# AMPLISSIMIS ET OR-

NATISSIMIS VIRIS, SAPIENTIA ERVDITONE

uirtute & dignitate præstantibus, Domino Clementi Leyser Consuli,

& toti Senatorio ordini Reip. Vuertheimensis, Dominis

suis reuerenter colendis. S.

LARISSIMI ET VIRTUTE AC MORVM

grauitate præstantissimi uiri, honestum & crebrum usum artis diuinæ quam Musicam uocant, semper fuisse non solum apud gentes, sed etiam in Ecclesia & populo Dei, testantur tam prophanæ quàm sacrae historiae. Nam ut de Dauis de diuino uate & potentissimo rege nunc tantum exemplum afferam, produnt sacrae literæ, eum tanti fecisse harmonias Musicas, ut licet in regni Israelitici administratione & gubernatione maximas sustinuerit curas & molestias, tamen non solum elegantissimas & sanctissimas Psalmorum modulationes à Spiritu sancto excitatus cecinerit, sed etiam plurimos cantores constituerit, qui ad templum uel in domo Dei, Psalmis, tubis, cythara, distinctis & uarijs instrumentorum concentibus Deum celebrarent, & hac ratione animos ad inuocationem ac pietatem excitarent, & ueram de Deo doctrinam propagarent. Est enim ea uis Musices, ut quales illius modi sunt, tales etiam moueat & accendat affectus, & non tantum animos auditorum ad ardentiores cogitationes trahat, sed etiam morum congruentia & moderatio numeris harmonicis respondeat. Estq; uerè harmonia illa Musica imago quædam illius dulcissimi concentus, qui in coetu angelico & omnium beatorum sub filio Dei Ἰησοῦ nostro secuturus est. His & alijs causis motus antecessor meus Iohannes Montanus, sanctæ memoriae, optimis & selectissimis cantionibus excudendis Ecclesiæ plurimum profuit, & de arte Musica optimè meritus est. Etsi autem in-

firmitatem meam agnosco, tamen ad illius exemplum & imitationem cupio in officina nostra Musica conseruare & quantum fieri potest propagare. Collegi igitur consilio & auxilio honestorum & Doctorem uirorum ad usum officij uespertini canticum beatæ uirginis Mariæ, in quo Deo ueraci, potenti, & misericordi toto pectore & spiritu exultante gratias agit, pro beneficijs sibi & Ecclesiæ exhibitis, pro miranda humilis & infirmæ Ecclesiæ conseruatione, ac pro filij seu seminis benedicti missione, quemadmodum illud triplici uocum, & octo tonorum uarietate ac permutatione adhibita, ab excellentissimo huius ætatis Musico Domino Orlando di lasso elaboratum & Musicis numeris compositum extat. Hunc meum laborem & qualemcunq; conatum multis fore gratum, & Scholis ac Ecclesiæ Dei, cui in primis gratificari uolui, perutilem ac salutarem, non dubito.

Quia autem mihi constat, Montanum tuæ excellentiæ, Domino Sebastiano Erich & alijs senatorij ordinis collegis fuisse admodum familiarē, & te huius diuinæ artis suauitate & dulcedine non tantum non abhorrere, ut quidam tetrici Scytharum more, sed maximum illius cultorem & patronum esse, placuit ut ad antecessoris mei exemplum, sub tuæ dignitatis & senatus Vuertheimensis foelici nomine & auspicio, hunc meum primum foetum ederem & publicarem, atq; pro beneficijs uestris gratæ mentis significationem ostenderem, spero etiam atq; de tua præsertim humanitate mihi polliceor, uos æquo & bono animo harmonias illas accepturos, Quod cum intellexero ad cætera huius generis carmina, quæ sub prælo nostro absoluemus, uires addetis, & ad maiora Musam nostram incitabitis. Noribergæ ex officina nostra Musica, 3. die Iulij, Anno à nato Christo, 1567.

Vestræ excellentiæ deditissimus  
Theodoricus Gerlatzenus.
