

V graščinskem jarmu

FR. JAKLIČ

Ko logar sodniku ni mogel utemeljeno odgovoriti na vprašanje, zakaj je odkazal hoje na nepristopnih Kozlovih stenah, je sodnik posvaril graščino, češ, tako se s kmeti ne ravna, zakaj kmetje so ljudje.

Janez pa ni bil tako nedolžen kakor njegov oče. Kradel seveda tudi on ni. Nič ni tajil, da je udaril logarja s kolom po glavi, niti da je zamahnil s cepinom proti njemu, temveč je glasno obžaloval, da ni še bolj, in obetal in se rotil, da mu Menat ne uide, in ob prvi priliki, ko se snideta, ga bo trčil tako, da bo imel dovolj.

Sodnik je bil mnenja, da je ovadba upravičena in da Janez, ki s kolom kreše po glavah in grozi s cepinom in se veri da ne bo odnehal, ni nedolžen in ga bo treba strahovati.

Janez je kajpak tudi povedal, da je logar sreljal nan. Toda ta je izpovedal, da je streljal le za strah. Ni šment da bi ga ne bil zadel na pet korakov, ako bi ga bil hotel. Sodnik je verjel logarju in ga ni dejal pod obtobo.

In tako se je zgodilo, da so očeta in sina ločili.

"Oče! Vi ste prosti! Domov pojdite!" je rekel sodnik. "Domov? Pravite? Ne bom več zaprt?"

"Nič več, ker niste nič hudega naredili."

"No, saj sem jim pravil, da nisem nič hudega storil, pa so me le vklelili, da so se ljudje

VRTNA SEMENA

za srednje-zgodnji in poznejši pridelek

LOKALNE VESTI

Wallacevi prvi prijatelji v Wisconsinu zapuščajo njegovo "novo" stranko

Včeraj, v nedeljo 25. aprila, se je v Pfister hotelu v Milwaukee vršila ustanovna konvencija nove "Ljudske Progresivne stranke za Wisconsin", to je Henry A. Wallaceve "tretje" stranke, katere se je udeležilo 874 delegatov iz 50 wisconsinških mest, od katerih pa je koncem konvencije ostalo v sedlu "nove" stranke le nekaj najglavnejših in najglasnejših — komunistov, med njimi proslula Edmund V. Bobrowicz in enako proslula Mrs. Josephine Nordstrand, dočim so se prvi začetniki Wallacevega gibanja v Wisconsinu za tako družino v vodstvu stranke lepo zahvalili ter ob zaključku konvencije podali novinarjem skupno, pisneno izjavo, da z "novo" Wallacevo stranko v Wisconsinu nečije imeti nič skupnega ter da se jih naj ne smatra za člane te stranke.

Izjavo so podpisali prvi organizator in direktor odbora "Wisconsin Citizens for Wallace" John Gminski, njegova žena Wanda, dalje Arthur Schubert, blagajnik odbora, ter distriktni organizatorji Sam B. Carr, Victor A. Read in Florence V. Brandish iz Appletona, Wis. V tej izjavi pravijo med drugim: "Veliko število ljudi v Wisconsinu se je odzvalo prvemu klicu v podporo Henry A. Wallaceja za predsednika z navdušenjem in iskrenim pričanjem in vero v njegov program, toda mnogi od teh so se kmalu začeli zopet odklanjati gibanju in ga zapuščati, kakor se hitro spoznali, da se je v vodstvu gibanja začel uhotapljanje čedalje ožji krog gotove politične skupine (komunistov) ki se začel lastiti kontrolno nad gibanjem. Mi verujemo, da našo dejstvo odbilo in bo še nadalje odbijalo velike skupine iskrenih Amerikancev, od vstopa v novo stranko, ki so doslej še verovali v Wallacev program, in da je tako nadaljni razvoj nove politične stranke v Ameriki, ki naj bi izvojevala zdrave pogoje za resnični mir na svetu, resno ogrožen. Mi čutimo, da samo razširjenje vodstva in članstva te nove stranke na principih resnične demokracije more narediti iz nje učinkovito orožje v prizadevanju za ustvaritev trajnega miru in boljših življenjskih pogojev na svetu. Zato se mi, ki verujemo v Wallacev program samo v okviru teh principov odrekamo vsakemu sodelovanju v tej novi stranki, dokler bo njeno vodstvo ostalo pod izključno kontrolno ožje politične skupine (komunistov)."

Drugi komunisti, ki so imeli poleg Bobrowicza in Nordstrandove (rojene Rusinje) na konvenciji glavno besedo za Wallaceja, so bili: Mel Heinritz, prednji CIO tajnik za državo Wisconsin, ki je bil v nedavnih volitvah poražen po desničarjih, Alfred Hirsch, prejšnji glavni urednik CIO News-a, ter znani Leo Krzycki, ki si po krivem lasti nekakega predstavnika ameriških Slovanov, ki pa v resnici ni drugega kot navaden renegeat socialističnih vrst, kakor sta na pr. naša čikaška Garden in Zajc, in ki ima ravno toliko pravice govoriti v imenu Slovanov, da niti v imenu Poljakov med katere po krvi spada, kot na primer naš urednik v imenu Kitajcev.

Važno za dekleta, ki se omože

Urad za socialno zavarovalnino (Federal Social Security Administration) je izdal te dni opozorilo za vse ženske, ki se poročajo, da naj nemudoma objavijo uradu svoje ime, t. j. možovo ime in tako preprečijo zmešnjave v zabeleženju njihovega kredita v zavarovalniških zapisnikih. "Če vas vaš delodajalec, pri katerem ste morda na novo nastopili svojo službo, prijavi uradu pod vašim poročenim imenom, dočim ste v naših knjigah še vedno zapisani pod svojim dekliskim imenom, je nemogoče za nas zabeležiti vam pravilno kredit k vašemu zavarovanju", svari Karl A. Albrecht, poslovodja milwaukeeškega urada. Kakor hitro uvidite, pravi Albrecht, je v vašem lastnem interesu, da pridete takoj v naš urad v sobi 438 v poštnem stolpu ter nam naznanite svojo novo ime. V gotovih slučajih tudi zadostuje, da pokličete urad po telefonu Broadway 8600, extension 276.

In tu je drugo opozorilo, za hišne posestnike

Ray W. Rose, direktor za rentno kontrolo v Milwaukee

ZA VSAKEGA NEKAJ

J. D.

Diplomatski viri poročajo, da so bili v Moskvi navdse preseenečni radi reakcije v Ameriki proti komunistom, ki so se poiasili Češke. Da nekoliko potolaži Amerikance je Moskva

pa opozarja hišne posestnike, ki imajo najemnike, na določbo v zveznem zakonu, po kateri morajo tekom 15 dni prijaviti uradu vsako spremembo v okupaciji njihovih najemniških, t. j. stanovanjskih prostorov, ako se je na primer najemnik, s katerim je hišni lastnik imel napravljen "lease" med tem izselil iz proste volje. Večina hišnih posestnikov za to določbo, ki je stopila v veljavo 1. aprila, doselej še ne ve, in zato naj vsak čigar najemniki so se med tem morda izselili, to takoj naznani uradu.

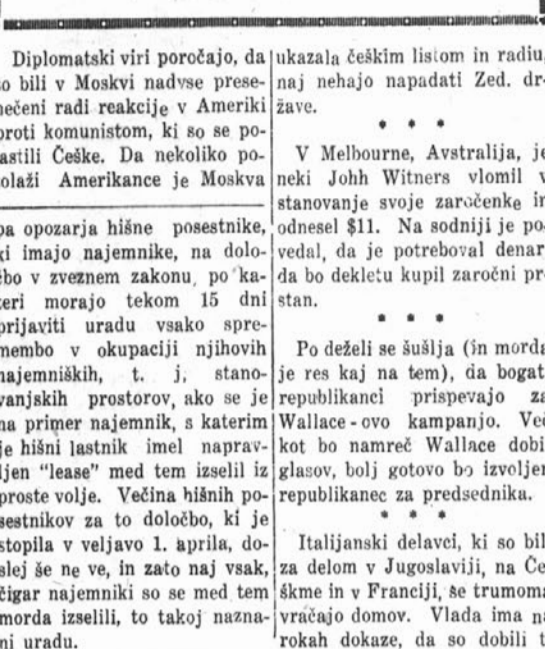

ukazala češkim listom in radiu, naj neha govoriti v Ameriki proti komunistom, ki so se poiasili Češke. Da nekoliko potolaži Amerikance je Moskva

Po deželi se sušlja (in morda je res kaj na tem), da bogati republikanci prispevajo za Wallace-ovo kampanjo. Več kot bo namreč Wallace dobil glasov, bolj gotovo bo izvoljen republikanec za predsednika.

Italijanski delavci, ki so bili za delom v Jugoslaviji, na Češke in v Franciji, se trumoma vračajo domov. Vlada ima na rok dokaze, da so dobili ti

—AND THE WORST IS YET TO COME

—in najhujše šele pride

delavci v teh deželah ves po-

duk v komunizmu in sabotaži in da bodo zdaj to uporabljali doma v Italiji.

Kar je bila najbolj uspešna propaganda v južni Italiji proti komunistom je bila govornica, da bo Amerika ustavila nase-ljevanje iz Italije, če zmagajo komunisti pri volitvah.

Ameriške bojne ladje bodo najbrže v kratkem obiskale italijska pristanišča. To za slu-vedal, da je potreboval denar, da bo dekletu kupil zaročni prstan.

Nek češki begunec je povedal ameriškim oblastem, da je videl Jan Masarykovo truplo kmalu potem, ko so ga našli na dvorišču, kamor je baje skočil iz svojega stanovanja. Truplo ni imelo nobene kosti zlomljene in nobenih prask, zato misli, da je bil Masaryk zastrupljen, nato pa njegovo truplo vrženo skozi okno, kot da bi izvršil samomor.

V Belgradu smejo tujci, ki niso znani komunisti, obiskovati samo tri restavracije. In tudi v teh ne sme noben natakare streči istemu gostu dvakrat povrsti.

Predsednik Truman bo zdaj najprej in naprej poudarjal potrebo, da se prepreči ali ustavi inflacijo. To je edini način, da obrne publiko v drugo smer od raznih napak, ki jih je napravila administracija s Palestino in drugim.

V Angliji ne sme noben avto dlje kot 20 milj. Šoferji si pomagajo s tem, da jih čaka na vsakih 20 milj drug avto. Tako vozijo lahko kakor daleč hočejo, pa ne kršijo vladne odredbe. Prav kakor so v vsehih vozili pošto, ko so v vsakem mestu izmenjavali konje.

V Ameriki je danes en milijon več žensk zaposlenih, kot pred enim letom. Vzrok je draginja in ker mož ne zasluži dovolj za vse hišne potrebe.

Največ inkorporiranih mest in vasi v Ameriki ima okraj Cook, Illinois. Ima jih nič manj kot 92. Drugi je okraj Alleghany v Pennsylvaniji z 73 in tretji okraj Uassua, N. Y. z 65.

Oseba lahko stoji v štirih državah nanekrat, ako se postavi na točko, kjer se dotikajo druge države štiri države: Arizona, Utah, New Mexico in Colorado.

V Zed. državah se poroči na leto od 400 do 500 oseb, katerih starost je med 10 in 15 leti.

Ako bi povprečna ameriška gospodinja sešela vse ure, ki jih porabi za pomivanje posode, bi zneslo to štiri leta njene- ga življenja. Torej lenari ne.

James Garfield, ki je bil 20. predsednik Zed. držav, je imel nekaj svojih kampanjskih govorov za izvolitev v — nemščini.

Prvi dohodninski davek je vpeljal ameriški kongres leta 1862. Ta davek je bil v veljavi 10 let in je prinesel v vladno blagajno v 10 letih borih \$376-150,000.

Prva zračna pošta je bila vpeljena v Ameriki 15. maja 1918. Takrat je bila vpeljena samo med Washingtonom, D. C. in New Yorkom.

Not only nationally, but internationally, the accepted bookkeeping and tax service for independent businesses is "Mail-Me-Monday." Thousands of merchants in the U. S. and Canada have all business records kept, all tax returns prepared, at one economical fee (as little as 50 cents a day) by "Mail-Me-Monday." It's the better, the modern and complete bookkeeping and tax service.
