DROBNE VESTI IZ SLOVENIJE

(Došle preko Trsta)

VERSKA SVOBODA. — Slovenski partizani imajo ukazano, da ne prestopajo govore, da vere ne preganjajo. Res smejo ljudje k službi božji, ne da bi bilo to posebej prepovedano. Poskrbe pa na razne načine, da zadržijo čim več mladine, da ne gre v cerkev. Stari le naj hodijo v cerkev. Ko ti pomrejo, bo vere in cerkva itak samo po sebi konec. Tako si misli partizan. Tudi duhovnik sme govoriti v cerkvi. Toda ustava je prepovedala, da govori o politiki. Pri tem pa je pozabila povedati, kaj je ta politika, o kateri duhovnik ne sme govoriti. Vsak partizan lahko to po svoje razlaga. To je zunanja svoboda, o kateri komunisti sedaj zelo radi govorijo.

Kako pa je v resnici s to svobodo, naj pove en zgrad. V Rovtahu na Notranjem je bil pred vojsko župnik Zalokar. Ta je bežal, pa se kasneje na svojo nesrečo vrnil domov. Ko se je vrnil, so ga zaprli in obsodili in mu seveda vse zaplenili. "Ko je prišel nov župnik, ni imel prav ničesar, kar bi vzel v roke. Ljudje so tako začeli zbirati za župnika, od česar bi mogel živeti. Toda krajevni odbor ni bilo prav. Pa je takole pogruntal: V Rovtahu ni imel župnik nikoli bere, torej

je to pobiranje nepostavno. Bero je pač imel kaplan, toda ta, za katerega se zbiralo, je župnik, ne pa kaplan. Torej mu bera ne gre. In partizanski junaki so zaplenili, kar je dobro ljudstvo nabralo. Toda vere seveda ne preganjajo. Tako bodo še naprej pripovedovali vsakemu, ki je toliko prismojen, da to verjame.

"UDARNISKO" DELO. — Bilo je v drugem kraju. Popravljali so cesto s tlako, ki so jo vpeljali na novo v "svobodni" Jugoslaviji. Tej tlaki pravijo "udarnisko" delo in seveda pišejo, kako je prostovoljno. V resnici pa je vsak prisiljen, da pride na delo. Pa se je torej zgodilo, da so popravljali s tako tlako cesto. Član OZNE se spomni na župnika in ukaže, da grede takoj ponj, ker da mora tudi on vršiti to udarnisko tlako. In župnik je moral z drugimi vihteti kramp. Vse v imenu svobode.

ARETIRANI PREDSEDNIK. — V bližini Ljubljane so sklenili v nekem kraju, da bodo imeli odsej mitinge v župnišču. Z mitingi so seveda zmeraj zvezani plesi. Pa je šel župnik k predsedniku krajevnega odbora, (Dolje na 3. strani)

Predlog za hitrejši čas
bo imel v odseku ali bo
bo imel v odseku, da bo
pa meščanstvo glasovalo

Odsek mestne zbornice v Clevelandu že dvakrat ni hotel odobriti predloga odbornika Puca iz 10. varde, da pomaknemo v Clevelandu čas za 60 minut naprej od 27. aprila do 28. septembra. Zdjaj bo poskusila zbornica, da vzame predlog iz odseka, za kar potrebuje 17 glasov.

Pa tudi če dobi zbornica predlog iz odseka, je gotovo, da ne bo sama odločila glede hitrejšega časa, ampak bo kvečjem napravila to, da bo dala predlog meščanom jeseni na glasovanje. Tako bo ostal vsaj za to poletje čas kot smo ga imeli doslej. Ako bi pa volivci jeseni odobrili hitrejši čas, bi ga spreminjali potem vsako poletje, dokler bi zopet kdo ne prišel in skušal vse skupaj vreti med staro šaro.

Kot je videti ne bomo torej letošnje poletje nič bolj zgodaj vstajali, vsaj na povelje mestne zbornice ne.

Anglija bo kupila 200 mil. funtov mesa

Washington. — Letošnje poletje namerava nakupiti Anglija v Zed. državah 200 milijonov funtov mesa. Amerikanci mislijo, da se to ne bo nič poznalo, ker je dovolj goveje živine na pašnikih.

Pridelek sirupa bo nekaj boljši letos

Dve leti povrsti je bil pridelek sirupa bolj pičel radi slabega vremena. Letos obetajo pa boljšo letino. Sirup prinaša zdaj od \$5 do \$6 galon. Pod OPA je bil \$3.39 galon.

Vedno imejte v spominu, da je boljše biti minito počasnejši kot pa sekundo prehitri in to posebno velja pri prehodu čez cesto, kjer drevi na stotine avtov in drugih vozil.

IZ RAZNIH KRAJEV PO AMERIKI

Ely, Minn. — Dne 27. jan. sta se poročila v cerkvi sv. Janeza Krst. Miss Rita Mary Kishel in Joseph Paul Anzelc, sin Mrs. Mary Anzele iz Aurora, Minn. Vlada bo držala volno zaradi Anglije

Washington. — Dasi ima ameriška vlada v skladišču nad 500 milijonov funtov volne, pa jo bo kupovala še naprej. Pa tudi na trg je ne bo šla, ker noče škodovati angleški trgovini. Anglija zdaj zalaga do 60% vse volne, ki jo potrebuje ameriške predilne industrije.

Brezdomci so šli na lakotno stavko

Herford, Nemčija. — Več tisoč brezdomcev v taborišču Schleswig-Holstein je šlo na lakotno stavko. Protestirajo radi aneksije Estonije, Latvije in Litve po Rusiji, ki bo najbrže odobrena na konferenci ministrov v Moskvi.

Senat bo imel vsak dan sejo, da bo odobril pomoč za Grčijo

Senator Vandenberg je apeliral na kongres, naj stoji za predsednikom

Washington. — Senatni republikanski odsek za smernice je naročil, naj bodo poslej redno vsak dan seje senata, da se še pred koncem tega meseca sprejme postavbo, ki bo dovolila pomoč Grčiji in Turčiji v vsoti \$400.000.000, kakor priporoča predsednik Truman. Senat se je sestajal doslej samo trikrat na teden.

Senator Vandenberg, republikanec iz Michigana, je apeliral na kongresnike, naj podpro predstnika v boju proti agresivnosti komunistov. Vendar je priporočal javno zaslišanje glede te pomoči, da si bo narod popolnoma na jasnem glede pomoči Zed. državi Grčiji in Turčiji.

"Predsednik je pogumno pogledal v oči problemu agresivnosti komunistov in jaz pričakujem od kongresa, da ga bo v tem podprl," je izjavil senator Vandenberg, ki je načelnik senatnega odseka za tujezemske zadeve. "Kako se bo pa ta pomoč dajala in vse podrobnosti te pomoči, naj presodi pa kongres sam," je rekel Mr. Vandenberg.

Senator je dalje izjavil, da bo moral kongres stopiti v akcijo glede tega vprašanja, ker organizacija združenih narodov ni še pripravljena kaj storiti v tem oziru.

Senator Taft, katerega mnenje smatrajo zelo važnim, je rekel, da ni nobenega dvoma, da se ne bo odreklo pomoči Grčiji za hrano in obnovo, kar se tiče pa Turčije, da se nas samo vpraša za pomoč armadi. "Ako se bomo vtkali v vojaške zadeve Grčije in Turčije, potem pač ne bomo mogli več protestirati proti Rusiji, ki dominira nad Poljsko, Jugoslavijo in Romunijo," je izjavil ohijski senator Taft.

TRUMAN UP, DA BO NAROD POČASTIL VELIKI PETEK

Washington. — Predsednik Truman je izrazil upanje, da se bo vsakdo v deželi udeležil cerkvenih opravil na veliki petek 4. aprila. To je izrazil v pismu na poseben odbor v Washingtonu, ki bo na veliki petek v prestolnici posvetil spominu smrti Jezusa.

"Svet je v zadnjih letih prožil mnogo naukov, ki jih uči naš Zvečlar. Zato upam, da bo narod te dežele aktivno prisostvoval pri cerkvenih opravilih tekom svetega časa na veliki petek," je rekel Mr. Truman.

Med perutnino se je pojavila mrzliza

New York. — V državah ob atlantskem obrežju se je pojavila med perutnino pljučnica. Najprej se je pojavila na jugu, potem se je pa pomikala proti severu. Zdjaj poročajo, da se je obrnila epidemija zahodno. Ko-koši cepajo na debelo, poročajo.

Hoover zahteva 155 mil. za Avstrijo

Washington. — Herbert Hoover, ki je pregledoval položaj prehrane po Evropi, priporoča za Avstrijo \$155.000.000, kar bi zadostovalo za 15 mesecev za prehrano.

V DRŽAVI WISCONSIN JE UMRL GUVERNER W. GODDLAND

Madison, Wis. — S smrtjo guvernerja Walterja Goddlanda je umrl najstarejši guverner v Ameriki. Umrl je za srčno napako v starosti 85 let.

Po političnem prepričanju je bil republikanec. Guverner je postal od podguvernerja leta 1944, ko je umrl guverner Orlando Loomis. Prošlo leto je bil pa izvoljen.

Ameriške čete v Italiji se pripravljajo za odhod

Odšle bodo 90 dni po odobreni mirovni pogodbi šteto od 1. aprila

Rim. — Ker pričakujejo, da bo do 1. aprila že odobrena mirovna pogodba za Italijo, se ameriške čete že pripravljajo za odhod iz Italije. Glasom pogodb mora oditi iz dežele 90 dni po odobreni pogodbi. Tako je poročal general Lee, vrhovni poveljnik ameriških čet v Sredozemlju.

Vse ameriške čete, to je okrog 28.000 mož bo odšlo iz Italije. Ostalo jih bo le kakih 5.000, ki bodo prideleni prosti tržaški državi za mednarodno stražo.

Oni, katerim še ne bo potekel rok za službo onstran morja, bo-

do poslani v Nemčijo, ostali pa domov v Ameriko. Samo v službo, da bi zavezniki odobrili pogodbo, Italija pa ne, bo spreminila ta gornji načrt.

Odmev po svetu na govor predsednika Trumana glede pomoči Grški in Turški

London. — Angleški vladni krogi so z radostjo pozdravili govor predsednika Trumana, ki je priporočal kongresu, naj odobri pomoč Grčiji in Turčiji.

Turški premier Peker je izjavil, da so se Zed. države končno zbudile in vidijo svetovni položaj, kot je.

Daily Worker, komunistični list v Londonu, je izjavil, da je pravi namen Zed. držav obvarovati grške vladarje in turške diktatorje ter pognati nazaj napredujoče sile demokracije.

Grški zunanji minister Tsaldaris se je v posebni brzojavki zahvalil predsedniku Trumanu za govor in obljubljeno pomoč, s čemer je rešil grški narod pred pogubo. Komunistični krogi v Grčiji so izrazili veliko nevoljo nad govorom predsednika Trumana in nad obljubljeno pomočjo.

Tujezemski časnikarji poročajo iz Moskve, da ni bilo slišati nobenega glasu o Trumanovem govoru, ne tako, ne tako, kot bi ne govorili.

Koruza je ceneja za krmo kot oves

Washington. — Čeprav je koruza mnogo dražja kot oves, pa pride nazadnje za krmo le cenejša, kot oves, računano na bušlje, ker več zaleže pri bušlju.

Jug. poslanik trdi, da njegova dežela potrebuje hrane

Kosanović je poslal spomenico o tem drž. podtajniku Achesonu

Washington. — Jugoslavanski poslanik Sava Kosanović je poslal izjavo, da njegova dežela v resnici potrebuje hrane in da je naslikal resen položaj Jugoslavije v spomenici, ki jo je oddal državnemu podtajniku Achesonu še 13. februarja.

To je potrdil državni urad, ki je povedal, da je ameriško poslaštvo v Beogradu poročalo o opetovani izjavi jugoslovanske vlade, da so zaloge živih nezadostne, da bi zadostile vsem zahtevam do prihodnje letine.

Poslanik Kosanović je poročal na državni urad, da je mislila UNRRA v Jugoslaviji vedno trdila, da je položaj prehrane v Jugoslaviji po dveh letih suše kritičen.

"Navzlic dejstvu, da je Jugoslavija v pretežni večini poljedelska dežela, je bila jug. valda opetovano prisiljena napraviti izdatne zmanjšave pri odmerkih za kruh, ki so ob tem času manjši, kot je pa zahteva za normalno prehrano," je poročal Mr. Kosanović na državni urad.

Mr. Kosanović na državni urad ni poročal, kakaj je posla-

stova vlada Romuniji pred volitvami 20.000 ton žita, v Albanijo pa 10.000 ton, če je dežela sama v taki potrebi za prehrano, da mora valda manjšati porcije kruha domačemu prebivalstvu.

NANOSIL SI JE ŽIVIL ZA MNOGO SLABIH ČASOV

V skladišču živil na Orange Ave. in 37. cesti v Clevelandu so že dolgo opazovali, da zmanjkujejo živila. Pazili so, pa niso mogli tatu izslediti. Končno so našli zasebnega detektiva. Ta je končno postal pozoren na kurjača in je tudi obiskal njegovo stanovanje na 17504 Allen Ave. Tam je detektiv našel raznih živil v kantah in vrečah v vrednosti \$2.800. Policijski voz je moral priti trikrat, da je vse odpeljal.

Kurjača so prijeli in se piše Ralph Weber, star 51 let. Pri- znan je da je pomalem nosil iz skladišča živila zadnja štiri leta.

Na Dunaju je 50.000 psov manj

Dunaj. — Pred vojno je bilo na Dunaju do 80.000 psov, zdaj jih je samo še kakih 30.000. Vzrok je to, ker se ljudem trda prede za hrano, nikar da bi krmlili še kužeta. Mnogi hodijo k vojaškim kuhinjam zaveznikov, kjer izprošijo kosti in druge ostanke za svoje štirinožne prijatelje.

Poročena 55 let, oba kmalu umrla

San Jose, Cal. — Harry Richmond, star 76 let in njegova žena Suzie, stara 79 let, sta se vozila z avtom proti domu, ko je mož prišlo pri kolesu slabo; nagnil se je in umrl. Žena ga je hotela obuditi, pa je sama padla v nezavest in umrla. Pred par dnevi sta praznovala 55-letnico poroke.

Kadar morate ponoči preko ceste, imejte na sebi vedno kak bel predmet, da vas voznik lažje opazi.

JUGOSLAVIJA NE DOVOLI KOMISIJI ČEZ MEJO

Atene. — Komisija združenih narodov, ki preiskuje na Balkanu vzroke gerilskih bojev, je hotela odposlati v Jugoslavijo svoj poseben oddelek, ki naj bi tam preiskaval. Toda na jugoslovanski meji so komisijo zavrnil nazaj. Iz Floride se poroča, da komisiji zato niso pustili v deželo, ker ni prejela obmejne straže od svoje vlade nobenega navodila za to.

Novi ohijski guverner vpraša za mnogo več denarja kot Lausche

Columbus, O. — Ohijski guverner Thomas Herbert, ki je pri lanskih volitvah porazil Franka Lauscheta za 38.000 glasov, je vprašal legistaturo za toliko denarja za vzdrževanje države, kot pred njim še noben drug guverner.

Herbert zahteva nič manj kot \$527.595.987, dočim je pred dvema letoma vprašal Lausche za celih \$123.000.000 manj. V novem proračunu vpraša Herbert samo za šole \$49.000.000 več, kot je dajala država dozdaj.

Iz proračuna je torej razvidno, da ne moremo pričakovati manjših davkov, kot je to obljubil Mr. Herbert tekom volivne kampanje. Toda ko je proračun pred- ložen, ni bilo nobenega navodila, da ne ob 3 kot navadno. Seja je prestavljena radi koncerta, ki se vrši ob 3. Po seji bo ura molitve kot navadno. Ta sprememba velja samo za ta mesec. Ker so važne zadeve na dnevnem redu je članstvo prošeno, da se udeleži v velikem številu.

Poslanci se ne strinjajo z senatom glede termina za predsednika

Washington. — Senat je sprejel z 59 proti 23 glasovom predlog, da ne sme služiti noben predsednik Zed. države več kot dva termina, to je 8 let. Toda senat je sprejel dodatek za podpredsednike, da služijo lahko vseeno dva polna termina, tudi če so prej nadomestili predsednika, kakor je slučaj pri sedanjem predsedniku Trumanu. Ta bi imel torej pravico služiti še dva polna termina, čeprav že sedaj služi v nedokončanem Rooseveltovem.

Poslanska zbornica se pa s tem dodatkom ne strinja, ampak je za dva termina in nič več. Ako bosta obe zbornici dosegli sporazum glede tega, morajo resolucijo odobriti legislature v dveh tretjinah držav, predno postane postava.

Nash tovarna je dobila sporočilo o stavki

Milwaukee. — Unija CIO je naznanila, da je izročila Nash-Kelvinator Corp. obvestilo o nameravani stavki. Enako obvestilo bodo izročile unije v Kenosha, Wis. in Grand Rapids, Mich. V teh treh tovarnah je zaposlenih nad 13.000 delavcev. Unije zahtevajo 23 centov in pol višjo mezdno na uro.

New York. — Alfred Minutolo je oni dan ušel iz ječe v Brooklyn. Ko so ga spet dobili v pest je rekel, da se ni v ječi dobro počutil, pa je šel k zdravniku. Pri tem je pa popolnoma pozabil vprašati paznika za dovoljenje.

LETO STRAHOTE 1793

VICTOR HUGO

Spodnji del skrinje so bili oblegovalci na dveh mestih močno pretolkli ter vrezali vanjo dve široki špranji, ki sta služili kot strelnici. Skozi eno od teh je Imanus hitro vtaknil roko in izstrelil v napadalce kroglo iz druge pištole. Najbrže je krogla odletela od zidu, kajti čulo se je več krikov, kakor da bi bili ranjeni ali ubiti trije ali štirje; na stopnicah je nastal velik hrušč, iz katerega je bilo sklepati, da so se napadalec umaknili. Imanus je vrgel izstreljeni pištoli stran in zagrabil ostali dve; držel v vsaki pesti po eno, je prežal za špranjama skrinje. Videl je, da so se republicanči res umaknili. Na treh ali štirih zgornjih stopnicah, ki so se še videle, se je vilo v bolečinah nekaj smrtno ranjenih.

"Hvalabogu," si je dejal

V BLAG SPOMIN
ČETIRTE OBLETNICE SMRTI
DRAGE SOPROGE IN LJUBLJENE MATERE

Agnes Dežman
ki je zatislila svoje blage oči
15. marca 1943

Štiri leta so minila,
nas za vedno zapustila,
naš spomin na tebe pa živi,
živel bo do konca dni.

Žalujoci:

SOPROG IN OTROCI.

Euclid, O. 14. marca 1947.

Imanus, "pridobili smo nekaj časa."

Zdajci je zapazil človeka, ki se je po trebuhu plazil gori po stopnicah. Obenem se je bolj doli za srednjim stebrom zavojne pokazala glava vojščaka. Imanus je pomeril nanjo in ustrelil. Krik — in vojak se je zgrudil. Zdaj je Imanus zadnjo pištolo, ki mu je še ostala, vzel iz leve roke v desno.

V tistem hipu je začutil grozovito bolečino in zdaj je bil on, ki je izpuštil nečloveški krik. Sablja je rila po njegovem drobu. Mož, ki se je bil po stopnicah po trebuhu pripeljal do skrinjine špranje, mu je bil porinil v trebuh sabljo. Rana je bila strašna, trebuh je bil počez ves razparan. Toda Imanus se ni zgrudil; le zaškrtaš z zobmi in zagrohal: "Tudi dobro!"

Potem se je omahujoč plazil do baklje, ki je gorela blizu železnih vrat, jo snel in, zažigajoč z levico iztopajoča čreva, z desnico zažgal navzplano zažigalno nit, ki je vzplapolala. Nato bakljo spustil, da je gorela dalje na kamenitih tleh. On sam pa je zopet legel nazaj na mesto, kjer je ležal samokres, ki ga je bil izpuštil, ko mu je neznan vojak započel v telo sabljo, ter ga stisnil v pest. In vnovič se je pobral, da že umirajoč, razpihne tlečo zažigalko. Ta je naglo gorela dalje, pod železnimi vratmi v smeri proti gradšču na mostu. Ko je Imanus videl, da je njegovo delo uspelo, se je nasmešnil. Malo poprej še junač, je bil zdaj zločinec, toda bil je na svoj zločin bolj ponosen kot na svojo hrabrost. "Zapomnil me bodo," je mrmral, nad njihovimi malčki sem maseval našega malega kralja v Templu."

V tem hipu je nekaj neznanosko zatreskalo: skrinja se je preobrnila in v sobano je butnil mož z golo sabljo.

"Jaz sem, Radoub. Kdo si še želi batin? Jaz sem pripravljen. Enemu sem že prepral trebuh, zdaj pridete na vrsto še ostali. Naj mi kdo sledi ali ne, meni je vseeno. Koliko vas je?"

Radoub je bil v resnici sam. Po krvoprelitju, ki ga je bil

napravil na stopnišču Imanus, je Gauvain, ki se je bal kakšne skrivne mine, pozval vse moštvo nazaj in se posvetoval s Cimourdainom.

V temi, ki jo je ugašajoča baklja komaj razsvetljevala, je Radoub ponovil svoje vprašanje: "Jaz sem sam. Koliko pa je vas?" Ker je vse ostalo tiho, je stopil korak naprej. Zdajci je baklja zopet vzplamtela kakor vsaka luč, preden umre in soba se je za trenutek jarko razsvetlila. "Nikogar!" je vzkliznil presečeni Radoub. Naenkrat je zapazil naprosto sebi obrnjeni kamen, špranjo v steni in zavojne stopnice. "Aha! Razumem! Tički so ušli. Pridite, tovariši; vsi gori! Podurhali so jo, izginili so ko kafa, še duha ni za njimi. Ta trapasti stolp je počen ko star lonec. Čez to luknjo so se splazile te beštje. Kako naj premagamo Angleže, Bretonce in vso sodrgo, če nam delajo take norčije? Sam hudič je na njihovi strani. Vse prazno ko v preluknjem žaklju."

Zdajci je počil strel; krogla je oplazila Radoubu po laktu in se započila v steno.

Glej ga hudiča, eden je pa le tu! Kdo pa je bil tako prijazen, da me je počastil s salutom.

Radoub je zapazil v poltemi Imanusa. "Hvalabogu, vsa j enega imam. Drugi so se poslovili, ti mi pa ne uideš."

"Meniš?" je odgovoril Imanus.

Radoub, ki sicer ni prišel izlepa v zadrego, se je nekoliko zdrznil. "Kdo si ti pravzaprav?"

"Eeden, ki se na tleh, smeje onim, ki stoje pokonci."

"In kaj imaš v desnici?"

"Samokres."

"In v levi?"

"Svoja čreva."

"Ti si moj ujetnik."

"Rad se motiš."

In nagnjen nad zažigalko, ki jo je še enkrat s predzadnjim dihom svoje duše razpihal, je umrl.

Par trenutkov na to so stali v dvorani Gauvain, Cimourdain in ostali. Vsi so strmeli z luknjo v zidu. Preiskali so vse kote in zavojne stopnice. Dognali so, da se iztekajo v globel. Rojalisti so utekli — o tem ni bilo dvoma. Tre-

slji so Imanusa, toda on je bil enkrat za vselej mrtel. Gauvain je natančneje preiskoval vrtljivi kamen. Bil je v mladosti slišal o njem, pa je mislil, da je to le pravljica. Zdaj je zapazil, da je bilo nekaj na njem s svinčnikom napisano. Posvetil je s svetilko in bral: "Na svidenje, gospod Vicomte; Laténac."

Medtem se je vrnil Guecham, ki je bil preiskoval izhod. Zasedovanje ni imelo smisla. Beg se je bil popolnoma posrečil. Ubegli so imeli na svoji strani celo deželo, gozd, grmovje, globeli in prebivalce. Tudi so bili gotovo že daleč in bi jih nihče izlepa ne mogel več izslediti: fougerški gozd je bil eno samo ogromno skrivališče. Kaj tedaj Treba je bilo začeti vse iznova. Vsi so bili slabe volje. Gauvain in Guecham ste se med seboj pogovarjala, Cimourdain

MISSION BEGINS

Sunday, March 16 - 23

Blessed are they who hear the word of God and keep it. Go out into the highways and the hedges and compel them to come in that my house may be filled.

OBJECT

The object of the Mission is to offer extraordinary opportunities for hearing the Word of God and for worthily receiving the Sacraments. The Church enriches with wonderful favors those who make the Mission well. We should all earnestly pray to God that not one member of the parish may fail to profit by this season of grace. In the words of St. Paul: "We exhort you, that you receive not the grace of God in vain. For he saith: In an accepted time have I heard thee; and in the day of salvation have I helped thee. Behold now is the day of salvation."

During the Mission, avoid all amusements, idle conversations, and useless reading, and apply yourself earnestly to the great affair of your eternal salvation. God alone knows how near you are to eternity. We beseech all attending the Mission to pray earnestly for the conversion of sinners. Those who have at any time led people to sin should repair the past by leading others to God. St. James tells us that he who causes a sinner to be converted shall save his own soul from death, and cover a multitude of sins.

The scouts of Troop 285 received

Holy Communion on Sunday, March 9th. After Mass the boys went to the Church basement to have some break-fast. After they ate they decided to go on a hike.

They all met at Jack Avcin's house and proceeded to Indian Hills. The boys walked until they felt as though their feet were worn down to their knees. At last they came to a shelter where they split up and made two fires. At one fire were Robert Muzic, Charles Peditz, William Moonsey, and Joe Zuzak, and at the other were George Reskovic, Jack Avcin and Donald Blazer. That's a lot of wood on two fires, don't you think? They cooked a meal of vegetables and meat, which was very appetizing. After all had eaten their dinner they made ready to go on an exploration of the woods which ended at another place of shelter. It seems they were so tired that they were only looking for a place to sit down. Here they had another snack and another fire, but only after having much trouble finding dry wood for a fire which took about a half hour to start.

On the way home the boys followed the creek and saw many new wonders. A couple of the boys walked on the bank because they were afraid of falling into the creek. All came home safely and admitted that they had a wonderful time.

CUB REPORTER

P. S.: The Scouts wish to thank the ladies who prepared such a wonderful breakfast for them.

Drama at Western
Reserve

"Cry of Laughter," a drama involving psychology and its striking effect on modern people, will be presented at Aldred Theater, Western Reserve University, March 18-22.

This prize-winning play, by Florence Kahn of Baltimore, Md., was judged one of the five best entered in a national playwright contest sponsored by the Hermit Club of Cleveland. This is the second experimental production of newly written plays to be produced at Reserve's theatre. Stated for production on Broadway, the script play centers about a well-meaning but autocratic gentleman of wealth who enslaves certain immigrants with his kindness. The reactions of these people who are taken into the kindly benefactor's home and unconsciously, on the part of the gentleman, caught in a trap, provides the theme of the play.

SPORTS

HOCKEY

Buffalo, N. Y., March 9. — Still hanging on grimly in the tussle for leadership of the American Hockey League, Buffalo's Bisons treated the Cleveland Barons to a rough thumping 5 to 2, before 9,226 fans here Sunday night.

The Bison victory clipped the Cleveland margin in the western division to two points — a single game. Cleveland has four more to play in the regular schedule and Buffalo three.

Johnny Holota, the sharpshooting Cleveland center, delivered both of Cleveland's goals, for his 48th and 49th of the season, and his splendid scoring record is now almost certain to soar beyond the 50 mark.

BOXING

"Ezzard Charles, rip-tearin' light heavyweight terror from Cincinnati, crashed Jimmy Bivins kerfuffle on the chin in the fourth round on their scheduled 10-heater at the jam-packed Arena Monday night, and Cocky Jimmy crashed on the floor — out colder than Hitler's heart.

Out for the first time in his career. All of the 11,519 customers came up blinking as Jimmy went down of a startling sudden, and many of them looked on almost unbelievably while Referee Jackie Davis intoned the count that ended the round in time of 1:17 and ended too, no doubt, the homebred heavyweight's quest of a world championship.

TEN PIN TOPIS

The Underdogs created with their wins from the league leading Regular Guys won share second place with the Nu-Deals who dropped three to the Wonders. What an upset!

Eddie Horvat led the Underdogs with a 502 series including a 308 game. Eddie Zabak was high for the losers with a small 490 series.

Lou Cherney of the Wonders surprised us with a 502 total, including a 186 game and Ed Muhl was best for the Nu-Deals with a 474 series.

The Wonders still hold first place for team high and three came high. Laddie Mizzen holds honors for a three game total of 606.

Monday night was a complete "off" night for the bowlers as a group—so, next week, we anticipate those new high scores.

CONDENSED NEWS FROM OUR HOME FRONT

Washington. — The Supreme Court ruled last week that John L. Lewis and his mine union were guilty of contempt for flouting a court order to halt a soft coal strike, and upheld a \$10,000 fine against Lewis personally and reduced from \$3,500,000 to \$700,000 the fine against the union.

Sale of 1947 automobile license plates, white numerals on green background, began last Monday, Mar. 13. This year there are two plates for each vehicle and must be attached by April 1 or the driver will be subject to arrest.

Detroit. — Some 30 barmaids organized here to convince the legislature that the law forbidding them to serve behind the bar, is unjust. This law had been accepted in 1945.

ST. VITUS HOLY NAME
Weekly ReviewHURRY, GET YOUR
TICKETS

We do mean hurry! Our own lads from around the neighborhood have been training for the last two months, in order to put on a good show for March 21st. Why, there will be more fun to watch our kids than any professional boxing match. "Whitey" Persin is in charge of all the training, aided by Joe Aveco, our ever helping hand.

These youngsters really want to perform so we do promise you a good show if you are a sports fan. Will we be seeing you in the Church basement March 21st? The General Admission seats sell at 75c and in the reserved section, at \$1.25. Buy your ticket from any Holy Name member.

WHAT YOU CAN
EXPECT TO SEE

In this corner, we have heavyweight "out to win" Red Mule, weighing 186 pounds. And in this corner, we have "tough egg" Joe Straj tipping the scale at 200 pounds. Putting aside all seriousness these boys will give you many a laugh.

Looking into the "tiny" class, Marion Munia anxiously is awaiting to get at his rival "powerhouse" Koccar. These boys are entering the 90 pound class.

We must confess, Ray Krajc, who takes on anyone, will appear at the show. You see we are training this kid against Ma's wishes. Ma, if you only knew his strength! We are pretty sure Ray won't lose.

Amongst our other active lads, you will see Frank Turk, Buddy Dolence, Tony Brodnik, Frankie Straj and Louie Koccar. W. Fecce demands he should be mentioned here.

Wow! We almost forgot to mention that Bob Radle (158 lbs.) took plenty from anyone who wanted to give it. Don't kid yourselves, Bob was just toughening himself up for the March 21st night. We are raring to see that fella let loose one of his wicked punches.

Donald Siapnik, that jolly boxer, will meet his match that night too.

Of course, this doesn't complete the bouts, but we didn't intend to give you too much just yet. Come down and see what we have to offer on Friday March 21st, at 8:30 p. m.

H. N. S. CHOIR GROUP

Advancing rapidly in the art of good singing, our Holy Names now have two evenings a week of practice. Mr. Richard Sterle led the Millmen with (Continued on Page 6)

group. He thinks the boys are doing very well.

Already twenty-five young men have joined this group. However, we are anxious to bring the membership up to fifty. Any fellow over 18 years of age, who is interested in singing may come to the next rehearsal on Thursday, March 20th, at 7:30 p. m. in room 4 of the school building.

We do hope to see a capacity group this Thursday

ST. VITUS MOTHERS CLUB

On Wednesday, March 5, we had our first meeting since our Social Nite. A report on the affair warmly accepted as it was a financial success. Our merchants who contributed door prizes were responsible for many happy winners. We appreciate their generosity and have thanked each of them by mail. We are sure when we again have a "Social" a good attendance will be assured just from the good will created by the large number of donated door prizes. Our meeting was well attended. The usual donated prize — this time by Mrs. Julia Zakrabsky — were a pair of pretty hand-crocheted mittens. They were too good to be just given away, so we held a small raffle among ourselves. Mrs. Helen Zele was the lucky one and our treasury benefited by \$7.30. Thank you Mrs. Zak!
Now to the serious side of our activities. This Sunday, March 16th, our Club is having group Communion at the 7 o'clock Mass at St. Vitus. Even if you do not yet belong to our Club, we ask you to join us. It is expected all our members will make every effort to be present.

Sodality News

Many old and new faces were seen at last Thursday night's Sodality meeting. Among the newer faces were Frances Cizel and Josephine Strumbel. It was very nice seeing you girls again, hope we see you down often. Much business was discussed at this meeting and the various committees got underway. Father Baraga, our Director, gave a very interesting talk on vocations. Thank you, Father.

The Sodality wish to express their deepest sympathy to Amelia Dolenc on the death of her brother. Eternal rest grant unto him.

The Day of Recollection held last Sunday was a day which will be long remembered by those who attended.

Father McQuade, who conducted the Day of Recollection, gave very inspiring talks on the life of Mary, comparing Mary's life with our life — and also spoke on the Rules of the Sodality and the Act of Consecration.

COMING EVENTS
WED. MARCH 26 — A movie, entitled "The Life of St. Francis" will be sponsored by the Sodality on that date. More details will be given next week.

SUN. APRIL 13th — St. Vitus CYO Dance. Time: 8:00 p. m. Music by Ty Milnar and his Orchestra. Price 65c. Anyone desiring to go can obtain their tickets from any member of the Sodality or the other members of other clubs of the parish.

FRI. APRIL 25th — A Springtime Swirl Dance, given by the Sodality, in the School Gym. Tickets can be obtained from any Sodality member. More details later.

COMING FEASTS
St. Patrick March 17th
St. Joseph — March 19th

Our meeting Tuesday night was held in a newly decorated and painted school auditorium, which received very many favorable comments from the members present, and rightfully so as the hall presents a beautiful piece of workmanship. Looking to days ahead the girls have started their calendar of events — which is as follows: April 13th. (KEEP THIS DATE IN MIND) the C.Y.O. Dance to be held in the school auditorium — April 22nd. Hon-school auditorium — the day pins will be presented to the girls who have attained highest merit. May 11th. — our Mother's Day program. May 24 — our dance to be held in the American Legion Hall... here's hoping that you, too, have marked your calendar in accord with ours.

CUPID WINS AGAIN
If cupid continues to throw his arrows... that remains to be answered, for he has taken the heart of another of our members, this time it was Helen Meglich, who received a lovely ring from Mr. Walter Prawdiz. Best wishes, from Miss Kay and the girls, Meggy, and here's wishing you both all the luck and happiness that can be found... Say, Cupid, that makes it eight girls who have met with your fleet arrow...

After an hour and a half of preaching, a clergyman who was given to fanciful flights of oratory was just getting warmed up to his sermon on immortality. "I looked up to the mountains," he shouted, "and I said, 'Mighty as you are, you will be destroyed; but my soul will not.' I gazed at the ocean and cried, 'Vast as you are, you will eventually dry up, but not I.'"

And then he wondered why the congregation laughed.

A WAC truck driver, stationed in Greece, posed for a snapshot in front of the crumbled pillars of an ancient temple. "Don't get the truck in the picture," she warned, "or my boy friend will think I ran into the place."

The credit manager of a manufacturing firm, trying to collect a bill from a customer in a small town to whom goods had been shipped, wrote to the local bank to check on the cus-

tomers credit, and to the town's mayor, asking him to recommend a good lawyer to start suit. He received this reply:

"Dear Sir: as stationmaster I can assure you the goods were delivered to me. As president of the bank, I can assure my credit is good. As mayor I can tell you I'm the best lawyer in town, and if it weren't for the fact that I'm the pastor of the church I'd tell you to go to hell."

"Here, Antie," said the returned soldier, "is a franc I brought you from Paris as a souvenir."

"Thank you," said the dear old lady, "but I wish you would have brought me one of those Latin quarters I read so much about."

The new shoe clerk seemed a little too pushing, a little too slick, to be true. Standing out of sight in the alcove, the manager listened as the young man slipped a shoe on to a customer's foot, laced it up, tied it, and, stepping back, smartly remarked, "There you are, sir! The finest piece of footwear in our establishment. Do you know what kind of leather that is?"

"No," replied the patron. "Now," thought the manager, "we will find out just how much that young smart aleck knows."

"Well, sir," said the clerk, "I can tell you, that's SOME leather!" Then there was the rookie who saw three stars on a staff car and walking up to the stern-faced man sitting in back, congratulated him on having three sons in the service.
