PROSLAVE OBLETNICE BOLJŠEVIŠKE REVOLUCIJE

Vorošilov posvaril japonske militariste

ROOSEVELT ČESTITAL MOSKVI

Moskva, 8. nov. — Klement E. Vorošilov, sovjetski vojni komisar, je v svojem govoru v zvezi s proslavami enainvajsete obletnice boljševiške revolucije posvaril Japonsko, "da prihodnji nesramni napad lahko provocira rusko invazijo japonskega ozemlja." Vojni komisar je govoril na odru, ki je bil postavljen poleg Lenineve grobnice, na katerem so stali Stalin ter drugi visoki sovjetski uradniki in opazovali vojaško paradno.

Vorošilov je omenil Japonsko kot "nemirno in bedasto sosedo," ki je uprizorila predznan napad na sovjetske čete pri Čangku-fengu, ob meji Sibirije, v zadnjem juliju in avgustu. "Japonska je pokazala svojo trdovratnost in poslala veliko silo svojih najboljših čet proti rdeči armadi. Kljub temu je bila tepena in doživela debakel."

Vojni komisar je dalje rekel, da bo Sovjetska unija še bolj odločno nastopila, "če bo Japonska pokazala, da se ni ničesar naučila iz incidenta pri jezeru Khasanu (Čungkufeng). Povedati ji moramo, da ono, kar je dobila pri tem jezeru, so bile le 'cvetlice' in pravo 'sadjje' še le pride. Mi ne bomo omejevali operacij naših čet na ozemlje, ki ga predvzno in zadržno napada sovražnik. Bolj učinkovit in lahkjeji bo poraz sovražnika na njegovem lastnem teritoriju in to se bo tudi zgodilo."

Proslave obletnice revolucije so se vršile po vsej Rusiji, toda največje so bile v Moskvi. Več tisoč vojakov in ogromno število tankov je bilo v paradi, dočim je v zraku nad moskovskimi ulicami krožilo 300 bojnih letal. Čez milijon ljudi je korakalo mimo Lenineve grobnice z zastavami in napisi v rokah, ki so poveljevali Stalinu in obsojali fašizem v drugih državah.

Washington, D. C., 8. nov. — Obletnico rojstva komunističnega režima v sovjetski Rusiji so večeraj proslavljali tudi v ruskem poslanstvu v Washingtonu.

Predsednik Roosevelt je poslal telegram Mihajlu Kalininu, predsedniku centralnega izvršnega odbora sovjetskih socialističnih republik, v katerem mu je čestital na dogodku.

Proslava v ruskem poslanstvu so se udeležili visoki ameriški uradniki, med temi poljedelaki tajnik Henry Wallace s svojo ženo; James L. Houghteling, komisar imigracije in naturalizacije; Aubrey Williams, pomožni administrator WPA; Elmer F. Andrews, administrator mezdnega zakona; Herbert Feis, svetovalec državnega departamenta; Isador Lubin, komisar delavske statistike, in več drugih.

Naš mladinski napredek v oktobru in prestop v novo zavarovanje

1807 OTROK PRIDOBILJENIH V DESETIH MESECIH

Dejstvo, da smo pridobili 165 novih članov za mladinski oddelk v mesecu oktobru, potrjuje, da so mnogi naši člani pridno na delu za povečanje svoje bratske in delavske podporne ustanove, ene najboljših organizacij te vrste med Slovenci v tej deželi. Deset mesecev mladinske kampanje je prineslo SNPJ 1807 otrok.

Med društvi, katera so pretekli mesec sprejela pet ali več članov v mladinski oddelk, so sledeča:

NA PRVEM MESTU JE DRUŠTVO ŠT. 273, SHELDON, WISCONSIN, KI JE PRIDOBIL 9 ČLANOV. NAŠI KANADSKI ČLANI V TORONTU, DRUŠTVO ŠT. 648, SO NA DRUGEM MESTU Z 8 ČLANI IN TAKO TUDI ANGLEŠKO POSLUJOČE DRUŠTVO ŠT. 680 V VERONI, PA., IMA V OMENJENEM MESTU 8 NOVIH ČLANOV.

ANGLEŠKO POSLUJOČE DRUŠTVO V MILWAUKEEU, WIS., ŠT. 584 JE PRIDOBIL 6 ČLANOV. DRUŠTVO ŠT. 207, BUTTE, MONTANA, DRUŠTVO ŠT. 223, GREENSBURG, PA., DRUŠTVO ŠT. 225, EDISON, KANSAS, IN DRUŠTVO ŠT. 299, WALSENSBURG, COLO., IMAJO PA PO 5 NOVIH ČLANOV.

Še dobrih sedem tednov in jubilejna kampanja mladinskega oddelka bo zaključena. Na one, ki še niso storili svoje bratske dolžnosti v tej kampanji, s tem apeliram, naj nikar ne zamudijo zadnje prilike za doseg uspeha, ki naj nam bo v ponos in zadovoljenje v tej jubilejni kampanji mladinskega oddelka. Ta kampanja je odkrila resnico, da je še mnogo otrok med našimi nasejenci, ki niso člani te jednote, zato je nas vseh dolžnost pomagati v agitaciji, da jih tako dobimo pod okrilje naše organizacije, v kateri jih bomo vzgajali za boljše človeško družbo.

Kakor je že bilo naznanjeno, prestop iz načrta "A" v načrt "D" in "E" je bil podaljšan za šest mesecev, kateri se pa zaključijo z 31. decembrom tega leta. Običaj pri nas je — ne vem zakaj — da vedno čakamo zadnje minute in če se po dolgem času enega leta nismo mogli odločiti, apeliramo zopet za podaljšavo, ne oziraje se na finančne stroške. Vseled tega s tem PONOVO IN ZADNJIČ PRIPOROČAM VSEM ONIM, ki imajo namen prestopiti iz starega zavarovanja v novega, da se odločijo takoj in prijavijo prestop tajniku svojega društva. Dobro gospodarstvo potrebuje gotov red, katerega brez dvoma odobravajo tudi člani v naši jednoti, toda ta red je mogoč le z vašo kooperacijo. Podvzajte se torej vsi, ki imate namen prestopiti v novo zavarovanje in nihče se ne bo mogel pritoževati, da ni imel dovolj časa. Kdor se ni mogel odločiti v teku enega leta, ali bi prestopil v novo zavarovanje ali ne, nezasluzi, da bi ga še nadalje čakali.

F. A. VIDER, gl. tajnik.

Naciji žigosajo francoske žide

Odmev napada na nemškega diplomata v Parizu

Pariz, 8. nov. — Herschel Grynszpan, poljski žid in star 17 let, ki je pobegnil iz Nemčije, je večeraj napadel Ernesta von Ratha, tajnika nemškega poslanika v Parizu. Oddal je pet krogel iz revolverja in ena je zadela tajnika v ramo in druga v trebuh. Naciji so takoj zakričali, da so atentat organizirali francoski žide.

Grynszpan je po aretaciji povedal policiji, da je uprizoril napad, da se maščuje, ker naciji izganjajo poljske žide iz Nemčije. Njegova družina — stariši, bratje in sestre — je bila izgnana iz Nemčije pred več meseci. Dobil je začasno zavetje v Parizu, toda francoske avtoritete niso hotele obnoviti dovoljenja glede nadaljnega bivanja v Parizu, ko je poteklo. Vsi člani te židovske družine razen Herschele so odpotovali na Poljsko, toda tam so morali stanovati v bližini nemške meje in deliti žalostno usodo z drugimi poljskimi židi, ki so jih naciji izgnali iz Nemčije.

Atentator Grynszpan je ostal v Parizu. Spal je v mestnih parkih in pod mostovi nad reko Seino. Večeraj se je utihotal v urad nemškega poslanika v Parizu pod pretrvezo, da mu ima izročiti važen dokument. Tam je potem začel strejati na tajnika poslanika. Von Rath je bil po napadu odveden v bolnišnico in njegovo stanje je kritično.

Berlin, 8. nov. — Službena publikacija Dienst aus Deutschland

Japonska raztegnila vojno cono

Rekonstrukcija centralne Kitajske

Tokio, 8. nov. — Japonska vlada je večeraj naznanila raztegnitev sovražnosti na skrajne zapadne kitajske province. Vsi poslanički zunanjih držav v Tokiju so bili o tem informirani.

Ozemlje, katerega je tokijska vlada razglasila za vojno cono, je ob črti od mesta Junana do skrajno južozapadne točke kitajske province, ki mejni na francosko Indo-Kino in angleško kolonijo Burmo. Črta dalje teče preko province Sečevan do province Kanse ob meji Mongolije.

Poveljniki japonske armade in mornarice poročajo o nadaljnjih uspešnih operacij ob reki Jangtse. Japonske bojne ladje so se približale Jočovu, ki je okrog 60 milj oddaljen od Hankova. Japonska armada, ki prodira ob reki, je le nekaj milj oddaljena od Čangšje, glavnega mesta province Hunan.

Tokijska vlada je večeraj naznanila ustanovitev kompanije, kateri je bila poverjena rekonstrukcija po vojni razdejanih pokrajin v centralni Kitajski. Za predsednika kompanije je bil imenovan Kenji Dodama, ki je dejal, da Japonska ne namerava monopolizirati trgovine na Kitajskem.

pše, da je mednarodno židovstvo odgovorno za atentat na tajnika nemškega poslanika v Parizu. Židje v Nemčiji bodo morali trpeti posledice. Nacijsko časopisje je zaglavo velikanski krik in prineslo poročilo o napadu na prvih strazeh pod velikimi naslovi.

MADŽARI ZAHTEVAJO DODATNE KONCESIJE

Njihov tek se je povečal po okupaciji ozemlja

REVIZIJA MIROVNIH POGODB

Budimpešta, 8. nov. — Ogrske politične grupe so se strnile v enotni fronti in zdaj zahtevajo nadaljnje teritorije, katere je Ogrska izgubila po porazu v svetovni vojni. Njihov apetit se je povečal, odkar jim je dunajska konferenca (zunanja ministra Nemčije in Italije) poklonila 4875 kvadratnih milj češkega ozemlja.

Obseg ozemlja, ki je bil odrezen od Ogrske, znaša 74.000 kvadratnih milj. Rumunija je dobila največji kos — 38.000 kvadratnih milj, Češkoslovaška 24.300, Jugoslavija 8100 in Avstrija okrog 1900 kvadratnih milj.

Gibanje, da dobi Ogrska nazaj to ozemlje, se naglo širi. Sentiment v prilog reviziji povojnih mirovnihih pogodb bo dosegel višek v petek, ko bodo Madžari proslavljali okupacijo mesta Košice, največjega mesta, ki ga je Ogrska dobila od Češkoslovaške. Večeraj so ogrske čete zasedle več mest in vasi na ozemlju, ki je bilo odrezeno od Češkoslovaške.

Admiral Nicholas Horthy, ogrski regent, in vsi člani njegovega kabineta se bodo udeležili okupacijskih ceremonij v Košicah. V tem mestu je pokopan knez Francis Rakozí II., ogrski vladar, ki je umrl v izgnanstvu l. 1735 po nauspešni revolvi proti avstrijskemu zatiranju Madžarov.

Štirje senatorji in pet poslancev, ki so reprezentirali zasedeni distrikt v češkem parlamentu, in šest članov slovaške zbornice, so dobili pozicije v ogrski vladi. Madžarski tisk je zdaj obdolžil praško vlado, da pošilja žide na ozemlje, katerega bo okupirala ogrska armada, kar je kršenje dunajskega dogovora. Tisk zahteva, da ogrske avtoritete pošljejo žide nazaj v Češkoslovaško.

Uradni krogi v Pragi zanikajo poročila in obdolžitve, da je bilo več židov izgnanih iz Bratislave, glavnega mesta Slovačije, v distrikte, ki jih ali jih bo zasedla ogrska armada.

Španska obrambna črta zdrobljena

Uporniki zasedli strateško točko

Barcelona, Španija, 8. nov. — Fašistično poročilo javlja zavzetje Mora de Ebre, glavne obrambne baze vladnih čet na zapadni strani reke Ebre v vzhodni Španiji. Mesto, ki dominira cesto in železniško progo, ki teče do pristaniškega mesta Tarragona ob Sredozemskem morju, so fašisti reokupirali po vroči bitki, ki je trajala 24 ur. Dva mostova nad to reko sta bila uničena v bombardiranju.

Španski brambovci so se po bitki umaknili na vzhodni breg reke. Na bojišču so pustili veliko število ubitih in ranjenih. V večerjnjih naskokih so fašisti okupirali velik kos ozemlja, na katerem so lojalisti zgradili utrdbe.

Okupacija Mora de Ebre je prišla po štirinajstih tednih arditih bitk, v katerih sta obe stranki, zavojevalni in civilni vojni, utrpeli velike izgube.

Poročilo barcelonske vlade pravi, da so lojalisti presenetili fašiste s protiofenzivo pri Leridu, trideset milj severno od fronte ob reki Ebrí. Fašisti so naznanili, da se je protiofenziva izjalovila in da so ujeli čez tisoč lojalstov, okrog petsto pa jih je padlo v bitki. V letalskem napadu na Cabro, mesto v fašistični Španiji, trideset milj južvzhodno od Cordobe, so lojalisti ubili 86 ljudi in ranili 117 drugih.

Barcelona, Španija, 8. nov. — Julio Alvarez del Vajo, zunanji minister španske ljudske vlade, je reporterjem povedal, da so Italijani formirali novo divizijo, ki pomaga upornikom. To je dokaz, da Mussolini ne bo potegnil svojih čet iz Španije kot je obljubil angleški vladi v notni zadnji teden. Fašistični letalci so večeraj ponovno napadli s bombami Tarragona, pristaniško mesto, ki so ubile osem oseb in ranile 40.

Zatiranje izgrediv v Ukrajini

Policijska in vojaška sila ojačena

Riga, Latvija, 8. nov. — Poljska vlada je odredila drastično akcijo, da zatire izgredive in protivladno agitacijo v Ukrajini. "Ukrajinci, ki uprizarjajo demonstracije in izvajajo izgredive, bodo čutili našo pest," je dejal Vladislav Bilyk, guverner Lvovske province.

Ta je bila prva uradna izjava, ki je potrdila znano dejstvo, da so izgredivi na dnevnem redu v poljski Ukrajini in Galiciji, odkar je Rutenija dobila popolno avtonomijo od Češkoslovaške. Bilykovo izjavo so objavili poljski listi v Krakovu, dočim je bila v varšavskem časopisu cenzurirana.

Guverner je dalje priznal ojačanje policijske in vojaške sile v Ukrajini in strazhe ob meji Rutenije kakor tudi ob meji sovjetske Ukrajine in Rumunije. Regiment kavalrije je bil poslan iz Varšave v Lvov po izgredivih med poljskimi študenti in člani ukrajinskih patriotičnih organizacij. Študente so navalili na semenišča. Ukrajinci pa so potem napadli v kamejnem poljske ustanove in razbijali šipe v oknih. Dve osebi sta bili ubiti in več ranjenih v večerjnjih izgredivih.

Poljski uradniki v Lvovu dolžijo nemške agente podžiganja izgredivov. Pravijo, da nacijska vlada aktivno podpira gibanje, da dobijo Ukrajinci avtonomijo.

REORGANIZIRANJE UNIJE AVTNIH DELAVCEV

Tesna kooperacija z Lewisovim odborom

INTERVENCIJA CIO DOBRODOŠLA

Washington, D. C. — (FP) — Tu se kmalu sestanejo člani eksekutive unije združenih avtnih delavcev, da razpravljajo o splošni reorganizaciji. Glavni stan unije, ki je bil zadnjih 18 mesecev torične frakcijskega boja, bo temeljito reorganiziran. Postal bo središče nove organizatorične kampanje, ki ima potegniti neorganizirane delavce v unijo. Organizatorična kampanja v Fordovih tovarnah, katero je unija popolnoma zanemarila v frakcijskem boju, bo obnovljena.

Glasilo unije United Auto Workers, ki je bilo frakcijska publikacija, je dobila novega urednika. Postalo bo vzgojevalno in organizatorično sredstvo 350.000 delavcev, ki so organizirani v uniji. Slične izpremembe napovedujejo v razlikovalnem in drugih departmentih.

Polna kooperacija z Odborom za industrijsko organizacijo bo nadomestila opozicijo. Eksekutiva je že naznanila, da bo avtna unija poslala deset delegatov na konvencijo unij CIO, ki se prične 14. novembra v Pittsburghu, Pa. Avtna unija namerava ojačiti zveze s sorodnimi organizacijami — unijami radijskih in električarskih delavcev ter z izdelovalci poljedelskih strojev.

Na svojem sestanku bodo člani eksekutive morda določili tudi datum prihodnje konvencije. Po sklepu zadnje konvencije se ima vršiti v prihodnjem avgustu v Toledo, O., a bo morda sklicana nekaj mesecev prej. Eksekutiva vsakakor hoče, da delegat na konvenciji odobri reorganizacijski načrt v ime članstva.

Poročila iz Detroita kažejo, da je intervencija odbora CIO v civilni vojni, ki jo je izval predsednik Homer Martin s suspendiranjem petih članov eksekutive, rodila dobre posledice. V uniji je spet mir in se bo zdaj lahko lotila glavne naloge — organiziranja delavcev v Fordovih tovarnah. Glavna zasluga, da je bila civilna vojna končana, je Sidneyja Hillmana, predsednika krojaške unije Amalgamated Clothing Workers, in Philipa Murrayja, direktorja CIO.

Protizidovska gonja v Italiji

Zidje ne morejo biti člani fašistične stranke

Rim, 8. nov. — Italijanska vlada je večeraj izdala dekret, ki prepoveduje židom vstop v fašistično stranko. Izjeme veljajo le za one, na katere se rasne restrikcije, objavljene zadnji teden, ne nanašajo.

Dekret je bil odobren na seji kabineta, kateri je predsedoval diktator Mussolini. Izjeme se tičejo le nekaj tisoč židovskih družin in njih članov. Ti se lahko postanejo člani fašistične stranke. Nadaljnja odredba, sprejeta na seji kabineta, določa ustanovitev posebne fašistične zbornice, ki bo nadomestila poslansko zbornico. Slednja je bila odpravljena z dekretom, ki ga je sprejel na svoji seji zadnji mesec vrhovni fašistični svet.

Glavni predsednik piše

POJASNILO O JEDNOTINIH FILMIH

Da ne bo potrebe za toliko pisarenja odgovorov na številna vprašanja glede enotnih premičnih slik, ki jih dobivamo zlasti zadnje čase, naj služijo sledeče kot kratko pojasnilo društvom in vsem tistim, ki se zanimajo:

Slike predstavljajo razne prizore iz društvenih in enotnih slavnosti, nekaj zadnjih konvencij, enotnih glavni stan ter notranjost uradov vključivši tiskarno in obratu, in tudi nekaj oseb, ki so igrala važne vloge v zgodovini enote in katerih ni več med živimi. Nadalje imamo slike, ki so bile snete pred kratkim v starem kraju in kažejo nekaj bolj važnih mest in pomenljivih krajev, gora in vodopadov ter drugih znamenitosti od tam.

Filmi so na razpolago našim društvom in federacijam, ki jih žele predvajati. Vse, kar je treba, je, da vprašajo zanje in prevzamejo odgovornost, da bodo skrbno pazili, da slike ne bodo poškočevane ter da nam jih točno vrnejo in plačajo poštnino.

Priljubljen je seveda, da se bodo te slike rabile izrečno za pridivite naših društev ali federacij in v koristne namene, ne samo zato, da se ljudje nagledajo ali za kratak čas. Naši filmi, urejeni in izpopolnjeni kot so sedaj, predstavljajo reči, ki so res zanimive in poučne in jih bo vsak rad šel pogledat. In ker so se izkazali kot dobro sredstvo za privabitev ljudi, se priporoča, da društva to izrabijo v svojo in enotno korist. Na predvajanja enotnih filmov naj se vselej povabi širše občinstvo in ta prilika naj se izrabijo za govor o enotni in nje koristnosti za splošno ljudstvo ter sploh za agitacijo za nove člane. Le na ta način nam bo ta reč prinesla pravo korist in se nam tudi izplačala. Prav za prav smo premične slike dali narediti v glavnem za to, da bodo v pomoč društvom pri agitaciji ter da bodo služile enotni in reklamo. Ne pozabimo tega!

In ne pozabimo, da enotne filme lahko tudi zelo koristnosno uporabimo za našo kampanjo, ki je še v teku!

NEKAJ O NAŠEM PODPIRANJU ATLETIKE

Denar ima očividno povsod nekako posebno moč ali silo, ki nam vzbuja čudne strasti in prečesto povzroči nečedno lakomnost. Tako je seveda tudi pri nas, pa četudi ne diši posebno po bratstvu. Glede tega imamo precej izkušenj, zlasti iz časov, ko smo imeli še štiri in pet ter šestidolarne bolniške razrede in ko je bil enotni bolniški sistem vsled naše naivnosti za nekatere pravi penzijski sklad. Marsikdo se je polakomnil podpore, ko v resnici ni bil resno bolan in do katere ni bil upravičen. To vemo nadalje izkušenj, za našo izredno podporo, ki je namenjena samo za izredno revne, pa se je s prefriganostjo često polakomnilo tudi taki, ki so premožni in bi prav lahko pomagali še drugim. In iz časov, ko smo prva leta te težke krize pripravljali revnim članom, naš prestopijo v pasivnost, ako nimajo s čim plačati prispevkov, ter postanejo spet aktivni, ko se razmere izboljšajo. Poslužili so se tudi te ugodnosti najprej taki, ki jim sploh ni bilo sile. In tako bi iz naše zgodovine lahko našli vse polno sličnih slučajev in primer.

Več ali manj take lakomnosti se zadnje čase opaža tudi glede denarja, ki je določen za podpiranje atletičnih aktivnosti. Zadnja konvencija je sklenila, da se v to svrhu sme porabiti do štiri tisoč dolarjev na leto. Nekaterim se to zdi preveč, saj mladina za žogometne igre ne more toliko potrošiti, si mislijo, pa ustanovljajo pri svojih društvih kegljaške, podkovometne in druge različne klube, očividno z namenom in v pričakovanju, da bodo tudi oni prejemali denarno podporo iz skladov tistih štiri tisoč dolarjev. Glede tega se nam je zdelo potrebno nekaj izpregovoriti na tem mestu, da ne bo pozneje spet neprijetnih razočaranj. Kajti nekateri so se že prijavili za denarno podporo.

Pred vsem želimo opozoriti, da je ta denar namenjen v prvi vrsti našim mladinskim društvom za žogometne in druge take igre, ki so mladini takorekoč že vcepljene v sistem in brez katerih očividno tudi ne more biti niti v bratskih društvih. Če bi se delegati na zadnji konvenciji povedalo, da se bo denar rabil tudi za kegljanje, podkovomete in slično, le verjemite—bratje in sestre—da ne bi dovolili niti centa in sploh nobene podpore za gojitev atletike.

V resnici pa tudi ni denarja za vse te reči. Do sedaj smo pomagali samo mladinskim društvom pri njih atletičnih aktivnostih in dovolili nekaj stotakov za skupne letne kegljaške tekme, in tako bo moralo biti bržkone tudi v bodoče. Kajti vsota, ki jo je dovolila zadnja konvencija, še za to ni prav zadostna in na direktno denarne podpore posameznim kegljaškim klubom sploh ni misliti.

Sicer pa tudi ni nikjer zapisano, da se mora vsako leto potrošiti celih štiri tisoč dolarjev samo za atletiko. Sklep konvencije se glasi, da mora gl. izvršni odtok paziti, kako se ta denar porablja in in sme dovoliti le toliko, kolikor smatra za koristnosno. Gl. izvršni odtok sme denarno podporo za atletiko tudi popolnoma ustaviti, ako smatra za umestno in to se v bodoče prav lahko zgodi, ako nam ta reč ne bo prinašala boljših rezultatov kot jih imamo zadnje čase. Izgleda, kot da naši atletičarji ne pojmujejo pravilno zakaj vzdržujemo atletiko v naši organizaciji in da se pozabili na agitacijo. Namen naše podpore ni, da bo uspevali atletika, pač pa da bo s pomočjo atletike raslo število članstva in: atletika uspevala jednota. Vpoštevajmo to, bratje in sestre!

Vsi vemo, da nam je jednota dobra, zato moramo biti tudi mi njej dobri ter vselej delati in agitirati za njo!—

V. CAINKAR.

gre hvala br. Jakobu Zupančiču za predvajanje enotnih filmov; videli smo ustanovitelje jednote in prizore iz stare domovine, zraven pa je pojasnjeval posamezne slike. Gotov sem, da je bilo občinstvo v splošnem zadovoljno z vsem, le da je bilo malo prevroče in dvorani, ko so slike kazali. Pa kaj se hoče, je bil pa zato boljši biznis v spodnji dvorani.

Naj omenim mojo osebno zadevo, kako je izpadla. Ko se je ples zaključil, me je moja žena opozorila, da ne smeva zamuditi kare. Saj imava še eno uro in pol časa, sem dejal. Nato smo začeli peti in bili smo vsi "luštni". Tako je čas naglo potekal, ko me je spet žena opozorila na čas odhoda. Dejal sem, da od takrat nikakor še ni potekla ura in pol. Ona pa je vtrajala, da je čas, da se poslovimo od vesele družbe. Prišel je taksi in poslovili smo se od prijaznih rojakov. Čim smo dospeli na postajo, so nam pa povedali, da je kara že odšla in ne bo — nobene več do 3.45 zjutraj. Kaj sedaj? Kakor sem se baš takrat počutil, bi jo bil kar peš ubral proti domu, četudi je 30 milj daljave. Pa sem se premislil, kajti žena bi tako dolge poti ne mogla zmagati. Po kratkem razgovoru sa z ženo sklenila, da greva nazaj, namreč k Antonu in Antoniji Church.

Tako sva tudi storila in jima potokila najino smolo. Pa sta takoj rekla, da nič zato, saj imata dovolj prostora za naju, kar pri njih naj ostaneva. Iskreno se jima zahvaljujema za prijaznost, trud in naklonjenost. V slučaju, da njih zadene taka smola, jim bomo z veseljem prijaznost vrnil. Na svidenje na prihodnji federacijski seji v St. Louisu!

Bellairstka federacija

Bellaire, O. — Kot tajnik o-krožne federacije društev SNPJ naznanjam vsem bratskim društvom, da društvo 333 SNPJ priredi plesno veselico na zahvalni dan dne 24. nov. v svoji dvorani na Blainu, O. To društvo sodeluje a federacijo od vsega začetka in v vseh ozirih. Ker je namen naše federacije, da pomaga tudi pridruženim društvom, zato apeliram na vse članstvo S. N. P. J. v tem delu Ohia in bližnji West Virginiji, da se vsi, komur čas in sredstva dopuščajo, udeležimo omenjene veselice tega društva, kakor smo se na primer priredbe društva 640 SNPJ dne 15. okt., in s tem pripomoremo do boljšega uspeha. Čisti dobicek te veselice je namenjen v pomoč Društvenemu domu. Kakor sem slišal, nameravajo naši Blainčanci obglaviti par "turkov" za omenjeni dan in njih telesa speči na maсти. Naredili bodo tudi dosti dobrih kranjskih klobas in pripravili drugih dobrot. Zatorej na zahvalni dan vsi na veselico društva 333 na Blain.

Louis Pavlinich, tajnik.

Glasovi iz naselbin

O starem kraju in društveni proslavi

North Braddock, Pa. — Često-krat premišlujem o današnjem sistemu, o razmerah, v katerih se nahajamo tukaj in o tem, kako je bilo pred vojno v starem kraju. Pred vojno je bilo delavstvo v Avstriji sijajno organizirano politično in strokovno. Z vsakim letom je bolj in bolj napredovalo. Kapitalizmu po vsej Evropi je bilo to trn v peti in tako je nastala vojna. Vojna je uničila vse delavske pridobitve.

Vem, da se še marsikateri delavski pionir med nami spominja, ko je leta 1911 predlagal socialistični klub v avstrijskem parlamentu splošne enake ugodnosti. Nemci (nacionalisti), Poljaki in poslanci slovenskega kluba so glasovali proti. Ko je bilo glasovanje končano, je vstal dr. Adler, načelnik socialdemokratske in napovedal, da bo Avstrija v dogledni bodočnosti razpadla, ker zanika pravice državljanom in narodnostnim skupinam. Rekel je tudi, da je dr. Suštaršič prodal svoj narod. No, danes ga pa Koročec Srbom, kar je še hlabše.

Ko je imela socialistična stran-

ka svoje mednarodno zborovanje v Ljubljani, je bil v Mestnem domu prirejen velik shod. Sod. Etbin Kristan je otvoril shod in predstavljal govornike v štirih jezikih. Med njimi so bili glavni govorniki dr. Adler, dr. Renner, dr. Soukup, dr. Smeral. Navzoči so bili tudi zastopniki srbskega, hrvatskega in italijanskega socialističnega organiziranega delavstva. Dr. Adler in dr. Renner sta rekla, kako imajo težko stališče v Avstriji, ker jim nemški nacionalisti očitajo, da prodajajo nemški narod. Izvajala sta, kakor tudi drugi govorniki, da se mora delavstvo združiti v en tabor od severa do juga, od vzhoda do zahoda.

Tudi delavstvo v Nemčiji, Franciji in nekaterih drugih državah je bilo pred vojno že dobro organizirano. V Avstriji je bilo 89 državnih socialističnih poslancev, v Franciji 67 in v Nemčiji 101. Kapitalizem vse Evrope je izzval vojno in delavske pravice in pridobitve so šle po vodi. Potem se je še porodil komunizem, ki je delavstvo razdvojil. Razdvojil je tudi razredno zavedno delavstvo v Ameriki. Prav komunizem je dosti kriv, da je delavstvo nezavedno. Poglejte, kako se Green in Lewis oddelavata. Kdo ima koristi od tega? Kapitalisti! Mislim, ako bi ne bilo razdora v unijah, bi tudi kriza ne bila tako huda, vsaj pa bi se delavstvo lažje borilo za svoje pravice.

Pittaburškim dopisnikom b. priporočal, naj bolj gledajo za skupno delo tukaj v Ameriki. Starega kraja ne bomo mi rešili pred fašizmom, pač pa se ga bo moralo otresti tamkajšnje ljudstvo samo. Saj vemo, koliko so deputacije naših jednot pomagale, ko so hodile med vojno pred Wilsonovim odhodom v Evropo v Belo hišo v interesu slovenskega naroda, to je, da bi Primorja Italijani ne podjarmili. In zdaj naj bi se SNPJ potegovala in vodila politične boje Slovencev v starem kraju! Največja nesmiselnost! Saj se še "vodja" slovenskega naroda dr. Koročec ne poteguje za Slovence. Ti morajo plačevati višje davke ko Hrvati, slednji pa višje je ko Srbi. Pa ti pride nekdo z idejo, da bi jim mi v Ameriki pomagali!

Tukaj v Braddocku je bil 30. oktobra ustanovljen mladinski krožek SNPJ s 27 člani. Za predsednico so si izvolili Antonio Matičič, za podpredsednika Johna Rednaka, za tajnika Petra Sedmaka in za blagajnika Louisa Karlika. Seje krožka se bodo vršile vsako drugo nedeljo po seji našega društva št. 300 v Hrvatskem domu. Organizirala sta ga predsednik Anton Rednak in tajnik Anton Rozanec.

Naše društvo Napredni Slovencev proslavilo 25-letnico mladinskega oddelka SNPJ v soboto zvečer dne 26. nov. Pričetek ob osmi uri v Litvinski dvorani na Washington ave. Kot govornik bo nastopil Andrew Vidrich, gl. podpredsednik SNPJ. Za ples bodo igrala Bergantove sestre iz Labone, O. One so izvrstne muzikantke in priznane v okolici Pittsburga. Naše društvo vabi druga društva in splošno občinstvo na številno udeležbo te proslave. Postrežba bo dobra. Vstopnina 25c.

John Rednak, 300.

Predavanja v Penni

Sygan, Pa. — Kakor je bilo že naznanjeno, se v kratkem poda na predavateljsko turo po Penni Frank Zaitz, urednik Proletarca in predsednik nadzornega odbora SNPJ, ki se je preteklo poletje mudil v starem kraju. Priporočljivo je, da se bi po vseh naselbinah v zapadni Penni zavzeli in pomagali aranžirati predavanja. Zaitz je imel priliko videti marsikaj v raznih evropskih fašističnih in tako zvanih demokratičnih državah. Torej ako katera naselbina želi, da ga sliši v svoji sredi, pišite tajniku zadevne gozdbora Jakobu Ambrožiču v Moon Run, Pa., McKees Rock, R. 4. B. 1., ali pa predsedniku o-krožne federacije SNPJ Antonu Cipičiču.

Zapisniki sej gl. izvršnega odtoka SNPJ

Seja 5. okt. 1938

Predsednik odpre sejo glavnega izvršnega odtoka SNPJ ob eni uri popoldne. Navzoči so bratje Cainkar, Vider, Gradisek, Vogrich in Molek.

Prvo se sprejme zapisnik izvršne seje z dne 28. septembra.

Nato je predloženo vprašanje stroškov z mladinskimi krožki. Od društve prihajajo razna priporočila glede posebnih znakov, čepic in uniform, s katerimi naj bo glavni urad zalagal mladinske krožke in poleg tega naj jih še denarno podpira. Gl. izvršni odtok smatra, da nima na razpolago dovolj sredstev, da bi mogel ustreči vsem takim zahtevam in tudi za sedaj še ne smatra za priporočljivo, da bi se spustil v tolike stroške. Zato sklene, da se dovoli krožkom za enkrat le direktna denarna pomoč do vsote \$25 na krožek.

Sledi razprava glede najema Hrvatskega doma v S. Chicagu. Pogodba s sedanjim najemnikom je potekla in potrebno je skleniti novo ter ukreniti nekaj zanesljivega vsaj za čas simo ali dokler se dom ne prodaja, ter napraviti nujna popravila. — Sklenjeno, da se sprejmejo pogoji, ki jih je stavil dosedanji najemnik.

Predloženo je vprašanje predložila polletnega zborovanja gl. odbora. Odtok smatra za potrebno, da imamo zapisnik v slovenskem in angleškem jeziku in sklene, da predsednik oskrbi prevod.

Čita se pismo, nanašajoče se na reorganiziranje Bratskega kongresa za državo Kansas, ki zadnja leta ne posluje. — Sklenjeno, da se jednota pridruži gibanju za reorganiziranje, toda organizacija mora biti bolj napredna in smeraj aktivna za interese bratskih društev.

Sledi razprava o prošnji samostojnega pevskega društva Zarje v Clevelandu za denarno pomoč v obliki oglasa. Ker pa je o tej stvari še odtok celokupni glavni odbor, je izvršni odtok brez moči, da kaj sprejme, akoravno smatra argumente, s katerimi so podprli svojo ponovno prošnjo, za dobre in prošnjo dovolj upravičeno.

Predloženo je iniciativa društva št. 204, ki predvideva spremembo nekaterih toč pravil. Po pasnem prečitjanju iste je ugotovljeno, da iniciativa ni spisana v smislu določbe v 8. točki naših pravil, nakar odtok sklene, da se vrne društvu.

Odtok nadalje določi nagrade dopisnikom Mladinskega lista, ki so se udeležili razpisnega kontesta za mesec september.

Predloženo je pismo br. A. Cvetkoviča od društva št. 66, New York, N. Y., ki se nanaša na stroške, katero je imel z obiskom bolnega sobrata A. Kosa. — Sklenjeno, da se mu sponori, da se naj ravna v smislu navodila v pismu s dne 15. septembra.

Br. pomočni gl. tajnik nato poroča o poteku izredne seje društva št. 699, Hazelton, Pa., katero se je osebno udeležil zeno z br. M. Blajakom in sestrom. M. Blajak od društva št. 204, ki sta mu pomagala pri zapisniku in preiskavi sploh. Ker pa zapisnik še ni docela izgotovljen, priporoča, da se počaka z nadaljnjo razpravo in eventualnim zaključkom glede te zadeve, kar je odobreno.

Zaključek seje ob 3:30 pop.

Seja 18. oktobra 1938

Predsednik odpre sejo v navzočnosti vseh članov glavnega izvršnega odtoka.

Prvo je sprejet zapisnik izvršne seje z dne 5. oktobra. Nato je predloženo pismo federacije društev SNPJ v južnem Kansasu, v katerem poročajo, da se pripravljajo na skupno proslavo prvega maja prihodnje leto ter prošnja, da se jim za to priliko dovolje enotni filmi, ki jih je br. Zupan pred kratkim prinesel iz starega kraja. — Pismo se vzame na znanje in filmi dovolje.

Čita se nadalje pismo br. Česna, ki piše za informacije glede enotnih filmov, katere žele predvajati ob priliki otvoritve prenovljenega Slovenskega doma v Detroitu. — Sklenjeno, da se mu sponori, da se jednota filmi namenjeni za pridivite naših društev in v reklamo jednote sploh, ter da je potrebno, da katero naših društev vpraša sanje, ako jih hočejo predvajati.

Predloženo je pismo br. Zupana, v katerem piše o priredbi društva št. 192, Milwaukee, Wis., na kateri je predvajal enotna filme ter zaeno priporoča, kaj naj se ne nabavi, da bo naša sprava za filmiranje bolj izpolnjena, s katero bo mogoče producirati bolj dovršeno delo pri filmiranju v bodoče. — Se vzame na znanje.

Prečitano je pismo društva št. 476, Salem, O., ki prosi za denarno podporo za aktivnosti mladinskega krožka, ki so ga pred kratkim ustanovili. — Dovoljeno \$15.

Nadalje je prečitano pismo tajnika organizacije Ohio Fraternal Congress, v katerem poroča, kdaj bodo imeli svoje letno zborovanje in priporoča, da jednota pošlje svoje zastopnike. — Pismo se vzame na znanje in sklenjeno je, da naj brata Zarnik in Medvesek, ki sta člana glavnega odbora in živita v Clevelandu, zastopata jednoto na tem zborovanju.

Nato br. gl. tajnik poroča o zborovanju organizacije Indiana Fraternal Congress, ki se je vršilo zadnji teden in na katerem je nastopal jednoto. Po njegovem mnenju je bilo to zborovanje eno najboljših, ki jim je imel priliko prisostvovati. Razpravljalo se ni samo o zavarovanju in fraternalizmu, pač pa tudi o delavskih problemih, brezposelnosti in tako dalje. Priporoča, da se tudi mi v bodoče bolj zanimamo za njih zborovanja, ker smo, kot člani del te organizacije ter po svoji moči pomagamo, da se čim več doske, s čemur bo pomagano tudi našim članom.

Nato so predložene in odobrene sledeče

Federacije S. N. P. J.

Federacijsko poročilo
Lincoln, Ill. — Na zadnji seji federacije društev SNPJ za centralni Illinois se je jasno pokazalo, kako koristna je federacija za posamezna društva, za SNPJ in za članstvo vobče. Nobeno posamezno društvo v našem okrožju bi ne moglo prirediti take proslave kot jo je priredila federacija. Na seji in proslavi smo bili zastopani iz daljave 130 milj, od Lincolna do St. Louisa. Pa ne samo od društev, ki so članjena v federaciji, temveč so prišli tudi člani društev, ki še niso pri federaciji. Vseled tega sem gotov, da bodo člani tistih društev, ki še niso v federaciji, poročali o tem uspehu na svojih društvenih sejah in obenem apelirali na svoje članstvo, da tudi njihovo društvo stopi v federacijo.

Program društev SNPJ v letu 1938

V tem letu je kampanja za mladinski oddelek
SNPJ.

Mladinski oddelek SNPJ je letos star 25 let,
zato se letošnja kampanja imenuje kampanja
srebrnega jubileja.

Prikladno in pravilno je torej, da minimalna
kvota te kampanje znaša petindvajset sto
(2500) otrok—novih članov za mladinski odde-
lek SNPJ.

Da se doseže ta kvota, je treba, da sleherni
društvo SNPJ dobi povprečno vsaj pet novih
članov za mladinski oddelek.

Dolžnost vsakega društva SNPJ torej je, da
v tem letu sprejme najmanj PET novih članov
v svoj mladinski oddelek.

Nekatera društva so že dobila več kot pet
otrok v prvem mesecu kampanje, ampak s kam-
panjo niso prenehala!

Člani slehernega društva SNPJ naj si posta-
vijo nalogo, da pridobe v tem letu najmanj PET
novih članov za mladinski oddelek!

To naj bo v programu vsakega društva SNPJ
v tem letu.

Kaj naredi domišljija!

Dogodek v Ameriki z dne 30. oktobra 1938,
ko je dramatisacija v velikem radijskem
omrežju Columbia Broadcasting Systema po-
vzročila silno paniko in masno historijo po vsej
Ameriki in Kanadi—ostane v zgodovini ne morda
kot gola senzacija sama na sebi, marveč kot
nepopisno važen memento nečesa drugega.

S stališča gole senzacije je ta dogodek že iz-
gubil vaško vrednost—saj je bil deloma smešen
ne glede na resne posledice, ki jih je izzval, in
deloma poniževal za ameriško ljudstvo, ki se je
moglo tako silno razburiti za prazen nič, dasi
ne smemo pozabiti dejstva, da bi ne bila reak-
cija kateregakoli drugega ljudstva v katerem-
koli kraju nič drugačnja v enakem primeru.

Na to plat dogodka, na senzacijo, lahko takoj
pozabimo. Prišlo je in šlo je—in Amerika
je lahko vesela, da ni bilo hušjih posledic. Na
drugi strani je bil ta kozel dobra šola za bo-
dočnost. Stranke, ki so odgovorne za dramati-
zacije terorja v radiu, zdaj vedo, kako je treba
postopati, da se to ne ponovi nikdar več.

Kar je bilo v tem dogodku zgodovinsko važ-
nega, mora zanimati v prvi vrsti znanost, ono
znanost, katere se peča s psihološko platjo člo-
veškega nehanja in dejanja.

Med maso incidentov, izvirajočih iz panike, ki
je nastala med radijskim oddajanjem dramati-
zacije Wellsovega dela "Vojna med svetovi,"
je tudi vest iz New Yorka, ki se glasi, da so hi-
sterični ljudje povedali, da so VIDELI—"čudne,
oktopu podobne pošasti s planeta Marsa, ki so
napadle New York!" Po izpovedih teh ljudi je v
zraku "kar mrgolelo omenjenih pošasti . . ."

To je tisto, kar bo zanimalo psihološko zna-
nost. Kako, na kakšen način so histerični lju-
dje videli nekaj, česar NI BILQ NIKJER? Ka-
ko so mogli dejansko videti "pošasti z Marsa,"
katerih NI BILQ in ko je bila vsa stvar insec-
nirana iz dramatisacije Wellsovega fiktivnega
(izmišljenega) dela?

Na to vprašanje bo znanost lahko odgovori-
la. Histerični ljudje so videli "pošasti z Mar-
sa" LE V SVOJQ DOMIŠLJIQ! O tem ne more
biti nobenega dvoma; kajti dejstvo je, da so
omenjene "pošasti" napadle New York le v
DOMIŠLJIQ pisatelja in dramatisatorja. Pri-
zadeti ljudje sicer lahko vztrajajo—če se no-
čejo pozilati s prekletem svoje žmote—da so
videli "pošasti," toda VEČINA ljudi jim ne bo
verjela in s tem bo njihova trditve izgubila
veljavo in splošnem.

Bil je jasen dokaz, česa je zmožna živa DO-
MIŠLJIQ, ki je stimulirana od zunaj in pod
vtisom črnegega strahu. Strah je eno najmoč-
nejših čustev. Prestrašen človek v večini pri-
merov — so izjeme — v hipu izgubi normalno
delovanje svojih čutnih organov in tedaj "vidi,
sliši" ali "občuti" karkoli če mu sugerira nje-
gova domišljija, katere je v tistem momentu
pod vplivom zunanjih elementov. Ne pozabite
na glavni pogoj: sugestija zunanjege elementa!
Prestrašeni ljudje so slišali dramo v radiu

Poročilo o uspeli proslavi

Canonsburg, Pa. — Naša dva-
dnevna proslava otvoritve pre-
delanih prostorov Doma društva
Postojnska Jama št. 138 in 25-
letnice mladinskega oddelka SNPJ
je kljub slabim razmeram, ki
vladajo v zapadni Penni, prav
dobro izpadla. Dvorana je bila
oba dneva napolnjena do zadnje-
ga kotička. Bratje in sestre v za-
padni Penni znajo ceniti in pod-
pirati to naše pionirsko druš-
tvo, kar je res lepo.

Ko sem v soboto, 29. okt., ob
sedmih zvečer stopil v dvorano,
sem tam že našel Prosvetnega
"očeta" Antona Zidanška iz Sha-
rona. Prijateljsko si se sežala v ro-
ke. On mi je hitro zaupal, da bo
prihodnji dan prišla iz Sharona
večja družba, kar me je tako
razveselilo, da sva hitro enega
popila. Na moje veliko presene-
čenje pa dve uri pozneje zagle-
dam v dvorani sobrata Cvelbar-
ja, njegovo ženo in sina iz Sha-
rona. Rekel je, da bo moral v ne-
deljo zvečer na delo, zato je pri-
šel že v soboto. Zavalavil smo se
prav veseli in kojažni. Med nami
je bil tudi predsednik nadzorn-
ega odbora SNPJ Frank Zaitz iz
Chicaga.

V nedeljo popoldne so pričeli
prihajati člani in drugi delavci
z vseh strani in dvorana je bila
hitro napolnjena. Iz Sharona je
prišlo kar 20 veselih obrazov,
med njimi več mladine in mi-
slim, da vsi uradniki tamkajšnje-
ga društva. Domača godba je
udarjala vesele komade in zaba-
vala posetnike. Ob treh smo pričeli
s programom. Vodil ga je
podpisani. Pevski zbor Ilirija pod
vodstvom Antona Rožanca ml. je
zapel Delavski pozdrav in žel
mogočnega aplavza. Nato so bili
predstavljeni sledeči govorniki:
John Trčelj, gl. porotnik; John
Podboj ml., prvi distriktni pod-
predsednik SNPJ, August Ri-
ska, ustanovitelj angleško poslu-
jočega društva 589 SNPJ, Mi-
chael Kumer, tajnik angleško po-
slojučega federacije v zapadni Pen-
ni. Vmes pa je nastopal pevski
zbor Ilirija.

Zadnji govornik je bil Frank
Zaitz iz Chicaga. Bil je tri mese-
ce na obisku v stari domovini.
Rekel je, da se je na društvo Po-
stojnska Jama večkrat spomnil,
ko je rajžal po Evropi. Govoril
je o mladinskem oddelku SNPJ,
razglašil mladinsko gibanje itali-
janskega diktatorja Mussolinija
in Hitlerjevo mladinsko gibanje
Rekel je, da SNPJ vzgaja svoj
mladinski oddelek za izboljšanje
človeške družbe, med tem ko
vzgajata oba fašistična diktator-
ja mladino za ubijanje in bar-
barizem. Nadalje je povedal
marsikaj zanimivega iz svojih
doživljanjev po Evropi. Članstvo
mu je z zanimanjem sledilo in ga
ob koncu govora nagradilo z ve-
likim aplavzom.

Po govorniškem in pevskem
programu so člani angleško po-
slojučega društva uprizorili eno-
dejansko šaloigro v angleščini
"In Barber Shop". Igra je spr-
avila vse v prisančen smeh in do-
bro razpoloženje. Nato se je raz-
vila splošna zabava in ples in ra-
jali smo do jutra.

Pri takih priredbah je ogrom-
nega dela, da se posetnike dostoj-
no in lepo postreže. V kuhinji so
prav pridno delale naše ženske,
organizirane v gospodinjstvem
odseku našega društva. Precej-
nja zasluga gre tudi mladini
angleško poslojučega društva 589.
Njih člani, kakor tudi člani naše-
ga društva, so marljivo delali za
baro ter stregli s hladno pijačo.
Najpripronejša hvala vsem Sha-
rončanom in vsem drugim ude-
ležencem, ker ste nas v tako obil-
nem številu posetili in nam z va-
šo navzočnostjo dali novih ener-
gij, da bomo šli še z večjo vne-
mo na delo za našo SNPJ in njen
mladinski odsek. Prisrčna hvala
tudi vsem našim delavcem in de-
lavkam, kakor tudi članom zbora
Ilirija za njih požrtvovanje.

V soboto zvečer dne 12. nov.
se bo vršila domača zabava tu-
kajšnjega socialističnega kluba št.
118 JSZ v dvorani društva
Postojnska Jama, pričetek ob 7.
uri zvečer. Igrala bo domača
godba. Namen te priredbe ni to-

liko, da bi se pomagalo klubovi
blagajni, ampak da se oživi našo
starno vzajemnost med delavci in
člani kluba. Torej delavci in de-
lavke, posetite to priredbo v čim-
večjem številu. Postrežba bo iz-
vrstna. **John Kokleth.**

Dopolnilo k dopisu

Detroit, Mich. — Podpisana
prosvita tukajšnje pevsko druš-
tvo Svoboda in mrs. Mrak, da nam
oprostita neljubo pomoto, ki se
je vrnila v najin dopis oziroma
poročilo in zahvalo o smrti naji-
žežljivega Williama. Vsaled tega
se na tem mestu najiskrenejše
zahvaljujemo Svobodi za žalostin-
ko, ki jo je zapela najinemu si-
nu v slovo na domu v nedeljo
zvečer, obenem pa mrs. Mrak
za pomoč.

Sozaljje

Cleveland. — Ko je bil dne 3.
nov. priobčen v Prosveti moj do-
pis, v katerem sem omenjal tu-
di Josepha Zorkota iz West New-
tona, Pa., je isti dan njega zade-
la strašna usoda. Kruta smrt je
njegovji soprogi pretregala nit
življenja. Izrekam mu, kakor tu-
di vsem ostalim njegovim sorod-
nikom, moje sozaljje.

Frank Barbič,
gl. porotnik SNPJ.

Poročilo o bratskem kongresu
v Ohio

Cleveland, O. — Naš glavni taj-
nik Vider mi je pred nekaj tedni
pisal, če imam čas, da bi se ude-
ležil konvencije Ohio Fraternal
Congressa. Zastopstvo sem z ve-
seljem sprejel, kajti dosedaj še
nisem bil na nobenem podobnem
zborovanju, in mislil sem si, da
nam mladim glavnim odborni-
kom mora samo koristiti, če se
tudi mi malo ogledamo onostran
plota.

Konvencija Ohio Fraternal
Congressa se je vršila v Clevel-
landu, in sicer v hotelu enaknega
imena. Pričela se je 27. oktobra
in je trajala dva dni. Zastopanih
je bilo 74 bratskih podpornih
organizacij s približno sto za-
stopniki. Slovenci smo bili do-
bro zastopani. Sledeče organiz-
cije so poslane svoje zastopnike,
čizroma delegate: SDZ tri, SS-
PZ enega, JSKJ enega, KSKJ
tri, našo jednoto pa je poleg me-
ne zastopal tudi Camillus Zarnik,
distriktni podpredsednik.

Na konvenci se ni veliko raz-
pravljalo o direktnih problemih
bratskih podpornih organizacij,
se pa je toliko več o indirektnih,
či pa so prav tako važni. Razu-
mljivo, na programu je bilo ve-
liko prominentnih govornikov,
med njimi predsednik Narod-
nega bratskega kongresa Char-
es Biggs. Med govorniki bi li-
nel biti tudi Frank Lausche, slo-
venski sodnik, ki pa ni mogel
priti, ker je bil zadržan na neki
važni obravnavi. Vsi govorniki
so razpravljali o važnem in ide-
lnem delu, ki ga vrše te organi-
zacije, tako da človek postane po
takih govorih res navdušen fra-
ternalist.

Med nekaterimi drugimi važ-
nimi sklepi je bila soglasno spre-
jeta resolucija, ki apelira na od-
sek za spremembe postav v ohijski
državni legislaturi, naj prične
z delom, da se tudi v državi O-
hio vpelje nova postava glede
zavarovanja otrok. Nadalje je
bil sprejet predlog, da mora glav-
ni odbor tega kongresa opozoriti
vse bratske organizacije v na-
ši državi, da preprečijo državni
legislaturi, če bi hotela osvojiti
sklepe, da morajo podporna or-
ganizacije izročiti po sedmih letih
vse denar nepriglašeni dedičev
državi. Tako postavbo že ima drž-
ava Pennsylvania. Da se zava-
rujejo bratske organizacije pro-
ti taki postavi, če bi eventual-
no bila sprejeta, naj organizaci-
je spremene v tem smislu pravi-
la, v katerih nam določijo, da se
denar nepriglašeni dedičev po
sedmih letih transferira v fond
za kulturne ali kakšne druge po-
dobne namene.

Ta organizacija, Ohio Frater-
nal Congress, ima v odboru pre-
cej Slovanov. Med temi odbor-
niki se posebno odlikuje Slovak
John Willo. Sedaj imamo tudi

Slovenci enega odbornika, in sicer
mr. Johna Gornika iz Clevel-
landa, ki je glavni tajnik SDZ.

Opazil sem, da se Amerikanci
bolj radi gladijo z rokavicami
kot Slovenci. Uradniki so drug
druga hvalili in se drug druge-
mu zahvaljevali za sijajno koope-
racijo itd. Kljub temu, da so mi
ugajali govori, ki so bili polni
humorja in hvale, pa mi vseeno
bolj ugajajo naš način, ko kar jav-
no spovemo drug drugega, ako
je potrebno.

Konvencije bratskih kongresov
so potrebne in koristne. Človek
se marsikaj nauči, spozna odgo-
vorne in izkušene funkcionarje
ter se seznanji z delovanjem
njih organizacij. Priporočljivo
je, da se naši glavni odborni-
ki vestno udeležujejo takih brat-
skih kongresov, posebno pa mlaj-
ši glavni odborniki, kajti oni se
morajo učiti, če hočemo, da bo-
do vzorno vodili naše podporne
organizacije, kadar bo prišla na
njih vrsta. **Milan Medvesek.**

Pripravite se za Savin koncert

Chicago. — V nedeljo popold-
ne dne 27. novembra bo v dvo-
rani SNPJ zopet donela naša pe-
sem v vsej svoji prelestni lepo-
sti. Donela bo naša delavska, na-
rodna in klasična pesem v zboru,
duetih in solospvih. Sledenjih bo
največ v opereti "Kmeta ali me-
ščana". Potem se bomo seveda
pa lahko tudi naplesali in nada-
ljevali z "zinganjem" pri bari,
kar se na naših veselicah rado
dogaja.

Vse to bo na jesenskem kon-
certu zbora Save, pevskega oddelka
kluba št. 1 JSZ, na katerem se
bo prijateljem petja in sloven-
ske pesmi lahko zopet razigralo
srce. Program se lepo izoblikuje
in Savani so sigurni, da bodo po-
slušalci zadovoljni z njim. Bo mi-
kaven tako v prvem kot v dru-
gem delu. Vstopnina pa samo 35
oziroma 40 centov. In to za ves
program in ples, ki sledi kon-
certu. Torej je "bargain" kot ga
ne dobite niti pri razprodajah v
trgovinah.

Zbor Sava deluje na našem
glasbenem polju že 21 let. Do l.
1926 je bil samostojen moški
zbor, omenjenega leta pa je po-
stal pevski odsek soc. kluba št.
1 in postal mešan zbor. Od
takrat vsako leto prireja dva
koncerta in sem pa tam nastopi
tudi pri priredbah tega ali onega
društva ali organizacije. Kar se
tiče koncertov in zbora samega,
je z njim tako kot z vsemi ama-
terskimi zbori, ki po kvaliteti
valovijo iz leta v leto; včasih se
jim koncerti bolj posrečijo kot
včasih. Upanje je, da bo prihod-
nji Savin koncert zopet med po-
srečenimi, vsaj pesmi so lepe in
tudi že prilično uglajeno teko iz
gar Savanov in Savank. V ostalih
par tednih pa se bodo izgledile
še "grče".

Zbor Sava je ves čas zvest de-
lavskim principom in to bo ostal
tudi, dokler bo deloval kot od-
sek soc. kluba št. 1. In kot de-
lavski zbor, je vreden vaše pod-
pore, od katere je tudi odvisen
za svoj obstoj. Upamo, da nam
jo boste naklonili tudi na prihod-
njem koncertu zadnje nedelje v
novembru vsi ljubitelji petja,
posebno pa še zavedno delavst-
vo. Sava vas vabi in pričakuje
v velikem številu. Rezervirajte
torej 27. novembra za njen jesen-
ski koncert. **Savan.**

Naprejev dan

Milwaukee, Wis. — V nedeljo,
dne 20. novembra, se bomo zopet
napotili v dvorano SST pogledat
in poslušat Naprejevke in Napre-
jevce. Kajti so, pevski zbor Nap-
rejev se je, kakor pravijo, precej
ojačil in menda tudi zelo izvež-
bal. Na omenjeni dan se bomo
prepričali, če je to resnica.

Milwaukeeški Naprejev uživa
že dolga leta naklonjenost nase-
lbin in pri vsaki svoji priveditvi
radostno pozdravi zavedno in za
našo kulturo vneto množico
mla napolni dvorano. In kakaj
bi ga naselebina ne podpirala?
Saj vendar za malo odškodnino
sceduljuje pri vseh društvenih pri-
reditvah naših društev, ako mu
je to le mogoče in tako precej
pomaga k boljšemu in lepšemu
uspehu društvenih prireditvev.
Dekleta in fantje pri Napreju pa
za ves svoj trud in finančne žr-
tve ne zahtevajo drugega kot pri-
znanje in pa nekoliko naklone-
nosti, zlasti kadar se zbor odlo-
či za svojo lastno priveditve. Pri
teh priveditvah navadno nudi
tako bogat in pester program, da

je v resnici vreden tiste nizke
vstopnine!

Za Naprejev dan se nam obe-
ta zopet nekaj lepega in zanimi-
vega. Bogat pevski program, ki
bo vseboval pesmi Naše gore, Na
nebu zvezde se vajo, Zapuščen,
Gor čez jezero in še več drugih,
ki nas bodo spet povedle v kra-
je, kjer nam je tekla zibelka, pe-
sem Budilna bo pa dala borcem
za delavsko pravo novega navdu-
šenja.

A to še ni vse!

Program se bo zaključil s čed-
no in šaljivo spevoigro "Srce in
denar". Igre ne bomo podrobno
opisovali. Rečemo le toliko, da bo
v končnem prizoru nastopil ves
zbor in pa da bo najbolje opisana,
ako je gremo v dvorano SST
pogledat; kajti ta "špas" stane
samo borih 30 centov, ako si na-
bavimo vstopnice v predprodaji.
Naprejevci bodo pričeli s progra-
mom točno ob poltreh popoldne
vsled tega, da bo program skon-
čan še pred šesto uro. Večer bo
pa namenjen prosti zabavi in
plesu. Popoldne duševni užitek.
Zvečer pa zabava, tako da bo
vsaka reč na svojem mestu, kak-
kor se to pač spodobi!

Oni dan so na neki društveni
seji povpraševali, kaj je vzrok,
da sobrata Matta Pinka zadnje
čase ni videti. Naj vam pove-
mo tajnost! Pink večba svoj or-
kester na vse pretege vsak več-
er ter pravi, da Naprejevcem,
ki se na noče razumejo, hoče po-
streči z "ekstrafajn" muziko!
No, prepričani smo, da bo Pink
s svojo izvrstno godbo "vrtel"
stare in mlade do polnoči — do
oficelnega zaključka Napreje-
vega dne.

Se nekaj, a prav na kratko!
Začetek programa točno ob pol-
treh popoldne. Cene vstopnicam
30 centov v predprodaji, pri vr-
atih pa 35 centov. Prostor: dvora-
na South Side Turn. Dan: Dvaj-
setega novembra. —P. O.

Dobre in slabe novice iz Butta

Butte, Mont. — Po večmese-
m suspenziji obrata so pričeli
naši wallstreetarski očetje spet
malo vrtati v globinah "najbo-
gatejšega hriba na svetu" za ba-
kreno rudo. Pričeli so obratova-
ti rovi Anselmo, Mount Con,
Stuart, Belmont, Lawrence in
Leonard. Dasi ravno podpisani žal
to ne bo pomagalo, bo vseeno
bolj veselo gledati bolj zadovolj-
ne obraze tistih, ki še morejo
delati.

Tudi na društvenem polju so
se pričeli kazati prvi znaki iz-
boljšanja. Dobili smo zopet peč
novih članov v mladinski odde-
lek in nekaj grošenj za odrasli
oddelek. Kot že poročano, smo
ustanovili pri našem društvu
(207) mladinski krožek. Posebno
priznanje zasluži pri tem ses.
Anna Plash, voditeljica krožka.
Ustanovna seja je prijetno pre-
senetila tudi najbolj optimistične.
Ko smo na skrivaj pokukali
ter videli tako lepo skupino čvr-
stih fantov in deklet, smo si mi-
slili: še ima jednota lepe pogoje
za obstoj.

Najbolj težko je poročati slabe
novice. A teh je tudi pri nas ve-
dno dovolj. Nekako pred enim
mesečem je po dolgi, mučni bo-
lezni umrl br. Geo. Trtica. To
je bil že peti slučaj smrti pri na-
šem društvu v tem letu. Imamo
tudi več resnih slučajev bolezni;
posebno težko je bolan naš nek-
danji in mnogoletni tajnik Joe
Butala. Zdravi se doma. Želimo
mu skorajšnjega izboljšanja bo-
lezni in končnega okrevanja.

Sedaj pa zopet nazaj k vese-
lim novicam. Dolgonoga štorljka
se je oglasila pri ses. in br. Pe-
ter Sterk in ses. Olgii Plash, o-
moženi Smith. Pete je dobil pun-
čko, mrs. Smith pa fantka. Is-
krene čestitke! Prav ko to pi-
šem, sem informirana, da je ses.
Josephine Praprotnik uspešno
prestala državni izpit za bolni-
čarko. Naše društvo se sedaj po-
naša z dvema graduiranimi bol-
ničarkama. Druga je ses. Mar-
garet Elenech.

Dne 13. novembra bo imelo na-
še društvo vinsko trgatve s ples-
om. Plesali bomo v gornji dvo-
rani, grozdje pa obrali v spod-
nji, da bomo bliže "kevdra". Vaš
odbor dela pridno na tem, da pri-
redi nekaj izvrstnega. Člani so
prošeni, da kooperirajo s tem, da
se polnoštevilno udeležijo te vin-
ske trgatve in plesa. Vabljeni
so tudi člani društev Montana
Stars in Boj za pravico, kakor
tudi vse cenjeno občinstvo.
Mary Jenker, tajnica 207.

Tatvine pri otrocih

Tatvine otrok povzročajo staršem obilo gor-
ja in nemalo je očetov in mater, ki so takrat
ko zajete otroka pri tatvini, popolnoma obupa-
ni in se jim zazdi, da iz otroka ne more biti nič
koli nič prida; tatvina se jim zdi že predstop-
nja za vsa poznejša hudodelstva. Tako črno
gledajo mnenje je seveda zdaleka pretirano. Za-
to je važno, če starši vedo, da ima nekako pri-
rojeno nagnjenje k tatvini skoraj sleherni člo-
vek, ta v nekoliko večji, oni pa v manjši meri.
To nagnjenje se pokaže najjasneje v otroški
dobi in ravno važna naloga vzgoje je, da to
nagnjenje v otroku zatre, kar ostane drugače
otroku za vse življenje. Pri razločevanju svo-
je lastnine od imetja tujih ljudi imajo skoraj
vsi otroci težave, tako da se včasih zdi, kakor
da je ta pomanjkljivi čut za tujo last in šest
ostanek prvotnega gospodarskega reda
človeštva, ki še ni pripoznaval osebne lastnine,
kjer je bilo vse imetje skupno. Zanimivo je,
da je celo zunanost v zvezi s tem nagnjenjem
k tatvini. Duševno in telesno okretni, bistri
in živahni otroci zabredejo veliko hitreje v ta-
tvino; ljudska govornica ne pravi zastoj o dol-
gih prstih. Otroci, ki so bolj nerodni in ne-
okretni, zabredejo težje v tatvine in jih tudi
veliko hitreje puste, ker se jim itak nič prav
ne posrečijo. Napak bi pa bilo, ko bi hoteli
starši otroku nagnjenje k tatvini izbijati s hu-
dim, z zmerjanjem in tepejem. Pri vsaki
tatvini je vzrok pomanjkanje v tem ali onem
oziru. Pri nekaterih otrocih je resnično, zna-
nanje pomanjkanje, če n. pr. otrok nima kru-
ha, obleke, zvezka, svinčnika ali česa drugega,
ki se mu zdi neobhodno potrebno, pa si zato
sam vzame, da izravna krivico, ki jo točno ob-
čuti. So pa spet drugi otroci, ki sicer znanje
ničesar ne pogrešajo, ki pa "kradejo zato, ker
občutijo hudo notranje pomanjkanje, ki obču-
tijo premalo ljubezni, veljave in priznanja o-
koli sebe. Oboje vrste pomanjkanja, zunanje
in notranje, hočejo potem otroci sami izravna-
ti s tatvino. Ker pa torej že itak občutijo taki
otroci, ki kradejo, da jim nekaj manjka, bi jih
potem prehudodelo, če bi jih za tatvino, s
katero so nekako hoteli dati duška svoji ne-
zadovoljni notranjosti, prestrogo kaznovali.
Veliko pametneje je, če starši malo pomislijo,
dali je bila njih dosedanja vzgoja pravilna, če
morda otroka niso zanemarjali, če ga niso po-
hvalili ali vzdobujali. Najboljša pot je, ozna-
čiti prvo, po potrebi tudi drugo tatvino kot po-
motno dotičnega, ki pa drugič prav gotovo ne bo
več kaj takega storil. Če pa vzamejo starši
prvo tatvino s sila temne strani, če otroku
brezobzirno jemljejo čast in ga označijo za hu-
dodelca, iz katerega ne bo nikoli nič prida, do-
sežejo navadno samo, da bo prvi tatvini kva-
lu sledila druga. Potem pa naj starši tudi vsa-
kemu vzgojno postopanje spremljenju in naj vzgo-
jijo otroka tako, da vsaj notranjega poman-
jkanja ne bo čutil, če mu že zunanega ne mo-
rejo prihraniti.

Jubilejna kampanja naše mlade SNPJ se bliža svojemu zaključku

Še dobrih sedem tednov in kampanja za našo mlado SNPJ bo zaključena. Ali v tej kratki dobi lahko še veliko storimo. Posebno je priporočljivo za tista društva, ki so zostala v kampanji, da se potrudijo in pripomorejo, da bo zaključek kampanje čim uspešnejši. Tudi za številne agitatorje, ki jim manjka samo nekaj članov, da bodo deležni lepih nagrad, je še prilika, da dosežejo predpisano število in ob enem visoko priznanje od SNPJ.

S tem, da pridobimo kar največ mladine v SNPJ, pomagamo širiti dobra dela medsebojnega podpiranja, kar je velike koristi za starše kakor tudi za mladino. Saj je Slovenska narodna podpora ena sama in Slovenci v tej deželi največja trdnjava bratske in delavske solidarnosti, prvič, ker je v gospodarskem oziru najmočnejša, in drugič, ker izobrazuje svoje članstvo v delavskem duhu in na podlagi svobodne misli.

Slovec na temelju svobodne misli, kar je izraženo v njeni ustavi, širi Slovenska narodna podpora na ideologijo s svojimi zaključki, ki se tičejo naše kulture in pa s svojimi publikacijami. Med temi je Mladinski list še posebno namenjen njeni mladini, iz katerega zajema pametne ideje za ukrepitev pravega delavskega značaja.

Slovenska narodna podpora deluje od vsega svojega početka za odpravo sistema, ki se očituje v največji razkošnosti in bogastvu pri peščici industrijskih vladarjev ter jasno izraža v največji revščini in bedi pri širnih ljudskih masah.

Ta krivični sistem ima mladino dobro priklenjeno nase in jo smatra poleg zlata za najdragocenejši zaklad na svetu. Saj bi brez nje ne mogli denarni vladarji hujskati narod proti narodu; brez nje bi ne bilo vojn in ubijanja na debelo, kar je militarni stični gospodi tako zelo dobičkonosno, ne bi bilo modernega družinstva, ki ga imamo s prav malimi izjemami po vsem svetu.

Star pregovor pravi: mladina je kvas človeške bodočnosti. In ta pregovor razlaga dejstvo, če je kvas slab, pek ne more pričakovati posebno dobre peke, in če si ne vzgajimo mladine v pravem duhu, je zaman vse naše prizadevanje za boljše bodočnost.

Bratje in sestre, še je čas, da izvršimo svojo dolžnost s tem, da pripeljemo čim več mladih članov v našo podporno ustanovo, kjer je zanje krasna prilika poleg sigurnega zavarovanja tudi za pravo kulturno in delavsko izobrazbo.

Slovenska narodna podpora šteje nad šeststo društev in če vsako društvo pridobi vsaj še enega člana, bo naša jubilejna kampanja dosegla lep uspeh.

L. GRADIŠEK, pomožni tajnik.

Zdravniški nasveti

Piše John J. Zavertnik, M. D.
Svinjina in ikre

Zdaj, ko se je vrnil čas klanja prašičev, ko ljudje jedo več mesa, ker je manj sveže zelenjave, bodo ikre postale večji problem v Ameriki nego v katerikoli drugi državi na svetu. Bolezen, ki jo povzročajo ikre, je znana že več stoletij.

Ta bolezen izvira iz uživanja surovega ali pa nezadostno kuhane mesa, zlasti svinjine, v katerem so paraziti, znani zdravnikom pod imenom "trichinella spiralis", neke vrste črvi, ki se zadržujejo v prebavnem sistem in želodčne stene.

Simptomi se razlikujejo pri posameznikih. Včasih se pokažejo v nekaj urah, po petih dneh ali po treh tednih. Napad je navadno nenaden in spremlja ga vročina, bljuvanje, slabosti v želodcu, driska in bolečine v trebuhu. Vročica se pojavi med sedmim in štirinajstim dnevom po napadu in doseže 102 stopnji Fahrenheita.

Mišice postanejo nežne in napete; večasi otečejo in povzročajo bolečine pri premikanju. Prizadete so grčne mišice kakor tudi mišice v nogah in rokah. Pojavijo se opahki in srbenje.

Bolezen traja deset dni do osem tednov in še dalj, kar zavisi od obsega okužbe. Komplikacije, ki se lahko razvijejo, so kašelj, vnetje sapnika in pljučnica. Smrtni slučaj, ki jih povzročata ta bolezen, znašajo v Ameriki pet odstotkov.

Tej bolezni se lahko izognemo, če svinjino kuhamo toliko časa,

da je bela. Svinjina je vedno potencialni izvor te bolezni. Kakor hitro kdo sluti, da je dobil to bolezen, naj gre takoj k zdravniku, da mu preišče kri. Zdravljenje v pravem času ustavi bolezen.

Pojasnilo

Pittsburgh, Pa. — V enem tujkajšnjih listov je bil pred kratkim objavljen članek, ki se je nanašal na evropsko krizo. Tisti list je vprašal več Slovanov za njihova mnenja z ozirom na tamkajšnje napete razmere. Za članek, tikajoč se Slovencev, so vprašali podpisane. Med drugim so bila v članku navedena imena kakšnega pol tucata znanih rojakov. Nekaterim se to ni dopadlo in so bili uverjeni, da sem jaz navedel ta imena. Dasi so med temi tudi nekateri moji prijatelji, moram resnici na ljubo izjaviti, da jaz nisem listu dal njihovih imen, niti nisem bil vprašan o nobenem posamezniku ne o kakšni skupini. Čudno pa je, da so se nekateri vsled tega razburili. Začudil sem se pa še posebno potem, ker se čutilo užaljene tisti, katerih imena niso bila navedena, kajti glede tega bi lahko poklicali mene ali pa list, ki je objavil tiste članke. Jaz nisem imel in nimam s to stvarjo ničesar opraviti. Par tistih rojakov, katerih imena so bila v listu omenjena, niti ne poznam.

Ludvik Zupančič, 665.

Ples Zavednih Sosedov

Euclid, O. — Od našega društva Zavedni Sosedje št. 158 SNPJ se že dolgo ni nihče oglašil, čeprav šteje lepo število članov. Ako bi bile boljše razmere, bi gotovo imeli tudi več priredb. Toda v Euclidu je prav tako kakor povsod, kjer dela mnogo naših ljudi pri WPA in tudi naši člani niso izvezeti. No, nikdo si ni sam kriv. Če pogledamo 30 let nazaj, je bilo drugace. Ako si tedaj pustil delo danes, si jutri lahko že drugje delal. Danes pa je srečen tisti, ki stalno dela.

Da pa malo pozabimo vsakdanje skrbi, in ker je pri našem društvu precejšnje število mladeničev in mladenk, smo sklenili že pred tremi meseci, da jim priredimo plesno veselico in sicer v soboto dne 12. nov., to je na Martinovo soboto, ko se po našem starem običaju vino krsti.

Halloween je minil. V nekaterih krajih so ga bolj dostojno praznovali kot v drugih. Veliko naših ljudi še ne ve, zakaj gredo takrat otroci po hišah, kjer pozvonijo ali potrkajo na vrata. In ako je gospodinja prijazna in jim odpre duri ter jih pozdravi, so tudi otroci prijazni in njih prošnja je: "Help the poor". Na naši ulici, kjer jaz živim, to je na Arbor Ave., so bili otroci letos lepo obdarovani. Seveda so bili otroci največ z naše ulice, ki je nekakšna "liga narodov"; na njej namreč živi kakšnih 12 narodnosti. Otroci so bili obdaro-

vani s sadjem, sladkorjem, pečivom, moštom in denarjem. To je pravo otroško veselje, zraven pa so še tako oblečeni, da jih je težko spoznati, kar jim menda še največ ugaja.

Na naši veselici prihodnje soboto bomo imeli tudi več nagrad in sicer za dobre plesalce. Za ples bo igrala godba našega člana Majka Škerjanca. To bo njegov prvi nastop v našem Slovenskem društvu in mu želimo, da bi žele veliko pohvale. Naši natakarji in naše kuharice bodo postregle z najboljšim. Vstopnina 25c, Torej vabimo cenjeno občinstvo in naše člane, da se vsaj enkrat v dveh letih skupaj snidemo in malo pozabavamo.

Anna Zele, blagajnica.

Veselica društva 634 SNPJ

Sheboygan, Wis. — Naše angleško-poslušajoče društvo Moderna št. 634 SNPJ priredi Plesno veselico z imenom "A Night in Slovenia" na soboto, dne 10. dec. v dvorani Calumet na Calumet Drive. Za ples bo igral Romy Gosz in njegov Recording orkester, ki je znan širom naše države po svojih polkah, valčkih in drugih poskočnih komadih. Rezervirajte si ta datum za našo veselico in bodite prepričani, da se boste imenitno zabavali in tudi naplesali ob zvokih slovenskih melodij.

V pripravljalnem odboru za to veselico so sledeči: Ljudmila Scheck, Joseph Zaletel in Frank Resnick. Ta odbor je vneto na delu, da bo vse pravočasno pripravljeno in da bo ta veselica ena naših največjih vrste, kar smo jih pri nas dosedaj imeli. Dekoracije in kostumi bodo primerne časi. Zato pa se gotovo odločite, da pridete tudi vi!

Torej na veselo svidenje na naši decembrski veselici našega društva dne 10. decembra, to je na soboto večer!

Frank Resnick, 634.

Plesna zabava bivših premogarjev

Chicago. — V Chicagu je tisoče bivših premogarjev raznih narodnosti. Pred nekaj meseci je skupina naprednih bivših rudarjev iz Illinois ustanovila Chicago Ex-Coal Miners Club z namenom, da na družabnih in vzgojnih sestankih ob času od časa obnovimo naše spomine in tradicije iz našega nekdanjega rudarskega življenja. Dostop v ta klub imajo tudi družine bivših rudarjev. Klub je do sedaj pritegnil v svojo sredo fin delavski element, zabavne, vesele in napredne fante in dekleta, može in žene, ki so si nekaj služili kruha s kopanjem črnega diamanta in se borili v vrstah rudarske unije. Let Our Record Tell the Story

The twelve-month jubilee campaign of the Juvenile Department of SNPJ is rapidly drawing to a close; it will end with the end of the year.

We have been reading official campaign reports every month which showed the progress and gains made by the lodges and individual members. These gains on the whole have been creditable to us considering the present conditions. But some lodges and individual members have not answered the campaign call actively enough. It is the members in our dormant communities who should exert their efforts to help bring the drive to a desirable conclusion.

Records of previous SNPJ membership campaigns show that the final campaign months were always the most productive months. Many members and lodges wait until the last days of the campaign before they decide to become active in the campaign. Due to that fact many a previous campaign had to be extended at the request of late comers who, at the last moment discovered that right in their vicinity there was a number of ripe prospects who were theirs for the asking.

But it would be a waste of time to recall our past failures. Let this serve only as a lesson to us so that we will act on time. Right now is the time to boost the campaign and bring the final results to the 2500 goal of new members by the end of this year. That must be our foremost objective from now until the end of the drive.

It is to a very great extent up to us of the English Speaking Lodges to make this year's juvenile campaign a success. We must convince our senior members that we are willing to do our share of the work—now!

The campaign is being conducted to commemorate the 25th anniversary of our juvenile department, and that comes but once in a lifetime. Therefore, we must use this opportunity to show that we are aware of our responsibilities as an important group in our Society. The ESL movement has come of age. Let us prove this by doing our full share in this campaign. Let us be done with indifference and procrastination. Let us get in and get going, and DO IT NOW!

This is what we must DO:

1. Enter the campaign at once and enlist every possible juvenile.
2. Urge other members to enter the drive.
3. Demand that your lodge exerts its every effort in the drive.
4. Keep in mind the importance of a strong juvenile department.
5. Remember that the SNPJ offers a twofold service—fraternal insurance and labor enlightenment.
6. Remember that the SNPJ issues for its members its official organ and a juvenile monthly.
7. Build the Juvenile Circles which promise to play an important part in our Society.

Remember, our record will tell the final story!

Juvenile Campaign In Oct.; Transfer to New Plans of Insurance

In October the juvenile campaign brought 165 new juvenile members. That is proof enough that many of our members are hard at work campaigning for new members for the SNPJ which is one of the best of its kind among Slovenes in this country.

The following lodges have secured five or more juvenile members during the past month:

The lodge that obtained most new members during October is Lodge 273 of Sheldon, Wis., procuring nine juvenile members. Second place was taken by Lodge 648 of Toronto, Canada, and the English Speaking Lodge 680 of Verona, Pa., each securing eight new members. The English Speaking Lodge 584 of Milwaukee, Wis., obtained six members. Lodge 207, Butte, Mont., Lodge 223, Greensburg, Pa., Lodge 225, Edison, Kans., and Lodge 299 of Walsenburg, Colo., each secured five new members.

Approximately seven more weeks remain before the close of the juvenile campaign. Therefore, we appeal to those of you who have failed to respond previously to grasp the last opportunity and go to work, so that we can look upon the successful results of the juvenile campaign with pride and satisfaction.

This campaign revealed the fact that there are yet many children among our immigrants who are not members of this Society, therefore, it is our duty to help to obtain such children for our Society.

We had previously informed our members that the period which allowed them to transfer from class A to D or E insurance was extended for six months and that it expires on Dec. 31, 1938. It is customary that members usually wait until the last minute before they make up their minds, and at the end of the given period they again appeal for an extension, regardless of expenses involved. Due to the above fact, we again recommend to all those members who have intentions of transferring from the old plan of insurance to the new one, to do so at once by getting in touch with the local lodge secretary. Good and economical management requires orderly regulations which, of course, are possible only with your cooperation. Therefore, those of you who intend to transfer, must hasten and do so before December 31, as a year's period is sufficient time for any member to make up his mind about the new insurance.

F. A. VIDER, Supreme Sec'y.

OUR JUVENILE CAMPAIGN

MILWAUKEE, WIS.—About a month and a half remains for the Juvenile Campaign. We have not quite reached the quota, so in the remaining days of the campaign let us put on a last minute spurt to reach our goal. It can be done if everyone puts their shoulders to the wheel and helps to secure one new juvenile. Xmas is just around the corner. Many members have relatives and friends who have youngsters who are not yet members of the SNPJ Juvenile Department. An appropriate Xmas present would be to sign these youngsters into the Juvenile Department. Once they are in, their parents will realize how important it is to have their children kept in the organization.

The campaign was set back quite a bit by the depression. Many of our members were thrown out of employment, but things now look a little better and the future seems a bit brighter. Even after the campaign ends, we should always be on the alert and keep on soliciting new members, both juveniles and adults. The usual reaction after a campaign is a natural let-down in our activities, and then to sit back and wait until another campaign is started. Let us hold the torch of progress high and keep on marching to a bigger and better Slovene National Benefit Society.

The English speaking Federation of Western Pennsylvania is taking an active part in this campaign, and this federation should be highly complimented on their hard work to make this campaign a great success. There are also other federations and lodges and various sections of our society that have helped in this campaign. Keep up the good work!

FRANK BOLKA,
2nd Vice President.

'Cavaliers' Complete Plans for Annual November Dance

BURGETTSTOWN, PA.—Well, it seems as if the good Indian Summer weather still is with us in Western Pennsylvania, and we surely enjoy it, especially the Cavaliers' Dance Committee who made all the plans for the Cavaliers' Annual Fall dance that is to be held Saturday night, November 12.

The Cavaliers sponsor two social affairs yearly that are of equal importance. The affairs are the Cavaliers' Anniversary dance held every year in April, and the Annual Fall dance held yearly in November.

The committee has been working harder than usual to make the final preparations for this dance and they did their work very well. The dance committee announces that everything has been taken care of and assures us that the evening of November 12 is going to be enjoyed by everyone present, be they young or old. So all you good folks and friends of Cavaliers be sure to make plans and come out to Burgettstown to spend an enjoyable evening with us on Saturday, November 12. The music for this dance will be furnished by the well-known White Eagles orchestra of radio station WHJB of Greensburg and I'm sure that every one will be satisfied with the music.

And now a few words to the Cavaliers: Our next regular monthly meeting will be held at 10:30 a. m. Sunday, November 13, and we would like to see the largest number of Cavaliers that ever attended a meeting. Cavaliers, make your lodge business your business. The more members there are to offer their opinions the more interesting are the meetings and the faster will be the growth of the Cavaliers.

JOSEPH MOSKUN,
Secretary, Lodge 741.

Moderns Will Sponsor "A Night in Slovenia"

SHEBOYGAN, WIS.—Lodge Moderns, No. 634, SNPJ, will hold a dance on December 10, at Calumet Hall on Calumet Drive. Romy Coz and His Recording orchestra, known throughout the State for his polkas, waltzes and lancers, will furnish the music. Keep this night open for the time of your life, dancing to your favorite tunes at "A Night in Slovenia."

The committee in charge of arrangements, Ljudmila Schack, Joseph Zalezel and Frank Resnick are working hard to make this one of the greatest SNPJ events ever held in Sheboygan. Decorations and costumes will characterize the occasion. Be there for the merrymaking.

FRANK RESNICK, 634.

Comments On This and That

By IVAN MOLEK, Editor

RADIO FAKE "NEWS" AND MAN'S GULLIBILITY

The amazing incident of the radio broadcast provoking a mass hysteria among the people of the United States and Canada, which occurred some ten days ago, is only another living proof what a man's imagination that has been fed on superstition will do when suddenly thrown out of gear.

This does not mean, however, that the whole mass of people which took the "news" of the Martian invasion of America during the broadcast of the well-known story of Wells as the truth should be so classified. A tricky or clever dramatization of a terror story can easily deceive any people in any country, and for this matter the frightened Americans can be excused.

There is another matter in connection with this incident that interests us. It is the newspaper report of some New York people who persisted in telling, in a moment of their excitement, that they actually SAW—the "strange, octopus-like monsters" flying in the air.

This is interesting. How can anyone see a thing which is purely imaginary? Anyone who has read H. G. Wells' story, "The War of the Worlds" will agree with us that it is fiction. But, no—there were men and women on the east coast who actually SAW the "strange monsters" as described in that story. How is this possible?

This is possible in the same way as when gullibles see "ghosts" or some other "strange apparition" usually connected with the Catholic church. Men must a priori accept the belief in an existence of any such impossible thing and then they are ready to "see" or "hear" just such an impossible thing when the occasion arises.

Superstition—ignorance is another word—plus imagination at any exciting moment will fill the air and earth with "monsters" that have haunted frightened gullibles for centuries. Where you, the skeptical and cautious unbeliever, can see nothing, the panicky superstitious one will see and hear anything that has been pictured in the scare-tales and stuffed into infant minds which have remained closed ever since.

If that radio scare had happened 200 years ago, at a time when horror-tales were the rule and when the authority was mentally just as low as the gullible, a great witch-hunt would follow and all those who saw the "monsters flying in the air" would have been burned.

Now we reflect it as a case for psychopathology. The case might be a harmless one in some individuals, or it might be one of dangerous potentiality in others.

PIONEER 13TH ANNUAL DANCE SATURDAY, NOVEMBER 12

CHICAGO, ILL.—A few days yet remain in which all loyal Pioneers should do their utmost to assure a big attendance at our 13th Annual Dance, Sat., Nov. 12, at the SNPJ Auditorium. See your friends and acquaintances and make sure they attend. The success of the dance depends entirely on the extent of good publicity that the general membership has waged, and if you have not yet done your share—do so now! Courtesy tickets are available at the secretary's office, 2634 S. Lawndale avenue. Admission is 35 cents with the courtesy ticket, 40 cents otherwise.

Charley Straight's band, a well known orchestra that has played over many radio stations and other well known spots is the main attraction. Music will also be furnished in the lower hall for the old-timers so that all may have a good time. The committee has arranged that all the posts will be well manned, and with your cooperation everything shall go over in grand style.

It might be well to mention that the bulk of lodge receipts comes from our two main annual attractions—the Prize Picnic and the Annual Dance—and since the weather hampered our picnic and its ultimate success, as good a result as was expected was not achieved. This leaves us the alternative of making our Annual Dance a larger and more profitable affair in order that our treasury will not suffer.

We hope the bowlers will be in as good trim as they generally are when we watch them at the bowling alleys. Their cooperation is expected and needed, too. The three L's promise that their sweetheart parade will be fully represented and our traveling crew claims out-of-towners will visit us that night, too. So, it's a lot of fun you'll miss if you don't attend. And won't we all feel much better when we sit down to our supper on meeting night if we can all say we tried and succeeded?

It might not be amiss to mention that the Illinois Labor Party, of which we are an affiliate, was ruled off the ballot and therefore many people were left with but little choice in the list of candidates presented. Illinois election laws, in regard to new parties seeking legal status, are quite severe. The trouble, however, lies in the membership of the affiliated organizations. While they do not actively oppose the formation of

such a party, neither do they actively support its organizational campaign. Most of their interest and approval is but passive.

And once again—the dance. Be there, bring your friends there, and assure us that that old spirit is yet alive and thriving. In order to be Pioneers, let us be real pioneers.

THE THREE M'S.

Strugger Lodge Plans 'Fall Frolic'

CLEVELAND, O.—The Strugger Lodge, SNPJ 614, will hold their "Fall Frolic" on Saturday, Nov. 26, at the Slovene Workers' Home on Waterloo rd. with the well-known music of Kristof's orchestra. His good old polkas and waltzes will keep your feet shuffling all night long.

Yes, our Fall Frolic will be a real frolic. And for some good kranjske klobase—all neighboring lodges are invited.

Bowling

Let's have some rooters giving the bowling boys some old Strugger spirit so that they will be able to bring home the bacon.

Basketball

Notice to all basketball players: There will be practice sessions every Monday night at Collinwood High School at E. 152nd and St. Clair ave. at 8 o'clock.

December Meeting

And also don't forget our December meeting for that is the election night, Dec. 7. There will be refreshments and music, and also you can vote for your favorite candidate.

Fall Frolic

For an evening of enjoyment be at the Strugger Dance Saturday night, Nov. 26. JOS. ZABUKOVEC, Lodge 614.

Veronettes Will Meet November 14

VERONA, PA.—A special meeting has been called for Nov. 14 which will begin promptly at 8 p. m. The meeting will be held at the National Home. Please attend as it is of importance to everyone.

CATHERINE ZOLET, Lodge 690.

'Golden Eagles' to Welcome Trebar's Initial Appearance at Their Fall Dance Saturday, November 26

GIRARD, OHIO.—Floods, depressions, starvations, home foreclosures, etc., all contribute generously toward a depressing state of mind. With a constant repetition of this state, man looks for avenues of enjoyment such as the dance sponsored by the Eagles at Niles, Ohio, on Nov. 26.

To our dancing friends we offer a newcomer to this section—Cleveland's Louis Trebar. His initial appearance deserves a hearty welcome and we think that he will get it.

A large crowd can be assured by sincere and wholehearted preparation by the members—and we know you want a good attendance. Bro. Predlika is the keeper of the tickets. See that you get your share and make an earnest endeavor to put them in circulation. Having them resting in your vest pockets will not put money in the lodge treasury. The task of selling tickets should be made easier by the reduction in the price of any tickets purchased in advance. Thirty cents from now on until the 26th and thirty-five on the night of the dance.

Bros. Jake Predlika and Marko Matkovich are chairmen for the affair. In their experienced, capable hands we look for successful guidance. Both are familiar with all detail work and all they need is some manual help. Hall decorations, ticket sellers, liquor dispensers, handy men—all are needed and this column hopes that the members will again offer their services voluntarily as has been so often in the past.

Attend our dance and greet your

friends; your friends make you happy, this happiness brings you to the bar, consumption of drinks brings an exhilarating feeling, this feeling makes you want to sing, you sing and become still happier, and why should you miss all this when the cost is little?

*You have three interesting reasons for attending the next meeting (Nov. 11). For one thing the bowlers are somewhat confused as to the selection of bowling shirts, so Bro. R. Javacic has promised to bring along Bro. C. Zitnik, our local Slovene clothing merchant, to clear up the situation. The Juvenile Committee should have their report on a combined Juvenile Circle. To keep things moving a suitable meeting date for Dec. must be chosen.

Off the Record.—Jake Predlika again running loose somewhere in Pa.—We have three high scores in a bowling league—189, 191 and 200—hung up by "Squire" Cherne, H. La and B. Seitz, respectively.—Umcek now wearing his rubber-heeled shoes.—Pa.'s active Julia Bogatay was among the first to reserve a place for our dance.—The Bears and Wolves are deadlocked in first place with the Tigers and Panthers trailing.—Barborton, too, will be among the crowd on the 26th.—Frank Verbiec beginning to worry about his waistline. See that it doesn't interfere with your bowling because we need you on New Year's Day.—Who is going to sell the most dance tickets? FRANK REZEK, 643.

Sponsor Comets' Annual Fall Dance Saturday, November 12

UNIVERSAL, PA.—COMETS have somehow established a reputation of going places, doing things, and getting around in this SNPJ association of ours. They are invariably seen at SNPJ social activities, whether it be one of a local character here in Western Pennsylvania, or one national in scope. They are so peculiarly situated that almost each SNPJ lodge occasion requires them to travel miles, miles, and more miles.

Their interest in SNPJ activities need not be a surprise. They cherish the great organization to which they belong. They seek the fellowship which it offers. They have found long ago that their desires for fun and joviality are best satisfied by associating with those with whom they have a common interest, namely, other members of the SNPJ.

This year their participation in SNPJ social activities has extended beyond Western Pennsylvania boundaries. Their presence has been made in Barborton, Sharon, and Detroit, and on each occasion they were satisfied upon being present in a fraternal atmosphere which an organization like SNPJ can provide. Already they have plans to travel to at least two places outside of their own W. Pa. community, Cleveland in May and La Salle in September. Upon each occasion they experienced the best of hospitality. Many times they felt uneasy because the host or hostess insisted on doing so much and refused to accept even a thanks. They felt like spongers in the extreme. But such a reception and entertainment is typical of Slovene people. Let it

be known that the COMETS appreciate all that has been done to provide a good time for them.

But the COMETS are not content to only express appreciation; they want to show their appreciation. So a most hearty welcome to the COMETS on Wednesday, November 23, extended. Arrangements are under way to entertain you in typical Slovene style. The music will be furnished in the Slovene hall by Jimmy Sobula and his orchestra. A dance on Thanksgiving eve will be the occasion to show appreciation for what has been done for us. COMETS will continue their hospitality after the dance and the next day.

Remember, all of you are welcome to join us in a fraternal spirit of thanksgiving on Thanksgiving eve, Wednesday, November 3, at the COMETS' ANNUAL FALL DANCE.

MICHAEL R. KUMER, 715.

Narrow Escape

"You were right when you told me last night that there were burglars in the house. All the money that was in my pockets when I went to bed is gone."

"Well, if you'd been brave and got up and shot the wretch you'd have had your money this morning."

"Possibly, but then I should have been a widower."

She gave him back half the money.

A brush made of lamb's wool that can be easily washed after it becomes soiled has been invented to collect dust from bed springs.

Badgerland News

MILWAUKEE, WIS.—Some one slipped up last week, and there wasn't any doings reported. So I'll just have that much more to tell about.

One sure thing that I don't want to miss up on is the next Badger new arrivals to Badgerland. A girl to Mr. and Mrs. Anton Lenko last week, and a boy to Mr. and Mrs. Joe Owen. I think that the Badgers are getting two new Juveniles. Am I right, Tony and Joe?

The Juveniles in the Milwaukee area are certainly very active. Under the very able supervision of Brothers Widmar, Poklar and Schweiger, these youngsters are giving a program and dance at the Turn Hall Saturday, Dec. 17. So if you want to see some real entertainment go and see these youngsters perform.

The Pioneers 13th Anniversary this Saturday promises to be the social event of the year. (That is with the exception of Badger's.) There will be quite a few of us down there you can be assured of that. In full regalia.

Wedding bells will be ringing for

(Continued on page 6.)

J. Z. Jrs. Will Observe Ninth Anniversary Nov. 24

LIBRARY, PA.—The great social event of the year is drawing nearer, which is no other but the J. Z. Jrs. Ninth Anniversary Dance to be held on Thanksgiving day, November 24. No doubt you have already made your plans for this occasion.

The dance committee was selected at the September meeting and are putting forth all their efforts to make this affair a great success. Music will be furnished by Al Nichols and his ten piece band together with his vocalist, Helen Harvath.

During the entire summer months the J. Z. Jrs. have attended various lodges' affairs, therefore being entitled to a return visit. Everybody is cordially invited as there will be a good time in store for all. As you all know from our past affairs, the admission will be practically nil. This is just a tip to those who are planning to attend that have never been present at our dances before.

Follow the Prosveta for further details of our Ninth Anniversary Dance. There's lots more coming.

STELLA J. AMBROSIC, Lodge 682.

Avella Lodge Plans Thanksgiving Dance

AVELLA, PA.—This is station SNPJ broadcasting from Avella, Pa., operating on 292 kilocycles.

Well folks, here it is Thanksgiving time again which, of course, means another one of those outstanding affairs for which the Ladies of this Lodge have become famous. These annual affairs have been in the past highly successful and we have every reason to believe that this year's will be just as successful if not more.

The program will begin at 2 p. m. and end at 7 a. m. It will consist of various features to delight both the young and old. First on the list will be bowling, and that most certainly is a sport which everyone enjoys. Bowling on Nov. 24 will be doubly enjoyable, however, since there will be prizes, too. The prizes—yes sir, nothing else but turkeys and chickens. Wouldn't you like to have one? If you would, then come out on Thanksgiving and we know you'll win one.

Another thing that you are sure will please everyone is—the kranjske klobase. They seem to be everyone's weakness, don't they? But believe me, folks, you haven't eaten kranjske klobase until you have eaten the ones that the ladies of Avella make. Boy, oh boy, they certainly take the cake.

In the evening there will be dancing to Joe Pope and his orchestra. Nothing further need be said about that. All of you who are acquainted with his music know what an enjoyment one can get from truckin' on down and shaggin' to the swing tunes of his music.

This is SNPJ signing off with another reminder to come and spend an enjoyable day and evening at Avella on Nov. 24. JOY and SMILES.

Butte Lodge to Sponsor Grape Festival and Dance

BUTTE, MONT.—Our Lodge 207, SNPJ, is sponsoring a Grape Festival and Dance, Sunday evening, Nov. 15, at Narodni Dom. The Arrangement Committee is preparing a "grape festival" program for this occasion. Both upper and lower halls will be open, and from start until the closing time there will be something on the program every minute.

Now, this is not going to be just an ordinary dance, but it is going to be an outstanding affair of the season. If you are having a party to entertain, just bring them to the Festival. If you are all dressed up don't say "there is no place to go," come to the Festival. Ladies will wear their hair up or down, either way you like it. The crowds will be at the Festival that day. So if you are not confined to your home and do not wish to be all "by your lonesome self" for some reason or other—come to the Festival. Lodge Mountain Stars, No. 374, SNPJ, are specially invited.

COMMITTEE.

Nov. 12 is Date of First Colonial Fall Dance

COVERDALE, PA.—The SNPJ Colonials are holding their first Fall Dance on Sat., Nov. 12, at the local Slovene hall. Art Sabie's orchestra will furnish the music. We would like to see the Strabane Pioneers, J. Z. Jrs., Jolly Juniors, Universal Comets, Pittsburgh, Clairton, Verona, Moon Run and other lodges attend. From now on we will reciprocate by attending other lodges' affairs, for instance, the J. Z. Jrs.' Thanksgiving dance, etc. So help us make our dance a success by attending in large numbers. There'll be refreshments for all who come.

A MEMBER, Lodge 732.

FLASHES

CHICAGO.—We are going to make the Pioneer 13th anniversary dance one of the best and biggest social functions of the 1938 season. Indications point to a full crowd. We depend upon our members to do their little bit to bring people to the dance. We have assurances of complete support from the local following and we are told that out-of-town guests from Milwaukee, West Allis, Waukegan, La Salle and Detroit are to be present. Thus we expect much hilarity and merriment Saturday night, Nov. 12.

As a final reminder we repeat that Charley Straight and his orchestra will positively be on hand for the duration of the dance and that they will serve the kind of genuine first class music which you can expect from "the high class places where the cover charge is up the money." Judy Talbot who has made her reputation in radio work will be featured also. In the lower premises the two local idols, Joseph Omerza and Frank Gradisek, will be on the job to keep you jolly and hot.—For an extra good time join the crowd that will be trekking to the SNPJ hall this Saturday night.

As previously reported, the Pioneers turn over a new leaf at their meeting on Friday, Nov. 18. It is our desire to do this in style, comfort and glory so we intend to do it in the fashion that will bespeak of the Pioneers of old. We want and intend to initiate 13 new juvenile members, one for each year of our existence, and we call on all of our members to get the 13 new members. Eight of the 13 are already listed as a result of a little canvassing. Dr. John Zaveritnik promises to pick up a couple more and John Simon another. Thus there are openings for two heroes to make the 13. A swell supper will be served and cards have been addressed to all members. We'll have a short program of course, and Prof. Maynard C. Krueger, our brother, will make an address. All Pioneers are invited. The supper will be free.

John Jersin, a former member of the Pioneers, passed away recently. John was ailing for a long while and went south for a change of climate, but even that didn't save him. His death claim was paid promptly.—Another week has passed a Pioneer

sick list.—Mike Reading, one of the chefs in our early years, has sold his property in Chardon Hills and with wife and family purchased a new Buick and picked up the trail for California. In recent years his night work prevented him from being active but now that he has left that, too, he will probably get back into activity again, in California.—Bob Arko is attending Armour Institute, one of the recognized engineering schools. Besides being studious, Bob is also thoughtful and when a young man uses those two qualifications he's bound to be a success. A degree in engineering is a coveted mark.

Mary Dusak does a charitable act. She'll not be able to attend the dance but forwards money for an admission just the same.—Armistice Day is here. We can think of the good, manly, fit boys and men who were left in the fields of the last world's war. Have they died in vain? Is war necessary? Who makes war? Ask yourself these questions! Answer them, too! Be serious and join the true cause of peace, the international brotherhood of man.

"United Slovenes" Sponsor Annual Fall Dance Nov. 23

ST. MARYS, PA.—On Thanksgiving eve, Nov. 23, the SNPJ United Slovene lodge 581 will hold its annual fall dance at the Grange hall on North Michael st., the popular White Eagle orchestra of Yukon furnishing the music. (They are on the air over radio station WJLB, Greensburg, every Saturday at 12:45 p. m. This orchestra is famous for Slovene polkas, waltzes and popular music.)

We extend a cordial invitation to all far and near.

Our next meeting will be held on Nov. 20, your presence will be appreciated. Beer and lunch will be served after the meeting. We welcome new members, Joseph Prudich and Frank Troha.—A son was born to Mr. and Mrs. Charles Sterbank Jr.—Sister Anne Uniek was married to Floyd Wickert. Congratulations are extended to them.

Hoping to see you all at the Dance on Nov. 23. GABRIEL ULJON, Sec'y., Lodge 581.

Strabane 'Pioneers' to Feature Watt's Band at Dance Sat., Nov. 19

STRABANE, PA.—Here is another reminder that the Penny Pioneers are holding a dance on Nov. 19 at the SNPJ hall here. We invite all our neighboring lodges to attend and we promise you that you won't be sorry. The music for this affair will be provided by Frankie Watt and his band. Incidentally, Frankie Watt has become one of the leading bandmasters in this vicinity. Don't forget we will be seeing you on the 19th. This will be the last dance affair the Pioneers will stage until their annual Xmas Dance.

In a recent issue of Prosveta, the Revellers' columnist gave a very good description of the types of members of a lodge. In our lodge the "shoe would fit plenty of members." Out of our total membership, approximately one-fourth of the members attend our meetings. Those who come are the "Old Faithfuls." The same thing goes for lodge affairs. You know, if we see about one-half of our membership to our dance on the 19th, why, we'd probably keel over. So come on, members, let's come to this dance and get acquainted. We'd like to see some new faces around.

One of the best writings on this year's Juvenile Campaign appeared recently in the Prosveta. The article, written by Mr. and Mrs. Chas. Koval, members of Pioneers Lodge, dealt on crime prevention. It was a very fine article. May we see many more like that.

Members on our sick list are: Mrs. Frank Progar and Anna Mose. Members are asked to drop in and see these two sick members. We hope they will be able to be up and around shortly.

Lodge News

Bowling is still going at a merry clip out here. In the Boys' League, Notre Dame is on top with six victories and two defeats, followed by Pitt and Carnegie Tech tied for second place with four wins and four losses, and Duquesne with two wins and six losses.

The Girls' Bowling League is also going great. In a match game with the Continental Can girls, the Pioneer lassies suffered their first defeat of the year. Any SNPJ lodge desiring games with the Pioneer teams, get in touch with SNPJ Pioneers, address Strabane, Pa.

Lodge 138 certainly put over a great time on Oct. 29 and 30. Beginning with a dance on Saturday evening and ending on Sunday night, not a dull moment was had. A fine program was given on Sunday afternoon a large crowd. After the program, lunch was served by the

SNPJ Ladies, auxiliary of 138. The Pioneer boys were certainly working hard behind the bar Sunday night giving good service to all patrons. The affair was a great success in all respects.

The time for electing officers is again approaching and we are taking this means to notify our members and ask that we have a good attendance at our December meeting. We hope to see some members who have not been to a meeting for some time. So arrange to be at the December meeting and elect officers for the year 1939.

Pioneers' Pips

NOTICE, MOVIE SCOUTS: The Pioneer Theater Guild Players presented their one-act comedy, "The Barber of Strabane," featuring the well-known actors, Sam Rotella, Gordon Chesnie, William Tomasic and Max Chesnie, before an enthusiastic crowd on Sunday afternoon.

Notice, Professor McFlorian: Members are inquiring when the Glee Club rehearsals will begin. Please post a notice at the Club. Hit song of the week is, "Josephine." Cummy and wife, Anne, parking Junior with Frances Florigan while they danced Saturday night. Patty and Terry Koval, children of Mr. and Mrs. Chas. Koval, won prizes in the Halloween Parade Monday night. The newest and youngest of the Pioneers at the last week-end celebration were noticed as they made their social debut, were June Curtis, Marlene Popovich, Ronald Kaminski, James Dudick, and Anthony Progar Jr. Considerable publicity was given the SNPJ in our local paper the "Daily Notes" pertaining to the fine program held in conjunction with the opening of the newly remodeled hall.—Pioneer Girls are anxious to improve their rendition of the "Lambeth Walk." How about a few pointers?

PUBLICITY COMMITTEE, Lodge 589.

Explanation

PITTSBURGH, PA.—Recently an article appeared in one of the Pittsburgh daily newspapers concerning the European crisis. Various people of Slav origin were interviewed in an effort to obtain their attitude concerning the desperate state of affairs there.

In an article concerning the Slovenes, I was consulted. Amongst other things, the names of about a half-dozen Slovenes were listed as being prominent in this locality. Many persons, it seems, have taken offense at this, believing that I had mentioned these names. Though

Juvenile Circles

Milwaukee Circle Selects Name, Sponsors Dance

MILWAUKEE, WIS.—Our Juvenile Circle's name is "The SNPJ Junior All Stars." Our next meeting will be held Friday, Nov. 11. This will be a special meeting at which arrangements for our Dec. 17 dance will be made. At this meeting we expect at least 120 of our members to be present.

I have asked the Main Office to send me 125 SNPJ badges to be distributed among our members. I want each and every member to wear one, to represent our newly-organized Circle. I know that these badges will help to bring us more new members, and I hope they will be mailed to me in time.

We cordially invite all juvenile members and also their parents to be present at this meeting, Friday, Nov. 11, at the usual place.

The boys and girls who wish to play basketball are to meet Leonard Alper Thursday evening, Nov. 10, at 7:15 at the Goodwill Community center, corner of So. Third and West Walker sts. If you wish to join, be there at 7:15 p. m. sharp.

So bring your folks to the First Real Dance of the SNPJ Junior All Stars at South Side Turn Hall, 725 W. National ave. Tickets are 25c; admission at the door will be 30c. We'll be seeing you then.

Integrity Broadcast

CHICAGO, ILL.—Just a reminder, members of Integrity Lodge, SNPJ 631, that the next regular meeting will be held next week, Nov. 16, at 8 p. m. at 911 Armitage avenue (Center). We would like to have as many members present as possible. Make it a habit to attend your regular monthly meetings, which I know you would enjoy, and specially the entertainment after each meeting.

We are indeed sorry to learn that Sis. Mildred Klein has lost her new baby on Nov. 5. We extend our sympathy to Brother and Sister Klein.

We wish to congratulate Bro. Marty Abramson, becoming a new daddy on Nov. 6. Marty is a proud daddy of a baby girl.

MICHAEL FLEISCHACKER, Sec'y, Lodge 631.

CHICAGO, ILL.—The regular monthly meeting of Lodge 631 will be held next Wednesday night, Nov. 16, at Aldine hall, and all members are requested to be present.

Yes, there are only fifty more days left before our Juvenile Campaign comes to an end. Therefore, members, this is your big chance to bring in a juvenile. Remember, your lodge needs them. Come on, let's all get busy. I will start with 10 or more for our next month's meeting. Let's all do our share as we owe it to our great organization.

Any member of our lodge who would like to use my season pass for the Bears' football games, let me hear from you and you will get it. The writer witnessed several of their games so far this year. With Bro. John Strah I also witnessed the world series championship game between the Cubs and Yankees in Chicago.

Now, Integrity members, on Nov. 12 the Pioneer lodge dance will take place at the SNPJ hall. Please try and attend.—On Nov. 18, Friday eve, a dance will be given by the Belmont Booster Girls A. C. at Portage Park Odd-Fellows hall, 5837 Irving Park Blvd. Admission 40c including wardrobe. Music by Ray Paul and his Chi-Collegians. Remember, these girls are our future lodge members and your cooperation will be greatly appreciated by the writer and the girls.

Little fort dance will be on Nov. 26 at Slovene Home in Waukegan at which a real good time is assured to those who will attend. Show your old spirit.

Our bowling teams are showing bigger and better results.

Sister Mary Rojch will soon leave the lodge with her new husband for St. Louis. Boy, what a party we had at her doings a week ago. Yes, it was a two-day affair. Brothers Calkar, Merella, Zordani, the writer and several other SNPJs were there. We wish you good luck and happiness, Mary. And don't forget to persuade your man to join the SNPJ.

LOUIS BAFFETTI, Lodge 651.

Some of those included are friends of mine, nevertheless it is not true that I gave these names. I was not asked about any individual or group. It is amazing that feelings were aroused over such a trivial matter. I was dismayed especially since those who were hurt by the omission of their names could easily have called me, or the newspaper sponsoring the article.

I positively had nothing to do with it. A couple of those mentioned I do not even have the pleasure of knowing.

LUDVICK ZUPANCIC, Lodge 665.

An Appeal From Louis Adamic

To the Slovenian immigrants in the U. S., and their American-born Children and Grandchildren:

Unusual motives and circumstances impell me to try—through the kindness and courtesy of the editors of this newspaper—to communicate in this unusual way with the Slovenian immigrants in the U. S. and their American-born children and grandchildren.

My last book, "My America," contains a long selection entitled "Plymouth Rock and Ellis Island", in which I try to point out in various ways and from different angles, the following facts, which to me seem of foremost importance:

(1) That Ellis Island is rapidly becoming—historically—as important as is Plymouth Rock.

(2) That the U. S., as it stands today is—racially, socially and culturally—an extension not only of the British Isles and the Netherlands but, more or less, of all Europe and, to an extent, of Asia and Africa.

(3) That present-day America, with its great industries, skyscrapers, endless highways and power-lines, is as much the result of the labor and genius of immigrants as of old-stock Americans.

(4) That, in the upbuilding of America as it stands today, the immigrants' contributions have been enormous; that in this upbuilding of the country in the last century more immigrants from various European countries died than early American colonists were killed in subduing the wilderness and in the War for Independence; and that it is urgent for America that this fact be realized and appreciated by the country as a whole.

(5) That very rapidly the U. S. is ceasing to be a predominantly Anglo-Saxon country, for our population now includes nearly 50,000,000 non-Anglo-Saxons; and that, for that reason, a new conception of America (along the lines suggested above) is necessary.

(6) That the presence in the U. S. of this vast new-immigrant element immensely complicates American social, economic, political, cultural, and spiritual problems; that inherent in our present population are certain dangers to America as well as to the various racial and national groups; that alien-baiting on the part of old-stock Americans is spreading; and, lest these dangers to America and the various groups increase and intensify, all of us—new and old-stock Americans—must begin to be intelligently, patriotically interested in this situation.

This is the gist of what I am driving at in "My America." But what I say in that book is tentative and incomplete. I plan to write a new book which will deal, as exhaustively as possible, only with the immigrants who have come here in the last hundred years, and with their children and grandchildren who are native Americans but different from, say, Americans of Yankee stock, and with their problems in relation to them, with the problem of Americanization or assimilation, with the idea of the Melting Pot, and with the future of the U. S. from the viewpoint of the fact that the composition of its population is rapidly changing.

Space limitations forbid me to reveal here the complete scheme for my next book, but, in addition to developing as fully as I can the above-listed points upon which I touch in "My America," I shall try to bring out and emphasize that the old "Americanization" idea was pretty nearly all wrong and has largely failed, and that we need a new Americanization.

The old "Americanization" idea aimed to purge the immigrant of his old-country background (of which the "Americanizers" had no clear notion except that it was bad because "foreign") and thus turn him neatly into an Anglo-Saxon American, or a pretty good imitation of one, and in a few lessons in night-school endow him with the background of America from the Colonial days on. Assimilation was supposed to work one way: from the immigrant's natural old-country background to Americanism as conceived by patriotic old-stock Americans.

Millions of aliens were naturalized and learned more or less English, which gave the "Americanizers" the illusion that their idea was headed success-ward; actually, the average immigrant remained a good deal of the national he was in the old country. Implicit in the "Americanization" idea, which scorned his natural background, was an insult to him, and he resented it. In many cases, as he inevitably and silently compared his adopted country with his native land, he became more conscious of his old-country background than he was before he came over, and he frequently followed his natural inclination as a foreigner and drew aside, away from the main streams of American life, into his national colony, where, to a great extent, he is to this day, and where his children were born.

Some of the immigrant colonies, the so-called "foreign sections" of our cities, are now beginning to break up, but this breaking up is painful, tragic, haphazard, not very intelligent. To my mind, what is now needed is a new consciousness of America, of ourselves as a people made up of over fifty races and nationalities. Also what is needed is a new Americanization idea which will recognize and accept, not merely tolerate, the various national groups as such; which will set the desirability of diversity in our population; which will take a firm stand against alien-baiting and insist that the immigrant citizens and their American-born children belong here as much as the old-stock Americans because this is their America as much as anybody else's; and which will work toward gradual assimilation or racial-cultural fusion that will operate naturally, not one way, but in many directions. By this I mean that Anglo-Saxons will have to become partly assimilated or fused into the various new-immigrant groups just as the latter will have to become partly assimilated into the Anglo-Saxon group and into one another.

This process is now going, but, as I say, painfully, haphazardly, often accompanied by pathological manifestations and personal tragedies. We—all of us now in America: old-stock Americans and those of a new-immigrant stock—need to become conscious of it and make it intelligent and healthy, from the viewpoint of America's racial, cultural, social, and political future.

My new book will aim to be a contribution in that direction. Its title will be a "A Nation of Nations," which is a phrase from a line in Walt Whitman: "Here (in America) is not a nation, but a teeming nation of nations." I shall spend 1939-40 making a thorough survey of the subject, write the book in 1941, and publish it late that year or early in 1942.

(To be concluded next week)

Nov. 12 Marks Fourth Anniversary of Cadets

POWER POINT, O.—Just a last reminder to our friends from far and near, not to forget our Fourth Anniversary Dance Sat., Nov. 12, to be held at Kaplan's hall. Music will be furnished by Vic Tuseck and his accordion, with polkas galore. We are looking forward to seeing many of our friends at this affair. Accordingly we have made arrangements to accommodate a large crowd.

There will be all kinds of refreshments, good music, and a swell dance floor. What more could you ask for? So we will be looking for you on Nov. 12.

Full attendance at the next meeting would be appreciated.—We'll be seeing you at the Fourth Anniversary Dance of Power Point Cadets this Saturday night, Nov. 12.

Trojans Will Stage 'Big Dance' Nov. 12

BROUGHTON, PA.—March, march! The gang is coming! Where? To the Broughton (Corry) Slovene hall! When? Nov. 12. Why? To attend the Big Dance given by the Keystone Trojans, SNPJ 709.

Yes sir, that's where the crowd will be on Nov. 12. Let it rain or let it snow, this is the place we'll all go. Why? Because you can always find (as the farmer says) a rip-nortin' good time at any time. I bet you can never leave this hall without remarking, "Boy, did I have a good time at the Slovene hall!"

To those who have never visited our hall, come out and give us the once over. Come on along, come on and hear Paul Jolinar's orchestra play. Come and hear, come and hear his accordion dishing out the tunes. Rag time, waltzes, polkas and popular pieces. And with him he has Frank Artnik, another accordionist who sure can burn up the keys.

At this dance we are giving away one turkey and two roosters as door prizes. And you may get one of them. It is not necessary to be present to win but we sure would like you to come. Get your tickets from any Trojan member.

Again we are inviting Clairton, Hackett, Library, Willock and all neighboring lodges to our Big Dance.

Here you have the whole story in a nutshell: Slovene hall, Nov. 12, Saturday eve. Paul Dolinar and his six piece orchestra. One turkey and two roosters as door prizes. And to top it all—one grand time. All for 25c. We'll see you there.

Ladies' Lodge Presents "Event of the Year"

AVELLA, PA.—SNPJ Ladies' Lodge 292 will produce and present the "Biggest Thanksgiving Day"—"Event of the Year."

SETTING: Slovene hall. All scenes taking place here in the afternoon and evening.

SCENE I. Downstairs of the Hall. Action begins at 2 o'clock, when all men and women, to win ten prize chickens or two Thanksgiving turkeys, start to bowl. The bowling will continue until everyone is exhausted.

SCENE II. To floor of the Hall. Dancing. Starring Joe Pope and his orchestra ("The Ideal of Dance Lovers"). This performance begins promptly at 7 o'clock and continues until an unknown hour.

SCENE III. Middle floor of the Hall. Refreshments. This is a continuous performance from 2 o'clock until an unknown hour. This will include the selling of good old-fashioned klobase and other best liked refreshments.

The public is invited to attend this "Event of the Year." We have not forgotten that there are some pretty good bowlers out Sygan way. For didn't they walk away with a turkey a couple of years ago? (Remember, Bro. Prosen?) And I seem to recall Tom Run did not do so bad either. Canonsburg, Library and Burgettstown are reported to have several fine bowling teams. Come out and prove it to us!

I am sure Sygan will remember that Avella was well represented at their Harvest Dance. Therefore they will not let us down. How about it? So—oo, how about doing us a good turn by showing up, we may be able to do the same for you some day!—The End.—Curtain.

TRIGLAV'S NEWS OF BOWLING LEAGUE

JOHNSTOWN, PA.—Having read the most interesting articles in the Prosveta of the events and doings going on in other communities, I have decided to try and give you an idea of what we are doing.

Bowling League

We are now in the midst of a fairly evenly matched bowling league. It consists of six SNPJ lodge teams: Friendly City, Bon Air, South Fork, Flood City, Triglav and Kelso. The matches are rolled off each Friday evening starting at 6:15. Each team has their separate posters with its colors, name, lodge number and the SNPJ emblem on, and these are hung over the alleys every Friday. They are receiving much attention as the people in this community all ask about them. Through these we hope to spread the SNPJ throughout our city. We are offering many prizes for individual standings and team standings. It is so arranged that all the teams will receive some sort of a prize.

Dance Sat., Jan. 14, 1939

The league is sponsoring a dance for the benefit of the bowlers. It is to be held in the Slovene hall in Moxham. Music is to be furnished by Martin Serro's orchestra. We hope each and every lodge will talk this affair up and help make this a success. So let's all turn out for the Bowlers' Dance.

ROBERT G. SWANEY, Lodge 82.

"FRIENDLY CITY" BOWLING AND LODGE NEWS

JOHNSTOWN, PA.—SNPJ Lodge Friendly City is perking up two new members in one month. Keep up the good work. We want new members—more of them.

Since bowling seems to be the main subject around here, we'll discuss it. First of all, our fellows in Johnstown and surrounding communities have formed a league which is very successful in every way. This league is one of the best things to have happened in Johnstown. This way we get to know our fellow members. It is a get-together of six SNPJ lodges, and we think that is grand.

Let us make the SNPJ BIGGER AND MORE PROGRESSIVE in Johnstown and vicinities.

By the way, Friendly City Boys are on top. But fellows, you'll have to do better, to stay there since the assure is on. Triglav, Flood City, South Fork and Bon Air are doing

their best to get the top position. We think the South Fork fellows have our Friendly City boys all wrong; they're good sports whether they lose or win. Let us hope that this league will continue indefinitely.

The Friendly City Girls' team is going to town. The practice games the girls bowled for the last five weeks, under the management of John Gabreyza, weren't in vain. They challenged the Bon Air fellows to three games. And what do you think, they beat them two games and lost one by only 14 pins. (We bet that the Bon Air fellows' faces are still red.) Are we proud of our girls! Keep up the good work. The Friendly City Boys are next—to be beaten.

Here is a little advance news. Keep January 14, 1939, open as the Bowling league is sponsoring a dance at the Moxham Slovene Home.

MEMBERS, DON'T FORGET THE NOV. 13 MEETING. WE HAVE TWO NEW MEMBERS TO INITIATE. TWO MEMBERS, Lodge 684.

Home Hints

An old salt or pepper shaker is useful for sprinkling sugar over cookies.

Confectioner's sugar instead of granulated sugar in cake batter sometimes makes a finer texture in the cake.

Use a stiff dry brush to clean the waffle iron, or wipe it with a dampened cloth and dry carefully. Never immerse the iron in water.

Four boiling water into the container in which paraffin has been melted. The paraffin remaining in the pan will float to the top of the water and can be easily removed.

If chocolate stains are stubborn and cannot be washed off, they should be sprinkled with borax and soaked in cold water, then rinsed thoroughly with boiling water.

Soak bacon in cold water for three or four minutes before frying. Grease is prevented from running and the bacon retains a much finer flavor.

In hanging pictures, place a thumb-tack in each lower corner next to the wall. This will hold the picture away from the wall and prevent the dirty spot that usually shows when the picture is removed.

Make meat gravies more savory with browned flour. Spread a thin layer of flour on a dry skillet and place over hot fire, stirring constantly until the flour is brown. The flour can be stored in a jar ready for use when needed.

Soc. "Zarja" Presents Concert, Operetta

CLEVELAND, O.—The natural thing to do on the afternoon of November 24 at 3 p. m., that is on Thanksgiving day, is to head for the Slovene National Home on St. Clair ave. On your way in you pay your fifty cents at the door, or if you bought your ticket earlier for forty cents you present it at the door. Walk in, sit down and prepare yourself comfortably to enjoy the Annual Fall Concert of the Slovene Soc. Singing Society "Zarja."

This year the chorus will present a short one-act operetta, "Slamnat Vdovec" (Straw Widower). This comic operetta was written especially for the sake of laughter. Among the actors will be Anton Eppich, whose role will be that of a complaining innkeeper, who through his ingenuity manages to net himself a sum of money. His assistants in this plan are two nieces portrayed by the Misses Josephine Turk and Sophie Turkman; the young barkeeper—Gust Septavec—whose love for his Sonya leads him to masquerade as another niece; Lisjak—Tony Eler-sich—whose name describes his character and earns him unworked for money; the victim of all this—Kokošar—Andy Turkman—who is caught in his infidelity by his wife—Rosalia—Miss Jennie Perusek.

Strange as it is, it is true that the cast is composed of young members of the chorus, the only exception being Mr. Eppich! So come and see for yourself what we can do, and remember that with your encouragement we can do better!

The admission is priced at forty cents beforehand, and fifty cents at the door. So get your tickets early from any member of the chorus or from Mrs. Makovec.

SOPHIE TURKMAN.

"Naprej" Singers in Concert; Present Operetta

MILWAUKEE, WIS.—Sunday, November 20, is the date to reserve. The important event everybody looks forward to has come. Yes, of course, it's "Naprej's" annual fall concert. If you would take a peek into their Wednesday rehearsals you could see the "Naprejce" working hard but willingly under the capable direction of their companion and teacher Mr. Jursik, trying to put on a bigger and better performance than ever. There are many new young people in the club now and, from all appearances, you should enjoy the concert as much as they enjoy giving it for you.

In the afternoon "Naprej" will sing a short but snappy group of Slovene songs. And to top the afternoon off, an operetta entitled "Srce in Denar" (Heart and Money) will be given. This is a comedy as only Slovene authors know how to write them. Now is the time to find out how love and money can be properly mixed.

In the evening there will be dancing. Between the sociable younger set of "Naprej" the friendly old timers, and also the grand music, you will be able to dance like you've never danced before.

We'll be seeing you!

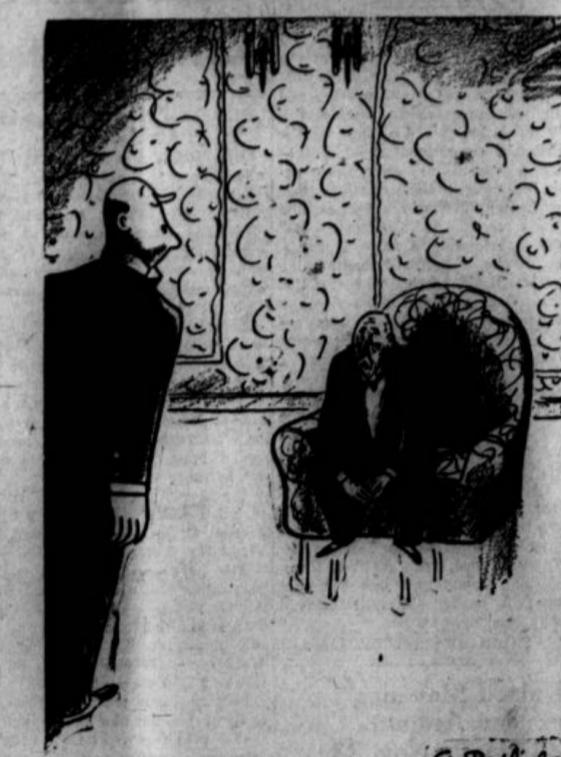

LILLIAN PUNCER.

"War" Lecture at Toman Library Forum Friday

CHICAGO.—On Armistice day, November 11, at 8:30 p. m., "War" will be the subject of discussion at the forum conducted by the John Toman Branch Library, 27th st. and Pulaski rd. Edwin M. Clough, of the Library of International Relations, will be the speaker.

John Abbey, member of the forum committee, will be chairman. Admission is free.

LOYALITES' NEWS AND VIEWS

CLEVELAND, OHIO.—My, oh my! Such a publicity committee as have the Loyalites. (I'll tackle my job again, Shorty, and I'll see if I can save you the trouble of looking for corner to corner on every page for the Loyalite article.)

SNPJ Bowling League Formed in Cleveland

A pleasant and an encouraging sight one sees when he walks into the St. Clair-Eddy Alleys on Sunday afternoons, is such signs over twelve alleys as SNPJ Loyalites No. 1, SNPJ Strugglers No. 1, SNPJ Comrades, etc.

The SNPJ League here in Cleveland, probably the first of its kind, is the first step to promoting and putting the 1939 SNPJ Bowling Tournament over with a BANG. The league is composed of twelve men teams and four women teams. The Loyalites lead the number of entries with four teams, Strugglers two, and other ESL lodges in Cleveland with at least one. The last time your scribe heard, Loyalite team No. 3 was on top, and we hope they stay right up there.

Now I will resort to bowling right in the Loyalites. The respective captains of the four teams are: Chewbie Gregoric, Stanley Zupon, Stan Sustaric, and Frank Cheligoj. The boys are certainly going to town, and I alone am confident that they will be in there when it is time to pass out laurels.

Loyalite Anniversary Dance

If you all want a very merry Xmas, attend Loyalites' annual Xmas Dance, December 25, at the Slovene hall on Holmes avenue. Music will be played by Frankie Yankovic. Admission 35c. All members of neighboring lodges in Cleveland are cordially invited to attend. I don't think it would be much out of my way if I will say that you can always have a swell time out Loyalite way. (Some poet, eh?) This isn't the last you will hear of it, so more next time.

Congratulations

Congratulations are in order for the new member of the Barry family. A daughter was born to Mr. and Mrs. Clyde Barry (formerly Sis. Katy Za-

dell). We are looking forward to having her on the juvenile list.

NOTICE: Will the Wolverine member who is the owner of the films taken at the Bowling Tournament in Chicago, please get in touch with Jennie Russ, 13721 Eaglesmere ave., Cleveland. Please give her some information as to whether or not those films may be had for use, so that they may be shown at Loyalites' annual meeting in December. Thank you.

Seen About Town

People are asking, "Where is that Loyalite chorus with their theme song 'Fantej pojejo na vojako!'" When are we getting together again, Birchie? Everyone is getting a good laugh when they see Shorty drinking orange pop since he has changed. The October meeting saw Mimi Poje celebrating her birthday and sporting a new timepiece. Some of Doc's work again. Stan Sustaric waiting for summer to roll around again so he can get another haircut (moonshine). Chewbie G. with his favorite color (grey and green). The three Chillis crowding the creekroom on Holmes ave. Since dancing started. Is this enough, Shorty? **JUNIOR, 690.**

too. (Be sure to be there, Lefty, and maybe I'll give your cravat back.)

Now to all those who aren't going to Chicago Nov. 12. Please note that the Fun-o-Lears are holding their 6th annual dance on that date at the Turn hall.

Victor Kouchich is laid up with a bum hand and is on the sick list. Another sick member is Ursula Pahula who got a bad burn on her hand a few weeks ago. Eddie Jereb says that in Wyoming he freezes at night, and thaws out during the day. (And he intends to stay out there all winter.)

I'm sure we all hope to see these three in our midst again soon. So with a fond farewell and toodle-oo till the time we meet again I'll say So long. (Lefty and Emil will get repaid on Sat., Nov. 12, if you get what I mean.)

THE EYES AND EARS OF BADGERS

MY VISTAS

By MILAN MEDVESEK

A Sketch of an American Street
St. Clair Avenue in Cleveland is exactly like hundreds and hundreds of other avenues, be it in Chicago, New York or any other large American industrial center.

On first glance it seems to be colorless, uninteresting, and monotonous, with but one life: the thickening darting traffic; yet on keen observation its ugly and unharmonious appearance is soon forgotten, as with every fleeting moment different colors, new faces, and new incidents catch the eye.

In the early morning it awakens from its drowsiness and gradually comes to life. At seven o'clock it is already roaring, racing, and tossing in the nervous swiftness of a new day. Over it speeds automobile after automobile—a river of automobiles—and among them loudly rumbles the trolley, the king of the avenue, which is jammed with workmen.

The traffic is stopped by the red traffic light. The hum of the motors is momentarily lulled; drivers impatiently wait to again plunge themselves forward. The signal light automatically changes and shows the sign, "GO!" And again everything begins to move restlessly.

Horns are blowing, street car motormen are angrily and nervously clanging the gongs, and automobilist is cursing automobilist. Everybody is speeding and rushing, then stopping, but only for a few seconds, and then ahead, ahead. Music made up of half-broken creaking automobiles, screaming of brakes, blowing of horns, and clanging of trolley-gongs is heard.

From behind a huge red monster suddenly changes the fire engine, speeding with neck-breaking speed, and roaring like a mad beast. The automobilists are seized with terror and quickly move out of the way, like frightened chickens at the sight of a chicken hawk.

At the intersection, a few feet ahead, a driver makes a wrong turn. A terrible collision! Brains and blood! Traffic is momentarily paralyzed. People are gathering. Trembling and pale faces are curiously inquiring about the accident. Soon the whole atmosphere is filled with the loud shrieking of the sirens. Police cars as well as ambulances race to the scene of the accident. With surprising skill the death and injured are removed, and the damaged cars towed away. The intersection resumes its former appearance; hereupon, the avenue again unconcernedly winds on.

Gradually the roar of the traffic lessens; therefore, the other characteristics of the avenue come to a greater effect. The frame structures are packed together and built in God knows what style, and which remind one of something oriental. Various colored writings are seen in display windows; the walls of the buildings are actually covered with posters of crimson Goddesses nine feet tall advertising cinema films, tobaccos, and other advertisements which are competing among themselves for superiority, gaudiness, and effectiveness. At night these advertisements come to wonderful effect. Thousands and thousands of dazzling electric lights flash on the green, black, red, yellow, brown and blue advertisement. Advertisement upon advertisement! Oceans of advertisements!

On the sidewalk people wearily trudge home from work. Their faces show signs of fatigue and worry. They are from all walks of life, followers of all religions, and sons of all nations. Many of them are seeking work. The latter are easily recognized, for resignation is usually written on their faces, as they drag themselves along, with only one goal in mind: where to find work? They are not working, yet, their bodies are worn out; they sleep, yet sleeplessness shines from their eyes. Work! Work!

Work! With this gnawing thought they move along the hazy street.

Here and there, in the vicinity of restaurants, people whom life has long since played out are idling. At one time they had dreamed of leaving the slums and poverty, but the dream has remained a dream. The iron age had crushed them before they became aware of its dangers. Now they wander around without thought or goal; unshaved, filthy ragged, looking like corpses. Their eyes are dilated and bloodshot, from their mouth emits a stench of alcohol which keeps them in a constant stupor. Boldly, pertly, they approach you and impudently ask: "Mister, can you spare a nickel?" The money they get is usually spent for cheap liquor which sooner or later sends them to the insane asylum, if they have not already passed away in some obscure corner.

After four o'clock in the afternoon the avenue begins to briskly whirl again. Crowded with multitudes of automobiles and crammed trolleys, it roars like a raging river.

On the river of automobiles, a placid horse harnessed to a small wagon which is loaded with junk trudges wearily along. On the seat sits an old negro and nods as he continually mumbles to the beast: "Giddap, giddap, giddap!"

Poor horse! How sadly he pulls his load, as though he knew he was everyone's way. Horns angrily blow at him, and as an automobilist found a chance to pass the wagon, he irately called: "You damn scrawny beast and lousy nigger, get out the way!"

From nearby side streets are heard the drawn-out voices of peddlars singing their old time songs of tomatoes, potatoes, onions, paper, rag!

The day is dying. On the main crossroads, where life begins at night, the hum and bustle of the crowd is heard. People come from dilapidated side streets, only to get lost again on all sides.

A curtain on a window is drawn aside, then suspiciously falls back into place. Subconsciously you feel that someone is watching you. You turn and see an overly-painted face half hidden behind the curtain, inviting you...

Buckeyes' Bits About Things Pleasant and Those Making One's Temperature Rise

By "Oh"

BARBERTON, O.—Sometimes one gets an irresistible urge to say "I told you so," but remembering, with aversion, those people who do say it, one gets everything under control and gurgles, "Oh, the Halloween Party was swell!"

The Belgrade Gardens resounded with shouts, laughter and music. Then the noise-makers appeared upon the scene and bedlam reigned. Some time later the chicken supper was served to the 25 members and after that came the games. It's regrettable that more of the Buckeyes didn't appear. One doubts, at times, whether some people would stir at the offering of doubloons and pieces of eight!

A prize was given for the prettiest costume won and Agnes Troha walked off with it looking like a real Spanish senorita. Johnny Gerbee won the prize for the funniest costume, appearing in a fantastic get-up that defies description.

Other prizes were won by Frank Oceppek, "Tom" Brncik, Mary Apchak, and Joe Mesek. Thus ended a right pleasant evening.

Anne Strauss would tell you that the modern pa asks a bride-to-be, "Are you in a position to support my son in the manner to which he is accustomed?"

The last Buckeyes' meeting had a pitiful attendance and this dept. can only mutter in disgust at such a lack of cooperation and interest. However, one has hopes that the December meeting will find every member present as matters of great importance will be up for discussion.

The motion to charter a bus for the Golden Eagles' dance was enthusiastically received, so on November 26 we shall journey to Niles, 30 or 40 strong. Frank Oceppek, Steffie Matosel and Frank Segulin are the committee in charge. So all those who wish to take the trip should make reservations and deposits with these people. For further information call Steffie at SA. 5488.

I'll bet the only worry Mussolini's Black Shirts don't have is the one about "tittle tale grey!"

Things that make one's temperature rise: People who end the day with "Ho hum, another day, another dollar"; those who in early October

start chanting: "Just think, Christmas is here!"; movie pests who giggle when everyone else has tears in their eyes and lumps in their throats during a sad scene; people who see no sense in acquiring an education unless it results in a white collar job.

Jaz ti povem, da: Every member should visit John Misich who is on the sick list with an infected eye. . . . Mary Apchak had everyone guessing when she was garbed in that funny costume. . . . Steffie and Nelle are going to town with their bowling.

The American Slavonic Alliance

MILWAUKEE, WIS.—The following letter is addressed to all Slovene, Croatian and Serbian organizations of this city.

You have probably heard at one time or another recently that meetings were being held to organize the Slovenes, Croatians and Serbians of Milwaukee County into an alliance. Through the course of these meetings a constitution and by-laws have been drawn up and adopted, and the organization has been temporarily named the American Slavonic Alliance.

The American Slavonic Alliance was organized to bring the South Slavic people of this county together for concerted action to improve the political, educational and economic conditions for our people. Its purpose is to influence county and state politics, to help individuals of our nationality to get an equal opportunity in civil service and in private industry; to point out to our people opportunities for education and to encourage them to take advantage of these opportunities; and in some measure at least to make our numbers felt through support of local candidates whose platforms are liberal and not discriminatory against our people.

Individually we shall never solve our problems. With collective action we can be sure of success. All persons of Slovene, Croatian and Serbian extraction are urged to attend the next regular meeting of the American Slavonic Alliance at Sostarich's hall, So. 6th and W. Bruce sts.
