NEMANIČEVO OKROŽJE ZOPET NA PRVEM MESTU

IZ URADA GLAVNEGA TAJNIKA

POROČILO O KAMPANJI

Aktivnost naše kampanje podpredsednikov za mesec julij je bila prav povoljna. Meseca julija je pristopilo v odrasli oddelek 107 članov in članic in v mladinski 93 članov in članic. Torej ravno 200 novih članov in članic je pristopilo v našo Jednoto meseca julija. Njih skupna zavarovalnina znaša \$119,050.00.

Od prvega marca, ali odkar je bila kampanja podpredsednikov naše Jednote proglašena in vstevši mesec julij je pristopilo 896 članov in članic in njih skupna zavarovalnina znaša \$525,600.00.

General Nemanich se kar ne poda. To je dokazano zopet iz preteklega meseca. Na vsak način hoče biti prvi in prvi, da bo na tem tudi vstrajal do zaključka kampanje. To mu vsi prav radi verjamemo, ker to je dosedaj že večkrat v dejanju pokazal in njegova vstrajnost bo gotovo dober rezultat.

Vemo pa tudi, da ima general Nemanich tudi malo strahu pred svojimi nasprotniki. Lekšanova kavalerijska brigada mu je že za petami in bati se je, da Nemanich ne bo uspel. Z vsjo silo pa pritiskata Pavlakovich in Germ. Pavlakovich je že na tretjem mestu in njegova ofenziva se čedalje bolj pomika k cilju do zmage.

Seveda vsi trije se veselijo brez kakega strahu napram Grmovi gorski brigadi. Če bi oni trije vedeli načrte br. Germa, ki jih vemo drugi, bi imeli nepopisen strah. Br. Germ se je resno odločil, da mobilizira vse svoje okrožje na boj svojim nasprotnikom. On se je tako odločil, in če mi ne verjamete, vam bom v teku tega meseca dejansko pokazal. — pravi. Svojo armado je celo razprostrl v državo Idaho in Wyoming, kjer je obširno polje za njegove manevre. Nemanich, Lekšan in Pavlakovich, čuvajte se!

Bratje in sestre! Pet mesecev je poteklo ali ravno polovico časa naše kampanje podpredsednikov. V teh petih mesecih se je pridobilo 896 članov in članic. Načrt kampanje je bil: pridobiti 3000 novih članov in članic za oba oddelka. Samo še pet mesecev je časa, da dosežemo predpisano kvoto.

Morebitni izgovori, da je število 3000 novih članov in članic pretirano pač nima podlage. Vpoštevatvi je treba, da je kampanja razpisana za oba, za odrasli in mladinski oddelek. Vpoštevatvi je treba dejstvo, da se za odrasli kakor za mladinski oddelek šteje enko. Res je, da je bilo v preteklih par mesecih neprijetno agitirati, toda sedaj je bolje. Res je pa tudi, da živimo v času velikih kompeticij vseh drugih podpornih organizacij. Toda kljub temu smo pa uverjeni, da je širina držav še lepo število našega vernega ljudstva, ki bi znalo ceniti našo K. S. K. Jednoto in da bodo torej katoliški rojaki in rojakinje radi pristopili k naši edini največji in najmočnejši katoliški organizaciji.

Pojdimo torej na delo vsi, prav vsi; zamujenega še ni veliko in v prihodnjih petih mesecih prav lahko dosežemo zaželjeno število 3000 novih članov in članic za K. S. K. Jednoto!

V tej nadi vas vse pozdravljam,
Josip Zalar, glavni tajnik.

VESTI IZ CLEVELANDA

Msgr. Pfeil umrl

Dne 24. avgusta je v bolnišnici sv. Janeza v Clevelandu, O., po večmesečni bolezni umrl tudi naš Slovencec dobro znani župnik cerkve sv. Petra na 17. cesti in Superior Ave., Rt. Rev. Msgr. Nikolaj Pfeil v 76. letu starosti. Pokojnik je živnikoval na tej fari celih 37 let. Kakor znano, so imeli naši rojaki v kapelici sv. Petra prve službe božje preden je bila fara sv. Vida ustanovljena. Bodi blagemu pokojniku ohranjen trajen spomin tudi med našim narodom!

Na obisku

Minuli teden se je mudila na obisku svojega brata Frank Hrovata in drugih znancev Mrs. Mary Somrak iz Indianapolis, Ind. in sicer v spremstvu sina in dveh hčerk. Mrs. Somrak se je zglasila tudi v našem uredništvu; spoznali smo jo takoj ker je bila na lanski naši konvenciji članica kuhinjskega štaba. Omenila je, da se delavske razmere v Indianapolisu polagoma boljšajo, tako tudi, da je ondotni znani naš član društva št. 52 Frank Donas že več mesecev nevarno bolan; iskreno mu želimo zopetno ljubo zdravje.

PRIJAZEN POZIV NA SLOVENSKI NAROD

Centralni odbor organizacije za Jugoslovanski kulturni vrt nas je naprosil, da priobčimo v javnosti sledeči poziv na narod:

Pred nami so za nas veliki dnevi. Še nikdar poprej se nismo pripravljali na večjo in bolj pomembno slavnost, kakor se pripravljamo ravno v teh dnevih, ko prihaja k nam prevzvišeni slovenski vladika, dr. Gregorij Rožman, nadškof ljubljanski.

Samo enkrat se je v zgodovini nas, ameriških Slovencev zgodilo, da nas je posetil cerkveni dostojanstvenik, in to je bilo ob priliki Evharističnega shoda v Chicagu, ko je dospel k nam starosta jugoslovanskih škofov, vladika dr. Jeglič. Sedaj pa prihaja med nas, čisto med nas ameriške Slovence, njegov naslednik dr. Gregorij Rožman z željo, da obišče Slovence v večjih naselbinah po Ameriki.

V nekaj dnevih bo že pripravljen za pot, da gre za svojimi sinovi v tujo zemljo, ki je pa postala naša nova domovina, v Ameriko. Torej, bratje in sestre, pripravimo se!

Važni in pomembni trenutki nas tudi čakajo, ker se bo v ravno onih dneh postavil in odkril spomenik prvega slovenskega pionirja v Ameriki, ki je dospel v to zemljo poln gorečnosti, da deluje za človeški rod.

Postavil in odkril se bo spomenik možu, ki je dal svoje življenje za to, da bi priboril več kulture onim, ki so bili v temi in nevednosti. Postavili in odkrili bomo spomenik možu, katerega ime je sijajno med Amerikanci in med našim narodom. Postavili bomo spomenik možu, po katerem so imenovani okrajji, mesta in vasi po

Ameriki. In to je naše gore list, pionir škof Friderik Irenej Baraga!

Zato vas pa Centralni odbor organizacije Jugoslovanskega kulturnega vrta pozivlja, prosil in kliče, da se pripravite, da se organizirate, da pridete od bližje in daleč v naš slovenski in jugoslovanski Cleveland! Da se uvrstite v veliko manifestacijo, v slikovito parado, kakoršne do danes še nismo videli v Clevelandu.

Pridite domačini, pridite iz okolice! Društva, pevska in kulturna, uniformirana, cerkvena in narodna. Pridite v narodnih nošah! Pridite jezdec in konjih! Pridite vsa podporniška društva, prinesite svoja bandera in zastave.

Ne čakajte na nadaljna vabila! Stvar, za katero se gre, je zadeva naroda, je častna narodna stvar, tako da nas bodo naši Amerikanci spoznali, kdo smo in koliko nas je! Drugih je manj kot nas, drugi so manj doprinesli za mesto, kakor smo doprinesli mi, toda: drugi vedo in se znajo pokazati ob takih prilikah in priznanje jim gre od vseh strani! Mi pa zaostajamo, zglobljamo se tam, kjer bi morali dobiti priznanje in rešpekt.

Bratje in sestre! Slovenci in vsi Jugoslovani! Pridite na dan v dnevih, ko se vas potrebuje. Narod vas kliče in hoče imeti. Sedaj je čas, ko se bo štelo in dognalo, koliko nas je, kdo smo. Pridite!

Kdor ima zavest za narodno in kulturno probujenje, naj se dneve pokaže. Narod mu bo hvaležen! Dne 22. septembra je tisti dan, ko bomo praznovali "Baragov dan" in dvignili ime naroda visoko nad druge,

prav po zasluženju vsega, kar smo že doprinesli za vелеmest Cleveland, v katerem se duševno in narodno razvijamo.

Naj ne bo med nami nikogar, ki bi odpadal! Naj ne bo nikogar med nami, ki bi ugovarjal ali ključoval! Proč s sebičnostjo! Narodna misel naj nas navdahne in prepriča. Zberimo se skupaj na zemlji, ki nam je bila podarjena od mestne vlade, da na to zemljo postavimo spomenike naših mož, vsako leto enega, ki so na ta ali oni način donali narodu kulturo in slavili naše ime!

Jugoslovanska zemlja v kulturnem vrtu je obširna, načrti so pripravljani za številne naše kulturne može. Zberimo se, ko bo spomenik postavljen prvemu pionirju. In lahko se bomo še pozneje zbirali, ko bomo odkrivali spomenike ostalim nosilcem naše jugoslovanske kulture!

Končno vabimo tudi vse naše brate in sestre izven Clevelanda, iz vse države Ohio, da iz vseh Zedinjenih držav, da po hititju na pomembni dan 22. septembra v Cleveland k največjemu našemu narodnemu prazniku! Vrhilo se bo štiridnevno praznovanje. Takoj za Baragovo slavnostjo bomo nadaljevali z Evharističnim kongresom, ki bo nekaj veličastnega.

Za one, ki bodo prišli od zunaj, bo preskrbljeno stanovanje, če se pravočasno prigrisajo tajništvo.

Predloženo po predsedniku, odobrene soglasno in izročeno v priobčitev vsem časopisom, ki so nam naklonjeni.

A. Grdina, predsednik,
Jos. Grdina, tajnik,
Marianca Kuhar, blag.

VABILO NA JEDNOTIN DAN V PITTSBURGHU

Dragi mi sobratje in sestre: — Kot član glavnega odbora in kampanjski voditelj našega II. okrožja se tudi jaz pridružujem našim vrlim "boosterjem" in uljudno apeliram na vse članstvo društev našega okrožja, da ne zamudite prilike, katera se vam nudi v nedeljo, dne 1. sept. v Schuetzen parku, Millvale-Pittsburgh, Pa.

Odkar je bil ustanovljen Booster klub v naši naselbini, sem imel priložnost po večini se udeležiti njih prireditev, in vsaka je bila povoljno obiskana, tako da se je tudi vsaka oseba, ki je bila navzoča, pohvalno izrazila in zadovoljno vrnila na dom. Sedanja prireditev, katero priredi skupina Booster klubov iz Pennsylvanije, bo pa prekašala vse in bo zgodovinskega pomena za društva KSKJ in našim okrožju, kajti nekaj tako obširnega še ni bilo prirejeno v naši naselbini. Zatorej bratje in sestre, kot razvidimo, kako se trudijo v ta namen naši, tukaj rojeni Jednotarji(ce), dajmo jim torej kolikor mogoče pomoči in priznanja tudi starejši, ker naša mladina je naša bodočnost in tako tudi naših organizacij. Kolikor sem dosedaj razvidel, so za to najboljše sredstvo Booster klubi, ker tam se mladina medsebojno spoznava, in oni drug drugemu bolj verjamejo kot pa da bi starejši mlajšim raztolmačili potrebo in vrednost naših društev in organizacij, in da naše organizacije so njih organizacije, kjer vlada bratstvo, česar pa pri zavarovalniških družbah ne morejo dobiti.

Zatorej vam iz lastnega prepričanja toplo priporočam, pošljite svoje sinove in hčere, da postanejo člani in članice Booster klubov, kajti oni bodo naredili dobre Jednotarje iz njih. Tako jim tudi priporočajte, da naj redno vsak teden čitajo angleško stran Glasila — Our Page, — in se boste kmalu prepričali, da se bo tudi mladina začela zanimati za naša društva in Jednoto.

Program in vse druge točke tega Jednotinega dneva, vse obširneje opisano na tej strani, pazno preberite. Skoro polovica glavnih uradnikov(ic) KSKJ bo ta dan navzočih, tako tudi več glavnih uradnikov drugih sobratskih organizacij in to iz bolj oddaljenih krajev, ker se želijo seznaniti z nami, kakor tudi mi z njimi. Tako bodo tudi razne zanimive igre in tekme; samo to je več vredno, kar se bo vstopnine računalo, namreč samo 25c za osebo. Zatorej priporočam vsem, katerim le količjak razmere dopuščajo, da ne zamudijo te velike Jednotine manifestacije 1. septembra v Pittsburghu. Dajte priložnost vašim mlajšim kolikor mogoče, da se udeležijo slavnosti prvega našega Jednotinega dneva v tej naselbini. Naši "boosterji" nas bodo v veseljem sprejeli ter nam nudili veliko zabave, navdušenja in tudi izborna postrežbo.

Vsi bratsko pozdravljeni in na svidenje 1. septembra!

Math Pavlakovich,
II. podpredsednik KSKJ.

Mrs. Kristina Kolar se vrnila iz Jugoslavije

Dne 22. avg. popoldne se je vrnila iz stare domovine Mrs. Kristina Kolar, znana trgovka na Gilbert, Minn., ki je bila na obisku v stari domovini. Obiskala je Velike Lašče in okoliške fare, udeležila se je tudi Evharističnega kongresa v Ljubljani. Z njo je dospel v Ameriko tudi Mrs. Frances Arko s svojim možem Louisom, ki je krojaški mojster v Minnesoti. Mrs. Arko je doma iz Sordražice, Mrs. Kolar pa iz Male Slevce pri Vel. Laščah; svoje potovanje v stari domovini je že parkrat v našem listu opisala. Vsem kliče: Dobro došli!

Najdena utopljenca

Preteklo soboto so v erijskem jezeru našli truplo 45 letnega Stanley Kovalseka, rodom Poljaka, ki je dne 18. avgusta v družbi Mrs. Viktorije Somrak utonil; truplo rojakinje Somrak so pa potegnili iz jezera minulo nedeljo popoldne.

Zalostna vest iz domovine

Mrs. Louis Kožel, 721 E. 155th St., je dobila žalostno vest iz domovine, da ji je umrla ljubljena mati Marija Žužek v častiljivi starosti 80 let, doma iz Gornjega Retja, p. Velike Lašče. Umrla je pri svoji hčeri Tončki, poročeni Urh, v Mostah pri Ljubljani. Ranjka je bila mati 12 otrok, od katerih jih še živi osem, in od teh so štirje v Ameriki, in sicer: sin Frank Žužek, Durango, Colo., sin Alojzij, odvetnik v Clevelandu, sin Ivan se nahaja v Kanadi, hčerka Ana, poročena Kožel se pa nahaja v Collinwoodu. Naše sožalje.

Kdo bo zmagal?

Prihodnjo nedeljo popoldne priredi društvo sv. Cirila in Metod št. 191 svoj zadnji letošnji piknik na Stuškovi farmi, v Wickliffe. Med drugim bo na programu tudi vlečenje vrvi (tug of war) in sicer med člani in članicami. Po-niši sodbi bodo zmagale članice ker jih bo gotovo tudi na pikniku več kot moških.

Važne predloge sprejete

Dne 23. avgusta je kongresna in senatna zbornica odobrila predlog senatorja Guffeja iz Pennsylvanije, tikajočo se premogovne industrije. Tako bo v bodoče poseben vladni odbor določeval ceno premoga, plačo in delovni čas premogarjev in bo skušal uravnati preteče stavke.

Dan kasneje je bila pa v kongresu sprejeta resolucija, da ostanejo Združene države strogo nevtralne in se ne bodo vmešavale v italijansko - abesinski spor. Predsednik bo izdal proklamacijo, da je do 3. marca 1936 prepovedano izvažati iz Amerike vsakovrstno municijo spornim državam; tvornice municije bodo pod strogo državno kontrolo, tako bo tudi ameriško ljudstvo opozorjeno, naj v teh časih ne potuje v nevarne kraje, kajti to bo vršilo na svojo lastno odgovornost; tako je tudi podmornicam in bojnim ladjam spornih držav prepovedano ustavljati se v ameriških lukah; torej je naš strah pred zopetno vojno odstranjen!

Diabetes—važnost rane diagnoze

Piše Dr. John L. Rice, zdravstveni komisar mesta New York

Ako sladkorna bolezen (diabetes) ostane dolgo časa neodkrita ali ako se bolnik ne ravna po predpisih zdravnika, stalna prisotnost znatnih količin sladkorja v krvi povzroča škodljive posledice v žilah (arterijah). Po navadi se to najprej pokazuje v arterijah noge in ako se zanemarja nadaljnji razvoj, nekatere arterije se zamašijo. Ko se to zgodi, nastane gangrena v dotičnem mestu. To je vedno nevarno in dostikrat treba odrezati nogo.

Radi tega treba prizadevati, da se prisotnost sladkorne bolezni odkrije čim prej. In čim se je spoznalo, da gre za sladkorno bolezen se mora bolnik takoj zateči k dobremu zdravniku in mora ostati pod njegovim nadzorstvom. Res je, da insulin izvrši čudeže, ali treba jako paziti na to, kaj naj bolnik je. Dejanski ob lečenju z insulinom je pravilna dijeta še bolj potrebna kot kdaj prej. Razumen bolnik to kmalu spozna in ne najde nikake težkote pri tem, kajti s pomočjo insulina more dijeta biti raznovrstna in obilna. Ni treba več stradati kdo ima sladkorno bolezen.

Ob vršetku te serije člankov o sladkorni bolezni hočem posvariti čitatelje pred raznimi lažileki, ki se oglašujejo za zdravljenje sladkorne bolezni. Čudne jedi, zelišča in pilne vse to nič ne velja. Obarujte se vseh takih lekov. Ako se na nje zanašate, si le skrajšate življenje.

Zapomnite si to, da, kdor ima sladkorno bolezen in se ravna po nasvetu zdravnika, more dandanes živeti svojo redno in odmerjeno dolgo življenje. Ne lečite se sami.

Ako hočete znati kaj več o sladkorni bolezni, pišite po knjižico (pamphlet), izdano od New York Diabetes Association, 386—4th Avenue, New York City. Priložite znamko za tri cente.

Swoboda tiska v Ameriki

Ali je Amerika v nevarnosti izgubiti svojo tradicionalno svobodo tiska in govora?

V zadnjih mesecih se je precej slišalo o dozevnih prizadevanjih, da se omeji svoboda tiska. Bojazen, da je svoboda tiska v nevarnosti, se izraža od raznih strani, ki se sklicujejo na ponovne izbruhe silnega in protizakonitega zatiranja državljskih svobod s strani organiziranih vigilantov in oboroženih skupin.

Kako stališče zavzema federalna vlada in kje ona stoji v stvari, svobode tiska?

Harold L. Ickes, tajnik notranjih zadev v Rooseveltovem kabinetu, je stvar prav čisto razjasnil tako-le:

“Tisk mora biti popolnoma svoboden v izražanju mnenja. Vsako prizadevanje za omejitev je nevarno. Vsak poskus zakonitega omejevanja, tudi če bi bil izvajan z modrostjo, bi bil mnogo hujši kot vsak izgrede svobodnega izraza. Preveč svobode je boljše kot najmanjše omejevanje, vsiljeno od zunaj, kajti izgrede navsezadnje ali končajo s tem, da se stvar zboljša, ali pa se šami sebe vničujejo. Vsaka bojazen, da bi bila vlada naklonjena zanikati ali le količikaj omejevati to svobodo, je nevtemeljena. Vlada zna, da Amerika brez svobodnega tiska ne bi bila več ona Amerika, ki jo poznamo in ljubimo.”

“Zelal bi ob tej priliki poudarjati, da bi tudi druge en-

ko vredne pravice, garantirane od federalne ustave, namreč svoboda govora in zborovanja, bila enako zavarovana, kot je pravica do svobodnega tiska. Po mojem mnenju najbolj dragocen svobodin, priborjenih od ameriške revolucije, je svoboda tiska, svoboda govora in svoboda prostega zborovanja. Lahko bi zapustili ves ostali del Konstitucije, ako bi bila potreba, in vendarle bi Amerika še vedno vedno ostala ista, ako le pridržimo one pravice. Za te pravice so se ljudje borili od pinitivke one so največje jamstvo naših svobodin. Svobodni tisk mora vedno braniti pravice do svobodnega govora in svobodnega zborovanja.”

“Pa vendarle sem bil večkrat ogorčen, ko je del časopisov v kritičnih momentih dajal potuho onim, ki bi radi prikrajšali svobodo govora in zborovanja. Večina ne potrebuje zaščite. Ali manjši potrebuje zaščito, ako večina zlorablja svojo moč. Videli smo večkrat v tej deželi vstajanje mase proti brezmočnemu poedinu ali kaki zapušteni skupini.”

Tajnik Ickes navaja primere, ko so mestne oblasti odrekle pravico zborovanja in govora v kakem praznem lotu od mestni meji, razpustitev zborov s strani večinskih elementov, zanikanje univerzitetnih oblasti zagovornikom nekaterih nasprotnih naziranj. “Vse to, poudarja Ickes, krši ustavne pravice.”

Ako kdo trdi, da se pravica svobodnega zborovanja tiče le verskih prepričan ali političnih naziranj, proti katerim nič nimamo, ta razlog žali spomin onih odličnih mož, katerih ime je podpisano pod našo Ustavo in ki so se borili in umrli, da moremo uživati svobodo pod ameriško zastavo. Prav zares naše institucije nimajo tako slabe podlage, da ne morejo biti izpčstavljene nikaki kritiki, pa naj bo kritika še tako nevtemeljena in nezmerna.”

Svoboda ameriškega tiska sega nazaj v kolonialno dobo. Sloviti “Zenger case,” o katerem se je vodila borba v newyorških kolonialnih sodiščih v l. 1735, je postavil temeljni kamen za svobodo tiska v tej deželi. Zenger je bil nemški priseljenec, ki je izdajal časopis v New Yorku. Bil je zaprt radi nekega kritičnega članka proti kraljevski vladi. Na to je nastalo ogorčenje širom vseh kolonij in sodišča se ga oprotila in poudarila do svobodnega tiska. FLIS.

Šolski načrt boljševikov

Čitateljem je znano, da so se ruski boljševiki s svojo brezversko gonjo vrgli zlasti na mladino in šolstvo. Izdali so poseben načrt, po katerem morajo učitelji poučevati, da čimpreje zamore v srcih mladih otrok vsako klico božje misli. Čitajte, premišlujte in sodite, ali ni boj proti komunizmu, pa naj se skrivna še tako pod delavski plašč, sveti boj. Načrt je po šolskih letih razdeljen takole:

1. šolsko leto: 1. poljubovati svete podobe, križe itd. je nevarno zdravju. 2. Post je škodljiv. 3. Molitve nič ne koristi. 4. Kdor izostane od pouka ob cerkvenih praznikih, moti šolsko delo. 5. Mrtvih se ni treba bati.

2. šolsko leto: 1. Carovnikov, čarovnic, duhov, angelov in hudičev ni. 2. Na mesto molitve — skupno delo in boj. 3. Boleznj se z molitvijo ne ozdravijo. 4. Postni časi koristijo popom. 5. Zveza med nepismenostjo in prazno vero. 6. Molitve gospodarstvu nič ne pomagajo.

3. šolsko leto: 1. Verski — in revolucionarni prazniki. 2. Oktoberska vstaja je pregelna zemeljskega carja in dokazala, da ni treba več tudi nebeškega carja. 3. Različno obnašanje verstva nasproti bogatim in nasproti revnim. 4. Zakaj imajo služabniki verstva volivne pravice? V čem obstoji delo popov? 5. Klubi, kmetski domovi, čitalnice in cerkve. 6. Traktor in kolektiv — alj molitve. (Brez pomoči svetnikov in božje se more žetev povečati in blagostanje kmetov izboljšati).

4. šolsko leto: 1. Navadne pravilice in verske pripovedke o početku sveta. (Boj med vero in znanostjo). 2. Kje ima čiščenje sonca svoj izvor? Kako je nastal božič, kako velika noč? 3. Odkod ime “kristjani”? Ali je Kristus živel? 4. Kako so si ljudje ustvarili svoje bogove? 5. Vera je sovraženica kmetov in delavcev. 6. Zakaj so verske sekte nevarne? 7. Kako izrabljajo kapitalisti vero?

Za tri zadnja šolska leta: 1. Znanost in vera. 2. Kako je nastala zemlja? Starost zemlje. 3. Nastanek življenja na zemlji. 4. Nastanek živali in rastlin. 5. Ali imamo dušo? 6. Zdravstvo in vera. 7. Verstvo praznoverje, ki spremlja gospodarstvo. 8. Cerkevna posestva pred revolucijo in izkoriščanje kmečkega stanu. 9. Verske organizacije in njih razredni značaj. 10. Agitatorsko delovanje verskih občin. 11. Vloga cerkvenih organizacij v kolonialnem stremljenju kapitalističnih držav. 12. Vera in vojska. 13. Verstvo v sovjetski uniji. 14. Post. Njega začetek in škodljivost. 15. Verska in protiverska npravstvenost. 16. Verstvo in delo v inozemstvu. 17. Vera in proletarijat. 18. Vera in socialisti.

Letna naročnina znaša samo 100 dinarjev, kar daleč ne krije stroškov, ki jih ima revija. Želimo ustvariti slovensko kulturno revijo, ki bo na znotraj in na zunaj v ponos našega naroda. Želimo pa tudi, da bodi ta revija najožja zveza med nami in med onimi našimi rojaki, ki žive razkropljeni po vsem svetu. Kar ni mogoče v pismu, to je mogoče v tiskani besedi in sliki, ki vedno zopet prijetno spominja vsakogar na njegov dom, na slovensko zemljo in na življenje v nji. Mnogo prijetnih in poučnih ur Vam nudi naša revija, ona Vam pa nudi tudi možnost, da svojim znanecem iz tujih narodov pokažete na našo eksistenco, na naše delo, lepoto naše zemlje, besede in pesmi.

Revija “Kronika” pa bo v svojem posebnem delu pribodevala članke s slikami iz življenja naših izseljencev. S tem hočemo povezati naše izseljence z njihovimi domovi v domovini. Zato Vas prosimo, da si poiščete rojaka, ki bo napisal članek iz Vašega življenja, dela v družtvih, o Vaših razmerah in o razmerah v kraju, kjer prebivate itd. Toliko je pri Vas zanimivega, da vse to, napisano in opremljeno s slikami, lahko poglagamo priobčimo v reviji in podamo s tem našim v domovini lepo, pregledno sliko iz Vašega življenja. Take članke Vam radi tudi plačamo. Spočtovano predsedstvo! Iz povedanega si ustvarite sliko o našem hotenju in Vas prosimo, da nam priskočite na pomoč in pripomcrete v vseh svojih družtvih in med vsemi vašimi rojaki, da postanejo redni naročniki naše revije “Kronika.”

Kakor že omenjeno, znaša letna naročnina za redne naročnike v inozemstvu samo Din 100 ali \$2.75. Ko naberete nekaj naročnikov, nam pošljite spisek istih z natančnim naslovom in naročnino za naročnika. Uverjeni smo, da bo Vaše delo imelo velik uspeh, kakor tudi, da bodo vsi naročniki z revijo izredno zadovoljni. “Kronika” naj bo v vsaki slovenski hiši doma in na tujem, tem bolj še tam, kjer naj predstavlja presrečno vez med nami.

Od prvega letnika 1934 je na razpolago še par sto izvodov po Din 100, brščiranih in vezanih v platno po Din 150. Vsaka knjižica, ki hoče imeti svoj popolno zbirko, naj takoj naroči tudi prvi letnik, ker bo tega skoro zmanjkalo. Spočtovano predsedstvo! Hotec služiti narodu in zlasti zvezki naših rojakov, apelira uprava revije “Kronika,” ki jo izdajajo slovenska mesta, in Vas prosimo, da predložite našo vlogo Vašemu odboru in vsem Vašim podružnicam in rojakom z najtoplejšim priporočilom.

Sprejmite ob tej priliki prisrečne pozdrave in izraze odličnega spoštovanja

za upravo in uredništvo “Kronike:”

Ljubljana. — Teško pričakovani ameriški Slovenci so dospeli v Ljubljano dne 14. junija kot prvi udeleženci Evhariističnega kongresa. Slovenci v domovini smo vedno radostni vsakega obiska, kadar pridejo k nam sorodniki iz Amerike; v tej priliki pa smo bili še posebno veseli, ker smo vedeli, da je to skupino privedla iskrena želja, da na Evhariističnem kongresu skupno s Slovenci iz stare domovine manifestirajo svojo slovensko zavest, s katoliki iz vse države pa svojo versko zvestobo.

KAKŠNI SE VRAČAJO ABESINJE!

Gorica, julija 1935.—V Gradsko sta se vrnila dva pilota, ki sta bila dodeljena abesinski ekspediciji. Eden je že prej dal časa služiti kot prostovoljec-pilot v italijanski Somaliji, drugi pa je bil prvič tam. Prvi se je pri čezmornem poletu ponesrečil, radi česar so mu morali odrezati obe nogi. Omenjeni je šel kot navdušen fant, a vrnil se je domov kot velik nasprotnik sedanjega režima.

je končal takole: "... Pozdravljam vas še posebno kot zastopnike onih tisočev rojakov, ki bi radi prišli iz Amerike k nam na obisk, pa zaradi razmer nimajo te sreče. Ko se vrnete, sporočite jim pozdrave slovenske domovine!" V imenu družbe sv. Rafaela jih je pozdravil župnik p. Kazimir Zakrajšek, ki je med drugim povedal tudi tole: "Kakor se mi veseli Vašega obiska domovina. Dvoje misli Vas je vabilo, da ste obiskali Slovenijo; — prvič ste je vodila ljubezen do domovine, do rodnih ljudi, drugič pa želja, da s katoliki Slovenije in vse Jugoslavije skupno proslavimo Kristusa Kralja. Vabim Vas kot zastopnike ameriških Slovencev na izseljeniški kongres, ki bo 1. julija dopoldne v svečani dvorani banske uprave. Tam bodo zbrani Slovenci iz Nemčije, Afrike, Južne Amerike in od drugod. Tam se bomo pogovorili o Vaših željah, ki jih imate do domovine, razgovorili se bomo o ljubezni med bratom in sestro. Poglobili bomo našo skupno slovensko zavest in med-sebojne stike!"

Ameriške Slovence so pozdravili tudi drugi zastopniki, tako g. Marincek, direktor dr. J. Bohinec. Prišle ameriške Slovence je vodil g. Leo Zakrajšek iz New Yorka, brat župnika p. Kazimirja Zakrajška. Njemu je ga. Sirčeva iz Ljubljane izročila velik in krasen šopek slovenskih nageljnov. Ameriške Slovence je podjetje 'French Line' pogostilo v hotelu Miklič. V tej skupini so bili sledeči: Gosar Joe, Rock Springs, Wyo., Kodrič Matilda, Cleveland, O., Rojavec Giovanna, Brooklyn, N. Y., Vick Helena, Chicago, Ill., Šark Marija, New York, N. Y., Cvenk Frances, Chicago, Ill., Komln Antoinette, Johnstown, Pa., Košmerl Ana in Košmerl Alice, Chicago, Ill., Vidmar Mary, Indianapolis, Ind., Rigler R. New York (Bronx), N. Y., Vinčec Josef, Canada, Janesh Mary, Chicago, Ill., Rev. Aleksander Urnkar, Chicago, Ill., sestra Poženel Marija, s. Zorko Marija in s. Grmek.

Druga skupina ameriških rojakov Slovencev je prispela v Ljubljano dne 24. junija 10 minut pred 9. uro. Z neznajšano radostjo so številni Ljubljančani in Slovenci iz drugih krajev pozdravili tudi to skupino ter ji privedli krasen sprejem. Ob prihodu vlaka je godba "Zarja" zaigrala radostno koračnico. Ta skupina je prišla čez morje z ladjo "Champion", ki je prav tako last francoske družbe "Transatlantique", kakor "Normandie". Zopet jih je pozdravil ravnatelj g. Fink, dalje zastopnik kongresa za Evhariistični kongres Persuh. Z vročimi besedami je v imenu vseh ameriških Slovencev pozdravil domovino Rev. John Oman, ki je obljubil, da bo tudi iz domovine odnesel tople pozdrave ameriškim Slovencev. V tej skupini so bili sledeči potniki ali izletniki iz Amerike: Rev. J. J. Oman iz Clevelanda in Rev. Milan Slaje iz Lorain, Ohio.

Močna skupina izseljencev — Slovencev iz Holandije, Belgije, Severne in vzhodne Francije in iz Nemčije je prišla dne 23. junija ob 20:46 s posebnim vlakom. Vseh skupaj je bilo 500 oseb, katerim se je pridružil še okrog 100 nemških duhovnikov. Na kolodvoru se je zbrala ogromna množica sorodnikov in prijateljev, ki je potrpežljivo pričakovala njihovega posebnega vlaka, ki je imel veliko zaupanje v večjimi zamudami. Slednjiji je privozil vlak s težko pričakovanimi rojaki. Tudi tisti, ki jih je borba za kruh iztrgala iz domače zemlje, so začutili klic domovine, kateri so ostali veseliki zvesti. Nekateri že nad deset let niso videli Slovenije, naučili so se tujih jezikov, pa vendar jim oči zažare, ko slišijo domačo besedo, in materina govornica jim teče tako lepo in gladko, kakor pred leti, ko so bili iztrgani iz domačega kroga.

Thanks, Waukegan

Words of appreciation and thanks were in order to the Waukegan St. Joe's baseball team and its loyal rooters who motored to Sheboygan August 10 and 11 to partake of the first annual picnic and open air concert of the Sheboygan Slovenian choirs. Their having been one of the highlights on the program was one of the contributions to the success of the affair, and their mutual interests and good fellowship were evident throughout their stay in the choir city. The committee is appreciative of their efforts and fine spirit.

John Torkar, accompanied

by his brothers Joseph and Ludwig of Joliet, Ill. stopped in Cleveland enroute home from Forest City, Pa., where they visited relatives and friends.

HOW BIG IS THE WORLD?

Editor's note: The following story was received too late to be verified. The probable incident is well-written and merits publication on that count. However, in fairness to our reporters and the other reports appearing in the Our Page, we ask the readers to receive it either as an actual incident or as a product of the imagination.

Pittsburgh, Pa.—How big is the world, or rather how strong is the KSKJ spirit?

Answers to the above questions are explained by the queerest of coincidents that happened my way the other day when I was riding uptown in a subway from lower New York.

Amid the rhythm of well-placed snoring, crackling newspapers and a general shush of a milling mass of humanity while the limited sped through the tubes, I overheard the conversation of two well-dressed fellows. It is nothing unusual to overhear such a conversation which may run anywhere from "who will win the pennant" to "what will Mussolini do if it rains." But, the young men spoke in another vein. Their faces were wreathed in anticipation. They were talking of the biggest event of the year, and their contemplated trip to Pittsburgh for the KSKJ Day celebration Sept. 1.

I lost no time in making myself acquainted. Much to my surprise, my new friends were members of the Knights of Trinity. Well, if such a meeting doesn't provide a yardstick to determine the size of the world, what does? The boys were in a hurry to get to their place of business, so I couldn't get additional information. I did, however, assure them that the best of times was awaiting them at Schuetzen Park.

As I assured the Knights of a gala time, so I inform all folk in Cleveland, Chicago, Joliet, La Salle, Waukegan, Milwaukee, Lorain, Bridgeport, O. and Conn., Johnstown, Burgestown, Presto, Universal, Girard and all the other places in our K. S. K. J. world, that the greatest, most glamorous and stupendous Kay Jay celebration awaits you.

The best time of your lives will be yours. We promise to have you all go home with the fondest of memories singing our KSKJ booster theme song.

Pittster.

HOW TO GET TO SCHUETZEN PARK MILLVALE, PITT

Schuetzen Park, scene of the mammoth Pennsylvania KSKJ Day celebration, Sept. 1, is situated in the back hills of Millvale. Millvale is across the Allegheny river from Lawrenceville, Pittsburgh.

All routes to Millvale lead to East Ohio St. About 500 feet east of the Washington Crossing Bridge, the street car tracks turn into Millvale. The turn is in front of the car barns. Follow the car tracks to the end of the line, keep on the road to the left which leads to the Hickey Park Arena. About a mile or so from the arena you will come to a green-plate sign, "Twelfth Ward Hunting Club." Turn up the narrow lane which leads to the picnic grounds. Signs will be posted along the way leading from the street car tracks.

To be escorted to the grounds, stop at 57th and Butler Sts., and follow the crowd.

Of interest to our youth will be the talk by one of our most famous Slovenians in America, Joe Bach, the great football coach who in the days of Rockne at Notre Dame was one of his famous Mules. Mr. Bach at present is coaching the Pittsburgh Pirates and assisting Howard Harpster at Carnegie Tech. He was formerly connected with Duquesne University where he brought this school to attention of the Athletic world as a great contender for football championship in America.

From 5 to 6, a sports program will be carried out as was scheduled in the Glasilo last week. And from 6 o'clock on, a dancing program will follow with music by Jay Balkan and his orchestra.

Transportation for the Pittsburgh people and those reaching Pittsburgh by train or street car will be by bus from 57th street to Schuetzen Park. Stops will be made at various points on Butler Street to transport those wishing to attend.

The response by the outside lodges has been most encouraging. Letters from the various secretaries state that the attendance from their lodges will be big. Every lodge in Pennsylvania will be represented. The Ohio lodges will also bring in a big delegation.

The committee assures everyone that a real day is in store for you. It hopes to impress on you what the real spirit of K. S. K. J. is in Pennsylvania.

GREATEST EVENT IN EAST READY FOR KSKJ MEMBERS, FRIENDS

Pittsburgh, Pa.—Just a few days and the Pennsylvania Boosters will present all their friends with one of the greatest events that has ever been seen since the beginning of the K. S. K. J. For weeks now you have been reading about this affair in the columns of "Our Page"—your friends have been discussing it on every occasion and why? Because it is the first time that the Pennsylvania Boosters entered into any such affair and because it is the youth of America who are uplifting and upholding the traditions of your folks and mine.

We, the Pitt Boosters, are just all keyed up—the spirit, harmony, comradeship—ALL—is with us.

The location—Schuetzen Park—is an ideal spot for just such a day; it is not very far from the main roads, but why worry about that—the Bus will be on hand to transport you to and fro. Your friends will be only too glad to furnish you with transportation when you tell them that it is the K. S. K. J. Pennsylvania Day and that you wish to be among all the other Boosters and their friends.

The program prepared by the committee in charge is very interesting what with dancing, races, speeches, etc.—you will enjoy every minute of your Day with us.

Don't leave any member of your family at home come one, —come all! There is amusement and entertainment for all. Schuetzen Park has a lovely playground for the youngsters, such as—slides, see-saws, swings, etc., all that your boys

and girls will enjoy. There is a beautiful lane for promenades,—lovely scenery, and we will ask the man in the moon to be on hand for you. What more could you younger folks wish for?

There will also be plenty of amusement for the middle-aged folks as well as for the older ones. It will give you an opportunity, perhaps, to see some friend whom you have not had occasion to meet in a long time and also the chance of meeting and seeing people whom you have read about through the "Glasiilo" and "Our Page." It will be sort of a happy reunion day for many of us.

There will be a large supply of food and beverages of all kinds, so that you need not worry about a single thing? all you have to do is join the ranks of the Boosters and their friends.

I hope and I feel sure that their will be no one at home, Sunday, September 1st—because everyone will be at the K. S. K. J. Pennsylvania Day celebration. Don't forget to leave a sign on your door—in case some of your out-of-town friends drop in on you—telling them where you have gone and directing them to Schuetzen Park where they will have no difficulty finding you with the Pennsylvania Boosters and friends.

An invitation is extended to each and everyone who wishes to spend an ideal DAY among beautiful surroundings—with congenial friends, etc.—all of which awaits you on September 1st—at Schuetzen Park—K. S. K. J. Pennsylvania Day.

Frances Lokar.

UNVEILING OF BISHOP BARAGA STATUE IN JUGOSLAV GARDEN TO BRING VISITORS TO CLEVELAND

Cleveland, O.—Visitors from all parts are expected for the program outlined for the unveiling of the Bishop Frederick Baraga statue, Sept. 22, when the Jugoslav Gardens will be officially dedicated.

The garden is one of ten taken over by various nationality groups in program to beautify the city. The Jugoslav garden is No. 2, the second plot in East Boulevard, south of St. Clair Ave.

Many visitors will be on hand for the program, announces Anton Grdina, president of the committee. That there will be a large attendance is also assured, because the National Eucharistic Congress will start the following day and will also bring many Jugoslavs to this city.

Among the distinguished guests will be the Most Rev. Gregory Rožman, arch-bishop

of Ljubljana, Yugoslavia. He will participate in the unveiling exercises and the Eucharistic Congress.

YOUR MUSCLE

It is a law of nature that what is not used is rendered useless. This is true of any of the muscles of the human body. Unused muscles become useless.

There are approximately 400 muscles in the human body. Some of these muscles are used very little even when a person is in good health. Some are used even less when one takes no physical exercise. And disuse weakens the whole body.

Every once in a while one notices round shoulders, hollow chests, uncertain steps; he also notices inability to lift ordinary weight and to do other things. There is lack of muscular development because muscles have not been used as they should have been.

The traveler in India sees "holy men" who from habitual postures have lost muscular strength to help themselves—their legs, for instance, are withered; or he may note some who have had their hands tied behind their backs so long that they can not bring them forward.

We are getting almost as helpless as these "holy men." With automobiles, telephones, and radios, we deprive ourselves of walking, the best form of all-around exercise; with coal and oil heat, of sawing wood, the second best form of exercise.

TO VISIT PITT

Lorain, O. Among those contemplating the trip to Pittsburgh for the KSKJ Day program Sept. 1, are Mr. and Mrs. Michael Cerne and Mr. and Mrs. Leo Svete.

Mr. Cerne is the president of the Ohio KSKJ Booster Club. Mr. Svete is an Ohio representative on the KSKJ Athletic Board.

RACE PROGRAM TO FEATURE PENNSY KAY JAY BILL

Pittsburgh, Pa.—The racing program, carded by the KSKJ Athletic Board members of Zone 7, to be featured at the Pennsylvania Kay Jay Booster Day celebration has taken quite a hold on the local members.

The cinder paths, roadways and such are being pounded into clouds of dust as the Jays are prepping for the dashes. In addition to limbering up muscles, the locals are training in every sense of the word. The boys are shelving the smokes, while the girls are steering clear of all sweets. Pittsburgh must take all honors.

Canonsburg promises nothing. Yet, it has been learned that Bevec has been timing his sprinters. Swegel has his Amridgians working overtime, while John Yager wants his Alliquippans to come home with one prize, the 19-up event. He is pinning all hopes on his brother, a former track man. Haven't heard a word from Rudy Hudak, but it is possible that still waters run deep. And wouldn't it be delirious if some dark horse from Bridgeport, Cleveland, Chicago or most anywhere snatched the honors? Pezdirtz, one of Cleveland's big guns, it is said, is a fleet-footed man and gets places. If he's as good on the cinder path as he is in pushing lodge activities, he'll be a tape breaker at the event.

To participate in the race, each member must register any time before 4 p. m., at the picnic grounds. Only KSKJ members in good standing will be eligible.

On with the program! On with the KSKJ spirit!

CATHOLIC THOUGHT ON THE FAMILY AND ITS NEEDS

Lay Organization and the Family

Lay organizations seek to establish the peace of Christ in the Kingdom of Christ," to preserve national principles, and to contribute to national thought the stability of Catholic truth and morals. And so lay organization continues to develop as families multiply and the needs of family life increase; for organization, in one form or another, is the medium through which all needs of the family are supplied.

The family is the object of predilection of both the Church and the State. The State may well respect it as its creator. The Church jealously guards it as a most precious child of God and legacy from Christ. For the social organizations that protect and satisfy its material needs, although man-made, she recognizes a Divine sanction. To the lay organizations within her own fold, she grants spiritual blessings and spiritual guidance. They are a "department" of her economy: an expression of the Christ-life within her.—Mary A. Hawks.

RETURN INDOOR TILT

Lorain, O.—The local Holy Name indoor team of SS. Cyril and Methodius parish will meet the St. Vitus' Holy Name team of Cleveland in a tilt booked for Sunday, Sept. 1., 1 p. m. on the local diamond.

The booking is a return game. In the first encounter the Clevelanders won the verdict.

PITTSTERS SPLIT MUSHBALL TILTS WITH CANONSBURG

Canonsburg, Pa.—The local Kay Jay boosters playing hosts to the Pitt KSKJ Booster club split a double-bill with the visitors in a mushball card staged here Aug. 18, before a crowd of enthusiastic rooters.

The locals took the opener with a 7 to 5 count. A home run in the second frame cleaned the sacks and gave the hometowners a 4 to 0 lead they managed to retain to the end.

In the nightcap the Pirate Jays snatched a 4 to 1 verdict. Hudak's long hit did most of the damage.

The results of the twin-bill throws the Pittsters in a first place tie with the Ambridge mushers.

Sidelights

Picnic and Concert
Aug. 11, Sheboygan, Wis.
By C. Sharp

The picnic and open air concert by the Slovenian choirs of Sheboygan will be an event never to be forgotten in the hearts of the choir members. A contributor to the success of the affair who lent his untiring efforts and support is none other than the beloved pastor, Rev. Rudolf Potocnik, who has already endeared himself to his congregation. His suggestions for the concert were appreciated. He deserves many thanks.

Traffic rules, stop and go signals and arterial signs were entirely ignored in Sheboygan, Saturday, August 10, as the first contingent of the Waukeganites arrived. The bespectacled Mr. Hladnik chaffered the boys all over town to show them the sites of the fair city.

The picnic was certainly tough on Louis Francis, (Coach), having had to submit to an appendicitis operation Wednesday August 14. His duties as chairman had him coming left and right. He is convalescing at the St. Nicholas hospital and is reported well on the road to recovery.

We had been wondering whether Joe Zorc had lost his way to Sheboygan when finally he put in his appearance Sunday afternoon. We could have provided him with a road map, but nevertheless, he was in Sheboygan with bells on.

Service de luxe that's what the boys called it—as the members of the St. Joe's baseball team were lounging around after the game. Sheboygan maidens acceded to their wishes for cooling refreshments.

RAIN HALTS MIDWEST CARD; FLORIANS CHAMPS; SO. CHICAGO PREPS FOR MINNESOTA TEAM

Midwest League Board Acknowledges Champ; Winner of Northern Circuit Unknown As KSKJ World Series Date Nears

The Midwest League baseball doubleheader which involved four teams in a playoff at 26th and Damen in Chicago on August 18, was postponed after a deluge of rain flooded the playing field. The Baragas of Milwaukee and the St. Aloysius team were in the midst of the opening game when they were forced to abandon play. The score was 5 to 1 in the Als favor, and will be recorded in the final standings as a victory for the Chicago team.

Sheboygan Choirs Score With Open Air Concert

Sheboygan, Wis.—Climaxing an afternoon of fun and entertainment at the first annual picnic of the choirs of the SS. Cyril and Methodius church, August 11, was the delightful open air evening concert presented by the choirs under the able supervision of Miss Stanza Skok and directed by Miss Pauline Virant at Greendale park, to a capacity audience.

A scarlit sky above the improvised platform, which was surrounded by tiny Japanese lanterns that twinkled and swayed in the breeze as if to keep in tune to the melodious native folk songs, the singing of which is characteristic of the Slovenians provided the attractive background and a lovely setting.

All of the selections of the two choirs were sung with precision and the voice blending was especially evident in the beautiful Blue Danube waltz number. The senior choir's selections were: "Pozdrav," "Ves dan," "Pri Oknu," "Spot ptice pojo," and the "Blue Danube waltz." The juniors contributed "Poletni Večer," "Tam Gori za našo Vasjo," "Večernica" and "Mladi smo Amerikanci."

Miss Stanza Skok, who with her choirs has contributed greatly to the Slovenian music circle in Sheboygan having taken part in various music festivals and gatherings, lent able accompaniment to the singers and deserves much credit for the success of the affair.

In the baseball game between the Sheboygan K. S. K. J. and the Waukegan St. Joes, Sheboygan came forth with flying colors to the tune of 5 to 2.

Games refreshments were enjoyed throughout the afternoon and evening, which were in charge of capable committees.

Credit and appreciation are extended Louis Francis, chairman of the affair; Anton Stiglitz, Mrs. Meta Erzen, the various committees, the church committee, John Champa, Frank Kaker, and all others who so kindly lent their assistance to make the affair an outstanding one in the history of the choirs.

The choir members were comprised of the following singers, each and everyone of whom deserves praise for their fine showing and performance: Seniors—Julia Grobelnick, Tonie Petell, Mollie Virant, Julia Kaker, Ella Stiglitz, Mary Champa, Mary Kronoschek, Anne Modiz, Gene Virant, Mary Virant, Louis Frances Stanley Brulla, Ludwig Repenshek, Roman Majcen, Frank Bartz, Victor Shuster, John Versey, Anton Tagel and Leo Majcen. The juniors are Albina Markelz, Mildred Skok, Alberta Fern, Darlien Brulla, Christine Baboshek, Mary Shuster, Doniella Hlade, Virginia Grandic, Josephine Slapnik, Anne Marver, Helen Golichnik, Mollie Udovich, Jennie Radovan, Hildegard Skok, Helen Stiglitz, Olga Plesetz, Sophie Zakrajshak, Louise Meshnig, Ann Stiglitz and Antoinette Retell.

Refreshments will be provided, and music will be furnished for dancing.

The officers and directors of the Midwest baseball league met in Chicago, Tuesday evening, Aug. 20, for a post schedule confab. Several important items were dispensed with, and the present Midwest Leader, the St. Florian's, were formally acknowledged as 1935 champions. It was also designated that the League will meet again in January 1936 in Chicago, at which time arrangements for a new schedule will be started and also the Election of new officers will take place.
