MLADINSKI ROMAN

SPISAL

GUSTAV ŠILIH

Predstavnik: Dr. Miloš Vauhnik

(Nadaljevanje)

Ta podjetna, za vse prigode sprejemljiva družica se je čez dva dni s prazniti žepi preverjala pri trškem vodnjaku, ugibajoč, ali bi vključ rani uri ne kazalo iti spat. Preden pa je padla odločitev, jih je prestrel Lovrek, sit neplodnega čakanja, in jih je vnovič navdušil za veselico. Prebrisani fantje so pustili toliko hitreje pridobiti, ker so nekako slutili, odkod in čemu Lovrekovo prizadevanje.

Po nekaj dneh, izpolnjenih s pogostim tekanjem iz Zalesja v Razbor, kjer so dozoreli končno veljani sklepi, so se zbleščali na zidovih in poltovih dolinskih naseljih veliki lepaki, vabeči k narodnemu zboru na romantičnih gradiških razvalinah, staroslovenskih slovenskih tleh, kamor naj se zgrnejo narodnjaki, kakor njega dni, ko je bil naš narod "na svoji zemlji svoj gospod."

To, nekoliko votlo doneče, po preizkušenih vzorcih sestavljeno besedilo je izzvalo v nemških, slovenskim težnjam neprijaznih novinah ploho strupenih napadov, ki so opozarjali na nameravano oskrumbo častitih nemških starin, šele nedavno popravljenih z deželnim, tedaj z nemškim denarjem. In "Volkische Wacht" je ponovila svojo staro zahtevo, naj se sedanja lastnica brezobzirno razlasti, Gradišče pa izroči v upravljanje "Sudmarki," za služnemu društvu za ohranitev nemške kulture in nemškega življa na ogroženih tleh "južne marke."

Radi teh izlivov narodne nestrpnosti je zadobila nepomembna, v glavah razposajenih dijakov vznikla in od Lovrekovega hrepeneja pogon dobivajoča veselica pomen občenarodne zadeve ter je obetala postati tabor dolinskega slovenstva. Res je, da

bi se bili previdni starini najrajši zadovoljili s papirnatimi ugovori, prireditve samo pa junaško opustili, toda morali so se ukloniti upornemu duhu mladine, ki je občutila grožnje in zahteve neznatne peščice Nemcev in narodnih odpadnikov kot nezaslišano nesramnost. In to ni bila samo dijaška, nego tudi kmetska mladina, ki se je nedavno izogibala škriccev, ki pa je zdaj, najbolj po Lovrekovi zašlugi, vsa razgibana in z navdušenjem sodelovala pri iveseličnih pripravah.

In ko so v soboto zvečer zargmeli topiči, na vrhovih zagoreli kresovi, proti zvezdnemu nebu se v svetlih lokih pognale rakete, je občutil najpreprostejši dolinčan, da pomenijo odgovor tujcem in njihovim plačancem: to je, naše, tu smo mi gospodari! Miklausinovi ljudje so ves teden napovedovali kaznovani pohod nemških mestnih telovadcev, kar je obči odpor še povečalo. Za neverjetni primer tolike drznosti pa so dijaki in kmetski fantje natihioma postavili posebno stražo, ki je že ponoči obkolila prireditveni prostor in ga budno čuvala. Iz umevnih razlogov pa ni bilo o napovedanih masčevalcih užaljenega nemštva duha ne sluha.

V nedeljo so se zgrinjale nepregledne množice na Gradišče, zasedle preprosto zbite klopi in mize na veselilnem prostoru, ki

se je raztezal po vsem grebenu, in se s smehom, s krikom in vikom prerivalo med šotori in plešičem. Na odru so nastopili razni govorniki, katerih k sreči kratkim izlivom so sledili burni kliki odobravanja, dekleta so raznašala šaljivo pošto in prodajala cvetje, ki so ga bile v zvrhah njih košarah prejemale od Lovreka, dijaki so predvajali šaljive prizore, pevski zbori so izmenoma prepevali umetne in narodne pesmi in poskočna godba je valila lahkonogo mladino k veselumu rajanju: vsepovsod je bilo vrtanje in gibanje, smeh in vzklikanje. Šotori zvoki so v pestri mešanici poletavali v dolino.

Lovrek je bil sprva nekoliko razočaran. Vprežen v gostilniško delo, je tičal v kleti, kjer sta z Janezom brez prestanka natakala vino in ga oddajala nepočakanim natakaričam. Gostilna je bila namreč prevzela prodajo toplih jedil in vina, točenje piva je bilo odkazano gospej Skalovnikovi, mrzla jedila, pečivo in slaščice pa je razpečeval veselični odbor sam. Proti večeru, ko je bilo sicer še vedno mnogo dela, a je glavni naval že nekoliko popustil, Lovrek ni več mogel vzdržati. Z jalovim izgovorom je prepustil točenje Janezu in se po ovinkih ukradel k cvetličnemu šotoru, kjer je slutil Vido. Dekleta so se pravkar razhajala, da se zaženejo v plesni metež.

"Ali plešete?" so ga vabile, in ko je Lovrek obžalovaje odkimal, so smehoma odrbrzele.

V njegovo veliko zadoščanje je Vida ostala, češ, da je za ples preveč utrujena. Pa naj ji nekoliko razkaže veselični prostor. Srečna in razigrana, kakor dva velika otroka, sta se sprejavljala naokrog, ne meneč se za začudene, muzaajoče se ali celo zlovoljne poglede, ki so ju spremljali. Nato sta se vrnili v prazni cvetlični šator, kjer sta se nemoteno, toda neprestano opazovana živahno razgovarjala.

Deklica se je čudila fantovi izobrazbi.

"Mnogo več znate kakor jaz. Ali ste hodili v srednjo šolo?"

"Nisem, toda mnogo čitam in se rad učim. Imam precej veliko knjižnico, ki jo po svojih močeh izpopolnujem, kakor mi je nasvetoval gospod Urbančič, moj dobri učitelj."

"O, to mi morate pokazati! Knjige imam tako rada!"

"Če želite, takoj!"

Razgovarjaje se sta se prerila k hiši, iz katere so sredi pravčatega sejmskega vrvenja nalik čebelam tekale s krožniki obložene natakariče. Preden pa sta se utegnili prebiti skozi gnečo, ju je pred vrati ustavil Vidin brat Zoran, vase zaljubljen visokošolec, ki je z mrkim obrazom in srditim glasom zaklical sestro, češ da ji mora nekaj povedati.

Lovrek se je obzirno umaknil na stran, ali že v prvem hipu je začutil, da mu je Vidin brat sovražen in da ga prezira. Ta nejasni občutek so mu potrdile nevljudne besede mladega dijaka, ki je tako slabo dušil svoj glas, da so ga zlahka slišali vsi v bližini se nahajajoči ljudje.

"Ali se ne sramuješ? Ves večer se razgovarjaš z navadnim Dobrodočar, dolgo obstoječa zlata mina

Ljudje že s prsti kažejo za teboj, goska neumna! Takoj k mami!"

Deklica je prebledela, kdo ve, ali od jeze ali od sramu, in se s povešeno glavo obrnila k Lovreku.

V blag spomin

ob prvi obletnici odkar je umrl naš ljubljani nepozabni soprog in oče

FRANK DEBEVEC

Zatisnil je svoje mile oči 9. nov. 1950

Kako pozabit' to gomilo, kjer blago Tvoje spi srce, ki nam vedno vdano bilo je do zadnjega dne.

Zalujoča soproga Mary in otroci

Cleveland, Ohio, dne 9. novembra 1951.

Naznanilo in zahvala

Z žalostnim srcem naznanjam vsem sorodnikom, prijateljem in znancem, da je preminila nad vse ljubljena soproga, mati in sestra

Frances Markich

Blagopokojnica je podlegla dolgotrajni bolezni dne 11. oktobra 1951. Pogreb se je vršil dne 15. oktobra iz Zakrajškovega pokopnega zavoda na pokopališče Whitehaven, kjer smo njeno truplo položili k večnemu počitku.

Pokoja je bila doma iz vasi Trnovo pri Ilirski Bistrici na Notranjskem. Stara je bila 77 let.

Tem potom se najlepše zahvaljujem vsem, ki so položili krasne vence in cvetlice pokojnici v zadnji spomin. To mi je bilo v veliko tolažbo v dneh žalosti in dokaz, da ste pokojnico spoštovali.

Najlepša hvala vsem, ki so prišli pokojnico pokropiti, ko je ležala na mrtvaškemu odru, ter vsem, ki so dali svoje avtomobile na razpolago pri pogrebu, kakor tudi vsem, ki so pokojnico spremili na njeni zadnji poti na pokopališče.

Hvala lepa pogrebcom, ki so nosili krsto. Enako iskrena hvala članicam društva Svob. Slovenke št. 2 SDZ in krožka št. 2 Prog. Slovenk, katerih je bila pokojnica članica, za ganljive govore ob krsti ter za spremstvo do groba.

Lepa hvala tudi pogrebemu zavodu Frank Zakrajšek in sinovi za vzorno voden pogreb in vsestransko najboljšo postrežbo.

Bodi vsem, ki so mi stali ob strani v času boleznij pokojne, jo obiskovali in tolažili, ter bili mi v pomoč na en ali drugi način v dneh smrti, izrečena iskrena zahvala.

Ti pa, preljubljena soproga, mati in sestra, počivaj v miru v svobodni ameriški zemlji. Spavaj mirno, sladko spanje po prestatem trpljenju, spomin na Tvoje dobro srce si pa ohranimo v naših srcih do konca naših dni.

LOOK FOR THE SIGN

A preliminary study of the fluoroscopic X-ray shoe fitter machines in use in the City of Cleveland was made by the Bureau of Industrial Hygiene in April and May, 1949. The purpose of the study was to test and determine the amount of X-radiation to which the customers and the shoe clerks were being exposed. Of 132 machines known to be in Cleveland, 95% were found defective at the initial visit.

Through the cooperation of X-ray machine manufacturers and shoe store managers, 95% of the same machines have been corrected to meet the requirements prescribed by the municipal and national codes for safety protection.

Overexposure or cumulative exposures to excessive X-ray may damage the reproductive organs, the bone marrow or the skin which was exposed. As X-rays cannot be seen or felt, damage usually results without the person realizing it. The most important and the only preventive measure is—AVOID OVER-EXPOSURE.

Guide for Using X-ray Shoe Fitting Machines

Do not exceed 5 such exposures in any one day, and not more than 20 per year.

Look for the following sign on every machine you are going to use. This sign is placed on

Women's Services Seek 72,000 Volunteers by July

Openings for more than 9,000
new officers are among the
many opportunities that nine
women's services of the Army,
Navy, Marine Corps and Air
Force have to offer the 72,000
volunteers they hope to recruit
by next July. Lt. Moeckel, Cleve-
land recruiting officer said to-
day.

Cleveland Recruiting Officer
for WAC and WAF reminded
prospective volunteers that Mrs.
Anna M. Rosenberg, assistant
Secretary of Defense, in her ap-
peal, emphasized the factor of
service, one in which women 18
to 34 would be particularly
adaptable. Other primary re-
quirements for volunteers is
that they are high school grad-
uates and that they have no
dependents under the age of 18,
the recruiting officer said.

1st Lt. Viola Moeckel, WAC
WAF Procurement Officer, in a
follow-up of Mrs. Rosenberg's
appeal for the volunteers, today
invited Cleveland women to visit
the recruiting office for full in-
formation about the opportuni-
ties for services offered by the
Armed Forces.

The recruiting office is at the
Federal Building, Room 107,
Cleveland 14, Ohio.

For rapid inoculation of large
groups with vaccine an antibi-
otics a multiple dose injector ap-
paratus shaped like a pistol is
being used. The "shot" is forced
through the skin by a high pres-
sure jet. The medicine penetrates
the skin leaving little or no mark
on the arm.

The Army now has a special
mechanical device for lifting
wounded soldiers into planes. Re-
sembling a giant arm, it swiftly
lifts the patient into the plane.

The British now have in pro-
duction a multijet bomber, the
Vickers 660, which will form the
backbone of the R. A. F. It is in
the 600 m. p. h. class and is
powered by Rolls Royce Avon
jet engines.

Program Marks 40th Anniversary

St. Ann's Lodge No. 4 SDZ,
will mark its 40th anniversary
with a program at the Slovenian
National Home, St. Clair Ave-
nue, this Sunday, November
11th. A play will be presented
at 3 p. m. A cordial invitation is
extended to all!

THANK YOU!

Singing Club Adria would like
to thank everyone who attended
our concert and dance and help-
ed make it a successful affair.
We hope you were not only en-
tertained by the program in the
afternoon for we tried to pre-
sent a varied and interesting
performance, but also that you
had enough delicious refresh-
ments and took part in the danc-
ing in the evening to the music
of the two orchestras. Just to
mention a few of our friends
who were seen at the concert,
Glasbena Matica, Club Triglav
from the West Side, Club Pla-
nina from Maple Heights, the
people who traveled from Bar-
berton and Lorain, the couple
from Chicago, Club Jadran well
represented at the dance. We
would also like to take this op-
portunity to express our grati-
tude to all the people who were
so wonderful in contributing
their time and labor in helping
us with the many jobs. Many
thanks to the friends of Frank
Ilersich who did such a swell
job behind the bar, to the cooks
Jenny Trennel and Jenny and
Milka Perko, to Club Slovan for
their willingness to pitch in
wherever they were needed, to
Mr. Fred Martin, to Mary Jane
Milavec and her girlfriend Elsie,
and especially to two of our
members, Johnny Okicki and
Joe Samsa who played with the
orchestra in the lower hall. And,
I must not forget to mention our
teacher, Mr. Anton Schubel, who
has donated much of his own
time for us.

This affair is now a pleasant
memory for most of you and al-
ready Adria is planning future
events for your enjoyment. On
Saturday, November 24th will
be held the next doing, our Tur-
key Hop Dance, at the usual
place, the American Yugoslav
Hall, with music by the popular
Johnny Vadal. Dancing will be-
gin at 8:30 and will last until
the morning hours and there
will be plenty of food and re-
freshments.

As you can see, Adria is a so-
cial as well as a singing club
and you may have heard of the
many good times had by the
members throughout the year.

It is a club composed of young
people and the one major re-
quirement necessary to join is
that you be prepared to have a
lot of fun. You may be thinking
that you aren't interested in the
refined and cultural songs sung
on stages but if you heard our
concert you know that a great
number of our selections are
common songs familiar to all
and sung by everyone. Rehear-
sals are held each Wednesday at
8:00 at the AJC hall, and we
would like to welcome you into
our group. So, may we see you
at our next rehearsal?

—Doris Pike, Sec'y
