

OB TEDNU Veliki trije se bodo sestali pri Berlinu

Washingtonu splošno govora da se bo odpovedal uradu tajnik Stimson in da bo predsednik Truman njegovo odločitev sprejel. Njegov naslednik bo najbrže pomožni vojni sekretar McCloy.

Kot smo že včeraj nakratko poročali, se zdaj lahko pošlje direktni kabel ali pa nočno pismo (night letter) 25 ali več besed v Jugoslavijo. Kot naznanja brzojavna družba Western Union lahko tudi tukaj plačate za odgovor nazaj. Vsak kabel ali besedilo istega je pa podvržen cenzuri.

Denarja se zaenkrat še ne more poslati v Jugoslavijo, ravno tako ne pisem. Pričakuje pa se, da bo tudi te vrste pošta kmalu odprta.

S Trstom, Gorico in kraji na Primorskem ter v Istri ni zdaj še nobenih vezi. Kakor hitro bodo vzpostavljene, bo to naznanjeno javnosti.

Ako se zglasite pri Mr. Kollanderu v SND na St. Clair Ave., boste dobili vse podatke glede kabla v Jugoslavijo in tudi glede cen. Mr. Kollander vam bo iz prijaznosti pomagal tudi pri sestavi kabla ali nočnega pisma. Poslati se sme samo v angleščini, francoščini ali španščini.

Za direkten kabel je treba plačati 24 centov od besede; za nočna pisma pa 8 centov od besede. K temu je treba dodati še zvezin davek.

Washington. — Urad za vojno produkcijo je prepovedal ameriškim distilerijam rabo koruze pri kuhanju alkohola. Urad je tudi prepovedal vsak izvoz koruze iz dežele.

Vladna odredba prepoveduje od nedelje naprej vsako prodajo koruze distilerijam. Enako je prepovedano od jutri naprej rabiti koruze za kuhanje žganja ali za izvoz. Samo če je imela kaka firma tozadevno pogodbo pred 11. junijem, je ta odredba ne veže.

Vlada je to odredila z namenom, da se zagotovi dovolj koruze doma za krmo. Pomanjkanje koruze za krmo in pičo se čuti po vsej deželi.

Armada je odpovedala naročila za truke

South Bend, Ind. — Armada je odpovedala vse naročila trakov, ki jih je imela pri Studebaker Corp. S tem bo odpuščeno 1. avgusta 5,000 delavcev.

Razna temperatura

Včeraj je bilo v raznih krajih Zed. držav zelo različno vreme. Dočim jih je v Denverju, Colorado, zeblo pri 40 stopinjah, je kazal toplotmer v Bostonu 96 stopinj, rekord od 1891. V Big Piney, Wyoming, je pa kazal toplotmer komaj 21 stopinj. Na jezirih Red Feather in Colorado je včeraj zapadlo 8 palcev snega. V Clevelandu je zlezal včeraj toplotmer na 81 stopinj.

Jesse Jones, bivši poljedelski tajnik, je obiskal Belo hišo. Viziti so bili samo "prijateljski."

Po 24 centov plačate od besede, ako pošljete kabelgram v domovino

Kot smo že včeraj nakratko poročali, se zdaj lahko pošlje direktni kabel ali pa nočno pismo (night letter) 25 ali več besed v Jugoslavijo. Kot naznanja brzojavna družba Western Union lahko tudi tukaj plačate za odgovor nazaj. Vsak kabel ali besedilo istega je pa podvržen cenzuri.

Tudi poslanci so glasovali proti guvernerju Lauscheu

Columbus, O. — Včeraj je ohijska poslanska zbornica z 91 proti 30 glasovom preglasovala guvernerjev veto ter tako omogočila, da je znani šolski predlog postal postava. Ta postava daje ohijskim šolam \$111,000,000 za šolsko leto, 1945-1946.

Guverner tega predloga ni hotel podpisati, češ, da je ta vsota za ohijske šole mnogo prevelika. Tudi senat je njegov veto preglasoval in zdaj še poslanska zbornica.

Guverner Lausche je trdil, da daje ta predlog šolam mnogo več denarja kot ga pa faktično potrebujejo.

V poslanski zbornici je glasovalo proti guvernerju Lauscheu 78 republikancev in 13 demokratov. Potrebni so bili 82 glasov, torej so faktično demokrate pomagali poraziti demokratskega guvernerja. Z guvernerjem je pa glasovalo šest republikancev in 24 demokratov.

Od demokratskih poslancev iz okraja Cuyahoga sta glasovala proti guvernerju samo Hanratty in Lody Huml.

Jutri praznujemo očetovski dan

Poleg novih kravav, nogavic in žepnih robcev, kar je običajno darilo naših dobrih otrok atekom za njih "očetovski dan," nas bodo pa posebno pridni otroci presenetili in razveselili, če nam kupijo iz svojih prihrankov kako vojno obveznico. Tako bodo močno ustregli svojim dobrim očetom in pa dobremu Stricu Samu, ki ima take ogromne stroške s to vojno.

Seveda, naši otroci so prebrisan in dobro vedo, da bo nazadnje taka vojna obveznica prišla zopet v njih roke, saj oče je ne bo nesel s seboj.

Nemške podmornice so svoje čase zablokirale naša pristanišča

Washington. — V letih 1942 in 1943, ko so po Atlantiku najbolj razsajale nemške podmornice, so posejale pred nekaterimi ameriškimi pristanišči mine in to tako spretno, da niso mogle nekaj časa ladje ne ven ne notri. Tudi nepoyorško pristanišče je bilo nekaj časa tako zablokirano, kot zdaj daje v javnost mornarica. Med 13. in 15. novembra 1942 je bilo newyorško pristanišče popolnoma zaprto za vsak promet zaradi nemških min.

Zaliv Chesapeake, kjer je vhod v pristanišča Norfolk in Newport ter Baltimore, je bil dvakrat zaprt prometu in sicer enkrat od 16. do 17. junija 1942 in drugič od 12. do 14. septembra 1942.

Njegovo skrivališče je izdal Angležem sin nekega vinskega trgovca, kjer je von Ribbentrop iskal zavetišča, pa mu ga niso hoteli dati. Ribbentrop je bil svoje čase tudi vinski trgovec. Na vprašanje, če je Hitler še živ ali mrtev, je von Ribbentrop zatrdil, da misli, da je mrtev, lahko se pa tudi moti, je pristavil.

Titov umik iz Trsta

Slovenski pisatelj in politik Ivan Tavčar je nekoč pisal o znanem voditelju slovenskih svobodomiselnih Gregoriju Žerjavu. Ta se je vsega lotil, pa vsako stvar s svojo nerodnostjo pokvaril. Divjal je na vse pretege proti slovenskim katoličanom, pa jim je s svojimi zaletlostmi več koristil kot škodoval. Pa je zapisal Tavčar o njem: Če Žerjav zažene cekin v zrak, bo padlo na tla blato, tisto blato namreč, katerega ime je Kranjcu največja nikalnica.

Ta Tavčarjeva primera nam priha na misel, ko gledamo polomijo nesrečnega SANSa, da ne rečemo naravnost nerodnega Kuhelja in njegovega "častnega" predsednika Adamiča. Kaj je bilo mogočnega govorjenja o programu, delu in uspehih tega zastopstva ameriških Slovencev za koristi našega naroda v starem kraju! Danes vidimo uspeh. In ta je: Umik iz Trsta in verjetno končna izguba Trsta in velikega dela naše Primorske. Poročila govore, da je izgubljeno vse zapadno od Divače, Senožet, Nanosa, Trnovske planote in Tolmina. Naša Soča je ostala vsa zapadno od črte, čez katero so se morali umakniti Jugoslovani.

Neodpušljiva je krivda ljudi okrog SANSa. Njih naloga je bila, da ameriško neslovensko javno mnenje pridobe za naše zahteve v primorskem vprašanju. Kaj morejo danes pokazati v tem oziru? Ali so upoštevali dane nasvete, ali so sami iskali kakih novih poti, da informirajo in pridobe Ameriko? Tistih par prepisanih člankov ni še propaganda za tako vprašanje. Ne, pri SANSu ni bilo smisla za to vitalno vprašanje slovenskega naroda. Zato se nič ne čudimo, da je danes ameriška javnost mnogo bolj proti nam kot je bila kadarkoli poprej.

Pač pa se je SANS zagnal z vso dušo v propagando za komunistično partizanstvo. V tem je bil neutrudljiv, kakor da je v tem rešitev primorskega vprašanja. Ves čas in denar, vse moči so šle za boj proti tistim katoličanom, ki ne morejo trobiti v partizansko komunističen rog. Te blatiti, to je bilo delo SANSovega kroga. Sans je tako res poskrbel, da danes sver misli, da je večina Slovencev s komunizmom. Ta svet se boji komunizma in je zato danes proti Slovincem in njihovim koristim. Površen pogled v ameriško dnevno časopisje pove dovolj jasno, da svet trepeče pred vsakim nadaljnjim uspehom komunistov. In k tem smo danes po za slugi SANSa prištet tudi Slovenci.

Kako lahkomišelnost so se ti krogi igrali s primorskim vprašanjem priča to, da so vse računali na eno samo karto, na sovjetsko karto. Mislili so, da je vse narejeno, če vpijejo za ruski komunizem. Niso upoštevali Amerike, sovjetska karta pa je odpovedala.

Tako je SANS spremenil cekin v blato.

Tam doma pa je isto nerodno vlogo igral njih malik Tito. Tudi ta se je hotel pred svetom najprej pokazati kot preganjalec katoličanov. Desettisoči pobitih katoličanov so svarili zapadni svet pred Titovim komunističnim partizanstvom. Zapadne demokracije so se bale zato vsakega nadaljnjega krakala Titovih ljudi proti zapadu. To je bil uspeh njegove krvočelnosti.

Pa je še v zadnjem trenutku dopovedoval svetu, da je pri njem vse samo surova sila. Sklenil je dogovor o zasedbi Primorske, pa ga ni držal. S svojim nastopom je dvignil proti sebi ves svet, ki je videl v tem človeku posebejlen barbarsko nasilje, ki ne drži dogovorov in posnema tako Hitlerja in Mussolinija. Nastopil je z bahavostjo, kot da je ves svet kot neoboroženi slovenski kmetje, ki jih je dal pobijati, ker niso imeli smisla za komunistično revolucijo.

Danes se umika ta krvočelnost iz Trsta s sramoto. Pa ne samo s sramoto, ampak tudi s strašno krivdo, da je s svojim napačnim nastopom, zlasti s svojim komunizmom slovenskemu narodu napravil Primorsko.

Tudi Tito je metel v zrak cekin, pa je padlo doli govno. Nam je kot vsakemu Slovincu vsaka vas Primorske srčna zadeva. Zato nas boli ta umik iz Trsta, peče nas ta sramota in ta nevarnost definitivne izgube velikega dela naše Goriške in Istre. Z vsem narodom smo upali kot goriški pesnik Gregorčič:

"Učakal rad bi srečni dan
Dan našega združenja,
Bi zrl, lahko en krov prostan
Čez dom se ves razpenja."

Ker smo kazali na napačno pot, ki jo je SANS ubral, ko je hotel Slovence predstaviti Ameriki kot komunistične partizane, ker ne moremo soglašati s komunizmom, se nas je hotelo oblatiti, da smo sovražni slovanstvu. Kot da je slovanstvo isto kot komunizem in kot da je ljubezen do slovenske zemlje v tem, da se kdo proda Titu in njegovemu partizanstvu. Danes lahko vsakdo vidi, da smo prav opisovali partizanstvo, danes vsakdo lahko na uspehih spozna, da je bil SANS na krivi poti.

V pesmi "Združeni Sloveniji" si naš goriški slavček dalje želi:

"Naš prapor bi na krov pripel,
Dom blagoslovil bi vesel:
Bog živi vse Slovence
Pod streho hiše ene."

Da, naš slovenski prapor, našo trobojnico! Ta je neomadeževana, Titov prapor z rdečo zvezdo pa je omadeževan s krvjo rojakov. In pesnik želi blagoslov! Kako bo blagoslov z nasiljem? Kako bo narod združen za svoje cilje, če vlada taka zagrizenost, da mori partizan sorojaka, ker drugače misli?

Da, razbili ste slovensko enotno fronto tam v starem kraju in tu v Ameriki. Vse vam je bilo komunistično partizanstvo. Uspeh? Žerjavov? cekin.

Jutri je menda v Clevelandu neki shod Titovih oboževalcev. Tam bodo drgnili in izmivali s sebe črno sramoto, da so nam napravili Primorsko. Zbrisati je bodo hoteli s sebe in s svojega malika Tita. Toda prali bodo zamorca. Te krivde in te sramote nihče ne opere. Slovenska zgodovina bo glasno pričala o strašnem grehu SANSovega kroga nad slovenskim narodom. Da verne svobodomiselnice ovčice ne uidejo, bodo udarili seveda s kolom po klerikalnem zmaju. To pri teh ovčicah zmeraj zaleže. Zdi se, da ne bo nikogar, ki bi jutri zahteval obračun o SANSovem hiševanju v zadevi Primorske, ali vprašal, kako misli SANS popraviti svoj veliki greh. Tisti, ki jim zagrizenost ni čisto otemnela pameti, pa naj vsaj v kotičku svojega srca pomislijo, če niso sokrivi tega greha s tem, da so ploskali vsemu, kar so Titovi preroki oznanjali.

BESEDA IZ NARODA

Mi in naši vojaki

Vojna v Evropi z Nemčijo je končana. Na rokah pa imamo še eno vojno in to je na Pacifiku z Japonci, kar pa upamo, da bo tudi ta še letos končana. V Evropi je ostalo veliko število naših fantov in mož.

Pri nas v Newburgu se je pričela akcija pod okriljem Skupnih društev, da se postavi spominska plošča padlim vojakom, ki bi bila vzdana k cerkvi sv. Lovrenca. V ta namen se je ustanovil klub skupnih društev. Vsak, ki želi pristopiti v ta klub plača en dolar pristopnine in dobi članstvo karto.

Rojaki, Slovenci iz Newburga, pristopimo vsi v ta klub. S tem denarjem se bo podpiralo onemogle vojake in se tudi plačalo za spominsko ploščo, katere bo vzdana k cerkvi in bo častni spomenik padlim žrtvam. Kadar pridejo zastopniki k vam s ponudbo, da vzamete kartico in pristopite v Klub skupnih društev, nikar jih ne odženite. Z veseljem prispevajte to malo vsotico padlim vojakom v spomin. S tem, da postanete član kluba, boste pripomogli, da se akcija za spominsko ploščo čimprej završi in pokrije stroške iste.

Ob enem pa naznanjam vsem zastopnikom in zastopnicam Skupnih društev fare sv. Lovrenca, da bo v nedeljo 17. junija skupna seja ob pol treh v Slovenskem narodnem domu na 80. cesti. Pridite vsi in katero društvo pa nima izvoljenega zastopnika, naj predsednik poskrbi, da bo tudi njegovo društvo zastopano. Na to sejo so vabljeni tudi starši vojakov. Slišali boste poročila, kako se deluje za spominsko ploščo in mogoče tudi videli načrt, če bo do tedaj zgotovljen. To vabilo je za vsa društva spadajoča k fari sv. Lovrenca, tudi za bolj oddaljena. Vsi bodite zastopani.

Delujmo vsi skupaj in uspeh nam je zagotovljen. V skupnosti je moč in to moč pa obdržimo s tem, da smo edini. Pozdrav vsem vojakom in staršem naših vojakov s željo, da se naši sinovi vsi zdravi in živji povrnejo. Vsem onim pa, ki so dali svoje mlado življenje za častno zmago — večna slava! Ohranimo jih v častnem spominu.

J. Resnik.

Razno s Hubbarda

Ravno danes, ko to pišem, se je vreme spreobrnilo v lepe in tople spomladanske dneve. Do danes pa je vladal mraz, da smo že mislili, da sploh toplih dni več ne bo. Gotovo bodo nekatere v mestu mislili, da ne vem kaj drugega pisati kot o vremenu. Pri tem pa morate pomisliti, da je kmet odvisen od vremena. Če mu je vreme naklonjeno, da je toplo, kadar je toplota potrebna in da lepo dež za polje zopet kadar je potreba, pa potem tudi rastline lepo uspevajo.

Pa bo morda kdo rekel: Leskovec se lahko hvali in baha s pohanimi piščanci. Ampak, veste, to ne gre tako gladko kot se bere. Če pospravim kakega piščanca, morate pri tem misliti, koliko pa trpim in koliko dela imam z njim predno je pripraven za v ponev. Krompirja, žganec, zelja in repe pa se boji jim tudi zato, ker se bojim, da bi se še bolj odebelil in bi se po-

tem ne mogel pripogibati pri delu. Vse redilne snovi dobim največ iz svežega zraka in zato ni, da bi se še s krompirjem ali žgancem zakladal. Kaj bi bilo, če bi bila kakšna "oštarja" tam čez cesto kot je to v mestu. Ker pa tega pri nas ni, zato se zalivam le s "kofetom."

Prav radoveden sem, kaj bo sedaj Mr. Soren serviral svojim gostom, ko ni mesa. Morda kaj prej omenjenega ali pa drobnakove štruke in žinkrofe, kar je idrijska "košta." Nekaj bo že moralo biti, ko pa ni mesa.

"Well, predsedniški kandidat republikanske stranke, Mr. Dewey, kateri je imel nad 22 milijonov volivcev za sabo pri zadnjih volitvah, je rekel, da če bo izvoljen, da bo prinesel s seboj v Belo hišo veliko metlo in dobro pometel. In ker radi male večine ni zmagal, je zmagal pa po naključju drugi tak, ki je njemu sličen. To je Mr. Truman, ki je farmarskega stanu, kateri ni prinesel zlate žlice na ta svet, zato pa razume težkoče malega človeka. Ta Missouričan je prinesel veliko metlo s seboj v Belo hišo, s katero bo temeljito pometel in je pometa ter bo Belo hišo očistil in postavil tako, da bo v ponos vsem pravim in v zvestim ameriškim državljanom in bo zrcalo vsemu svetu.

Hillmanovi bandi je že povedal, da bo on "ronal" to deželo za vse enako. Kot se je sedaj dognalo, je bila že precej s komunizmom zapletena ter se je nje vpraševalo, kaj se sme in kaj se ne sme storiti. Sedaj je pa vsemu temu odzvonilo in naš predsednik pravi, da bo on kontro "ronal" po ljudski volji in ne po svoji.

Ker sem že rekel, da prihajajo v naše kraje vnani gostje, naj še povem, da so nas obiskali tudi prijazni Clevelandčani, ki pa niso našega rodu. Pri jezeru so si vzeli v najem hišo za to poletje. To je bila tudi edina hiša, ki je bila na razpolago za vse poletje.

Tudi moje poletno pisarno so naši djali v red, da sedaj res lepo izgleda in se počutim, kot bi bil predsednik naše dežele. Obiskali so nas tudi Mr. in Mrs. Ponikvar (predsednik SDZ) in Mr. in Mrs. Anton Vidmar iz 95. ceste, ki so si vse to tudi ogledali. Ko so odšli, sem dobil na moji pisalni mizi listek, na katerem mi čestitajo k tako lepi pisarni in pravijo, da sem lahko ponosen nanjo. Prav lepa hvala Mrs. Ponikvar in Mrs. Vidmar za tako laskavo pohvalo. Lepa hvala za obisk in se kaj kmalu zopet oglašite.

V našem parku je sedaj res lepo, le nekaj pa mi dela skalo, in to je pohištvo, stoli in mize so nekam vegaste in tudi že precej trhlene. Ze sem mislil, da bi prosil moje cenjene čitateljce, da bi napravile kakšno kolekto in kupile kaj bolj šega, saj ne mislim ravno novega, samo da bi bil trden. Ampak s tem nimam posebnega upanja, saj sem tudi prošil za kakšne preproge, pa dosegel — nič. Mislil sem si že, da bi se dobil kak trgovec s pohištvo, ki bi mi tega zamenjal za novo. Sprejel bi vse s pravo hvaležnostjo. Seveda bi pa s tem ustreli tudi clevelandskim dekletom, ki pridejo k nam na odidih, jaz itak nimam časa sedet, to tudi vidijo naši prijazni obiskovalci, da sedim ne. Prav hvaležen bi bil našim dekletom, če bi se me kaj spomnile in kako bi bilo potem prijetno sedeti v našem domačem parku. Pozdravljeni,

Frank Leskovic.

"Veš, Jack," mi je začel Jim pripovedovati, ko je prižgal sebi cigareto in meni eno. Midva namreč vedno kadiva tako, da prižigava njegove, dokler jih ima, potem pa vsak svoje. "Veš, Jack, v nedeljo bo pa pri naši hiši žegnanje." "Ni hudir," se začudim, "ali boste gođovali, ali boste imeli krstijo, ali bo kakšna druga taka prilika, da jo človek dela za uržeh za dobro kosilo?" "Nak, nič takega ne bomo obhajali, ampak na mizi bo prava in pristna kokoška pečenka, ki je že nisem videl kaj vem od kdaj."

"Kje si jo pa snel, saj menda nisi hodil okrog Drenikove farme in pomotoma vzel s seboj kaj pernatega?" bi jaz rad vedel.

"Tisto pa ne, vse je šlo poštenim potom. Veš, danes dopoldne se je oglašil pri meni farmer Tone Seliškar in na račun najinega dobrega prijateljstva prepisal name eno njegovih krepkih kokodajev. Saj mi boš priznal, da mi je s tem ustregel, kar se da. Ne sicer zato, da bi bil tako lakomen na kokoši, ampak samo zato, da bo nekaj spremembe na mizi."

"Kakopak, kakopak," hitim jaz, "saj te poznam, kako malo ti je za kokošja bedra, čeprav bi naš France o tem lahko mnogo povedal iz tistih lepih časov v Kushlanovi kempi. Ampak veš, Jim, da je čudno, kako se vse čudno vrajma."

"Kaj se čudno vrajma?" bi rad vedel Jim, "saj mi menda nisi nevošljiv tistih par bedere."

"Kaj ti bom nevošljiv," hitim jaz, "kar je čudno je to, da bomo pri nas tudi nekaj takega imeli na mizi, če bo šlo vse po sreči."

"Ali jo boš tudi ti kje snel?" "Je ne bom nič snemal, ker jo že imam."

"Kokoš?"

"Kdo ti jo je pa posodil?"

"Pa prav tisti, kot tebi."

"Tone Seliškar?"

"Nihče drugi," potrdim jaz, ki sem videl, da je Jim nekoliko odnehal, ko je videl, da se ne bo sam bahal v vsem obširnem Clevelandu s tako stvarjo, kot je kurja pečenka. "Kako jo bo pa Urška napravila, ali kaj veš?" poizvedujem previdno naprej.

"Najbrže jo bo posadila v kastrolo in spekla. Veš, saj jaz se ne baham rad, ampak kar je res je pa res, tako kot jo zna pripraviti moja Urška,

je ne zna kmalu katera, to je med nama rečeno. ni treba naših ženic za stvar hvaliti, ker bi se prevzela. Kadar sem jaz najbolj zadovoljen s kako rihto, rečem: li bo že!"

"Tako, tako, torej speklj boste v kastroli," povzamem v hipu sem začel kovati uke kako bi prisloneil moje putke Šepicevi. Treba bo pa da previdno, da Jima ne oplasi. Kolikor sem v naglici prebrat načrt, je zadeva rešena. Šepicevih bodo moje putke samo zaklali, ampak tudi sli, če kaj vem. Znat se mi

li, če kaj vem. Znat se mi

MORE ENGLISH NEWS

St. Mary's Weekly Flashes

WHY POISON OURSELVES?

Our lives can be joyous and helpful
to others, only if we could consider
the following points:

Anger reddens the face. Fear
makes the hair stand on end. Grief
destroys the appetite. Despair dulls
the mouth dry. Despair dulls the
brain and confuses the hands.
"These are the feelings that poison
us just as certainly as arsenic," say
the medical authorities. They have a
direct effect upon the body. So when
we indulge in gloom, we are hurting
ourselves. We are not doing any good
to others, for eventually all are af-
fected by our moods. By permitting
ourselves to be overcome by such
feelings.

We should put our trust in God and
pray always for strength, then life
will become more pleasant and bear-
able for all.

GIRLS' TEAM ON ROAD TO CHAMPIONSHIP

Here we are again and now the sea-
son is Baseball. To begin with, most
of our players are veterans, except for
a few changes. For instance, our new
first baseman is Lillian Straszlar who
is learning very fast the requirements
of a good player. Then again we have
our pro combination at short and sec-
ond which includes Dolly McDonough
and Bernine Pizmoht. You should see
these two girls click on plays! Vida
Kapel, third baseman of many years
experience, really can handle that
sack.

This year, the battery is somewhat
different from other years. On the
mound we have Caroline Pucell, who
pitched a wonderful game Sunday.
She defeated that famous "Nativity"
team of last year, 13 to 3. (Nice game,
Pucell.) Behind the plate we have Dot
Pizmoht who is learning the qualities
of a catcher very fast. (No broken
fingers yet, Dot?)

In the outfield, Mercedes Zagore,
Georgia Bialek, Terry Stradtjot and
Betty Kapel shine as outstanding
fielders.

Now for some dope on Sunday's
game. The girls were coached by Eve-
lyn Raker, our onetime catcher. Quite
a few boners were pulled, but on the
whole a good game was played. We
are not kidding when we say this.

Dolly Mac caught a line drive and
believe it or not, she looked behind
herself to see where the ball had gone.
When suddenly she saw it in her
glove. (It was worth the good laugh,
Dolly.)

Another comedian of the game was
Mercedes Zagore who caught a high
fly with her eyes closed. After the
commotion she caused, "Murmur" ex-
claimed, "Oh, I caught it!" Keep up
the good work, "Murmur," whether
you know or did not know, the fact
was you had it.

After the game Father Celestnik had
made an appointment to pick up Fa-
ther Vic, who was at the Boy's Class
"D" opening game. Eleven girls ex-
pected to "hitch hike" a ride from
Father who was in a hurry. To settle
matters, some of the girls got the
bright idea that they would all go
home with Father in one trip. The
result was, they had to persuade him
for a while before he consented to
their plan. What was the plan? Well,
to be able to take only one load, some
would have to be seated in the trunk
of the car. The three brave ones were,
namely, Dolly Mac, Bernine Pizmoht,
and E. Raker.

If you'd have seen the trio, you
would have died laughing. Sitting on
the bats, did they get the bumps or
did they? Dolly and Rocky were at
each end holding up the cover, in case
it decided to fall. (Just a precaution.)
Unpiling from the car Rocky played
the harmonica. We must tell you she
is a beginner and knows only one
song, "You Are My Sunshine." Can
you figure out what song we sang?
One guess!

Well, folks, the time has come for
us to part and here's hoping we see
you at our future games. We need
some moral support, you know! Look
in your "Universe Bulletin" for the
coming schedule.

COLLINGSWOOD HIGH GRADUATES
Of the three hundred and some
"grads" who received their diplomas
from Collingswood High on Monday, 190
were Slovenians. Approximately 30
graduated from St. Mary's Parochial
School four years ago.

TO OUR GRADS
A ditty we write to our graduates fine.
The girls number ten and then mine;
The boys are in number ten and then
three.

Together there are thirty and two, you
see.

Now they had their pictures all taken
so proud—
But when they saw them—"For cryin'
out loud!"

Now here is the conversation took
place:
As "ch" stared at his smiling, re-
sponding face

In chorus, "I look awful!" they say
"But what's to be done about it—to-
day?"

Once more they look and decide after
all
"Let's not be too modest—Let's not
be too small."

"They're pretty!" Loyal friends who
aren't on them agree
(Of course our graduates are there,
you see.)

Moral "Don't be too modest—Don't be
too proud.
So you'll never have to say 'cryin' out
loud!"

CORRECTION MUST BE MADE

An article appeared in last week's
edition of the "Weekly Flashes," in
which all the graduates were named.
However, we regret to say that one
was left out. This was Marie Codo-
sky. We are terribly sorry, Marie.
And by the way (you lucky thing),
you took the nicest picture of all of us.

THE OPENER OF OUR CLASS "D" TEAM

In the morning of last Sunday, we
doubted whether we would play our
opening game. Later that morning
the sun shone brightly, and at 4:15
p. m. at Gordon Park diamond No. 5
we opened our season in baseball. We
were victorious over the Fleming A.
C.'s, the score being 11 to 7. Throug-
hout the game which was a tight one,
we struggled with all our might and
we did come home with the bacon.

Mr. Amy DeMarco and Mr. Manley,
our coaches (and good ones, too),
were right on the beam and corrected
each of the players mistakes as they
occurred.

Someone stated that he has never
seen such active and alert coaches in
any neighborhood. Boy, are we lucky
to have them! Now, it is up to us to
respect and obey them and then we
will amount to something. We will
gain much good in the building of our
characters, too.

Reviewing some of the incidents of
the game, we recall that: "Lefty"
Malovasic pitched a grand game and
the support he received can be con-
sidered "good" for the first game.

The "live wire," Sonny Rotar, cer-
tainly made the batters shaky with
that loud and strong chatter of his.
Of course, the outfielders were a
bit excited for a while, but when they
got started Whitey Koporc, Joe Smik-
las and "Hovy" Krause looked more
on the professional side. Never let
a game "righten" you up as this one
did, boys.

What a first baseman we have! Long
legs and arms, Joe Ferra, kept tag-
ging out the opponents, left and right.
Our only only veteran, "Tanky"
Frank Bounce, played third base and
was spiked once during the game.
Don't let it happen again, "Tanky."
We will have to send you to the hos-
pital next time.

Struggling to make a good showing
for themselves were "Chuckie" Smer-
dal and "Bill" Pike, shortstop and
second base respectively. When they
connected, they did prove to us they
can do it.

The Ferra people and Mr. Raker
were present and cheered for our
team. Most probably, we play our
next game Sunday at Gordon at 2
p. m.

All being said and done, we must
say thanks to those who have aided
in any way with their donations. In
the past week we received \$10 from
the following:

Mr. and Mrs. Vehotz—confectionery
of Holmes Ave.

Mr. Frank Zadell—one time owner
of the "Dell" Dairy.

Mr. and Mrs. Mike Zlate of E. 140
St. Market, and Mrs. John J. Prince,
our councilman of War 32.

We received \$5 from: Mr. Frank
Matoh of 15917 Holmes Ave., father
of Frank Matoh, who became famous
in Minor Leagues last year; Mr.
Jeleric, Florist of Waterloo Rd., and
The Zele Funeral Home.

JUST A REMARK
Most surprised are we, about our
St. Mary's School team; of late, so few
of the players showed up that it was
impossible to play the scheduled
game. Why the absences?

It seems as though our "urchins"
have become the "breadwinners" of
their families. A sad plight, indeed!
Parents, are you wondering why the
young ones have become so independ-
ent recently? You might solve your
problem by searching into the prob-
lem of "CHILD LABOR."

Dance Recital

How many of us realize the wealth of talent that is among our younger set? True this talent is not hidden under a bushel but the youngsters are a modest lot and prefer to have recitals speak for themselves.

Sunday, June 24 at 8:30 p. m. at the Masonic Auditorium the Playhouse Square Dance Studio is putting on its annual recital. From the prevues that the writer has seen it will be the most spectacular show ever presented by a local school. In fact many professional performers could not do any more justice to their routines. The costumes will be of the extravaganza type, from black-out numbers to Army gold and Navy blue and colorful ballet.

Those who enjoy full lively dance steps, put on by the cleverest dancers in Cleveland can spend an enjoyable evening at this recital. The neighborhood is most amply represented by Councilman Ed Kovacic's daughter, Barbara, Misses Barbara Svetc, Carol Hovevar, Marie and Madeleine Grdina, Dolores Spencer, Bobbie Verovec and Frank Grdina, Jr.

SPORTS

Thornton Lee scaled the pitching heights Tuesday night when he inspired the Chicago White Sox to a dramatic 1-0 triumph over their Cleveland cousins in fog-shrouded Comiskey Park.

Striking out 13 of the Indians, permitting them the slim total of three singles, Lee notched his seventh victory before 8,291 cheering rooters.

Lee richly deserved the game, although it was a tough one for Al Smith, his equally venerable southpaw rival, to lose. Smith succumbed to a ninth-inning Sox rally and his wildness contributed to the loss.

Cleveland's Indians Wednesday cuffed White Sox pitching for the amazing total of 14 hits, including two home runs and three doubles, yet lost themselves another game.

Chicago got six singles and a homer, but that was enough to win, 5-3.

Steve Gromek, the Indians' ace, was the loser for only the second time this season both defeats being suffered here, breaking his string at five. It was the third beating in succession for the tribe, mired deeper in the second division, and the sixth at the hands of the Sox in seven meetings to date.

Gromek suffered one bad inning, the fourth, and his own error helped the Sox tally four times. Ed Klieban replaced him in the seventh and was touched for the Chicago four-master, Cass Michaels' first in the major leagues.

Joe Haynes, later followed to the mound by Johnny Johnson and Earl Caldwell, took the victory.

Jeff Heath started in left field for the first time Wednesday, but could not help. He went hitless in four trips, being called out on strikes twice with runners aboard, and dropped a fly for an error.

There was speculation that the big fellow was put on display to prove his knee was mended for a possible trade. Manager Lou Boudreau had stated Tuesday he did not plan to start him until the team reached St. Louis.

Rights of Small Nations

The political committee of the American Conference of International Affairs, composed of leading labor spokesmen, warns that the rights of the small nations be observed at the San Francisco conference, or there can be no world peace.

"If the peace settlement imposed by the arms of the powers," the committee says, "should neglect the fundamental rights of small nations, disregard their right of self-determination and violate the principles of international justice in the interests of the mighty, the basis of the world order will be dangerously undermined from the very beginning."

The confidence of the small nations would be shattered if the great powers would have no other way of maintaining new status than by ever increasing coercion.

"This development, coupled with the inescapable reality of the great powers, would not only make impossible any limitation of armaments after this war, but on the contrary would inaugurate a new era of gigantic armaments such as never before been seen in history."

Thus, the economic, social and political progress of all peoples would be hampered, and any serious attempt at international cooperation for collective security would be paralyzed.

ST. VITUS HOLY NAME Weekly Review

HOLY NAME SENIORS HOLD SUCCESSFUL MEETING

Last Tuesday evening was like old times, in Room 4 of St. Vitus School. A fair attendance was present at the monthly meeting. A real surprise for some of us "old timers" was the presence of Joseph Skerbec who has just returned into civilian life after almost four years of service with Uncle Sam in the far Pacific. We really appreciated your presence, Joe. We extend a hearty invitation to all veterans to come back to the Society when they are released.

After the meeting we went downstairs into the school hall to say hello to Fr. Bonaventure Bandi, OSB., who we are glad to say, is the same old jolly "Lawrence" Bandi, who you enjoyed your stay in your town and wish you lots of luck home in Colorado.

Sodality News

Once upon a time there was a Sodality over at St. Vitus. If members were not very faithful in doing the Holy Hour Devotion monthly at St. John's Cathedral, they gathered to decide to do better showing in the future. Continued on Page 3
