Jezusovi blagri

Ko bi blagre pisali ljudje, bi jih sestavili drugače. Ti blagri bi prinesli strahoten neblagor večini, tega si ni težko predstavljati. Včasih to že okušamo.

Jezus postavlja s svojimi blagri protiutež človeški samopašnosti. Usmerja nas od nas samih k drugim; od telesnih dobrin k duhovnim; od vrednot, ki se nam ponujajo tu, k vrednotam, ki nas čakajo v nebeškem kraljestvu. Ne zapoveduje jih, tudi meja jim ne postavlja. Kdor more razumeti, naj razume, kolikor more; kdor more doseči, naj doseže, kolikor more.

Jezusovi blagri torej niso nekaj, kar bo nekoč prišlo samo od sebe in čez noč. So naloga, ki jo je treba že tu na zemlji uresničevati. Nebeškega kraljestva ne smemo pričakovati šele v nebesih. Že tu moramo odpravljati revščino, preprečevati nasilje in krivice, uvajati mir in širiti usmiljenje. Ta »že tu« pa bo dosegel svojo končno dovršitev šele v nebesih. Šele tam borno zares blaženi, šele tam bo odzvonilo vsem preganjalcem in krivičnikom, šele tam bodo zavezana usta vsem lažnivcem in obrekljivcem. Naše srce bo tako dolgo nemirno, dokler se ne bo šele tam umirilo v Bogu. Blagor ubogim se bo uresničil šele takrat, ko bo Bog naše edino pa tudi popolno bogastvo.

Vsa lepa pričakovanja blažene večnosti so prazna, če ne bomo postavljali temeljev te blažene večnosti že v tem življenju. Toda vsa prizadevanja za boljši tukajšnji jutri bodo jalova, če ne bodo imela svoje utemeljitve in svoje dopolnitve v onstranstvu.

EROIKA - Trije izjemni vokalisti, zbrani v triu Eroika, so s prvim nastopom na državni proslavi v hipu osvojili Slovenijo. Matjaž Robavs (bariton), Aljaž Farasin (tenor) in Metod Žunec (tenor) so klasično izobraženi in šolani pevci, ki jih v celoto povezuje dirigent, aranžer in producent Patrik Greblo. Premišljena kombinacija talenta, lepote, uglajenosti, glasovnih zmožnosti in sveže obdelave večnih uspešnic v pop-opernem žanru je formula uspeha Eroike. O njihovi izjemni priljubljenosti pričajo razprodani koncerti ter osvojena platinasta plošča - diskografsko priznanje za izjemno prodajo njihovega prvenca. Temu je junija 2009 sledila druga studijska plošča "Nad mestom se dani", ki od izida na 1. mestu najbolj prodajanih plošč v Sloveniji kraljevala kar 14 tednov. Sledili so večkrat razprodani koncerti s simfoničnimi orkestri v največjih in osrednjih koncertnih dvoranah kot tudi prepevanje v pravtako prijetnih manjših slovenskih mestecih. Glasba Eroike je povsod sprejeta in prepoznana kot iskrena, kvalitetna in poslušljiva.

ŠALEŠKI ŠTUDENTSKI OKTET

sestavljajo študentje iz Velenja in okolice, ki so nekdanje prepevali tudi v MeMPZ Šolskega centra Velenje. V Šaleški dolini sicer spadajo med mlajše, a že uveljavljene oktete, ki s svojimi nastopi vedno pritegnejo občinstvo. Njihov program sestavljajo tako slovenske narodne pesmi kot tudi zabavne, a cappella priredbe, znanih domačih ali tujih pesmi. Poleg redne dejavnosti so izvedli že več projektov,

Second Reading *1 Corinthians 1:26-31*

“Those whom the world thinks common and contemptible are the ones that God has chosen.”

Illustration

Parents often worry that their children will pick up bad behaviour from the television or internet. There is certainly a tendency in us to ape what we are exposed to in our surrounding world. In a world exposed to “nature, red in tooth and claw”, we are likely to have a fairly callous streak in our relationships, not just with animals but with each other. Where warfare is the accepted way of living, violence will bubble up to the surface in our ordinary dealings with each other.

It was noted that with the invention of machines we began to treat each other as machines, expecting people to work unending hours without rest. Our present age, at least in the Western world, is more complex. Our media present us with a choice of behaviours that range from the brutal and unfeeling to the heroic and sensitive. If we do expose ourselves to a constant barrage of inhuman behaviour on the screen, research shows that we will become more inhuman in ourselves. On the other hand we also are offered the possibilities of learning about how good people can be to each other, and how delicate but marvellous are the links that bind us together. What does seem to be generally true is that we live life at an ever-increasing pace, which means that having time to relax or just to enjoy each other’s company is becoming more and more rare.

Gospel Teaching

We are so used to the Beatitudes that we cannot comprehend how amazing they must have seemed to their first listeners. It is not that they would have been completely unaware of the teaching behind what Jesus was saying. If we were to examine them carefully, we would find that each one of the eight statements reflects the teaching found in the prophets. But it is the way that Jesus brings them together as a group and offers them as his charter for life that would have stopped his audience in their tracks. As with ourselves, the expectations of life in the world in which his listeners lived would have been very different. They would have been living under the tensions of an occupied land, fearful of their Roman overlords and untrusting of their own leaders, who blew hot and cold in their attempts to make life comfortable for themselves.

In the midst of this uncertainty and the domination of violence, Jesus in his first public manifesto sets out a way of life that challenges both the violence and the double-dealing. This charter is not set out as a series of commands; it is set out as blessings. In the Greek of Matthew’s Gospel, the word used, *makarios*, implies a bless-

ing given by God as well as the sense of being happy or fortunate. And the blessings are offered to us as a group: blessed are they who fulfil these ways of being.

The blessings begin with those who would not normally be considered blessed: those who are totally powerless. Our starting point is to enter into the spirit of those who have no influence or power. Combined with this vulnerability is an integrity, a purity of heart and a vigorous pursuit of what is right and what brings peace. For this we will suffer and be reviled and rejected. In the last two Beatitudes Jesus describes his own destiny and the destiny of all his true followers.

FOLKLORNA SKUPINA 'VENEC'

Next practices will be on Sunday, **January 30th** and **February 20th** at 2pm in St. Gregory's Hall. It is still not late to join up! Come and join the fun. Presently we have 13 couples with room for more.

OTROŠKA SKUPINA 'SOČA'

Practices for this energetic group have been moved to **Saturdays** at 12:30 [following slovenska sola].

We encourage all children, ages 7 and above, to join this worthwhile group to help nurture our Slovenian roots and help build our community here in Hamilton and surroundings. More singing and musical instruments are on the agenda. New members most welcome!

FOLKLORE HELP

Any one who might be able to help or has an interest in Slovenian costuming is asked to contact a member of VENEC, or Dave Antolin: 905.664.5980.

We are trying to organize a **seminar** to help teach aspects of costume making to participants in the future. Also, any ladies who practice the art of 'kleklanje' are asked to contact Dave Antolin. We have a special project that we need help with.

Vsi, ki ste pripravljeni pomagati in se zanimate, da bi sodelovali pri izdelavi narodnih noš pokličite kateregakoli od članov plesne skupine Venec ali Davida Antolina.

Poskušamo organizirati seminar, da bi se tudi bodoče generacije znale izdelovati narodna oblačila. Posebej vabimo vse tiste, ki znate kleklati, da stopite v kontakt z Davidom Antolinom.
