STEV. LXIV — VOL. LXIV

Ubogi demokratski kandidati v Ohio

Za nekatere bo boj odločen že v maju pri primarnih volitvah, drugi se bodo merili odločilno šele v novembru z republikanci.

CLEVELAND, O. — Marsikateri demokratski kandidat v našem okraju Cuyahoga je z mešanim občutkom pričakoval sejo okrajnega demokratskega odbora, ki se je vršila v sredo zvečer v hotelu Statler-Hilton. Odbor je namreč ta dan sklepal, koga bo uradno podprl kot kandidata. Ker je bilo pa kandidatov veliko več, kot je mest na razpolago, je bilo za odbor težko, da se odloči, koga smatra za dobrega kandidata. Zato je z njegovimi sklepi zadovoljna samo manjšina kandidatov, dočim se je znašla večina, ki ni našla milosti pri odboru, ta teden v težavnem položaju. Vsakdo, ki ni uraden kandidat, ne more računati na strankino podporo in se mora zanašati samo s tem, da sobote odpove svojo kandidaturu. To je bil tudi razlog, zakaj je okrajni odbor o tem predmetu sklepal 3 dni pred odpovednim rokom, ki poteče v soboto. Da tisti, ki so pri odboru propadli, ne bodo držali jezika za zobmi, si lahko mislimo. Nekateri so se že oglasili, drugi se še bodo, le redki bodo molčali in se — odpovedali kandidaturi. Junaško se bodo pa obnašali, ako bodo pri volitvah agitirali za tiste srečne tekmece, ki imajo strankin blagoslov za kandidiranje.

Lahkega dela nima tudi državni demokratski odbor v Columbusu, ki bo začetkom prihodnjega tedna odločal, čigavo kandidaturu naj uradno podpre. Uradno bi na primer skoraj moral podpreti kandidaturu demokratskega Reamsa za mesto guvernerja. Oglasili so se pa že prijatelji kandidata McEllwaina, ki bi tudi rad postal uradni kandidat demokratske stranke za guvernersko mesto. Zahtevajo od odbora, naj ne priporoča ne Reamsa ne McEllwainove kandidature. Zdi se pa, da bo večina za Reamsa.

Reams se pa tudi že obnaša kot kandidat. Na shodih, ki jih prireja, trdi, da je pridobil podporo predsednika Humphreya, da bo prišel zanj agitirati v našo državo. Johnson sam se po tradiciji verjetno ne bo vmešaval v primarne volitve.

Bombniki B-52 manj primerni za napade na Severni Vietnam

WASHINGTON, D.C. — Vodniki ameriških oboroženih sil so prišli do zaključka, da strateški bombniki B-52 niso posebno primerni za napade na Severni Vietnam. Ker lete sorazmerno visoko, bi bili kar odlični cilj za protiletalske rakete, ki so jih darovali Rusi Severnemu Vietnamu. Te so veliko manj učinkovite proti nizko letječim manjšim ameriškim bombnikom z letalno nosilcem in letališčem v Južnem Vietnamu, oziroma na Tajskem.

John Mihalus
Sinoči je umrl v Women's Hospital 79 let stari John Mihalus, ki je živel pri svoji hčerki Ann na 1115 E. 72 St. Zena Anna mu je umrla 1. 1963. Pogreb bo iz Zeletovega pogrebn. zavoda na St. Clair Avenue.

Volivni davek ni ustaven

AUSTIN, Tex. — Mali senat zveznega sodišča je soglasno odločil, da volivni davek, ki je v državi Teksas v veljavi 64 let, ni v skladu z ustavo, da je torej nezakonit. Ta nezakonitost ne velja samo za vse zvezne volitve, ampak tudi za vse državne in krajevne volitve vseh vrst.

Za letošnje leto je bilo treba volivni davek plačati do 31. januarja, kdor ga ni plačal, bi po starem predpisu ne imel volivne pravice. Proti staremu predpisu je vložil tožbo na zvezno sodišče zvezni pravosodni tajnik Katzenbach v zvezi z določili zakona o volivni pravici iz leta 1965.

Ta odločitev zveznega sodišča bo imela vpliv na vpis v volivne imenike. Nove predpise bo morala izdelati državna zakonodajna. Guv. Connally k odločitvi zveznega sodišča še ni zavzel stališča, ker hoče preje proučiti njegovo pravno osnovo. Lahko se še vedno pritoži na Vrhovno zvezno sodišče, če noče omenjene odločitve priznati.

Peiping ima svoje preste v organizaciji demonstracij

NEW YORK, N.Y. — Tako vsaj misli Morris Wills iz West Fort Ann, N.Y. — Mož ima za seboj čudno zgodovino. L. 1950 je bil vojak v Koreji, je prešel na komunistično stran in preživel celih 12 let na Kitajskem. Lani se je spokoril in se vrnil domov. Sedaj pripoveduje, da je imel v Peipingu priliko, da je vsak mesec enkrat govoril s tujci, ki znajo angleščino.

Prenašajo navodila in poročila iz Peipinga po svojih kanalih v Ameriko in tako za kulisami vodijo prikriti ameriške komuniste in jim dajejo nasvete, kako organizirati demonstracije. Morris trdi, da se kitajski komunisti najbolj zanimajo za ameriške študente in profesorje. Za ostale stanovce jim ni dosti. Od njih je Morris tudi zvedel, da imajo svoje zaupnike na vseh večjih ameriških univerzah.

Dogovor v Honolulu bo ovira k premirju?

Tako sodita predsednik zunanje političnega odbora senata Fulbright in bivši poslanik G. Kennan.

WASHINGTON, D.C. — Telekom včerajšnjega zasliševanja v zunanje političnem odboru senata je bivši ameriški poslanik v Sovjetski zvezi in v Jugoslaviji George Kennan dejal, da bo po njegovem sporazumu, ki je bil sklenjen v Honolulu na Havajih, ovira k sklenitvi premirja v vietnamski vojni. Dogovor naj bi izključeval vsako popuščanje Osvobodilni fronti in obvezal Združene države, da pomagajo vladi v Saigonu uničiti komunistične upornike.

Kennan je izrazil močan dvom v resno voljo vodnikov Južnega Vietnama za izvedbo socialnih in gospodarskih reform, ki naj bi pridobile za saigonsko vlado podedelno prebivalstvo. To se sedaj drži večinoma ob strani ali podpira reče.

Skoraj enako stališče je zavzel načelnik odbora sen. Fulbright, eden znanih kritikov vladne politike v Vietnamu.

Ko je Kennan povedal, da bi bilo veliko lažje doseči kak kompromis z rdečimi, če bi Združene države ohranile proste roke, namesto da so se v Honolulu vezale, je dejal, da bi bilo najbolje, če bi Združene države skupale s sedanji silami, ki jih imajo v Vietnamu, držati rdečih v šahu tako dolgo, da bi se ti ne odločili za razgovore o končanju vojne. Je pa proti vsaki razširitvi vojaškega napora v Vietnamu, ker bi to "oslabilo ameriško obrambo" v drugih delih sveta.

Luna našla svoje zagovornike v iranskih pesnikih

TEHERAN, Iran. — Ves svet je bil zadovoljen nad ruskim uspehom, ko je Luna 9 srečno pristala na Lunini površini. Edini, ki so bili razočarani, so iranski pesniki.

Na svojem zadnjem sestanku so glasno protestirali proti temu, da bo delo človeških rok oskrnilo Luno, ki je bila tisočletja domaćina za človeške ideje, pa tudi simbol sreče, miru in samote. Iranskim pesnikom bo sedaj treba preseliti svoje sanje na kako drugo nebesno telo. Izbrali ga še niso. Ker živijo v Aziji, bodo morda o tem premišljevali kakih 1.000 let.

Johnson pripravlja nov načrt za preganjanje lakote

CLEVELAND, O. — Koncem junija bo prišel ob veljavo zakon št. 480, ki je dajal federalni administraciji pravico za izvajanje ameriških deželnih pridelkov, kar jih nismo potrošili doma, v tiste države, kjer primanjkuje hrane. Za izvoženo hrano smo le izjemoma dobili plačilo na običajen način, največkrat pa ga sploh nismo dobili. Zakon je dajal vsakokratnemu predsedniku možnost, da je izvoz hrane rabil tudi za politične namene. Izvoz hrane na primer v Indijo ali Jugoslavijo je imel predvsem politične cilje pred očmi.

Seveda so od izvoza imeli dosti direktne in indirektno koristi tudi naši farmarji, ker so federaciji lahko prodajali svoj pridelok po visokih cenah. O tem smo na tem mestu že velikokrat pisali. Farmarji seveda niso prav nič zainteresirani, da bi z

SANTO DOMINGO ZOPET V IZGREDIH IN NASILJU

Izgredi in demonstracije, ki so jih začeli levičarski študentje v sredo, so se včeraj nadaljevali. V sredo je bilo mrtvih 7 oseb, med njimi dva policaja, včeraj pa znova dve, en policaj in en študent.

SANTO DOMINGO, Dom. rep. — Ze od lanske spomladi skrbje v Dominikanski republiki za mir in red čete Organizacije ameriških držav, predvsem čete Združenih držav. Začasni predsednik Garcia-Godoy se prizadeva, da bi ustvaril red in mir ter pomiril duhove, kar je vse potrebno, predno je mogoče izvesti splošne volitve in vrniti državi redno ustavno vlado.

Spravil je iz dežele vojaške vodnike upornikov in tudi nekatere visoke častnike z "vladne" strani. Sedaj so začeli izzgredi študentje, ki hočejo priznanje svojega odbora in obnoviti podporo univerzam, ki je bila ukinjena lani v oktobru. Pri nemirih in izgredih v sredo je bilo 7 oseb mrtvih, med njimi dva policaja.

Demonstracije so začeli levičarski študentje

Vzroki za sedanje demonstracije in izgrede naj bi bilo upiranje desničarskih vojaških vodnikov predsednikovemu ukazu, da gredo na razne diplomatske položaje v tujini. Levičarski vojaški vodniki, ki so stali na čelu lanskega upora, so se predsednikovemu ukazu že pokorili. Povod za demonstracije je bila zahteva levičarskih študentov, da vlada vrne podporo univerzi, ki jo je lani ukinila. Ta to zavrača, ker je nova študentska organizacija pod izključnim nadzorom levičarjev.

Amerika je dobavila Izraelu Patton tanke

WASHINGTON, D.C. — Zahodna Nemčija in Izrael sta se sporazumela še oktobra 1964, da bo Zahodna Nemčija dobavila Izraelu za okoli 80 milijonov dolarjev vrednosti modernega orožja. Del tega orožja je bil izdelan v Ameriki in je Amerika dala Nemcem dovoljenje, da ga prodajo Izraelcem.

Ko je prišla ta kupčija na dan, je silno razburila arabski svet in Nemčija je zaradi ljubelega miru odklonila izpolnitev zadnjega dela dogovorjenih dobav. Izrael se je končno dogovoril o dobavi modernega orožja, ki smatra, da ga more imeti, če naj ohrani ravnotežje sil v oboroževalni tekmi z arabskimi državami, neposredno z Združenimi državami. Med drugim orožjem so Združene države dobavile Izraelu tudi težke tanke vrste Patton.

deracija bo seveda trdila, da se to ne bo zgodilo, toda borbe bodo hitro povedale, da se moti.

Novi sistem bo čisto gotovo pomenil nove večje izdatke za federalni proračun. Načrt menja predvideva za prvih pet let po \$3.5 milijona na leto. V začetku ne bo torej z novim sistemom več stroškov kot z dosedanjim. To pa je le pesek v oči.

Naša federalna politika se je namreč že kar navadila, da začne prodajati vsako novo idejo za majhen denar, z leti pa stroški rastejo, pa še kako! Vse to bo s seveda praviloma ne bodo imeli dolarjev. Tu pa naj začne pomagati federacija: lahko sama nakupi pridelke in jih prodaja na tuje, lahko pa tujim kupcem preskrbi primerna posojila za nakupe.

Ze ti površni podatki dovoljujejo par sklepov: Novi sistem bo čisto gotovo podražil hrano v naši deželi. Federacija bo seveda trdila, da se to ne bo zgodilo, toda borbe bodo hitro povedale, da se moti.

Spoznaj samega sebe

Preteklo nedeljo je imel pisatelj Karel Mauser v Clevelandu predavanje, v katerem je skušal razčleniti notranje razmere v slovenski izseljeniški skupnosti. Predavanje je bilo tehtno, predavateljeva opažanja in razčlenjevanja splošno veljavna in važna za vso skupnost. Tu objavljamo uvodni, splošni del tega predavanja.

Že lani smo imeli vrsto predavanj, ki so se izkazala za potrebna, da ne rečem, naravnost za nujna. Vse predolge smo v naši zdomski slovenski skupnosti odlašali z iskrenim odkrivanjem preteklosti. V nas je bilo vse pre malo resnega izpraševanja vesti in vse premalo načrtnega zgrajevanja samega sebe. Brez neke vrste duhovnih vaj človek duhovno otopi. Idealizem se osuši. In v človeku ostane samo še golo zunanje ogrodje, da potem vodnjak sodi po lepem okrasju, ne pa po njegovi globini, po čistini in svežini njegove vode.

Stara gesla se prej ali slej obrabijo, pa najsi so bila nekoč še tako nova in moderna. Čas se spreminja; prinaša kar naprej nova odkritja; pojavljajo se novi tokovi, nove misli. Vse to je sicer nadaljevanje starega, pa konec koncev vendar novo, z dodatki, ki jih nekoč nismo poznali.

So ljudje na svetu, ki se krčevito drže vsega, kar je staro; kakor da je v novem vse narobe in vse napačno. Pomislimo npr. samo na zadnje cerkvene spremembe v liturgiji. Koliko negodovanja je bilo, ker moramo vstajati in sedati in skupno naglas moliti v svojem jeziku, kar je prej molil duhovnik sam v latinskem jeziku. Pa je vse kar hitro prešlo in nov način se nam je priljubil. Javno molimo v svojem jeziku. Bolj smo pri maši, kakor smo bili nekoč. In v čem je bil vzrok našega negodovanja in morda celo naše jeze? Odgovor: ker smo bili navajeni gledati samo v maše bukvice in žebriti rožni venec. Oboje je prav in lepo, vendar bistvo maše je za nas v tem, da sodarujemo z duhovnikom, da z njim molimo, da molimo tisto, kar se sv. maše bistveno tiče.

Ni v novem vse narobe, kakor tudi v starem ni bilo vse prav. Toda te resnice se tako težko naučimo; še bolj težko pa se po njej ravnamo. Nekat sram nas je in nerodno nam je, če, recimo, v starem, v katerem smo živeli in delali, odkrijemo napako. Nočemo in nečemo je priznati; po vsej sili jo hočemo pokriti in potisniti vstran; pri tem pa na vsa usta hvalimo samo dobro. V svojem srcu vendar čisto dobro vemo, da na svetu ni popolnega človeškega dejanja; da je v vsakem primestan kanec naše sebičnosti; našega pričakovanja, da nam bo dobro povrnjeno z dobrim; zraven vsega pa še pozabljam na delež naše nepopolnosti, ker smo pač ljudje ter da bomo ostali vse do svoje smrtne ure.

Tudi v našem javnem življenju ni drugače. Tudi v tem smo bili, smo danes in bomo v prihodnosti ljudje. Vodniki narodov ostanejo ljudje, odborniki po organizacijah ostanejo ljudje, kulturni delavci ostanejo ljudje, državniki in politiki ostanejo ljudje. To se pravi: povsod so bile, so in bodo napake, ker so te pač naš človeški delež, ker nihče od nas ni prerok, marveč vsak izmed nas ugiba o prihodnosti; iz takšnih in drugačnih slučajev sklepa na tak in tak konec in na tak in tak uspeh. Nes pametno je tedaj govoriti: če bi takrat naredil takole, pa bi stvar imela tak konec. Morda bi ga v resnici imela. Toda v človeškem javnem življenju še vedno velja tisti naš preprosti ljudski rek: Ko bi bil vedež, bi ne bil revež. Gledati iz sedanjosti v preteklost, je kaj lahko; gledati iz sedanjosti v prihodnost, je pa opravilo, ki ga človek more opraviti samo po človeško, se pravi, z dobro voljo, vendar pa z napakami, pomanjkljivostmi in nerodnostmi, ki so človeški delež.

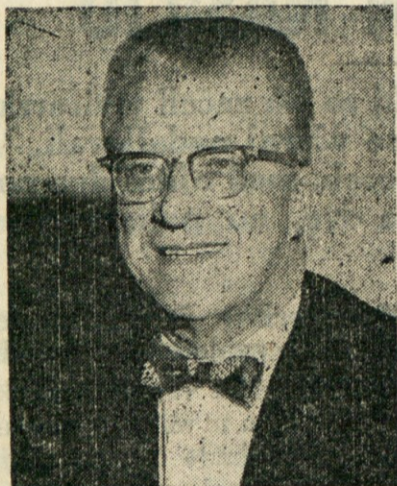

Kdo bi ugnel torej reči: potem pa pustimo preteklost na miru; pokopljimo jo in glejmo samo v prihodnost! To se sicer lepo sliši; v naši skupnosti bi bilo morda celo manj vrenja, če bi se po tem ravnali, vendar pa takšen zaključek hrani v sebi neko nasprotje: Če pokoplješ mrtvo in ne veš, za kaj je umrlo, kako se boš potem v prihodnosti varoval nove, podobne smrti. Prihodnost mora poznati sovravnike, ki ji strežejo po življenju, da ne ponovi preteklosti! Naredila bo sicer nove napake, ne bo pa ponavljala starih. Boljša bo torej; bolj zdrava bo, ker bo imela nekaj napak manj.

Predavanja, katera smo lani začeli in jih letos nadaljujemo, imajo samo ta namen: Učiti se! Učiti se, da pride-mo izza starinskega obzidja strahu, ki največkrat temelji v naši sebičnosti; ter da se pomerimo s svojimi slabostmi iz preteklosti na ravnamo. Samo ta način je zdrav; samo s tem načinom bomo prišli do tega, da bomo začeli uvidevati, da ni delal napak samo naš sovravniki; da smo napake delali tudi mi sami. Ne moremo namreč biti večno otroci, ki vale krivdo za napake drug na drugega. Svetnikov na tej zemlji ni. Kar pa jih je, jih imamo za bedake. Še vedno se nam zdi, da je glavna obramba resnice vihtenje mečev,

vpitje in pretiravanje. Moč resnice pa je v tihem prodiranju, v iskanju in razrivanju po sebi, v priznanju svoje miselnosti, v poudarjanju dobre volje, ki jo moramo imeti, in v ponižnem kesanju nad napakami, ki smo jih bili sami napravili. Tako so delali in delajo svetniki in zato jih imamo za bedake, za bojazljivce in za ljudi, ki življenja ne poznajo. Pa ga vendar poznajo mnogo bolj kakor mi vsi skupaj, ker ga pač gledajo pri izvoru: pri sebi.

BESEDA IZ NARODA

Ing. Louis Drasler izbran za "inženirja leta"

Ing. Louis Drasler

CLEVELAND, O. — Organizacija inženirjev v okraju Cuyahoga je izbrala letos za "inženirja leta" našega rojaka, ing. Louisa Draslerja, po vsej deželi znanega graditelja avtomobilskih velecist in od leta 1953 do preteklega meseca direktorja servisov mestne uprave Clevelanda.

Ing. Louis Drasler je bil rojen 21. junija 1899 v Borovnici na Notranjskem, ko so bili njegovi starši za nekaj časa zopet v rodni Sloveniji, kamor so se vrnili iz Združenih držav Amerike. Louis je odpotoval z njimi v Ameriko, ko mu je bilo komaj par let, pa se nato z njimi vrnil v Slovenijo. V Ljubljani je obiskoval skozi pet let gimnazijo na Poljanah, pa moral na hitro zapustiti domovino in oditi s starši decembra 1916 v Ameriko, ko je ameriški poslanik z Dunaja obvestil očeta, ameriškega državljan, da bodo Združene države nemara skoro v vojnem stanju z Avstrijo.

V Ameriki se je s starši naselil v Clevelandu in študiral gradbeno tehniko na znanem Case Institute of Technology. Na tej slavni šoli je diplomiral kot prvi znani Slovenec l. 1922. V naslednjih letih je delal v svojem poklicu na raznih mestih, vendar vedno v Clevelandu ali v njegovi bližini in daljni okolici. Bil je med prvimi, ki so začeli poudarjati potrebo po avtomobilskih velecestah na Srednjem zahodu naše dežele. Bil je skozi 9 let glavni državni cestni inženir za okraje Cuyahoga, Lake in Geauga. Pri gradnji novih velecest je pri križiščih uvedel takozvano deteljico, ki se je v naslednjih letih uveljavila vsepovsod pri križanju glavnih cest.

Vmes je bil v letih 1939 do 1942 pri Works Progress Administration, kjer je delalo pod njegovim vodstvom okoli 90.000 ljudi v 19 okrajih države. Izkazal se je vedno znova tako kot strokovnjak-inženir kot tudi administrator v taki meri, da so ga na vsak način hoteli dobiti v Washington, D.C. Nudili so mu tam razne visoke in dobro plačane položaje, toda Louis je ostal v Clevelandu. Leta 1953 ga je nevolizvoljeni župan A. Celebrezze imenoval kot prvega člana v svojo mestno upravo. Prevzel je vodstvo "Public Services". Na tem mestu je ostal vse do letošnjega januarja in si pridobil s svojo vestnostjo, poštenostjo in sposobnostjo splošno priznanje.

Ing. Louis Drasler živi s svojo ženo Mae, roj. Surtz, na 18412 Neff Rd. na vzhodni strani Clevelanda. Njegov sin Louis, ki je kot oče doštudiral na Case Institute of Technology, je poročen in živi z ženo, sinom in hčerko. Predlogi za odbornike so se začeli in vsak predlaganec je imenovanje z veseljem sprejel.

na Kent State University in se bo v soboto, 19. februarja, poročila z g. Jamesom Shields-om iz Michigana.

Ing. Louis Drasler izgleda še trden in zdrav, četudi ga je pred leti zadela manjša srčna kap, kljub temu je stopil letos v pokoj. Seveda ne misli samo počivati. Pravi, da mu dela ne bo nikdar zmanjkalo in da se človek z delom tudi ohranja čil in zdrav. Zelo rad igra golf.

American Roadbuilders Association je izbrala našega Louisa za svojega direktorja za prihodnja tri leta. Inženirji okraja Cuyahoga so ga izbrali za "inženirja leta". Ing. Louis Drasler pravi, da je to čast in priznanje, ki ga najbolj ceni. Javno mu bo izročeno s slavnostjo 22. februarja.

Uglednemu in splošno spoštovanemu rojaku, prijatelju in narodniku Ameriške Domovine k vsem njegovim uspehom iskreno čestitamo in mu želimo, da bi v zdravju in zadovoljstvu užival svoj pokoj dolgo, dolgo let. V. L.

Občni zbor DSPB

Cleveland, O. — Odbor Društva slovenskih protikomunističnih borcev v Clevelandu vabi vse člane na redni občni zbor v nedeljo, 20. februarja, ob 3. uri popoldne v Baragovem domu.

Z udeležbo na občnem zboru bomo pokazali, da častno izpolnjujemo svoje članske dolžnosti ter da smo vsi pripravljeni pomagati pri načrtih in bodočem delu naše organizacije.

Pelleinica kluba upokojencev v Euclidu

Euclid, O. — Kmalu bo minilo pet let, odkar smo ustanovili Klub upokojencev v Euclidu, O.

Takole je bilo. V slovenskih časopisih smo videli, da bo v Barbertonu, Ohio, piknik upokojencev. Posamezniki smo se zmenili, da se bomo tega piknika udeležili. Dogovorjeno, storjeno. Z vsa vsemno smo šli na delo. V kratkem času smo imeli toliko prijaviteljev za izlet v Barberton, da smo z lahkoto napolnili kar tri naročene avtobuse. Veseli smo se odpeljali in vso pot peli.

Ko smo dospeli v Barberton, so nas tamkajšnji upokojenci zelo ljubeznivo sprejeli in nas odpeljali na pikniški prostor, kjer se je razvila vesela domača zabava s petjem in plesom. Ob koncu tega veselja piknika smo se pristrčno pozdravljali in si obljubljali, da še pridemo.

Po prihodu domov se je nekaterim od nas porodila misel, da bi še v Euclidu, kjer živi ogromna večina upokojencev, kaj takega ustanovili. Tudi tu smo šli takoj na delo. Ze naslednji dan pride k meni Toni Vehar in domenila sva se takole: "Več kaj, France," je dejal Toni, "ti daj v Ameriško Domovino, jaz bom dal pa v Prosveto, boš videl, da najino delo ne bo zastoj."

Tako se je tudi zgodilo. V Slovenskem društvenem domu na Reher Ave. smo prišli prvič skupaj, bilo nas je 43. Zbrali smo se na odru, kar je zaenkrat zadostovalo. Na predlog Toni Veharja smo takoj izvolili odbor. Predlogi za odbornike so se začeli in vsak predlaganec je imenovanje z veseljem sprejel.

Tako je bil odbor z lahkoto izvoljen.

Ko se je vršila prva seja Kluba upokojencev v Euclidu, je bila mala dvorana že premajhna. Zato smo se preselili v spodnje prostore, v veliko dvorano, kjer zbiramo sedaj. Na vsaki naši seji je preko 200 udeležencev in na vsaki drugi seji imamo prigrizek in veselo zabavo.

Klub ima ob svoji 5-letnici nad 500 članov in članic in se upravičeno postavlja s tem, da je največji klub upokojencev. Zato sem srečen, da sem njegov član, in da sem bil med ustanovitelji. Res, zasadili smo lepo drevo, katerega skrbno negujemo in zalivamo.

Te-le vrstice pišem v sončni Floridi in se na žalost ne bom mogel udeležiti 5-letnice, če nam bo dano, bomo pa obhajali desetletnico skupaj. Zelim pa, da bi vsi udeleženci čim boljše praznovali, saj sem prepričan, da bo spored pester.

Kot sem že omenil, ne bom mogel biti ob praznovanju 5-letnice z vami, v duhu bom pa prav gotovo pri vas. Slavje se bo vršilo v nedeljo, 20. februarja, v Slovenskem društvenem domu na Reher Ave.

Zato kličem vsem članom in članicam kluba upokojencev v Euclidu še na mnoga zdrava in vesela leta!

Lepe pozdrave pošiljava vsem iz sončne Floride.

Nagradna maškarada v Kalinrudu

Cleveland, O. — V soboto, 19. t. m., prireja dramatsko društvo "Lilija" nagradno maškaradno veselico s plesom v dvorani Slov. doma na Holmes Ave.

Vprašal sem prijatelja, ki pomaga pripravljati letošnji spored, ali bo kaj posebnega in kaj sploh pravzaprav bo, da bi vedel, o čem naj pišem. Sam namreč ne hodim rad na veselice, ker plesati ne znam, po pijači me navadno glava boli, dima od cigaret pa sploh ne prenesem.

Povedal mi je, da bo v glavnem vse tako kot prejšnja leta, ko so veseli slovenski ljudje napolnili dvorano in pripomnil, da bodo letos imeli "Vesele Slovence" tudi na odru. Še in še mi je govoril o najboljšem slovenskem orkestru v Ameriki, o vrstah pijače, jedade, o nagradah za najboljše maske itd. Jaz ga nisem več slišal, ker sem se zatopil v misli, kako je bilo pred tremi ali štiri leti, ko sem še bolj iz radovednosti kot z namenom aktivno sodeloval — bil sem namreč brez kostuma in maske — odpeljal na eno tako Lilijinih maškarad. Malo me je skrbelo, če ne bom morda edini "v civilu", toda v polni dvorani je bilo le 15 ali 20 maškar.

Ljudje so se zbirali v manjše skupine in kar tekmovali v uganjbanju, kdo bi ugnel biti za to ali ono masko. Z očmi so vsake toliko časa preleteli dvorano, da bi ugotovili, če morda tega ali onega ne manjka, kajti če ga ni videti, je čisto gotovo že tukaj, našemljen.

Domov se nikomur ni mudilo, saj je vsak hotel biti navzoč pri razkrinkovanju in podeljevanju nagrad. To je namreč višek večera. Ljudje so se bili videti zelo zadovoljni, najbrže tudi zato, ker do kuhinje ni bilo daleč, do bare pa tudi ne. To praktičnost sem tudi sam pridno izkoriščal; kaj zato, če me bo spet malo glava bolela, sem si mislil, saj je moja.

Vse te spomine sem zaupal prijatelju, ki me je zagotovil, da bo tudi letos vsaj tako veselo in zanimivo, kot je bilo takrat. Svetoval mi je, naj se takoj vpišem v plesno šolo v mestu, saj imam še dober teden časa, in pa aspirine naj ne pozabim vzeti s seboj. Dima pa da itak ne bo preveč v dvorani, ko pa je toliko ljudi nehalo kaditi v novem letu. Lahko se celo zgodi, da bo letos manj maškar, kot imajo imenovanje z veseljem sprejel.

(Zbira Vera K.)

Hvala vrle žene

Vrlo ženo, kdo jo najde? Visoko presega vse bisere njena cena.

Zaupaj si srce njenega moža, in dobička mu ne manjka.

Vstaja, ko je še noč, in daje jed svoji družini in delo svojim deklam.

Ona mu izkazuje dobro in ničesar hudega, vse dni svojega življenja. Skrbi za volno in lan in veselo dela s svojimi rokami.

Svojo dlan odpira ubogemu, in potrebnemu podaja roke. Ne boji se snega za svojo družino, zakaj vsi njeni domači imajo dvojno oblačilo.

Moč in milina sta njen okras, in se smeji prihodnjemu dnevu.

Svoja usta odpira modro, in na njenem jeziku so ljubke besede.

Nadžira pota svoje družine, in kruha lenobe ne uživa.

Njeni sinovi se dvigajo ter jo blagrujejo, tudi njen mož jo hvali: "Veliko hčera je vrlo ravna, ti pa jih vse presegaš."

Varljiva je ljubeč in minljiva je lepota; žena, ki se boji Gospoda, ta je hvale vredna.

Dajte ji uživati sad njenih rok, in naj jo hvalijo pri vratih njena dela!

Francozinje prišle šele sedaj do svojih pravic

Francijo pozna svet kot deželo svobode, pa je vendar šele l. februarja letos začel veljati zakon, ki daje Francozinjam ravnopravnost z moškimi. Šele ta zakon jim daje pravico, da same odločajo, ali gredo delat in kaj bi rade delale, da imajo v bankah tekoče račune le na svojo ime, da imajo lahko tudi v slučaju je meni ena zagotovljena.

Poslovil sem se od prijatelja in sem mnenja, da če hoče kdo več podrobnosti o poteku Lilijine maškarade, naj 19. februarja osebno pride v Slovenski dom na Holmes Ave. in se o vsem na lastne oči prepriča. Mene ne bo tam, ker me je "prijatelj" s svojo zadnjo pripombo hudo žalil. Sicer se pa ja na take prijatelje pozvigram; moji najzvestejši prijatelji so vsi na banki.

Pevski zbor Jadran

Cleveland, O. — Pevski zbor Jadran praznuje letos 45-letnico svojega obstoja. V nedeljo, 27. februarja, bo v ta namen v Slov. domu na Waterloo Rd. koncert z bogatim in izbranim sporedom.

Rojake in rojakinje vabim na ta koncert v pričrnanju, da bodo uživali ob lepi in lepo podani slovenski pesmi. Na drugi strani moramo pa tudi pomisliti na pevce in pevke, ki se toliko trudijo z vajami. Nagradimo njihov napor in delo s svojim obiskom in napravili bomo veselje njim, sami pa bomo tudi zadovoljni in veseli.

Po koncertu bo v spodnji dvorani zabava s plesom.

zakonu svoje lastno premoženje in da z njim svobodno razpolagajo.

Res je sicer, da so Francozinje uživale dejansko že dolgo te pravice, a uradno so jim bile priznane šele s sedanjim zakonom, ki je spremenil nekaj paragrafov znanega francoskega civilnega zakonika, ki mu je botroval še Napoleon.

V duhu časa

Nedavno sem čitala zgodnico, prav značilno za današnji čas in njegovo modo. Takole je bilo.

Blizu 20 let stari sin, postaven in čeden, je bil med dekleti na splošno priljubljen. Najprej je hodil z neko čedno plavalasko, nato jo je zamenjal z rdečelasko. Posnetke obeh je nalepil v svoj album, kjer je imel tudi vrsto svojih posnetkov in posnetkov družbe, s katero je hodil.

Nekega večera je fant pripeljal na dom dekle z rjavimi lasmi. To je bilo očetu le malo preveč. Prav posebno je bil nejevoljen, ko je videl svojega sina, kako je vzel v roke svoj album fotografij in te skupno z dekletom ogledoval. Očetu se je zdelo to prav neprimerno in je sinu to tudi naravnost povedal, ko sta bila sama. Ta mu je na očitke, da kazanje slik drugih deklet, s katerimi je hodil, novi ljubici ni primerno, odgovoril iznenaden: Saj je to isto dekle, le lasulje so različne!

— Spomlad se začenja v raznih urah od 19. do 21. marca v raznih krajih sveta.

ENRICA V. HANDEL - MAZZETTI

Jese in Marija

II.

"Zdaj pridemo tja," je dejal profos.

"Ze!" je zadrželo z Jesejevih ustnic.

Profos je spregovoril dobrohotno o Kristusu Gospodu, ki je pretrpel smrt brez mrmranja, in sprevel mladega človeka, trdo ga držeč za trepetajočo roko, na trg.

"Jezus Kristus!" je zavpil Velderndorff; oči mu begajo in lica mu uplahnejo kakor smrti, ko je zagledal morje ljudi; ti soče in tisoče, in nad razburjenim morjem mrtvaški oder, strašen, strog, srebrni križ, črni komitat — in gorje — rablja z mečem, ki se sveti kakor ogenj v soncu.

"St. Polten, St. Polten! Toliko sem tu prestal, a zdaj še to!" je dejal ubogi fant, ko so ga peljali na oder skozi ozko pot med sulicami na desni in levi in ko je divjalo za sulicami človeško morje.

"Se to, potem ste rešeni!" ga je tiho tolažil profos.

"Res je," je zaklical mladenič in se vzpel. "Grem v nebesko svatbeno sobo, vabec svatov že čaka." Z nekaj koraki je bil po strmih stopnicah in stal na odru v svoji bedi in gledal ni ljudi, kolikor je mogel pogumno, in ljudje zijajo strašno sem gor k njemu. Ne gane jih ne njegova mladost ne njegova lepota, ki mu je bridkost ni mogla popolnoma vzeti, ne njegova hrabrost. "Zločinec! Lutrovska zver!" renči ljudstvo tigro, tedaj mu obstane srce in njegov pogled se ogiba strašnih spak, se motlja ob strehah in obvisi na rotovski uri... Iz rotovskih oken gledajo deželni svetovalci, plemeniti in strogi gospodje, ki so ga tako mučili pri izpraševanju in nato obsodili. Deželni maršal se bahati v zlatu in škrlatu; ven z malicem, je vpil, ko so mu prebrali obsodbo in ga nato odgnali v njegovih verigah. Zdaj velja umreti pred vsemi temi, tudi beli liliensfeldski doktorji so poleg... "Pač, pač," se upira, "mar mi je. Vi, le glejte me! Da, jaz sem Jese!" Smeje se; vse njegove zobe je videti...

S težavo se je medtem vzpel stari profos po slabih stopnicah; zdaj je stopil poleg Jeseja in ga prijel za roko. "Zdaj pa le pogumno!"

"Ne bojim se," se smeje mladenič. "Glejte, tam so vsi moji sodniki. Smejati se jim moram."

Starec ga sprevede za roko pred mestnega sodnika Dollerja,

ki stoji ves v črnem, z mečem in verižico med štirimi drugimi črnimi gospodi, mestnimi svetovalci.

"Potemtakem je to zločinec," je vprašal Jurij Doller s hreščecim glasom in profos je odgovoril s svojim dobrim: "Na službo sem, vaša milost." Velderndorff se je držal lepo in možato. Le njegov pogled je bil nemiren in je iskal venomer rablja. Ni ga videti. Gospodje imajo tako velike plašče... Ha, zdaj vidi roko njegovo in... Kakor kladivo razbija jetniku srce. Tam leži mrliška preproga... Smrt, bridka smrt!

Bobni oglušljivo zaropotajo. Mestni sodnik vzame iz ovoja pergament in ovoja pergament in preko molččega trga udarja njegova trda beseda:

"Glede na to, da sta dva višja politična stanova, gosposki in viteški, nadvojvodine Avstrije pod Anizo po gospodu deželnem maršalu bila obveščena, da je Jese pl. Velderndorff zaradi poskušene umora duhovne osebe po plemenitem kriminalnem sodišču nad poenam capitalem ex meritis obsojen, se za svojo briše iz števila deželnih stanov in plemenite družbe obeh častitih političnih stanov."

Jese je spregovoril na glas: "V srcu je plemstvo, ali pa je plemeniti stan—"

"Tiho!" ga je opomnil profos. Bobni zaropotajo v drugo, še močnejše.

"Smrtna obsodba nad Jesejem Velderndorffom, bivšim deželanom, izrečena po plemenitem kriminalnem sodišču in potrjena premilostno od Nj. cesarskega Veličanstva."

Jese Velderndorff, prejšnji deželan, triindvajsetleten, rojen v Schiermannsreithu, poročen, je približno eno leto vznemirjal pechlarstvo okolico na Donavi z različnimi slabimi podvzetji, s tem, da je trosil okoli nekatoliške knjižure, motil službo božjo, zasmehoval duhovščino in še z drugimi lutrovskimi zločinskimi dejanji, poleg tega tudi javno prekršil generalni mandat, ko je Velderndorff skrivaj opravljal nekatoliške obrede in se dal obhajati sub utraque ritu luteraneo; za to početje da so vedeli mnogi, pa si nihče ni upal proti moči kot uglednemu vitezu in deželanu; dokler se ni nazadnje preprosta, a poštena in krščanska žena, Marija Schin-nagel po imenu, ojunčila in ga naznanila duhovni oblasti kot

prestopnika generalnega mandata; na kar je n. a. vlada nastopila in odredila redno reformacijsko komisijo, katera je omenjenega Velderndorffa predse poklicala, izpraševala in določila, da naj se mož zapre; tej odločbi pa se ni hotel pokoriti, marveč je v brezbožni norosti in nori brezbožnosti z oboroženo roko zavratno napadel gospoda generalnega komisarja g. tut. Matija Kohlweissa in grave rnil, za kar so ga immediate zaprli, prepeljali v St. Polten in tukaj 21. januarja pred plemenitim kriminalnim sodiščem obsodili na smrt z mečem in na zaplenbo premoženja, katera sodba se je predložila Nj. cesarskemu Veličanstvu v milostno potrditev in pomiloščenje, a jo je to 29. januarja potrdilo in jo s tem pravomočno uveljavilo."

Obsojenec je poslušal to ploho besedi z očitno kazanim zaničevanjem, z roko na ledjih, z očmi zdaj tu zdaj tam, kakor da mu vse to ni nič mar... Ko se je omenilo Marijino ime, je zatrepetal in položil roko nad oči. Dobra žena! Obiskala je njegovo ženo, podojila njegovo dete... blagoslovljena naj bo za to!

"Kakšna sodba je neki to!" si zdajci misli, ko se je pergament zvil in je pet ostrih glasov zavpilo: vivat Leopoldus. Smešna obsodba! Prsi se mu širijo, v jezi se mu gubanči belo čelo. Ne mara lagati na tem kraju smrti. Hoče jim povedati resnico, rabljen in duhovnim; potem pojde in se uleže pod meč. Stopil je na kraj odra. Sodniki so stegnili svoje vratove, škrlatni se je

nagnil mrzlo se smehljaše iz okna, množica pod njim vzvalovi. Jetnik vzdigne bele roke k nebu z mrtvaškim križem svoje matere: "Moram povedati resnico!" Čuti je njegov mladi glas

v vse stranske ulice, ta glas, ki je še pravkar trepetal, a poje zdaj ježno po moško:

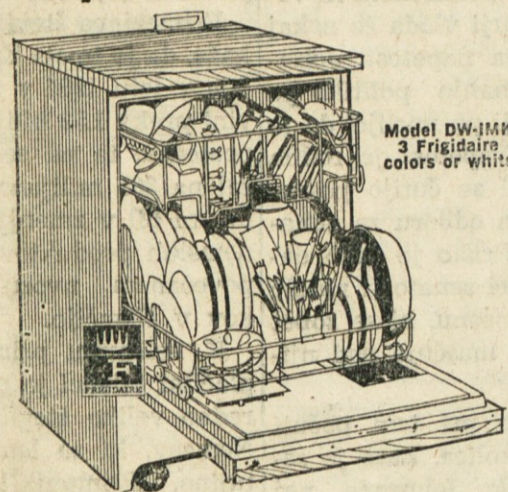

"Gospodje, obsodili ste me na smrt, ker sem napadel duhovnika. Vaša sodba je človeška sod-

ba. Stori sem takisto. Kako sem gom..." Tu je prenehal, roke so prišle od tega, ve Bog v nebesih, njemu sem se obtožil. Zahrbten pa nisem bil, to morem pred Bo-

NAZNANILO IN ZAHVALA

V globoski žalosti, pa vdani v božjo voljo sporočamo sorodnikom, prijateljem in znancem, da je dne 13. januarja 1966 v Gospodu preminula naša ljubljena sestra

Pauline Celesnik

Pokojna je bila rojena 26. maja 1901 v Cleveland, Ohio. Umrla je v Holy Family Home, Parma, Ohio.

Pokopali smo jo dne 17. januarja 1966. Iz Grdinovega pogrebne zavoda na Lake Shore Blvd. smo jo v pogrebnem sprevodu prepeljali v cerkev St. Christine na 840 East 222 St., kjer je pokojnica brat, č.g. Joseph Celesnik daroval slovesno pogrebno sv. mašo in vodil pogrebne cerkvene obrede. Asistirala sta mu Rev. Joseph Ozimek in Rev. Francis Sterk. Rev. Joseph Celesnik je spremljal pokojno tudi na pokopališče Kalvarija in ob grobu vodil skupne molitve za večno srečo pokojnične duše.

Iskreno se zahvaljujemo vsem, ki so ob tej bridki izgubi z nami žalovali, pokojno počastili ob slovesu in zanjo molili ter nam priskočili v pomoč.

Pred vsem se zahvalimo častitim gospodom duhovnikom. Naj prejmeta našo toplo zahvalo Rev. Ozimek in Rev. Sterk, ki sta asistirala, veččastiti gospodje prelati in monsignorji ter častiti gospodje, ki so prišli pokojno kropiti v pogrebni zavod, ki so se udeležili pogreba in bili pri sveti maši.

Častite Sisters of Notre Dame in Sisters of St. Francis of the Christ the King so v velikem številu prišle za pokojno moliti, v pogrebni zavod in so se udeležile pogreba in sv. maše. Prisrčna jim hvala za vse molitve in dela ljubezni.

Društvo sv. Marije Magdalene KSKJ št. 162 je pokojno počastilo kot svojo preminulo članico. Iskreno se zahvalimo odboru in vsem članicam, ki so se udeležile žalnih slovesnosti, posebno tistim, ki so skupno molile sv. rožni venec ob krsti.

Prisrčna hvala dobrim možem, ki so nosili krsto.

Grdinov pogrebni zavod je skrbno in ljubeznivo uredil vse pogrebne priprave in odlično vodil pogrebni spreved. Zahvaljujemo se mu za izvrstno postrežbo.

Naši dobri sosede so storili kar je bilo v njihovih močeh, da bi nam lajšali najtežje ure žalosti in nam dobrotljivo pomagali. Iz vseh naših src se jim zahvaljujemo.

Naj dobri Bog povrne stotero vsem, ki so darovali za sv. maše in druge dobre namene, vsem, ki so poklonili cvetje in vence in vsem, ki so dali na razpolago avtomobile za pogrebni spreved.

Najlepša hvala vsem, ki so prišli pokojno kropiti, vsem, ki so se udeležili sv. maše in ki so pokojno spremljali do groba.

Razposlali smo zahvalne kartice in spominske podobice vsem, kolikor smo imeli naslove.

Ce bi kdo po kakih pomoti naše posebne zahvale ne bil dobil, vse lepo prosimo, da nam oprostite. Sprejmite, prosimo, vsi tole skupno javno zahvalo, ki jo želimo izreči prav vsem, ki so pokojni v zadnjih dneh življenja storili kakršnokoli dobroto ali ljubeznivost, vsem, ki so nam pomagali, vsem, ki so pokojno počastili ob slovesu in zanjo molili, vsem, ki so nam osebno ali pismeno izrekli svoje sožalje ter sploh vsem, ki so na kakršnekoli način pripomogli, da so bile pogrebne slovesnosti tako ganljivo veličastne. Bog povrni vsem!

O Jezus, neskončna dobrota! Usliši naše vroče prošnje in sprejmi njeno dušo v rajsko veselje!

Sprejmi od nas, Gospod, molitve in darila, pokaži mil obraz, pokojni daj hladila.

Gospod, daruj ji mir, naj večna luč ji sveti, ker si dobrote vir, uživa raj naj sveti.

The Slovenian Women's Union announces the appearance of Marija Kranjc-Fischinger, mezzo-soprano of Chicago, Illinois in concert on March 13, 1966 at the Slovenian National Home at 6417 St. Clair Ave., Cleveland.

The Concert will be held as a benefit for the SWU Scholarship Fund, instituted some 25 years ago to help young people of Slovenian descent achieve their goals in higher education. The Scholarship Fund has been subscribed mainly by members and friends of the organization. On March 13th, the Combined Branches of SWU in Cleveland will again have the opportunity to support this cause that is close to the heart of each member.

Mrs. Fischinger is a native of Yugoslavia and has received her musical training at the DePaul University in Chicago where she holds

a degree in music. She is now in graduate studies at the American Conservatory. Accompanying her will be Mr. William Browning, an outstanding pianist who has appeared as soloist throughout the United States and Europe.

Tickets for the concert are available in advance from the Supreme President, Antonia Turek, 986 Bryn Mawr Ave., Wickliffe, Ohio 44092, the State President, Mary Bostian, 13617 Mohawk Ave., Cleveland, O. 44119, from members of SWU or at the Jo-Ann Sweet Shoppe in the National Home Building on St. Clair Ave. Tickets are priced at \$2 and \$1.50. Yellow Cab Company's 26th Annual Safety Award Banquet

The Yellow Cab Company's 26th Annual Safety Award Banquet will be held Tuesday evening, February 15, at the Statler-Hilton Hotel.

Over 600 cab drivers who have completed a minimum of one year of accident-free driving, and whose cumulative total represents over one hundred million accident-free miles, will attend. Also on hand will be leading city, state and national civic leaders to acknowledge the fact that CABBIES PUT THE SPOTLIGHT ON SAFE DRIVING. (*This is the theme for this year's banquet.)

In addition to greetings from Governor Rhodes and Mayor Locher, the cabbies will be addressed by an old friend, Bill Veeck, former baseball owner and now an author and syndicated columnist.

The cab company's street safety program awards drivers cash bonuses for their accomplishments. Periodically, during the year, drivers receive these awards. This year the drivers at the banquet will receive \$19,462.50. Prior to the banquet, awards totalling \$30,772.25 were made, bringing the total cash awards paid by the company in 1965 to \$50,234.75.

In addition to the cash awards, a new 1966 Plymouth will be presented to one of the full time drivers, and a \$1,000 Government Bond will go to one of the part-time drivers.

The driver who has completed the greatest number of years without a chargeable accident is Max Bregman, 4217 Hinsdale Rd., South Euclid, O., with 28 years of no-accident driving. Mr. Bregman will receive the honor and title of Champion Driver from Mayor Locher. Runner-up to the Champion is Benedict Peters, 7574 Mapleway Drive, Olmsted Falls, Ohio, whose safety award is only a few months less than the Champions.

A banquet highlight will be the naming of the CABBIE-OF-THE-YEAR. This award goes to the outstanding cab driver who is rewarded with an all expenses paid trip to New York City for two.

★ Cleveland, O. — A printer whose name was Charlie Bang (he was the brother of Ed Bang, retired Sports writer of the Cleveland News) changed Bill Wambys' name to just plain Wamby in 1914. The original wouldn't fit in the Indians' scorecard so he asked Bill if he minded an abbreviated version. Wambysguns, however, now prefers to be called by his rightful name, even though his only son, Billy Wamby, Jr., legally changed his name to the shorter one.

Peace Corps To Test On February 12

Cleveland area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 9 a.m. on Saturday, February 12 at 4240 Main Post Office Building, W. 3rd and Prospect Ave.

The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicated a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country). The placement test requires no preparation and is non-competitive — an applicant can neither pass nor fail.

The application form, not the placement test, is the most important factor in the selection of Volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D.C. 20525.

The placement test takes about an hour and a half. An optional achievement test for applicants who have studied French or Spanish requires another hour.

Grotto Circus Comes To Town

New acts, new faces and new excitement.

That's what circus fans all over northern Ohio can look forward to when the 37th annual Al Sirat Grotto Circus opens in Public Hall on Thursday, February 17th.

"There are 18 new acts for the 1966 performance", General Chairman Forrest B. Wilson reports. "No other circus - indoor or outdoor - can boast the talent that will perform in the Cleveland Auditorium over 19 shows.

Headlining the list of newcomers is George Baudy and his Siberian Tigers. The act has been proclaimed one of the most exciting wild animal groups performing today.

The Walch's Leopards bring the wild animals outside the steel cage for the first time, featuring the leap of the black panther into the arms of his trainer as a highlight.

The Clyde Beatty-Cole Brothers Circus Elephants featuring Rex Williams, are back for an encore, but all the other animal acts are making their first appearances.

The George Harneford, Jr. equestrians are new to Al Sirat Grotto. The Van Downen Seals perform like they owned college degrees. Janet's Chimps excel as jugglers.

The unusual combination of ponies, dogs and chimps add to the excitement of Burger's Animal Revue.

Grotto Circus offers an explosion in Clowr Alley for the 37th annual engagement with the hilarious Five Soreletis making their first appearance. Television fans will recall the performance of the Italian clowns on the Dom Ameche circus presentations from Europe.

Blinko and Maran, back from a two-year engagement at the New York World's Fair, Alfredo Landon, Carl Marx, Willy Bennett, the Sherman Brothers and Frankie Little are other well known clowns.

The Great Wallendas, featuring Karl and Karla and including two talented members of their company, perform on the high wires.

Two of the Big Tops' greatest trapeze stars share the spotlight in a contest of the triple somersault experts. Don Martinez of the Flying Artons recently appeared on Hollywood Palace television show, where he executed his daring 3½ somersault. Jack Gibson of the Flying Gibsons offers the competition.

The "Grotto Circus With a Purpose" gives two Sunday performances on February 20 and 27 for the benefit of the American Cancer Society. Also benefitting from the Grotto Circus effort is the Cerebral Palsy Fund.

Saturday matinees are at 2:30 p.m. Sunday, and weekday matinees at 2:00 p.m. A special matinee also will be given on Tuesday, Feb. 22, Washington's Birthday.

The 1966 Grotto Circus is the only one of its kind in America with each act individually selected by General Chairman Wilson and Producer Al Dobritsch of Hollywood.

Auto Age

About 11 million U.S. cars are 10 or more years old.

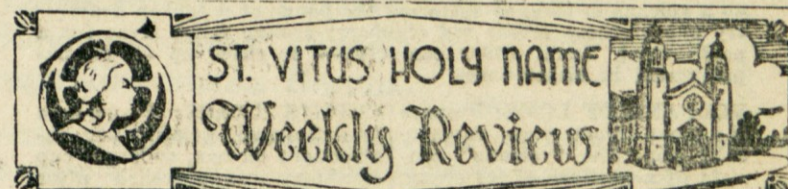

GEARED FOR MEDICAL PROGRESS

"The American Medical Association is of such a nature, and its commitment to medicine and the public health is so great, that it cannot escape new and larger responsibilities. The interests and activities of the Association are widespread. All are important... and some are vital... to the health of the nation and its well-being."

That statement recently came from F. J. L. Blasingame, M.D., the Association's executive vice president. And, as he went on to show, the AMA is aggressively facing up to those responsibilities. It is now conducting more than 80 separate programs, into such areas as aid pollution, drugs, environmental health, venereal disease, industrial health, foods and nutrition, quackery, communications, research, medical education and health education.

To quote Dr. Blasingame again, "Much more can and should be done.... The United States has become the world center of medical education... but is it good enough?... What are the deficiencies in our system. Are we attacking rising health care costs as forthrightly as this problem demands?... We can, and should, act more aggressively to insure high quality in all areas of medicine... and to move against the incompetent and the unethical."

The AMA, and the medical fraternity at large, is never satisfied, no matter how great the progress made in advancing our standards of health care. It is dedicated to doing an ever-improving job. It welcomes challenges — and it is superbly geared to deal successfully with them.

★ Studio City, Calif. — Says the unwilling custodian of an unidentified bird that came to dinner: "We'll give him away to anyone who can catch him — that's a standing offer." Joseph Cossman said that the bird flew in with a reinstorm Thanksgiving day, settled into the pool, and refuses to leave. Observers theorize it's some kind of small duck. It swims under water. "We had five people in here with nets, but he's too fast," said Cossman. He said the Humane Society told him they collect only dogs and cats. Cossman decided to feed the visitor, and: "I tried tuna fish, salami, turkey stuffing, bread — he wouldn't touch it. Then I brought some goldfish. He gobbled them up."

★ Dog Walk, Ill. — The dogs in Dog Walk are in for some dog days. Judge Lan Haney ruled against

their interests recently in Williamson County Circuit Court at nearby Marion, Ill. Jos Long, 80, appeared before the judge to answer a charge of shooting a Dog Walk dog, thereby committing cruelty to an animal. Long pleaded guilty, then told the judge that the dog barked at him and bit him many times. Haney thereupon ruled that Long's only error was in pleading guilty to the charge. The judge entered a court-directed plea of innocent and set Long free. It was bad news for the dogs at Dog Walk, which got its name in the early coal-mining days of Southern Illinois when it was said that any stray mutt in town could depend on a handout from a miner's lunch bucket.

Kennedy Center for the Performing Arts when it is released commercially, a spokesman for the center said. Philip J. Red Cranberries For St. Valentine's Day

Whichever state you're in when St. Valentine's Day rolls 'round — a volcano of love, or suffering the pangs of a broken heart — try one of these pretty red cranberry-orange relish ideas for a party treat. You'll either cool off — or cheer up — an improvement in either case.

VOLCANO OF LOVE: Prepare the base from your favorite cake mix. The "volcano" consists of a mixture of ice cream and cranberry-orange relish, molded in a deep bowl. Top ice cream mixture with whipped cream. For fiery effect, dip sugar cube in lemon or vanilla extract, place in egg shell inverted on the peak of the "volcano", and flame.

CUPID'S TEARS: Prepare fruit-flavored gelatin per instructions on box, adding 1 cup cranberry-orange relish after gelatin is slightly chilled. Refrigerate until firm, then fold in $\frac{1}{2}$ cup heavy cream, whipped, and 2 stiffly beaten egg whites. Turn out, and cut heart in half. Result: Cupid's tears!

Reporting from Washington

FRANCES P. BOLTON • Congress, 22nd Hotel, Ohio

VIETNAM. With the President's announcement of his decision to resume the bombing in North Vietnam, we enter very difficult and dangerous days. As ranking Republican on the Foreign Affairs Committee, I have been at the Leadership Meetings at The White House and have listened intently. I found the President far more quiet than usual with what one might call a new dignity. After the Secretary of State and the Secretary of Defense had stated the matter simply and factually, it was clear that the President wanted the frank opinions of those present. I felt certain that each one did his best to express his considered opinion. I certainly did.

It has seemed to me for a very long time that those in our government whose opinions have carried for many years had closed their minds to the cold facts we have faced many times. Communists have meant it when they said they had no regard for contracts and agreements. During the Christmas cease-fire, did they stop their depredations? During their own "New Year's interval," did they cease their war-like ways? During the 37 days in which we did not bomb, the North Vietnamese repaired their roads and bridges and brought several thousands more of their soldiers into South Vietnam. We let it all happen, and our American casualties increased daily. I am told that the number has now reached over 2,200. To me, Communism in any of its forms cannot be permitted to take over the people of this world. To this, I believe you will agree. I am with you in wishing we had stayed out of Southeast Asia, but we didn't. If we were to withdraw now, leaving these Vietnamese to be swallowed up, you know as well as I do that Thailand, Laos and Cambodia and the other countries of Southeast Asia would not be far behind.

Then what? What of all the islands out there, including the Philippines and Hawaii, that lie between Communist Asia and San Francisco? This is not simply a war over Vietnam. It is a war for the freedom of all people everywhere. The President has announced his decision. I think all of us need to have the assurance from him that our supply lines are well planned for and are in high gear. Anything less would be unpardonable.

CONSTANTINO BRUMIDI. I have joined many of my colleagues in sponsoring a resolution (H. Con. Res. 563) authorizing the procurement of a marble bust of Constantino Brumidi for placement in the United States Capitol. Thousands of visitors from every state in the Union, and many overseas countries, have viewed with admiration his artistic achievements. Brumidi began his work in the Capitol in 1855 and 25 years worked devotedly with all his strength and talent. His stirring murals, paintings, bronze stair rails, and bold and moving frescoes can be found in the Capitol's corridors, committee rooms and rotunda. He died at the age of 75 as the result of an accident while he was trying to finish the frieze in the rotunda. He lay buried in an unmarked grave in Glenwood Cemetery for more than 50 years. Finally in 1950, through

the efforts of Mrs. Myrtle Cheney Murdock, wife of a former Congressman from Arizona, Congress provided a bronze marker for his grave. No other tangible recognition of this great artist's contributions can be found in Washington today.

It is entirely fitting and appropriate for the Congress to demonstrate our Nation's gratitude to this great man who took such pride in his adopted country that he signed all his works simply, "C. Brumidi, Artist, Citizen of the United States."

Let The Chips Fall Where They May

EVERYBODY "CHIPS" IN — Potato chips are perfect with any kind of party dip. They're firm enough to hold a dab of dip without cracking and add their own crispy goodness to the spread's flavor. The "Ridgies" are slightly thicker and are best for use with party dips.

New York, N.Y. (ED) — Americans are potato chip lovers from way back — since the 1850's, in fact, when the chip was "invented" by a chef in a Saratoga Springs resort hotel. For years this crispy delicacy was available only there and was known as the Saratoga Chip. As its fame spread, other makers began to produce the appetizing novelty in home and restaurant kitchens, for local distribution.

Today potato chips deserve to be called "The Great American Snack." And the best of them — aided by modern production methods and perfected packaging — continue to offer the old-time flavor that first put them on the culinary map. Since their early days we have crunched ever onward until presently we munch our way through about 800 million pounds of chips each year. The Wise Potato Chip Company estimates that Americans consume an average of 5 pounds of these noisy delights per person annually.

Our favorite national snack is delectable eating as is. Yet many people don't realize how helpful it can be in food preparation, too. Enterprising recipe-makers have been using potato chips in new ways for years — and with highly satisfying results. Chips add wonderful flavor when sprinkled crushed on soups, fish or omelets just before serving. Finely crushed potato chips serve as a tantalizing coating for fritters, cutlets and poultry.

Dazzle your guests with a golden platter of "Chip-per Chicken Pennsylvania Style" at your next dinner party.
