RAZNA NAZANILA

Blain, O. — Društvo "Zdravitev" št. 333 SNPJ naznanja vsem članom in članicam, da se bodo v prihodnje društvene seje vršile obreda naprej pri g. M. Babeckiju in ne več pri bratu Antonu Bradeljnu.

Niles, O. — Na prošnji seji društva št. 481 SNPJ je bilo sklenjeno, da se morajo člani bolj redno udeleževati društvenih sej. Kdor se ne bo udeležil seje vsake 3 mesece enkrat, bo za mesec dni suspendiran, tako stoji tudi v enotnih pravilih. Več članov je, ki niso prišli na sejo že leto dni. Vsaš se pa celo pripeti, da bi skoro ne mogli seje obdržati. Zato pa je dolžnost vsakega posameznega člana in članice, da posreduje seje redno, da se napravi zaključke, ki bodo vsem znani ter da se lažje ukrepa o društvenih zadevah.

Bratki pozdravi!
— Frank Kogovšek, tajnik.

Elizabeth, N. J. — Naznanjam vsemu članstvu društva "Elizabeth" št. 50 SNPJ, da je bilo sklenjeno na redni seji 12. febr. sledeče:

Vaša član, ki je finančno izčrpan, da ne more plačevati svojega assessmenta, naj se priklani na društveni seji za določeno mesec. Oddajeni člani morajo pa sporočiti tajniku društva pismo, da samostojno plačujejo, o tem na seji na tekoči mesec. Članstvo nato razpravi, če je član v resnici potreben. Pogolji so seveda, da mora član povrniti družbu kakor hitro mu je to mogoče. Tajnik pa se bo za nikogar zadržal assessment, kar ga ne more. Kdor ne more plačati, naj stori kot njegov omenjeno.

Udeležite se bolj redno mesečnih sej. Meseca decembra smo določili, da vsaki član, ki je zavarovan za bojniško podporo, plača 60 centov, člani, ki so zavarovani samo za posmrtnino, pa plačajo 25 centov v društveno blagajno. Član, ki se ne udeleži trimesečne seje, tudi plača 50 centov v blagajno; članice so izsvete te kazni. Vsi na sejo 11. marca!

Carlville, Ill. — Naznanjam delničarje tukajšnjega Narodnega doma, da se društvo št. 362 SNPJ sklenilo, da se obvesti vse oddelčne stane, ki so za stalno naseljeni v drugih državah, da naj pošljejo svoje delniče nazaj društvu št. 362. To pa zato, ker sedaj je čas, da se posreduje stroške, če nečemu, da gre vse skupaj v propast. Če se bodo razmere kaj izboljšale, bomo skušali postaviti dvorano, ki bo odgovarjala za veselice in društvene seje. Vsa pisma naslovite na: Louis Mahkovec, 607 Charles street, Carlville, Ill.

Philadelphia, Pa. — Članstvu naznanjam, da je bilo na prošnji seji 19. febr. društva št. 284 SNPJ zaključeno, da se bo obreda naprej na vsaki redni seji dvignilo eno certifikatno številko. Ako bo član z določeno številko navzoč na seji, bo dobil št. 1 društvene blagajne. Namen tega je, da bi članstvo v večjem številu prihajalo na seje, da bi se lažje ukrepalo o društvenih zadevah.

Vsi na sejo 18. marca! — M. Omerzu, član št. 284 SNPJ.

DOPIŠOVANJE V "PROSVETO."

Važne so vesti o ustanovitvi kulturnih društev ne glede, kdo jih ustanovi, kajti ustanovitev kulturnih društev kaže v prvi vrsti razvoj naselbine, v katero smer ta razvoj gre. Vesten dopisovalec bo vključil v svoj dopis tudi take vesti in pri tem ne bo rezal onih, ki so kulturno društvo ustanovili, ako so ustanovitelji konservativni ali celo reakcionarni, temveč bo apeliral na napredni element v naselbini, da organizira kulturno društvo, in ga spodbuja k agitatoričnemu delu. S tem, da so konservativci ali celo reakcionarni ustanovili društvo v kulturne svrhe, je opozoril napredni element v naselbini, da je treba zavlati rokave in iti na delo. Bojna taktika je tam na mestu, ako je ta konservativni ali celo reakcionarni element agresiven. Toda bojna taktika v dopisih mora biti dobro zamišljena, da vodi do uspeha. V takih slučajih je zmerom dobro, da se dopisnik posvetuje z drugimi naprednimi elementi v naselbini o nastopu v javnosti.

Dopisniki naj se ogibljejo poročati o stvareh, o katerih so samo slišali in se niso prepričali, da so resnične. Taki dopisi dostikrat vodijo do tožb in jemljejo ugled ne samo listu, ampak tudi dopisniku samemu. Prva dolžnost dopisnika je, da se sam prepriča o tem, o čemer poroča. Neresnično poročilo pokvari dostikrat vse uspehe, ki so se dosegli v naselbini. Resnični dopisi vodijo do uspeha; neresnični pa ubijajo uspehe. Vsak dopisnik naj se umisli v položaj, kako bi on občutil, ako bi čital o sebi neresnične stvari. Dopisniki "Prosvete" se naj drže reka, da resnica prebije železna vrata in prodre skozi najdebelejši zid. Za zgled jim ne bodo ljudje, ki pravijo, ravna jo ali uče, da namen posvečuje sredstva, ampak takih ljudi naj se ogibljejo kot strupenega gada, ker ni bolj ogabnega na svetu kot človek, kateremu namen posvečuje sredstva. Res je, da resnica v začetku dostikrat trpi in da je preganjana ravno radi tega, ker je resnica, a resnica končno vedno zmaga povsod. Človek, ki je poročal nevedoma neresnico, in to krivico popravi, ko je prišel do spoznanja, da je storil krivico, ne izgubi ničesar na svojem ugledu, ampak poravnana krivica ga še poviša med drugimi ljudmi kot pravicoljubnega človeka, ne glede na to, kaj o njem govore prijatelji neresnice in teme, tiholazci in prikriti "rihte". Pravicoljubni človek bo vsakemu pogledal odprto v oči, ker njemu ni treba pred nikomur povešati svojih oči ali pa mežikati z njimi. Iz dopisa naj ostane vsaka reč, o kateri se ni dopisnik sam prepričal, da je resnična, in njegova vest bo mirna in mu ne bo očitala ničesar.

Nikdar se naj dopisi ne pišejo iz maščevanja do katere osebe, kajti taki dopisi nimajo uspehov in se prejalisej izve, zakaj so bili spisani. Pri dopisih naj vedno odloča stvar, cilj, struja in njeni cilji. Pravila SNPJ pravijo, da je namen te podporne organizacije podpirati svoje člane duševno in jih povzdigniti kulturno z zbujanjem prave demokratične zavesti, z združevanjem in izobraževanjem na temelju prvega stavka načelne izjave. Besede, zapopadene v tem cilju, naj vodijo vedno in vsikdar dopisnike, kadar bodo pisali dopise v "Prosveto," uspehi takih dopisov pa ne bodo izostali. Povišala se ne bo le morala v Slovenski narodni podporni jednoti, ampak podkrepila se bo med slovenskimi naseljeniki v Ameriki v taki meri, da bodo drugi narodi kazali na Slovence kot zgled najbolj zavednega in demokratičnega ljudstva na zapadni polovici zemeljske oble. Povišati in dvigniti moramo samega sebe. K temu pa lahko veliko, skoraj bi rekli največ pripomorejo dopisniki, ako se bodo ravnali po besedah o cilju Slovenske narodne podporne jednote. Po zabiti ne smemo, da smo po ogromni večini sami delavci, člani SNPJ. Delavci smo ustanovili Slovensko narodno podporno jednoto, delavci smo jo vodili skozi vse viharje, na katere je naletela v svojem razvoju in jo privedli do tega razvoja, kakršen je danes. Da se njen ugled in vpliv povečata in se SNPJ razvije v silnega orjaka, v katerem bodo organizirani vsi slovenski, oziroma jugoslovanski izseljeniki in njih potomci, moramo učiti in delati, kakor nam pravijo pravila o namenu SNPJ.

Dogodki, ki se dogode na društvenih sejah, ne spadajo v dopise. Ti naj ostanejo ali se rešijo tam, kjer so se rodili. Ako spadajo pred instance SNPJ, naj se pa rešujejo pred njimi. Pravila SNPJ povedo na več mestih, kako se rešujejo društvene zadeve. Zato je pripojljivo, da vsak član, ki se peča z dopisovanjem v "Prosveto," pazno študira pravila SNPJ. Zapopadel bo demokracijo, ki je v SNPJ in prav zanesljivo se bo ognil ali se skušal ogniti vsega, kar povzroča nepotrebne spore v jednoti in jo kolikor toliko ovira v njenem razvoju. Tak dopisnik bo postal stvaren. Jasno in določno bo raztolmačil takoj v začetku svojega dopisa predmet, o katerem piše. Nato bo stvarno in brez osebnih napadov raztolmačil v razumljivi besedi, kaj je slabega na predmetu. Zatem bo pa pokazal, kaj je treba storiti ali podvzeti, da se stvar izboljša. Njegovi dopisi bodo konstruktivni. Gradili bodo večjo in trdnjšo in vplivnejšo Slovensko narodno podporno jednoto. Zakaj? Ker bodo njegovi dopisi pisani v demokratičnem duhu, nad katerim se ne more drugi spotikati kot oni, ki je v svojem duhu in mišljenju konservativec ali pa celo reakcionar. Dostikrat se sliši: bodimo bolj tolerantni. Ne, bodimo bolj demokratični, je povedano pravilo. Človek, ki razume, kaj beseda demokracija pomeni in da njegova osebna svoboda sega le tako daleč, dokler ni omejena od drugih, je vedno tolerant. Zato je oni, ki demokratično misli, vedno tolerant, oni, ki ne misli demokratično, pa vedno nestrpen. Nestrpen človek bo vsčipnil osebno in brez vzroka, skušal bo prikazati stvar v napačni luči, da zavede druge, tolerantni človek pa ne bo osebni, ampak pojde stvari do dna in bo skušal z resnico na podlagi dejstev dokazati, da je v pravem. To je tista velika razlika, ki je med tolerantnim in nestrpnim človekom, demokratičnim in konservativnim ali reakcionarnim človekom. Člani smo organizacije, ki je po svojih pravih demokratični, za to bodimo pri svojem delu v javnosti demokratični, pa bomo tolerantni.

NAŠI ODRI

"Poslednji moč".

Milwaukee, Wis. — Ni moj namen pisati obširnega dopisa, ker kot delavcu se mi pero bolj počasi suha. — Gospod Kurent Pust nam je zapustil brez vsakih velikih posebnosti, krivica temu je gotovo velika brezposelnost.

Kot je že bilo naznanjeno, se tukajšnje dram. društvo "Lillie" pripravljajo za veliko veselico z igrjo "Poslednji moč". Ta bo igra dobro izpeljana ni dvoma, kajti odsek "Lillie" ni enih novih na dramskem polju. V svojem enajstletnem delovanju je napravil na oder veliko poučljiv in zdravih iger. Naj se posebe omenim, da pri prihodnji predstavi bo občinstvo imelo priliko videti vse stare in najboljše odseke moči. Kakor sem slišal, in tudi rad verjamem, "Poslednji moč" bo res nekaj nenavadnega na milwauksem odru. Pa prepustimo to igrovdju, on je res pravi mojster v tem pokliu. Delo ga ne ustrani, njegov cilj je: naprej do zaželjenega uspeha!

Ker se sedaj bolj slabo dela, tudi nimamo pretirane vatopni. Vstopnina v predprodaji je 45c, pri vratih 50c. Vstopnice dobite pri članih dram. društva. Val v S. S. Turn dverano v nedeljo dne 11. marca. Ne pozabite dneva, ure in svojih prijateljev!

"Zdravnik proti svoji volji"

Slovinci v Chicagu imamo zelo redkokdaj priliko videti kako dobro burko ali komedijo; večinoma so vprizorjene drame. Za spremembo je pa dobro, in nekateri še celo pravijo, da je zdravju koristno — videti tudi kako dobro burko ali komedijo, ker smeh je precej dobro zdravilo. In sedaj bomo imeli Slovinci v Chicagu priliko videti komedijo ali burko, kakorine še ni bilo na slovenskem odru v Chicagu. Vprizorjena bo namreč komedija v treh dejanjih "Zdravnik proti svoji volji", ki je smešna skozi in skozi tako, da bo marsikateri bolel trebuh od samega smeha. Komedija je prevedena iz francoščine in spisal jo je svetovno znani dramaturg Mollat; iz francoščine jo je prevedel Andrew Kopal. Dramski odsek kluba št. 1 J. S. Z. vprizori to komedijo na odru dvorane ČSPS 8. aprila popoldne.

Vstopnice so v predprodaji po 75c in dobijo se pri članih kluba št. 1 JSZ, v uredništvu Proletarca in pri tajniku kluba.

Razprava o iniciativah

Manfield, Ohio. — Ker je ravno razprava o iniciativah, upam, da bo tudi meni dovoljeno, da izrazim svoje mnenje. Prvič ne vem kako, da ni društvo št. 5 upoštevalo pravila, saj je člen 6, točka 1, zelo jasen. Društvo omenja velike stroške. Tukaj pa ne vidi, da bo iniciativa stala najmanj okrog \$8000. Drugič, ne vidim zakaj bi mala društva sploh plačevala v konvenčni sklad, če ne bi imela nikakega zastopstva.

Po mojem prepričanju plača vsaki član enako v upravni in konvenčni sklad. Zatorej ne vidim zakaj se bi enim odrekalo pravice, ki so popolnoma upravičeni do njih. Če hočejo narediti nekakšno zavarovalno družbo iz SNPJ, potem pa mala društva sploh ne potrebujejo, da bi obdržala seje in ne društvenega odbora. Naj bi gl. odbor pooblastil enega člana, ki bi bil predsednik, tajnik in blagajnik. Na ta način se bi mala društva prihranila precejšnje vsote denarja.

Moje prepričanje je, da vsako društvo, ki ima čarter, ima pravico do enega zastopnika, pa naj šteje deset članov ali pa tisoč. Če se ne more plačati iz jednotine blagajne, naj bi plačala društva svojim delegatom dnevnice, jednota pa vojnjo. Na ta način, če ne bi kako društvo poslalo zastopnika, ne bi moglo oporekati, ker imelo bi priložnost, pa jo ni hotelo porabiti. Naj še omenim o iniciativni družbi št. 600. Taka iniciativa sploh nima pomena. Če glavni odbor vidi, da bi bilo koristno, to lahko sam stori brez vsake iniciative. Opozorjam društva, da o tem dobro premislijo, če nečemo popolnoma zatrei mala društva.

Pozdravljam vse člane in članice jednote! — Josef Keck, član št. 238 SNPJ.

VESTI IZ NASELBIN

Akcija v pomoč rydarjem.

Detroit, Mich. — Specialisti klub št. 114 JSZ je na seji meseca januarja sklenil podvzeti akcijo za nabiranje denarnih prispevkov in oblike v pomoč premogarskim štrajkarjem. V ta namen je bil imenovan odbor štirih članov, ki naj bi zbirali darove in skrbeli, da se polje nabirano v prave roke. Odbor je tudi takoj šel na delo; nabral je dosedaj vsoto \$104.59 in tudi precej oblike je že zbrane.

Pri tem delu so velike težave. Slovinci v Detroitu so raztrešeni po celotnem mestu in nikjer ni kompaktne slovenske naselbine kakor na primer v Clevelandu. Poleg tega pa so omenjeni nabirali samo ob nedeljah, ker jim čez teden ni bilo mogoče, prvič, ker morajo delati sami, in drugič, ker tudi drugih ljudi ni doma čez teden. Zato gre to delo zelo počasi naprej. Zato se odbor obrača do rojakov, ki imajo kako obliko, da jo zberejo in potem obvestijo odbor ustmeno ali pisмено. Kjer stanuje več Slovencev v bližini skupaj, lahko zberejo vso obliko in tudi denar pri eni hiši. Odboru bo s tem prihranjenega veliko časa in dela in na ta način bomo lahko zbrali in odpasli štrajkarjem v kratkem času, kar brez sodelovanja občinstva ni mogoče.

Temu odboru so se pridružili še trije rojaki, ki so že na svojo roko zbrali več oblike in denarja za štrajkarje. Pri tem se je posebno odlikovala Mrs. Katie Kranjec, ki je nabrala sama dva velika zaboja oblike. Sodruga A. Jurca pa nam je obljubil, da bo vse spravil na postajo in odpasli. On je bil zelo aktiven tudi pri nabiranju denarnih prispevkov.

Ves nabrani denar se bo odposlal gl. odboru SNPJ, ki ga naj potem razdeli na vsa po štrajku prizadeta društva. Oblike bomo poslali direktno več društvom v štrajkovnem okraju, ki naj potem skrbijo, da se bo razdelila med najbolj potrebne.

Torej prosimo rojake še enkrat, da se zavzamejo za to delo in zberejo vsak v svojem okraju več denar, kolikor ga je mogoče komu darovati v pomoč.

bednim štrajkarjem, kako tudi oblike in potem obvestijo enega izmed spodaj podpisanih nabiralec, ki bodo potem lahko v kratkem času zbrali vse in odpasli najboljše med bednimi štrajkarji, ki še tako dolgo bljejo boj, ki je tudi naš boj, in njih zmaga bo tudi naša zmaga in če bi bili poraženi v tem boju, bo to kmalu občutil tudi cel delavski razred.

P. S. Tudi posamezne rojake, ki imajo kaj oblike, ali hočejo pomagati z denarjem, ki pa še niso bili obiskani od katerega izmed nabiralec, prosimo, da obvestijo enega izmed njih, ki bo potem že preskrbel, da bodo darovi zbrani in odpasli.

IZJAVA

V zadoščenju onih, ki se čutijo prizadetim.

Dne 15. marca 1927 je bil v Zarkometu sledeči odstavek: "Čuj, Zarkomet! Še bomo plačevali izredne naklade. Pri nas v Midwayju, Pa., je bolnik, ki sam obiskuje bolnišnice obklovalce — in vse je O. K. Nekdo, ki pozna krvavega pastirja."

Društvo, ki ima svoj sedež v omenjenem mestu, "se je čutilo prizadetim in je zahtevalo preiskavo. Član gl. odbora je bil odpaslan na lice mesta in je pronašel, da društvo pravilno posluje, pazi na bolnike; da ne kršijo pravil SNPJ. Ta član gl. odbora se je prepričal, da bi bilo bolje, ako bi bil omenjeni odstavek v "Zarkometu" izostal, kajti društvo zasluži popolno zaupanje. S to preiskavo in izjavo je zadeva končana za društvo in jednoto.

POPRAVEK

Sublet, Wyo. — V zvezi s darov za stavkarje od tu v št. 32 bi se moralo oglasiti: Nabiralec Anton Benedit. Denar ni bil iz društvene blagajne. Darovali so rojaki posamezno.

Razprava o "dobrem članu."

Reševanje vprašanja, kaj je dober član, je danes zaključeno. Prišlo je že čez dvajset odgovorov in nekdo je zaslužil ček za \$1. Odgovori bodo objavljeni v dnevniku dne 2. marca. Citajte jih! So zanimivi.

KAMPANJA ZOPET ODPRTA!

Razpisane so izredne ugodnosti za mladino in krasna darila za agitatorje!

Zadnja kampanja, ki smo jo pred kratkim zaključili, je bila za mnoge člane prekratka, posebno pa za našo mladino. Od več strani smo prejeli prošnje, da zopet kmalu razpišemo kampanjo ter damo naši mladini priliko, da pokaže kaj misli in koliko je sposobna narediti za svojo idejalo zadrugo—Slovensko narodno podporno jednoto.

To je zelo razveseljiv pojav. Znači, da ima naša jednota člane, ki so vedno čuječi in vedno pripravi, da oznanjajo in širijo naprej naše velike ideje ter delajo in agitirajo in skrbijo za stalno rast in še večji napredek svoje dobre organizacije.

In gl. odbor je vpošteval te želje ter ugodil našim agilitim in delavnim članom z zopetno kampanjo. In ta kampanja se prične dne 1. marca ter se konča zadnjega junija t. l. Kampanja bo torej zopet trajala štiri mesece.

Posebne ugodnosti so razpisane za mlade člane in lepe nagrade za tiste, ki se bodo izkazali v kampanji aktivni.

Za to kampanjo veljajo sledeče določbe:

1. Posebne ugodnosti za mladino:

Glavni odbor je določil, da da v tej kampanji posebno priliko ameriško slovenski mladini, da se vpiše v SNPJ. Dovolil je, da se sprejme nove člane v starosti od 16. do 30. leta prosto vstopnine in prosto stroškov zdravniške preiskave.

2. Izredne ugodnosti za rojake v Kanadi:

Ker vladajo v Kanadi precej drugačne razmere in prilike za naše člane, je gl. odbor dovolil, da za časa te kampanje sprejme prosto pristopnine in prosto stroškov zdravniške preiskave vse nove člane v starosti od 16. do 30. leta; za člane od 30. do 45. leta je pa prosta pristopnina, za zdravnika morajo trpeti stroške sami.

3. Ugodnosti za nova društva:

Tudi za nova društva so dovoljene izredne ugodnosti. Pray-zaprav še večje! Kajti poleg tega, da so vsi člani do tridesetega leta starosti prosti stroškov pristopnine in zdravniške preiskave, dobe nova društva še zastoj vse poslovne knjige, društven pečat in druge potrebščine. Nikar ne zamudite te prilike!

4. Posebne ugodnosti za mladinski oddelek:

Slovenska narodna podpora jednota je znana, da ima najboljši sistem zavarovanja za otroke. Pa tudi zelo poceni. Sedaj pa daje še to ugodnost, da v teku te kampanje lahko vpišete vsakega otroka brez stroškov za Vas ali za starše. Novopisani otroci so prosti pristopnine in prosti stroškov zdravniške preiskave. Gl. odbor se dobro zaveda, da je v mladini naša bodočnost, zato daje za otroke toliko posebnih ugodnosti. Gl. odbor je torej odprl vrata mladini na široko, od članstva pa pričakuje, da bo znalo to lepo priliko v polni meri izrabiti.

DARILA:

Znano je, kako so naši člani agiliti in postrvovalni, kadar treba delati za dobrobit jednote, in prepričani smo, da bi dobro in brezplačno izvršili tudi delo te kampanje. Toda gl. odbor želi, da dobe pridni delavci na agitatoričnem polju zasluženo priznanje, in to hoče izraziti v sledečih nagradah:

- POMNITE—nagrada je razpisana tudi za otroke, in sicer se šteje dva otroka za enega odraslega člana, da se dobi ista nagrada. Glavni odbor bo pa še posebej nadaril tiste člane, ki dobe v času te kampanje dvajset ali več otrok za jednoto.
- Lepa prilika za pomnožitev članstva in za večji napredek se nam torej zopet nudi. Zato—bratje in sestre—strmimo zopet svoje sile in pojdimo na delo in agitacijo, in to TAKOJ! Doba kampanje je tudi tokrat bolj kratka in ni časa za odlašanje in premišljanje. Odločimo se in začnimo z načrti in agitacijo takoj, da bo uspeh tem boljši. Naprej torej—naj se širi, raste in cvetoča naša mati SNPJ!
- VINCENT CANKAR, gl. preda.

The Young S. N. P. J.

LODGE NO. 397.

Crested Butte, Colo. — Lodge No. 397 will hold important regular monthly meeting, March 11, 1928, at 2 o'clock at the usual place. Presence of all members is requested, as an important business will have to be transacted.

See you March 11!

— Frank Jelenich, Secretary.

ATTENTION.

Detroit, Mich.—As it was understood, our members are to help the Publicity Committee with articles for the paper. Members, brace up! Any little news, big or small, can be printed.

If some of our bright poets of our lodge know or can write any good poetry, send it in or send it to the Publicity Committee.

Any news at all will be accepted by Bro. Charles Kattner Jr., 338 Ford Ave.

KIDVILLE CITY BALL.

Carlinville, Ill.—Yes, we are having a Kidville City Ball, March 31 and April 1st. Two big days. Aren't you glad? (The remaining part of the article to be published next week.—Editor.)

We haven't ever given you the officers of our lodge, so here they are: President—Bro. Louis Voss; Vice-Pres.—Bro. Joe Dehman; Sec.—Bro. David Pilsch; Treas.—Bro. Louis Kattner; Bro. Sec.—Bro. Joe Yezernik; Sergeant-at-Arms—Bro. Joe Novak; Auditors—Matt Marcek, Louis Pilsch, and Angeline Voss.

Enter. Com.—Mary Yezernik, Angeline Voss, and Louis Pilsch.

Pub. Com.—Angeline Voss, Mary Yezernik, and Louis Pilsch.

NOTICE!!

Collinswood, Ohio.—Notice, Comrades, Strugglers, Loyalties, and New Era! Attend the organization meeting of one of our new English speaking lodges in Noble, Ohio, to be held on March 8, at 8 P. M., at the Jugoslav Lodge Hall, Vine St. Enroll Villages.

Refreshments and dancing will follow the meeting. You will also have a chance to hear some very good speakers.

Let's show we can co-operate in helping to organize these Brothers and Sisters, by being present March 9. Thank you! John Lohar Jr., Pres. Strugglers.

BADGER, WAKE UP!

Milwaukee, Wis.—I have noticed several articles in the Prosveda from Milwaukee, but they are written practically by the same people all the time. Wake up, the rest of you Badgers! Say something once in a while. I think Gussie will soon have something to say. I should like to see Badgers represented in the Prosveda every week, which we should all boast.

The other day I also noticed an article from Waukegan, by Alice Artech, saying something about their prosperous members. I must say that the Badgers attend the meetings in good numbers. [All that is necessary, as Bro. Radel mentioned last week, is to get up and try to speak, because only by trying you will succeed.]

Bro. Frank Komar, bring your violin to our party at Tame's Hall, March 2nd, and Fred Pink, also, bring your guitar. Don't forget! I expect to see a happy bunch of Badgers present as they were at Kral's Hall some time ago. A. Martinak (Pub. Committee.)

ABOUT BUNCO PARTIES.

The other day I saw a cartoon in one of our Chicago papers. It pictured a woman, and she looked as though she had just come home from a day's shopping in the bargain basement. Her hat was crooked, her hair all down, in short, she was "all in." And while she was out, Santa Claus must have been in, for all about her were gifts, lamps, table scarf, dollies, vases, candlesticks, — things like that. And what do you suppose the caption of the cartoon was? Something like this—"After a season of Bunco Parties!" Can you imagine! It made me rather indignant when I saw that. You see, about the only bunco parties I'm familiar with are those given by the Pioneer lodge at Chicago, one each year, and they're very enjoyable affairs. There's nothing about them to tire out even the tenderest lady, while the men,—they cry for more!

And, as for presents, if you want to have Christmas Eve all over again, come down to the SNPJ Hall on Thursday, March 22nd, at 7:45 P. M. and play bunco or Five Hundred, whichever you prefer. We're going to have everything but the Christmas tree, and besides, you owe it to yourself and family to win some fancy "Gixie's" for your home, for aren't you going to start housecleaning soon after?

Seriously though, you really ought to be there to meet all your friends, and spend an enjoyable and profitable evening in their company.

"NATURE'S BEST"

Barberton, Ohio.—It's not natural for me to write, but when a few lines are needed in the Prosveda from a Buckeye, Nature simply has to bow before my pen. But I can't go against nature, because natural instinct tells me that the young Slovenes are surely cooperating. Yes! Cooperating, the way they showed themselves at our "Buckeye Dance." Oh! Boy, it certainly was a great success.

I am just like Will Rogers. All I know is what I read in the Prosveda. Sister Garbor mentioned that I fell hard for a Loyalty. That was a tall tale out of Ohio. Sh! Frances. What if I should start telling things about what I know? Hal! Hal!

Thanks to the "Struggler" who wrote about the Rev. Bombach. I hope all the Buckeyes attend the dance in Cleveland in full force. Which we will!

Michael Capas, Treas.

BOWLERS!!!

Milwaukee, Wis.—We have a proposition to arouse your interest. We are out to see if you have enough confidence in your ability to back it up with solid cash.

I have been requested that a challenge be published in "Prosveda." Our own Jimmie (not Smith) is desirous of matching his bowling prowess, and in order to do this, he has asked that I try to arrange a match game for him. So here we are!

Any bowler in the SNPJ is welcome to accept this challenge. The match will consist of 40 games, 20 to be rolled in the city of each opponent, and in order to pick out his own home alleys, while in Milwaukee, Numbers 3 and 4, with which some of our bowlers are already acquainted, will be used. Total pins of 40 games to decide the winner, and a prize of fifty (50) dollars to be deposited by each participant as the prize; the loser also paying the cost of bowling. Let's go!

Address all communications to: John Oblick, 332 Reed St., Milwaukee, Wis.

COLUMBINE NEWS.

Pueblo, Colo.—Whoopie! Another successful dance was held by the Columbine Lodge. This was the biggest Masquerade Dance held by the Slovene people in five years. The whole hall was taken up so that couples would hardly strut their stuff. It was the Mardi Gras of Pueblo. Everybody was there. Costumes of every nation were displayed.

Mrs. Knafke, representing the SNPJ, and the two little tots who represented the "Orel" and "Columbine," walked away with the first prize. One of the outstanding costumes was worn by Miss Sakulich. She wore a costume of an Egyptian girl. I suppose she was Cleopatra. O, yes! Anthony wasn't with her. "O my! Who are those two Apache Dancers, don't they look handsome?" remarked one of the girls. Yes, girls, they were Louis Radel and Frank Melich.

The members of the Columbine thank the "Orel" for their help which made our dance a success.

Now on to a different subject. Why don't all the members attend our meetings? Only one half of the members attend, sometimes less. One night won't hurt anyone to be present. We want every member to have an idea for our 2nd Anniversary. Shall it be a public dance or a private affair?

Yours for a good attendance at the next meeting—Frank Radel Jr.

LEAF YEAR PARTY AND DANCE.

Springfield, Illinois.—Well, folks, I suppose you have all heard about this big affair which will be staged at the Slovenian Home on Saturday, March 3, 1928. This will be a good opportunity for all these beautiful Springfield sheiks and bachelors. Remember, folks, this year is leap year and on account of the big strike in Pennsylvania and Ohio we decided to give a charity dance for the benefit of these poor unfortunates. Everything will be donated by the ladies of Springfield and all the profit will go to the strikers.

Now, if you are a real good sport, you will attend. The admission will be within reason, so there won't be that alibi to hear, or accept. Now the best part of this party and dance will be for the men. If you are accompanied by a lady, oh, boy, you get in free, but if alone, it just means you will have to dig into your "jeans" and pay your own admission. So why not come escorted? It is much cheaper and turn about is fair play.

There will be plenty of girls who will see that every man on the floor will dance and if you refuse, well, I guess I'll keep that until March 3rd. The Gorsak Brothers will furnish the music.

Let's see all you boosters and other loyal members of Springfield and other villages attend in full number, March 3, 1928, at 8:30 P. M., at the Slovenian National Home!

Someone who will be there with bells on.

"Young Americans"

Detroit, Mich.—"Young Americans" of Lodge No. 564, where are you? Our meetings are important! Attend them! Don't get a silly idea like this in your head: "Why should I go? They can get along without me. Just so I pay my dues; what do I care!" Every member should care! It's his or her business to attend the meetings. There is no excuse whatever to miss the meetings. Members, once and for all, keep up the spirit of the Young Americans! Attend the meetings, keep the bunch merry and on their toes.

For the benefit of those who constantly miss the meetings and stay in bed these Sunday mornings, I'll try to give you an idea of what your lodge is doing. We're giving a dance which will be held within the next 8 weeks. This dance will be held in the West Side Hall. Half of the proceeds will go to help the striking miners.

Folks, keep your eyes peeled for the weekly edition and we'll give you the exact date of this dance. Brothers and Sisters of lodges of the SNPJ, do your share, attend this dance, and help the miners.

Bro. Henry Kattner was hurt in the shop while he was working. He has the first, second, and third fingers of his left hand cut severely. We are all wishing him a speedy recovery!

We hope to see a better spirit in Lodge 564! Young Americans! Publicity Committee.

ATTENTION!

Collinswood, O.—In the weekly issue of February 8, 1928, there were mistakes of the dates of dances to be given by Collinswood Federation and the Strugglers. The Strugglers are holding their "First Anniversary Dance" in the Slovenian Workingmen's Home on April 14, 1928, while the Collinswood Federation of the SNPJ is holding its dance in the Slovenian Workingmen's Home on March 28, 1928. Half of the profits of the Collinswood Federation dance goes to the striking coal miners in our neighboring cities. "Right."

THE MODERNS.

Shelbyville, Wis.—The Modern Lodge, No. 684, had its second regular meeting on February 21st with a fair attendance. In future meetings we expect that we will see all of the members present. Members will please take an active part in the meetings, in order that more could be accomplished. The president is also urging every member to act as a committee of one and bring in new members.

After the meeting we had an enjoyable party. Frank Resnick and Joe Mahak were the comedians of the party. Frank was the "Dunce" of the party and Joe surely was a humdinger with the wicker saw. Several "active" games were played, which induced the members to action.

The final wind-up was a dance with refreshments served between dances. The musicians with the "Gussies" furnished the music.

Here's hoping you don't forget to be present at the next meeting.

John Resnick Jr., President.

NOTICE.

Hermiston, Pa.—At our last meeting we had a few members present, but not what you might call a "nice crowd." These few members are the only ones that carry on the meeting, and wish to see our Society progress.

What's the matter with the rest? Oh! you say, "I haven't time," or "It's too cold," or "I have somewhere else to go." If everyone else should say that, where would the Keystonians be? I am not saying that for everyone. I know some of you find it impossible to be at the meetings every month. I don't mean those, but the ones who live near and don't come. These are the ones that brag if anything is going to be done or if anything goes on—"We did it!"

Now, what we want is a good attendance at our next meeting, March 4. We are going to discuss some matters pertaining to entertainments after meetings. I don't blame none of you for saying, "What's the use of going up? You just go up there, hear the same things and then go home again." I know how you feel, but hereafter we will try to make it more interesting after meetings. So I hope you will all come.

We also wish to get into this membership drive that is coming on. This will also be discussed. Paulina.

FLASHES

By Insigula

Here is something entirely new for the Pioneers—Five Hundred will be played at the Bunco Card Party to be given on March 22nd at the SNPJ Hall, Sisters Nevak, Werlick and Arko of the committee in charge have decided that the many card players among us will be pleased with this new announcement. Prizes will be awarded to the winners.

By the way, tickets for this Bunco party are not selling as they should. Put a little extra effort behind your selling ability and surprise the committee by asking for a second allotment. With the help of every member we can "put it over" big.

It is worth your while to note that John Himlich, Secretary of Lodge "Zagreb" at Miami, Arizona, forwarded 83 juvenile applications to the Supreme Office during February. That's a record which will be hard to surpass. If that can be done in Arizona where so few of our people live, what should we be able to do in larger cities where Slovenes are compactly settled!

We're going to have another membership drive, as you know. This week's mail has brought many inquiries for details, and it would seem that a lot of interest has been stirred up by the announcements in the last few issues.

One more round of bowling will complete this season's schedule of the SNPJ bowling league. Pioneer No. 1 and S. Slavija-Ferrer, and Slovene Home are all close to the top, and either of these teams has a chance to win the cup and cash prize. Come and watch the close contest.

Pioneer No. 3 team won all three games from Slavija-Ferrer, while Pioneer No. 2 won them all from the Neighbors. Pioneer No. 1 won two out of three from Slovene Home, making the title race more interesting.

The SNPJ Bowling League of Chicago has decided to hold a tournament for all SNPJ teams at Chicago on April 21st and 22nd. At any rate, these dates look most promising at present, but full particulars will be announced, as soon as possible.

ANOTHER CHANCE?

Springfield, Ill.—Oh, I am so thrilled! The local boys crowded about me the other night and told me the latest developments regarding the National Bowling Tournament in Chi. and asked to know if I were going. And how! Especially since I failed to bowl that 300 game I promised the Captain, so far from one moon-bite. This tournament is another chance!

But as the tournament date has not been made definitely I would respectfully suggest that our hosts in Chi. select a date on which excursions might be made there. If an excursion can be made from here, we Springfieldians faithfully promise to leave the kids home.

Also may I let you know Easter Saturday and Sunday, April 7 and 8, are our best dates for the tourney, others might possibly prove disagreeable.

And say, Donald, some good-looking sheik was trying to bid me to believe that the big Supreme Board trophy for the tourney was stolen by Cleo hi-jackers and was in use at their rendezvous nightly, by the gang leaders from whom bring they drank "varnish remover" in solemn promise to keep their peace.

But I don't believe it, do you? Oh yes, I almost forgot, as if I really did. This is of general interest, but most interesting is it to the Pioneers. Several weeks ago a local resident received a letter and photos from Brother Herman Drobach, organizer and active leader of Branch 558. He says they have almost 300 members; bought a "Dom" for \$2,000, not paid for yet, of course, which is known as the "SNPJ Branch 558 Home."

New Waterford, Canada, is a mining town with many Slovenes, he says. His photos of the snow-covered home and region were very beautiful.

Our hats off to you, Branch 558, and Brother Drobach.

Your loving—Amy.

P. S.—I hope the readers of the last week's article from this city will take it in the right spirit. The typographical errors might tend to change the exact meaning.

Editor's Note

Cleveland, O.—Joseph "Straus" Pi-folt—Articles of that nature are directly against the principles of the SNPJ. There were several Slovene articles published in the Prosveda, confirming the facts related in the communication you criticize. Furthermore, there are no facts or evidences in your article which would disprove the accusations attributed to the "father" by the several correspondents in the Prosveda. For these reasons the Supreme Administrative Committee decided not to publish it.

To our contributors: Again we are forced to warn you not to write on both sides of the paper. Avoid this habit which gives a lot of extra work in editing the ever increasing manuscripts. Thank you!

What Next?

Kenosha, Wis.—The Stalwarts for the next month and a half will have an event on their hands for each week. Beginning on March 21st, the Stalwarts will open their "big parade" by holding their monthly meeting at the usual place.

Another Party.

On Friday, March 16th, the entertainment committee has arranged for another bunco party. Brother Louis Radel and Brother Arthur Nieml, who were credited for the success of the last bunco party, are again handling the situation. They have in store for you big and better prizes, and a whole of a good time. Badgers, Little Forts, and Pioneers, do not forget if you are in Kenosha on the eve of March 16th to drop in at Radel's Hall and take in the party. You are always welcome.

Mohawks, Attention!

You were right, Mohawks, when you morally decided to call yourselves the champs of the SNPJ in basketball, but the reasons that you have given do not give you any direct bearing towards claiming the title. We can also consider ourselves champs under similar circumstances.

We accept your challenge and agree with you in having a four team tournament at your Second Anniversary. The Stalwarts' basketball team is looking forward to having the Little Forts, the Lincolnites, the Mohawks, and the Stalwarts participating in your contest as they have not heard thru the medium of the Prosveda of any other teams capable of entering in your tournament.

If such arrangements can be made, the Stalwarts will motor down to La Salle early Saturday morning, March 24th. In the meantime, I urge every member to give his loyal support to the team by making arrangements to ride down with the different members who have the opportunity of getting cars.

Acquaintance with Integrity.

One of the aims of the SNPJ organization will be carried out when the Integrity Lodge meets the Stalwarts in a willing match here Saturday, April 14th. It will be the first opportunity for the two lodges to form intimate acquaintance and to establish a good will among its members. After the game, the Integrity boys, also girls, if by chance they happen to be along with them, will be given accommodations for the night. Thus, having them stay over with the Stalwart members to celebrate our first anniversary.

I might write a few lines in connection with our play which will be presented on our first anniversary. The play, "Lottery Man," is being directed by two young congenial girls, Vera and Vera Watkins, who have recently graduated from high school and who have great possibilities of being dramatic instructors. Thus far, the players have already learned all of the three acts and all that needs to be done now is to polish up on the techniques of dramatics, which remains to be accomplished thru the aid of the two young directors.

BADGER SECRETS.

By Gussie.

I've snooped and snooped (I should be crowned) Here's the "sops" On what I found — —

I'll start the "razzing" with myself: My poetry is punk My articles are full of wind, A healthy line of bunk.

There's Joe Radel, our "Praxy," A wonderful lad is he He runs our meetings like a clock He's popular as any fellow could be.

Here's a line to Marion Her last name is Marau She surely is a lovely girl We all think so, don't you?

A note on Johnnie, Marion's brother, Handsome and handsome is "Jawn," But then you can't tell how he'd be When the moonlight's on the Lawn!

Mary Brenes is spoken for Joe Oblick — the lucky lad, He'll change her name from "Brence to Oblick"

Which wouldn't be half bad!

Jennie Owen and Freddie Pink A dandy couple would be He loves her — emphatically, Let's hope that she loves he.

Always jolly, full of fun — Gloom cannot be found — The party is never dull or drab When Johnnie Oblick is around.

The Stiglitz sisters, Mary and Erna, Good dancers, pretty, coy — Cause a flutter in the heart Of many a love-lorn boy.

Tony Martinak, of accordion fame, A genius we would say, A founder of our Lodge, is he — More power to Tony each day.

Another musician is Frankie Komar, Violinist and singer de luxe, Slovenian songs he loves to sing (He's just new on our books.)

Miss Mary Tratinik, whom we all like, Of boys is rather shy, Get acquainted, Mary—pick "him" out Then sock him in the eye.

That's all there is, there ain't no more, We'll take some more next time. For this poor rhyme, I should be shot And pickled in alkali lime.

Badgers' Activities

By Joe Radel Jr.

Milwaukee, Wis.—I have been wondering what has happened to the Badgers, because the news from them are so rare that it is necessary to get a magnifying glass in order to get all of what there is. Now, what's the reason? I know that it cannot be because there isn't anything to write about. Maybe it's just laziness.

Our trip to Chi. was in all respects wonderful. Our bowling team drubbed the Pioneers so bad that they wouldn't even publish the scores, as is the usual procedure in such cases. (Lack of space forced us to omit the scores.—Editor.)

Johnny Oblick and I wish to thank Mr. and Mrs. Andrew Misko for their hospitality. We hope that you folks come to Milwaukee, so we can get a chance to repay you for the favors. Johnny and I also visited the Headquarters. We thank every one for their sociability. Hope to see you again soon.

Now let's get back to Mil. Although the news from the Badgers is scarce, I have this much to say that their activities in other endeavors more than make up for that. First of all I want to report that an idea that was broached at the conference at Chi. has been put into practice, and that the Soc. Singing and Dramatic Club has organized a glee club composed of Badgers. Furthermore, the lodge is just humming with activities.

We are having a private Party, "Domack zabava," on March 24th, at Tame's Hall. We're not going to coax you much about coming, because if you miss it, it'll be your hard luck, not ours.

The admission is especially favorable to the ladies, so we should not want for girls to dance with. Wherever you go, you have to pay 50c to go to a dance, and here you are going to get drinks and eats to go with it.

As for music—leave that to Tony M. & F. K.

Now to get back to some more bowling. The Little Forts invaded our fair state, with the hope of defeating us. But Dame Nature has willed that they, too, must submit to the Badgers what rightfully belongs to them.

The Badgers are going to take over the town on May 5th. We are going to celebrate our second anniversary on that date and, boy, things surely are going to hum in the old home town that day.

I want to advise all outsiders that we expect you up here for that date, because we are again going to have a two-day celebration, meaning that Sunday, May 6th, is the day of the Conference of the JSZ and the Allied Lodges. So the delegates that are coming to the Conference will do well to attend our dance on May 5th, and also the dance the following day that is given by "Naprej." You are thereby assured of a hilarious good time. Preparations are in full swing and we intend to have a record breaking crowd.

You'll hear more about this by and by, so prepare for the best.

Badgers, let's have more articles in Prosveda. Why not? Look who's all on the Publicity Committee—Louis Glavan, the sheik from Aurora, Minn., Mary Martinak. I'd like to say more about you, but it would look rather suspicious. Gussie Ermene, our old standby; Tony Martinak, well, he's not what you would call good, he's better. And I mustn't forget — myself. So with such an array of pen artists there's no reason why we can't get the editor's goat. (Excuse me.)

Before closing I want to remind you once more that our "Domack zabava" takes place on March 24th. Ladies 50c, gent's \$1. Eats and drinks and dancing worth \$10 to any one who attends.

Joe Radel Jr.

Encouraging News from Headquarters

We just received 83 (Eighty-three) applications for Juvenile department from Bro. Ivan Simik, secretary of local Lodge No. 383, of Miami, Arizona. All 83 candidates were admitted into the lodge in February. Get on the job and try to beat that record!

Another English speaking lodge will be added to the list of SNPJ lodges. Brothers Rudolph F. Zakely and Stephen Basen of Akron, Ohio, are organizing a new English speaking lodge in their city. We know they will succeed, because they know how to do it! We hope they find more followers. Who is next?

The actuarial report for 1927 shows solvency of 109.391%, towards 107.875% for 1926, or an increase of 1.516%. The solvency of SNPJ is now 9.391% over and above the statutory requirements.

CUPID ON THE HILL.

Up, upon the hill, Waiting for a thrill, Oh, you who, you don't know me, Oh, wait until you see Me up upon the hill.

Up, upon the hill, Oh, waiting for you still, When you know it's me, You'll jump across a tree, To get up upon the hill. Just "Cupid," I. M. Yara.

Become a Member Today!

Collinswood, Ohio.—Many people are not in favor of a benefit lodge as they ought to be. I visited a "prospector" during our last campaign and thought I might get him to become a member of the SNPJ, seeing he was not insured. But it was all in vain. I persuaded this young man and I talked and talked, but it was all in vain. He said, "Cost of living is high, we have rent to pay," etc. But I told him the money went one way or the other. He wouldn't listen.

About three weeks later this young man was taken sick. He had no benefit and the bills were piling up. The doctor told him his time was short, and, oh, what a feeling his wife had.

Just place yourself into this young man's shoes and think. There were a few to give a helping hand now and then, but that didn't mean much. I tell you one and all that this young man saw the fault for not becoming a member of the SNPJ, as he knew he could not get well. Finally death overtook him and there was his wife, a baby boy about four months old, and, oh, what suffering! His wife picked up everything she had and went home to her folks. When she arrived, her people were not able to keep her as they were very poor; they lived on a farm. She suffered and now the only help is charity. You all know what charity help is.

If her husband would have been a member of the SNPJ, this young lady would not have to suffer. I wish to say this that those that are not members of any benefit lodge should open their eyes and become members of the biggest and best organization of this kind in the world—the Slovene National Benefit Society.

I could cover a full page if I were to tell you all of this story, but all I state is just one example, as it were my actual experience. Wait not till tomorrow, but become our member today! One of the 3 Horsemen of Strugglers.

LET'S ORGANIZE YOUNG SNPJ BRANCHES!

Akron, O.—Ever since the Young SNPJ was organized, I always wanted to take an active part and help build it up. But circumstances were against me. I have done very little towards it. There were several announcements in Prosveda, that our Supreme Officers are going to make an announcement in the near future, in regards to enrolling more new members into our English-speaking branches. Personally I would like to suggest to our Supreme Officers and to the members of the SNPJ, to enroll more new members; we must first organize more English-speaking branches. There are some six hundred or more branches in our great organization; we should have as many English-speaking lodges at the least. If officers and members of our senior branches would take an interest towards organizing English-speaking branches in their respective localities, with help and advice from our Supreme Officers, this would be possible.

I am somewhat acquainted with Pittsburgh, Pa., and vicinity. Pittsburgh is thickly populated with Jugoslavs, and they have no English-speaking branch in that city. McKeesport, Pa., another large city with a senior lodge, with a membership which runs up in the hundreds, they have no Young SNPJ; Sharpsburg, Millvale, Monaca, Woodlawn, McKees Rocks and Allequippa, are on the SNPJ roster. And these large towns are thickly populated with Jugoslavs. Not one of these towns have a Young SNPJ branch. If officers and members of above branches would take an interest in their young members and their friends, branches could be organized without difficulty. There are hundreds of large towns throughout the United States, which are in the same situation as Pittsburgh and vicinity. Again I say, first, more Young SNPJ branches, and then a campaign for members.

S-U-C-C-E-S-S

Cleveland, Ohio.—Success, S-U-C-C-E-S-S. It means many things! To the professional man it means winning a place of prominence in his profession. To the business man it means to expand his business, year in and year out. To the rest of us it means getting ahead in our own line of life.

There are many elements necessary if Success is to be won. Knowledge of one's work is very essential. This means work and plenty of it. You must have willingness to work hard to gain success. A man may be smart and have a fine education, but if he lacks quality to battle for success, he is lost before he starts. No one can say he is successful, until he becomes a member of the SNPJ—the biggest and best benefit society in the world.

A true member or a successful member never lets his dues slide by. Falling behind in paying your dues is just like refusing your benefit. In plain words, benefit lodge means "We help you when you can't help yourself." You all heard this saying: "Sunshine of the Heart is peculiar. The more you give to others, the more you have for yourself." This goes to show that the one big reason why the SNPJ is growing larger day by day.—(Continued on page 5.)
