera se vrši v četrtek, dne 21. septembra, v spodnjih dverih SNPJ. Na sejo bo nadzorni odbor poročal o pregledu računov našega društva za zadnje štiri meseca.

Današnje mizerne razmere povzročajo veliko neprilk vsem društvenim tajnikom in našemu društvu in izvzeto. To vem najbolj takrat, ko pripravljamo mesечно poročilo in opazim, da mi veliko članic ni plačalo mesečnih prispevkov. Ker vem, da so članice naše jednotne že mnogo let, mi je zelo težko jih suspendirati.

In ne samo "Uncle Charly", ampak vse članstvo naših društev je povabljen, da pride in se še enkrat zabava v prosti naravi.

Sporočiti moramo tudi, da se tega dne vrši tudi izlet mladinskih krožkov ravno tam, kjer bodo otroci imeli svojo zabavo s prečenjem koruze, katera je sladčica za tiste, ki so jo kdaj okusili. Ako ne verjamete, pride

prireditev SNPJ v našem Clevelandu

Cleveland, O. — Članom društva SNPJ načrtno je na zadnji redni mesečini sejanja septembra predstavili datum načrtnih prireditve z 19. novembra na 12. nov. na prosljedno društvo Jadransko. Bil je obitaj, da je naše društvo svojo letno zabavo načrtno nedeljo in takom smislu sejeli imeti zabavo tudi, sas je Jadranski prehitek z bolj, ako datum premestiti. Upamo, da bo preložitev ovaj v obojestransko korist.

Obenem se naznana staršem članov mladinskih krožkov, da tudi oni pohitijo z njimi vred na prijazne prostore — na farmo društva SNPJ. Krožki se odprejejo tja že dopoldne. Saj pa bo njihov zadnji dan v tej sezoni za prost rojanje in razvedrilo! Baš sedaj se zaposleni s šolskimi knjigami, zato jih bo tak odih in razvedrilo prav prišlo. Tačko na naša mladina imela še en dan svojega razvedrila v prosti naravi jesenskih dni.

Kaj pa naši izletniški prostori, ki so last društva SNPJ? Jaso je, da so ti prostori med članstvom in ostalimi rojaki zelo priljubljeni. Skoro ni dneva, da ne bi šli načni člani tja, zlasti prijih pridejo večje grupe ob nedeljah! To je razveseljivo dejstvo! S tem je odbor za nakup teh prostorov doprinesel mnogo v pogledu naših aktivnosti. Že letos, ko je farma šele v razvoju, se je pokazal dokaz navdušenja.

Sedaj je zadnji odbor na delu, da se to jesen izvrši nekatera dela, ki se bodo po možnostih dala zavrstiti. To je: postavitev majhne hišice za oskrbnika, nadaljevanje s čiščenjem prostorov, čiščenje dreves, izravnavaњe zemlje itd. Vsled tega se apelira na člane, kateri imajo na razpolago čas, da se odzovejo s pomaganjem pri teh delih, na primer ob petkih in sobotah, ko se lahko priglasite za delo, akadem sicer bi bilo preveč slično.

Prireditve smo že počeli, da se bodo na dvoje in ne daje prijih do svoje veljavne. Načrtna federacija clevelandskih društva SNPJ izvrši delo vzajemno s sodelovanjem članstva, tako da bo načrtna jubilejno proslavo S. P. J. v Clevelandu resnično uspeh!

Nedeljo 15. okt. se tojek prijavijo velike stvari. Članstvo se naprej, da se tudi ono ter da se tega velikega 35. letnice SNPJ udeleži 99. Na razpolago bomo tudi vodnikov bo br. Frank dan glavnega odbora SNPJ. Več podrobnosti o jubilejnu programu bo objavljenih nedanji. Članstvo naj vzame manj to prireditve federalnega obenem pa tudi prireditve našega društva.

**Subelj koncertira v New Yorku dne 1. oktobra**

Brooklyn, N. Y. — Minilo je že deset let, od kar je nastopil zadnjikrat s popolnoma samostojnim koncertom med nami načnimi in koncertni pevec Anton Subelj. Takrat je namenil ves dobiček koncerta za Slepški dom v starem kraju. Cisti dobiček koncerta za slepce pred desetimi leti je znašal okrog 18.000 dinarjev, kateri znesek je Subelj izročil odboru za Slepški dom v Ljubljani.

Med tem časom je redkokdaj nastopil med nami. Le ob goto-

vih slavnostnih prilikah je nastopil s par pesmimi na nekaterih slovenskih prireditvah v New Yorku. Bil je pač preveč zapošlen pri operi ali na samostojnih koncertih kje drugje. Venadar, kadarkoli je nastopil med nami, so ljudje vedno zahtevali, da je moral dodajati poleg programa še vedno nekaj pesmi.

Kakor je znano, je stavba Slovenskega doma v Brooklynu zoperi v domačih rokah. Zato je odbor Slovenskega doma naprošil našega pevca, če bi hotel zoperi prirediti tako začeljeni samostojen pevski koncert v dobrubit Slovenskega narodnega doma v Brooklynu. Naš pevec se je temu povabilu radevolje odzval in tako nam bo zapeč celo vrsto naših lepim pesmi na koncertu v nedeljo, dne 1. oktobra.

Vsakdo ve, kako je Anton Subelj poživel našo narodno pesem v Združenih državah. Ustanovil je mladinske zbrane z namenom, da naša pesem ne bi zamrla. Da je danes v Clevelandu toliko mladinskih zborov, je samo zasluga našega pevca Anton Subelj.

Tudi odrasli pevski zbori so poživili gojitev naše narodne pesmi, kar so že mnogokrat priznali razni dopisovalci v slovenskih časopisih. Pa ne samo med našimi ljudmi, tudi med Ameriškimi je vzbudil mnogo zanimanja na našo staro domovino potom naše pesmi. Ponesejo je od Atlantike do Pacifika.

Po desetih letih bo torek zopeč nastopil med nami s popolnoma samostojnim koncertom in to v pril. Svet. doma. Na programu bo mnogo novih in tudi nekaj starih narodnih pesmi, katere smo že slišali, toda katerim zna Subelj vedno vlti novo življenje. Torej ne zamudite tega dneva in udeležite se koncerta v velikem številu, ker s tem ne boste imeli le velik duševni užitek, ampak boste obenem tudi pomagali Slovenskemu domu v Brooklynu, kateri potrebuje pomoč načnega.

Začetek koncerta bo ob 4. poledne. Po koncertu prosta zava in ples.

Slovenski narodni dom vam kliče: Na svjedenje!

Poročevalec.

**Nov Društveni dom**

Fontana, Calif. — Na mestu je da se včasih tudi mi oglašimo iz naše daljnje naselbine in poveemo o našem društvenem napredku in par drugih stvarih.

Tukaj imamo dve društvi SNPJ, društvo št. 569 in društvo št. 723, ki obe zaznamujeta dokaj znatno. Društvo "Oranžni cvet" 569 SNPJ je precej aktivno in njegove seje so dokaj dobro obiskane, dasi bi lahko bile v resnici.

Ze dolgo časa smo ugibali in razmišljali, kako bi prišli do teme, da bi si postavili svoj Slovenski dom. Res, ni nas mnogo članov, saj obe društvi štejeta kmaj okrog 75 odraslih članov. Ampak kjer je volja, se lahko marsikaj napravi. In tako se bodo naše želje uresničile. Dne 23. julija smo se udeležili meščene seje brez mala vsi člani in članice. Na tej seji smo tudi sklenili, da pričnemo z graditvijo Slovenskega doma.

Ni bilo lahko, začeti Slovenski dom, kajti blagajni obenem društva sta bili dokaj šibki. Vsak začetek je težak, ampak s skupnim močmi se lahko mnogo napravi. Ponosen sem na naše člane in članice ter ostale rojake, ki so nam prisločili na po-

moč, da si postavimo svoje lastne zbirališče.

Naš Društveni dom prav hitro raste in čez kakih pet tednov bomo že laško praznovati otvoritveni dan. Hvaležni smo našemu društvenemu tajniku br. Jožnu Pečniku, ki je izvršil obilo dela, tako da bomo v kratkem imeli prav lep skupni Dom. Več o našem novem shajališču poznajte.

Victor Vidgar, predsednik društva 569.

**Vinska trgatev in slavlje društva "Postojnska jama" št. 138 SNPJ**

Strabane, Pa. — V soboto dne 30. sept. priredi društvo Postojnska jama št. 138 SNPJ vinsko trgatev in plesno zabavo, na katero uljudno vabimo vse tukajšnje in okoliško občinstvo. Razume se, da na tej naši društveni prireditvi ne bo manjkalo ničesar, kar spada na take zabave. Seveda bo tudi igrala dobra muzika.

V tej deželi nas je mnogo rojakov, ki prihajajo iz raznih slovenskih krajev, kjer uspeva vinska trga in rodil sladko kapljico. Spomini nam še vedno uhajači na tiste veseli čase, ko se je vsako jesen prizela vinska trgatev po slovenskih goricah, ko je bilo vse veselo in radostno, ko se je mlado in staro opravljalo na trgatev zlatega grozdja.

Kmalu bo konec septembrovih dnevnih. Spominjam se tistih vedrilih septembrovih dnevnih, ko nas je ob jutranji zori pozdravilo čisto nebo, na vahodu pa so zahajeli rdeči žarki in vsak čas se je imelo prikazati zlato solnce iz za gora. Rahla sapica je zapisala preko gridev in vinogradov. Po travni se je bleščala jutranja rosa in cvetlice so se povečale trudne glavice k tlu. V grmovju ob potoku je zapeč slavček svojo jutranjo pesem. Solnce je poslalo svoje prve žarke nad vinske gorce in po vinogradih se je namah zdanilo.

V vinogradih je vse ozivejo. Sliši se veselo pogovarjanje, razlega se lahno petje. Dekleta v pisanih jopičih že pridno traga vinske gorce in načrtev delovnih principov. Zato je povsem pravilno, da tudi naše društvo pripravimo 35 letnico naše SNPJ, kar se bo tudi zgodilo na omenjena dva dneva koncem oktobra.

Društvo SNPJ in gl. odbor lahko s ponosom zre na svoje lepe uspehe, na svoje rekordno delo, ki ga je doseglo v teku 35 let.

Jednota je v teh treh desetih letih v pol izvršljivo delo: vsojili sta do danes opravili veliko vzgojevalno delo: vsojili sta inteligentne člane in članice, na katere smo lahko vse starci in mladi jednotarji ponos!

Casi, v katerih se je porodila naša jednota, so bili še dokaj temni. Naše ljudstvo je pokorne in ponižno sledilo vsemu, kar je bilo nazadnjaškega. To ljudstvo je bilo prežeto z začetnimi načrti, ki so mu bili v škodo. Tako so se pojavili ljudje, ki so skušali ne vse načine, da te znotevajo že okrepe. Prišli pa so na posornico naši zavedni delavski voditelji, ki so pokazali našemu ljudstvu pravo pot, po kateri se pride do delavskih vzajemnosti, sodelovanja in samopomoči na svoboden in demokratičen način. Njih delo je bilo težavno, ker pa so bili vztrajni in trdno prepravljeni v svoje poslošeno delo, so sijajno uspehi. Ta njihov uspeh se najbolj glasuje odraža v velikih skupnih uspehih, ki jih je do danes dosegla naša velika podpora organizacija — Slovenska narodna podpora.

Vinska trgatev našega društva št. 138 SNPJ dne 30. sept. bo po svoji slikovitosti podobna prav starokraski vinski trgatvi, le da se bo naša trgatev vršila v dvorani. Manjka bo lepega grozinja in ne drugih običajnih dobrobiti. Za pleb bo igral Martinčičev orkester (Jack Martinčič ml.). Za vso postrežbo bo dobro preskrbljeno. Brhke vinskičarke in čvrsti viničarji pa bodo skrbeli, da se bodo občinske postave strogo izvajale. Torej nikar ne zamudite naše vinske trgatev, ki so bili vredni na soboto, dne 30. sept. v dvorani SNPJ. Pridite v velikem številu in zavajajte se z nam, da se ne boeste potem kesali, aki se ne boste udeležili in boste slišali, kako lepo smo se imeli.

Na soboto in nedeljo, dne 28. in 29. okt.

Za društvo št. 138:  
John Koklich, predsednik.

**Vinska trgatev na prostem**

Moon Run, Pa. — Pikenik klub št. 175 JSZ, ki se je vršil 3. sept., je dobro uspel v vseh ozirih. Udeležba je bila zadovoljiva in vesela je bilo obilo, splošno razpoloženje med piknikarji pa je prav dobro. Za uspeh našega piknika gre priznanje vsem posebnikom. Dolžnost nas veže, da se zahvalimo vsem udeležencem, ki so prišli iz bližnjih in oddaljenih krajev. S svojim obiskom ste nas zelo razveselili in mi ga bomo znali ceniti, ob prikljički pa vam bomo skušali uslužiti.

Izkreno se zahvaljujem vsem, ki so nam pomagali pri delu, kajti na takih prireditvah je pač mnogo več dela kot je pa modri klub samem. Zavedamo se, da brez vašega sodelovanja ne

je 29. oktobra, pa bo naše društvo Postojnska jama št. 138 SNPJ priredilo tukaj v Strabane v lastni dvorani veliko proslavo v počast 35 letnice obstanka Slovenske narodne podporne jednotne. V soboto večer, to je dne 28. okt., se bo vršila velika plesna veselica in igralko eden najboljših orkestrov. V nedeljo, dne 29. okt. pa se bo izvajal obiren slavnostni program z govorji, deklamacijami in nastopi dveh pevskih zborov. Nastopila bosta domači pevski zbor "Ilirija" in zbor "Savica" iz West Newtona. Navzočih bo tudi vse glavnih odbornikov, katerih imena bomo pravocasno objavili pozneje. Vsekakor bo ta jubilejna proslava naše SNPJ v naši naselbini resnično velika in pomembna. Zato opozarjam že sedaj vse okoliške društve in občinstvo. Razume se, da na tej naši društveni prireditvi ne bo manjkalo ničesar, kar spada na take zabave.

Upsek proslave je dober, zakar se imamo zahvaliti vsem članom, ki so se za stvar zanimali in so poskušali s svojo udeležbo ali kako drugače po svoji možnosti pripometi k temu. Predvsem pa gre zahvala našim gostoljubnim Lasallianom, ki so nam vse tako lepo pripravili za proslavo ter so nas tako lepo sprejeli in poskušali vso vamkor po bratsko postreči. Vse to je zahtevalo ogromnega dela in požrtvovanja in težko je najti besed, s katerimi bi se vam mogli dovolj primerno zahvaliti. Z vašim trudem in vnemo, s katero ste delali za stvar in s čim ste pripomogli k tolikemu uspehu, ste najboljše dokazali svojo gorenčnost in lojalnost do jednote.

In sedaj, ko so velike slavnosti ter dnevi prijateljskega sestanka in tekmovanja za nami, je spet obrnemo svojo pozornost na našo najbolj važno aktivnost, ki jo imamo to leto-kampanjo za nove člane.

Praznovanje dneva SNPJ ter prireditve v spomin pomembnih obletnic in jubilejov so važne, toda radi teh ne smemo pozabiti na kampanje in sanemariti naših agitatorčnih dolžnosti. Kajti dobivanje novih članov in rast organizacije, to je še veliko bolj važno! In kakor se radujemo v veselimo uspehov z našimi proslavami, tako moramo iskreno željeti, da bo tudi naša kampanja popoln uspeh v moramo se s toliko večje vremenu lotiti kampanjskega dela, ki nam je vsele slavnosti dneva SNPJ in deloma radi prelike poletne vročine zaostalo.

Ko smo po letni seji gl. odbora objavili, da je odbor sklenil, naj se ob prilici 35-letnice jednote, ki jo je doživel zadnjo pomlad, razpiše kampanja za nove člane z izrednimi ugodnostmi za novince ter nagrade za tiste, ki bodo agitirali in koga pridobili, smo povevali da so naši člani že veliko boljja poslovna avtomača in "inšurenč" in pa, koliko posebnih ugodnosti in privlačnosti je razpisanih v tej veliki kampanji. Če dobe nove člane drugi, jih moremo in moramo tudi mi!

Da—naša kampanja je lahko uspešna, četudi smo na kvoti že nekoliko zaostali. In bo uspeh, samo ako hočemo. Samo zaobljubiti se moramo, da se hočemo potruditi vsak po svoji moči ter takoj na delo vsak med svojimi znanci, pa bomo lahko pridobili najmanj 3500 novih članov to leto. Naprej torej, bratje in sestre! Podvojimo sedaj našo agitacijo in pojdi na delo vse!

Uspeh našega praznovanja dneva SNPJ v La Sali pa tudi priča, kako v zmoti so tisti, ki vedno gobezdanijo okoli, da je za atletiko potrošen denar v stran vržen in gl. izvršenju odboru tolkokrat očitajo, da preveč izda za to lahkomisino mladino. Toda, ko bi ti ljudje bili prišli na sejo, ki smo jo imeli v zvezzi s tem v La Sali in poslušali, kako pametno in stvarno so mladi razvijali o raznih problemih jednote, zlasti v kompeticiji, ki je danes zelo resen problem za vse naše organizacije, bi se prepričali, da so to važni pionirji naših bodočnosti in najbrž bi začeli sami spoznavati, da za mladino potrošen denar navsezadnjem ni vstran vržen, pač pa potrebna investicija.

Bi mogli uspeti in vsega dela sami izvršiti. Da se še enkrat skupovsno zavabimo na našem prijaznem hribčku pred koncem poletja, nam bo dana prilika v nedeljo dne 24. sept. in sicer na vinski trgatvi ženskega klubča, ki se bo vršila na prostem. Prisluhujemo tudi nekaj več odbornikov, kajti nekateri so se izselili v druge kraje, naša dolžnost pa je, da na njihova mesta postavimo druge. Zato pa vas delničarji na sejo v nedeljo 24. sept. ob 2. po

## Jubilejna kampanja

Jubilejna članska kampanja SNPJ v letu 35-letnice jednote se je začela 1. aprila t. l. in bo trajala do konca leta, torej devet mesecev.

Oba članska oddelki štejeta v tej kampanji in določene nagrade veljajo za pridobljene otroke kakor za odrasle nove člane.

Pravilno je, da SNPJ v tej jubilejni kampanji v letu svoje 35-letnice dobi najmanj 3500 novih članov v oba članska oddelka.

Kako bo ta cilj kampanje najlaže dosežen? Tako, da vsa društva SNPJ sodelujejo! Vsačko društvo naj se potrudi, da dobi v devetih mesecih najmanj SEDEMN novih članov, odraslik ali otrok ali obojih — in cilj bo dosežen. Naprej, bratje in sestre!

## Znanost bo odpravilu vojno

Zakaj vojna tepe človeštvo, odkar pomni zgodovina? Vzrok je več. Ako odstojemo pustolovce in norce, ki so kiali ljudi zaradi klanja ali iz osebnega maščevanja, dalje će odstojemo verške fanatike, ki so preil morja človeške krvi, ostane glavni vzrok: ekonomski razmere. Devetdeset odstotkov vseh vojn se je vrnilo in se vrnilo zaradi ekonomskih pridobitev, zaradi "življenskega prostora."

Vojne primitivnih ljudi je v prazgodovini so bile navadne roparske vojne. Pridobivanje življa in drugih potrebščin je bilo v mnogih krajih iz fizičnih razlogov zelo težavno in mnogo človeških plemen je raje živelod ob ropa kot od dela. Jemali so od sosedov, dokler je šlo.

Kasneje so začeli jemati cele teritorije in prisili tamkaj bivajoče ljudi, da so jim hlapčevali. To je šlo tisočletja. Način vojskovanja se je izpreminjal od dobe do dobe, kakor se je izpreminjala oblika vladanja in ekonomskega izkorisčanja podložnikov, ampak bistveno je bil vzrok vedno isti. Kadarkoli je ljudem v eni pokrajini (deželi ali državi) zmanjšalo živil, so čutili, da imajo premalo prostora oziroma preveč ljudi in zagnali so se v vojno, da dobe, cesar jih je manjkalo. Pridobili so vseeno, če so bili zmagovali ali tepeeni: pobitih je bilo dovolj ljudi in za ostale je bilo nekaj časa dovolj prostora. Pri tem večnem reducirjanju previšnega prebivalstva so jim navadno pomagale tudi kužne bolezni, ki so vsako leto, zdaj tu in zdaj tam pomorile na stotočne ljudi.

Pomanjkanje dobrin je bila stalna nesreča človeštva. Desetisočletna agrarna doba ni nikdar dajala vsem ljudem dovolj živeža; vedno in vedno je bilo kje večje pomanjkanje in prizadeta ljudstva so bile prisiljena iskatib dobrin zlepa ali zgrda. Pomanjkanje vsake potrebne stvari za obstanek daje stvari veliko vrednost in kdo kontrolira trge teh stvari — kontrolira ljudstva. Za to kontrolo se vrše vojne že stoljetja in najmanjšega upanja bi ne bilo na preobrat, če bi ne bilo — znanosti.

Znanost je prvi človeški pojaven, ki sigurno ometa odpraviti pomanjkanje dobrin in s tem odpraviti tudi glavni — ekonomski — vzrok vojne. Znanost je pred 200 leti porodila industrijsko dobo, katera je danes še vedno v začetnih stadijih, vendar je v teh prvih stadijih dala človeštvi več napredka kakor ga je dala agrarna doba v vseh 10,000 letih. Nesreča je, ker znanost ni korakala v enakem tempu na vseh polijih. Največji sunek je bil v tehnološki panogi, zaostala je pa kemija, katera je najvažnejša za fundamentalni preobrat ekonomskega življensja. Ampak kemija se je v zadnjih 50 letih silno podvzimala in je še na točki, s katero jačno vidimo prihajanje procesov pridobivanja živil v takšni obilici, kakršne še ni človeštvo nikdar video.

Osvoboditev človeštva od vojne je v korenitem preobratu prizvajanja živil, to je, da se prizvajanje živil znanstveno industrializira na splošno, da ne bo nikdar in nikjer več primanjkovalo živeža in da bo živež najboljše vrste tako poceni, da se ne bo več izplačeval za privatno izkorisčanje. To pomeni, da mednarodni trgi za živila s tem izginejo in obenem izginejo večni mednarodni spori za trge, kolonije, dobitke, za "življenski prostor". To pa more doseči edinote znanosti.

Brez moderne znanosti ne more biti moderne poljudne izobraze, brez moderne poljudne izobraze ne more biti smisla prave demokracije in brez smisla prave demokracije (politične, socialne in ekonomske) ne more biti socialne pravčnosti!

## Se o dopisih in dopisnikih

Cleveland, O. — Čitali smo v Prosveti z dne 13. septembra kdo je dober in kdo slab dopisnik. Dober je na primer Anton Grdin, ki je oglašal North American banko v Enakopravnosti, ne da bi mu bilo treba plačati za glas. In zakaj ne, saj je on sedaj predsednik te banke in predsedniki bank so navadno popularni ljudje in tako ni bilo nikakšne protesta od naše "boljše družbe".

Taki dopisi so koristni narodu, ker mu pokažejo pot, kako se lahko iznebi drobi. In take dopise bi moral tudi ta dopisnik pisati — in prav nobenih pritožb bi ne bilo na raznih metropolitskih sejah. Hudič je, ker ta dopisnik nima banke in ne more pripomocati podčudnih dopisov, kje naj naša društva in naše jednote nlagajo svoj denar. In tako rajši pismem "kam se naj Ančka u sede", ker ce bo sledila mojemu navodilu, je lahko "sur", da ne bo ničesar izgubila. Ako bo pa sledila značajne in bo trašila svoje prihranke, kakor so jo že mnogi naši značajni in razumnim možje učili, se prav lahko zgodi, da ji prihranek zmrzne. Moji priporočljivi sodelniki so pa še vedno toliko topili, da se ni batil, da bi kdo zmrznil, ako sede nanje.

Mi smo tudi že slišali, kako bi bilo lepo, ako bi se zdržali vse naše jednote. Ce se pa bo v resnici kaj, takega pričelo, boste takoj opazili, da bodo ravno tisti nasprotni, ki najbolj propagirajo zdržljivite. Saj smo že pred leti vse to opazili in nam je nišlo iz spomina. Na primer: ta dopisnik bi rad vedel, kako se bo Slovenska narodna podpora jednota zdržala s Kranjsko-slovensko katoliško jednoto. Odvetniki so že pred letom 1921 predali, da je zdrženje nemogoče s to jednotno radi obvezne rezervpove pri KSKJ. Z drugimi jednotami se je že poskušalo in imeli smo že federacijo jednot, pa so jo nasprotne jednote zavrgle s tem, ker niso hoteli posčati sestankov. In taka zdrženja naj doseže povprečen dopisnik?

Kaj je torej z našimi dopisi? Iz že priobčenih Keržetovih razprav o "kibicarjih" sodim, da mora biti tole: Mi imamo tukaj teh napol izčlanjenih študentov, ki niso v ameriškem javnem življenju sposobni za nič drugega kakor smo mi z navadno ljudsko šolsko izobrazbo, to je za v "šapo". Ker se pa hočejo pokazati, kaj da znajo in ker ne najdejo drugega, so se spravili nad dopisnike, češ kakšni da so. Na katerih dopisnikih se pa najraje spravijo? Ne nad one pri Enakopravnosti, Ameriški Domovini. Naprej ali Proletarcu! Tam sište malo kritike o dopisnikih. Tudi ne bo nihče omenjal, da bi morala naša metropolitska lista pisati za pouk in izobrazbo. Kdo se briga za to tukaj? In če mi ne verjamete, poglejte te časopise in kaj boste dobili tam? Morebiti, to, kar vam clevelandski dopisnik priporoča? Like . . . ! In vendar je s tem popolnoma zadovoljen. Vprašanje torej je, zakaj so ti metropolitski rojaki tako zadovoljni z onim, kar se jim doma servira? Le od Prosvete, ki ima včasih kak dopisnik nezaželenjega dopisnika, se to zahteva!

Imamo revijo, za katero pišejo sami inteligentni in nadzobreni metropolitski rojaki, ki niso samo dopisniki, ampak najboljši pisateli sedanjih časov. Tam ni nikakšnih navadnih "kibicarjev", ki morajo delati z rokami, kajub temu ni dovolj čitateljev.

Torej za enkrat še ne bomo hodili poslužiši takih učiteljev, ki ne vidijo drugega, kakor nekaj, kar ni njim po volji. Mi rečemo, ako niso naši dopisniki pa volji, so pa drugim, katerim pa ni po volji ono, kar vi "skibicante". Ce imate res také zmožnosti, kakor se nam predstavljate, pokaljite to enkrat angleško govorčemu ljudstvu, in dokler tegu ne storite, niste nam zmožni ničesar očitati, ker vaši spisi so ravno tako pusti, kakor ste vi sami. Ce je to res, kar trdi, da ljudstvo želi počuti dopisov, temu ni več potreben dopisnik, temu ni več posetnik v čitalnicah, ker se do-

za njeno veselico. Igral bo izvrsten orkester Original Gay Dons v gornji dvorani, v spodnjih prostorih pa skupina Franka Gradiška, ki bo producirala vse najnovije in stare valčke in polke.

Apeliram na vse člane in članice Slavije, da gredo takoj na delo z razprodajanjem vstopnic. Sedaj je čas, da pomagate svojemu društvu vi, kadar pa je v potrebi posamezen član, tedaj pa mu bo nudilo pomoč društvo. Toda pa vsi takoj na delo! Vsak naj poskrbi, da bo pripeljal vse svoje prijatelje in znance na našo veselico in vinski trgatve dne 14. okt.

Anton Trojar, tajnik.

## Obletnica sinove smrti; slovo dveh prijateljev

Detroit, Mich. — Nikdar ne bomo pozabili lanskega septembra, ko nam je neizprosna usoda ugrabila našega dragega sina, moža in očeta Williama Travnika, ki je umrl 2. sept. 1938. William je odšel od nas mnogo, mnogo prečno, ampak zdi se nam, kakor bi bil še vedno med nam, zamer. Ponavljati vedno le eno nekem dopisniku, ki vam ni po volji, to je vaš glavni predmet, torej ga kar nadaljujete.

In mi povejte še, ki pravite, kako strašljansko dopisi škodujete? To je le: pittsburgh Naprej in njegov dopisnik so udihali po Hitlerju, dokler se ni zdržal s Stalinom. In ali je to škodovanje Hitlerju? Ne, to mu je pomagalo. Torej dopisi pomagajo in ne škodujejo! In morda bodo tuši vam pomagali, da boste še enkrat velik veljak v metropoli. Niti Grdinovi v Ameriški Domovini niso meni škodovali, ko je bil letnik v čitalniku drage pogrebne. Sem še vedno tam in sem še tak, kakor sem bil. Prosveta, kakor sem poizvedel, ima vedno isto število naročnikov. Naročniki niso vsi resni, kot ste vi. So nekateri onega tipa, ki se radi smejejo in jaz se rad smejem; mi spadamo skupaj in se skupaj smejemo. Vi boste pa skupaj resni in objokani in ambiciozni. Vi čitalci si pa zapomnite, da ni vedno tako mišljeno oni, ki vam nekaj priporočajo, ker jih sami ne delajo tako, kakor je zapisan. Res nimamo tiste visoke izobrazbe, imamo pa še vedno možgane, ki funkcionirajo.

## Društvo Slavija priredi jesensko veselico s trgatvijo

Chicago, Ill. — Gotovo se še marsikdo spominja prijetje, neprisiljene zabave, katera je bila deležen na prizadivljajočem društvu Slavije št. 1 SNPJ, posebno pa zabave na Slavljinih letnih vinskih trgatvah.

Taka zabava se vam bo spet nudila to jesen, kajti tudi letos priredi društva Slavija svojo običajno jesensko veselico in vinski trgatvo, ki se bo vrnila na soboto, dne 14. okt. v dvorani SNPJ.

Dvornina bo samo 35c v predprodaji, pri vhodu na večer veselice pa en groš več ali 40c.

Vstopnice dobiti pri članih in v dvorani SNPJ. Cena vstopnicam se menda ne bo zvišala, četudi gre do navzgor cene brezmalia vsem potrebščinam.

Dne 29. avg. smo čitali v Prosvetinih domačih vesteh, da je v Oaklandu, Calif., umrla Josephine Kaušek, pozneje pa smo prejeli pismo od Tonete Tomšiča ("Big Tony"), v katerem nas obvešča o njeni smrti. Z njo sva si bili veliki prijateljici še iz otroških let in sva si redno dopovali.

## Jubilejna kampanja

(Ob petintridesetletnici SNPJ, ki se slavi v tem letu, je razpisana posebna članska kampanja za oba članska oddelka, mladinskega in oddelek odraslih, katera se je pričela 1. aprila in se zavoji do 31. decembra 1939.)

## Za to kampanjo so določene sledeče nagrade:

50¢ za vsakega člana, ki se zavaruje za \$ 250 smrtnine
\$1.00 " " " " " 500 "
2.00 " " " " " 1000 "
3.00 " " " " " 1500 "
4.00 " " " " " 2000 "

## Poleg gornjih nagrad se plača še posebej:

\$10 onemu, ki dobi 25 ali več članov

25 " " 50 " "

75 " " 100 " "

Vsi kandidati, sprejeti v SNPJ ob času te kampanje, so prosti na pristopnine in jednota plača za kandidate za oddelek odraslih zdravniško preiskavo do zneska \$1.00, za kandidate mladinskega oddelka pa kot določajo pravila. (Tu naj bo izrecno pojasnjeno, da novorojenčki, za katere SNPJ že plača \$5.00 nagrade, v obliki sestavne, so izvzeti iz kampanje in se ne morejo štetiti za nagrado.)

V kampanjo se bodo šteli vse novi člani, ki bodo pri društvu sprejeti ob in uključivši mesec april do uključivši mesec decembra v POGOJEM, da ti novi člani plačajo najmanj tri mesečne sestavne. To velja za oba članska oddelka SNPJ.

Bratje in sestre!—V kampanji za mladinski oddelek v preteklem letu ste se dobro odzvali in dosegli ste lepe uspehe, toda spet morate pred vami za novo kampanjo v tem letu. Prepričan sem, da imi letos dosežete prav tako dobre ali še boljše uspehe kot lani, ter pojede na delo z enako vmemoto v prejnjem letu in če rojkom pojasnите najboljše gmotne koristi, ki so jim na razpolago pri naši jednoti.

Vsi v kampanjo za nove člane ob 35-letnici SNPJ!

## Važno pojasnilo glede pogrebnih stroškov za umrli člani

Točka 60. naših pravil določa, da v slučajih, kadar jednota plača pogrebne stroške za umrlim članom, isti ne smejo presegati vsote dvesto dolarjev. Ker je to važna določba in tudi zakon naše države ne dovoljuje večjega izplačila kot predpisano v naših pravilih, smo smatrali za potrebno še posebej omeniti v "tajniškem vodniku," kjer med drugim stoji zapisano tudi sledeče:

"Društvo ali društveni uradniki ne smejo brez dovoljenja glavnega upravnega odseka napraviti nobenega dogovora ali pogodb s pogrebnikom glede pogrebnih stroškov."

Društveni odborniki, ki ignorirajo omenjeno točko pravil in dočasno pojasnilo v "tajniškem vodniku," so sami odgovorni za posledice, to je, če dovolijo prirediti tak pogreb, katerega stroški presegajo vsoto \$200, ker jednota nima pravice plačati več kot oni, katerih dediči so v tej deželi, ker po večini prvi kot drugi so siromaki.

Vsled tega od naše strani toplo priporočamo, da društveni odborniki citajo pravila in se tako seznanijo vsaj s tistimi določbami, ki se neposredno tičajo društva in njih kot odgovornih društvenih zastopnikov. Ce je pri društvu storjen nepreviden korak, posebno v finančnem oziru—če tudi ne namenoma—taka pomota običajno ustvari slabu razpoloženje med člani, omaja zaupanje do društvenega odbora in v splošnem škoduje interesu jednotne. Pravila se članom izdajajo zato, da se poučijo kot člani, kaj so njihove dolnosti in pravice pod okriljem organizacije.

## Lest We Forget—

### OUR JUBILEE CAMPAIGN

Brothers and Sisters:

We all know that our Society's Membership Campaign is still in progress. Cooler days are definitely here, and from now until the end of the year every effort must be made to enroll every prospect in order to reach our quota of 3500 new members in commemoration of the SNPJ's Thirty-fifth Anniversary.

Lest we forget our campaign provisions and prizes offered for the securing of new members, let us refresh our minds with the following facts:

During the thirty-fifth anniversary of the SNPJ, which is being observed this year, a special membership campaign for adult and juvenile departments is in progress. The campaign began April 1st and will close December 31, 1939.

The prizes and rules for this campaign are as follows:

50¢ for each new member insured for \$ 250 death benefit
\$1.00 " " " " 500 " "
2.00 " " " " 1000 " "
3.00 " " " " 1500 " "
4.00 " " " " 2000 " "

\$10.00 will be awarded to the member securing 25 or more new members.

\$25.00 will be awarded to the member securing 50 or more new members.

\$75.00 will be awarded to the member securing 100 or more new members.

All candidates admitted into the SNPJ during the campaign are exempt from the initiation fee and the Society pays the medical examination fee up to the amount of \$1 for adult candidates, and for juvenile candidates as provided by the by-laws. Let it be expressly explained that the new born for whom the Society ALREADY pays \$5 award in the form of assessment, are not included in the campaign and cannot be considered for awards.

All new members who are admitted by the lodges from and including the month of April and to and including the month of December, shall be considered in the campaign on condition that the new members pay at least three monthly assessments. This is effective for both departments of the SNPJ.

Brothers and Sisters! During the juvenile campaign last year you responded wonderfully and you showed good results. We feel sure that you will show as good or even better results this year by going to work with the same enthusiasm. Don't fail to explain to our people the material advantages which are at their disposal in our Society.

Get into this 35th anniversary campaign for new members!

### Social Affairs for Fall and Winter

### Season; Hold 'Peanut Nite' Sept. 24

STRABANE, PA.—With summer now in the home stretch, the SNPJ Penn Pioneers are beginning to plan affairs, both athletic and social for the fall and winter season. Although plans for bowling have already been made by the girls, no definite plans have been set by the boys as yet.

As for social affairs, a committee composed of Frank Tomic, John Podboy and August Risica of the Pioneers are cooperating with Lodge 138 in putting on some sort of an affair each

### Comets Hold First

### Fall Dance Sept. 23

UNIVERSAL, PA.—The SNPJ Comets Lodge will hold their first Fall Dance of the season in the Universal Slovenian Hall this Saturday, Sept. 23. The music will be provided by Leo Zornik's popular musicians, an orchestra well known and highly recommended in Western Penna. Leo Zornik can provide all types of music—waltzes, fox trots, and the finest of polkas.

The SNPJ Comets Lodge invite all the neighboring lodges, members, and friends to this first gala social affair of the season. The Comet members will all be on hand to welcome you and assure you one of the greatest times of the year.

LOUIS V. KUMER, Lodge 715.

Sunday nite at the SNPJ Hall. A Fish Fry held recently proved a big success. Plans are now being made to hold a "Peanut Night" on Sept. 24. If any of you care to spend an enjoyable Sunday evening drop around to the SNPJ Hall on Sun., Sept. 24. Also the Pioneers will aid Lodge 138 in celebrating the 35th anniversary of the SNPJ with a two-day affair on Sat., Oct. 28, and Sun., Oct. 29, at the SNPJ Hall in Strabane. As soon as we receive more details of this affair we shall pass them on to you.

The Pioneers extend their congratulations to the Veronians upon their winning the SNPJ National Softball title. Nice going, fellas, you brought the bacon home. Also congratulations to La Salle for the way they handled the huge affair.

We are proud that Strabane has been chosen as the 1940 site of the annual SNPJ Day affair, and the Pioneers hope to put on an affair which will keep it as the largest affair held by members of the SNPJ. The Pioneers wish to extend their thanks to all of you who aided in bringing this affair to Strabane in 1940.

PUBLICITY COMMITTEE,

Election Agent: "That was a good long speech our candidate made on the farming question, wasn't it?"

Farmer: "It wasn't so bad; but a couple o' nights good rain would done a sight more good."

### Young American News and Views

DETROIT, MICH.—The group of Young Americans that traveled to La Salle, Illinois, for the SNPJ Labor Day celebration wish to take this occasion to thank the SNPJ Day committee for their wonderful hospitality and courtesy shown us. It was nice seeing old pals and also meeting new friends of our dear old SNPJ. The trip up to Starved Rock Park will never be forgotten, especially the precipice known as Lovers' Leap which has an Indian legend connected with it, and also the one and only Starved Rock which Ray Travnik and Frank Bolka mistook for Lovers' Leap. The trip really was educational, the guide showing the formations of rock that occurred thousands of years ago.

The Slovens - Croatian Bowling League opened their season at the Palmer Park Recreation Sunday, Sept. 17. The league consists of 6 Young American teams, 4 Wolverine, 4 Onyx, C.P.U. Club, 1 Slovens Nat'l Home, 2 Star Lodge, 2 Slavjuk Singing Club, 2 St. Jerome, 1 St. Joseph, Croatian Crows and the Primorje Club. The girls' division consists of 5 Young American teams, 1 Onyx Club, 1 Star Lodge and a Wolverine team.

The Young American Pirates will finally be awarded the huge trophy donated by Bob Nester of the Palmer Park Rec. The Pirates having won last season's pennant. The Primorje Club previous winner with some misunderstanding will present it to the Pirates.

The time is drawing shorter and shorter and Oct. 21 will be upon us before we know it, and that date, Brothers and Sisters, you should not forget, for that's the date of the Young American Fall celebration, with the Bergani Sisters furnishing the music.

Pioneer of Chicago and also Cleveland will be represented at this affair. To the "Comrades" of Cleveland we wish

their affair of Sept. 16 was a huge success and sorry that some of us could not attend; under certain circumstances we were unable to come.

The time is drawing shorter and shorter and Oct. 21 will be upon us before we know it, and that date, Brothers and Sisters, you should not forget, for that's the date of the Young American Fall celebration, with the Bergani Sisters furnishing the music. Pioneer of Chicago and also Cleveland will be represented at this affair. To the "Comrades" of Cleveland we wish their affair of Sept. 16 was a huge success and sorry that some of us could not attend; under certain circumstances we were unable to come.

### Lodge Jolly Allis to Mark Birthday

### Saturday, Oct. 21

WEST ALLIS, WIS.—After the business of our last meeting was over, we went on an outing. It was getting well into the night, but nobody gave the time element any particular consideration. With the temperatures in the nineties, you can't blame anyone for wanting to be engulfed by the cooling lake breeze. The term of the entertainment committee, Sisters Jean Singer, Yousay Yannik and Josephine Musich terminated, and they did very well in the way of entertainments.

The Jolly Allis bowling team sure opened the bowling season with an unbeatable pace, by taking their opponents for three games. They actually take the sap out of the pins when they bowl them over, so you can rest assured that they will keep up this pace.

The tickets for our Tenth Anniversary combination dance and banquet are on sale, and make sure you will be one to attend by buying your tickets early. The Jolly Allis Tenth Anniversary will be held Oct. 21 at the St. Rita's Ballroom; the dance floor is second to none.

Even though we are in the shadows of war clouds, don't let the darkness frighten you, since you yourself can make it light.

JOLLY, Lodge 686.

### Announce "Jugoslavia" Halloween Dance

JOHNSTOWN, PA.—The Jugoslavia Singing Society will sponsor a Halloween Dance on Oct. 21 at the Mozhak Slovens Hall. Music will be furnished by the Silver Bells, an 8-piece orchestra, playing both jitterbug music and good old Slovens polkas. The committee has decided on worth while prizes, so reserve this date, October 21, and enjoy your evening with the "Singers."

All persons interested in singing and desirous to join us, are urged to do so before the end of this month, for at that time our charter will again be closed to new members until Spring due to the fact that we are starting on our new operetta and Spring Concert program.

We meet every Tuesday evening at the Mozhak Slovens Hall, rehearsal commencing at 8 o'clock. We urge especially the fellows to join; we could use more tenors and bases. Think this over, and remember the 21st of October.

ELSIE CULKAR,

### Silver Star Lodge Plan Another Dance

### Saturday, October 7

YUKON, PA.—Well, we're here again with another bit of exciting news. Isn't it just too, too devine? The Silver Stars are going to hold another dance on Oct. 7! We are trying to secure one of the best of Slovens orchestras for this occasion. In a future issue of the Prosleta we will divulge the identity of this orchestra.

All those who have attended our previous dances will agree that the music was always pleasing. We are inviting all SNPJ lodges and friends to come to this dance on Saturday, Oct. 7.

At our last meeting the boys decided to spend some of the proceeds of their mushball money, and so we enjoyed a repeat at the home of Secy. Maughan after the meeting.

We had the pleasure of having with us as guest Miss Agnes Kause of the Harmarville Ramblers. The acquaintance with a few of the Ramblers has left quite an impression on us. What a Ramblers, we get together sometime for a real good time?

Speaking of mushball, we wish all those holding ticket money to return it to the Secy.

The monthly meeting door prize was won by Sis. Grace Podbaisek who was not present, and so it went into the party fund.

On the sick list we have Bro. Matt Yanklich who welcomes visitors.

What has Cleveland got? The Labor day holidays found a few of the Yukon residents visiting in Cleveland, namely, the Krajanja family, Kafec family, Miss Mary Bolk, yours truly and her family. We all agree that the hospitality of Cleveland cannot be exceeded except, of course, by that of the Yukon people. We challenge you Clevelanders to take advantage of that boast. This writer tried to look up Mary Bolk while there, but to no avail; it was like looking for the needle in the haystack.

Here's hoping to see you all in Yukon on Oct. 7. All Silver Stars be present at the next meeting for further plans of this dance.

FRANCES PRESEREN,  
Lodge 729.

### Herminie SNPJ Lodge No. 87 Sponsor Dance

HERMINIE, PA.—The SNPJ Lodge No. 87 will sponsor a dance Saturday, Sept. 28, at the Slovens hall. Picnic season is now over and we may as well prepare for indoor affairs. We therefore call on our neighboring lodges and friends to visit us at our fall season opening dance. We expect to see members of the SNPJ lodge 618 at our dance Saturday. Music will be furnished by Martin Serro and his orchestra. Refreshments of all kinds will be served and a real good time is in store for all who attend.

MARY ZORNICK,  
Sec'y, Lodge 87.

### Barberton Federation Will Meet Sun., Sept. 24

AKRON, O.—The regular meeting of the District Federation of SNPJ Lodges will be held at the Slovens Dom in Kenmore, Sunday, Sept. 24, at 10 a.m. Lodge representatives are urged to be on time. Many important matters will be discussed at the meeting, and various reports will be submitted for your approval. It is our duty to participate at this meeting and take an active part in the discussions. Plan to be there without fail. MAX KOTNIK, Secretary.

One more item we have on our

lodge calendar and that is our dance. On Sat., October 14, young and old will swing their dance partners to the tunes of popular music at the Slovens Hall in Lorain Boro. Like all of our previous affairs, we're going to make a gala night of it. Reserve Saturday, October 14, and enjoy the night with your fellow members and friends. Flood City lodge extends you a most cordial invitation.

That's all until next week.

PUBLICITY COMMITTEE,  
Lodge 712.

### Announce Keystoner Annual Fall Dance

Saturday, October 7

SHARON-FARRELL, PA.—Every-  
one is talking about going to the  
Sharon Slovens home on Oct. 14 when the  
SNPJ Keystoners are holding  
their Annual Autumn dance. We  
need your support; with the help of  
lodges both far and near, we can  
make better progress than we have in  
the past.

A very good Slovens orchestra will  
play for dancing and the price of ad-  
mission is only 25¢. So don't forget  
it's the Sharon Keystoners' dance  
that you are planning to attend on  
Oct. 14.

Since the start of the war in Eu-  
rope, business here in U. S. has started  
to pick up. Here in our district,  
which is noted for its steel industries,  
business has already increased its  
operations to a capacity, where many  
men have been called back to work.  
The question in many of our minds  
now is, how long will this sudden pick-  
up in business last and how long can  
we keep out

# Your Dollar

By CONSUMERS UNION

But mayonnaise must contain at least 8% edible vegetable oil, mixed with sugar and a small amount of vinegar. Samples tested by CU were contained from 63% to 80%. Products sold as "salad dressing," at about the same price as mayonnaise or a little cheaper, have standards. They contain more oil and more vinegar, with fillers and sometimes water, which may run as high as 1/3 of the price.

Waterman pens  
In December, CU reported that Waterman fountain pens were union-made. The situation has now changed. The union, Fountain Pen Unit Local 134, United Rubber Workers of America, has been unable to renew its contract and is out on strike.

**YOUR DOLLAR** is a regular monthly feature. The facts and opinions given are based on Consumers Union Reports, the monthly magazine of Consumers' Union, 17 Union Square West, New York City, a non-profit organization whose main object is to safeguard buyers by testing and reporting on consumer goods. Note especially the information on labor conditions under which products are made.

## Whither Mankind?

Will man ever shape the course of destiny to the improvement of his fellow men, or will he continually and incessantly pervert his accomplishments towards the destruction of this kind? He views the marvelous scientific and mechanical progress, the inventions and developments accomplished within the last century, which have lifted him to a higher plane of civilization and refinement than his predecessors had ever dreamed of attaining; and yet he continues to stumble, oh so blindly, along the path to the yawning abyss of destruction which certainly awaits him along the way.

Canned Pears

You should get at least 20 ounces fruit (drained weight) when you buy No. 2½ cans of pears. That is the best measure set by the U.S. Department of Agriculture. But only 4 of the 43 brands tested by Consumers Union this year came up to standard weight. The remainder excess syrup, added to fill up the cans.

The word "Fancy" on the label is supposed to guarantee fruit of Grade Quality. But neither the 4 brands tested "Fancy" nor any of the other brands tested were Grade A. In respect of color, uniformity, absence of defects, ripeness, tenderness and texture showed up 34 brands as Grade B, as Grade C. Price proved no indication of quality, with most of the Grade C brands priced far too high. The best brand tested was one of the lowest priced (18¢). The most highly advertised brands were apt to be more of a threat than acidity.

Auto Radios

CU ran across some startling twins testing 14 auto radios. Sears' Radio Cat. No. 6301 and RCA Model M-70, both manufactured by GM, appeared to be the same in construction, circuit and performance. Yet Sears sell their twin for \$20, while its own papa, RCA, sells its model at exactly \$20 more. Two more twins are Firestone Air Radio, selling at \$19.95 to \$24.95, and General Electric Model GA-62 at \$25. Both are made by General Electric.

Why the manufacturer's brand name should cost you more is not too clear, but you can draw your own conclusion about the need of looking beyond the label when you buy. A \$24.95 radio, the Sears' model mentioned above, proved to be best quality among the 14 sets, ranging

## Same Old War Game and Profiteering

The wheat which is now being "traded" back and forth on the grain exchanges was sold just a few weeks ago, straight from the threshing crews, for less than 60 cents a bushel. Today in Minneapolis this same wheat is being traded for more than 80 cents—note that we say "traded back and forth," rather than actually and legitimately sold. The tremendous spread of profit between 60¢ and 80¢ did not go to the farmers who raised the wheat, nor to the city workingmen who toil in the processing mills. It goes to the speculators or owners of the grain. That's some people's idea of the sacred rights of private ownership. Our own view was well expressed by President Roosevelt recently when he declared: "No American has the moral right to profiteer at the expense either of his fellow citizens or the men, women, and children who are living and dying in the midst of war in Europe."

## SNPJ Fraternalites Plan Dance in Nov.

NEWARK, N. J.—The SNPJ Fraternalites Lodge 756 is in the news again. Here is some of the good news of our quarterly meeting we had Thursday night. We have acquired six new members to our club and we wish to welcome them to our nice family circle. I think since this lodge formed that it has come a nice long way. It was in February when we were first in the headlines and so far we have made great progress. Thanks to our very loyal members. Good work and lots of spirit helps quite a lot.

Here is some news of our bowling team. The members have elected Bro. Bernie Potter as the manager of the team and Bro. Louis Bettys Jr. as his assistant. Good luck, boys. There's plenty of hard work ahead of you, but I'm sure that you both will make a great success out of your team.

Well folks, here's another surprise. Bro. Stanley Kaltnickar and Miss Ann Deitz were secretly married last May. Congratulations and best wishes. The bad that Bro. Harry has to work nights, for we all miss him as he has been to all the meetings and is a great guy. Rudy Dreslar and Vincent Yarich, back from their long vacation, turned in for the meeting. It was good to see you boys; be back soon. It seems like Vincent is living in New Jersey but his heartbeat is in Pennsylvania. Who's the girl, Vincent? Why not invite her to our big dance?

Our favorite bartender, Bro. Daniel Oblik, and our nurse, Sister Helen Zitko, took time to attend our meeting. It's quite a trip for those two, but they sure did look good to us as we don't get to see them so often.

Bro. Manuel Martins lost his father and we wish to extend our deepest sympathy.

Here's the news we have been waiting for. Our big dance will be held on Nov. 11, 1939, at the Bohemian Hall in Newark at 17th St. and 19th Ave. The music will be furnished by the Royal Commanders, starring Miss Marjorie Ritter. Admission will be 40 cents. Entrée at 8 p.m. We have joined with two other SNPJ lodges, 540 and 580, so why not make this the talk of the town and have all your friends get there.

Most of the members have received their tickets. For those who didn't, Bro. Anthony Karshina will get in touch with you soon. Those who will need more tickets see Tony, he has plenty and will be more than glad to give them to you. There will be two more meetings before the dance, so come on. All of the members whom we have seen at the last meeting get a hold of the others and see that they attend the next meeting which will be Oct. 12 at 8 o'clock. Here's hoping to see all of the members at the meeting. Don't forget if each helps a little this dance will mean we can get ahead with our other plans for the next affair.

Well, with this off our minds let's say we will all try and do our best, for a little work will do us all good and the good of the lodge is our best means. Before long these Fraternalites will shine all over the town and everybody will be proud to say that they did their bit to make this our best SNPJ lodge in New Jersey.

Remember these two dates: Nov. 11th dance and Oct. 12th meeting. See you all then.

Circle "Violet Rays" No. 18

MILWAUKEE, WIS.—School days are here again and our home work is piling up. But that should not keep us from our duties that we have to do.

Bro. Manuel Martins lost his father and we wish to extend our deepest sympathy.

Our first duty is to write occasionally to the Mladinski List and Progressives, to keep the rest of the readers informed of our activities.

Second, to boost our Lodge and Circle doings and bring in new members.

Third, to be present at our regular monthly meetings, and do our best to make our meetings more interesting and educational.

To those that made our program book possible, we appreciate your help and we hope in the near future that in some way we can help return that favor.

To the lodges, Ladies' Lodge Nasja Sloga, Flood City Lodge, Kehlo Lodge, Danilevsky Lodge of Conemaugh, Progressive Ladies of Park City, Bon Air Lodge, Triglav, South Fork Lodge—we wish to thank you for your wonderful cooperation in making our Tenth Anniversary such a success. We again want to thank everyone of you who were with us Aug. 26-27, and hope to be with you again in the near future.

## Friendly City Tenth Birthday—Success

## Right to Picket When No Strike Exists is Upheld

NEWARK, N. J.—Even though no strike exists, a labor

union has a right to present its case to the customers and the public by placards, signs and speeches, the chancery court has ruled. Vice Chancellor John O. Bigelow denied an injunction

which would have restrained Local 140, Delicatessen & Cafeteria Workers Union (AFL), from picketing the John R. Thompson Cafeteria.

The decision was surprising since the chancery court has handed down many anti-labor decisions in the past, including one restraining picketing in cases where strikers' jobs had been filled by strikebreakers.

## Both Mean Dictatorship, Terrorism

The Nazi-Soviet trade and nonaggression agreement is making many Americans see that communism and nazi-fascism have much in common. Both systems, as one radical writer is frank enough to admit, "have followed the same political pattern, a vast and highly centralized one-party dictatorship, reducing every aspect of society to its sway."

"It is beginning to dawn on those able to face facts," he further says, "that fascism and Russian communism are more alike, and their likeness is increasing day by day."

The man in the street who lumpes nazism and communism together is coming pretty close to the truth, after all.—Minn. Union Advocate.

## Have a Ride

# S.N.P.J. Sports

## Official Explanation

CHICAGO, ILL.—Four of the Athletic Board members who voted on the protest of the Strugglers Softball team in connection with a decision made by one of the Umpires in their game with the Veronians in La Salle, Ill., Sunday, Sept. 3, 1939, voted that the game was played under the OFFICIAL Rules of Softball, and in the play the Strugglers mentioned in their Protest, the Umpire was the Judge.

Here is the rule as taken from the Official Rules of Softball:

"No Protest Board should entertain or consider any protest based solely on a decision which involved accuracy of judgement on the part of the umpire. Such matters are, whether a batted ball was foul or fair; a pitched ball was a strike or a ball; whether a pitch was or was not legal; whether a base-runner did or did not leave his base too soon; whether a fly ball was or was not caught; whether a fly ball was or was not an infield-fly; whether there had or had not been an interference, or any other matter involving the accuracy of the umpire's judgement."

"Protests may be considered on matters which involve a misinterpretation of the playing rules."

FRANK GROSER, Sec'y,  
SNPJ Athletic Board.

## Bowling Time— Are You Interested?

PRESTO, PA.—Perhaps some of you members have forgotten about the good times we had at the bowling alleys last winter, but I know that a reminder of this will bring back many memories. I am sure that all those who last year will want to come again this year, and we are expecting our new members to come right along with us. There may be times when you will leave the alleys with a headache because of all the excitement, but by the next week you will be ready to go right back.

So, on Wed., Sept. 27, we wish to see all those interested in bowling for the season at the Dutch Hall in Bridgeville at eight o'clock. Come to the first gathering so that we may get teams arranged; then start right in for a season of great fun.

Even though you haven't been attending the meetings show some interest by taking part in sports and other events planned by the lodge. We are expecting to do a great many interesting and entertaining things this year, and I am sure that you, as a member, won't want to miss anything. Show us that you are a Jolly Junior. S. J. AUBEL, Lodge 680.

## Sportsmanship and Fraternality in SNPJ

CHICAGO, ILL.—In all athletic and sports competitions sportsmanship is desired. Not only is it desired but our Fraternity calls for it. Besides sportsmanship and fraternality, there are certain rules governing our athletic competitions and we are expected to live up to these rules adopted by the members concerned.

We as a fraternal organization are expected to live up to these rules set especially for our athletic encounters. The spirit as shown by some as a result of the outcome of the last national athletic event in La Salle is very bad, especially the attitude of Bro. Edward A. Seitz of the Strugglers. The protest of the Strugglers Softball team was a right to which they are entitled, but the writing of Bro. Seitz in the Prosveta and Enakopravost was not the act of a member who "can take it."

I am not going to go into details of the ball-game; there were many members at the game and most of them thought the ball in question was a fair ball. I was sitting directly in line with the home plate and first base, and in my opinion I saw the ball hit fair and bound out foul. But beyond first base it was not what I or any of the other spectators saw it was—what the umpire saw.

At the athletic meeting held Monday, Sept. 4, at the La Salle Slovenski Dom, the question of the umpiring was brought up, and every one that spoke was of the opinion that there was nothing wrong with the decision of the umpires. There were no members of the Cleveland Strugglers present.

Also, Cleveland should not feel that Detroit, Chicago and other cities will not cooperate with their members in future affairs. In the past they received all cooperation possible, which was amply shown at the last Bowling Tournament in Cleveland where the Detroit Wolverines and Young Americans and the Chicago Pioneers were among the lodges with the most participants in the Tournament.

We must remember that in athletic competitions, if we don't win this year, we should come out with more determination the next year. And let us always remember: win, lose or draw, let sportsmanship and fraternality prevail.

FRANK GROSER, Lodge 559.

PROSVETA, 547 S. LAWNDALE AVE., CHICAGO, ILL.

At eleven-fifteen we left the dance to our quarters at the Valley View Inn, a few miles out of town in Oglesby. Up early and into our uniforms for a few warm-up tosses on the lawn, when our drivers arrived to whisk us off to the games.

We claimed the SNPJ National Championship after winning over Cleveland (Drenik's Erin Brews) Strugglers, 1-0, with our batter Rudy (Razz) Tratar and Michael (Bummer) Sepelyak handling the game very well.

Superb pitching was really done by Eddie Zaletal of the Strugglers, allowing us only two hits, both by Tony Tratar, and striking out ten, a heart-breaker to lose, but they always pay off at the plate. Here's hoping we meet again with no ill-feelings.

The clincher for the title came with a win over the Badgers, with Rudy Tratar pitching his second no-hit no-run game of the season. With his uncanny speed and control the Badgers were practically helpless, striking out sixteen, and as you know, no hits and no runs, and walking two.

You'll agree with me—two well played ball games. I hope to see you all again next year.

Back again to our quarters, our driver Johnny was on the spot, for a cleaning up and whoopee! Off to the picnic where everyone let loose and really went to town.

Back again to our quarters, some straggling in at eleven, twelve, one, two and three.

Up a little late and off to the meeting at the Dom which was very interesting. Interesting to the tune of one hundred twenty-five dollars which was presented to Johnny Lipesky and myself in behalf of the Veronians Softball team for their winning the National SNPJ Softball title. The check was presented by Supreme Secretary Vider.

Interesting people we met throughout the SNPJ day were Pres. Vincent Cainerk, Sec'y Vider, Chairman Fred Malgai, Donald J. Lotrich, the Godfathers, John Spiech, and many, many others. Congratulations to Miss S. N. P. J., Mae Jurecik, a charming girl.

Meeting closed with the next S. N. P. J. Day in Strabane.

Before closing I again want to thank the La Salle, Oglesby and DePue officials for all the hospitality shown us. I doubt if it can ever be equalled. ALBERT JAKOVAC,

Mgr., Lodge 680.

## Ten Billion Dollars is Spent for Relief in Four Years

A total of \$10,697,832,482 was spent on emergency relief activities by more than a score of regular and emergency government agencies between April 8, 1935, and May 31, 1939, the Treasury Department reported.

Of the money spent, \$6,896,431,000 went for wages, 1,774,030,000 was in the form of grants, \$728,755,000 was spent for supplies and materials, \$365,512,000 represented loans, \$312,135,000 was paid in rent, \$252,004,000 was for construction, maintenance and repair contracts, \$173,130,000 for contractual services, and smaller amounts for land and equipment purchases and for employees' accident compensation.

The largest outlays for the period, exceeding \$2,843,000,000, went for highways, roads, streets and the like; the second largest expenditure, \$1,196,000,000, went for educational, professional and clerical projects, while the third, \$1,123,000,000, went for conservation work.

Other expenditures were as follows: Public buildings, \$380,664,000; housing projects, \$119,727,000; public recreational facilities, \$804,188,000; electric utilities, water and sewerage systems, \$683,634,000; transportation facilities, \$267,826,000; sewing, canning and miscellaneous projects, \$789,962,000; rural rehabilitation, suburban projects, loans and relief, \$566,433,000; grants to States for continuing relief, \$922,410,000; and administrative expenses, \$559,533,000.

The Works Progress Administration was responsible for more than half of the outlay, having spent \$6,527,573,947 in that period. The figures do not cover appropriations but the amounts actually disbursed in Treasury checks.

## Wisdom

Slander, like the pestilence, which rages at noonday, sweeps all before it, levelling without distinction the good and the bad.—Laurence Sterne.

If we could first know where we are and whether we are tending, we could better judge what to do and how to do it.—Abraham Lincoln.

The politician hasn't been born yet who can go through a political campaign, win election, serve three months—and then go home at night to a sleep untroubled by a conscience that can't be hypnotized as he apparently hypnotized the voters.

Change at Last  
Boarder: "Hey! I found a nickel in my hash!"

Landlady: "Yes, I put it there. You've been complaining about the lack of change in your meals."

I am not going to go into details of the ball-game; there were many members at the game and most of them thought the ball in question was a fair ball. I was sitting directly in line with the home plate and first base, and in my opinion I saw the ball hit fair and bound out foul. But beyond first base it was not what I or any of the other spectators saw it was—what the umpire saw.

At the athletic meeting held Monday, Sept. 4, at the La Salle Slovenski Dom, the question of the umpiring was brought up, and every one that spoke was of the opinion that there was nothing wrong with the decision of the umpires. There were no members of the Cleveland Strugglers present.

Also, Cleveland should not feel that Detroit, Chicago and other cities will not cooperate with their members in future affairs. In the past they received all cooperation possible, which was amply shown at the last Bowling Tournament in Cleveland where the Detroit Wolverines and Young Americans and the Chicago Pioneers were among the lodges with the most participants in the Tournament.

We must remember that in athletic competitions, if we don't win this year, we should come out with more determination the next year. And let us always remember: win, lose or draw, let sportsmanship and fraternality prevail.

FRANK GROSER, Lodge 559.

Tune in Sundays at 1:30 p.m., Chicago time, and spend an enjoyable half hour with the Round Table.

From the Sunflower State, Frances Tratar postcards to tell us that it's hot in Kansas also and that even in those parts they read Prosveta. She will join the Pioneer bowling league upon her return to Chicago.—Anton Garden sends vacation greetings from the Spa of Dixieland, Hot Springs National Park, Arkansas. It was hot there, too.—Then we have a card from Sister Vera Levec extending greetings to all Pioneers from the beautiful Dalmatian coast with an invitation added by Vera's escort for a visit to the homeland.—And from Excelsior Springs, Missouri, the home of Jess James the outlaw, we hear a few words from Frank Papish, who has gone there to regain some of his good health.—We have just learned that Al Ormanee has taken unto himself a wife and we extend sincere wishes for their happiness.

one that can hardly be accredited to a big power. But so are the others. Yes, they are playing the same kind of a game with workers' lives as their pawns.

We asked Bro. Fred Malgai of La Salle for a copy of the La Salle papers which would report the outcome of the National SNPJ Day and we were really surprised to see the extent to which our Society benefited in the matter of publicity. The News-Herald begins on page one with a good two thirds of a column and continues on page three with another column and a half, while the Post-Tribune likewise begins on page one with a third of a column and devotes four full columns on page six with a streamer headline across the top. And all this makes one wonder why they should be so interested in the SNPJ while our own paper was only able to carry a comparatively brief account. It looks like others think more of us than we think of ourselves. Just the same, however, we should have a better policy of news coverage, especially for such occasions as our own SNPJ Day, and we can well take a lesson from other papers and from other organizations.

## Excuse It Please

Mrs. Jones was spending a day in bed with a severe cough, and her husband was working in the backyard and hammering nails into some boards. Presently his neighbor came over.

"How's the wife?" he asked.  
"Not very well," said Jones.  
"Is that her coughing?"  
"No you fathead, it's a henhouse."

Yes, Why?

A very precise old lady was going away for a vacation.

"My man," she said to a porter, "where do I get the train for Chester?"

"Your train is on platform No. 7," she was informed.

"Why do you say 'your train' when it belongs to the railway company?"

"Why do you say 'my man' when you know I belong to my wife?"

## Home Hints

Pour left-over tea into a bottle, add a drop or two of glycerine, and use for cleaning windows.

One-fourth teaspoon of cream of tartar added for each egg white used will keep meringues from falling. (Mix the cream of tartar with the sugar.)

One way to prevent the bottom crust of custard or pumpkin pie from becoming soggy is to brush it all over lightly with beaten egg white before adding the filling.

A pinch of dry mustard in cold water will remove odor from bottles, declares a housewife. Let the mixture stand in the bottle for about two hours, then rinse out.

About once a week brush the teeth with bicarbonate of soda instead of tooth paste. It is a great whitener and will sweeten the condition of the mouth and gums.

Use this test for deep-fat frying of onions: When a piece of bread browns in one minute, add the onions and cook them about one and one-half minutes.

Why not stop that breath-taking catching of the tall vase that tips over at the slightest provocation? All you need do is to pour some clean sand into the bottom of it to prevent easy tipping.

Fruits to be added to frozen desserts should be well crushed and added when the mixture is half frozen. Otherwise the fruit will freeze in icy particles throughout the mixture.

The left-over roast may be sliced and the slices dipped in egg and crumb and then fried in deep fat until a delicate brown. This is a very good and also economical method of using up any sort of roast.

Brown Bread  
One cup sorghum molasses, 2 cups sour milk, 1 cup brown sugar (packed), 1 cup raisins (seeded), 1½ cups flour, 2 teaspoons soda. Sift ½ cup of the graham flour after measuring (to take out some of the chaff). Mix ingredients in the order given. Pour into well-greased cans about 2-3 full. Steam 1½ hours.

**Tomatoes**  
Tomatoes are easier to can at home than most vegetables because, unlike most vegetables, they are acid foods. For that reason they need not be processed in a steam pressure canner. Processing them in a water bath for a reasonable length of time will kill any dangerous or trouble-making bacteria that happen to be present.

Firm, ripe tomatoes, medium in size, and free from decay are the canning ideal. Pack them either hot or cold in glass jars. Tomatoes packed hot will need considerable shorter processing than those packed raw. In either case, skin the tomatoes first. An easy way to do this is to put them in a tray or wire basket, dip this in boiling water for about a
