

CHAMBERLAIN PET ZAGOTOVIL POMOČ POLJSKI

... za pogajanja še vedno odprta

ARSAVA POZDRAVILA IZJAVO

London, 11. jul. — Premier Chamberlain je sinoči izjavil, Velika Britanija ne bi navedla mirni reviziji štatu Gdanska, toda uprta se bo v nekakšno pučo, da postane nedo mesto spet nemška. V svoji deklaraciji o politiki je premier pogoje naglasil, da se spor med Nemčijo in Nemčijo zaradi Gdanske lahko reši s pogajanjem. Chamberlain je omenil gopoljskega zunanega ministra Becka, ki ga je imel v parlamentu 5. maja in v katerem je rešil, da se problem lahko reši, če Nemčija pokazala dobro voljo in željo po sporazumu s Poljsko.

Čečasno je premier ponovil, da bo Anglija držala do in pomagala Poljski, a bo njena neodvisnost v nevarnosti, z oboroženo silo. Podoben Poljsko in njene življenske interese.

Čeprav ponovno zagotovilo protekcije Poljske, predvsem v nekaterih krogih, da Chamberlain še ni sprejel politike "pomirjenja" s Hitlerjem in da je pripravil novi kupčiji s Hitlerjem glede Gdanske.

Poročilo iz Varšave pravi, da bi Poljska pogajala s Nemčijo pod pogojem garancije Gdanske. Na področju sestranega načrta bi Litvanov izgubila kontrolo Gdanskom, toda svobodno bi ostalo v poljskem okoliščini in poljski državi bi imeli iste pravice prebivalci Gdanske. Načrt vključuje nacistično militarizacijo Gdanskega mesta.)

Chamberlain je priznal, da Gdansk nemško mesto, toda njena trgovina, "Reka Vistule" edina poljska vodna pot do Baltika in vsled tega je za Poljsko odhod do morja življenske pomena," je dejal premier.

Če bi druga sila dobila Gdansk, bi s tem zaprla Poljski do morja in ji s tem v goslarstvem in militarističnem delu zadrgnila vrat. Oni, ki postavili sedanj status v Gdanku, so se dobro zavedali ta dejstva.

Varšava, Poljska, 11. jul. — prevladuje mnenje, da je Chamberlainova deklaracija, v kateri je ponovno zagotovilo pomoč Poljski, ublažila situacijo samo v Gdanku, temveč tudi vzhodni Evropi. Zagotovilo pomeni, da ima Poljska zaščambo pri Veliki Britaniji. Iz tega razloga je poljska vlada odpravila Chamberlainovo deklaracijo.

Akcija italijanske policije

11. jul. — Policija je odšla, da morajo vsi tujci v italijanskem delu Tirolske zapustiti kraje v prihodnjih 48 urah. Pradedi so Angličani, Francozi, Španci in drugi tujci.

Ta akcija je sledila naznanilu, da se mora 150.000 Nemcev odpraviti v prihodnjih treh mesecih na izselitve v Nemčijo. Ako ne gredo, se bodo morali podvrejati italijančemu.

Angličanski konzul v Milanu je informiral poslanika v Rimu, da je prejelo več telegramov od avstrijskih podanikov na Tirolskem, v katerih se ga obvestilo o odredbi italijanske policije. Oni hočejo vedeti, kaj naj storijo. Telegrami s alično vsebino je dobil tudi holandski poslanik v Rimu od svojih rojakov. On je namreč v urad italijanskega zunanjega ministra, kjer so ga informirali, da bodo sedaj preiskali

Čim več svoje dolžnosti opravimo v poletnih mesecih, tem prej bo naša kvota dosežena, ko pridejo zimski meseci, ki imajo tudi svoje ovire.

Besterio, profesor filozofije, je postal načelnik obrambnega sveta v Madridu, ko so drugi voditelji lojalistov pobegnili. Ta svet je bila zadnja republikanska avtoriteta v Španiji. Besterio je na obravnavi trdil, da je nasprotnik komunizma in da je skušal končati civilno vojno več mesecev pred padcem Madrida. Kritika Chamberlainove izjave

Anglija podpira poljske šoviniste

Berlin, 11. jul. — Nacistični politični krogi pravijo, da deklaracija angleškega premierja Chamberlaina o stališču njegove vlade glede spora med Poljsko in Nemčijo zaradi Gdanske, ni spremenila ničesar. Hitlerjev tisk očita premierju, da podpira poljske šoviniste. "Obzlatujemo, ker je Chamberlain popolnoma ignoriral želje prebivalcev v Gdanku, ki se hočejo združiti z Nemčijo", pravijo nacisti. "Nemci tvorijo 96 odstotkov prebivalstva v Gdanku, toda tega dejstva Anglija ne upošteva. Mi dobro vemo, da se Velika Britanija ni nikdar posebno navduševala za samoodločevanje narodov. Ako bi se bila, bi njen imperij že davno razpadel."

Nacistični tisk omenja, da je Chamberlain v svojem govoru priznal, da je Poljska pričela z mobilizacijo svoje oborožene sile in potem zavrnila nemški predlog glede pogajanj v svrhu re-

Socialistična zmaga na Finskem

Fašisti izgubili sedem sedežev v parlamentu

Helsingfors, Finska. — Po fašistih in nacistih subvencionirana volilna kampanja proti sedajnji vladi in demokraciji ni mogla rešiti patriotične (fašistične) stranke pred porazom. Izgubila je 50 odstotkov glasov pri zadnjih volitvah in sedem izmed štirinajstih sedežev, ki jih je izvojevala l. 1936. Njena učinkovitost kot opozicijska stranka je padla.

Velika zmaga demokratičnih sil, ki zdaj kontrolirajo vlado, je rasvidna iz števila glasov, ki so jih dobili socialisti, agrarci in progresivci. Vse te stranke so reprezentirane v vladi. V kabinetu je pet socialistov, pet agrarcev in trije progresivci. Konservativci so dobili tri nadaljnje sedeže v parlamentu, švedska stranka, ki reprezentira švedsko manjšino na Finskem, pa je izgubila tri sedeže.

Blok, ki ga tvorijo socialisti, kmetje in progresivci, bo imel v novem parlamentu 149 izmed 200 sedežev. Volitve so se vršile po sistemu proporcije reprezentacije in ta blok je zmagal na vsaj črti. Socialni demokrati so ostali najmočnejša skupina v parlamentu, v katerem imajo 83 sedežev, kmetjska stranka pa 53.

Nemški nacisti imajo že dolgo očel uprte na Finsko, slati na njene godove in druge vire. Finska izvozi letno lesa v tujemstvo v vrednosti \$80.000.000, velike zaloge mesa in mlečarskih izdelkov, med temi maslo in sir. V Nemčiji je pomanjkanje tega blaga, zato bi nacisti radi sklenili kupčijo glede izmenjave tega blaga z nemškimi industrijskimi produkti.

Socialisti ne imajo predvsem zahvaliti za zmago svojemu razširjenemu tisku, ki razkriva nacistično propagando. Socialistične aktivnosti so zelo učinkovite in voditelji gibanja napovedujejo, da bo stranka imela večino v parlamentu po prihodnjih volitvah.

Whitney brani Wagnerjev zakon

Kongresna preiskava delavskega odbora

Washington, D. C. — B. A. Whitney, predsednik bratovščine železniških spremnikov, je dejal pred člani senatskega delavskega odbora, ki vodi zaslišanje o amandiranju Wagnerjevega zakona, da bi predlagani dodatki uničili ta zakon in poostri konflikte med delavci in delodajalci. "Razmrevarjeni zakon ne bi imel nobenega pomena in delavci bi obrnili hrbet delavskemu odboru, ki ne bi imel v smislu predlaganih dodatkov nobene oblasti," je rekel Whitney.

Senator Burke, demokrat iz Nebraske in avtor dodatka, ki prepoveduje siljenje delavcev v unije s katerikoli strani, je vprašal Whitneyja, ali je njegova organizacija proti vsaki reviziji zakona. Whitney je odgovoril, da njegova organizacija zahteva, da zakon ostane, kakršen je.

Iste sile, ki so aktivne v kampanji, da uničijo Wagnerjev zakon, so predložile tudi resolucijo, da kongres odredi preiskavo delavskega odbora in administracije meznega zakona. Predstavniki teh sil v višji kongresni zbornici je senator Burke, v nižji pa kongresnik Cox.

STAVKA AVTNIH MEHANIKOV SE RAZTEGNILA

Cani unije CIO piketirajo tovarne

UNIJA PREDLOŽILA ZAHTEVE

Detroit, Mich., 11. jul. — Avtna unija CIO je raztegnila stavko na tovarne korporacije General Motors v Pontiacu, Saginawu, Mich., in Clevelandu. V Pontiacu je 450 piketov obklojilo tovarno Fisher Body Co., podružnico korporacije, čeprav je mestni upravitelj William P. Edmonson izjavil, da bo policija preprečila piketiranje. Unija je nato ojačila vrste piketov pred vhodi v tovarne.

Piketi so šestkrat pregnali grupo 50 policajev in šerifskih deputetov, ki so skušali odpreti pot v tovarno. Avtoritete so se potem podale in čez tisoč delavcev, ki niso zavezovali v stavki, ni moglo iti na delo v tovarno. Policijski načelnik Charles S. Rhodes je dejal, da nima dovolj policajev in da valed tega ne more kontrolirati situacije.

Upravitelj Edmonson je naznanil, da se je več delavcev oglasilo v njegovem uradu in zahtevalo policijsko protekcijo, da se bodo lahko vrnili na delo. On je potem konferiral tudi s voditelji unije. Slednji so obljubili, da bodo skušali preprečiti nasilja, ne bodo pa ustavili piketiranja. B. J. Thomas, predsednik unije CIO, je dejal, da bodo stavkarji oblegali tovarne korporacije v Detroitu in Pontiacu.

V tovarni Fisher Body Co. v Clevelandu so avtni mehaniki in drugi izurjeni delavci tudi zastavkali. V stavki je zavezovalih najmanj 6000 delavcev. Unija CIO je ponovno predložila zahteve glede meze, delovnih ur in delovnih pogojev.

Stavka avtnih mehanikov se je pričela 5. julija, ko je General Motors Corp. odklonila pogajanja z unijo CIO. Naznanila je, da ne bo sklenila pogodbe, dokler ne bo na jasnim, katere unija, Thomasova ali Martinova, predstavlja večino delavcev. Korporacija je podpisala prejšnjo pogodbo, ko še ni bilo razkola v vrstah organiziranih avtnih delavcev.

Padec prometa v Trstu in Reki

Posledica ekspanzije nacistične Nemčije

Pariz, 11. jul. — Odkar je Hitler priključil Avstrijo k Nemčiji in okupiral Češko in Moravsko, je pričel padati promet v Trstu in Reki, italijanskih lukah ob Jadranskem morju. Tako pravijo avtoritete in ekonomski veščaki, ki so zbrali podatke o obsegu italijanskega prometa v pristanicah od nemške aneksije Avstrije in Češkoslovaške.

Koristi od padca prometa v Trstu in Reki imata Hamburg in Bremen. V reški luki je promet l. 1937 znašal 401.000 ton, preteklo leto pa je padel na 332.000 ton. V Trstu je promet padel v istem času od 1.041.000 ton na 887.000 ton. Statistike o učinku nacistične okupacije Češkoslovaške na promet se ni, toda informirani krogi trdijo, da so posledice katastrofalne.

Češkoslovaška trgovina pred uničenjem republike je predstavljal okrog 45 odstotkov prometa v Trstu. Ta je bila uničena popolnoma vsaj začasno. Luki v Trstu in Reki sta izgubili ekonomsko zaledje z ekspanzijo nacistične Nemčije.

Izlet mladinskih krožkov in o izletnem prostoru

Cleveland, O. — V Prosveti je bilo že poročano, da so društva Slovenske narodne podporne jednote v Clevelandu kupila svoje izletniške prostore, na katerih se bodo vršile razne zabave, izleti, pikniki itd. O nabavi izletniških prostorov se je že dolgo govorilo, končno pa se je stvar le uresničila. Zanimivo je, da so se mnogi bali tega podvzeta, a sedaj, ko je prostor kupljen, pa so se navdušili zanj in so pripravili celo brezplačno pomagati pri preureditvi. Tako je prav, le v kooperaciji je uspeh! Z dobro voljo in bratskim razumevanjem se da vse doseči in prostor se bo poceni preuredil, da bo služil za tiste namene, za katere je bil kupljen, to je: za agitacijo naše velike jednote!

Ze danes lahko vidimo, da bodo prostori služili svojemu namenu. V nedeljo, 16. julija (to nedeljo) bodo imeli skupni mladinski krožki izlet, v nedeljo 23. julija se vrši ples in zabava društva Comrades, v nedeljo 6. avgusta bo velika oficijelna otvoritev prostorov, v nedeljo 13. avgusta pa bo imela Cankarjeva ustanova "basket" piknik. Kajne, stvar že gre v klasje, če pomislimo, da je bil prostor šele pred kratkim nabavljen.

Nekaj navodil starešem otrok mladinskega krožka št. 13. (Krožek št. 13 sestoji iz članov mladinskega oddelka društva Napreja in društva Vodnikovega venca.) V nedeljo ob pol desetih jutraj se naj otroci zberejo pred Narodnim domom na St. Clair ave., od koder jih bomo z avtomobili odpeljali na izletniške prostore. Otroci naj s seboj vzamejo malo lunca. Oni starši, ki imajo avtomobile in se bodo tudi sami udeležili izleta, naj slede sledečim direktivam: Najprvo naj zavijejo na Chardon Rd. in po njem vozijo do drugega mostu, nato pa zavijejo na Health Rd., na katerem so izletniški prostori. Torej v nedeljo se vidimo!

V ta namen e razpisalo nagrade za pridobivanje novih članov v oba oddelka. Ta nagrada znaša \$1 za posameznega člana, \$10 za pet članov in \$25 za deset članov. To seveda velja samo za naše društvo. Vsak novi član mora biti dobrostoječ eno leto, šele potem se izplača nagrada iz društvene blagajne.

Sedaj pa na delo, bratje in sestre, za čim večjo SNPJ in za čim večje društvo Delavec. Nudi se vam lepa prilika, da dobiti razpisane nagrade. Poleg teh so tudi nagrade SNPJ, kar je že vsakemu znano.

Članstvo našega društva tudi želim opozoriti na sklep letne seje, da vsaki član in članica plača en dolar v društveno blagajno, ker ne bomo imeli letnega piknika. Prosim, da to upoštevate.

Frank Knafec, tajnik.

Zadeve Slavije št. 1

Chicago, Ill. — Kot že večkrat omenjeno v seznamu priredb društev čikaške federacije, bo društvo Slavija št. 1 SNPJ priredilo običajno letno vinsko trgatev s plesom v soboto 14. oktobra t. l. v dvorani SNPJ. Kolikor nam je do sedaj znano, na ta dan še ni registrirane nobene druge slovenske priredbe v Chicagu ali okolici. Apelliramo torej na vsa društva in klube, da ne prirejajo svojih veselice na omenjeni dan. Prirejanje po več veselice na en dan škoduje vsem prizadetim strankam. Z dobro voljo in kooperacijo društva in klubi lahko nudijo vsaj moralno medsebojno pomoč pri vseh prireditvah v naselbinah.

Člane Slavije opozarjam, da se v polnem številu udeležite redne seje v petek 14. julija v navadnem prostoru. Potrebno je, da se zopet malo oživimo, da se pogledimo v delo za jesensko prireditev, da pogledamo kje bomo dobili vsaj sedem novih članov v tem letu kampanje. Lansko leto sm odsegli svojo kvoto, ali dosežemo to tudi letos?

One, kateri še niso plačali ali vrnili vstopnic za domačo zabavo z dne 25. marca, prosim, da to nemudoma store. Ravno tako apelliram na tiste člane, ki še niso poravnali za vstopnice federalne priredbe za proslavo 35-letnice SNPJ, da to store brez odlašanja, ker le na ta način nam bo mogoče podati pomoč.

Piknik gospodinjskega kluba

Imperial, Pa. — Članice gospodinjskega kluba smo sklenile, da priredimo piknik dne 30. julija. To bo naš prvi piknik, odkar je bil ustanovljen gospodinjski odsek društva 106 SNPJ. Zatorej uljudno vabimo vse občinstvo iz bližnjih in oddaljenih naselbin, posebno pa gospodinjske klube, da bi prišli ta dan zopet k nam, da se zopet skupno razveselimo. Godbo bomo imeli tako, da se bo lahko vsakdo naplesal, bodisi po slovensko ali po angleško. Igral bo orkester Jacoba Martinčiča ml. To je nova skupina štirih fantov iz Strabana. Skrbelje bomo tudi, da bomo posetnikom dobro postregle.

Apelliram tudi, da vsak član redno plača svoj assessment, kajti ob koncu meseca je treba plačati za vse člane, ali pa suspendirati one, ki so pozabili na svojo dolžnost. Glasovi iz naselbin

Iz Kansasa

Frontenac, Kans. — Proslava 35-letnice društva 9 SNPJ dne 1. julija, upam, da je zadostila svojemu namenu in bo tudi nekaj koristi od nje.

Kar se tiče nas starin, sta bila za nas govornika M. Stefančič in A. Sular, za mladino pa A. Jelovčan in Olga Knapič.

Zadnji govornik je bil gl. tajnik Fred Vider, ki je govoril v obeh jezikih, to je za stare, ako so ga razumeli, in za mladino, ako bo upoštevala njegove nasvete.

Potem je sledila prosta zabava in ples in pa bratsko petje, ki se je glasilo nekako takole: "Bratje, pijmo ječmenovec, naj voda tiam stoji; naj tisti pije vodo, ki za ečmenov's ne trpi."

In še tole: Yalceni so se vsi hvalili, da so brez policije, toda ob 12. uri smo morali zapustiti naselbino Yale. Gotov sem, da mi čez 35 let ne bo treba več kaj takega storiti.

Kar se tiče delavskih razmer, jih ni vredno omenjati. Kot sem že enkrat prej poročal, nas še vse čaka, toda moramo z veseljem še malo potpeti, ker sčasoma vse pride. Kot je razvidno iz dnevnih dogodkov, se nam nič dobrega ne obeta. Pa je še tako: kar večina hoče, to ima, manjšina pa ima koristi od tega.

V nedeljo dne 16. julija je seja združnega pogrebnega zavoda. Priporočljivo je, da se delničarji udeležijo tega zborovanja. Tisti, ki govorijo neresnične stvari, je veliko bolje zanje, da prenehajo s takim opravičevanjem, ker ste lahko sigurni, da take pravljice imajo kratke noge.

Frank Kraselj, 27.

O jednotinem dnevu

Latrobe, Pa. — Kakor stotine rojakov in članov SNPJ, tako se je tudi naša družina odpravila na 25. junija v Clairton, kjer smo proslavljali dan SNPJ in jednotino 35-letnico. Spotoma smo se ustavili v Greensburgu pri br. Maroviču. Tudi on je zapregel svoj Plymouth, se nam pridružil s svojo družino in smo šli skupaj v Shady park.

Ko smo prišli tja, smo najprvo videli br. Ogorelca iz Homer Cityja in njegovo družino, potem družino Selak iz Star Cityja, W. Va., nato kar drug za drugim br. Petroviča in njegovo ženo iz Clevelanda, br. Terčelj, gl. porotnika SNPJ, br. Bolko iz Milwaukeeja in nešteto drugih, kot so Ambrozich in mrs. Jerala iz Moon Runa, mrs. Gorenc in Jamnik iz Imperiala, mrs. Strimljan iz Libraryja, Valentičičeve iz Sharona—glavo družine in našega rednega dopisovalca Prosvete br. Valentičiča nisem videla. Od tam so bili tudi Garm, Cvelbar, Rupert in drugi, kakor so rekli, okrog 20 po številu. Videli smo tudi našega starega znanca in prijatelja Roka Lesarja iz Verone in mnogo drugih prijateljev in znancev.

Udeležba je bila velika, rekli so, da okoli dva tisoč. Program je bil vseskozi zanimiv. Br. Petrovič, predsednik govpodarskega odseka, je bil glavni govornik. Govorili so tudi br. Terčelj, br. Bolka, clairtonski župan in br. Cipič, predsednik federacije društev SNPJ v zapadni Penni. On je govoril o SNPJ, potem pa je rekel, da se da je ustanovljena boljša organizacija, ki bo proslavljala slovenski dan. Ker br. Cipiča poznam kot aktivnega člana SNPJ, se mi čudno vidi, ker je rekel, da so ustanovili boljšo organizacijo. Koliko dobrega je jednota že storila za svoje član-

stvo, ne bom opisovala, ker je članstvu to dobro znano. Kaj imamo pričakovati od slovenskega dneva, je drugo vprašanje. Br. Zupančič je govoril o Slovencih in slovenskem dnevu.

Vsako si lahko po svoje tolmači slovenski dan, ali pa kateri drugi narodni dan. Jaz mislim, da s tem dnevom in proslavo ne bo slovenski narod čisto nič drugega dosegel kot to, da bo ob času volitev ali ob kateri drugi priliki izbral kakšen politik sebi v korist.

Po mojem mnenju imamo priliko pokazati svoje aktivnosti in tudi kaj smo, ko imajo federacije ali društva SNPJ priredbe kot je dan SNPJ. Na takih slavnostih, ki v resnici nekaj pomenijo, imamo priliko, da se skupaj snidemo iz vseh krajev Amerike in tako proslavljamo D E L O ORGANIZACIJE, KI NAM JE V RESNICI KORISTNA in nam daje duševno in telesno hrano. Imamo list Prosveto, ki nas uči in nam daje izobrazbo, kakršne mi delavci potrebujemo. Enkrat v tednu se tiska tudi v angleščini. Mladinski List izhaja za otroke in jih vzgaja v naprednem delavskem duhu. Mladina, ki se zanima za svojo materno govorico, govori tudi slovenski in nekateri so večji našega jezika tudi v branju in pisavi. Ako bi skupina voditelj slovenskega dneva, ki pravijo, da moramo skupaj delati, res delala za skupnost, bi agitirali za dan SNPJ in se tam pokazali, kaj smo. Moje vprašanje je: Ako ste za skupnost, zakaj tudi ne delate v tem smislu?

V Ameriko smo večinoma prišli iz potrebe; iz naših rojstnih krajev nas je pognalo pomanjkanje. Res nismo tukaj vsi dobili najbolje, toda svoboda pa imamo. Imamo raznovrstne organizacije in vsaka narodnostna skupina lahko posluje in občuje v svojem jeziku; nikdo ga pri tem ne nadleguje. Kadar pa greš za delom, te ne vprašajo, kakšne narodnosti si, marveč kaj znaš. Ako smo ameriški državljanji, smo enakopravni Američani.

Take stvari kot je "slovenski dan" — ali poljski dan, židovski dan itd. itd.—bi bile lahko na mestu le, ako bi bili mi preganjani in teptani kot narodnost. Tako pa take "slavnosti" služijo le ambicijam malih in večjih politikov, ki žele plezati po hrbtih svojih rojakov in prodajati njih glasove korumpiranim političnim bossom starih strank v zameno, da si zase priborijo politične službe ali druge osebne ugodnosti. Delavstvo ne more iskati isihoda v raznih narodnostnih dnevih, ki ga v resnici bolj ponažujejo kakor dvigajo, marveč v svojih lastnih DELAVSKIH organizacijah in proslavah.

Clairtonski župan J. Mullen je napravil z delavskega stališča zelo dober govor. Apeliral je na navzoče, naj se organizirajo in pristopijo v unije, ker v združenju je moč. Mislim, da bodo o tej proslavi tudi drugi pisali, zato naj za danes zadostuje.

Mary Fradel, 725.

O zapuščenem spomeniku delavskih žrtve

Fort Lyon, Colo. — Najprvo nekaj kritike, ker je znano, da je konstruktivna kritika dobra za napredek. Nekateri dopisniki pišejo o kampanjah za nove člane, a rezultati so slabi. Federacijske priredbe ne prinesejo uspehov kot bi si jih želeli. Starejši člani so agilni, toda vse nič ne pomaga. Mladina dela kar hoče, in dokler mi starši plačujemo, toliko časa so člani. To je izkušnja večine.

Vse prehitro čas beži in vse se pozabi. Pred 30 leti so bile drugačne razmere, ko so pionirji orali ledino. Mnogo jih je žrtvovalo življenje v borbi za vsakdanji kruh. Tisti, ki smo ostali, smo prehitro pozabili nanje; na tiste, ki so dali podlago društvenim načelom in dedicem pomagali gmotno še po smrti.

V mislih imam namreč onih 36 članov raznih slovenskih organizacij, ki so umrli v Primeru v eksploziji leta 1910.

Na pokopališču v Trinidadu stoji osamljen in zapuščen spominski kamen, ki je bil postavljen tem žrtvom in za katerega je Matija Pogorelec največ delal. Plačan je bil iz donoskov Slovencev po vsej Ameriki. Da bi Matija videl ta spomenik na spominski dan, bi se zjokal. Niti ene cvetlice ni bilo zraven. Zemlja okrog njega je gola in razrita od prerijskih podgan, kot da se rudnik podira pod njim. Uprava pokopališča je pripravljena napraviti lep prostor okrog spomenikov, seveda za denar. Spomenik ubitim Poljakom, ki stoji prav zraven, je lepo oskrbovan, trava okrog njega je lepa, mehka in zelena. Okoli našega je pa gola prerija.

Sramota za naš narod, ker smo tako hitro pozabili na zgodovinske dogodke. Prav te nesreče v rudnikih so dale našim ljudem pogoje za rast. Kri tistih pionirjev je gnajla koreninam jednote. V tistih časih je bilo lahko dobiti nove člane, ker je jednota vedno pošteno plačevala svoje obveznosti, nikdo pa ni vedel ne ure ne dneva, kdaj pride nesreča. Zdej pa pravijo: Kaj mi če društvo? Ko bom star, bom šel v penzjo ali v ukrajno zavetišče.

Jaz priporočam, naj okrožna federacija SNPJ nekaj ukrene o tem, da se ne pozabi tistih, ki so nam dokazali, kako koristna je jednota v kritičnih časih. Federacija naj izbere odbor, ki naj poizve, če je tisti prostor plačan za stalno oskrbo (perpetual care). Če ni, naj se iz federacijske blagajne dovoli toliko, da se to stori. Čeprav ne verjamem v posmrtnost, sem za to, da se zgodovini ohrani spomin pionirjev naše jednote, vsaj za eno ali dve generaciji. Jaz živim 110 milj od Trinidada in vsako leto, ko obiščem pokopališče na spominski dan, grem k temu spomeniku, toda nikoli ne srečam nobenega Slovence, "ker jih je menda strah ali sram tistega prostora."

Letos je bil tu na obisku moj brat Leo iz Chicaga. Prvič v 25 letih je bil tu. Oglevala sva si seveda tudi omenjeni spomenik. Tudi on je bil zelo začuden, ko je videl vse razmrčevano. Sva sva tudi obiskali nekaj znancev in prijateljev v okolici, tako tudi v Ratonu, Sugaritu in Yankeeju, N. Mex. Obiskala sva Richarda Cudra, Joeva Zupana in Johna Pavlica st. V Ratonu sva se ustavila par minut pri Johnu Kešu, kjer sva tudi našla Louisa Koprivo in pa drugih rojakov. Pri Rihardu Cudru sva videla sliko, ki je bila sneta ob času odkritja prej omenjenega spomenika. To aliko sem jaz podaril družini Joeva Shoemakerja pred 26 leti. Zdej je v Rihardovem stanovanju poleg čarterja društva 154. Na tej sliki je več sto Slovencev in Hrvatov, ki so prisostvovali tisti slavnosti, in je velikega zgodovinskega pomena. Upam, da Rihard in društvo 154 skupno ohranita ta spomin, dokler bo kdo živ.

Obžalujem, da sva imela tako malo časa na razpolago in sva morala tako hitro nazaj na Sopris, kjer sva bila dva dni. Prenočevala sva pri dobro znanem rojaku Sylvestru Berentinu. Od tam smo šli malo po okolici in v hribe malo ohladiti se. Nekaj dni pozneje smo šli tudi v Denver in okolice, kjer smo obiskali stare znance in prijatelje, kot družino Johna Shoemakerja, Tonyja Podboja, Louisa Proška; v Lafayetteu družini Louisa Krainca in Franka Rogla, v Louisvillu pa družini Johna Sarfatiča in Franka Hafnerja. Vsem skupaj kličeva z bratom: hvala za prijazen sprejem in postrežbo in na veselo svidenje. Pozdrav vsem skupaj.

O društvenih sejah

Pittsburgh, Pa.—Kaj je verok, da se člani ne udeležujejo društvenih sej? To vprašanje se ponavlja skoro na vsaki društveni seji. Za to so razni vzroki, v največ primerih pa se to pripisuje malomarnosti in brezbriznosti članstva. Ako je malomarnost in brezbriznost temu v resnici krivo, bi bilo vsekakor zanimivo najti vzroke, od kod izvira ta brezbriznost. Ker je tako lepo število našega članstva imelo voljo za pristop k organizaciji, bi vsekakor moralo imeti tudi interes za udeleževanje društvenih sej. Naša društva niso privatne korporacije, da bi gotove,

za to postavljene osebe reševale vse probleme, ampak so bratske organizacije, katerih probleme moramo tudi po bratsko reševati.

Udeležba na društvenih sejah je bila poveljni pri vseh slovenskih organizacijah. Res, da imamo nekatere častne izjeme, vendar pa to ne zadostuje. Društvena seja so važne ne samo zato, da se upravičeno nakažejo podpore in plača društveni assement, ampak tudi z družabnega in kulturnega stališča. Važno so sploh za prosep jednote.

Na društvenih sejah se morejo snovati agitacije za pridobivanje članstva in reševati mnogi drugi problemi, ki so v korist organizacije ter delavskega ekonomskega položaja, od katerega so posredno odvisne tudi naše organizacije in njih obstoj. V splošnem pa to koristi članstvu samemu, ki s prisostvovanjem in reševanjem problemov bistri svoj razum ter s tem marsikaj pripomore človeški družbi.

Dobro obiskane društvene seje so tudi ponos društvu, jednoti in članstvu samemu, ki se zaveda svojih dolžnosti in pravic. Vse to pa je dobra podlaga za izpolnjevanje naših načel, ki so jih začrtali naši pionirji. Za izpolnjevanje načel pa smo se zavzeli z vstopom v jednote. Vsekakor je razumevno, da so naši pionirji predvidevali potrebo naše organizacije ne samo iz razloga, da se zavarujemo za bolezen in smrtino, ampak da tudi bodrimo delavski duh v naših vrstah ter s tem dovršujemo njih započeto delo.

Trimesečni ali polletne seje pa so važne za vse članstvo, ker se na teh sejah podajajo bilancne trimesečne poslovanja. To pa ne samo finančno stanje društva, ampak tudi porast ali upad članstva pa je važnejši, ker ta je podlaga finančnemu stanju. S priznanjem kakor z upadom članstva se menja društveni dohodek, kar ima v mnogih slučajih celo vpliv na društveni assement.

Društveni assement pa ima vpliv na agitacijo, širjenje našega članstva in obstoja naše jednote. Kot že rečeno, da SNPJ ni bila ustanovljena samo za zavarovanje, ampak tudi, da se bodri in utrjuje delavski duh za borbo za izboljšanje delavskega ekonomskega položaja, od katerega je tudi odvisen obstoj naše jednote.

Dnevno se porajajo problemi, ki imajo svoj vpliv na naša društva in jednote ter se tičejo nas vseh, ne samo nekaterih, da jih razmotrujemo in rešujemo. Mnogo plevla se premelje na društvenih sejah radi nezadostne udeležbe, kakor tudi po časopisu, naj potrebnejše pa puščamo na strani. Vsi zgoraj navedeni razlogi nam dajejo dovolj povoda in razloga, da se udeležujemo društvenih sej.

Odložimo mlačnost in malobriznost, postanimo aktivnejši na vseh poljih, ki so jih predvidevali naši pionirji; vršimo naloge, ki smo si jih nadeli z vstopom v društvo in jednote. Izgovor, da smo prestari, ne drži; nihče ni prestar za razvedrilo, udeleževanje in pospeševanje na polju prosvete, kulture in politike. Nihče ni prestar, da ne bi mogel pridobiti novega člana; kakor nikdo ni prestar, da ne bi mogel samostojno misliti.

Sledimo našim načelom po poti, ki so je začrtali Konda, Zaverčnik in drugi pionirji, ki so predvidevali bratstvo, izobrazbo in borbo za delavske pravice. Onim, ki pa se izneverjajo nam začrtanim smericam, pa prečrtajmo njih namene, ki niso z načelom naše jednote. Mnogo dobrega in potrebnega dela moramo izvršiti, ako se udeležujemo društvenih sej in smo dosledni na njih.

Ako med nami v resnici prevladuje mlačnost in brezbriznost, spremenimo ta svojstva v gorečnost in aktivnost, za obstoj in prosep naše jednote in delavskih pravic. Naša vprašanja, zakaj se ne udeležujemo društvenih sej, naj se pa spremenijo v vprašanje, zakaj se udeležujemo naših društvenih sej. Z udeleževanjem društvenih sej bomo pokazali, da nismo otrodje drugih—da znamo samostojno misliti, reševati probleme in da smo vredni člani naše jednote in človeške družbe. Zato vsi na seje!

Newyorška razstava

Ivan Molek
Mednarodne razstave v Združenih državah so postale epidemija v povojnih letih. Vrste se mujejo med seboj — katera bo boljša. Letos je pa ta tekma dosegla rekord — Amerika ima kar dve razstavi hkrati, eno v New Yorku in drugo v San Franciscu. Newyorška je vsekakor večja, toda po poročilih iz San Franciscu sodim, da razstava tamkaj ne zaostaja dosti v bogastvu in lepoti za newyorško.

V drugi polovici junija sem porabil letošnje počitnice za obisk newyorške razstave. Obisk obeh razstav v enem letu je v mojih razmerah nemogoč, torej je bilo treba izbrati — brez vsakih diaskriminacij — ono, ki je bližja. Tako moram pribiti, da je dva tedna premalom za natančen ogled razstave in poleg tega še za ogled vsaj glavnih znamenitosti newyorškega mesta, največjega v Ameriki in drugega največjega na svetu; za to je treba najmanj dveh mesecev.

Kdor je videl čikaško razstavo Stoletja napredka v letih 1933 in 1934, ima lahko nekakaj pojma, kako se prirejajo takile "svetovni semjnji" — deloma cirkusi — in lahko primerja, kdo se je bolj postavil. Da so te razstave v glavnem velika reklama kapitalističnih močev, pred vsem domačih, je že davno znano, ampak newyorška ima letos prvič v zgodovini tudi primere italijansko-fašistične in rusko-komunistične reklame ali propagande — in vse tri propagande se momentalno tolerirajo druga poleg druge ...

Newyorška razstava se uradno naziva Razstava sveta bodočnosti. V središču razstavišča se nahaja ogromna kroglja poleg koničastega stolpa in ta kroglja skuša predstavljati "svet bodočnosti." Plačala 25c in potegnemo te po visokem eskalatorju v notranjost te krogle in ko tamkaj stojiš na vrtečem se mostovžu, vidiš pod sabo "bodoči svet" — figurice mest, cest, železnice, rek, pristanov, letališč, nasadov in parkov v reliefu. Meni se tista reč ni zdelo vredna 25c.

Veliko bolje so priredili "bodočnost" v paviljonu General Motor Co., kjer se brezplačno vozijo naokrog po dve tretjini milje dolgem prostoru v komodnem, mehkem naslanjaju in gledaš malo nižje pred sabo dolge panorame mest, polj, hribov in gorških grebenov, vmes pa so široke švte ceste z osmimi vrstami avtov, ki se nikjer ne križajo, nikjer ne vzpenjajo navkreber in skozi mesta peljejo po mostovih nad hišami, skozi visoke gore pa po predorih. Ko gledaš te čudovite bodoče ceste, ti tik ob denem ušesu iz majhnega zvočnika zelo prijazne, mehke glas pripoveduje, kako bo lepo, ko bo avtvi promet zares svoboden, ko ne bo več gnetje v cestah, ko ne bo več signalov "Stoj" in "Pojd", ko ne bo klančev in dolin, nikjer nobene zaprte in nobene prilike za karambole in nesreče — ko bodo avti brez skrbi drveli 75 milj v uri. Zares čudovita bodočnost! In temu čudesu pripelje "futurama".

Vsa "bodočnost", katero si zamišlja in silka na newyorški razstavi kapitalistično prebita pamet, je seveda nekoliko izboljšana — sedanjost. V dobrih desetih ali dvajsetih letih je vse to lahko doseženo. Ceste so razširjene, križišča odpravljena, mesta so večja, nebotičniki so višji itd., ampak vse je urejeno s stališča individualistične, privatne ekonomije. Nekoliko boljše kot danes, a še vedno danes!

Govoriti o bodočnosti, ki bo fundamentalno drugačna od sedanjosti, je nemogoče v — današnjem jeziku. Kakor če bi hotel avstralski bišman s svojimi mizernimi sto besedami opisati proces radia ali televizije ali Einsteinovo teorijo! Bodočnost bo imela druge, nove izraze za nove reči in novo življenje.

Po mojem mnenju bodočnosti ne bo poznala mest kot je New York, Chicago in drugih njihovih monstrumov, kakršni so mogoči le v perverzni kapitalistični dobi. Današnja ogromna mesta z ogromnimi nebotičniki so spake kot so bili dinozavri v veku kuščaric, ki so zrasli poginili, ko vseh proporcij in potem žalostno poginili, ko je potegnila prva mrzla sapa. Prav tako bodo poginila današnja monstrumska mesta, ki so nenaravna, kajti natura se protivi, da se ljudje gnetli na velikanskih kupih. In v New Yorku se danes gnete sedem milijonov ljudi, katerim na vseh koncih manjka tal, zato pa silijo v zrak, v stonadstropne hiše.

Razstava "Sveta bodočnosti" je bункum — kolikor hoče cikati na resnično bodočnost. Razstava pravno predstavlja sedanjost in preteklost in to je že dosti. Dalje predstavlja še večko — sebičnost in izkoriščanje človeka po človeku kot glavno os, okoli katere se suče današnja človeška družba. — (Dalje prihodnji petek.)

Jubilejna kampanja

Jubilejna članska kampanja SNPJ v letu 35-letnice jednote se je začela 1. aprila t. l. in bo trajala do konca leta, torej devet mesecev.

Oba članska oddelka štejeta v tej kampanji in določene nagrade veljajo za pridobljene otroke kakor za odrasle nove člane.

Pravilno je, da SNPJ v tej jubilejni kampanji v letu svoje 35-letnice dobi najmanj 3500 novih članov v oba članska oddelka.

Kako bo ta cilj kampanje najlaže dosežen? Tako, da vsa društva SNPJ sodelujejo! Vsako društvo naj se potrdi, da dobi v devetih mesecih najmanj SEDEM novih članov, odraslih ali otrok ali obojih — in cilj bo dosežen. Naprej, bratje in sestre!

Le izobrazba vodi k napredku

Znanstvena izobrazba je delo razuma. Vsak zdrav, normalen človek ima razum, čigar sedež je v možganih. Vsak zdrav, normalen človek se lahko posluži svojega razuma in si pridobi potrebnega znanja.

Znanje, najsiho špacično ali vsestransko, ni več monopol privilegiranih stanov ali posameznikov, marveč je na razpolago vsakomur, ki ga hoče. Zlasti velja to za Ameriko, kjer si človek lahko z majhnim trudom — in večkrat brez posebnih stroškov — pridobi potrebno izobrazbo.

Dejstvo pa je, da se velik odstotek ljudi ne briga dosti za izobrazbo. Med temi ljudmi je veliko številno priseljencev, ki bi že lahko spoznali, kako jih na vseh koncih in krajih tepe njihova ignoranca, pa ne morejo tega spoznati. Nevedni, neizobraženi ljudje so že od nekdaj predmet izkoriščanja; vsakemu šarlatanu radi nasedejo, vsakdo jih lahko potegne za nos in povsod so le orodje v rokah onih, ki živijo od masne ignorance.

Vzrok, da se masa ne briga za lastno izobrazbo in raje posluša in verjame onim, ki "vse vedo", je miselna lenoba.

Neverjetno je, koliko je še ljudi, ki se boje mišljanja. Razmišljanje je za ljudi, ki imajo pasivne možgane, težje delo, kakor da bi ves dan valil najtežje skale v breg. Nič ni čudnega, če taki ljudje kmalu pozabijo vse, kar so se naučili v osnovni šoli — ker jih nihče več ne sili k učenju; in če kdaj vzejemo kakšno čtivo v roke, čitajo kar tja v en dan, ker nič ne razmišljajo o tem, kar čitajo.

Koristna izobrazba pa zahteva ljudi z aktivnimi možgani, ki lahko razmišljajo brez težave. Aktivni možgani niso nobena prirojena lastnost — vsak zdrav, normalen človek je lahko aktiven z možgani kakor z rokami — treba je le, da človek enkrat premagaa miselno lenobo. Človek se prav tako lahko navadi misliti, kot se navadi vsakega dela z rokami. Saj je vsak izučen delavec hkrati umski delavec; vsaka obrt, vsako intelektualno delo je šola, ki mora trajati vse življenje.

Prava demokracija je nemogoča brez večine izobraženih ljudi; prav tako je ekonomsko izkoriščanje in politično diktatorstvo vsake vrste nemogoče brez nevedne mase, katera se pušči vsakemu potegniti. Zavajalna propaganda vsake vrste se redi najbolj med preprostimi in miselno lenimi ljudmi.

Miselno len, neizobražen človek posnema le druge, kajti sam ne umeva nobene potrebe in izpremembe na bolje. To je dokaz, da le izobraženi ljudje ustvarjajo vsestranski napredek človeške družbe — toda nevedna masa mora drago plačevati napredek; plačuje ga z lastnim trpljenjem, ker si drugače ne zna pomagati.

Vse drugače bi življenje teklo slehernemu posamezniku, če bi se večina otresla miselne pasivnosti in se bi uvedla v aktivno sodelovanje na vseh poljih. Ekonomske, politične in vojaške diktature bi ne bile nikjer potrebne, izkoriščanja z delom bi ne bilo in vsake nasilnosti in krivičnosti bi bilo kmalu konec.

Človeška družba mora biti znanstveno organizirana v eni sami in veliki kooperativi, če hoče uživati dobro in pravično življenje — takšna organizacija bo pa mogoča le tedaj, kadar bo večina ljudi znanstveno izobražena.

O piknikskih "čigerjih"
Arma, Kansas. — Smo v sezoni piknikov in, kajpak, "čigerjev", komarjev, sto stopinj vročine in podobnih "dobrot", ki smo jih deležni poletni čas.

V Kansasu imamo letos več raznih društvenih piknikov kot druga leta. Toda so to vedno ena in ista društva, ki "rogovilijo", kar je znak, da je pri njih več življenja kot pa pri drugih, pri katerih velja pravilo, "da le plačal assessment in dobi bolniško podporo".

noti. Zato so ta dejstva tudi upravičeno navajale in zahtevale priznanja od zunaj.
V Clevelandu jim sledimo kot drugo žensko društvo, Napredne Slovenke, ki so precej podobne Chikazankam z ozirom na ponos in aktivnost. Ta ženska društva in še druga drugod, pomenijo za jedrno več, kot si mogoče kdo predstavlja.

V naših vrstah imamo veliko inteligentnih žena in deklet, katere so v javnosti znane tudi v drugih naprednih organizacijah in ustanovah. Toda starejšim članicam je naše društvo le najbolj pri arcu, ker v njem so pustile svoja najboljša leta in od njega imajo svoje najlepše spomine. Tudi njihove hčerke in sinovi stopajo liki njim, po liti poti. Lahko bi pa bile vse skupaj še bolj silne in uspešne.

Če hočemo biti pravične, moramo potrditi, da nas domača moška društva spoštujejo in imajo rade. Ko ima federacija svoje prireditve, pride na vrsto vprašanje: kje bodo dobili žensko pomoč? "Hm, 'Napredne' bomo vprašali." Pa gre delo in zabava naprej. No, včasih pride kaj takega prav, včasih nas pa vsi preveč poznajo.

Tako se je okorajžil Ludvik Medvešek, predsednik novobavljenskih izletniških prostorov, enotnih društev v Clevelandu, pa jo primahal zadnji četrtki na sobo sejo in se nam je toliko časa dobričal in nas hvalil (farmo in nasa), da smo mu odobrile posojilo \$200. Bodi dober in prijazen z ženskami, pa boš dobil česar prosiš.

Včasih imamo tudi srečo. Kdo bi si neki mislil, da bodo dobile "Napredne" pri zadnjem kegijaškem turneju v Clevelandu drugo nagrado? V tem teamu so igrala naše mlade kegijačice: Tončka Žagar, Mary Primosh Doljak, Josephine Zakrajšek, Ann Slapnik in Dorothy Močnik.

Ker sem že prišla do vrtnes veselice, ali po ameriško piknik imenovane, moram se enkrat povabiti tja vse naše prijateljice. Nakujič je vneslo, da smo si izbrale piknikovanje isto soboto, na katero se bo poročila hčerka naše predsednice Josephine Močnik. Zato bo prevzela vodstvo piknika podpredsednica Josephine Mežnaršič, katere ima vse potrebne izkušnje za podobne prireditve.

Cleveland, Ohio. — Zanima in veseli me, kadarkoli čitam ali slišim o aktivnostih in uspehih naših društev, posebno še ženskih društev. Sledila sem reklamam, ki jo je vodilo žensko društvo Nada iz Chicaga za proslavo njihove 30-letnice. Takoj se je opazilo, da delujejo z vno iskrenostjo in kar je še več, da so zelo ponosne na svoje društvo, katero je bilo ustanovljeno prvo med ženskimi društvi v jed-

kaj izpuščenega, mi oprostite, ker mi ni vse znano valed večkratne odsotnosti.
Proslava 35-letnice SNPJ za to okrožje je za nami. Nadaljnja naša dolžnost je, da pridobivamo nove članke v oba oddelka. Torej naprej po začrtani poti za večjo SNPJ.

Piknik Slovenske šole SND
Cleveland, Ohio. — Vsak piknik, pa naj ga priredi katerokoli društvo, je važen za dotično skupino, bodisi da se pričakuje od njega finančne uspeha, morda pa tudi samo razvedrila v naravi. Piknik Slovenske šole Slov. nar. doma pa je nad vse važen. Od uspeha piknika je odvisna šola, ki je svojevrsna izobraževalna ustanova in katere pomen je večji napram vsem ostalim društvom in ustanovam, kot katerekoli drugega društva ali skupine.

Slovenska šola potrebuje nekaj dohodkov za svoj obstoj, da more skromno odkodovati učiteljsko moč in nabaviti potrebne šolske stvari, knjige itd. Šola nima nobenih rednih in direktnih dohodkov. Odvisna je od prar, oziroma največ od treh priredb letno in od zavednih podpornih društev, ki darujejo nekaj v ta namen. Če se poletni izlet obnese finančno, je dobro, če ne, je kriza.

Letos se bo vrnil šolski piknik na poznani Močnikarjevi farmi v nedeljo, 23. julija. Za ta dan je sedaj prosimo cenjeno clevelandsko slovensko občinstvo, da posveti stoodstotno kooperacijo tej ustanovi in se udeleži piknika. Piknikov je seveda dovolj vsako nedeljo, društvenih in privatnih. Ampak ko pride dan piknika Slovenske šole SND, tedaj rojaki na plan! Posetite šolski piknik. S svojo prisotnostjo pomagajte obdržati življenju najvažnejšo ustanovo, ki se bavi z učenjem naše mladine materinskega — slovenskega jezika, kateri, pozneje ko dorastejo, se udeležujejo pri raznih društvih in domovih.

Slovenska šola vzgaja mlade oderske igralce in pevce, ki se zabavajo v raznih igrah naše občinstvo in nadomeščajo starejšo utrjene amatere. Ravno tako tudi je v pevskih društvih, kjer je vedno več mladine, ki zavzemajo prostore starejših. Letos je 15 let, odkar se je ustanovila šola pri dramskem društvu Ivan Cankar in ki je po enem letu prešla pod vodstvo SND.

Slovenska šola je vir, od koder za jema jo clevelandska dramska in pevška društva svoje nove moči. Poleg tega pa vzgaja tudi gledalce, brez katerih bi bile dvorane prazne. V šoli oblikujemo osnovno podlago slovenskega jezika, da so sposobni slediti našim igram in drugim priredbam. Od kulturnih društev in njih aktivnosti je odvisna naše bodoče narodno življenje. Ko ta izgrinejo, bomo izginili Slovenci tudi kot narod. Z narodom pa bodo izginila tudi naša obstoječa društva, domovi in vse drugo. Tedaj bomo res utonili v morju amerikanizma.

Zato je naša velika dolžnost, da ne pomagamo storiti sebi in drugim narodnega samomora, ampak da še naprej gojimo vse dosedanje naše pridobitve, društva, organizacije, ustanove in liste, ki nas izobražujejo, zabavajo in v pravi delavski solidarnosti. Ko sem videl to ogromno udeležbo, poslušal pogovore starih in mladih, sem si mislil: SNPJ ima še zdravo, krepko bodočnost. Bila je velika manifestacija našega naroda. Z njo smo pokazali, kaj zmoremo v združenju in solidarnosti. Bila je ena največjih priredb te vrste v centralnem Illinoisu in nepričakovano dobro izpadla moralno in finančno.

Nagrade, ki so bile določene na vstopnice, so dobili sledeči: Frank Zordani, Chicago, radio; mrs. Štrukelj, St. Louis, ročno delo (afgahn); John Goršek ml., Springfield, zabojček cigar.

Odbor za to priredbo je imel ogromnega dela, zato prosim občinstvo, naj oprostite, če ni bil kdo tako postrežen kot bi moral biti. The National SNPJ Day In La Salle, Sept. 3 and 4

Exactly seven weeks separate us from the national SNPJ Day celebration which will take place in La Salle, Illinois, on Labor day, Sept. 3 and 4.

The La Salle lodges are busy preparing for this annual event. Their committees have been at work for several months planning various features for the occasion. They possess the necessary timber to put this year's national SNPJ Day event over in a grand style.

La Salle is well known to our people as one of the pioneering towns of our organization. It was in La Salle that one of our very first lodges was organized, in 1904—namely, Lodge No. 2. It was La Salle that gave the necessary cooperation to the founders of our Society; in fact, they are the cofounders of our organization.

For 35 years—ever since the very beginning of our Society—La Salle with its environs has been in the front lines, always striving to help build its lodges and the organization.

And so, on Labor day, Sept. 3 and 4, when large throngs of our members and friends will converge into their city, our La Salle members will be ready and eager to welcome them with the old spirit of friendliness for which they are known. Their Slovene National Home is a credit to their cooperative efforts. A large part of the SNPJ Day program will be held at this Home.

Early reports have it that many midwestern and eastern towns will be represented. All indications show that this year's SNPJ Day will surpass by far all previous similar events.

The 1939 National SNPJ Day event calls for a larger manifestation primarily because of our Society's thirty-fifth anniversary and because of its Jubilee Membership Campaign.

Let us make the event truly a great display of our strength and let us not forget to utilize its significance by adding many new adult and juvenile members to our roster.

Western Penna SNPJ E. S. Federation Items

IMPERIAL, PA.—The 35th Anniversary of the SNPJ is being celebrated this year all over the United States by local lodges as well as Federations.

Our Federation, the E. S. Federation of SNPJ Lodges of Western Pennsylvania is not only celebrating this occasion by picnics, dances, etc., but also by conducting a membership campaign. The sum of one hundred dollars will be paid in prizes to the most active lodges and individuals within the Federation. This amount in addition to the awards offered by the Society will certainly reimburse you for your efforts. The campaign is open to both Juvenile and Adult members. The initiation fee has been waived; medical examination fee will be paid by the Society up to one dollar and fifty cents. Now, Brothers and Sisters, let's keep the ball rolling, get a new member every month. It can be done. And when December 31, 1939, rolls around, not only will our Federation be on top (as usual) but the

new members will be insured, in time of need by the leading Slovene fraternal organization in America.

At the next federation conference action should be taken, in conjunction with the senior federation, in regard to assisting in organizing more English speaking lodges. In some localities where E. S. lodges could be organized the older lodges instead of helping such movements really discourage them. The reason for this is perhaps best known to themselves. I venture to say that, if ten young members leave the older lodge and organize an E. S. lodge where they will take upon themselves the responsibilities of every day lodge work, they will be active in their own lodge, membership will increase, and the SNPJ will certainly gain by such movements, rather than lose as may be the opinion of some members.

The federation Campaign Committee is now canvassing federated lodges and I request that your lodge have as many members present at your meeting as possible, so this work will do the utmost good.

Local lodge secretaries kindly submit to me a monthly statement of new Juvenile and Adult members secured from April 1 to December 31, 1939. Address: R. 1, Oakdale, Pa.

Meeting of the Westmoreland Federation

HERMINIE, PA.—All lodges as well as representatives are hereby notified that the next conference of the Westmoreland federation of SNPJ will be held in Claridge at the Slovene Home on July 23. Meeting opens at 10 a. m. sharp. Come on time. There will be much work on hand, also reports on the 35th anniversary held on May 20.

Come with good suggestions as to how to get new members in our Jubilee Campaign of SNPJ, the most important task before us.

ANTON ZORNIK, secretary.

Lodge 321 Plan Picnic at Jim's Sun., July 16

WARREN, O.—Are you ready for fun? Do you like to dance? We have just what you are looking for. The SNPJ Lodge 321 of Warren, Ohio, is holding a picnic July 16. The place is located on South Main ave., about one mile out of the city limits and is known as Jim's Place. We are cordially inviting all members and their friends, and also all the neighboring lodges and their friends.

The picnic will start early in the afternoon and will continue until midnight. There will be plenty of eats and refreshments for those who are thirsty and hungry.

The music will be furnished by Jack Persin and his orchestra, the "Master of Rhythm," who can play any of the polkas in the Slovene manner, music that will suit both the young and the old, I'm sure.

Since being the first picnic we've had for some time, we urge all members to attend and make it a success. Your attendance will be greatly appreciated.

Silver Stars' Dance Toronto Lodge Plan Annual Picnic Aug. 6

YUKON, PA.—We have difficulty starting, for words cannot be found to tell you what a grand day that SNPJ Day was. This participant hopes that it was just as big a success financially as it was socially. People galore, Ohio was very well represented. Also seen were a couple of Milwaukee Badgers. This writer found it also a success personally for we found everyone willing to oblige by buying a couple of tickets for the benefit of the S. S. mullahball team.

July 15 is the night of the S. S. dance. I hope you have not forgotten it. Music will be supplied by the popular Art De Francis who have proved to be such favorites with all at our former affairs. The S. S. have attended a few affairs at Johnstown. So what say, Flood City? Do we see you on the 15? We'd also like to see here Midway, Strabane, Keystoneans, Clairtonians, Manor Cadets, Y. V. K.—all of you. Thanks, Ramblers, for the invite. Methinks we will be there. But of course, we want to see you here first on the 15th.

Plans are also in the making for the S. S. annual picnic to be held some time in July. We'll let you know the definite day.

The S. S. claim a victory over the Manor Cadets in a double header. But lost to the Keystoneans. To pa ne bo slo, fantje!

We cannot express our great sorrow to hear of the unfortunate death of the three Morrella sisters. A group of devout Y. V. K. members who struck this writer as worthwhile knowing. We express our most sincere sympathy to the Morrella family. A trio gone which will be difficult to replace in the Y. V. K. lodge.

All to the SILVER STAR dance on July 15.
F. PRESEREN, Lodge 729.

Spirit-o-Grams

ST. LOUIS, MO.—I'm glad to see that Whoosit is on the job again. Don't let the warm weather keep you from writing every week.

As Whoosit pointed out last week, we are expecting some new members in the near future, so come on, members, let's try to make the membership campaign just as successful as we possibly can.

Our regular monthly meeting will be held on Friday, July 14, and we would like to see a large attendance. There will be some very important discussions at this meeting. Final plans will be made for our outing which was discussed at our last regular meeting. We also expect to hear the final report from the committee of the Spring Festival Dance. At the last meeting there were still a few members who did not turn in their tickets, so the committee was unable to give us a final report.

We really are wondering what happened to Bro. John Cepak because we never see him anymore. I hope you show up Friday, Johnnie. What about all our other members who usually attend the meetings regularly, what happened to you at the last meeting? Maybe it's the weather, but how about forgetting the weather this coming Friday and show up at our regular meeting? You know it only comes once every month.

Remember, it's a date on Friday, July 14, at 8 p. m. The meeting will be held at the regular place, Turners Concordia Hall, 13th and Arsenal.

Toronto Lodge Plan Annual Picnic Aug. 6

TORONTO, ONT.—Lodge 648 wishes to announce its annual picnic, which is to be held on the farm of Mr. Frank Možina, Beamsville, Ontario, on Sunday, August 6.

Feature event of the picnic will be our own Toronto-Slovene String orchestra which will supply sweet Slovene melodies that will be clearly audible over the pleasant and shady Možina's farm.

The following are just a few of the Slovene melodies which are scheduled to be played by our youthful string orchestra: Moje dekle je še mlado, Ne bom se možila na visoke gore, Gremo na Stajersko, Slovenska deklica, Od kod si, dekle, Oj Suzana, Na trbihih (selection of Slovene popular airs), and Marijana. In addition to these pieces we have ready a number of lively dance polkas that should loosen you up to limber. Melodious waltzes such as Mexicali Rose, Hercules waltz, La Paloma, and many others. Young and old will enjoy dancing on the large open-air dance platform.

And not to forget the thirsty throats, Mr. Frank Možina has in preparedness "božjo kapičico z rida." There will be plenty nutritious edibles so that none can complain of hunger.

Last but not least, the thirty-fifth anniversary of the Slovene National Benefit Society will be celebrated at the picnic which is expected to be the biggest picnic ever held here.

We again extend our cordial welcome to all Slovenes and our brothers, the Croatians, young and old, both here and our friends across the border, to attend this huge picnic. An enjoyable time is guaranteed. Enough said.

(NOTE: Please watch for "KAŽI-POT" which will appear in a later issue of the Prosveta.)

Federation Meeting

IMPERIAL, PA.—The next conference of the E. S. Federation of SNPJ Lodges of Western Pennsylvania is scheduled for Sunday, July 16, at Ambridge, Pa. The session will be held in the Slovene hall and will begin promptly at 8 p. m. DST.

All affiliated lodges are urged to send three representatives, as problems of importance to you, your lodge, and Federation will be discussed.

An outline of committee reports follows:
Reports of Athletic Committee pertaining to softball. Slovene Day Committee, Boat Ride Committee, SNPJ Day Committee, Membership Campaign Committee.

Discussion on the Sixth Annual Bowling Tournament should begin at this conference.

Your delegates should be prepared to participate in the discussions, in order to make this meeting as short as possible during this hot July weather.

We urge lodges 734, Meadowlands, and 665, Pittsburgh, to be represented at this conference. Following the meeting a luncheon will be served by the Revelers.

JAMES M. MAGLICH, Sec'y.

Jolly Allis Lodge

WEST ALLIS, WIS.—Howdy folks! Well it is only mid-summer but we want all neighboring lodges to remember the date, Oct. 21. It is on this day that the Jolly Allis will celebrate their Tenth Anniversary. Lodge secretaries please copy this date and see that your lodges will not conflict with our celebration. Out of town visitors already planning to attend include several bowling Wolves from Detroit and those traveling gals from the Barberton Buckeyes.

Congratulations to John Kostanjevec and Ida Mitchell who are to be married this Saturday and also to Frank Rovsek who was married last month. At present Frank is making his home out of town, but promises to have his wife join at the first opportunity.

Several Wolverines of Detroit spent the holiday week-end here. Namely, Joe Kern, Al and Ed Padar. The boys were a pathetic sight when they got the first glimpse of the trophy, but quickly recovered their composure and made some rather intellectual statements, considering they were in our stronghold.

The Badger picnic at Segadin's this Sunday, July 16. They also tangle with the Pioneer fence busters in a ball game on the same day.

The Federation picnic at Lake DeLeon on the 30th promises to be one of the finest affairs held in this territory for some time. If you want to attend and have no transportation, get in touch with your sec'y who will reserve a seat for you in the bus. Hope Rup finds his unknown admirer. Until again, so long.

A Note of Various Celebrations

MOON RUN, PA.—Penny's SNPJ Day celebration at Clairton was a great success. The speakers gave fine speeches. The singing clubs rendered very beautiful songs. The Vedral Quartet gave a splendid performance. The Committee in charge of this celebration deserve credit for making this affair a success.

The combined celebration of the 35th anniversary of the SNPJ which was held at the Portman's Grove, Moon Run, July 2, by Lodges 88 and 706 was a very successful affair.

In the afternoon there was a very good program. Brother Victor Hutya acted as Master of Ceremonies. Sisters Arch and Krally sang a greeting song in Slovene. Victoria Ambrosio sang a Slovene song. Dorothy Skvarcha gave a declamation in English. All did very well. The speakers were Mike Kumer, Anton Cipic and Andrew Vidrich, the main speaker. All speakers gave fine and interesting talks. After the program there was dancing to Frank's Trio.

In the afternoon it didn't seem as if there were going to be many people, but when night was drawing near people were beginning to crowd. I wish to thank everyone who came to make this celebration a success.

On July 4, Lodge 106, of Imperial, held a celebration of the 35th anniversary of the SNPJ and the 30th anniversary of their lodge.

In the afternoon there was a nice program. Brother Augustin acted as Master of Ceremonies. He gave the history of their lodge. Declarations were given in Slovene by Frances Augustin and Sylvia Sitko, Mary Polzak gave one in English. All did very lovely. The program also included speakers. The main speaker was Brother Vidler who gave a very good and interesting talk in Slovene and English. Anton Cipic gave an interesting talk, also Andrew Vidrich. The Sheriff of Imperial gave a nice, short talk. Sylvia Sitko, Jennie Godesha and Frances Augustin sang in the Slovene and American languages. Girls, you surely deserve credit for singing as fine as you did. Brother Zornik of Herminie gave an interesting talk, but he said he couldn't tell all he wanted to in a short time. Frank Pepper played the accordion very well. Dancing followed the program. I had a nice time in Imperial and especially liked the program and so did my mother and dad. Many attended this affair.

A newspaper once offered a prize for the best recipe for making the hands beautiful. There was a deluge of answers, from which the following was chosen:

"Soak the hands three times a day in dishwasher while mother rests."

Little Fort Lodge

Co-op. Annual Picnic
WAUKEGAN, ILL.—The Educational Committee of the Waukegan and North Chicago Co-operative Association has finally announced its complete plans for the outdoor affair on Sunday, July 16, at the Serbian Monastery Picnic Grounds.

The Annual Co-op Picnic is one of the outstanding summer events in this locality, mostly because more than 1500 people attend to participate in general gaiety. It is here where under the warm, cloudless, beautiful skies people of the Waukegan and North Chicago area gather.

The Committee has selected the spacious, beautiful, modern and villa-like grounds of the Serbian Monastery for the picnic. The Grounds cover many acres, with a large dance-floor, benches, tables, halls and rooms of every description, and even with a number of out-door fireplaces in which to roast a fresh lamb or young pig.

Among the features of the picnic will be contests and games for adults and youths with appropriate prizes for all; contests for baskets of Co-op. food products, mystery prizes, and general nicknacks. Each adult will receive tickets (free) for these contests upon entering the grounds.

Dancing to the music of a recording system—using Slovene polkas and waltzes and American fox-trots and jitterbug records—will certainly attract both young and old to the dance hall. Andrew Mosek of Lodge No. 14 and Frank Zupic, first-class butcher at the Co-op, will be in charge of the music-making.

Trucks to the picnic grounds (on Milwaukee Road near Libertyville) will leave our Co-op. stores at 12:30 and at 2 o'clock in the afternoon. There will be plenty of liquid refreshments, plus sandwiches, cake, and maybe even strudel.

All children will receive free tickets for ice-cream or soda pop.

Everyone is invited. OFF TO THE CO-OP. PICNIC!

Golf Tournament

The Little Fort Golf Tournament will be held in August, according to word received here late this afternoon from Chairman of Little Fort Golf Committee, George Shea. All persons who plan to enter the Tournament (on a handicap basis) are requested to come to the next meeting, Thursday, July 20.

In the meantime, members are requested to decide on rules, the grounds, the officials, etc.

Members of the Pioneers, Integrity, La Salle, Joliet, West Allis, and the Milwaukee gang who might be interested in playing are requested to read this ever-popular column every week.

Is there any chance of getting the girls to play also? Might be we could have a number of mixed-sets so that the girls could walk along with us. What say, Sylvia?

Meeting Night

The next meeting of the Little Fort Lodge will be held on Thursday, July 20. Refreshments, consisting of Co-op. ice-cream and cookies, will be served by a specially trained group of waiters from one of the outstanding groups here in Waukegan—yes, you guessed it! From the Co-op!

Final committees for the Little Fort picnic to be held on Sunday, August 6, will be chosen.

A number of members of the Executive Board have requested this department to ask the Athletic Commit-

tee and the Baseball Committee give reports on their splendid activities, and to bring up suggestions the way of sports for our picnic. The Chairman of these committees oblige!

The refreshments committee expects more than eighty-five Little Fort members at the July 20 meeting. A larger hall has been rented for the night, so there will be plenty of room for the warring of ice-cream-spoons. Come on, LITTLE FORT!

How come no answer from the Pioneers and Integrity and perhaps West Allis lodges on our challenge to a balina contest? Members of older lodges, No. 14 and 119, also expressed their desires to with Little Fort and lick some of our adult balina team in almost any way by city. Boy, o boy, are we best in baseball, best in lodge work, best in balina, and best in putting affairs!

Young American News and Views

DETROIT.—First of all to read all of you Young American members that there will be a regular meeting Thursday, July 13, at 8 p. m. sharp. After the session the Entertainment Committee has planned an all-round outing which includes skating, bicycling, wiener roast and singing. If the weather does not permit the outing, the committee planned some kind of entertainment at the SND Hall. With all of this planned for you there shouldn't be a reason that we shouldn't have a record attendance.

The Young Americans' Softball team entered in the Highland Park Senior Men's League. They are playing 600 ball. They are getting excellent pitching from Bobby Tracy and Brickey Werbiicki, but they are the batting punch of former Young Americans' teams, as the scores of the last few weeks losing two games 1 to 0, and two games 2 to 1. As the defending National 880 champs, we still have that "spirit" and the will to win, and with the addition of two new players this year (Frankie Plahutnik and Eddie Herman), the team is faster than a previous year. Sorry, "Friendly Guy" the trip to Johnstown fell thru last minute.

The Young American Entertainment Committee has been very active in the last few weeks, having arranged the affairs, outing previously mentioned, outing at Lower Straits Lake Sunday, July 23, and a celebration of some kind later in the season. With the committee being so active, let's give them a little cooperation and reward them by attending these affairs. We would like to see some of those "time" faces appear amongst us again.

Bro. Joseph Mihelich Jr. (our president) is at home recuperating from an operation at Harper Hospital. Bro. Stoyen Menton is at home and feeling fine after a long period at the hospital. Sister Lavinia Zrimec has recuperated from her recent operation and is returning work very soon.

We will be seeing you all at the SND July 13, 8 p. m.

THE "MUZZELERS"

Commodores' Log & News

CLEVELAND.—Some time has passed since a column from Commodores has appeared in the Prosveta. I will make an attempt to give you some of the latest news of our lodge.

We are still in the SNPJ Jubilee campaign. Members are urged to put forth their best efforts to secure as many new members as possible.

Our regular monthly meetings are not held at Sachsenheim Hall but at the Home of West Side Slovene Lodges, 6818 Denison ave. Due to the many requests of our members to change the night of our meetings, we are now meeting the 3rd Tuesday of the month instead of the 3rd Friday. Next meeting will be July 18. Please attend, so we can discuss our picnic. As you know, we need the cooperation of ALL the members for success.

The Commodores will hold their first picnic in August, in the beautiful garden of the Home. Date will be announced later.

The Strugglers and a team from Pa. played an indoor baseball game at the Equestrium recently. Several Commodores were present. Yours truly promised the Strugglers a game in the near future. Bro. Joe Konchan, our former captain, will try to get the players together. With such players as Brothers Zvanut, Picha, Vic and

ing game. Would like to see the members at the next meeting.

Vacationists
Sis. Marie Zeita returned recently from a two-week vacation. Sis. Teresa Schwartz and family is on touring sunny California. Bro. Ed Zeita is now roughing somewhere in Michigan. Sis. Josephine Windt reported her husband is in the lakes for the summer.

News
Bro. Vic Samanich and family recently moved to their new home. Congratulations.—We are glad to have Bro. Maroney back in our ranks again. Maybe wife will follow. footstep, eh, what? Received holiday greetings from Bro. Thomas. Thanks.

Results of SNPJ Campaign in June

Lodges Brought in 315 New Members in One Month; 863 Members in Three Months

The Jubilee Membership Campaign of the SNPJ made another stride forward in June. The various lodges have secured 207 new adult and 108 new juvenile members, a total of 315 new members.

In May, the campaign brought in a total of 276 new members in both departments.

The results of the campaign for the first three months—April, May and June—have brought a total of 863 new members in both departments.

In spite of the summer distractions such as heat, vacations, etc., our active Brothers and Sisters are doing a fine job in this campaign and we hope they will continue their splendid work until the campaign is over. You are doing splendidly, Brothers and Sisters! The more activity we show in the summer months in this respect, the sooner we are going to attain our quota of new members and the less we will need to rely on the winter months which also have their disadvantages.

SUPREME SECRETARY.

With the Strabane Pioneers

STRABANE, PA.—After fusing the last few weeks, we got enough ambition to compile a little book of the softball games the Pioneers have played. The team has been playing at a merry clip, having won 21 games while losing only 5 games. Playing in the Federal and one tie. The Pioneers are tied for first place with the Veronians. Only Universal and Verona have been able to down the Pioneers in league games so far this year. So far the Pioneers have scored 240 runs while their opponents have scored 96.

The first half game scheduled for Strabane with the Sharon Keystoners was postponed because of rain, and will be played at a later date. On July 2, the Pioneers traveled to Harrisville, where they overwhelmed the Harrisville team by a score of 17 to 4 and 14 to 2. "Cap" Curtiss and Paul Podboy held the Harrisville team to two hits in each game.

Quite a few new faces grace the Pioneer lineup this year. Joe and Bill Progar and Carl Podboy are in their first season of playing softball with the senior team. These three boys have come up from the Junior team this year. Joe Progar has developed into the regular first baseman, while Bill Progar performs either in the outfield or in the infield. Carl Podboy is a rookie pitcher. Other new faces in the lineup are Frank Costello, the hard hitting second baseman, and Jack McCahill, a new outfielder. With the pace the boys have been setting, the team is bound to have a very successful season and here's all our wishes that the team keeps up its good work.

Pioneer Pips.—"Skinny" Kottlich returned home for a brief visit over the holidays. He has been stationed at a CCC camp in Grotoes, Va.—Since we do not have complete details yet, we're going to give this brief notice. On July 20, a picnic at Drenik Park will be held by the Pioneers. We know this affair will prove as popular as the dance held there on June 24. The cheering spirit of the Pioneer girls is not as great as last year, so come on girls, let's start cheering from now on to keep the fighting spirit in the softball team.—John Vidmar from Johnstown was a visitor to Strabane on July 1.—The Pioneer lodge meetings will now be held on the first Friday of every month. The time is 8 o'clock and the place is the SNPJ Hall.

PUBLICITY COMMITTEE, Lodge 589.

Annual Picnic of the Girard Federation

SALEM, OHIO.—Attention! What plans have you in mind for Sunday, July 23? Nothing? Well, here is a little suggestion. Why not come to Salem and enjoy the Big Federation Picnic and also the 35th Anniversary of the SNPJ to be held at Heltman's farm on the New Garden road, Route 3, about 1/2 mile from the city limits. The farm is an ideal place for picnics. We will have the pleasure of hearing Donald J. Lotrich from Chicago speak in behalf of our 35th anniversary; he will speak in Slovene and English.

Joe Umcek and his orchestra will furnish the music for this affair, and I'm sure their music is well liked by all, because they can sure play the good old polkas and other tunes for which they are popular. The dancing will start in the afternoon and continue until 7:30.

There will be plenty of eats and refreshments for all. The admission charge is ten cents. We wish to thank everybody that attended our picnic on June 25. I hope everybody enjoyed themselves. We had a large crowd, and we hope that this picnic will be just as big a success. You can't miss the place, because a large sign will be by the road.

Come one, come all to Salem on July 23 and join in the fun. JENNIE HRVATIN, Lodge 476.

Wages and Living

The amount of money you receive in your pay envelope regulates the status of your living standard. Your living standard is the most important factor that enters into your well-being during the short period of time you are privileged to remain on this mundane sphere, and your wages is your insurance—the greatest of all insurance—that your standard of living shall be a decent one—a truly American one. The amount you receive as wages fixes your ability to secure other forms of insurance. Go a miserable poor wage you can purchase little or no other insurance. A decent wage, however, enables you to provide for other means of protection. The security and certainty of your wage standard necessarily comes first, all other protection is secondary.—The Residence Magazine.

FLASHES

CHICAGO, ILL.—Nearer and nearer draws the date of the Pioneer picnic, but still most of the work is incomplete so an S. O. S. call for all picnic committeemen has gone forward and they will meet Friday, July 14 to map out all of the rest of the plans for the smooth operation of the picnic. Tickets are printed and are now being distributed. Two other things are also certain, Ray Rodman's orchestra has been booked and a special streamline train has been arranged for to entertain the children. It isn't so easy a matter to get such a concession as an electric train, but we have gone out of the way in order to interest the youngsters, so we ask our many patrons to be sure to bring the children to Steinar's Red Gate Grove, Sunday, July 30.

Last Sunday our fellow Supreme Board members Vidar and Olip and the writer traveled to LaSalle, Illinois, to take in the meeting of the special committee which is preparing the 1939 SNPJ Day on September 2, 3 and 4. The local SNPJs have things pretty well in hand and under the able guidance of Brother Fred Malgai and the support of the nine lodges in the territory, they should give the many out of town visitors an abundance of recreation and enjoyment. We went there to coordinate the efforts in behalf of the SNPJ and its lodges and to assist in an advisory capacity, thus assuring a more positive result.

If you haven't already made your reservations for the Moonlight Dance Cruise for this Saturday, July 15, do so at once by calling Oscar Gdina, Frank Sodik, Joe Drasler or the writer. Tickets are only 75c. The cruise is being sponsored by the Socialist Party. You can get the boat at the Navy Pier. We're going to see if such an occasion is profitable for the Pioneers.

The Pioneer girls expect to have a slugfest at the Picnic July 30. It's in the shape of a softball game in which the married ladies will play the single ladies. All who wish to play with the married crew should call Bertha Hudale at Crawford 5887 and the single ladies should get in touch with Agnes Jurasek at Rockwell 4250. With the booking of this game, we only warn you to get your reserved seats early.—How far are we getting along with the Midwest Sub-books? We haven't received any reports during the past two weeks so we naturally make the inquiry. Those who have books should make a report soon.

They say that absence makes the heart grow fonder, but absence from these pages seems to give the Flasher only that much more to write about. The first note of interest comes from Lucas Darnovsek, Jr., secretary of lodge 273 of Sheldon, Wisconsin, in which he relates that considerable interest is being shown in the lodge by the local young people since their recent picnic and of course we are glad to have such good news.—Then we can report on the 35th Anniversary celebration sponsored by the Central Illinois Federation of SNPJs at Springfield, Illinois, on Sunday, July 2. It was a combined picnic and program affair, and held in the spacious Illinois State Fair Grounds. The program was well received and everybody seemed to have an enjoyable time. Over 22 Pioneers were at this celebration and we understand that fully 85 people came from St. Louis. We had the pleasure of meeting such well known souls as Zvanut and Speck from St. Louis, Podbregar from Witt, Hertsch, Reven and Kovic from Virden, Homec from Auburn, Gorsak's, Banich and Furlich and many others from Springfield. It really did our hearts good to see so many of our old SNPJs participate in the celebration. Even Leo Schweiger from Milwaukee was there with his Dad and others. We know that the venture was successful and we hope that it was financially profitable.

The writer had hardly gotten home from Springfield when he had to embark for a trip to Library, Pennsylvania, where the J. Z. Juniors and Lodge 386 combined for their 10th and 20th Anniversary celebrations respectively and where the Society came in for its celebration also. A lively short program was rendered, including songs by the West Newton Singing Club, the Pittsburgh Singing Club and the Library Singing Club, a short history of lodge 386 by Jacob Dolence, and addresses by Joseph Ambrosic, Michael Kumer, Frank Ambrosic, and the writer. Matt Dermotta introduced the capable and lively Frank Bolte who acted as chairman. After the program we had a supper and refreshments on the lawn adjacent to the well kept premises of our Slovenes in Library. Here, too, it looked like a profitable venture and the folks deserve every credit for making it successful. In the evening we traveled to Imperial where a similar celebration was being held and where another fine crowd was on hand. There we met Ludwick Zupanec, Enejak, Augustina, Kern and many others. These celebrations are of inestimable value to the Society and help to promote the good will between

Juvenile Circles

our brethren throughout the communities.

While in Springfield we visited the Capital Building and Lincoln's Memorial. All who pass through Springfield should arrange to visit this memorial.—Mary Kravker and her young daughter Naomi, have left for an extended stay with their parents in Sheldon, Wisconsin. She writes to tell us that the folks were well satisfied with the outcome of the celebration in Sheldon.—Emil Hrast and Frank Lotrich started their vacations by touring the SNPJ settlements. Cleveland, Detroit, Cannonsburg, are only some of the important stopping places on their itinerary. They postcard us from Johnstown and we hope that they will give Johnnie Rak's town the once over.—Louis and Ann Hren post card us from the Bridal Veil Falls, Colorado Springs, Colorado, where they are having a wonderful vacation.—We learn that Ludwick Zupanec is planning on another trip to Europe. Is it possible that there may be a romance with our sister Vera Levec who is now in Yugoslavia?—Colorado must be beautiful if it is only half as nice as the post cards indicate. Julia Skocir sends us another from the Seven Falls near the Cheyenne Canyon. She also stopped at the Slovene Dom at Pueblo and is otherwise enjoying her vacation by driving.—Emil and Margaret Setine send us a picture of the Winnebago Indians at the Dells of Wisconsin and Baraboo where they are vacationing and Tony Pirman illustrates where friends and nature meet in Wisconsin. He is taking an extended summer trip.—Joe and Minerva Batic stopped off in Mexico after they have seen the Pacific fleet, and Bing Crosby's Del Mar race track.—John Turk is back at Fort Sheridan again where he is doing well in his new line with the U. S. service.

You should have seen the old boys of the Badgers of Milwaukee in La Salle last Sunday. They are as lively and alert as ever and the whole ball squad gets along splendidly. Leonard Alper was there to lead the cheering and Frank Oblak did most of the directing while Leo Schweiger came up from Livingston, Illinois, especially for the occasion. Those Badgers are truly a swell bunch in any man's town.—We note that the Slovene Workingmen's Educational Home of Sharon, Pa., believes in advertising. They put out match folders for ready use and we felt quite satisfied to have the pleasure of meeting two of the boys from Sharon recently. They are both splendid chaps and as alive as they make them.

DONALD J. LOTRICH, 559.

Good Example
A small boy asked his father how wars began.

"Well," said his father, "suppose that England quarreled with France."

"But," interrupted the mother, "England musn't quarrel with France."

"I know," he answered, "but I am taking a hypothetical instance."

"You are misleading the child," said the mother.

"No, I am not," he answered.
"Yes, you are."
"No, I am not."
"Yes."
"No."
"All right, Dad," said the small boy, "I think I know how wars begin."

Juvenile Circles

Circles Hold Combined Picnic

CLEVELAND, O.—Our last meeting which was held on June 10 was rather poorly attended. Now that vacation is here all members should save every second Saturday of the month so they could attend the Circle meeting. After all it's your organization, so why not cooperate by attending every meeting.

All Juvenile Circles of Cleveland will hold a combined picnic. The place where the picnic is to be held was not yet decided. I am expecting our entire Circle to attend for I'm sure we'll have a good time.

Before I end this article I want to remind all members that our next meeting will be held on July 10 at 2:30 p. m. All the boys who are on the baseball team please attend this meeting which concerns you.

I'll see you all at this picnic!
ALICE POPOTNIK,
President, Circle 13.

Had Good Time at Celebration
AGUILAR, COLO.—Much interest is paid to write letters since the four-day holiday has passed. My letter is mostly concerned with the 35th anniversary of the SNPJ, held in Walsenburg by our Federation on July 2, and our supreme president Vincent Calkar.

At this celebration the Circles No. 1 and No. 20 gave a program of welcome in the Walsenburg Pavilion. Many of the members of the Slovene National Benefit Society attended and were very pleased with what they saw.

I thank Bro. Ed Tomasic very much for the wonderful prize given us. July 2 was spent with much fun and frolic—plenty to eat and drink. A nice crowd attended the dance in the afternoon.

On July 3 many people went to Pueblo to see the films of Slovenia which were shown by Bro. Vincent Calkar. I myself think that he is a man full of fun and does his duties.

On July 4 a big celebration was held in Aguilar. People attended from all parts of the state. It really was too bad that Mr. Calkar could not be present to enjoy himself.

Hello, Helen Vidmar of Pierce, W. Va., and Edna Klamantovich of Vestaburg, Pa. I would like that more girls and boys would write me, and promise to answer every letter. I also wish that more members of Circle No. 20 would write to the wonderful magazine, the Mjadinski List.

FRANCOIS KOSERNICK.

Kansas Affairs a Huge Success
GIRARD, KANSAS.—Oh, what a night and what terrible headaches everyone had the following day. But who cares, it's all over with, and we are ready for another big time.

You bet we're proud to say the affair of Yale on July 1 was a huge success in every way. Our program got underway with music furnished by the peppy swingsters, Harry and His Hot Shots, radio artists of WMBH, Joplin. Bro. John Bratkovich opened the program by welcoming everyone and acted as chairman throughout the entire program. He first called on Bro. Stephanie to give a talk about the organizing of Yale lodge. His speech was worth while listening to. Next a juvenile member of our circle, Luella Pichler, presented flowers to Bro. Fred Vidar, Bro. Stephanie, Bro. Gray and Bro. Anton Shular.

Buckeyes' Bits

By Oh

BARBERTON, O.—The Buckeyes' Umbrella Dance is a thing of the past, along with bursting fire crackers, but they both passed with a bang! In the crowd of merry-makers there were a number of Loyalties from Cleveland, Wolverines from Detroit, Golden Eagles of Girard, Pioneers of Chicago, Akron Zippers and even the Milwaukee Badgers were represented by Marco Shappeck. It was grand having all these people with us. Tho it was something of a surprise to see Chicago's pet travelers, Emil Hrast and Lefty Lotrich. We Buckeyes hope that you all enjoyed yourselves and come back again sometime.

Before the dance began, there was a hot ballina game taking place at the hall's courts. We had the report that the Loyalty boys took over our fellows, but whatever the outcome it must have been interesting as there were spectators galore spurring on both teams.

To those members and friends who did any kind of work at the dance we express our appreciation. You know, it takes a lot of people to put over a dance, so that we all can take time out for a bit of fun.

Reports from Sharon are that the Keystoners' first anniversary dance was a huge success. Our congratulations to them! We always knew they could put it over. We did miss them at our dance and hope to see them in the near future.

At the last meeting our new member, Willie Ozbolt, was initiated and we do hope to see him at all of our doings.—Sometime in August the Buckeyes plan to charter a bus and take a trip to Cleveland where the whole bunch will board one of Lake Erie's good time boats. There will be about four hours of fun on the lake, so we'd advise you all to take this trip. We invite our friends from in and out of town to make this trip with us. There will be a great number going, so make your reservations as soon as possible in order to insure yourself a seat. Details as to time, bus fare and other arrangements will be more fully explained in future articles. In the meantime you can see Frank Oceppek or call Steffie Matoski at SH. 5488 or Mary Apchak at SH. 4431 for reservations.

The local Federation will hold their annual picnic on Aug. 6. We are all familiar with these annual affairs and so we know that there's always a good time in store at a Federation affair. Read next week's article for all details and keep Aug. 6 open for a visit to Barberton.

Along the heat waves! Summer-time brings vacation and the mailman brings cards. From the N. Y. Fair come tidings of a great time and Pauline Spik will sure hate to leave. Latest news of the Lotrich-Hrast vacation trip comes from Johnstown.

Paper Weight
Lay a foot ruler on a table or flat desk with its end projecting three or four inches. Then spread a newspaper out flat with its center directly over the ruler and its edge of the table. With the paper thus weighting the ruler down, strike the projecting end a hard blow with the hand. To your great surprise you will not lift the paper from the table. You may even strike hard enough to break the ruler, but the paper will not leave the table or tear. Try it on your table.

Calumet Sentinels Announce Picnic

CHICAGO, ILL.—Mr. Weatherman has been contacted and as a result, he's prophesied an ideal sunny day on July 23, when the 3 Southside SNPJ lodges of Chicago will again cooperate in sponsoring a joint picnic. Everyone deserves a carefree day of relaxation in the fresh outdoors, so won't you all join your friends and fellow members at Egger's Grove? Appotites brought on by too much trappings of the light fantastic due to the gay, peppy music, will be taken care of by excellent refreshments that the committee will have prepared. All varieties of cooling drinks (and otherwise) will quench your thirst. We're counting on seeing YOU and YOU!

June is indeed the lovely month of roses and romance—Cupid even shot a dart at one of our Sentinels, who is now a "goner." Sunday, June 25, Emil Kuhel and Anne Sopsich promised to love, honor and obey. The destination of the newlyweds' honeymoon is not certain, but rumor has it—it's Milwaukee and thereabouts. I say there, Eyes & Ears, how about a little sleuthing? Anyway, we're wishing the happy pair many years of the nicest sort of happiness. Can't get away with it, Anne, your name must appear on the Sentinel list! Belated, but most sincere, are the wishes extended to Universal's newlyweds, Mr. and Mrs. Louis Kumer!

Mrs. Mary Kuhel recently spent a few happy days in the Minnesota Iron Range country. Being a delegate to the Chisholm Slovene Ladies' Union convention and visiting many friends at her former residence, Eveleth, she found the trip most enjoyable. How well we all know the combination of business with pleasure. Anne also got the wanderlust (an annual ailment) and packed bag and baggage for a week's stay at Detroit, Michigan, where peace and quiet (???) will reign at "a cottage small by a waterfall." Mr. and Mrs. Frank Kovacic and children and the Camolek family are also vacationing there. Good ole summertime!

"Oh" Valencheck is a real pal—thinks a lot for the four leafers and to the neighbor's "kida" who helped you find them! If anyone wishes to read the best there is in interesting letters, drop Olga a line. (She is happiest when the mailman calls.) Lucky is the man who wins her heart—though, this piquant mix claims hers is a roaming one. Mr. F. is advised to put an end to her wandering ways. (You're welcome!)

Just wondering whether the "Experience Speaks" club will come thru with the "get acquainted bureau" in La Salle? Seems, one can't even bribe the present membership for new applicants! Labor Day promises to be again a happy reunion of SNPJs.

Heard the SNPJ Day at Shady Park, Clairton, Pa., was a triumphant success. Congratulations to those who worked so diligently in promoting the affair. The Wolverine Field Day attracted our attention—also hoping it was a grand time for all. (The invitation was written in a familiar handwriting. Couldn't have any connection with the sender of the foot-long Detroit frankfurt joke?) The Barberton gang is asked to be more confidential!

Our sweet-dispositioned sec'y, Agnes La Dere, is around Pittsburgh way. May your trip east be a long remembered one, Ag.

May it be added that yours truly finally got the Buckeye Marys straightened out! Quite an achievement! So long!

Thanks to Lefty and Emil for the remembrance. "Nice town," the boys post-card. Hmm—wonder! Especially, since it's east this year!

Ambridge's Mary and Louis Vukovec "revelored" in Chicago's high spots! Tho both professed a liking for the Windy City, one would wonder otherwise—such a hurried departure. The two were extremely anxious to reach West View Park in sufficient time for the great Slovene Day Celebration. We're hoping the promise "to come again and stay much longer" is fulfilled very soon!

Mr. and Mrs. Steve Malnarich are planning a thrilling trip California and Colorado are two states included on the prospective western tour. May you enjoy "a smile on every mile."

Just wondering whether there is a drop of Bertha's 19 year old sentimental "spirits" left? Did you have a sip?

JENNIE KUHEL, Lodge 610.

My Mistake
Owner: "How did you come to puncture this tire?"
Chauffeur: "Ran over a milk bottle."
Owner: "Didn't you see it in time?"
Chauffeur: "No, the man had it under his coat."

What Does He Do?
"Oh, dear, tomorrow is Tom's birthday and I don't know what to give him. He doesn't smoke, or drink, or play cards, or—"
"That's simple. Give him a hot water bottle."

Audible Golf
"What sort of golf does the Major play?"
"The very worst I ever listened to."

LIGHTING OF TOMORROW AT N. Y. WORLD'S FAIR

NEW YORK (Special)—Cinemat lighting effects make Constitution Mall, main entrance of the New York World's Fair, an spectacular by night as by day. This view, taken from the intersection of the Mall and Robinson Avenue, shows "Freedom of the Press" in the left foreground. George Washington stands illuminated against the Fortresses at the right, while the Trylon rises needle-like against a night sky to dominate the picture. A new type of mercury vapor lamp concealed in the ground beneath each of the trees lining the central path makes them appear to emit light.

Here and There — With Comrades

CLEVELAND, OHIO.—At our last meeting, the Comrades decided to enter the SNPJ Ballina Tournament, and I was selected to captain our entry. Up until now, I just have the dignifying title, but no team. So—any Comrade member, who wishes to play ball, must hurry up or else we'll just have a demure captain without his charges.

We Buy a Farm
Recently, after a dozen years of negotiating, our Farm Board finally got us a farm. It's located in a scenic spot near Chardon, Ohio, about twenty miles from our St. Clair National Home. The farm is traversed by the Grand river, which we hope to dam for a swimming hole. The farm is ten acres big and has on its premises a spacious dance hall, a DeLoe electric system, accommodations for a baseball diamond, four tourist cabins, and trees and grass all around.

At a meeting of our local lodge representatives, the farm purchase received an enthusiastic approval. The Comrades have already made reservations for their outing at the farm which will take place on Sunday, July 23. For this date, we are planning to serve a chicken dinner for the noon day feast at a nominal cost. A wiener roast at twilight is scheduled to wind up our outing. The Comrades invite friends and members to make early reservations for this annual Comrades' fun day.

Baseball
Our baseball team is at the bottom of the Inter-Lodge list. The boys just don't seem to be able to get started; but they're getting a lot of fun out of it anyway. Our sister lodge, the Loyalties, gives our boys a good whacking right along; but you just wait till our juveniles get big.

Prof. Rebol to Leave
Bro. John Rebol, one of our active members, will leave for Pittsburgh this fall to take up a position as professor and head of the Department of Embalming and Restorative art at the Pittsburgh School of Embalming. He has taught in Cleveland for nine years, with this rich background of experience he will undoubtedly serve well in the capacity as instructor and as director of the School.

The School, the only one of its kind in Pittsburgh, is prepared to train students of West Virginia and Pennsylvania for a license to practice undertaking.

Any young person interested in taking up the career as embalmer may get an honest and sincere picture of the possibilities of that field by seeing Brother Rebol in September at 3337 Forbes street, Pittsburgh.

LOUIS JARTZ, Lodge 566.

No Longer Dumb!

The majesty of suffering labor is no longer dumb; it speaks now with a million tongues, and it asks the nations not to increase the ills which crush down the workers by an added burden of mistrust and hate, by wars and the expectation of wars.

Gentlemen, you may ask how and when and in what form this longing for international concord will express itself to some purpose. . . I can only answer you by a parable which I gleaned by fragments from the legends of Merlin, the magician, from the Arabian Nights, and from a book that is still unread.

Once upon a time there was an enchanted forest. It had been stripped of all verdure, it was wild and forbidden. The trees, tossed by the bitter winter wind that never ceased, struck one another with a sound as of breaking swords. When at last, after a long series of freezing nights and sunless days that seemed like nights, all living things trembled with the first call of spring, the trees became afraid of the sap that began to move within them. And the solitary and bitter spirit had its dwelling within the hard bark of each of them said very low, with a shudder that came up from the deepest roots: "Have a care! If thou art the first to risk yielding to the wooing of the new season, if thou art the first to turn thy lance-like buds into blossoms and leaves, thy delicate raiment will be torn by the rough blows of the trees that have been slower to put forth leaves and flowers."

And the proud and melancholy spirit that was shut up within the great Druidical oak spoke to its tree with peculiar break into a shower of verdure, and give from afar the signal for

a renewal of all life? Or did a warmer and more life-giving beam start the sap moving in all the trees at once? For lo! in a single day the whole forest burst forth into a magnificent flowering of joy and peace.—Jean Leon Jaures.

A Column

By MARY JUGG

Something Should Be Done About This

I know that there may be far more weighty problems for serious consideration than the present topic of this column. And then again that might be a matter of judgment.

The practice against which this column shall constitute a Crusade of One is simply: **iced drinks!**

Travel anywhere in this vast country of ours during the summer; look forward to quenching your thirst at the nearest road stand and you will see "coming up": ice water, ice-cold pop, iced tea, iced coffee, ice-cold beer, and just plain ices in all the colors of the rainbow. Sit in any eating place and locate the source of the tinkling sounds. You will see a tall, frosty glass filled to the very brim with multiform shapes and slices of ice, and through it trickling a feeble stream of amber fluid. They call it iced tea! Order a lofty, eye-filling glass of sparkling gingerale (any brand). Then scoop out the ice with which some waiter abused it onto the nearest saucer (if big enough) and watch the "loftiness" shrink to exactly two inches of gingerale. Measure it: two inches!

But the prize-winner of all this summertime imbibition is the customer who sits at the counter for his caloric fulfillment with the following menu (I was never more truthful in all my life): a newspaper in one hand which he reads to the accompaniment of drinking ice-cold water—and I do mean ice-cold! Then he grabs the spoon, gives it two swift brushes with the paper napkin and plunges into the bowl of burning hot soup. (He ordered soup because someone told him it is well to have one warm dish even in the hottest weather.) But he isn't eating much, the weather being what it is, so he finishes off with a doughnut and a glass of iced tea.

Try the test yourself, go anywhere and ask for a drink—any kind—without ice, yes, even orange juice, and take note of the look you will be subjected to. You will be a special customer, a particular customer, a fussy customer. Perhaps one will not be considered too demented if he relates the following personal experience: After walking in the hot sun all day and using all the powers of self-control and psychology to try telling myself that I really wasn't as thirsty as I felt, I dragged myself up to refreshment stand and with tongue that could scarcely formulate words, I implored for a soda that was not on ice. The young lad with the acute-angled white cap told me they were not allowed to sell soda that was not on ice! If he took one from the boxes in the back, he said, it would disturb their count. So I inveigled him into slyly substituting an iced bottle for one in the case. To this day I hope the owner was not craftily watching from the corner of his eye to pounce on the attendant for his dastardly crime after I was beyond hearing distance.

I cannot help remembering Dr. Maude Slye, world famous for her cancer research, make the statement that if she could make her mice, with which she is experimenting, do the foolish things human beings are guilty of doing, she would have progressed much further in her study. One of these things, she said, is partaking of foodstuffs either too hot or too cold. She cannot help maintaining the theory, she continued, that temperature extremes in the stomach have an effect upon cancer—its growth or its causes.

I must repeat again the personal observation within reach of everyone. Our old cow would never drink water drawn directly from the well. She always tested it with her tongue, and if it was too cold, she waited until the sun had brought it to the proper temperature. Now no one ever told that cow that cold water—and not even ice-cold at that—was not good for her. Evidently, then, Nature did not intend for systems made up of tissue and blood and internal organs to imbibe ice-cold drinks. If you don't believe it, check up on the number of summer colds resulting from this practice. (I'm just recuperating from mine, thank you!)

Evidently, however, this practice would not be prevalent if there were no demand for it. Surely if there were enough people asking for cool—but not cold—drinks there would be enough owners of refreshment stands and eating places who would at least cooperate to the degree of giving you the choice of getting what is good for you or ruining your digestive system.

Perhaps some day we may hope to see a measure of control and safeguard against practices detrimental to physical well-being. And so towards that time, one more cry of: "Something should be done about this."

A Reminiscence

UNIVERSAL, PA.—The sun had settled beyond the hills, having emitted, to no avail, its dying rays, as a vivid crimson ribbon across the horizon, in one final desperate effort to prolong its life into the night; already the moon, growing into full maturity after a month's recession, was ascending above the distant wooded hill, climbing higher and higher, until its silvery light poured down upon the good earth, scattering itself diffusely over nature's most secret and hidden recesses.

To John and Mary, sitting beneath the willows, this resplendent moon, shooting its silvery beams of light down through the rustling leaves amid the sighs of the soft evening breeze, was reminiscent of a glorious evening which, throughout these fifty odd years, they had never once failed to recall; for that memorable evening had been the beginning of a happy union which was to extend into the present year of 1990. . . Never could either forget the scene of their first meeting, the shady nook nestled between the hills by the babbling brook.

There it was that they had sat together in the cool of the night, watching the moon pass overhead through the whispering, murmuring leaves, making its predestined path across the heavens. How incredibly the moon had picked on that one spot upon which to shower its mesmeric splendor, its enticing loveliness, its engulfing fascination. Never could they forget the prevailing happiness and joy which was so in evidence at that moonlight affair. . . the dancing of the young folks, the fraternal friendship of the crowd, and the universal delight which was so manifest among the gathering.

This typical couple, both still members of the SNPJ which was of great influence in bringing about the cooperative commonwealth of today, along with the prevalent economic and social security, wants to congratulate the UNIVERSAL COMETS on the success of that memorable affair, "THE COMETS' MOONLIGHT PICNIC," which was held at Center Beach on July 29, 1939, featuring the music of Novak's Moonlight Serenaders.

FRED L. VICHICH, Lodge 715.

After the Show Is Over

STAR CITY, W. VA.—Yes sir, it seemed to me that just about everyone was having a good time at the Penna SNPJ Day in Clairton on June 25. I certainly enjoyed myself, meeting new and old friends, dancing, listening to the various speeches, singing societies and the Vernal Quartet. Pennsylvania sure can give it.

We wish to thank all neighboring lodges and all friends who had helped to put our lodge dance over in a big way on July 1. All members of Lodge No. 388 thank you all. We had both a social and financial success. Much credit is due to the grand orchestra, Joe Kramer Jr. and his Slovene Trio. Their music was enjoyed and appreciated by everyone. We all hope to see and hear these fellows again in the near future, and in the meantime I say, why don't you try them sometime?

Bro. Vider was the guest speaker at Imperial, Pa., on July 4. His speech was very interesting and "food for thought." Many people should think over and remember this speech. We laughed when he mentioned that if a time should come that the Jews would be sent out of the U. S., along with them would go Slovenes, Polish, Germans and other nationalities, also anyone considered as Red. How true that can be and might be, soon. We laugh and say it can't happen here, but an American dictatorship would be a lot worse than any European Dictatorship. Think it over.

VIRGINIA SELAK, Lodge No. 388.

Aquatic Rhythm at New York Fair

NEW YORK (Special)—Here is a striking and unusual shot of the water being splashed across the pool in a graceful curve, at Billy Rose's Aquacade at the New York World's Fair. The water show is one of the most popular features in the Amusement Area and thousands of persons see it every day.

Juvenile Circles

(Continued from page 7)

Sec'y of Yale, Bro. Pecar, read two letters from charter members who have been here when it was organized, but were unable to be present at this affair, but congratulated Yale on their 35th anniversary. Again the Hot Shots rendered a number. Bro. Bratkovich then called on one of our best speakers, Bro. A. Shular, who was followed by Pres. of our Circle, Henry Jelovechan. Then the two Rugele's children of Illinois presented a very fine act. J. sang "Dark Town Strutters Ball," imitating a trumpet. He was accompanied by his sister. He sang and played "Nobody's Darling," while his sister played the Beer Barrel Polka on the accordion.

The next to be called was our Sec'y, Olga Knapich, who congratulated Yale on their 35th Anniversary and on behalf of our circle, the Jolly Kansans, presented flowers to the following for their outstanding work: Bros. Fred Vider, A. Shular, Adviser Mary Shular, Pres. Henry Jelovechan and the Beer Barrel Polka. Next a duet composed of Dorothy Karlinger and Olga Knapich who sang Slovene songs.

Yes, I've saved this to the last that our juvenile circle put on one of their best parts in the program when 31 juvenile members marched forward and made four lines, all a step lower, and spelled "Slovenka Narodna Podporna Jednota," with the SNPJ emblem in front and the entire group sang "Let Me Stay in Kansas," accompanied on the accordion by Henry Jelovechan. Once more the Hot Shots played and we saved the best part of our program for the last.

Bro. Bratkovich introduced the Supreme Sec'y of our Society to the people, namely Bro. Fred Vider of Chicago. A large hand from the audience and there was Bro. Vider by the loudspeaker. Of course we must not forget his beautiful smile. His speech was very interesting and educational. I know we'll try harder to secure members for the SNPJ. He made a fine speech. He gave a short talk in English about our circle, thanked and praised it immensely.

Bro. Fred Vider is one in a million because of his pleasing personality and fine character. We have expected him to be different but he is one of the friendliest persons we have seen.

Last on our program was a speech made by our Adviser Mary Shular. After the conclusion we all went for a good drink and then danced to our heart's content to the swing rhythm of Harry and the Hot Shots. The Beer Barrel Polka is the theme song in Kansas nowadays and everyone was dancing the polka.

We had friends from everywhere. A fine representation from Illinois, Indiana and other places, too. Everyone danced till the wee hours in the morning. On Sunday afternoon we all came back for a get-together to be with Bro. Vider before his departure for Chicago. It was an afternoon well spent and many were still dreaming. With a farewell and a shake, Bro. Vider was on his way. We then all went home for a good rest, to get ready for another big day at Novak's Grove on July 4.

We were all there on time and a very large attendance. The music being furnished by Jules Corsetti. We had a very fine representation from Yale and Cherokee, also from Chicago and other towns. The Beer Barrel Polka again and Philip was kept dancing all the time. We wonder if it was Bill or Philip that wanted the gardenia. Remember, boys, they're not 2 for 5c. Who could it be that asked you're truly if she had any fried chicken 'at home'? Very sorry, boys. Come around some other time. Can you imagine Jack Kastelic and Tony Cerne, the best looking lads, the two Romeo's of Cherokee. We all had a very, very fine time and at last thought of home sweet home. We were all happy and satisfied but very tired and ready to get a lot of shut-eye. So until next week, I'll lay aside my pen and paper and say, So long, everyone. OLGA KNAPICH, Sec'y Circle 11.

How He Got 'Em

First Guy: "I got my wavy hair from my grandfather, my pearly teeth from my uncle, and my red nose from my father."

Third Guy: "Why, how strange!"

First Guy: "No, grandfather is a toupee manufacturer, uncle is a dentist and father runs a beer tavern."

Check 'em Up

Now that another world war looms on the horizon it might be well for Labor to do a bit of checking back on those who were loudest in their advocacy of war in 1917.

How many former presidents, vice-presidents or cabinet members bled and died in the last great conflict? How many members of the United States senate and house—who voted for war and for conscription—went into the service of Uncle Sam and spilled as much as a drop of their blood to make the world safe for democracy or something? How many of the lawyers, school teachers, businessmen, bankers and editors who glorified war in 1917 actually went overseas to experience what they recommended for millions of American boys? How many of the preachers who used their pulpits as sounding boxes for hymns of hate, who called down the wrath of high heaven on the Kaiser, and who quoted scripture to justify American participation in the world war—gave up their pulpits and their chicken pie suppers to bring comfort to American boys gasping for breath as their life blood trickled into foreign soil?

How many newspaper publishers, who used the columns of their periodicals to further the interests of international bankers prior to April 4, 1917, ended their days on a field furrowed by steel and ghastly with death? How many peddlers of Liberty Loan bonds and Red Cross speakers ever donned a uniform or carried a gun? How many of the fellows who went snooping about the country in 1917 to uncover evidence of pro-Germanism spent the following year wallowing in the muck and filth on the western front?

One of these days the silver-tongued orators will again be glorifying war. Preachers will be passing out one-way tickets to heaven for any American boy that will enlist. Newspapers will again be up to their old tricks of spreading tales of atrocities and bankers and businessmen will be telling the boys they can have their old jobs back again when the war is over. Mark the prediction, but in the meantime, check up on those who waved the flags and yelled the loudest—back there in 1917.—The M.U.A.

HOME HINTS

Tweezers are very convenient for removing pin feathers. Or you can "sing" them off by holding the fowl over a flame, turning it quickly to avoid scorching.

A salad should be served on crisp lettuce or greens and covered with just enough dressing to blend well with its ingredients. Improper mixing or excess dressing produces a wateriness which is far from attractive.

Be sure to include dusting the lamp, both the shade and the bulb, when cleaning the room. So often this article is forgotten in the zest for the wooden articles and yet nothing shows up worse because of the strong light it sheds on itself.

Salt is used for curing meat because it preserves and dries it, but in excessive quantities salt will impair the flavor and make the lean muscles undesirably hard. Insufficient quantities will fail to check the development of putrefact bacteria.

Plants will keep in good condition for some time, if no one will be at home to water them, if you do this. Place in a galvanized tub as many bricks as there are flower pots. Cover the bricks with water and place a pot upon each. The bricks will absorb the water and keep the plants from drying out.

The difference in the kinds of fibers or yarns, or in the weave, may cause a blanket to shrink unevenly when washed and leave ripples and puckers that you cannot smooth out. Notice stripes and borders especially. They should look the same as the rest of the blanket. If they seem taut or full, then this will be exaggerated after the blanket is washed.

Friendly City's Membership Steadily Increasing

JOHNSTOWN, PA.—A BIGGER and BETTER SNPJ is bound to be the result of this national campaign. F. C. is still going strong in its campaign for new members. Two weeks ago the names of 14 new members were published and this week we have a few more to add to the list. The new boosters are Herb Wagner, Wilbur Hattle, Jennie Kopriva, "Slim" Siminic, "Butch" Gvondich and Mrs. Antonia Kushar. Mrs. Gales, a new member, promises that her husband is also soon to be initiated into Friendly City.

Congratulations to one of our brothers, Joe Jacoby, who in the last week of July is to say the final "I do." He also promises us that the future Mrs. Jacoby is to become one of our members.

We wonder what happened to the Young American Slovenes from Detroit who were to play a muckball game with F. C. on July 4. Their failure to show up certainly left us the entire afternoon and evening with a large amount of spaghetti and meat balls on hand. Approximately 45 F. C. members were rounded up and we had a gala affair. Between Brother Anarhar from Cleveland and Frank Kushar we had polkas during the entire afternoon and evening. And, boy, can some of our members jitterbug!

Well, F. C. came through with two more victories on Sunday when they played a double header with Kelo giving us six wins and no losses so far. Now that Flood City lost to Friendly City it leaves Friendly City on top and Triglav in second place. Of course it's true F. C. can be beaten, but first you've got to produce a good team that can do it. Until that time we won't worry about it, but just take things as they come. In August, Friendly City is going to celebrate its TENTH ANNIVERSARY. Full details will be published in the next write-up.

Don't forget, gang, that our winner roast will be held at Markhan's Farm on July 16. I'm wondering if Brothers Kushar and Korber are planning on bringing their accordions along with them.

All Fixed Up

"On her eighteenth birthday I gave my daughter her first front-door key."

"That was the proper modern spirit, old man."

"Not necessarily. I just got tired of having her knock off the milk bottles crawling through the panty window."

Fair Enough

"What is the best method to prevent the diseases caused by biting insects?"

"Don't bite the insects."
