

SMITHOVE KAMPANJE SMOKE SKEBSKO DELO!

Neunjski tesarji so tudi zgradili govorniški oder za Hooverja, ko je govoril v Worcesteru, Mass.

Milwaukee, Wis. — Koliko je dati na govorice, da se predsedniška kandidata starih strank potegujeta za pravice organiziranega delavstva, je bilo opaziti iz dejstva, ko je pripravljali odbor za Hooverjev ahod v Worcesteru, Mass., najel neunjske tesarje za zgradbo govorniškega odra, s katerega je govoril Hoover v omenjenem mestu. To se je zgodilo kljub protestu organiziranih tesarjev. V Milwaukeeju pa Smithovi pristajajo distribuirajo smodke, ki so izdelane v neunjski tobačni delavnici. To dejstvo je odkril lokal št. 14 unije tobačnih delavcev. Te smodke nosijo Smithovo ime. Ko je unija tobačnih delavcev protestirala radi tega, se nista Smith niti njegov reprezentant za državo Wisconsin John M. Callahan ozirala na proteste.

William A. Nolan, tajnik unije tobačnih delavcev, se je potem, ko je že poslal plemen protest Callahanu in ni prejel nikakega odgovora od njega, osebno zglasil pri Callahanu, nakar ga je slednji surov sprejel in nahruil, češ, da nima unija nobene besede glede Smithovih smodk, ki so izdelane v neunjski delavnici.

Po tem dogodku je akual Smithov agent mihi namočil unije tobačnih delavcev. Vstop mu ni bil dovoljen. Enako se je zgodilo Smithovim govornikom v Chicago, ko so hoteli priti na unijske seje. Hooverjevi pristaji pa sploh niso poskušali, da bi prišli na seje organiziranih delavcev.

Radičeva vdova obtožena

Dr. Korošec, justični minister in kraljevi komornik jo tožijo.

Dunaj, 30. okt. — Vdova umorjenega Stepana Radiča se bo morala zagovarjati pred sodiščem radi razlajenja jugoslovanske vlade in kralja. Obtožnica, katero so podpisali ministrski predsednik dr. Korošec, justični minister in kraljevi dvorni komornik, bazira na pismu, ki ga je vdova pisala Ligi narodov s prošnjo, naj pošlje zastopnika k procesu proti morilec Radiča in drugih dveh poslancev, ki so bili ubiti v skupščini 20. junija. Vdova je pisala, da na sodišče v Jugoslaviji se ni zanesli, ker "ni zakona in pravice v deželi".

30-letnica moskovskega teatra. Moskva, 30. okt. — Moskovski hudoženstveni (umetniški) teater praznuje svojo tridesetletnico. Ustanovitelj gledališča Stanislavski in Dančenko sta bila odklopana od sovjetske vlade. Čestitke iz vseh dežel, tudi iz Amerike, dežujejo na slavne igralce.

Povodenj v Benetkah. Benetke, 30. okt. — Valovi morske vode, ki jih je zagnal vihar, so večerj poplavlili trge in nižje prostore palač v Benetkah. Na trgu Sv. Marka stoji voda dva čevlja visoko. Turisti ne morejo iz hotelov.

Prohibicija stane 225 milijonov. Washington, D. C. — 225 milijonov dolarjev je zvezna vlada že potrošila za uveljavljanje prohibicije. Razen tega ima vlada čez štiri milijarde dolarjev izrupe na davkih od trgovine s pljačami.

13 milijonov volilnih upravičencev v Ameriki

Rekordno število volilk. Najmanj 40 milijonov glasov bo oddanih prihodnji tork.

Washington, D. C. — Triinštrideset milijonov moč in žena, največje število v zgodovini Združenih držav, se je letos vpisalo v volilne imenike. Pred štiri leti je bilo 29 milijonov volilnih upravičencev, kar znači, da jih je letos 14 milijonov več. Vseh državljanov, ki so upravičeni voliti, računamo na okrog 54 milijonov; letos se je torej registriralo veliko večji odstotek kvalificiranih volilcev kakor kdaj prej v zgodovini republike.

Drugi rekord za Ameriko je število volilk, skoro polovica vseh registrirancev je ženskega spola — in v nekaterih krajih celo nadštevilo moške. Izid volitev prihodnji tork bo torej v dobrem delu odvisen od ženskih glasov.

Politični spekulanti računajo, da najmanj tri milijone volilcev ne pojde volit valed tega ali onega zadržka. Vsekakor pa bo oddanih 40 milijonov ali v skrajnem slučaju najmanj 35 milijonov glasov.

Več kot 100,000 ameriških državljanov, ki bivajo v Kanadi, bo volilo plemenim potom. Konzuli so že razposlali glasovnice vsem onim, ki pšlejo ponje, nakar jih morajo vrniti zapečatene konzulom najkasneje do 6. novembra.

Revija dognala nedolžnost Vanzettija

Ni bil kriv ropa v Bridgewaterju, ki je vodil do obsodbe in eksekucije njega in Sacca v Bostonu.

New York City. — "The Outlook and Independent" je posvetil brez malega svojo zadnjo številko eksoneraciji Bartholomeja Vanzettija v zadevi znane ropa v Bridgewaterju 2. decembra 1919. Kot je znano, je bil Vanzetti obtožen tega ropa in na podlagi evidence obsojen na 15 let zapora. Ta obsoda je vplivala na obtožbo in eksekucijo Vanzettija in Sacca radi roparskega umora v South Braintreeju.

Gori omenjena revija je izvršila neodvisno preiskavo in objavila vse zadevne afidavite in druge dokumente. Med temi je tudi afidavit nekega Franka Silve, bivšega kaznjence, ki izjavlja, da je on s tremi drugimi vred izvršil roparski napad v Bridgewaterju, katerega je bil potem obdolžen Vanzetti. Revija dolži governerja Fullerja, da so bila ta dejstva njemu dobro znana, predno sta bila Sacca in Vanzetti umorjena na električnem stolu.

Premogariji v Indiani godrnjajo radi nove pogodbe. Terre Haute, Ind. — Akoprav se pričakuje, da bo glasovanje glede nove pogodbe izpadlo v njen prilog, je razvidno veliko nezadovoljstvo med premogariji radi znižanja mezde, ki ga vključuje pogodba. Dnevna meza je bila znižana na \$6.10 kot v državi Illinois. Prejšnja meza je bila \$7.50. Premogariji morajo sedaj delati v razmerah, ki so veliko slabše od prejšnjih. Priganjanje je hujše in predelavci gledajo na to, da se produkcija premoga poveča. Pričakujejo se "divjačje stavke", sliče onim, ki so bile v prošlem mesecu v teku v Illinoisu.

Tri nune žgorele. Ottawa, Ont., Kanada. — Tri nune so žgorele v kloštru v Gatineau Pointu, Que., ki ga je ugnil požar 29. oktobra, ko je hišnik preveč zakuril v peči za gretje.

KAKO BODO VOLILI NATURAL DRŽAVLJANI

Neangliški časopisi se zavzemajo za razne predsedniške kandidate.

Chicago. — Več kot sedem milijonov glasov bodo oddali ameriški državljani, ki so bili rojeni v tujemstvu, pri narodnih volitvah v novembru, kot kaže pregled, ki ga je izdelal informativni biro tujezemskih jezikov. Toda ti glasovi ne bodo oddani v solidni vrsti za kakšnega predsedniškega kandidata. Izmed 835 neangliških časopisov jih podpira le 244 govovega kandidata, 388 jih je neodvisnih in 271 listov in revij se ne bavi s politiko.

Pregled pokazuje, da en časopis, ki ga izdajajo protestantje, agitira za Smitha, dočim se neki katoliški list ogreva za Hooverja. Največ soglasja je opaziti glede prohibicije; skoro vsi uredniki teh listov so mnenja, da je treba modificirati prohibicijski zakon.

Volilci nemške narodnosti, kakor je razvidno iz uredniških člankov v njih listih, so večinoma za Smitha. Izmed 27 nemških časopisov jih je 17 za Smitha, 7 za Hooverja in trije za Thomasa, socialističnega predsedniškega kandidata. Ti časopisi reprezentirajo 1,300,000 volilcev.

Izmed 37 italijanskih časopisov jih je 18 za Smitha, 15 za Hooverja, 3 za Thomasa in 2 za Fosterja. Vsi ti zagovarjajo revizijo sedanjega priseljeniškega zakona, kateri je krivice na narode iz južne Evrope. Ti časopisi reprezentirajo 700,000 volilcev.

Slične študije so bile izvedene tudi glede stališča časopisov drugih narodov, ki izhajajo v Ameriki. Večina se jih ogreva za Smitha, ker upajo, da bo on, ako bo izvoljen, uvedel revizijo imigracijske postavne in predlagal modifikacijo Volsteadovega zakona.

Mezde sobnih slikarjev se znižujejo

Najvišje so bile leta 1926. Najnižja meza se plačuje na jugu.

Washington, D. C. — Mezde sobnih slikarjev, ki so organizirani v svoji uniji so prva leta po vojni naraščale skoro v vseh večjih mestih. V pretečenem letu in letos se pa opaža, da se stalno znižujejo. Kot je razvidno iz statistike zveznega delavskega departamenta, ki je podvzel študijo v štiridesetih mestih, so bile le v štirih mestih zvišane mezde sobnim slikarjem, dočim so padle v 36 mestih.

V nekaterih mestih so leta 1926. sobni slikarji prejeli \$1.70 na uro. To je bila najvišja meza v tej stroki od svetovne vojne. Letos je meza po vseh mestih nižja; v Chicago so še najbolj plačani in sicer \$1.62 na uro.

V desetih mestih so sobni slikarji izvojevali 40 ur dela v tednu; v vseh drugih delajo še vedno po 44 ur na teden. Najnižje mezde za sobne slikarje so v južnih mestih Unije. Povprečna meza v vseh mestih, kjer so sobni slikarji organizirani je \$1.08 na uro.

Priznanje bogoslovne pravice v Arkansasu

Obsojeni ateisti izpuščen iz ječe predno je odnebel kazen.

Little Rock, Ark. — Charles Smith, predsednik newyorškega Društva za razširjanje ateizma, ki je bil tukaj obsojen na 25 dni zapora, ko je nabil plakate z napisom "Evolucija je fakt in Bog je prazen strah" v kampanji proti antievolutijski predlogi, je bil 29. oktobra prost, dasi bi imel še 17 dni sedeti v zaporu. V nedeljo so ga poslali v bolnišnico, češ, da je bolan. V bolnišnici so ga preiskali in dognali, da je sicer slab valed 13-dnevne gladovne stavke, toda drugega zdrav. Poslali so ga nazaj v ječo, ječar je pa sporočil, da ga ne mara. Tako je bil prost in zdaj najbrž preneha s postom. Oblasti so izpustile Smitha, ker so že site vsakdanjih demonstracij pred mestno hišo proti obsodbi ateista. Obnem je prišlo na vozove plemenih in brzojavnih protestov.

Priznanje sovjetov vzornirja Kellogga

Državni departament še ni potrdil sprejema sovjetske note glede pridruženja k protivojnemu paktu.

Washington, D. C. — Državni tajnik Kellogg je domneval, da bo potrdilo listino, katero je poslala sovjetska vlada, ko se je odločila za podpis Briand-Kellogovega protivojnega pakta, lahka stvar. Dokument je bil poslan državnemu departamentu še pred enim mesecem s posredovanjem francoske vlade. 2. dokumentom je Litvinov, sovjetski komisar zunanjih zadev, poslal listino, v kateri je bilo rečeno, da ni bila sovjetska vlada obveščena o posebnih rezervacijah britske in francoske vlade.

Kellogg je sprva mislil, da Litvinova nota ne potrebuje sploh nikakega odgovora. Potem so ga njegovi svetovalci informirali, da lahko odgovori, to da odgovor naj vsebuje pojasnilo, da Združene države ne priznajo Sovjetov, čeprav so se pridružili protivojnemu paktu.

Državni tajnik je potem odšel v Minnesota na volilno kampanjo. Ob njegovem povratku v Washington je pa našel na svoji pisalni mizi odgovor Franciji, katerega so sestavili njegovi svetovalci, tikajoci se nerodne situacije, ki so jo povzročili Sovjeti s svojim pridruženjem protivojnemu paktu. Neki svetovalec ga je posvaril, da bi v slučaju, ako uradno potrdi predjem dokumenta prišel v navzkrižje s senatorjem Borahom, ki je načelnik senatnega odbora za zunanje zadeve. Vrhtega bi lahko Litvinov naslovil javnosti poslanico, v kateri bi ponovno razgalil sovražnost stališče, ki ga zavzema ameriška vlada napram Rusiji. To bi pa lahko povzročilo še več sitnosti v parlamentih evropskih vlad, kadar bi prišlo vprašanje protivojnega pakta na razpravo.

Kellogg dosedaj še ni odgovoril na Litvinovo noto in se izgovarja, da ni imel še časa, da jo zadostno preštudira. Ko se to zgodi, bo sledil odgovor. Ako bo Kellogg uradno potrdil predjem listine, če se to sploh kdaj zgodi, in ne bo ugovora radi pridruženja sovjetske vlade k protivojnemu paktu, bo Borah nedvomno zahteval priznanje Rusije, ko bo ratifikacija pakta prišla na razpravo v senatni zbornici. Borah, ki je v zadnjem času postal zelo vnet podpornik Hooverja v volilni kampanji, pričakuje, če bo slednji izvoljen predsednikom, da postane državni tajnik in bo zavzel bolj prijazno stališče napram sovjetski Rusiji in morda se zgodi, da bo Amerika priznala sovjetsko vlado. Tega se pa reakcionarji v Washingtonu bojijo.

HOOVER ZA ODPRTO DELAVNICO

Njegova sovražnost napram organiziranemu delavstvu je splošno znana.

Chicago. — "Princip individualne svobode zahteva odprto delavnico." Te besede je izgovoril Herbert Hoover, predsedniški kandidat republikanske stranke, ob neki priliki leta 1920. Takrat Hoover še seveda ni sanjal, da bo kdaj predsedniški kandidat republikanske stranke. Sedaj je drugače. Njegovi pristaji ga skušajo ob vaki priliki pokazati kot prijatelja delavcev. Toda vsa njegova dejanja v javnem življenju govorijo drugače. Kaj je Hoover mislil, ko je izrekel omenjene besede, je jasno izrazil William Howard Taft, sedanjí načelnik zveznega vrhovnega sodišča, ko je izjavil v pričetku leta 1921: "Metoda burbonskih delodajalcev, kadar se bore proti organiziranemu delavstvu, je, da nazivajo neunjske delavnice odprte delavnice in da imenujejo gibanje, ki gre za tem, da se ubijejo strokovne organizacije, boj za odprto delavnico."

Frank P. Walsh, znani odvetnik in zagovornik delavstva, je zbral mnogo gradiva iz rekordov senatnega odbora za delo in izobrazbo, iz katerih se zrcali Hooverjevo stališče napram organiziranemu delavstvu, kateremu je nasprotno ob vsaki priliki. Walsh pravi, da vsa karjera republikanskega predsedniškega kandidata prikazuje tip človeka, katerega mentaliteta je nasprotna idejam demokracije. Take osebe imajo lahko svoj prostor v človeški družbi, toda ne v Beli hiši, ker bi to pomenilo nesrečo za državo.

Cepelin se spet bojuje z viharji

Domov pride danes, če ne bo ne zgrade. Prvi hobo na zrakovu, ki mora za kazen pomiliti kročnike.

New York City. — "Grof Zepelin", ki je odplul domov v ponedeljek zjutraj, ima po vseh prvga dne spet boj z viharji, ki divjajo na morju. Cepelin je nazajgrede krenil na severno stran Atlantika, da si skrajša zračno črto. Kakor javlja radio s cepelina, se je moral prvi dan dvigniti zelo visoko, da uide vetrovom in megli. Mras je zelo hud; pet nad ničlo. Ako pojde vse po sreči, pride cepelin enkrat v sredo popoldne v Friedrichshaven.

Šest ur po odhodu iz Lakehursta so v shrambi poštnih zakljev našli 19-letnega fanta, ki se je ukradel na cepelin. Piše se Clarence Terhune in doma je iz St. Louisa. Takoj so mu naložili delo — pomivanje kuhinjske posode. Fant je zadovoljen z delom in ves srečen, ker se sme kot prvi zračni hobo peljati s cepelinom v Evropo za stonj.

Novi teleskop odkrije milijone novih zvezd

Pasadena, Cal. — Novi teleskop, še enkrat večji in štirikrat močnejši kot je sedanjí največji teleskop na svetu, bo zgrajen v prihodnjih par letih v Kaliforniji. Imel bo 200 palcev širok reflektor. Sedanjí največji teleskop, ki je na Mount Wilsonu v Kaliforniji, ima stopalčni reflektor. Z novim teleskopom, ki ga postavi California Institute of Technology in Carnegie Institution, bo mogoče odkriti milijone zvezd in znanjih univerzov, ki so zdaj še nevidni.

Sovjeti poravnava dolgove privatno

Tirjatve iz Amerike pokrite v individualnih pogodbah.

Moskva, 30. okt. — Mnoga znamenja kažejo, da je sovjetska vlada začela poravnovati dolgove caristične Rusije in tirjatve glede odškodnine za konfisciran kapital z direktnim pogajanjem s prizadetimi strankami. Toda upniki, s katerimi so sovjeti pripravljali poravnati stare račune, morajo vzeti koncesije, ki so adaj na raspolago v Sovjetski uniji.

Dokaz temu je pogodba General Electric kompanije v Ameriki, ki je dala sovjetski vladi \$26,000,000 kredita. Clark Minor, predsednik General Electric Co., je — kakor poroča "New York Herald" — v svoji pisarni štetvilki — dejal, da je njegova družba v teku pogajanj predložitve tirjatve v vsoti \$1,750,000 kot odškodnino za izgovljeno lastnino v Rusiji in sovjetska vlada je pristala na poravnavo tirjatve, če bo podpisana pogodba glede koncesij in kredita.

Kasneje je bilo po ovinkih pojanjeno, da sovjetska vlada ne izplača omenjene vsote direktno, pač pa v obliki višje obrestne mere. Diferenca med višjo in normalno obrestno mero tvori odplačevanje omenjene odškodnine. Na tak način je ustarelo vsem: unikom, ki jim je vseeno, kako dobe svoj denar, in sovjedom, ki lahko zaverejo stališče napram organiziranemu delavstvu, kateremu je nasprotno ob vsaki priliki. Walsh pravi, da vsa karjera republikanskega predsedniškega kandidata prikazuje tip človeka, katerega mentaliteta je nasprotna idejam demokracije. Take osebe imajo lahko svoj prostor v človeški družbi, toda ne v Beli hiši, ker bi to pomenilo nesrečo za državo.

Izpril delavci v Ke-nochi vrženi v zapor

27 delavcev in delavk mora v zapor, ker niso plačali denarnih kazni.

Milwaukee, Wis. — Zvezni sodnik Geiger je 29. oktobra odredil, da se 27 pleteninarjev pri Allen-A kompaniji v Kenoshi zapre takoj v ječo. Dotični delavci, med katerimi je 10 žensk, so bili pred nekaj tedni obsojeni na \$100 globe vsak na obtožbo, da so prekršili sodnikovo prepoved mašnih demonstracij pred tovarno. Te kazni še niso plačali in zdaj morajo kazen odslužiti v ječi.

To je ena izmed mnogih afer, ki izvirajo iz izpora unijalskih pleteninarjev pri Allen-A Co. Izpor traja že od zadnjega februarja.

RUDARSKA ORGANIZACIJA IZVOLILA URADNIKE

Unija zahteva šesturnik in pet dni dela v tednu.

Portage, Pa. — Na organizacijski seji drugega distrikta National Miners unije, ki se je vršila te dni, so bili izvoljeni uradniki in sprejet je bil nov program. Predsednikom je bil izvoljen Charles Killinger, Peter Mallon podpredsednikom, Thomas McCluskey v izvršni odbor.

Nov program vključuje šesturnik in pet dni dela v tednu. Izvoljen je bil tudi poseben odbor, da izdela novo mezdno pogodbo, ki se predloži rudarjem v razpravo več mesecev poprej, predno potečejo stare pogodbe.

Na seji je bila tudi izrečena obdolžitev, da je bilo veliko število stavk v prošlosti forsiranih proti interesom rudarjev, ker so voditelji organizacije sklopali tajne dogovore s premogarskimi operatorji, kar je v prvi vrsti vzrok sedanjega mizernega položaja v premogarski industriji.

25-LETNICA SLAVIJE ŠT. 1 S.N.P.J.

Cetrt stoletja zdrave aktivnosti. Trije ustanovni člani počasteni na proslavi.

Chicago. — Zadnjo nedeljo je društvo Slavija št. 1 S. N. P. J. praznovalo petindvajsetletnico svojega rojstva. Proslava v avditoriju S. N. P. J. srebrnega jubileja je bila prva, ki je otvorila dolgo linijo enakih jubilejev v kolu začetnih društev naše jednote, predvsem pa srebrni jubilej jednote same, ki pride prihodnjega spomlad — ob devetih redni konvenciji.

Slavija, številka ena, je položila temelj S. N. P. J. Leto 1903 je bilo znamenito leto za našo slovensko delavce v Ameriki. V tem letu se je porodilo več samostojnih društev, ki so v dobrem pol letu postala jedro Slovenske narodne podporne jednote. Chicago, La Salle, Johnstown, Pa., Glencoe in Cleveland itd. so bile pionirske naselbine, ki so pred četrt stoletjem zgradile jednote, katere je danes največja in najmočnejša.

Srebrni jubilej Slavije je bil dostojno praznovan. Poleg nastopa dveh pevskih zborov, "Lilre" in "Bave", in godbe so bili v vzporedju sami slavnostni govori, s katerimi so se vrstili zastopniki člankah in okoljskih društev ter nekaterih drugih organizacij. Slišali smo tudi prvi govornik iz Jolleta, ki je zastopal društvo št. 189 S.N.P.J. Med gosti, ki so štastili Slavijo, je bil br. Spolar v imenu društva Zvon št. 70 J. S. K. J., g. Fajfar v imenu samostojnega društva Danica in br. Godina v imenu kluba št. 1 J. S. Z. — Najbolj se je postavilo društvo Pionirjev, ki je med lepim, stvarnim govorom br. Donald J. Lotricha poklonilo Slaviji velik in krasen boke krisanten. Br. Vidrich, podpredsednik jednote, je imel zaključni slavnostni govor.

Vilek slavija je bil, ko je predsednik Slavije br. Vider poklical na oder tri stare člane, ki so bili med ustanovitelji društva: John Stonich, Joe Verščaj in Tone Trampuš. Trojica jubilarov je prejela v priznanje in čast posebne slats snake, nakar je br. Verščaj — ki je še danes aktiven kot tajnik Slavije — v daljšem govoru podal zgodovinsko sliko iz onih dni pred 25 leti, ko se je počela navdušenih rojakov v Chicagu sestala v privatnem stanovanju in organizirala društvo. Počitica devetih moč in mladencev se ni ustrašila težav niti nasprotnikov, ki jih je bilo takrat mnogo. Vetrjala je in njeno delo je bilo stoterno in tisočerno povrnjeno.

Dvorana je bila polna občinstva, seveda največ je bilo članstva. Uspeh proslave je bil torej velik.

Uredništvo glasila S. N. P. J. se pridružuje čestitkam: Živi, rasti in cveti, Slavija, da boš velika, čvrsta in še vedno mlada in cvetoča, ko se snidemo ob tvoji petdesetletnici!

Misteriozne radioposle.

Oslo, Norveška, 30. okt. — Prof. Carl Stoermer, glasoviti strokovnjak glede severnega alja, prejema še nekaj dni na tukajšnji radiopostaji misteriozne signale. Od kod so? Ali mogoče z Marsa ali katerega drugega tujega planeta? Stoermer domneva, da so signali odmevi depeja na zemlji. On smatra, da je zunanja plast ozračja neprimerna za zemeljske depeke. Kadar depeja zadene ob to plast, se vrne nazaj v odmevu. Če je ta teorija resnična, tadaj je vsako obnavljanje z drugimi svetovni nemogoče.

VESTI IZ NASELBIN

Neutemeljeno "šepetanje".

Claridge, Pa. — Četudi je naša čaršavska naselbina ena prvih najbolj na društvenem ali pa na gospodarskem polju, ni bilo opaziti že dolgo v Prosveti nobene vesti od tu. Oglasiš se, ker sem takorekoč prisiljen, ker mi je prišlo na uho, da Slovenska narodna podpora jednota ni napredna, da plačuje zelo nizko ali malo bolniške podpore. Vsi tisti, ki radi enega ali drugega vzroka ne morejo pristopiti v SNPJ, se čutijo nekam utajene, ali ako bi rekli, da so "dželo" napram ostalim. Vse te pa prosim, da puste društvo št. 7 SNPJ pri miru, tako tudi celo organizacijo, ako nimajo nikakršnih dokazov za njihove govore.

Ni res, da bi bilo "sramotno" biti član SNPJ in "biti na bolniški podpori" ter da "se ne izplača biti bolan". Na tem izplača odgovarjam vsem nasprotnikom, da zasledujejo račune SNPJ, ki so vsi od časa do časa objavljeni v listu Prosveta, iz katerih je razvidno, koliko S. N. P. J. plača bolniške podpore, za operacije, odškodnine, odpravnine i tako dalje. Ako boste pregledali te račune, pa boste morali priti do zaključka, da ni rešenica, kar se govori, kajti vsako je lahko ponosen, da je član Slovenske narodne podporne jednote, ki je ena izmed najmočnejših in je najbolj napredna v vseh ozirih.

Tudi se nekaj govori, da "saj bodo šle vse slovenske jednote rakovo pot". To toliko v odgovor, da kaj podobnega ne bo prišlo jutri in tudi ne kar tako čez noč. In ako pride do tega, tedaj bo SNPJ zadnja, da "bo šla rakovo pot", šle bodo vse druge preje. Nekateri zavidajo lestvico, ki je v veljavi za bolniško podporo. Članstvo in cela organizacija jo smatra za koristno. Računi nam tudi to lahko potrdijo, da je lestvica ali right, tudi novih članov pristopi vedno lepo štejevalo. Zakaj? Zato, ker se njim vidi koristna. Vseledge pa ni treba nobenega rojaka ali rojakinje "biti sram", če spada k SNPJ, ker naša organizacija blati samo njene nasprotniki, ker vedo, da je S. N. P. J. v resnici najboljše, najnaprednejše in najkoristnejše podpora organizacija za nas vse.

Pregledajte poslovanje in vse račune naše jednote, pa boste gotovo mislili drugače, dobili boste sliko, kakršna v resnici obstoja. To naj bo vsem tistim v odgovor, ki jih tako glava boli, ker niso člani SNPJ in si radi tega toliko glavo belijo radi njeznega točnega in vestnega poslovanja.

V slučaju, da kateri rojakov zahteva račun in koliko se plačuje bolniške podpore pri našem društvu, tedaj naj mene vpraša, pa bo dobil jasen in točen odgovor. Naj še v zvezi s tem povem, da nimamo nikakršnih pritožb, da ta ali oni ni dobil podpore, kajti vsak jo pošteno dobi, ako se ravna po pravih jednote. Torej rojaki, ne ozirajte se na govore hudočelnih ljudi. Vsakdo naj poišče informacij od ene ali od druge jednote in naj pristopi, kjer vidi da bo zanj boljše v slučaju bolezni ali nesreče ter smrti.

Toliko v pojasnilo za enkrat; ob priliki kaj več.

John Štebrenak, tajnik društva št. 7.

Jesenska veselica.

Ob tej priliki bo veliko zabave za vse. Imeli bomo šaljivo pošto in tista oseba, ki bo sprejela največ razglednic, prejme krasno darilo. Za ples bo igral tamburaški zbor "Lira". Vstopnina za moške 50c, za ženske 25c.

Vljudno vabilo občinstvo iz Benwooda in okolice, da nas posetijo v obilnem številu. Izvrstna postrežba v vseh ozirih zagotovljena. Torej na evidenjo 10. novembra zvečer!

Veselični odbor.

Novembrske volitve.

Duluth, Minn. — Šesti november se vedno bolj bliža. Ta dan bo delavstvo pokazalo, koliko se je naučilo v preteklosti, glasovi, ki bodo oddani kandidatom socialistične stranke, bodo pokazali napredek.

V Minnesoti imamo polno listo Farmer-labor kandidatov za državne urade. Bili smo tudi uspešni, da smo dobili dosti podpisov za petičije Norman Thomasa in James H. Maurerja, socialistična kandidata za predsednika in podpredsednika. Torej boste imeli priložnost oddati vaše glasove za svoje kandidate.

Veliko se vam obljubljuje od demokratske in republikanske stranke, obljube in obljube, ali pomnite to, da obe stranki podpira velika denarna mošnja. General Motor kompanija, General Electric, Standard Oil in druge so v taboru obeh strank. Na milijone dolarjev prispevajo o bema strankama in njih zmaga je gotova, kajti naj zmaga Smith ali Hoover, prosperiteta bo tam, kjer je danes, ta se pa dobi vse drugje kot pri delavcih in kmetih.

Platformi obeh kapitalističnih strank sta si v bistvu enaki, nikjer ne vidite, da bi se razvzemali za dobrobit delavstva, nikjer ne kažete, da sta za boljše bodočnost človeške družbe. Hoover je rekel, da bo nadaljeval Coolidgeovo pot, pri tem ko pravijo, da bo Smith prinesel nasmev v belo hišo.

Mislím, da ste vsi volilci dosti skuksili zadnjih šestnajst let demokratske in republikanske prosperitete, ni vam treba v spomin klicati demokratske brezposelnosti leta 1914-15, progone delavskih organizacij in njihov voditeljev v dobi A. Mitchell Palmerjeve službe kot juistični tajnik pod Wilsonovo administracijo, napad na strokovno unije in začetek "open shop" gibanja, ki se je kar najprej držalo ko je Hardingova administracija nastopila in potem Coolidgeva.

Torej, če se zavedate, da je delavstvo izkoriščano, pa najsi bomo na krmlilo demokratska ali republikanska stranka, boste oddali vaš glas Norman Thomasu za predsednika in James H. Maurerju za podpredsednika.

Kandidatje Farmer-labor partije v Minnesoti za državne urade so:

Henrik Shipstead, za senatorja; Ernest Sundeen, za governerja; Thomas Meighen, za podgovr.; Louise W. Stageberg, za državno tajnico; Peter J. Leberger, za blaginjaka; C. F. Gaarenstrom, za justičnega tajnika; J. L. Peterson, za R. R. & Warehouse Commissioner. Potem kandidata za vseh 10 distriktov v kongres in tudi v državno legislaturo.

Zraven teh pa imajo tudi komunisti kandidata za governerja, senatorja in nekaj kongresnikov.

Denarja je tukaj dosti za poraz Shipsteada in demokratska stranka je tudi dosti denarja potrošila, da bi socialistična kandidata Thomas in Maurer ne prišla na volilno listo. To vemo mi, ki smo nabirali glasove, dobili smo jih le 155 več kot je bilo potrebno. Torej delavstvo, če hoče odpraviti mizerijo brezposelnosti in pomanjkanja, voli za Thomasa in Maurerja, ter Farmer-labor državno listo!

John Kobi.

Napačne govornice.

Carlville, Ill. — Ko smo obhajali 10 letnico društva št. 362 SNPJ, je bilo odpejano jagnje z veselječnega prostora. Govorilo se je, da je bil brat David Paisoli, član našega društva, pristig "bonču" ko se je stvar vršila. Na prošli mesečni seji se je zahtevalo, da se stvar preloži ter da se do moč komitaju, ki ima nalogo pronajti, kaj je pravzaprav na stvari. V to svrhu sta bila izvoljena Louis Parkelj in Louis Vozel, ki sta pronašla, da je bil brat David Paisoli crvivčno osumljen ter da ni imel nič pri tisti stvari.

Subelj v Springfieldu.

Springfield, Ill. — Dne 4. novembra bo tu koncert g. Antona Sublja, o katerem smo že mnogo slišali in čitali, o njegovem krasnem glasu, finem nastopu in smo ga končno povabili tudi mi v Springfield.

Koncert prične točno ob 4. polnoči v Carpenter dvorani na Sedmi in Adams cesti. Po koncertu bo ples in prosta zabava. Vstopnina 50c v predprodnji, pri vratih 75c. Vstopnice se dobe pri vseh uradnih lokalnih društev kakor tudi v Slovenskem domu. Koncert prične polnoči zato, da bodo imeli rojaki in rojakinje iz bližnjih in oddaljenih naselbin priložnost udeležiti se.

Slovenci od tu in iz okolice, udeležite se tega koncerta. Pridite poslušati svojega rojaka, opernega pevca, ki bo pel naše slovenske pesmi, kot jih še nismo slišali peti. Vsa, ki ga je že slišali, je vesel, da ga je še poslušat. Poslušajte se te ugodnosti in pridite vsi!

Jos. Ovea.

Iz solnehe Californije.

San Francisco, Calif. — V tem času se, skoro drugega ne sliši kot je o trgatvi in o prešanjfu, ne le tam zunaj na deželi, pač pa tudi v mestu trgovinah. Tudi tukajšnji Izobraževalni klub Slovenija je priredil dne 14. oktobra vinako trgatve v Eagles auditoriju ob 2. pop. Rojak Joseph Fabian je imel pozdravni govor in pojalni, na kakšni podlagi je bil klub ustanovljen pred šestimi leti. Povedal je, da je največ klubova zasluga, da ima naša tukajšnja naselbina danes svoj Slovenski napredni dom.

Zatem so nas razveselile s petjem naša slovenska dekleta Pauline Stajzer, Josephine Patrick, Annie Fabian in ga. Rose Besek Nobles. Prav lepo je bilo slišati lepe domače slovenske pesmi, kot "Po jezeru" — Miss Fabian solo, ki je žela takšen aplavz, da je morala dati tri ankore. Ima tako mil glas, da človeku privabi solze v oči. Ob tej priliki se je slišalo besede: "Pa naj kdo reče, da slovenske pesmi niso lepe!" — Zabavale so nas tudi male deklice. Sedemletna Evelyn Stajzer je zagrnila komad na piano. Upamo, da se bo pridno vadila in da nam bo še večkrat zaigrala. Ples je proizvajala okrog sedem let stara hčerka družine Derganceve iz Valleyja — "The Wooden Soldier" in "Over the Waves". Plesala je tako krasno, posebno "Waves", da se je človeku zdelo, kot bi se v resnici zibala na valovih Pacifika.

Master Nick Kostecy je plesal ruski narodni ples, kar je bilo tudi nekaj izrednega in finega. Mladi Henry Shobar je igral na banjo par angleških koranic in tudi korančico SNPJ, kar je seveda bilo za nas nekaj novega. Da smo bili lahko prepričani, da se tudi onkraj zaliva zanimajo za nas, je nastopil tudi kajlji Tone z njegovo koncertino in z dvema pomagačema. Ker se mu je menda dozevalo, da je še premalo godbe, pa je prinesel na oder še nekakšno muzikalčno škatljo, o kateri pravi, da jo je privlekel prav od tam, kjer imajo polja priveznega pri vodnjaku. "Istuhlat" jo je sam in jo bo dal patentirati, kajti boji se, da mu kdo njegovega izuma ne ukrade. No, saj Tonetu radi verjamemo, da je bil iz njegov izum, kar je bilo v dotični "baksl".

Hrvnaški tamburaški klub "Budučnost" je zaključil program, kateri je bil v resnici vse skozi izvršen, zakar gre čast izvrševalnemu odboru, ki se je potrudil, da je zabava tako dobro uspjela. — Po tem lepem programu smo vsi hoteli v spodnjo dvorano na vinsko trgatve, kjer so se vršile pohoke in razporeke. Bilo je v našem gradu veliko čuvajev, ki pa niso mogli preprečiti kraje grozdi. Razstume se, da je bil vsak tat takoj prijet in vržen v ječe, iz katere se je moral odkupiti, če je hotel na prosto. Dekleta v narodnih nošah so se kar kosale med seboj, da katera se bo večkrat poročila ali razporočila. Za naštevnejšje poroke je dobila krasno darilo Miss Mary Fabian; dali se je tudi največkrat razporočila, tega ne vem.

V kuhinji so se vrtele naše pridne kuharice. Skuhale so pravi gulaš in prave kranjake klobase Jelenevičevega izdelka, s kislim seljem seveda. Da je bila večerja dokaj okusna, je najboljši porok dejstvo, da ni prav nič v kuhinji ostalo. Največja gnječa je kajpak bila okrog slavne bare. Zakaj pa tudi ne, ko pa je bila kapljica taka, da bi se je še celo angeljki ne branili, kam šele otroci Slovenije. Čast kalifornijskim farmarjem, ki anajo pridelati tako izborno kapljico. Le škoda, res škoda, da je tako brzel čas in prišla polnoč, ko nas je mož postaviti domov nagnat. Treba je pa pripomniti, da se je vinska trgatve, oziroma njene posledice so se še potem dolgo v noč ponavljale in poznale tam na hribu, pa še marsikje, prav do jutranje zore.

Naše predstave.

Pueblo, Colo. — Dne 14. oktobra je tu dramski odtok društva Orel št. 21. SNPJ vpriporil igro "Pred poroko" za društvo št. 42 JSKJ. To je veselodiga ali burka. Igrana je bila tako dobro, da so navzoči zahtevali, da se jo ponovi, kar se bo tudi zgodilo, in sicer sedaj za društvo št. 21 SNPJ v nedeljo dne 4. novembra ob pol osmih zvečer v Rojcevi dvorani.

Sedaj boste imeli vsi priložnost videti to igro, tisti, ki niste bili zadnjič in tisti, ki ste jo že videli, kajti ameha je bilo v tej igri in je vredno, da se jo dvakrat vidi, vsak prizor doda novega humorja.

Že nekaj let se v Pueblu od časa do časa prireja vedno večje in večje igre, ampak o nas se ne piše v naših listih, kar bi bilo potrebno in koristno. Pa tudi o naših drugih prireditvah se ne piše. Ali ni v naselbini nikogar, ki bi povedal javnosti in naših starejših in mladih igralcih? Nihče neče pisati oeno o naših igralcih, kar bi bilo zelo umestno, da se s tem poži dramatik v Pueblu. Na prošli prireditvi je bila res lepa udeležba, pa tudi lep mir je vladal brez vsakega nepotrebnega šuma. Nehote se človek pri tem vpraša: Kdo se izboljšuje, mi, avdiencia, ali igre ali igralci? Jaz si na to odgovorim, da igre in igralci oboje, pa tudi mi, občinski, kajti mirna avdiencia nudi vsem več duševnega užitka.

Udeležimo se spet prihodnje predstave. Udeležite se je tudi vi iz bližnjih naselbin, vam ne bo škalo. V tej igri nastopijo mladi igralci, rojeni v Pueblu. Pa kako dobro govorijo slovenski! Prav zares! Na evidenjo 4. nov.

Joe Hočvar.

Veselica gosp. odtoka.

Waukegan, No. Chicago, Ill. — Jesenske veselice in zabave so akore na dnevnem redu. Vaukegan društvo ali klub si želi prirediti kakšno zabavo, nekaj radi razvedrila, nekaj pa radi gromotne pomoči, radi zadnjega menda največ. Med temi je tudi naše žensko društvo Moška enakopravnost št. 119 SNPJ, katero priredi svojo veselico dne 3. novembra v spodnjih prostorih Slovenskega narodnega doma. Pričetek ob 7. zvečer. Igrala bosta naša znana igralca Rudy in Jack. Ob tej priliki bo oddana lepa svetiljka (floor lamp), krasna ovratna veržica (koravde) in mala mizica. Vso to bo oddano na tej veselici.

Na veselici ženskakega društva št. 119 je vedno bila pristna domača in prvovrstna zabava, kajti članice so se vedno potrudile, da se občinstvo ni dolgočasil. Tako bo tudi sedaj. Tri srečne osebe pa bodo imele še to delo, da bodo morale neati domov darila. Rojaki in rojakinje, udeležite se te veselice, ne bo vam škalo. Posebno pa opominjam članice našega društva, da se udeležite, kajti vse imamo enake pravice, imejmo pa tudi dolžnosti. Vstopnina je 25c.

RAZNA NAZNAJILA

Aurora, Minn. — Opozorjam člane društva Aurora št. 43 SNPJ, da se bolj pogosto udeležujejo društevni seji, da se bodo vsaj samogreje vrtili. Na zadnji seji je bilo samo pet članov s odborom. To je pač lep dokaz, da vam ni društvo mar. Ni dovolj, da član samo plača svoj assement, potrebno in njegova dolžnost je, da pride na sejo. Včasih član bi moral vedeti, kaj se godi na društevni seji. Razpravlja se na sejah v dobrobit društvu in jednoti. Član, ki se ne udeležuje društevni seji, ne more reči, da je dober član SNPJ.

Torej, še enkrat vas prosim, da se udeležujete seji, da bomo lahko rekli, da smo dobri in vredni člani naše velike organizacije SNPJ in da delamo za še večjo in močnejšo SNPJ. Iskramo se vršimo naše organizacije!

CITAJMO IN UČIMO SE!

Zima prihaja in večeri postajajo dolgi. Za delavce, ki v mladih letih niso imeli prilike hoditi v šolo, razen v ljudsko, pa prihaja čas, da pomnože in razširijo svoje znanje in izobrazbo. Večeri so dolgi, vreme slabo, večasi dežuje, večasi sneži, okoli vogalov pa pihajo in tulijo mrzli vetrovi. In ob takih časih se človek počuti dobro, ko pride od dela domov, da sede k mizi v toplo zakurjeni sobi, vzame v roke delavski list ali pa dobro knjigo, znanstveno ali zabavno, ter čita z duhom. Ko knjigo ali časopis odloži iz svojih rok, se pa v krogu svoje družine razgovarja o prečitnem. Tako ne izobrazuje le samo sebe in ne širi le svojega znanja, ampak pomaga pri vzgoji svoje družine. Kako hitro mine čas, ako se delavci pri enem ali drugem svojem tovarišu snidejo zvečer ali pa ob nedeljah in izmenjajo med sabo to, kar so čitali med tednom v knjigah in časnikih. Ob takih prilikah drug drugemu pove, kako je zapadel to, kar je čital. Dostikrat nastane razprava o tem in konča na ta način, da se to pravilno zapopade, kar se je čitalo. In to je šola in sicer šola, katere se lahko vsak delavec posluži za obogatitve svojega znanja. Delavci se tako uče samostojno misliti in delati samostojno zaključke na podlagi tega, kar so čitali med tednom. Obenem so učitelji in učenci. Obenem uče druge, a zaeno se tudi sami uče od drugih.

Slovenska narodna podpora jedna ne deli le podpore bolnikom, ponesrečenim in v revščini se nahajajočim članom, ampak daje tudi duševno podporo. "Namen jednote je tudi podpirati svoje člane duševno in jih povzdigniti kulturno z zbujanjem prave demokratične zavesti med njimi z združevanjem in izobraževanjem," je zapisano v pravilih S.N.P.J. V doseg tega namena izdaja jednota svoje glasilo in druge publikacije, pisane v duhu prvega stavka načelne izjave in naprednih socialnih idej, podpira po sklepih konvencije dobre kulturne in civilizatorične ustanove, glavni odbor pa svetuje članstvu in izvršuje z vsemi mogočimi sredstvi vse pravilne sklepe konvencije in referendumov v gmotno in duševno korist članov.

Jednota je izdala poleg svojih rednih in izrednih publikacij še knjige, da izvrši svojo nalogo, ki si jo je nadela po zaključkih svojih konvencij.

Oglas, ki pove, kakšne knjige ima na prodaj S.N.P.J., je priobčen na drugem mestu.

Gotovo je zanimivo, da človek ve, kakšni ljudje so živeli pred belopoltniki v Ameriki. Kako se je dežela razvila, da je dosegla današnjo višino. Za človeka je dobro, da razume splošni razvoj in naravne zakone. Važno je zanj, da pozna tudi skrito življenje slovenskega ljudstva v Ameriki, da se izogne v svojem življenju temu, kar bi imelo zanj zle posledice. Nič ne škoduje, ako ima človek zbran statistični drobiž v posebni knjižici, da večasi vanjo pogleda, kadar išče podatkov za rešitev enega ali drugega vprašanja, ki je zanj važno.

Vrhtega ima Slovenska narodna podpora jednota v zalogi knjige zabavne vsebine.

Knjige so na prodaj zdaj po tako znižani ceni, da jih lahko naroči tudi siromašen delavec. Naročajo se pri upravi Prosvete, za člane jih pa lahko naroči tudi društveni tajnik, ki pošlje naročilo z mesečnim poročilom za svoje društvo. Knjig je osem in vse skupaj stanje štiri dolarje dvajset centov.

Ali ni vredno izdati tako majhen znesek za razširjenje svoje izobrazbe in znanja? Denar mine, znanje pa ostane kot bogat zaklad in dostikrat obvaruje človeka pred dvajset ali še večkrat večjo škodo, kot je dal za knjige. Ne pozabite, da je med temi knjigami tudi Slovensko-angleška slovnica.

Tisti, ki se nimajo teh knjig, naročite kar vse knjige. Zal vam ne bo nikdar za denar, ki ste ga izdali za te knjige.

V uradni izdaji "Prosvete" se semintje čita: "Stvar spada pred konvencijo" — "Zadevo bo rešila konvencija." Nekateri člani, ki prejmejo tak odgovor, mislijo, da so povabljeni s tem na konvencijo, da bodo stvar tam zagovarjali. Ti člani so v zmoti. Na konvenciji nima besede in glasa nihče drugi, kot oni člani, ki so po pravilih

S.N.P.J. opravičeni do tega. Konvencija sestoji iz pravilno izvoljenih delegatov, glavnih odbornikov in odbornikov za pravila. Glej tretjo točko IV. člena na strani 19 pravil S.N.P.J. Ta člen tudi določa, kako si konvencija uredi svoje poslovanje, kako se vlagajo pritožbe in po kakšnem redu prihajajo pred konvencijo.

Konvencija je najvišja oblast poleg referendumov in si lahko zase uredi poslovni red po svoji volji in tako kot sklene večina. Ona lahko takoj prekliče veljavne točke v pravilih in jih nadomesti z drugimi, a pri tem se mora ravnati po proceduri, ki je določena v zakonu za bratske podporne organizacije države Illinois.

Vsak, kdor misli svoje zadeve spraviti pred konvencijo, naj se ravnata strogo po IV. členu in drugih členih, ki se nanašajo na konvencijo, pa bo pravilno ravnal.

Ako je gl. upravni odsek ali gl. odbor bil mnenja, da stvar spada pred konvencijo, in je to urednik sporočil v listnici uredništva prizadeti stranki, še to ne pomeni, da mora priti pred konvencijo, ampak prizadeti stranki je bil podan nasvet, da lahko spravi zadevo pred konvencijo po potih, ki jih predpisujejo pravila S.N.P.J., ker glavni odbor ali gl. odsek po pravilih nimata moči, da jo rešita.

Razprava o pravilih

Cleveland, O. — Gotova stvar je, da pravila moramo vedno izboljšavati na kakršenkoli način, da bodo primerneje odgovarjale interesom članstva, ki je sestavljeno iz delavstva. Drugo je to, da sedaj je čas, da članstvo da svoje sugestije za nova pravila, kakšne točke bi služile boljše interesom članstva in jednoličnosti celoti. Tretje dejstvo je to, da pravila morajo biti naš vodnik, in prav radi tega se mora članstvo bolj zanimati za bodoča pravila in dajati sugestije. Na tem mestu želimo podati tudi jaz svoje sugestije glede par točk.

Na 1. strani pravil se glasi 1. točka v zadnjem stavku (Namen in Sredstva): "... dalje je namen jednote, podpirati svoje člane duševno in jih povzdigniti kulturno z zbujanjem prave demokratične zavesti..." Tu bi se naj glasil tako-le: "Jednota podpira svoje člane v pravem delavskem duhu in jih povzdiguje kulturno z zbujanjem prave delavske demokratične zavesti..."

Čital sem sugestije nekaterih sobratov, da se delegatov in drugim članom konvencije ne plača več kot \$7 dnevno. Jaz se popolnoma strinjam s sugestijami teh bratov. Dalje, glavnim odbornikom, ki so nastanjeni v gl. uradu iz dnevno plačo, se nič ne plača za časa konvencije poleg njihove redne mezde, plača pa se jim za njih izredno delo. Na ta način bi se dalo prihraniti 10 tisoč dolarjev za S.N.P.J. in njeno članstvo.

VI. člen, 4. točka pravil se glasi: "... Inicijativni predlogi se sprejemajo z navadno večino oddanih glasov, izjemni kjer pravila določajo drugače." Po mojem mišljenju je ta točka zgrešena in bi se morala glasi: "Vsak inicijativni predlog se sprejme z navadno večino oddanih glasov in ni drugače."

Služni toč je v pravilih velika, ki se mi zdi, ne odgovarjajo potrebam kot jih jaz vidim. — Dalje glede točke o bolniški podpori. Jaz se popolnoma strinjam z društvom iz Bessemerja, namreč da se spet uveljavlja stara točka glede plačevanja bolniške podpore. Strinjam se s to točko radi tega, ker mislim, da bi se na ta način pomagalo

mnogim članom, ki se tako nesrečni, da so že dolgo časa bolni.

Razumem, da bo veliko članov kritiziralo moje sugestije, češ, da bo preveč za plačati. Jaz to umejem, toda morda bo ravno ta točka najbolj potrebna tistim bratom, ki mislijo, da bodo sedaj za drugega plačali. Mi delavci ne vemo kaj nas čaka.

Na 118. strani pravil se glasi v XXXIX. členu, 12. točka, zadnji odstavek: "Gl. urednik pa mora priobčiti vse dopise, v katerih se stvarno in dostojno kritizira posamezne člane, društveno upravo, gl. izvrševalni odsek ali gl. odbor in njegove zaključke ali jednotno gospodarstvo." — To ni pravilno, ker jaz mislim, da zato imamo glasil, da v njem lahko povemo svoje mišljenje članstvu, ako je kaj krivičnega v S.N.P.J. Vselejga bi se morala ta točka glasi: "Gl. urednik mora priobčiti vse dopise, v katerih se dostojno in istinito kritizira vse tisto, kar škodi interesom S.N.P.J. in njemu članstvu in se ne vpraša kaj in kdo je pisal dopis."

Apeliran na ostale člane, da tudi oni podkajo svoje sugestije glede mojega mišljenja in njihovega, tako da bomo z več sugestijami dobili nekaj dobrega ven. Bratje ven s sugestijami! Matt Lucich, član dr. št. 126.

Odkritje Meštroyičevih kipov odloženo

Chicago. — Pripravljalni odbor za proslavo ob priliki odkritja Meštroyičevih kipov je prejel od South Park komisije sporočilo, da je ista odložila odkritje za nedoločen čas, to pa zato, ker ni mogoče izvršiti dela okoli kipov do zadnjik določene dne, in sicer do 4. novembra 1928.

Pripravljalni odbor bo še nadalje funkcioniral ter gledal na to, da bo še več naroda tamkaj ob tisti priliki, kakor pa bi ga bilo dne 4. novembra.

Priprava: odbor.

Triletnica Pionirjev

Chicago. — Prvo angleško govoreče društvo SNPJ je staro 3 leta. Svoj tretji rojstni dan obhaja v nedeljo dne 4. novembra v avditoriju jednote. To mlado društvo je nastalo s tako skoro neverjetno brzino na članstvu, da ob svoji triletnici šteje nad tristo članov v obeh oddelkih; v odraslem okrog 240.

Društvo mladih Pionirjev je v kratki dobi treh let pokazalo mnogo, pokazalo je svoje konstruktivno delo na vseh poljih svojega delokroga. Mladi Pionirji so v resnici pokazali veliko več kot je katerikoli starejših članov pričakoval. Pionirji so dali pravo jedro mladinskemu gibanju za ustanavljanje angleško govorečih društev, ki so že narastla na lepo številu, na PET-INSTIRIDESET angleško govorečih društev. In to v kratki dobi treh let!

Ako so čikaški Pionirji lahko pridobili v tej dobi 300 članov v mestu kot je Chicago, kjer žive naši ljudje tako oddaljeni eden od drugega, tedaj ni vzroka, ne postoja dejstva, da bi v kompaktno naseljenih naselbinah naši energični člani v lahko ne samo dosegli, pač pa prekosili Pionirje v številu. Polje je še veliko, slovenski starši pa naj si nadenejo nalogo, da bodo svoje sine in hčere poslali v društva Slovenske narodne podporne jednote, ki jim nudi kraano in izredno priliko: poslovanje v jeziku, katerega najbolj razumejo.

Ob triletnici društva Pionirjev pridejo v Chicago slovenski mladeniči iz metropole na žogometno igro. Ta incident bo brezdvoma dal še večjega pomena slavju triletnice. Zvečer ob 6. bo ob tej priliki v avditoriju jednote banket, po banketu pa ples. Popoldne in zjutraj se vršijo žogarske tekme.

Program slavja 4. nov.: Ob 5:30 zjutraj sprejem clevelandskih gostov na La Salle postaji; ob 7. dopoldne zajtrk v jednotni dvorani; ob 10:30 dop. žogometna tekma med društvoma Loyalties in Stalwarts v Douglas parku; ob 12 (popoldne) kosilo v dvorani SNPJ društvo št. 632, gostitelj; ob 2. popoldne baseballa tekma za šampionstvo med društvoma Loyalties in Little Fort v Douglas parku; ob 6. zvečer banket v počast triletnice društva Pionirjev v dvorani SNPJ, in ob 8. zvečer prične ples ter traja do polnoči.

Clevelandski gostje odidejo iz La Salle postaje ob 10. zvečer. Vabljeni so vsa lokalna društva, da pridejo v jednotno dvorano ob 7:30 zvečer.

OPAZOVANJA

Sreča, sreča, sreča... Riko in Liza obhajata srebrno poroko. Petindvajset let, četrto stoletje je, kar spita skupaj v eni postelji, jesta pri eni mizi in se kregata v eni atmosferi. Imenitna obletnica!

Dva suznja, ki sta drug drugega zasužnjila, zdaj zreta nazaj na to dobo lepe in grde suznosti. Kaj imate od teh petindvajsetih let? Kaj sta pridobila in kaj izgubila? Koliko sta bogatejša in koliko revnejša?

Riko se je napil veselja in žalosti — zato ne gleda dosti nazaj, niti naprej. Tako je delal vseh petindvajset let, in zakaj ne bi še danes? Liza je trezna, zato pa bolj razpoložena; njene oči so jasne in vidijo daleč. Kako je torej bilo?

Po pravici rečeno: eno leto je bilo dobro. Eno leto božanja in sladkosti in štirindvajset let hudovanja in trpkosti! — Po prvem letu je prišlo prvo dete. Ko je bilo staro eno leto, se je prehladilo in umrlo. Liza je še danes prepričana, da je bila obleka premalo gorka in hiša premalo zakurjena, ker je tisto zimo zmanjkalo premoga; zmanjkalo je zato, ker ni Riko imel dela in ni bilo denarja.

Izgubo sta nadomestila z drugim otrokom. Živel je tri leta in odšel za prvim. Liza se ni pozabila onih dni. Težki so bili dnevi, ko je Riko klical zdravnika, pa ga dolgo ni bilo, ko mu je povedal, da bo moral čakati na denar. Zdravnik — da pokaže, da je usmiljen človek — je prišel, ko je bilo že prepozno.

Ko je prišel dan obletnice, se je Riko jeze napil, Liza se je jokala, ker ni pisala od sina in ker jo je hči ostela, ker ni denarja za pošteno večerjo, na katero bi povabila svoje prijatelje in prijateljce...

"Oh, zakaj nisem rekla pet prasičkov! Bilo bi vsaj nekaj korist, tako pa..." je vzdihnila Liza.

Kaj sem videl v Rusiji

Potovanje v Rusijo in dogodki v boljševiški komuni.

Piše Josip Juhović, Pittsburgh, Pa.

Ostali so tri dni v Moskvi. Tretji dan srečajo nekega človeka, ki je prišel iz naše komune, ki je prišel po nas! Nekje se je bil izgubil kjez vsemu imeli ostati tri dni, kajti morali smo se tukaj podati, ker se mu ni nič mudilo. Svoval je naši trojici, naj gresta dva takoj v komuno in naj samo eden čaka na kovočev, da si prihranijo stroške v hotelu. Tako je tudi bilo. Naši kovočji so prišli za nami v komuno šele čez mesec dni!

3. Iz Moskve v Harkov. — Zopet tatvina. — Hotel v Kersonu. — Kako se kupuje kruh. — Zdravniška preiskava. — Novo lakorisanje. — S parnikom na cilj.

Cim se je vlak pomaknil iz Moskve, nas konduktur opozoril, da dobro zapremo vrata in okna kupeja in da si prtljago dnevno pod glavo, kadar bomo spali.

"Zakaj?" ga vprašamo. "Po vlakih silno krađejo," je bil odgovor.

Lepo opozorilo! Tatvina in tatvina! Ruski komunisti menja smatrajo, da "kar je tvoje, je tudi moje", si mislim jaz in že blede moje upanje, da bomo mogli vzdržati in ostati v tej deželi. Nu, kaj mi je bilo stori drugega kot skriti denar v nedrje in stisniti prtljago pod glavo.

Druga dne okoli poldneva pridemo v mesto Harkov. Tu smo čakali na kolodvoru do desetih zvečer na drugi vlak, ki nas odvede v Kerson, zadnjo postajo na železnici. V Harkovu smo videli isto in še slabše kakor v Moskvi. Kakor da v Rusiji ni drugih ljudi, razen razcapanih prosjakov! Ko stopimo v vagon pri odhodu, začujemo jok neke žene.

"Kaj je, kaj je?" "Okradena je!"

Ni novega, si mislim. Sem se že privadil... Zopet pride konduktur in svetuje vsem: Zaprite vrata in okna in prtljago pod glavo! — Vlak je drvel naprej, a jaz sem želel, da je šel nazaj...

Druga dolga vožnja. Šele drugi dan ob petih popoldne priispemo v Kerson, na nako zadnjo postajo, na kateri nas je čakal odposlanec iz naše komune. Bil je to takozvani agronom ali poljedelski strokovnjak. Nameščen je od vlade, da vadi gospo-

The Young S. N. P. J.

Editorially Speaking

Our Movement.

The Young SNPJ movement is but three years old. Considering our achievements of this brief span of life, we are compelled to realize that they were not few in our field of endeavor. A most commendable and outstanding example of the remarkable development of the English-speaking lodge movement within our Society is afforded in the various activities in the life of The Young SNPJ branches. In a period of three brief years their number has grown so rapidly, their activities have become so numerous and their expediency, as daily manifested, such a pressing need that The Young SNPJ today numbers FORTY-FIVE well organized locals.

Forty-five English-speaking locals within three years' time spell for us success that commands admiration. In three years' time the English-speaking lodges have accomplished much, some more, to be sure, others less, according to their particular locality and field of endeavor, but all have shown one positive fact: existing necessity for their being.

Let the thousands SNPJ workers throughout the Jurisdiction remember that October and November are the natal months of the Society, first of the Society and the latter of the English-speaking lodge movement. These two months should annually observe birthdays of the two milestones in the history of our organization, and should stand out as the time for extraordinary activities.

A CARD OF THANKS

Chicago.—Members of Lodge No. 1, SNPJ, wish to express their sincere appreciation to all who attended our lodge's 25th anniversary celebration October 28; we thank the representatives of local lodges, and especially Pioneer Lodge, No. 539, SNPJ, for their beautiful floral tribute—a tribute of one pioneer to another, for just as Lodge Slavija was the embryo of the Society, so was Lodge 539 the incipient of the English-speaking lodge movement within that same Order. We assure you, Pioneers, that we will always remember this token of your sincere friendship and true fraternal spirit.

F. A. Vider,
President Lodge No. 1.

On Sunday, November 4, a great manifestation of genuine spirit, of brotherly interest and fraternal fellowship will be displayed by the representatives of other Young SNPJ lodges who will journey to Chicago from Cleveland and nearby cities there to have a part in this rare manifestation of momentous importance to the English-speaking locals, and historical interest and import to the whole Society.

The rapid growth of The Young SNPJ at the end of three years' period is ample proof that this movement must go on and it will grow even stronger and larger, because in its embryo—there was life. It must go on until it reaches the last Slovene family, until the last young Slovene becomes a member of this great organization. We know what those who are not as yet members of the SNPJ need and what they miss. Therefore it should be our duty to acquaint them with the Society's exceptionally good work and to help them, for which help they most assuredly will, at the end, be grateful to us for our sincere and worth-while inducement. It's up to us to do our share in bringing them into our respective locals, because we know they will benefit in the long run.

Since the Lodge Pioneers was the first to be organized three years ago, it is our aim and duty to observe with them their third anniversary, for they deserve our co-operation and sympathy in full measure. Let us all rejoice at their third jubilee.

Our Third Anniversary

Quite often we hear of the sway of the world's pendulum, and of the accomplishments in the course of its swing. They have told us of the rise to power of great domains because of the use of good judgment; of the path to glory that comes with being careful; of the success attained by being persistent and ambitious, and of the downfall and disaster that overtakes misjudgment and mismanagement.

It was just three years ago that our story has its beginning. Twenty individuals, they themselves considered but trifling eggs in this big wheel of progress, assembled to form that little lodge named Pioneer. Few gave it much consideration and some even spoke unfavorably of it. But the young people who formed the nucleus of progress, assembled to form that spirit and desire to cast their lot and take their chance with the rest of the fraternal world.

No one ever dreamed that it would flourish as it did, or that this nucleus would give others the incentive to build so strong a movement within so short a time. But it did. Sisters Anne Golob and Helen Underwood Luckus, instigators of this movement, deserve every honor that we can bestow upon them.

Harmony was the keynote of every undertaking. We didn't have to preach cooperation—we practiced it. We were persistent, yet careful, and our actions expressed our desire and our spirit. In other words, we were successful.

IN THREE YEARS

1. The Pioneer lodge has increased its membership from 20 to 315.
2. The Pioneer lodge has secured enough revenue to hold a surplus of \$1240 in its treasury (as of October 20th).
3. The Pioneer lodge has become the largest and leading lodge of the 12 SNPJ lodges in Cook County.
4. It has given inspiration to the growth of forty other English-speaking locals of the SNPJ.
5. It has been successful in three big dances, three picnics, four other outdoor gatherings, three buncos parties, one hard time party, two Pust demonstrations. It celebrated its first anniversary with a banquet, the second anniversary with a dance, and will have another banquet at its third anniversary. It has held three social evenings with the Supreme Board of the SNPJ.
6. It has held and participated in six membership drive campaigns with excellent results and awards.
7. It has taken care of many sick members and seen three of its members to their everlasting resting place.
8. It has paid out a large sum from its own treasury in support of sick members of our lodge and of other lodges who appealed to us for aid.

Any reason to say or even believe that the tactics and policies of the Pioneer lodge in general were not just and proper is refuted by the above facts. We try to please and satisfy everyone. Perhaps we fall in some instances, nevertheless, we feel satisfied that the records of the past three years deserve your approval and hearty endorsement.

To the best of our knowledge, everyone was satisfied with the tactics of the Pioneer lodge during the first and second years of its existence. Recently, a few have caused a little disharmony to creep in and to those it is necessary to explain that the Pioneer lodge is pursuing the identical course and tactics now that it did during the first two years. And as long as the will of the membership will permit, it shall continue to pursue these honest, open and sincere tactics until it shall acquire permanent possession of the title, "the largest and best lodge in the SNPJ."

On the occasion of our third anniversary, I earnestly appeal to all members to continue in the paths already designated, to lend every assistance toward the further progress and growth of the Chicago Pioneers, for which you can be assured that the title "largest and best SNPJ lodge" will be bestowed sooner than you perhaps anticipate. Do it for the sake of Progress.

Donald J. Lotrich,
President, Pioneer Lodge 539.

SISTER COMRADES!

Cleveland.—All sister Comrades, who know how to play Basketball, please attend the special meeting at 1221 Norwood Rd. on Thursday, November 1, at seven o'clock.

BREEZY TALES

By Susie, the Talkative Stragg.

We're Alabama bound. No; we mean Chicago bound. Will you be among the lucky individuals who can make this trip? I may be. Think of it, \$7.00 round trip to Chicago. A chance in a lifetime! Probably will never be able to have an opportunity of this nature in the future. Grab it, quick!

It's over. Again we girls made this affair a real success, with the aid of a few male species. What did you think of the decorations? If we can't cook we can at least decorate. Just another affair that went over with a bang under the direction of Joe, with the able help of his gang.

Tonight is the night. Lily has promised Susie the fifth dance. Watch us whirl!

Did you read the notice about the Comrades hiring a bus to go to the Zipper Dance on Nov. 17th? Send your reservations in quickly; first come, first served. Mary Zak has mine already.

Will see you at the Newburgh lodge meeting, Nov. 1st.

I have already settled with Joe for my tickets; have you? He told me that there is usually a few that always wait until the last minute. Are you one of them? You can leave them at ushlan's, Mary Zak's or at Cella's place.

What has the Entertainment Committee in store for us next? Julia told me, the Thanksgiving Dance to be held Thanksgiving Eve, Nov. 28th. For that night, the Committee has secured Al Palmer and his Starlight Serenaders. I have heard them once, any they have it all over Harvey Reinke, so we have some real music in store for us.

Too bad the Buckeyes have a dance on the same night as the Zippers. It is impossible for us, you know, to be in both places at once.

"The very likeness of Lindy." That's what the sign read. Now we know that we have an artist of the first water. Mix, the happy-go-lucky individual of our lodge. Smiling Mix.

And they said I did not know how to serve in the kitchen. Ask Julia how I served until she relieved me.

Did anyone get in without paying? Not with Johnny Alich at the door; one look at him and they were scared out.

Our super salesmen, Adolph Alich, Jimmy Mack and a few others. Probably Ann and Milly were the attraction; and that might be the reason for their hanging around in the refreshment room all night.

Where were some of our loyal workers (names supplied by one of the officials) Doni, Tony Kushlan, Vatro and a few others?

In time of need, she failed me. Who? Lily.

P. S.—Most of the above information was furnished me by my chum.

Attention!!

Kenosha, Wis.—With the curtain for a fairly successful indoor basketball season the Stalwarts next turn to their major sport—basketball. Training has commenced and the present outlook is very favorable. Many new stars will shine on the hardwood for the Stalwarts this season, this alone will assure a successful season. It is the sincere hope that other lodges will organize teams and thus form a basketball loop as we had in indoor basketball. The other sport that the Stalwarts will participate in is bowling. The outlook is not favorable but with a little support from the bowlers in our lodge we can at least give our neighboring lodges a very good run.

All candidates for bowling and basketball must meet at Robel's hall November 2 at 7:30 p. m. to discuss many important things.

John Mauser, Mgr.

Topics of the Week

The story of dancing dates back to the gold and ivory days of Ancient Greece—the golden age of dancing.

Since that time, the Terpsichorean art had a benevolent influence on the souls of all races. Dancing is a social and cultural necessity. It develops the physical and social well-being, as it is both an exercise and a delightful recreation.

As we usually delve into the past for other things, as for fashions, as for precedent in legal and economic relations, the Sunglars Lodge No. 632 of the SNPJ has revived the waltz and will bring it back to us on November 24th at "The Dance of the Lodges," where in the magnificent Lyons Town hall a monstrous waltz contest will be held. The contest will last only one half hour, and the young as well as the old folks are eligible to enroll and participate in this marvelous waltz contest.

The Dance of the Lodges, as its name implies, is dedicated to the honor of every SNPJ subordinate lodge. It is every SNPJ member's dance, and we hope that every member in the Chicago District will attend.

The crowning event of Chicago's 1928 Fall SNPJ Social Season shall be the "Dance of the Lodges," given under the auspices of the Sunglars Lodge No. 632, SNPJ, on November 24th at the Lyons Town hall, at Lyons, Illinois. The artistic decorations, which shall transform the newly remodeled Lyons Town hall into a palace of glittering beauty, and the hypnotizing, syncopated melodies created by Abeling's artists will, on November 24th, make life worth while to the large number of Sunglars' patrons.

On October 20th, the merry crowd of Lodge No. 86 were thrilled with the wonderful melodies of Abeling's Famous Syncopators, and everywhere you heard the remarks that, "This was the best orchestra that has yet played in the SNPJ hall."

Music lovers and dance lovers, your next opportunity to see and hear Abeling's artists in action will be on Saturday evening, November 10th, at the SNPJ hall at a dance given under the auspices of the Integrity Lodge No. 631 of the SNPJ. Let that glorious music imbibe and stir your soul and feet into action.

An intensive six weeks' drive by the groups in the World's fair which objective is to bring the enrollment in the World's fair legion by December 1st, 1928, when Congress convenes, to over one half million mark, is on. The opening date for this drive was October 14th and the closing date is November 25th, 1928.

The Chicago's World's fair in 1933 will be more than only a World's fair—it will be the world's greatest peace celebration ever held. People from all over the world will come to this celebration which will give them an opportunity to understand each other. All this grand human endeavor made in the interests of man's greatest desire—Peace. If you do not enroll in this legion today, you should surely enroll on November 11th, Armistice Day, the day when Peace was brought to the world, and on which day we should celebrate for Peace and support such projects which will bring everlasting Peace to mankind on this earth.

The Slovene section of the Jugoslav group has made a poor showing in the Chicago's World's fair legion enrollment drive. If the Slovenes cannot individually subscribe to a membership in the World's fair legion, they at least could do it collectively, by inducing each subordinate lodge to subscribe to an enrollment.

Over seventy letters were mailed to the subordinate lodges in the Chicago area, asking them to subscribe to a membership and to elect delegates, and send their names to the Sec'y of the Slovene Section, Richard J. Zavertnik, 3600 W. 26th Street, Chicago. The secretary received subscriptions only from one lodge, and the names of delegates only from four lodges. A very poor showing, indeed. If the Slovenes want to participate in the World's fair celebration in 1933, they better make up their mind before November 25th, by subscribing to at least three hundred enrollments. The enrollment costs only five dollars and you will receive ten tickets for the World's fair.

Richard J. Zavertnik.

FRIENDSHIP

Ada, O.—A common word, to be sure, but one that conveys a world of meaning. Pleasant intermingling of people, understanding each other's feelings, sympathy, overlooking of other's faults, going out of your way to accommodate others and a million other little things that constitute what we call friendship, or the finest sort of fellowship. May we make this as a motto of all our lodges, infinitely.

Lodi Mandel,
"Struggler."

FLASHES

By Incongruity

Brother William Putz is now recovering from an operation for appendicitis. He can be visited at St. Anthony's Hospital, 18th St. and Marshall Blvd. We are told that he will probably be at his home, 1801 S. 58th Ave., Cicero, after November 4th. Make it a point to visit him, Pioneers, even if you do not receive a call from the secretary.

Sister Albina Furlan has also been a patient at the hospital, but is now at her home, at 2711 S. Trumbull Avenue. Our Sister, Lucille Spayer, was forced to leave her home in Kansas, because of ill health. Brother Elmer Nemanich is at the Winfield Sanitarium, near Wheaton. Please visit our sick members at your first opportunity.

A fine attendance marked Slavija's 25th Anniversary celebration last Sunday. No less than fifteen speakers were on the program, and the flowers sent by the Pioneer lodge to express the existing bonds of friendship made a most favorable impression with Slavija's members as well as the audience.

The Cleveland team is coming out with about 100 other members next Sunday, November 4th. You will find a detailed program for the day in another column. Those of you who have cars and are willing to help convey them from the La Salle St. Station to SNPJ headquarters, should get in touch with Anne Golob at Rockwell 4904 or Donald Lotrich at Seelye 9400.

At six o'clock in the evening, November 4th, the Pioneers will celebrate their third anniversary with a banquet. Admittance is by invitation only and is absolutely without charge. Pioneer members will please return the cards enclosed with their invitations so that reservations can be made. Come on, Pioneers, let's give our visitors and other guests a real welcome and celebrate our anniversary in a way we'll always remember.

We sincerely and honestly recommend Norman Thomas and James H. Maurer as the finest specimens of American citizens. They are on the ballot for the offices of President and Vice-president of the United States. Many have endorsed these two towering pillars for their courage, honesty and sincerity. They are the hopes of the workers, and you, as one of them, are asked to cast your vote for them at the election Tuesday, November 6th.

THE MODERNS

Sheboygan, Wis.—The members of the Modern lodge are awakening from a deep dream of peace. Our fellow lodges might have the impression that we passed out, but nevertheless the members are uniting their efforts to do bigger and better things. Now that the fall and winter season is approaching, there will be more material to work with, and naturally our lodge will progress very rapidly. There are great many things of importance to be discussed, and all members are urged to regularly attend the meetings.

In the drive for new members the present members should stress the benefit that can be derived from this lodge. The entertainment committee provides a great variety of amusements and every one has a good time after the meetings. We are working on our "First Anniversary Dance." All members should be present at our next meeting to hear what has been selected for the big event.

John Reanick, Pres.

PROGRESSIVE LODGE, NO. 641

Euclid, O.—Were you at the Progressives' Masked dance? If not, you surely did miss a good time. Old mother witch surely was nice to ask me to go with her for a ride on her broom. Next time, I think, they better have more carnations, so that I can have one, too.

At last we found out what Sisters Centa and Misch had up their sleeve. Did you know?—We certainly were glad to see Zipper's Strugglers and Loyalties there. Come again next time with a bigger crowd.

You Must Come Over!

Milwaukee, Wis.—Hello, everybody! Are you all ready to go to the Badgers' Calico Dance? Well, let me tell you something. This dance is going to put all other dances to naught. And I don't mean maybe. It's going to be put on very "mean." So don't miss it.—Free admission to every one whose birthday falls on Nov. 3rd. All you have to do is to show your birth certificate.

Of course, no dance is complete without the feature of the ladies cutting in. And the ladies will be doing the cutting. So, girls, here's your chance to vamp any "shiek you want." All you have to do is to tap him on the shoulder, and he's yours.

Wait a minute, folks! You haven't heard anything yet. I am going to let my Badger Revelers furnish the music, and I want to tell you that I can square anything. We have just finished a very successful engagement at the Silver Slipper Cafe, which is one of Milwaukee's exclusive night clubs.

Every one entering the ballroom will be given a useful souvenir, and later a twenty dollar gold piece is going to be given away. So, if you like to try, you may even get rich. So—you must come over!

As the Secretary of the Badgers since their beginning, I have had the opportunity to acquaint myself with Bro. J. Radel, candidate for State Assembly, more so than anyone else. And I must say that we could not find a more capable candidate who, we are sure, would truly work for the best interests of all of us. To you, Badgers, I, as the Secretary of the Lodge, appeal that you do all that you possibly can in boosting him, and to work for him on election day. I want to emphasize the fact that every vote counts; so if you know of someone that can vote and hasn't, do your stuff, and see that they do. If you have an automobile, bring it to the campaign headquarters on election day and there you will get all the information as to just what you can do to help. Now, Badgers, don't forget to boost and boost some more. The headquarters will be open on Sunday, Monday and Tuesday, Nov. 4, 5, and 6 at Perko's Tailor Shop, 505 National ave.

Well, see you all Saturday, Nov. 3rd, at the S. S. Turn Hall.

Frank Perko Jr.,
Secretary, Badgers.

"SPIRIT OF ST. LOUIS" VISITS "SPRINGFIELD"

Springfield, Ill.—Yes, "We" were in the Lincolnite camp Sunday, twelve strong. Weeks ago they told us "twelve at the least, and sixteen at the most" would make the trip. How well they kept their word.

"We" hovered into sight a little late in the morning, and left somewhat early because of distance. The day was spent in visiting, sightseeing, "shooting" pictures, and seeing places of historical interest.

Our Zebert, formerly Brother Frank Zebert, was at his best, with no end to his quips and jokes, keeping us in continual laughter, which coupled with the very jolly "We," explains why we had such a marvelous good time.

These Saint-Louisans are surely a bunch of sociable, and as personable a bunch of members as ever we had the pleasure to meet.

We will meet again, "We"! This time in St. Louis. It is our hope that sometime in the near future we can repay your visit.

While we realized very little on our Masquerade dance last Saturday, we established a new mark for persons masked. Miss Ann Silosky, Sister Ellen Yakse, and Brother Peter Librich won prizes as being the most historically, beautifully, and comically dressed, respectively. Pete was dubbed "Al Smith," although he did not fully characterize the part.

Lincolnite Pub. Com.

PIONEER MEMBERS, ATTENTION

Invitations and cards of admittance for the anniversary banquet to be held Sunday, November 4th, at six o'clock, were mailed out to members last Saturday evening. We were unable to forward a few because of incomplete addresses, so if you did not receive your invitation, please notify me by calling Rockwell 4904 or Lawdale 8328.

Young Americans Broadcast

Detroit.—Again the Young Americans held a dance which was a great success. Never was there such a crowd as was at this dance held Oct. 20. The hall surely was decorated beautifully. We give Bro. Homets credit for decorations.—The orchestra is the talk of Detroit; they surely did play. Novelties were given away, caps, rattlers, and crickets. Bro. Jos. Zaveritnik Jr. attended our dance; we hope he enjoyed it. He is staying here in city for a few weeks working on some new patent. He is an engineer for some concern in New York. We also entertained a Comrade, Bro. A. Gersham, who promised his transfer to our lodge. We are getting transferred members from all the English-speaking lodges, except from Pioneers and Strugglers. We hope a few of them would come here to live, so they could transfer.

Our bowling teams played their second series of games Sunday, Oct. 21. At the first series Bro. Dollar took lead for three games (a former Lincolnite). Bro. Robsel, a former Stawart, took high score which he still holds. At the second series Bro. Jurca took the lead from Bro. Dollar and now Bro. Jurca, Dollar and Robsel are the three high men.

Young Americans have five sick members. All members are requested to visit these members—Sisters Grum and Poye, Bros. Kramar, Pulinke, and Seelink. Sister Grum is at Harper Hospital; was operated on for appendix. Sister Poye is sick at home with a severe cold. Bro. Kramar had one finger amputated while at work. Bro. Pulinke is at the Providence Hospital; was operated on for the appendix. Bro. Seelink, who was at Weltmer, San, Nevada, Mo., has come home feeling better and will be back with us in a few days. We wish all our sick members luck and hope to have them back with us in good health soon.

I am for an English-speaking lodge conference before the regular convention. I read an article about athletics that they do the lodge no good. I would like to know what harm they are to the lodges. All expenses are paid by the branches and the individuals; the older members who don't like sports have no kick.

See U Soon.

NEWS FROM LORAIN.

Lorain, O.—The "Crusaders", Lodge No. 664, SNPJ, acknowledge receipt of the \$25 from the Cleveland Federation of the SNPJ. We sincerely thank them for their kind donation.

At the last meeting of the "Crusaders" which was held October 8, it was decided to hold a dance November 17 at the Slovenian National Home. This dance is given in conjunction with the Senior Lodge No. 17, "Bled". Further details concerning this dance will be announced later, as the definite plans have not yet been completed.

Don't forget our next meeting November 12. We urge all members to be present as an important question will be discussed. All dues must be paid before the 24th of each month. Penalty for non-payment: suspension of one month.

The reason of the Publicity committee being so dead in Lorain was because our most enthusiastic publicity worker—Sister Ann Udovich—has left us to join the "Comrades" in Cleveland. Wonder what's wrong with our President? We haven't heard much of him lately. He must be stepping out quite a bit.

We also wish that all members be more orderly at our next meetings. Don't forget—Strugglers, Comrades, Loyalties and the rest of the SNPJ lodges of Cleveland and Barberton—cancel all your other engagements to come to our big dance Nov. 17!

That's all. Me-Myself-'n'-I.

TO THE MEMBERS OF MORNING STAR LODGE NO. 665 AND THEIR FRIENDS

Pittsburgh, Pa.—Due to the tremendous amount of interest shown in the organization of the Morning Star Lodge, No. 665, SNPJ, a special meeting was called and held Sunday Oct. 21, 1928, in order to discuss and promote same form of a benefit for the best interest of the lodge. It was therefore decided unanimously to hold a Grand Drawing of 3 "presents" which are as follows: First, \$10, second \$5, and third \$2.50; tickets for the drawing to be sold at 15c each. It was also decided to offer a "present" of \$2.50 to the member selling the most tickets for this drawing. We wish to call the attention of members who were not present at this meeting to show their loyalty and make this benefit a success, by obtaining these tickets as soon as possible. You may get these tickets from any of the officers of the lodge or by attending the next meeting to be held Sunday, Nov. 4, 1928, at 10 a. m.

We wish to inform members and friends of SNPJ who may be interested in purchasing these tickets for the Grand Drawing, that they may be had by getting in touch with any member or officer of the Morning Star Lodge No. 665, or by communicating with Caroline Miklavic, the Secretary, 1454 High st., N. S. Pittsburgh, Penna.

Publicity Committee. Morning Star Lodge No. 665 SNPJ.

Our Candidate

Milwaukee, Wis.—I feel that it is my duty to say a few words in regards to the campaign of our Prexy, Brother Radel who, as you know, is a candidate for the Assembly of the State Legislature. As election day is so very near, it is time that we should get serious about the help that we have promised. I want to make a few suggestions and I hope that some of you members will respond.

Before going any further I just want to make a few statements as to the real facts about the possibilities if Brother Radel is elected. First, it would show the other parties that we as Slovenes are worthy of consideration. We have always been the pawn in the hands of petty politicians who were using us for their personal material benefit, and after the elections we were again forgotten. It's a shame that the Slovenes and other Yugoslavs of Milwaukee, numbering about 26,000 souls, have no representation in the law making bodies of our city and county government.

The office for which our Prexy is a candidate will not bring any material benefit to him or to the rest of us. We will at least be able to prove to the grafting politicians that we are politically strong enough to elect the officials that we want, and that we know are going to represent us and make the laws that will benefit us. The more votes cast for our candidate, the more consideration we can expect when seeking justice from public officials.

Badgers, I think and hope you all agree that we should have a special pride and interest in this respect, because it is one of our own brothers aspiring to a public office. So let's get down to work! On Tuesday, Nov. 6, there will be some real workers needed, especially some of our sisters to come and help distribute cards and other odd jobs. The next most important thing is to get the voters to the polls. We must try to get as many cars as we possibly can, so that we can give the voters service. There will be other things to do. So, Badgers, be sure and come to the Campaign Headquarters on election day. Let's do as much as we can, because we know that it will be a great benefit to all of us.

Campaign Headquarters will be open Nov. 4th, 5th, and 6th, at 505 National Ave., at the well known Perk-Tallor Shop. Phone—Hanover 2295.

Yours truly, Mary Brenc.

PROGRESSIVES ARE SUCCESSFUL

Nottingham, Euclid, Ohio.—Saturday, Oct. 20, was a day that spelled success for the "Progressives." I am now certain that this young lodge will carry on the good work that the fathers of this big organization had started for us years ago. The young members have taken courage since the Masquerade Dance. Our dance was such a great success, because the other lodges did so much. At this time I take very great pleasure in thanking the Strugglers, Akron Zippers, Loyalties, and the Comrades. It was through their enthusiasm that we had such a great attendance at our dance.

This being our first big dance since we have been organized, we were glad and very thankful to receive the help of Mr. and Mrs. Zelle and Mr. and Mrs. Misich who all belong to the Lodge "Zavodni sosedje." Although we had very few members to do the work, we seemed well organized and our plans went along smoothly.

I would just like to mention a few of the Progressives who did such a good part, in co-operating with me and President Zelle. Here they are, Brothers Misich, Meglan, Ivanic, Trebec, and Sisters Zindarsic, Centa, Misich, and Lebar. Brother Morina is our star ticket salesman.

The Akron Zippers can never be thanked enough for their trip to Euclid. These young folks from Akron certainly have loyalty for other lodges. Their trips to Cleveland have been numerous. It is for us now to show them what we can do in the way of showing our appreciation!

Amelia A. Kants, Vice Pres. Progressives, Lodge 641.

Sister Novak Thanks the SNPJ

Harrison City, Pa.—I am a member of the SNPJ for 25 years, belonging to Lodge No. 7 at Claridge, Pa. I have been sick for 2 1/2 years and was on the sick list since, have been drawing benefit ever since and never had any trouble in getting it. I am writing this because I am reporting well and would like to say a few kind words about the Society.

I wish to express my sincere thanks to the management for being so prompt in sending the benefit, and at the same time wish to show the Slovene people that it is a good thing to belong to this organization. I want to let you all know that I was treated well during my long illness.

Please accept my thanks and appreciation for the prompt payment of my sick benefit. It is a wonderful help in time of illness to know that such matters are taken care of so promptly and efficiently.

Mary Novak, Member, Lodge No. 7, SNPJ, Box 187, Harrison City, Pa.

Secure New Subscribers for the "PROSVETA"

Breezes

By Windy. Nottingham, Euclid, Ohio.—Here I am back. I haven't been writing because I went south, as "Tattles" had said in a previous issue. I haven't gone there for nothing, tho, for when I came back to Nottingham, I found that the "Progressives" have been very busy. They had all their plans made for a Masquerade dance on Saturday, Oct. 20. Of course I went to the dance. The dance hall was decorated beautifully. One of my winds told me it was Steve Trebec's wonderful work that made it all look like a real Halloween party. He also received help from the famous Brothers Zelle, Meglan, Trebec, and Misich, and Sisters Centa Lebar, Misich and Kants.

My all the members were busy! Can you imagine our Vice-President Sister Kants was all dressed in white with an apron on. She actually worked in the kitchen! I didn't know till Saturday night that she was such a good sport. Something tells me we ought to have more like her in our lodge. Another bunch of earnest workers I found, were the Lebar sisters. They certainly knew their business in the check room.

We had plenty of visitors from the Comrades, Loyalties, Strugglers, and the Akron Zippers. The Progressives certainly have to thank all these Brothers and Sisters for coming to their dance, for it was thru them that they made such a great success of it.

Another of my winds gave me a hint that Lily would be there. I watched for her all evening, but it was of no use; I could find her nowhere. I was disappointed because she had been such a mysterious lady that I thought it would be fun to discover her. Well, she finally came in the wee hours of the night. Here's just a brief description of her for the rest of you who would like to know her. She has pretty, blonde locks, blue eyes, and is only five feet two inches tall. You have to look close to find her in the crowds.

I thought that since I saw Lily at the dance I would also see Sunele, but I guess I will have to go south again to find out something about her. Maybe next time I will have some news of her for you. Yours, Keeper of Winds.

HAVE YOU SEEN THIS?

Chicago.—Did you say that you haven't acquired your ticket for "Integrity's" First Annual Dance as yet? Does it mean that you are going to disregard our offer for November 10th? We hope that your decision on these questions is negative. Just let yourself slip into a group that has one Integrity member in it and you will see an example of the enthusiasm that this dance has aroused within them. Just the mere fact that we will have as our main attraction the superb jazz musicians, Abelling's Famous Syncopators, will draw a great number of the younger set. This orchestra will render such sweet, jazzy syncopations that everyone present will go dance-mad.

What! What! What! Somebody tells us that there will be refreshments served to those who desire them. Also, a place to rest your tired feet. Let's hope that this will not exist because we are so anxious to have everybody dancing all evening. Come out and help us make this event a "bowling" success.

Although I am a bit early in announcing our meeting, I want to let every member of the Integrity Lodge No. 631 know that his or her presence is absolutely imperative. This meeting will be held at 1617 North Clybourne Avenue on Thursday, November 8, at 8 p. m. A lot of business is to be looked after, so remember your duty. Joseph Baumlich.

CRUSADERS' FALL FROLIC

Lorain, O.—The Crusaders are holding a Grand dance on Sat. nite, Nov. 17, 1928. The dance will be held in conjunction with the older lodge. There will be music in both halls for the enjoyment of the young and old. Refreshments of all kinds will be at your disposal, and that is not mentioning what other merry-making affairs we shall have. Come all to the dance and see for yourself.

The Crusaders invite all the neighboring English-speaking lodges of the SNPJ to attend our gala affair. This being our first dance since we are organized, we shall endeavor to make it a success, so show your brotherly spirit and co-operation in coming out to Lorain.

Sat. nite, Nov. 17, 1928, at the Slovenian National Home on the corner of 1st and Pearl Ave. A good time in store for all. The more the merrier. Admission 25c and 50c. Hot orchestra.

See you at the Crusaders' Fall Frolie. A Booster.

About Sunday, November 4th at Chicago

There will be great doings in Chicago on Sunday, November 4th. There will not be an idle moment from 8:30 A. M. till midnight, as you can see from the detailed program in another column on this page.

As you know, the occasion will be the inter-city ball game for the SNPJ title and trophy which will be played between Loyalties (Cleveland) and Little Fort (Waukegan). The game scheduled for 10:30 A. M. between Loyalties and Kenosha Stalwarts will be a consolation game. The championship game will be played at two o'clock in the afternoon.

However, as things have developed, the affair will be much more than the championship ball game—it will be an SNPJ get-together or rally of members of English-speaking lodges of Cleveland and the Chicago district. The three local lodges, Pioneers, Sun-glades and Integrity will be hosts to the visitors and will endeavor to provide for their comfort and entertainment throughout the day.

And in the evening the Pioneers will celebrate the third anniversary of their lodge with a banquet at six o'clock at SNPJ Hall. Admission to the banquet will be by invitation only and is without charge. All members have by now received their cards of admittance. The Cleveland visitors will be guests, also the visiting baseball teams, officers of local SNPJ English lodges, the Supreme officers and others.

There will be a dance after the banquet to which all SNPJ members of Chicago and vicinity are most cordially invited. Admission will be free. This will give everyone a chance to become acquainted with the out of town members and to participate in the Pioneers anniversary celebration. We suggest that you come to the hall at about 7:30 P. M. in order to witness the presentation of the baseball trophy to the winners.

Committee.

LADIES AND GENTLEMEN!

Just a last reminder to you all that Sat. night is the big night at the South Side Turn Hall. You all know about the Badger Calico Dance, and I know you are all so anxious to go that Nov. 3rd seemed ages away and the wait seems interminable.

There's not a reason in the world why you shouldn't attend the dance, yet right now I know some fair ladies are being confronted with the age old problem, "what shall I wear?"

Here's the answer: Borrow mother's gingham apron, don a dusting cap, and tell the boy friend you're ready to go. Now don't laugh, I'm in dead earnest and quite sane. You are all aware of what a calico dance is. If you forget conventionalities and lay aside your silks, we can make this a real Calico Affair. As for the gentlemen, perhaps you can borrow a pair of gingham trousers somewhere and possibly a dainty hair ribbon to show your Calico Spirits. Regardless of whether you come in Calico or not you shall go home with plenty, for we have plenty of Calico souvenirs for you all.

Guarantee:

We, the Dance Committee, hereby guarantee each and every one attending the Badger Calico Dance a gala good time. All for fun—Fun for all.

Antonette Donner, Dance Com.

"SECOND ANNUAL"

So, Chicago.—Calumet Sentinels, the great dance is slowly but surely approaching. It is on its way and we must not forget to remind every one that it won't be long now. November 10 is the date and the place is Croatian hall, located at 90th and Commercial.

Don't forget to reserve that night for us and attend our Second Annual dance. Elmer Kaiser and his "Red Hot Peppers" are entertaining. His accordion player will also be there. Plenty of fun is guaranteed for all! Eat and drink galore! Don't fall us! Fraternally, Publicity Committee.

CHICAGO RED'S CHICAGO BOUND

Collinwood, O.—Loyalties, Strugglers, Comrades, Progressives, and New Eras are Chicago Bound. Everybody invited. Let's go 100% strong! Sorry that Zippers and Buckeyes are so far away, for we would like to have them go with us. I think I'll be lonesome without them, but the next two big affairs held by Zippers and Buckeyes are not far off. I am going to attend both. Loyalties will have a busload. Let's everybody go.

I intend to be the cheerleader at the championship game in Chicago. I want to see Loyalties win! Bro. Kuc, let's go to win the game. See you in Chi! The Chicago Red.

With deepest regret and sincere sorrow we announce the death of a Struggler member, our beloved sister

SOPHIE KOZELJ

"She is gone over the great beyond, but she still lives among us; for nothing ever dies, it merely changes life in its form."

STRUGGLERS LODGE, NO. 614, SNPJ, Cleveland, Ohio.

News From Lodge 589

Canonsburg, Pa.—Now that October is over, we, the Pioneers of Washington county, are plunging into two of the most exciting and interesting months of our existence. Many are figuring out a way to get those 100 members before January 1st, (not saying what year). It seems to me that there are many Pioneers who think these new members are going to come by the dozens without any persuasion at all. The worse part of it is that some of our officers do not even attempt to convince a person.

During the bright balmy days of spring and summer all seemed to forget our Drive, and now that the cold and winter days are approaching, they begin to realize that we are quite a distance away from our goal line. I even must admit that there are many of our members who do not know what is going on in our lodge unless they read of it in the columns of this paper. Many see the English section for a piece from Canonsburg, if there is none, what goes the paper into some isolated corner never to be looked at again. If there was a comic sheet instead, their heads would be right there.

I advise those to read articles from lodges other than your own, read of what they are doing and by doing so we may gain a higher standing in the SNPJ subordinate lodge movement. To attain this standing every one must work for the interest of the SNPJ and not for their own personal gain, nor to crush, displace, or snub the person who is rated out of their class. Some may not understand but, if I am not mistaken, there is no underdog or dogs in our movement according to the By-laws. Each and every member has equal rights and I do hope that some, one person in particular, take notice.

Bro. Joseph Papar, our Treasurer, was in Detroit and attended the Young Americans' last meeting. He said that they are getting along fine. Asked whether he'd like to stay there, he said he did not mind. I wonder if one of the Young Americans could go home and say that to their bunch about us. It would be a great pleasure—but I have my doubts.

I also call attention to bowlers. In almost every district bowling teams are well under way while we are sound asleep. As I am informed I understand we have a few good bowlers. So let's get out and organize a team as the "Morning Stars" want opposition. "Jimmie," I think, can easily organize one. Let's hear from him. Let your motto be: "Do or Die!"

Just lately I have met with some problem and it is: Whether or not the "Knocker" is writing down his true character. We wish to thank him for announcing our dance Oct. 13th in Oct. 3rd issue. This dance proved to be one of the biggest affairs of the year. You should see the girls in their European costumes; a sight for sore eyes. One could see anything from "Flaming Youth" up to charred coals of what-ones-used-to-be a flame. Many more of these times galore are expected soon, so wait, watch and read of our future good times.

To remind those who are in an embarrassed mental condition, there is a Masquerade Party Oct. 28th at the "Dom"—starts at 7:30 p. m. All SNPJ members are cordially invited to attend, bring a friend if you aren't a hermit.

I ask each member of lodge No. 589 to be present at our next meeting on Nov. 4th. At the last meeting some thought our meetings were held at 8:30 p. m., but because we are back to E. S. time we are turning back one hour and so Nov. 4th at 1:30 p. m. is what I understand as correct date. Hoping to see you all there, I remain, yours 'til Jimmie proposes, John P. Kutich, Vice-pres., Lodge No. 589.

A REAL TEAM

Collinwood.—A real team—the kind which sticks to the fight until after the last man it out. That is what the indoor baseball fans say of the Loyalties.

Naturally it took some time to work out the team—eliminations, changes, additions—but once the outfit was set and the preliminary stages were over, the Loyalties took six straight games out of the ten played.

The Loyalties scored five consecutive wins before they won the last game. The final game, won by a 14-0 score from the Comrades, was witnessed by the biggest crowd ever entertained by any of the SNPJ teams in Cleveland.

Officials of the SNPJ teams feel that the work and example of the Loyalties team has done a good deal to encourage clean, healthy sport among the SNPJ lodges in Cleveland. Let it be pointed out that the boys are all clean living young men who played the games purely for the love of it and in a fine spirit of sportsmanship.

It has been made clear that the Loyalties' support of such athletics and sports is based on the belief that such activities will offer an excellent means of enrolling a greater membership for the SNPJ lodges in Cleveland.

It is hoped that the Loyalties will annex further honors when they meet their opponents in Chicago on November 4, 1928. J. C. Nagode, Sec. Soc'y, Loyalties.
